4. Life considered as employed, or destined to employment.

A great devourer of his *time*, was his agency for men of quality.—*Bishop Fell, Life of Hammond.*

All ways of holy living, all instances, and all kinds of virtue, lie open to those who are masters of themselves, their *time*, and their fortune.—*Law.*

5. Season; proper time.

To every thing there is a season, and a *time* to every purpose under the heaven.—*Ecclesiastes*, iii. 1.

[They] were cut down out of *time*, whose foundation was overflown with a flood.—*Job*, xxii. 16.

He found nothing but leaves; for the *time* of figs was not yet.—*Mark*, xi. 13.

Knowing the *time*, that now it is high *time* to awake out of sleep.—*Romans*, xiii. 11.

Short were her marriage joys; for in the prime
Of youth her lord expired before his *time*.
Dryden, Sigismonda and Guiscardo, 25.

I hope I come in *time*, if not to make,
At least, to save your fortune and your honour.
Id., Spanish Friar, iv. 2.

The *time* will come when we shall be forced to bring our evil ways to remembrance, and then consideration will do us little good.—*Calamy, Sermons.*

6. Considerable space of duration; continuance; process of time.

Fight under him, there's plunder to be had;
A captain is a very gainful trade:
And when in service your best days are spent,
In *time* you may command a regiment.
J. Dryden, jun. Translation of Juvenal, xiv. 251.

In *time* the mind reflects on its own operations about the ideas got by sensation, and thereby stores itself with a new set of ideas, ideas of reflection.—*Locke.*

7. Age; part of duration distinct from other parts.

They shall be given into his hand until a *time* and *times*.—*Daniel*, vii. 25.

The way to please being to imitate nature, the poets and the painters, in ancient *times*, and in the best ages, have studied her.—*Dryden, Translation of Dufresnoy's Art of Painting.*

8. Past time.

I was the man in th' moon when *time* was.
Shakespear, Tempest, ii. 2.

9. Early time: (for *in time*).

Stanley at Bosworth field, though he came *time* enough to save his life, yet he staid long enough to endanger it.—*Bacon.*

If they acknowledge repentance and a more strict obedience to be one time or other necessary, they imagine it is *time* enough yet to set about these duties.—*Rogers.*

10. Time considered as affording opportunity.

The earl lost no *time*, but marched day and night.—*Lord Clarendon, History of the Grand Rebellion.*

I would ask any man that means to repent at his death, how he knows he shall have an hour's *time* for it?—*Whole Duty of Man.*

Time is lost, which never will renew,
While we too far the pleasing path pursue,
Surveying nature. *Dryden, Translation of Virgil.*

11. Particular quality of some part of duration.

Comets, importing change of *times* and states.
Brandish your fiery tresses in the sky.
Shakespear, Henry VI. Part I. i. 1.

All the prophets in their age, the *times*
Of great Messiah sing.
Milton, Paradise Lost, xii. 243.

If any reply, that the *times* and manners of men will not bear such a practice, that is an answer from the mouth of a professed time-server.—*South, Sermons.*

12. Particular time.

When that company died, what *time* the fire devoured two hundred and fifty men. — *Numbers*, xxvi. 10.

Give order, that no sort of person
Have, any *time*, recourse unto the princes.
Shakespear, Richard III. iii. 5.
The worst on me must light, when *time* shall be.
Milton, Paradise Lost, x. 74.
A *time* will come when my maturer muse
In Cæsar's wars a nobler theme shall chuse.
Dryden, Translation of the Georgics. iii. 79.
These reservoirs of snow they cut, distributing them to several shops, that from *time* to *time* supply Naples.—*Addison.*

13. Completion of the time of pregnancy; time for delivery; time of childbirth.
She intended to stay till delivered; for she was within one month of her *time.—Lord Clarendon, History of the Grand Rebellion.*
The first time I saw a lady dressed in one of these petticoats, I blamed her for walking abroad when she was so near her *time*; but soon I found all the modish part of the sex as far gone as herself.—*Addison, Spectator.*

14. Repetition of anything, or mention with reference to repetition.
Four *times* he cross'd the car of night.
Milton, Paradise Lost, ix. 65.
Many *times* I have read of the like attempts begun, but never of any finished.—*Heylin.*
Every single particle would have a sphere of void space around it many hundred thousand million million *times* bigger than the dimensions of that particle.—*Bentley.*
Lord Oxford, I have now the third *time* mentioned in this letter, expects you.—*Swift.*

15. Musical measure.
Musick do I hear!
Ha, ha! keep *time*. How sour sweet musick is
When *time* is broke, and no proportion kept!
Shakespear, Richard II. v. 5.
You by the help of tune and *time*
Can make that song which was but rhime. *Waller.*
When heroes, gods, or godlike kings
They praise, on their exalted wings
To the celestial orbs they climb,
And with the harmonious spheres keep *time.*
Sir J. Denham, On the Death and Burial of Cowley.
Heroes who o'ercome, or die,
Have their hearts hung extremely high;
The strings of which in battle's heat
Against their very corselets beat;
Keep *time* with their own trumpet's measure.
And yield them most excessive pleasure.
Prior, Alma, i. 459.

Time. *v. a.*

1. Adapt to the time; bring or do at a proper time.
There is no greater wisdom than well to *time* the beginnings and onsets of things.—*Bacon, Natural and Experimental History.*
It is hard to believe that where his most numerous miracles were afforded, they should all want the advantage of the congruous *timings* to give them their due weight and efficacy.—*Hammond.*
The *timing* of things is a main point in the dispatch of all affairs.—*Sir R. L'Estrange.*
This 'tis to have a virtue out of season.
Mercy is good, a very good dull virtue;
But kings mistake its *timing.*
Dryden, Spanish Friar, iii. 3.
A man's conviction should be strong, and so well *timed*, that worldly advantages may seem to have no share in it.—*Addison.*

2. Regulate as to time.
To the same purpose old Epopeus spoke,
Who overlook'd the oars, and *timed* the stroke.
Addison, Translation from Ovid, Mariners transformed to Dolphins.

3. Measure harmonically.
He was a thing of blood, whose every motion
Was *timed* with dying cries.
Shakespear, Coriolanus, ii. 2.

Timeful. *adj.* Seasonable; timely; early.
If this arch politician finds in his pupils any remorse, any feeling of God's future judgments, he persuades them that God hath so great need of men's souls, that he will accept them at any time, and upon any condition; interrupting, by his vigilant endeavours, all offer of *timeful* return towards God.—*Sir W. Raleigh, History of the World.*

Timekeeper. *s.* Watch or clock that keeps good time.
This rate will now be used for finding the longitude by the *time-keeper.—Cook and King's Voyage.*

Timeless. *adj.*

1. Unseasonable; done at an improper time.
Nor fits it to prolong the heavenly feast
Timeless, indecent, but retire to rest.
Pope, Translation of the Odyssey, iii. 429.

2. Untimely; immature; done before the proper time.
By concealing it, heap on your head
A pack of sorrows, which would press you down,
If unprevented, to your *timeless* grave.
Shakespear, Two Gentlemen of Verona, iii. 1.
Noble Gloster's death,
Who wrought it with the king, and who perform'd
The bloody office of his *timeless* end.
Shakespear, Richard II. iv. 1.
O wither'd, *timeless* youth; are all thy promises,
Thy goodly growth of honours, come to this?
Beaumont and Fletcher, Double Marriage.

3. Without end or beginning.
[They] headlong rush
To *timeless* night and chaos, whence they rose.
Young, Night Thoughts, night ii.
Though Mr. Osgood's family was also understood to be of *timeless* origin.—*George Eliot* (*signature*), *Silas Marner*, ch. iii.

Timelessly. *adv.* Before the natural time; unseasonably.
O fairest flower, no sooner blown but blasted,
Soft silken primrose, fading *timelessly.*
Milton, Ode on the Death of a fair Infant, 1.

Timely. *adj.*

1. Seasonable; sufficiently early.
The west yet glimmers with some streaks of day;
Now spurs the lated traveller apace
To gain the *timely* inn. *Shakespear, Macbeth*, iii. 3.
Happy were I in my *timely* death,
Could all my travels warrant me they live.
Id., Comedy of Errors, i. 1.
Lest heat should hinder us, his *timely* care
Hath unbesought provided.
Milton, Paradise Lost, x. 1057.
I'll to my charge, the citadel, repair,
And show my duty by my *timely* care.
Dryden, Aurengzebe, i. 1.

2. Keeping measure, time, or tune.
And many bards, that to the trembling chord
Can tune their *timely* voices cunningly.
Spenser, Faerie Queen.

Timely. *adv.* Early; soon.
The beds i' th' east are soft, and thanks to you,
That call'd me *timelier* than my purpose hither.
Shakespear, Antony and Cleopatra, ii. 6.
Sent to forewarn
Us *timely* of what else might be our loss.
Milton, Paradise Lost, vii. 73.
Timely advised, the coming evil shun;
Better not do the deed, than weep it done.
Prior, Henry and Emma, 310.

Timeous. *adj.* Opportune; early enough. *Rare.*

Timeously. *adv.* In a timeous manner.
If due care be had, to follow *timeously* the advise of an honest and experienced physician, a period certainly may be brought about to most chronical distempers.—*Cheyne, On Health*, p. 174.

Timepiece. *s.* General name for clocks, watches, and chronometers; chiefly applied to a kind intermediate in size to the clock and watch suited to chimney-pieces, side-tables, and the like.
Messieurs Wales and Bailey made observations on Drake's Island to ascertain the latitude, longitude, and for putting the *time-pieces* or watches in motion.—*Cook's Voyage.*

Timepleaser. *s.* One who complies with prevailing opinions whatever they be.
The people cry you mocked them; and, of late,
When corn was given out gratis you repined;
Scandall'd the suppliants for the people, call'd them
Timepleasers, flatterers, foes to nobleness.
Shakespear, Coriolanus, iii. 1.

Timeserver. *s.* One who meanly complies with present power.
That which politicks and *time-servers* do for earthly advantages, we will do for spiritual.—*Bishop Hall, Contemplations*, b. iv.
Timeservers, covetous, illiterate persecutors, not lovers of the truth.—*Milton, History of England*, b. iii.
For ten years Constantine refrained from any stronger measures against image-worship. The overthrow of Artavasdus no doubt threw that large party of *time-servers*, the worshippers of the will of the emperor, on his side.—*Milman, History of Latin Christianity*, b. iv. ch. vii.

Timeserving. *s.* Mean compliance with present power.
If such by trimming and *timeserving*, which are but two words for the same thing, abandon the church of England; this will produce confusion.—*South, Sermons.*
This great work of Chillingworth . . . formed a decisive vindication of religious dissent, and thus justified the breaking-up of the Anglican church, which the same generation lived to witness. Its fundamental principle was adopted by the most influential writers of the seventeenth century,—such as Hales, Owen, Taylor, Burnet, Tillotson, Locke, and even the cautious and *time-serving* Temple; all of whom insisted upon the authority of private judgment, as forming a tribunal from which no one had the power of appeal.—*Buckle, History of Civilization in England*, vol. i. ch. vii.
We know the favouring colours of protestant writers; but turn to the bitter invective of Bossuet, and the patriarch of our reformed church stands forth as the most abandoned of *time-serving* hypocrites.—*Hallam, Constitutional History of England*, vol. i. ch. ii.

Timid. *adj.* [Fr. *timide*; Lat. *timidus.*] Fearful; timorous; wanting courage; wanting boldness.
Poor is the triumph o'er the *timid* hare.
Thomson, Seasons, Autumn, 401.

Timidity. *s.* [Fr. *timidité*; Lat. *timiditas, -atis.*] Fearfulness; timorousness; habitual cowardice.
Thus in the field the royall host did stand,
None fainting under base *timiditie.*
Mirrour for Magistrates, p. 823: 1610.
The hare figured pusillanimity and *timidity* from its temper.—*Sir T. Browne, Vulgar Errours.*
There was no defect of spirit in the nation to oppose a more adequate resistance; but the weak-minded individual upon the throne sacrificed the public interest sometimes through habitual *timidity*, sometimes through silly ambition.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. vii.

Timist. *s.*

1. One who complies with the times; time-server.
A *timist* is a noun adjective of the present tense. He hath no more of a conscience than fear, and his religion is not his but the prince's. He reverenceth a courtier's servant's servant.—*Sir T. Overbury, Characters*, sign. E. 7, b.

2. In *Music.* One who keeps accurate time.

Timócracy. *s.* [Gr. τιμοκρατία; κράτος = strength; κρατέω = I rule, prevail.] See extract.
Timocracy [is] a term made use of by some Greek writers, especially Aristotle, to signify a peculiar form of constitution; but there are two different senses in which it is thus used, corresponding to the different meanings of the word, τιμή, a price, or honour, from which it is derived. According to the first, it represents a state in which the qualification for office is a certain amount of property; in the latter it is a kind of mean between aristocracy and oligarchy, when the ruling class, who are still the best and noblest citizens, struggle for pre-eminence amongst themselves.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Timocrátic. *adj.* Relating to, constituted by, timocracy.
With regard to the distribution of political franchises and rights, the *timocratic* principle so far as it rests upon the doctrine of a proportionate interest in a common object, cannot be admitted without large qualifications. All persons, whatever their amount of property, have in fact an equal interest in the well-being of the State, provided that interest be well understood. Nevertheless, the establishment of a property franchise, and the exclusion of all who do not possess it, is a virtual adoption of this principle. Suppose a body of a thousand persons, of whom four hundred possess a certain amount of property and six hundred do not. According to the *timocratic* principle, each of the four hundred would have plural votes, and each of the six hundred would have one vote. But the same result is even more effectually attained, if each of the four hundred has one vote, and the others are not enfranchised.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. vii.

Timorous. *adj.* [Lat. *timor* = fear.] Fearful; full of fear and scruple.
Prepossessed heads will ever doubt it, and *timorous* beliefs will never dare to try it.—*Sir T. Browne, Vulgar Errours.*
The infant flames, whilst yet they were conceal'd
In *tim'rous* doubts, with pity I beheld;
With easy smiles dispell'd the silent fear,
That durst not tell me what I died to hear.
Prior, Celia to Damon, 5.
The pope, in his answer to the prelates and clergy, did not maintain the same decorous majesty. His wrath was excited by what he deemed the *timorous* apostacy of churchmen from the cause of the church.—*Milman, History of Latin Christianity*, b. xi. ch. ix.

Timorously. *adv.* In a timorous manner; fully; with much fear.
We would have had you heard
The traitor speak, and *timorously* confess
The manner and the purpose of his treasons.
Shakespear, Richard III. iii. 5.
Though they had ideas enough to distinguish gold from a stone, and metal from wood, yet they but *timorously* ventured on such terms which should pretend to signify their real essences.—*Locke.*
Let dastard souls be *timorously* wise:
But tell them, Pyrrhus knows not how to form
Far-fancy'd ills, and dangers out of sight.
A. Philips, Distressed Mother.

Timorousness. *s.* Attribute suggested by Timorous; fearfulness.

Timorousness and bashfulness hinder their proceedings.—*Burton, Anatomy of Melancholy*, p. 188.

It is the greatest *timorousness* and cowardice in the world.—*Jeremy Taylor, Holy Dying*, ch. iii. § 9.

The clergy, through the *timorousness* of many among them, were refused to be heard by their council.—*Swift.*

Timous. *adj.* Early; timely; not innate. *Obsolete.*

By a wise and *timous* inquisition, the peccant humours and humourists must be discovered, purged, or cut off.—*Bacon.*

Timously. *adv.* Timeously.

A design had taken sad effect, had not St. Paul, by his apostolical prohibition, *timously* presented it.—*Christian Religion's Appeal*, p. 85.

Tin. *s.* [Fr. *étain*; German, *zinne.*]

1. Metal so called: (in Chemistry, *stannum*; in Alchemy, *Jupiter*; in the Arts, *cassius* (Gr. κασσίτερον), as in 'Purple of *cassius*').

Quicksilver, lead, iron, and *tin*, have opacity or blackness.—*Peacham, On Blazoning.*

The uses of *tin* are very numerous. Combined with copper, in different proportions, it forms bronze, and a series of other useful alloys. . . . With iron, it forms tinplate; with lead, it constitutes pewter, and solder of various kinds. Tin-foil coated with quicksilver makes the reflecting surface of glass mirrors. Nitrate of *tin* affords the basis of the scarlet dye on wool, and of many bright colours to the calico-printer and the cotton-dyer. A compound of *tin* with gold gives the fine crimson and purple colours to stained glass, and artificial gems. Enamel is made by fusing oxide of *tin* with the materials of flint glass. This oxide is also an ingredient in the white and yellow glazes of pottery ware.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Native peroxide of *tin* is generally grey, brown, or black, and sometimes transparent or translucent: its specific gravity is seven: its primitive crystal is an obtuse octahedron, of which there are very many modifications. In some of the valleys of Cornwall it is found in nodules mixed with pebbles, and is called stream *tin*. A modification of stream *tin*, in small banded fragments or globular masses, is called wood *tin*. Protochloride of *tin* (Sn Cl) is obtained by subjecting a mixture of one part of *tin* filings and two of corrosive sublimate to distillation. When *tin* is dissolved in hydrochloric acid, the solution evaporated, and the dry residue carefully heated to incipient redness in a small tube retort, so as to exclude air, the protochloride of *tin* remains nearly pure. It is in the form of a grey solid, fusible and volatile at a high heat (butter of *tin*). When its solution in a small quantity of water is evaporated, it yields prismatic crystals, which include three atoms of water. The protochloride of *tin*, or salt of *tin* of commerce, is made by putting one part of granulated *tin* into a basin upon a sand-bath, and pouring upon it one part of hydrochloric acid; after some hours three parts more of the acid are added, and the mixture stirred and digested till a saturated solution is obtained.—*Frankland*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

As the *first element* in a *compound.*

We do not know, and there are no sure means of ascertaining, when it was that the British islands were first inhabited by mankind. The name of the first civilised man, who is recorded to have had any dealings here, is Midiacritus. He was, most probably, a Phœnician sea-captain or merchant, who came to the south-western end of Britain, to the part now called Cornwall, and took thence in his ship back to his home in Tyre or Sidon a cargo of the tin, with which the Cornish territory still abounds. His countrymen, the Phœnicians, and their kinsmen and colonists, the Carthaginians, continued for many centuries to carry on the British *tin-trade* which Midiacritus had commenced.—*Sir E. Creasy, History of England*, ch. ii.

2. Money. *Slang.*

'Do you see Mother Carey's stall?' said Mick, pointing in that direction. 'When there's a tick at Madame Carey's there's no *tin* for Chaffing Jack. That's what I call watching events.'—'Oh! as for the *tin*,' said Caroline, 'in these half-time days that's quite out of fashion. But they do say it's the last night at the Temple, for Chaffing Jack means to shut up, it does not pay any longer; and we want a lark. I'll stand treat; I'll put my ear-rings up the spout—they must go at last, and I would sooner at any time go to my uncle's for frolic than woe.'—*B. Disraeli, Sibyl.*

Tin. *v. a.* Cover with tin.

To keep the earth from getting into the vessel, he employed a plate of iron *tinned* over and perforated.—*Boyle.*

The cover may be *tinned* over only by nailing of single tin plates over it.—*Mortimer, Husbandry.*

New *tinning* a saucepan is chargeable.—*Swift.*

Tincal. *s.* [Persian.] Native borax, more or less impure.

The *tincal* of the Persians seems to be the chrysocolla of the ancients, and what our borax is made of.—*Woodward.*

Borax is a native saline compound of boracic acid and soda, found abundantly in Thibet and in South America. The crude product from the former locality was imported into Europe under the name of *tincal*, and was purified from some adhering fatty matter by a process kept a long time secret by the Venetians and the Dutch, and which consisted chiefly in boiling the substance in water with a little quicklime.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tinchel. *s.* [A.S. *tynan* = enclose.] See extract.

An ancient hunting-match (the nature of the carnage excepted) was almost equal to a modern battle, when the strife took place on the surface of a varied and unequal country. A whole district poured forth its inhabitants, who formed a ring of great extent, called technically a *tinchel*, and, advancing and narrowing their circle by degrees, drove before them the alarmed animals of every kind.—*Sir W. Scott, Castle Dangerous.*

Tinct. *v. a.* [Lat. *tinctus*, pass. part. of *tingo* = tinge, stain, die.] *Rare.*

1. Stain; colour; spot; die.

Some bodies have a more departable nature than others in colouration; for a small quantity of saffron will *tinct* more than a very great quantity of wine.—*Bacon.*

I distilled some of the *tincted* liquor, and all that came over was as limpid as rock water.—*Boyle.*

Those who have preserved an innocence, would not suffer the whiter parts of their soul to be discoloured or *tincted* by the reflection of one sin.—*Dr. H. More, Decay of Christian Piety.*

2. Imbue with a taste. *Rare.*

We have artificial wells made in imitation of the natural, as *tincted* upon vitriol, sulphur, and steel.—*Bacon.*

Tinct. *part.* Coloured; stained. *Rare.*

The blue in black, the green in gray, is *tinct.*
Spenser, Shepherd's Calendar, November.

Tinct. *s.* Colour; stain; spot. *Rare.*

That great med'cine hath
With his *tinct* gilded thee.
Shakespear, Antony and Cleopatra, i. 5.

The first scent of a vessel lasts, and the *tinct* the wool first appears of.—*B. Jonson.*

Tinctórial. *adj.* Giving a tinge or tinct.

One of the most curious and valuable facts ascertained [concerning] *tinctorial* matter is that of madder.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tincture. *s.* [Lat. *tinctura.*]

1. Colour or taste superadded by something.

The sight must be sweetly deceived in an insensible passage from bright colours to dimmer, which Italian artisans call the middle *tinctures.*—*Sir H. Wotton, Elements of Architecture.*

Hence the morning planet gilds her horn;
By *tincture* or reflection they augment
Their small peculiar.
Milton, Paradise Lost, x. 1075.

'Tis the fate of princes, that no knowledge
Come, pure to them, but, passing through the eyes
And ears of other men, it takes a *tincture*
From every channel. *Sir J. Denham, The Sophy.*

That beloved thing engrosses him, and, like a coloured glass before his eyes, casts its own colour and *tincture* upon all the images of things.—*South, Sermons.*

To begin the practice of an art with a light *tincture* of the rules, is to expose ourselves to the scorn of those who are judges.—*Dryden.*

Malignant tempers, whatever kind of life they are engaged in, will discover their natural *tincture* of mind.—*Addison.*

Sire of her joy and source of her delight!
O! wing'd with pleasure, take thy happy flight,
And give each future morn a *tincture* of thy white.
Prior, Henry and Emma, 678.

All manners take a *tincture* from our own,
Or come discolour'd through our passions shown.
Pope, Moral Essays, i. 33.

Have a care lest some darling science so far prevail over your mind, as to give a sovereign *tincture* to all your other studies, and discolour all your ideas.—*Watts.*

Scarcely one of the barbarians, so long as they continued unconfused with the native inhabitants, acquired the slightest *tincture* of letters; and the praise of equal ignorance was soon aspired to and attained by the entire mass of the Roman laity.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ix.

The old inscriptions, even of the fourth and fifth centuries, are full of solecisms and corrupt orthography. In legal instruments under the Lombard kings, the Latin inflections are indeed used, but with so little regard to propriety that it is obvious the writers had not the slightest *tincture* of grammatical knowledge.—*Ibid.*

Nothing in the early existence of Britain indicated the greatness which she was destined to attain. Her inhabitants, when first they became known to the Tyrian mariners, were little superior to the natives of the Sandwich Islands. She was subjugated by the Roman arms; but she received only a faint *tincture* of Roman arts and letters. Of the western provinces which obeyed the Cæsars she was the last that was conquered, and the first that was flung away.—*Macaulay, History of England*, ch. i.

2. In *Pharmacy.* Alcoholic solution of any medicinal principle.

In *tinctures* drawn from vegetables, the superfluous spirit of wine distilled off leaves the extract of the vegetable.—*Boyle.*

The term *tincture* is also applied to alcoholic solutions of resins, of which *tincture* of myrrh is an instance. *Tinctures*, from the quantity of alcohol which they contain, are necessarily exhibited in small doses: the most important are those which contain highly active ingredients, such as opium, &c.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

3. In *Heraldry.* See extract.

In Heraldry, *tinctures* are of three kinds: metals, colours, and furs. The former are or, argent; the second gules, azure, sable, vert, purpure, sanguine, and tenny. The chief furs are ermine and vair; but there are several varieties of both, distinguished by different names. Each metal and colour, in blazonry (except the two last and least honourable, sanguine and tenny), is represented by a distinct precious stone and heavenly body; and when the arms of sovereign princes or high dignities are described by old heralds, the *tinctures* are frequently denoted by the names of these jewels or celestial bodies.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tincture. *v. a.*

1. Imbue or impregnate with some colour or taste.

The bright sun compacts the precious stone,
Imparting radiant lustre like his own:
He *tinctures* rubies with their rosy hue,
And on the sapphire spreads a heavenly blue.
Sir R. Blackmore.

A little black paint will *tincture* and spoil twenty gay colours.—*Watts.*

2. Imbue the mind.

Early were our minds *tinctured* with a distinguishing sense of good and evil; early were the seeds of a divine love, and holy fear of offending, sown in our hearts.—*Bishop Atterbury.*

Quinctilian . . . possessed much good sense, but this was *tinctured* with pedantry.—*Archbishop Whately, Elements of Rhetoric*, § 2, introd.

Tind. *v. a.* [German, *zünden.*] Kindle; set on fire.

As one candle *tindeth* a thousand.—*Bishop Sanderson, Sermons*, i. 56.

Tinder. *s.* [German, *zunder, zeindel.*] Anything eminently inflammable placed to catch fire.

Strike on the *tinder*, ho!
Give me a taper. *Shakespear, Othello*, i. 1.

To these shameless pastimes were their youth admitted, thereby adding, as it were, fire to *tinder.*—*Hakewill, Apology.*

Where sparks and fire do meet with *tinder*,
Those sparks more fire will still engender.
Sir J. Suckling.

Whoever our trading with England would hinder,
To inflame both the nations do plainly conspire;
Because Irish linen will soon turn to *tinder*,
And wool it is greasy, and quickly takes fire.
Swift.

Tinderbox. *s.* Box for holding tinder.

Gentle Achates, reach the *tinderbox.*
Marlowe, Dido, Queen of Carthage.

The line translates—

'Ac primum silici scintillam excudit Achates.'

This is not the only instance of bathos which this play, notwithstanding the genius and scholarship of the writer, supplies.

That worthy patriot, once the bellows
And *tinderbox* of all his fellows.
Butler, Hudibras, iii. 2, 1535.

He might even as well have employed his time in catching moles, making lanterns and *tinderboxes.*—*Bishop Atterbury.*

Tinderlike. *adj.* Inflammable as tinder.

I am known to be a humorous patrician; hasty and *tinderlike* upon too trivial motion.—*Shakespear, Coriolanus*, ii. 1.

Tine. *s.* [Icelandic, *tindr.*]

1. Tooth of a harrow; spike of a fork.

In the southern parts of England they destroy moles by traps that fall on them, and strike sharp *tines* or teeth through them.—*Mortimer, Husbandry.*

2. Trouble; distress.

The tragical effect,
Vouchsafe, O thou the mournful'st muse of nine,
That wont'st the tragick stage for to direct,
In funeral complaints and wailful *tine.* *Spenser.*

Tine. *v. a.* [*tind.*] Kindle; light; set on fire.
Strifeful Atiu in their stubborn mind
Coals of contention and hot vengeance *tined.*
Spenser.
The clouds
Justling or push'd with winds, rude in their shock,
Tine the slant lightning; whose thwart flame driven down,
Kindles the gummy bark of fir.
Milton, Paradise Lost, x. 1073.
The priest with holy hands was seen to *tine*
The cloven wood, and pour the ruddy wine.
Dryden, Translation of the First Book of the Iliad, 635.

Tine. *v. a.* [*teen.*] Rage; smart. *Obsolete.*
Ne was there salve, ne was there medicine,
That mote recure their wounds; so inly they did *tine.*
Spenser, Faerie Queen.
Eden, though but small,
Yet often stainde with blood of many a band
Of Scots and English both, that *tyned* on his strand.
Ibid. iv. 11, 36.

Tíneman. *s.* [A.S. *tynan* = enclose.] In *Law.* See extract.
Tineman, or *Tienman*, [was] of old a petty officer in the forest, who had the nocturnal care of vert and venison, and other servile employments.—*Cowell.*

Ting. *s.* Sharp sound: (as, 'the *ting* of a bell').

Tinge. *v. a.* [Lat. *tingo.*] Impregnate or imbue with a colour or taste.
Sir Roger is something of an humourist; and his virtues as well as imperfections are *tinged* by a certain extravagance, which makes them particularly his.—*Addison, Spectator.*
A red powder mixed with a little blue, or a blue with a little red, doth not presently lose its colour; but a white powder mixed with any colour is presently *tinged* with that colour, and is equally capable of being *tinged* with any colour whatever.—*Sir I. Newton, On Opticks.*
If the eye be *tinged* with any colour, as in the jaundice, so as to *tinge* pictures in the bottom of the eye with that colour, all objects appear *tinged* with the same colour.—*Ibid.*
She lays some useful bile aside,
To *tinge* the chyle's insipid tide;
Else we should want both gibe and satire,
And all be burst with pure good-nature.
Prior, Alma, i. 441.
The infusions of rhubarb and saffron *tinge* the urine with a high yellow.—*Arbuthnot, On the Nature and Choice of Aliments.*

Tíngent. *adj.* [Lat. *tingens, -entis*, pres. part. of *tingo* = dip, tinge, dye, stain.] Having the power to tinge. *Rare.*
This wood, by the tincture it afforded, appeared to have its coloured part genuine; but as for the white part, it appears much less enriched with the *tingent* property.—*Boyle.*

Tínglass. *s.* Bismuth.

Tíngle. *v. a.* Cause to tingle (as a sound).
Go, boy, and your good mistress tell,
(She knows that my purpose is cruel)
I'd thank her to *tingle* her bell
As soon as she's heated my gruel.
J. and H. Smith, Rejected Addresses, Macbeth Travestie.

Tíngle. *v. n.*
1. Feel a sound, or the continuance of a sound, in the ears.
The ears of every one that heareth it shall *tingle.*—1 *Samuel*, iii. 11.
2. Feel a sharp quick pain with a sensation of motion.
The pale boy senator yet *tingling* stands,
And holds his breeches close with both his hands.
Pope, Dunciad, iv. 147.
3. Feel either pain or pleasure with a sensation of motion.
They suck pollution through their *tingling* veins.
Tickell.

Tíngling. *verbal abs.* Kind of pain or pleasure with a sensation of motion; noise in the ears.
A kind of sleeping in the blood, a whoreson *tingling.*—*Shakespear, Henry IV. Part II.* i. 2.

Tínker. *s.* [? *tin* + *caird*, Scotch for *tinker.*] Mender of old brazen or tin utensils.
Am not I old Sly's son, by education a card-maker, and now by present profession a *tinker?*—*Shakespear, Taming of the Shrew*, induction, sc. 2.
My copper medals by the pound
May be with learned justice weigh'd:
To turn the balance, Otho's head
May be thrown in: and, for the metal,
The coin may mend a *tinker's* kettle.
Prior, Alma, iii. 573.

Tínkerly. *adj.* After the manner of a tinker.
They suffer no *tinkerly* pleadings of mending one hole, and making two.—*Sermon*, by *E. Hickeringill*, p. 37: 1681.

Tínkle. *v. n.*
1. Make a sharp quick noise; clink.
His feeble hand a javelin threw,
Which flutt'ring, seem'd to loiter as it flew:
Just, and but barely, to the mark it held,
And faintly *tinkled* on the brazen shield.
Dryden, Translation of the Æneid, ii. 742.
2. Hear a low quick noise.
With deeper brown the grove was overspread,
A sudden horrour seiz'd his giddy head,
And his ears *tinkled*, and the colour fled.
Dryden, Theodore and Honoria, 92.

Tínkle. *v. a.* Cause to tinkle.
The sexton or bell-man goeth about the streets with a small bell in his hand, which he *tinkleth* as he goeth.—*Ray, Remains*, p. 207.

Tínkle. *s.* Clink; quick noise.
The *tinkle* of the words is all that strikes the ears, and soothes them with a transient and slightly pleasurable sensation.—*Mason, Essays on Church Musick*, p. 114.

Tínkling. *part. adj.* Making a sharp quick noise.
Railing and *tinkling* rhimers, whose writings the vulgar more greedily read.—*B. Jonson, Discoveries.*
The sprightly horse
Moves to the musick of his *tinkling* bells.
Dodsley.
The wandering streams that shine between the hills,
The grots that echo to the *tinkling* rills.
Pope, Eloisa to Abelard.

Tínkling. *s.* Quick noise.
The daughters of Zion are haughty, and walk with stretched out necks, making a *tinkling* with their feet.—*Isaiah*, iii. 16.
Now fades the glimmering landscape on the sight,
And all the air a solemn stillness holds;
Save where the beetle wheels his drony flight,
And drowsy *tinklings* lull the distant folds.
Gray, Elegy written in a Country Churchyard.

Tínman. *s.* Manufacturer of tin, or iron tinned over.
Didst thou never pop
Thy head into a *tinman's* shop? *Prior, A Simile.*

Tínmine. *s.* Bed, or vein, containing tin; the smaller ones called tinfloors, and stock-works.
The *tin-mines* of the Malay Peninsula ... are most productive in the island of Junk Ceylon, where they yield sometimes eight hundred tons per annum.—*Ure, Dictionary of Arts, Manufactures, and Mines.*
'None of thy buffoonery, sir,' said Tressilian, sternly. 'If thou hast trifled with us ... thou shalt find thy grave at the bottom of a *tinmine.*'—*Sir W. Scott, Kenilworth*, ch. xii.

Tínner, *s.* One who works in the tin mines.
The Cornish men, many of them could for a need live under ground, that were *tinners.*—*Bacon, History of the Reign of Henry VII.*

Tínnient. *adj.* [Lat. *tinniens, -entis*, pres. part. of *tinnio.*] Emitting a clear sound.
It will make every religious string, so to say, more intense and *tinnient.*—*Essay on the Action for the Pulpit*, p. 86: 1753.

Tínning. *verbal abs.* Coating of iron with tin.
The *tinning* follows these preparatory steps. A range of rectangular cast-iron pots is set over a fire-flue in an apartment called the stow, the workmen stationing themselves opposite to the narrow ends. The first rectangle in the range is the tin-pot; the second is the wash-pot, with a partition in it; the third is the grease-pot; the fourth is the pan, grated at the bottom; the fifth is the list-pot, and is greatly narrower than any of the rest: they are all of the same length.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tínny. *adj.* Abounding with tin. *Rare.*
Those arms of sea that thrust into the *tinny* strand.
Drayton.

Tínplate. *s.* Plate of iron coated with tin; white iron.
The only alloy of iron interesting to the arts, is that with tin, in the formation of *tinplate*, or white iron. The sheet iron intended for this manufacture is refined with charcoal instead of coke, subsequently rolled to various degrees of thinness, and cut into rectangles of different sizes, by means of a shearing-machine driven by a water-wheel, which will turn out a hundred boxes a day, or four times the number cut by hand labour.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tínsel. *s.* [Fr. *étincelle.*]
1. Kind of shining cloth.
It's but a night-gown in respect of yours; cloth of gold and cuts, underborne with a bluish *tinsel.*—*Shakespear, Much Ado about Nothing*, iii. 4.
2. Anything shining with false lustre; anything showy and of little value.
For favours cheap and common who would strive?
Yet scatter'd here and there I some behold,
Who can discern the *tinsel* from the gold.
Dryden.
No glittering *tinsel* of May fair
Could with this rod of Sid compare. *Swift.*
The story is ... too high and august for being ornamented with *tinsel* and gilt pasteboard.—*Carlyle, Critical and Miscellaneous Essays, Writings of Werner.*
Used *adjectivally.* Specious; showy; plausible; superficial.
Tinsel affections make a glorious glistering.
Beaumont and Fletcher, Loyal Subject.
Tinsel enthusiasms are in the world.—*Spencer, Vanity of Vulgar Prophecies*, p. 16.
Ye *tinsel* insects, whom a court maintains,
That counts your beauties only by your stains,
Spin all your cobwebs o'er the eyes of day,
The muse's wing shall brush you all away.
Pope, Epilogue to the Satires, dialogue ii.
But after all, sir, where is the injury? You assure me, that my logic is puerile and *tinsel*, that it carries not the least weight or conviction, that my premises are false and my conclusions absurd. If this be a just description of me, how is it possible for such a writer to disturb your peace of mind, or to injure a character so well established as yours.—*Letters of Junius*, letter xviii.

Tínsel. *v. a.* Decorate with cheap ornaments; adorn with lustre that has no value.
She, *tinsell'd* o'er in robes of varying hues,
With self-applause her wild creation views,
Sees momentary monsters rise and fall,
And with her own fool's colours gilds them all.
Pope, Dunciad, i. 81.

Tint. *s.* [Fr. *teinte.*] Dye; colour.
Whether thy hand strike out some free design,
Where life awakes, and dawns at ev'ry line;
Or blend in beauteous *tint* the colour'd mass,
And from the canvas call the mimick face.
Pope, Epistle to Mr. Jervas, 3.
Though it be allowed that elaborate harmony of colouring, a brilliancy of *tints*, a soft and gradual transition from one to another, present to the eye what an harmonious concert of music does to the ear, it must be remembered, that painting is not merely a gratification of sight.—*Sir J. Reynolds.*

Tint. *v. a.* Tinge; colour: (added by Todd, with the notice that the word is *modern*).
No more young hope *tints* with her light and bloom
The darkening scene. *Seward, Sonnets*, p. 3.

Tintamár. *s.* [Fr. *tintamarre.*] Confused noise; hideous outcry.
The croud, noise, and *tintamar* of the great world.—*Bishop Gauden, Life of Hooker*, p. 13: 1661.
Squalling hautboys, false-stopped violoncellos, buzzing bassoons, ... all ill-tuned. The *tintamarre* which this kind of squeaking and scraping and grumbling produces, I will not pain my reader by bringing stronger to his recollection.—*Mason, Essays on Church Musick*, p. 218.

Tínted. *part. adj.* Having a tint; tinged; slightly stained or dyed.
The only young-looking man was old Colonel Carlisle, who, with his skilfully enamelled cheek, flowing auburn locks, shining teeth, and *tinted* whiskers, might have been mistaken for gay twenty-seven, instead of gray seventy-two; but the Colonel had the gout, to say nothing of any other objections.—*B. Disraeli, The Young Duke.*

Tintinnábular. *adj.* [Lat. *tintinnabulum* = bell.] Connected with, relating to, a bell. In the Rejected Addresses, the Ghost of Dr. Johnson is made to call bells and knockers 'frappant and *tintinnabular* appendages.' The Edinburgh Review remarks that this imitation is less happy than others. It may be added that both *tintinnabular* and *tintinnabulary* are words which Johnson has *not* entered in his Dictionary.

Tintinnábulary. *adj.* Tintinnabular.
Another Ganymede (a sort of footboy-major), who opened the door, and who was still settling himself into his coat, which he had slipped on at my *tintinnabulary* summons, ushered me with a mouth full of bread and cheese into this said back room.—*Lord Lytton, Pelham*, ch. xxv.

Tíny. *adj.* [?] Little; small; puny: (noted by Johnson as a *burlesque* word).
Any pretty little *tiny* kickshaws.—*Shakespear, Henry IV. Part II.* v. 1.

When I was a little *tiny* boy,
A foolish thing was but a toy.
Shakespear, Twelfth Night, v. 1, song.
But ah! I fear thy little fancy roves,
On little females and on little loves;
Thy pigmy children, and thy *tiny* spouse,
The baby playthings that adorn thy house.
Gay, Lamentation of Glumdalclitch.

Tip. *s.*

1. Top; end; point; extremity.
The *tip* no jewel needs to wear,
The *tip* is jewel of the ear. *Sir P. Sidney.*
They touch the beard with the *tip* of their tongue, and wet it.—*Bacon, Natural and Experimental History.*
Where the rainbow in the horizon
Doth pitch her *tips.*
W. Browne, Britannia's Pastorals, b. i. song ii.
Thrice upon thy finger's *tip*,
Thrice upon thy rubied lip. *Milton, Comus*, 914.
A rich fur composed of *tips* of sables.—*Bishop Wren, Monarchy Asserted*, p. 42.
All the pleasure dwells upon the *tip* of his tongue.—*South, Sermons.*
She has fifty private amours, which nobody yet knows any thing of but herself, and thirty clandestine marriages that have not been touched by the *tip* of the tongue.—*Addison.*
I no longer look upon lord Plausible as ridiculous, for admiring a lady's fine *tip* of an ear and pretty elbow.—*Pope.*
2. One part of the play at ninepins.
Down goes his belief of your homilies and articles, thirty-nine at a *tip.*—*Dryden, Duchess of York's Papistry Defended.*
3. Small present in money; pouch.
4. Hint (conveyed with a wink); hint, or something more, in general: (common as applied to secret information on turf matters, as, 'A *tip* for the Derby,' i.e. a hint as to the horse likely to win).

Tip. *v. a.*

1. Top; end; cover on the end.
We'll *tip* thy horns with gold.
Shakespear, Much Ado about Nothing, v. 4.
They did not go to *tip* the tongue with a little language only.—*Howell, Instructions for Foreign Travel*, p. 206.
In his hand a reed
Stood waving *tipp'd* with fire.
Milton, Paradise Lost, vi. 579.
With truncheon *tipp'd* with iron head,
The warrior to the lists he led.
Butler, Hudibras, i. 2, 151.
How would the old king smile
To see you weigh the paws, when *tipp'd* with gold,
And throw the shaggy spoils about your shoulders?
Addison, Cato.
Behold the place, where if a poet
Shined in description, he might show it;
Tell how the moon-beam trembling falls,
And *tips* with silver all the walls.
Pope, Imitations of Horace, b. ii. sat. vi.
2. Strike lightly; tap.
A third rogue *tips* me by the elbow.—*Swift.*
3. Make a present in money.
When I saw the keeper frown,
Tipping him with half a crown,
Now, said I, we are alone.
Name your heroes one by one. *Swift.*

Tip the wink. Convey a hint, or caution, by winking, or some similar sign.
The pert jackanapes *tipped* me *the wink*, and put out his tongue at his grandfather.—*Tatler.*
As for the fellow who has got your money, I don't half like him. Did not you observe me *tip* you *the wink* to leave off in time?—*Smollett, Roderick Random*, ch. xiv.

Tipcat. *s.* Children's game so called.
Tipcat was a double cone of wood, about six inches and a half long, and one inch in diameter. One method was to drive it over a ring made on the ground; the other in playing it with a number of holes, at each of which stood a player, and driving it from one hole to another.—*Fosbroke, Encyclopædia of Archæology.*

Tippet. *s.* [A.S. *tæppet.*] Article of dress worn about the neck.
His turban was white, with a small red cross on the top: he had also a *tippet* of fine linen.—*Bacon.*
The frivolous usages, to which so many frivolous objections were raised, such as the *tippet* and surplice, the sign of the cross in baptism, the ring in matrimony, the posture of kneeling at the communion, might have been left to private discretion, not possibly without some inconvenience, but with less, as I conceive, than resulted from rendering their observance indispensable.—*Hallam, Constitutional History of England*, ch. iv.

Tyburn tippet. Halter round the neck: (an old term used in the following well known passage from Bishop Latimer).
If a judge should ask me the way to hell, I would show him this way. First, let him be a covetous man; let his heart be poisoned with covetousness. Then let him go a little further and take bribes; and, lastly, pervert judgment. Lo, here is the mother, and the daughter, and the daughter's daughter. Avarice is the mother: she brings forth bribe-taking, and bribe-taking perverting of judgment. There lacks a fourth thing to make up the mess, which, so help me God, if I were judge, should be 'hangum tuum,' a Tyburn *tippet* to take with him; an it were the judge of the King's Bench, my Lord Chief Judge of England, yea, an it were my Lord Chancellor himself, to Tyburn with him.—As quoted by *Macaulay, Critical and Historical Essays, Lord Bacon.*

Tipple. *v. n.* Drink often and luxuriously; waste life over the cup.
When thirsty grief in wine we steep,
When healths and draughts go free,
Fishes that *tipple* in the deep
Know no such liberty.
Lovelace, To Althea, from prison.

Tipple. *v. a.* Drink in luxury or excess.
While his canting drone-pipe scann'd
The mystick figures of her hand,
He *tipples* palmestry, and dines
On all her fortune-telling lines. *Cleaveland.*
To a short meal he makes a tedious grace,
Before the barley-pudding comes in place;
Then bids fall on; himself for saving charges
A peel'd sliced onion eats, and *tipples* verjuice.
Dryden, Translation of Persius, iv. 70.
If a slumber haply does invade
My weary limbs, my fancy's still awake,
Thoughtful of drink, and eager in a dream,
Tipples imaginary pots of ale.
J. Philips, Splendid Shilling.

Tipple. *s.* Drink; liquor.
While the *tipple* was paid for, all went merrily on.—*Sir R. L'Estrange.*

Tippled. *adj.* Tipsy; drunk.
Merry, we sail from the east,
Half *tippled* at a rainbow feast.
Dryden, Tyrannick Love, iv. 1.

Tippler. *s.* One who tipples; drunkard.
Gamesters, *tipplers*, tavern hunters, and other such dissolute people.—*Harmar, Translation of Beza*, p. 313: 1587.

Tippling. *verbal abs.* Act of one who tipples.
Let us grant it is not
Amiss to tumble on the bed of Ptolemy;
To give a kingdom for a mirth; to sit
And keep the turn of *tippling* with a slave.
Shakespear, Antony and Cleopatra, i. 4.

Tippling-house. *s.* House in which liquors are sold; public-house.
The knave her father . . . kept a *tippling-house.*—*Beaumont and Fletcher, Maid in the Mill.*
Sitting in *tippling-houses* for whole nights together.—*Life of A. Wood*, p. 43.

Tipstaff. *s.*

1. Staff tipped with metal.
One had in his hand a *tipstaff* of a yellow cane tipped at both ends with blue.—*Bacon.*
2. Officer bearing (originally) a tipstaff; sheriff's officer.
Out of prison, he had constantly had the officers of justice on his track: he had been forced to pay hushmoney to informers;—he had stolen, in ignominious disguises, through windows and trapdoors, to meet his flock, and had, while pouring the baptismal water, or distributing the eucharistic bread, been anxiously listening for the signal that the *tipstaves* were approaching.—*Macaulay, History of England*, ch. vii.

Tipsiness. *s.* Attribute suggested by Tipsy.
The mind lets herself loose to what's pleasing and agreeable to the very degree of *tipsiness*, frolic, and laughter.—*Translation of Plutarch's Morals*, ii. 185. (Ord MS.)

Tipsy. *adj.* [Provincial German, *tips, tipseln.*] Drunk; overpowered with excess of drink.
The riot of the *tipsy* bacchanals,
Tearing the Thracian singer in their rage.
Shakespear, Midsummer-Night's Dream, v. 1.
Welcome joy and feast,
Midnight shout and revelry,
Tipsy dance and jollity. *Milton, Comus*, 102.

Tiptoe. *s.* End of the toe: (often used *adjectivally*, sometimes *adverbially*, i.e. for *a tiptoe* = on tiptoe).
When the fond ape himself uprearing high,
Upon his *tiptoes* stalketh stately by.
Spenser, Mother Hubberd's Tale.
He that outlives this day, and comes safe home,
Will stand *a tiptoe* when this day is named,
And rouse him at the name of Crispian.
Shakespear, Henry V. iv. 3.
Night's candles are burnt out, and jocund day
Stands *tiptoe* on the misty mountain's tops.
Shakespear, Romeo and Juliet, iii. 5.
Religion stands on *tiptoe* in our land,
Ready to pass to the American strand. *G. Herbert.*
Ten ruddy wildings in the wood I found,
And stood on *tiptoes*, reaching from the ground.
Dryden, Translation of Virgil, Eclogues, iii. 107.
I have partly fixed upon most delectable rooms, which look out (when you stand a *tip-toe*) over the Thames, and Surrey Hills; at the upper end of King's Bench walks, in the Temple.—*C. Lamb, Letters to Coleridge.*
And then her hand on mine she laid,
And smoothed the pillow for my head,
And stole along on *tiptoe* tread,
And gently oped the door; and spake
In whispers,—ne'er was voice so sweet:
E'en music followed her light feet;
But those she called were not awake.
Byron, Mazeppa, xix.
The clerk allowed himself to be gently drawn beyond the hearing of Mr. Pickwick; and after a short conversation conducted in whispers, walked softly down a little dark passage, and disappeared into the legal luminary's sanctum: whence he shortly returned on *tiptoe*, and informed Mr. Perker and Mr. Pickwick that the Serjeant had been prevailed upon, in violation of all established rules and customs, to admit them at once.—*Dickens, Pickwick Papers*, ch. xxxi.

Tiptop, or as two words **Tip-tóp.** *adj.* Expression, often used in common conversation, denoting the utmost degree of excellence or perfection.
If you love operas, there will be the most splendid in Italy, four *tiptop* voices, a new theatre.—*Gray, Letter to West*: 1741.

Tirade. *s.* [Fr.] Rambling invective.
I've done with my *tirade.*
Byron, Don Juan, xii. 49.
My *tirade* against visitors was not meant particularly at you or A. K.—*C. Lamb, Letter to Barton.*

Tire. *s.* [from N.Fr. *tiere.*] Rank; row: (sometimes written *tier*).
Your lowest *tire* of ordance must lie four foot clear above water, when all loading is in, or else those your best pieces will be of small use at sea, in any grown weather that makes the billows to rise.—*Sir W. Raleigh, Essays.*
Stood rank'd of seraphim another row,
In posture to displode their second *tire*
Of thunder. *Milton, Paradise Lost*, vi. 604.
In all those wars there were few triremes, most of them being of one *tire* of oars of fifty banks.—*Arbuthnot.*

Tire. *s.* Attire.

1. Furniture; apparatus.
Saint George's worth
Enkindles like desire of high exploits:
Immediate sieges, and the *tire* of war
Rowl in thy eager mind. *A. Philips.*
2. Head-dress.
On her head she wore a *tire* of gold,
Adorn'd with gems and ouches. *Spenser.*
Here is her picture: let me see;
If I had such a *tire*, this face of mine
Were full as lovely as is this of hers.
Shakespear, Two Gentlemen of Verona, iv. 4.
The judge of torments, and the king of tears,
Now fills a burnish'd throne of quenchless fire,
And for his old fair robes of light he wears
A gloomy mantle of dark flame; the *tire*
That crowns his hated head, on high appears.
Crashaw.
When the fury took her stand on high,
A hiss from all the snaky *tire* went round.
Pope, Translation of the First Book of the Thebais of Statius.

Tire. *v. n.* [Fr. *tirer* = draw.] Feed or prey upon.
An eagle every day sat *tiring* upon his liver, and wasting it.—*Bacon, Prometheus.*
Whose haughty spirit winged with desire
Will cost my crown, and like an empty eagle
Tire on the flesh of me and of my son.
Shakespear, Henry VI. Part III. i. 1.

Used *equivocally.*
Ye dregs of baseness, vultures amongst men,
That *tire* upon the hearts of generous spirits:—
You do us wrong, sir, we *tire* no generous spirits;
we *tire* nothing but our hackneys.
Beaumont and Fletcher, Honest Man's Fortune.

Tire. *v. a.* [A.S. *tirian* = provoke, irritate.]

1. Fatigue; make weary; harass; wear out with labour or tediousness.
Tired with toil, all hopes of safety past,
From pray'rs to wishes he descends at last.
Dryden, Translation from Ovid, Ceyx and Alcyone.
For this a hundred voices I desire,
To tell thee what a hundred tongues would *tire*,
Yet never could be worthily exprest,
How deeply thou art seated in my breast.
Id., Translation of Persius, v. 36.

With *out.*

Often a few that are stiff do *tire out* a greater number that are more moderate.—*Bacon, Essays.*

A lonely way
The cheerless Albion wander'd half a day;
Tired out, at length a spreading stream he spy'd.
Tickell.

2. Dress the head.

Jezebel . . . painted her face, and *tired* her head.—2 *Kings*, ix. 30.

Tire. *v. n.* Fail with weariness.

Jog on, jog on, the footpath way,
And merrily hent the style-a,
A merry heart goes all the day,
Your sad *tires* in a mile-a.
Shakespear, Winter's Tale, iv. 2, song.

Tíredness. *s.* Attribute suggested by Tired; state of being tired; weariness.

It is not through the *tiredness* of the age of the earth, but through our own negligence that it hath not satisfied us bountifully.—*Hakewill, Apology.*

Tíresome. *adj.* Wearisome; fatiguing; tedious.

Since the inculcating precept upon precept will prove *tiresome* to the reader, the poet must sometimes relieve the subject with a pleasant and pertinent digression.—*Addison.*

Nothing is so *tiresome* as the works of those criticks who write in a dogmatick way, without language, genius, or imagination.—*Id.*

Tírewoman. *s.* Woman whose business is to make dresses for the head.

Why should they not value themselves for this outside fashionableness of the *tirewoman's* making, when their parents have so early instructed them to do so?—*Locke, Thoughts on Education.*

A long process of time, employed under skilful hands, had succeeded in obliterating the scars which remained as the marks of her fall. These were now considerably effaced, and the lost organ of sight no longer appeared so great a blemish, concealed, as it was, by a black ribbon, and the arts of the *tirewoman*, who made it her business to shadow it over by a lock of hair.—*Sir W. Scott, Castle Dangerous.*

Tíringhouse. *s.* Tiringroom.

This green plot shall be our stage, this hawthorn brake our *tiringhouse.*—*Shakespear, Midsummer Night's Dream*, iii. 1.

Tíringroom. *s.* Room in which players dress for the stage.

Man's life 's a tragedy; his mother's womb,
From which he enters, is the *tiringroom*;
This spacious earth the theatre, and the stage
That country which he lives in; passions, rage,
Folly, and vice, are actors. *Sir H. Wotton.*

Tirl. *v. a.* Drill.

Tírl. *v. n.* Drill; this is what it is word for word as well as in sense. It is also the *-tril* in *nos-tril*, the A.S *pyrel*. If it were not for a peculiar combination (i.e. with *pin*) this would be about all that need be said concerning it. The aforesaid combination, however, has invested it with some importance. To '*tirl* upon the *pin*' is an expression very common in our old ballad literature. To Sir G. C. Lewis it seemed to require a fuller explanation than it had; an elaborate paper upon it in the Classical Museum being the result. This suggested that, in a secondary sense, *tirl* meant *make a noise, din*; by rapping with a knocker, the pin being that upon which the knocker knocked. That this may have been meant by the phrase after the original import had become obscure is probable. It is submitted, however, that the original import was that of the words in the ordinary construction, and with their primary meanings. A door simply latched can be opened from the outside. By placing a peg, or pin, over the latch on the inside it can be locked; i.e. the latch can be no longer raised from the outside. Such a peg, or pin, however, if it passes through the whole breadth of the door, can be driven out by a blow or push on the outside end. Hence the pin, to be effective, must *not* go through the door. It is equally without effect to a person on the outside who, with a gimlet in hand, knows exactly where to find it; for he could simply bore, drill, or *tirl* down *upon* it (the *pin*), drive it out inwards, and raise the latch in the ordinary way. This seems to be what is meant in the song quoted by Sir G. C. Lewis.

Soft-a, soft-a,
Of all your gins,
We know the *pins*,
For we have *tirled* them oft-a.

For the effect of the pin, presumed in this explanation to be the important part of the fastening, a peg driven in sideways, immediately over the latch, so as to prevent its being lifted, is the expedient now in use.

'Tis, contracted for *it is.*

'Tis destiny unshunnable.
Shakespear, Othello, iii. 3.

Tísic. *s.* For Phthisic.

Tísical. *adj.* For Phthisical.

Tíssue. *s.* [Fr. *tissu.*]

1. Cloth interwoven with gold or silver, or figured colours.

In their glittering *tissues* emblazed
Holy memorials, acts of zeal and love,
Recorded eminent. *Milton, Paradise Lost*, v. 592.

A robe of *tissue*, stiff with golden wire;
An upper vest, once Helen's rich attire.
Dryden, Translation of the Æneid, i. 915.

2. In *Anatomy.* See extracts.

Under whichever of these methods the formation of *tissues* may be performed, the same general conditions are required. In the first place it is requisite that a due supply of the materials be afforded, in a state in which it can be appropriated. . . . In the second place, the formative process is mainly dependent upon a due supply of heat.—*Dr. Carpenter, Principles of Comparative Physiology*, §§ 345, 346.

We shall now briefly indicate the chemical constitution of the various *tissues*. . . . The connective *tissues*, areolar, fibrous, tendinous, and membranous, including the basis of the skin, contain about two-thirds of water, and one-third of solid matter. . . . Permanent cartilage contains about three-fifths of water and two-fifths of solid matter, &c. . . . The yellow elastic *tissue* is said to contain less water than other soft *tissues*. . . . Recent bone contains nearly ten per cent. of water. . . . The purest form of the muscular *tissue*, the substance of the voluntary muscles, contains about 74·5 per cent. . . . of water. . . . The white and grey nervous substances resemble each other in containing, like the rest of the soft *tissues*, a very large per-centage of water; the solid residue is composed of albuminoid matter, a large quantity of fatty matter, extractives, and salts.—*Marshall, Outlines of Physiology, Human and Comparative*, vol. i. p. 89: 1867.

Tissues, properly so called, consist of collections of cells of uniform character permanently combined together by more or less complete union of their outer surfaces. The *tissues* are distinguished into kinds according to the form of the cells, the character of the cell-membrane, and the manner in which the cells are connected together. Of *tissues* distinguished simply by the form of their constituent cells we have three kinds:—imperfect cellular *tissue* (Mesenchyma); perfect cellular *tissue* (Parenchyma); fibrous *tissue* (Prosenchyma). Distinguished by the character of the cell-membrane:—cartilaginous *tissue* (Collenchyma). Two kinds are characterized by peculiar modes of combinations of the cells:—felted *tissue* (Tela contexta); vascular *tissue.*—*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic*, §§ 706, 707.

Tíssue. *v. a.* Interweave; variegate.

The chariot was covered with cloth of gold *tissued* upon blue.—*Bacon, New Atlantis.*

They have been always frank of their blessings to countenance any great action; and then, according as it should prosper, to *tissue* upon it some pretence or other.—*Sir H. Wotton.*

Tíssued. *part. adj.* Variegated.

Mercy will sit between,
Throned in celestial sheen,
With radiant feet the *tissued* clouds down steering.
Milton, Odes, On the Morning of Christ's Nativity, 144.

Tit. *s.*

1. Small horse: (generally in *contempt*).

No storing of pasture with baggagely *tit*,
With ragged, with aged, and evil at hit.
Tusser, Five Hundred Points of good Husbandry.

Thou might'st have ta'en example
From what thou read'st in story;
Being as worthy to sit
On an ambling *tit*,
As thy predecessor Dory.
Sir J. Denham, To Sir John Mennis.

And if you have a tumble with the *tit*, send him to the vicar, to give him a chance of breaking his neck.—*G. Colman the younger, The Poor Gentleman*, iii. 1.

2. Woman: (in *contempt*).

A vast virago, or an ugly *tit.*—*Burton, Anatomy of Melancholy*, p. 524.

Am I one
Selected out of all the husbands living,
To be so ridden by a *tit* of tenpence?
Am I so blind and bedrid?
Beaumont and Fletcher, Tamer Tamed.

What does this envious *tit*, but away to her father with a tale.—*Sir R. L'Estrange.*

A willing *tit* that will venture her corps with you.—*Dryden, Don Sebastian*, iii. 2.

Short pains for thee, for me a son and heir;
Girls cost as many throes in bringing forth;
Beside, when born, the *tits* are little worth.
Id., Translation from Ovid, Fable of Iphis and Ianthe.

Tit for tat. Equivalent in the way of revenge or repartee.

Tit for tat, Betsey! you are right, my girl.—*G. Colman and D. Garrick, The Clandestine Marriage*, v. 2.

Titbít. *s.* Nice bit; nice food.

John pampered esquire South with *titbits* till he grew wanton.—*Arbuthnot.*

Títan. *s.* In the *Greek Mythology*, giant who warred against Jupiter; as such a *proper*, rather than a *common*, name; applied, however, to a person remarkable either for stature, or rebellious temper, or both, it is become common.

Titánic. *adj.* Having the character of a Titan.

And now, alas!
Rome—Rome imperial, bows her to the storm,
In the same dust and blackness, and we pass
The skeleton of her *Titanic* form,
Wrecks of another world, whose ashes still are warm.
Byron, Childe Harold, canto iv.

Mr. Avenel, in his genius for speculation and improvement, had established a factory at Screwston, the first which had ever eclipsed the church spire with its *Titanic* chimney.—*Lord Lytton, My Novel*, b. x. ch. xx.

Here, as one of the Titans was fabled to have been imprisoned in Mount Ætna, and by his motions to have caused volcanic eruptions, the term implies, over and above the size of the chimney, its smoke and fire.

Titánium. *s.* [the final *-um* belongs to the technical language of Chemistry, denoting a metal.] Metal so called. *Titanic*, as applied to the acid, and *titanate* to the salts, are its derivatives. See extracts.

Titanium is a rare metal, discovered by Klaproth, in menachanite, in 1794. It has been detected since in the form of small cubes of a copper-red colour, in some of the blast furnaces in Yorkshire. According to Hassenfratz, its presence in small quantity does not impair the malleability of iron. It is very brittle, so hard as to scratch steel, and very light, having a specific gravity of only 5·3. It will not melt in the heat of any furnace, nor dissolve, when crystallized, even into nitro-muriatic acid; but only when in fine powder. By calcination with nitre, it becomes oxygenated, and forms *titanate* of potassa. Traces of this metal may be detected in many irons, both wrought and cast. The principle ores of *titanium* are sphene, common and foliated, rutile, iserine, menachanite, and octahedrite or pyramidal *titanium* ore. None of them has been hitherto applied to any use.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Titanium [was] discovered by Gregory in a mineral from Cornwall called menaccanite. Its characters were first ascertained by Klaproth, who gave it the above name. In the year 1822, Dr. Wollaston ascertained the presence of a large proportion of *titanium* in the minute copper-coloured crystals occasionally found in the slag of the iron smelting furnaces at Merthyr and elsewhere. . . . It has since been ascertained that these crystals contain about 18 per cent. of nitrogen and 4 of carbon, and are probably a mixture of nitride with cyanide of *titanium*. The equivalent assigned to *titanium* is 24, and the peroxide, or titanic acid, is TiO_2. *Titanium* appears susceptible of two degrees of oxidation. The protoxide is blue or purple, and appears to constitute the mineral called 'Anatase.' The peroxide exists nearly pure in *titanite*, or rutilite, and is combined with the oxides of iron and manganese in menaccanite. The properties of pure *titanium* are but little known.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Títhable. *adj.* Subject to the payment of tithes; that of which tithes may be taken.

The popish priest shall, on taking the oath of allegiance to his majesty, be entitled to a tenth part or tithe of all things *tithable* in Ireland belonging to the papists, within their respective parishes.—*Swift.*

Títhe. *s.* [A.S. *teoða.*]

1 Tenth part; part assigned to the maintenance of the ministry.

Many have made witty invectives against usury: they say, that it is a pity the devil should have God's part, which is the *tithe.*—*Bacon.*

As the *first element* in a *compound.*

Sometimes comes she with a *tithe-pig's* tail,
Tickling the parson as he lies asleep,
Then dreams he of another benefice.
Shakespear, Romeo and Juliet, i. 4.

2. Tenth part of anything.

I have searched man by man, boy by boy; the *tithe* of a hair was never lost in my house before.—*Shakespear, Henry IV. Part I.* iii. 3.

Used *adjectivally.*

Since the first sword was drawn about this question,
Ev'ry *tithe* soul 'mongst many thousand dismes
Hath been as dear as Helen.
Shakespear, Troilus and Cressida, ii. 2.

3. Small part; small portion: (unless it be misprinted for *titles*).

Offensive wars for religion are seldom to be approved, unless they have some mixture of civil *tithes.*—*Bacon.*

Tithe. *v. a.* [A.S. *teoðian.*] Tax; levy the tenth part.

Thou shalt truly *tithe* all the increase of thy seed, that the field bringeth forth year by year.—*Deuteronomy,* xiv. 22.

Ask you what lands our pastor *tithes?*—Alas!
But few our acres, and but short our grass.
Crabbe, The Borough, The Curate.

Tithe. *v. n.* Pay tithe.

For lambe, pig, and calf, and for other the like,
Tithe so as thy cattle the Lord do not strike.
Tusser, Five Hundred Points of good Husbandry.

Títhed. *part. adj.* Paid as tithe.

By decimation and a *tithed* death,
If thy revenges hunger for that food
Which nature loaths, take thou the destin'd tenth.
Shakespear, Timon of Athens, v. 5.

Títhefree. *adj.* [sometimes as two words.] Exempt from payment of tithe.

All estates subject to tithes were transmitted, or purchased, subject to this incumbrance; for which the purchaser must have paid a greater price, and the farmer a higher rent, if they had been *tithefree.*—*Archbishop Hort, Charge to the Clergy.*

Títher. *s.* One who gathers tithes.

Thus far *tithers* themselves have contributed to their own confutation.—*Milton, Considerations touching the likeliest Means to remove Hirelings out of the Church.*

Títhing. *s.* [A.S. *tiðung, tyðung.*]

1. See extracts.

Poor Tom, who is whipt from *tithing* to *tithing,* and stock punished and imprisoned.—*Shakespear, King Lear,* iii. 4.

Tithing is the number or company of ten men with their families knit together in a society, all of them being bound to the king for the peaceable and good behaviour of each of their society: of these companies there was one chief person, who, from his office, was called (toothingman) tithingman; but now he is nothing but a constable.—*Cowell.*

The Ceorl was a member of a *tithing*; that is to say, he and his neighbours of the same rank were enrolled in a little community (originally, but not always, consisting of the heads of ten families), each member of which was surety to the State for the good conduct of the rest. They chose among themselves their headman, their decennary, or tithingman, who was the peace-officer of the district. Also, under his presidency, they exercised a salutary jurisdiction over members of their own body, about local disputes of small value but frequent occurrence. A number of *tithings* grouped together made up the hundred, a combination for local self-government very general among all the Germanic and Scandinavian nations. The hundred had its court, presided over by its own officer, the hundredes earldor, whose post has been taken by the high constable of after times. This court decided cases in which the inhabitants of more than one *tithing* were interested, unless the important nature of the case made it fit for the superior tribunal of the assembled thanes of the whole county; that is, of the shire moot or county court.—*Sir E. S. Creasy, History of England,* vol. i. ch. vi.

2. Tithe; tenth part due to the priest.

Though vicar be bad, or the parson evil,
Go not for thy *tithing* thyself to the devil.
Tusser, Five Hundred Points of good Husbandry.

Títhing. *verbal abs.* Act of one who tithes; taking of tithes.

When I come to the *tithing* of them, I will tithe them one with another, and will make an Irishman the tithingman.—*Spenser, View of the State of Ireland.*

When thou hast made an end of tithing all the tithes of thine increase, the third year, which is the year of *tithing,* give unto the Levite, the stranger, the fatherless, and the widow.—*Deuteronomy,* xxvi. 12.

Títhingman. *s.* Petty peace-officer; under-constable.

His hundred is not at his command further than his prince's service; and also every *tithingman* may controul him.—*Spenser.*

Títhymal. *s.* [Lat. *tithymallus*; Gr. τιθύμαλλος; Fr. *tithymalle.*] In *Botany.* Plant of the genus Euphorbia.

Rubbing the stem with cowdung, or a decoction of *tithymale.*—*Evelyn, Sylva,* ii. 7, § 19.

Títillate. *v. a.* [Lat. *titillatus,* pass. part. of *titillo*; *titillatio, -onis.*] Tickle.

'Come now, there's a dear—drink a little of this—it'll do you good—don't give way so, there's a love,' &c., &c.; the landlady, assisted by a chamber-maid, proceeded to vinegar the forehead, beat the hands, *titillate* the nose, and unlace the stays of the spinster aunt, and to administer such other restoratives as are usually applied by compassionate females to ladies who are endeavouring to ferment themselves into hysterics.—*Dickens, Pickwick Papers,* ch. x.

Títillating. *part. adj.* Tickling.

Just where the breath of life his nostrils drew,
A charge of snuff the wily virgin threw;
The gnomes direct to ev'ry atom just
The pungent grains of *titillating* dust.
Pope, Rape of the Lock, canto v.

Titillátion. *s.*

1. Act of tickling.

Tickling causeth laughter: the cause may be the emission of the spirits, and so of the breath, by a flight from *titillation.*—*Bacon.*

The concluding a literary undertaking, in whole or in part, is, to the inexperienced at least, attended with an irritating *titillation,* like that which attends on the healing of a wound—a prurient impatience, in short, to know what the world in general, and friends in particular, will say to our labours. Some authors, I am told, profess an oyster-like indifference upon this subject; for my own part, I hardly believe in their sincerity.—*Sir W. Scott, Chronicles of the Canongate,* preface.

Not touches of natural emotion, but the *titillation* of wit and fancy,—not tones of natural music, but the tone of good society,—make up the charm of his [Pope's] poetry; the polish, pungency, and brilliance of which, however, in its most happily executed passages, leave nothing in that style to be desired.—*Craik, History of English Literature,* vol. ii. p. 227.

2. State of being tickled.

In sweets, the acid particles seem so attenuated in the oil as only to produce a small and grateful *titillation.*—*Arbuthnot.*

3. Slight or petty pleasure.

The delights which result from these nobler entertainments our cool thoughts need not be ashamed of, and which are dogged by no such sad sequels as are the products of those *titillations* that reach no higher than the senses.—*Glanville.*

Títlark. *s.* British song-bird of the genus Anthus.

The smaller birds do the like in their seasons; as the leverock, *titlark,* and linnet.—*I. Walton, Complete Angler.*

Title. *s.* [Lat. *titulus*; A.S. *titul.*]

1. General head comprising particulars.

Three draw the experiments of the former four into *titles* and tables for the better drawing of observations; these we call compilers.—*Bacon.*

Among the many preferences that the laws of England have above others, I shall single out two particular *titles,* which give a handsome specimen of their excellencies above other laws in other parts or *titles* of the same.—*Sir M. Hale.*

2. Appellation of honour.

To leave his wife, to leave his babes,
His mansion and his *titles,* in a place
From whence himself does fly.
Shakespear, Macbeth, iv. 2.

Man over men
He made not lord: such *title* to himself
Reserving. *Milton, Paradise Lost,* xii. 69.

3. Name; appellation.

My name's Macbeth.—
The devil himself could not pronounce a *title*
More hateful to mine ear.
Shakespear, Macbeth, v. 7.

Ill worthy I such *title* should belong
To me transgressor. *Milton, Paradise Lost,* xi. 163.

4. First page of a book, telling its name, and generally its subject; inscription.

Others with wishful eyes on glory look,
When they have got their picture t'wards a book;
Or pompous *title,* like a gaudy sign,
Meant to betray dull sots to wretched wine.
Young, Love of Fame, i. 77.

Among those who appear to have felt this irksome situation, are most of our periodical writers. The 'Tatler,' and the 'Spectator' enjoying priority of conception, have adopted *titles* with characteristic felicity; but perhaps the invention of the authors begins to fail in the 'Reader,' the 'Lover,' and the 'Theatre!' Succeeding writers were as unfortunate in their *titles,* as their works; such are the 'Universal Spectator,' and the 'Lay Monastery.' The copious mind of Johnson could not discover an appropriate *title,* and indeed in the first 'Idler,' acknowledged his despair. The 'Rambler' was so little understood, at the time of its appearance, that a French journalist has translated it 'Le Chevalier Errant,' and when it was corrected to L'Errant, a foreigner drank Johnson's health one day, by innocently addressing him by the appellation of Mr. 'Vagabond!' The 'Adventurer' cannot be considered as a fortunate *title*; it is not appropriate to those pleasing miscellanies, for any writer is an adventurer. The 'Lounger,' the 'Mirror,' and even the 'Connoisseur,' if examined accurately, present nothing in the *titles* descriptive of the works.... When the celebrated father of all reviews, 'Les Journal des Sçavans,' was first published, the very *title* repulsed the public.... An English novel, published with the *title* of 'The Champion of Virtue,' could find no readers; it was quaint, formal, and sounded like 'The Pilgrim's Progress.' It afterwards passed through several editions under the happier invitation of 'The Old English Baron.' 'The Concubine,' a poem by Mickle, could never find purchasers, till it assumed the more delicate *title* of 'Sir Martyn.'... The Jewish and many oriental authors were fond of allegorical *titles,* which always indicate the most puerile age of taste. The *titles* were usually adapted to their obscure works. It might exercise an able enigmatist to explain their allusions; for we must understand by 'The Heart of Aaron,' that it is a commentary on several of the prophets. 'The Bones of Joseph' is an introduction to the Talmud. 'The Garden of Nuts,' and 'The Golden Apples,' are theological questions, and 'The Pomegranate with its Flower,' is a treatise of ceremonies, not any more practised. Jortin gives a *title,* which he says of all the fantastical *titles* he can recollect is one of the prettiest. A rabbin published a catalogue of rabbinical writers, and called it 'Labia Dormientium.'—*I. Disraeli, Curiosities of Literature, Titles of Books.*

As the *first element* in a *compound.*

This man's brow, like to a *title-leaf,*
Foretels the nature of a tragick volume.
Shakespear, Henry IV. Part II. i. 1.

5. Claim of right.

Let the *title* of a man's right be called in question; are we not bold to rely and build upon the judgment of such as are famous for their skill in the laws?—*Hooker, Ecclesiastical Polity.*

Is a man impoverished by purchase? it is because he paid his money for a lye, and took a bad *title* for a good.—*South, Sermons.*

'Tis our duty, and our interest too,
Such monuments, as we can build, to raise
Lest all the world prevent what we should do,
And claim a *title* in him by their praise.
Dryden, Heroic Stanzas on the Death of Oliver Cromwell.

If there were no laws to protect them, there were no living in this world for good men; and in effect there would be no laws, if it were a sin in them to try a *title,* or right themselves by them.—*Kettlewell.*

To revenge their common injuries, though you had an undoubted *title* by your birth, you had a greater by your courage.—*Dryden.*

Conti would have kept his *title* to Orange.—*Addison.*

O the discretion of a girl! she will be a slave to anything that has not a *title* to make her one.—*Southerne.*

Títle. *v. a.* Name; call.

To these, that sober race of men, whose lives
Religious *titled* them the sons of God,
Shall yield up all their virtue, all their fame,
Ignobly! *Milton, Paradise Lost,* xi. 621.

Títleless. *adj.* Wanting a name or appellation. *Obsolete.*

He was a kind of nothing, *titleless,*
Till he had forged himself a name i' th' fire
Of burning Rome. *Shakespear, Coriolanus,* v. 1.

Títlepage. *s.* Page containing the title of a book.

We should have been pleased to have seen our own names at the bottom of the *titlepage.*—*Dryden.*

Our adversaries encourage a writer who cannot furnish out so much as a *title-page* with propriety.—*Swift.*

With all the fashions which the last month wore,
Colour'd and silver paper leaved between
That and the *title-page,* for fear the press
Should soil with parts of speech the parts of dress.
Byron, Beppo, lvii.

If it were inquired of an ingenious writer what page of his work had occasioned him most perplexity, he would often point to the *title-page.*... Affected *title-pages* were not peculiar to the orientalists: the Greeks and the Romans have shown a finer taste. They had their Cornucopias, or horns of

abundance—Limones or meadows—Pinakidions or tablets—Pancarpes or all sorts of fruits; titles not unhappily adapted for the miscellanists. The nine books of Herodotus, and the nine epistles of Æschines, were respectively honoured by the name of a Muse; and three orations of the latter, by those of the Graces.—*I. Disraeli, Curiosities of Literature, Titles of Books.*

Titmouse. *s.* [*mouse* in the sense of small bird; German, *meise.*] Native bird of the genera Parus and Calamophilus (species, major, cœruleus, cristatus, ater, palustris, caudatus); C. Biarmicus; tomtit.

The nightingale is sovereign of song;
Before him sits the *titmouse* silent by,
And I unfit to thrust in skilful throng,
Should Colin make judge of my foolerie. *Spenser.*
The *titmouse* and the peckers' hungry brood,
And Progne with her bosom stain'd in blood.
Dryden, Translation of the Georgics, iv. 18.

Titter. *s.* ? Tiller.

From wheat go and rake out the *titters* or tine,
If eare be not forth, it will rise again fine.
Tusser, Five Hundred Points of good Husbandry.

Titter. *v. n.*

1. Laugh with restraint; laugh without much noise; giggle.

In flow'd at once a gay embroider'd race,
And *titt'ring* push'd the pedants off the place.
Pope, Dunciad, iv. 275.
At this answer . . . the spectators *tittered*, the little judge smiled, and Serjeant Buzfuz looked particularly foolish. After a short consultation with Dodson and Fogg, the learned serjeant again turned towards Sam, and said, with a painful effort to conceal his vexation, 'Now, Mr. Weller, I'll ask you a question on another point, if you please.' 'If you please, sir,' rejoined Sam, with the utmost good humour. 'Do you remember going up to Mrs. Bardell's house, one night in November last? . . .' 'I thought we should get at something at last.' 'I rayther thought that, too, sir,' replied Sam; and at this the spectators *tittered* again.—*Dickens, Pickwick Papers*, ch. xxxiv.

2. Show itself in a titter.

The swain, mistrustless of his smutted face,
While secret laughter *titter'd* round the place.
Goldsmith, Deserted Village.

Titter. *s.* Restrained laugh.

The belle's shrill *titter*, and the 'squire's broad stare. *Nevile, Imitation of Juvenal*, p. 84.

Tittle. *s.* Small particle; point; dot.

Verily I say unto you, till heaven and earth pass, one jot or one *tittle* shall in no wise pass from the law, till all be fulfilled.—*Matthew*, v. 18.
In the particular which concerned the church, the Scotch would never depart from a *tittle*.—*Lord Clarendon, History of the Grand Rebellion.*
Angels themselves disdaining
To approach thy temple, give thee in command
What to the smallest *tittle* thou shalt say
To thy adorers. *Milton, Paradise Regained*, i. 448.
They thought God and themselves linked in so fast a covenant, that although they never performed their part, God was yet bound to make good every *tittle* of his.—*South, Sermons.*
Ned Fashion hath been bred about court, and understands to a *tittle* all the punctilios of a drawing-room.—*Swift.*
Ay, I'll make an end of it the old way, get her into picquet at her own lodgings—not mind one *tittle* of my play, give her every game before she's half up, that she may judge the strength of my inclination by my haste of losing up to her price.—*Cibber, The Careless Husband.*
The gentlemen used the name of the Earl of Sussex; but it proved no charm to subdue the officer, who alleged in reply, that it was as much as his post was worth to disobey in the least *tittle* the commands which he had received.—*Sir W. Scott, Kenilworth*, ch. xv.
All the myrmidons of justice were employed in the most active research for the murderers. Some few persons were taken up on suspicion, but were as instantly discharged. Thornton and Dawson underwent a long and rigorous examination; but no single *tittle* of evidence against them appeared: they were consequently dismissed. — *Lord Lytton, Pelham*, ch. lxvi.

Tittletattle. *s.*

1. Idle talk; prattle; empty gabble.

As the foe drew near
With love, and joy, and life, and dear,
Our don, who knew this *tittletattle*,
Did, sure as trumpet, call to battle.
Prior, Paulo Purganti.
For every idle *tittletattle* that went about, Jack was suspected for the author.—*Arbuthnot, History of John Bull.*
'And was it not you, audacious wretch,' cried the lady, 'who made me angry? Was it not your *tittle-tattle*, in which I believe you belied the poor fellow, which incensed me against him? he may thank you for all that hath happened; and so may I for the loss of a good servant, and one who probably had more merit than all of you.'—*Fielding, Adventures of Joseph Andrews.*
Sometimes the *tittle-tattle* of a fine lady, sometimes that of an old nurse; always *tittle-tattle*; yet so well gilt over by airy expressions, and a flowing style, she will always please the same people to whom Lord Bolingbroke will shine as a first-rate author.—*Lady M. W. Montague, Letter*, July 20, 1755.
Olden she was—but had been very young;
Virtuous she was—and had been, I believe;
Although the world has such an evil tongue
That——but my chaster ear will not receive
An echo of a syllable that's wrong:
In fact there's nothing makes me so much grieve
As that abominable *tittle-tattle*,
Which is the cud eschew'd by human cattle.
Byron, Don Juan, xii. 43.

2. Idle talker.

Impertinent *tittle-tattles*, who have no other variety in their discourse than that of talking slower or faster.—*Tatler*, no. 157.
If I can once extirpate the race of solid and substantial humdrums, I hope by my wholesome and repeated advices quickly to reduce the insignificant *tittle-tattles* and matter-of-fact men that abound in every quarter of this great city.—*Id.*, no. 268.

Tittletattle. *v. n.* Prate idly.

You must be *tittle-tattling* before all our guests.—*Shakespear, Winter's Tale*, iv. 3.

Tittletattling. *s.* Act of prating idly.

You are full in your *tittletattlings* of Cupid: here is Cupid, and there is Cupid: I will tell you now what a good old woman told me.—*Sir P. Sidney.*

Titubate. *v. n.* [Lat. *titubatus*, pass. part. of *titubo.*] Trip; stumble; stagger.

But what became of this *titubating*, this towering mountain of snow. — *Waterhouse, Apology for Learning*, p. 29: 1653.

Titular. *adj.* [Fr. *titulaire*, from Lat. *titularis*; *titulus* = title.] Nominal; having or conferring only the title.

They would deliver up the kingdom to the king of England to shadow their rebellion, and to be *titular* and painted head of those arms.—*Bacon, History of the Reign of Henry VII.*
Thrones, virtues, powers,
If these magnifick titles yet remain,
Not merely *titular*. *Milton, Paradise Lost*, v. 772.
Both Valerius and Austin were *titular* bishops.—*Ayliffe, Parergon Juris Canonici.*

Titulárity. *s.* State of being titular.

Julius, Augustus, and Tiberius, with great humility received the name of imperator; but their successors retain the same even in its *titularity*.—*Sir T. Browne, Vulgar Errours.*

Titularly. *adv.* Nominally; by title only.

The church representative is a general council; not *titularly* so, as the conventicle of Trent; but plenarily true, general, and lawful.—*Bishop Mountagu, Appeal to Cæsar*, p. 116.

Titulary. *adj.*

1. Consisting in a title.

The malecontents of his kingdom have not been base nor *titulary* impostors, but of an higher nature. —*Bacon, History of the Reign of Henry VII.*

2. Relating to a title.

William the Conqueror, howsoever he used the power of a conqueror to reward his Normans, yet mixed it with a *titulary* pretence grounded upon the Confessor's will.—*Bacon.*

Titulary. *s.* One who has a title or right.

The persons deputed for the celebration of these masses were neither *titularies* nor perpetual curates, but persons entirely conductitious.—*Ayliffe, Parergon Juris Canonici.*

Títyre-tu. *s.* From the first line of the first Eclogue of Virgil:—

'*Tityre, tu* patulæ recubans sub tegmine fagi,'

a slang term in the time of Charles II., equivalent to Hector, Mohawk, and similar ruffians whose practice was to scour the streets of London and create disturbances at night.

I knew the Hectors, and before them, the Muns, and the *Titiretu's*; they were brave fellows indeed! In those days a man could not go from the Rose Garden to the Piazza once but he must venture his life twice, my dear Sir Willie. — *Shadwell, The Scourers.*

Tívy. Word expressing speed, from *tantivy*, the note of a hunting-horn.

In a bright moonshine while winds whistle loud,
Tivy, tivy, tivy, we mount and we fly,
All rocking in a downy white cloud:
And lest our leap from the sky should prove too far,
We slide on the back of a new-falling star.
Dryden, Tyrannick Love, iv. 1.

To. *adv.* [A.S.]

1. Particle coming between two verbs, and noting the second as the object of the first.

The delay of our hopes teaches us *to* mortify our desires.—*Bishop Smalridge.*

2. It notes the intention.

Ambitious fool! with horny hoofs to pass
O'er hollow arches of resounding brass,
To rival thunder.
Dryden, Translation of the Æneid, vi. 796.
Urged by despair, again I go *to* try
The fate of arms, resolved in fight *to* die. *Ibid.* ii. 887.
She raised a war
In Italy, *to* call me back. *Id., All for Love*, ii. 1.

3. It notes the consequence.

I have done my utmost to lead my life so pleasantly as *to* forget all misfortunes.—*Pope.*

4. After an adjective, it notes its object.

We are ready *to* try our fortunes to the last man. —*Shakespear, Henry IV. Part II.* iv. 2.
The lawless sword his children's blood shall shed,
Increased for slaughter, born *to* beg their bread.
G. Sandys, Paraphrase of Job.

5. Noting futurity.

It is not blood and bones that can be conscious of their own hardness and redness; and we are still *to* seek for something else in our frame that receives those impressions.—*Bentley.*

6. Quite; entirely; much; very: (preceding a verb, participle, or adjective). Formerly much in use, now *obsolete.*

Such myster saying me seemeth *to*-mirke.
Spenser, Shepherd's Calendar.
Let them all encircle him about,
And fairy-like, *to*-pinch the unclean knight.
Shakespear, Merry Wives of Windsor, iv. 4.

To and again; *To and fro.* Backward and forward: (the *latter* being the *commoner* combination).

Ismay binds and looseth souls condemn'd to woe,
And sends the devils on errands *to and fro*.
Fairfax.
The spirits perverse
With easy intercourse pass *to and fro*,
To tempt or punish mortals.
Milton, Paradise Lost, ii. 1030.
Dress it not till the seventh day, and then move the joint *to and fro*.—*Wiseman, Surgery.*
The mind, when turn'd adrift, no rules to guide,
Drives at the mercy of the wind and tide;
Fancy and passion toss it *to and fro*,
A while torment, and then quite sink in woe.
Young, Love of Fame, v. 539.
Masses of marble, originally beat off from the strata of the neighbouring rocks, rolled *to and again* till they were rounded to the form of pebbles. —*Woodward, On Fossils.*

To. *prep.*

1. Noting motion towards: (opposed to *from*; in the extracts the construction is elliptic, the verb implying motion being omitted).

With that she *to* him afresh, and surely, would have put out his eyes.—*Sir P. Sidney.*
Give not over so; *to* him again, entreat him,
Kneel down before him.
Id., Measure for Measure, ii. 2.
I 'll *to* him again in the name of Brook; he'll tell me all his purpose.—*Id., Merry Wives of Windsor*, iv. 4.
I 'll *to* the woods among the happier brutes:
Come, let 's away. *Smith.*

2. Noting accord or adaptation.

Thus they
Breathing united force, with fixed thought
Moved on in silence *to* soft pipes.
Milton, Paradise Lost, i. 559.

3. Noting address.

To you, my noble lord of Westmoreland.—
I pledge your grace.
Shakespear, Henry IV. Part II. iv. 2.
Here's *to* you all, gentlemen, and let him that 's good natured in his drink pledge me. — *Sir J. Denham, The Sophy.*
Now *to* you, Raymond: can you guess no reason
Why I repose such confidence in you?
Dryden, Spanish Friar, iv. 2.

4. Noting addition or accumulation.

'Wisdom he has, and *to* his wisdom courage;
Temper *to* that, and unto all success.
Sir J. Denham, The Sophy.

5. Noting a state or place whither any one goes.

Take you some company and away *to* horse.
Shakespear, King Lear, i. 4.
He sent his coachman's grandchild *to* prentice.—*Addison.*

6. Noting opposition.

No foe unpunish'd in the fighting field,
Shall dare thee foot *to* foot with sword and shield.
Dryden, Translation of the Æneid, vi. 1216.

7. Noting amount.
There were *to* the number of three hundred horse, and as many thousand foot English.—*Bacon, Considerations on War with Spain.*

8. Noting proportion.
Twenty *to* one offend more in writing too much than too little; even as twenty *to* one fall into sickness rather by overmuch fulness than by any lack.—*Ascham, Schoolmaster.*
Enoch, whose days were, though many in respect of ours, yet scarce as three *to* nine in comparison of theirs with whom he lived.—*Hooker, Ecclesiastical Polity.*
And yet to win her . . . all the world *to* nothing.
Shakespear, Richard III. i. 2.
With a funnel filling bottles; *to* their capacity, they will all be full.—*B. Jonson.*

Supposing them to have an equal share, the odds will be three *to* one on their side.—*Swift.*

9. Noting perception.
The flower itself is glorious to behold,
Sharp *to* the taste.
Dryden, Translation of the Æneid.

10. Noting the subject of an affirmation.
I trust, I may not trust thee; for thy word
Is but the vain breath of a common man:
Believe me, I do not believe thee, man;
I have a king's oath *to* the contrary.
Shakespear, King John, iii. 1.

11. In comparison of.
All that they did was piety *to* this. *B. Jonson.*
There is no fool *to* the sinner, who every moment ventures his soul.—*Archbishop Tillotson.*

12. As far as.
Some Americans, otherwise of quick parts, could not count *to* one thousand, nor had any distinct idea of it, though they could reckon very well *to* twenty.—*Locke.*
Coffee exhales in roasting *to* the abatement of near one-fourth of its weight.—*Arbuthnot, On the Nature and Choice of Aliments.*

13. After an adjective it notes the object.
Draw thy sword in right.
I'll draw it as apparent *to* the crown,
And in that quarrel use it to the death.
Shakespear, Henry VI. Part III. ii. 2.
Fate and the dooming gods are deaf *to* tears.
Dryden.
All were attentive *to* the godlike man,
When from his lofty couch he thus began.
Id., Translation of the Æneid, ii. 1.

14. Noting obligation.
The Rabbins subtilely distinguish between our duty *to* God, and *to* our parents.—*Holyday.*
Almanzor is taxed with changing sides, and what tie has he on him *to* the contrary? He is not born their subject, and he is injured by them to a very high degree.—*Dryden.*

15. Respecting.
He's walk'd the way of nature;
And *to* our purposes he lives no more.
Shakespear, Henry IV. Part II. v. 2.

16. Noting extent.
From the beginning *to* the end all is due to supernatural grace.—*Hammond.*

17. Towards.
She stretch'd her arms *to* heaven. *Dryden.*

She still beareth him an invincible hatred, and reviileth him *to* his face.—*Swift.*

19. Noting effect; noting consequence.
Factions carried too high are much *to* the prejudice of the authority of princes.—*Bacon.*
By the disorder in the retreat, great numbers were crowded *to* death.—*Lord Clarendon, History of the Grand Rebellion.*
Ingenious *to* their ruin, ev'ry age
Improves the act and instruments of rage. *Waller.*
To prevent the aspersion of the Roman majesty, the offender was whipt *to* death.—*Dryden.*
Thus, *to* their fame, when finish'd was the fight,
The victors from their lofty steeds alight.
Id., The Flower and the Leaf, 303.
Oh frail estate of human things,
And slippery hopes below!
Now *to* our cost your emptiness we know.
Id., Threnodia Augustalis, 399.
A British king obliges himself by oath to execute justice in mercy, and not to exercise either *to* the total exclusion of the other.—*Addison.*
The abuse reigns chiefly in the country, as I found *to* my vexation when I was last there in a visit I made to a neighbour.—*Swift.*

20. After a verb, *to* notes the object.
Give me some wine; fill full.
I drink *to* th' general joy of the whole table,
And to our dear friend Banquo.
Shakespear, Macbeth, iii. 4.
Had the methods of education been directed *to* their right end, this so necessary could not have been neglected.—*Locke.*
Many of them have exposed *to* the world the private misfortunes of families.—*Pope.*

21. Noting the degree.
A crow, though hatched under a hen, and who never has seen any of the works of its kind, makes its nest the same, *to* the laying of a stick, with all the nests of that species.—*Addison, Spectator.*

22. Before *day*, *to* notes the present day; before *morrow*, the day next coming; before *night*, either the present night, or night next coming.
Banquo, thy soul's flight,
If it find heav'n, must find it out *to-night.*
Shakespear, Macbeth, iii. 1.
To-morrow, ere fresh morning streak the east.
Milton, Paradise Lost, iv. 623.
To-day they chased the boar.
Otway, The Orphan, i. 1.
This ought rather to be called a full purpose of committing sin *to-day*, than a resolution of leaving it *to-morrow.*—*Calamy, Sermons.*

Used *substantivally*: (as, in *to-day, to-night, to-morrow*).
To-morrow, and *to-morrow*, and *to-morrow*,
Creeps in this petty pace from day to day;
And all our yesterdays have lighted fools
The way to dusky death.
Shakespear, Macbeth, v. 5.
For what *to-morrow* shall disclose,
May spoil what you *to-night* propose:
England may change, or Cloe stray;
Love and life are for *to-day.* *Prior.*

Toad. *s.* [A.S. *tád.*] Batrachian (i.e. akin to the frogs) reptile of the genus Bufo.
I had rather be a *toad*,
And live upon the vapour of a dungeon,
Than keep a corner in the thing I love
For other's uses. *Shakespear, Othello,* iii. 3.
In the great plague there were seen, in divers ditches about London, many *toads* that had tails three inches long, whereas *toads* usually have no tails.—*Bacon, Natural and Experimental History.*
In hollow caverns vermin make abode,
The hissing serpent, and the swelling *toad.*
Dryden, Translation of the Georgics, i. 268.
Few animals have ever suffered more undeserved persecution as the victims of an absurd and ignorant prejudice, than the *toad*. . . . The stories of *toads* having been found in the very substance of the wood of a tree, and in the midst of a solid and hard rock, are too numerous, and too generally asserted and believed, to be passed over here. . . . The truth probably is that a *toad* may have lain hid in the hollow of a tree perhaps during a whole autumn and winter, and found itself on the return of spring so far enclosed within its hiding-place as to be unable to escape. . . . That *toads* may be rendered very tame, and be made to distinguish those who are kind to them, there are abundant facts to testify.—*Bell, British Reptiles.*
The *toads* [are] tailless batrachians, common in Britain, . . . exemplifying the family Bufonia, having half-webbed toes, the glandular swelling called parotoid between the eye and ear, and the sacral diapophyses expanded. The genus Bufo has the femur rather short; no teeth; tongue elliptical, entire, with the free margin turned back; skin more or less warty. *Toads* exist in almost every part of the globe except Australia. The parotoids exude a fetid and rather acrid milky secretion, which is the sole foundation for the vulgar error of the poison of the *toad.* The animal is useful to man, and in no way noxious.—*Owen,* in *Brande and Cox, Dictionary of Science, Literature, and Art.*

As the *first element* in a *compound.*
From th' extremest upward of thy head
To the descent and dust below thy foot,
A most *toad-spotted* traitor.
Shakespear, King Lear, v. 3.

Toádeater. *s.*
1. Mountebank's man, one of whose duties was to swallow, or pretend to swallow, any kind of garbage: (Tom Brown so calls Joseph Haines, who died A.D. 1701. See Wedgwood).
2. Contemptuous term of modern times for a fawning parasite; servile sycophant: (added by Todd; Wedgwood connects this with the French *avaler des couleuvres* = swallow adders, rather than with the first sense. The two derivations, however, are compatible).
I was reduced to be as miserable a *toadeater* as any in Great Britain, which in the strictest sense of a word is a servant, except that the *toadeater* has the honour of dining with my lady, and the misfortune of receiving no wages.—*Sir C. Hanbury Williams.*
At five she had to attend her colleague, Madam Schwellenberg, a hateful old *toad-eater*, as illiterate as a chambermaid, as proud as a whole German chapter, rude, peevish, unable to bear solitude, unable to conduct herself with common decency in society.—*Macaulay, Critical and Historical Essays, Madam D'Arblay.*
Lord Marney also really liked pomp, a curious table, and a luxurious life; but he liked them under any roof rather than his own. Not that he was what is commonly called a screw; that is to say, he was not a mere screw; but he was acute and malicious; saw everybody's worth and position at a glance; could not bear to expend his choice wines and costly viands on hangers-on and *toad-eaters*, though at the same time no man encouraged and required hangers-on and *toad-eaters* more.—*B. Disraeli, Sybil,* b. ii. ch. ii.

Toádeating. *s.* Practice, or habit, of a toad-eater.
These men attained literary eminence in spite of their weaknesses. . . . Without . . . the officiousness, the inquisitiveness, the effrontery, the *toad-eating*, the insensibility to all reproof, he never could have produced so excellent a book.—*Macaulay, Critical and Historical Essays, Boswell's Life of Johnson.*

Toádflax. *s.* [German, *todt* = dead.] Native plant of genus Linaria (vulgaris); so called from its stem and leaves resembling those of flax, while for the purposes to which flax is applied it is useless; butter-and-eggs. The Thesium linophyllum is *bastard* toadflax.
One of the gayest of the autumn hedgerow plants is the butter-and-eggs of the country-folk—the yellow *toadflax*; its tall stem clothed with narrow slender leaves of a greyish-green hue, is surmounted by a loose terminal spike of handsome yellow flowers, each flower of which has a large orange spot. The juice of the *toadflax* is expressed, and, when mixed with milk, is sometimes used as a cosmetic, and at others to attract flies; it frequently occurs in the neighbourhood of old monasteries, and appears to have been cultivated by the old monks as a garden flower. — *J. T. Burgess, Old English Wild Flowers.*

Toádish. *adj.* Venomous; like a toad. *Rare.*
Your *toadish* tongue would never have sought to have envenomed virtue.—*Stafford, Niobe,* pt. ii. p. 76: 1611.
A speckled, *toadish*, or poison-fish, as the seamen from experience named it.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia,* p. 384.

Toádseye. *s.* In *Mineralogy.* Variety of wood tin.

Toádstone. *s.* [from German *todt* = dead.] In *Geology.* See extract.
Toadstone is the name given by miners to certain bands, generally basaltic, which alternate with bands of limestone of the carboniferous series. It has been found by experience, that when metalliferous (lead-bearing) veins exist in these strata, the ore is rarely present where the vein traverses the basalts, and thus these rocks are said to be 'dead,' as not being productive. This name is applied chiefly in Derbyshire.—*Ansted,* in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Toádstone. *s.* [from English *toad.*] Concretion supposed to be found in the head of a toad.
The *toadstone* presumed to be found in the head of that animal is not a thing impossible.—*Sir T. Browne, Vulgar Errours.*

Toádstool. *s.* Poisonous mushroom.
The grisly *todestool* grown there mought I see,
And loathed paddocks lording on the same.
Spenser.
Another imperfect plant like a mushroom, but sometimes as broad as a hat, called *toadstool*, is not esculent.—*Bacon.*

Toady. *adj.* Having the character of, resembling a toad.
Vice is of such a *toady* complexion, that she cannot choose but teach the soul to hate.—*Fellthan, Resolves,* cent. i. xiii. (Ord MS.)

Toady. *s.* Toadeater.
A very feeble, but very flattering reflex of the parasite was the umbra or shadow, who accompanied any invited guest, and who was sometimes a man of equal consequence, though usually a poor relative, or an humble friend—in modern cant, 'a *toady.*' Such is the umbra of our friend Clodius.—*Lord Lytton, Last Days of Pompeii,* note.
Boys are not all *toadies* in the morning of life.—*Thackeray, Book of Snobs,* ch. v.
He preferred *toadies*, generally speaking.—*Id., The Newcomes,* vol. ii. p. 144.

Toady. *v. a.* Fawn upon, flatter, display obsequiousness towards any one.
How these tabbies love to be *toadied!*—*G. Colman the younger, The Poor Gentleman,* ii. 2.
He had no opinions himself, but *toadied* Clarion (who despised him) in the vague and dismal hope

that he would at some future day, be allowed to promenade his raw-boned figure in the saloons of Neville House.—*Hannay, Singleton Fontenoy*, b. ii. ch. iii.

Toádyism. *s.* System, or practice, of toad-eating.

There are only a few bland and not-in-the-least-conceited philosophers, who can behold the state of society, viz. *toadyism*, organized—base man-and-mammon worship, instituted by command of law:—snobbishness, in a word, perpetuated, and mark the phenomenon calmly.—*Thackeray, Book of Snobs*, ch. iii.

Toast. *v. a.* Dry or heat at the fire.

The earth whereof the grass is soon parched with the sun and *toasted* is commonly forced earth.—*Bacon, Natural and Experimental History.*

Toast. *s.* [from Lat. *tostus*, pass. part. of *torreo* = parch, roast.] Bread made dry and brown before the fire.

You are both as rheumatick as two dry *toasts*; you cannot one bear with another's infirmities.—*Shakespear, Henry IV. Part II.* ii. 4.

Every third day take a small *toast* of manchet, dipped in oil of sweet almonds new drawn, and sprinkled with loaf sugar.—*Bacon, Physical Remains.*

Toast. *s.* Celebrated woman whose health is often drunk: (now applied to public characters, or private friends, whose healths we propose to drink). So the explanation stands in the previous editions, followed by the extract professing to give the origin of the word. Wedgwood's derivation is far preferable, viz. the German *stoss*, or *stoss an* = clink (glasses).

It happened that, on a public day, a celebrated beauty of those times [K. Charles II.] was in the Cross-Bath [at Bath], and one of the crowd of her admirers took a glass of the water, in which the fair one stood, and drank her health to the company. There was in the place a gay fellow half fuddled, who offer'd to jump in, and swore though he liked not the liquor, he would have the *toast*. He was opposed in his resolution; yet this whim gave foundation to the present honour which is done to the lady we mention in our liquor, who has ever since been called a *toast*.—*Tatler*, no. 24.

Say, why are beauties praised and honour'd most,
The wise man's passion, and the vain man's *toast*?
Why deck'd with all that land and sea afford,
Why angels call'd, and angel-like adored?
Pope, Rape of the Lock, canto v.

Toast. *v. a.* [see under the substantive.] Name when a health is drunk.

We'll try the empire you so long have boasted;
And if we are not praised, we'll not be *toasted*.
Prior, Epilogue to Lucius.

Several popish gentlemen *toasted* many loyal healths.—*Addison.*

Toast. *v. n.* Drink a toast.

Let not both houses of parliament have law dictated to them by the Constitutional, the Revolution, and the Unitarian societies. These insect reptiles, whilst they go on caballing and *toasting*, only fill us with disgust.—*Burke, Speech on the Petition of the Unitarians.*

Toáster. *s.* One who toasts.

We simple *toasters* take delight
To see our women's teeth look white;
And every saucy ill-bred fellow
Sneers at a mouth profoundly yellow.
Prior, Alma, ii. 423.

The *toasters* and songsters may try all their art,
But never shall enter the pass of my heart.
Lady M. W. Montague.

Toásting. *s.* System, practice, of drinking toasts.

I fell into the acquaintance of a set of jolly companions, who slept all day and drank all night; fellows who might rather be said to consume time than to live. Their best conversation was nothing but noise; singing, hallooing, wrangling, drinking, *toasting*, spewing, smoking, were the chief ingredients of our entertainment.—*Fielding, Adventures of Joseph Andrews.*

Used *adjectivally*.

It does not appear that, after he [Montague] became a Lord of the Treasury, he ever wrote a couplet, with the exception of a few neatly turned lines inscribed on a set of *toasting* glasses which were sacred to the most renowned Whig beauties of his time.—*Macaulay, History of England*, ch. xx.

Tobácco. *s.* Plant for smoking, of the genus Nicotiana. See extracts.

Whether it divine *tobacco* were,
Or panachæa. *Spenser, Faerie Queen*, iii. 5, 2.

Bread or *tobacco* may be neglected; but reason at first recommends their trial and custom makes them pleasant.—*Locke.*

The flower of the *tobacco* consists of one leaf, is funnel-shaped, and divided at the top into five deep segments, which expand like a star; the ovary becomes an oblong roundish membranaceous fruit, which is divided into two cells by an intermediate partition, and is filled with small roundish seeds.—*Miller, Gardener's Dictionary.*

It is said that the name *tobacco* was given by the Spaniards to the plant, because it was first observed by them at Tabasco, or Tabaco, a province of Yucatan in Mexico. In 1560, Nicot, the French ambassador to Portugal, having received some *tobacco* from a Flemish merchant, showed it, on his arrival in Lisbon, to the grand prior, and, on his return into France, to Catherine of Medicis, whence it has been called Nicotiana by the botanists. Admiral Sir Francis Drake having, on his way home from the Spanish Main, in 1586, touched at Virginia, and brought away some forlorn colonists, is reported to have first imported *tobacco* into England. But, according to Lobel, this plant was cultivated in Britain before the year 1570; and was consumed by smoking in pipes, by Sir Walter Raleigh and his companions, so early as the year 1584.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tobacco, the use of which has now become to many persons as indispensable as bread, is the foliage of various species of Nicotiana; all the American *tobacco* is furnished by N. tabacum or its varieties, the Persian by N. persica, and the Syrian by N. rustica. It is a powerful stimulant narcotic, employed medicinally as a sedative, and in vapour to bring on nausea and fainting. When chewed it appears to impair the appetite and induce torpor of the gastric nerves. Although if smoked in moderate quantities it acts as a harmless excitant and sedative, yet it is a frequent cause of paralysis when the practice is indulged in to excess. Oil of *tobacco*, which is inhaled and swallowed in the process of smoking, is one of the most violent of known poisons. The Hottentots are said to kill snakes by putting a drop of it on their tongues, and the death of these reptiles is said to take place as instantaneously as if by an electric shock; dangerous symptoms are reported to have followed the application of the ointment to scald heads.—*Lindley, Vegetable Kingdom.*

As the *first element* in a *compound*.

It is a planet now I see;
And, if I err not, by his proper
Figure, that 's like *tobacco-stopper*
It should be Saturn. *Butler, Hudibras*, ii. 3, 455.

Salts are to be drained out of the clay by water, before it be fit for the making *tobacco-pipes* or bricks.—*Woodward.*

Tobácconer. *s.* Smoker of tobacco. *Rare.*

Whence growes, in fire, excessive griefs and fear?
For dumpier none than the *tobacconer*.
Sylvester, Tobacco Battered, i. 578.

Tobácconing. *verbal abs.* Smoking tobacco. *Rare.*

Neither was it any news on this guild-day to have the cathedral, now open on all sides, to be filled with musketeers, waiting for the major's return, drinking and *tobacconing* as freely as if it had been turned alehouse.—*Bishop Hall, Specialities of his Life.*

And for the rest, it shall suffice to say,
Tobacconing is but a smoakie play,
If then *tobacconing* be good, how is 't,
That lewdest, loosest, basest, polishest,
The most unthrifty, most intemperate,
Most vicious, most debaucht, most desperate,
Pursue it most? *Sylvester, Tobacco Battered.*

Tobácconist. *s.*

1. Preparer and vender of tobacco.
2. Smoker of tobacco.

Hence it is, that the lungs of the *tobacconist* are rotted.—*B. Jonson, Bartholomew Fair.*

A *tobacconist*, I dare aver,
Is, first of all, a rank idolater.
Sylvester, Tobacco Battered, ii. 574.

Hell hath smoak,
Impenitent *tobacconists* to choak.
Ibid. i. 575. (Ord MS.)

Tócsin. *s.* [N.Fr.] Alarm-bell.

The priests went up into the steeple, and rang the bells backward, which they call *tocksaine*, whereupon the people of the suburbs flocked together.—*Fulke, Answer to P. Frarine*, p. 52: 1580.

Tod. *s.* [Icelandic, *todda*; German, *zote* = flock, or ball, of wool.]

1. Bush; thick shrub.

Within the ivie *tod*,
(There shrouded was the little god,)
I heard a busy bustling.
Spenser, Shepherd's Calendar.

2. A certain weight of wool, twenty-eight pounds.

Every 'leven wether *tods*; every *tod* yields ... pound and odd shilling.—*Shakespear, Winter's Tale*, iv. 2.

3. Fox (? from the bushy tail).

The wolf, the *tod*, the brock,
Or other vermin. *B. Jonson, Pan's Anniversary.*

Tod. *v. n.* Yield in weight.

Dealers in wool say, twenty sheep ought to *tod* fifty pounds of wool.—*Dr. Farmer, upon the passage under* Tod, *s.* 2.

Tóddle. *v. n.* [German, *zotteln* = stagger.]

I should like to come and have a cottage in your park, *toddle* about, live mostly on milk, and be taken care off by Mrs. Boswell.—*Boswell, Life of Dr. Johnson*, iii. 325. (Ord MS.)

The little one, rising on its legs, *toddled* through the snow.—*G. Elliot (signature), Silas Marner*, ch. xii.

Tóddy, and **Tóddy-tree.** *s.*

1. Name applied to certain species of Palm, from the juice of which toddy is prepared; the liquor itself. See extracts.

The *toddy tree* is not unlike the date or palm.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 29.

The wine or *toddy*, is got by piercing the tree, and putting a jar or pitcher under, so as the liquor may distil into it.—*Ibid.*, p. 29.

The proprietors of cocoa-nut plantations in the peninsula of India, and in the island of Ceylon, instead of collecting a crop of nuts, frequently reap the produce of the trees by extracting sweet juice from the flower-stalk. When the flowering branch is half shot, the *toddy* drawers bind the stock round with a young coco-nut leaf in several places, and beat the spadix with a short baton of ebony. This beating is repeated daily for ten or twelve days, and about the end of that period a portion of the flower-stalk is cut off. The stump then begins to bleed, and an earthen vessel (chatty) or a calabash is suspended under it, to receive the juice, which is by the Europeans called *toddy*.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

The juice which flows from the wounded spathes of Borassus flabelliformis, Raphia vinifera, Mauritia vinifera, the cocoa-nut, and other palms, is known in India by the name of *toddy*. Independently of the grateful qualities of this fluid as a beverage, it is found to be the simplest and easiest remedy that can be employed for removing constipation in persons of a delicate habit, especially European females.—*Lindley, Vegetable Kingdom.*

3. Less accurately, a kind of punch, or mixture of spirits and water.

The jury, in fine, having sat on the body
The whole day, discussing the case and gin *toddy*,
Returned about half-past eleven at night
The following verdict—'We find, Serve her right.'
Barham, Ingoldsby Legends, Look at the Clock.

Todó. *s.* Bustle; hurry; confusion: much the same as *ado*: (as, 'There was a great *todo*.')

Tódy. *s.* In *Ornithology*. Bird of the genus Todius.

The *todies* are small American birds very like the kingfishers in general form, and which also have the feet and bill elongated; but the latter is flattened horizontally, and obtuse at its extremity. The tarsi are more elevated and the tail less short. They live on flies, and nestle on the ground.—*Translation of Cuvier's Règne Animal.*

Toe. *s.* [A.S. *tá.*] Divided extremities of the feet; fingers of the feet.

Come all you spirits,
And fill me from the crown to the *toe*, topful
Of direst cruelty. *Shakespear, Macbeth*, i. 5.

Come and trip it as you go,
On the light fantastic *toe*. *Milton, L'Allegro*, 33.

Last to enjoy her sense of feeling,
(A thing she much delights to deal in,)
A thousand little nerves she sends
Quite to our *toes*, and fingers' ends.
Prior, Alma, i. 70.

Tofóre. *adv.* [A.S. *toforan.*] Before. *Obsolete*; preserved in *heretofore*.

It is an epilogue to make plain
Some obscure precedence that hath *tofore* been sain.
Shakespear, Love's Labour's lost, iii. 1.

Tofóre. *prep.* [A.S. *tofor.*] Before. *Obsolete.*

So shall they depart the manor with the corn and the bacon *tofore* him that hath won it.—*Spectator.*

Toft. *s.* [A.S.] House and homestead: (common at present as the *second element* in names of places; e.g. Wig*toft*, Lang*toft*, &c.).

A house with its stables and farm-buildings, surrounded by a hedge or enclosure, was called a court, or, as we find it in our law-books, a curtilage; the *toft* or homestead of a more genuine English dialect.—*Hallam, State of Europe during the Middle Ages*, pt. i. ch. ix.

Tógated. *adj.* [Lat. *togatus*, from *toga* = gown.]

And now I suppose my striplings formally clad and *togated*, newly arrived at the university.—*Sir M. Sandys, Essays*, p. 138: 1634.

They saw a comedy acted in Christ Church hall; yet it did not take with the courtiers so well as it did with the *togated* crew.—*A. Wood, Annals of the University of Oxford*: 1636.

On a marble, adjoining to the former, is the effigies of a man *togated*.—*Ashmole, Berkshire*, i. 146.

Tóged. *adj.* Gowned; dressed in gowns. *Rare.*

The bookish theorick,
Wherein the *toged* consuls can propose
As masterly as he; mere prattle, without practice,
Is all his soldiership. *Shakespear, Othello*, i. 1.

Togéther. *adv.* [A.S. *togædere*.]

1. In company.

We turn'd o'er many books *together*.—*Shakespear, Merchant of Venice*, iv. 1.

So counsell'd he, and both *together* went
Into the thickest wood.
Milton, Paradise Lost, ix. 1099.

2. Not apart; not in separation.

That king joined humanity and policy *together*.—*Bacon, History of the Reign of Henry VII.*

3. In the same place.

She lodgeth heat and cold, and moist and dry,
And life and death, and peace and war *together*.
Sir J. Davies, Immortality of the Soul.

4. In the same time.

While he and I live *together*, I shall not be thought the worst poet.—*Dryden.*

5. Without intermission.

They had a great debate concerning the punishment of one of their admirals, which lasted a month *together*.—*Addison.*

6. In concert.

The subject is his confederacy with Henry the Eighth, and the wars they made *together* upon France.—*Addison, Travels in Italy.*

7. In continuity.

Some tree, whose broad, smooth leaves *together* sew'd,
And girded on our loins, may cover round.
Milton, Paradise Lost, ix. 1095.

Together with. In union with; in a state of mixture with.

Take the bad *together with* the good.
Dryden, Translation of Juvenal.

Tóggery. *s.* Dress; clothing. *Colloquial.*

Toil. *v. n.* [Dutch, *tuylen, teulen*.] Labour; work.

This Percy was the man nearest my soul;
Who, like a brother, *toil'd* in my affairs,
And laid his love and life under my foot.
Shakespear, Henry IV. Part II. iii. 1.

And there, from morn till twilight bound,
I felt the heavy hours *toil* round,
With just enough of life to see
My last of suns go down on me.
Byron, Mazeppa, xvii.

Toil. *v. a.*

1. Labour; work at.

Toil'd out my uncouth passage, forced to ride
The untractable abyss.
Milton, Paradise Lost, x. 475.

2. Weary; overlabour.

He, *toil'd* with works of war, retired himself
To Italy. *Shakespear, Richard II.* iv. 1.

Toil. *s.* Labour; fatigue.

They live, to their great both *toil* and grief, where the blasphemies of Arians are renewed.—*Hooker, Ecclesiastical Polity.*

Not to irksome *toil*, but to delight
He made us. *Milton, Paradise Lost*, ix. 242.

The love of praise, howe'er conceal'd by art,
Reigns more or less, and glows in ev'ry heart;
The proud to gain it *toils* and *toils* endure,
The modest shun it, but to make it sure.
Young, Love of Fame, i. 51.

Our orisons completed, let us hence,
Each to his task of *toil*—not heavy, though
Needful: the earth is young, and yields us kindly
Her fruits with little labour. *Byron, Cain*, i. 1.

'When *toil* ceases the people suffer,' said Sybil. 'That is the only truth that we have learnt, and it is a bitter one.'—*B. Disraeli, Sybil*, b. vi. ch. v.

Toil. *s.* [from Fr. *toile* = tissue, cloth, from Lat. *tela* = web; *toiles*, in hunting, nets to ensnare game.] Any net or snare woven or meshed.

She looks like sleep,
As she would catch another Antony
In her strong *toil* of grace.
Shakespear, Antony and Cleopatra, v. 2.

He had so placed his horsemen and footmen in the woods, that he shut up the Christians as it were in a *toil*.—*Knolles, History of the Turks.*

All great spirits
Bear great and sudden change with such impatience
As a Numidian lion, when first caught,
Endures the *toil* that holds him.
Sir J. Denham, The Sophy.

Fantastick honour, thou hast framed a *toil*
Thyself, to make thy love thy virtue's spoil.
Dryden.

A fly falls into the *toil* of a spider.—*Sir R. L'Estrange.*

Toílet. *s.* [Fr. *toilette*.]

1. Furniture of a dressing-table; dressing-table.

The merchant from the exchange returns in peace,
And the long labours of the *toilet* cease.
Pope, Rape of the Lock, canto iii.

Once again consult your *toilet*;
In the glass your face review;
So much weeping sure will spoil it,
And no spring your charms renew.
Lady M. W. Montague.

But happy days and tranquil nights soon restored the health which the queen's *toilette* and Madame Schwellenberg's cardtable had impaired. — *Macaulay, Critical and Historical Essays, Madame D'Arblay.*

2. Towel. *Obsolete.*

Pleasant was the answer of Archelaus to the barber, who, after he had cast the linnen *toylet* about his shoulders, put this question to him: How shall I trim your majesty? Without any more prating, quoth the king.—*Translation of Plutarch's Morals*, iv. 232. (Ord MS.)

Toílful. *adj.*

1. Laborious; full of employment.

The souterly cobbler, and *toilful* labourer.—*Florio, Translation of Montaigne*: p. 483: 1613.

2. Wearisome.

Now the loud tempest of the *toilful* day
Subsides into a calm. *Smollett, Regicide.*

Toílsome. *adj.* Laborious; weary.

This were it *toilsome*, yet with thee were sweet.
Milton, Paradise Lost, iv. 439.

While here we dwell,
What can be *toilsome* in these pleasant walks?
Ibid. xi. 178.

Recall those nights that closed thy *toilsome* days,
Still hear thy Parnell in his living lays.
Pope, Epistle to the Earl of Oxford.

Toílworn. *adj.* Worn with toil; overworked.

He [Lessing] stands before us like a *toilworn* but unwearied champion, earning not the conquest but the battle.—*Carlyle, Critical and Miscellaneous Essays, State of German Literature.*

Toise. *s.* [Fr.; from *tensus* = stretched.] Measure so called; fathom.

Tokáy. *s.* Hungarian wine so called.

The wine generally known in foreign countries by the name of *tokay*, is a particular kind; ... it is here called 'ausbruche,' and is made by mixing a portion of luscious half-dried and shrivelled grapes with the common ones.—*Townson, Travels in Hungary.*

He has tasted every wine in the cellar, from humble port to imperial *tokay*.—*Townley, High Life below Stairs*, ii. 1.

The vineyards which produce the best [Hungarian] wines are Ofen, Pesth, *Tokay*, the Syrmia in the south, Groswarden, Erlon, and Warwitz, in the Bannat. ... The grapes for the *Tokay* are the Hungarian blue, ... collected late in the season, almost shrivelled up to raisins, and then carefully picked one by one. ... The best wine of *Tokay* has so peculiar a flavour of the aromatic kind, and is so luscious, that the taste is not easily forgotten; in truth, it is more a liqueur than a wine.—*C. Redding, History and Description of Modern Wines.*

Tóken. *s.* [A.S. *tacn*.]

1. Sign.

Shew me a *token* for good, that they which hate me may see it.—*Psalms*, lxxxvi. 17.

2. Mark.

They have not the least *token* or shew of the arts and industry of China.—*Heylin.*

Wheresoever you see ingratitude, you may as infallibly conclude, that there is a growing stock of ill-nature in that breast, as you may know that man to have the plague upon whom you see the *tokens*.—*South, Sermons.*

3. Memorial of friendship; evidence of remembrance.

Here is a letter from queen Hecuba,
A *token* from her daughter, my fair love.
Shakespear, Troilus and Cressida, v. 1.

Whence came this?
This is some *token* from a newer friend.
Id., Othello, iii. 4.

Pigwiggen gladly would commend
Some *token* to queen Mab to send,
Were worthy of her wearing.
Drayton, Nymphidia.

Mrs. Gavan put it then to Mr. Oates, how often he had seen him in London, whose answer was, only one day, but two several times that day, as he remembered by the *token* that an apothecary brought Mr. Gavan a cordiall in the afternoon to Mr. Ireland's chamber, he being then and there indisposed.—*Sir R. L'Estrange, History of the Plot*, p. 25. (Ord MS.)

4. Piece of money current by sufferance, not coined by authority.

Buy a *token's* worth of great pins.—*B. Jonson, Bartholomew Fair.*

Your credit not worth a *token*.
Massinger, New Way to pay Old Debts.

Retail traders became more numerous, and supplied articles in smaller parcels, and the want of a small change currency was felt. To meet this want, and possibly to obtain some profit on the transaction, private individuals issued, there being no law to the contrary, copper pieces, called *tokens*, which the person whose name they bore pledged himself to redeem in silver on demand. There was scarcely a village of any magnitude in which such a local currency did not circulate, and a complete collection of such *tokens*, if indeed it could be made, would contain many thousand specimens. The custom continued even up to the restoration of the currency in 1819, the Bank of England having for a short time even issued a currency of silver *tokens*.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

5. In *Printing*. See extract.

Token, in printing [is] ten quires eighteen sheets of perfect paper, or 258 sheets. It is reckoned an hour's work for a hand press, of ordinary work. In Moxon's time the *token* was ten quires.—*R. J. Courtney*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tóken. *v. a.* Betoken.

What in time proceeds,
May *token* to the future our past deeds.
Shakespear, All's well that ends well, iv. 2.

Tókened. *part. adj.* In the extract, showing the tokens of death.

How appears the fight?—
On our side like the *token'd* pestilence,
Where death is sure.
Shakespear, Antony and Cleopatra, iii. 8.

Tólbooth. *s.* See Tollbooth.

Tolédo. *s.* Sword from Toledo, a town of Spain; sword of the temper of one from Toledo.

You sold me a rapier ... you told me it was a *toledo*.—*B. Jonson, Every Man in his Humour*, iii. 2.

Tólerable. *adj.* [Lat. *tolerabilis*; *tolero* = I endure; pass. part. *toleratus*; *toleratio*; *-onis*.]

1. Supportable; that may be endured or supported.

Yourselves, who have sought them, ye so excuse, as that ye would have men to think ye judge them not allowable, but *tolerable* only, and to be borne with, for the furtherance of your purposes, till the corrupt estate of the church may be better reformed. —*Hooker, Ecclesiastical Polity.*

It shall be more *tolerable* for Sodom in the day of judgement than for that city.—*Matthew*, x. 15.

Cold and heat scarce *tolerable*.
Milton, Paradise Lost, x. 654.

There is nothing of difficulty in the external performance, but what hypocrisy can make *tolerable* to itself.—*Archbishop Tillotson.*

2. Not excellent; not contemptible; passable.

The reader may be assured of a *tolerable* translation.—*Dryden.*

Princes have it in their power to keep a majority on their side by any *tolerable* administration, till provoked by continual oppressions.—*Swift.*

Tólerably. *adv.* In a tolerable manner.

1. Supportably; in a manner that may be endured.

The pious Christian is the only *tolerably* wise.—*Hammond, Works*, iv. 575.

2. Passably; neither well nor ill; moderately well.

The person to whom this head belonged laughed frequently, and on particular occasions had acquitted himself *tolerably* at a ball.—*Addison, Spectator.*

Tólerance. *s.* [Fr.; Lat. *tolerantia*.] Power of enduring; act of enduring.

Diogenes one frosty morning came into the market-place shaking, to shew his *tolerance*; many of the people came about him, pitying him: Plato passing by, and knowing he did it to be seen, said, If you pity him indeed, let him alone to himself.—*Bacon, Apophthegms.*

There wants nothing but consideration of our own eternal weal, a *tolerance* or endurance of being made happy here, and blessed eternally.—*Hammond, On Fundamentals.*

It admits of no *tolerance*, no intercommunity of sentiments.—*Bishop Lowth, Letter to Bishop Warburton*, p. 13.

Tólerant. *adj.* [Lat. *tolerans, -antis*, pres. part. of *tolero*; *tolerantia*.] Favourable to toleration.

We know and lament his [Gibbon's] eagerness to

throw a veil over the deformities of the heathen theology, to decorate with all the splendour of panegyric the *tolerant* spirit of its votaries, to degrade by disingenuous insinuation or by sarcastic satire the importance of revelation, to exhibit in the most offensive features or distortion the weaknesses and the follies of its friends, and to varnish over the cruelties and exalt the wisdom of its merciless and unrelenting enemies.—*White, Bampton Lectures*, serm. iii.

But the only effectual remedy for the evil, is the diffusion of a *tolerant* principle of judgment, and the disposition to respect the opinions of those who are qualified to form sound conclusions on each subject, and who give to the public the result of diligent, conscientious, and independent investigations.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. viii.

Tólerate. *v. a.* [Lat. *toleratus*, pass. part. of *tolero*.] Allow so as not to hinder; suffer; pass uncensured.

Inasmuch as they did resolve to remove only such things of that kind as the church might best spare, retaining the residue; their whole counsel is, in this point, utterly condemned, as having either proceeded from the blindness of those times, or from negligence, or from desire of honour and glory, or from an erroneous opinion that such things might be *tolerated* for a while.—*Hooker, Ecclesiastical Polity.*

We shall *tolerate* flying horses, harpies, and satyrs, for these are poetical fancies, whose shaded moralities requite their substantial falsities.—*Sir T. Browne, Vulgar Errours.*

Men should not *tolerate* themselves one minute in any known sin.—*Dr. H. More, Decay of Christian Piety.*

Crying should not be *tolerated* in children.—*Locke.*

We are fully convinced that we shall always *tolerate* them, but not that they will *tolerate* us.—*Swift.*

Tolerátion. *s.* Allowance given to that which is not approved.

I shall not speak against the indulgence and *toleration* granted to these men.—*South, Sermons.*

An enlightened *toleration* is a blessing of the last age—it would seem to have been practised by the Romans, when they did not mistake the primitive Christians for seditious members of society; and was inculcated even by Mahomet, in a passage in the Koran, but scarcely practised by his followers: in modern history, it was condemned, when religion was turned into a political contest, under the aspiring house of Austria—and in Spain—and in France. It required a long time before its nature was comprehended—and to this moment it is far from being clear, either to the *tolerators*, or the tolerated.—*I. Disraeli, Curiosities of Literature, Toleration.*

Tólerator. *s.* One who tolerates.

(For example see under Toleration.)

Toll. *v. a.* [Lat. *tollo* = I take, take away; the *o* is short, the word being pronounced so as to rhyme to *loll*, *Nol* (short for Oliver).] In *Canon Law.* Take away; vacate; annul.

An appeal from sentence of excommunication does not suspend it, but then devolves it to a superior judge, and *tolls* the presumption in favour of a sentence.—*Ayliffe, Parergon Juris Canonici.*

Toll. *v. a.* [see extract from Wedgwood.]

1. Draw by degrees; entice.

They *toule* nuns out of cloisters.—*Fulke, Answer to P. Frarine*, p. 19: 1580.

The adventitious moisture which hangeth loose in a body, betrayeth and *tolleth* forth the innate and radical moisture along with it.—*Bacon, Natural and Experimental History.*

Voices calling me in dead of night
To make me follow, and so *tole* me on,
Through mire and standing pools, to find my ruin.
Spenser, Faithful Shepherdess.

He can *tole* on the tame, well-natured, easily seducible.—*Hammond, Works*, iv. 470.

Whatever you observe him to be more frighted at than he should, *tole* him on to by insensible degrees, till at last he masters the difficulty.—*Locke.*

2. Pull a bell slowly, making it sound with solemn pauses; give notice thereby; call, or notify by sound.

They give their bodies due repose at night:
When hollow murmurs of their evening bells
Dismiss the sleepy swains, and *toll* them to their cells.
Dryden, Translation of the Georgics, iv. 275.

Slow *tolls* the village clock the drowsy hour.
Beattie, The Minstrel.

His death, which happened in his berth,
At forty-odd befell;
They went and told the sexton,
And the sexton *toll'd* the bell. *T. Hood.*

[To *toll* [is] to incite one to do a thing; to *tole*, to draw, to entice:

'With empty hand may no man hawkes *tulle*;
Lo here our silver ready to expend.' (Chaucer.

'Attirer, to draw or bring to, to *toll* or lead on, to entice, allure unto.' (Cotgrave.) 'The fault of the escape is attributable to the hoggishness of the man who *tolled* the negroes into Dover.' (American newspaper, 1857.) To *toll* the bells is when they ring slowly to invite the people into church. Old Norse *tál*, deceit, treachery, draga á *tálar*, to betray; *tálgröf*, a pitfall for beasts; *tálsegi*, a bait; *tálsnora*, a snare; *tálfrige*, a decoy-bird. Welsh, *twyll*, deceit, fraud, illusion. Breton, *touella*, to enchant, deceive, seduce, allure.—*Wedgwood, Dictionary of English Etymology.*]

Toll. *v. n.* Sound as a tolled bell.

Toll, toll,
Gentle bell, for the soul
Of the pure ones. *Sir J. Denham.*

Toll. *s.* Sound made by the bell being tolled.

The *toll* of a bell is its being lifted up, which causes that sound we call its *toll*.—*H. Tooke, Diversions of Purley*, ii. 180.

Toll. *s.* [A.S.] Excise of goods; seizure of some part for permission of the rest; payment for passage.

Toll, in law, has two significations: first, a liberty to buy and sell within the precincts of a manor, which seems to import as much as a fair or market; secondly, a tribute or custom paid for passage.—*Cowell.*

Empson and Dudley the people esteemed as his horse-leeches, bold men, that took *toll* of their master's grist.—*Bacon.*

The same Prusias joined with the Rhodians against the Byzantines, and stopped them from levying the *toll* upon their trade into the Euxine.—*Arbuthnot.*

A charter of Edred grants to the monastery of Croyland soc, sac, *toll*, team and infangthef; words which generally went together in the description of these privileges, and signify the right of holding a court to which all freemen of the territory should repair, of deciding pleas therein, as well as of imposing amercements according to law, of taking *tolls* upon the sale of goods, and of punishing capitally a thief taken in the fact within the limits of the manor.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. viii.

Toll. *v. n.*

1. Pay toll.

I will buy me a son-in-law in a fair, and *toll* for him: for this, I'll none of him.—*Shakespear, All's well that ends well*, v. 3.

Where, when, by whom, and what y' were sold for,
And in the open market *toll'd* for?
Butler, Hudibras, ii. 1, 696.

2. Take toll.

The meale the more yeeldeth, if servant be true,
And miller that *tolleth* takes none but his due.
Tusser, Five Hundred Points of good Husbandry.

Toll. *v. a.* Take toll of anything; collect.

Like the bee, *tolling* from every flower
The virtuous sweets.
Shakespear, Henry IV. Part II. iv. 4.

Tóllbar. *s.* Bar, now a gate, placed across the road to prevent passage unless the toll be paid.

Tóllbooth. *s.* Booth for the collection of tolls; office for the assessment of them: (Tolsey is a word with a similar sense; the *Tolsey* at Bristol being a local court so called. In Scotland, the *Tolbooth* is a jail. See Tollbooth, *v. a.*)

Those other disciples were from the fishing-boat; this from the *toll-booth*.—*Bishop Hall, Contemplations, Matthew called.*

Tóllbooth. *v. a.* Imprison in a tollbooth. *Rare.*

To these what did he give? why a hen,
That they might *tolbooth* Oxford men.
Bishop Corbet.

Tólldish. *s.* Vessel by which the toll of corn for grinding is measured.

If thou beest a true man, then, quoth the miller,
I sweare by my *toll-dish*, I'll lodge thee all night.
Old Ballad, King and Miller of Mansfield.

Take your *toll-dish* with ye.
Beaumont and Fletcher, Maid in the Mill.

Tóllgatherer. *s.* Officer who takes toll.

Toll-gatherers are every day ready to search and exact a customary tribute.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 43.

Tólling. *part. adj.* Alluring. *Rare.*

I will not fail to give ye, readers, a present taste of him from his title, hung out like a *tolling* signpost to call passengers, not simply a confutation, but 'a modest confutation,' with a laudatory of itself obtruded in the very first word.—*Milton, Apology for Smectymnuus.*

Tólling. *part. adj.* Sounding as a tolled bell.

With horns and trumpets now to madness swell,
Now sink in sorrow with a *tolling* bell.
Pope, Dunciad, ii. 227.

Tólling. *verbal abs.* Act of one who, that which, tolls.

Our going to church at the *tolling* of a bell, only tells us the time when we ought to go to worship God.—*Bishop Stillingfleet.*

Tolú. *s.* In *Botany* and *Medicine.* Balsam of Tolu; secretion of Myrospermum toluiferum: (used *adjectivally*, as in '*Tolu* lozenges').

Tolu is composed of resin, oil, and benzoic acid.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tolutátion. *s.* [Lat. *equus tolutarius* = trotting horse.] Act of pacing or ambling.

They move 'per latera,' that is, two legs of one side together, which is *tolutation* or ambling.—*Sir T. Browne, Vulgar Errours.*

They rode, but authors having not
Determined whether pace or trot,
(That is to say, whether *tolutation*,
As they do term 't, or succussation,)
We leave it. *Butler, Hudibras*, i. 2, 45.

Tom, as in *tom-cat*, *tom-fool*, and *Tom-a-Bedlam*, a common prefix to male names.

Tómahawk. *s.* [North American Indian.] War axe of the North American Indians.

I have in my eye a portrait, in other respects of great merit, of the late Marischal Keith, who appears habited in a suit of old Gothic armour, with ruffles of the present fashion at his wrists, a bagwig on his head, and a musket in his hand; Alexander the Great, in a hat and feather, wielding a *tomahawk*, or snapping a pistol at the head of Clytus, would scarce be a greater impropriety.—*Beattie, On Laughter.* (Ord MS.)

Tomáto. *s.* [Fr.; Spanish, *tomate*.] Love-apple: (see extract).

Tomatoes, the fruit of the Lycopersicum esculentum, commonly called love apples, . . . are a common ingredient in sauces.—*Lindley, Vegetable Kingdom.*

The Solanum anthropophagorum, which the Feejeans eat at their feasts of human flesh, is hence called the cannibals' *tomato*.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tomb. *s.* [Fr. *tombe*, *tombeau*; L. Lat. *tumba*; Gr. τύμβος.] Monument in which the dead are enclosed.

Methinks I see thee, now thou art below,
As one dead in the bottom of a *tomb*.
Shakespear, Romeo and Juliet, iii. 5.

Time is drawn upon *tombs* an old man bald, winged, with a scythe and an hour-glass.—*Peacham, On Drawing.*

Poor heart! she slumbers in her silent *tomb*:
Let her possess in peace that narrow room.
Dryden, Indian Emperor.

Tomb. *v. a.* Bury; entomb.

Souls of boys were there,
And youths, that *tomb'd* before their parents were.
May, Translation of Virgil.

Tómbac. *s.* [Fr.; from Persian.] An alloy of copper and zinc, or brass with an excess of zinc; when arsenic is added, the result is white tombac.

Tómbless. *adj.* Wanting a tomb; wanting a sepulchral monument.

Lay these bones in an unworthy urn,
Tombless, with no remembrance over them.
Shakespear, Henry V. i. 2.

Tómboy. *s.* Hoyden.

A lady!
Fasten'd to an empery, to be partner'd
With *tomboys*, hired with that self-exhibition
Which your own coffers yield!
Shakespear, Cymbeline, i. 7.

This is thy work woman . . .
The seeing of your simpering sweetness, you filly,
You tit, you *tomboy!* *Beaumont and Fletcher, Knight of Malta*, ii 1.

Tómbstone. *s.* Stone laid over the dead; stone placed in memory of the dead.

I passed a whole afternoon in the church-yard, the cloisters, and the church, amusing myself with the *tombstones* and inscriptions.—*Addison, Spectator*, no. 26.

Tome. *s.* [Lat. *tome*; Gr. τομή = section, division.] Book.

All those venerable books of Scripture, all those sacred *tomes* and volumes of holy writ, are with such absolute perfection framed.—*Hooker, Ecclesiastical Polity.*

It were infinite to reckon authorities, and clauses of exclusion for the three orders of bishops, priests, and deacons; we cannot almost dip in any *tome* of the councells but we shall find it recorded: and all the

martyr bishops of Rome did ever acknowledge and publish it, that episcopacy is a peculiar office, and order in the church of God; as is to be seen in their decretal epistles in the first *tome* of the councells. —*Jeremy Taylor, Episcopacy asserted.* (Ord MS.)

Tomfoólery. *s.*

1. Foolish trifling; ridiculous behaviour.
   Round let us bound, for this is Punch's holiday;
   Glory to *tomfoolery*; huzza! huzza!
   J. and H. Smith, Rejected Addresses, Punch's Apotheosis.
2. Knicknacks; silly trifles.
   The happy bridegroom spends about a year's income in dresses for the bridesmaids and pretty presents; and the bride must have a trousseau of laces, satins, jewel-boxes, and *tom-foolery*, to make her fit to be a lieutenant's wife.—*Thackeray, Book of Snobs*, ch. xxxvi.

Tómmy. *s.* Truck-system; see extracts, both for the word itself and some of the commoner combinations, where it is either adjectival in construction, or the first element in a compound.

'The fact is, we are *tommied* to death.' . . . 'Comrades,' continued Nixon, 'you know what has happened; you know as how Juggins applied for his balance after his *tommy-book* was paid up, and that incarnate nigger Diggs has made him take two waistcoats. Now the question rises, what is a collier to do with waistcoats? Pawn 'em I s'pose to Diggs' son-in-law, next door to his father's shop, and sell the ticket for sixpence. Now, there's the question; keep to the question; the question is waistcoats and *tommy*; first waistcoats, and then *tommy*.' 'I have been making a pound a-week these two months past,' said another, 'but, as I'm a sinner saved, I have never seen the young Queen's picture yet.' 'And I have been obliged to pay the doctor for my poor wife in *tommy*,' said another. '"Doctor," I said, says I, 'I blush to do it, but all I have got is *tommy*, and what shall it be, bacon or cheese?" "Cheese at tenpence a pound," says he, "which I buy for my servants at sixpence! Never mind," says he, for he is a thorough Christian, "I'll take the *tommy* as I find it."' 'Juggins has got his rent to pay, and is afeard of the bums,' said Nixon; 'and he has got two waistcoats!' 'Besides,' said another, 'Diggs's *tommy* is only open once a-week, and if you're not there in time, you go over for another seven days.' . . . 'No; and so to get them one is obliged to go and sell some *tommy*, and much one gets for it. Bacon at ninepence a-pound at Digg's, which you may get at a huckster's for sixpence; and therefore the huckster can't be expected to give you more than fourpence-halfpenny, by which token the *tommy* in our field just cuts our wages atween the navel.' . . . A butty in the mining districts is a middleman: a doggy is his manager. The butty generally keeps a *tommy* or truck shop, and pays the wages of his labourers in goods.—*B. Disraeli, Sybil*, b. iii. ch. i. and note.

Tómmy. *v. a.* Oppress by the tommy system.
(For example see under Tommy, *s.*)

Tómpion. *s.* Tampion; stopper; plug.
This gigantic genius kept the oracle within him muzzled, nor condescended once to draw the *tompion* of his lips.—*Observer*, no. 5. (Ord MS.)

Tómrig. *s.* Rude, wild, or wanton girl; tomboy.
The author represents Belinda a fine, modest, well-bred lady; and yet in the very next canto she appears an arrant ramp and *tomrigg*.—*Dennis, On Pope's Rape of the Lock*, p. 16: 1728.

Tomtít. *s.* Titmouse.
You would fancy him a giant when you looked upon him, and a *tomtit* when you shut your eyes.—*Spectator.*

Ton. *s.* [Fr. *tonne.*]

1. Weight equal to twenty hundredweight: (the *long* ton being twenty-one hundredweight).
2. Measure of two hundred and fifty-two gallons. See Tun.
3. In *Navigation.* Forty-two cubic feet.
   Spain was very weak at home, or very slow to move, when they suffered a small fleet of English to fire, sink, and carry away ten thousand *ton* of their great shipping.—*Bacon.*

Ton. *s.* [Fr.] Prevailing fashion.
If things of *ton* their harmless lays indite,
Most wisely doom'd to shun the public sight,
What harm? In spite of every critic elf,
Sir T. may read his stanzas to himself.
Byron, English Bards and Scotch Reviewers.

Tonálity. *s.* In *Music.* See extract.
Tonality, [a] rather vague word, is used generally to denote that peculiarity which modern music possesses in consequence of its being written in definite keys, thereby conforming to certain defined arrangements of tones and semitones in the diatonic scale. —*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tone. *s.* One. *Obsolete.*
He abused . . . the anger and ygnoraunce of the *tone* partie to the destruction of the *tother*.—*Sir T. More.*

Tone. *s.* [Fr. *ton*; Lat. *tonus*; Gr. τόνος, from root of τείνω = stretch.]

1. Note; sound.
   Sounds called *tones* are ever equal.—*Bacon, Natural and Experimental History.*
   The strength of a voice or sound makes a difference in the loudness or the softness, but not in the *tone*. —*Ibid.*
   In their motions harmony divine
   So smooths her charming *tones*, that God's own ear
   Listens delighted. *Milton, Paradise Lost*, v. 625.
2. Accent; sound of the voice.
   Palamon replies;
   Eager his *tone*, and ardent were his eyes.
   Dryden, Palamon and Arcite, i. 282.
   The Chinese language is like no other on the globe; it is said to contain not more than about 330 words, but it is by no means monotonous, for it has four accents, and even, the raised, the lessened, and the returning, which multiply every word into four; as difficult, says Mr. Astle, for an European to understand, as it is for a Chinese to comprehend the six pronunciations of the French E. In fact they can so diversify their monosyllabic words by the different *tones* which they give them, that the same character differently accented signifies sometimes ten or more different things.—*I. Disraeli, Curiosities of Literature, The Chinese Language.*
   He was the son of Apollonius, an author who had written largely on rhetoric and grammar, particularly on the dialects, *tones*, and accents.—*Sharpe, History of Egypt*, ch. xiv.
3. Whine; mournful cry.
   Made children, with your *tones*, to run for 't,
   As bad as Bloody-bones, or Lunsford.
   Butler, Hudibras, iii. 2, 1111.
4. Particular or affected sound in speaking.
   To avoid all kinds of unnatural and disagreeable *tones*, the only rule is to endeavour to speak with the same ease and freedom as you would on the same subject in private conversation. you hear nobody converse in a *tone*, unless they have the brogue of some other country, or have got into a habit of altering the natural key of their voice when they are talking of some serious subject in religion.—*Mason, Three Essays on English Church Music.* (Ord MS.)
5. Elasticity; power of extension and contraction.
   Drinking too great quantities of this decoction may weaken the *tone* of the stomach.—*Arbuthnot.*
6. Character.
   They knew by sure prognostics seen on high,
   The future *tone* and temper of the sky;
   But, grave dissemblers! could not understand
   That Sin let loose speaks Punishment at hand.
   Cowper, Expostulation.

Tone. *v. a.* Utter in affected tone; entone.

Tóned. *part. adj.* Having tone.
An animal ovation! such as holds
No commerce with our reason, but subsists
On juices, through the well *toned* tubes well strain'd.
Young, Night Thoughts.

Tong. *s.* [A.S.] Instrument, or, as the word is generally plural, pair of *tongs*, by which anything (e.g. coals in the fire) is either entirely or partly taken hold of.
Another did the dying brands repair
With iron *tongs*, and sprinkled oft the same
With liquid waves. *Spenser.*
They turn the glowing mass with crooked *tongs*;
The fiery work proceeds.
Dryden, Translation of the Æneid, viii. 595.
Get a pair of *tongs* like a smith's *tongs*, stronger and toothed.—*Mortimer, Husbandry.*

? The *tongue* (tong) of a buckle.
Their hilts were burnish'd gold, and handle strong
Of mother pearl, and buckled with a golden *tong*.
Spenser.

Tongue. *s.* [A.S. *tunga.*]

1. Organ of speech.
   My conscience hath a thousand several *tongues*,
   And every *tongue* brings in a sev'ral tale,
   And every tale condemns me for a villain.
   Shakespear, Richard III. v. 3.
2. Speech; fluency of words.
   Much *tongue* and much judgment seldom go together; for talking and thinking are two quite differing faculties.—*Sir R. L'Estrange.*
3. Speech, as well or ill used.
   So brave a knight was Tydeus, of whom a sonne is sprong,
   Inferiour farre in martiall deeds, though higher in his *tongue*.
   Chapman, Translation of the Iliad.
   Give me thy hand; I am sorry I beat thee; but, while thou livest, keep a good *tongue* in thy head.—*Shakespear, Tempest*, iii. 2.
   On evil days though fallen and evil *tongues*.
   Milton, Paradise Lost, vii. 36.
4. Language.
   The Lord shall bring a nation against thee from far, from the end of the earth, as swift as an eagle flieth; a nation whose *tongue* thou shalt not understand.—*Deuteronomy*, xxviii. 49.
5. Nation distinguished by their language.
   Every kindred, and *tongue*, and people, and nation. *Revelation*, v. 9.

Used *adjectivally.*
First in the council-hall to steer the state,
And ever foremost in a *tongue* debate.
Dryden, Translation of the Æneid, xi, 587.

As the *first element* in a *compound.*
My ears still ring with noise, I'm vext to death,
Tongue-kill'd, and have not yet recover'd breath.
Dryden, Aurengzebe, ii. 1.
Tongue-valiant hero, vaunter of thy might,
In threats the foremost; but the lag in fight.
Id., Translation of the First Book of the Iliad, 336.

Hold the tongue. Be silent.
'Tis seldom seen that senators so young
Know when to speak, and when to *hold their tongue*.
Dryden, Translation of Persius, iv. 11.
Whilst I live I must not *hold my tongue*,
And languish out old age in his displeasure.
Addison, Cato.

Tongue. *v. a.* Chide; reproach; accuse. *Rare.*
But that her tender shame
Will not proclaim against her maiden loss,
How might she *tongue* me!
Shakespear, Measure for Measure, iv. 3.

Tongue. *v. n.* Talk; prate.
'Tis still a dream; or else such stuff, as madmen
Tongue, and brain not. *Shakespear, Cymbeline*, v. 4.
Let his clack be set a-going, and he shall *tongue* it as impetuously as the arrantest hero of the play. —*Dryden, Grounds of Criticism.*

Tóngued. *adj.* Having a tongue.
Tongued like the night-crow. *Donne*

Tóngueless. *adj.*

1. Wanting a tongue; speechless.
   What *tongueless* blocks were they! would they not speak? *Shakespear, Richard III.* iii. 7.
   Our grave,
   Like Turkish mute, shall have a *tongueless* mouth.
   Id., Henry V. i. 1.
   That blood, like sacrificing Abel's, cries
   Even from the *tongueless* caverns of the earth,
   To me, for justice. *Id., Richard II.* i. 1.
   The *tongueless* caverns of the craggy hills
   Cried 'Misery!' *Shelley, Prometheus Unbound.*
2. Unnamed; not spoken of.
   One good deed, dying *tongueless*,
   Slaughters a thousand waiting upon that.
   Shakespear, Winter's Tale, i. 2

Tónguepad. *s.* Great talker. *Obsolete.*
She who was a celebrated wit at London is, in that dull part of the world, called a *tonguepad*.—*Tatler.*

Tónguetie. *v. a.* Render unable to speak.
That extreme modesty and bashfulness which ordinarily *tongueties* us all in good company.— *Goodman, Winter Evening Conference*, pt. i.

Tónguetied. *adj.* or *part. adj.*

1. Having an impediment of speech.
   Those who have short tongues, or are *tonguetied*, are apt to fall short of the appulse of the tongue to the teeth, and oftener place it on the gums, and say t and d instead of th and dh; as moder for mother. —*Holder, Elements of Speech.*
2. Unable to speak freely, from whatever cause.
   Love, and *tonguetied* simplicity,
   In least speak most to my capacity.
   Shakespear, Midsummer-Night's Dream, v. 1
   He spared the blushes of the *tonguetied* dame.
   Tickell.
   I am *tonguetied*—'tis damned hard I can only preach in my own pulpit.—*J. Morton, Secrets worth knowing*, iii. 4.
   I could not understand what it was that had hitherto kept me *tonguetied* with respect to Emma, a being I loved by stealth, as far as my own parent was concerned.—*Theodore Hook, Gilbert Gurney*, vol. i. ch. vi.

Tónic. *s.* [see Tone.]

1. In *Medicine.* Drug or preparation administered to strengthen or give tone to the system.
2. In *Music.* Note on which the diatonic scale is formed; keynote.

Tónic. *adj.*

1. Being extended; being elastic.
   They [the muscles] can readily perform whatso-

ever motion the organ is capable of; ... pronation, supination, the *tonick* motion, &c.—*Smith, Portrait of Old Age*, p. 62.

2. In *Medicine.* See extract.

There are two sorts of spasm, one of these is marked by a long-continued contraction of the affected muscles, not rapidly alternating with relaxation; the relaxation taking place slowly, after some time, and then perhaps the contraction after another interval coming on again. This is called *tonic* spasm; and by Cullen spastic rigidity. A very familiar example of it is the common cramp of the leg. In the other form of spasm, the contractions of the affected muscles take place repeatedly, forcibly, and in quick succession; and the relaxation is, of course, as sudden and frequent. This has been named atonic spasm. ... I propose, first of all, to consider one of the most formidable and worst of these spasmodic diseases, viz., *tetanus*, of which *tonic* spasm is essentially characteristic. Its name is derived from τείνω, to stretch. ... *Tetanus* then is characterised by an involuntary, long-continued, violent, and painful contraction; in one word, by cramp, of the voluntary muscles of various parts, or of nearly the whole body. ... In four cases, perhaps, out of five, the disease begins in this way with *trismus* of locked jaw, so that this last is the vulgar name for the complaint ... *tetanic* symptoms occur at no fixed period after the reception of the injury.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lecture xxxii.

3. Relating to tones or sounds.

To the judicious performance upon this solemn instrument, [the organ,] my observations now naturally recur. In point of *tonic* power, I presume it will be allowed preferable to all others.—*Mason, Three Essays on Church Musick*, p. 42.

Tónical. *adj.* Tonic.

Station is no rest, but one kind of motion relating unto that which physicians, from Galen, do name extensive or *tonical*.—*Sir T. Browne, Vulgar Errours.*

Tonícity. *s.* In *Physiology.* See extract.

There is a particular condition or state of slight tension of healthy muscles, which, beyond their mere elasticity, accounts for their retraction when they are cut across, and which is named their *tonicity* or tonic state. It is persistent only so long as they are healthy and remain in connection with the nerves and nervous centres; for, if the nerves are cut, or the nervous centres in connection with them are destroyed, the muscles lose their tone and become flaccid. It is this property continually in action which serves more than the elasticity ... to keep antagonistic muscles in a due state of equilibrium, in varying positions of the limb; it seems also to be by a powerfully exercised *tonicity*, that sphincter muscles, like that placed round the outlet of the alimentary canal, are kept contracted.—*Marshall, Outlines of Physiology, Human and Comparative*, vol. i. p. 162: 1867.

Tóning. *verbal abs.* Entoning.

Shutting the eyes, distorting the face, and speaking through the nose, cannot so properly be called preaching, as *toning* of a sermon.—*South, Sermons.*

Tónka-bean. *s.* [*Tonquin* bean, from the country of its production.] Fruit of the Dipteryx odorata, used for scenting snuff.

The *Tonka-bean* ... affords a concrete, crystalline, volatile oil, called coumarine by the French.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tónnage. *s.* Custom or impost due for merchandise brought or carried in tons from or to other nations, after a certain rate in every ton.

Tonnage and poundage upon merchandizes were collected, refused to be settled by act of parliament.—*Lord Clarendon, History of the Grand Rebellion.*

The 'droits du port' consist of anchorage, paid by all vessels in proportion to their *tonnage*, when they enter the harbours of Nice and Villa Franca.—*Smollett, Travels*, letter xxi. (Ord MS.)

At the opposite end of the bay lies, sheltered by Berry Head, the stirring market town of Brixham, the wealthiest seat of our fishing trade. A pier and a haven were formed there at the beginning of the present century, but have been found insufficient for the increasing traffic. The population is about six thousand souls. The shipping amounts to more than two hundred sail. The *tonnage* exceeds many times the *tonnage* of the port of Liverpool under the kings of the House of Stuart.—*Macaulay, History of England*, ch. ix.

Tónsil. *s.* [Fr. *tonsille*; Lat. *tonsillæ*.] In *Anatomy.* See extract.

Tonsils or almonds are two round glands placed on the sides of the basis of the tongue, under the common membrane of the fauces, with which they are covered; each of them hath a large oval sinus, which opens into the fauces, and in it there are a great number of lesser ones, which discharge themselves, through the great sinus, of a mucous and slippery matter, into the fauces, larynx, and œsophagus, for the moistening and lubricating these parts.—*Quincy.*

Tónsile. *adj.* [Lat. *tonsilis*.] Capable of being, fit to be, clipped.

On the green,
Broider'd with crisped knots, the *tonsile* yews
Wither and fall. *Mason, English Garden*, b. ii.
Hence the sidelong walls
Of shaven yew; the holly's prickly arms
Trimmed into light arcades; the *tonsile* box
Wove, in mosaic mode of many a curl,
Around the figured carpet of the lawn.
Ibid., b. i. p. 339.

Tónsure. *s.* [Fr.; Lat. *tonsura*.] Act of clipping the hair; state of being shorn: (especially as a member of the clerical order).

The vestals, after having received the *tonsure*, suffered their hair to come again, being here full grown, and gathered under the veil.—*Addison.*

Few are born with more flattering hopes than was Scarron. His father, a counsellor with an income of 25,000 livres, married a second wife, and the lively Scarron soon became the object of her hatred. He studied, and travelled, and took the clerical *tonsure*; but discovered dispositions more suitable to the pleasures of his age than to the gravity of his profession.—*I. Disraeli, Curiosities of Literature, Scarron.*

This is not improbable, as in Rome he was very partial to the Egyptian superstitions, and he had adopted the *tonsure*, and had his head shaven like a priest of Isis, that he might more properly carry an Anubis-staff in the sacred processions.—*Sharpe, History of Egypt*, ch. xiv.

Tontíne. *s.* Insurances, named after Tonti, an Italian, who first expounded and promulgated the principle whereby the premiums paid by a large body of life-assurers become the property of either the last survivor, or of a fixed number of the survivors.

'I am going out with an appointment under government, if I can escape the devils of fellows who are after me.' 'I hope it is a good office you have got,' said I. 'Tolerable,' said Daly, 'they have given me the deputy-secretaryship at Sierra Leone.' 'Oh!' said I. 'I know what you mean,' said Daly, 'but what could I do?—it is a fine settlement for patronage; and if men succeed to death-vacancies, as they do in the army, I have a good chance. It is a sort of *Tontine* colony—all for the benefit of survivors.' 'I am sure I sincerely wish you may have your health.'—*Theodore Hook, Gilbert Gurney*, vol. iii. ch. v.

Tóny. *s.* [corruption of *Antony*.] Simpleton: (a *ludicrous* word).

A companion fit
For all the keeping *tonies* of the pit. *Dryden.*

When a man plays the fool or the extravagant, presently he 's a *tony*. Who drew this or that ridiculous piece? *tony*. Such or such a one was never well taught: No, he had a *tony* to his master.—*Sir R. L'Estrange, Translation of Quevedo.*

Too. *adv.* [A.S. *to*.]

1. Over and above; overmuch; more than enough: (it is used to augment the signification of an adjective or adverb to a vicious degree).

Your father's rough and stern,
His will *too* strong to bend, *too* proud to learn.
Cowley.

Groundless prejudices and weaknesses of conscience, instead of tenderness, mislead *too* many others, *too* many, otherwise good men.—*Bishop Sprat, Sermons.*

It is *too* much to build a doctrine of so mighty consequence upon so obscure a place of Scripture.—*Locke.*

These ridiculous stories abide with us *too* long, and *too* far influence the weaker part of mankind.—*Watts.*

2. Doubled for the sake of emphasis. *Rhetorical.*

Oh, that this *too too* solid flesh would melt!
Shakespear, Hamlet, i. 2.
Sometimes it would be full, and then
Oh! *too too* soon, decrease again;
Eclipsed sometimes, that 't wou'd so fall,
There would appear no hope at all.
Sir J. Suckling.

3. Likewise; also; besides; in addition; over and above.

See what a scourge is laid upon your hate;
And I, for winking at your discords *too*,
Have lost a brace of kinsmen.
Shakespear, Romeo and Juliet, v. 3.
Let on my cup no wars be found,
Lest those incite to quarrels *too*,
Which wine itself enough can do. *Oldham.*

The arriving to such a disposition of mind as shall make a man take pleasure in other men's sins, is evident from the text and from experience *too*.—*South, Sermons.*

It is better than letting our trade fall for want of current pledges, and better *too* than borrowing money of our neighbours.—*Locke.*

An honest courtier, yet a patriot *too*.
Pope, Epitaph on Sir W. Trumbull.

Tool. *s.* [A.S. *tol, tool*.]

1. Any instrument of manual operation.

In mulberries the *sap* is towards the bark *only*, into which if you cut a little it will come forth; but if you pierce it deeper with a *tool* it will be dry.—*Bacon.*

They found in many of their mines more gold than earth; a metal, which the Americans not regarding, greedily exchanged for hammers, knives, axes, and the like *tools* of iron.—*Heylin.*

Arm'd with such gardening *tools* as art, yet rude,
Guiltless of fire, had form'd.
Milton, Paradise Lost, ix. 391.

The ancients had some secret to harden the edges of their *tools*.—*Addison.*

2. Hireling; one who acts at the command of another; mere instrument for executing, or fulfilling, the plans and machinations of another: (in a *bad* sense).

He'd choose
To talk with wits in dirty shoes;
And scorn the *tools* with stars and garters,
So often seen caressing Chartres. *Swift.*

If there be any *tool* of administration daring enough to deny these facts, or shameless enough to defend the conduct of the ministry, let him come forward. I care not under what title he appears. He shall find me ready to maintain the truth of my narrative, and the justice of my observations upon it, at the hazard of my utmost credit with the public.—*Letters of Junius*, letter xliv.

His sister has sought to know me; I will give her the occasion. I have heard some things of her in my last residence abroad, which make me believe that she cannot be wholly the Count's *tool* in any schemes nakedly villanous; that she has some finer qualities in her than I once supposed; and that she can be won from his influence.—*Lord Lytton, My Novel*, b. x. ch. v.

A *tool* of the government, by giving a bribe to the printer, procured a copy of this trash [Wilkes's Essay on Woman], and placed it in the hands of the ministers.—*Macaulay, Critical and Historical Essays, Earl of Chatham.*

Toot. *v. n.* [Dutch, *tuyten*, *toeten* = sound a horn, whisper in the ear.] See extract.

1. Pry; peep; search narrowly and slily; look about.

Peepyng, *tootyng*, and gasyng at that thing, whiche the priest held up in his hands.—*Archbishop Cranmer, Defence of the Sacrament*, fol. 101. a.

I cast to go a shooting,
Long wand'ring up and down the land,
With bow and bolts on either hand,
For birds in bushes *tooting*.
Spenser, Shepherd's Calendar.

Of this word, in this sense, I know not the derivation: perhaps *totan*, Saxon, contracted from *towitan*, to know or examine. (Dr. Johnson.) Mr. Mason objects to this, and gives *to-tean*, to attract, as the origin; supporting it by a remark, that tradesmen at Tunbridge Wells, meeting company on their way thither, to solicit their custom, were called *tooters*. Pegge has made a similar remark upon this mode of solicitation; to which he prefixes an observation, that sown peas or beans, when they first appear above ground, are said, in Derbyshire, to *toot*; and to *tout*, in the canting dictionary, signifies to *look up sharp*. (Anonymiana, vii. 64.) Mr. Mason's *to-tean*, to attract, has however no connection with our old word *toot*: nor perhaps has Dr. Johnson's *towitan*. But it may surely be referred to the Saxon *totian*, 'eminere tanquam cornu in fronte,' as indeed Mr. Mason has referred it, forgetting what he had said of *toot*, under the verb *tote* in his Supplement, which is the very word before us in its ancient orthography.—*Todd.*

2. Making a noise as that of a pipe or flute.

Toting and piping upon the destroyed organ pipes.—*Bishop Hall, Specialties of his Life.*

That wiseacre deserves of all other to wear a *toting* horn.—*Howell, Letters*, iv. 7.

3. Stand out; be prominent.

Though perhaps he had never a shirt to his back, yet he would have a *toting* huge swelling ruff about his neck.—*Howell, Letters*, i. 3, 32.

Toot. *v. a.*

1. Look into; see.

2. Sound.

Jockie, say what might he be
That sits on yonder hill,
And *tooteth* out his notes of glee?
W. Browne, Shepherd's Pipe.

Toóter. *s.* One who plays on a pipe or horn.

Come, father Rosin, with your fiddle now,
And two tall *toters*: Flourish to the masque.
B. Jonson, Tale of a Tub.

Tooth. *s.* pl. *teeth.* [A.S. *toð.*]

1. In *Anatomy.* One of a series of organs, generally more or less bony, for the purpose of biting, chewing, or otherwise comminuting food.

Avaunt, you curs!
Be thy mouth or black or white,
Tooth that poisons if it bite.
Shakespear, King Lear, iii. 6.

Desert deserves with characters of brass
A forted residence 'gainst the *tooth* of time,
And razure of oblivion.
Id., Measure for Measure, v. 1.

The *teeth* alone among the bones continue to grow in length during a man's whole life, as appears by the unsightly length of one *tooth* when its opposite happens to be pulled out.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

The *teeth* are the hardest and smoothest bones of the body; about the seventh or eighth month they begin to pierce the edge of the jaw: the 'dentes incisivi,' or fore *teeth* of the upper jaw, appear first, and then those of the lower jaw: after them come out the 'canini' or eye *teeth,* and last of all the 'molares' or grinders: about the seventh year they are thrust out by new *teeth,* and if these *teeth* be lost they never grow again; but some have shed their *teeth* twice: about the one-and-twentieth year the two last of the 'molares' spring up, and they are called 'dentes sapientiæ.'—*Quincy.*

2. Taste; palate.

These are not dishes for thy dainty *tooth*;
What, hast thou got an ulcer in thy mouth?
Why stand'st thou picking?
Dryden, Translation of Persius, iii. 224.

A wanton *tooth* is the harbinger to luxurious wantonness.—*Bishop Hall, Ely and his Sonnes.* (Ord MS.)

Hee that makes himselfe a servant to his *tooth,* shall easily become a slave to all inordinate affections.—*Ibid.* (Ord MS.)

3. Tine, prong, or blade, of any multifid instrument.

The priest's servant came while the flesh was in seething, with a flesh-hook of three *teeth.*—*1 Samuel,* ii. 13.

I made an instrument in fashion of a comb, whose *teeth,* being in number sixteen, were about an inch and an half broad, and the intervals of the *teeth* about two inches wide.—*Sir I. Newton, On Opticks.*

4. Prominent part of wheels, by which they catch upon correspondent parts of other bodies.

The edge whereon the *teeth* are is always made thicker than the back, because the back follows the edge.—*Moxon, Mechanical Exercises.*

In clocks, though the screws and *teeth* be never so smooth, yet if they be not oiled will hardly move, though you clog them with never so much weight; but apply a little oil, they whirl about very swiftly with the tenth part of the force.—*Ray.*

Tooth and nail. With one's utmost violence; with every means of attack or defence.

In their myters they beare the fygure of both testaments, whose veritie they impugne with *tooth and nail.*—*Bale, On the Revelations,* pt. ii. e. viii.: 1550.

A lion and bear were at *tooth and nail* which should carry off a fawn.—*Sir R. L'Estrange.*

To the teeth. In open opposition.

It warms the very sickness in my heart,
That I shall live and tell him *to his teeth,*
Thus diddest thou. *Shakespear, Hamlet,* iv. 7.

The action lies
In his true nature, and we ourselves compell'd,
Ev'n *to the teeth* and forehead of our faults,
To give in evidence. *Ibid.* iii. 3.

The way to our horses lies back again by the house, and then we shall meet 'em full *in the teeth.*—*Dryden, Don Sebastian,* iv. 2.

Cast'in the teeth. Insult by open exprobration.

A wise body's part it were not to put out his fire, because his fond and foolish neighbour, from whom he borrowed wherewith to kindle it, might *cast* him therewith *in the teeth,* saying, Were it not for me thou would'st freeze, and not be able to heat thyself.—*Hooker, Ecclesiastical Polity.*

In spite of the teeth. Notwithstanding threats expressed by showing teeth; notwithstanding any power of injury or defence.

The guiltiness of my mind drove the grossness of the foppery into a received belief, *in despite of the teeth* of all rhime and reason, that they were fairies.—*Shakespear, Merry Wives of Windsor,* v. 5.

The only way is not to grumble at the lot they must bear *in spite of their teeth.*—*Sir R. L'Estrange.*

Show the teeth. Threaten: (*to shew the teeth without biting* is to threaten without making the threat good).

When the law *shews her teeth,* but dares not bite,
And South-Sea treasures are not brought to light.
Young, Love of Fame, i. 17.

Tooth. *v. a.*

1. Furnish with teeth; indent.

Then saws were *tooth'd,* and sounding axes made.
Dryden, Translation of the Georgics, i. 215.

The point hooked down like that of an eagle; and both the edges *toothed,* as in the Indian crow.—*Grew, Museum.*

Get a pair of tongs like a smith's tongs, stronger and *toothed* at the end.—*Mortimer, Husbandry.*

2. Lock in each other.

It is common to *tooth* in the stretching course two inches with the stretcher only.—*Moxon, Mechanical Exercises.*

Toóthache. *s.* Pain in the teeth.

There never yet was the philosopher
That could endure the *toothache* patiently,
However at their ease they talk'd like gods.
Shakespear, Much Ado about Nothing, v. 1.

I have the *toothache.*—What sigh for the *toothache!* which is but an humour or a worm.—*Ibid.* iii. 2.

He that sleeps feels not the *toothache.*—*Id., Cymbeline,* v. 4.

One was grown desperate with the *toothache.*—*Sir W. Temple.*

Neuralgic affections were confounded by the ancient and other writers with *toothache,* rheumatism, gout, &c. . . . The third form of *toothache* is the nervous, or neuralgia of the nerves supplying the teeth and independent of inflammation or caries of a tooth.—*Copland, Dictionary of Practical Medicine.*

Toóthdrawer. *s.* One whose business is to extract painful teeth.

Nature with Scots, as *toothdrawers,* hath dealt,
Who use to string their teeth upon their belt.
Cleaveland, The Rebel Scot.

When the teeth are to be dislocated, a *toothdrawer* is consulted.—*Wiseman, Surgery.*

Toóthed. *adj.*

1. Having teeth.
2. Sharp like a tooth.

So I charm'd their ears,
That calf-like, they my lowing follow'd, through
Tooth'd briers, sharp furzes, pricking goss, and thorns. *Shakespear, Tempest,* iv. 1.

Toóthful. *adj.* Toothsome. *Rare.*

What dainty relish on my tongue
This fruit hath left! some angel hath me fed:
If so *toothful,* I will be banqueted.
Massinger, Virgin Martyr.

Toóthless. *adj.* Wanting teeth; deprived of teeth.

Deep-dinted wrinkles on her cheek she draws,
Sunk are her eyes, and *toothless* are her jaws.
Dryden, Translation of the Æneid, vii. 585.

They are fed with flesh minced small, having not only a sharp head and snout, but a narrow and *toothless* snout.—*Ray.*

The sceptred wretch then from that solitude
I drew, and of his change compassionate,
With words of sadness soothed his rugged mood.
But he, while pride and fear held deep debate,
With sullen guile of ill-dissembled hate
Glared on me as a *toothless* snake might glare.
Shelley, Revolt of Islam, v. 25.

Toóthpick. *s.* Instrument for picking the teeth (i.e. for clearing off the adherent remains of anything masticated).

He and his *toothpick* at my worship's mess.
Shakespear, King John, i. 1.

Preserve my woods, whereof, if this course hold, there will hardly be found in some places enough to make a *toothpick.*—*Howell, England's Tears.*

If *toothpicks* of the lentisc be wanting, of a quill then make a *toothpick.*—*Sandys.*

Enough, mad rhyming sot, enough for shame,
Give o'er, and all thy quills to *tooth-picks* damn.
Oldham.

You always see him with a cane dangling at his button, his breast open, no gloves, one eye tuck'd under his hat, and a *tooth-pick.* Startup, that's his name.—*Cibber, The Careless Husband.*

Toóthpicker. *s.* Toothpick.

I'll fetch you a *toothpicker* from the farthest inch of Asia.—*Shakespear, Much Ado about Nothing,* ii. 1.

Lentisc is a beautiful evergreen, and makes the best *toothpickers.*—*Mortimer, Husbandry.*

Toóthsome. *adj.* Palatable; pleasing to the taste.

Some are good to be eaten while young, but nothing *toothsome* as they grow old.—*Carew.*

Toóthwort. *s.* In *Botany.* Native parasitic plant, akin to the broomrapes, of the genus Lathræa (squamaria).

Toothwort . . . is furnished with white fleshy scales in the place of leaves.—*C. W. Johnson, Farmer's Cyclopædia.*

Toóthy. *adj.* Toothed; having teeth. *Rare.*

The woof and warp unite press'd by the *toothy* slay. *Croxall, Translation from Ovid's Metamorphoses,* b. vi.

Top. *s.* [Dutch.] Inverted conoid which children set to turn on the point, continuing its motion with a whip.

Since I pluckt geese, play'd truant, and whipt *top,* I knew not what it was to be beaten till lately.—*Shakespear, Merry Wives of Windsor,* v. 1.

For as whipp'd *tops,* and bandied balls,
The learned hold, are animals:
So horses they affirm to be
Mere engines made by geometry.
Butler, Hudibras, i, 2, 55.

As young striplings whip the *top* for sport
On the smooth pavement of an empty court,
The wooden engine flies and whirls about,
Admired with clamours of the beardless rout.
Dryden, Translation of the Æneid, vii. 528.

Still humming on their drowsy course they keep,
And lash'd so long, like *tops,* are lash'd asleep.
Pope, Essay on Criticism, iii. 600.

Top. *s.* [Norse, *topr.*]

1. Highest part of anything.

[He] wears upon his baby brow the round
And *top* of sovereignty. *Shakespear, Macbeth,* iv. 1.

Here Sodom's towers raised their proud *tops* on high,
The tow'rs as well as men outbrave the sky.
Cowley.

Thou
Nor of the muses nine, nor on the *top*
Of old Olympus dwell'st.
Milton, Paradise Lost, vii. 5.

One poor roof, made of poles meeting at the *top,* and covered with the bark of trees.—*Heylin.*

That government which takes in the consent of the greatest number of the people, may justly be said to have the broadest bottom; and if it terminate in the authority of one single person, it may be said to have the narrowest *top,* and so makes the firmest pyramid.—*Sir W. Temple.*

So up the steepy hill with pain
The weighty stone is roll'd in vain;
Which having touch'd the *top* recoils,
And leaves the labourer to renew his toils.
Granville.

2. Surface; superficies.

Plants that draw much nourishment from the earth hurt all things that grow by them, especially such trees as spread their roots near the *top* of the ground.—*Bacon, Natural and Experimental History.*

3. Highest place.

He that will not set himself proudly at the *top* of all things, but will consider the immensity of this fabrick, may think, that in other mansions there may be other and different intelligent beings.—*Locke.*

What must he expect, when he seeks for preferment, but universal opposition, when he is mounting the ladder, and every hand ready to turn him off when he is at the *top?*—*Swift.*

4. Highest person.

How would you be,
If he, which is the *top* of judgment, should
But judge you as you are?
Shakespear, Measure for Measure, ii. 2.

5. Utmost degree.

Zeal being the *top* and perfection of so many religious affections, the causes of it must be most eminent.—*Bishop Sprat.*

If you attain the *top* of your desires in fame, all those who envy you will do you harm; and of those who admire you few will do you good.—*Pope.*

The *top* of my ambition is to contribute to that work.—*Id.*

6. Highest rank.

Take a boy from the *top* of a grammar school, and one of the same age bred in his father's family, and bring them into good company together, and then see which of the two will have the more manly carriage.—*Locke, Thoughts on Education.*

7. Crown of the head.

All the stored vengeances of Heaven fall
On her ingrateful *top!*
Shakespear, King Lear, ii. 4.

'Tis a per'lous boy,
Bold, quick, ingenious, forward, capable;
He's all the mother's from the *top* to toe.
Id., Richard III. iii. 1.

8. Hair on the crown of the head; forelock.

Let's take the instant by the forward *top;*
For we are old, and on our quick'st decrees
The inaudible and noiseless foot of time
Steals, ere we can effect them.
Shakespear, All's well that ends well, v. 3.

9. Topmast.

I should not see the sandy hour-glass run
But I should think of shallows and of flats,
And see my wealthy Andrew dock'd in sand,
Vailing her high *top* lower than her ribs.
Shakespear, Merchant of Venice, i. 1.

10. Head of a plant.
The buds made our food are called heads or *tops*, as cabbage heads.—*Watts, Logick.*

11. Verge. *Rare.*
He expected nothing else but to be partaker of his brother's hard fortune, as undoubtedly he had, had not Ladislaus the young king, upon the sudden, as he was upon the *top* of his marriage with Magdaleine the French king's daughter, by untimely death been taken away.—*Knolles, History of the Turks.*

12. In *Navigation.* Small light platform round the lower masthead.

Top of the tree. High, highest, position in any thing.
'Bring your friend!' cried Mr. Pecksniff, in a gush of hospitality. 'Bring any number of your friends!' 'This ain't the sort of man to be brought,' said Jonas, contemptuously. 'I think I see myself "bringing" him to your house, for a treat! Thank'ee all the same; but he's a little too near the *top of the tree*, for that, Pecksniff.' The good man pricked up his ears; his interest was awakened. A position near the *top of the tree* was greatness, virtue, goodness, sense, genius; or it should rather be said, a dispensation from all, and in itself something immeasurably better than all, with Mr. Pecksniff. A man who was able to look down upon Mr. Pecksniff could not be looked up at, by that gentleman, with too great an amount of deference, or from a position of too much humility.—*Dickens, Martin Chuzzlewit*, ch. xliv.

Used either *adjectivally*, or as the *first element* in a *compound.*
The *top* stones, laid in clay, are kept together.—*Mortimer, Husbandry.*
Miss Mercy inquired what his plans for the future might be; in reply to whom, Mr. Bailey intimated that he thought of going either into *top-boots* or into the army. 'Into the army!' cried the young ladies, with a laugh. 'Ah!' said Bailey, 'why not? There's a many drummers in the Tower. I'm acquainted with 'em. Don't their country set a valley on 'em, mind you! Not at all!' 'You'll be shot, I see,' observed Mercy. 'Well!' cried Mr. Bailey, 'Wot if I am? There's something gamey in it, young ladies, a'nt there? I'd sooner be hit with a cannon-ball than a rolling-pin.'—*Dickens, Martin Chuzzlewit*, ch. xi.
Indeed, so countrified had he become, that the big official letter, containing the appointment which rewarded his apostacy in the Potborough election, found him in *top-boots* beating up a hedge for a hare, with a second-hand single-barrelled Manton and a brown spaniel.—*Hannay, Singleton Fontenoy*, b. ii. ch. i.

Top. *v. n.*

1. Rise aloft; be eminent.
Some of the letters distinguish themselves from the rest, and *top* it over their fellows; these are to be considered as letters and as cyphers.—*Addison, Dialogues on the Usefulness of ancient Medals.*

2. Excel.
But write thy best and *top*, and in each line
Sir Formal's oratory will be thine.
Dryden, Macflecnoe, 167.

Top. *v. a.*

1. Cover on the top; tip; defend or decorate with something extrinsic on the upper part.
The glorious temple rear'd
Her pile, far off appearing like a mount
Of alabaster, *topp'd* with golden spires.
Milton, Paradise Regained, iv. 546.
To him the fairest nymphs do show
Like moving mountains *topt* with snow. *Waller.*
There are other churches in the town, and two or three palaces, which are of a more modern make, and built with a good fancy: I was shown the little Notre Dame; that is handsomely designed, and *topp'd* with a cupola.—*Addison.*
Top the bank with the bottom of the ditch.—*Mortimer, Husbandry.*

2. Rise above.
A gourd planted by a large pine, climbing by the boughs twined about them, till it *topped* and covered the tree.—*Sir R. L'Estrange.*

3. Outgo; surpass.
He's poor in no one fault, but stored with all.—Especially, in pride.—And *topping* all others in boasting.—*Shakespear, Coriolanus.* ii. 1.
So far he *topp'd* my thought,
That I in forgery of shapes and tricks
Come short of what he did. *Id., Hamlet*, iv. 7.
I am, cries the envious, of the same nature with the rest: why then should such a man *top* me? where there is equality of kind, there should be no distinction of privilege.—*Collier.*

4. Crop.
Top your rose trees a little with your knife near a leaf-bud.—*Evelyn, Kalendar.*

5. Rise to the top of.
If aught obstruct thy course, yet stand not still,
But wind about till thou hast *topp'd* the hill.
Sir J. Denham, Of Prudence.

6. Perform eminently: (as, 'He *tops* his part:' this word, in this sense, is seldom used but on light or ludicrous occasions).
Palmer! O Palmer *tops* the janty part.
Churchill, The Rosciad.

Tóp-drèssing. *s.* In *Agriculture.* See extract.
Top-dressing is a term applied to such manures as are laid upon land without being turned in; and also to the practice of dressing the surface of grass-land, or other crops, with some kinds of highly reduced manure, that can be evenly spread out or sown equally over them by the hand. A great variety of substances are in use for this purpose, such as soot, ashes, the dung of pigeons and other birds, rape dust, gypsum.—*C. W. Johnson, Farmer's Cyclopædia.*

Tóp-proud. *adj.* [the *p* double in sound as well as in spelling.] Proud in the highest degree.
This *top-proud* fellow,
Whom ... I do not know
To be corrupt and treasonous.
Shakespear, Henry VIII. i. 1.

Top-sáwyer. *s.* Upper workman in a sawpit; he who saws at the top; chief workman generally.
They have got a *top-sawyer* from London there, who addresses them every evening, and says that we have a right to four shillings a day wages, eight hours work, and two pots of ale.—*B. Disraeli, Sybil*, b. vi. ch. vi.

Tóparch. *s.* [Gr. τόπος = place + ἀρχέω = I govern, rule.] Principal man in a place.
They are not to be conceived potent monarchs, but *toparchs*, or kings of narrow territories.—*Sir T. Browne, Vulgar Errours.*

Tóparchy. *s.* Command in a small district.
Four several kings swaying their ebony sceptres in each *toparchy*.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 22.

Tópaz. *s.* [L.Lat. *topazius*; Fr. *topase*, ? from *Topazos*, an island in the Red Sea, whence the stone was originally procured. ? Connected with *tophus* = gravel, pebble from gravel.] In *Mineralogy.* Silicate of alumina, containing fluorine.
The golden stone is the yellow *topaz*.—*Bacon, Natural and Experimental History.*
Most perfect crystals of *topaz* have been found in Siberia, of green, blue, and white colours, along with beryl, in the Uralian and Altai mountains, as also in Kamschatka; in Brazil, where they generally occur in loose crystals, and pebble forms of bright yellow colours; and in Mucla in Asia Minor, in pale straw-yellow regular crystals. They are also met with in the granitic detritus of Cairngorm in Aberdeenshire. The blue varieties are absurdly called Oriental Aquamarine by lapidaries. If exposed to heat, the Saxon *topaz* loses its colour and becomes white; the deep yellow Brazilian varieties assume a pale pink hue; and are then sometimes mistaken for spinelle, to which, however, they are somewhat inferior in hardness. *Topaz* is also distinguishable by its double refractive property. Tavernier mentions a *topaz*, in the possession of the Great Mogul, which weighed 157 carats, and cost 20,000*l.* sterling. There is a specimen in the Museum of Natural History at Paris, which weighs 4 ounces 2 gros. *Topazes* are not scarce enough to be much valued by the lapidary.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tope. *s.* [?] Shark of the genus Galeus vulgaris; penny dog; miller's dog.
In the *tope*, as well as in most sharks which possess the nictitating eyelid, may be seen the highest stage of vertebral ossification in the Chondropterygian fishes.—*Owen, Lectures on Comparative Anatomy*, lect. iii.

Tope. *v. n.* Drink hard; drink to excess.
If you *tope* in form and treat,
'Tis the sour sauce to the sweet meat,
The fine you pay for being great.
Dryden, Letter to Sir George Etherege.

Tóper. *s.* Drunkard.
But I no *topers* envy; for my mien
Is always gay, and my complexion green.
Cowley Englished.

Tópful. *adj.* Full to the top; full to the brim.
'Tis wonderful
What may be wrought out of their discontent;
Now that their souls are *topful* of offence.
Shakespear, King John, iii. 4.
Till a considerable part of the air was drawn out of the receiver, the tube continued *topful* of water as at first.—*Boyle.*
One was ingenious in his thoughts and bright in his language; but so *topful* of himself, that he let it spill on all the company.—*Watts, On the Improvement of the Mind.*
Fill the largest tankard-cup *topful*.—*Swift, Advice to Servants.*

Topgállant. *s.* Highest sail in a ship: (figuratively applied to anything elevated or splendid).
A rose grew out of another, like honeysuckles, called top and *topgallants*.—*Bacon, Natural and Experimental History.*
Used *adjectivally.*
I dare appeal to the consciences of *topgallant* sparks.—*Sir R. L'Estrange.*

Toph. *s.* See Tuff.
In the construction of this vault, the principle of using freestone for the ribs, and *toph* for the pannels, has not been followed.—*Archæologia*, vol. xvii. p. 80.

Tophàceous. *adj.* Gritty; stony; (applied in *Medicine* to nodes, chiefly of urate of soda, so often seen in the knuckles of gouty people).
Acids mixed with them precipitate a *tophaceous* chalky matter, but not a cheesy substance.—*Arbuthnot.*

Tophéavy. *adj.* Having the upper part too weighty for the lower.
A roof should not be too heavy nor too light; but of the two extremes a house *topheavy* is the worst.—*Sir H. Wotton, Elements of Architecture.*
Topheavy drones, and always looking down,
As over-ballasted within the crown,
Mutt'ring betwixt their lips some mystick thing.
Dryden, Translation of Persius, iii. 149.
As to stiff gales *topheavy* pines bow low
Their heads, and lift them as they cease to blow.
Pope, Dunciad, ii. 391.

Tóphus. *s.* See Tuff.
A native arch she drew
With pumice and light *tofusses*, that grew.
Sandys, Translation of Ovid's Metamorphoses, b. iii.

Tópiary. *adj.* [Lat. *topiarius*; Gr. τοπιαριός.] In *Horticulture.* Shaped by cutting or clipping.
No *topiary* hedge of quickset
Was e'er so neatly cut or thickset. *Butler, Remains.*
Crescentius dilates upon horticulture, and gives a pretty long list of herbs both esculent and medicinal. His notions about the ornamental department are rather beyond what we should expect, and I do not know that his scheme of a flower-garden could be much amended. His general arrangements, which are minutely detailed with evident fondness for the subject, would of course appear too formal at present, yet less so than those of subsequent times; and though acquainted with what is called the *topiary* art, that of training or cutting trees into regular figures, he does not seem to run into its extravagance.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. iv.

Tópic. *s.* [Gr. τοπικός; τόπος = place.]

1. General argument; common-place: (Lat. *locus* = place, as in *locus communis*).
Contumacious persons, who are not to be fixed by any principles, whom no *topics* can work upon.—*Bishop Wilkins.*
I might dilate on the difficulties, the temper of the people, the power, arts, and interest of the contrary party; but those are invidious *topicks*, too green in remembrance.—*Dryden.*
Let them argue over all the *topicks* of divine goodness and human weakness, and whatsoever other pretences sinking sinners catch at to save themselves by, yet how trifling must be their plea.—*South, Sermons.*
The principal branches of preaching are, to tell the people what is their duty, and then convince them that it is so: the *topicks* for both are brought from Scripture and reason.—*Swift.*

2. General head; something to which other things are referred.
All arts and sciences have some general subjects, called *topicks*, or common places; because middle terms are borrowed, and arguments derived from them for the proof of their various propositions.—*Watts, Logick.*

3. Subject of conversation.
They dined and discussed the agricultural interest in all its exhausted ramifications. Wheat was sold over again, even at a higher price; poachers were recalled to life, or from beyond seas, to be re-killed, or re-transported. The poor-laws were a very rich *topic*, and the poor lands a very ruinous one.—*B. Disraeli, The Young Duke*, b. iii. ch. i.

4. In *Surgery.* Local application.
In the cure of strumæ, the *topicks* ought to be discutient.—*Wiseman, Surgery.*

Tópical. *adj.*

1. Relating to some general head.

2. Local; confined to some particular place.
Evidences of fact can be no more than *topical* and probable.—*Sir M. Hale, Origination of Mankind.*
What then shall be rebellion? shall it be more than a *topical* sin, found indeed under some monarchical medicines?—*Holyday.*
3. In *Medicine.* Local.
A woman, with some unusual hemorrhage, is only to be cured by *topical* remedies.—*Arbuthnot.*

Tópically. *adv.* In a topical manner.
This *topically* applied becomes a phænigmus, or rubefying medicine, and is of such fiery parts, that they have of themselves conceived fire and burnt a house.—*Sir T. Browne, Vulgar Errours.*

Tópknot. *s.* Knot worn by women on the top of the head.
This arrogance amounts to the pride of an ass in his trappings; when 'tis but his master's taking away his *topknot* to make an ass of him again.—*Sir R. L'Estrange.*

Tópless. *adj.*
1. Having no top.
Loud Fame calls ye,
Pitch'd on the *topless* Apennine, and blows
To all the under world.
Beaumont and Fletcher, Bonduca.
2. Supreme; sovereign.
Sometime, great Agamemnon,
Thy *topless* deputation he puts on.
Shakespear, Troilus and Cressida, i. 3.
Make their strengths totter, and their *topless* fortunes
Unroot and reel to ruin.
Beaumont and Fletcher, Bonduca.

Tópman. *s.*
1. Top-sawyer.
The pit-saw enters the one end of the stuff, the *topman* at the top, and the pitman under him, the *topman* observing to guide the saw exactly in the line.—*Moxon, Mechanical Exercises.*
2. Sailor who is stationed in the top.

Tópmast. *s.* In *Navigation.* See extract.
The *topmast* [is] the second mast above the deck next the lower mast, main, fore, or mizen.—*Young, Nautical Dictionary.*

Tópmost. *adj.* Uppermost; highest.
A swarm of bees, that cut the liquid sky,
Unknown from whence they took their airy flight,
Upon the *topmost* branch in clouds alight.
Dryden, Translation of the Æneid, vii. 97.
From steep to steep the troops advanced with pain,
In hopes at last the *topmost* cliff to gain;
But still by new ascents the mountain grew,
And a fresh toil presented to their view. *Addison.*
Men piled on men with active leaps arise,
And build the breathing fabrick to the skies;
A sprightly youth above the *topmost* row,
Points the tall pyramid, and crowns the show. *Id.*

Topógrapher. *s.* One who writes descriptions of particular places.
Although one should read all the *topographers* that ever writ of or anatomized a town or country.—*Howell, Instructions for Foreign Travel,* p. 5: 1642.
Giraldus Cambrensis . . . was an historian, an antiquary, a *topographer,* a divine, a philosopher, and a poet.—*T. Warton, Dissertation on the Introduction of Learning,* p. cxxiv.

Topográphic. *adj.* Relating to, constituted by, consisting in, topography.
I may the better present you the *topographic* description of this mighty empire.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia,* p. 58.

Topográphical. *adj.* Topographic.
It were requisite to have a book of the *topographical* description of all places, through which he passeth.—*Howell, Instructions for Foreign Travel,* p. 31.

Topógraphy. *s.* [Gr. τόπος = place + γράφω = I write, describe.]
That philosophy gives the exactest *topography* of the extramundane spaces.—*Glanville, Scepsis Scientifica.*

Tópping. *part. adj.*
1. Fine; noble; gallant: (condemned by Johnson as 'a *low* word').
The *topping* fellow I take to be the ancestor of the fine fellow.—*Tatler.*
2. Predominating; rising aloft.
Those long ridges of lofty and *topping* mountains which run east and west, stop the evagation of the vapours to the north and south in hot countries.—*Derham, Physico-Theology.*
The thoughts of the mind, and powers of the body, are uninterruptedly employed that way by the determinations of the will, influenced by that *topping* uneasiness while it lasts.—*Locke, On Power,* ii. 21, § 38.

Tópping-lift. *s.* In *Navigation.* Tackle for raising the outer end of a gaff or boom.

Tóppingly. *adj.* Fine; gay; gallant; showy. *Rare.*
These *toppinglie* ghests be in number but ten,
As welcome to dairie as beares among men.
Tusser, Five Hundred Points of good Husbandry.

Tópple. *v. n.* Fall forward; tumble down.
Though bladed corn be lodged and trees blown down;
Though castles *topple* on their warders' heads.
Shakespear, Macbeth, iv. 1.
The wisest aunt telling the saddest tale,
Sometime for three-foot stool mistaketh me;
Then slip I from her quite, down *topples* she.
Id., Midsummer-Night's Dream, ii. 1.

Tópple. *v. a.* Throw down.
Unruly wind . . .
Shakes the old beldame earth, and *topples* down
Steeples and moss-grown towers.
Shakespear, Henry IV. Part I. iii. 1.
Alas, my Lord God, how small matters trouble me! every petty occurrence is ready to rob me of my peace, so as, methinks, I am like some little cockboat in a rough sea, which every billow *topples* up and down, and threats to sink! I can chide this weak pusillanimity in myself; but it is thou, Lord, that must redress it.—*Bishop Hall, Breathings of a Devout Soul,* § 34.

Tóppling. *part. adj.* Threatening a fall.
Ye *toppling* crags of ice!
Ye avalanches, whom a breath draws down
In mountainous o'erwhelming, come and crush me!
Byron, Manfred, i. 2.

Tópsail. *s.* Sail between the mainsail and topgallant.
Contarenus meeting with the Turk's gallies, which would not vail their *topsails,* fiercely assailed them.—*Knolles, History of the Turks.*
Strike, strike the *topsail*; let the main-sheet fly,
And furl your sails. *Dryden, Translation from Ovid, Ceyx and Alcyone.*

Topsytúrvy. *adv.* With the bottom upward.
All suddenly was turned *topsyturvy,* the noble lord eftsoons was blamed, the wretched people pitied, and new counsels plotted.—*Spenser, View of the State of Ireland.*
If we without his help can make a head
To push against the kingdom; with his help
We shall o'erturn it *topsyturvy* down.
Shakespear, Henry IV. Part I. iv. 1.
Wave wounded wave again, and billow billow gores,
And *topsyturvy* so fly tumbling to the shores.
Drayton.
God told man what was good, but the devil surnamed it evil, and thereby turned the world *topsyturvy,* and brought a new chaos upon the whole creation.—*South, Sermons.*
Used *adjectivally.*
Man is but a *topsyturvy* creature; his head where his heels should be, grovelling on the earth.—*Swift.*

Toptímbers. *s.* Pieces in the ribs of a ship's side, which are next above the futtocks.

Tor. *s.* Tower; turret.
I visited the *tor,* which is nothing but the steeple of an ancient church.—*Ray, Remains,* p. 259.

Torch. *s.* [Fr. *torche.*] Link; flambeau.
Basilius knew, by the wasting of the *torches,* that the night also was far wasted.—*Sir P. Sidney.*
Here lies the dusky *torch* of Mortimer,
Choaked with ambition of the meaner sort.
Shakespear, Henry VI. Part I. ii. 5.
They light the nuptial *torch,* and bid invoke
Hymen. *Milton, Paradise Lost,* xi. 590.
Never was known a night of such distraction;
Noise so confused and dreadful: *torches* gliding
Like meteors. *Dryden, Spanish Friar,* i. 1.
When men of infamy to grandeur soar,
They light a *torch* to shew their shame the more.
Young, Love of Fame, i. 157.

Tórchbearer. *s.* One whose office is to carry a torch.
He did in a genteel manner chastise their negligence, with making them, for that night, the *torchbearers.*—*Sir P. Sidney.*

Tórcher. *s.* One who gives light. *Rare.*
Ere the horses of the sun shall bring
Their fiery *torcher* his diurnal ring.
Shakespear, All's well that ends well, ii. 1.

Tórchlight. *s.* Light kindled to supply the want of the sun.
When the emperor Charles had clasped Germany almost in his fist, he was forced to go from Isburg, and, as if in a mask, by *torchlight,* to quit every foot he had gotten.—*Bacon.*
If thou like a child didst fear before,
Being in the dark, where thou didst nothing see,
Now I have brought thee *torchlight,* fear no more.
Sir J. Davies, Immortality of the Soul.
Often used *adjectivally*: (as, 'A *torchlight* meeting,' 'a *torchlight* procession').

Tórchwort. *s.* Plant so called, probably the scarlet *lychnis,* λυχνίς being the Greek for *torch,* and the two words being approximate translations of one another.
A stately stalk shot up, of *torchwort* high.
Dr. H. More, Song of the Soul, ii. 59.

Tore. *s.* Dead grass remaining on mowing land in winter and spring.
Proportion according to rowen or *tore* upon the ground; the more *tore* the less hay will do.—*Mortimer, Husbandry.*

Toreumatólogy. *s.* [Gr. τόρευμα = embossed work, work in relief + λόγος = word, principle.] Description, or principles, of carving in bas-relief.

Toreútic. *adj.* [Gr. τορευτικός.] Relating to work in relief.

Torment. *v. a.* [Fr. *tourmenter.*]
1. Put to pain; harass with anguish; excruciate.
Art thou come to *torment* us before the time?—*Matthew,* viii. 29.
I am glad to be constrained to utter what *Torments* me to conceal.
Shakespear, Cymbeline, v. 5.
Evils on me light
At once, by my foreknowledge gaining birth
Abortive, to *torment* me ere their being.
Milton, Paradise Lost, xi. 767.
2. Tease; vex with importunity.
3. Put into great agitation.
Æolus, . . .
Who letting loose the winds, tost and *tormented* th' aire. *Bryskett, Mourning Muse of Thestylis.*
All the loud noises which *torment* the air.
Habington, Castara, p. 153: 1635.
They, soaring on main wing,
Tormented all the air.
Milton, Paradise Lost, vi. 243.

Tórment. *s.* [Fr. *tourment*; Lat. *tormentum.*]
1. Anything that gives pain, as disease.
They brought unto him all sick persons that were taken with divers diseases and *torments,* and he healed them.—*Matthew,* iv. 24.
2. Pain; misery; anguish.
The more I see
Pleasures about me, so much more I feel
Torment within me. *Milton, Paradise Lost,* ix. 119.
3. Penal anguish; torture.
Not sharp revenge, nor hell itself can find
A fiercer *torment* than a guilty mind.
Creech, Translation of Juvenal, xiii. 252.
4. Engine of war to cast stones or darts. *Obsolete.*
All *torments* of war, which we call engines, were first invented by kings or governours of hosts.—*Sir T. Elyot, Governour,* fol. 21.

Tórmentful. *adj.* Causing torment.
Malice, and envy, and revenge, are unjust passions and in what nature soever they are, they are as vexatious and *tormentful* to itself as they are troublesome and mischievous to others.—*Archbishop Tillotson, Sermons.* (Ord MS.)

Tórmentil. *s.* [Fr. *tormentille*; Lat. *tormentilla.*] Native medicinal plant of the genus Potentilla; septfoil.
The root of *tormentil* has been used for tanning of leather, and accounted the best astringent in the whole vegetable kingdom.—*Miller, Gardener's Dictionary.*
Refresh the spirits externally by some epithemata of balm, bugloss, with the powder of the roots of *tormentil.*—*Wiseman, Surgery.*
Tormentil belongs to the natural family Rosaceæ; its active principle is tannic acid.—*Translation,* by *R. Phillips, of the London Pharmacopœia*: 1851.

Tórmenting. *part. adj.* Causing torment.
No sleep close up that deadly eye of thine,
Unless it be while some *tormenting* dream
Affrights thee with a hell of ugly devils.
Shakespear, Richard III. i. 3.
There is a rash which is well known and very *tormenting,* and, therefore, not without interest, though it is almost always without danger. I mean . . . nettlerash.—*Sir T. Watson, Lectures on the Principles and Practice of Physic,* lxxxix.

Tórmentor. *s.* One who, that which, torments.
1. One who torments; one who gives pain.
He called to me for succour, desiring me at least to kill him, to deliver him from those *tormentors.*—*Sir P. Sidney.*
2. One who inflicts penal tortures.
Let his *tormentor,* conscience, find him out.
Milton, Paradise Regained, iv. 130.
Hadst thou full power (rage asks no more) to kill,
Or measure out his torments by thy will;

Yet what could'st thou, *tormentor*, hope to gain?
Thy loss continues unrepaid by pain.
Creech, Translation of Juvenal, xiii. 226.

The commandments of God being conformable to the dictates of right reason, man's judgment condemns him when he violates any of them; and so the sinner becomes his own *tormentor*.—*South, Sermons.*

The ancient martyrs pass through such new inventions and varieties of pain as tired their *tormentors*.—*Addison.*

Tornádo. *s.* [Spanish.] Hurricane; whirlwind.

Nimble coruscations strike the eye,
And bold *tornadoes* bluster in the sky. *Garth.*
Hark! he answers—wild *tornadoes*,
Strewing yonder sea with wrecks,
Wasting towns, plantations, meadows,
Are the voice with which he speaks.
He, foreseeing what vexations
Afric's sons should undergo,
Fix'd their tyrants' habitations
Where his whirlwinds answer—No.
Cowper, The Negro's Complaint.

'One huge motionless cloud' (say of sorrow and indignation) 'girdles our whole horizon; streams up, hairy, copper-edged, over a sky of the colour of lead.' Motionless itself; but 'small clouds' (as exiled Parlements and such like), 'parting from it, fly over the zenith, with the velocity of birds:'—till at last, with one loud howl, the whole four winds be dashed together, and all the world exclaim, There is the *tornado!*—*Carlyle, The French Revolution*, pt. i. b. iii. ch. vii.

Torpédo. *s.*

1. In *Icthyology.* Fish, akin to the rays, from which it is separated by the circular form of the body, and, more especially, by being provided with electric organs.

The *torpedo*, or cramp-fish, came to hand; a fish, if Pliny writes truth, that by hiding itself with mud and dirt catches lesser fish very strangely: for, by his frigidity he benums such fish as swim over or lodge near him, and so preys upon them.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 384.

When the Neapolitan fishermen pull their nets to shore, their first act usually is to wash the fishes by dashing over them bucketfuls of sea-water; and if a *torpedo* be amongst the captured shoal, it makes its presence instantly felt by the shock transmitted to the arm, which is in the act of discharging the bucket. If the fish be handled, the shock is too strong and painful to be willingly encountered a second time, and the arm remains benumbed for some time. Each repetition of the discharge, however, enfeebles its force, and the surface of the fish capable of communicating the shock progressively contracts, as life departs, to the region of the organs themselves. An animal must be in communication with the *torpedo* by two distinct points, in order to receive the shock. If an insulated and prepared frog touches the *torpedo* by the end of a nerve only, no muscular contractions ensue on the discharge of the battery; but a second contact by the end of another nerve, or by a portion of muscle, or any other part of the body, immediately produces them.... The dorsal surface of the electric organ is always positive, the ventral surface negative. The *torpedo* has no power of otherwise directing the electric currents.... The discharge of strong currents is usually accompanied by visible contraction of parts of the body, usually by a retraction of the eyes of the *torpedo*, and one muscle is arranged so as to constrict part of the circumference of each battery; but such consentaneous muscular action, though it may add to the force of the discharge, is not essential to its production. The benumbing effect seems to be produced by the rapid succession of shocks delivered by the recent and vigorous fish. Matteucci ascertained that, during the discharge, the nerves of the organ were not traversed by any electric current.—*Owen, Lectures on Comparative Anatomy.*

2. In *Naval Warfare.* See extract.

Torpedo, in nautical language, [is] the name applied to certain vessels constructed for navigating under water, the power of sustaining life and of moving the structure being derived from compressed air. Various designs of this class have at different times been brought to the test of experiments, but no practical results have hitherto followed.... The word has in recent years been also used to designate certain submerged bombshells, which are placed in the way of ships, to be fired beneath them. They were used during both the Russian and American wars. The *torpedoes* are of two kinds, one self-acting, which is equally dangerous to friend and foe, and presents the especial difficulty that it is no easy matter to fish it up without an explosion; the other class are fired by electricity.... The electric *torpedoes* are of two sorts; one in which two observers, at separate points in the wire circuit connecting the *torpedo* with the electric battery, look along lines intersecting at the machine.... The remaining sort of electric *torpedo* is self-firing.—*Brackenbury*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tórpent. *adj.* [Lat. *torpens, -entis*, pres. part. of *torpeo.*] Benumbed; struck motionless; not active; incapable of motion.

Let the earth be still and stupid;... anon an universal soul flow into this *torpent* mass.—*Dr. H. More, Song of the Soul, Notes*, p. 342: 1647.

A comprehensive expedient to assist the frail and *torpent* memory through so multifarious an employment.—*Evelyn.*

Torpéscent. *adj.* [Lat. *torpescens, -entis*, pres. part. of *torpesco.*] Becoming torpid.

Their *torpescent* soul
Clenches their coin. *Shenstone.*

Tórpid. *adj.* [Lat. *torpidus.*] Numbed; motionless; sluggish; not active.

Without heat all things would be *torpid* and without motion.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Torpídity. *s.* Torpor; state of being torpid.

I requested Mr. Cornish to send up a dozen of bats in their state of *torpidity*.—*Daines Barrington, Essays*, ii.

Sir W. Bellers happened to stop at a fisherman's house in Cornwall, whose net had been much torn by a large clod of earth, which, upon being examined, was very full of swallows, that awaked from their *torpidity* upon being brought near the fire.—*Ibid.* v.

Tórpidness. *s.* Attribute suggested by Torpid.

Though the object about which it is exercised be poor, little, and low, yet a man hath this advantage by the exercise of this faculty about it, that it keeps it from rest and *torpidness*, it enlargeth and habituates it for a due improvement even about nobler objects.—*Sir M. Hale, Origination of Mankind.*

Tórpitude. *s.* State of being motionless; numbness; sluggishness. *Rare.*

Some, in their most perfect state, subsist in a kind of *torpitude* or sleeping state.—*Derham, Physico-Theology.*

Tórpor. *s.* [Lat.] Dulness; numbness; inability to move; dulness of sensation.

Motion discusses the *torpor* of solid bodies, which, beside their motion of gravity, have in them a natural appetite not to move at all.—*Bacon, Natural and Experimental History.*

The captive usurper,
Hurl'd down from his throne,
Lay buried in *torpor*
Forgotten and lone;
I broke through his slumbers,
I shiver'd his chain,
I leagued him with numbers,
He's tyrant again. *Byron, Manfred*, ii. 3.

Torrefáction. *s.* Act of drying by the fire.

Here was not a scorching and blistering, but a vehement and full *torrefaction*.—*Bishop Hall, Remains*, p. 188.

When torrefied sulphur makes bodies black, why does *torrefaction* make sulphur itself black?—*Boyle, Experiments and Considerations touching Colours.*

Tórrefy. *v. a.* [Lat. *torrefacio*, pass. part. *torrefactus; torrefactio, -onis.*] Dry by the fire.

In the sulphur of bodies *torrefied* consist the principles of inflammability.—*Sir T. Browne, Vulgar Errours.*

Divers learned men assign, for the cause of blackness, the sooty steam of adust or *torrefied* sulphur.—*Boyle, Experiments and Considerations touching Colours.*

Torrefied sulphur makes bodies black; I desire to know why torrefaction makes sulphur itself black?—*Ibid.*

Another clyster is composed of two heminæ of white wine, half a hemina of honey, Ægyptian nitre *torrefied* a quadrant.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Tórrent. *s.* [Fr.; Lat. *torrens, -entis.*]

1. Sudden stream raised by showers.

The near in blood
Forsake me like the *torrent* of a flood.
Sandys, Paraphrase of Job.
Will no kind flood, no friendly rain,
Disguise the marshal's plain disgrace?
No *torrents* swell the low Mehayne?
The world will say he durst not pass.
Prior, An English Ballad on the Taking of Namur.

2. Violent and rapid stream; tumultuous current.

Not far from Caucasus are certain steep falling *torrents*, which wash down many grains of gold, as in many other parts of the world; and the people there inhabiting use to set many fleeces of wool in these descents of waters, in which the grains of gold remain, and the water passeth through, which Strabo witnesseth to be true.—*Sir W. Raleigh.*

The memory of those, who, out of duty and conscience, opposed that *torrent* which did overwhelm them should not lose the recompence due to their virtue.—*Lord Clarendon, History of the Grand Rebellion.*

When shrivell'd herbs on withering stems decay,
The wary ploughman, on the mountain's brow,
Undams his wat'ry stores, huge *torrents* flow,
Temp'ring the thirsty fever of the field.
Dryden, Translation of the Georgics, i. 158.

Erasmus, that great injured name...
Stemm'd the wild *torrent* of a barb'rous age.
Pope, Essay on Criticism, iii. 693.

Tórrent. *adj.* Rolling in a rapid stream.

Fierce Phlegethon,
Whose waves of *torrent* fire inflame with rage.
Milton, Paradise Lost, ii. 580.

Tórrid. *adj.* [Fr. *torride*; Lat. *torridus.*]

1. Parched; dried with heat.

Galen's commentators mention a twofold dryness; the one concomitated with a heat which they call a *torrid* tabes; the other with a coldness, when the parts are consumed through extinction of their native heat.—*Harvey, Discourse of Consumptions.*

2. Burning; violently hot.

As a comet, which with *torrid* heat,
And vapours as the Libyan air adust,
Began to parch that temperate clime.
Milton, Paradise Lost, xii. 634.

3. Particularly applied to the regions or zone between the tropics.

Columbus
First found a temperate in a *torrid* zone;
The feverish air fann'd by a cooling breeze. *Dryden.*
Those who amidst the *torrid* regions live,
May they not gales unknown to us receive?
See daily showers rejoice the thirsty earth,
And bless the flowery buds succeeding birth?
Prior, Solomon, i. 268.

Tórsel. *s.* [Fr. *torse.*] Anything in a twisted form. *Rare.*

When you lay any timber on brickwork, as *torsels* for mantle trees to lie on, or lintels over windows, lay them in loam.—*Moxon, Mechanical Exercises.*

Tórsion. *s.* [Lat. *torsio, -onis*; *torsus* and *tortus*; pass. part. of *torqueo* = I twist.] In *Mechanics.* See extract.

The laws of *torsion* have been experimentally investigated by Coulomb in a variety of substances. The method which he employed consisted in attaching a body of given form and dimensions to the extremity of the wire, and, after twisting it through a certain angle, abandoning it to the action of the force evolved, and observing the time of the oscillations. The following general laws were found to hold good:—1. On loading a wire or thread with different weights, it will settle in different positions of stable equilibrium; i.e. an index attached to the weight will point in different directions if the weight be varied, and the angular deviation may amount even to a whole circumference. 2. The oscillations are isochronous. 3. The time of oscillation is proportional to the square root of the weight which stretches the wire. 4. The time of oscillation is as the square root of the length of the wire. 5. The time of oscillation is inversely as the square of the diameter of the wire.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tórso. *s.* [Italian.] In *Sculpture.* Statue of the human figure, in which nothing remains but the trunk: (applied more especially to the famous one of Apollonius, now in the Vatican; and, as such, a *proper*, rather than a *common*, name).

Why such an artist was selected to deface so fine a *Torso*, we cannot pretend to conjecture. We read that, when the Consul Mummius, after the taking of Corinth, was preparing to send to Rome some works of the greatest Grecian sculptors, he told the packers that if they broke his Venus or his Apollo, he would force them to restore the limbs which should be wanting. A head by a hewer of milestones joined to a bosom by Praxiteles would not surprise or shock us more than this supplement.—*Macaulay, Critical and Historical Essays, Sir J. Mackintosh's History of the Revolution.*

Tort. *s.* [Fr.; L.Lat. *tortum.*] Mischief; injury; calamity. *Except as a law term, rhetorical or obsolete.*

Then gan triumphant trumpets sound on high,
That sent to heaven the echoed report
Of their new joy, and happy victory
Against him that had been long opprest with *tort*,
And fast imprisoned in sieged fort. *Spenser.*
He dreadless bad them come to court,
For no wild beasts should do them any *tort*. *Id.*
Your disobedience and ill-managing
Of actions, lost for want of due support,
Refer I justly to a further spring,
Spring of sedition, strife, oppression, *tort*.
Fairfax.

How can any of us see the body of our blessed Saviour broken, and his blood poured out, and withal think and know that his own sins are guilty

of this *tort* offered to the Son of God, the Lord of life, and not feel his heart touched with a sad and passionate apprehension of his own vileness?—*Bishop Hall, Remains*, p. 197.

Tórtion. *s.* Torment; pain. *Rare.*

All purgers have a raw spirit or wind, which is the principal cause of *tortion* in the stomach and belly.—*Bacon.*

Tórtious. *adj.* [*tort.*] Injurious; doing wrong.

Ne ought he cared who he endamaged
By *tortious* wrong, or whom bereaved of right.
Spenser, Faerie Queen.

Tórtive. *adj.* Twisted; wreathed.

Knots by the conflux of meeting sap,
Infect the sound pine, and divert his grain
Tortive and errant from his course of growth.
Shakespear, Troilus and Cressida, i. 3.

Tórtoise. *s.* [Fr. *tortue.*]

1. In *Zoology.* Land species of Chelonian.

In his needy shop a *tortoise* hung.
Shakespear, Romeo and Juliet, v. 1.

A living *tortoise* being turned upon its back, not being able to make use of its paws for the returning of itself, because they could only bend towards the belly, it could help itself only by its neck and head; sometimes one side, sometimes another, by pushing against the ground, to rock itself as in a cradle, to find where the inequality of the ground might permit it to roll its shell.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. Translation of the Latin *testudo*, into which the ancient soldiers used to throw their troops, by bending down and holding their bucklers above their heads so that no missiles could hurt them.

Their targets in a *tortoise* cast, the foes
Secure advancing, to the turrets rose.
Dryden, Translation of the Æneid, ii. 601.

Tórtoise-shell. *s.* Name given to the plates (which are horny rather than shelly) of the sea-turtle, particularly to those of the hawk's-bill turtle (Chelone imbricata).

Tortoise-shell, or rather scales, [is] a horny substance, that covers the hard strong covering of a bony contexture, which encloses the Testudo imbricata. The lamellæ, or plates of this tortoise, are thirteen in number, and may readily be separated from the bony part by placing fire beneath the shell, whereby they start asunder. They vary in thickness from one-eighth to one-quarter of an inch, according to the age and size of the animal, and weigh from five to twenty-five pounds. The larger the animal, the better is the shell. This substance may be softened by the heat of boiling water; and if compressed in this state by screws in iron or brass moulds, it may be bent into any shape.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Tortuósity. *s.*

1. Wreath; flexure.

These the midwife contriveth unto a knot close unto the body of the infant, from whence ensueth that *tortuosity*, or complicated nodosity, called the navel.—*Sir T. Browne, Vulgar Errours.*

Crookedness; depravity.

He discerneth the uprightness of godliness, and the *tortuosity* of wickedness.—*Granger, Commentary on Ecclesiastes*, p. 63: 1621.

Rahel's . . . very mode of writing is complex, nay, is careless, incondite: with dashes and splashes; with notes of admiration, of interrogation (nay, both together sometimes), with involutions, abruptness, whirls, and *tortuosities*; so that even the grammatical meaning is sometimes burdensome to seize.—*Carlyle, Critical and Miscellaneous Essays, Varnhagen von Ense's Memoirs.*

Tórtuous. *adj.* [Fr. *tortueux*; Lat. *tortuosus.*]

Twisted; wreathed; winding.

So varied he, and of his *tortuous* train
Curl'd many a wanton wreath.
Milton, Paradise Lost, ix. 516.

The daylight found its way to the subterranean dungeon only at noon, and through a passage which was purposely made *tortuous*, so as to exclude the rays of the sun, while it presented no obstacle to wind or rain.—*Sir W. Scott, Castle Dangerous*, ch. xiii.

The respiratory organs of the tubicolar anellids are in the form of long, flattened, and sometimes *tortuous*, filaments.—*Owen, Lectures on Comparative Anatomy.*

2. Crooked: (as in '*crooked* policy').

What *tortuous* planets, or malevolent
Conspiring power? *Lodge, Looking-Glasse for England*, sig. E. 4. b.: 1598.

The appearance of the Remarks on Cato gave the irritable poet an opportunity of venting his malice under the show of friendship; and such an opportunity could not but be welcome to a nature which was implacable in enmity, and which always preferred the *tortuous* to the straight path. He published, accordingly, the Narrative of the Frenzy of John Dennis.—*Macaulay, Critical and Historical Essays, Life and Writings of Addison.*

That course became somewhat less *tortuous* when the battle of the Boyne had cowed the spirit of the Jacobites.—*Id., History of England*, ch. xviii.

True it is that his policy was *tortuous* and guilty; but it must be remembered that he had to deal with men as guilty and almost as wily as himself.—*J. H. Jesse, Memoirs of King Richard III.* ch. iii.

Tórture. *s.* [Fr.; Lat. *tortura.*]

1. Torments judicially inflicted; pain by which guilt is punished, or confession extorted.

Hecate, when she gave to rule the woods,
Then led me trembling through those dire abodes,
And taught the *tortures* of th' avenging gods.
Dryden, Translation of the Æneid, vi. 760.

2. Pain; anguish; pang.

Better be with the dead,
Than on the *torture* of the mind to lie
In restless ecstacy. *Shakespear, Macbeth*, iii. 2.

Ghastly spasm or racking *torture.*
Milton, Paradise Lost, xi. 481.

Tórture. *v. a.*

1. Punish with tortures.

Hipparchus, my enfranchised bondman,
He may at pleasure whip, or hang, or *torture.*
Shakespear, Antony and Cleopatra, iii. 11.

2. Vex; excruciate; torment.

Still must I cherish the dear, sad remembrance,
At once to *torture* and to please my soul.
Addison, Cato.

3. Keep on the stretch.

The bow *tortureth* the string continually, and thereby holdeth it in a continual trepidation.—*Bacon, Natural and Experimental History.*

Tórturer. *s.* One who, that which, tortures; tormenter.

I play the *torturer* by small and small,
To lengthen out the worst that must be spoken.
Shakespear, Richard II. iii. 2.

When king Edward the Second was amongst his *torturers*, the more to disgrace his face, they shaved him, and washed him with cold water; the king said, Well, yet I will have warm water, and so shed abundance of tears.—*Bacon, Apophthegms.*

Tórturing. *part. adj.* Causing torture.

The scourge inexorable and the *torturing* hour
Calls us to penance. *Milton, Paradise Lost*, ii. 91.

Tórturingly. *adv.* In a torturing manner; so as to torment or punish.

An host of furies
Could not have baited me more *torturingly.*
Beaumont and Fletcher, Laws of Candy.

Tórturous. *adj.* Tormenting; occasioning torture.

Sad melancholy, like the drowned earth, lies at the bottom; whence care, and grief, and discontent, *torturous* suspicion, and horrid fear, are washed up by the unquiet watery desire.—*Dr. H. More, Conjectura Cabbalistica*, p. 196: 1653.

Therefore they make the admission *torturous*, take time in the initiation, set a seal on the tongue, and instruct the Epoptæ for five years, to raise a high opinion of them by delay and expectation.—*Bishop Lavington, Enthusiasm of Methodists and Papists compared*, pt. iii. p. 330.

Tórvous. *adj.* [Lat. *torvus.*] Sour of aspect; stern; severe of countenance. *Rare.*

That *torvous* sour look produced by anger, and that gay and pleasing countenance accompanying love.—*Derham, Physico-Theology.*

Tóry. *s.* In *Politics.* See extracts from Echard, Malone, and Macaulay; also Whig.

Let such men quit all pretences to civility and breeding; they are ruder than *toryes* and Wild Americans!—*Glanville, Sermons*, p. 212.

The knight is more a *tory* in the country than the town, because it more advances his interest.—*Addison, Spectator.*

This protestant zealot, this English divine,
In church and in state was of principles sound;
Was truer than steel to the Hanover line,
And grieved that a *tory* should live above ground.
Steele.

To confound his hated coin,
All parties and religions join,
Whigs, *tories*. *Swift.*

Great heats and animosities were created by these Petitioners and Abhorrers, and they occasioned many feuds and quarrels in private conversations; and about the same time (1680), and from the same cause, arose the pernicious terms and distinctions of Whig and *Tory*, both exotic names, which the parties invidiously bestowed upon each other; all that adhered to the interest of the crown and lineal succession were by the contrary party branded with the title given to the Irish robbers; and they, in return, gave the others the appellation of Whig, or Sour Milk, formerly appropriated to the Scotch Presbyterians and rigid Covenanters.—*Echard, History of England*, p. 988.

Tories, robbers, and rapparees, are always joined together in the Irish acts of Parliament. *Tories* were so called from the Irish word *toree*, give me [your money]. The opponents of government in 1681 and 1682, &c., affected to think all who were attached to the crown, papists; and therefore called them *tories*, i.e. vile papists and robbers.—*Malone.*

These appellations [Antibirminghams, Abhorrers, Tantivies] soon become obsolete; but at this time were first heard two nicknames which, though originally given in insult, were soon assumed with pride, which are still in daily use, which have spread as widely as the English race, and which will last as long as the English literature. It is a curious circumstance that one of these nicknames was of Scotch, and the other of Irish, origin. Both in Scotland and in Ireland, misgovernment had called into existence bands of desperate men whose ferocity was heightened by religious enthusiasm. In Scotland some of the persecuted Covenanters, driven mad by oppression, had lately murdered the Primate, had taken arms against the government, had obtained some advantages against the King's forces, and had not been put down till Monmouth, at the head of some troops from England, had routed them at Bothwell Bridge. These zealots were most numerous among the rustics of the western lowlands, who were vulgarly called Whigs. Thus the appellation of Whig was fastened on the Presbyterian zealots of Scotland, and was transferred to those English politicians who showed a disposition to oppose the court, and to treat Protestant Nonconformists with indulgence. The bogs of Ireland, at the same time, afforded a refuge to Popish outlaws, much resembling those who were afterwards known as Whiteboys. These men were then called *Tories*. The name of *Tory* was therefore given to Englishmen who refused to concur in excluding a Roman Catholic prince from the throne.—*Macaulay, History of England*, ch. ii.

Tóryism. *s.* System, or principles, of Tory politics.

Nothing would illustrate the subject better than an enquiry into the rise and progress of our late parties; or a short history of *Toryism* and Whiggism from their cradle to their grave, the introductory account of their genealogy and descent.—*Bolingbroke, On Parties*, letter ii.

Toss. *v. a.* [Welsh, *tosio.*]

1. Throw with the hand, as a ball at play.

With this she seem'd to play, and, as in sport,
Toss'd to her love in presence of the court.
Dryden, Sigismonda and Guiscardo, 81.

A shepherd diverted himself with *tossing* up eggs and catching them again.—*Addison.*

2. Throw with violence.

Back do I *toss* these treasons to thy head.
Shakespear, King Lear, v. 3.

3. Lift with a sudden and violent motion.

Behold how they *toss* their torches on high,
How they point to the Persian abodes.
Dryden, Alexander's Feast.

I call'd to stop him, but in vain:
He *tost* his arm aloft, and proudly told me,
He would not stay. *Addison, Cato.*

So talk too idle buzzing things;
Toss up their heads, and stretch their wings.
Prior.

4. Agitate; put into violent motion.

The getting of treasures by a lying tongue is a vanity *tossed* to and fro of them that seek death.—*Proverbs*, xxi. 6.

Things will have their first or second agitation; if they be not *tossed* upon the arguments of counsel, they will be *tossed* upon the waves of fortune, and be full of inconstancy, doing and undoing.—*Bacon, Essays.*

Cowls, hoods, and habits, with their wearers *tost*,
And flutter'd into rags.
Milton, Paradise Lost, iii. 490.

I have made several voyages upon the sea, often been *tossed* in storms.—*Addison, Spectator.*

5. Make restless; disquiet.

She did love the knight of the red cross,
For whose dear sake so many troubles her did *toss.*
Spenser, Faerie Queen.

Calm region once
And full of peace, now *tost* and turbulent.
Milton, Paradise Lost, ix. 1125.

6. Keep in play; tumble over.

That scholars should come to a better knowledge in the Latin tongue than most do, that spend four years in *tossing* all the rules of grammar in common schools.—*Ascham.*

7. With *off.* Dispatch; make short work of anything.

'Corporal,' said Vanslyperken, 'perhaps you'll like a glass of scheedam; there's some in the cupboard.' . . . The corporal produced the bottle and the glass, poured it out, made his military salute, and *tossed* it *off*.—*Marryatt, Snarleyyow*, vol. ii. ch. xii.

Toss. *v. n.*

1. Fling; writhe; be in violent commotion.

Galen tells us of a woman patient of his whom he found very weak in bed, continually *tossing* and tumbling from one side to another, and totally deprived of her rest.—*Harvey.*

To *toss* and fling, and to be restless, only frets and enrages our pain.—*Archbishop Tillotson.*

And thou, my sire, not destined by thy birth
To turn to dust and mix with common earth,
How wilt thou *toss* and rave, and long to die,
And quit thy claim to immortality!
Addison, Translation from Ovid, Metamorphoses, ii. 807.

They throw their person with a hoyden air
Across the room, and *toss* into the chair.
Young, Love of Fame, v. 477.

2. Be tossed.

Your mind is *tossing* on the ocean,
There where your argosies, with portly sail ...
Do overpeer the petty traffickers.
Shakespear, Merchant of Venice, i. 1.

While his small fleet lay *tossing* in the Texel, a contest was going on among the Dutch authorities. —*Macaulay, History of England*, ch. v.

Toss up. Throw a coin into the air, and wager on what side it shall fall.

I'd try if any pleasure could be found
In *tossing up* for twenty thousand pound.
Bramston.

It gives rise in practice to many inconvenient results, such as unmeaning comprises, *tossing up* for verdicts, &c.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. vii.

Toss. *s.*

1. Act of tossing.

The discus that is to be seen in the hand of the celebrated Castor at Don Livio's is perfectly round; nor has it any thing like a sling fastened to it, to add force to the *toss.*—*Addison.*

2. Affected manner of raising the head.

His various modes from various fathers follow;
One taught the *toss*, and one the new French wallow;
His sword-knot this, his cravat that design'd.
Dryden.

There is hardly a polite sentence in the following dialogues which doth not require some suitable *toss* of the head.—*Swift.*

3. Toss-up.

Tóssel. *s.* Tassel.

Tie at each lower corner a handful of hops with a piece of packthread to make a *tossel*, by which you may conveniently lift the bag when full.—*Mortimer, Husbandry.*

Tósser. *s.* One who tosses.

I did expect,
Instead of Mars, the storm-gaoler Eolus,
And Juno proffering her Dëiopeia
As satisfaction to the blustering god
To send his *tossers* forth.
Beaumont and Fletcher, Maid in the Mill.

Tóssing. *verbal abs.* Violent commotion.

I am full of *tossings* to and fro unto the dawning of the day.—*Job*, vii. 4.

In stripes, in imprisonments, in tumults, [in the margin, *tossings* to and fro.]—2 *Corinthians*, vi. 5.

Dire was the *tossing*, deep the groans: Despair
Tended the sick, busiest from couch to couch.
Milton, Paradise Lost, xi. 489.

Tósspot. *s.* Toper and drunkard.

Tosspots still had drunken head.
Shakespear, Twelfth-Night, v. 1, song.

Tótal. *adj.* [Fr.; Lat. *totus.*]

1. Whole; complete; full.

They set and rise;
Lest *total* darkness should by night regain
Her old possession, and extinguish life.
Milton, Paradise Lost, iv. 644.

If all the pains, that, for thy Britain's sake,
My past has took, or future life may take,
Be grateful to my queen; permit my pray'r,
And with this gift reward my *total* care.
Prior, Epistle desiring the Queen's Picture.

2. Whole; not divided.

Either to undergo
Myself the *total* crime; or to accuse
My other self, the partner of my life.
Milton, Paradise Lost, x. 126.

Totálity. *s.* [Fr. *totalité.*] Complete sum; whole quantity; wholeness.

Identity, diversity; possibility, act; *totality*, parts, &c. are but wise cautions against ambiguities of speech.—*Bacon, Advancement of Learning*, b. ii.

So much for *totality*, that common and essential character to every legitimate composition.—*Harris, Philological Inquiry.*

Shakespeare's intellectual action is wholly unlike that of Ben Jonson or Beaumont and Fletcher. The latter see the *totality* of a sentence or passage, and then project it entire. Shakespeare goes on creating, and evolving B. out of A., and C. out of B., and so on, just as a serpent moves, which makes a fulcrum of its own body, and seems for ever twisting and untwisting its own strength.—*Coleridge, Table-Talk.*

The *totality* of human actions being thus, from the highest point of view, governed by the *totality* of human knowledge, it might seem a simple matter to collect the evidence of the knowledge, and, by subjecting it to successive generalizations, ascertain the whole of the laws which regulate the progress of civilization. And that this will be eventually done, I do not entertain the slightest doubt.—*Buckle, History of Civilization in England*, vol. i. ch. v.

Now here quality does not appear, the reason being that it comprises both quantity and modality, and it is thus the antipole of relation. I remark, 'obiter,' that *totality* is plurality in unity; that conservation is the interdependence of existences; and that reciprocity is the causality of states in a substance.—*Ingleby, An Introduction to Metaphysic.*

Tótally. *adv.* In a total manner; wholly; fully; completely.

The sound interpreters expound this image of God, of natural reason; which, if it be *totally* or mostly defaced, the right of government doth cease. —*Bacon, Holy War.*

The obdurate sinner, that hath long hardened his own heart against God, thereby provokes him *totally* to withdraw all inward grace from him.—*Hammond.*

Charity doth not end with this world, but goes along with us into the next, where it will be perfected: but faith and hope shall then *totally* fail; the one being changed into sight, the other into enjoyment.—*Bishop Atterbury, Sermons.*

Tóther, contracted for *the other.*

For example, see extract under Tone.

Tótter. *v. n.* Shake so as to threaten a fall stagger.

The foes already have possess'd the wall,
Troy nods from high, and *totters* to her fall.
Dryden, Translation of the Æneid, ii. 383.

The fortunes of thy house shall *totter*,—thy character, which led the way to them, shall bleed on every side of it,—thy faith questioned,—thy works belied,—thy wit forgotten,—thy learning trampled on.—*Sterne, Tristram Shandy*, vol. i. ch. ix.

Matters of no more seeming consequence in themselves than, 'Whether my father should have taken off his wig with his right hand or with his left,'—have divided the greatest kingdoms, and made the crowns of the monarchs who governed them, to *totter* upon their heads.—*Ibid.*, vol. iii. ch. ii.

Tóttering. *part. adj.* Shaking so as to threaten a fall.

As a bowing wall shall ye be, and as a *tottering* fence.—*Psalms*, lxii. 3.

What news, in this our *tottering* state?—
It is a reeling world indeed, my lord;
And I believe will never stand upright.
Shakespear, Richard III. iii. 2.

Tótty. *adj.* Shaking; unsteady; dizzy.

Siker thy head very *tottie* is,
So on thy corbe shoulder it leans amisse.
Spenser, Shepherd's Calendar.

'The priest,' said Clement, 'is not half so confident of the Jew's conversion, since he received that buffet on the ear.'—'Go to, knave, what pratest thou of conversions?—what, is there no respect?—all masters and no men?—I tell thee, fellow, I was somewhat *totty* when I received the good knight's blow, or I had kept my ground under it.'—*Sir W. Scott, Ivanhoe*, ch. xxxiii.

Toúcan. *s.* See Tucan.

Touch. *v. a.* [Fr. *toucher.*]

1. Perceive by the sense of feeling.

Nothing but body can be *touch'd* or *touch.*
Creech.

2. Handle slightly, without effort or violence.

In the middle of the bridge there is a drawbridge made with such artifice, that the sentinel discovering any force approaching, may, by only *touching* a certain iron with his foot, draw up the bridge. —*Sir T. Browne, Travels.*

3. Reach with anything, so as that there be no space between the thing reached and the thing brought to it.

He brake the withs as a thread of tow is broken when it *toucheth* the fire.—*Judges*, xvi. 9.

Him thus intent, Ithuriel with his spear
Touch'd lightly. *Milton, Paradise Lost*, iv. 811.

4. Come to; attain.

Their impious folly dared to prey
On herds devoted to the god of day;
The god vindictive doom'd them never more,
Ah men unbless'd! to *touch* their natal shore.
Pope, Translation of the Odyssey, i. 9.

5. Try as gold with a stone.

When I have suit,
Wherein I mean to *touch* your love indeed,
It shall be full of poise and difficulty,
And fearful to be granted.
Shakespear, Othello, iii. 3.

Words so debased and hard, no stone
Was hard enough to *touch* them on.
Butler, Hudibras, i. 1, 111.

6. Relate to.

In ancient times was publickly read first the scripture, as, namely, something out of the books of the prophets of God; some things out of the apostles' writings; and, lastly, out of the holy evangelists some things which *touched* the person of our Lord Jesus Christ.—*Hooker, Ecclesiastical Polity.*

The quarrel *toucheth* none but us alone;
Betwixt ourselves let us decide it then.
Shakespear, Henry VI. Part I. iv. 1.

7. Meddle with.

He so light was at legerdemain,
That what he *touch'd*, came not to light again.
Spenser.

8. Affect.

What of sweet before
Hath *touch'd* my sense, flat seems to this.
Milton, Paradise Lost, ix. 987.

9. Move; strike mentally; melt.

I was sensibly *touched* with that kind impression. —*Congreve.*

The tender sire was *touch'd* with what he said,
And flung the blaze of glories from his head,
And bid the youth advance.
Dryden, Translation from Ovid, Story of Phaeton.

10. Delineate or mark out.

Nature affords at least a glimm'ring light:
The lines, though *touch'd* but faintly, are drawn right. *Pope.*

11. Censure; animadvert upon.

Doctor Parker, in his sermon before them, *touched* them for their living so near, that they went near to *touch* him for his life.—*Sir J. Hayward.*

12. Infect; seize slightly.

Pestilent diseases are bred in the summer; otherwise those *touched* are in most danger in the winter. —*Bacon, Natural and Experimental History.*

13. Bite; wear; have an effect on.

Its face must be very flat and smooth, and so hard, that a file will not *touch* it, as smiths say, when a file will not eat, or rase it.—*Moxon, Mechanical Exercises.*

14. Strike a musical instrument.

They *touch'd* their golden harps, and hymning praised. *Milton, Paradise Lost*, vii. 258.

One dip the pencil, and one *touch* the lyre.
Pope, Epistle to Mr. Jervas.

15. Influence by impulse; impel forcibly.

No decree of mine,
To touch with lightest moment of impulse
His free will. *Milton, Paradise Lost*, x. 44.

16. Treat of perfunctorily.

What thy own last reasoning words
Touch'd only. *Milton, Paradise Lost*, ix. 879.

17. Applied to money.

Rich Browne did negotiate about the queen's portion, out of which he had, I think, 1,000*l.*, which, with 200*l.* more, was all he *touched* in the said nineteen years, whilst he spent his paternal estate much more than that yearly, during his abode in Paris.—*A. Wood, Fasti Oxonienses.* (Ord MS.)

For all these particulars, I can conceive England may *touch* about one million sterling yearly.—*Smollett, Humphrey Clinker.*

What news of Greville? Does he confess?—No.—Dear me, I should like to *touch*; I am an old man, and I can't, I suppose, hope to live always.—*Morton, Secrets worth Knowing.*

Touch up. Repair, or improve by slight strokes, or little emendations.

What he saw was only her natural countenance *touched up* with the usual improvements of an aged coquette.—*Addison.*

Touch-and-go. A colloquial combination signifying hastiness of temper; used either *substantivally*, as, 'It is all *touch-and-go* with some people,' or *adjectivally*, as, 'A *touch-and-go* kind of person.'

Touch-me-not. A combination treated as a single word, the construction being *substantival.*

a. In *Medicine.* English name of the malignant disease called Lupus (wolf): noli-me-tangere.

b. In *Botany.* Plant of the genus Impatiens (species, Noli-me-tangere), so called from the construction of the seed-vessel, which, being irritated when touched, and ripe, projects the seeds to some distance.

Touch. *v. n.*

1. Be in a state of junction so that no space

is between them: (as, 'Two spheres *touch* only at points').

2. Fasten on; take effect on.

Strong waters pierce metals, and will *touch* upon gold that will not *touch* upon silver.—*Bacon.*

Touch at. Come to without stay.

The next day we *touched at* Sidon.—*Acts*, xxvii. 3.

Oh fail not to *touch at* Peru:
With gold there our vessel we'll store. *Cowley.*

Civil law and history are studies which a gentleman should not barely *touch at*, but constantly dwell upon.—*Locke.*

A fishmonger lately *touched at* Hammersmith.—*Spectator.*

Touch on. Mention slightly.

The shewing by what steps knowledge comes into our minds, it may suffice to have only *touched on*.—*Locke.*

It is an use nobody has dwelt upon; if the antiquaries have *touched upon* it, they immediately quitted it.—*Addison.*

Touch on or *upon.*

a. Go for a very short time.

Which monsters, lest the Trojan's pious host
Should bear, or *touch upon* th' inchanted coast,
Propitious Neptune steer'd their course by night.
Dryden, Translation of the Æneid, vii. 28.

I made a little voyage round the lake, and *touched on* the several towns that lie on its coasts.—*Addison, Travels in Italy.*

b. Light upon in mental inquiries.

It is impossible to make observations in art or science which have not been *touched upon* by others.—*Addison, Spectator.*

Touch. *s.*

1. Reach of anything, so that there is no space between the things reaching and reached.

2. Sense of feeling.

O dear son Edgar,
Might I but live to see thee in my *touch*,
I'd say, I had eyes again!
Shakespear, King Lear, iv. 1.

The spirit of wine, or chemical oils, which are so hot in operation, are to the first *touch* cold.—*Bacon, Natural and Experimental History.*

By *touch* the first pure qualities we learn
Which quicken all things, hot, cold, moist, and dry;
By *touch*, hard, soft, rough, smooth, we do discern;
By *touch*, sweet pleasure and sharp pain we try.
Sir J. Davies, Immortality of the Soul.

The spider's *touch*, how exquisitely fine!
Feels at each thread, and lives along the line.
Pope, Essay on Man, i. 217.

The fifth sense is *touch*, a sense over the whole body.—*Locke.*

3. Act of touching.

The *touch* of cold water made a pretty kind of shrugging come over her body, like the twinkling of the fairest among the fixed stars.—*Sir P. Sidney.*

With one virtuous *touch*
The archchemick sun produces precious things.
Milton, Paradise Lost, iii. 608.

4. State of being touched.

The time was once when thou unurged would'st vow,
That never *touch* was welcome to thy hand,
Unless I touch'd.
Shakespear, Comedy of Errors, ii. 2.

5. Test.

To-morrow, good sir Michael, is a day
Wherein the fortune of ten thousand men
Must bide the *touch*.
Shakespear, Henry IV. Part I. iv. 4.

Ah Buckingham, now do I ply the *touch*,
To try if thou be current gold indeed.
Id., Richard III. iv. 2.

Albeit some of these articles were merely devised, yet the duke being of base gold, and fearing the *touch*, subscribed that he did acknowledge his offences.—*Sir J. Hayward.*

The law-makers rather respected their own benefit than equity, the true *touch* of all laws.—*Carew, Survey of Cornwall.*

6. Proof; tried qualities.

Come, my sweet wife, my dearest mother, and
My friends of noble *touch!* when I am forth,
Bid me farewell, and smile.
Shakespear, Coriolanus, iv. 1.

He never stoops to catch a glittering something in your presence to share it with you, before he knows whether it be true *touch* or not.—*C. Lamb, Essays of Elia, Imperfect Sympathies.*

7. Single act of a pencil upon the picture.

Artificial strife
Lives in those *touches*, livelier than life.
Shakespear, Timon of Athens, i. 1.

It will be more difficult for him to conceive when he has only a relation given him, without the nice *touches* which make the graces of the picture.—*Dryden.*

Never give the least *touch* with your pencil till you have well examined your design.—*Dryden.*

8. Feature; lineament.

Thus Rosalind of many parts
By heav'nly synod was devised;
Of many faces, eyes, and hearts,
To have the *touches* dearest prized.
Shakespear, As you like it, iii. 2.

A son was copied from his voice so much,
The very same in every little *touch*. *Dryden.*

9. Act of the hand upon a musical instrument.

Here let the sounds of musick
Creep in our ears; soft stillness and the night
Become the *touches* of sweet harmony.
Shakespear, Merchant of Venice, v. 1.

Nor wanted power to mitigate and swage,
With solemn *touches*, troubled thoughts.
Milton, Paradise Lost, i. 556.

10. Power of exciting the affections.

Not alone
The death of Fulvia, with more urgent *touches*,
Do strongly speak to us.
Shakespear, Antony and Cleopatra, i. 2.

11. Something of passion or affection.

He which without our nature could not on earth suffer for the world, doth now also, by means thereof, both make intercession to God for sinners, and exercise dominion over all men, with a true, natural, and a sensible *touch* of mercy.—*Hooker, Ecclesiastical Polity.*

He loves us not:
He wants the natural *touch*.
Shakespear, Macbeth, iv. 2.

12. Particular relation.

Speech of *touch* towards others should be sparingly used; for discourse ought to be as a field, without coming home to any man.—*Bacon, Essays.*

13. Stroke.

Another smart *touch* of the author we meet with in the fifth page, where, without any preparation, he breaks out all on a sudden into a vein of poetry.—*Addison.*

Our kings no sooner fall out, but their mints make war upon one another; one meets sometimes with very nice *touches* of raillery.—*Id. Dialogues on the Usefulness of ancient Medals.*

Though its error may be such,
As Knags and Burgess cannot hit,
It yet may feel the nicer *touch*
Of Wycherley's or Congreve's wit.
Prior, Paulo Purganti.

He gave the little wealth he had
To build a house for fools and mad;
To shew by one satyrick *touch*,
No nation wanted it so much. *Swift.*

14. Animadversion; censure.

Soon moved with *touch* of blame, thus Eve,
What words have pass'd thy lips, Adam severe!
Milton, Paradise Lost, ix. 1143.

15. Exact performance of agreement.

Touch kept is commended, yet credit to keepe
Is pay and dispatch him, yet ever ye sleepe.
Tusser, Five Hundred Points of good Husbandry.

Quoth Hudibras, Thou offer'st much,
But art not able to keep *touch*.
Butler, Hudibras, i. 1, 847.

I keep *touch* both with my promise to Philopolis, and with my own usual frugality in these kinds of collations.—*Dr. H. More.*

He was not to expect that so perfidious a creature should keep *touch* with him.—*Sir R. L'Estrange.*

16. Small quantity intermingled.

Madam, I have a *touch* of your condition,
That cannot brook the accent of reproof.
Shakespear, Richard III. iv. 4.

This coming still nearer to an aspiration, a *touch* of it may perhaps be an ingredient in the rough guttural pronunciation of the Welsh and Irish.—*Holder, Elements of Speech.*

17. Hint; slight notice given.

The king your master knows their disposition very well; a small *touch* will put him in mind of them.—*Bacon.*

'And has the duke escaped his gout this year?' inquired Lord Marney of Lady de Mowbray. 'A slight *touch*; I never knew my father so well.'—*B. Disraeli, Sybil*, b. ii. ch. ii.

18. Cant word for a slight essay.

Print my preface in such a form as, in the booksellers' phrase, will make a sixpenny *touch*.—*Swift.*

19. Touchstone.

Show of *touch* or marble.—*B. Jonson, Forest*, ii.

Several parts of it were as bright and splendent as *touch*.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 143.

Though true as *touch*, though daughter of a king.
Spenser, Faerie Queen, i. iii. 2.

No falsehold can endure
Touch of celestial temper, but returns
Of force to its own likeness.
Milton, Paradise Lost, iv. 811.

Vulgar eyes confound black marble polished to the height, with *touch*, geat (jet), and ebony.—*Fuller, Worthies, Yorkshire.*

Toúch-and-gó. See between Touch, *v. a.* and Touch, *v. n.*

Toúch-me-not. See between Touch, *v. a.* and Touch, *v. n.*

Toúchable. *adj.* Capable of being touched.

Touching hath a terrestriall participation, for the earth is most *touchable* and tractable.—*Time's Storehouse*, p. 794. (Ord MS.)

Toúchhole. *s.* Hole through which the fire is conveyed to the powder in the gun.

In a piece of ordnance, if you speak in the *touch-hole*, and another lay his ear to the mouth of the piece, the sound is far better heard than in the open air.—*Bacon, Natural and Experimental History.*

The firemen are here, squirting with their fire-pumps on the Invalides cannon, to wet the *touch-holes*; they unfortunately cannot squirt so high; but produce only clouds of spray.—*Carlyle, The French Revolution*, pt. i. b. v. ch. vi.

Toúchily. *adv.* In a touchy manner; with irritation; with peevishness.

When the Athenians sent a saucy message by Democrates to Philip of Macedon, the king answered only, Say what can I do acceptable to the Athenians: The varlet Democrates replied *touchily*, Nothing better than to hang thyself.—*Waterhouse, Apology for Learning*, p. 251: 1653.

Toúchiness. *s.* Attribute suggested by Touchy; peevishness; irascibility.

Toúching. *prep.* With respect, regard, or relation to: (it has often the particle *as* before it, of which there seems to be no use; *touching* is now obsolete, though more concise than the mode of speech now adopted).

Touching things which belong to discipline, the church hath authority to make canons and decrees, even as we read in the apostles' times it did.—*Hooker, Ecclesiastical Polity.*

Touching our person, seek we no revenge;
But we our kingdom's safety must so tender,
Whose ruin you three sought, that to her laws
We do deliver you. *Shakespear, Henry V.* ii. 2.

The heavens and the earth remained in the same state in which they were created, *as touching* their substance, though there was afterwards added multiplicity of perfection in respect of beauty.—*Sir W. Raleigh, History of the World.*

Touching the debt, he took himself to be acquitted thereof.—*Sir J. Hayward.*

Socrates chose rather to die than renounce or conceal his judgement *touching* the unity of the Godhead.—*South, Sermons.*

Toúchingly. *adv.* In a touching manner; with feeling emotion; in a pathetic manner.

This last fable shows how *touchingly* the poet argues in love affairs.—*Garth.*

Toúchstone. *s.*

1. Stone by which metals are examined; basanite (Gr. βάσανος = test); Lydian stone.

Chilon would say, that gold was tried with the *touchstone*, and men with gold.—*Bacon, Apophthegms.*

If he intends to deal clearly, why does he make the *touchstone* faulty, and the standard uncertain?—*Collier.*

Touchstone [is] a name sometimes applied to compact dark-coloured stones, such as Purbeck and Petworth marble, and others of similar kind, which are frequently used for fine work in Gothic architecture; some of these are capable of receiving a high polish; the term does not appear to have been in common use for any very long period. It is so called from its supposed identity with, or resemblance to, the Lapis Lydius, or *touchstone*, used by goldsmiths in assaying the quality of gold by the test of aquafortis. There is a fine effigy in the church at St. Denis, near Paris, of Catherine de Courtenai, who died in 1307, sculptured in limestone, nearly as black as the real *touchstone*, and erroneously supposed to be of that material.—*Glossary of Architecture.*

2. Any test or criterion.

Is not this their rule of such sufficiency, that we should use it as a *touchstone* to try the orders of the church?—*Hooker, Ecclesiastical Polity.*

Money serves for the *touchstone* of common honesty.—*Sir R. L'Estrange.*

Time is the surest judge of truth: I am not vain enough to think I have left no faults in this, which that *touchstone* will not discover.—*Dryden, Spanish Friar*, epistle dedicatory.

'I have no *touchstone*,' he said internally, 'which can distinguish truth from falsehood.'—*Sir W. Scott, Castle Dangerous.*

Toúchwood. *s.*

1. Wood converted in a kind of tinder by the

action of fungi; rotten wood used to catch the fire struck from the flint.

A race of resolute stout trees they are, so abounding with metal and heat, that they quickly take fire, and become *touchwood*.—*Howell, Vocall Forrest.*

She is all impetuosity and fire—a very magazine of *touchwood* and gunpowder. You are hot enough too, upon occasion, but then it's over in an instant.—*G. Colman the elder, The Jealous Wife*, i. 1.

2. Name given to the Polyporus igniarius (a fungus).

Touchy. *adj.* [? *tetchy.*] Susceptible; irritable: (condemned by Johnson as 'a *low* word').

Was ever such a *touchy* man heard of?
Beaumont and Fletcher, Nice Valour.

Extravagancies, to which curious eyes and *touchy* tempers are apt to run.—*Jeremy Taylor, Artificial Handsomeness*, p. 49.

You are so *touchy*, and take things so hotly, I am sure there must be some mistake in this.—*Arbuthnot, History of John Bull.*

Tough. *adj.* [A.S. *toh.*]

1. Yielding to flexure or extension without fracture; not brittle.

Of bodies some are fragile, and some are *tough*, and not fragile.—*Bacon, Natural and Experimental History.*

2. Stiff; not easily flexible.

The bow he drew,
And almost join'd the horns of the *tough* eugh.
Dryden.

Fate with nature's law would strive,
To shew plain-dealing once an age may thrive;
And when so *tough* a frame she could not bend,
Exceeded her commission to befriend. *Id.*

3. Not easily injured or broken.

O sides, you are too *tough!*
Will you yet hold? *Shakespear, King Lear*, ii. 4.

A body made of brass the crone demands
For her loved nursling, strung with nerves of wire,
Tough to the last, and with no toil to tire.
Dryden, Translation of Persius, ii. 74.

4. Viscous; clammy; ropy; tenacious.

5. Difficult: (this is an ancient usage of the word, and is still a colloquial one; as, 'A *tough* piece of business').

Toughen. *v. n.* Grow tough.

Hops off the kiln lay three weeks to cool, give, and *toughen*, else they will break to powder.—*Mortimer, Husbandry.*

Toughness. *s.* [A.S. *tohnesse.*] Attribute suggested by Tough.

1. Not brittleness; flexibility.

To make an induration with *toughness*, and less fragility, decoct bodies in water for three days; but they must be such into which the water will not enter.—*Bacon, Natural and Experimental History.*

A well-temper'd sword is bent at will,
But keeps the native *toughness* of the steel.
Dryden.

2. Viscosity; tenacity; clamminess; glutinousness.

In the first stage the viscosity or *toughness* of the fluids should be taken off by diluents.—*Arbuthnot, On the Nature and Choice of Aliments.*

3. Firmness against injury.

I confess me knit to thy deserving with cables of perdurable *toughness*.—*Shakespear, Othello*, i. 3.

Toupeé. *s.* [Fr. *toupet.*] Kind of foretop; natural or artificial hair particularly dressed on the forehead.

Remember second-hand *toupees* and repaired ruffles.—*Swift.*

I see nothing but red heels below, high *toupees* and largely aspiring curls above, accompanied with the scent of amber.—*History of Duelling*, p. 101: 1770.

Toupet.—This is conformable to the etymology, but *toupee* is sometimes written; and anything is preferable to a word so totally remote from English rules as *toupet*, since it is invariably spoken according to the other spelling.—*Nares, Elements of Orthoepy*, p. 316.

With these words, he pulled out of his pocket a wax-candle's end, which he applied to his forehead; and upon examination I found he had combed his own hair over the *toupee* of his wig, and was, indeed, in his whole dress, become a very smart shaver.—*Smollett, Roderick Random*, ch. xvi.

Tour. *s.* [Fr.]

1. Ramble; roving journey.

I made the *tour* of all the king's palaces.—*Addison.*

Were it permitted, he 'd make the *tour* of the whole system of the sun.—*Arbuthnot and Pope, Martinus Scriblerus.*

For myself, I would see the dirty island at the bottom of the sea, rather than wear a single rag of English work about me; and, I am sure, after you have made one *tour* to Paris, you will be of the same opinion, with regard to your own cloaths.—*Fielding, Adventures of Joseph Andrews.*

Lady Miller ... had just returned from a *tour* in Italy with her husband, of which she published an account, in three volumes of letters, in 1776.—*Craik, History of English Literature*, vol. ii. p. 383.

2. Turn; revolution: (in both these senses it is rather French than English).

First Ptolemy his scheme cœlestial wrought,
And of machines a wild provision brought;
Orbs centrick and eccentrick he prepares,
Cycles and epicycles, solid spheres
In order placed, and with bright globes inlaid,
To solve the *tours* by heavenly bodies made.
Sir R. Blackmore.

3. In Milton it is probably tower; elevation; high flight.

The bird of Jove, stoop'd from his airy *tour*,
Two birds of gayest plume before him drove.
Milton, Paradise Lost, xi. 185.

4. Turn; cast; manner.

The whole *tour* of the passage is this: a man given to superstition can have no security, day or night, sleeping or waking.—*Bentley, Phileleutherus Lipsiensis*, § 18.

Tourist. *s.* One who makes a tour: (a hybrid and recent word).

The near relationship between our notion of Time and our notion of Space is implied in various current forms of speech. In the phrase—'a space of time,' a magnitude of one is expressly used to signify a magnitude of the other. Conversely, the Swiss *tourist* whose inquiries respecting distances are answered in 'stunden,' or hours, and the savage who, in common with the ancient Hebrew, has a place described to him as so many days' journey off, find times used to express spaces.—*Herbert Spencer, Principles of Psychology*, § 66.

In the place of these, of whom, however, many remain, there is a rapid increase in the number of *tourists*, who flock over by hundreds in search of health, amusement, and relaxation.—*Ansted, The Channel Islands*, pt. i. ch. i. p. 15.

Tourmaline. *s.* [Fr.] In *Mineralogy.* Mineral chiefly composed of silica, alumina, and boracic acid, with magnesia, iron, lithia, &c., constituting varieties.

The transparent coloured varieties are sometimes cut into ring-stones, &c., and when reduced to thin slices are much valued for making experiments on the polarisation of light and for analysing the optical properties of other minerals. The red *tourmaline* or rubellite possesses considerable beauty. The finest kinds of *tourmaline* are brought from Brazil, Ceylon, Ava, and Siberia.—*Bristow*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tourn. *s.* [N.Fr.] Sheriffs' court.

The sheriff's *tourn* decided in all affairs, civil and criminal.—*Burke, Abridgement of the History of England*, b. ii.

I assign all these functions to the county-court, upon the supposition that no other subsisted during the Saxon times, and that the separation of the sheriff's *tourn* for criminal jurisdiction had not yet taken place, which, however, I cannot pretend to determine.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. viii.

Tournament. *s.* [N.Fr.; L.Lat. *tournamentum, torneamentum*; Romaic, τερνεμέντα. (Cantacuzene, i. 42.)]

1. Tilt; just; military sport; mock encounter.

They might, under the pretence
Of tilts and *tournaments*,
Provide them horse and armour for defence.
Daniel.

Whence came all those justs, tiltings, and *tournaments*, so much in use in these parts?—*Sir W. Temple, Miscellanies.*

He lived with all the pomp he could devise,
At tilts and *tournaments* obtain'd the prize,
But found no favour in his lady's eyes.
Dryden, Theodore and Honoria, 17.

Panting for the glory which neither their strength nor the established rules permitted them to anticipate, the young scions of chivalry attended their masters to the *tournament*, and even to the battle, and riveted with a sigh the armour they were forbidden to wear. It was the constant policy of sovereigns to encourage this institution, which furnished them with faithful supports, and counteracted the independent spirit of feudal tenure. Hence they displayed a lavish magnificence in festivals and *tournaments*, which may be reckoned a second means of keeping up the tone of chivalrous feeling. ... *Tournaments* were a still more powerful incentive to emulation. These may be considered to have arisen about the middle of the eleventh century; for though every martial people have found diversion in representing the image of war, yet the name of *tournaments*, and the laws that regulated them, cannot be traced any higher. Every scenic performance of modern times must be tame in comparison of these animating combats. At a *tournament*, the space enclosed within the lists was surrounded by sovereign princes and their noblest barons, by knights of established renown, and all that rank and beauty had most distinguished among the fair. Covered with steel, and known only by their emblazoned shield, or by the favours of their mistresses, a still prouder bearing, the combatants rushed forward to a strife without enmity, but not without danger. Though their weapons were pointless, and sometimes only of wood, though they were bound by the laws of *tournaments* to strike only upon the strong armour of the trunk, or, as it was called, between the four limbs, those impetuous conflicts often terminated in wounds and death. The church uttered her excommunications in vain against so wanton an exposure to peril; but it was more easy for her to excite than to restrain that martial enthusiasm. Victory in a *tournament* was little less glorious, and perhaps at the moment more exquisitely felt, than in the field; since no battle could assemble such witnesses of valour. 'Honour to the sons of the brave,' resounded amidst the din of martial music from the lips of the minstrels, as the conqueror advanced to receive the prize from his queen or his mistress; while the surrounding multitude acknowledged in his prowess of that day an augury of triumphs that might in more serious contests be blended with those of his country.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch ix.

2. Encounter; shock of battle.

With cruel *tournament* the squadrons join:
Where cattle pastured late, now scatter'd lies
With carcasses, and arms, the ensanguined field.
Milton, Paradise Lost, xi. 652.

Tourney. *v. n.* Tilt in the lists.

An elfin born of noble state,
Well could he *tourney*, and in lists debate.
Spenser.

Tourniquet. *s.* [Fr.] Bandage used in amputations, straitened or relaxed by the turn of a handle.

If the orifice does not readily appear, loosen the *tourniquet*, and the effusion of blood will direct you to it.—*Sharp, Surgery.*

Touse. *v. a.* [Provincial German, *tuseln* = pull about; connected with *teaze.*] Pull; tear; haul; drag; pull about; tumble; hug.

Take him hence; to the rack with him:
We 'll *towse* you joint by joint,
But we will know this purpose.
Shakespear, Measure for Measure, v. 1.

Did he not carry you yesterday to a play?—Ay, but we sate amongst ugly people; he wou'd not let me come near the gentry, who sate under us, so that I cou'd not see 'em: he told me, none but naughty women sate there, whom they *toused* and moused, but I have ventured for all that.—*Wycherly, The Country Wife*, ii. 1.

To *towze* such things as flutter,
To honest Bounce is bread and butter. *Swift.*

Touse. *v. n.* Tear; rave.

She, struggling still with those
That 'gainst her rising pain their utmost strength oppose,
Starts, tosses, tumbles, strikes, turns, *touses*, spurns and sprawls,
Casting with furious limbs her holders to the walls.
Drayton, Polyolbion, song vii.

Tout. *v. a.* [see Toot.] Look out, hunt for, lay wait for anything.

Touter. *s.* One who touts; applied at present more especially to two classes of persons: (1) those who hang about places frequented by travellers for the purpose of either showing them about, or insuring their custom during the visit; (2) persons who watch the training and practising of race-horses for the purpose of acquiring information available in betting.

Tow. *s.* [A.S.] Flax or hemp beaten and combed into a filamentous substance.

Tow twisted round the handle of an instrument makes it easier to be held.—*Sharp, Surgery.*

Tow. *v. a.* [A.S. *teogan*; Fr. *touer.*] Draw by a rope, particularly through the water.

Thou knew'st too well
My heart was to thy rudder tied by the string.
And thou should'st *tow* me after.
Shakespear, Antony and Cleopatra, iii. 9.

Tow. *s.* Generally with *in*; the meaning being, *towed* as a vessel.

I went home again, and I hadn't been on shore more than two hours, when who should I see but my first wife, Bet, with a robin-redbreast *in tow*. 'That he!' says she. I gave fight, but was nabbed

and put into limbo, to be tried for . . . having a wife too much.—*Marryat, Pacha of Many Tales, Tale of the English Sailor.*

Frequently used as the *first element* of a *compound*: (as in *tow-boat, tow-line*).

Toward, or **Towards.** *prep.* [A.S. *toweard.* See Ward.] In a direction to anything.

He set his face *toward* the wilderness.—*Numbers,* xxiv. 1.

In *tmesis,* or with the elements divided.

Whose streams run forth there to the salt sea-side,
Here back return, and *to* their spring*ward* go.
Fairfax

By our state I mean what is *to* God*ward.*—*Whole Duty of Man.*

Tóward. *adv.* Near at hand; approaching; coming in this direction; in preparation.

What might be *toward* that this sweaty haste,
Doth make the night joint-labourer with the day.
Shakespear, Hamlet, i. 1.

Tóward. *adj.* Ready to do or learn; having a propensity or proclivity to anything as opposed to being averse: (opposed, too, to *frouard*).

Why, that is spoken like a *toward* prince.
Shakespear, Henry VI. Part III. ii. 2.

Tówardliness. *s.* Attribute suggested by Towardly.

The beauty and *towardliness* of these children moved her brethren to envy.—*Sir W. Raleigh, History of the World.*

Tówardly. *adj.* Toward.

Some young *towardly* noblemen or gentlemen were usually sent as assistants, or attendants.—*Bacon, Advice to Villiers.*

Tówardness. *s.* Attribute suggested by Toward.

Parents will not throw away the *towardness* of a child, and the expence of education upon a profession, the labour of which is increased, and the rewards are vanished.—*South, Sermons.*

Towárds, or **Toward.** *prep.* [A.S. *toweardes.* See Ward.]

1. Near to: (as, 'The danger now comes *toward*s him').
2. With respect to; touching; regarding.

We brought them to as great peace between themselves, as love *towards* us for having made the peace.—*Sir P. Sidney.*

Repent you not,
As that the sin hath brought you to this shame,
Which sorrow 's always *tow'rds* ourselves, not heaven?
Shakespear, Measure for Measure, ii. 3.

By our law, no good is to be left undone *towards* all, not the good of the tongue, the hand, the heart.—*South, Sermons.*

3. With ideal tendency to.

This was the first alarm England received *towards* any trouble, after it had enjoyed for so many years the most uninterrupted prosperity.—*Lord Clarendon, History of the Grand Rebellion.*

4. Nearly; little less than.

I am *towards* nine years older since I left you.—*Swift.*

Tówards. *adv.* Toward; coming-on.

We have a foolish trifling banquet *towards.*
Shakespear, Romeo and Juliet, i. 5.

Tówel. *s.* [Fr. *touaille.*] Cloth on which the hands are wiped.

They with their fine soft grassy *towels* stand,
To wipe away the drops and moisture from her hand.
Drayton.

His arm must be kept up with a napkin or *towel.*—*Wiseman, Surgery.*

Tówer. *s.* [Fr. *tour*; Lat. *turris.*]

1. High building; building raised above the main edifice.

Let us build a city and a *tower,* whose top may reach unto heaven.—*Genesis,* xi. 4.

Towers and battlements it sees
Bosom'd high in tufted trees. *Milton, L'Allegro,* 77.

He them beholding soon,
Comes down to see their city, ere the *tower*
Obstruct heaven-towers.
Milton, Paradise Lost, xii. 50.

2. Fortress; citadel.

Thou hast been a strong *tower* from the enemy.—*Psalms,* lxi. 3.

3. High head-dress.

Lay trains of amorous intrigues
In *towers,* and curls, and periwigs.
Butler, Hudibras, Epistle to his Lady, 185.

4. High flight; elevation.

Tówer. *v. n.* Soar; fly or rise high.

No marvel
My lord protector's hawks do *tower* so well.
Shakespear, Henry VI. Part II. ii. 1.

Circular base of rising folds that *tower'd*
Fold above fold. *Milton, Paradise Lost,* ix. 498.

All those sublime thoughts which *tower* above the clouds, and reach as high as heaven itself, take their rise not one jot beyond those ideas which sense or reflection have offered for the contemplation of the mind.—*Locke.*

High above the crowd of offenders *towered* one offender, preeminent in parts, knowledge, rank, and power.—*Macaulay, History of England,* ch. xxi.

Tówered. *adj.* Adorned or defended by towers.

Might she the wise Latona be,
Or the *towred* Cybele. *Milton, Arcades,* 21.

The *towred* cities, which are the chaplets and dresses of that head, are torn down, and turned to rubbish.—*Bishop Hall, Seasonable Sermons,* p. 14: 1644.

Tówering. *part. adj.* Soaring.

The crooked plough, the share, the *tow'ring* height
Of waggons, and the carts unwieldy weight . . .
These all must be prepared.
Dryden, Translation of the Georgics, i. 243.

Not proud Olympus yields a nobler sight,
Though gods assembled grace his *towering* height.
Pope, Windsor Forest.

Tówer-mústard. *s.* [two words rather than a compound.] In *Botany.* A name, probably an approximate translation of a Latin word rather than a true vernacular term, for one out of two, or both, plants of the natural order Cruciferæ (i.e. the class containing the stocks, cresses, &c.), Arabis *turrita,* and *Turritis* glabra, from the Latin *turris* = tower. Both grow on walls; the latter being both the commonest, and the most like mustard. The connection of the name with the leaves, as indicated in the extract, is doubtful.

Turritis, from Turris, a tower. The foliage is so disposed on the stems as to give them a pyramidal form, and for the same reason the plants are called *tower-mustard.* The species are hardy annuals: one, the smooth *tower-mustard* (Turritis glabra), is indigenous, and grows wild on banks and by roadsides, in a dry gravelly soil.—*Johnson, Farmer's Cyclopædia.*

Tówery. *adj.* Adorned or guarded with towers.

Here naked rocks and empty wastes were seen,
There *tow'ry* cities and the forests green. *Pope.*

Rise, crown'd with lights, imperial Salem, rise!
Exalt thy *tow'ry* head, and lift thy eyes!
Id., Messiah.

Tówing. *verbal abs.* Act of that which tows. As the *first element* in a *compound*: (as, *towing-path, towing-rope*).

Town. *s.* [A.S. *tún.*]

1. Any walled collection of houses.

When Alexandria was besieged and won,
He pass'd the trenches first, and storm'd the *town.*
Betterton.

2. Any collection of houses larger than a village.

Into whatsoever city or *town* ye shall enter, inquire who in it is worthy, and there abide till ye go thence.—*Matthew,* x. 11.

Before him *towns,* and rural works between.
Milton, Paradise Lost, xi. 639.

3. In England, any number of houses to which belongs a regular market, and which is not a city or the see of a bishop.
4. Inhabitants of a town.

To the clear spring cold Artæa went:
To which the whole *towne* for their water sent.
Chapman.

5. Court end of London.

As some fond virgin, whom her mother's care
Drags from the *town* to wholesome country air.
Pope, Epistles to Miss Blount, ep. ii.

6. People who live in the capital.

[He], all at once let down,
Stuns with his giddy larum half the *town.*
Pope, Dunciad, iv. 291.

7. It is used by the inhabitants of every town or city: (as, 'A new family is come to *town*').

There is some new dress or new diversion just come to *town.*—*Law.*

8. It is used emphatically for the capital: (as, 'He lives six months in *town,* and six in the country').

Tówn-clérk. *s.* Officer who manages the public business of a place.

When the *townclerk* had appeased the people, he said, Ye men of Ephesus, what man is there that knoweth not how that the city of the Ephesians is a worshipper of Diana?—*Acts,* xix. 35.

Tówn-crier. *s.* Officer in a town, whose business is to make proclamations.

Speak the speech trippingly on the tongue: but if you mouth it, as many of our players do, I had as lief the *town-crier* spoke my lines.—*Shakespear, Hamlet,* iii. 2.

Tówn-háll. *s.* Hall where public business is transacted.

It is the same Gouvion who sat, long months ago, at the *townhall,* gazing helpless into that insurrection of women.—*Carlyle, The French Revolution,* pt. ii. b. iv. ch. iii.

Tówn-hóuse. *s.*

1. Townhall.

A *townhouse* built at one end will front the church that stands at the other.—*Addison, Travels in Italy.*

2. House in opposition to a house in the country, where a person has both.

Tówn-ráke. *s.* Vicious, lewd man, living in town.

Everybody knows that certain vices are more or less pernicious according to the stations of those who possess them. For example, lewdness and intemperance are not of so bad consequences in a *town-rake* as in a divine; cowardice in a lawyer is more supportable than in an officer of the army.—*Examiner,* no. 30. (Ord MS.)

Tówn-tálk. *s.* Common prattle of a place.

If you tell the secret, in twelve hours it shall be *towntalk.*—*Sir R. L'Estrange.*

Tówn-tóp. *s.* Large top; see second extract.

Dances like a *town-top.*—*Fletcher, Night-Walker.*

Formerly one of these [a *town-top*] was kept in every village, to be whipped in frosty weather, that the peasants might be kept warm by exercise, and out of mischief when they could not work.—*Steevens, Note on Shakespear's Twelfth Night.*

To sleep like a *towntop,* is a proverbial expression: a top is said to sleep, when it turns round with great velocity, and makes a smooth humming noise.—*Blackstone, Note on Twelfth Night.*

Tównish. *adj.* Appertaining to those who live in a town.

On *townish* men, (though happy they
Appeare to open sight,)
Yet many times unhappie haps
And cruel chances light.
Turbervile, Translation of Mantuan.

Tównless. *adj.* Without towns; deprived of towns.

They of the religion are now *townless* and armless; and so are her greatest peers, most of them out of office and provincial command.—*Howell, Instructions for Foreign Travel,* p. 116.

Tównship. *s.* Corporation of a town; district belonging to a town.

I am but a poor petitioner of our whole *township.*—*Shakespear, Henry VI. Part II.* i. 3.

They had built houses, planted gardens, erected *townships,* and made provision for their posterity.—*Sir W. Raleigh, History of the World.*

Tównsman. *s.*

1. Inhabitant of a place.

Here come the *townsmen* on procession,
Before your highness to present the man.
Shakespear, Henry VI. Part II. ii. 1.

They marched to Newcastle, which being defended only by the *townsmen,* was given up to them.—*Lord Clarendon, History of the Grand Rebellion.*

I left him at the gate firm to your interest,
T' admit the *townsmen* at their first appearance.
Dryden, Don Sebastian, iv. 1.

2. One of the same town.

Toxicológical. *adj.* Relating to, constituted by, toxicology.

(For example see under Toxicologist.)

Toxicólogist. *s.* One conversant with toxicology.

Poisons have been divided into irritants, narcotics, and narcotico-irritants: the first class including those whose sole or predominating symptoms are those of irritation or inflammation; the second, those which produce stupor, delirium, and other affections of the brain and nervous system; and the third, those which are of a mixed character. Many irritants possess corrosive properties, and *toxicologists* have drawn a distinction between corrosives and purely irritant poisons. . . . We have elsewhere given particulars respecting their composition and properties and sometimes referred to their *toxicological* history.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Toxicology. *s.* [Gr. *τοξικὸν* (Lat. *toxicum*) poison + *λόγος* = word, principle, doctrine.] Doctrine of poisons.

Toxophilite. *s.* [Gr. *τόξον* = bow, *φιλέω* = I love; *φίλος* = friend.] One who takes delight in, who practises, archery.

Toy. *s.* [Dutch, *toi*; German, *zeug* = instrument.]

1. Petty commodity; trifle; thing of no value.

Might I make acceptable unto her that *toy* which I had found, following an acquaintance of mine at the plough?—*Sir P. Sidney.*

Because of old
Thou thyself doat'st on womankind, admiring
Their shape, their colour, and attractive grace:
None are, thou think'st, but taken with such *toys.*
Milton, Paradise Regained, ii. 174.

O virtue! virtue! what art thou become
That men should leave thee for that *toy* a woman?
Dryden, Spanish Friar, iv. 2.

2. Plaything; bauble.

To dally thus with death is no fit *toy*;
Go find some other play-fellows, mine own sweet boy. *Spenser.*

What a profusion of wealth laid out in coaches, trappings, tables, cabinets, and the like precious *toys!*—*Addison.*

In Delia's hand this *toy* is fatal found,
Nor could that fabled dart more surely wound.
Pope, Imitations, Waller.

We smile at florists, we despise their joy,
And think their hearts enamour'd of a *toy.*
Young, Love of Fame, ii. 49.

Fontenoy looked round with astonishment at the tiny vessel, so different from his own huge 'Patagonian,' with her eighty guns. The 'Viper' looked like a *toy.*—*Hannay, Singleton Fontenoy.*

3. Matter of no importance.

'Tis a cockle or a walnut shell,
A knack, a *toy*, a trick, a baby's cap.
Shakespear, Taming of the Shrew, iv. 3.

4. Folly; trifling practice; silly opinion.

The things which so long experience of all ages hath confirmed and made profitable, let us not presume to condemn as follies and *toys*, because we sometimes know not the cause and reason of them. —*Hooker, Ecclesiastical Polity.*

5. Play; sport; amorous dalliance.

Ye sons of Venus, play your sports at will;
For greedy pleasure, careless of your *toys*,
Thinks more upon her paradise of joys.
Spenser, Epithalamium.

So said he, and forbore not glance or *toy*
Of amorous intent. *Milton, Paradise Lost,* ix. 1034.

6. Odd story; silly tale.

I never may believe
These antick fables, nor these fairy *toys.*
Shakespear, Midsummer-Night's Dream, v. 1.

7. Slight representation.

Shall that which hath always received this construction, be now disguised with a *toy* of novelty?—*Hooker, Ecclesiastical Polity.*

8. Wild fancy; irregular imagery; odd conceit.

The very place puts *toys* of desperation,
Without more motive, into every brain,
That looks so many fathoms to the sea,
And hears it roar beneath.
Shakespear, Hamlet, i. 4.

Toy. *v. n.* Trifle; dally amorously; play.

To *toy*, to wanton, dally, smile, and jest.
Shakespear, Venus and Adonis.

Toy. *v. a.* Treat foolishly.

They must have oyle, candels, wine and water, flowre, and such other things, trifled and *toyed* withal.—*Dering, Exposition on the Hebrews,* Cc. iii: 1576.

So far from kissing and *toying* with him of her own accord, she must not admit him to kiss or *toy* with her.—*Fielding, The Adventures of Joseph Andrews.*

'Yes,' replied the Athenian, carelessly *toying* with the gems; 'I am choosing a present for Ione, but there are none worthy of her.'—*Lord Lytton, Last Days of Pompeii,* b. iii. ch. iv.

Toyer. *s.* One who toys; one who is full of tricks.

Wanton Cupid, idle *toyer*,
Pleasing tyrant, soft destroyer!
Harrison, Nichols's Collection of Poems, iv. 183.

Toyful. *adj.* Full of tricks.

It quicken'd next a *toyful* ape.
Donne, Poems, p. 310.

Toyish. *adj.* Trifling; wanton.

Your ringing of bells, your burning of lights in the open day-light, with I wot not how many other *toyish* devices.—*Crowley, Deliberate Answer,* fol. 48. b.: 1647.

The term is taken from a *toyish* observation, viz. the circling of water, when a stone is cast into a standing pool.—*Dr. H. More, Song of the Soul,* notes, p. 424: 1647.

Toyishness. *s.* Attribute suggested by Toyish.

Your society will discredit that *toyishness* of wanton fancy, that plays tricks with words, and frolicks with the caprices of frothy imagination.—*Glanville, Scepsis Scientifica.*

Toyman. *s.* Seller of toys.

But what in oddness can be more sublime
Than Sloane, the foremost *toyman* of his time?
Young, Love of Fame, iv. 113.

Toyshop. *s.* Shop where playthings and little nice manufactures are sold.

Fans, silks, ribands, laces, and gewgaws, lay so thick together, that the heart was nothing else but a *toyshop.*—*Addison, Spectator.*

With varying vanities from every part,
They shift the moving *toyshop* of their heart.
Pope, Rape of the Lock, canto i.

Toze. *v. a.* Pull by violence or importunity; touse.

Think'st thou, for that I insinuate, or *toze* from thee thy business, I am therefore no courtier?—*Shakespear, Winter's Tale,* iv. 3.

Trace. *s.* [from Fr. *tirasses*; generally, but not always, plural.] Harness for beasts of draught.

Her waggon spokes made of long spinner's legs;
The cover, of the wings of grasshoppers;
The *traces*, of the smallest spider's web.
Shakespear, Romeo and Juliet, i. 4.

The labour'd ox
In his loose *traces* from the furrow came.
Milton, Comus, 291.

While labouring oxen, spent with toil and heat,
In their loose *traces* from the field retreat.
Pope, Pastorals, Autumn.

Twelve young mules,
New to the plough, unpractised in the *trace.*
Id., Translation of the Odyssey.

Trace. *s.* [Fr.; Italian, *traccia.*]

1. Mark left by anything passing; footsteps.

These as a line their long dimension drew,
Streaking the ground with sinuous *trace.*
Milton, Paradise Lost, vii. 480.

2. Remains; appearance of what has been.

The people of these countries are reported to have lived like the beasts among them, without any *traces* of orders, laws, or religion.—*Sir W. Temple.*

There are not the least *traces* of it to be met, the greatest part of the ornaments being taken from Trajan's arch, and set up to the conqueror.—*Addison, Travels in Italy.*

The shady empire shall retain no *trace*
Of war, or blood, but in the sylvan chase.
Pope, Windsor Forest.

3. Track; path.

Now I begin
To tread an endlesse *trace. Spenser, Faerie Queen.*

If the place be private, and out of the common *trace.*—*Fletcher, Faithful Shepherdess.*

Trace. *v. a.* [Fr. *tracer.*]

1. Follow by the footsteps, or remaining marks.

I feel thy power
Within me clear, not only to discern
Things in their causes, but to *trace* the ways
Of highest agents. *Milton, Paradise Lost,* ix. 680.

You may *trace* the deluge quite round the globe in profane history: and every one of these people have a tale to tell concerning the restauration.—*T. Burnet, Theory of the Earth.*

They do but *trace* over the paths beaten by the ancients, or comment, critick, or flourish upon them.—*Sir W. Temple.*

To this haste of the mind a not due *tracing* of the arguments to their true foundation is owing.—*Locke.*

2. Follow with exactness.

That servile path thou nobly dost decline,
Of *tracing* word by word, and line by line.
Sir J. Denham, To Sir Richard Fanshaw.

3. Mark out.

He allows the soul power to *trace* images on the brain, and perceive them.—*Locke.*

His pen can *trace* out a true quotation.—*Swift.*

4. Walk over.

Men as they *trace*,
Both feet and face one way are wont to lead.
Spenser.

We do *trace* this alley up and down.
Shakespear, Much Ado about Nothing, iii. 1.

Trace. *v. n.* Walk; travel.

Thus long they *traced* and traversed to and fro.
Spenser, Faerie Queen.

Not wont on foot with heavy arms to *trace. Ibid.*

Traceable. *adj.* Capable of being traced.

The boundaries of the ancient Citium are not *traceable.*—*Drummond, Travels* (*Letter*, 1749), p. 248.

Thus striking is the contrast between the military genius of ancient times, and the military genius of modern Europe. The causes of this decay are clearly *traceable* to the circumstance that, owing to the immense increase of intellectual employments, few men of ability will now enter a profession into which, in antiquity, men of ability eagerly crowded, as supplying the best means of exercising those faculties which, in more civilized countries, are turned to a better account.—*Buckle, History of Civilization in Europe,* vol. i. ch. iv.

Among animals as among plants, the laws of morphological differentiation must be conformed to by the morphological units, as well as by the larger parts and the wholes formed of them. It remains here to point out that the conformity is *traceable* where the conditions are simple.—*Herbert Spencer, Inductions of Biology,* ch. xvi. § 260.

Tracer. *s.* One who, that which, traces.

Pliny, the only man among the Latins who is a diligent and curious *tracer* of the prints of nature's footsteps.—*Hakewill, Apology,* p. 164.

Ambassadors should not be held the *tracers* of a plot of such malice.—*Howell.*

Tracery. *s.* Ornamental stonework.

The *traceries* and construction do not agree with the rude arts of such a barbarous and early period. *T. Warton, History of the Parish of Kiddington,* p. 15.

Some modern moulding or ornament will here and there unfortunately be detected in the moulding of an arch, the *tracery* of a niche, or the ramifications of a window.—*Id., An Enquiry into the Authenticity of the Poems attributed to Thomas Rowley,* p. 11.

This is the first form in which *tracery* appears, and the tympanum in this form always retains the character of a flat surface or plate of stone pierced with openings. Hence this kind of *tracery* has been termed plate *tracery* by Professor Willis. It is more commonly to be seen on the continent than in England, either because, having been undoubtedly first invented and developed there, it was earlier and more largely employed, or because in our case, windows of that character have been taken out and replaced by later *tracery*. The triforiums of Salisbury and Ely, and the screen in the north transept of Gloucester, may be cited as fine examples.—*Glossary of Architecture.*

Geometrical *tracery* was never intended to do more than support itself; and the proof of this assertion is furnished by the fact that the *tracery* and mullions were almost invariably set after the window arch was completed, being designed only to fill the vacant space and carry simply their own weight; whereas, in modern work of the same style, it is not uncommon to see considerable portions of the mouldings of the window arch worked together with those of the *tracery* on the same stone.—*Cox*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Trachea. *s.* [Gr. *τραχεῖα*, feminine of *τραχὺς* = rough; the word *ἀρτηρία* = artery, being understood; and the windpipe being, by the earliest anatomists, looked upon as an artery, or else, the word *artery* being invested with a more general signification.] In *Anatomy.*

a. Of the *animals* with lungs. Windpipe, or passage through which the air is drawn into the lungs.

The cartilaginous rings of the *trachea* [of the Cetacea], at least near the termination of the tube, are entire; where not so the deficiency is at their fore part, and this is considerable in the upper *tracheal* rings, in Balænidæ: the windpipe is very short in all Cetacea; its width is great in proportion to its length, but not to the bulk of the lungs or of the body.—*Owen, Anatomy of Vertebrates.*

The *trachea* presents various modifications in different birds. In some it is much longer than the neck, forming a folded tube, which consists of a vast number of rings, as in the capercailzie, stork, crane, and wild swan: in the flamingo, the rings are said to be about three-hundred-and-fifty in number. In some birds the *trachea* is wider above than below, and in others it is dilated at various parts.—*Marshall, Outlines of Physiology, Human and Comparative,* vol. i. p. 271: 1867.

b. In *insects.* Lateral spiracles subservient to respiration.

c. In *plants*, i.e. in *Vegetable anatomy.* Certain spiral vessels suggesting a comparison with the windpipe.

Spiral vessels [are] generally termed *tracheæ*, from the resemblance which they bear to the windpipe, and more especially to the air-cells of insects, which are called by the same name. They consist of a membranous tube, on whose inner surface a cylindrical fibre is spirally coiled; and the whole so completely united, that if the vessel be ruptured, and the thread uncoiled, no trace of the membrane is to be seen, excepting towards the conical extremity of the vessel, where the coils of the fibre are

wider apart. In some *tracheæ*, indeed, the successive coils are not in contact with each other, and then the investing membrane is sufficiently apparent. . . . When the stems of the plantain and banana are cut into slices, the *tracheæ* in which they abound unravel before the edge of the knife, and form flocculent masses, which may be collected, and wrought into a material possessing certain advantages superior to those of cotton, for the manufacturer. The expense, however, of collecting this delicate substance has been found too great to admit of its being applied to any really useful purpose; as an entire plantain does not yield above a drachm and a half of *tracheæ*. *Tracheæ* have been detected in a very few of the flowerless plants, and only among the higher tribes of them, such as ferns and club-mosses. . . . The name of ducts, is generally given to all varieties of tubes composing the vascular tissue, which are not, strictly speaking, true *tracheæ*; and they are separately named according to the appearances which the markings on their surface assume; such as dotted, striped, and reticulated ducts.—*Henslow, Principles of Descriptive and Vegetable Botany*, pt. i. sect. i. §§ 23, 24.

Trácheal. *adj.* Connected with, relating to, constituted by, the trachea, or tracheæ.

(For example, see under Trachea.)

Trácheary. *adj.* Breathing by means of tracheæ, rather than lungs; especially applied to an order of the class Arachnidæ (spiders).

Tracheótomy. *s.* Gr. *τομὴ* = section, cutting, from root of *τέμνω* = I cut.] In *Surgery*. Operation of making an incision into the trachea in cases of threatened suffocation.

Trachyte. *s.* [Gr. *τραχὺς* = rough.] In *Geology* and *Mineralogy*. See extract.

Trachyte [is] a variety of lava which is often porphyritic, and when containing hornblende and augite passes into the varieties of trap called basalt, greenstone, dolerite, &c.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Trácing. *s.* Course; path; regular track.

Not all those precious gems in heaven above
Shall yield a sight more pleasing to behold,
With all their turns and *tracings* manifold.
Sir J. Davies, Orchestra, xiii.

Track. *s.* [N.Fr. *trac*; Italian, *traccia*.]

1. Mark left upon the way by the foot or otherwise.

Following the *track* of Satan.
Milton, Paradise Lost, x. 314.

Hung by the neck and hair, and dragg'd around,
The hostile spear yet sticking in his wound,
With *tracks* of blood inscribed the dusty ground.
Dryden.

Consider the exterior frame of the globe, if we may find any *tracks* or footsteps of wisdom in its constitution.—*Bentley.*

2. Course; road; beaten path.

The envious clouds are bent
To dim his glory, and to stain the *track*
Of his bright passage.
Shakespear, Richard II. iii. 3.

Behold Torquatus the same *track* pursue,
And next, the two devoted Decii view.
Dryden, Translation of the Æneid, vi. 1130.

Track. *v. a.* Follow by the footsteps or marks left in the way.

He was not only a professed imitator of Horace, but a learned plagiary in all the others; you *track* him every where in their snow.—*Dryden.*

Trackless. *adj.* Untrodden; marked with no footsteps.

Lost in *trackless* fields of shining day,
Unable to discern the way,
Which Nassau's virtue only could explore.
Prior, Carmen Seculare for the Year 1700.

Trackscout. *s.* [Dutch, *trek-schuyt*.] Passage-boat, in Holland, usually towed or drawn by a horse; *trackboat* is used in Scotland.

The *trekschuyt* or hackney-boat carries passengers from Leyden to Amsterdam.—*Addison, Spectator*, no. 130.

It would not be amiss if he travelled over England in a stage-coach, and made the tour of Holland in a *trackscoute*.—*Arbuthnot and Pope, Martinus Scriblerus.*

Tract. *s.* [Lat. *tractus*.]

1. Any kind of extended substance.

Heaven hides nothing from thy view,
Nor the deep *tract* of hell.
Milton, Paradise Lost, i. 27.

2. Region; quantity of land.

Only there are some *tracts* which, by high mountains, are barred from air and fresh wind.—*Sir W. Raleigh.*

Monte Circeio, by Homer called insula Æea, is a very high mountain joined to the main land by a narrow *tract* of earth.—*Addison.*

3. Continuity; anything protracted, or drawn out to length.

The myrtle flourisheth still; and wonderful it is that for so long a *tract* of time she should still continue fresh.—*Howell.*

Your bodies may at last turn all to spirit,
Improved by *tract* of time, and wing'd ascend
Ethereal as we. *Milton, Paradise Lost*, v. 497.

As in *tract* of speech a dubious word is easily known by the coherence with the rest, and a dubious letter by the whole word; so may a deaf person, having competent knowledge of language, by an acute sagacity by some more evident word discerned by his eye, know the sense.—*Holder.*

4. Course; manner of process; unless it means, in this place, rather, discourse; explanation.

The *tract* of every thing
Would, by a good discourser, lose some life
Which action's self was tongue to.
Shakespear, Henry VIII. i. 1.

5. It seems to be used by Shakespear and Milton for *track*.

The weary sun hath made a golden set;
And, by the bright *tract* of his fiery car,
Gives signal of a goodly day to-morrow.
Shakespear, Richard III. v. 3.

With *tract* oblique
At first, as one who sought access, but fear'd
To interrupt, sidelong he works his way.
Milton, Paradise Lost, ix. 510.

6. Treatise; small book; see Tractate.

The church clergy at that time writ the best collection of *tracts* against popery that ever appeared.—*Swift.*

Tract. *v. a.*

1. Trace out. *Obsolete.*

Streight gan he him revyle, and bitter rate
As shepheardes curre, that in darke eveninges shade
Hath *tracted* forth some salvage beastës trade.
Spenser, Faerie Queen, ii. 6, 39.

Speak to me, Muse, the man, who after Troy was sackt,
Saw many towns and men, and could their manners *tract*. *B. Jonson, Translation of Horace's Art of Poetry (Epistola ad Pisones).*

2. Ancient abbreviation of *retract* and *protract*: as, 'to *tract* and speak of a thing again, retractare' (Huloet); 'to *tract* the time' (Barret).

Tractabílity. *s.* Capability of being managed: (in the extract *plural*).

She was then very young and timid; and he, a wild man, not of the woods, but the cloisters, nor yet civilized into the *tractabilities* of home.—*Lord Lytton, The Caxtons*, b. i. ch. i.

Tráctable. *adj.* [Lat. *tractabilis*.]

1. Manageable; docile; compliant; obsequious; practicable; governable.

For moderation of those affections growing from the very natural bitterness and gall of adversity, the Scripture much alledgeth contrary fruit, which affliction likewise hath, whensoever it falleth on them that are *tractable*, the grace of God's Holy Spirit concurring therewith.—*Hooker, Ecclesiastical History.*

Tractable obedience is a slave
To each incensed will.
Shakespear, Henry VIII. i. 2.

If thou dost find him *tractable* to us,
Encourage him, and tell him all our reasons;
If he be leaden, icy, cold, unwilling,
Be thou so too. *Id., Richard III.* iii. 1.

As those who are bent to do wickedly will never want tempters to urge them on in an evil course; so those who yield themselves *tractable* to good motions, will find the spirit of God more ready to encourage them.—*Archbishop Tillotson.*

If a strict hand be kept over children from the beginning, they will in that age be *tractable*, and quietly submit.—*Locke.*

I did not then know what I afterwards learned, that hunger will tame a lion. If I had let him stay there three or four days without food, and then have carried him some water to drink, and then a little corn, he would have been as tame as one of the kids; for they are mighty sagacious *tractable* creatures, where they are well used.—*Defoe, Robinson Crusoe.*

2. Palpable; that may be handled.

The other measures are of continued quantity visible, and for the most part *tractable*; whereas time is always transient, neither to be seen nor felt.—*Holder, Discourse concerning Time.*

Tráctableness. *s.* Attribute suggested by Tractable; state of being tractable; compliance; obsequiousness.

It will be objected, that whatsoever I fancy of children's *tractableness*, yet many will never apply.—*Locke, Thoughts on Education.*

Tractárian. *s.* See extract.

Tractarians, in modern church history, [is] a party name given to those members of the church of England, chiefly from the university of Oxford, who headed the theological movement which definitely took shape in 1833. The celebrated 'Tracts for the Times,' from which the appellation is derived, began to appear in that year.—*Cox*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tráctate. *s.* [Lat. *tractatus*.] Treatise; tract; small book.

Many divines of our own nation, in sermons and written *tractates* of the Sabbath, and in their exposition of the fourth commandment, maintain the foresaid position.—*White.*

Though philosophical *tractates* make enumeration of authors, yet are their reasons usually introduced.—*Sir T. Browne.*

We need no other evidence than Glanville's *tractate*.—*Sir M. Hale.*

Tractátion. *s.* [Lat. *tractatio, -onis*.] Discussion of a subject.

A fit task for him, that intended a full *tractation* of the points controverted.—*Bishop Hall, Remains*, p. 387.

Tráctile. *adj.* [Lat. *tractilis*, from *traho* = I draw; pass. part. *tractus; tractio, -onis*.] Capable of being drawn out or extended in length; ductile.

The consistencies of bodies are very divers; fragile, tough; flexible, inflexible; *tractile*, or to be drawn forth in length, intractile.—*Bacon, Natural and Experimental History.*

Tractílity. *s.* Quality of being tractile.

Silver, whose ductility and *tractility* are much inferiour to those of gold, was drawn out to so slender a wire, that a single grain amounted to twenty-seven feet.—*Derham, Physico-Theology.*

Tráction. *s.* Act of drawing; state of being drawn.

The malleus being fixed to an extensible membrane, follows the *traction* of the muscle, and is drawn inwards to bring the terms of that line nearer in proportion as it is curved, and so gives a tension to the tympanum.—*Holder.*

Used as the *first element* of a *compound*: (as in *traction-engine*, an engine for locomotion by steam on common roads).

Tráctor. *s.* Name applied to an apparatus consisting of small bars of metal, supposed to possess magnetic and anodyne powers; often called Perkins's tractor from the name of its inventor.

Trade. *s.* [Italian, *tratta*.]

1. Traffic; commerce; exchange of goods for other goods, or for money.

Whosoever commands the sea, commands the *trade*; whosoever commands the *trade* of the world, commands the riches of the world, and consequently the world itself.—*Sir W. Raleigh.*

Trade increases in one place and decays in another.—*Sir W. Temple.*

2. Occupation; particular employment, whether manual or mercantile, distinguished from the liberal arts or learned professions.

Appoint to every one that is not able to live of his freehold a certain *trade* of life; the which *trade* he shall be bound to follow.—*Spenser, View of the State of Ireland.*

Half way down
Hangs one that gathers samphire, dreadful *trade!*
Shakespear, King Lear, iv. 6.

Chide me no more! I'll mountebank their loves,
Cog their hearts from them, and come home beloved
Of all the *trades* in Rome *Id., Coriolanus*, iii. 2.

Fear and piety,
Instruction, manners, mysteries, and *trades*,
Decline to your confounding contraries.
Id., Timon of Athens, iv. 1.

The rude Æquiculæ,
Hunting their sport, and plundering was their *trade*.
Dryden, Translation of the Æneid, vii. 1028.

The whole division that to Mars pertains,
All *trades* of death, that deal in steel for gains.
Id., Palamon and Arcite, ii. 596.

Fight under him: there's plunder to be had;
A captain is a very gainful *trade*.
J. Dryden, jun., Translation of Juvenal, xiv. 251.

The emperor Pertinax applied himself in his youth to a gainful *trade*; his father, judging him fit for a better employment, had a mind to turn his education another way; the son was obstinate in pursuing so profitable a *trade*, a sort of merchandise of wood.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

3. Instruments of any occupation.

The shepherd bears
His house and household gods, his *trade* of war,
His bow and quiver, and his trusty cur.
Dryden, Translation of the Georgics, iii. 533.

4. Any employment not manual; habitual exercise.

Call some of young years to train them up in that *trade*, and so fit them for weighty affairs.—*Bacon.*

5. Custom; habit; standing practice.

Thy sin 's not accidental, but a *trade*.
Shakespear, Measure for Measure, iii. 1.

Formerly *trade* was used of domestic, and *traffick* of foreign commerce.

Trade. *v. n.*

1. Traffic; deal; hold commerce.

Saucy and overbold! how did you dare
To *trade* and traffick with Macbeth,
In riddles and affairs of death?
Shakespear, Macbeth, iii. 5.

Delos, a sacred place, grew a free port, where nations warring with one another resorted with their goods, and *traded*.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Maximinus *traded* with the Goths in the product of his estate in Thracia.—*Ibid.*

2. Act merely for money.

They shall be my East and West Indies, and I will *trade* to them both.—*Shakespear, Merry Wives of Windsor*, i. 3.

Trade. *v. a.* Sell or exchange in commerce. *Rare.*

They were thy merchants: they *traded* the persons of men and vessels of brass in thy market.—*Ezekiel*, xxvii. 13.

Tráded. *adj.* Versed; practised. *Rare.*

Trust not those cunning waters of his eyes;
For villany is not without such rheum:
And he long *traded* in it makes it seem
Like rivers of remorse and innocence.
Shakespear, King John, iv. 3.

Eyes and ears,
Two *traded* pilots 'twixt the dangerous shores
Of will and judgement.
Id., Troilus and Cressida, ii. 2.

Trádeful. *adj.* Commercial; busy in traffic.

Ye *tradeful* merchants that with weary toil
Do seek most precious things to make your gain,
And both the Indies of their treasure spoil,
What needeth you to seek so far in vain?
Spenser.

Musing maid, to thee I come,
Hating the *tradeful* city's hum.
T. Warton, Ode to Solitude.

Trádemark. *s.* See extract.

One of the greatest risks which the trade of any country can run, is that of dishonesty or fraud on the part of producers or dealers.... Over and over again, it has been found impossible to establish trades, because no valid security can be given that agents and intermediate dealers will be honest. The correction to these vices, which always react on those who practise them, may be hoped for partly in the spread of moral principle and an enlightened interpretation of what constitutes real self-interest, partly in the effectiveness of private and public police. The latter of these methods of repression is not necessarily operative, for it is not always easy to be sure of the integrity and activity of those who are appointed to watch over the administration of law; the former is to some extent satisfied by the use of *trade marks*, and the interest which honest producers have in securing themselves against forgery of the symbols adopted by them in order to distinguish their wares from those manufactured by rival houses. These symbols are known as *trade marks*, and the custom of using some such marks has become almost universal among those traders who believe that such an advertisement is at once a means for diffusing the knowledge of their goods, and of protecting themselves from fraudulent imitations. The earliest of these marks appear to have been those which were used in the manufacture of paper; and of paper *water-marks*, the earliest appears to be on a document bearing the date 1351, i.e. shortly after the invention of paper from linen rags. *Trade-marks* have also been used for a long time on cutlery; and in some cases, as in the ancient statutes relating to wool, the use of a *trade mark* has been recognised by Act of Parliament. *Trade marks* have, however, been very commonly forged or counterfeited, and the Court of Chancery has in numerous cases been called on to interfere by injunction for the purpose of restraining this practice. By a recent statute (25 & 26 Vict. c. 88), frauds of this nature have been made punishable by fine and imprisonment.—*Rogers*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tráder. *s.* One who, that which, trades; one engaged in merchandise or commerce.

Pilgrims are going to Canterbury with rich offerings, and *traders* riding to London with fat purses.—*Shakespear, Henry IV. Part I.* i. 2.

Now the victory's won,
We return to our lasses like fortunate *traders*,
Triumphant with spoils of the vanquish'd invaders.
Dryden, King Arthur, i. 2.

Many *traders* will necessitate merchants to trade for less profit, and consequently be more frugal.—*Sir J. Child, Discourse on Trade.*

That day *traders* sum up the accounts of the week.—*Swift.*

Trades-únion. *s.* [two words.] See extract.

The purpose of a *trades' union* is... the settlement of the proportion which wages should bear to profits. The effectiveness of a *trades union* depends on: (1) the esprit de corps of the workmen themselves; (2) moral restraint; and (3) unfortunately, when men's passions are heated, coercion exercised on those who are unwilling to join the *trades' union* or are indifferent to its real or supposed advantages; and (4) failing the consent of the employer or general body of employers to the demands made by workmen, the last remedy of a strike. Of late years, the association of workmen for these purposes has occupied a considerable amount of public attention, and even alarm, although no one has ventured to suggest that such combinations ought to be repressed by authority, while many have asserted and argued that a *trades' union*, with all its machinery (short, of course, of coercion), is a natural expedient, and a legitimate defence against wrongs which it is presumed may be inflicted on labour by the power of capital.—*Rogers*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Trádesfolk. *s.* People employed in trades.

By his advice victuallers and *tradesfolk* would soon get all the money of the kingdom into their hands.—*Swift.*

Trádesman. *s.* Shopkeeper: (a merchant is called a *trader*, but not a tradesman; and it seems distinguished in Shakespeare from a man that labours with his hands).

I live by the awl, I meddle with no *tradesmen's* matters.—*Shakespear, Julius Cæsar*, i. 1.

They rather had beheld
Dissentious numbers pest'ring streets, than see
Our *tradesmen* singing in their shops, and going
About their functions. *Id., Coriolanus*, iv. 6.

Order a trade thither and thence so as some few merchants and *tradesmen*, under colour of furnishing the colony with necessaries, may not grind them.—*Bacon.*

M. Jourdain would not be thought a *tradesman*, but ordered some silk to be measured out to his partner's friends: now I give up my shop.—*Prior.*

From a plain *tradesman* with a shop, he is now grown a very rich country gentleman.—*Arbuthnot, History of John Bull.*

Domesticks in a gentleman's family have more opportunities of improving their minds, than the ordinary *tradesman*.—*Swift.*

Boastful and rough, your first son is a squire;
The next a *tradesman*, meek and much a liar.
Pope, Moral Essays, i. 151.

Penitens was a busy notable *tradesman*, very prosperous in his dealings, but died in the thirty-fifth year of his age.—*Law.*

Trádespeople. *s.* Tradesfolk: (the word under notice being, at present, the *commoner* one.).

Trádewind. *s.* Monsoon.

Thus to the eastern wealth through storms we go,
But now, the Cape once doubled, fear no more;
A constant *trade-wind* will securely blow,
And gently lay us on the spicy shore.
Dryden, Annus Mirabilis, cccix.

His were the projects of perpetuum mobile and of increasing the *trade-wind* by vast plantations of reeds.—*Arbuthnot.*

The regularity of the *trade winds* is disturbed in some places by local causes, and chiefly by the superior rarefaction of the air over land heated by the sun's rays. They extend farther to the northward or southward according as the sun's declination is north or south; and in some places they become periodical, blowing one half of the year in one direction, and the other half in the opposite one. In the great Pacific ocean, however, the *trade wind* blows with a uniform and gentle breeze all the year round. The name of *trade winds* was given to them from their important influence in commerce.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tráding. *part. adj.*

1. Engaged in trade.

Scarcely known before the end of the sixth century, Amalfi ran a brilliant career, as a free and *trading* republic, which was checked by the arms of a conqueror in the middle of the twelfth.—*Hallam, View of the State of Europe during the Middle Ages.*

Alexandria under the Romans was still the centre of the *trading* world, not only having its own great trade in corn, but being the port through which the trade of India and Arabia passed to Europe, and at which the Syrian vessels touched in their way to Italy.—*Sharpe, History of Egypt*, ch. xiii.

2. Applied as a term of contempt or disapprobation to any one whose actions as a public man are regulated by his interest rather than his principles; venal; having the character of an adventurer; being in the market; having a price.

Mr. Canning reasoned himself into a belief which he was wont to profess, that no man can serve his country with effect out of office.... A more pernicious notion never entered the mind of a public man, nor one more fitted to undermine his public virtue. It may be made the cloak for every species of flagitious and sordid calculation; and what in him was only a sophistical self-deception, or a mere illusion of dangerous self-love, might have been, by the common herd of *trading* politicians, used as the cover for every low, and despicable, and unprincipled artifice.—*Lord Brougham, Historical Sketches of Statesmen during the Reign of George III., Mr. Canning.*

3. Having a trade wind.

They on the *trading* flood ply towards the pole.
Milton, Paradise Lost, ii. 640.

Tráding. *verbal abs.* Act of one who trades; practice of a trade.

He commanded these servants to be called unto him to whom he had given the money, that he might know how much every man had gained by *trading*. *Luke*, xix. 15.

Tradition. *s.* [Fr.; Lat. *traditio, -onis*; *trado* = I deliver; pass. part. *traditus*.]

1. Act or practice of delivering accounts from mouth to mouth without written memorials; communication from age to age.

To learn it we have *tradition*; namely, that so we believe, because both we from our predecessors, and they from theirs, have so received.—*Hooker, Ecclesiastical Polity.*

Tradition, in theology, ... is commonly employed to denote any doctrine or alleged fact, delivered or handed down, and received on the faith that the first to whom it was delivered received it from an authentic source. Hence, it is used, generally, to denote that body of doctrine and discipline supposed to have been put forth in the first Christian age, and not committed to writing, the word being thus used in a contrary sense from Scripture. Such *traditions* are said to be of two sorts—*tradition* of doctrine (such as that of the Trinity), which is commonly said to be directly affirmed by *tradition* and proved by Scripture; and *tradition* of rites and ceremonies, called by Hooker '*traditions* ecclesiastical.'—*Coxe*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Anything delivered orally from age to age.

They the truth
With superstitions and *traditions* taint,
Left only in those written records pure.
Milton, Paradise Lost, xii. 511.

It is well known to have been a general *tradition* amongst these nations, that the world was made and had a beginning.—*Bishop Wilkins.*

Our old solemnities
From no blind zeal or fond *tradition* rise;
But, saved from death, our Argives yearly pay
These grateful honours to the God of day.
Pope, Translation of the First Book of the Thebaid of Statius.

If it be demanded, by what cause it happened that a few sparks of ancient learning survived throughout this long winter, we can only ascribe their preservation to the establishment of Christianity.... The memory of Greece and Rome would have been feebly preserved by *tradition*, and the monuments of those nations might have excited, on the return of civilization, that vague sentiment of speculation and wonder with which men now contemplate Persepolis or the Pyramids.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ix.

3. Traditional practice; old custom.

Throw away respect,
Tradition, form, and ceremonious duty.
Shakespear, Richard II. iii. 2.

4. Act of giving up; delivery. *Latinism.*

A deed takes effect only from the *tradition* or delivery.—*Sir W. Blackstone, Commentary on the Laws of England.*

Tradítional. *adj.*

1. Delivered by tradition; descending by oral communication; transmitted by the foregoing to the following age.

Whence may we have the infallible *traditional* sense of Scripture, if not from the heads of their church?—*Archbishop Tillotson.*

If there be any difference in natural parts, it should seem the advantage lies on the side of children born from wealthy parents, the same *traditional* sloth and luxury which render their body weak, perhaps refining their spirits.—*Swift.*

A belief in judicial astrology can now only exist in

the people, who may be said to have no belief at all; for mere *traditional* sentiments can hardly be said to amount to a belief.—*I. Disraeli, Curiosities of Literature, English Astrologers.*

The proverbs of a father became the inheritance of a son; the mistress of a family perpetuated hers through her household; the workman condensed some *traditional* secret of his craft into a proverbial expression.—*Ibid., The Philosophy of Proverbs.*

2. Observant of traditions, or idle rites: (so explained by Johnson, and, at the same time condemned as 'not used, nor proper').

God forbid
We should infringe the holy privilege
Of sanctuary!—
You are too senseless obstinate, my lord;
Too ceremonious and *traditional.*
Shakespear, Richard III. iii. 1.

Tradítionally. *adv.* In a traditional manner.

1. By transmission from age to age.

There is another channel wherein this doctrine is *traditionally* derived from Saint John, namely, from the clergy of Asia.—*T. Burnet, Theory of the Earth.*

2. From tradition without evidence of written memorials.

It crosseth the proverb, and Rome might well be built in a day, if that were true which is *traditionally* related by Strabo, that the great cities Anchiale and Tarsus were built by Sardanapalus both in one day.—*Sir T. Browne, Vulgar Errours.*

Tradítionary. *adj.* Delivered by tradition; transmissive; handed down from age to age.

Suppose the same *traditionary* strain
Of rigid manners in the house remain,
Inveterate truth, an old plain Sabine's heart.
Dryden, Translation of Juvenal, x. 460.

Oral tradition is more uncertain, especially if we may take that to be the *traditionary* sense of texts of Scripture.—*Archbishop Tillotson.*

The fame of our Saviour, which in so few years had gone through the whole earth, was confirmed and perpetuated by such records as would preserve the *traditionary* account of him to after ages.—*Addison, On the Christian Religion.*

The mechanical execution [in the church architecture of the fifteenth century] continued to improve, and is so far beyond the apparent intellectual powers of those times, that some have ascribed the principal ecclesiastical structures to the fraternity of freemasons, depositaries of a concealed and *traditionary* science.—*Hallam, View of the State of Europe during the Middle Ages,* pt. ii. ch. ix.

The period in the Papal history has arrived which in the Italian writers is called the Babylonish captivity: it lasted more than seventy years. Rome is no longer the Metropolis of Christendom: the Pope is a French prelate. The successor of St. Peter is not on St. Peter's throne; he is environed with none of the *traditionary* majesty or *traditionary* sanctity of the Eternal City; he has abandoned the holy bodies of the Apostles, the churches of the Apostles.—*Milman, History of Latin Christianity,* b. xiii. ch. i.

His [Gay's] celebrated English opera [the Beggar's Opera], as it was the first attempt of the kind, still remains the only one that has been eminently successful. Now, indeed, that much of the wit has lost its point and application to existing characters and circumstances, the dialogue of the play, apart from the music, may be admitted to owe its popularity in some degree to its *traditionary* fame; but still what is temporary in it is intermixed with a sufficiently diffused, though not very rich, vein of general satire, to allow the whole to retain considerable piquancy.—*Craik, History of English Literature,* vol. ii. p. 245.

Tradítioner. *s.* Traditionist: (if used at present it would probably imply *contempt*).

The eastern *traditioners* mean by this a continual sadness and contristation of heart.—*Gregory, Notes on Scripture,* p. 123: ed. 1684.

Tradítionist. *s.* One who adheres to, supports, relies on, tradition.

We are not able to ascertain who the Masorites or *traditionists* were, that settled the present standard of the Hebrew Scriptures.—*Pilkington, Remarks upon several Passages of Scripture,* p. 15: 1759.

Tráditive. *adj.* Transmitted or transmissible from age to age.

The *traditive* interpretation and practice of the church.—*Jeremy Taylor, On Confirmation.*

Suppose we on things *traditive* divide,
And both appeal to Scripture to decide.
Dryden, Hind and Panther, ii. 196.

Tráditor. *s.* One who betrays: (word for word, *traitor* in its Latin form).

There were in the church itself *traditors,* content to deliver up the books of God by composition, to the end their own lies might be spared.—*Hooker, Ecclesiastical Polity,* b. v. § 62. (Ord MS.)

The laity, the ministers, the deacons, the presbyters, nay the bishops themselves, the princes and chief of all, proved *traditors.*—*Jeremy Taylor, Episcopacy Asserted,* p. 28. (Ord MS.)

Such men were called chorepiscopi who had been bishops of cities, but had fallen from their honour by communicating in Gentile sacrifices, and by being *traditors.*—*Ibid.* p. 32. (Ord MS.)

Tradrille. *s.* Game of cards so called.

Pope was her favourite author: his Rape of the Lock her favourite work. She once did me the favour to play over with me (with the cards) his celebrated game of Ombre in that poem; and to explain to me how far it agreed with, and in what points it would be found to differ from, *tradrille.* Her illustrations were apposite and poignant; and I had the pleasure of sending the substance of them to Mr. Bowles; but I suppose they came too late to be inserted among his ingenious notes upon that author.—*C. Lamb, Essays of Elia, Mrs. Battle's Opinions on Whist.*

Tradúce. *v. a.* [Lat. *traduco,* from *trans* = over, across + *duco* = I lead.]

1. Censure; condemn; represent as blameable; calumniate; decry.

The best stratagem that Satan hath, who knoweth his kingdom to be no one way more shaken than by the publick devout prayers of God's church, is by *traducing* the form and manner of them, to bring them into contempt, and so slack the force of all men's devotion towards them.—*Hooker, Ecclesiastical Polity.*

Those particular ceremonies which they pretend to be so scandalous, we shall more thoroughly sift, when other things also *traduced* in the publick duties of the church are, together with these, to be touched.—*Ibid.*

For *traducing* such
As are above us . . . we are as innocent
As those that are born blind.
Massinger, The Roman Actor, i. 3.

Whilst calumny has such potent abettors, we are not to wonder at its growth: as long as men are malicious and designing they will be *traducing.*—*Dr. H. More, Government of the Tongue.*

From that preface he took his hint; though he had the baseness not to acknowledge his benefactor, but instead of it to *traduce* me in libel.—*Dryden, Preface to the Tales and Fables.*

2. Propagate; increase or continue by deriving one from another.

None are so gross as to contend for this,
That souls from bodies may *traduced* be;
Between whose natures no proportion is,
When root and branch in nature still agree.
Sir J. Davies, Immortality of the Soul.

From these only the race of perfect animals were propagated and *traduced* over the earth.—*Sir M. Hale.*

Some believe the soul is made by God, some by angels, and some by the generant: whether it be immediately created or *traduced* hath been the great ball of contention to the latter ages.—*Glanville, Scepsis Scientifica.*

Tradúcement. *s.* Censure; obloquy.

Rome must know
The value of her own: 'twere a concealment
Worse than a theft, no less than a *traducement,*
To hide your doings. *Shakespear, Coriolanus,* i. 9.

If any take exceptions, . . . most of them are but *traducements* and pretensions.—*Howell, Letters,* iv. 23.

Tradúcer. *s.* One who traduces.

1. False censurer; calumniator.

St. Austin tells the *traducers,* that 'tis for want of a serious and solid casuistry, that they plunge themselves into such gross misrepresentations.—*Bibliotheca Biblica,* i. 323: 1720.

2. One who derives.

Tradúcible. *adj.* That may be derived.

Though oral tradition might be a competent discoverer of the original of a kingdom, yet such a tradition were incompetent without written monuments to derive to us the original laws, because they are of a complex nature, and therefore not orally *traducible* to so great a distance of ages.—*Sir M. Hale.*

Tradúct. *v. a.* [Lat. *traductus,* pass. part. of *traduco*; *traductio, -onis.*] Derive. *Rare.*

Consider our nature, as it is now depraved in us, and by the corrupt conduct of our sinful parents *traducted* unto us.—*Fotherby, Atheomastix,* p. 281: 1622.

No soul of man from seed *traducted* is.
Dr. H. More, Pre-existence of the Soul, xci.

Tradúction. *s.* [Lat. *traductio, -onis.*]

1. Derivation from one of the same kind; propagation.

The patrons of *traduction* accuse their adversaries of affronting the attributes of God; and the asserters of creation impeach them of violence to the nature of things.—*Glanville.*

If by *traduction* came thy mind,
Our wonder is the less to find
A soul so charming from a stock so good;
Thy father was transfused into thy blood. *Dryden.*

2. Tradition; transmission from one to another.

Touching traditional communication and *traduction* of truths connatural and engraven, I do not doubt but many of them have had the help of that derivation.—*Sir M. Hale.*

3. Conveyance; act of transferring.

Since America is divided on every side by considerable seas, and no passage known by land, the *traduction* of brutes could only be by shipping: though this was a method used for the *traduction* of useful cattle from hence thither, yet it is not credible that bears and lions should have so much care used for their transportation.—*Sir M. Hale, Origination of Mankind.*

4. Transition.

The reports and fugues have an agreement with the figures in rhetorick of repetition and *traduction.*—*Bacon.*

Tradúctive. *adj.* Derivable; deducible.

It will consist only of a number of instances of similar customs of a striking nature, which all would judge imitations and *traductive,* if that system be true.—*Bishop Warburton, Letters to Bishop Hurd,* letter xcv.

Trafálgar. *s.* In *Printing.* Name of a large type used in printing hand-bills or posting-bills.

Tráffic. *s.* [Fr. *trafique*; Lat. *trans* = across, *fretum* = sea.]

1. Commerce; merchandising; large trade; exchange of commodities: (*traffic* was formerly used of foreign commerce in distinction from *trade*).

Traffick's thy god.
Shakespear, Timon of Athens, i. 1.

As he was, for his great wisdom, stiled the English Solomon, he followed the example of that wise king in nothing more than by advancing the *traffick* of his people.—*Addison.*

2. Commodities; subject of traffic.

You'll see a draggled damsel
From Billingsgate her fishy *traffick* bear. *Gay.*

Tráffick. *v. n.* [spelt with *k,* because the addition of *i,* in the participle immediately upon *c* would render the *c* liable to be sounded as *s* (*traficing*).]

1. Practise commerce; merchandise; exchange commodities.

They first plant for corn and cattle, and after enlarge themselves for things to *traffick* withal.—*Bacon, Advice to Villiers.*

2. Trade meanly or mercenarily.

Saucy and overbold! how did you dare
To trade and *traffick with* Macbeth,
In riddles and affairs of death?
Shakespear, Macbeth, iii. 5.

How hast thou dared to think so vilely of me,
That I would condescend to thy mean arts,
And *traffick* with thee for a prince's ruin? *Rowe.*

Tráffick. *v. a.*

1. Exchange in traffic. *Rare.*

If in our converse we do not interchange sober useful notions, we shall at the best but *traffick* toys and baubles, and most commonly infection and poison.—*Dr. H. More, Government of the Tongue,* p. 208.

2. Bargained; arranged as a matter of bargain, or as a job. *Rare.*

He *trafficked* the return of King James.—*Drummond, History of James I.* p. 14. (Ord MS.)

Tráfficable. *adj.* Capable of being trafficked, or trafficked in; capable of being an object of traffic; marketable. *Rare.*

Money itself . . . is in some cases a *traffickable* commodity.—*Bishop Hall, Cases of Conscience,* i. 1.

Tráfficker. *s.* [Fr. *trafiqueur.*] One who traffics; trader; merchant.

Your argosies with portly sail,
Like signiors and rich burghers on the flood,
Do overpeer the petty *traffickers*
That curtsy to them.
Shakespear, Merchant of Venice, i. 1.

In it are so many Jews very rich, and so great *traffickers,* that they have most of the English trade in their hands.—*Addison.*

Tráfficking. *verbal abs.* Bargaining; dealing; jobbing.

The main business about which the archbishop came, was the *trafficking* of a marriage between Lewis the Dauphin, though then very young, with

Margaret, daughter to King James.—*Drummond, History of James*, p. 6.

Thus the antagonism went on, irritating Elizabeth . . . into dangerous *traffickings* with the Bishop of Aquila and his successor.—*J. A. Froude, History of England, Reign of Elizabeth*, vol. ii. p. 132: 1863.

Trágacanth. *s.* [Gr. τραγάκανθα, from τράγος = he goat + ἄκανθα = thorn.] In *Botany*. Tree yielding a gum, the gum itself being called gum *tragacanth*; in which combination the word under notice is *adjectival* and *post-positive*.

Tragacanth is yielded by Astragalus verus and similar spiny species; A. creticus and A. cristatus furnish it in Greece; A. gummifer on Mount Lebanon and in Koordistan; and A. strobiliferus in the latter country.—*Lindley, Vegetable Kingdom.*

Tragédian. *s.*

1. Writer of tragedy.

Many of the poets themselves had much nobler conceptions of the Deity, than to imagine him to have anything corporeal; as in these verses out of the ancient *tragedian*.—*Bishop Stillingfleet.*

2. Actor of tragedy.

I can counterfeit the deep *tragedian*;
Speak, and look back, and pry on ev'ry side,
Tremble and start at wagging of a straw,
Intending deep suspicion.
Shakespear, Richard III. iii. 5.

Cite Paris the *tragedian*.
Massinger, The Roman Actor, i. 3.

To the well-lung'd *tragedian's* rage
They recommend their labours of the stage.
Dryden, Translation of Persius, v. 3.

Trágedy. *s.* [Fr. *tragédie*; Lat. *tragœdia*.]

1. Dramatic representation of a serious action.

Thousands more, that yet suspect no peril,
Will now conclude their plotted *tragedy*.
Shakespear, Henry VI. Part II. iii. 1.

All our *tragedies* are of kings and princes; but you never see a poor man have a part unless it be as a chorus, or to fill up the scenes, to dance, or to be derided.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

Imitate the sister of painting, *tragedy*; which employs the whole forces of her art in the main action.—*Dryden.*

An anthem to their god Dionysus, whilst the goat stood at his altar to be sacrificed, was called the goat-song or *tragedy*.—*Rymer, Tragedies of the last Age.*

There to her heart sad *tragedy* addrest
The dagger, wont to pierce the tyrant's breast.
Pope, Dunciad, iv. 37.

2. Any mournful or dreadful event.

I shall laugh at this,
That they, who brought me in my master's hate,
I live to look upon their *tragedy*.
Shakespear, Richard III. iii. 2.

Trágic. *adj.* [Lat. *tragicus*; Fr. *tragique*.]

1. Relating to tragedy.

The root and tragical effect,
Vouchsafe, O thou the mournfull'st muse of nine,
That wont'st the *tragick* stage for to direct,
In funeral complaints and wailful tine
Reveal to me. *Spenser, Muiopotmos.*

Thy Clarence he is dead that stabb'd my Edward;
And the beholders of this *tragick* play,
Untimely smother'd in their dusky graves.
Shakespear, Richard III. iv. 4.

2. Mournful; calamitous; sorrowful; dreadful.

The gaudy, blabbing, and remorseful day,
Is crept into the bosom of the sea:
And now loud howling wolves arouse the jades,
That drag the *tragick* melancholy night.
Shakespear, Henry VI. Part II. iv. 1.

I now must change those notes to *tragick*.
Milton, Paradise Lost, ix. 6.

Bid them dress their bloody altars
With every circumstance of *tragick* pomp. *Rowe.*

Trágical. *adj.* Tragic.

A dire induction I am witness to;
And will to France, hoping the consequence
Will prove as bitter, black, and *tragical*.
Shakespear, Richard III. iv. 4.

Why look you still so stern and *tragical*?
Id., Henry VI. Part I. iii. 1.

The tale of this song is a pretty *tragical* story; and pleases because it is a copy of nature.—*Addison.*

Trágically. *adv.* In a tragical manner.

1. In a manner befitting tragedy.

Juvenal's genius was sharp and eager; and as his provocations were great, he has revenged them *tragically*.—*Dryden.*

2. Mournfully; sorrowfully; calamitously.

Many complain and cry out very *tragically* of the wretchedness of their hearts.—*South, Sermons*, vi. 465.

Trágicalness. *s.* Attribute suggested by Tragical; mournfulness; calamitousness.

Like bold Phaëtons we despise all benefits of the Father of Light, unless we may guide his chariot; and we moralize the fable as well in the *tragicalness* of the event as in the insolence of the undertaking.—*Dr. H. More, Decay of Christian Piety.*

Tragicómedy. *s.* [Fr. *tragicomédie*.] Drama compounded of merry and serious events.

On the world's stage, when our applause grows high,
For acting here life's *tragi-comedy*,
The lookers on will say we act not well,
Unless the last the former scenes excel.
Sir J. Denham, Of Old Age, pt. iii.

The faults of that drama are in the kind of it, which is *tragi-comedy*; but it was given to the people.—*Dryden.*

We have often had *tragi-comedies* upon the English theatre with success: but in that sort of composition the tragedy and comedy are in distinct scenes.—*Gay.*

Tragi-comedy [is] a compound name, invented to express a class of dramatic compositions which should partake both of tragedy and comedy. If the mixture of serious with humorous portions in the piece alone entitles it to this name, then all the plays of Shakspeare (with the single exception of the Merry Wives of Windsor, to which some add the Twelfth Night) belong to this class; as do, indeed, almost all the works of the old English dramatists. But Troilus and Cressida alone, of the plays of Shakspeare, bears this title in old editions. French critics define the distinction to be, that the event of the *tragi-comedy* is not unhappy or bloody. —*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tragicómical. *adj.* [Fr. *tragicomique*.]

1. Relating to tragicomedy.

The whole art of the *tragi-comical* farce lies in interweaving the several kinds of the drama, so that they cannot be distinguished.—*Gay, The What d'ye call it.*

2. Consisting of a mixture of mirth with sorrow.

But if Perseda understand these news,
Our scene will prove but *tragicomical*.
Kyd, Solyman and Perseda. (Ord MS.)

If any man be disposed to make himself sport, let him read the *tragicomical* relation of the troubles and excommunication of the English at Amsterdam. —*Bishop Hall.*

Tragicómically. *adv.* In a tragicomical manner.

Laws my Pindarick parents matter'd not,
So I was *tragicomically* got. *Bramston.*

Trail. *v. a.* [N.Fr. *trailler*.]

1. Hunt by the track.

2. Draw along the ground.

Beat thou the drum, that it speak mournfully;
Trail your steel pikes. *Shakespear, Coriolanus*, v. 5.

Faintly he stagger'd through the hissing throng,
And hung his head, and *trail'd* his legs along.
Dryden, Translation of the Æneid, v. 627.

3. Draw a long floating or waving body.

What boots the regal circle on his head,
That long behind he *trails* his pompous robe,
And of all monarchs, only grasps the globe? *Pope.*

4. Draw; drag.

Because they shall not *trail* me through their streets
Like a wild beast, I am content to go.
Milton, Samson Agonistes, 1402.

Thrice happy poet, who may *trail*
Thy house about thee like a snail;
Or harness'd to a nag, at ease
Take journies in it, like a chaise;
Or in a boat, whene'er thou wilt,
Canst make it serve thee for a tilt. *Swift.*

Trail. *v. n.* Be drawn out in length.

When his brother saw the red blood *trail*
Adown so fast, and all his armour steepe,
For very fellness loud he gan to weep. *Spenser.*

From o'er the roof the blaze began to move,
And *trailing* vanish'd in th' Idean grove;
It swept a path in heav'n, and shone a guide,
Then in a steaming stench of sulphur died.
Id., Translation of the Æneid, ii. 944.

The original tendency of aerial stems, is vertically upwards; but many are too weak to support themselves in that position, and, in consequence, either *trail* upon the ground, or cling to the surrounding herbage, by means of tendrils, hooks, and various other appendages; which are frequently modifications of the leaf.—*Henslow, Principles of Descriptive and Physiological Botany*, § 55.

Trail. *s.*

1. Scent left on the ground by the animal pursued; track followed by the hunter.

See but the issue of my jealousy: if I cry out thus upon no *trail*, never trust me when I open again.—*Shakespear, Merry Wives of Windsor*, iv. 2.

How cheerfully on the false *trail* they cry!
Oh, this is counter, you false Danish dogs.
Shakespear, Hamlet, iv. 5.

I do think, or else this brain of mine
Hunts not the *trail* of policy so sure
As I have used to do, that I have found
The very cause of Hamlet's lunacy. *Ibid.* ii. 2.

2. Anything drawn to length.

From thence the fuming *trail* began to spread,
And lambent glories danced about her head.
Dryden, Translation of the Æneid, vii. 113.

When lightning shoots in glittering *trails* along,
It shines, 'tis true, and gilds the gloomy night;
But when it strikes, 'tis fatal. *Rowe, Royal Convert.*

3. Anything drawn behind in long undulations.

And round about her work she did empale
With a fair border wrought of sundry flowers,
Enwoven with an ivy winding *trail*.
Spenser, Muiopotmos.

A sudden star it shot through liquid air,
And drew behind a radiant *trail* of hair.
Pope, Rape of the Lock, canto v.

4. In *Cookery*. Intestines of certain birds (snipes) and fishes (red mullet), which, unlike the intestines of most animals, are sent to table instead of being extracted or drawn.

The thrush is presented with the *trail*, because the bird feeds on olives. They may as well eat the *trail* of a sheep, because it feeds on the aromatic herbs of the mountain.—*Smollett, Travels*, letter xviii. (Ord MS.)

Traíler. *s.* One who, that which, trails: (commonest as connected with the verb in its intransitive sense, and applied chiefly in *Botany* to such plants as require support).

With many a deep-hued bell-like flower
Of fragrant *trailers*. *Tennyson, Eleanore.*

Traíling. *part. adj.* Floating, hanging, dragging, or waving, as a trail.

Swift men of foot, whom broad-set backs their *trailing* hair did hide. *Chapman.*

The flames pursued the *trailing* smoke,
Dryden, Palamon and Arcite, iii. 186.

Tràin. *v. a.* [Fr. *trainer*.]

1. Draw along.

In hollow cube
Training his devilish enginery.
Milton, Paradise Lost, vi. 552.

2. Draw; entice; invite; allure.

Something have I added, which want of time *trained* me from at that present.—*Anderson, Sermon at Burghley*, dedication: 1576.

If but twelve French
Were there in arms, they would be as a call
To *train* ten thousand English to their side.
Shakespear, King John, iii. 4.

3. Draw by artifice or stratagem.

For that cause I *train'd* thee to my house.
Shakespear, Henry VI. Part I. ii. 3.

Oh, *train* me not, sweet mermaid, with thy note,
To drown me in thy sister's flood of tears.
Sing, siren, for thyself, and I will doat:
Spread o'er the silver waves thy golden hairs,
And as a bed I'll take thee, and there lie.
Id., Comedy of Errors, iii. 2.

4. Draw from act to act by persuasion or promise.

We did *train* him on,
And his corruption being ta'en from us,
We as the spring of all shall pay for all.
Shakespear, Henry IV. Part I. v. 2.

5. Educate; bring up: (commonly with *up*).

I can speak English,
For I was *train'd up* in the English court.
Shakespear, Henry IV. Part I. iii. 1.

Call some of young years to *train* them *up* in that trade, and so fit them for weighty affairs.—*Bacon.*

Spirits *train'd up* in feast and song.
Milton, Paradise Lost, vi. 167.

The young soldier is to be *trained* on to the warfare of life; wherein care is to be taken that more things be not represented as dangerous than really are so.—*Locke.*

6. Exercise, or form to any practice by exercise.

The warrior horse here bred he's taught to *train*.
Dryden.

Train. *s.* [Fr.]

1. Artifice; stratagem of enticement.

He cast by treaty and by *trains*
Her to persuade. *Spenser.*

Their general did with due care provide,
To save his men from ambush and from *train*.
Fairfax.

This moved the king,
To lay to draw him in by any *train*.
Daniel, Civil Wars of York and Lancaster.
Swoll'n with pride into the snare I fell
Of fair fallacious looks, venereal *trains*,
Soften'd with pleasure and voluptuous life.
Milton, Samson Agonistes, 532.
Now to my charms
And to my wily *trains!* I shall ere long
Be well stock'd with as fair a herd as grazed
About my mother Circe. *Id., Comus*, 151.
The practice begins of crafty men upon the simple and good; these easily follow and are caught, while the others lay *trains* and pursue a game.—*Sir W. Temple.*

2. Part of a gown that falls behind upon the ground.
A thousand pounds a-year, for pure respect!
That promises more thousands: honour's *train*
Is longer than his fore skirts.
Shakespear, Henry VIII. ii. 3.

3. Tail of a bird.
Costly followers are not to be liked, lest while a man makes his *train* longer, he makes his wings shorter.—*Bacon.*
Contracting their body, and being forced to draw in their fore parts to establish the hinder in the elevation of the *train*, if the fore parts do part and incline to the ground, the hinder grow too weak, and suffer the *train* to fall.—*Sir T. Browne, Vulgar Errours.*
The bird guideth her body with her *train*, and the ship is steered with the rudder.—*Hakewill, Apology.*
Can the beauty of the peacock's *train*, or the ostrich plume, be delicious to the palet or the throat?—*Jeremy Taylor, Worthy Communicant.*
The other, whose gay *train*
Adorns him, colour'd with the florid hue
Of rainbows and starry eyes.
Milton, Paradise Lost, vii. 444.
The *train* steers their flights, and turns their bodies like the rudder of a ship; as the kite, by a light turning of his *train*, moves his body which way he pleases.—*Ray.*
The *train* (of the great white heron) is composed of a great number of long, thick tapering shafts, arising from the lower part of the shoulder, and thinly furnished on each side with fine flowing hair-like threads, of several inches in length, covering the lower part of the back, and falling gracefully over the tail, which it entirely conceals.—*Wilson, American Ornithology.* (Ord MS.)

4. Series; consecution, either local or mental.
Rivers now
Stream, and perpetual draw their humid *train*.
Milton, Paradise Lost, vii. 305.
Distinct gradual growth in knowledge carries its own light with it, in every step of its progression, in an easy and orderly *train*.—*Locke.*
If we reflect on what is observable in ourselves, we shall find our ideas always passing in *train*, one going and another coming, without intermission.—*Id.*
They laboured in vain so far to reach the apostle's meaning, all along in the *train* of what he said.—*Id.*
Some truths result from any ideas, as soon as the mind puts them into propositions; other truths require a *train* of ideas placed in order, a due comparing of them, and deductions made with attention.—*Id.*
What would'st thou have me do? consider well
The *train* of ills our love would draw behind it.
Addison, Cato.
The Author of your beings can by a glance of the eye, or a word speaking, enlighten your mind, and conduct you to a *train* of happy sentiments.—*Watts.*

5. Process; method; state of procedure.
If things were once in this *train*, if virtue were established as necessary to reputation, and vice not only loaded with infamy, but made the infallible ruin of all men's pretensions, our duty would take root in our nature.—*Swift.*

6. Retinue; number of followers or attendants.
My *train* are men of choice and rarest parts,
That in the most exact regard support
The worships of their names.
Shakespear, King Lear, i. 4.
Our sire walks forth, without more *train*
Accompanied than with his own complete
Perfections. *Milton, Paradise Lost*, v. 351.
Thou shouldst be seen
A goddess among gods, adored, and served
By angels numberless, thy daily *train*. *Ibid.* ix. 546.
The king's daughter, with a lovely *train*
Of fellow nymphs, was sporting on the plain.
Addison, Translation from Ovid, Europa's Rape.

7. Orderly company; procession.
Fairest of stars, last in the *train* of night,
If better thou belong not to the dawn.
Milton, Paradise Lost, v. 166.
Who the knights in green, and what the *train*
Of ladies dress'd with daisies on the plain?
Dryden, The Flower and the Leaf, 529.

8. Line of powder leading to the mine.
Since first they fail'd in their designs,
To take in heaven by springing mines;
And with unanswerable barrels
Of gunpowder dispute their quarrels;
Now take a course more practicable,
By laying *trains* to fire the rabble.
Butler, Hudibras, iii. 2, 1567.
Shall he that gives fire to the *train* pretend to wash his hands of the hurt that's done by the playing of the mine?—*Sir R. L'Estrange.*

Train of artillery. Cannons accompanying an army.
With an army abundantly supplied with a *train of artillery*, and all other provisions necessary, the king advanced towards Scotland.—*Lord Clarendon, History of the Grand Rebellion.*

Railway train, or simply, *train*. Line of carriages, along with the engine and tender, for locomotion on a railway.

Traínable. *adj.* Capable of being trained.
Youth [is] by grace and good councell *traynable* to vertue.—*Lusty Juventus.*

Traínband. *s.* [generally the *trainbands.*] Old militia of the City of London.
He directed the *trainbands*, which consisted of the most substantial householders, to attend.—*Lord Clarendon, History of the Grand Rebellion.*
Yet you may give commission
To some bold man, whose loyalty you trust,
And let him raise the *trainbands* of the city.
Dryden, Spanish Friar, iv. 2.
A council of war was called, wherein we agreed to retreat: but before we could give the word, the *trainbands*, taking advantage of our delay, fled first.—*Addison.*
Used *adjectivally* and in the *singular*.
John Gilpin was a citizen,
Of credit and renown;
A *train-band* captain eke was he,
Of famous London town. *Cowper, John Gilpin.*

Trained. *adj.*
1. Having a train.
He swooping went
In his *train'd* gown about the stage.
B. Jonson, Translation of Horace's Art of Poetry (Epistola ad Pisones).
2. Brought up; instructed.
When Abram heard that his brother was taken captive, he armed his *trained* servants born in his own house, three hundred and eighteen, and pursued them.—*Genesis*, xiv. 14.

Traíner. *s.* One who trains.
a. In the way of education.
b. For feats requiring certain physical qualities, as those of a horse for racing, or a pugilist for a prize fight. It is to this kind of training that the word is now nearly limited.

Traíning. *s.*
1. Act of forming to any exercise by practice.
A most rare speaker,
To nature none more bound; his *training* such
That he may furnish and instruct great teachers.
Shakespear, Henry VIII. i. 2.
Such superficial *trainings* as were used by the lieutenants of the several counties here in England.—*Bishop Sanderson, Cases of Conscience*, p. 61.
With *up*.
A place for exercise and *training up* of youth in the fashion of the heathen.—2 *Maccabees*, iv. 9.
2. State of being trained: (with *in* or *into*).
But I say, if I am to match with that nice girl, say the word, that I may go *into training* accordingly.—*Morton, Secrets worth Knowing*, ii. 1.

Trainoíl. *s.* [Danish, *tran.*] Oil from the blubber of the whale. See Whale.

Traíny. *adj.* Belonging to train oil: (condemned by Johnson as a *bad* word).
Here steams ascend,
That in mixed fumes the wrinkled nose offend ...
Where the huge hogsheads sweat with *trainy* oil.
Gay, Trivia, ii. 247.

Trait. *s.* [Fr.] Stroke; touch: (stated by Johnson to be 'scarce English;' even now, though the word is common, few venture to pronounce it as an English word).
By this single *trait* Homer marks an essential difference between the Iliad and Odyssey; that in the former the people perished by the folly of their kings; in this by their own folly.—*Broome, On the Odyssey.*

Traítor. *s.* [Fr. *traître*; Lat. *traditor.*] One who being trusted betrays.
The law laid that grievous punishment upon *traitors*, to forfeit all their lands to the prince, that men might be terrified from committing treasons.—*Spenser, View of the State of Ireland.*
If you flatter him, you are a great *traitor* to him.—*Bacon.*
I'll put him thus far into the plot, that he should be secured as a *traitor*; but when I am out of reach, he shall be released.—*Dryden, Spanish Friar.*
There is no difference, in point of morality, whether a man calls me *traitor* in one word, or says I am one hired to betray my religion, and sell my country.—*Swift.*
For, from the utmost realms of earth, came pouring
The banded slaves whom every despot sent
At that throned *traitor's* summons.
Shelley, Revolt of Islam, x. 4.
About half a mile from the landing-place a smuggler named Hunt lived on a dreary and unwholesome fen. ... Cargoes of Lyons silks and Valenciennes lace sufficient to load thirty packhorses had repeatedly been landed in that dismal solitude without attracting notice. But, since the revolution, Hunt had discovered that of all cargoes a cargo of *traitors* paid best. His lonely abode became the resort of men of high consideration, Earls and Barons, Knights and Doctors of Divinity.—*Macaulay, History of England*, ch. xxi.
Used *adjectivally*.
Each rebel wish, each *traitor* inclination.
Johnson, Irene.

Traítorly. *adj.* In a traitorous manner; as a traitor; treacherous; perfidious.
These *traitorly* rascals' miseries are to be smiled at, their offences being so capital.—*Shakespear, Winter's Tale*, iv. 3.

Traítorous. *adj.* Treacherous; perfidious; faithless.
What news with him, that *traitorous* wight?
Daniel.
Pontinius knows not you
While you stand out upon these *traitorous* terms.
B. Jonson, Catiline's Conspiracy, iv. 8.
The *traitorous* or treacherous, who have misled others, he would have severely punished, and the neutrals noted.—*Bacon.*
More of his majesty's friends have lost their lives in this rebellion than of his *traitorous* subjects.—*Addison, Freeholder.*

Traítorously. *adv.* In a traitorous manner; perfidiously; treacherously.
Good duke Humphry *traitorously* is murther'd
By Suffolk. *Shakespear, Henry VI. Part II.* iii. 2.
Thou bitter sweet! whom I had laid
Next me, me *traitorously* hast betray'd;
And unsuspected half invisibly
At once fled into him, and stay'd with me. *Donne.*
They had *traitorously* endeavoured to subvert the fundamental laws, deprive the king of his regal power, and to place on his subjects a tyrannical power.—*Lord Clarendon, History of the Grand Rebellion.*
For *traitorously* did that foul tyrant robe
His countenance in lies,—even at the hour
When he was snatched from death.
Shelley, Revolt of Islam, x. 7.

Traítress. *s.* Female traitor.
I, what I am, by what I was, o'ercome:
Traitress, restore my beauty and my charms,
Nor steal my conquest with my proper arms.
Dryden, Aurengzebe, v. 1.
I am not going to play *traitress* to my system, even for the Duke of St. James.—*B. Disraeli, The Young Duke*, b. ii. ch. vi.

Trajéct. *v. a.* [Lat. *trajectus.*] Cast through; throw.
The disputes of those assuming confidents, that think so highly of their attainments, are like the controversy of those in Plato's den, who having never seen but the shadow of a horse *trajected*, eagerly contended, whether its neighing proceeded from its appearing mane or tail.—*Glanville, Scepsis Scientifica.*
If there are different kinds of æther, they have a different degree of rarity, by which it becomes so fit a medium for *trajecting* the light of all celestial bodies.—*Grew, Cosmologia Sacra.*
If the sun's light be *trajected* through three or more cross prisms successively, those rays which in the first prism are refracted more than others are, in all the following prisms, refracted more than others in the same proportion.—*Sir I. Newton.*

Tráject. *s.* [Fr. *trajet*; Lat. *trajectus.*] Ferry; passage for a water-carriage.
What notes and garments he doth give thee,
Bring to the *traject*, to the common ferry,
Which trades to Venice.
Shakespear, Merchant of Venice, iii. 4.

Trajéction. *s.* [Lat. *trajectio, -onis.*]
1. Act of darting through.
Later astronomers have observed the free motion of such comets as have, by a *trajection* through the æther, wandered through the celestial or interstellar part of the universe.—*Boyle.*
2. Emission.
The *trajections* of such an object more sharply

pierce the martyred soul of John, than afterwards did the nails the crucified body of Peter.—*Sir T. Browne, Vulgar Errours.*

3. Transposition.

Nor is the postposition of the nominative case to the verb against the use of the tongue; nor the *trajection* here so great, but the Latin will admit the same order of the words.—*Mede, On Daniel*, p. 36.

The *trajection* is so familiar, that I cannot but wonder that any should scruple at it.—*Sir N. Knatchbull, Annotations on some Difficult Texts in the New Testament*, p. 319.

Trajéctory. *s.* Orbit of a comet.

I might preface to you in the words of Sir Isaac Newton, when he found out the *trajectory* of a comet.—*Harris, On the 53rd Chapter of Isaiah*, p. 124.

Those bodies, in short, revolve in orbits: but there are (or, conformably to the laws of astronomy, there might be) others which, instead of an orbit, describe a *trajectory*, or a course not returning into itself.—*J. S. Mill, System of Logic*, pt. vi. ch. x. § 3.

Tralátion. *s.* [Lat. *tralatio, -onis*; *latus* = borne, brought, carried.] Use of a word in a less proper but more significant notion.

According to the broad *tralation* of his rude Rhemists.—*Bishop Hall, Honour of the Married Clergy*, p. 80.

Tralatítious. *adj.* [Lat. *tralatitius.*] Metaphorical; not literal.

Unless we could contrive a perfect set of new words, there is no speaking of the Deity without using our old ones in a *tralatitious* sense.—*Stackhouse, History of the Bible*, b. iv. ch. i.

Tralatítiously. *adv.* Metaphorically; not literally; not according to the first intention of the word.

Language properly is that of the tongue directed to the ear by speaking; written language is *tralatitiously* so called, because it is made to represent to the eye the same words which are pronounced.—*Holder, Elements of Speech.*

Tralíneate. *v. n.* [Lat. *linea* = line.] Deviate from any direction. *Rare.*

If you *tralineate* from your father's mind,
What are you else but of a bastard kind?
Do then as your progenitors have done,
And by their virtues prove yourself their son.
Dryden.

Tralúcent. *adj.* Translucent. *Rare.*

The aire's *tralucent* gallery.
Sir J. Davies, Orchestra, xlvii.

The clouds were of relievo, embossed and *tralucent.*—*B. Jonson, Masques at Court.*

Tram. *s.* Local name for a coal waggon.

Trámmel. *s.* [Fr. *tramel*; *tramail.*]

1. Net in which birds or fish are caught.

The *trammel* differeth not much from the shape of the bunt, and serveth to such use as the wear and haking.—*Carew, Survey of Cornwall.*

2. Any kind of net.

Her golden locks she roundly did upty
In braided *trammels*, that no looser hairs
Did out of order stray about her dainty ears.
Spenser.

3. Kind of shackles in which horses are taught to pace.

I may go shufflingly at first, for I was never before walked in *trammels*; yet I shall drudge at constancy, till I have worn off the hitching in my pace.—*Dryden, Spanish Friar*, i. 2.

Trámmel. *v. a.* Catch; intercept.

If the assassination
Could *trammel* up the consequence, and catch
With its surcease success. *Shakespear, Macbeth*, i. 7.

It must be added that, while engaged in this most arduous task, he was constantly *trammelled* by orders from home, and frequently borne down by a majority in council.—*Macaulay, Critical and Historical Essays, Warren Hastings.*

Here lies the fundamental difference between the practical views of Hutcheson and those previously received. He, like every great thinker since the seventeenth century, loved human nature, and respected it; but he neither loved nor respected those who unduly *trammelled* it, and thereby weakened its vigour, as well as impaired its beauty.—*Buckle, History of Civilization in England*, vol. ii. ch. vi.

Trámontane. *s.* See Ultramontane.

May not we, that are gross-headed *tramontanes*, imagine and conceit that he is adored as a god amongst you?—*Sheldon, Miracles of Antichrist*, p. 170: 1616.

A happiness those *tramontanes* ne'er tasted.
Massinger, Grand Duke of Florence.

Trámontane. *adj.* Strange; foreign; barbarous.

This gave the lovers opportunities of being abroad in the air, or of lying upon the earth whole hours together, without fear of damp or dews; but as for our *tramontane* lovers, when they begin their midnight complaint with 'My lodging is on the cold ground,' we are not to understand them in the rigour of the letter, since it would be impossible for a British swain to condole himself long in that situation without really dying for his mistress.—*Tatler*, no. 222. (Ord MS.)

When virtue is so scarce,
That to suppose a scene where she presides,
Is *tramontane*, and stumbles all belief.
Cowper, Task, b. iv.

Tramp. *v. a.* [Dutch, *trampen.*] Trample.

It is like unto the camamele; the more ye tread it and *trampe* it, the sweter it smelleth, the thicker it groweth, the better it spreddeth.—*Stapleton, Fortresse of the Faith which Protestants call Papistry*, fol. 86. b.: 1565.

Tramp. *s.*

1. Tramping motion: (in the extract used *adverbially*).

Tramp, tramp along the land they rode,
Splash, splash along the sea;
Hurrah, hurrah, the dead can ride,
Dost fear to ride with me.
Sir W. Scott, Translation of Bürger's Lenore, (William and Ellen).

2. Journey on foot; walking excursion.

3. Tramper: (the monosyllable being the *commoner* word).

The passenger on the coach-box bowled along above such a hamlet saw chiefly the roofs of it; probably it turned its back on the road, and seemed to lie away from everything but its own patch of earth and sky, away from the parish church by long fields and green lanes, away from all intercourse except that of *tramps*. If its face could be seen, it was most likely dirty; but the dirt was Protestant dirt, and the big, bold gin-breathing *tramps* were Protestant *tramps*.—*George Eliot* (*signature*), *Felix Holt the Radical.*

Trámper. *s.* Itinerant workman, or hawker of small wares (distinguished both from the mere beggar and from the gipsy).

We shall be pestered with all the *trampers* that pass upon the road.—*Trampers* indeed! I would have you to know his worship could have rode upon as good a gelding as anyone in the country.—*Graves, Spiritual Quixote*, b. iii. ch. i.

Trámple. *v. a.* Tread under foot; stamp upon, with pride, contempt, or elevation.

Neither cast ye your pearls before swine, lest they *trample* them under their feet.—*Matthew*, vii. 6.

My strength shall *trample* thee as mire.
Milton, Paradise Lost, iv. 1010.

Trámple. *v. n.* Tread in contempt.

Diogenes *trampled* on Plato's pride with greater of his own.—*Dr. H. More, Government of the Tongue.*

Your country's gods I scorn,
And *trample* on their ignominious altars. *Rowe.*

Trámple. *s.* Act of one who tramples; act of treading under foot with contempt.

Under the despiteful control, the *trample* and spurn, of all the other damned.—*Milton, Of Reformation in England*, b. ii.

Trámpling. *part. adj.* Moving as in a tramp, i.e. thickly, regularly, and more or less loudly.

I hear his thund'ring voice resound,
And *trampling* feet that shake the solid ground.
Dryden, Translation of the Æneid, iii. 853.

Trámroad, or **Trámway.** *s.* Road laid with tracks of stone or iron for wagons to run upon.

Trance. *s.* See Transe.

Trance. *v. a.* Entrance.

Would she but shade her tender brows with bay,
That now lie bare in careless wilful rage;
And *trance* herself in that sweet extacy,
That rouseth drooping thoughts of bashful age!
Bishop Hall, Defiance to Envy.

Trángram. *s.* [? *anagram*; the notion of crossness connecting the two; as it may do, one or both, with Tantrums.] Odd intricately contrived thing.

What's the meaning of all these *trangrams* and gimcracks? What are you going about, jumping over my master's hedges, and running your lines cross his grounds?—*Arbuthnot.*

Tránnel. *s.* [?] Sharp pin or bolt.

With a *trannel* of iron, or a large nail ground to a sharp point, they mark the brick.—*Moxon, Mechanical Exercises.*

Tránquil. *adj.* [Fr. *tranquille*; Lat. *tranquillus.*] Quiet; peaceful; undisturbed.

I had been happy,
So I had nothing known. Oh now, for ever
Farewell the *tranquil* mind! farewell content!
Shakespear, Othello, iii. 3.

Tranquíllity. *s.* [N.Fr. *tranquillité*; Lat. *tranquillitas, -atis.*] Quiet; peace of mind; peace of condition; freedom from perturbation.

Leave off,
To let a weary wretch from her due rest,
And trouble dying souls' *tranquillity.* *Spenser.*

How reverend is the face of this tall pile,
Whose aged pillars rear their marble heads
To bear aloft its arch'd and ponderous roof,
By its own weight made stedfast and immovable,
Looking *tranquillity!* *Congreve, Mourning Bride.*

You can scarce imagine any hero passing from one stage of life to another with so much *tranquillity*, so easy a transition, and so laudable a behaviour.—*Pope.*

Tránquillize. *v. a.* [Fr. *tranquilliser.*] Compose; render calm.

The musick employed ought to be of a kind which experience has proved to be most efficacious in soothing and *tranquillizing* the spirits.—*Mason, Three Essays on Church Musick*, p. 22.

When peace shall be restored, and Europe shall be *tranquillized.*—*Bishop Watson, Charge*: 1798.

In thus granting a permission to dissemble, in hope of better opportunity for revolt, this interpretation was not likely to *tranquillize* her council, or conciliate them towards the Romish party.—*Hallam, History of England*, ch. iii.

Trans-, as an element in *composition*, is the Latin for across or beyond.

Tránsact. *v. a.* [Lat. *actus*, pass. part. of *ago* = I do, act; *actio, -onis.*] Manage; negotiate; conduct a treaty or affairs; perform; do; carry on.

It cannot be expected they should mention particulars which were *transacted* amongst some few of the disciples only, as the transfiguration and the agony.—*Addison.*

Transáct. *v. n.* Conduct matters; treat; manage.

It is a matter of no small moment certainly for a man to be rightly informed, upon what terms and conditions he is to *transact* with God, and God with him, in the great business of his salvation.—*South, Sermons*, iii. 3.

Transáction. *s.* Negotiation; dealing between man and man; management; affairs; things managed.

It is not the purpose of this discourse to set down the particular *transactions* of this treaty.—*Lord Clarendon, History of the Grand Rebellion.*

Transáctor. *s.* One who manages; one who conducts affairs.

God, who knows and governs all things, is the sovereign director and *transactor* in matters that so come to pass [the fulfilling of prophecies].—*Derham, Christo-Theology*, p. 21.

Transálpine. *adj.* Lying on the farther side of the Alps. See under Ultramontane.

Travellers, that know *transalpine* garbs.
Beaumont and Fletcher, The Coxcomb.

Where then, when all the world pays its respect,
Lies our *transalpine* barbarous neglect?
Lovelace, Lucasta Posthuma, p. 64.

Transánimate. *v. a.* [Lat. *animatus*, pass. part. of *animo*; *animatio, -onis*; *animus* = mind; *anima* = spirit, soul.] Animate by the conveyance of one soul from another.

Not men; for what spark of humanity? nor dogs; but, by the strangest *μετεμψύχωσις* that ever was feigned by poets, very incarnated, *transanimated* devils.—*Dean King, Sermon on the Fifth of November*, p. 31: 1608.

Transanimátion. *s.* Conveyance of the soul from one body to another.

They believe the *transanimation* of souls into beasts and vegetables.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 115.

If the *transanimation* of Pythagoras were true, that the souls of men transmigrate into species answering their former natures, some men cannot escape that very brood whose sire Satan entered.—*Sir T. Browne, Vulgar Errours.*

Transcénd. *v. a.* [Lat. *scando* = I climb.]

1. Pass; overpass.

It is a dangerous opinion to such popes as shall *transcend* their limits and become tyrannical.—*Bacon.*

2. Surpass; outgo; exceed; excel.

In heighth of courage, depth of understanding,
And all those virtues and remarkable graces
Which make a prince most eminent, our Domitian
Transcends the ancient Romans.
Massinger, The Roman Actor, i. 3.

This glorious piece *transcends* what he could think;
So much his blood is nobler than his ink. *Waller.*
These are they
Deserve their greatness and unenvied stand,
Since what they act *transcends* what they command.
Sir J. Denham, Sarpedon's Speech to Glaucus.
High though her wit, yet humble was her mind,
As if she could not, or she would not find,
How much her worth *transcended* all her kind.
Dryden, Epitaph for the Monument of a Lady at Bath.

3. Surmount; rise above.

Make disquisition whether these unusual lights be meteorological impressions not *transcending* the upper region, or whether to be ranked among celestial bodies.—*Howell.*

Unable as we are to *transcend* consciousness, we can know a relation only as some modification of consciousness. — *Herbert Spencer, Principles of Psychology*, § 81.

Transcénd. *v. n.* Rise beyond something else, by climbing, or as that which climbs. *Obsolete.*

Whose excellence he saw
Transcend his own so far.
Milton, Paradise Lost, v. 457.

To conclude, because things do not easily sink, they do not drown at all, the fallacy is a frequent addition in human expressions, which often give distinct accounts of proximity, and *transcend* from one unto another.—*Sir T. Browne.*

Transcéndence. *s.* Excellence; unusual excellence; supereminence.

In a most weak and debile minister great power, great *transcendence*.—*Shakespear, All's well that ends well*, iii 3.

Transcéndency. *s.*

1. Transcendence.

Lying is the foulest of crimes, as that wherewith God himself (such is the *transcendency* of his truth) cannot possibly dispense.—*Bishop Morton, A Discharge of the Five Imputations against the Bishop of Duresme*, p. 207.

2. Exaggeration; elevation beyond truth.

It is true greatness to have in one the frailty of a man, and the security of a God; this would have done better in poesy, where *transcendencies* are more allowed.—*Bacon, Essays.*

Transcéndent. *adj.*

1. Excellent; supremely excellent; passing others.

There is, in a lawgiver, an habitual and ultimate intention of a more excellent and *transcendent* nature.—*Bishop Sanderson.*

If thou beest he—but O! how fall'n, how changed
From him who in the happy realms of light,
Clothed with *transcendent* brightness, didst outshine
Myriads, though bright.
Milton, Paradise Lost, i. 84.

The right our Creator has to our obedience is of so high and *transcendent* a nature, that it can suffer no competition; his commands must have the first and governing influence on all our actions. —*Rogers, Sermons.*

2. In *Metaphysics*. See under Transcendental; where the construction is, also, *substantival.*

Transcendéntal. *adj.*

1. General; pervading many particulars.

Others differ as to species, but as to genus are the same: such are man and lion. There are others again, which differ as to genus, and coincide only in those *transcendental* comprehensions of ens, being, existence, and the like: such are quantities and qualities, as for example an ounce, and the colour white.—*Harris, Hermes*, b. ii. ch. ii.

2. Supereminent; passing others.

Though the Deity perceiveth not pleasure nor pain, as we do; yet he must have a perfect and *transcendental* perception of these, and of all other things.—*Grew, Cosmologia Sacra.*

3. In *Metaphysics*. Connected with the transcendent; ascending above, rising higher, than the high generalizations involved in the *summa* (highest) *genera*: supersensual.

Transcendent is used by the scholastics and the moderns, as opposed to immanent—meaning transcending the categories. *Transcendental*, in the technology of Kant, is used as descriptive of a supersensual use of the categories: (quasi tinged with the *transcendent*). Long, for instance, he [Kant] laboured, but vainly he laboured to render intelligible the scholastic idea of the *transcendental*. This should have been easy to deal with; for on the one side lay the *transcendent*, on the other the immanent, two buoys to map out the channel. — *De Quincey, Works*, vol. iii. p. 96.

If in the course of a *transcendental* proof we determine an object which stands in relation to thought, but out of relation to experience, we call that, after Kant, a *transcendental* object; and a universe of such objects we call a *transcendental* world.—*C. M. Ingleby, Introduction to Metaphysic*, b. i. p. 65.

Transcéndently. *adv.* In a transcendent manner; excellently; supereminently.

The law of Christianity is eminently and *transcendently* called the word of truth.—*South, Sermons.*

Transcéndentness. *s.* Attribute suggested by Transcendent; supereminence; unusual excellence.

I cannot attain the measure of your *transcendentness*, but confess my disability and imperfection. —*Bishop Mountagu, Appeal to Cæsar*, p. 75.

Transcéndible. *adj.* Capable of being transcended: (in the extract climbed, leaped, or passed over). *Rare.*

It appears that Romulus slew his brother because he attempted to leap over a sacred and inaccessible place, and to render it *transcendible* and profane.—*Translation of Plutarch's Morals*, ii. 354. (Ord MS.)

Transcénding. *part. adj.* Rising above; surpassing.

The consistence of grace and free will, in this sense, is no such *transcending* mystery, and I think there is no text in Scripture that sounds any thing towards making it so.—*Hammond.*

Tránscolate. *v. a.* [Lat. *colo* = I strain, filter; pass. part. *colatus*; *colatio, -onis.*] Strain through a sieve or colander; suffer to pass, as through a strainer. *Rare.*

The lungs are, unless pervious like a spunge, unfit to imbibe and *transcolate* the air.—*Harvey.*

Transcolátion. *s.* Filtration; straining through. *Rare.*

Mere *transcolation* may by degrees take away that which the chymists call the fined salt; and for the volatile salt of it, which being a more spirituous thing, it is not removable by distillation, and so neither can it be by *transcolation*.—*Bishop Stillingfleet, Origines Sacræ*, b. iii. ch. iv. (Ord MS.)

Transcríbe. *v. a.* [Lat. *transcribo*; *scribo* = I write; pass. part. *scriptus*.] Copy; write from an exemplar.

He was the original of all those inventions from which others did but *transcribe* copies.—*Lord Clarendon, History of the Grand Rebellion.*

The most rigid exactors of mere outward purity do but *transcribe* the folly of him who pumps very laboriously in a ship, yet neglects to stop the leak.—*Dr. H. More, Decay of Christian Piety.*

If we imitate their repentance as we *transcribe* their faults, we shall be received with the same mercy.—*Rogers.*

Transcríber. *s.* One who transcribes; copier; one who writes from a copy.

A coin is in no danger of having its character altered by copiers and *transcribers*.—*Addison.*

Tránscript. *s.* Copy; anything written from an original.

The Grecian learning was but a *transcript* of the Chaldean and Egyptian; and the Roman of the Grecian.—*Glanville.*

The decalogue of Moses was but a *transcript*, not an original.—*South, Sermons.*

Dictate, O mighty Judge! what thou hast seen
Of cities and of courts, of books and men,
And deign to let thy servant hold the pen.
Through ages thus I may presume to live,
And from the *transcript* of thy prose receive
What my own short-lived verse can never give.
Prior.

Transcríption. *s.* Act of copying.

The ancients were but men; the practice of *transcription* in our days was no monster in theirs: plagiary had not its nativity with printing, but began in times when thefts were difficult.—*Sir T. Browne, Vulgar Errours.*

Transcríptive. *adj.* Having the character of a transcript, copy, or imitation. *Rare.*

Excellent and useful authors, yet being either *transcriptive*, or following common relations, their accounts are not to be swallowed at large or entertained without all circumspection.—*Sir T. Browne, Vulgar Errours*, 29. (Ord MS.)

He is to be embraced as a *transcriptive* relator.—*Ibid.* 33. (Ord MS.)

Transcríptively. *adv.* In a transcriptive manner; as a copy.

Not a few *transcriptively* subscribing their names to other men's endeavours, transcribe all they have written.—*Sir T. Browne.*

Transcúr. *v. n.* [Lat. *transcurro*; from *curro* = I run.] Run or rove to and fro. *Rare.*

By fixing the mind on one object, it doth not spatiate and *transcur*.—*Bacon.*

Transcúrsion. *s.* [Lat. *cursus*, pass. part. of *curro* = I run; *cursio, -onis.*] Ramble; passage through; passage beyond certain limits; extraordinary deviation. *Rare.*

In a great whale, the sense and the affects of any one part of the body instantly make a *transcursion* throughout the whole.—*Bacon, Natural and Experimental History.*

His philosophy gives them *transcursions* beyond the vortex we breathe in, and leads them through others which are only known in an hypothesis.—*Glanville, Scepsis Scientifica.*

I am to make often *transcursions* into the neighbouring forests as I pass along.—*Howell.*

If man were out of the world, who were then left to view the face of heaven, to wonder at the *transcursion* of comets?—*Dr. H. More, Antidote against Atheism.*

Transe. *s.* [Fr. *transe*; Lat. *transitus* = crossing, passing, passage, departure in a different direction. Johnson remarks that it might 'be written *transe*.' Todd adds that 'anciently it was so written,' and quotes Gower:

She out of her *trauns* awoke.
(Confessio Amantis.)

Milton also spells the word as Transe. The present editor has ventured to go a step further than his predecessors in what is undoubtedly the right direction, and spell the word as it is here entered; i.e. with *s.*] Ecstasy.

Gynecia had been in such a *trance* of musing, that Zelmane was fighting with the lion before she knew of any lion's coming.—*Sir P. Sidney.*

Rapt with joy resembling heavenly madness,
My soul was ravisht quite as in a *trance*.
Spenser, Sonnets.

That Taliessin once, which made the rivers dance,
And in his rapture raised the mountains from their *trance*.
Drayton.

Abstract as in a *transe*, methought I saw,
Though sleeping, where I lay, and saw the shape
Still glorious before whom awake I stood.
Milton, Paradise Lost, viii. 462: ed. 1667.

Tránsed. *part. adj.* Entranced.

His grief grew puissant, and the strings of life
Began to crack. Twice then the trumpets sounded,
And there I left him *tranced*.
Shakespear, King Lear, v. 3

Tránsedly. *adv.* As one in a trance.

Then I stole up and *trancedly*
Gazed on the Persian maid alone.
Tennyson, Recollections of the Arabian Nights.

Transeárth. *v. a.* Remove from one soil to another. *Rare.*

Fruits of hotter countries *transearthed* in colder climates, have vigour enough in themselves to be fructuous according to their nature.—*Feiltham, Resolves*, 19.

Transélementate. *v. a.* Change from one element to another. *Rare.*

Theophylact useth the same word; he that eateth me, liveth by me; whilst he is in a certain manner mingled with me, and is *transelementated* or changed into me.—*Jeremy Taylor, Real Presence*, § 12. (Ord MS.)

Transelementátion. *s.* Change of one element into another. *Rare.*

Rain we allow; but if they suppose any other *transelementation*, it neither agrees with Moses's philosophy, nor Saint Peter's.—*T. Burnet, Theory of the Earth.*

Tránsept. *s.* [Lat. *septum* = division, compartment.] Cross aisle.

The pediment of the southern *transept* is pinnacled, not inelegantly, with a flourished cross.—*T. Warton, History of the Parish of Kiddington.*

Transéxion. *s.* [the *s* double in sound as well as in etymology; Lat. *trans* + *sexus*.] Change from one sex to another. *Rare.*

It much impeacheth the iterated *transexion* of hares, if that be true which some physicians affirm, that transmutation of sexes was only so in opinion, and that those transfeminated persons were really men at first.—*Sir T. Browne, Vulgar Errours.*

Transfér. *v. a.* [Lat. *fero* = I bear.]

1. Convey; make over from one to another: (with *to*, sometimes with *upon*).

He that *transfers* the laws of the Lacedemonians *to* the people of Athens, should find a great absurdity and inconvenience.—*Spenser, View of the State of Ireland.*

Was't not enough you took my crown away,
But cruelly you must my love betray?
I was well pleased to have *transferr'd* my right,
And better changed your claim of lawless might.
Dryden, Aurengzebe, ii. 1.

The king,
Who from himself all envy would remove,
Left both to be determined by the laws,
And *to* the Grecian chiefs *transferr'd* the cause.
Dryden, Translation from Ovid, Death of Achilles.

This was one perverse effect of their sitting at ease under their vines and fig-trees, that they forgot from whence that ease came, and *transferred* all the honour of it *upon* themselves.—*Bishop Atterbury, Sermons.*

Your sacred aid religious monarchs own,
When first they merit, then ascend the throne:
But tyrants dread you, lest your just decree
Transfer the power, and set the people free. *Prior.*

By reading we learn not only the actions and the sentiments of distant nations, but *transfer to* ourselves the knowledge and improvements of the most learned men.—*Watts.*

2. Remove; transport.

The king was much moved with this unexpected accident, because it was stirred in such a place where he could not with safety *transfer* his own person to suppress it.—*Bacon.*

He thirty rolling years the crown shall wear,
Then from Lavinium shall the seat *transfer*.
Dryden, Translation of the Æneid, i. 366.

Tránsfer. *s.* Change of property; delivery of property to another.

Whether the bank of Amsterdam, where industry had been for so many years subsisted and circulated by *transfers* on paper, doth not clearly decide this point?—*Bishop Berkeley, Querist*, § 250.

Transférable. *adj.* Capable of being transferred.

Tallies, bank-bills, bank-notes, lottery tickets, goldsmith's notes, and paper credit of the like kind, which was *transferable*, did produce, in all probability, a quick stock, amounting to at least 15,000,000*l.*—*Dr. Davenant, Discourses*, p. 655: 1698. (Ord MS.)

M'Guffin, whose object in marrying her mother was as little equivocal as mine was known to have been, was exceedingly active and anxious at the crisis; and, as the family affection for the trustee was not transferred, or *transferable*, to the major, he pressed upon the worthy gentlemen, took advice of counsel, proceeded accordingly, and the next week found the exemplary Blinkinsop on his way to the United States of America.—*Theodore Hook, Gilbert Gurney*, vol. iii. ch. ii.

Tránsference. *s.* Transfer.

The *transference* of moveable or immoveable property.—*Adam Smith, Wealth of Nations*, ii. 388. (Ord MS.)

This decline of the Jews was owing to the *transference* of their trade in money to other hands.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. ix.

Transfiguration. *s.*

1. Change of form.

In kinds where the discrimination of sexes is obscure, these transformations are more common, and in some without commixture; as in caterpillars or silkworms, wherein there is a visible and triple *transfiguration.—Sir T. Browne, Vulgar Errours.*

2. Miraculous change of Christ's appearance on the mount.

It cannot be expected that other authors should mention particulars which were transacted amongst some of the disciples; such as the *transfiguration* and the agony in the garden.—*Addison.*

Transfigure. *v. a.* Transform; change with respect to outward appearance.

I am the more zealous to *transfigure* your love into devotion, because I have observed your passion to have been extremely impatient of confinement.—*Boyle.*

Transfigured. *part. adj.* Transformed, or changed, in respect to outward figure.

The dower desired is his *transfigured* friends.
Garth, Translation from Ovid, Enchantments of Circe.

Transfix. *v. a.* Pierce through.

Amongst these mighty men were women mix'd;
The bold Semiramis, whose sides *transfix'd*
With son's own blade, her foul reproaches spoke.
Spenser.

With linked thunderbolts
Transfix us to the bottom of this gulph.
Milton, Paradise Lost, i. 328.

Diana's dart
In an unhappy chase *transfix'd* her heart.
Dryden, Last Parting of Hector and Andromache.

Nor good Eurytion envied him the prize,
Though he *transfix'd* the pigeon in the skies.
Id., Translation of the Æneid, v. 710.

Transfórm. *v. a.* [Fr. *transformer*.] Metamorphose; change with regard to external form.

She demanded of him, whether the goddess of those woods had such a power to *transform* every body.—*Sir P. Sidney.*

Love is blind, and lovers cannot see
The pretty follies that themselves commit;
For if they could, Cupid himself would blush
To see me thus *transformed* to a boy.
Shakespear, Merchant of Venice, ii. 6.

Transfórm. *v. n.* Be metamorphosed.

His hair *transforms* to down, his fingers meet
In skinny films and shape his oary feet.
Addison, Translation from Ovid, Transformation of Cycnus.

Transformátion. *s.* Change of shape; act of changing the form; state of being changed with regard to form; metamorphosis.

Something you have heard
Of Hamlet's *transformation*; so I call it,
Since not th' exterior, nor the inward man,
Resembles that it was. *Shakespear, Hamlet*, ii. 2.

What beast could'st thou be, that were not subject to a beast?—And what a beast art thou already, and seest not thy loss in *transformation!—Id., Timon of Athens*, iv. 3.

The mensuration of all manner of curves, and their mutual *transformation*, are not worth the labour of those who design either of the three learned professions.—*Watts.*

Transfreight. *v. n.* Pass over the sea. *Rare.*

The Saxon merchants lay all at stake to purchase us: they arm, and *transfreight*; and about the year 689 obtain the rule over us.—*Waterhouse, Apology for Learning*, p. 52: 1653.

Transfretátion. *s.* [Lat. *fretum.*] Passage over the sea. *Rare.*

Since the last *transfretation* of king Richard the Second, the crown of England never sent over numbers of men sufficient to defend the small territory.—*Sir J. Davies, Discourse on the State of Ireland.*

Transfúnd. *v. a.* [Lat. *fundo* = I pour.] Transfuse. *Obsolete.*

The best instrument of gratitude is speech, that most natural, proper, and easy mean of conversation, of signifying our conceptions, of conveying, and, as it were, *transfunding* our thoughts and our passions into each other.—*Barrow, Sermons*, vol. i. serm. viii.

Transfúse. *v. a.* [Lat. *transfusus*; pass. part. of *fundo* = I pour; *fusio, -onis.*] Pour out of one into another.

Between men and beasts there is no possibility of social communion; because the well-spring of that communion is a natural delight which man hath to *transfuse* from himself into others, and to receive from others into himself, especially those things wherein the excellency of this kind doth most consist.—*Hooker, Ecclesiastical Polity.*

Transfused on thee his ample spirit rests.
Milton, Paradise Lost, iii. 389.

When did his muse from Fletcher scenes purloin,
As thou whole Etherege dost *transfuse* to thine?
But so *transfused*, as oil and waters flow,
His always floats above, thine sinks below.
Dryden, Macflecnoe, 183.

Where the juices are in a morbid state, if one could suppose all the unsound juices taken away and sound juices immediately *transfused*, the sound juices would grow morbid.—*Arbuthnot.*

Transfúsible. *adj.* Capable of being transfused.

Penetrancy as little *transfusible* into any other, as the sun's dazzling brightness.—*Boyle, Style of Holy Scripture*, p. 156.

Transfúsion. *s.* Act of pouring out of one into another; transmission from one into another.

The crooked part of the pipe was placed in a box, to prevent the loss of the quicksilver that might fall aside in the *transfusion* from the vessel into the pipe.—*Boyle.*

Poesy is of so subtile a spirit, that in the pouring out of one language into another it will all evaporate; and if a new spirit be not added in the *transfusion*, there will remain nothing but a 'caput mortuum.'—*Sir J. Denham.*

Something must be lost in all *transfusion*, that is, in all translations, but the sense will remain.—*Dryden.*

The history of this operation [the injection of medicines into the veins] is inseparably connected with that of *transfusion*. The first experiments on infusion are said to have been performed in Germany. But the first scientific examination of the operation was made by Sir Christopher Wren. His example was followed by Boyle, Clarke, Henshaw, Lower, and others.—*Pereira, Materia Medica and Therapeutics*, vol. i. p. 132: 1849.

Alliances were made by the *transfusion* of blood.—*C. H. Pearson, The Early and Middle Ages of England*, ch. xxx.

Transgréss. *v. a.* [Lat *transgressus*, pret. part. of *transgredior* = step across, pass over (*gradior* = I step); Fr. *transgresser.*]

1. Pass over; pass beyond.

Long stood the noble youth, oppress'd with awe,
And stupid at the won'drous things he saw,
Surpassing common faith, *transgressing* nature's law. *Dryden, Theodore and Honoria*, 217.

2. Violate; break.

Let no man doubt but that every thing is well done, because the world is ruled by so good a guide as *transgresseth* not his own law, than which nothing can be more absolute, perfect, and just.—*Hooker, Ecclesiastical Polity.*

This sorrow we must repeat as often as we *transgress* the divine commandments.—*Archbishop Wake, Preparation for Death.*

Transgréss. *v. n.* Offend by violating a law.

Achar, the troubler of Israel, who *transgressed* in the thing accursed.—1 *Chronicles*, ii. 7.

I would not marry her, though she were endowed with all Adam had left him before he *transgressed.—Shakespear, Much Ado about Nothing*, ii. 1.

Transgréssion. *s.* [Fr.]

1. Overstepping, violation of a law; breach of a command.

Shall I abuse this consecrated gift
Of strength, again returning with my hair
After my great *transgression*? so requite
Favour renew'd, and add a greater sin?
Milton, Samson Agonistes, 1354.

All accusation still is founded upon some law; for where there is no law, there can be no *transgression*; and where there can be no *transgression*, there ought to be no accusation.—*South, Sermons.*

2. Offence; crime; fault.

What's his fault?—The flat *transgression* of a school-boy, who, being overjoyed with finding a bird's nest, shews it his companion, and he steals it.—Wilt thou make a trust a *transgression?* The *transgression* is in the stealer.—*Shakespear, Much Ado about Nothing*, ii. 1.

Teach us, sweet madam, for our *transgression*
Some fair excuse. *Id., Love's Labour's lost*, v. 2.

Transgréssional. *adj.* Having the character of, constituted by, a transgression.

Forgive this *transgressional* rapture; receive my thanks for your kind letter.—*Bishop Burnet, History of his Own Time.*

Transgréssive. *adj.* Faulty; culpable; apt to break laws.

Though permitted unto his proper principles, Adam perhaps would have sinned without the suggestion of Satan, and from the *transgressive* infirmities of himself might have erred alone, as well as the angels before him.—*Sir T. Browne.*

Transgréssor. *s.* One who transgresses; lawbreaker; violator of command; offender.

He intended the discipline of the church should be applied to the greatest and most splendid *transgressors*, as well as to the punishment of meaner offenders.—*Lord Clarendon, History of the Grand Rebellion.*

I go to judge
On earth these thy *transgressors*; but thou know'st
Whoever judged, the worst on me must light
When time shall be. *Milton, Paradise Lost*, x. 71.

Ill worthy I, such title should belong
To me *transgressor!* who, for thee ordain'd
A help, became thy snare. *Ibid.* xi. 163.

Tránsient. *adj.* [Lat. *transiens, -entis*; pres. part. of *transeo*; *eo* = I go.] Soon past; soon passing; short; momentary; not lasting; not durable.

How soon hath thy prediction, seer blest!
Measured this *transient* world, the race of time,
Till time stand fix'd.
Milton, Paradise Lost, xii. 553.

He that rides post through a country, may, from the *transient* view, tell how in general the parts lie.—*Locke.*

Love, hitherto a *transient* guest,
Ne'er held possession in his breast.
Swift, Cadenus and Vanessa.

What is loose love? a *transient* gust,
A vapour fed from wild desire.
Pope, Chorus to the Tragedy of Brutus.

Tránsiently. *adv.* In a transient manner; in passage; with a short passage; not with continuance.

I touch here but *transiently*, without any strict method, on some few of those many rules of imitating nature which Aristotle drew from Homer.—*Dryden.*

Tránsientness. *s.* Attribute suggested by Transient; shortness of continuance; speedy passage.

It were to be wished that all words of this sort, as they resemble the wind in fury and impetuousness, so they might do also in *transientness* and sudden expiration.—*Dr. H. More, Decay of Christian Piety.*

Transíliency. *s.* [Lat. *transilio*; *salio* = I leap.] Leap from thing to thing. *Rare.*

By unadvised *transiliency*, leaping from the effect to its remotest cause, we observe not the connection of more immediate causalities. — *Glanville, Scepsis Scientifica.*

Tránsit. *s.* [Lat. *transitus.*] In *Astronomy.* See extract; wherein the construction is also *adjectival.*

Transit in Astronomy [is] the culmination or passage of a celestial object across the meridian of any place. The determination of the exact times of such *transits* is one of the most important operations of practical astronomy, as it is by this means that the differences of right ascensions, and consequently the relative situations of the fixed stars, and the motions of the planets and comets in respect of the celestial meridians, become known; and it is most easily and accurately effected by the aid of the *transit* instrument.... *Transit* is also used to signify the passage of an inferior planet across the sun's disc.... The *transit* instrument... consists essentially of a telescope firmly attached to a transverse horizontal axis, the ends of which are directed to the east and west points of the horizon. It is used primarily to note the time of passage of a celestial object across the meridian. In the *transit* circle we have a large circle added to the instrument, for the purpose of noting primarily the altitude of the star with the greatest accuracy as well as the time of its passage. — *Brande and Cox, Dictionary of Science, Literature, and Art.*

Transítion. *s.* [Lat. *transitio, -onis.*]

1. Removal; passage from one to another.

Heat and cold have a virtual *transition* without communication of substance, but moisture not.—*Bacon, Natural and Experimental History.*

2. Change; mode of change.

You can scarce imagine any hero passing from one stage of life to another with so easy a *transition*, and so laudable a behaviour.—*Pope.*

As now your own, our beings were of old.
And once inclosed in woman's beauteous mould;
Thence, by a soft *transition*, we repair
From earthly vehicles to these of air.
Pope, Rape of the Lock, canto i.

3. Passage in writing or conversation from one subject to another.

[He] with *transition* sweet new speech resumes.
Milton, Paradise Lost, xii. 5.

Covetousness was none of his faults, but described as a veil over the true meaning of the poet, which was to satyrize his prodigality and voluptuousness, to which he makes a *transition.—Dryden.*

Used *adjectivally.*

This will prove that we are once more in a *transition* state.—*Gladstone, The State in its Relations with the Church*, ch. ii. § 110.

Transítional. *adj.* Pertaining to transition.

Tránsitive. *adj.* [Lat. *transitivus.*]

1. Having the power of passing.

One cause of cold is the contact of cold bodies; for cold is active and *transitive* into bodies adjacent, as well as heat.—*Bacon, Natural and Experimental History.*

2. In *Grammar.* See extract.

A verb *transitive* is that which signifies an action conceived as having an effect upon some object; as 'ferio terram,' I strike the earth. — *Clarke, Latin Grammar.*

Tránsitorily. *adv.* In a transitory manner; with speedy evanescence; with short continuance.

Tránsitoriness. *s.* Attribute suggested by Transitory; speedy evanescence.

The worldly man is at home in respect of his affections; but he is, and shall be, a meer sojourner in respect of his *transitoriness.* — *Bishop Hall, Remains*, p. 202.

Tránsitory. *adj.* [Fr. *transitoire*; Lat. *transitorius.*] Continuing but a short time; speedily vanishing.

O Lord, comfort and succour all them who in this *transitory* life are in trouble, sorrow, need, sickness, or any other adversity.—*Book of Common Prayer.*

If we love things have sought; age is a thing
Which we are fifty years in compassing:
If *transitory* things, which soon decay,
Age must be loveliest at the latest day. *Donne.*

Religion prefers those pleasures which flow from the presence of God evermore, infinitely before the *transitory* pleasures of this world.—*Archbishop Tillotson, Sermons.*

Translátable. *adj.* Capable of being translated.

Transláte. *v. a.* [N.Fr. *translater* = remove from one place to another; interpret in another language; Lat. *lutus* = borne, carried.]

1. Transport; remove.

Since our father is *translated* unto the gods, our will is, that they that are in our realm live quietly. —2 *Maccabees*, xi. 23.

By faith Enoch was *translated*, that he should not see death.—*Hebrews*, xi. 5.

Those argent fields more likely habitants,
Translated saints, or middle spirits hold.
Milton, Paradise Lost, iii. 460.

Some peasants, not t' omit the nicest care,
Of the same soil their nursery prepare
With that of their plantation, lest the tree
Translated should not with the soil agree.
Dryden, Translation of the Georgics, ii. 358.

The gods their shapes to winter birds *translate*,
But both obnoxious to their former fate.
Id., Translation from Ovid, House of Sleep.

To go to heaven is to be *translated* to that kingdom you have longed for, to enjoy the glories of eternity.—*Archbishop Wake.*

2. Particularly used of the removal of a bishop from one see to another.

Fisher, bishop of Rochester, when the king would have *translated* him from that poor bishoprick to a better, he refused, saying, he would not forsake his poor little old wife, with whom he had so long lived. —*Camden, Remains.*

3. Transfer from one to another; convey.

To *translate* the kingdom from the house of Saul, and set up the throne of David.—2 *Samuel*, iii. 10.

As there are apoplexies from inveterate gouts, the regimen must be to *translate* the morbifick matter upon the extremities of the body.—*Arbuthnot.*

Perverse mankind! whose wills, created free,
Charge all their woes on absolute decree;
All to the dooming gods their guilt *translate*,
And follies are miscall'd the crimes of fate.
Pope, Translation of the Odyssey, i.

4. Change; metamorphose: (in the last extract the word is put in the mouth of an illiterate character).

One do I personate of Timon's frame,
Whom fortune with her iv'ry hand wafts to her,
Whose present grace to present slaves and servants
Translates his rivals.
Shakespear, Timon of Athens, i. 1.

Happy is your grace,
That can *translate* the stubbornness of fortune
Into so quiet and so sweet a style.
Id., As you like it, ii. 1.

Addison, and Addison's devoted followers, pronounced both the versions good, but maintained that Tickell's had more of the original. The town gave a decided preference to Pope's. We do not think it worth while to settle such a question of precedence. Neither of the rivals can be said to have *translated* the Iliad, unless, indeed, the word translation be used in the sense which it bears in the Midsummer Night's Dream. When Bottom makes his appearance with an ass's head, instead of his own, Peter Quince exclaims, 'Bless thee! Bottom, bless thee! thou art *translated*.' In this sense, undoubtedly, the readers of either Pope or Tickell may very properly exclaim, 'Bless thee! Homer; thou art *translated* indeed.'—*Macaulay, Critical and Historical Essays, Life and Writings of Addison.*

5. Interpret in another language; change into another language retaining the sense.

I can construe the action of her familiar style, and the hardest voice of her behaviour, to be Englished right, is, I am Sir John Falstaff's.—He hath studied her well, and *translated* her out of honesty into English.—*Shakespear, Merry Wives of Windsor*, i. 3.

Nor word for word too faithfully *translate*.
Lord Roscommon.

Read this ere you *translate* one bit
Of books of high renown. *Swift.*

6. Explain: (condemned, by Johnson, as 'a low colloquial use').

There's matter in these sighs, these profound heaves
You must *translate*; 'tis fit we understand them.
Shakespear, Hamlet, iv. 1.

Translate soles (*souls*). Mend shoes. *Ludicrous.*

The cobbler shall *translates* his *soles*
From stalls obscure and shady. *Quarles.*

Transláte. *v. n.* Practice translation.

All these my modest merit bade *translate*,
And owned that nine such poets made a Tate.
Pope, Epistle to Arbuthnot.

Translátion. *s.* [Lat. *translatio, -onis.*]

1. Removal; act of removing.

His disease was an asthma; the cause a metastasis or *translation* of humours from his joints to his lungs.—*Harvey.*

Translations of morbifick matter arise in acute distempers.—*Arbuthnot.*

2. Removal of a bishop to another see.

If part of the people be somewhat in the election, you cannot make them nulls or cyphers in the privation or *translation.* — *Bacon, Considerations touching a War with Spain.*

The king, the next time the bishop of London came to him, entertained him with this compellation, My lord's grace of Canterbury, you are very welcome; and gave order for all the necessary forms for the *translation.*—*Lord Clarendon, History of the Grand Rebellion.*

3. Act of turning into another language; interpretation.

A book of his travels hath been honoured with *translation* into many languages.—*Sir T. Browne, Vulgar Errours.*

Nor ought a genius less than his that writ,
Attempt *translation*; for transplanted wit
All the defects of air and soil doth share,
And colder brains like colder climates are.
Sir J. Denham, To Sir Richard Fanshawe.

4. Something made by translation; version.

Of *translations*, the better I acknowledge that which cometh nearer to the very letter of the very original verity.—*Hooker, Ecclesiastical Polity.*

5. Tralation; metaphor.

Metaphors, far-fet, hinder to be understood; and, affected, lose their grace; or when the person fetcheth his *translations* from a wrong place.—*B. Jonson, Discoveries.*

Translatítious. *adj.* Tralatitious. *Rare.*

We allow him the use of these words in a *translatitious*, abusive, sense.—*Translation of Plutarch's Morals.*

I have frequently doubted whether it be a pure indigene, or *translatitious.* — *Evelyn, Sylva*, b. i. ch. iv. § 8.

Translátor. *s.*

1. One who translates.

A new and nobler way thou dost pursue,
To make translations and *translators* too.
Sir J. Denham, To Sir Richard Fanshawe.

No translation our own country ever yet produced, hath come up to that of the Old and New Testament; and I am persuaded, that the *translators* of the Bible were masters of an English style much fitter for that work than any we see in our present writings, the which is owing to the simplicity that runs through the whole.—*Swift.*

2. Translator of soles; cobbler.

Translátory. *s.* Transferring. *Rare.*

The *translatory* is a lie that transfers the merits of a man's good action to another more deserving.—*Arbuthnot.*

Translátress. *s.* Female translator.

Your great Achilles, cardinal Perron, in French; as also his noble *translatress*, misled by him, in English. — *Chillingworth, The Religion of Protestants a safe Way to Salvation.*

The compliment to the *translatress* is daintily conceived.—*C. Lamb, Letter to Southey.*

Transliterate. *v. a.* Translate the letters of one alphabet in those of another; i.e. to render Greek πλησιος into English *plesios* or vice versâ.

(For example see next entry.)

Transliterátion. *s.* Translation or rendering of the letter of one alphabet by its equivalent in another; metagraphy: (this latter word giving *metagraphic* as its adjective, a more convenient one than *transliterative* or *transliterational*).

Transliteration is widely different from phonetic spelling.... *Transliterate* the English 'cough' and 'through' into κογ' and θρογ'. The signs are changed, but their relation to the sounds is unchanged.—*Dr. R. G. Latham, Abstract of Rask's Essay on the Sibilants.*

Translocátion. *s.* [Lat. *locatio, -onis*; *loco* = I place; pass. part. *locatus*; *locus* = place.] Removal of things reciprocally to each other's places.

There happened certain *translocations* at the deluge, the matter constituting animal and vegetable substances being dissolved, and mineral matter substituted in its place, and thereby like *transloc*ation of metals in some springs.—*Woodward.*

Translúcency. *s.* Translucent character.

The spheres
That spight thy crystalline *translucencie.*
Sir J. Davies, Witte's Pilgrimage, sign. C. 4. b.

Lumps of rock crystal heated red hot, then quenched in fair water, exchanged their *translucency* for whiteness, the ignition and extinction having cracked each lump into a multitude of minute bodies.—*Boyle, Experiments and Considerations touching Colours.*

Translúcent. *adj.* [Lat. *luceo* = I shine; pres. part. *lucens, -entis.*] Transparent; diaphanous; clear; giving a passage to the light. (So the explanation stands in the previous editions. At present, in mineralogy at least, it is rather contrasted than identified with transparent: both mean

'giving a passage to light.' *Transparency*, however, denotes a perfect passage, as in glass, where both the colour and form of objects beyond is clearly seen; *translucency*, an imperfect passage, where there is a perception of light, but not of outline and colour, for the parts beyond.)

If those *translucent* lamps, thine heavenly eyes,
Shall stretch their beams of comfort to my passion.
Sir J. Davies, Witte's Pilgrimage, C. i. b.

Wherever fountain or fresh current flow'd
Against the eastern ray, *translucent*, pure,
With touch ethereal of heaven's fiery rod,
I drank. *Milton, Samson Agonistes*, 547.

Translúcently. *adv.* In a translucent manner.

The gum of those trees is amber, where flies alighting are often *translucently* imprisoned.—*Drayton, Note to Edward's Epistle to Mrs. Shore.*

Translúcid. *adj.* [Lat. *lucidus*.] Translucent.

In anger the spirits ascend, and wax eager; which is seen in the eyes, because they are *translucid*.—*Bacon.*

Bright golden globes
Of fruit, suspended in their own green heaven,
And thro' their veined leaves and amber stems
The flowers whose purple and *translucid* bowls
Stand ever mantling with aërial dew,
The drink of spirits. *Shelley, Prometheus Unbound.*

Tránslunary. *adj.* [Lat. *lunaris*, from *luna* = moon.] Lying beyond the moon; celestial. *Rare.*

Next Marlow, bathed in the Thespian springs,
Had in him those brave *translunary* things
That the first poets had: his raptures were
All air and fire. *Drayton, Of Poets and Poesy.*

Tránsmarine. *adj.* [Lat. *transmarinus*.] Lying on the other side of the sea; found beyond sea.

In some *transmarine* kingdoms their lawyers are held, and for the most part undoubtedly are, more sufficient scholars than their divines.—*Hakewill, Apology*, p. 238.

They proclaimed the entire independence of the African Churches on any foreign dominion; they forbade all appeals to *transmarine* judgements.—*Milman, History of Latin Christianity*, b. ii. ch. iv.

Tránsmew. *v. a.* [N.Fr. *transmuer*; Lat. *transmuto*; *muto* = I change.] Transmute; transform; metamorphose. *Rare.*

When him list the rascal routs appall,
Men into stones therewith he could *transmew*,
And stones to dust, and dust to nought at all.
Spenser.

Tránsmigrant. *adj.* [Lat. *transmigrans*, *-antis*, pres. part. of *transmigro*.] Passing into another country or state. *Rare.*

Besides an union in sovereignty, or a conjunction in pacts, there are other implicit confederations, that of colonies or *transmigrants* towards their mother nation.—*Bacon, Advertisement touching a Holy War.*

Tránsmigrate. *v. n.* Pass from one place or country into another.

This complexion is maintained by generation; so that strangers contract it not, and the natives which *transmigrate* omit it, not without commixture.—*Sir T. Browne, Vulgar Errours.*

If Pythagoras's transanimation were true, that the souls of men *transmigrate* into species answering their former natures, some men must live over many serpents.—*Ibid.*

Their souls may *transmigrate* into each other.—*Howell.*

When men are ignorant, they must be superstitious: and wherever superstition exists, it is sure to organize itself into some kind of system, which it makes its home. If you drive it from that home, it will find another. The spirit *transmigrates*; it assumes a new form; but still it lives.—*Buckle, History of Civilization in England*, vol. ii. ch. iii.

Transmigrátion. *s.* [Lat. *migratio*, *-onis*; *migro*; pass. part. *migratus*.] Passage from one place or state into another.

The sequel of the conjunction of natures in the person of Christ is no abolishment of natural properties appertaining to either substance, no transition or *transmigration* thereof out of one substance into another.—*Hooker, Ecclesiastical Polity.*

Seeing the earth of itself puts forth plants without seed, plants may well have a *transmigration* of species.—*Bacon.*

From the opinion of the metempsychosis, or *transmigration* of the souls of men into the bodies of beasts most suitable unto their human condition, after his death, Orpheus the musician became a swan.—*Sir T. Browne, Vulgar Errours.*

Easing their passage hence, for intercourse
Of *transmigration*, as their lot shall lead.
Milton, Paradise Lost, x. 260.

'Twas taught by wise Pythagoras,
One soul might through more bodies pass:
Seeing such *transmigration* there,
She thought it not a fable here.
Sir J. Denham, On the Death and Burial of Cowley.

When thou wert form'd, heav'n did a man begin,
But the brute soul by chance was shuffled in:
In woods and wilds thy monarchy maintain,
Where valiant beasts, by force and rapine, reign.
In life's next scene, if *transmigration* be,
Some bear or lion is reserved for thee.
Dryden, Aurengzebe, ii. 1.

Tránsmigrator. *s.* One who transmigrates.

Whenever we find a people begin to revive in literature, it was owing to one of these causes; either to some *transmigrators* from those parts coming and settling among them, or else to their going thither for instruction.—*Ellis, Knowledge of Divine Things*, p. 122.

Transmíssion. *s.* [Lat. *missio*, *-onis* = sending; *missus*, pass. part. of *mitto* = I send.] Act of sending from one place to another, or from one person to another.

If there were any such notable *transmission* of a colony hither out of Spain, the very chronicles of Spain would not have omitted so memorable a thing.—*Spenser, View of the State of Ireland.*

Languages of countries are lost by *transmission* of colonies of a different language.—*Sir M. Hale, Origination of Mankind.*

Their reflexion or *transmission* depends on the constitution of the air and water behind the glass, and not the striking of the rays upon the parts of the glass.—*Sir I. Newton, On Opticks.*

The Protestant churches hold that the scriptures of the Old and New Testament contain everything which goes to make up Christianity, and that they are the exclusive and ultimate rule of faith. They deny the existence of any uninterrupted and exclusive *transmission* of true doctrine in any church since the time of the Apostles.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. v.

Transmíssive. *adj.* Transmitted; derived from one to the other.

And still the sire inculcates to his son
Transmissive lessons of the king's renown. *Prior.*

Itself a sun; it with *transmissive* light
Enlivens worlds deny'd to human sight.
Id., Solomon, i. 520.

Then grateful Greece with streaming eyes would raise
Historick marbles to record his praise;
His praise eternal on the faithful stone,
Had with *transmissive* honour graced his son.
Pope, Translation of the Odyssey, i. 305.

Transmít. *v. a.* [Lat. *transmitto*; Fr. *transmettre*.] Send from one person or place to another.

By means of writing, former ages *transmit* the memorials of ancient times and things to posterity.—*Sir M. Hale.*

He sent orders to his friend in Spain to sell his estate, and *transmit* the money to him.—*Addison, Spectator.*

Shine forth, ye planets, with distinguish'd light;
As when ye hallow'd first this happy night;
Again *transmit* your friendly beams to earth,
As when Britannia joy'd for Anna's birth.
Prior, Prologue spoken before the Queen on her Birthday, 1704.

Transmíttal. *s.* Act of transmitting; transmission.

Besides the *transmittal* to England of two-thirds of the revenues of Ireland, they make our country a receptacle for their supernumerary pretenders to offices.—*Swift.*

Transmítter. *s.* One who, that which, transmits.

He lives to build, not boast, a generous race,
No tenth *transmitter* of a foolish face. *Savage.*

Transmíttible. *adj.* Capable of being transmitted, or projected, over anything.

A *transmittible* gallery over any ditch or breach in a town-wall, with a blind and parapet cannon-proof.—*Marquis of Worcester, Century of Inventions*, § 73.

Transmútable. *adj.* Capable of being transmuted; possible to be changed into another nature or substance.

It is no easy matter to demonstrate that air is so much as convertible into water; how *transmutable* it is unto flesh may be of deeper doubt.—*Sir T. Browne, Vulgar Errours.*

The fluids and solids of an animal body are easily *transmutable* into one another.—*Arbuthnot, On the Nature and Choice of Aliments.*

Transmutátion. *s.* [Lat. *mutatio*, *-onis*; *transmuto* = I change into something else; *muto* = I change; pass. part. *mutatus* = changed. *Alteration*, &c., which stands as in the previous editions, gives the full force of *trans*: i.e. it indicates that there is not only change, but change into something *other* (*alter*) than the thing changed].

1. Change into another nature or substance; alteration of the state of a thing.

Am not I old Sly's son, by birth a pedlar, by education a cardmaker, by *transmutation* a bear herd?—*Shakespear, Taming of the Shrew*, induction, sc. 2.

The *transmutation* of plants one into another is 'inter magnalia naturæ,' for the *transmutation* of species is, in the vulgar philosophy, pronounced impossible; but seeing there appear some manifest instances of it, the opinion of impossibility is to be rejected, and the means thereof to be found out.—*Bacon.*

The conversion into a body merely new, and which was not before; as silver to gold, or iron to copper, is better called, for distinction sake, *transmutation*.—*Id.*

The obligation of the day, which was then the sabbath, died and was buried with him, but in a manner by a diurnal *transmutation* revived again at his resurrection.—*Bishop Pearson, Exposition of the Creed*, art. v.

The changing of bodies into light, and light into bodies, is very comportable to the course of nature, which seems delighted with *transmutations*. Water, which is a very fluid tasteless salt, she changes by heat into vapour, which is a sort of air, and by cold into ice, which is a hard, pellucid, brittle, fusible stone; and this stone returns into water by heat, and water returns into vapour by cold.—*Sir I. Newton.*

The supposed change of worms into flies is no real *transmutation*; but most of those members, which at last become visible to the eye, are existent at the beginning, artificially complicated together.—*Bentley, Sermons.*

2. Successive change.

The same land suffereth sundry *transmutations* of owners within one term.—*Bacon, Office of Alienation.*

Transmúte. *v. a.* [Lat. *transmuto*.] Change from one nature or substance to another.

Suidas thinks, that by the golden fleece was meant a golden book of parchment, which is of sheep's skin, and therefore called golden, because it was taught therein how other metals might be *transmuted*.—*Sir W. Raleigh.*

But if the reason was suppressed with such unmitigated proscription, the imagination, while it shrunk from those metaphysic abstractions, which are so congenial to eastern mysticism, had full scope in the ordinary occurrences of life, which it *transmuted* into perpetual miracle.—*Milman, History of Latin Christianity*, b. iii. ch. vi.

Tránsom. *s.* [Lat. *transenna*.] Thwart beam, or lintel: (in *Church Architecture*; specially applied to the horizontal mullion or cross-bar, of windows; see extracts).

The most ancient examples of *transoms* are found in the Early English style; of this date they are extremely rare.... In the Decorated style the use of *transoms* increased.... In the Perpendicular style the use of *transoms* was very general.—*Glossary of Architecture.*

Transpárence. *s.* [Fr.] Clearness; diaphaneity; translucence; power of transmitting light.

Transpárency. *s.*

1. Transparence: (this, *in this sense*, is, *perhaps*, now the *commoner* word; in the previous editions, however, it is not entered).

A poet of another nation would not have dwelt so long upon the clearness and *transparency* of the stream; but in Italy one seldom sees a river that is extremely bright and limpid, most of them being muddy.—*Addison.*

Another cause is the greater *transparency* of the vessels occasioned by the thinness and delicacy of their coats.—*Arbuthnot.*

2. Transparent scene (on the stage).

Transpárent. *adj.* [Lat. *appareo* = I appear, pres. part. *apparens*, *-entis*.] Pervious to the light; clear; pellucid; diaphanous; not opaque. See Translucent.

Nor shines the silver moon one half so bright,
Through the *transparent* bosom of the deep,
As doth thy face through tears of mine give light;
Thou shin'st in every tear that I do weep.
Shakespear, Love's Labour's lost, iv. 3.

Wait upon him with whom you speak with your eye; for there be many wise men that have secret hearts and *transparent* countenances.—*Bacon, Essays.*

Each thought was visible that roll'd within,
As through a crystal case the figured hours are seen;

And heaven did this *transparent* veil provide,
Because she had no guilty thought to hide.
Dryden, Epitaph on the Monument of a Lady at Bath.

Her bosom appeared all of crystal, and so wonderfully *transparent*, that I saw every thought in her heart.—*Addison.*

Transparent forms, too fine for mortal sight,
Their fluid bodies half dissolved in light.
Pope, Rape of the Lock, canto ii.

Transpárently. *adv.* In a transparent manner; clearly; so clearly as to be seen through.

Bodies almost *transparently* fair.—*Whitlock, Observations on the Present Manners of the English*, p. 339.

In 'transparently evident' we keep up the metaphor from the sense of sight; in 'palpably manifest' we use an equivalent from that of touch.

Transpáss. *v. a.* Pass over. *Rare.*

The river Hyphasis, or, as Ptolemy calleth it, Bipasis, was Alexander's non ultra; which yet he *transpassed*, and set up altars on the other side.—*Gregory, Notes on Scripture*, p. 75: 1684.

Transpáss. *v. n.* Pass by; pass away: (not so proper as the verb active. (Todd.) Neither are proper. Trespass is the current form, and, at the same time, the correct one. Each approximately translates *transgress*; *trans* = over + *gressus* = step.) *Rare.*

Which shall so soon *transpass*,
Though far more fair than is thy looking-glass.
Daniel.

Transpícuous. *adj.* [Lat. *transpicio* = I see through; *transpectus* = seeing through.] Transparent; pervious to the sight.

What if that light,
Sent from her through the wide *transpicuous* air,
To the terrestrial moon be as a star?
Milton, Paradise Lost, viii. 140.

Now thy wine's *transpicuous*, purged from all
Its earthy gross, yet let it feed awhile
On the fat refuse. *J. Philips, Cyder*, ii. 315.

Transpíerce. *v. n.* [N.Fr. *transpercer.*] Penetrate; make way through; permeate.

A mind, which through each part infused doth pass,
Fashions and works, and wholly doth *transpierce*
All this great body of the universe.
Sir W. Raleigh.

His forceful spear, which, hissing as it flew,
Pierced through the yielding planks of jointed wood:
The sides *transpierced* return a rattling sound,
And groans of Greeks inclosed came issuing through the wound.
Dryden, Translation of the Æneid, ii. 65.

Transpirátion. *s.*

1. Emission in vapour.

That a bullet dipped in oil, by preventing the *transpiration* of air, will carry farther, and pierce deeper, my experience cannot discern.—*Sir T. Browne, Vulgar Errours.*

The *transpiration* of the obstructed fluids is imagined to be one of the ways that an inflammation is removed.—*Sharp, Surgery.*

2. In *Physics; of gases.* See extract.

Gases exhibit peculiar properties in passing through tubes of very small diameter. The rates at which they flow through such tubes vary with the composition of the gas, but bear a constant relation not coinciding with density, diffusion, or any other known property. These fundamental peculiarities are termed by Graham those of *transpiration*. The experiments by which they were established were analogous to those of Poiseuille and Regnault on the efflux of liquids through tubes of great length in comparison with diameter. The *transpiration* of a gas is uninfluenced by the material of which a tube is constructed; it increases with pressure—the greater the density, the shorter the time of *transpiration*; it is inversely proportionate to the length of the tube; slower at low than at high temperatures. Oxygen has the slowest rate of *transpiration*, and may be taken as the unit for purposes of comparison,—1; chlorine is 1·5; hydrogen 2·288. Graham considers that *transpiration* is probably the resultant of a kind of elasticity depending on the absolute quantity of heat, latent as well as sensible, which different gases contain under the same volume.—*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Transpíre. *v. n.* [Fr. *transpirer*; Lat. *spiro* = I breathe.]

1. Be emitted by insensible vapour.

The nuts fresh got are full of a soft pulpy matter, which in time *transpires*, and passes through the shell.—*Woodward.*

2. Escape from secrecy to notice: ('a sense,' Johnson remarks, 'lately innovated from France, without necessity.' See extract).

Do you know the history of his [Johnson's] aversion to the word *transpire*? . . . The truth was, lord Bolingbroke, who left the Jacobites, first used it; therefore, it was to be condemned! He should have shewn what word would do for it, if it was unnecessary.—*Lord Marchmont*, in *Boswell's Life of Johnson.*

If they have raised a battery, as I suppose they have, it is a masked one, for nothing has *transpired.*—*Lord Chesterfield.*

Two and even three days had rolled over since Mr. Tadpole had reported Sir Robert on his way to the palace, and marvellously little had *transpired.*—*B. Disraeli, Sybil*, ch. xiv.

Transpláce. *v. a.* Remove; put into a new place. *Rare, hybrid.*

It was *transplaced* from the left side of the Vatican unto a more eminent place.—*Bishop Wilkins, Mathematical Magick.*

Transplánt. *v. a.* [Fr. *transplanter.*]

1. Remove and plant in a new place.

The noblest fruits *transplanted* in our isle,
With early hope and fragrant blossoms smile.
Lord Roscommon.

Salopian acres flourish with a growth
Peculiar, stiled the Ottley; be thou first
This apple to *transplant*. *J. Philips, Cyder*, i. 464.

2. Remove and settle.

If any *transplant* themselves into plantations abroad, who are schismaticks or outlaws, such are not fit to lay the foundation of a new colony.—*Bacon, Advice to Villiers.*

3. Remove.

Of light the greater part he took
Transplanted from her cloudy shrine, and placed
In the sun's orb. *Milton, Paradise Lost*, vii. 359.

He prospered at the rate of his own wishes, being *transplanted* out of his cold barren diocese of St. David's into a warmer climate.—*Lord Clarendon, History of the Grand Rebellion.*

Transplantátion. *s.*

1. Act of transplanting or removing to another soil.

It is confessed, that love changed often doth nothing; nay, it is nothing; for love, where it is kept fixed to its first object, though it burn not, yet it warms and cherishes, so as it needs no *transplantation*, or change of soil, to make it fruitful.—*Sir J. Suckling.*

2. Conveyance from one to another.

What noise have we had for some years about *transplantation* of diseases, and transfusion of blood!—*Baker.*

3. Removal of men from one country to another.

Most of kingdoms have throughly felt the calamities of forcible *transplantations*, being either overwhelmed by new colonies that fell upon them, or driven, as one wave is driven by another, to seek new seats, having lost their own.—*Sir W. Raleigh.*

Transpléndency. *s.* [Lat. *splendeo* = I shine.] Supereminent splendour. *Rare.*

The supernatural and unimitable *transplendency* of the Divine Presence.—*Dr. H. More, Antidote against Idolatry*, ch. ii.

Transpléndently. *adv.* In a transplendent manner; with supereminent splendour. *Rare.*

The divinity, with all its adorable attributes, is hypostatically, vitally, and *transplendently* residing in this humanity of Christ.—*Dr. H. More, Antidote against Idolatry*, ch. ii.

Transpórt. *v. a.* [Fr. *transporter*; Lat. *porto* = I carry, bear.]

1. Convey by carriage from place to place; remove from one place to another.

I came hither to *transport* the tidings.
Shakespear, Macbeth, iv. 3.

Why should she write to Edmund? might not you
Transport her purposes by word?
Id., King Lear, iv. 5.

Rivers from one end of the world to the other, which, among other uses, were made to *transport* men.—*Sir W. Raleigh.*

A subterranean wind *transports* a hill
Torn from Pilorus. *Milton, Paradise Lost*, i. 231.

Cæsar found the seas betwixt France and Britain so ill furnished with vessels, that he was fain to make ships to *transport* his army.—*Heylin.*

In the disturbances of a state, the wise Ponponius *transported* all the remaining wisdom and virtue of his country into the sanctuary of peace and learning.—*Dryden.*

2. Carry into banishment, as a felon.

We return after being *transported*, and are ten times greater rogues than before.—*Swift.*

3. Hurry by violence of passion.

You are *transported* by calamity
Thither where more attends you, and you slander
The helms o' th' state.
Shakespear, Coriolanus, i. 1.

They laugh as if *transported* with some fit
Of passion. *Milton, Paradise Lost*, x. 626.

I shew him once *transported* by the violence of a sudden passion.—*Dryden.*

If an ally not immediately concerned contribute more than the principal party, he ought to have his share in what is conquered; or if his romantick disposition *transport* him so far as to expect little or nothing, they should make it up in diguity.—*Swift.*

4. Put into ecstasy; ravish with pleasure.

Here
Far otherwise, *transported* I behold,
Transported touch.
Milton, Paradise Lost, viii. 528.

Those on whom Christ bestowed miraculous cures were so *transported* with them, that their gratitude supplanted their obedience.—*Dr. H. More, Decay of Christian Piety.*

Tránsport. *s.*

1. Transportation; carriage; conveyance.

The Romans neglected their maritime affairs: for they stipulated with the Carthaginians to furnish them with ships for *transport* and war.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

2. Vessel of carriage; particularly a vessel in which soldiers are conveyed.

Some spoke of the men of war only, and others added the *transports.*—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

3. Rapture; ecstasy.

A truly pious mind receives a temporal blessing with gratitude, a spiritual one with ecstasy and *transport.*—*South, Sermons.*

4. Felon sentenced to exile.

Transpórtal. *s.* Transportance.

Transpórtance. *s.* Conveyance; carriage; removal; transportation.

O, be thou my Charon,
And give me swift *transportance* to those fields,
Where I may wallow in the lily beds
Proposed for the deserver!
Shakespear, Troilus and Cressida, iii. 2.

Transpórtant. *adj.* Affording great pleasure. *Rare.*

So rapturous a joy, and *transportant* love.—*Dr. H. More, Mystery of Godliness*, p. 227: 1660.

Transportátion. *s.*

1. Conveyance; carriage.

Cottington and Porter had been sent before to provide a vessel for their *transportation.*—*Sir H. Wotton.*

2. Transmission or conveyance.

Some were not so solicitous to provide against the plague, as to know whether we had it from the malignity of our own air, or by *transportation.*—*Dryden.*

3. Penal banishment.

4. Ecstatic violence of passion.

All pleasures that affect the body must needs weary, because they transport, and all *transportation* is a violence; and no violence can be lasting, but determines upon the falling of the spirits.—*South, Sermons.*

Transpórtedness. *s.* Attribute suggested by Transported; state of rapture.

What a mean opinion doth this imply . . . that we who are old men, Christian philosophers, and divines, should have so little government of ourselves as to be puffed up with those poor accessions of titular respects, which those, who are really and hereditarily possessed of, can wield without any such taint or suspicion of *transportedness!*—*Bishop Hall, Remains*, p. 420.

Transpórtment. *s.* Transportation or conveyance in ships.

You, . . .
Your last *transportment*, being assail'd by a galley,
Hid yourself i' the cabin.
Beaumont and Fletcher, Queen of Corinth.

Transpórtable. *adj.* Capable of being transported.

Either we shall not bear about us a body, or it will be more easily *transportable* than this.—*Cowper, Correspondence*, p. 222. (Ord MS.)

Transpórter. *s.* One who transports.

The pilchard merchant may reap a speedy benefit by dispatching, saving, and selling to the *transporters.*—*Carew, Survey of Cornwall.*

Transpósal. *s.* Act of putting things in each other's place.

Transpóse. *v. a.* [Fr. *transposer*; Lat.

transpositus = placed; pass. part. of *transpono*.]

1. Put each in place of other.

The letters of Elisabetha regina *transposed* thus, Anglie Hera, beasti, signify, O England's sovereign! thou hast made us happy.—*Camden, Remains.*

Transpose the propositions, making the medius terminus the predicate of the first and the subject of the second.—*Locke.*

2. Put out of the place; remove.

That which you are my thoughts cannot *transpose*; Angels are bright still, though the brightest fell.
Shakespear, Macbeth, iv. 3.

Transposítion. *s.*

1. Act of putting one thing in the place of another.

Perspicuity of style is often hindered by the ornaments of speech; ... by too curious a *transposition* of words from their natural place; by using too many metaphors.—*Instructions for Oratory*, p. 100: 1682.

2. State of being put out of one place into another.

The common centre of gravity in the terraqueous globe is steady, and not liable to any accidental *transposition*, nor hath it ever shifted its station.—*Woodward, Essay towards a Natural History of the Earth.*

Transposítional. *adj.* Relating to transposition.

The most striking and most offensive error in pronunciation among the Londoners, I confess, lies in the *transpositional* use of the letters *w* and *v*, ever to be heard when there is any possibility of inverting them. Thus they always say 'weal' instead of 'veal;' 'vicked' for 'wicked.'—*Pegge, Anecdotes of the English Language*, 2d ed. p. 77.

Transpróse. *v. a.* In the second extract the meaning seems simply to be, translate (prose) into prose; from translating verse in prose its ludicrous import, as in the other extracts, originated.

Instinct he follows and no further knows,
For to write verse with him is to *transprose*.
Dryden, Absalom and Achitophel, ii. 443. (Ord MS.)

He [John Harmer] was happy in rendering Greek into Latin, or Latin into English, or English into Greek or Latin, whether in prose or verse; which we now call *transversing* and *transprosing*.—*Wood, Athenæ Oxonienses*, p. 478. (Ord MS.)

'A Reproof to the Rehearsal *Transprosed* in a Discourse to its Author, by the author of the Ecclesiastical Politie,' is the title of a work printed in 1673, and attributed to Parker, Bishop of Oxford.

Transprósing. *verbal abs.* See extract.

This is my book of drama common places; the mother of many other common plays.—Drama common places! Pray what's that?—Why, sir, some certain helps, that we men of art have found it convenient to make use of.—How, sir, helps for wit?—I, sir, that's my position. ... What are those rules, I pray?—Why, sir, my first rule is the rule of transversion, or regula duplex; changing verse into prose, or prose into verse, alternative as you please.—Well; but how is this done by rule, sir?—Why thus, sir; nothing so easie when understood. I take a book in my hand, either at home or elsewhere, for that's all one; if there be any wit in't, as there is no book but has some, I *transverse* it; that is, if it be prose put it into verse (but that takes up some time), and if it be verse put it into prose.—Methinks, Mr. Bayes, that putting verse into prose should be call'd *transprosing*.—By my troth, sir, 'tis a very good notion, and hereafter it shall be so.—*Duke of Buckingham, The Rehearsal*, i. 1.

Transshápe. *v. a.* Transform; bring into another shape; hybrid translation of Transform. *Rare.*

I'll tell thee how Beatrice praised thy wit: I said thou hadst a fine wit; Right, said she, a fine little one; Nay, said I, he hath the tongues; That I believe, said she; for he swore a thing to me on Monday night which he forswore on Tuesday morning; there's a double tongue: thus did she *transshape* thy particular virtues.—*Shakespear, Much Ado about Nothing*, v. 1.

Suppose him
Trans-shaped into an angel.
Beaumont and Fletcher, Laws of Candy.

Transubstántiate. *v. a.* Change to another substance.

O self-traitor, I do bring
The spider love which *transubstantiates* all,
And can convert manna to gall. *Donne.*

Nor seemingly, but with keen dispatch
Of real hunger, and concoctive heat,
To *transubstantiate*; what redounds, transpires
Through spirits with ease.
Milton, Paradise Lost, v. 436.

Transubstantiátion. *s.* Change of substance; conversion of bread and wine into the body and blood of Christ in the eucharist.

How is a Romanist prepared easily to swallow, not only against all probability, but even the clear evidence of his senses, the doctrine of *transubstantiation*?—*Locke.*

Transubstántiator. *s.* One who maintains the doctrine of transubstantiation.

It may serve to guard us from diverse errors, ... such as that of the Roman *transubstantiators*, who affirm that the body of our Lord is here upon earth at once present in many places, namely, in every place where the host is kept, or the eucharist is celebrated.—*Barrow, Sermons*, vol. ii. serm. xxxi.

There were in the primitive times some hereticks, who thought those words of Christ concerning the eating his flesh, and drinking his blood, were to be understood grossly and literally of oral eating, just as the *transubstantiators* at this day pretend.—*Dr. Potter, Christophalgia*, p. 48: 1680.

Transudátion. *s.* Act of passing in sweat, or perspirable vapour, through any integument.

The drops proceeded not from the *transudation* of the liquors within the glass.—*Boyle.*

Transudátory. *adj.* Passing through in vapour.

It does not chill the blood, and so check the exhalation of the *transudatory* lymph.—*Dr. Randolph, On the Virtues of Bath Water*, p. 53.

Transúde. *v. n.* [Lat. *sudo* = I sweat; pass. part. *sudatus; sudatio, -onis*; etymologically the *s* is doubled, giving *trans-sude*.] Pass through in vapour.

Purulent fumes cannot be transmitted throughout the body before the maturation of an apostheme, nor after, unless the humour break; because they cannot *transude* through the bag of an apostheme.—*Harvey, Discourse on Consumptions.*

Transúme. *v. a.* [Lat. *sumo* = I take.] Take from one thing to another; convert one thing into another.

Bread and wine
Transumed, and taught to turn divine.
Crashaw, Hymn.

Tránsumpt. *s.* [Lat. *sumptus*, pass. part. of *sumo* = I take; *sumptio, -onis*.] Exemplification or copy of a record.

The pretended original breve was produced, and a *transumpt* or copy thereof offered them.—*Lord Herbert, History of Henry VIII.* p. 225.

Transúmption. *s.* Act of taking from one place to another.

Having by a kind of *transumption* and accommodation borrowed those former words of his.—*South, Sermons.*

Transúmptive. *s.* In extract, metaphorical. *Rare.*

Meander is a river in Lycia, a province of Natolia, or Asia Minor, famous for the sinuosity and often turning thereof, rising from certain hills in Meonia; hereupon are intricate turnings, by a *transumptive* and metonymical kind of speech, called meanders; for this river did so strangely path itself, that the foot seemed to touch the head.—*Drayton, Annotations to Rosamond's Epistle.* (Ord MS.)

Transvéction. *s.* [Lat. *vectio, -onis*: *veho* = I bear, carry; pass. part. *vectus*.] Act of carrying.

That transportation she makes of them, is a *transvection* of them, rather than pulsion or traction.—*Annotations on Glanville*, p. 105: 1682.

Transvérsal. *adj.* [Lat. *versus*, pass. part. of *verto* = I turn.] Running crosswise.

An ascending line, direct, as from son to father, or grandfather, is not admitted by the law of England; or in the *transversal* line, as to the uncle or aunt, great-uncle, or great-aunt.—*Sir M. Hale.*

Transvérsally. *adv.* In a transversal manner; in a cross direction; transversely: (this last being the *commoner* word).

There are divers subtile enquiries and demonstrations concerning the several proportions of swiftness and distance in an arrow shot vertically, horizontally, or *transversally*.—*Bishop Wilkins.*

Transvérse. *v. a.*

1. Change; overturn.

Nothing can be believed to be religion by any people, but what they think to be divine; that is, sent immediately from God: and they can think nothing to be so that is in the power of man to alter or *transverse*.—*Leslie.*

2. See under Transprose.

Transvérse. *adj.* [Lat. *transversus*.] Being in a cross direction.

What natural agent could impel them so strongly with a *transverse* side blow against that tremendous weight and rapidity, when whole worlds are a falling?—*Bentley, Sermons.*

Used *adverbially*.

His volant touch
Fled and pursued *transverse* the resonant fugue.
Milton, Paradise Lost, xi. 562.

Transvérsely. *adv.* In a transverse manner; in a cross direction.

At Stonehenge the stones lie *transversely* upon each other.—*Bishop Stillingfleet.*

In all the fibres of an animal there is a contractile power; for if a fibre be cut *transversely*, both the ends shrink and make the wound gape.—*Arbuthnot, On the Nature and Choice of Aliments.*

Tránter. *s.* One who carries fish from the sea coasts to sell in inland countries.

Trap. *s.* [A.S. *træp*.]

1. Snare set for thieves or vermin.

Die as thou shouldest, but do not die impatiently, and like a fox catched in a *trap*.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

The *trap* springs and catches the ape by the fingers.—*Sir R. L'Estrange.*

2. Ambush; stratagem to betray or catch unawares.

God and your majesty
Protect mine innocence, or I fall into
The *trap* is laid for me.
Shakespear, Henry VIII. v. 1.

They continually laid *traps* to ensnare him, and made sinister interpretations of all the good he did.—*Calamy, Sermons.*

He seems a *trap* for charity to lay,
And cons by night his lesson for the day. *Dryden.*

3. Play at which a ball is driven with a stick.

Unruly boys learn to wrangle at *trap*, or rook at span-farthing.—*Locke, Thoughts on Education.*

As the *first element* in a *compound*.

He that of feeble nerves and joints complains,
From nine-pins, coits, and from *trap-ball* abstains.
King.

Trap. *v. a.* [A.S. *treppan*.]

1. Ensnare; catch by a snare or ambush; take by stratagem.

My brain, more busy than the lab'ring spider,
Weaves tedious snares to *trap* mine enemies.
Shakespear, Henry VI. Part II. iii. 1.

If you require my deeds, with ambush'd arms
I *trapp'd* the foe, or tired with false alarms.
Dryden, Translation from Ovid

2. Adorn; decorate.

The steed that bore him
Was *trapp'd* with polish'd steel, all shining bright,
And cover'd with th' atchievements of the knight.
Spenser.

Lord Lucius presented to you four milk-white horses *trapt* in silver.—*Shakespear, Timon of Athens*, i. 2.

Trap, or **Tráp-róck.** *s.* In *Geology*. See extract.

When geology was first studied, a number of rocks were found to be similar in general appearance and composition, while all were remarkable for being spread out in tabular or flat masses, one such flat mass extending beyond another, so that there was a rough resemblance to stairs. These rocks were hence called by a Swedish author *trappa*, the Swedish word for steps or stairs, and the name *trap* has ever since been received in reference to these. They have long been recognised as belonging to the class seen in volcanic countries, and generally called Lava, being, in fact, the melted material poured out from an active volcano in the state of a thick paste, and spreading itself over the surface adjacent. A succession of eruptions produces a series of steps; and where no volcano now exists, the old erupted lavas often remain. Of the various tabular erupted rocks thus named, basalt is the most distinctly an ancient lava, and is the most important. Greenstone, whinstone, toadstone, and others, are names of varieties of basalt, and are also *trap-rocks*.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Trápdoór. *s.* [two words.] Door opening and shutting unexpectedly.

The arteries which carry from the heart to the several parts have valves which open outward like *trapdoors*, and give the blood a free passage; and the veins, which bring it back to the heart, have valves and *trapdoors* which open inwards, so as to give way unto the blood to run into the heart.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Trapéze. *s.*

1. Trapezium.

2. Term applied of late to certain acrobatic feats.

Trapes. *s.* Explained in the preceding edition as 'an idle slatternly woman.' To complete the notion thus suggested, we should probably add 'one who, for the mere sake of showing herself and being seen, frequents public places.' In Shadwell's Comedy of Tunbridge Walks, Miss Trapes is one of the characters. Whether the common come from the proper name, or *vice versâ*, is uncertain. The verb comes from the noun. Hence the true form is *trapes*. Of this in the previous editions there are two entries; one as *traipse*, the other as *trapes*; the latter being connected with *drab*, and considered the better form. 'To go *trapesing* about,' is an expression occasionally heard, and it is preferable to '*traping*.'

It was his choice, or chance, or curse,
T' espouse the Cause for better or worse;
. . . he found the sullen *trapes*
Possest with th' devil, worms, and claps.
Butler, Hudibras, iii. 2, 467.

From door to door I'd sooner whine and beg,
Than marry such a *trapes*. *Gay, What d'ye call it.*

Since full each other station of renown,
Who would not be the greatest *trapes* in town?
Young, Love of Fame, vi. 223.

The gossip, prude, old maid, coquette, and *trapes*,
Are parrots, foxes, magpies, wasps, and apes;
But she, with ev'ry charm of form and mind,
Oh! she—sweet soul—the phœnix of her kind.
Prologue to the Jealous Wife.

Trápesing. *verbal abs.* Walking about like a trapes.

Trapézium. *s.* [Gr. τραπέζιον; Fr. *trapèze*.] Quadrilateral figure, whose four sides are not equal, and none of its sides parallel: (in extract, with plural in *a*).

Two of the lateral *trapezia* are as broad.—*Woodward.*

Trápezoid. *adj.* [Gr. τράπεζα + εἶδος = form; -ειδής = having the form of.] Resembling a trapezium.

In Geometry, an ordinary quadrilateral figure is sometimes called a trapezium; when two of its sides are parallel without being equal, it is called a *trapezoid*.—*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tráppings. *s.* [?]

1. Ornaments appendant to the saddle.

Caparisons and steeds,
Bases and tinsel *trappings*, gorgeous knights
At joust and tournament.
Milton, Paradise Lost, ix. 35.

2. Ornaments; dress; embellishments; external, superficial, and trifling decoration.

These indeed seem,
But I have that within which passeth shew;
These but the *trappings* and the suits of woe.
Shakespear, Hamlet, i. 2.

He has fair words, rich *trappings*, and large promises; but works only for his master.—*Sir R. L'Estrange.*

Such pageantry be to the people shown;
There boast thy horse's *trappings*, and thy own.
Dryden, Translation of Persius, iii. 53.

Draw him strictly so,
That all who view the piece may know
He needs no *trappings* of fictitious fame.
Id., Threnodia Augustalis, 328.

In ships decay'd no mariner confides,
Lured by the gilded stern and painted sides;
Yet at a ball unthinking fools delight,
In the gay *trappings* of a birth-day night. *Swift.*

There is even a commission from Edward IV. to take as many workmen in gold as were wanting, and employ at the king's cost upon the *trappings* of himself and his household.—*Hallam, View of the State of Europe during the Middle Ages*, pt. iii. ch. viii.

Trápstick. *s.* Stick with which boys drive a wooden ball: (applied by Addison to a thin leg).

A foolish swoop between a couple of thick bandy legs and two long *trapsticks* that had no calfs.—*Spectator.*

Trash. *s.* [see Trousse.]

1. Anything worthless; dross; dregs.

Who steals my purse, steals *trash*; 'tis something, nothing;
'Twas mine, 'tis his; and has been slave to thousands.
But he that filches from me my good name,
Robs me of that which not enriches him,
And makes me poor indeed.
Shakespear, Othello, iii. 3.

More than ten Holinsheds, or Halls, or Stows,
Of trivial household *trash* he knows; he knows
When the queen frown'd or smiled.
Donne, Satires, sat. iv.

The collectors only consider the greater fame a writer is in possession of the more *trash* he may bear to have tacked to him.—*Swift.*

Weak foolish man! will Heaven reward us there
With the same *trash* mad mortals wish for here?
Pope, Essay on Man, iv. 173.

2. Worthless person.

I suspect this *trash*
To be a party in this injury.
Shakespear, Othello, v. 1.

3. Matter improper for food.

O that instead of *trash* thou'dst taken steel!
Garth.

4. Among hunters, a piece of leather, couple, or any other weight fastened round the neck of a dog, when his speed is superior to the rest of the pack.

5. Loppings of trees.

Huts of trees and *trash*.—*Carleton's Memoirs*, p. 52.

Trash. *v. a.*

1. Lop; crop.

2. Crush; humble; beat down; wear out.

Being naturally of a spare and thin body, and thus restlessly *trashing* it out with reading, writing, preaching, and travelling, he hastened his death.—*Life of Bishop Jewell*, p. 36: 1685.

3. Clog; encumber; impede the progress of.

There is no means on the earth, besides the very hand of God, able to *trash* or overslow this furious driver.—*Hammond, Works*, iv. 563.

Foreslowed and *trashed* by either outward or inward restraints.—*Ibid.* p. 565.

Among other incumbrances and delays in our ways to heaven, there is no one that doth so clog and *trash*, so disadvantage and backward us; and, in fine, so cast us behind in our race; as a contentedness in a formal worship of God, an acquiescence and resting satisfied in outward performances.—*Ibid.* p. 663.

Not such as was fit to be imposed on hard-hearted Jews, to encumber and *trash* them, but such as becomes an ingenuous people.—*Ibid. Practical Catechism.*

Trash. *v. n.* Follow, with bustle, as if beating down everything in the way; or, as it is used in the north, tramp about with fatigue.

A guarded lackey to run before it, and pied liveries to come *trashing* after it.—*The Puritan*, iv. 1: 1607.

Tráshy. *adj.* Worthless; vile; useless.

A judicious reader will discover in his closet that *trashy* stuff, whose glittering deceived him in the action.—*Dryden.*

Traúlism. *s.* [Gr. τραῦλος = stammering.] Stammering repetition of syllables.

As for æ, æ, æ, &c., I know not what other censure to pass on them, but that they are childish and ridiculous *traulisms*.—*Dalgarno, Deaf and Dumb Man's Tutor*, p. 132: 1680.

Traúmatic. *adj.* [Gr. τραῦμα, -ατος = wound.] In *Medicine.* Vulnerary.

1. As applied to *remedies*.

I deterged and disposed the ulcer to incarn, and to do so I placed the patient in a *traumatic* decoction.—*Wiseman, Surgery.*

2. As applied to *symptoms* and *causes*. Arising from a wound, or local injury.

In cases occurring in the country, and amongst persons following healthy outdoor occupations, or accustomed to good living or rich and stimulating food; in the young, the plethoric, and robust; and in cases arising from causes of a *traumatic* nature, vascular depletion may be practised with much greater advantage than is now generally supposed.—*Copland, Dictionary of Practical Medicine.*

Trávail. *v. n.* [Fr. *travailler*.]

1. Labour; toil.

Obey our will, which *travails* in thy good.
Shakespear, All's well that ends well, ii. 3.

2. Be in labour as a woman; suffer the pains of childbirth.

I *travail* not, nor bring forth children.—*Isaiah*, xxiii. 4.

She being with child cried, *travailing* in birth, and pained to be delivered.—*Revelation*, xii. 2.

His heart is in continual labour; it *travails* with the obligation, and is in pangs till it be delivered.—*South, Sermons.*

Trávail. *v. a.* Harass; tire.

As if all these troubles had not been sufficient to *travail* the realm, a great division fell among the nobility.—*Sir J. Hayward.*

Trávail. *s.*

1. Labour; toil; fatigue.

As everything of price, so this doth require *travail*.—*Hooker, Ecclesiastical Polity.*

Such impotent persons as are unable for strong *travail*, are yet able to drive cattle to and fro to their pasture.—*Spenser, View of the State of Ireland.*

2. Labour in childbirth.

In the time of her *travail*, behold, twins were in her.—*Genesis*, xxxviii. 27.

To procure easy *travails* of women, the intention is to bring down the child, but not too fast.—*Bacon, Natural and Experimental History.*

Trávis. *s.* Beam; lay of joists; traverse.

On the right side of the choir was made a *travys* for her to say her prayers.—*A. Wood, Annals of the University of Oxford*: 1566.

A *travys* erected a considerable height from the ground.—*Ibid.*

Trave. *s.* Travis.

The ceiling and *traves* are, after the Turkish manner, richly painted and gilded.—*Maundrell, Travels*, p. 125.

Trável. *v. n.*

1. Make journeys: (it is used for sea as well as land, though sometimes we distinguish it from *voyage*, a word appropriated to the sea).

Fain would I *travel* to some foreign shore,
So might I to myself myself restore. *Dryden.*

If others believed he was an Egyptian from his knowledge of their rites, it proves at least that he *travelled* there.—*Pope.*

2. Pass; go; move.

Time *travels* in divers paces, with divers persons; I'll tell you who time ambles withal, and who time trots withal.—*Shakespear, As you like it*, iii. 2.

Thus flying east and west, and north and south,
News *travell'd* with increase from mouth to mouth.
Pope, Temple of Fame.

3. Labour; toil: (this should be rather, *travail*).

If we labour to maintain truth and reason, let not any think that we *travel* about a matter not needful.—*Hooker, Ecclesiastical Polity.*

Trável. *v. a. Rare.*

1. Pass; journey over.

Thither to arrive . . . I *travel* this profound.
Milton, Paradise Lost, ii. 980.

2. Force to journey.

There are other privileges granted unto most of the corporations, that they shall not be charged with garrisons, and they shall not be *travelled* forth of their own franchises.—*Spenser, View of the State of Ireland.*

Trável. *s.* [Fr. *travail*.]

1. Journey; act of passing from place to place.

Love had clipp'd his wings and cut him short,
Confined within the purlieus of his court.
Three miles he went, nor farther could retreat,
His *travels* ended at his country-seat.
Dryden, Theodore and Honoria, 54.

Mingled send into the dance
Moments fraught with all the treasures
Which thy eastern *travel* views.
Prior, Hymn to the Sun.

2. Journey of curiosity or instruction.

Let him spend his time no more at home,
Which would be great impeachment to his age,
In having known no *travel* in his youth.
Shakespear, Two Gentlemen of Verona, i. 3.

Travel in the younger sort is a part of education; in the elder, a part of experience.—*Bacon, Essays.*

A man not enlightened by *travel* or reflexion, grows as fond of arbitrary power, to which he hath been used, as of barren countries, in which he has been born and bred.—*Addison.*

3. Labour in childbirth.

After this thy *travel* sore
Sweet rest seize thee evermore. *Milton, Epitaph on the Marchioness of Winchester.*

Thy mother well deserves that short delight,
The nauseous qualms of ten long months and *travel* to requite.
Dryden, Translation of Virgil, Eclogues, iv. 74.

Plural. Book of travels: (as, '*Travels* in Arabia,' &c.)

Trávelled. *adj.* Having made journeys.

A man well parted, a sufficient scholar and *travelled*.—*B. Jonson, Every Man out of his Humour.*

Whatever word you chance to drop,
The *travell'd* fool your mouth will stop.
Grainger, The Chameleon.

Tráveller. *s.* [Fr *travailleur*.]

1. One who goes a journey; wayfarer.

The weary *traveller* wand'ring that way,
Therein did often quench his thirsty heat.
Spenser.

At the olive roote
They drew them then in heape, most far from foote
Of any *traveller*. *Chapman.*
This was a common opinion among the Gentiles, that the gods sometimes assumed human shape, and conversed upon earth with strangers and *travellers*. —*Bentley, Sermons.*
If a poor *traveller* tells her, that he has neither strength nor food nor money left, she never bids him go to the place from whence he came.—*Law.*

2. One who visits foreign countries.
Farewell, monsieur *traveller*; look you lisp and wear strange suits, and disable all the benefits of your own country.—*Shakespear, As you like it*, iv. 1.
These *travailers* for cloaths, or for a meale,
At all adventures any lye will tell. *Chapman.*
The *traveller* into a foreign country knows more by the eye, than he that stayeth at home can by relation of the *traveller*.—*Bacon, New Atlantis.*
They are *travellers* newly arrived in a strange country, we should therefore not mislead them.—*Locke.*

Tráveller's-joy. *s.* [two words.] In *Botany.* Native plant of the genus Clematis. See extract.

Tráverse. *v. a.* [Fr. *traverser.*]

1. Cross; lay athwart.
The parts should be often *traversed* or crossed by the flowing of the folds which loosely encompass them, without sitting too straight.—*Dryden, Translation of Dufresnoy's Art of Painting.*

2. Cross by way of opposition; thwart with obstacles.
This treatise has, since the first conception thereof, been often *traversed* with other thoughts.—*Sir H. Wotton.*
John Bull thought himself now of age to look after his own affairs; Frog resolved to *traverse* this new project, and to make him uneasy in his own family.—*Arbuthnot.*
'You shall have no cause to say so, unless you spurn my courtesy,' said Michael Lambourne; 'but if so, keep thee well from me, Sir Knight, as the romance has it. I will either share your counsels or *traverse* them; for I have come here to be busy, either with thee or against thee.'—*Sir W. Scott, Kenilworth*, ch. iv.

3. Oppose; cross by an objection.
You save th' expence of long litigious laws,
Where suits are *traversed*, and so little won,
That he who conquers is but last undone.
Dryden, Epistle to his kinsman John Dryden, 11.

4. Wander over; cross.
He many a walk *traversed*
Of stateliest covert, cedar, pine, or palm.
Milton, Paradise Lost, ix. 434.
He that shall *traverse* over all this habitable earth, with all those remote corners of it, reserved for the discovery of these later ages, may find some nations without cities, schools, houses, garments, coin; but not without their God.—*Bishop Wilkins.*
The lion smarting with the hunter's spear,
Though deeply wounded, no way yet dismay'd,
In sullen fury *traverses* the plain,
To find the venturous foe. *Prior.*
Believe me, prince, there's not an African
That *traverses* our vast Numidian desarts
In quest of prey, and lives upon his bow,
But better practises these boasted virtues.
Addison, Cato.
What seas you *traversed*, and what fields you fought! *Pope.*

Travertín. *s.* [Italian, *travertino*; Lat. *lapis Tiburtinus* = stone of Tibur.] In *Geology.* See extract.
Travertin [is] a white calcareous stone, formed by the action of mineral springs either at the bottom of water upon the mud and other material there accumulated, when they issue under water, or thrown down from chemical solution in the waters of such springs in sheets or strata, when the waters thus loaded approach the surface of the ground and enter into new combinations. *Travertin* is a modern deposit extremely abundant in volcanic districts. ... Those springs, often called incrusting springs or petrifying wells, are such as form these deposits. Loaded with carbonate of lime, and continuing to flow from century to century, they are capable of producing results in the way of deposit very much larger than could be thought possible.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Trávesty. *v. a.* [Fr. *travesti*; Italian, *travestito.*] Turn into burlesque and ridicule.
To be *travestied* or turned into burlesque or macaronique.—*Bishop Ward, Apology for Mystery of the Gospel*, p. 42: 1673.
I see poor Lucan *travested*, not apparelled in his Roman toga, but under the cruel sheers of an English tailor.—*Bentley, Phileleutherus Lipsiensis*, § 54.
Returning him to the people, *travested* to the mortal size of local godship.—*Bishop Warburton, Sermons.*
One would imagine that John Dennis, or some hero of the Dunciad, had been here attempting to *travesty* this description of the restoration of Eurydice to life.—*Dr. Warton, Essay on Pope.*

Trávesty. *s.* [see extract from Todd.] Burlesque performance; work travestied.
A work grave, serious, and even respectable for its poetry, in the reign of Edward the Sixth, at length in a cultivated age has contracted the air of an absolute *travestie.*—*T. Warton, History of English Poetry*, iii. 177.
'Dressed in the clothes of another; disguised.' This old meaning is in Coles, Dictionary, 1695. Buck writes it *traverstite* (I suppose for *travestite*) in his History of Richard III. 1646, p. 98. 'He fled, *traverstite* or disguised.' Hence the application to writings or authors turned into burlesque.—*Todd.*

Tray. *s.* [?]

1. Shallow wooden vessel, more long than broad: (chiefly applied at present to that used by butchers; used also in waiting at table).
Sift it into a *tray* or bole of wood.—*Moxon, Mechanical Exercises.*
No more her care shall fill the hollow *tray*,
To fat the guzzling hogs with floods of whey.
Gay, Shepherd's Week, Friday, 65.
Mrs. Gray actually came back with a *tray*, on which there was a pewter flagon of beer.—*Thackeray, Book of Snobs*, ch. xxvi.

2. Hurdle. *Provincial.*

Tráytrip. *s.* Game so called.
I shall play my freedom at *traytrip*, and become thy bondslave.—*Shakespear, Twelfth Night*, ii. 5.

Treácher. *s.* [Fr. *tricheur.*] Traitor; trickster. *Obsolete.*
For country's weal his counsel did exceed,
And eagle-eyed he was to spy a fault;
For wars or peace right wisely could he reed:
'Twas hard for *trechors* 'fore his looks to halt.
R. Greene, A Maiden's Dream.
Where may that *treachour* then be found,
Or by what means may I his footing track?
Spenser, Faerie Queen.
Play not two parts,
Treacher and coward both.
Beaumont and Fletcher, Bloody Brother.

Treácherous. *adj.* Faithless; perfidious; guilty of deserting or betraying.
He bad the lion to be remitted
Unto his seat, and those same *treacherous* vile
Be punished for their presumptuous guile.
Spenser.
Desire in rapture gazed awhile,
And saw the *treacherous* goddess smile. *Swift.*

Treácherously. *adv.* In a treacherous manner; faithlessly; perfidiously; by treason; by dishonest stratagem.
Then gan Carausius tyrannize anew,
And him Alectus *treacherously* slew,
And took on him the robe of emperor. *Spenser.*
Let others freeze with angling reeds,
Or *treacherously* poor fish beset
With strangling snare, or winding net. *Donne.*
I treated, trusted you, and thought you mine;
When, in requital of my best endeavours,
You *treacherously* practised to undo me,
Seduced my only child, and stole her.
Otway, Venice Preserved, i. 1.
They bid him strike, . . to appease the ghost
Of his poor father *treacherously* lost.
Stepney, Translation of Juvenal, viii. 391.

Treáchery. *s.* [N.Fr. *tricherie*; see also under Trick.] Perfidy; breach of faith.
And Joram turned his hands, and fled, and said to Ahaziah, there is *treachery*, O Ahaziah.—*2 Kings*, ix. 23.

Treáchetour. *s.* Treacher. *Obsolete.*
Good Claudius with him fought,
In which the king was by a *treachetour*
Disguised slain. *Spenser, Faerie Queen*

Treácle. *s.* [Fr. *triacle*; Dutch, *triackle*; Lat. *theriaca*; Gr. θηριακὸν = healing, curative, medicinal.]

1. Medicine made up of many ingredients, and applied to various maladies, so called.
The physician that has observed the medicinal virtues of *treacle*, without knowing the nature of each of the sixty odd ingredients, may cure many patients with it.—*Boyle.*

2. Molasses; spume of sugar.
Any sovereign remedy was at this time [in the 13th century] called *treacle.* Venice *treacle* is still in some repute. The sirop of the sugar-bakers, now called *treacle*, cannot have been known so early.—*Ellis, Specimens of English Poetry*, i. 89.

Tread. *v. n.* pret. *trod, trode*; past part. *trodden.* [A.S *trædan.*]

1. Set the foot.
They knew not his statutes, nor walked in the ways of his commandments, nor *trod* in the paths of discipline in his righteousness.—*Baruch*, iv. 13.
Those which perfume the air most, being trodden upon and crushed, are burnet, wild thyme, and water mint; therefore set whole alleys of them, to have the pleasure when you walk or *tread.*—*Bacon. Essays.*

Where'er you *tread* the blushing flowers shall rise,
And all things flourish where you turn your eyes.
Pope, Pastorals, Summer.

2. Trample; set the feet in scorn or malice.
Thou shalt *tread* upon their high places.—*Deuteronomy*, xxxiii. 29.
Thou
Must, as a foreign recreant, be led
With manacles along our street, or else
Triumphantly *tread* on thy country's ruin,
And bear the palm. *Shakespear, Coriolanus*, v. 3.

3. Walk with form or state.
Ye that stately *tread* or lowly creep.
Milton, Paradise Lost, v. 201.

4. Copulate as birds.
When shepherds pipe on oaten straws;
When turtles *tread*.
Shakespear, Love's Labour lost, v. 2, song.
They bill, they *tread*; Alcyone, compress'd,
Seven days sits brooding on her floating nest.
Dryden, Translation from Ovid, House of Sleep.

Tread. *v. a.*

1. Walk on; feel under the foot.
Would I had never *trod* this English earth,
Or felt the flatteries that grow upon it!
Shakespear, Henry VIII. iii. 1.
He died obedient to severest law;
Forbid to *tread* the promised land he saw.
Prior, Solomon, iii. 437.

2. Press under the foot.
Tread the snuff out on the floor to prevent stinking.—*Swift, Advice to Servants.*

3. Beat; track.
Full of briars is this working world.—They are but burs: if we walk not in the *trodden* paths, our very petticoats will catch them.—*Shakespear, As you like it*, i. 3.

4. Walk on in a formal or stately manner.
Methought she *trod* the ground with greater grace,
With more of godhead shining in her face.
Dryden, The Flower and the Leaf, 182.

5. Crush under foot; trample in contempt or hatred.
Through thy name will we *tread* them under that rise up against us.—*Psalms*, xliv. 5.
Why was I raised the meteor of the world,
Hung in the skies and blazing as I travell'd,
Till all my fires were spent; and then cast downward
To be *trod* out by Cæsar? *Dryden, All for Love.*

6. Put in action by the feet.
[They] *tread* their wine-presses and suffer thirst.—*Job*, xxiv. 11.

Tread. *s.*

1. Footing; step with the foot.
If the streets were paved with thine eyes,
Her feet were much too dainty for such *tread*.
Shakespear, Love's Labour's lost, iv. 3.
The quaint mazes in the wanton green,
For lack of *tread*, are undistinguishable.
Id., Midsummer Night's Dream, ii. 2.
High above the ground
Their march was, and the passive air upbore
Their nimble *tread*. *Milton, Paradise Lost*, vi. 71.
The dancer on the rope, with doubtful *tread*,
Gets wherewithal to clothe and buy him bread.
Dryden.
How wert thou wont to walk with cautious *tread*,
A dish of tea, like milk pail, on thy head!
Gay, Lamentation of Glumdalclitch.

2. Way; track; path.
Cromwell is the king's secretary; further,
Stands in the gap and *tread* for more preferments.
Shakespear, Henry VIII. v. 1.

3. Cock's part in the egg.

Treáder. *s.* One who, that which, treads.
The *treaders* shall tread out no wine in their presses.—*Isaiah*, xvi. 10.

Treáding. *verbal abs.* Act of one who treads: (in the second extract, as a *male bird*).
When he walks, he moves like an engine, and the ground shrinks before his *treading*.—*Shakespear, Coriolanus*, v. 4.
What distance between the *treading* or coupling, and the laying of the egg?—*Bacon, Natural and Experimental History.*

Treádle. *s.*

1. Part of an engine on which the feet act to put it in motion.
The farther the fore end of the *treadle* reaches out beyond the fore-side of the lathe, the greater will the sweep of the fore-end of the *treadle* be, and consequently the more revolutions are made at one tread.—*Moxon, Mechanical Exercises.*

2. Sperm of the cock.
Whether it is not made out of the germ or *treadle* of the egg, seemeth of lesser doubt.—*Sir T. Browne, Vulgar Errours.*
At each end of the egg is a *treadle*, formerly thought to be the cock's sperm.—*Derham, Physico-Theology.*

Treádmill. *s.* Mill of which the motive power is the weight of so many men standing on steps on the side of a revolving cylinder; and, as the movement forces them to take one step after another without progress, the operation has been used as a variety of penal labour.
Compared with the labour of reading through these volumes, all other labour, the labour of thieves on the *treadmill*, of children in factories, of negroes in sugar plantations, is an agreeable recreation. There was, it is said, a criminal in Italy, who was suffered to make his choice between Guicciardini and the galleys. He chose the history. But the war of Pisa was too much for him. He changed his mind, and went to the oar.—*Macaulay, Critical and Historical Essays, Lord Burleigh.*
From the woolsack down to the *treadmill*, from Almack's to Chalk Farm and the west-end of Newgate, the incongruous whirlpool of life is forced and induced to whirl with some attempt at regularity?—*Carlyle, Critical and Miscellaneous Essays, Mirabeau.*

Treague. *s.* See Truce. *Obsolete.*
Which to confirme, and fast to bind their league,
After their weary sweat and bloody toile,
She them besought, during their quiet *treague*
Into her lodging to repaire a while,
To rest themselves, and grace to reconcile.
Spenser, Faerie Queen.

Treáson. *s.* [Fr. *trahison.*] See extract.
Treason [is] an offence committed against the dignity and majesty of the commonwealth: it is divided into high *treason* and petit *treason*. High *treason* is an offence against the security of the commonwealth, or of the king's majesty, whether by imagination, word, or deed; as to compass or imagine *treason*, or the death of the prince, or the queen consort, or his son and heir-apparent; or to deflower the king's wife, or his eldest daughter unmarried, or his eldest son's wife; or levy war against the king in his realm, or to adhere to his enemies by aiding them; or to counterfeit the king's great seal, privy seal, or money; or knowingly to bring false money into this realm counterfeited like the money of England, and to utter the same; or to kill the king's chancellor, treasurer, justice of the one bench, or of the other; justices in eyre, justices of assize, justices of oyer and terminer, when in their place and doing their duty; or forging the king's seal manual, or privy signet; or diminishing or impairing the current money: and, in such *treason*, a man forfeits his lands and goods to the king; and it is called *treason* paramount. Petit *treason* is when a servant kills his master, a wife her husband, a secular or religious man his prelate: this *treason* gives forfeiture to every lord within his own fee: both *treasons* are capital.—*Cowell.*
Man disobeying,
Disloyal breaks his fealty, and sins
Against the high supremacy of heaven:
To expiate his *treason* hath nought left.
Milton, Paradise Lost, iii. 207.

Used *adjectivally*, or as the *first element* in a *compound*.
Whatever may be their prejudices and their habits, political or professional, how great soever their deference to power, how profound their veneration for the bench, how deep-rooted their attachment to existing institutions, how fierce their hostility to all innovations, how grave or how scornful their frown upon the multitude at large, yet is their courage undaunted in defending whatever client may entrust his suit to their patronage, be he a rabble-leader or a *treason-monger*, a libeller or a blasphemer.—*Lord Brougham, Historical Sketches of Statesmen during the Reign of George III., Lord Chief Justice Gibbs.*

Treásonable. *adj.* Having the character of treason.
Most men's heads had been intoxicated with imaginations of plots, and *treasonable* practices.—*Lord Clarendon, History of the Grand Rebellion.*
A credit to run ten millions in debt without parliamentary security is dangerous, illegal, and perhaps *treasonable*.—*Swift.*
There seems at least to have been no sufficient motive for such an irregularity; their participation in a *treasonable* conspiracy being manifest from their own confession.—*Hallam, View of the State of Europe during the Middle Ages*, pt. iii. ch. viii.

Treásonous. *adj.* Treasonable.
Him by proofs as clear as founts in July,
I know to be corrupt and *treasonous*.
Shakespear, Henry VIII. i. 1.
Against the undivulged pretence I fight
Of *treasonous* malice. *Id., Macbeth*, ii. 3.
Were it a draught for Juno when she banquets,
I would not taste thy *treasonous* offer.
Milton, Comus, 701.

Treásure. *s.* [Fr. *trésor*; Lat. *thesaurus.*] Wealth hoarded; riches accumulated.
An inventory, importing
The several parcels of his plate, his *treasure*,
Rich stuffs. *Shakespear, Henry VIII.* iii. 2.
He used his laws as well for collecting of *treasure*, as for correcting of manners.—*Bacon.*
Gold is *treasure* as well as silver, because not decaying, and never sinking much in value.—*Locke.*

Treásure. *v. a.* Hoard; reposit; lay up.
After thy hardness and impenitent heart thou *treasurest* up unto thyself wrath against the day of wrath.—*Romans*, ii. 5.
Practical principles are *treasured* up in man's mind, that, like the candle of the Lord in the heart of every man, discovers what he is to do, and what to avoid.—*South, Sermons.*
No, my remembrance *treasures* honest thoughts,
And holds not things like thee; I scorn thy friendship. *Rowe.*
Some thought it mounted to the lunar sphere,
Since all things lost on earth are *treasured* there.
Pope, Rape of the Lock, canto v.
I remember *treasuring* a fan of Emma's, as I would the relic of a saint.—*Theodore Hook, Gilbert Gurney.*

Treásurer. *s.* One who has care of money; one who has charge of treasure.
This is my *treasurer*, let him speak
That I have reserved nothing.
Shakespear, Antony and Cleopatra, v. 2.
Before the invention of laws, private affections in supreme rulers made their own fancies both their *treasurers* and hangmen, weighing in this balance good and evil.—*Sir W. Raleigh.*

Treásurership. *s.* Office or dignity of treasurer.
He preferred a base fellow, who was a suitor for the *treasurership*, before the most worthy.—*Hakewill, Apololgy.*

Treásurehouse. *s.* Place where hoarded riches are kept.
Let there be any grief or disease incident to the soul of men, for which there is not in this *treasure-house* a present comfortable remedy to be found.—*Hooker, Ecclesiastical Polity.*
Thou silver *treasurehouse*,
Tell me once more, what title dost thou bear?
Shakespear, Merchant of Venice, ii. 9.
Gather together into your spirit, and its *treasure-house*, the memory, not only all the promises of God, but also the former senses of the divine favours.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

Treásuress. *s.* Female treasurer.
Do they not call the virgin Marie the queen of heaven, the gate of paradise, the *treasuress* of grace?—*Dering, Exposition on the Fifth Chapter of the Epistle to the Hebrews*: 1576.
You, Lady Muse, whom Jove the counsellor
Begot of Memory, wisdom's *treasuress*,
To your divining tongue is given a power
Of uttering secrets large and limitless.
Sir J. Davies, Immortality of the Soul.

Treásury. *s.*

1. Place in which riches are accumulated.
And yet I know not how conceit may rob
The *treasury* of life, when life itself
Yields to the theft. *Shakespear, King Lear*, iv. 6.
Ulysses' goods. A very *treasurie*
Of brass, and gold, and steele of curious frame.
Chapman.
The state of the *treasury* the king best knows.—*Sir W. Temple.*
Physicians, by *treasuries* of just observations, grow to skill in the heart of healing.—*Watts.*

2. Used by Shakespeare for *treasure*.
And make his chronicle as rich with prize,
As is the ouzy bottom of the sea
With sunken wreck and sumless *treasuries*.
Shakespear, Henry V. i. 2.
Thy sumptuous buildings
Have cost a mass of publick *treasury*.
Id., Henry VI. Part II. i. 3.

With *the*. Government office so called.
With this precedent, ... every county in England, under the auspices of *the Treasury*, may be represented as completely as the county of Middlesex.—*Letters of Junius*, letter xix.

Treat. *v. a.* [Fr. *traiter.*]

1. Negotiate; settle.
To *treat* the peace, a hundred senators
Shall be commission'd hence with ample powers,
With olive crown'd.
Dryden, Translation of the Æneid, xi. 503.

2. Discourse on.

3. Use in any manner, good or bad.
He *treated* his prisoner with great harshness.—*Spectator.*
Since living virtue is with envy cursed,
And the best men are *treated* like the worst
Do thou, just goddess, call our merits forth,
And give each deed th' exact, intrinsick worth.
Pope, Temple of Fame.

4. Handle; manage; carry on.

Zeuxis and Polygnotus *treated* their subjects in their pictures, as Homer did in his poetry.—*Dryden.*

5. Entertain without expense to the guests.

Our generous scenes are for pure love repeated,
And if you are not pleased at least you're *treated.*
Prior, Prologue spoken in Westminster School, 1695.

Treat. *v. n.*

1. Discourse; make discussions.

Of love they *treat* till the evening star appear'd.
Milton, Paradise Lost, xi. 588.

Absence, what the poets call death in love, has given occasion to beautiful complaints in those authors who have *treated* of this passion in verse. *Addison, Spectator.*

2. Practise negotiation.

The king *treated* with them.—2 *Maccabees*, xiii. 22.

3. Come to terms of accommodation.

You, Master Dean, frequent the great;
Inform us, will the emperor *treat?*
Swift, Imitation of Horace.

4. Make gratuitous entertainments.

Treat. *s.*

1. Entertainment given.

This is the ceremony of my fate;
A parting *treat*, and I'm to die in state.
Dryden, Aurengzebe, iv. 1.

What tender maid but must a victim fall
For one man's *treat*, but for another's ball?
Pope, Rape of the Lock, canto i.

2. Something given at an entertainment.

Dry figs and grapes, and wrinkled dates were set,
In canisters t' enlarge the little *treat.*
Dryden, Translation from Ovid, Baucis and Philemon.

The king of gods revolving in his mind
Lycaon's guilt and his inhuman *treat.*
Ibid., The Giants' War.

3. Unusual indulgence.

We don't have meat every day . . . and it is a *treat* to me to get a dinner like this.—*Thackeray, Book of Snobs*, ch. xxxv.

Treátable. *adj.* [Fr. *traitable.*] Capable of being treated; moderate; not violent; tractable; practicable.

A virtuous mind should rather wish to depart this world with a kind of *treatable* dissolution, than be suddenly cut off in a moment, rather to be taken than snatched away.—*Hooker, Ecclesiastical Polity.*

All these things with a solid and *treatable* smoothness to point out and describe.—*Milton, Reason of Church Government urged against Prelacy.*

God had furnished him with excellent endowments of nature, a *treatable* disposition, a strong memory, and a ready invention.—*Parr, Life of Archbishop Usher*, p. 2.

We should be of a gentle, yielding, and *treatable* temper.—*Scott, Christian Life*, pt. i. ch. iii.

The heats or the colds of seasons are less *treatable* than with us.—*Sir W. Temple.*

Treátably. *adv.* In a treatable manner; not with violence; moderately; practicably.

In the meanwhile there will be always some skilful persons, which can teach a way how to grind *treatably* the church with jaws that shall scarce move, and yet devour in the end more than they that come ravening with open mouth, as if they would worry the whole in an instant.—*Hooker, Ecclesiastical Polity*, v. § 79.

Treáter. *s.*

1. One who discourses.

Speeches better becoming a senate of Venice, where the *treaters* are perpetual princes.—*Sir H. Wotton, Remains*, p. 432.

2. One who gives an entertainment.

Treáting. *verbal abs.* Act of one who treats; in the extract, in the way of bribery.

Treating at parliamentary elections, by corruptly providing meat, drink, entertainment, or provision, is now a substantive offence, punishable by a fine of 50*l.*, besides being a ground for avoiding the election. —*Brande and Cox, Dictionary of Science, Literature, and Art.*

Treátise. *s.* [Lat. *tractatus.*] Discourse; written tractate.

The time has been my fell of hair
Would at a dismal *treatise* rouse, and stir
As life were in't. *Shakespear, Macbeth*, v. 5.

Besides the rules given in this *treatise* to make a perfect judgement of good pictures, there is required a long conversation with the best pieces.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Treátiser. *s.* One who writes a treatise. *Rare.*

I tremble to speak it in the language of this blackmouthed *treatiser.—Featley, Dippers Dipt*, p. 69: 1645.

Treátment. *s.* [Fr. *traitement.*]

1. Usage; manner of using, good or bad.

I speak this with an eye to those cruel *treatments*, which men of all sides are apt to give the characters of those who do not agree with them.—*Addison, Spectator*, no. 243.

2. Entertainment.

Scarce an humour or character which they have not used; all comes wasted to us: and were they to entertain this age, they could not now make out of such decayed fortunes plenteous *treatment.—Dryden.*

Accept such *treatment* as a swain affords.
Pope, Translation of the Odyssey, xiv. 71.

Treáty. *s.* [Fr. *traité.*]

1. Negotiation; act of treating.

She began a *treaty* to procure
And stablish terms betwixt both their requests.
Spenser.

He cast by *treaty* and by trains
Her to persuade. *Id.*

2. Compact of accommodation relating to public affairs.

A peace was concluded, being rather a bargain than a *treaty.—Bacon, History of the Reign of Henry VII.*

Echion then
Lets fall the guiltless weapon from his hand,
And with the rest a peaceful *treaty* makes.
Addison, Translation from Ovid, Story of Cadmus.

3. Supplication; petition; solicitation.

I must
To the young man send humble *treaties*, dog,
And palter in the shifts of lowness.
Shakespear, Antony and Cleopatra, iii. 9.

4. Treatise. *Obsolete.*

In the first part of this *treaty* of obedience of subjects to their princes.—*Book of Homilies, Against Rebellion*, pt. ii.

Tréble. *adj.*

1. Threefold; triple.

Some I see,
That twofold balls and *treble* sceptres carry.
Shakespear, Macbeth, iv. 1.

Who can
His head's huge doors unlock, whose jaws with great
And dreadful teeth in *treble* ranks are set?
Sandys, Paraphrase of the Book of Job.

On himself
Treble confusion, wrath, and vengeance pour'd.
Milton, Paradise Lost, i. 219.

A lofty tow'r, and strong on ev'ry side
With *treble* walls.
Dryden, Translation of the Æneid, vi. 740.

The shield gave way; through *treble* plates it went
Of solid brass. *Ibid.* x. 1111.

2. In *Music.* Sharp of sound.

The sharper or quicker percussion of air causeth the more *treble* sound, and the lower or heavier the bass sound.—*Bacon.*

Tréble. *v. a.* Multiply by three; make thrice as much.

She conceived, and *trebling* the due time,
Brought forth this monstrous mass. *Spenser.*

I would not be ambitious in my wish,
To wish myself much better; yet for you,
I would be *trebled* twenty times myself,
A thousand times more fair.
Shakespear, Merchant of Venice, iii. 2.

Love *trebled* life within me.
Tennyson, The Gardener's Daughter.

Tréble. *v. n.* Become threefold.

Whoever annually runs out, as the debt doubles and *trebles* upon him, so doth his inability to pay it. —*Swift.*

Now I see your father's honours
Trebling upon you.
Beaumont and Fletcher, Noble Gentleman.

Tréble. *s.* [? third kind of voice, the other two being the bass and mean; or, *thuribularis*, from *thuribulum* = censer, borne by a boy in churches; hence, a boy's voice.] Highest part in music; smallest of a ring of bells.

The *treble* cutteth the air so sharp, as it returneth too swift to make the sound equal; and therefore a mean or tenor is the sweetest.—*Bacon.*

The lute still trembling underneath thy nail:
At thy well-sharpen'd thumb, from shore to shore,
The *trebles* squeak for fear, the basses roar.
Dryden, Macflecnoe, 44.

Trébleness. *s.* Attribute suggested by Treble; state of being treble. *Rare.*

The just proportion of the air percussed towards the baseness or *trebleness* of tones, is a great secret in sounds.—*Bacon.*

Trébly. *adv.* In a treble manner; thrice told; in threefold number or quantity.

The pious Trojan then his jav'lin sent;
The shield gave way; through treble plates it went
Of solid brass, of linen *trebly* roll'd.
Dryden, Translation of the Æneid, x. 1111.

The seed being so necessary for the maintenance of the several species, it is in some doubly and *trebly* defended.—*Ray, Wisdom of God manifested in the Works of the Creation.*

Trébuchet. *s.* [Fr.; L.Lat. *trabutium*; Lat. *trabs* = beam.] In *Strategics.* See extract.

[A] *trebuchet* [is] a war-like engine of the Middle Ages, used to throw stones, fiery material, and other projectiles employed in the attack and defence of fortified places by means of counterpoise. At the long end of a lever was fixed a sling to hold the projectile; at the short end a heavy weight, which furnished the necessary moving force.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tree. *s.* [A.S. *treow.*]

1. In *Botany.* Plant with a trunk, or bole, or woody stem.

Sometimes we see a cloud that's dragonish,
A forked mountain, or blue promontory
With *trees* upon't, that nod unto the world,
And mock our eyes with air.
Shakespear, Antony and Cleopatra, iv. 12.

Who can bid the *tree*
Unfix his earth-bound root? *Id. Macbeth*, iv. 1.

It is pleasant to look upon a *tree* in summer covered with green leaves, decked with blossoms, or laden with fruit, and casting a pleasant shade: but to consider how this *tree* sprang from a little seed, how nature shaped and fed it till it came to this greatness, is a more rational pleasure.—*T. Burnet, Theory of the Earth.*

Trees shoot up in one great stem, and at a good distance from the earth spread into branches: thus gooseberries are shrubs, and oaks are trees.—*Locke.*

Trees and shrubs, of our native growth in England, are distinguished by Ray. 1. Such as have their flowers disjointed and remote from the fruit; and these are, 1. Nuciferous ones; as, the walnut *tree*, the hazel-nut *tree*, the beech, the chestnut, and the common oak. Coniferous ones; of this kind are the Scotch firs, male and female; the pine, the common alder *tree*, and the birch *tree*. 3. Bacciferous, as the juniper and yew *trees*. 4. Lanigerous ones; as, the black, white, and trembling poplar, willows, and osiers of all kinds. 5. Such as bear their seeds having an imperfect flower, in leafy membranes; as, the horse-bean. 6. Such as have their fruits and flowers contiguous; of these some are pomiferous; as, apples and pears: and some bacciferous; as, the sorb or service *tree*, the white or hawthorn, the wild rose, sweet briar, currants, the great bilberry bush, honey-suckle, ivy. Pruniferous ones, whose fruit is pretty large and soft, with a stone in the middle; as, the blackthorn or sloe *tree*, the black and white bullace *tree*, the black cherry, &c. Bacciferous ones; as, the strawberry *tree* in the West of Ireland, mistletoe, water elder, large laurel, the viburnum or wayfaring *tree*, the dog berry *tree*, the sea blackthorn, the berry-bearing elder, the privet bar-berry, common elder, the holly, the buckthorn, the berry-bearing heath, the bramble, and spindle *tree* or prickwood. Such as have their fruit dry when ripe; as, the bladder nut *tree*, the box *tree*, the common elm and ash, the maple, the gaule or sweet willow, common heath, broom, dyers' wood, furze or gorse, the lime *tree*, &c.—*Miller, Gardener's Dictionary.*

Plural *treen. Obsolete.*

He knows his tackle and his *treen.* *B. Jonson.*

Used *adjectivally*, as in '*tree* mignonette,' '*tree* primrose,' &c.

As the *first element* in a *compound*, as, '*tree-rose.*'

2. Wood: (this is its sense as the *second element* of such *compounds* as *axle-tree, saddle-tree, trestle-tree, boot-tree*, and others. *Træ* is also the ordinary word for *wood* in the Scandinavian languages. In Scotland it retained this sense longer than in England).

3. Genealogical or family tree; pedigree; the different divisions of a family being exhibited as the branches of a tree in relation to one another and to the trunk. The metaphor is well illustrated by the terms *stock* and *branch*, as current in ordinary language.

Vain are their hopes who fancy to inherit,
By *trees* of pedigrees, or fame or merit:
Though plodding heralds through each branch may trace,
Old captains and dictators of their race.
Stepney, Translation of Juvenal, viii. 10.

Tree-mallow. *s.* [two words.] See extract.

The sea *tree-mallow*, or velvet-leaf, is an indigenous, but rare biennial, growing on the sea-shore, flowering from June to October. . . . If allowed to scatter its seeds, this species will spring up for many successive years, and the young plants will now and

then survive one or more mild winters; but having once blossomed it perishes. *Tree-mallows* deserve to be more generally cultivated, both in gardens and fields, not only for their elegant flowers, which abound in honey, but chiefly for the valuable substitute for hemp which their fibrous textile stalks afford.—*Johnson, Farmer's Encyclopædia.*

Tree-nail. *s.* In *Naval Architecture.* Wooden bolt by which the planks of a ship's bottom are secured to the timbers.

Tree-snake. *s.* Serpent of the genus Dendrophis.

Some nocturnal *tree-snakes* have a prolonged snout.—*Owen, Anatomy of Vertebrates.*

Treen. *adj.* [A.S. *treowen.*] Wooden; made of wood. *Obsolete.*

Sir Thomas Rookesby, being controlled for first suffering himself to be served in *treen* cups, answered, These homely cups pay truly for that they contain: I had rather drink out of *treen* and pay gold and silver, than drink out of gold and silver, and make wooden payments.—*Camden, Remains.*

Give it a horn spoon, and a *treen* dish.—*B. Jonson, Magnetick Lady.*

Tréfoil. *s.* [Lat. *trifolium*, from *tria* = three + *folium* = leaf.] In *Botany.*

1. Translation of the generic name Trifolium, in which case it comprises the clovers.

Hope, by the ancients, was drawn in the form of a sweet and beautiful child, standing upon tiptoes, and a *trefoil*, or three-leaved grass in her hand.—*Peacham, On Drawing.*

Some sow *trefoil* or rye-grass with their clover.—*Mortimer, Husbandry.*

2. It denotes the true *trefoil*, i.e. plants with (generally) yellow flowers, in smaller heads than the clovers; some of which are, botanically, *Lucerns*, i.e. of the genus Medicago.

3. Less properly it applies to certain widely different plants; with leaves, however, like those of the typical *trefoils*. See Wood-sorrell.

Treíllage. *s.* Trellis work. *French* rather than *English.*

There are as many kinds of gardening as of poetry: makers of flower-gardens are epigrammatists and sonneteers, contrivers of bowers, grottos, *treillages*, and cascades, are romance writers.—*Spectator.*

Tréllis. *s.* [Fr. *treillis.*] Structure of iron, or wood, the parts crossing each other like a lattice.

Low, without glass, wooden *trellizes.*—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 120.

Used *adjectivally*, or as the *first element* in a *compound.*

Gardens full of orange and cypress trees, fountains, and *trellis* work covered with vines.—*Gray, Letter to West.*

Tréllised. *adj.* Having trellises.

The windows are large, *trellized*, and neatly carved.—*Sir T. Herbert. Relation of some Years' Travel into Africa and the Great Asia*, p. 211.

Trémble. *v. n.* [Fr. *trembler*; Lat. *tremo.*]

1. Shake as with fear or cold; shiver; quake; shudder.

Shew your slaves how cholerick you are,
And make your bondmen *tremble.*
Shakespear, Julius Cæsar, iv. 3.

[He] shook the sacred honours of his head,
With terror *trembled* heav'n's subsiding hill,
And from his shaken curls ambrosial dews distil.
Dryden, Translation of the First Book of the Iliad, 710.

2. Quiver; totter.

Sinai's grey top shall *tremble.*
Milton, Paradise Lost, xii. 223.

3. Quaver; shake as a sound.

Winds make a noise unequally, and sometimes when vehement *tremble* at the height of their blast.—*Bacon.*

Trémbler. *s.* One who, that which, trembles.

Those base submissions that the covetous mammonist, or cowardly *trembler*, drudges under.—*Hammond, Works*, iv. 479.

Trémbling. *verbal abs.* Tremor.

When he heard the king, he fell into such a *trembling* that he could hardly speak.—*Lord Clarendon, History of the Grand Rebellion.*

Trémblingly. *adv.* In a trembling manner; so as to shake or quiver.

Tremblingly she stood,
And on the sudden dropt.
Shakespear, Antony and Cleopatra, v. 2.

Say what the use, were finer opticks given,
To inspect a mite, not comprehend the heaven?
Or touch, if *tremblingly* alive all o'er,
To smart and agonize at every pore?
Pope, Essay on Man, i. 195.

Treméndous. *adj.* [Lat. *tremendus.*] Dreadful; horrible; astonishingly terrible.

There stands an altar where the priest celebrates some mysteries sacred and *tremendous.*—*Tatler.*

Trémour. *s.* [Lat. *tremor.*]

1. State of trembling.

He fell into an universal *tremour* of all his joints, that when going his legs trembled under him.—*Harvey.*

By its styptick and stimulating quality it affects the nerves, occasioning *tremours.*—*Arbuthnot, On the Nature and Choice of Aliments.*

There was an involuntary *tremor* in Rebecca's voice, and a tenderness of accent which, perhaps, betrayed more than she would willingly have expressed.—*Sir W. Scott, Ivanhoe*, last chapter.

2. Quivering or vibratory motion.

These stars do not twinkle when viewed through telescopes which have large apertures: for the rays of light which pass through divers parts of the aperture tremble each of them apart, and by means of their various, and sometimes contrary *tremours*, fall at one and the same time upon different points in the bottom of the eye.—*Sir I. Newton.*

Trémulent. *adj.* Tremulous.

Hapless De Brézé, doomed to survive long ages, in men's memory, in this faint way with *tremulent* white rod.—*Carlyle, History of the French Revolution*, pt. i. b. v. ch. ii.

Trémulous. *adj.* [Lat. *tremulus.*]

1. Trembling; fearful.

The tender *tremulous* Christian is easily distracted and amazed by them.—*Dr. H. More, Decay of Christian Piety.*

2. Quivering; vibratory; oscillating.

He owned to have some kind of little discomposure in the choice of things perfectly indifferent; for where there was nothing to determine him, the balance, by hanging even, became *tremulous.*—*Bishop Fell.*

Trench. *v. a.* [Fr. *trancher.*]

1. Cut.

Safe in a ditch he bides,
With twenty *trenched* gashes on his head.
Shakespear, Macbeth, iii. 4.

This weak impress of love is as a figure
Trench'd in ice, which with an hour's heat
Dissolves to water, and doth lose his form.
Id., Two Gentlemen of Verona, iii. 2.

2. Cut or dig into pits or ditches.

Trench the ground, and make it ready for the spring.—*Evelyn.*

First draw thy faulchion, and on ev'ry side
Trench the black earth a cubit long and wide.
Pope, Translation of the Odyssey. x. 614.

The *trenching* plough or coulter is useful in pasture-ground, to cut out the sides of trenches or drains.—*Mortimer, Husbandry.*

3. Fortify by earth thrown up.

Pioneers, with spades and pickax arm'd,
Forerun the royal camp to *trench* a field.
Milton, Paradise Lost, i. 676.

Trench. *v. n.* Encroach.

We are said to have *trenched* upon the liberty of subjects and propriety of goods.—*Bishop Hall, Remains*, p. 430.

Discourse, that does not *trench*
On compliment.
Beaumont and Fletcher, Coronation.

A contrary opinion *trenches* upon the honour and justice of our merciful God.—*I. Walton, Life of Hooker.*

The chancellor replied, that his resolution became him, and was worthy of his wisdom and honesty; and that if he found him inclined to do anything that would *trench* upon either, he was so much his friend, that he would put him in mind of his obligations to both.—*Lord Clarendon, Life*, i. 251.

Trench. *s.* [Fr. *tranche.*]

1. Pit or ditch.

With the stones he built an altar in the name of the Lord; and he made a *trench* about the altar.—1 *Kings*, xviii. 32.

Remember on that happy coast to build,
And with a *trench* enclose the fruitful field.
Dryden, Translation of the Æneid, vii. 173.

When you have got your water up to the highest part of the land, make a small *trench* to carry some of the water in, keeping it always upon a level.—*Mortimer, Husbandry.*

2. Earth thrown up to defend soldiers in their approach to a town, or to guard a camp.

The citizens of Corioli have issued forth
And given to Lartius and to Marcius battle:
I saw our party to the *trenches* driven,
And then I came away.
Shakespear, Coriolanus, i. 6.

William carries on the *trench*,
Till both the town and castle yield.
Prior, An English Ballad on the Taking of Namur.

Trénchant. *adj.* [Fr. *tranchant*; pres. part. of *trancher* = to cut.] Cutting; sharp

He fiercely took his *trenchand* blade in hand,
With which he struck so furious and so fell,
That nothing seem'd the puissance could withstand.
Spenser.

The ancient heroes were illustrious
For being benign, and not blustrous
Against a vanquish'd foe; their swords
Were sharp and *trenchant*, not their words.
Butler, Hudibras, i. 3, 879.

Not martyr-flames, nor *trenchant* sword,
Can do away that ancient lie. *Tennyson, To* ——.

These teeth were shaped after the type of the feline canines, only with more compressed and *trenchant* crowns.—*Owen, Anatomy of Vertebrates.*

Here [stupidity] has assumed a contemptuous *trenchant* air, intended to represent superior tact, and a sort of all-wisdom; there a truculent atrabilious scowl, which is to stand for passionate strength; now we have an outpouring of tumid fervour; now a fruitless, asthmatic hunting after wit and humour.—*Carlyle, Critical and Miscellaneous Essays, State of German Literature.*

Tréncher. *s.*

1. Piece of wood on which meat is cut at table.

No more dams I'll make for fish,
Nor fetch firing
At requiring,
Nor scrape *trencher*, nor wash dish.
Shakespear, Tempest, ii. 2, song.

My estate deserves an heir more raised
Than one which holds a *trencher.*
Id., Timon of Athens, i. 1.

When we find our dogs, we set the dish or *trencher* on the ground.—*Dr. H. More, Antidote against Atheism.*

Their homely fare dispatch'd; the hungry band
Invade their *trenchers* next, and soon devour.
Dryden, Translation of the Æneid, vii. 155.

Many a child may have the idea of a square *trencher*, or round plate, before he has any idea of infinite.—*Locke.*

2. Table.

How often hast thou,
Fed from my *trencher*, kneel'd down at the board
When I have feasted!
Shakespear, Henry VI. Part II. iv. 1.

3. Food; pleasures of the table.

It could be no ordinary declension of nature that could bring some men, after an ingenuous education, to place their 'summum bonum' upon their *trenchers*, and their utmost felicity in wine.—*South, Sermons.*

Trénchefly. *s.* One that haunts tables; parasite.

He found all people came to him promiscuously, and he tried which of them were friends, and which only *trencherflies* and spungers.—*Sir R. L'Estrange.*

Trénchefriend. *s.* Parasite; trencher-mate.

You fools of fortune, *trencherfriends*, time's flies.
Shakespear, Timon of Athens, iii. 6.

Trénchefman. *s.*

1. Cook.

Palladius assured him, that he had already been more fed to his liking than he could be by the skilfullest *trenchermen* of Media.—*Sir P. Sidney.*

2. Feeder; eater.

You had musty victuals and he hath holp to eat it: he's a very valiant *trencherman*; he hath an excellent stomach.—*Shakespear, Much Ado about Nothing*, i. 1.

Trénchermate. *s.* Table companion; parasite.

Because that judicious learning of the ancient sages doth not in this case serve the turn, these *trenchermates* frame to themselves a way more pleasant; a new method they have of turning things that are serious into mockery, an art of contradiction by way of scorn.—*Hooker, Ecclesiastical Polity.*

Trend. *v. n.* Run off (as a coastline) in a certain direction, the line being a curve.

For the situation of these Islands (the Canaries) they lie not, as Ptolemy placed them, within one degree of longitude, a little less, but more scattering, and lifted up a little above the Tropick of Cancer, about the thirtieth degree of the northern latitude, in that part of the Western Ocean which *trendeth* upon the coast of Africk, and are therefore reckoned by geographers to the African isles.—*Gregory, Posthuma*, p. 267. (Ord MS.)

The Azores are situated in the same Atlantick ocean, but north-west of the Canaries, and *trending* more upon the Spanish coast under the thirty-ninth degree of latitude, or thereabouts.—*Ibid.* p. 269. (Ord MS.)

We now found the coast to *trend* very much to the west.—*Cook and King's Voyage.*

On one side, the vast range of the Pyrenees *trend* away till lost in remoteness.—*Young, Travels*, p. 34: 1792.

Trénding. *s.* Particular direction.

The scouts to several parts divide their way,
To learn the natives' names, their towns explore,
The coasts and *trendings* of the crooked shore.
Dryden, Translation of the Æneid, vii. 198.

Tréntals. *s. pl.* [Fr. *trente.*] See extract.

Their diriges, their *trentals*, and their shrifts.
Spenser, Mother Hubberd's Tale.

Trentals, or *trigintals*, were a number of masses, to the tale of thirty, said on the same account, according to a certain order instituted by Saint Gregory.—*Ayliffe, Parergon Juris Canonici.*

Trepán. *v. a.* [Fr. *trépanner.*]

1. Perforate with the trepan.

A putrid matter flowed forth her nostrils, of the same smell with that in *trepanning* the bone.—*Wiseman, Surgery.*

Few recovered of those that were *trepanned*.—*Arbuthnot.*

2. Catch; ensnare.

Trepann'd the state, and faced it down
With plots and projects of our own.
Butler, Hudibras, iii. 2, 831.

Spelt with *a*.

Telling him what pity it is, that one so accomplished should live and die ignorant of what it is to *trapan* or be *trapanned*; to sup, or rather dine, at midnight, in a tavern, with the noise of oaths, blasphemies, and fiddlers about his ears!—*South, Sermons.*

Forthwith alights the innocent *trapann'd*;
One leads his horse, the other takes his hand.
Cotton, Wonders of the Peake, p. 38: 1681.

If these swear true, he was *trapanned* on shipboard.—*Bishop Stillingfleet, Miscellanies, Speech in* 1692, p. 142.

Trepán. *s.* [Fr. *trépan.*]

1. Surgical instrument for perforating the skull.

(For example see Trephine.)

2. Cheat; deceiver.

During the commotion of the blood and spirits, in which passion consists, whatsoever is offered to the imagination in favour of it, tends only to deceive the reason: it is indeed a real *trepan* upon it, feeding it with colours and appearances instead of arguments.—*South, Sermons.*

But what a thoughtless animal is man;
How very active in his own *trepan*.
Lord Roscommon.

Some months passed before the fate of Preston was decided. . . . he was permitted to retire . . . to a lonely manor house in the North Riding of Yorkshire. There, at least, he had not to endure the scornful looks of old associates who had once thought him a man of dauntless courage and spotless honour, but who now pronounced that he was at best a meanspirited coward, and hinted their suspicions that he had been from the beginning a spy and a *trepan*.—*Macaulay, History of England*, ch. xvii.

Spelt with *a*.

It is indeed a real *trapan* upon it, feeding it with colours and appearances instead of arguments.—*South, Sermons.*

Nothing but gins, and snares, and *trapans* for souls.—*Ibid.*

Trépanize. *v. a.* Trepan. *Rare.*

Some have been cured by cauterizing with fire, by sawing off a member, by *trepanizing* the skull, or drawing bones from it.—*Jeremy Taylor, Contemplations*, 47. (Ord MS.)

Trepánner. *s.* One who trepans; in the extract as a cheat.

These pitiful *trepanners* and impostors sought to seduce them.—*Bishop Gauden, Anti-Baal-Berith*, p. 151: 1661.

Spelt with *a*.

The insinuations of that old pander and *trapanner* of souls.—*South, Sermons*, vi. 321.

Trephíne. *s.* Small trepan; smaller instrument of perforation managed by one hand.

I shewed a *trepan* and *trephine*, and gave them liberty to try both upon a skull.—*Wiseman, Surgery.*

Trepidátion. *s.* [Lat. *trepidatio, -onis*; *trepidus* = timid, trembling; *trepido* = I tremble.]

1. State of trembling, or quivering.

The bow tortureth the string continually, and holdeth it in a continual *trepidation*.—*Bacon, Natural and Experimental History.*

All objects of the senses which are very offensive cause the spirits to retire; upon which the parts, in some degree, are destitute; and so there is induced in them a *trepidation* and horror.—*Ibid.*

Moving o' the earth brings harms and fears,
Men reckon what it did and meant;
But *trepidation* of the spheres,
Though greater far, is innocent. *Donne.*

They pass the planets seven, and pass the fix'd,
And that crystalline sphere whose balance weighs
The *trepidation* talk'd, and that first moved.
Milton, Paradise Lost, iii. 481.

2. State of terror.

Because the whole kingdom stood in a zealous *trepidation* of the absence of such a prince, I have been the more desirous to research the several passages of the journey.—*Sir H. Wotton.*

His first action of note was in the battle of Lepanto; where the success of that great day, in such *trepidation* of the state, made every man meritorious.—*Id.*

Trespass. *v. n.* [Fr. *trespasser, trépasser.*]

1. Transgress; offend.

If they shall confess their iniquity, and the iniquity of their fathers, with their trespass which they *trespassed* against me . . . then I will remember my covenant.—*Leviticus*, xxvi. 40.

They not only contradict the general design and particular expresses of the gospel, but *trespass* against all logick.—*Norris.*

2. Enter unlawfully on another's ground.

Their morals and œconomy
Most perfectly they made agree:
Each virtue kept its proper bound,
Nor *trespass'd* on the other's ground.
Prior, An Epitaph.

3. Encroach in general.

Nothing that *trespasses* upon the modesty of the company, and the decency of conversation, can become the mouth of a wise and virtuous person.—*Archbishop Tillotson, Sermons*, vol. xi. p. 101. (Ord MS.)

Trespass. *s.* [Fr. *trespas, trépas.*]

1. Transgression; offence.

Your purposed low correction
Is such, as basest and the meanest wretches
For pilferings, and most common *trespass*,
Are punish'd with. *Shakespear, King Lear*, ii. 2.

Will God incense his ire
For such a petty *trespass*?
Milton, Paradise Lost, ix. 692.

2. Unlawful entrance on another's ground.

Trespassable. *adj.* Offensive; transgressive.

The freehold of the whole church and churchyard is in the parson or rector, and therefore the parson may have an action of trespass against any body that shall do any *trespassable* act in the church or church-yard; as in breaking seats annexed to the church, in breaking the windows, cutting the trees, or taking away the leads, or any of the materials of the church.—*Digge, Parson's Counsellor*, p. 162. (Ord MS.)

Trespasser. *s.* One who trespasses.

1. Offender; transgressor.

Forgive my trespasses, O God, as I forgive my *trespassers*.—*Quarles, Judgement and Mercy, Revengeful Man.*

The court had power to correct the *trespasser* with stripes.—*L. Addison, Account of the present State of the Jews*, p. 203.

2. One who enters unlawfully on another's ground.

If I come upon another's ground without his licence, or the licence of the law, I am a *trespasser*, for which the owner may have an action of trespass against me.—*I. Walton.*

'Take care that you keep me this place in good order—do you hear, Hunt?' 'Yes, sir.' 'And remind me to have a board done about *trespassers*, and spring guns, and all that sort of thing, to keep the common people out. Do you hear, Hunt; do you hear?' 'I'll not forget it, sir.' 'I beg your pardon, sir,' said the other man, advancing, with his hand to his hat. 'Well, Wilkins, what's the matter with you?' said Captain Boldwig. 'I beg your pardon, sir—but I think there have been *trespassers* here to-day.'—*Dickens, Pickwick Papers*, ch. xix.

Tress. *s.* [Fr. *tresse.*] Lock; curl of hair; gathering of hair.

Hung be the heavens with black, yield day to night!
Comets, importing change of times and states,
Brandish your crystal *tresses* in the sky.
Shakespear, Henry VI. Part I. i. 1.

Her swelling breast
Naked met his, under the flowing gold
Of her loose *tresses* hid.
Milton, Paradise Lost, iv. 495.

Then cease, bright nymph! to mourn the ravish'd hair,
Which adds new glory to the shining sphere!
Not all the *tresses* that fair hair can boast
Shall draw such envy as the lock you lost.
Pope, Rape of the Lock, canto v.

Trèssed. *adj.* Knotted; curled; having the hair in a tress; having tresses.

He, plunged in pain, his *tressed* locks doth tear.
Spenser, Shepherd's Calendar.

Golden *tressed*, like Apollo.
Fletcher, Faithful Shepherdess.

Trèssure. *s.* In *Heraldry.* Border running parallel with the sides of the escutcheon.

The arms are a lion with a border, or *tressure*, adorned with flower-de-luces.—*T. Warton, History of English Poetry*, ii. 262.

Tréstle. *s.* [Fr. *trêteau.*] Piece of timber supported at each end by legs.

Citron tables stand
On ivory *tressels*. *May, Translation of Lucan*, b. x.

This is not for an unbuttoned fellow to discuss in the garret at his *trestle*.—*Milton, Colasterion.*

Used *adjectivally*, or as the *first element* in a *compound*.

Two or more *trestles* are used for carrying a bridge, called a *trestle-bridge*. . . . *Trestle-trees* are two bars of wood or iron at the mast-head, fitting the shoulders of the mast, passed lengthwise of the ship, and holding up the cross-trees, on which, and on the *trestle-trees* themselves, the top is laid.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Tret. *s.* Allowance made by merchants to retailers, which is four pounds in every hundred weight, and four pounds for waste or refuse of a commodity.

Tréthings. *s.* Taxes.

Trévet. *s.* See Trivet.

Trey. *s.* Three at cards.

White-handed mistress, one sweet word with thee.—
Honey, milk, and sugar; there is three.—
Nay then, two *treys*; metheglin, wort, and malmsey.
Shakespear, Love's Labour's lost, v. 2.

Tri-, as a prefix in composition; Lat. *tres*, neuter, *tria*; Gr. τρεῖς, neuter, τρία = three.

Tríable. *adj.* Capable of being tried. *Rare.*

1. In the way of experiment.

For the more easy understanding of the experiments *triable* by our engine, I insinuated that notion, by which all of them will prove explicable.—*Boyle.*

2. Judicially.

No one should be admitted to a bishop's chancellorship without good knowledge in the civil and canon laws, since divers causes *triable* in the spiritual court are of weight.—*Ayliffe, Parergon Juris Canonici.*

Tríad. *s.* [Lat. *trias, triadis*; from Gr. τριάς, τριάδος; Fr. *triade.*]

1. Trinity; three united; collection of three.

This is the famous Platonical *triad*.—*Dr. H. More, Song of the Soul*, preface: 1647.

Ahad, Æon, Psyche, the Platonical *triad*.—*Ibid.* p. 350.

2. In *Welsh Literature* and *Archeology*, several historical statements, apophthegms, and the like, are arranged in *threes*; e.g. 'Three names have been given to the Isles of Britain since the beginning: Clas Merddin, Til Inys, and Inys Pridain.'

Then there are the singular compositions called the *Triads*, which are enumerations of events or other particulars, bound together in knots of three, by means of some title or general observation—sometimes, it must be confessed, forced and far-fetched enough—under which it is conceived that they may all be included. Of the *Triads*, some are moral, and others historical.—*Craik, History of English Literature*, vol. i. p. 10.

And yet how insufficient are the laws and *triads* of the Cymri in point of mere antiquity! Let us do all honour to the praiseworthy burst of Keltic patriotism which has revived in our day; let us even concede that some few of the *triads* may carry us back to the sixth century; yet the earliest Cymric laws, of which the slightest trace can be discovered, are those of Hywel in the tenth.—*Kemble, The Saxons in England*, b. ii. ch. xii.

3. In *Music.* The name of the Harmonic Triad is given from the fact of the chord being formed of a third and a fifth, which, with the bass, make three different terms.

Tríadist. *s.* Composer of a (Welsh) triad.

The eighty-eighth triad runs thus: 'The three principal cities of the Isle of Britain: Caer-Llion upon Wysg in Cymru, Caer Llundain in Lloegr, and Caer Evrawc in Deivr and Bryneich.' Caer-Llion, as the seat of King Arthur, obtains from the *triadist* preeminence even superior to the two municipia, London and York. It would seem that when the *triad* was written, Verulamium had fallen into obscurity, and London had taken its crown.—*Dr. T. Nicholas, The Pedigree of the English People*, p. 197 note: 1868.

Trial. *s.*

1. Test; examination.

All thy vexations
Were but my *trials* of thy love, and thou
Hast strangely stood the test.
Shakespear, Tempest, iv. 1.

2. Experiment; act of examining by experience.

I leave him to your gracious acceptance, whose *trial* shall better publish his commendation.—*Shakespear, Merchant of Venice*, iv. 1, letter.

Skilful gardeners make *trial* of the seeds by putting them into water gently boiled; and if good, they will sprout within half an hour.—*Bacon, Natural and Experimental History.*

There is a mixed kind of evidence relating both to the senses and understanding, depending upon our own observation and repeated *trials* of the issues and events of actions or things, called experience.—*Bishop Wilkins.*

3. Experience; experimental knowledge.

Others had *trial* of cruel mockings and scourgings.—*Hebrews*, xi. 36.

4. Judicial examination.

He hath resisted law,
And therefore law shall scorn him further *trial*
Than the severity of publick power.
Shakespear, Coriolanus, iii. 1.

Trial is used in law for the examination of all causes, civil or criminal, according to the laws of our realm: the *trial* is the issue, which is tried upon the inditement, not the inditement itself.—*Cowell.*

5 Temptation; test of virtue.

Lest our *trial*, when least sought,
May find us both perhaps far less prepared,
The willinger I go. *Milton, Paradise Lost*, ix. 380.

No such company as then thou saw'st
Intended thee; for *trial* only brought,
To see how thou could'st judge of fit and meet.
Ibid. viii. 447.

Every station is exposed to some *trials*, either temptations that provoke our appetites, or disquiet our fears.—*Rogers.*

6. State of being tried.

Good shepherd, tell this youth what 'tis to love.—
It is to be all made of sighs and tears;
It is to be all made of faith and service,
All humbleness, all patience and impatience;
All purity, all *trial*, all observance.
Shakespear, As you like it, v. 2.

Triálity. *s.* Three united; state of being three. *Rare.*

Of pluralities,
Of *tryalities*. *Skelton, Poems*, p. 195.

There may be found very many dispensations of *triality* of benefices.—*Wharton, On Burnet's History of the Reformation*, p. 66.

Trialogue. *s.* [Gr. τρεῖς = three + λόγος = word, conversation: compare Dialogue.] Conversation carried on by three speakers. *Rare.*

Trialogue between T. Bilney, Hugh Latimer, and W. Repps.—*Wood, Athenæ Oxonienses*, vol. i. p. 21: 1691.

Tríangle. *s.* [Fr.; Lat. *triangulum.*] Figure of three angles.

The three angles of a *triangle* are equal to two right ones.—*Locke.*

Triángular. *adj.* [Lat. *triangularis.*] Having three angles.

The frame thereof seem'd partly circular,
And part *triangular*; O work divine!
These two the first and last proportions are.
Spenser.

Triángularity. *s.* Triangular character.

It partook of the qualities of the immutable idea of *triangularity*.—*Knight, On Taste*, p. 39. (Ord MS.)

Triángularly. *adv.* In a triangular manner; after the form of a triangle.

A portico formed circularly, a plain cut *triangularly*.—*Harris, Hermes*, b. i. ch. xi.

Triangulátion. *s.* Reduction of the surface of an area to triangles for the purpose of a trigonometrical survey.

The publication of 'The Trigonometrical Survey of the United Kingdom' is now completed, and is comprised in seven quarto volumes, viz.:—I. The Principal *Triangulation*, with the Figure, Dimensions, and Mean Specific Gravity of the Earth derived therefrom; II. Levelling, taken in Ireland; III. Levelling, taken in England and Wales; IV. Levelling, taken in Scotland. Thus this great work, which was commenced in 1783, under General Roy, R.E., is at length finished. In last year's estimates the sum of 1000*l.* was taken to enable the director of the survey to extend the *triangulation* of England through France to the frontiers of Belgium, so as to form a connection between the *triangulations* of England and Belgium. This operation has been completed.... The triangle, Dunkirk, Cassel, and Mont Kemmel, is common to the *triangulations* of France and Belgium, and is now also made part of the extended *triangulation* of this country.—*Proceedings of the Royal Society*, May 26, 1826.

Triárian. *adj.* [Lat. *triarii* = old soldiers, placed as a reserve.] Occupying the third post or place. *Rare.*

Let our week days lead up the van,
Let the brave second and *triarian* band
Firm against all impression stand:
The first we may defeated see;
The virtue and the force of these are sure of victory.
Cowley, Ode on the Restoration of King Charles II.

Trías. *s.* [Lat.; from Gr. τριάς, τριάδος = collection of three.] In *Geology.* Term of recent origin, applied to the rocks generally called New Red Sandstone, from the fact of the group falling into three divisions; the names being, from the country where the system is best illustrated, German; viz. Bunter Sandstein, Keuper, and Muschelkalk.

The group of strata... has been called the *Trias*, by German writers, or the Triple Groupe, because it is separable into three distinct formations, called the Keuper, the Muschelkalk, and the Bunter Sandstein... No one questions that they [the St. Cassian beds] are *triassic*.—*Sir C. Lyell, Elements of Geology*, ch. xxii.

Triássic. *adj.* In *Geology.* Relating to, connected with, constituted by, the Trias, or any member of it: (the *form* of the word is direct from *Trias*; not, as it should be, from the oblique form *triados*).

(For example see under Trias.)

Tríbal. *adj.* Tribual.

What that Teutonic poetry was which Charlemagne cherished with German reverence, it is vain to inquire: whether *tribal* Frankish songs, or the groundwork of those national poems which, having passed through the Latin verse of the monks, came forth at length as the Nibelungen and the Heldenbuch.—*Milman, History of Latin Christianity*, b. v. ch. i.

Tribe. *s.* [Lat. *tribus.*]

1. Distinct body of the people as divided by family or fortune, or any other characteristic.

I ha' been writing all this night, and am
So very weary, unto all the *tribes*
And centuries for their voices, to help Catiline
In his election.
B. Jonson, Catiline's Conspiracy, ii. 2.

If the heads of the *tribes* can be taken off, and the misled multitude will see their error, such extent of mercy is honourable.—*Bacon, Advice to Villiers.*

Who now shall rear you to the sun, or rank
Your *tribes*, and water from th' ambrosial fount?
Milton, Paradise Lost, xi. 279.

[Teach] straggling mountaineers, for publick good,
To rank in *tribes*, and quit the savage wood,
Houses to build.
Tate, Translation of Juvenal, xv. 194.

I congratulate my country upon the increase of this happy *tribe* of men, since, by the present parliament, the race of freeholders is spreading into the remotest corners.—*Addison.*

2. Used in contempt.

Folly and vice are easy to describe,
The common subjects of our scribbling *tribe*.
Lord Roscommon.

Tribe. *v. a.* Classify. *Rare.*

Our fowl, fish, and quadrupeds, are well *tribed* by Mr. Willoughby and Mr. Ray.—*Bishop Nicholson, English Historical Library*, p. 19: 1696.

Tríblet. *s.* [Fr. *triboulet.*] Goldsmith's tool for making rings.

Tribómeter. *s* [Gr. τρίβω = I rub + μέτρον = measure.] In *Mechanics.* Apparatus for measuring the force of friction.

Tribrách. *s.* [Lat. *tribrachon*; Gr. τρίβραχυς, βραχὺς = short.] In *Prosody.* Foot consisting of three syllables all short; in *Notation* ◡◡◡.

Never take an iambus as a christian name. *Trochees* and *tribrachs* do very fairly.—*Coleridge, Table Talk.*

Tríbual. *adj.* Relating to, constituted by, belonging to, a tribe.

Tribulátion. *s.* Persecution; distress; vexation; disturbance of life.

Tribulation being present causeth sorrow, and being imminent breedeth fear.—*Hooker, Ecclesiastical Polity.*

The just shall dwell,
And after all their *tribulations* long,
See golden days, fruitful of golden deeds.
Milton, Paradise Lost, iii. 335.

Our church taught us to pray, that God would, not only in all time of our *tribulation*, but in all time of our wealth, deliver us.—*Bishop Atterbury.*

Tribúnal. *s.* [Lat. = raised platform from which the prætor delivered judgements; judgement seat in general.]

1. Seat of a judge; judgement-seat.

I' th' market place, on a *tribunal* silver'd,
Cleopatra and himself in chairs of gold
Were publickly enthroned.
Shakespear, Antony and Cleopatra, iii. 6.

He sees the room
Where the whole nation does for justice come,
Under whose large roof flourishes the gown,
And judges grave on high *tribunals* frown. *Waller.*

There is a necessity of standing at his *tribunal*, who is infinitely wise and just.—*Grew, Cosmologia Sacra.*

He, who for our sakes stood before an earthly *tribunal*, might therefore be constituted judge of the whole world.—*Nelson.*

2. Court of justice.

Summoning archangels to proclaim
Thy dread *tribunal*. *Milton, Paradise Lost*, iii. 325

If the council of ten had been abolished at any time since the fifteenth century, if the removal of that jealous despotism had given scope to the corruption of a poor and debased aristocracy, to the licence of a people unworthy of freedom, the republic would have soon lost her territorial possessions, if not her own independence. If indeed it be true, as reported, that during the last hundred years this formidable *tribunal* had sensibly relaxed its vigilance, if the Venetian government had become less tyrannical through sloth, or decline of national spirit, our conjecture will have acquired the confirmation of experience.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. iii.

It was true that the crime of high treason was brought home to Fenwick by proofs which could leave no doubt on the mind of any man of common sense, and would have been brought home to him according to the strict rules of law, if he had not, by committing another crime, eluded the justice of the ordinary *tribunals*.—*Macaulay, History of England*, ch. xxii.

Tríbune. *s.* [Lat. *tribunus*; a term applied in ancient Rome, to more than one public officer.]

1. Officer chosen by the people.

These are the *tribunes* of the people,
The tongues o' the common mouth: I do despise them. *Shakespear, Coriolanus*, ii. 2.

2. Commander of a cohort.

Petreius, his lieutenant, ... who is much
The better soldier, having been a *tribune*,
Præfect, lieutenant, prætor in the war
These thirty years.
B. Jonson, Catiline's Conspiracy, iv. 7.

3. Tribunal.

My friend Bucklesbury, who was seated in full costume at the left hand of the semicircular *tribune*, in a box of his own, his wand of office erect at his side, and a bouquet upon the desk before him, beckoned me in a kind and condescending manner to approximate.—*Theodore Hook, Gilbert Gurney*, vol. ii. ch. i.

At eleven the arrival of listeners seemed to have ceased. Mr. Lyon was seated on the school *tribune* or dais at his particular round table; another round table, with a chair, awaited the curate, with whose superior position it was quite in keeping that he should not be first on the ground.—*George Eliot (signature), Felix Holt the Radical*, ch. xiv.

She had scarcely stepped off the *tribune* when Mr. Debarry re-entered and there was a commotion which made her wait.—*Ibid.*

Tríbuneship. *s.* Office of a tribune.

What am I the wiser for knowing that Trajan was in the fifth year of his *tribuneship*, when he entertained the people with such a horse-race or bull-baiting?—*Addison, Dialogues on the Usefulness of ancient Medals.*

Tribunítial. *adj.* [Lat. *tribunitius.*] Suiting a tribune; relating to a tribune.

Oh happy ages of our ancestors!
Beneath the kings and *tribunitial* powers,
One jail did all their criminals restrain.
Dryden, Translation of Juvenal, iii. 490.

Tribunítious. *adj.* Tribunitial.

Let them not come in multitudes, or in a *tribunitious* manner; for that is to clamour counsels, not to inform.—*Bacon.*

Tríbutary. *adj.* [Fr. *tributaire*; Lat. *tributarius.*]

1. Paying tribute as an acknowledgement of submission to a master.

Thenceforth this land was *tributary* made
T' ambitious Rome. *Spenser.*

Whilst Malvern, king of hills, fair Severn overlooks,
Attended on in state with *tributary* brooks.
Drayton.

The two great empires of the world I know;
And since the earth none larger does afford,
This Charles is some poor *tributary* lord.
Dryden, Indian Emperour, i. 2.

Around his throne the sea-born brothers stood,
That swell with *tributary* urns his flood.
Pope, Windsor Forest.

2. Subject; subordinate.

These he, to grace his *tributary* gods,
By course commits to several government,
And gives them leave to wear their sapphire crowns,
And wield their little tridents. *Milton, Comus*, 24.

O'er Judah's king ten thousand tyrants reign,
Legions of lust, and various powers of ill
Insult the master's *tributary* will.
Prior, Solomon, ii. 948.

3. Paid in tribute.

Nor flattery tunes these *tributary* lays.
Concannen.

Tríbutary. *s.* One who pays a stated sum in acknowledgement of subjection.

All the people that is found therein shall be *tributaries* unto thee, and serve thee.—*Deuteronomy*, xx. 11.

The Irish lords did only promise to become *tributaries* to king Henry the Second: and such as only pay tribute are not properly subjects, but sovereigns. —*Sir J. Davies, Discourse on the State of Ireland.*

Tríbute. *s.* [Fr. *tribut*; Lat. *tributum* = thing paid; *tribuo* = I pay.] Payment made in acknowledgement of subjection.

They that received *tribute* money said, Doth not your master pay *tribute*?—*Matthew*, xvii. 2.

She receives . . .
As *tribute* . . . her warmth and light.
Milton, Paradise Lost, viii. 35.

Small *tribute*, where the will to pay was act.
Dryden.

Tríbute. *v. a.* Pay as tribute. *Rare.*

An amorous trifler, that spendeth his forenoons on his glass and barber, his afternoons with paint or lust, *tributing* most precious moments to the scepter of a fan!—*Whitlock, Observations on the Present Manners of the English*, p. 302: 1654.

Trice. *s.* [?] Short time; instant; stroke.

If they get never so great spoil at any time, the same they waste in a *trice*, as naturally delighting in spoil, though it do themselves no good.—*Spenser, View of the State of Ireland.*

Just in the nick the cook knock'd thrice,
And all the waiters in a *trice*
His summons did obey:
Each serving man with dish in hand
March'd boldly up like our train'd band.
Presented and away.
Sir J. Suckling, The Wedding.

He could raise scruples dark and nice,
And after solve them in a *trice*.
Butler, Hudibras, i. 1, 163.

So when the war had raised a storm,
I've seen a snake in human form,
All stain'd with infamy and vice,
Leap from the dunghill in a *trice*. *Swift.*

Trice. *v. a.* Hoist. See Trise.

Trichíasis. *s.* [Gr. from θρίξ, τριχὸς = hair.] In *Ophthalmic Medicine*. Disease in which the eyelashes grow inwards, so irritating the front of the eyeball.

Trichina. *s.* [Gr. θρίξ.] Intestinal worm producing Trichiniasis.

Trichina [is the name of] a genus of minute nematoid worms, infesting, in the adult procreative state, the intestinal canal, and, in its larval state, the muscular tissue of man and certain mammals, especially the hog. . . . The mature *trichinæ* of both sexes. . . . acquire the procreative state on the second day after the *trichinous* meat has been taken into the stomach. About the sixth day the minute filaria-like embryos hatched within the oviducts of the female are excluded. They forthwith penetrate the mucous coat or walls of the intestine, enter the capillaries, are transported by the circulation to the whole muscular system, pierce and escape from the capillaries to penetrate that tissue, and within a fortnight attain the ordinary characters of *Trichina spiralis*. . . . As the first introduction of *Trichina* is from eating meat, the animal matter in the garbage or offal commonly given to pigs occasions the frequency of their occurrence in that domestic animal. Where the custom may prevail of eating pork, e.g. ham, bacon, sausages, &c., imperfectly cooked or raw, the *Trichinæ* in such meat are introduced in a state highly favourable for their development and procreation into the intestine, and thus is produced the painful and often fatal disease called *Trichiniasis*. . . . Wholesome feeding of the pig with vegetable food, and thorough cooking of the pork, are the main preventives of *Trichiniasis*. — *Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Trichiníasis. *s.* Disease producing, and produced by, trichinous meat.

Trichínous. *adj.* Connected with, relating to, producing or produced by, Trichinæ and Trichiniasis. See, for all three, extract under Trichina.

Trichóptera. *s.* [Gr. θρίξ, τριχός + πτερόν = wing.] In *Entomology*. Name of a group of insects so called from their wing being hairy as well as membranous.

Trichótomy. *s.* [Gr. τριχοτομέω, from the root of τέμνω = I cut; τομή = section, cutting.] Division into three parts.

The chiefest divisions of things are made by a *trichotomie*.—*Hartlib, Translation of Comenius*, p. 51: 1642.

Some disturb the order of nature by dichotomies, *trichotomies*, sevens, twelves: let the subject with the design you have in view determine the number of parts into which you divide it.—*Watts.*

Trick. *s.* [Dutch, *trek* = sharp stroke.]

1. Sly fraud.

Sir Thomas More said, that a *trick* of law had no less power than the wheel of fortune, to lift men up or cast them down.—*Sir W. Raleigh.*

A bantering droll took a journey to Delphos, to try if he could put a *trick* upon Apollo.—*Sir R. L'Estrange.*

Such a one thinks to find some shelter in my friendship, and I betray him: he comes to me for counsel, and I show him a *trick*.—*South, Sermons.*

He swore by Styx,
Whate'er she would desire to grant;
But wise Ardelia knew his *tricks*. *Swift.*

2. Dexterous artifice.

Gather the lowest, and leaving the top,
Shall teach thee a *trick* for to double thy crop.
Tusser, Five Hundred Points of good Husbandry.

3. Vicious practice.

Suspicion shall be stuck full of eyes:
For treason is but trusted like a fox,
Who ne'er so tame, so cherish'd and lock'd up,
Will have a wild *trick* of his ancestors.
Shakespear, Henry IV. Part I. v. 2.

I entertain you with somewhat more worthy than the stale exploded *trick* of fulsome panegyricks.—*Dryden.*

Some friends to vice industriously defend
These innocent diversions, and pretend
That I the *tricks* of youth too roughly blame.
Stepney, Translation of Juvenal, viii. 289.

4. Juggle; antic; anything done to cheat jocosely, or to divert.

A reverend prelate stopp'd his coach and six,
To laugh a little at our Andrew's *tricks*.
Prior, Merry Andrew.

5. Unexpected effect.

So fellest foes who broke their sleep,
To take the one the other, by some chance,
Some *trick* not worth an egg, shall grow dear friends.
Shakespear, Coriolanus, iv. 4.

6. Practice; manner; habit: (we still say, 'he has a *trick* of winking with his eyes, of speaking loud,' &c.)

I spoke it but according to the *trick*; if you'll hang me, you may.—*Shakespear, Measure for Measure*, v. 1.

The *trick* of that voice I do well remember.
Id., King Lear, iv. 6.

Behold,
Although the print be little, the whole matter
And copy of the father; eye, nose, lip,
The *trick* of 's frown, his forehead.
Id., Winter's Tale, ii. 3.

7. Number of cards laid regularly up in play: (as, 'a *trick* of cards').

And now, as oft in some distemper'd state,
On one nice *trick* depends the general fate.
Pope, Rape of the Lock, canto iii.

8. Plait or knot of hair.

I prefer that kind of tire:—it stirs me more than all your court-curls, or your spangles, or your *tricks*: I affect not these high gable-ends, these Tuscan tops. —*B. Jonson, Poetaster.*

Trick. *v. a.*

1. Cheat; impose on; defraud.

Fortune . . . is pleased to *trick* or tromp mankind.
B. Jonson, New Inn.

It is impossible that the whole world should thus conspire to cheat themselves, to put a delusion on mankind, and *trick* themselves into belief.—*Stephens, Sermons.*

2. Dress; decorate; adorn: (*properly*, to knot).

And *trick* them up in knotted curls anew.
Drayton.

They turned the imposture upon the king, and gave out, that to defeat the true inheritor he had *tricked* up a boy in the likeness of Edward Plantagenet.—*Bacon, History of the Reign of Henry VII.*

Woeful shepherds, weep no more,
For Lycidas, your sorrow, is not dead:
Sunk, though he be, beneath the wat'ry floor;
So sinks the day-star in the ocean bed,
And yet anon repairs his drooping head,
And *tricks* his beams, and with new-spangled ore,
Flames in the forehead of the morning sky.
Milton, Lycidas, 165.

Not *trick'd* and frounced, as she was won't
With the Attick boy to hunt. *Id., L'Allegro*, 123.

A daw that had a mind to be sparkish, *tricked* himself up with all the gay feathers he could muster. —*Sir R. L'Estrange.*

Love is an airy good opinion makes,
That *tricks* and dresses up the gaudy dream.
Dryden

People lavish it profusely in *tricking* up their children in fine clothes, and yet starve their minds. —*Locke.*

3. Display; adorn: (an *heraldic* term).

Now he is total gules; horridly *trickt*
With blood of fathers, mothers, daughters, sons,
Baked and impasted with the parching fires.
Shakespear, Hamlet, ii. 2.

They are blazon'd there; there they are *tricked*, they and their pedigrees.—*B. Jonson, Poetaster.*

Come, the colours and the ground prepare:
Dip in the rainbow, *trick* her off in air;
Chuse a firm cloud before it fall, and in it
Catch ere she change the Cynthia of this minute.
Pope, Moral Essays, ii. 17.

Trick. *v. n.* Live by fraud.

Thus they jog on, still *tricking*, never thriving,
And murdering plays, which still they call reviving.
Dryden.

Tricker. *s.* See Trigger.

Trickery. *s.* Act of dressing up; artifice.

You taught us to set a just value upon the eccentricities of impetuous and untutored genius, by giving us an opportunity to compare them with the *trickeries* of cold and systematic refinement.—*Dr. Parr.*

Tricking. *s.* Dress; ornaments.

Get us properties and *tricking* for our fairies.—*Shakespear, Merry Wives of Windsor*, iv. 4.

Trickish. *adj.* Knavishly artful; fraudulently cunning; mischievously subtle.

All he says is in a loose, slippery, and *trickish* way of reasoning.—*Bishop Atterbury, Letter to Pope.*

Trickle. *v. n.* Fall in drops; rill in a slender stream.

He, prick'd with pride,
Forth spurred fast; adown his courser's side
The red blood *trickling*, stain'd the way. *Spenser.*

He lay stretch'd along, his eyes fixt upward,
And ever and anon a silent tear
Stole down, and *trickled* from his hoary beard.
Dryden, Spanish Friar, iii. 3.

The emblems of honour wrought on the front in the brittle materials above mentioned, *trickled* away under the first impressions of the heat.—*Addison, Freeholder.*

Imbrown'd with native bronze, lo! Henley stands,
Tuning his voice and balancing his hands:
How fluent nonsense *trickles* from his tongue!
How sweet the periods, neither said nor sung!
Pope, Dunciad, iii. 199.

Trickling. *verbal abs.* Act of that which trickles.

Some noises help sleep; as the blowing of the wind, and *trickling* of water, as moving in the spirits a gentle attention, which stilleth the discursive motion.—*Bacon.*

Trickment. *s.* Heraldic decoration. *Rare.*

No tomb shall hold thee,
But these two arms; no *trickments* but my tears
Over thy hearse.
Beaumont and Fletcher, Mad Lover.

Trickster. One who practises tricks.

Another of these *tricksters* wrote and published a piece entitled The Assembly Man.—*Robinson, Translation of Claude*, ii. 99.

The Whigs were known to be feeble; they were looked upon as *tricksters*.—*B. Disraeli, Coningsby*, b. iii. ch. vi.

Tricksy. *adj.* Pretty; dainty; neat; brisk; lively; merry.

Make them go *tricksie*, gallaunt, and cleene.
Disobedient Child.

The fool hath planted in his memory
An army of good words; and I do know
A many fools that stand in better place,
Garnish'd like him, that for a *tricksy* word
Defy the matter.
Shakespear, Merchant of Venice, iii. 5.

All this service have I done since I went.—
My *tricksy* spirit! *Id., Tempest*, v. 1.
Tricksey tales of speaking Cornish daws.
Marston, Scourge of Villany, b. ii.

Tricktrack. *s.* [Fr. *trictrac*.] Game at tables.

Loitering in sloth and idleness, cross-legged like so many tailors, the Turk wastes almost his whole time, lolling on these cushions or sophas, smoaking tobacco, and drinking coffee or sherbet, without either diversion or amusement, but playing with shells, or at *trick-track*, or the goose.—*Memoirs of P. H. Bruce*, p. 65.

William's genius, I take it, leans a little to the figurative; for, being at play at *tricktrack* (a kind of minor billiard-table which we keep for smaller wights, and sometimes refresh our own mature fatigues with taking a hand at), not being able to hit a ball he had iterate aimed at, he cried out, 'I cannot hit that beast.' Now the balls are usually called men, but he felicitously hit upon a middle term; a term of approximation and imaginative reconciliation; a something where the two ends of the brute matter (ivory), and their human and rather violent personification into men, might meet, as I take it.... He hath the power of calculation, in no ordinary degree for a chit. He combineth figures, after the first boggle, rapidly; as in the *tricktrack* board, where the hits are figured, at first he did not perceive that 15 and 7 made 22, but by a little use he could combine 8 with 25, and 33 again with 16, which approacheth something in kind (far let me be from flattering him by saying in degree) to that of the famous American boy.—*C. Lamb, Letter to Miss Wordsworth.*

Trícolor. *s.* The national colour of France as established at the Revolution, white, red, and blue.

Women too are sewing cockades;—not now of green, which being D'Artois colour, the Hôtel-de-Ville has had to interfere *in it*; but of Red and Blue, our old Paris colours: these, once based on a ground of constitutional White, are the famed *Tricolor*,—which (if Prophecy err not) 'will go round the world.'—*Carlyle, The French Revolution*, pt. i. b. v. ch. v.

Tricúspid. *adj.* [Lat. *cuspis, cuspidis* = point.] Having three points, or summits: (in *Anatomy*, specially applied to the valve of the heart between the left ventricle and auricle).

This character of a denser texture belongs [to the lining membrane of the heart]... where it is reflected upon itself... either at the fibrous circle... constituting the *tricuspid* and mitral valves, or at the commencement of the pulmonary artery and the aorta, constituting the semi-lunar valves.—*Dr. P. M. Latham, Lectures on Subjects connected with Clinical Medicine, comprising Diseases of the Heart*, lect. ii.

Trident. *s.* [Fr.; Lat. *tridens, -entis*; *tres* = three + *dens, dentis* = tooth.] Three-forked sceptre of Neptune.

His nature is too noble for the world:
He would not flatter Neptune for his *trident*.
Shakespear, Coriolanus, iii. 1.

Canst thou with fisgigs pierce him to the quick?
Or in his skull thy barbed *trident* stick?
Sandys, Paraphrase of Job.

He gives them leave to wear their sapphire crowns,
And wield their little *tridents*. *Milton, Comus*, 26.

Several find a mystery in every tooth of Neptune's *trident*.—*Addison, Dialogues on the Usefulness of ancient Medals.*

Tridénted. *adj.* Having three teeth.

Neptune...
Held his *tridented* mace upon the south:
The winds were whist, the billows danced no more.
Quarles, History of Jonah, § 6.

Tríding. *s.* [A.S. *tríðing.*] Third part of a county or shire: (this division is only used in Yorkshire, where it is corrupted into *riding*).

Triénnial. *adj.* [Lat. *triennis*, from *tres* = three + *annus* = year.]

1. Lasting three years.

Richard the Third, though he came in by blood, yet the short time of his *triennial* reign he was without any, and proved one of my best lawgivers.—*Howell, England's Tears.*

2. Happening every third year.

To the bishop for procurations, on account of his *triennial* visitation, three shillings and eight pence.—*T. Warton, History of the Parish of Kiddington*, p. 8.

Tríer. *s.* One who tries.

1. Experimentally.

The ingenious *triers* of the German experiment found, that their glass vessel was lighter when the air had been drawn out than before by an ounce and very near a third.—*Boyle.*

2. Judicially.

Courts of justice are bound to take notice of acts of parliament, and whether they are truly pleaded or not: and therefore they are the *triers* of them.—*Sir M. Hale.*

There should be certain *triers* or examiners appointed by the state to inspect the genius of every particular boy.—*Spectator.*

3. Test; one who brings to the test.

You were used
To say, extremity was the *trier* of spirits;
That common chances common men could bear.
Shakespear, Coriolanus, iv. 1.

4. Ecclesiastical commissioners appointed by the parliament under the commonwealth, to examine the character and qualifications of ministers.

The certificate of the *triers* stood in the place both of institution and of induction; and without such a certificate no person could hold a benefice. ... The presentees whom the *triers* had approved took possession of the rectories, cultivated the glebe lands, collected the tithes, prayed without book or surplice, and administered the Eucharist to communicants seated at long tables.—*Macaulay, History of England*, ch. ii.

Trietérical. *adj.* [Lat. *trietericus*; Gr. ἔτος = year.] Triennial; kept every third year.

The *trieterical* sports, I mean the orgia, that is the mysteries of Bacchus.—*Gregory, Notes on Scripture*, p. 107: 1684.

Trífallow. *v. a.* Plough land the third time before sowing.

The beginning of August is the time of *trifallowing*, or last plowing, before they sow their wheat.—*Mortimer, Husbandry.*

Trifístulary. *adj.* [Lat. *fistularis*, from *fistula* = pipe.] Having three pipes. *Rare.*

Many of that species whose *trifistulary* bill or cranny we have beheld.—*Sir T. Browne, Vulgar Errours.*

Trífle. *v. n.*

1. Act or talk without weight or dignity; act with levity or folly.

When they say that we ought to abrogate such popish ceremonies as are unprofitable, or else might have other more profitable in their stead, they *trifle* and they beat the air about nothing which toucheth us, unless they mean that we ought to abrogate all popish ceremonies.—*Hooker, Ecclesiastical Polity.*

2. Mock; play the fool.

Do not believe,
That, from the sense of all civility,
I thus would play and *trifle* with your reverence.
Shakespear, Othello, i. 1.

3. Waste in light amusement: (as, 'He *trifled* all his time').

Trífle. *v. a.* Reduce to a trifle. *Rare.*

Threescore and ten I can remember well,
Within the volume of which time I've seen
Hours dreadful and things strange; but this sore night
Hath *trifled* former knowings.
Shakespear, Macbeth, ii. 4.

Trífle. *s.* [N.Fr. *truffe, trufle* = jest, flout.]

1. Thing of no moment.

Trifles light as air,
Are to the jealous confirmations strong
As proofs of holy writ. *Shakespear, Othello*, iii. 3.

Think nought a *trifle* though it small appear;
Small sands the mountain, moments make the year;
And *trifles* life. Your care to *trifles* give,
Or you may die, before you truly live.
Young, Love of Fame, vi. 205.

2. In *Cookery*. See extract.

The old-fashioned mode of preparing tipsy-cake or brandy *trifle*... was to soak a light sponge or Savoy cake in as much good French brandy as it could absorb, then to stick it full of blanched almonds cut into whole length spikes, and to pour a rich cold boiled custard round it. It is more usual now to pour white wine over the cake, or a mixture of wine and brandy; with this the juice of half a lemon is mixed.—*Eliza Acton, Modern Cookery*, p. 444: 1846.

Trífler. *s.* One who trifles; one who acts with levity, talks with folly.

A man cannot tell whether Apelles or Albert Durer were the more *triflers*, whereof the one would make a personage by geometrical proportions, the other by taking the best parts out of divers faces to make one excellent.—*Bacon.*

Triflers not even in trifles can excel;
'Tis solid bodies only polish well. *Young.*

Trífling. *adj.* Wanting worth; unimportant; wanting weight.

To a soul supported with an assurance of the divine favour, the honours or afflictions of this life will be equally *trifling* and contemptible.—*Rogers, Sermons.*

Trífilingly. *adv.* In a trifling manner; without weight; without dignity; without importance.

Those who are carried away with the spontaneous current of their own thoughts, must never humour their minds in being thus *triflingly* busy.—*Locke.*

Trífilingness. *s.* Attribute suggested by Trifling.

The *triflingness* and petulancy of this scruple I have represented upon its own proper principles.—*Bishop Parker, Rehearsal Transprosed*, p. 39.

Trifóliate. *adj.* [Lat. *folium* = leaf.] Having three leaves.

Trifoliate cytisus restrained its boughs
For humble sheep to crop, and goats to brouze.
Harte.

Trífoly. *s.* Trefoil. *Rare.*

She was crowned with a chaplet of *trifoly*.—*B. Jonson, Coronation Entertainment.*

Trifórium. *s.* [?] In *Ecclesiastical Architecture.* Gallery or arcade in the wall, over pier-arches, which separate the body from the aisles of a church.

The only mediæval writer who uses this word *triforium* is Gervase, in his account of the burning and rebuilding of Canterbury Cathedral. In this tract it occurs several times; but he plainly applies it to the clerestory gallery, as well as to the lower one to which the term is limited by modern writers: and he also applies it to a gallery in the side aisle wall which still exists in the choir of Canterbury. Clearly Gervase understands the word to mean any upper passage or thoroughfare; and accordingly Somner conjectured it to be merely a barbarous Latinization of thoroughfare. But the modern limitation of the word to the compartment between the pier-arches and clerestory has received the sanction of such excellent writers, and is so useful, that it is better to retain it.—*Glossary of Architecture.*

Trifórm. *adj.* [Lat. *forma* = form.] Having a triple shape.

The moon her monthly round
Still ending, still renewing thorough mid heaven,
With borrow'd light her countenance *triform*
Hence fills, and empties, to enlighten the earth.
Milton, Paradise Lost, iii. 730.

Trig. *v. a.* Fill; stuff.

By how much the more a man's skin is full *trig'd* with flesh, blood, and natural spirits.—*Dr. H. More, Mystery of Godliness*, p. 105: 1660.

Trig. *adj.* [A.S.]

1. Full.
2. Trim; neat.

Trígamy. *s.* [Gr. γάμος = marriage.] Marriage, or being married, to three second parties in marriage (husband or wife, as the case may be,) at once.

They marry oft times at nine or twelve years of age; the laity twice; ecclesiasticks but once; *trigamy* to all is hateful.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 158.

Trígger. *s.* [Dutch, *trekker*, from *trekken* = pull.]

1. Catch to hold the wheel on steep ground.
2. Catch that being pulled looses the cock of the gun.

The pulling the *trigger* of the gun with which the murder is committed, has no natural connection with those ideas that make up the complex one, murder.—*Locke.*

Spelt with *ck*.

Pulling aside the *tricker* we observed, that the force of the spring of the lock was not sensibly abated by the absence of the air.—*Boyle.*

As a goose
In death contracts his talons close;
So did the knight, and with one claw
The *tricker* of his pistol draw.
Butler, Hudibras, c. 3, 525

Trigíntals. *s. pl.* [Lat. *triginta* = thirty.] See extract.

Trentals or *trigintals* were a number of masses to the tale of thirty, instituted by Saint Gregory.—*Ayliffe, Parergon Juris Canonici.*

Tríglyph. *s.* [Gr. γλυφή = sculpture.] In *Architecture.* Member of the frieze of the Doric order set directly over every pillar, and in certain spaces in the intercolumniations.

The Dorick order has now and then a sober garnishment of lions' heads in the cornice, and of *triglyphs* and metopes always in the frize.—*Sir H. Wotton, Elements of Architecture.*

Trígon. *s.* [Gr. τρίγωνον; γωνία = angle: the two words translating one another.] Triangle.

The astronomers tell of a watery *trigon*.—*Sir J. Harington, Brief View of the State of the Church of England*, p. 20.

The ordinary height of a man ninety-six digits, the ancient Egyptians estimated to be equal to that mystical cubit among them stiled passus Ibidis, or the *trigon* that the Ibis makes at every step, consisting of three latera, each thirty-two digits.—*Sir M. Hale, Origination of Mankind.*

Trígonal. *adj.* Triangular; having three corners.

A spar of a yellow hue shot into numerous *trigonal* pointed shoots of various sizes, found growing to one side of a perpendicular fissure of a stratum of freestone.—*Woodward.*

Trigonométrical. *adj.* Pertaining, or relating to, constituted by, trigonometry.

Trigonométrically. *adv.* In a trigonometrical manner; according to the rules of trigonometry.

In the years 1741 and 1742, Mr. J. Renshaw, my agent, went round the coast of England, and surveyed it *trigonometrically*.—*Whiston, Memoirs*, p. 400.

Trigonómetry. *s.* [Gr. τρίγωνον + μέτρον = measure; μετρέω = I measure.] Art of measuring triangles, or of calculating the sides of any triangle sought.

On a discovery of Pythagoras all *trigonometry*, and consequently all navigation, is founded.—*Guardian.*

Triláteral. *adj.* [Lat. *latus, lateris* = side.] Having three sides.

Trilíteral. *adj.* [Lat. *litera* = letter.] Consisting of three letters. The word has more than usual prominence in the philology of the Semitic languages (i. e. the languages allied to the Hebrew), the leading character of which is stated to be the prevalence of three fundamental letters constituting the framework of the word, the modifications of meaning (especially the inflectional ones) being indicated by changes of the intervening vowels.

This name is *triliteral*: it consists of three letters, thau, beth, and he; all which are here symbolical.—*Bibliotheca Biblica*, i. 237.

The Shemite language is a remarkable exception to this observation, the words being derived in all the known dialects from *triliteral* or dissyllabic roots, a property which seems to be so deeply inlaid in the structure of all these idioms, that it has been generally considered as belonging essentially to the very groundwork of the language.—*Pritchard, Researches into the Physical History of Mankind*, ch. xix. § 2.

The roots . . . of the Semitic languages . . . are *triliteral* in form, and so few in number that their meanings are generally vague, being, in fact, a series of metaphorical applications of some sensible perception.—*Farrar, An Essay on the Origin of Language*, ch. ix.

Trilíteralism. *s.* System in *Philology* of the Semitic languages with their three fundamental letters; see Triliteral; triliteral condition or character.

The *triliteralism* of the Semitic languages is not arrived at without a good deal of unsatisfactory manipulation.—*Dr. R. G. Latham, Comparative Philology.*

Trílith. *s.* [Gr. λίθος = stone.] In *Archeology*. Obelisk, column, or monument of any kind, consisting of three stones.

Trilíthic. *adj.* Having the character of a trilith.

Trill. *s.* Quaver; shake of the voice in singing, or of the sound, in playing on an instrument.

I have often pitied in a winter night a vocal musician, and have attributed many of his *trills* and quavers to the coldness of the weather.—*Tatler.*

Long has a race of heroes fill'd the stage,
That rant by note, and through the gamut rage,
In songs and airs express their martial fire,
Combat in *trills*, and in a fugue expire.
Addison, Prologue to Phædra and Hippolytus.

Trill. *v. a.*

1. Utter quavering.
2. Shake. *Obsolete.*

What hast thou to do, and if I lose my cote?
I will *trill* the bones while I have one grote.
Lusty Juventus.

Trill. *v. n.* Trickle; fall in drops or slender streams.

Did your letters pierce the queen to any demonstration of grief?—
Ay, she took 'em; read 'em in my presence;
And now and then an ample tear *trill'd* down
Her delicate cheek. *Shakespear, King Lear*, iv. 3.

Trílling. *part. adj.* Quavering; tremulous.

Am I call'd upon the grave debate,
To judge of *trilling* notes and tripping feet?
Dryden.

Trillion. *s.* Million of millions of millions; million twice multiplied by a million.

Trílobite. *s.* [Gr. τρίλοβος = three-lobed.] In *Geology*. Fossil crustacean with an outline of three well-marked ridges or lobes.

Trilobites are the remains of crustacean animals allied to certain species now living, although the degree of approximation is by no means clear. Indications of legs and feet have been supposed to be traceable in some specimens, but they have not yet been satisfactorily made out. On the other hand, this deficiency is partly made up by the perfection of the organ of sight, which is very complete; and the animal seems to have been provided with the means of defending itself, being enabled to roll itself into a ball, like some of the smaller living crustaceans, and the common woodlouse.—*Ansted, Geology, Introductory, Descriptive, and Practical.*

Trílogy. *s.* [Gr. τριλογία.] Dramatic representation in three parts. See also Tetralogy.

The Agamemnon, Choephoræ, and Eumenides of Æschylus, and the Henry VI. of Shakespear, are examples of a *trilogy*.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

To three serious dramas or a *trilogy*, at first connected together by sequence of subject more or less loose, but afterwards unconnected and on distinct subjects, through an innovation introduced by Sophoklês, if not before—the tragic added a fourth or satyrical drama, the characters of which were satyrs.—*Grote, History of Greece*, pt. ii. ch. lxvii.

Trim. *adj.* [A.S. *trum* = steady, in order.]

1. Nice; smug; dressed up. *Slightly contemptuous.*

T' one paine in cottage doth take,
When t' other *trim* bowers do make.
Tusser, Five Hundred Points of good Husbandry.

A *trim* exploit, a manly enterprize,
To conjure tears up in a poor maid's eyes.
Shakespear, Midsummer-Night's Dream, iii. 2.

Here will be *trim* piping and whining,
Like so many pigs in a storm.
Beaumont and Fletcher, Loyal Subject.

Dost thou not blush to live so like a beast,
So *trim*, so dissolute, so loosely drest?
Dryden, Translation of Persius, iii. 57.

2. In *Navigation*. Prepared, as far as ballast and lading are concerned, for sailing.

The ship was *trim*,
Set sail and kept her reckoning fairly on,
Except three days of calm when off Cape Bonn.
Byron, Beppo, xcvi.

Trim. *s.*

1. Dress; gear; ornaments.

Forget
Your laboursome and dainty *trims*, wherein
You made great Juno angry.
Shakespear, Cymbeline, iii. 4.

The goodly London in her gallant *trim*,
The phœnix daughter of the vanquish'd old,
Like a rich bride does to the ocean swim,
And on her shadow rides in floating gold.
Dryden, Annus Mirabilis, cli.

2. Trimming.

The gold, that was laid upon the *trim* of vests was in perfect lustre.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 143.

3. In *Navigation*. See extract.

Trim [is] the position of the keel of a ship with respect to a horizontal line: also, the disposition of the weights or stowage, as favourable or otherwise for sailing, which are expressed by in *trim* and out of *trim*.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Trim. *v. a.* [A.S. *tryman.*]

1. Fit out.

Malicious censurers ever
As rav'nous fishes do a vessel follow
That is new *trimm'd*. *Shakespear, Henry VIII.* i. 2.

2. Dress; decorate.

Our youth got me to play the woman's part,
And I was *trimm'd* in madam Julia's gown.
Shakespear, Two Gentlemen of Verona, iv. 4.

Pennyroyal and orpin they use in the country to *trim* their houses, binding it with a lath against a wall.—*Bacon.*

The victim ox, that was for altars prest,
Trimm'd with white ribbons and with garlands drest,
Sunk of himself.
Dryden, Translation of the Georgics, iii. 733.

With *up*.

He gave you all the duties of a man,
Trimm'd up your praises with a princely tongue,
Spoke your deservings like a chronicle.
Shakespear, Henry IV. Part I. v. 2.

3. Shave; clip.

Mephibosheth the son of Saul came down to meet the king, and had neither dressed his feet, nor *trimmed* his beard.—2 *Samuel*, xix. 24.

4. Make neat; adjust.

I found her *trimming* up the diadem
On her dead mistress.
Shakespear, Antony and Cleopatra, v. 3.

Yet are the men more loose than they!
More kemb'd, and bath'd, and rubb'd, and *trimm'd*,
More sleek, more soft, and slacker limb'd.
B. Jonson, Catiline's Conspiracy.

When workmen fit a piece into other work, they say they *trim* in a piece.—*Moxon, Mechanical Exercises.*

Each muse in Leo's golden days
Starts from her trance, and *trims* her wither'd bays.
Pope, Essay on Criticism, iii. 697.

5. Balance a vessel.

Sir Roger put his coachman to *trim* the boat.—*Addison, Spectator.*

6. Lose in fluctuation between two parties.

He who would hear what every fool could say,
Would never fix his thoughts, but *trim* his time away.
Dryden.

7. Beat. *Colloquial.*

Trim. *v. n.* Balance; fluctuate between two parties.

Trímeter. *s.* [Gr. τρίμετρον, from τρία = three + μέτρον = measure.] In *Prosody*. Verse consisting of three metres, the metre consisting of one foot in the heroic and elegiac forms of versification, and of two in the dramatic. Hence the iambic trimeter consisted of six feet, and as such, was also called a *senarius* (*seni* = six).

Though the iambick verse consists of six feet, yet it is called *trimeter*, two feet being joined together in scanning.—*Lord Roscommon.*

In the church-hymns, the iambic dimeter is always found in staves of four verses; the imperfect trochaic tetrameter almost always in staves of three; the asclepiad in staves of four; and the iambic *trimeter* in staves of five.—*Dr. Guest, History of English Rhythms*, b. iv. ch. i.

Used *adjectivally*.

Trimeter iambic rhythms were in frequent use at the beginning of the twelfth century.—*Tyrwhitt, On the Versification of Chaucer.*

Trímly. *adv.* In a trim manner.

Her yellow golden hair
Was *trimly* woven, and in tresses wrought.
Spenser.

The mother, if of the household of our lady, will have her son cunning and bold, in making him to live *trimly*.—*Ascham.*

Trímmer. *s.* One who, that which, trims.

1. One who changes sides to balance parties; turncoat.

We *trimmers* are for holding all things even.—
Yes, just like him that hung 'twixt hell and heaven.—
Have we not had men's lives enough already?—
Yes, sure; but you're for holding all things steady;
Now, since the weight hangs all on our side, brother,
You *trimmers* should, to poize it, hang on t'other.
Dryden, Epilogue to the Duke of Guise, 33.

The same bat taken after by a weazel, begged for mercy: No, says the weazel, no mercy to a mouse. Well, says t' other, but you may see by my wings that I am a bird; and so the bat 'scaped in both by playing the *trimmer*.—*Sir R. L'Estrange.*

To confound his hated coin,
All parties and religions join,
Whigs, tories, *trimmers*. *Swift.*

The next attack was made on Halifax.... Such, the vehement Whigs exclaimed, were the natural fruits of that great error which King William had committed on the first day of his reign. He had placed in Tories and *Trimmers* a confidence which they did not deserve. He had, in a peculiar manner, entrusted the direction of Irish affairs to the *Trimmer* of *Trimmers*, to a man whose ability nobody disputed, but who was not firmly attached to the new government, who, indeed, was incapable of being firmly attached to any government, who had always halted between two opinions, and who, till the moment of the flight of James, had not given up the hope that the discontents of the nation might be quieted without a change of dynasty.—*Macaulay, History of England*, ch. xiv.

He wanted neither arguments nor eloquence to exhibit what was commonly regarded as his wavering policy in the fairest light. He trimmed, he said, as the temperate zone trims between intolerable heat and intolerable cold, as a good government trims between despotism and anarchy, as a pure church trims between the errors of the Papist and

the Anabaptist.... Very little of the prose of that age is so well worth reading as the Character of a *Trimmer* and the Anatomy of an Equivalent.—*Macaulay, Critical and Historical Essays, Sir W. Temple.*

2. Piece of wood inserted.

Before they pin up the frame of ground-plates, they must fit in the summer and the girders, and all the joists and the *trimmers* for the stair-case.—*Moxon, Mechanical Exercises.*

3. Castigator.

I fear the rogue will get some scent of that story of Ochiltree's—but at worst, I have a hard repartee for him on the affair of the abstracted Antigonus—I will shew you his last epistle, and the scroll of my answer—egad, it is a *trimmer*.—*Sir W. Scott, The Antiquary*, ch. xi.

Trímming. *s.*

1. Ornamental appendages to a coat or gown.

Judgement without vivacity of imagination is too heavy, and like a dress without fancy; and the last without the first is too gay, and but all *trimming*.—*Garth, Preface to Translation of Ovid.*

2. Usual accompaniments of a dish.

Whenever I ask a couple of dukes and a marquis or so, to dine with me, I set them down to a piece of beef, or a leg of mutton and *trimmings*.—*Thackeray, Book of Snobs*, ch. xx.

Trímming. *verbal abs.* Act of one who trims; versatility; inconstancy.

If such, by *trimming* and timeserving, which are but two words for the same thing, betray the church by nauseating her pious orders, this will produce confusion.—*South, Sermons.*

For men to pretend that their will obeys that law, while all besides their will serves the faction, what is this but a gross fulsome juggling with their duty, and a kind of *trimming* it between God and the devil.—*Ibid.*

Trínal. *adj.* [Lat. *trinus*.] Threefold.

Like many an angel's voice,
Singing before the Eternal Majesty,
In their *trinal* triplicity on high. *Spenser.*

That far-beaming blaze of majesty,
Wherewith he wont at heaven's high council-table
To sit the midst of *trinal* unity,
He laid aside. *Milton,*
Ode on the Morning of Christ's Nativity, 9.

Trine. *adj.* [Lat. *trinus*.] Threefold; thrice repeated.

In other parts, *trine* immersion most commonly prevailed, as it does in the Greek church to this very day.—*Wheatly, Rational Illustration of the Book of Common Prayer*, ch. vii. § 3.

Trine. *s.* Aspect of planets placed in three angles of a trigon, in which they are supposed by astrologers to be eminently benign.

To the other five,
Their planetary motions, and aspects,
In sextile, square, and *trine*, and opposite,
Of noxious efficacy. *Milton, Paradise Lost*, x. 657.

Now frequent *trines* the happier lights among,
And high-raised Jove from his dark prison freed,
Those weights took off that on his planet hung,
Will gloriously the new-laid works succeed.
Dryden, Annus Mirabilis, ccxcii.

From Aries right-ways draw a line, to end
In the same round, and let that line subtend
An equal triangle; now since the lines
Must three times touch the round, and meet three signs,
Where'er they meet in angles, those are *trines*.
Creech, Translation of Manilius.

Trine. *v. a.* Put in a trine aspect. *Rare.*

By fortune he was now to Venus *trined*,
And with stern Mars in Capricorn was join'd.
Dryden, Palamon and Arcite, iii. 387.

Trinitárian. *s.*

1. One who believes in, and maintains the doctrine of the Trinity.

They make a difference between nominal and real *trinitarians*.—*Swift.*

2. One of a monastic order, instituted in honour of the Trinity.

Trínity. *s.* [Lat. *trinitas*; Fr. *trinité*.] The union of the three persons in the Godhead.

Touching the picture of the *Trinity*, I hold it blasphemous and utterly unlawful.—*Peacham.*

In my whole essay there is not anything like an objection against the *Trinity*.—*Locke.*

Trínket. *s.* [Fr. *traquet* = rattle.]

1. Toys; ornaments of dress; superfluities of decoration.

Beauty and use can so well agree together, that of all the *trinkets* wherewith they are attired, there is not one but serves to some necessary purpose.—*Sir P. Sidney.*

They throng who should buy first, as if my *trinkets* had been hallowed.—*Shakespear, Winter's Tale*, iv. 3.

Pack up with all your *trinkets* and away.
Dryden, Translation of Juvenal, vi. 212.

How Johnny wheedled, threaten'd, fawn'd,
Till Phillis all her *trinkets* pawn'd. *Swift.*

2. Things of no great value; tackle; tools.

What husbandlie husbands, except they be fooles,
But handsom have storehouse for *trinkets* and tooles?
Tusser, Five Hundred Points of Good Husbandry.

Go with all your servants and *trinkets* about you.—*Sir R. L'Estrange.*

3. ? Studding-sail.

Some of these [canons] are so large by the side length, that they conteyne more than tenne or twelve spannes in breadth; and sayle with twoo sayles as with the master sayle and the *trinkette* which they make of verye goode cotton.—*Eden, Translation of Peter Martyr*, p. 195. (Ord MS.)

Trínketing. *s.* Giving of trinkets.

By their tricks and *trinketing* between party and party, and their intriguing it with courtiers and court-ladies, they had upon the matter set the whole court together by the ears.—*South, Sermons.*

Trío. *s.*

1. Three united.
2. In *Music*. Composition in three parts.

Trióbolar. *adj.* [Lat. *triobolaris*; *obolus* = small coin, halfpenny.] Vile; mean; of little value; worth about three halfpence. *Rare*; *rhetorical.*

Railing pamphlets; many of them but *triobolar* chartals.—*Bishop Bancroft, Dangerous Positions and Proceedings under Pretence of Reformation*, p. 48: 1593.

Turn your libel into verse, and then it may pass current amongst the balladmongers for a *triobolar* ballad.—*Cheyne.*

Triób0lary. *adj.* Triobolar. *Rare*; *rhetorical.*

Any *triobolary* pasquiller, any sterquilinous rascal.—*Howell, Letters*, ii. 48.

Trip. *v. a.* Cause to fall by striking a person's feet from under him; supplant.

He conjunct, and flattering his displeasure,
Tripp'd me behind. *Shakespear, King Lear*, ii. 2.

Be you contented,
To have a son set your decrees at naught,
To *trip* the course of law, and blunt the sword
That guards the peace and safety of your person.
Id., Henry IV. Part II. v. 2.

Trip up the heels. Strike the heels from under the body.

I *tript up thy heels* and beat thee.—*Shakespear, King Lear*, ii. 2.

The words of Hobbes's defence *trip up the heels* of his cause.—*Bishop Bramhall, Answer to Hobbes.*

Trip. *v. n.* [German, *trippeln, tripeln*.]

1. Fall by losing the hold of the feet; fail; err; be deficient.

St. Jerome, who pardons not over-easily his adversaries if any where they chance to *trip*, presseth him as thereby making all sorts of men God's enemies.—*Hooker, Ecclesiastical Polity.*

Virgil is so exact in every word, that none can be changed but for a worse: he pretends sometimes to *trip*, but it is to make you think him in danger when most secure.—*Dryden.*

Many having used their utmost diligence to secure a retention of the things committed to the memory, cannot certainly know where it will *trip* and fail them.—*South, Sermons.*

2. Stammer.

I may have the idea of a man's drinking till his tongue *trips*, yet not know that it is called drunkenness.—*Locke.*

3. Run lightly.

In silence sad,
Trip we after the night's shade.
Shakespear, Midsummer-Night's Dream, iv. 1.

He throws his arm, and with a long-drawn dash
Blends all together; then distinctly *trips*
From this to that; then quick returning skips
And snatches this again, and pauses there.
Crashaw.

On old Lycæus, or Cyllene hoar,
Trip no more in twilight ranks,
Though Erymanth your loss deplore,
A better soil shall give you thanks.
Milton, Arcades, 98.

He'll make a pretty figure in a triumph,
And serve to *trip* before the victor's chariot.
Addison, Cato.

In Britain's isles, as Heylin notes,
The ladies *trip* in petticoats. *Prior, Alma*, ii. 401.

No fountain from its rocky cave,
E'er *tripped* with foot so free;
She seemed as happy as a wave
That dances on the sea. *Wordsworth.*

Catch tripping. Detect errors or mistakes.

Will shines in mixed company, making his real ignorance appear a seeming one: our club has *caught him tripping*, at which times they never spare him.—*Addison, Spectator.*

Trip. *s.*

1. Stroke or catch by which the wrestler supplants his antagonist.

O thou dissembling cub! what wilt thou be,
When time hath sow'd a grizzle on thy case?
Or will not else thy craft so quickly grow,
That thine own *trip* shall be thine overthrow?
Shakespear, Twelfth Night, v. 1.

He, stript for wrestling, smears his limbs with oil,
And watches with a *trip* his foe to foil.
Dryden, Translation of the Georgics, ii. 775.

It was a noble time when *trips* and Cornish hugs could make a man immortal.—*Addison, Dialogues on the Usefulness of ancient Medals.*

2. Stumble by which the foothold is lost.
3. Failure; mistake.

He saw his way, but in so swift a pace,
To chuse the ground might be to lose the race:
They then, who of each *trip* th' advantage take,
Find but those faults which they want wit to make.
Dryden.

4. Short voyage or journey.

I took a *trip* to London on the death of the queen.—*Pope.*

Trípartite. *adj.* [Fr.; Lat. *tripartitus*; *partior* = I divide into parts, or shares.] Divided into three parts; having three correspondent copies; relating to three parties.

Our indentures *tripartite* are drawn.
Shakespear, Henry IV. Part I. iii. 1.

Tripe. *s.* [Fr.] Edible part of the several stomachs of any ruminant animal.

How say you to a fat *tripe* finely broil'd?—
I like it well.

Out bounced the mastiff of the *triple* head;
Away the hare with double swiftness fled. *Swift.*
2. Treble; three times repeated.
We have taken this as a moderate measure betwixt the highest and lowest; but if we had taken only a *triple* proportion, it would have been sufficient.—*T. Burnet, Theory of the Earth.*
If then the atheist can have no imagination of more senses than five, why doth he suppose that a body is capable of more? If we had double or *triple* as many, there might be the same suspicion for a greater number without end.—*Bentley.*

Tríple. *v. a.* Treble.
If these halfpence should gain admittance, in no long space of time his limited quantity would be *tripled* upon us.—*Swift.*
Reader, if haply thou art blest with a moderate collection, be shy of showing it; or if thy heart overfloweth to lend them, lend thy books; but let it be to such a one as S. T. C.—he will return them (generally anticipating the time appointed) with usury; enriched with annotations *tripling* their value.—*C. Lamb, Essays of Elia, Old Books.*

Triplet. *s.*
1. Three of a kind.
There sit C—nts, D—ks, and Harrison,
How they swagger from their garrison;
Such a *triplet* could you tell
Where to find on this side hell? *Swift.*
2. Three verses rhyming together.
I frequently make use of *triplet* rhymes, because they bound the sense, making the last verse of the *triplet* a pindarick.—*Dryden.*

Tríplicate. *adj.* Made thrice as much.
All the parts, in height, length, and breadth, bear a duplicate or *triplicate* proportion one to another.—*Grew.*

We that, within these fourscore years, were born
Free, equal lords of the *triumphed* world.
B. Jonson, Fall of Sejanus.

Triúmphal. *adj.* Used in celebrating victory.

He left only *triumphal* garments to the general.—*Bacon.*

If to inflame
The noble youth with an ambitious heat
T' endure the frosts of danger, nay of death,
To be thought worthy the *triumphal* wreath
By glorious undertakings, may deserve
Reward or favour from the commonwealth,
Actors may put in for as large a share
As all the sects of the philosophers.
Massinger, The Roman Actor, i. 3.

Ye . . . so near heaven's door,
Triumphal with *triumphal* act have met.
Milton, Paradise Lost, x. 389.

Steel could the works of mortal pride confound,
And hew *triumphal* arches to the ground.
Pope, Rape of the Lock, canto iii.

Lest we should for honour take
The drunken quarrel of a rake;
Or think it seated in a scar,
Or on a proud *triumphal* car. *Swift.*

The petition was ultimately carried down to Westminster on a *triumphal* car, accompanied by all the delegates of the Convention in solemn procession.—*B. Disraeli, Sybil.*

Triúmphal. *s.* Insignia of a triumph. *Latinism* from *triumphalia.*

He to his crew that sat consulting brought
(Joyless *triumphals* of his hoped success,)
Ruin, and desperation, and dismay.
Milton, Paradise Regained, iv. 577.

Triúmphant. *adj.* [Lat. *triumphans, -antis*; pres. part. of *triumpho.*]

1. Celebrating a victory.

Shakespear, Henry VI. Part I. i. 1.

It was drawn as a *triumphant* chariot, which at the same time both follows and triumphs.—*South, Sermons.*

2. Rejoicing as for victory.

Think you, but that I know our state secure,
I would be so *triumphant* as I am?
Shakespear, Richard III. iii. 2.

Successful beyond hope, to lead ye forth
Triumphant out of this infernal pit.
Milton, Paradise Lost, x. 463.

3. Victorious; graced with conquest.

As in the militant church men are excommunicate, not so much for their offence, as for their obstinacy; so shall it be in the church *triumphant*: the kingdom of heaven shall be barred against men, not so much for their sin committed, as for their lying therein without repentance.—*Perkins.*

He speedily through all the hierarchies
Intends to pass *triumphant* and give laws.
Milton, Paradise Lost, v. 692.

'Twas after dread Pultowa's day,
When fortune left the royal Swede,
Around a slaughter'd army lay,
No more to combat and to bleed.
The power and glory of the war,
Faithless as their vain votaries, men,
Had pass'd to the *triumphant* Czar,
And Moscow's walls were safe again.
Byron, Mazeppa, i. 1.

Such a woman was Louisa, a lady of the house of Querouaille, whom our rude ancestors called Madam Carwell. She was soon *triumphant* over all her rivals, was created Duchess of Portsmouth, was loaded with wealth, and obtained a dominion which ended only with the life of Charles.—*Macaulay, History of England,* ch. ii.

Triúmphantly. *adv.*

1. In a triumphant manner; in, or as in, token of victory; joyfully as for victory.

Victory with little loss doth play
Upon the dancing banners of the French;
Who are at hand *triumphantly* display'd.
Shakespear, King John, ii. 2.

Herself in person went to seek the sacred cross,
Whereon our Saviour died; which found, as it was sought,
From Salem unto Rome *triumphantly* she brought.
Drayton.

2. Victoriously; with success.

Thou must, as a foreign recreant, be led
With manacles along our street; or else
Triumphantly tread on thy country's ruin,
And bear the palm. *Shakespear, Coriolanus,* v. 3.

3. With insolent exultation.

A mighty governing lye goes round the world, and has almost banished truth out of it; and so reigning *triumphantly* in its stead, is the source of most of those confusions that plague the universe.—*South, Sermons.*

Triúmpher. *s.* One who triumphs.

These words become your lips, as they pass through them,
And enter in our ears, like great *triumphers,*
In their applauding gates.
Shakespear, Timon of Athens, v. 2.

August was dedicated to Augustus by the senate, because in the same month he was the first time created consul, and thrice *triumpher* in Rome.—*Peacham, On Drawing.*

Tríumphing. *verbal abs.* Triumph.

The *triumphing* of the wicked is short, and the joy of the hypocrite is but for a moment.—*Job,* xx. 3.

Triúmvirate. *s.* [Lat. *triumviratus* or *triumviri.*] Coalition or concurrence of three men.

Lepidus of the *triumvirate*
Should be deposed.
Shakespear, Antony and Cleopatra, iii. 6.

During that *triumvirate* of kings, Henry the eighth of England, Francis the first of France, and Charles the fifth emperor of Germany, none of the three could win a palm of ground but the other two would balance it.—*Bacon, Essays.*

With these the Piercies them confederate,
And, as three heads, conjoin in one intent,
And instituting a *triumvirate,*
Do part the land in triple government.
Daniel, Civil Wars of York and Lancaster.

Tríune. *adj.* At once three and one.

We read in Scripture of a *triune* Deity, of God made flesh in the womb of a virgin, and crucified by the Jews.—*Burnet.*

Tríunity. *s.* [Lat. *tres* = three + *unus* = one.] State of being triune; the Trinity.

[This] is an undeniable testimony out of this so divinely inspired prophet St. John against all those that would lay aside the person of Christ, and deny his divinity, with the *triunity* of the Godhead; antiquate his mediatorship; make no distinction betwixt laity and clergy; would pull down churches; with the like wild fanatical professions and intentions.—*Dr. H. More, Mystery of Godliness,* p. 203.

Trívant. *s.* Truant.

Thou art a trifler, a *trivant,* thou art an idle fellow.—*Burton, Anatomy of Melancholy,* preface, p. 10.

Trívet. *s.* Anything supported by three feet.

The best at horse-race he ordain'd a lady for his prize,
Generally praiseful; fair and young, and skill'd in housewiferies,
Of all kind fitting; and withal a *trivet,* that enclosed
Twenty-two measures.
Chapman, Translation of the Iliad.

The *trivet* table of a foot was lame,
A blot which prudent Baucis overcame,
Who thrusts beneath the limping leg a sherd.
Dryden, Translation from Ovid, Baucis and Philemon.

Trívial. *adj.* [Fr.; Lat. *trivialis*; *trivium* = highway, literally a meeting of three roads.]

1. Vile; worthless; vulgar; such as may be picked up in the highway.

Be subjects great, and worth a poet's voice,
For men of sense despise a *trivial* choice.
Lord Roscommon.

2. Light; trifling; unimportant; inconsiderable.

This argues conscience in your grace,
But the respects thereof are nice and *trivial,*
All circumstances well considered.
Shakespear, Richard III. iii. 7.

See yon mad fools, who, for some *trivial* right,
For love, or for mistaken honour, fight. *Dryden.*

Were they only some slight and *trivial* indiscretions, to which the example of the world exposed us, it might perhaps not much concern our religion.—*Rogers.*

The ancient poets are like many modern ladies; let an action be never so *trivial* in itself, they always make it appear of the utmost importance.—*Pope.*

In ev'ry work regard the writer's end;
Since none can compass more than they intend,
And if the means be just, the conduct true,
Applause, in spite of *trivial* faults, is due.
Id., Essay on Criticism, ii. 255.

Trívially. *adv.* In a trivial manner.

1. Commonly; vulgarly.

Money is not the sinews of war, as is *trivially* said, where the sinews of men's arms, in effeminate people, fail.—*Bacon.*

2. Lightly; inconsiderably.

The presence of a beautiful woman of honour, to minds which are not *trivially* disposed, displays an alacrity which is not to be communicated by any other object.—*Tatler,* no. 207.

Trívium. *s.* [Lat. = meeting of three ways, or roads; *tres* = three + *via* = way.] Term applied to part of the curriculum, or course, of a medieval education.

The *trivium* contained Grammar, Logic, and Rhetoric; the Quadrivium, Arithmetic, Geometry, Music, and Astronomy, as in these two lines framed to assist the memory:—

GRAMM. loquitur; DIA. vera docet; RHET. verba colorat;
MUS. canit; AR. numerat; GEO. ponderat; AST. colit astra.

Hallam, Introduction to the Literature of Europe in the fifteenth, sixteenth, and seventeenth Centuries, pt. i. ch. i. § 3, note.

Trócar. *s.* [? Fr. *trois-quarts* = three fourths, from the three sides of its point.] In *Surgery.* Instrument used in tapping for the dropsy.

The handle of the *trocar* is of wood, the canula of silver, and the perforator of steel.—*Sharp, Surgery.*

Trocháic. *adj.* Consisting of trochees.

More of that true harmony, which will best support a poem, will result from a variety of pauses, and from an intermixture of those different feet, iambic and *trochaic* particularly, into which our language naturally falls, than from the uniformity of similar terminations.—*J. Warton, Essay on the Genius and Writings of Pope.*

Trochâic. *s.* [Gr., from root of τρέχω.] Trochaic verse.

The supplicating song is highly pathetic and poetical, especially when he conjures the powers below in beautiful *trochaics*:

'By the heroes' armed shades,
Glittering through the gloomy glades;
By the youths that died for love,
Wandering in the myrtle grove.'

J. Warton, Essay on the Genius and Writings of Pope.

All the nations of Europe seem to love the *trochaic* verse; it was frequent on the Greek and Roman stage; it is more common than any other in the popular poetry of modern languages. This proceeds

from its simplicity, its liveliness, and its ready accommodation to dancing and music. In St. Austin's poem, he united to a *trochaic* measure the novel attraction of rhyme.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ix.

These verses are regular, accentual, *trochaic*.—*Ibid.* note.

Trochánter. *s.* [Gr., from root of τρέχω = I run.] In *Anatomy.* Two processes of the thighbone, called *rotator major* and *minor*.

1. Humming-bird.
2. Aquatic bird so called. See extract.

The crocodile . . . opens his chaps to let the *trochil* in to pick his teeth, which gives it the usual feeding.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 364.

Trochílic. *adj.* Having power to draw out, or turn round. *Rare.*

I am advertised that there is one, which, by art *trochilick*, will draw all English surnames of the best families out of the pit of poetry; as Boucher from Busyris, Percy from Perseus, &c.—*Camden, Remains.*

Trochílics. *s. pl.* [Gr. τροχίλιον; τροχὸς = wheel.] Science of rotatory motion.

There succeeded new inventions and horologies, composed by *trochilicks*, or the artifice of wheels, whereof some are kept in motion by weight, others without.—*Sir T. Browne.*

It is requisite that we rightly understand some principles in *trochilicks*, or the art of wheel instruments; as chiefly the relation betwixt the parts of a wheel and those of a balance, the several proportions in the semidiameter of a wheel being answerable to the sides of a balance.—*Bishop Wilkins, Dædalus.*

Tróchisk. *s.* [Gr. τροχίσκος; Lat. *trochiscus*; Fr. *trochisque*.] In *Medicine.* Lozenge to be slowly dissolved in the mouth. *Obsolete.*

The *trochisks* of vipers, so much magnified, and the flesh of snakes some ways condited and corrected.—*Bacon.*

Tróchite. *s.* Fossil either circular like a wheel, or more or less spiral, like the shells of the genus Trochus.

Near Levinz in Westmoreland, I met with a stone which ran almost across the river Kent, made of several millions of *trochites*, pretty regularly cemented into one mass.—*Bishop Nicolson, Letter to Lhwyd*: 1693.

Tróchlea. *s.* Pulley; for which it is the Latin term, itself derived from the Greek (i.e. the root of τρέχω = I run).

Tróchlear. *adj.* Having the character of a pulley.

Trode. *s.* Footing; tread. *Rare.*

The *trode* is not so tickle. *Spenser.*

They never set foot on that same *trode*,
But baulke their right way, and strain abroad. *Id.*

Tróglodyte. *s.* [Gr. τρωγλοδύτης, from τρώγλη = hole + δύω = go under, enter.] One who inhabits caves.

These savages, gazing awhile upon them, flew away at last into their caves, for they were *troglodites*, and had no dwelling but in the hollows of the rocks.—*Howell, Instructions for Foreign Travel*, p. 135: 1642.

Used *adjectively.*

Procure me a *troglodyte* footman, who can catch a roe at his full speed.—*Arbuthnot and Pope.*

Troll. *s.* [Icelandic, *tröld*; Danish, *trold*; Swedish, *troll*.] In the present language, generally translated *dwarf*, the notion suggesting something of a preternatural character. As members of the original Scandinavian mythology, smallness in the way of size was by no means the general characteristic of the *troll*.

These *trolls* are superior to man in strength and stature, but far beneath him in mind. In short, they are always outwitted, just as the Greek Titans are overcome by Zeus when aided by Prometheus, the forethinker. The *trolls* thus embody the idea of unintellectual brute force, or mere awkward strength; it must, however, be remembered that the *trolls* are not the only beings who, formidable in some respects, are still defeated by man.—*Cox*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Troll. *v. a.*

1. Move circularly; drive about.

Then doth she *trowle* to me the bowle,
Even as a mault worm sholde;
And saith, Sweet heart, I took my part
Of this jolly good ale and old.
Ballad in Gammer Gurton's Needle.

With the phant'sies of hey troll,
Troll about the bridal bowl,
And divide the broad-bread cake,
Round about the bride's stake.
B. Jonson, Underwoods.

2. Move volubly.

Bred only and completed to the taste
Of lustful appetence, to sing, to dance,
To tress, and *troll* the tongue, and roll the eye.
Milton, Paradise Lost, xi. 618.

3. Utter volubly.

Will you *troll* the catch
You taught me but while-ere?
Shakespear, Tempest, iii. 2.

If he read this with patience, I'll *troll* ballads.—*B. Jonson, Every Man in his Humour*, i. 3.

4. Draw on.

He *trowls* and baits him with a nobler prey.—*Hammond, Works*, iv. 614.

The hope he is fed withal *trowls* him on.—*Goodman, Winter Evening Conference*, pt. i.

Troll. *v. n.*

1. Go round; be moved circularly.

Nappy ale in a browne bowle,
Which did about the board merrily *trowle*.
Old Ballad of the King and Miller of Mansfield.

2. Roll; run round.

How pleasant, on the banks of Styx
To *troll* it in a coach and six! *Swift.*

3. Fish for a pike with a rod.

Nor drain I ponds the golden carp to take,
Nor *trowle* for pikes, dispeoplers of the lake.
Gay, Rural Sports, i. 263.

Tróllop. *s.* [?] Slattern; woman loosely dressed.

She ought reasonably to have supposed him a highwayman, yet the virtuous virgin resolves to run away with him, to live among banditti, to wait upon his *trollop*, if she had no other way of enjoying his company.—*Lady M. W. Montague, Letter, June* 23, 1754.

That impudent *trollop*, who is with child by you, is discharged by this time.—*Fielding, Adventures of Joseph Andrews*, ch. viii.

Trollopeé. *s.* Kind of loose dress for women, formerly in use.

There goes Mrs. Roundabout; I mean the fat lady in the lutestring *trollopee*.—*Goldsmith, Essays*, xv.

Trólmydames. *s.* [Fr. *troumadame*.] Game of nine holes.

A fellow I have known to go about with *trolmydames*: I knew him once, a servant of the prince.—*Shakespear, Winter's Tale*, iv. 2.

Trombóne. *s.* [Italian.] Brass musical wind instrument, somewhat like a trumpet, but larger, and made with a slide, by which the intonation can be regulated.

Tron. *s.* [L. Lat. *trona* = steel-yard.] Scotch weight now prohibited, but still occasionally used; it varied from twenty-one to twenty-eight ounces avoirdupois.

Tróna. *s.* [from a district in Fezzan.] In *Chemistry.* Native sesquicarbonate of soda.

Natron . . . in the neighbourhood of Fezzan it exists under the name of *Trona*, crystallized along with the sulphate of soda.—*Ure, Dictionary of Arts, Manufactures, and Mines; Natron.*

Trónage. *s.* Money paid for weighing.

Tronage was used not only for the custom or toll in the weight of wool, but for the weighing of it in a staple or publick mart by a common *trona* or legal standard.—*Cowell, Law Interpreter.*

Troop. *s.* [Fr. *troupe*.]

1. Company; number of people collected together.

That which should accompany old age,
As honour, love, obedience, *troops* of friends,
I must not look to have. *Shakespear, Macbeth*, v. 3.

As the mind by putting together the repeated ideas of unity makes the collective mode of any number, as a score, or a gross; so by putting together several particular substances, it makes collective ideas of substances, as a *troop*, an army.—*Locke.*

2. Body of soldiers.

Æneas seeks his absent foe,
And sends his slaughter'd *troops* to shades below.
Dryden, Translation of the Æneid, x. 933.

3. Small body of cavalry.

Troop. *v. n.*

1. March in a body.

I do not, as an enemy to peace,
Troop in the throngs of military men.
But rather shew a while like fearful war.
Shakespear, Henry IV. Part II. iv. 1.

They anon
With hundreds, and with thousands, *trooping* came
Attended. *Milton, Paradise Lost*, i. 759.

2. March in haste.

Yonder shines Aurora's harbinger,
At whose approach ghosts, wandering here and there,
Troop home to churchyards.
Shakespear, Midsummer-Night's Dream, iii. 2.

The dry streets flow'd with men,
That *troop'd* up to the king's capacious court.
Chapman.

3. March in company.

I do invest you jointly with my power,
Pre-eminence, and all the large effects
That *troop* with majesty.
Shakespear, King Lear, i. 1.

Trooper. *s.* Horse soldier: (a trooper fights only on horseback; a dragoon rides, but fights either as a horseman or footman).

Custom makes us think well of anything: what can be more indecent than for any to wear boots but *troopers* and travellers? yet not many years since it was all the fashion.—*Grew.*

Trope. *s.* [Gr. τρόπος; Lat. *tropus*; Fr. *trope*.] Change of a word from its original signification: (as, 'The clouds *foretell* rain,' for *foreshow*).

For rhetorick he could not ope
His mouth, but out there flew a *trope*.
Butler, Hudibras, i. 1, 81.

If this licence be included in a single word, it admits of *tropes*; if in a sentence, of figures.—*Dryden.*

Tróphied. *adj.* Adorned with trophies.

Some greedy minion, or imperious wife,
The *trophied* arches, storied halls invade,
And haunt their slumbers in the pompous shade.
Pope, Essay on Man, iv. 303.

Tróphy. *s.* [Lat. *tropæum*; Gr. τροπαῖον.] Something shown or treasured up in proof of victory.

What *trophy* then shall I most fit devise,
In which I may record the memory
Of my love's conquest. *Spenser.*

To have borne
His bruised helmet and his bended sword
Before him through the city, he forbids;
Giving all *trophy*, signal, and ostent,
Quite from himself to God.
Shakespear, Henry V. v. chorus.

Around the posts hung helmets, darts, and spears,
And captive chariots, axes, shields, and bars,
And broken beaks of ships, the *trophies* of their wars.
Dryden, Translation of the Æneid, vii. 252.

Trópic. *s.* [Fr. *tropique*; Lat. *tropicus*.] Line at which the sun turns back, of which the north has the tropic of Cancer, and the south the tropic of Capricorn.

Under the *tropick* is our language spoke,
And part of Flanders hath received our yoke.
Waller.

Since on ev'ry sea, on ev'ry coast,
Your men have been distress'd, your navy tost,
Seven times the sun has either *tropick* view'd,
The winter banish'd, and the spring renew'd.
Dryden, Translation of the Æneid, i. 1062.

The race [in New Zealand] was the same as that of the *tropical* islands; but, from having to struggle with a climate less soft, the people were more energetic and manly, the foremost, indeed, of all extra-European savages. They were, however, in a far ruder state than their brethren of the *tropics*, wanting the accessories to civilization possessed by the latter. In their climate, the banana, the cocoa-nut, the bread-fruit, and yam would not grow; and all the cultivated plants they possessed in common with their *tropical* congeners, were the batata and taro.—*J. Crawfurd*, in *Transactions of the Ethnological Society, On the Civilization of Man.*

Trópic. *adj.* Tropical.

He was a lovely youth, I guess,
The panther in the wilderness
Was not so fair as he;
And when he choose to skip and play,
No dolphin ever was so gay
Upon the *tropic* sea. *Wordsworth, Ruth.*

Trópical. *adj.*

1. Rhetorically changed from the original meaning.

A strict and literal acceptation of a loose and *tropical* expression was a second ground.—*Sir T. Browne, Vulgar Errours.*

The words are *tropical* or figurative, and import an hyperbole, which is a way of expressing things beyond what really and naturally they are in themselves.—*South, Sermons.*

The foundation of all parables is, some analogy or similitude between the *tropical* or allusive part of the parable, and the thing intended by it.—*Ibid.*

2. Placed near the tropics; belonging to the tropics.

(For example see extract under Tropic.)

Trópically. *adv.* In a tropical manner; figuratively.

The mouse-trap! marry, how? *tropically.*—*Shakespear, Hamlet,* iii. 2.

This sentence must be taken *tropically.*—*Archbishop Usher, Answer to the Jesuits,* p. 38.

Tropológical. *adj.* Varied by tropes; changed from the original import of the words.

Tropological, allegorical expositions.—*Burton, Anatomy of Melancholy,* p. 676.

What should be the true moral or *tropological* reason of salt being used in all sacrifices?—*Bibliotheca Biblica,* iii. 44.

Tropólogy. *s.* [Gr. λόγος = word, discourse, principle, method.] Rhetorical mode of speech including tropes, or a change of some word from the original meaning.

Not attaining the deuterology and second intention of words, they omit their superconsequences, coherences, figures, or *tropologies,* and are not persuaded beyond their literalities.—*Sir T. Browne, Vulgar Errours.*

Trössers. *s. pl.* See Trousers.

Trot. *v. n.* [N.Fr. *trotter.*]

1. Move with a high jolting pace.

Whom doth time *trot* withal?—He *trots* hard with a young maid, between the contract of her marriage, and the day it is solemnized: if the interim be but a sevennight, time's pace is so hard that it seems the length of seven years.—*Shakespear, As you like it,* iii. 2.

2. Walk fast; travel fast on foot.

Trot. *s.*

1. Jolting high pace of a horse.

His honesty is not
So loose or easy, that a ruffling wind
Can blow away, or glittering look it blind:
Who rides his sure and even *trot,*
While the world now rides by, now lags behind.
G. Herbert.

Here lieth one who did most truly prove,
That he could never die while he could move;
So hung his destiny, never to rot
While he might still jog on and keep his *trot.*
Milton, Epitaph on Hobson the Cambridge Carrier.

The virtuoso's saddle will amble when the world is upon the hardest *trot.*—*Dryden.*

2. Old woman. *Contemptuous.*

Give him gold enough, and marry him to an old *trot* with ne'er a tooth in her head: why, nothing comes amiss, so money comes withal.—*Shakespear, Taming of the Shrew,* i. 2.

How now, bold-face, cries an old *trot*; sirrah, we eat our own hens, and what you eat you steal.—*Sir R. L'Estrange.*

Troth. *s.* [*truth.*]

1. Belief; faith; fidelity.

Saint Withold footed thrice the wold;
He met the night mare and her ninefold;
Bid her alight and her *troth* plight.
Shakespear, King Lear, iii. 4, song.

Stephen assails the realm, obtains the crown,
Such tumults raising as torment them both:
Th' afflicted state, divided in their *troth*
And partial faith, most miserable grown,
Endures the while.
Daniel, Civil Wars of York and Lancaster.

2. Truth; verity.

In *troth,* thou'rt able to instruct grey hairs,
And teach the wily African deceit. *Addison, Cato.*

Tróthless. *adj.* Faithless; treacherous.

Now is she loathed, and now is she left of *trothless*
Alexis. *R. Greene, Poems, Alexis.*

Thrall to the faithless waves and *trothless* sky.
Fairfax.

Tróthplight. *v. a.* [Like Thanksgive; for the same reason, a rare form. See Editor's preface, p. cxiv.] Affiance; betroth.

Megara and Hercules were sent for: the king made them to *troth-plyte* each other, with great joy of both parties.—*Destruction of Troy,* B. 2. p. 258.

This, your son-in-law,
Is *trothplight* to your daughter.
Shakespear, Winter's Tale, v. 3.

Tróthplight. *s.* Act of plighting troth; act of betrothing.

As rank as any flax-wench that puts to
Before her *trothplight.*
Shakespear, Winter's Tale, i. 2.

Trótter. *s.* One who, that which, trots.

1. Trotting horse.

My chestnut horse was a fast *trotter*; and in little more than three-quarters of an hour... I had reached mine host's retreat.—*Theodore Hook, Gilbert Gurney,* vol. ii. ch. xiii.

2. Sheep's foot.

The chief *of* your fayre
Might stand now by potters,
And suche as sell *trotters.* *Skelton, Poems,* p. 167.

Trótting. *part. adj.* Moving in a trot.

Poor Tom, that made him proud of heart, to ride a bay *trotting* horse, over four-inched bridges, to course his own shadow for a traitor.—*Shakespear, King Lear,* iii. 4.

Troúbadour. *s.* See Trouvere.

About the beginning of the eleventh century, and for a century or two after, flourished the tribe of *troubadours,* or Provençal poets.—*Harris, Philological Inquiry.*

The *troubadours* of Provence are supposed to have led the way to the poets of Italy, France, and Spain.—*Bishop Percy, Essay on the Ancient English Minstrels.*

Boccacio copied many of his best tales from the *troubadours.*—*T. Warton, History of English Poetry,* i. 462.

The court of our Norman kings was to the early poets in the Langue d'Oil, what those of Arles and Toulouse were to the *troubadours.* Henry I. was fond enough of literature to obtain the surname of Beauclerc; Henry II. was more indisputably an encourager of poetry; and Richard I. has left compositions of his own in one or other (for the point is doubtful) of the two dialects spoken in France.—*Hallam, View of the State of Europe during the Middle Ages,* pt. ii. ch. ix.

Troúble. *v. a.* [Fr. *troubler.*]

1. Disturb; perplex.

But think not here to *trouble* holy rest.
Milton, Paradise Lost, vi. 272.

Never *trouble* yourself about those faults which age will cure.—*Locke, Thoughts on Education.*

2. Afflict; grieve.

It would not *trouble* me to be slain for thee, but much it torments me to be slain by thee.—*Sir P. Sidney.*

They pertinaciously maintain, that afflictions are no real evils, and therefore a wise man ought not to be *troubled* at them.—*Archbishop Tillotson.*

Though it is in vain to be *troubled* for that which I cannot chuse, yet I cannot chuse but be afflicted.—*Id.*

3. Distress; make uneasy.

He had credit enough with his master to provide for his own interest, and *troubled* not himself for that of others.—*Lord Clarendon, History of the Grand Rebellion.*

4. Busy; engage overmuch.

Martha, thou art careful, and *troubled* about many things.—*Luke,* x. 41.

5. Give occasion of labour to.

I will not *trouble* myself to prove that all terms are not definable, from that progress 'in infinitum' which it will lead us into.—*Locke.*

6. Teaze; vex.

The boy so *troubles* me;
'Tis past enduring.
Shakespear, Winter's Tale, ii. 1.

7. Disorder; put into agitation or commotion.

An angel went down into the pool and *troubled* the water; whosoever first after the *troubling* stepped in was made whole.—*John,* v. 4.

It is not bare agitation, but the sediment at the bottom, that *troubles* and defiles the water.—*South, Sermons.*

The best law in our days is that which continues our judges during their good behaviour, without leaving them to the mercy of such who might, by an undue influence, *trouble* and pervert the course of justice.—*Addison, Guardian.*

Troúble. *s.* [Fr.]

1. Disturbance; perplexity.

They all his host derided, while they stood
A while in *trouble.* *Milton, Paradise Lost,* vi. 633.

2. Affliction; calamity.

Double, double, toil and *trouble,*
Fire burn and cauldron bubble.
Shakespear, Macbeth, iv. 1.

3. Molestation; obstruction; inconvenience.

Take to thee from among the cherubim
Thy choice of flaming warriours, lest the fiend...
Some new *trouble* raise.
Milton, Paradise Lost, xi. 100.

4. Uneasiness; vexation.

I have dream'd
Of much offence and *trouble,* which my mind
Knew never till this irksome night.
Milton, Paradise Lost, v. 33.

Troúble-state. *s.* Disturber of a community; public makebate.

Those fair baits these *trouble-states* still use,
Pretence of common good, the king's ill course,
Must be cast forth.
Daniel, Civil Wars of York and Lancaster.

Troúbled. *part. adj.* Disturbed; disordered.

A *troubled* mind drew me to walk abroad.
Shakespear, Romeo and Juliet, i. 1.

Troúbledly. *adv.* In a troubled manner. *Rare.*

Our meditations must proceed in due order, not *troubledly,* not preposterously.—*Bishop Hall, Art of Divine Meditation,* ch. xvi. (Ord MS.)

Troúbler. *s.* One who, that which, troubles.

Unhappy falls that hard necessity,
Quoth he, the *troubler* of my happy peace. *Spenser.*

Heavens hurl down their indignation
On thee, thou *troubler* of the poor world's peace.
Shakespear, Richard III. i. 3.

The best temper of minds desireth good name and true honour; the lighter, popularity and applause; the more depraved, subjection and tyranny; as is seen in great conquerors and *troublers* of the world, and more in arch-hereticks.—*Bacon.*

He knowing well that nation must decline,
Whose chief support and sinews are of coin,
Our nation's solid virtue did oppose
To the rich *troublers* of the world's repose.
Waller.

The sword justly drawn by us can scarce safely be sheathed, till the power of the great *troubler* of our peace be pared, so as to be under no apprehensions for the future.—*Bishop Atterbury.*

Troúblesome. *adj.*

1. Vexatious; uneasy; afflictive.

Heaven knows
By what bye-paths and indirect crook'd ways
I met this crown; and I myself know well
How *troublesome* it sat upon my head.
Shakespear, Henry IV. Part II. iv. 4.

He must be very wise that can forbear being troubled at things very *troublesome.*—*Archbishop Tillotson.*

2. Full of molestation.

Though our passage through this world be rough and *troublesome,* yet the trouble will be but short, and the rest and contentment at the end will be an ample recompence.—*Bishop Atterbury.*

3. Burdensome; tiresome; wearisome.

My mother will never be *troublesome* to me.—*Pope.*

4. Full of teasing business.

All this could not make us accuse her, though it made us almost pine away for spight, to lose any of our time in so *troublesome* an idleness.—*Sir P. Sidney.*

5. Slightly harassing.

Into their inmost bower
Handed they went: and eased the putting off
These *troublesome* disguises which we wear,
Strait side by side were laid.
Milton, Paradise Lost, iv. 739.

Why doth the crown lie there upon his pillow,
Being so *troublesome* a bedfellow?
Shakespear, Henry IV. Part II. iv. 4.

6. Unseasonably engaging; improperly importuning.

She of late is lightened of her womb,
That her to see should be but *troublesome. Spenser.*

7. Importunate; teasing.

Two or three *troublesome* old nurses never let me have a quiet night's rest with knocking me up.—*Arbuthnot.*

Troúblesomely. *adv.* In a troublesome manner; vexatiously; wearisomely; unseasonably; importunately.

Though men will not be so *troublesomely* critical as to correct others in the use of words; yet, where truth is concerned, it can be no fault to desire their explication.—*Locke.*

Troúblesomeness. *s.* Attribute suggested by Troublesome.

1. Vexatiousness; uneasiness.

The lord treasurer complained of the *troublesomeness* of the place, for that the exchequer was so empty: the chancellor answered, Be of good cheer, for now you shall see the bottom of your business at the first.—*Bacon.*

2. Importunity; unseasonableness.

Troúblous. *adj.* Tumultuous; confused; disordered; put into commotion: (an elegant word, writes Johnson, but disused).

He along would fly
Upon the streaming rivers, sport to find;
And oft would dare to tempt the *troublous* wind.
Spenser

Then, masters, look to see a *troublous* world.
Shakespear, Richard III. ii. 3

Trough. *s.* [*A.S. trog, troh.*] Anything hollowed and open longitudinally on the upper side.

The bloody boar
That spoil'd your summer fields and fruitful vines,
Swills your warm blood like wash, and makes his *trough*
In your embowel'd bosoms.
Shakespear, Richard III. v. 2.

Where there is a good quick fall of rain-water, lay a half *trough* of stone, of a good length, three foot deep, with one end upon the high ground, the other upon the low; cover the *trough* with brakes a good thickness, and cast sand upon the top of the brakes, the lower end of the *trough* will run like a spring of water.—*Bacon, Natural and Experimental History.*

Some log, perhaps, upon the water swam,
An useless drift, which rudely cut within,
And hollow'd, first a floating *trough* became,
And cross some rivulet passage did begin.
Dryden, Annus Mirabilis, clvi.

The water dissolves the particles of salt mixed in the stone, and is conveyed by long *troughs* and canals from the mines to Hall, where it is received in vast cisterns, and boiled off.—*Addison.*

Troúnce. *v. a.* [Fr. *tronçon* = truncheon, staff, or rod, used for the purpose of punishment.] Punish by an indictment or information; punish severely.

The Lord *trounced* Sisera, and all his chariots.—*Mathewe, Translation of the Bible, Judges*, v. 15: 1537.

Trounce him, gaol him, and bring him upon his knees.—*South, Sermons.*

If you talk of peaching, I'll peach first: I'll *trounce* you for offering to corrupt my honesty.—*Dryden, Spanish Friar*, iv. 1.

Troúse. *s.* [N.Fr. *trousse*; Irish Gaelic, *trius.*] Older and correct form of Trousers.

The leather quilted jack serves under his shirt of mail, and to cover his *trouse* on horseback.—*Spenser, View of the State of Ireland.*

Their breeches like the Irish *trooze* have hose and stockings sewed together.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 297.

The unsightliness and pain in the leg may be helped by wearing a laced stocking; a laced *trouse* will do as much for the thigh.—*Wiseman, Surgery.*

Troúsed. *adj.* Wearing trousers.

The *trowzed* Irish led by their unjust Tyrone.
Drayton, Polyolbion, song xviii. (Ord MS.)

Troúsers. *s.* Long breeches; garment worn by males, extending from the waist to the ankles.

Several of the morris-dancers, represented upon the print of my window, have such hose or strait *trousers.*—*Tollet, Note on Shakespear's Henry V.*

They twitch their *trousers*, rub their hands, and with a dull grin observe,—'Well, sir, we shall see.'—*B. Disraeli, Coningsby*, b. v. ch. iv.

Troússe. *s.* [N.Fr.] Loppings from growing timber; the older form of Trash.

Provided always that they be laid with green willow bastons, and for default thereof with vine-cuttings, or such *trousse*, so that they be half a foot thick.—*Holland, Translation of Pliny.*

Trout. *s.* [Lat. *trutta.*]

1. In *Ichthyology.* Fish of the genus Salmo: (species *eriox*, grey trout, bull trout, or roundtail; *trutta*, salmon trout, or sea trout; *fario*, river trout, common trout; *ferox*, Great Lake trout; *Levenensis*, Lochleven trout).

The pond will keep *trout* and salmon in their seasonable plight, but not in their reddish grain.—*Carew, Survey of Cornwall.*

Worse than the anarchy at sea,
Where fishes on each other prey;
Where ev'ry *trout* can make as high rants
O'er his inferiours as our tyrants. *Swift.*

The grey *trout* is distinguished from the Salmon by several specific peculiarities. The gill-cover differs decidedly in form.... The salmon *trout* is, of the migrating species in this country, the next in value to the salmon.... The common *trout*... is an inhabitant of most of the rivers and lakes of Great Britain.... The Great Lake *trout* of Loch Awe... was shortly noticed by Pennant... as a native of Ullswater Lake in Cumberland, and of Lough Neagh in Ireland.... Dr. Richardson describes the Lochleven *trout* as distinct from the Salmo fario, and has pointed out some of the differences between them.—*Yarrell, History of British Fishes.*

2. Familiar phrase for an honest, or perhaps for a silly fellow. See second extract.

Here comes the *trout* that must be caught with tickling.—*Shakespear, Twelfth Night*, ii. 5.

The *trout* is in some kind a foolish fish, and an emblem of one who loves to be flattered; for when he is once in his hold, you may take him with your hands by tickling, rubbing, or clawing him under the belly.—*Swan, Speculum Mundi*, ch. viii. § 1.

Leave off your tickling of young heirs like *trouts.*
Beaumont and Fletcher.

Trouvére, or **Trouveúr.** *s.* [Etymologically, *trouvere* and *troubadour* are the same words, both being derivatives from the verb *trouver* = find; and, as such, meaning inventors, makers, poets. The difference, then, lies in the dialect to which the two forms belong, *trouvere* being a *northern*, *troubadour* a *southern*, French substantive. The first belongs to the Langue d'Oil; the second to the Langue d'Oc. The first is Romance, or Norman; the second Provençal. As the origins, so the significations differ. The *trouveres* composed narrative rather than lyric poetry; the *troubadours*, lyric rather than narrative. Of the two, *troubadour* makes the nearest approach to an English word.] See extracts; also under Troubadour.

Without entering upon the controverted question as to the origin of romantic fictions,... it is manifest that the actual stories upon which one early and numerous class of romances was founded are related to the traditions of the last people. These are such as turn upon the fable of Arthur.... An equally imaginary history of Charlemagne gave rise to a new family of romances. The authors of these fictions were called *Trouveurs*, a name obviously identical with that of troubadours. But, except in name, there was no resemblance between the minstrels of the northern and southern dialects. The invention of one class was turned to description, that of the other to sentiment; the first were epic in their form and style, the latter almost always lyric. We cannot perhaps give a better notion of their dissimilitude, than by saying that one school produced Chaucer, and the other Petrarch.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. ix.

The younger poetry of Italy... had not yet, with all its real superiority, either supplanted the old lays and romances of the *trouveres* and troubadours, or even taken its place by their side.—*Craik, History of English Literature*, vol. i. p. 276.

Tróver. *s.* [N.Fr.; Modern Fr. *trouver* = find.] See extract.

Trover in the common law is an action which a man hath against one that having found any of his goods refuseth to deliver them upon demand.—*Cowell.*

Bring my action for conversion
And *trover* of my goods. *Butler, Hudibras*, iii. 3, 647.

Trow. *v. n.* [A.S. *treowian.*]

1. Think; imagine; conceive.

What handsomeness, *trow* you, can be observed in that speech, which is made one knows not to whom?—*Sir P. Sidney.*

Live, and alleagaunce owe
To him that gives thee life and liberty;
And henceforth by this daie's ensample *trow*,
That hasty wroth and heedless hazardry
Doe breede repentance late and lasting infamy.
Spenser, Faerie Queen.

Is there any reasonable man, *trow* you, but will judge it meeter that our ceremonies of Christian religion should be Popish than Turkish or Heathenish?—*Hooker, Ecclesiastical Polity.*

To-morrow next
We will for Ireland; and 'tis time I *trow.*
Shakespear, Richard II. ii. 1.

2. Believe.

Speak less than thou knowest,
Lend less than thou owest,
Learn more than thou *trowest.*
Shakespear, King Lear, i. 4.

Trow. *interj.* Exclamation of enquiry.

Well, if you be not turned Turk, there is no more sailing by the star.—What means the fool, *trow?*—*Shakespear, Much Ado about Nothing*, iii. 4.

Trówel. *s.* [Fr. *truelle.*] Bricklayer's or mason's tool, used for taking up and laying mortar.

How shall I answer you?—As wit and fortune will.—Or as the destinies decree.—Well said, that was laid on with a *trowel.*—*Shakespear, As you like it*, i. 2.

The most accurate engravings or embossments seem such rude, bungling, deformed works, as if they had been done with a mattock, or a *trowel.*—*Bishop Wilkins.*

A *trowel* is a tool to take up the mortar with, and spread it on the bricks; with which also they cut the bricks to such lengths as they have occasion, and also stop the joints.—*Moxon, Mechanical Exercises.*

Troy. *s.* and *adj.* [?] Weight by which gold and bread are weighed, consisting of these denominations: a pound = 12 ounces; ounce = 20 pennyweights; pennyweight = 24 grains.

The Romans left their ounce in Britain, now our averdupois ounce, for our *troy* ounce we had elsewhere.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Trúant. *s.* [N.Fr. *truand* = vagabond.] Idler; one who wanders idly about, neglecting his duty or employment: (to *play the truant* is, in schools, to stay from school without leave).

Truand—he that loitereth, wandering about, or lurketh in corners.—*Barret, Alvearie*: 1580.

Though myself have been an idle *truant*,
Omitting the sweet benefit of time,
To clothe mine age with angel-like perfection;
Yet hath Sir Proteus, for that's his name,
Made use and fair advantage of his days.
Shakespear, Two Gentlemen of Verona, ii. 4.

Providence would only initiate mankind into the knowledge of her treasures, leaving the rest to our industry, that we might not live like idle loiterers and *truants.*—*Dr. H. More.*

No better than rogues and *trewans*, men of base qualitie and as low courage.—*Sir G. Buck, History of King Richard III.* p. 57: 1646.

Our ships are laden with the Trojan store,
And you like *truants* come too late ashore.
Dryden, Translation of the Æneid, ii. 504.

Trúant. *adj.* Idle; wandering from business; lazy; loitering.

What keeps you from Wittenberg?—
A *truant* disposition, good my lord.
Shakespear, Hamlet, i. 2.

Where thou seest a single sheep remain
In shades aloof, or couch'd upon the plain,
Or listlessly to crop the tender grass,
Or late to lag behind with *truant* pace,
Revenge the crime.
Dryden, Translation of the Georgics, iii. 705.

Trúant. *v. n.* Idle at a distance from duty; loiter; be lazy.

'Tis double wrong to *truant* with your bed,
And let her read it in thy looks at board.
Shakespear, Comedy of Errors, iii. 2.

Thou art not, like *truanting* boys, to trifle away any of that time, which is too little to get thy lesson.—*Henshaw, Daily Thoughts*, p. 134: 1651.

Trúantly. *adj.* In a truant manner.

The spirit of a man is *truantly* and trifling.—*Jeremy Taylor, Sermons, Dedication to Lord Carbery.*

Trúantship. *s.* Idleness; negligence; neglect of study or business.

The master should not chide with him if the child have done his diligence, and used no *truantship.*—*Ascham.*

Truce. *s.* [L. Lat. *treuga*; Mœso-Gothic, *triggwo* = covenant, agreement.]

1. Temporary peace; cessation of hostilities.

Leagues and *truces* made between superstitious persons, and such as serve God aright.—*Hooker, Ecclesiastical Polity.*

They pray in vain to have sin pardoned, which seek not also to prevent sin by prayer, even every particular sin, by prayer against all sin, except men can name some transgression wherewith we ought to have *truce.*—*Id.*

All this utter'd
With gentle breath, calm look, knees humbly bent,
Could not make *truce* with the unruly spleen
Of Tybalt, deaf to peace.
Shakespear, Romeo and Juliet, iii. 1.

Shadwell swore, nor should his vow be vain,
That he till death true dulness would maintain;
And in his father's right, and realm's defence,
Ne'er would have peace with wit, nor *truce* with sense. *Dryden, Macflecnoe*, 114.

2. Cessation; intermission; short quiet.

There he may find
Truce to his restless thoughts, and entertain
The irksome hours. *Milton, Paradise Lost*, ii. 526.

Trúchman, or **Trúdgman.** *s.* Dragoman.

Seld speaketh Love, but sighs his secret pains,
Tears are his *truchman.* *R. Greene.*

The Arabian *trudgman*, interpreting certain Arabick terms used by historians.—*Bedwell, Mohammedis Impostura, with the Arabian* Trudgman, *or Interpreter.*

Soft, sir, I am *truchman*, and do flourish before this monsieur.—*B. Jonson, Cynthia's Revels.*

He placed man formed to his own pattern in the midst of this spacious and admirable city, by the divine splendour of his reason, to be the interpreter and *truchman* of his creation.—*Drummond, Cypress Grove.*

Trucheman or interpreter between the English and the Welshmen.—*T. Blount, Ancient Tenures*, p. 17.

Truck. *v. n.* [Fr. *troquer*; Italian, *truccare*; Spanish, *trocar*.] Traffick by exchange; give one commodity for another.

That sacrilegious covetousness, and cruelty, which dares with open forehead comply with, and countenance, yea, *truck* and trade with those hucksters, who labour to deprive all excellent bishops.—*Bishop Gauden, Anti-Baal-Berith*, p. 31: 1661.

Despotism itself is obliged to *truck* and huckster.—*Burke, Speech on Conciliation with America.*

Truck. *v. a.* Give in exchange; exchange.

The Indians *truck* gold for glasses.—*Sir R. L'Estrange.*

Go, miser! go; for lucre sell thy soul,
Truck wares for wares, and trudge from pole to pole;
That men may say, when thou art dead and gone,
See, what a vast estate he left his son! *Dryden.*

I see nothing left us, but to *truck* and barter our goods, like the wild Indians, with each other.—*Swift.*

Truck. *s.* Exchange; traffic by exchange.

It is no less requisite to maintain a *truck* in moral offices, than in the common business of commerce.—*Sir R. L'Estrange.*

Love is covetous; I must have all of you: heart for heart is an equal *truck*.—*Dryden.*

Truck. *s.* Small low two-wheeled carriage.

There were more *trucks* near Todgers's than you would suppose a whole city could ever need; not active *trucks*, but a vagabond race, for ever lounging in the narrow lanes before their masters' doors, and stopping up the pass.—*Dickens, Martin Chuzzlewit*, ch. ix.

Truck. *s.* In *Navigation.* Small wooden cap at the summit of a mast.

Trúckage. *s.* Practice of trafficking by exchange.

Without the *truckage* of perishing coin.—*Milton, Of Reformation in England*, b. ii.

Trúcker. *s.* One who trucks; one who traffics by exchange.

Of all the courses which man in such a case can take, this of capitulating, and as it were making terms, with the devil, is the most senseless and dangeous: no man having ever yet driven a saving bargain with this great *trucker* for souls, by exchanging guilts, or bartering one sin for another.—*South, Sermons.*

Trúckle. *s.* Trucklebed.

He roused the squire in *truckle* lolling.
Butler, Hudibras, ii. 2, 39.

Trúckle. *v. n.* Lie, or pass, under something else, as a trucklebed under an ordinary one; be in a state of subjection or inferiority; yield; creep.

Shall our nation be in bondage thus
Unto a land that *truckles* under us?
Cleaveland, The Rebel Scot.

Men may be stiff and obstinate upon a wrong ground, and ply and *truckle* too upon as false a foundation.—*Sir R. L'Estrange.*

Religion itself is forced to *truckle* to worldly policy.—*Norris.*

Had we made him timely offers,
To raise his post or fill his coffers,
Perhaps he might have *truckled* down,
Like other brethren of his gown.
Swift, On the Death of Dr. Swift.

Never let it
Be said that we still *truckle* unto thrones.
Byron, Don Juan, viii. 135.

Trúcklebed. *s.* Bed that runs on wheels under a higher bed.

There's his chamber, his house, his castle, his standing bed and *trucklebed*.—*Shakespear, Merry Wives of Windsor*, iv. 5.

If he that is in battle slain
Be in that bed of honour lain;
He that is beaten may be said
To lie in honour's *trucklebed*.
Butler, Hudibras, i. 3, 1047.

Tressilian ... was formally installed into a small *truckle-bed*, placed in a wardrobe, and designed for a domestic.... At last ... when Nicholas had seen him fairly deposited in his *truckle-bed*, ... he contented himself with the modified measure of locking the door on the unfortunate Tressilian.—*Sir W. Scott, Kenilworth*, ch. xxxi.

Trúckling. *part. adj.* Meanly obedient.

They were subdued and insulted by Alexander's captains, and continued under several revolutions a small *truckling* state, of no name till they fell under the Romans.—*Swift.*

But modern writers, in describing Protagoras or Gorgias, while they adopt the sneering language of Plato against teaching for pay, low purposes, tricks to get money from the rich, &c., use terms which lead the reader to believe that there was something in these sophists peculiarly greedy, exorbitant, and *truckling*; something beyond the mere fact of asking and receiving remuneration.—*Grote, History of Greece*, pt. ii. ch. lxvii.

He went home ... like a little *truckling* snob.—*Thackeray, Book of Snobs*, ch. iii.

Trúculency. *s.* Savageness.

He loves not tyranny: ... the *truculency* of the subject, who transacts this, he approves not.—*Waterhouse, On Fortescu*, p. 184: 1663.

Trúculent. *adj.* [Lat. *truculentus*, from *trux* = fierce, savage.]

1. Savage; barbarous.

A barbarous Scythia, where the savage and *truculent* inhabitants transfer themselves from place to place in waggons, as they can find pasture, and live upon milk, and flesh roasted in the sun at the pomels of their saddles.—*Ray.*

2. Fierce; inspiring terror.

The trembling boy his brethren's hands,
Their *truculent* aspects, and servile bands,
Beheld. *Sandys, Christ's Passion*, p. 14: 1640.

Triptolemus ... was alarmed by the *truculent* looks of Goffe, in particular, who, holding his arm with a gripe which resembled in delicacy of touch the compression of a smith's vice, cast on him from the outer corner of his eye oblique glances, like those which the eagle throws upon the prey which she has clutched.—*Sir W. Scott, The Pirate*, ch. xxxv.

3. Destructive; cruel.

Pestilential seminaries, according to their grossness or subtilty, cause more or less *truculent* plagues, some of such malignity, that they enecate in two hours.—*Harvey, On the Plague.*

Trudge. *v. n.* [connected with *tread*.] Travel laboriously; jog on; march heavily on.

No man is secure, but night-walking heralds,
That *trudge* between the king and mistress Shore.
Shakespear, Richard III. i. 1.

No sooner was he fit to *trudge*,
But both made ready to dislodge.
Butler, Hudibras, iii. 1, 1569.

Away they *trudged* together, and about midnight got to their journey's end.—*Sir R. L'Estrange.*

Once a poor rogue, 'tis true, I trod the street,
And *trudged* to Rome upon my naked feet:
Gold is the greatest god.
Dryden, Translation of Juvenal.

He that will know the truth must leave the beaten track, which none but servile minds *trudge* continually in.—*Locke.*

He went to Paris, to Weimar, again to Switzerland; in short, *trudged* and hurried hither and thither, inconstant as an 'ignis fatuus,' and restless as the Wandering Jew.—*Carlyle, Critical and Miscellaneous Essays, Writings of Werner.*

True. *adj.* [A.S. *treowa*.]

1. Not false; not erroneous; agreeing with fact, or with the nature of things.

Of those he chose the falsest two,
And fittest for to forge *true* seeming lies.
Spenser, Faerie Queen.

Teeth hadst thou in thy head when thou wast born,
And if the rest be *true* which I have heard,
Thou cam'st into the world with thy legs forward.
Shakespear, Henry VI. Part III. v. 6.

Hesperiad fables *true*,
If *true*, here only. *Milton, Paradise Lost*, iv. 250.

What you said had not been *true*,
If spoke by any else but you. *Cowley.*

2. Not false; agreeing with our own thoughts.

3. Pure from the crime of falsehood; veracious.

A *true* witness delivereth souls.—*Proverbs*, xiv. 25.

Master, we know that thou art *true*, and teachest, the way of God in truth.—*Matthew*, xxii. 16.

4. Genuine; real; not counterfeit.

The darkness is past, and the *true* light now shineth.—1 *John*, ii. 8.

Unbind the charms that in slight fables lie,
And teach that truth is *truest* poesy. *Cowley.*

5. Faithful; not perfidious; steady.

So young and so untender?—So young, my lord, and *true*.—
Let it be so; thy truth then be thy dower.
Shakespear, King Lear, i. 4.

I'll rather die
Deserted than oblige thee with a fact
Pernicious to thy peace, chiefly assured
Remarkably so late of thy so *true*,
So faithful, love unequall'd.
Milton, Paradise Lost, ix. 979.

The first great work
Is, that yourself may to yourself be *true*.
Lord Roscommon.

When this fire is kindled, both sides inflame it: all regard of merit is lost in persons employed, and these only chosen that are true to the party.—*Sir W. Temple.*

True to the king her principles are found:
Oh that her practice were but half so sound!
Stedfast in various turns of state she stood,
And seal'd her vow'd affection with her blood.
Dryden, Hind and Panther, i. 432.

True to his charge, the bard preserved her long
In honour's limits, such the pow'r of song. *Pope.*

6. Honest; not fraudulent.

The thieves have bound the *true* men: now could thou and I rob the thieves and go merrily to London, it would be argument for a week.—*Shakespear, Henry IV. Part I.* ii. 2.

If king Edward be as *true* and just,
As I am subtle, false, and treacherous,
This day should Clarence closely be mew'd up.
Id., Richard III. i. 1.

7. Exact; conformable to a rule.

If all those great painters, who have left us such fair platforms, had rigorously observed it, they had made things more regularly *true*, but withal very unpleasing.—*Dryden, Translation of Dufresnoy's Art of Painting.*

He drew
A circle regularly *true*.
Prior, Protogenes and Apelles.

Tickell's first book does not want its merit; but I was disappointed in my expectation of a translation nicely *true* to the original; whereas in those parts where the greatest exactness seems to be demanded, he has been the least careful.—*Arbuthnot.*

8. Rightful.

They seize the sceptre;
Then lose it to a stranger, that the *true*
Anointed King Messiah might be born
Barr'd of his right. *Milton, Paradise Lost*, xii. 357.

Trúeborn. *adj.* Having a right by birth to any title.

Where'er I wander, boast of this I can,
Though banish'd, yet a *trueborn* Englishman.
Shakespear, Richard II. i. 3.

Let him that is a *trueborn* gentleman,
And stands upon the honour of his birth,
From off this briar pluck a white rose with me.
Id., Henry VI. Part I. ii. 4.

Trúebred. *adj.* Of a right breed.

Two of them I know to be as *truebred* cowards as ever turned back.—*Shakespear, Henry IV. Part I.* i. 2.

Bauble do you call him? he's a substantial *truebred* beast, bravely forehanded.—*Dryden, Don Sebastian*, i. 1.

Truehéarted. *adj.* Honest; faithful.

I have known no honester or *truerhearted* man: fare thee well.—*Shakespear, Henry IV. Part II.* ii. 4.

The flower of the Protestant population of Munster and Connaught found shelter in Enniskillen. Whatever was bravest and most *truehearted* in Leinster took the road to Londonderry.—*Macaulay, History of England*, ch. xii.

Trúelove. *s.*

1. Sweetheart.

Should my *truelove* less than woman be,
She were scarce anything. *Donne, Poems*, p. 52.

There is another word of this sort which requires notice: i.e. *true-love*. Adjective for adjective, *true* is as likely to precede the substantive *love*, as 'faithful,' 'charming,' &c., or any other word. Moore might as easily have written—

Then fare thee well, mine own *true love*—

as

Then fare thee well, mine own *dear lóve*,

though he did not. *Trúe lóve*, then, like 'blâck bird,' is a pair of words. But *trúe-love* (as in *true-love's* knot) is a compound. Of what? Perhaps of *love* preceded by *true*; in which case it is a word like 'blâckbird.' Perhaps of something else. In Danish, *trolove*=to betroth, and *troloved*=a betrothed or engaged person.... Upon this Mr. Laing, in his well-known work upon Norway, remarks that the words have no origin in the affections, and that 'a man may be a *true lover* to his bond of ten pounds, as well as to his sweetheart.' He goes further, and holds that the word *love* itself='amo,' has the same legal character: in which, however, he is wrong—as may be seen from the German 'liebe,' and the Latin 'lubet.' Laying this, however, out of the question, it is clear that, if the first part of this doctrine be right, we have, in *trúelove*, not only a curious derivative, but a word of Scandinavian origin. And such I once believed it to be.—*Dr. R. G. Latham, English Language.*

2. In *Botany.* Native plant of the genus Paris (quadrifolia); oneberry.

One-berrie, or herbe *truelove*, at the very top whereof cometh forth four leaves, directly set one against another, in manner of a Burgunnion cross, or a true-love knot; for which cause among the ancients it hath been called herbe *truelove*.—*Gerarde, Herball*, p. 328: 1597.

Trúeloveknot, or **Trúeloversknot.** *s.* Lines drawn through each other with many involutions, considered as the emblem of interwoven affection.

I'll carve your name on barks of trees
With *trueloveknots* and flourishes,
That shall infuse eternal spring.
Butler, Hudibras, i. 1, 565.

Trúeness. *s.* Attribute suggested by True; sincerity; faithfulness.

The even carriage between two factions proceedeth not always of moderation, but of a *trueness* to a man's self, with end to make use of both.—*Bacon, Essays.*

Trúepenny. *s.* Familiar phrase for an honest fellow.

Say'st thou so? art thou there, *truepenny?*
Come on. *Shakespear, Hamlet*, i. 5.

Trúffle. *s.* [Fr. *trufle, truffe.*] Subterranean edible mushroom.

In Italy, the usual method for the finding of *truffles*, or subterraneous mushrooms, called by the Italians tartufali, and in Latin tubera terræ, is by tying a cord to the hind leg of a pig, and driving him, observing where he begins to root.—*Ray.*

As *truffles* spread over a large space, it is difficult to say by what means they progress. The *truffle* is one of the most wholesome and nutritive of the esculent fungi, and is generally discovered by means of dogs, which are taught to scent it; so that on smelling the *truffle* they bark and scratch it up. *Truffles* . . . are served up, either roasted in a fresh state like potatoes, or they are dried, shred, and dressed as ingredients in soups and ragouts.—*Lindley, Vegetable Kingdom.*

Trúism. *s.* Self-evident and undeniable truth.

Truism occurs in Swift's Remarks on the Rights of the Christian Church, and in Bishop Berkeley's Alciphron.—*Pegge, Anecdotes of the English Language*, p. 37: 2nd ed.

Trull. *s.* [?]

1. Wench.

Among the rest of all the route
A passing proper lasse,
A white-hair'd *trull* of twenty years,
Or neere about there was:
In stature passing all the rest,
A gallant girl for hewe;
To be compared with townish nymphs,
So fair she was to viewe. *Turberville.*
Be thy mirth scene;
Heard to each swaine, scene to each *trull.*
Sir H. Wotton, in *England's Helicon*: 1600.
Where Lady Love doth vant with garish grace,
Her daintie damsels, gallant girles, and gay
Inticing *trulles.*
Mirrour for Magistrates, p. 214: 1610.

2. Low whore; vagrant strumpet.

I'm sure, I scared the dauphin and his *trull.*
Shakespear, Henry VI. Part I. ii. 2.
A *trull* who sits
By the town wall, and for her living knits. *Dryden.*
So Mævius, when he drain'd his skull,
To celebrate some suburb *trull*;
His similes in order set,
And ev'ry crambo he could get;
Before he could his poem close,
The lovely nymph had lost her nose. *Swift.*

Trúly. *adv.* In a true manner.

1. According to truth; not falsely; faithfully; honestly.

They thought they might do it, not only willingly, because they loved him; and *truly*, because such indeed was the mind of the people; but safely, because she who ruled the king was agreed thereto.—*Sir P. Sidney.*

No untruth can avail the patron long; for things most *truly* are most behoovefully spoken.—*Hooker, Ecclesiastical Polity.*

2. Really; without fallacy.

Beauty is excelled by manly grace
And wisdom, which alone is *truly* fair.
Milton, Paradise Lost, iv. 490.

3. Exactly; justly.

Right reason is nothing else but the mind of man judging of things *truly*, and as they are in themselves.—*South, Sermons.*

4. Indeed: (a slight affirmation, almost expletive).

I have not undertaken it out of any wanton pleasure in my own pen; nor *truly* without often pondering with myself beforehand what censures I might incur.—*Sir H. Wotton.*

Trump. *s.* [Lat. *triumphus* = triumph.]

1. Winning card; card endowed with a certain privilege in the game.

Him Basto follow'd, but his fate more hard,
Gain'd but one *trump* and one plebeian card.
Pope, Rape of the Lock, canto iii.
Now her heart with pleasure jumps,
She scarce remembers what is *trumps.* *Swift.*

2. Old game at cards.

What, Diccon? come near, ye be no straunger:
We be fast set at *trump*, man, hard by the fire;
Thou shalt set on the king, if thou come a little nyer. *Gammer Gurton's Needle*: 1551.

A poetaster for playing at cards, and devising the game called *triumph*, or *trump*, is brought before Apollo.—*Translation of Boccalini*, ch. xiii.; 1626.

3. Good fellow.

I wish I may die if you're not a *trump*, Pip.—*Dickens, Martin Chuzzlewit*, ch. xxviii.

Put to or *upon the trumps.* Put to the last expedient.

We are now *put upon* our last *trump*; the fox is earthed, but I shall send my two terriers in after him.—*Dryden, Spanish Friar*, iv. 1.

Trump. *v. n.* Play a trump card; interpose as with a trump card; be an impediment.

The envy of some powerful corrival *trumps* in thy way, and holds thee off from thine already swallowed honour.—*Bishop Hall, Seasonable Sermon*, p. 31.

For all their setting their cards, and playing their games to their own advantages of getting much for themselves and friends, there was one knave in the pack would cosen their designs, and *trump* in their way, if he might not share with them in their winning.—*Sir A. Weldon, Court of King James*, p. 53.

Trump. *s.* [Dutch; N.Fr. *trompe*; Italian, *tromba.*] Trumpet.

Whilst any *trump* did sound, or drum struck up,
His sword did ne'er leave striking in the field.
Shakespear, Henry VI. Part I. i. 4.
Yet first to those ychain'd in sleep,
The wakeful *trump* of doom must thunder through the deep. *Milton, Odes, On the Morning of Christ's Nativity*, 165.
I heard
The neighing coursers and the soldiers cry,
And sounding *trumps* that seem'd to tear the sky.
Dryden.
Beneath this tomb an infant lies,
To earth whose body lent,
Hereafter shall more glorious rise,
But not more innocent.
When the archangel's *trump* shall blow,
And souls to bodies join,
What crowds shall wish their lives below
Had been as short as thine! *Wesley.*

Trump. *v. a.* [Fr. *tromper* = deceive.]

1. Impose upon.

Fortune . . .
When she is pleased to trick or *tromp* mankind.
B. Jonson, New Inn.

He who has sunk so far below himself, as to have debased the governing faculties of his soul, and given up his assent to an imperious domineering error, is fit for nothing but to be *trumped* and trampled upon, to be led by the nose.—*South, Sermons.*

2. Obtrude fallaciously.

There is a sort of odd ill-natured men, whom neither hopes nor fears, frowns nor favours, can prevail upon to have any of the cast, beggarly, forlorn nieces or kinswomen of any lord or grandee, spiritual or temporal, *trumped* upon them.—*South, Sermons.*

Authors have been *trumped* upon us, interpolated and corrupted.—*Leslie, Short and Easy Method with the Deists.*

Trump up. Devise; forge.

If this book had been *trumped up*, every one would have said upon its first appearance, we never heard of it before.—*Dr. A. Young, On Idolatrous Corruptions in Religion*, i. 61.

Trúmpery. *s.* [Fr. *tromperie.*]

1. Something fallaciously splendid; something of less value than it seems.

The *trumpery* in my house bring hither,
For stale to catch these thieves.
Shakespear, Tempest, iv. 1.

2. Falsehood; empty talk.

Breaking into parts the story of the creation, and delivering it over in a mystical sense, wrapping it up mixed with other their own *trumpery*, they have sought to obscure the truth thereof.—*Sir W. Raleigh, History of the World.*

3. Something of no value; trifles.

Embrios and idiots, eremits and friars,
White, black, and grey, with all their *trumpery.*
Milton, Paradise Lost, iii. 474.

Another cavity of the head was stuffed with billetdoux, pricked dances, and other *trumpery* of the same nature.—*Addison, Spectator.*

Used *adjectively.*

A very *trumpery* case it is altogether, that I must admit.—*Theodore Hook, Gilbert Gurney*, vol. ii. ch. i.

Trúmpet. *s.* [Fr. *trompette.*]

1. Instrument of martial music sounded by the breath.

If any man of quality will maintain upon Edmund earl of Gloster, that he is a manifold traitor, let him appear by the third sound of the *trumpet.*—*Shakespear, King Lear*, v. 3.
He blew
His *trumpet*, heard in Oreb since perhaps
When God descended, and perhaps once more
To sound at general doom. The angelick blast
Fill'd all the regions. *Milton, Paradise Lost*, xi. 73.

Every man is the maker of his own fortune, and must be in some measure the *trumpet* of his fame —*Tatler.*

2. In military style, trumpeter.

He wisely desired, that a *trumpet* might be first sent for a pass.—*Lord Clarendon, History of the Grand Rebellion.*

Among our forefathers, the enemy, when there was a king in the field, demanded by a *trumpet* in what part he resided, that they might avoid firing upon the royal pavilion.—*Addison.*

3. One who celebrates; one who praises.

Glorious followers, who make themselves as *trumpets* of the commendation of those they follow, taint business for want of secrecy, and export honour from a man, and make him a return in envy. —*Bacon.*

That great politician was pleased to have the greatest wit of those times in his interests, and to be the *trumpet* of his praises.—*Dryden.*

Trúmpet. *v. a.* [Fr. *trompeter.*] Publish by sound of trumpet; proclaim.

That I did love the Moor to live with him,
My downright violence to form my fortunes
May *trumpet* to the world.
Shakespear, Othello, i. 3.
Why so tart a favour
To *trumpet* such good tidings?
Id., Antony and Cleopatra, ii. 5.

They went with sound of *trumpet*, for they did nothing but publish and *trumpet* all the reproaches they could devise against the Irish.—*Bacon, Considerations touching War with Spain.*

Trúmpet-fish. *s.* In *Ichthyology.* Very scarce British fish of the genus Centriscus (scolopax); sea-snipe; bellows-fish.

One specimen . . . of the *trumpet-fish* was thrown ashore at St. Austle's Bay, in Cornwall, early in the year 1804. . . . Mr. Donovan . . . refers to two instances of its capture within his knowledge, and appears to have had two specimens in his collection. —*Yarrell, History of British Fishes.*

Trúmpet-flower. *s.* In *Botany.* Name applied to more species than one, the tubular flowers being, more or less, trumpet-shaped: the commonest of them are of the genus Bignonia; others being Catalpas, Brunsfelsias, Solandras, &c.

Trúmpet-tongued. *adj.* Having a tongue vociferous as a trumpet.

This Duncan's virtues
Will plead, like angels, *trumpet-tongued*, against
The deep damnation of his taking off.
Shakespear, Macbeth, i. 7.

Trúmpet-weed. *s.* In *Marine Botany.* Seaweed of the genus Ecklonia (buccinalis).

Trúmpeter. *s.*

1. One who sounds a trumpet.

Trumpeters,
With brazen din blast you the city's ear,
Make mingle with our rattling tabourines.
Shakespear, Antony and Cleopatra, iv. 6.

As they returned, a herald and *trumpeter* from the Scots overtook them.—*Sir J. Hayward.*

An army of *trumpeters* would give as great a strength as this confederacy of tongue warriors, who, like those military musicians, content themselves with animating their friends to battle.—*Addison, Freeholder.*

At the very time that this dispute was maintaining by the sentinel and the drummer, was the same point debating betwixt a *trumpeter* and a *trumpeter's* wife, who were just then coming up, and had stopped to see the stranger pass by. Benedicity! What a nose! 'tis as long, said the *trumpeter's* wife, as a *trumpet.*—And of the same metal, said the *trumpeter*, as you hear by its sneezing.—'Tis as soft as a flute, said she.—'Tis brass, said the *trumpeter.* —'Tis a pudding's end, said his wife.—I tell thee again, said the *trumpeter*, 'tis a brazen nose.—I'll know the bottom of it, said the *trumpeter's* wife, for I will touch it with my finger before I sleep.—The stranger's mule moved on at so slow a rate, that he heard every word of the dispute, not only betwixt the sentinel and the drummer, but betwixt the *trumpeter* and the *trumpeter's* wife.—*Sterne, Tristram Shandy*, vol. iv. ch. i.

2. One who proclaims, publishes, or denounces.

Where there is an opinion to be created of virtue or greatness, these men are good *trumpeters.*—*Bacon, Essays.*

How came so many thousands to fight, and die in the same rebellion? why were they deceived into it by those spiritual *trumpeters*, who followed them with continual alarms of damnation if they did not venture life, fortune, and all in that which those impostors called the cause of God?—*South Sermons.*

'We have two duties to perform,' answered Ken, 'our duty to God, and our duty to your Majesty.

We honour you: but we fear God.' 'Have I deserved this?' said the king, more and more angry: 'I who have been such a friend to your church? I did not expect this from some of you. I will be obeyed. My declaration shall be published. You are *trumpeters* of sedition. What do you do here? Go to your dioceses; and see that I am obeyed.'—*Macaulay, History of England*, ch. viii.

Trúmplike. *adj.* Resembling a trumpet.

A breast of brasse, a voyce
Infract and *trumplike*. *Chapman.*

Trúncate. *v. a.* [Lat. *truncatus* = cut off; pass. part. of *trunco*; *truncatio*, *-onis*.] Lop; cut short.

These feathers are neither gradually lessened towards their extremities, nor rounded; which are the usual terminations of the feathers in most birds; but they appear as if cut off transversely towards their ends with scissars. This is a mode of termination, which, in the language of natural history, is called *truncated*.—*Dr. Shaw, Museum Leverianum.*

Truncátion. *s.* Act of lopping or maiming.

Decreeing judgment of death or *truncation* of members.—*Prynne, Huntley's Breviate*, p. 48: 1637.

Some species delineating singular inhumanities in tortures, the living *truncation* of the Turks.—*Sir T. Browne, Miscellanies*, p. 204.

Trúncheon. *s.* [Fr. *tronçon*.]

1. Short staff; club; cudgel.

With his *truncheon* he so rudely stroke
Cymocles twice, that twice him forced his foot revoke. *Spenser.*

Set limb to limb, and thou art far the lesser;
Thy hand is but a finger to my fist;
Thy leg is a stick compared with this *truncheon*.
Shakespear, Henry VI. Part II. iv. 10.

The English slew divers of them with plummets of lead tied to a *truncheon* or staff by a cord.—*Sir J. Hayward.*

One with a broken *truncheon* deals his blows.
Dryden, Palamon and Arcite, iii. 612.

2. Staff of command.

The hand of Mars
Beckon'd with fiery *truncheon* my retire.
Shakespear, Troilus and Cressida, v. 3.

No ceremony that to great ones 'longs,
The marshal's *truncheon*, nor the judge's robe,
Become them with one half so good a grace,
As mercy does. *Id., Measure for Measure*, ii. 2.

Anything was preferable to the yoke of a succession of incapable and inglorious tyrants, raised to power, like the Deys of Barbary, by military revolutions recurring at short intervals. Lambert seemed likely to be the first of these rulers; but within a year Lambert might give place to Desborough, and Desborough to Harrison. As often as the *truncheon* was transferred from one feeble hand to another, the nation would be pillaged for the purpose of bestowing a fresh donative on the troops.—*Macaulay, History of England*, ch. i.

Trúncheon. *v. a.* Beat with a truncheon.

Captain, thou abominable cheater! If captains were of my mind, they would *truncheon* you out of taking their names upon you before you earn'd them.—*Shakespear, Henry IV. Part II.* ii. 4.

Truncheoneér. *s.* One armed with a truncheon.

I mist the meteor once, and hit that woman, who cried out, Clubs! when I might see from far some forty *truncheoneers* draw to her succour.—*Shakespear, Henry VIII.* v. 3.

Trúndle. *v. n.* Roll; bowl along.

In the four first it is heaved up by several spondees intermixed with proper breathing places, and at last *trundles* down in a continued line of dactyls.—*Addison, Spectator.*

Trúndle. *v. a.* Bowl; roll.

Like to the golden tripod, it did pass
From this to this, till 't came to whose it was;
Cæsar to Gallus *trundled* it, and he
To Maro.
Lovelace, Lucasta Posthuma, p. 82: 1659.

Trúndle. *s.* [A.S. *trendl*.] Any round rolling thing.

Whether they have not removed ... all images, candelsticks, *trindels* or rolles of wax.—*Archbishop Cranmer, Articles of Visitation.*

Trundle, in mechanics, is a pinion having its teeth formed of thick pins set in disks, otherwise called a lantern wheel or wallower.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Trúndle-tail. *s.* Round-tail; kind of dog.

Dunghill dogs, *trindle-tails*.—*The Boke of Huntynge.*

Avaunt, you curs!
Hound or spaniel, brach or lym,
Or bobtail tike, or *trundle-tail*.
Shakespear, King Lear, iii. 6.

Trúndlebed. *s.* Bed on casters; trucklebed.

When I was in Cambridge, and lay in a *trundle-bed* under my tutor.—*Return from Parnassus*: 1606.

Trunk. *s.* [Fr. *tronc*; Lat. *truncus*.]

1. Body of a tree.

He was
The ivy, which had hid my princely *trunk*
And suckt my verdure out on't.
Shakespear, Tempest, i. 2.

2. Body without the limbs of an animal.

The charm and venom which they drunk,
Their blood with secret filth infected hath,
Being diffused through the senseless *trunk*.
Spenser.

Thou bring'st me happiness and peace, son John;
But health, alack, with youthful wings is flown
From this bare, wither'd *trunk*.
Shakespear, Henry IV. Part II. iv. 4.

3. Main body of anything.

The large *trunks* of the veins discharge the refluent blood into the next adjacent *trunk*, and so on to the heart.—*Ray.*

4. Chest for clothes; sometimes a small chest commonly lined with paper.

Neither press, coffer, chest, *trunk*, well, vault, but he hath an abstract for the remembrance of such places.—*Shakespear, Merry Wives of Windsor*, iv. 2.

Where a young man learned to dance, there happened to stand an old *trunk* in the room, the idea of which had so mixed itself with the turns of all his dances, that, though he could dance excellently well, yet it was only whilst that *trunk* was there; nor could he perform well in any other place, unless that, or some such other *trunk*, had its due position in the room.—*Locke.*

Your poem sunk,
And sent in quires to line a *trunk*:
If still you be disposed to rhyme,
Go try your hand a second time.
Swift, On Poetry.

5. Proboscis of an elephant, or other animal.

Leviathan that at his gills
Draws in, and at his *trunk* spouts out a sea.
Milton, Paradise Lost, vii. 415.

When elephant 'gainst elephant did rear
His *trunk*, and castles justled in the air,
My sword thy way to victory had shown.
Dryden, Aurengzebe, ii. 1.

6. Long tube through which pellets of clay are blown. *Obsolete.*

In rolls of parchment *trunks*, the mouth being laid to the one end and the ear to the other, the sound is heard much farther than in the open air.—*Bacon, Natural and Experimental History.*

In a shooting *trunk*, the longer it is to a certain limit, the swifter and more forcibly the air drives the pellet.—*Ray.*

The connection of 4, 5, and 6, with 1, 2, and 3, is not very clear. The following extracts, perhaps, help to explain them.

Tronc, m. The truncke, stocke, stemme, bulke, or body of a tree, &c., without the boughs; also a trunke, a headlesse body of a man or beast; also, the poor man's box in churches; also, the boat that is called a lighter.—*Cotgrave.*

[A chest would seem to be called a *trunk*, as resembling the *trunk* or chest of a man's body. In the same way, German *rumpf*, the *trunk* of the body is applied to a hollow vessel of different kinds.—*Wedgwood, Dictionary of English Etymology.*]

Trunk. *v. a.* [Lat. *trunco*.] Truncate; maim; lop. *Obsolete.*

Large streams of blood out of the *trunked* stock
Forth gush'd, like water streams from riven rock.
Spenser.

Trúnked. *adj.* Having a trunk.

She is thick set with strong and well *trunked* trees.—*Howell.*

Trunk-hose. *s.* Large breeches formerly worn.

The short *trunk-hose* shall show thy foot and knee
Licentious, and to common eye-sight free;
And with a bolder stride, and looser air,
Mingled with men, a man thou must appear.
Prior, Henry and Emma, 439.

Trúnnions. *s. pl.* [Fr. *trognons*.] Knobs, or short cylinders, projecting from the sides of a piece of ordnance, that bear it on the cheeks of a carriage.

Trúsion. *s.* [Lat. *trudo*; pass. part. *trusus*; *trusio*, *-onis*.] Thrusting or pushing.

By attraction we do not understand drawing, pumping, sucking, which is really pulsion and *trusion*.—*Bentley.*

Truss. *s.* [Fr. *trousse*.]

1. In *Surgery*. Bandage by which ruptures are restrained from lapsing.

A hernia would succeed, and the patient be put to the trouble of wearing a *truss*.—*Wiseman, Surgery.*

2. Bundle; anything thrust close together.

All as a poor pedler he did wend,
Bearing a *truss* of trifles at his back,
As belles and babies, and glasses in his packe.
Spenser.

The fair one devoured a *truss* of sallet, and drunk a full bottle to her share.—*Addison, Spectator.*

A *truss* of hay must contain fifty-six pounds, or half a hundred weight; a *truss* of straw, thirty-six pounds; thirty-six *trusses* make a load. In June, July, and August, a *truss* of new hay must weigh sixty pounds.—*Johnson, Farmer's Encyclopædia.*

3. In *Architecture*. Assemblage of timbers for the support of a principal beam or piece.

4. In *Shipbuilding*. Timbers, or iron plates, giving a diagonal internal support to side-timbers or ribs.

Truss. *v. a.* [Fr. *trousser*.] Pack up close together.

What in most English writers useth to be loose and untight, in this author, is well grounded, finely framed, and strongly *trussed* up together.—*Spenser.*

Some of them send the Scriptures before, *truss* up bag and baggage, make themselves in a readiness, that they may fly from city to city.—*Hooker, Ecclesiastical Polity.*

You might have *trussed* him and all his apparel into an eelskin.—*Shakespear, Henry IV. Part II.* iii. 2.

Trust. *s.* [connected with *true*.]

1. Confidence; reliance on another.

What a fool is honesty! and *trust*, his sworn brother, a very simple gentleman.—*Shakespear, Winter's Tale*, iv. 3.

My misfortunes may be of use to credulous maids, never to put too much *trust* in deceitful men.—*Swift.*

2. Charge received in confidence.

Expect no more from servants than is just,
Reward them well if they observe their *trust*.
Sir J. Denham, Of Justice.

In my wretched case 't will be more just,
Not to have promised, than deceive your *trust*.
Dryden.

Those servants may be called to an account who have broken their *trust*.—*Sir W. Davenant.*

3. Confident opinion of any event.

His *trust* was with the Eternal to be deem'd
Equal in strength. *Milton, Paradise Lost*, ii. 46.

4. Credit given without examination.

Most take things upon *trust*, and misemploy their assent by lazily enslaving their minds to the dictates of others.—*Locke.*

5. Credit on promise of payment.

Ev'n such is time, who takes on *trust*
Our youth, our joys, our all we have,
And pays us but with age and dust.
Sir W. Raleigh.

6. Something committed to one's faith.

They cannot see all with their own eyes; they must commit many great *trusts* to their ministers.—*Bacon.*

Thou the sooner
Temptation found'st, or over potent charms,
To violate the sacred *trust* of silence
Deposited within thee.
Milton, Samson Agonistes, 426.

Our taking of a *trust* doth not engage us to disobey our Lord, or do any evil thing.—*Kettlewell.*

7. Deposit; something committed to charge, of which an account must be given.

Although the advantages one man possesseth more than another may be called his property with respect to other men, yet with respect to God they are only a *trust*.—*Swift.*

8. Confidence in supposed honesty.

Behold, I commit my daughter unto thee of special *trust*; wherefore do not entreat her evil.—*Tobit*, x. 12.

9. State of him to whom something is entrusted.

I serve him truly, that will put me in *trust*.—*Shakespear, King Lear*, i. 4.

Being transplanted out of his cold barren diocese, he was left in that great *trust* with the king.—*Lord Clarendon, History of the Grand Rebellion.*

Trust. *v. a.*

1. Place confidence in; confide in.

I'd be torn in pieces
With wild Hippolytus, nay, prove the death
Every limb over, ere I'd *trust* a woman
With wind, could I retain it.
B. Jonson, Catiline's Conspiracy, iv. 6.

2. Believe: credit.

Now, *trust* me, 'tis an office of great worth.
Shakespear, Two Gentlemen of Verona, i. 2.

3. Admit in confidence to the power over anything.

When you lie down, with a short prayer commit yourself into the hands of your faithful Creator; and when you have done, *trust* him with yourself as you must do when you are dying.—*Jeremy Taylor.*

4. Commit with confidence.

Whom with your power and fortune, sir, you *trust*,
Now to suspect is vain. *Dryden.*
Give me good fame, ye pow'rs, and make me just,
This much the rogue to publick ears will *trust*;
In private then: When wilt thou, mighty Jove,
My wealthy uncle from this world remove?
Id., Translation of Persius, ii. 15.

The isles shall wait upon me, and on mine arm shall they *trust*.—*Isaiah*, li. 5.
The word of the Lord is tried; he is a buckler to all that *trust* in him.—2 *Samuel*, xxii. 31.
The sins
Of all mankind, with him there crucified,
Never to hurt them more who rightly *trust*
In this his satisfaction.
Milton, Paradise Lost, xii. 416.

3. Be credulous; be won to confidence.

Well, you may fear too far.—Safer than *trust* too far.—*Shakespear, King Lear*, i. 4.

4. Expect.

The simplicity of the goat shews us what an honest man is to *trust* to that keeps a knave company.—*Sir R. L'Estrange.*

Trusteé. *s.*

1. One entrusted with anything.

Having made choice of such a confessor that you may trust your soul with, sincerely open your heart to him, and look upon him only as he is a *trustee* from God, commissioned by him as his ministerial deputy, to hear, judge, and absolve you.—*Jeremy Taylor, Guide to a Penitent.*

2. One to whom something is committed for the use and behoof of another.

You are not the *trustees* of the publick liberty: and if you have not right to petition in a crowd, much less have you to intermeddle in the management of affairs.—*Dryden, Epistle to the Whigs.*

Trusteéship. *s.* Condition, position, office of a trustee.

I have just had a note from Challoner, preliminary, I suppose, to my *trusteeship*.—*B. Disraeli, The Young Duke*, b. ii. ch. vi.

How slow, or quick, they ripen into size. *Sewell.*
A consumption of the lungs, without an ulceration, arrives through a schirrosity, or a crude *tubercle*.—*Harvey, Discourse of Consumptions.*

2. In *Medicine.* The older and more general use of this word was less restricted than at present. With the exception of a class of skin diseases, where the tubercle is generally more or less hard and resisting,

the term now applies almost exclusively to the characteristic deposit of Scrofula, and especially to that form which, having the lungs as its seat, is known as Phthisis, Pulmonary Phthisis, or Consumption. *Tuberculosis* is a rarer, and more especially technical, derivative; the commoner being *tuberculous*, used most correctly in reference to the parts which are affected by tubercles, and *tubercular* in reference to the disease.

Deposits [are present] in various organs or parts, of small masses, varying in size, consisting of a firm, friable, inelastic substance, resembling cheese, and denominated *tubercle*.—*Copland, Dictionary of Practical Medicine.*

These *tubercles* are masses of unorganised matter, also resembling curd or new cheese, more or less; but of various shapes and sizes. They suffer gradual changes; soften or break down; undergo a sort of suppuration; and the softer matter into which they thus, as it were, melt, has the characters that distinguish the pus of a scrofulous ulcer or abscess.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. xii.

In 1819, Lænnec . . . first showed that growths to which the name of *tubercles* was applied, formed almost the sole cause of consumption, and consequently he restricted the term phthisis to the disease produced by *tubercles* in the lungs.—*Dr. W. Aitken, Science and Practice of Medicine*, p. 189: 1868.

Tubercle may be regarded as an exudation possessing deficient vitality, sometimes grey, but more frequently of a yellowish colour, varying in size, form, and consistence, essentially composed of molecules, and irregularly formed nuclei.—*Dr. J. H. Bennett, Clinical Lectures on the Principles and Practice of Medicine*, p. 179: 1868.

Tubércular. *adj* Having the character of a tubercle.

Cancer-cells having begun to be deposited at a particular place, continue to be deposited at that place. *Tubercular* matter, making its appearance at particular points, collects more and more round those points. And similarly in numerous pustular diseases.—*Herbert Spencer, Inductions of Biology.*

Túberose. *s.* Plant akin to the lilies, and only connected with the rose so far as both are odorous, of the genus Polianthes (species, tuberosa).

The stalks of *tuberose* run up four feet high, more or less; the common way of planting them is in pots in March, in good earth.—*Mortimer, Husbandry.*

Eternal spring, with smiling verdure, here
Warms the mild air, and crowns the youthful year;
The *tuberose* ever breathes, and violets blow.
Garth.

The *tuberose* with her silvery light.
T. Moore, Lalla Rookh, The Light of the Harem.

Túberous. *adj.* [Fr. *tubereux*; Lat. *tuber* = knob.] Having prominent knots or excrescences.

Parts of *tuberous* hæmatitæ shew several varieties in the crusts, striature, and constitution of the body.—*Woodward.*

Túbular. *adj.* Resembling, consisting of, a pipe or trunk; long, hollow, and, generally, more or less, circular; fistular.

He hath a *tubular*, or pipe-like snout, resembling that of the hippocampus or horse-fish.—*Grew, Museum.*

Túbulated. *adj.* Fistular; longitudinally hollow.

The teeth of vipers are *tubulated* for the conveyance of the poison into the wound they make: but their hollowness doth not reach to the top of the tooth.—*Derham, Physico-Theology.*

Túbule. *s.* [Lat. *tubulus*.] Small pipe, or fistular body.

As the ludus Helmontii, and the other nodules, have in them sea-shells that were incorporated with them during the time of their formation at the deluge, so these stones had then incorporated with them testaceous *tubules* related to the siphunculi, or rather the vermiculi marini.—*Woodward, On Fossils.*

Túcan. *s.* [Brazilian.] In *Ornithology.* Bird of the genus Rhamphastos.

The earliest record of the existence of a species of the remarkable group of birds now so well known by their common appellation of *toucans*, occurs in the twenty-eighth chapter of Belon's Third Book, published in 1555, where a figure of the bill of Ramphastos *Toco* is given as belonging to a bird of the New World.—*Gould, Monograph of Ramphastidæ, or Family of Toucans.*

Tuch. *s.* Touch, as Touchstone.

Several parts of it were as bright and splendent as *tuch*.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 143.

Tuck. *s.* [? Welsh, *twc* = knife; ? German, *degen* = sword.] Long narrow sword.

If he by chance escape your venom'd *tuck*,
Our purpose may hold there.
Shakespear, Hamlet, iv. 7.

The Batavians running in upon them, with their long *tucks*, thrusting at the face, had made good riddance of them.—*Milton, History of England*, b. ii.

These being primed, with force he labour'd
To free 's sword from retentive scabbard;
And, after many a painful pluck,
From rusty durance he bail'd *tuck*.
Butler, Hudibras, i. 2, 89.

Tuck. *s.* Kind of net.

The *tuck* is narrower meshed, and therefore scarce lawful, with a long bunt in the midst.—*Carew, Survey of Cornwall.*

Tuck. *s.*

1. In *Dress.* Kind of fold, or duplicature of the dress, running round the body or a part of it (rather than longitudinally), and so, when unfolded, undoubled, or let down, enlarging the part to which it belongs.
2. Sort of pull; kind of lugging.

If he was dull, nothing was given to him but salted drink, or salt put in college beer, with *tucks* to boot.—*Life of A. Wood*, p. 46.

Tuck. *v. a.*

1. Gather into a narrower compass; crush together; hinder from spreading: (with an *adverb* or *preposition*; generally with *up*).

She *tucked up* her vestments, like a Spartan virgin, and marched directly forwards to the utmost summit of the promontory.—*Addison, Spectator.*

Dick adept! *tuck* back thy hair,
And I will pour into thy ear
Remarks which none did e'er disclose
In smooth-paced verse or hobbling prose.
Prior, Alma, iii. 141.

2. Inclose, by tucking clothes round.

Make his bed after different fashions, that he may not feel every little change, who is not to have his maid always to lay all things in print and *tuck* him in warm.—*Locke, Thoughts on Education.*

Tuck. *v. n.* Contract.

An ulcer discharging a nasty thin ichor, the edges *tuck* in, and growing skinned and hard, give it the name of a callous ulcer.—*Sharp, Surgery.*

Túcker. *s.* Small piece of linen that shades the breast of women.

A female ornament by some called a *tucker*, and by others the neck-piece, being a slip of fine linen or muslin, used to run in a small kind of ruffle round the uppermost verge of the stays.—*Addison, Guardian.*

Túcket. *s.* [Italian, *tocchetti* = minced meat, collops; L. Lat. *tucetum*.] Steak; collop.

Neither will the pulse and leeks, Lavinian sausauges, and the Cisalpine *tucets* or gobbets of condited bull's flesh, minister such delicate spirits to the thinking man.—*Jeremy Taylor, Sermons*, p. 212: 1653.

Túcket. *s.* [Italian, *toccata*.] Kind of flourish or prelude on a trumpet.

(A *tucket* sounds:)
Your husband is at hand, I hear his trumpet.
Shakespear, Othello, ii. 1.

Túcketsonance. *s.* Sound of the tucket: (*two words* rather than a *compound*).

Let the trumpets sound
The *tucketsonance* and the note to mount.
Shakespear, Henry V. iv. 2.

Tuésday. *s.* [A.S. *Tiuesdæg*.] Name for the third day of the week. The exact form of the denomination of the old heathen deity in the nominative case is only to be got at by inference. In the Old Norse we have both the forms *Tysdagr* = Tuesday, Dies Martis, as the name of a day of the week, and *Tyr* as the name of a god in the Edda and Heimskringla. Of *Tyr* the genitive case would be *Tys*. The Old High German for Tuesday is *Ziestac*. Putting all this together, Grimm gets as a result *Tiv* as the Anglo-Saxon, as *Zie* is the Old German nominative. In the Mœso-Gothic we find neither the name of the god nor of the day of the week; analogy, however, gives us:—nominative, *Tius*; genitive, *Tivis*; dative, *Tiva*; accusative, *Tiu*; vocative, *Tiu*, which brings the word, with its inflections, in direct connection with the Sanskrit, *Djaus, divas, divê, divam, djaus*; the Greek, Ζεύς, Διός, Διΐ, Δία, Ζεῦ; and the Latin *Ju-(piter), Jovis, Jovi, Jovem, Ju(piter)*; these leading us to *Deus* and Θεὸς = God.

In the Edda, Odin is the supreme god, but there is evidence that before his pre-eminence was established, Tyr was worshipped as the principal deity of the Germans, being etymologically the same as the Greek Zeus. The name survives in the Anglo-Saxon *Tiwesdæg, Tuesday*; in the names of places, as Tewesley, Tewing; and of flowers, as in the Old Norse Týsfiola, Týsvidr. According to Tacitus, the Germans spoke of themselves as sprung from Tuisco, and his son Mannus.—*Cox*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Túfa. *s.* [Italian; from Lat. *tophus* = gravel.] See extract.

Tufa [is] a name applied in Italy to certain porous loose rocks, sometimes consisting chiefly of calcareous matter deposited from water containing much carbonate of lime in solution, and sometimes of fine powdery volcanic dust cemented more or less completely by the infiltration of water, but generally loose and spongy. This dust consists of material erupted from volcanoes, and under the microscope has sometimes been found to contain large quantities of the silicious cases of infusoria. The first-named variety is called Calcareous *tufa*, the last-named Volcanic *tufa* or *tuff*. Volcanic *tufa* is the material under which Pompeii was buried. Similar materials have been deposited in places where there are no other indications of volcanic action, and occur among rocks of all ages. Calcareous *tufa* when consolidated passes into travertine.—*Ansted*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Tuff. *s.* Tufa.

In the neighbourhood of Naples there are stratified *tuffs*, containing a large number of fossil shells agreeing specifically with those now living in the Mediterranean.—*Sir C. Lyell, Elements of Geology*, ch. xiii.

Tuftáffaty. *s.* Villous kind of silk.

His clothes were strange, though coarse, and black, though bare:
Sleeveless his jerkin was, and it had been
Velvet: but it was now, so much ground was seen,
Become *tufftaffaty*. *Donne, Satires.*

Túft. *v. a.*

1. Separate into tufts or little clusters.

The labouring hunter *tufts* the thicke unbarbed grounds,
Where harbor'd is the hart.
Drayton, Polyolbion, song xiii.

2. Adorn with a tuft.

Sit beneath the shade
Of solemn oaks, that *tuft* the swelling mounts,
Thrown graceful round. *Thomson, Seasons, Spring.*

Tuft. *s.* [N.Fr. *touffe, toufet*.]

1. Number of threads or ribbons, flowery leaves, or any small bodies joined together.

Upon sweet brier, a fine *tuft* or brush of moss of divers colours you shall ever find full of white worms.—*Bacon.*

The male among birds often appears in a crest, comb, or *tuft* of feathers, or a natural little plume, erected like a pinnacle on the top of the head.—*Addison, Spectator.*

2. Cluster; plump.

Going a little aside into the wood, where many times before she delighted to walk, her eyes were saluted with a *tuft* of trees so close set together, as with the shade the moon gave through it, it might breed a fearful kind of devotion to look upon it.—*Sir P. Sidney.*

With high woods the hills were crown'd;
With *tufts* the valleys, and each fountain side
With borders 'long the rivers.
Milton, Paradise Lost, vii. 326.

Under a *tuft* of shade, that on a green
Stood whisp'ring soft, by a fresh fountain side
They sat them down. *Ibid.* iv. 325.

Gentlemen . . . must grow *tufts* under their chin, like so many real aristocrats.—*Thackeray, Book of Snobs*, ch. xvii.

Bull hunts *tufts* on the continent, and is a sort of amateur courier.—*Ibid.* ch. xxi.

Túft-hunter. *s.* One who over-sedulously courts the acquaintance of people of rank.

At Eton a great deal of snobbishness was thrashed out of Lord Buckram, and he was birched with perfect impartiality. Even there, however, a select band of sucking *tuft-hunters* followed him.—*Thackeray, Book of Snobs*, ch. v.

Túfted. *adj.* Growing in tufts or clusters.

There does a sable cloud
Turn forth her silver lining on the night,
And cast a gleam over this *tufted* grove.
Milton, Comus, 223.

Towers and battlements it sees,
Bosom'd high in *tufted* trees. *Id., L'Allegro*, 77.

Túfty. *adj.* Adorned with tufts; growing in tufts. *Rare.*

The sylvans that about the neighbouring woods did dwell,
Both in the *tufty* frith and in the mossy fell.
Drayton, Polyolbion, song xvii.

Where *tufty* daisies nod at every gale.
W. Browne, Britannia's Pastorals, b. i. song v.

Tug. *v. a.* [A.S. *teogan.*]

1. Pull with strength long continued in the utmost exertion; draw.

No more *tug* one another thus, nor moil yourselves; receive
Praise equal; conquest crown ye both: the lists to others leave.
Chapman, Translation of the Iliad.

These two massy pillars
With horrible confusion to and fro
He *tugg'd*, he shook, till down they came, and drew
Upon the heads of all that sat beneath
The whole roof after them, with burst of thunder.
Milton, Samson Agonistes, 1648.

2. Pull; pluck.

Priest, beware thy beard;
I mean to *tug* it, and to cuff you soundly.
Shakespear, Henry VI. Part I. i. 3.

Tug. *v. n.*

1. Pull.

The meaner sort will *tug* lustily at the oar.—*Sandys.*

Willing at the oar
Thus galley-slaves *tug*. *Dryden.*

We have been *tugging* a great while against the stream, and have almost weathered our point; a stretch or two more will do the work; but if instead of that we slacken our arms, and drop our oars, we shall be hurried back to the place from whence we set out.—*Addison, Present State of the War.*

2. Labour; contend; struggle.

His face is black and full of blood,
His hands abroad display'd, as one that grasp't
And *tugg'd* for life.
Shakespear, Henry VI. Part II. iii. 2.

Thou wast not made for lucre,
For pleasure, nor for rest,
Thou that art sprung from the war-god's loins,
And hast *tugged* at the she-wolf's breast.
Macaulay, Lays of Ancient Rome, The Prophecy of Capys.

Tug. *s.*

1. Pull performed with the utmost effort.

Downward by the feet he drew
The trembling dastard: at the *tug* he falls.
Dryden, Translation of the Æneid, ix. 758.

2. Vessel used for towing other vessels: (common as the *second element* in a *compound* with *steam*; as, *steam-tug*).

Túgging. *verbal abs.* Act of one who tugs; violent pulling.

There is *tugging* and pulling this way and that.—*Dr. H. More.*

Tuition. *s.* [Lat. *tuitio, -onis.*] Guardianship; superintendent care; care of a guardian or tutor.

A folly for a man of wisdom to put himself under the *tuition* of a beast.—*Sir P. Sidney.*

If government depends upon religion, this shews the pestilential design of those that attempt to disjoin the civil and ecclesiastical interests, setting the latter wholly out of the *tuition* of the former.—*South, Sermons.*

When so much true life is put into them, freely talk with them about what most delights them, that they may perceive that those under whose *tuition* they are, are not enemies to their satisfaction.—*Locke.*

Túlip. *s.* [? German, *tülpe.*] Slang expression as in 'Go it my *tulips*,' i.e. mates, fellows.

Túlip. *s.* [Fr. *tulipe*; L.Lat. *tulipa*; from Persian, *tuliban* = turban.] Garden plant of the genus Tulipa.

The *tulip* opens with the rising, and shuts with the setting sun.—*Hakewill, Apology.*

Why *tulips* of one colour produce some of another, and, running through all, still escape a blue.—*Sir T. Browne, Vulgar Errours.*

The properties of a good *tulip* are, 1. It should have a tall stem. 2. The flower should consist of six leaves, three within, and three without, the former being larger than the latter. 3. Their bottom should be proportioned to their top; their upper part should be rounded off, and not terminate in a point. 4. The leaves when opened should neither turn inward nor bend outward, but rather stand erect; the flower should be of a middling size, neither over large nor too small. 5. The stripes should be small and regular, arising quite from the bottom of the flower. The chives should not be yellow, but of a brown colour. They are generally divided into three classes, viz. præcoces, or early flowers; medias, or middling flowers; and serotines, or late flowers. The early blowing *tulips* are not near so fair, nor rise half so high as the late ones, but are chiefly valued for appearing so early in the spring.—*Miller, Gardener's Dictionary.*

Tulipa Gesneriana, the *tulip* of gardens, has been a favourite object of the florist's care for three centuries. Gesner, who first made it known by a botanical description and figure, saw it in A.D 1559 at Augsburg, the seeds having been brought from the Levant. It was at that time known in Italy under the name of *tulipa*, given to it on account of its resembling a turban, *tulbent.—Brande and Cox, Dictionary of Science, Literature, and Art.*

Túliptree. *s.* In *Botany.* Ornamental tree with flowers that have been likened to a tulip, introduced from North America, of the genus Liriodendron (tulipifera).

Bands of the fierce horsemen of Mysore had already been seen prowling among the *tulip-trees*, and near the gay verandas.—*Macaulay, Critical and Historical Essays, Warren Hastings.*

Túmble. *v. n.* [Fr. *tomber.*]

1. Fall; come suddenly and violently to the ground.

Though the treasure
Of nature's germins *tumble* all together,
Answer me. *Shakespear, Macbeth*, iv. 1.

To stand or walk, to rise or *tumble*,
As matter and as motion jumble. *Prior.*

Sisyphus lifts his stone up the hill; which carried to the top, it immediately *tumbles* to the bottom.—*Addison.*

2. Fall in great quantities tumultuously.

When riches come by the course of inheritance and testaments, they come *tumbling* upon a man.—*Bacon.*

3. Roll about.

I saw at the bottom of one tree a gentleman bound with many garters hand and foot, so as well he might *tumble* and toss.—*Sir P. Sidney.*

Túmble. *v. a.*

1. Turn over; throw about by way of examination.

When it came to the ears of Maximilian, and *tumbling* it over and over in his thoughts, that he should at one blow be defeated of the marriage of his daughter and his own, he lost all patience.—*Bacon, History of the Reign of Henry VII.*

They *tumbled* all their little quivers o'er,
To chuse propitious shafts.
Prior, Henry and Emma, 724.

2. Throw by chance or violence.

The mind often sets itself on work in search of some hidden ideas; though sometimes they are rouzed and *tumbled* out of their dark cells into open day light by some turbulent passions.—*Locke.*

3. Throw down.

Wilt thou still be hammering treachery,
To *tumble* down thy husband and thyself,
From top of honour to disgrace's feet?
Shakespear, Henry VI. Part II. i. 2.

King Lycurgus, while he fought in vain
His friend to free, was *tumbled* on the plain.
Dryden, Palamon and Arcite, iii. 652.

If a greater force than his holds him fast, or *tumbles* him down, he is no longer free.—*Locke.*

Túmble. *s.* Fall.

A country-fellow got an unlucky *tumble* from a tree: why, says a passenger, I could have taught you a way to climb, and never hurt yourself with a fall.—*Sir R. L'Estrange.*

Túmble-home. *s.* In *Navigation.* Bending inwards of the upper timbers of a ship's side.

Túmbler. *s.*

1. One who tumbles; one who shows postures by various contortions of body, or feats of activity.

What strange agility and activeness do common *tumblers* and dancers on the rope attain to by exercise!—*Bishop Wilkins.*

Nic. bounced up with a spring equal to that of the nimblest *tumblers* or rope-dancers.—*Arbuthnot.*

Never by *tumbler* thro' the hoops was shown
Such skill in passing all, and touching none.
Pope, Dunciad, iv. 257.

2. Large drinking glass.

'If,' said Mr. Stiggins, 'if there is any one of them less odious than another, it is the liquor called rum. Warm, my dear young friend, with three lumps of sugar to the *tumbler*.'—*Dickens, Pickwick Papers*, ch. xlv.

The room was fragrant with the smell of punch, a *tumbler* of which grateful compound stood upon a small round table, convenient to the hand of Mr. Mould; so deftly mixed, that as his eye looked down into the cool transparent drink, another eye, peering brightly from behind the crisp lemon-peel, looked up at him, and twinkled like a star.—*Id., Martin Chuzzlewit*, ch. xxv.

3. Fancy pigeon, so called from tumbling and throwing itself over as it flies.

The *tumbler*, in its flight, will tumble itself backward over its head.—*Rees, Cyclopædia, Pigeon.*

4. Sort of dog.

The *tumbler* and lurcher ought to be reckoned by themselves.—*Swan, Speculum Mundi*, ch. ix. § 1.

Túmbling. *part. adj.* Rolling.

Glo'ster stumbled, and in falling struck me
Into the *tumbling* billows of the main.
Shakespear, Richard III. i. 4.

Túmbling. *verbal abs.* Act of one who tumbles; performance of a tumbler.

Reform our sense, and teach the men t' obey;
They'll leave their *tumbling*, if you lead the way.
Rowe.

Túmblerful. *s.* Quantity of liquid sufficient to fill a tumbler.

Suddenly he looked up, and called for brandy; and, to my surprise, and I fear admiration, he drank nearly half a *tumblerful* of that poison undiluted, with a composure that spoke of habitual use.—*Lord Lytton, The Caxtons*, b. iv. ch. iii.

Túmbril. *s.* [Old Fr. *tomberel, tumerel, tumereau*; Modern Fr. *tombereau*; from L.Lat. *tombarellus, tumbarellus, tumberellum, tumbrellum.* This is derived from *tomber* = fall; the original *tumbril* being a truck of the same kind with the one now in use, wherein the wheels, one on each side, are so placed that when the body of the vehicle (often consisting of a mere flat table without sides) is unloaded, it turns over, shooting out at once what it carries; the materials that can thus be disposed being of little value, often rubbish. In the previous editions it is explained, 'dung-cart.' The *tombereau* of the French is most frequently noticed as the vehicle from which the corpses of the victims of the Revolution were shot out. The vehicle in which bawds were carted, and from which they could be unceremoniously shot out from was a *tumbril.* So also were some of the kind of ducking-stools. '*Tumbrellum*, Gallice, *Tombereau*, instrumentum fuisse volunt inventum ad castigandum mulieres rixosas, quo in aquam dejiciuntur, immerguntur, et inde madidæ et potæ extrahuntur. Cowellus ait esse plaustrum in quo fornicationis aut adulterii rei, contumeliæ causa, per civitatem aut burgum circumferuntur.' (Ducange, *Tumbrellum.*) Of its use as an engine of punishment all the instances in Ducange are from either England or Scotland; the *pœna tymboralis*, or *tumberelli* being associated with that of the *pillory.*] In Johnson's Farmer's Encyclopædia a distinction is drawn between *Tumbrel*, a dung-cart, &c., and *Tumbril*, which are given under separate entries. The latter is a term said to be chiefly current in Lincolnshire, where it is used for the purpose of giving hay to the sheep during winter. It is a circular cage or crib made of osiers or any wood pliant enough for the purpose. It is about ten feet in circumference and closely wattled to the height of a foot, where a break of about eighteen inches in height leaves an opening through which sheep can feed; above this it is again wattled. The staves that support the wattling are about ten inches asunder. About twelve sheep may feed from each tumbril. Here the connection with *tomber* = fall, is either wanting or concealed.

Twifallow once ended, get *tumbrel* and man,
And compass that fallow as soon as ye can.
Tusser, Five Hundred Points of good Husbandry.

My corps is in a *tumbril* laid, among
The filth and ordure, and inclosed with dung;
That cart arrest, and raise a common cry,
For sacred hunger of my gold I die.
Dryden, The Cock and the Fox, 251.

What shall I do with this beastly *tumbril?* go lie down and sleep, you sot.—*Congreve.*

He sometimes rode in an open *tumbril.*—*Tatler.*

Nightly come his *tumbrils* to the Luxembourg, with the fatal roll-call.—*Carlyle, French Revolution*, b. iii. ch. vi.

Tumefáction. *s.* [Lat. *tumefactio, -onis.*] Swelling.

The common signs and effects of weak fibres, are paleness, a weak pulse, *tumefactions* in the whole body.—*Arbuthnot.*

Túmefy. *v. a.* [Lat. *tumefacio.*] Swell; make to swell.

A fleshy excrescence, exceeding hard and *tumefied*, supposed to demand extirpation.—*Sharp, Surgery.*

Túmid. *adj.* [Lat. *tumidus.*]

1. Swelling; puffed up.
2. Protuberant; raised above the level.

So high as heaved the *tumid* hills, so low
Down sunk a hollow bottom broad and deep,
Capacious bed of waters.
Milton, Paradise Lost, vii. 288.

3. Pompous; boastful; puffy; falsely sublime.

Though such expressions may seem *tumid* and aspiring; yet cannot I scruple to use seeming hyperboles in mentioning felicities, which make the highest hyperboles but seeming ones.—*Boyle.*

Túmorous. *adj.*

1. Swelling; protuberant.

Who ever saw any cypress or pine, small below and above, and *tumorous* in the middle, unless some diseased plant?—*Sir H. Wotton.*

2. Fastuous; vainly pompous; falsely magnificent.

According to their subject, these stiles vary; for that which is high and lofty, declaring excellent matter, becomes vast and *tumorous*, speaking of petty and inferior things.—*B. Jonson.*

His limbs were rather sturdy than dainty, sublime and almost *tumorous* in his looks and gestures, —*Sir H. Wotton.*

When Pride first made ascent from hell,
To take the world's survey, she 'gan to swell;
And in her *tumorous* thoughts presumed to reign
O'er the whole earth.
Heywood, Hierarchy of Angels, p. 132: 1635.

Túmour. *s.* [Lat. *tumor.*]

1. Morbid swelling.

Having dissected this swelling vice, and seen what it is that feeds the *tumour*, if the disease be founded in pride, the abating that is the most natural remedy.—*Dr. H. More, Government of the Tongue.*

The formation of knots and *tumours* in any part of the body, external or internal, that degenerate at length into an ulcer, arises from this, that some parts of the blood becoming by their size or figure disproportioned to the small winding channels of the glands, cannot freely slip through.—*Sir R. Blackmore.*

Tumour is a disease, in which the parts recede from their natural state by an undue encrease of their bigness.—*Wiseman, Surgery.*

2. Swell or rise of water.

One *tumour* drown'd another, billows strove
To outswell ambition, water air outdrove.
B. Jonson, Masques at Court.

3. Affected pomp; false magnificence; puffy grandeur; swelling mien; unsubstantial greatness.

His stile was rich of phrase, but seldom in bold metaphors; and so far from the *tumour*, that it rather wants a little elevation.—*Sir H. Wotton.*

It is not the power of *tumour* and bold looks upon the passions of the multitude.—*Sir R. L'Estrange.*

Túmour. *v. a.* Swell.

Túmoured. *part. adj.* Distended; swollen; puffed up. *Rare.*

You shall see a man look like the four winds in painting, as if he would blow away the enemy; and yet, at the very first onset, suffer fear and trembling to dress themselves in his face apparently! And commonly where there is least heart, there is most tongue. And lightly if we note such an one, he seldom unbuttons his *tumored* breast, but when he finds none to oppose the bigness of his looks and tongue!—*Junius, Sin Stigmatized*, p. 50: 1639.

Tump. *s.* Small low mound.

Tump. *v. a.* In *Gardening.* Raise a tump or mound.

Túmulate. *v. n.* [Lat. *tumulatus*; pass. part. of *tumulo.*]

Urinous spirits, or volatile alkalies, are such enemies to acid, that as soon as they are put together, they *tumulate* and grow hot, and continue to fight till they have disarmed or mortified each other.—*Boyle.*

Túmult. *s.* [Fr. *tumulte*; Lat. *tumultus.*]

1. Promiscuous commotion in a multitude.

A *tumult* is improved into a rebellion, and a government overturned by it.—*Sir R. L'Estrange.*

With ireful taunts each other they oppose,
Till in loud *tumult* all the Greeks arose. *Pope.*

2. Stir; irregular violence; multitude put into wild commotion.

What stir is this? what *tumult's* in the heav'ns?
Whence cometh this alarum and this noise?
Shakespear, Henry VI. Part I. i. 4.

Tumult and confusion all embroil'd.
Milton, Paradise Lost, ii. 966.

This piece of poetry, what can be nobler than the idea it gives us of the Supreme Being thus raising a *tumult* among the elements, and recovering them out of their confusion; thus troubling and becalming nature?—*Addison, Spectator.*

Túmult. *v. n.* Make a tumult; be in wild commotion. *Rare.*

They who attended them without, *tumulting* at the death of their masters, were beaten back.—*Milton, History of England*, b. vi.

Why do the Gentiles *tumult*, and the nations
Muse a vain thing? *Id., Paraphrase of Psalm II.*

Túmulter. *s.* One who makes a tumult; rioter. *Rare.*

The governour found it a work so difficult to appease them, that once in a mutiny he was left for dead among many slain; and though afterwards he severely punished the *tumulters*, was fain at length to seek a dismission from his charge.—*Milton, History of England*, b. ii.

Tumúltuarily. *adv.* In a tumultuary manner.

Divers thousands of the Jews *tumultuarily* resisted.—*Sandys, Christ's Passion*, notes, p. 95: 1640.

Tumúltuariness. *s.* Attribute suggested by Tumultuary; turbulence; inclination or disposition to tumults or commotions.

The *tumultuariness* of the people, or the factiousness of presbyters, gave occasion to invent new models.—*Eikon Basilike.*

Tumúltuary. *adj.* [Fr. *tumultuaire.*]

1. Disorderly; promiscuous; confused.

Perkin had learned, that people under command used to consult, and after to march in order, and rebels contrariwise; and observing their orderly, and not *tumultuary* arming, doubted the worst.—*Bacon, History of the Reign of Henry VII.*

My followers were at that time no way proportionable to hazard a *tumultuary* conflict.—*Eikon Basilike.*

Is it likely that the divided atoms should keep the same ranks in such a variety of *tumultuary* agitations in that liquid medium.—*Glanville, Scepsis Scientifica.*

The latter [the administration of justice] had always indeed been exercised in the sight of the people by the count and his assessors under the Lombard and Carlovingian sovereigns; but the laws were rude, the proceedings *tumultuary*, and the decisions perverted by violence.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. ix.

2. Restless; put into irregular commotion.

Men who live without religion, live always in a *tumultuary* and restless state.—*Bishop Atterbury.*

Tumúltuate. *v. n.* [Lat. *tumultuatus*; pret. part. of *tumultuor.*] Make a tumult; rage; storm.

Like an opposed torrent, it *tumultuates*, grows higher and higher.—*South, Sermons.*

These being mere productions and improvements of matter, are they that *tumultuate* within our breast; and, being disposed to excess, excite us to rebel against all the rules of goodness.—*Lord North, Light in the Way to Paradise*, p. 124: 1682.

Tumultuátion. *s.* Irregular and confused agitation.

That in the sound the contiguous air receives many strokes from the particles of the liquor, seems probable by the sudden and eager *tumultuation* of its parts.—*Boyle.*

Tumúltuous. *adj.* [Fr. *tumultueux.*]

1. Violently carried on by disorderly multitudes.

Many civil broils, and *tumultuous* rebellions, they fairly overcame, by reason of the continual presence of their king, whose only person oftentimes contains the unruly people from a thousand evil occasions.—*Spenser, View of the State of Ireland.*

The cardinals, of whom the majority were French, having assembled in conclave, for the election of a successor to Gregory XI., were disturbed by a *tumultuous* populace, who demanded with menaces a Roman, or at least an Italian pope.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. vii.

2. Put into violent commotion; irregularly and confusedly agitated.

The strong rebuff of some *tumultuous* cloud,
Instinct with fire and nitre, hurried him
As many miles aloft. *Milton, Paradise Lost*, ii. 936.

His dire attempt; which nigh the birth
Now rolling, boils in his *tumultuous* breast,
And like a devilish engine back recoils
Upon himself. *Ibid.* iv. 15.

The vital blood, that had forsook my heart,
Returns again in such *tumultuous* tides,
It quite o'ercomes me. *Addison, Cato.*

3. Turbulent; violent.

Nought rests for me in this *tumultuous* strife,
But to make open proclamation.
Shakespear, Henry VI. Part I. i. 3.

Furiously running in upon him with *tumultuous* speech, he violently raught from his head his rich cap of sables.—*Knolles, History of the Turks.*

4. Full of tumults.

The winds began to speak louder, and as in a *tumultuous* kingdom, to think themselves fittest instruments of commandment.—*Sir P. Sidney.*

Tumúltuously. *adv.* In a tumultuous manner; by act of the multitude; with confusion and violence.

It was done by edict, not *tumultuously*; the sword was not put into the people's hand.—*Bacon, Advertisement touching a Holy War.*

Tumúltuousness. *s.* Attribute suggested by Tumultuous; state of being tumultuous.

Keep down this boiling and *tumultuousness* of the soul.—*Hammond, Works*, iv. 814.

Túmulus. *s.* In *Archeology.* Mound; barrow, for which it is the Latin name.

Tun. *s.* [A.S. *tunne.*]

1. Large cask.

As when a spark
Lights on a heap of powder, laid
Fit for the *tun*, some magazine to store
Against a rumour'd war.
Milton, Paradise Lost, iv. 814.

2. Measure of four hogsheads.
3. Any large quantity proverbially.

I have ever follow'd thee with hate,
Drawn *tuns* of blood out of thy country's breast.
Shakespear, Coriolanus, iv. 5.

4. Drunkard.

Here's a *tun* of midnight work to come,
Og from a treason-tavern rolling home.
Dryden, Absalom and Achitophel, ii. 458.

5. Weight of two thousand pounds.
6. Cubic space in a ship, supposed to contain a tun.

So fenced about with rocks and lets, that without knowledge of the passages, a boat of ten *tuns* cannot be brought into the haven.—*Heylin.*

7. Dryden has used it for a perimetrical measure, I believe without precedent or propriety. (Johnson.)

A *tun* about was every pillar there;
A polish'd mirrour shone not half so clear.
Dryden, Palamon and Arcite, ii. 558.

Tun. *v. a.* Put into casks; barrel.

If in the must, or wort, while it worketh, before it be *tunned*, the burrage stay a time, and be often changed with fresh, it will make a sovereign drink for melancholy.—*Bacon.*

The same fermented juice degenerating into vinegar, yields an acid and corroding spirit. The same juice *tunned* up, arms itself with tartar.—*Boyle.*

Túnable. *adj.* Harmonious; musical.

A cry more *tunable*
Was never halloo'd to, nor cheer'd with horn.
Shakespear, Midsummer-Night's Dream, iv. 1.

Hard are the ways of truth, and rough to walk,
Smooth on the tongue discoursed, pleasing to th' ear,
And *tunable* as sylvan pipe or song.
Milton, Paradise Regained, i. 478.

Several lines in Virgil are not altogether *tunable* to a modern ear.—*Garth, Preface to Translation of Ovid's Metamorphoses.*

Túnableness. *s.* Attribute suggested by Tunable.

The same ever honoured knight had the veneration for the *tuneableness* and chiming of verse, that he speaks of a poet as one that has 'the reverend title of a rhymer.'—*Swift, Advice to a Poet.*

A general *tunableness* in the verse will carry a man on strangely.—*Spence, On Pope's Odyssey* (Ord MS.)

Túnably. *adv.* In a tunable manner; harmoniously; melodiously.

He cannot wel fly,
Nor synge *tunably*. *Skelton, Poems*, p. 229.

Túndish. *s.* Tunnel.

Filling a bottle with a *tundish*.—*Shakespear, Measure for Measure*. iii. 2.

Túndra. *s.* [Russian, from the Turkish of Siberia.] Term applied to the steppes of Northern Asia, beyond the tree-line, where the vegetation takes an Arctic character.

His [Nestorius's] sect spread through the east, and became a flourishing church. It reached China ... Its missionaries traversed the frozen *tundras* of Siberia, preaching their maimed gospel to the wild hordes which haunted those dreary wastes.—*Baring Gould, Myths of the Middle Ages, Prester John.*

Tune. *s.* [Italian, *tuono*; Fr. *ton*; Gr. τόνος, from the root of τείνω = I stretch.]

1. Diversity of notes put melodiously together.

Tunes and airs have in themselves some affinity with the affections; as merry *tunes*, doleful *tunes*, solemn *tunes*, *tunes* inclining men's minds to pity, warlike *tunes*; so that *tunes* have a predisposition to the motion of the spirits.—*Bacon.*

The *tune* I still retain, but not the words.
Dryden, Translation of Virgil, Eclogues, ix. 62.

2. Sound; note.

Such a noise arose
As the shrouds make at sea in a stiff tempest,
As loud, and to as many *tunes*.
Shakespear, Henry VIII. iv. 1.

3. Harmony; order; concert of parts.

Keep unsteady nature to her law,
And the low world in measured motion draw
After the heavenly *tune*, which none can hear
Of human mould with gross unpurged ear.
Milton, Arcades, 70.

4. State of giving the due sounds: (as, 'The fiddle is in *tune*, or out of *tune*').

5. Proper state for use or application; right disposition; fit temper; proper humour.

A child will learn three times as much when he is in *tune* as he will with double the time and pains, when he goes awkwardly, or is dragged unwillingly to it.—*Locke.*

6. State of anything with respect to order.

The poor distressed Lear is in the town,
Who sometime, in his better *tune*, remembers
What we are come about.
Shakespear, King Lear, iv. 3.

Tune. *v. a.*

1. Put into such a state, as that the proper sounds may be produced.

Their golden harps they took,
Harps ever *tuned* that glitter'd by their side.
Milton, Paradise Lost, iii. 365.

Tune your harps,
Ye angels, to that sound; and thou, my heart,
Make room to entertain thy flowing joy.
Dryden, Spanish Friar, ii. 2.

2. Sing harmoniously.

Fountains, and ye that warble as ye flow,
Melodious murmurs, warbling *tune* his praise.
Milton, Paradise Lost, v. 195.

Rouze up, ye Thebans; *tune* your Io Pæans;
Your king returns, the Argians are o'ercome.
Dryden and Lee, Œdipus, i. 1.

Leave such to *tune* their own dull rhymes, and know
What's roundly smooth, and languishingly slow.
Pope, Essay on Criticism, ii. 358.

3. Put into order, so as to produce the proper effect.

Especially he hath incurred the everlasting displeasure of the king, who had even *tuned* his bounty to sing happiness to him.—*Shakespear, All's well that ends well*, iv. 3.

Tune. *v. n.* Form one sound to another.

The winds were hush'd, no leaf so small
At all was seen to stir;
Whilst *tuning* to the water's fall,
The small birds sang to her. *Drayton, Cynthia.*

Túneful. *adj.* Musical; harmonious.

He saw a pleasant grove,
With chant of *tuneful* birds resounding love.
Milton, Paradise Regained, ii. 289.

Earth smiles with flow'rs renewing, laughs the sky,
And birds to lays of love their *tuneful* notes apply.
Dryden.

For thy own glory sing our sov'reign's praise,
God of verses and of days!
Let all the *tuneful* sons adorn
Their lasting works with William's name.
Prior, Hymn to the Sun.

Poets themselves must fall, like those they sung,
Deaf the praised ear, and mute the *tuneful* tongue.
Pope.

Túneless. *adj.* Wanting tune; unharmonious; unmusical.

When in my hand my *tuneless* harp I take,
Then do I more augment my foes despight.
Spenser.

Swallow, what dost thou
With thy *tuneless* serenade? *Cowley.*

Túner. *s.* One who, that which, tunes.

The pox of such antick, lisping, affected phantasies, these new *tuners* of accents.—*Shakespear, Romeo and Juliet*, ii. 4.

Túngsten. *s.* [Swedish, *tung* = heavy + *sten* = stone.] In *Chemistry*. Metal so called. (The form of the word, according to the technical nomenclature is *tungstenium*; its acid being the *tungstic*, and its salts the *tungstates*. It is sometimes called *Wolframium*. See under Wolfram.)

The ores of this metal are the native *tungstate* of lime, and the *tungstate* of iron and magnesia; the latter mineral, known under the name of *Wolfram*. *Tungsten* is a white, hard, and brittle metal, very difficult of fusion, and having the high specific gravity of 17·4.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Túnic. *s.* [Lat. *tunica*; Fr. *tunique*; A.S. *tunece*.]

1. Part of the Roman dress.

The *tunicks* of the Romans, which answer to our waistcoats, were without ornaments, and with very short sleeves.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

2. Natural covering; integument; tunicle.

Lohocks and syrups abate and demulce the hoarseness of a cough, by mollifying the ruggedness of the intern *tunick* of the gullet.—*Harvey, Discourse on Consumptions.*

The dropsy of the tunica vaginalis is owing to a preternatural discharge of that water continually separating on the internal surface of the *tunick*.—*Sharp, Surgery.*

Túnicle. *s.*

1. Natural cover; integument.

The humours and *tunicles* are purely transparent, to let in the light and colour unsoiled.—*Ray.*

One single grain of wheat, barley, or rye, shall contain four or five distinct plants under one common *tunicle*; a very convincing argument of the providence of God.—*Bentley.*

2. Formerly a kind of cope worn by the officiating clergy. *Obsolete.*

She is florishingly decked ... with many kyndes of ornamentes, as copes, corporasses, chesibles, *tunicles*.—*Bale, Discourse on the Revelations*, pt. ii.: 1550.

Tunicles Durand describes to have been a silk sky-coloured coat made in the shape of a cope.—*Wheatly, Rational Illustration of the Book of Common Prayer*, ch. ii. § 4.

Túning. *verbal abs.* Act of singing or playing in concert; act or method of putting into tune.

All organs of sweet stop,
All sounds on fret by string or golden wire
Temper'd soft *tunings*.
Milton, Paradise Lost, vii. 596.

Túnnage. *s.*

1. Content of a vessel measured by the tun.

The consideration of the riches of the ancients leads to that of their trade, and to inquire into the bulk and *tunnage* of their shipping.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

2. Tax laid by a tun: (as, to levy *tunnage* and poundage).

Túnnel. *s.* [A.S. *tænel*.]

1. Shaft of a chimney; passage for the smoke.

It was a vault ybuilt for great dispence,
With many ranges rear'd along the wall,
And one great chimney, whose long *tunnel* thence
The smoak forth threw. *Spenser, Faerie Queen.*

2. Funnel; pipe by which liquor is poured into vessels.

For the help of the hearing, make an instrument like a *tunnel*, the narrow part of the bigness of the hole of the ear, and the broader end much larger.—*Bacon.*

3. Net wide at the mouth, and ending in a point, and so resembling a funnel or tunnel.

4. Opening or excavation for passage through a hill or under a river.

Túnnel. *v. a.*

1. Form like a tunnel.

Some birds not only weave the fibrous parts of vegetables, and curiously *tunnel* them into nests, but artificially suspend them on the twigs of trees.—*Derham, Physico-Theology.*

The Phalænæ tribe inhabit the *tunnelled* convolved leaves.—*Ibid.*

2. Catch in a tunnel net.

3. Excavate a passage through rising ground or a hill.

Túnny. *s.* [Lat. *thynnus*; Gr. θύννος.] In *Ichthyology*. Fish of the genus Thynnus (vulgaris).

Some fish are boiled and preserved fresh in vinegar, as *tunny* and turbot.—*Carew, Survey of Cornwall.*

The *tunny* was known to Aristotle, and its goodness, in addition to its beauty, has caused this fish to be the praiseworthy theme of most of the writers on the fishes of the Mediterranean, ancient as well as modern. The fishery also is of the greatest antiquity.... In the ocean and on the western shores of the European Continent the appearance of the *tunny* is ... rare, almost accidental.—*Yarrell, History of British Fishes.*

Tup. *v. a.* Perform the part of a male sheep in copulation.

Even now, now, very now, an old black ram
Is *tupping* your white ewe. *Shakespear, Othello*, i. 1.

Tup. *s.* [N.Fr. *toup*.] Ram. See extract.

The male is called a ram, or *tup*. While with his mother, he is denominated a *tup*, or ram lamb, a heeder, and in some parts of the west of England a pur lamb. From the time of weaning until he is shorn, he has a variety of names; being called a hog, a hogget, a hoggerel, a lamb hog, a *tup* hog, or a teg; and, if castrated, a wether hog. After shearing, when probably he is a year and a half old, he is called a shearing, a shearling, a shear hog, a diamond or dinmont, ram or *tup*, and a shearling wether when castrated. After the second shearing, he is a two-shear ram, or *tup*, or wether; at the expiration of another year he is a three-shear ram, &c., the name always taking its date from the time of shearing. In many parts of the north of England and Scotland he is a *tup* lamb, after he is salved and until he is shorn; and then a *tup* hog; and after that a *tup*, or, if castrated, a dinmont or a wedder. The female is a ewe, or gimmer lamb, until weaned, and then a gimmer hog, or ewe hog, or teg, or sheeder ewe. After being shorn, she is a shearing ewe or gimmer, sometimes a theave or double-toothed ewe or teg; and afterwards a two-shear or three-shear, or a four or six-tooth ewe or theave. In some of the northern districts, ewes that are barren or that have weaned their lambs, are called eild or yeld ewes.—*Youatt, On Sheep.*

Tupaía. *s.* In *Zoology*. Insectivorous animal of the genus Cladobates.

In the common shrews the intestine is about four times the length of the body; in the hedgehog about six times, in the mole seven times, that length. The *tupaias* and some of the snouted-shrews are exceptions: in the former the cæcum is simple, straight, about an inch in length, not wider than the major part of the colon; and but little wider than the ileum.—*Owen, Anatomy of Vertebrates.*

Túrban. *s.* [Turkish, *dulbant* or *tulbant*: hence the old English, *tulibant*, and *tulipant*; the former in Puttenham's Art of Poesie, the latter repeatedly in Sir T. Herbert's Travels.] Covering worn by the Turks on their heads.

Gates of monarchs
Arch'd are so high, that giants may jet through,
And keep their impious *turbands* on, without
Good-morrow to the sun.
Shakespear, Cymbeline, iii. 3.

His hat was in the form of a *turban*, not so huge as the Turkish *turbans*.—*Bacon.*

From the utmost Indian isle, Taprobane,
Dusk faces with white silken *turbants* wreathed.
Milton, Paradise Regained, iv. 75.

I see the Turk nodding with his *turbant*.—*Howell.*

Some for the pride of Turkish courts design'd,
For folded *turbants* finest Hollands bear.
Dryden, Annus Mirabilis.

Túrbaned. *adj.* Wearing a turban; dressed with a turban.

A malicious and a *turban'd* Turk
Beat a Venetian, and traduced the state.
Shakespear, Othello, v. 2.

The better sort, to vary from the vulgar, are *tulipanted*.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 368.

No crescent here displays its baneful horns,
No *turban'd* host the voice of truth reproves.
Shenstone, Elegies, xiv.

Túrbary. *s.* [L.Lat. *turbaria*.]

1. Right of digging turf.

2. Place where turfs are digged.

Turbary, *turbaria*, from *turbus* or *turba*, an

obsolete word for turf [is] a right to dig turf on a common, or on another man's ground. It is also taken for the place where turfs are dug.—*Tomline, Law Dictionary.*

Túrbid. *adj.* [Lat. *turbidus.*] Thick; muddy; not clear.

Though lees make the liquid *turbid*, yet they refine the spirits.—*Bacon.*

'*Turbid* ecstacy' is surely not so good as what you had written, 'troublous.' *Turbid* rather suits the muddy kind of inspiration which London porter confers.—*C. Lamb, Letter to Coleridge.*

Túrbillon. *s.* [Fr. *tourbillon.*] Vortex. *Rare.*

The sight travels to the fixed stars, and furnishes the understanding with solid reasons to prove that each of them is a sun, moving on its own axis, in the centre of its own vortex or *turbillion*, and performing the same offices to its dependent planets that our glorious sun does to this.—*Spectator*, no. 472. (Ord MS.)

Túrbinated. *part. adj.* [Lat. *turbinatus.*]

1. Twisted; spiral; passing from narrower to wider.

Let mechanism here produce a spiral and *turbinated* motion of the whole moved body without an external director.—*Bentley.*

2. Whirling as a body that turns round its own axis.

The oval figure of Mercury might be caused by the velocity of its *turbinated* or diurnal motion.—*History of the Royal Society*, iii. 391.

Turbinátion. *s.* Whirling; vertigo.

They had a most perfect acquiescence in that their *turbination.*—*Allestree, Sermons*, pt. i. p. 124. (Ord MS.)

Túrbine. *s.* [Fr.] Horizontal waterwheel.

A good *turbine* will give a performance of eighty per cent. of the theoretical power of the water, being about the same as that which is obtained from a good overshot waterwheel.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Túrbit. *s.* In *Pigeon-fancying.* See extract.

The *turbit* which some suppose to be a corruption of the word *corbeck*, or *curtbeke*, as they were called by the Dutch, which seems to be derived from the French *courtbeck*, and signifies a short bill, for which this pigeon is remarkable, has the head flat, and the feathers on the breast spread both ways.—*Rees, Cyclopædia, Pigeon.*

Túrbith. *s.* [Lat.: yellow, like the root of Convolvulus *turpethum*, a vegetable, the *turpeth* under notice being a mineral, and the adjective being postpositive.] In *Chemistry* and *Pharmacy.* Yellow sulphate of mercury.

I sent him twelve grains of *turbith* mineral, and purged it off with a bitter draught. I repeated the *turbith* once in three days, and the ulcers shelled soon off.—*Wiseman, Surgery.*

Túrbot. *s.* [Fr.; Dutch, *tarbot*, the latter element being the *but* in *halibut*, and *but* = flounder.] British fish of the genus Rhombus (maximus).

The *turbot* . . . is still in great abundance, but not equally so on all parts of the coast. . . . About one-fourth of the whole supply of *turbot* to the London market is furnished by Dutch fishermen. . . . Quin . . . is said to have given as his opinion that the flesh on the dark-coloured side of the *turbot* was the best meat. . . . Reversed *turbots*—that is *turbots* having the eyes and dark colour on the right side instead of the left—are occasionally brought to market . . . but they have exhibited a slight degree of malformation in the form of a notch or depression on the top of the head.—*Yarrell, History of British Fishes.*

Túrbulence. *s.* [Fr.; Lat. *turbulentia.*]

1. Tumult; confusion.

I have dream'd
Of bloody *turbulence*; and this whole night
Hath nothing been but forms of slaughter.
Shakespear, Troilus and Cressida, v. 3.

2. Disorder of passions.

I come to calm thy *turbulence* of mind,
If reason will resume her sov'reign sway. *Dryden.*

3. Tumultuousness; tendency to confusion.

You think this *turbulence* of blood
From stagnating preserves the flood,
Which thus fermenting by degrees,
Exalts the spirits, sinks the lees. *Swift.*

Túrbulency. *s.* Turbulence.

Oft-times noxious where they light
On man, beast, plant, wasteful and turbulent,
Like *turbulencies* in the affairs of men,
Over whose heads they roar, and seem to point:
They oft foresignify and threaten ill.
Milton, Paradise Regained, iv. 460.

Túrbulent. *adj.* [Lat. *turbulentus.*]

1. Raising agitation; producing commotion.

From the clear milky juice allaying
Thirst, and refresh'd; nor envied them the grape,
Whose heads that *turbulent* liquor fills with fumes.
Milton, Samson Agonistes, 550.

2. Exposed to commotion; liable to agitation.

Calm region once,
And full of peace; now tost, and *turbulent!*
Milton, Paradise Lost, ix. 1125.

3. Tumultuous; violent.

What wond'rous sort of death has heav'n design'd
For so untamed, so *turbulent* a mind? *Dryden.*

Túrcism. *s.* Religion of the Turks.

Methinks I am at Mecca, and hear a piece of *Turcism* preached to me by one of Mahomet's priests.—*Dr. Maine.*

He is condemned immediately, as preferring *Turcism* to Christianity.—*Bishop Atterbury.*

Turd. *s.* [A.S.] Excrement.

Túreen. *s.* [Fr. *terrine* = earthenware.] Urn, generally of large size, for holding soup or stew; smaller ones being used for sauces.

At the top a fried liver and bacon was seen;
In the middle was tripe in a swinging *tureen.*
Goldsmith, The Haunch of Venison.

Turf. *s.* [A.S. *tyrf*; in English, often with the plural *turves.*] Clod covered with grass; part of the surface of the ground.

Where was this lane?—
Close by the battle, ditch'd, and wall'd with *turf.*
Shakespear, Cymbeline, v. 3.

Their bucklers ring around,
Their trampling turns the *turf*, and shakes the solid ground.
Dryden, Translation of the Æneid.

Turf and peats are cheap fuels, and last long.—*Bacon.*

I have seen a little stream of no noise, which upon his stoppage hath swelled up, and with a loud gushing hath borne over the heape of *turves* wherewith it was resisted.—*Bishop Hall, Heaven upon Earth.* (Ord MS.)

The describer of Amsterdam tells us that great numbers of subterraneous trees are found and digged up in mosses and fenny grounds, where they dig for *turves* in Friesland and Grominland.—*Ray, On the Deluge*, ch. v. (Ord MS.)

The ambassador every morning religiously saluted a *turf* of earth dug out of his own native soil, to remind him that all the day he was to think of his country.—*Addison.*

Yet shall thy grave with rising flowers be drest,
And the green *turf* lie lightly on thy breast.
Pope, Elegy to the Memory of an Unfortunate Lady.

Turf consists of vegetable matter, chiefly of the moss family, in a state of partial decomposition by the action of water. Cut, during summer, into brick-shaped pieces, and dried, it is extensively used as fuel by the peasantry in every region where it abounds. The dense black turf, which forms the lower stratum of a peat-moss, is much contaminated with iron, sulphur, sand, &c., while the lighter turf of the upper strata, though nearly pure vegetable matter, is too bulky for transportation, and too porous for factory fuel. These defects have been happily removed by Mr. Williams, managing director of the Dublin Steam Navigation Company, who has recently obtained a patent for a method of converting the lightest and purest beds of peat-moss, or bog, into the four following products: 1. A brown combustible solid, denser than oak; 2. A charcoal, twice as compact as that of hard wood: 3. A factitious coal; and 4. A factitious coke; each of which possesses very valuable properties.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Turf. *v. a.* Cover with turfs.

The face of the bank next the sea is *turfed.*—*Mortimer, Husbandry.*

Túrfen. *adj.* Turfy; consisting of turf.

They descended from the woods to the margin of the stream, by a flight of *turfen* steps.—*B. Disraeli, Coningsby*, b. vii. ch. v.

Túrfy. *adj.*

1. Full of turfs; covered with turf; built of turf.

Thy *turfy* mountains, where live nibbling sheep.
Shakespear, Tempest. iv. 1.

2. Connected with the turf; sporting.

Mr. Bailey asked it again, because—accompanied with a straddling action of the white cords, a bend of the knees, and a striking forth of the top-boots—it was an easy, horse-fleshy, *turfy* sort of a thing to do.—*Dickens, Martin Chuzzlewit.*

Túrgent. *adj.* [Fr.; Lat. *turgens, -entis*, pres. part. of *turgeo* = I swell.]

1. Swelling; protuberant; tumid.

Where humours are *turgent*, it is necessary not only to purge them, but also to strengthen the infested parts.—*Dr. H. More, Government of the Tongue.*

2. Pompous; tumid.

Recompensed with *turgent* titles.—*Burton, Anatomy of Melancholy*, p. 34, preface.

Turgéscence. *s.* [Lat. *turgesco* = I begin to swell, have a tendency toward swelling; pres. part. *turgescens, -entis.*] Act of swelling; state of being swollen.

Legions and cohorts, *turms* of horse and wings.
Milton, Paradise Regained, iv. 66.

Túrmeric. *s.* [Lat. *terra merita.*] See extract.

Turmeric [is] the root of the Curcuma longa and rotunda, a plant which grows in the East Indies, where it is much employed in dyeing yellow, as also as a condiment in curry sauce or powder. The root is knotty, tubercular, oblong, and wrinkled; pale-yellow without, and brown-yellow within; of a peculiar smell, a taste bitterish and somewhat spicy. It contains a peculiar yellow principle, called curcumine, a brown colouring matter, a volatile oil, starch, &c. The yellow tint of *turmeric* is changed to brown-red by alkalis, alkaline earths, subacetate of lead, and several metallic oxides; for which reason, paper stained with it is employed as a chemical test. *Turmeric* is employed by the wool-dyers for compound colours which require an admixture of yellow, as for cheap browns and olives. It is a yellow dye, it is employed only upon silk. It is a very fugitive colour. A yellow lake may be made by boiling *turmeric* powder with a solution of alum, and pouring the filtered decoction upon pounded chalk.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Turmoil. *s.* [?] Trouble; disturbance; harassing uneasiness; tumultuous molestation. *Rare.*

He seeks, with torment and *turmoil*,
To force me live, and will not let me die. *Spenser.*

Happy when I, from this *turmoil* set free,
That peaceful and divine assembly see.
Sir J. Denham, Of Old Age, pt. iv.

Turmoil. *v. a.*

1. Harass with commotion.

That is not fault of will in those godly fathers, but the troublous occasions wherewith that wretched realm hath continually been *turmoiled*.—*Spenser, View of the State of Ireland.*

It is her fatal misfortune above all other countries, to be miserably tossed and *turmoiled* with these storms of affliction.—*Ibid.*

Haughty Juno, who with endless broil
Did earth, and heav'n, and Jove himself *turmoil*,
At length atoned, her friendly pow'r shall join.
Dryden, Translation of the Æneid.

2. Weary; keep in unquietness.

Having newly left those grammatick shallows, where they stuck unreasonably to learn a few words, on the sudden are transported to be tost and *turmoiled* with their unballasted wits in fathomless and unquiet deeps of controversy.—*Milton, Tractate on Education.*

Turmoil. *v. n.* Be in commotion or unquietness.

Some notable sophister lies sweating and *turmoiling* under the inevitable and merciless dilemmas of Socrates!—*Milton, Apology for Smectymnuus.*

Turn. *v. a.* [Fr. *tourner.*]

18. Fall upon by some change.

The destruction of Demetrius, son to Philip II. of Macedon, *turned* upon the father, who died of repentance.—*Bacon.*

19. Make to nauseate.

The report, and much more the sight of a luxurious feeder, would *turn* his stomach.—*Bishop Fell, Life of Hammond.*

This filthy simile, this beastly line
Quite *turns* my stomach.
Pope, Epilogue to the Satires, dialogue ii.

20. Make giddy.

Eastern priests in giddy circles run,
And *turn* their heads to imitate the sun.
Pope, Essay on Man, ii. 27.

21. Infatuate; make mad: (applied to the *head* or *brain*).

My aking head can scarce support the pain,
This cursed love will surely *turn* my brain;
Feel how it shoots. *Dryden, Amaryllis*, 118.

There is not a more melancholy object than a man who has his head *turned* with religious enthusiasm.—*Addison.*

Alas! she raves; her brain, I fear, is *turn'd*.
Rowe.

22. Change direction to, or from any point.

The sun
Was bid *turn* reins from the equinoctial road.
Milton, Paradise Lost, x. 672.

A man, though he *turns* his eyes towards an object, yet he may chuse whether he will curiously survey it.—*Locke.*

Unless he *turns* his thoughts that way, he will no more have distinct ideas of the operations of his mind, than he will have of a clock who will not *turn* his eyes to it.—*Id.*

They *turn* away their eyes from a beautiful prospect.—*Addison.*

23. Direct by a change to a certain purpose or propension.

This *turns* the busiest spirits from the *old* notions of honour and liberty to the thoughts of traffick.—*Addison.*

His natural magnanimity *turned* all his thoughts upon something more valuable than he had in view.—*Id.*

My thoughts are *turn'd* on peace.
Already have our quarrels fill'd the world
With widows and with orphans. *Id., Cato.*

He *turn'd* his parts rather to books and conversation, than to politicks.—*Prior.*

He is still to spring from one of a poetical disposition, from whom he might inherit a soul *turned* to poetry.—*Pope.*

Thus a wise tailor is not pinching,
But *turns* at every seam an inch in. *Swift.*

25. Revolve; agitate in the mind.

Turn these ideas about in your mind, and take a view of them on all sides.—*Watts.*

26. Bend from a perpendicular edge; blunt.

Quick wits are more quick to enter speedily, than able to pierce far; like sharp tools, whose edges be very soon *turned*.—*Ascham.*

27. Drive by violence; expel: (with *out*, or *out of*).

Rather *turn* this day *out of* the week;
This day of shame. *Shakespear, King John*, iii. 1.

They *turned* weak people and children unable for service *out of* the city.—*Knolles, History of the Turks.*

The Good Old Cause, which some believe
To be the devil that tempted Eve...
Had store of money in her purse
When he took her for better or worse;
But now was grown deform'd, and poor,
And fit to be *turn'd out of* door.
Butler, Hudibras, iii. 2, 103.

If I had taken to the church, I should have had more sense than to have *turned* myself *out of* my benefice by writing libels on my parishioners.—*Dryden, Preface to the Tales and Fables.*

'Twould be hard to imagine that God would *turn* him *out of* paradise, to till the ground, and at the same time advance him to a throne.—*Locke.*

A great man in a peasant's house, finding his wife handsome, *turned* the good man *out of* his dwelling.—*Addison.*

28. Apply by a change of use.

They all the sacred mysteries of heaven
To their own vile advantages shall *turn*.

Helvicus's tables may be *turn'd to* on all occasions.—*Locke.*

Turn. *v. n.*

1. Move round; have a circular or vertiginous motion.

The cause of the imagination that things *turn* round, is, for that the spirits themselves *turn*, being compressed by the vapour of the wine; for every liquid body, upon compression, *turneth*, as we see in water; and it is all one to the sight, whether the visual spirits move, or the object moveth, or the medium moveth. And we see that long turning round breedeth the same imagination.—*Bacon, Natural and Experimental History.*

Such a light and mettled dance
Saw you never;
And by lead-men for the nonce,
That *turn* round like grindlestones. *B. Jonson.*

The gate self-opened wide
On golden hinges *turning.*
Milton, Paradise Lost, v. 254.

And make him glad to read his lesson,
Or take a *turn* for it at the session.
Butler, Hudibras, ii. 3, 1169.

14. Convenience; use; purpose; exigence: (generally with *serve*, giving the sense of *answer a purpose*; more rarely, with *be* or *for*).

Diogenes' dish did never *serve* his master for more *turns*, notwithstanding that he made it his dish, cup, cap, measure, and water-pot, than a mantle doth an Irishman.—*Spenser, View of the State of Ireland.*

They never found occasion *for* their *tourn*,
But almost starved did much lament and mourn.
Id., Mother Hubberd's Tale.

His going I could frame to *serve* my *turn*;
Save him from danger, do him love and honour.
Shakespear, Winter's Tale, iv. 3.

But for my daughter Katharine, this I know,
She is not *for* your *turn*.
Id., Taming of the Shrew, ii. 1.

To perform this murder was elect;
A base companion, few or none could miss,
Who first did *serve* their *turn*, and now serves his.
Daniel.

They tried their old friends of the city, who had *served* their *turns* so often, and set them to get a petition.—*Lord Clarendon, History of the Grand Rebellion.*

Neither will this shift *serve* the *turn*.—*Bishop Wilkins.*

This philosophy may pass with the most sensual, while they pretend to be reasonable; but whenever they have a mind to be otherwise, to drink or to sleep, will *serve* the *turn*.—*Sir W. Temple, Miscellanies.*

15. Form; cast; shape; manner.

Our young men take up some cried up English poet, without knowing wherein his thoughts are improper to his subject, or his expressions unworthy of his thoughts, or the *turn* of both is unharmonious. *Dryden.*

Seldom anything raises wonder in me, which does not give my thoughts a *turn* that makes my heart the better.—*Addison.*

Female virtues are of a domestick *turn*. The family is the proper province for private women to shine in.—*Id.*

An agreeable *turn* appears in her sentiments upon the most ordinary affairs of life.—*Id.*

Before I made this remark, I wondered to see the Roman poets, in their description of a beautiful man, so often mention the *turn* of his neck and arms.—*Id.*

Wit doth not consist so much in advancing things new, as in giving things known an agreeable *turn*. —*Id., Spectator.*

A young man of a sprightly *turn* in conversation, had an inordinate desire of appearing fashionable. —*Ibid.*

Books give the same *turn* to our thoughts and reasoning, that good company does to our conversation.—*Swift, Miscellanies.*

The very *turn* of voice, the good pronunciation, and the alluring manner which some teachers have attained, will engage the attention.—*Watts.*

The first coin being made of brass, gave the denomination to money among the Romans, and the whole *turn* of their expressions is derived from it.—*Arbuthnot.*

16. Manner of adjusting the words of a sentence.

The *turn* of words, in which Ovid excels all poets, is sometimes a fault or sometimes a beauty, as they are used properly or improperly.—*Dryden.*

The three first stanzas are rendered word for word with the original, not only with the same elegance, but the same short *turn* of expression peculiar to the sapphick ode.—*Addison.*

17. New position of things: (as, 'Something troublesome happens at every *turn*').

By turns. One after another; alternately.

They feel *by turns* the bitter change
Of fierce extremes; extremes by change more fierce.
Milton, Paradise Lost, ii. 598.

The challenge to Dametas shall belong,
Menalcas shall sustain his under-song;
Each in his turn your tuneful numbers bring;
By turns the tuneful muses love to sing.
Dryden, Translation of Virgil, Eclogues, iii. 85.

By turns put on the suppliant and the lord;
Threaten'd this moment, and the next implored.
Prior, Solomon, ii. 210.

Túrnagain. Combination with an adjectival construction, as 'A *turnagain* lane,' i.e. a lane closed at the further end, pudding-bag lane, Fr. *cul-de-sac*; repulse; rebuff.

And yet was that prophesie fulfilled at the appoynted tyme; and it cannot be sayd to be a counterfet; for Moyses in leading the people of Israell through so many *turnagaines* grounded himselfe upon none other thing.—*Trewnesse of the Christian Religion*, p. 434. (Ord MS.)

Turn-oút. *s.*

1. Equipage.

I rather piqued myself on my *turn-out*.—*Theodore Hook, Gilbert Gurney.*

Your equipage is a neat little *turn-out*, or a shabby attempt . . . just as it may strike your friend on the instant to put the thing.—*Recreations of a Country Parson, The Art of Putting Things.*

2. Strike (of workmen).

Túrnbench. *s.* See extract.

Small work in metal is turned in an iron lathe called a *turnbench*, which they screw in a vice, and having fitted their work upon a small iron axle, with a drill barrel, fitted upon a square shank, at the end of the axis, next the left hand, they with a drill-bow, and drill-string, carry it about.—*Moxon, Mechanical Exercises.*

Túrncoat. *s.* One who forsakes his party or principles; renegade.

Courtesy itself must turn to disdain, if you come in her presence.—Then is courtesy a *turncoat*.—*Shakespear, Much Ado about Nothing*, i. 1.

Túrner. *s.*

1. One who turns in a lathe.

Nor box nor limes without their use are made,
Smooth-grain'd and proper for the *turner's* trade.
Dryden, Translation of the Georgics, ii. 630.

Some *turners*, to shew their dexterity in turning, turn long and slender pieces of ivory, as small as an hay-stalk.—*Moxon, Mechanical Exercises.*

2. One who causes another to deviate from any course.

Enraging powers against them, as persuaders and *turners* away of the people from obedience.—*Waterhouse, Apology for Learning*, p. 245: 1653.

Túrnery. *s.* Art of fashioning hard bodies into a round or oval form in a lathe; articles so turned.

Túrning. *s.*

1. Flexure; winding; meander.

I ran with headlong haste
Through paths and *turnings* often trod by day.
Milton, Comus, 568.

2. Deviation from the way.

Behold the divers *turnings*, and windings, by which men wander and go astray.—*Harmar, Translation of Beza*, p. 11.

The *turning* away of the simple shall slay them.—*Proverbs*, i. 32.

3. Shaping wood and other materials by a lathe.

As the placing one foot of a pair of compasses on a plane, and moving about the other foot, describes a circle with the moving point; so any substance, pitched steady on two points, as on an axis, and moved about, also describes a circle concentric to the axis: and an edge-tool set steady to that part of the outside of the substance, will in a circumvolution of that substance cut off all the parts that lie farther off the axis, and make the outside also concentric to the axis. This is the whole sum of *turning*.—*Moxon, Mechanical Exercises.*

Used *adjectivally*, or as the *first element* in a *compound*: (as, '*turning-machine*,' '*turning-lathe*').

Túrningness. *s.* Attribute suggested by Turning; quality of turning; tergiversation; subterfuge.

So nature formed him to all *turningness* of sleights; that though no man had less goodness, no man could better find the places whence arguments might grow of goodness.—*Sir P. Sidney.*

Túrnip. *s.* [A.S. *næpe*; Lat. *napus*.] Vegetable of the genus Brassica (rapa).

Good mother do not marry me to yon fool . . .
Alas! I'd rather be quickset i' the earth,
And bowl'd to death with *turnips*.
Shakespear, Merry Wives of Windsor, iii. 4.

November is drawn with bunches of parsnips and *turnips* in his right hand.—*Peacham, On Drawing.*

Sweet *turnips* are the food of Blouzelind;
While she loves *turnips*, butter I'll despise.
Gay, Shepherd's Week, Monday, 86.

(See also under Turnip-fly.)

Túrnip-flea. *s.* See under Turnip-fly.

Túrnip-fly. *s.* See extract.

Different insects prey, in the larva state, upon the leaves of the growing *turnip*. . . . They are the *turnip-flea*, as it may be called from its power of agile leaping (Haltica nemorum), and the *turnip-fly* (Athalia centifolia.) The *turnip-flea* belongs to a genus (Haltica) of minute Coleopterous insects, of the section Tetramera, and family Galerucidæ. . . . The species in question does not exceed the twelfth of an inch in length. . . . The other enemy to the *turnip* belongs to the order Hymenoptera, and family Tenthredinidæ, or saw-flies.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Túrnkey. *s.* Gaoler.

The *turnkey* now his flock returning sees;
Duly let out at night to steal for fees.
Swift, Description of Morning.

Túrnpike. *s.*

1. Cross of two bars armed with pikes at the end, and turning on a pin, fixed to hinder horses from entering.

I move upon my axle, like a *turnpike*.—*B. Jonson, Staple of News.*

2. Any gate by which the way is obstructed.

The gates are shut, and the *turnpikes* locked.—*Arbuthnot.*

Used *adjectivally*, as in '*turnpike* road;' hence, it stands for the road itself.

Túrnserving. *s.* Available; useful.

And though now since choice goeth better, both in church and commonwealth; yet money, and *turn-serving*, and cunning carouses, and importunity prevail too much.—*Bacon, Letters*, p. 12. (Ord MS.)

Túrnsick. *adj.* Vertiginous; giddy. *Obsolete.*

If a man see another turn swiftly and long; or if he look upon wheels that turn, himself waxeth *turnsick*.—*Bacon.*

Túrnsol. *s.* Translation, as suggested by the extract, of Heliotrope (Gr. ἥλιος + τρέπω = I turn), and, as such, applying most closely to the Sunflower; it is also used as a synonym for Litmus; in each case it is superfluous.

Her chaplet of heliotropium or *turnsole*.—*B. Jonson, Coronation Entertainment.*

Túrnspit. *s.* One who anciently turned a spit, instead of which jacks are now generally used; dog trained to the same.

I give you joy of the report
That he's to have a place at court;
Yes, and a place he will grow rich in,
A *turnspit* in the royal kitchen.
Swift, Miscellanies.

'The dinner must be dished at one;
Where's this vexatious *turnspit* gone?
Unless the skulking cur is caught
The dinner's spoil'd.'
Gay, Fables, The Cook, the Turnspit, and the Ox.

Túrnstile. *s.* Turnpike in a footpath.

A *turnstile* is more certain
Than, in events of war, dame Fortune.
Butler, Hudibras, i. 3, 23.

Where twirling *turnstiles* interrupt the way,
The thwarting passenger shall force them round.
Gay, Trivia, iii. 108.

'They sent the carriage on by the road, and came with me across the meadows. I left 'em at the *turnstile* to run forward and tell you they were coming, and they'll be here, sir, in—in less than a minute's time, I should say,' added Tom, fetching his breath with difficulty.—*Dickens, Martin Chuzzlewit*, ch. xx.

Túrntable. *s.* In *Railways*. Large circular plate or table, upon the rails of which a locomotive carriage may stand, and, by the table being turned by machinery beneath, be delivered on a different rail.

Túrpentine. *s.* [Lat. *terebinthinus*.] Secretion from the pine, the juniper, and other trees of that kind.

Vertgrease grinded with *turpentine*, put into a pot, and as you use it warm it.—*Peacham, On Drawing.*

Turpentine is a substance which flows out of incisions made in the stems of several species of pines. It has the consistence and gray-yellow colour of honey. It has a smell which is not disagreeable to many persons, a warm, sharp, bitterish taste; dries into a solid in the air, with the evaporation of its volatile oil. It becomes quite fluid at a moderate elevation of temperature, and burns at a higher heat, with a bright but very fuliginous flame. There are several varieties of *turpentine*.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Used *adjectivally*, or as the *first element* of a *compound*; also with a change or confusion of meaning, the tree being the Terebinth.

As the *turpentine-tree* I stretched out my branches. —*Ecclesiasticus*, xxiv. 16.

Túrpitude. *s.* [Fr. *turpitude*; Lat. *turpitudo*, *turpis* = base.] Essential deformity of words, thoughts, or actions; inherent vileness; badness.

How would'st thou have paid
My better service, when my *turpitude*
Thou thus dost crown with gold!
Shakespear, Antony and Cleopatra, iv. 6.

Decency imports a certain measure of one thing to another; the preservation of which is properly that rule by which every thing ought to act; and consequently the violation of it implies a *turpitude* or indecency.—*South, Sermons.*

Túrquoise. *s.* In *Mineralogy.* See second extract.

One shewed me a ring he had of your daughter for a monkey.—Out upon her! it was my *turquoise*, I had it of Leah when I was a bachelor.—*Shakespear, Merchant of Venice*, iii. 1.

Turquoise, or calnite. Mineral *turquoise* occurs massive; fine-grained, impalpable; fracture, conchoidal; colour, between a blue and green, soft and rather bright; opaque; hardness, 6; specific gravity 2·83 to 3·0. Its constituents are, alumina, 73; oxide of copper, 4·5; oxide of iron, 4; water, 18; according to Dr. John. But by Berzelius, it consists of phosphate of alumina and lime, silica, oxides of copper and iron, with a little water. It has been found only in the neighbourhood of Nichabour, in the Khorassan in Persia; and is very highly prized as an ornamental stone in that country. There is a totally different kind of *turquoise*, called bone *turquoise*, which seems to be phosphate of lime coloured with oxide of copper.... Malachite, or mountain green, a compact carbonate of copper, has been substituted sometimes for *turquoise*, but their shades are different.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Túrret. *s.* [Lat. *turris.*] Tower.

Discourse, I pr'ythee, on this *turret's* top.
Shakespear, Henry VI. Part I. i. 4.

All things well ordered, he withdrew with speed
Up to a *turret* high, two ports between,
That so he might be near at every need,
And overlook the lands and furrows green. *Fairfax.*

'Tis yours, my lord, to bless our soft retreats,
And call the muses to their ancient seats...
Make Windsor hills in lofty numbers rise,
And lift her *turrets* nearer to the skies.
Pope, Windsor Forest.

Túrret. *v. a.* Form like a turret; construct with turrets, or as a turret.

Túrret-ship. *s.* [two words.] In *Navigation.* See extract.

There are two varieties of *turret-ship*, of which the earliest and best is that which was invented by Captain John Ericsson of New York. The other variety—which in many of its features resembles the plan of Ericsson—is known as the system of Captain Cowper Coles, and this system has been adopted to some extent in the British navy, while the American navy has adopted the system of Ericsson, usually called the Monitor system, from the Monitor, the name of the first vessel of this kind that was constructed.—*Robinson*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Túrreted. *adj.* Formed like a turret.

Take a *turreted* lamp of tin, in the form of a square; the height of the turret being thrice as much as the length of the lower part, whereupon the lamp standeth.—*Bacon, Natural and Experimental History.*

Túrtle. *s.*

1. Sea-tortoise.

The edible, or green *turtle*, Chelonia midas, is one of the largest of this genus [Chelonidæ], often measuring above five feet in length, and weighing above five or six hundred pounds.—*Maunder, Treasury of Natural History.*

Used *adjectivally.*

Lyttelton, in his Dialogues of the Dead, has introduced Darteneuf, in a pleasant discourse between him and Apicius, bitterly lamenting his ill fortune, in having lived before *turtle-feasts* were known in England. 'Alas,' says he, 'how imperfect is human felicity! I lived in an age when the pleasure of eating was thought to be carried to its highest perfection in England and France. And yet a *turtle-feast* is a novelty to me!'—*J. Warton, Essay on the Genius and Writings of Pope.*

2. Turtle-dove.

When shepherds pipe on oaten straws,
And merry larks are ploughmen's clocks:
When *turtles* tread.
Shakespear, Love's Labour's lost, v. 2, song.

We'll teach him to know *turtles* from jays.—*Id., Merry Wives of Windsor*, iii. 3.

Túrtledove. *s.* Native dove of the genus Columba (turtur).

Take me a heifer and a *turtle-dove.*—*Genesis*, xv. 9.

Túscan. *adj.* In *Architecture.* Order so called.

The *Tuscan* is of all the rudest pillar, and its principal character simplicity.—*Sir H. Wotton, Elements of Architecture.*

Tush. *interj.* Expression of contempt.

Tush, say they, how should God perceive it? is there knowledge in the Most High?—*Book of Common Prayer, Psalms*, lxxiii. 11.

Tush, never tell me, I take it much unkindly
That thou, Iago, who hast had my purse,
As if the strings were thine, should know of this.
Shakespear, Othello, i. 1.

Tusk. *s.* [A.S. *tux.*] Long, strong tooth; fang; holding tooth.

Some creatures have over-long, or out-growing teeth, called fangs, or *tusks*; as boars and pikes.—*Bacon.*

As two boars whom love to battle draws,
With rising bristles, and with frothy jaws,
Their adverse breasts with *tusks* oblique they wound.
Dryden, Palamon and Arcite, ii. 204.

Teeth of an elongated conical form, projecting considerably beyond the rest, and of uninterrupted growth, are called *tusks*; such, for example, are the incisors of the elephant, narwhal, dinotherium, and dugong, the canines of the boar, walrus, and hippopotamus.—*Owen, Anatomy of Vertebrates.*

Tusk. *v. n.* Gnash the teeth, as a boar.

Nay, now you puff, *tusk*, and draw up your chin.
B. Jonson, Epigrams, cvii.

Túsked. *adj.* Furnished with tusks.

Of those beasts no one was horned and *tusked* too: the superfluous blood not sufficing to feed both.—*Grew.*

Túsky. *adj.* Tusked.

Into the naked woods he goes,
And seeks the *tusky* boar to rear.
Dryden, Translation from Horace, Epode II.

Have ye seen the *tusky* boar,
Or the bull, with battle roar
On surrounding foes advance;
So Caradoc hurled his lance. *Gray.*

Tússac-grass. *s.* In *Botany.* Species of grass particularly introduced into Great Britain from the Falkland Islands.

Festuca flabelloides, the *Tussac-grass* of the Falkland Islands, is said to be very nutritious.—*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic.*

Tússle. *s.* Struggle: (as, 'We had a *tussle* for it'). *Vulgar.*

Tússock. *s.* Tuft of grass or twigs.

There shulde not any suche *tussockes* nor tufts be sene, as there be; nor suche laying out of the heere. —*A Moste Faithfull Sermon preached before the Kyng, &c. by Master Hugh Latimer*, sign. C. v.: 1550.

The first is remarkable for the several *tussucks* or bunches of thorns, wherewith it is armed round.—*Grew.*

Tut. *interj.* Particle noting contempt.

Tut, tut! grace me no grace, nor uncle me no uncle. *Shakespear, Richard II.* ii. 3.

Tut, tut! here 's a mannerly forbearance.
Id., Henry VI. Part I. ii. 4.

Tútage. *s.* Tutelage. *Rare.*

Trim up her golden tresses with Apollo's sacred tree,
Whose *tutage* and especial care I wish her still to be.
Drayton, Eclogues. (Ord MS.)

Tútanag. *s.* See extract.

Tutanag is the Chinese name for spelter, which we erroneously apply to the metal of which canisters are made, that are brought over with the tea from China; it being a coarse pewter made with the lead carried from England and tin got in the kingdom of Quintang.—*Woodward.*

Tútelage. *s.* [N.Fr.; Lat. *tutela.*] Guardianship; state of being under a guardian.

The *tutelage* whereof, as those past worlds did please,
Some to Minerva gave, and some to Hercules.
Drayton.

If one in the possession of lands die, and leave a minor to succeed him, his *tutelage* belongeth to the king.—*Drummond.*

He accoupled the ambassage with an article in the nature of a request, that the French king might, according unto his right of seigniory or *tutelage*, dispose of the marriage of the young duchess of Brittany.—*Bacon.*

His powers were unsuspected by the world and by himself; and he submitted without reluctance to the *tutelage* of a Council of War nominated by the Lord Lieutenant.—*Macaulay, History of England*, ch. xvii.

Tútelar. *adj.* [Fr. *tutelaire.*] Having the charge or guardianship of any person or thing; protecting; defensive; guardian.

Temperance, that virtue without pride, and fortune without envy, that gives indolence of body, with an equality of mind; the best guardian of youth and support of old age; the precept of reason, as well as religion, and physician of the soul as well as the body; the *tutelar* goddess of health, and universal medicine of life.—*Sir W. Temple.*

These *tutelar* genii who presided over the several people committed to their charge, were watchful over them.—*Dryden.*

Ye *tutelar* gods who guard this royal fabrick.
Rowe.

Tútelary. *adj.* Tutelar.

According to the traditions of the magicians, the *tutelary* spirits will not remove at common appellations, but at the proper names of things, whereunto they are protectors.—*Sir T. Browne.*

But you, O Grecian chiefs, reward my care,
Sure I may plead a little to your grace:
Enter'd the town; I then unbarr'd the gates,
When I removed the *tutelary* fates.
Dryden, Translation from Ovid, Contention of Ajax and Ulysses.

Tutéle. *s.* [Lat. *tutela.*] Guardianship. *Rare.*

He was to have the *tutele* and ward of his children.—*Howell, Letters*, i. 2, 15.

Tútor. *s.* [Lat.; Fr. *teuer.*] One who has the care of another's learning and morals; teacher or instructor.

When I am as I have been,
Approach me, and thou shalt be as thou wast,
The *tutor* and the feeder of my riots;
Till then I banish thee on pain of death.
Shakespear, Henry IV. Part II. v. 5.

When nobles are their tailors' *tutors*;
No hereticks burnt but wenches' suitors.
Id., King Lear, iii. 2.

A primitive Christian, that coming to a friend to teach him a psalm, began, I said I will look to my ways, that I offend not with my tongue: upon which he stopt his *tutor*, saying, This is enough, if I learn it.—*Dr. H. More, Government of the Tongue*

His body thus adorn'd, he next design'd
With lib'ral arts to cultivate his mind.
He sought a *tutor* of his own accord,
And study'd lessons he before abhorr'd.
Dryden, Cymon and Iphigenia, 212.

No science is so speedily learned by the noblest genius without a *tutor.*—*Watts.*

Tútor. *v. a.*

1. Instruct; teach.

This boy is forest born,
And hath been *tutor'd* in the rudiments
Of many desperate studies by his uncle.
Shakespear, As you like it, v. 4.

He cannot be a perfect man,
Not being tried and *tutor'd* in the world.
Id., Two Gentlemen of Verona, i. 3.

The cock has his spurs, and he strikes his feet inward with singular strength and order; yet he does not this by any syllogistical method, but is merely *tutored* by instinct.—*Sir M. Hale.*

2. Treat with superiority or severity.

I hardly yet have learn'd
T' insinuate, flatter, bow, and bend my knee:
Give sorrow leave a while to *tutor* me
To this submission. *Shakespear, Richard II.* iv. 1.

I take a review of my little boys mounted upon hobby-horses, and of little girls *tutoring* their babies.—*Addison.*

Tútorage. *s.* Authority or solemnity of a tutor.

Children care not for the company of their parents or tutors, and men will care less for theirs, who would make them children by usurping a *tutorage.* —*Dr. H. More, Government of the Tongue.*

Tútoress. *s.* [Fr. *tutrice.*] Female tutor; directress; instructress; governess.

That most honoured *tutress's* pupils.
Selden, Notes on Drayton's Polyolbion, song xi.

And what still more his stagg'ring virtue tried,
His mother, *tut'ress* of that virtue, died. *Harte.*

Tútrix. *s.* [Lat.; Fr. *tutrice.*] Female tutor. *Rare*, or *Scotticism.*

A prattling nurse is a better *tutrix* to her foster-child.—*Dalgarno, Deaf and Dumb Man's Tutor.*

The Jacobites submitted to the queen, as *tutrix* or regent for the Prince of Wales, whom they firmly believed she intended to establish on the throne.—*Smollett, History of England*, b. i. ch. vii. § 30. (Ord MS.)

Tútorship. *s.* Office of a tutor.

He that should grant a *tutorship*, restraining his grant to some one certain thing or cause, should do but idly, because tutors are given for personal defence generally, and not for managing a few particular things or causes.—*Hooker, Ecclesiastical Polity*, v. § 80.

Tútsan. *s.* [Fr. *tout + sain* = all-heal.] Plant of the genus Hypericum (species Androsæmum).

The healing *tutsan* then, and plantain for a sore.
Drayton, Polyolbion, song xiii.

Tútty. *s.* [Fr. *tuthie.*] Sublimate of calamine.

Near it stood a phial of rosewater and powder of *tutty.*—*Tatler*, no. 266.

Tuwhít, and **Tuwhoó.** *s.* Cry of the owl.

The *tuwhits* are lulled I wot,
Thy *tuwhoos* of yesternight,
Which upon the dark afloat,
So took echo with delight,

That her voice untuneful grown,
Wears all day a fainter tone.
I would mock thy chaunt anew;
But I cannot mimick it;
Not a whit of thy *tuwhoo*,
Thee to woo to thy *tuwhit*,
Thee to woo to thy *tuwhit*,
With a lengthen'd loud halloo,
Tuwhoo, tuwhit, tuwhit, tuwhoo-o-o.
Tennyson, The Owl, second song.

Tuz. *s.* Lock or tuft of hair. *Rare.*

A girdle of flowers and *tussies* of all fruits, intertyed and following together.—*Donne, History of the Septuagint*, p. 49: 1633.

With odorous oil thy head and hair are sleek;
And then thou kemp'st the *tuzzes* on thy cheek;
Of these thy barbers take a costly care.
Dryden, Translation of Persius, iv. 89.

Túzzimuzzy. *s.* Tuz. *Rare*: (the word when now used is a ludicrous form of *enthusiasm*).

Another commanded to remove the *tuzzimuzzies* of flowers from his feete, and to take the branch of life out of his hand.—*Trewnesse of the Christian Religion*, p. 391. (Ord MS.)

Twáddle. *s.* Weak, spiritless, senseless talk: (originally the form in *-t-* was the *commoner*). See Twattle.

Twáddle. *v. n.* Talk foolishly or weakly.

Twain. *adj.* [A.S. *twegen.*] Two.

'Tis not the trial of a woman's war,
The bitter clamour of two eager tongues,
Can arbitrate this cause betwixt us *twain*.
Shakespear, Richard II. i. 1.

Of my condition take no care;
It fits not; thou and I long since are *twain*.
Milton, Samson Agonistes, 928.

The trembling widow, and her daughters *twain*,
This woeful cackling cry with horror heard.
Dryden, The Cock and the Fox, 717.

With *in*, the construction, as in 'cut *in two*,' &c., is *adverbial*; the meaning being asunder.

Such smiling rogues as these,
Like rats, oft bite the holy cords *in twain*,
Too intricate t' unloose.
Shakespear, King Lear, ii. 2.

When old Winter split the rocks *in twain*,
And ice the running rivers did restrain,
He stripp'd the bear's-foot of its leafy growth.
Dryden, Translation of the Georgics, iv. 202.

Twang. *v. n.* Sound with a quick, vibrating, sharp noise.

Phœbus, having urged his flight,
With fury kindled, from Olympus height;
His quiver o'er his ample shoulders threw,
His bow *twang'd*, and his arrows rattled as they flew. *Dryden, Translation of the First Book of the Iliad*, 67.

Sounds the tough horn and *twangs* the quiv'ring string. *Pope, Translation of the Iliad*, iv. 157.

Twang. *v. a.* Make to twang.

A swaggering accent sharply *twang'd* off, gives manhood approbation.—*Shakespear, Twelfth Night*, iii. 4.

Twang. *s.*

1. Sharp quick sound.

They by the sound and *twang* of nose,
If all be sound within, disclose.
Butler, Hudibras, i. 3, 1157.

So swells each wind-pipe; ass intones to ass,
Harmonic *twang* of leather, horn, and brass.
Pope, Dunciad, ii. 253.

2. Affected modulation of the voice.

If he be but a person in vogue with the multitude, he can make popular, rambling, incoherent stuff, seasoned with *twang* and tautology, pass for high rhetorick.—*South, Sermons.*

He has such a *twang* in his discourse, and ungraceful way of speaking through his nose, that one can hardly understand him.—*Arbuthnot.*

3. Disagreeable flavour.

Hot, bilious, with a confounded *twang* in his mouth, and a cracking pain in his head, he stood one moment and snuffed in the salt sea breeze.—*B. Disraeli, The Young Duke*, b. vi. ch. vi.

Construction *interjectional*. 'Little used,' writes Johnson, and 'little deserving to be used.'

There's one, the best in all my quiver,
Twang! thro' his very heart and liver.
Prior, Cupid and Mercury.

Twángle. *s.* Twang. *Rare.*

Twángle. *v. n.* Twang. *Rare.*

Twélfth-night. *s.* Twelfth night after Christmas day.

Twélfthtide. *s.* Twelfth-night.

Plough-munday, next after that *twelfthtide*,
Bids out with the plough.
Tusser, Five Hundred Points of good Husbandry.

Twelve. *pron.* [A.S. *tweolf*, from *two* + *-lf*, (which is) the *lv*, the *lf*, and the *lt* of the different forms of the verb *leave*. *Eleven* is a similar compound with *one*. The sense of this second element is *over*, from the notion of *remainder*, *something to spare*.

Such is the ordinary derivation of the two numerals immediately following *ten*; but it has of late been impugned, and the doctrine that the *t* in *ten*, and the *k*, in δέκα, *decem*, *zehn*, &c., have respectively been changed into *l*, and *f* (or *v*) has been substituted. The Lithuanic *lik*, which is assumed to be *dih*, is quoted in favour of the view. So is the fact that by making *eleven* and *twelve* = 1 + 10 and 2 + 10 respectively, we get the same elements as those of the Greek and Latin ἕνδεκα, δυώδεκα, *undecim* and *duodecim*. The notion has found favour both with scholars and mathematicians; perhaps more than it deserves.] Numeral so called; in figures, 12.

Twélvemonth. *s.* [A.S. *tweolf-monaδ.*] Year, as consisting of twelve months.

I shall laugh at this a *twelvemonth* hence.

The Britons had boats made of willow *twigs*, covered on the outside with hides, and so had the Venetians.—*Sir W. Raleigh.*

They chose the fig-tree, such as spreads her arms,
Branching so broad and long, that in the ground
The bended *twigs* take root.
Milton, Paradise Lost, ix. 1103.

Twiggen. *adj.* Made of twigs; wicker. *Obsolete.*

I'll beat the knave into a *twiggen* bottle.—*Shakespear, Othello*, ii. 3.

The sides and rim sewed together after the manner of *twiggen* work.—*Grew.*

Twiggy. *adj.* Full of twigs. *Rare.*

Those twigs become great trees; and these, being grown up unto the like greatness, do cast their branches or *twiggy* tendrils unto the earth, where they likewise take hold and root.—*Gerarde, Herball*, p. 1513: 1633.

Though they grow the slowest of all the *twiggy* trees, yet do they recompense it by the larger crop.—*Evelyn.*

Twilight. *s.* [A.S. *tweoneleoht.*]

1. Faint light before sunrise, and after sunset; obscure light.

Her *twilights* were more clear than our mid-day.
Donne.

Suspicions amongst thoughts are like bats amongst birds, they ever fly by *twilight*. Certainly they are to be well guarded.—*Bacon.*

Ambrosial night, with clouds exhaled
From that high mount of God, whence light and shade
Spring both, the face of brightest heaven had changed
To grateful *twilight*. *Milton, Paradise Lost*, v. 642.

When the sun was down,
They just arrived by *twilight* at a town.
Dryden, The Cock and the Fox, 213.

While the rays of old Phœbus that shot through the skylight,
Seemed to make on the stage a new kind of *twilight*.
Byron.

When *twilight* melts beneath the moon away.
Id., Parisina.

2. Uncertain view.

A faint weak love of virtue and of good,
Reflects from her on them, which understood
Her worth; and though she have shut in all day,
The *twilight* of her memory doth stay. *Donne.*

He that saw hell in 's melancholy dream,
And in the *twilight* of his fancy's theme,
Scared from his sins, repented in a fright,
Had he view'd Scotland, had turn'd proselyte.
Cleaveland, The Rebel Scot.

In the greatest part of our concernment he has afforded us only the *twilight* of probability, suitable to our state of mediocrity.—*Locke.*

Construction *adjectival.*

a. Not clearly or brightly illuminated; obscure; deeply shaded.

When the sun begins to fling
His flaring beams, me, goddess, bring
To arched walks of *twilight* groves.
Milton, Il Penseroso, 131.

b. Seen or done by twilight.

On old Lycæus or Cyllene hoar,
Trip no more in *twilight* ranks.
Milton, Arcades, 96.

Twilled. *part. adj.* Worked in twills.

When she, at last, stood-up complete in her silvery *twilled* silk, her lace tucker, her coral necklace, and coral ear-drops, the Miss Gunns could see nothing to criticize.—*George Eliot* (*signature*), *Silas Marner*, ch. ii.

Twin. *v. n.* Part; go asunder. *Obsolete.*

But yet the knight, wise, wary, not unkind,
Drew forth his sword, and from her careless *twin'd*.
Fairfax.

Twin. *s.* [A.S. *twinn.*]

1. Children (real or figurative) born at the same birth.

In bestowing
He was most princely: ever witness for him
Those *twins* of learning Ipswich and Oxford.
Shakespear, Henry VIII. iv. 2.

The divided dam
Runs to the summons of her hungry lamb;
But when the *twin* cries halves, she quits the first.
Cleaveland.

No weight of birth did on one side prevail,
Two *twins* less even lie in Nature's scale. *Cowley.*

They came *twins* from the womb, and still they live
As if they would go *twins* too to the grave.
Otway, The Orphan, i. 1.

Fair Leda's *twins*, in time to stars decreed,
One fought on foot, one curb'd the fiery steed.
Dryden, Translation from Ovid, Meleager and Atalanta.

2. Gemini, the sign of the zodiac.

This, when the sun retires,
First shines, and spreads black night with feeble fires,
Then parts the *twins* and crab. *Creech.*

Thou shalt make an hanging of blue, and fine *twined* linen, wrought with needlework.—*Exodus*, xxvi. 36.

2. Unite itself.

Lumps of sugar lose themselves, and *twine*
Their subtle essence with the soul of wine.
Crashaw.

Twine. *v. n.*

1. Convolve itself; wrap itself closely about.

'Let wreaths of triumph now my temples *twine*,'
The victor cry'd, 'the glorious prize is mine!'
Pope, Rape of the Lock, canto iii.

2. Unite by interposition of parts.

Friends now fast sworn, who *twine* in love
Unseparable, shall, within this hour,
On a dissension of a doit, break out
To bitterest enmity. *Shakespear, Coriolanus*, iv. 4.

3. Wind; make flexures.

4. Turn round.

O friends!
Some one abides within here, that commends
The place to us, and breathes a voice divine:
As she some web wrought, or her spindles *twine*
She cherisht with her song. *Chapman.*

Twine. *s.*

1. Twisted thread.

Not any damsel, which her vaunteth most
In skilful knitting of soft silken *twine*. *Spenser.*

A pointed sword hung threatening o'er his head,
Sustain'd but by a slender *twine* of thread.
Dryden.

2. Twist; convolution.

Nor all the gods beside
Longer dare abide,
Not Typhon huge ending in snaky *twine*.
Milton, Ode on the Morning of Christ's Nativity, 224.

Braid your locks with rosy *twine*,
Dropping odours, dropping wine. *Id., Comus*, 105.

3. Embrace; act of convolving itself round.

Everlasting hate
The vine to ivy bears, but with an am'rous *twine*
Clasps the tall elm. *J. Philips, Cyder*, i. 251.

Twinge. *v. a.* [German, *zwingen* = force, constrain; Danish, *tvinge.*]

The gnat charged into the nostrils of the lion, and there *twinged* him till he made him tear himself, and so master'd him.—*Sir R. L'Estrange.*

2. Pinch; tweak.

When a man is past his sense,
There's no way to reduce him thence,
But *twinging* him by th' ears and nose,
Or laying on of heavy blows.
Butler, Hudibras, iii. 1, 1153.

Twinge. *s.*

1. Short sudden sharp pain.

The wickedness of this old villain startles me, and gives me a *twinge* for my own sin, though far short of his.—*Dryden, Spanish Friar*, iv. 1.

2. Tweak; pinch.

How can you fawn upon a master that gives you so many blows and *twinges* by the ears?—*Sir R. L'Estrange.*

Twink. *s.* Twinkling. *Rare.*

In *twynk* of an eye most suddenly.
Old Poem in Ashmole's Theatrum Chemicum, p. 127.

She hung about my neck, and kiss on kiss
She vied so fast, protesting oath on oath,
That in a *twink* she won me to her love.
Shakespear, Taming of the Shrew, ii. 1.

Twinkle. *v. n.* [A.S. *twinclian.*]

1. Sparkle; flash irregularly; shine with intermitted light; shine faintly; quiver.

As plays the sun upon the glassy streams,
Twinkling another counterfeited beam,
So seems this gorgeous beauty.
Shakespear, Henry VI. Part I. v. 3.

So weak your charms, that like a winter's night,
Twinkling with stars, they freeze me while they light. *Dryden.*

These stars do not *twinkle* when viewed through telescopes which have large apertures: for the rays of light which pass through divers parts of the aperture, tremble each of them apart; and by means of their various, and sometimes contrary tremors, fall at one and the same time upon different points in the bottom of the eye.—*Sir I. Newton.*

2. Open and shut the eye by turns.

The owl fell a moping and *twinkling*.—*Sir R. L'Estrange.*

3. Play irregularly.

His eyes will *twinkle*, and his tongue will roll,
As though he beckon'd, and call'd back his soul.
Donne.

Twinkle. *s.*

1. Sparkling intermitting light.

2. Motion of the eye.

Suddenly, with *twinkle* of her eye,
The damsel broke his misintended dart. *Spenser.*

I come, I come; the least *twinkle* had brought me to thee.—*Dryden, Don Sebastian.*

Twinkler. *s.* One who, that which, twinkles: (in the extract, twinkling eye). *Colloquial.*

You'll just be pleased ... not to be staring at me, following me up and down with those *twinklers* of yours.—*Marryatt, Snarleyyow*, vol. i. ch. vii.

Twinkling. *part. adj.* Shining with a twinkle.

At first I did adore a *twinkling* star,
But now I worship a celestial sun.
Shakespear, Two Gentlemen of Verona, ii. 6.

Twinkling. *verbal abs.* Short space, such as is taken up by a motion of the eye.

Money can thy wants at will supply,
Shields, steeds, and arms, and all things for thee meet,
It can pourvey in *twinkling* of an eye. *Spenser.*

These false beauties of the stage are no more lasting than a rainbow; when the actor gilds them no longer with his reflection, they vanish in a *twinkling*.—*Dryden.*

Twinling. *s.* Twin lamb; lamb of two brought at a birth.

Twinlings increase bring. *Tusser, Five Hundred Points of good Husbandry.*

Twinned. *part. adj.*

1. Born at the same birth.

Twinn'd brothers of one womb.
Shakespear, Timon of Athens, iv. 3.

Since thy original lapse, true liberty
Is lost, which always with right reason dwells
Twinn'd, and from her hath no dividual being.
Milton, Paradise Lost, xii. 83.

Dodsley.

Twirl. *v. n.* Revolve with a quick motion.

Twirl. *s.*

1. Rotation; circular motion.
2. Twist; convolution.

The *twirl* on this is different from that of the others; this being an heterostropha, the *twirls* turning from the right-hand to the left.—*Woodward, On Fossils.*

Twirling. *verbal abs.* Act of that which twirls; quick circumrotation.

Wool and raw silk by moisture incorporate with other thread; especially if there be a little wreathing, as appeareth by the twisting and *twirling* about of spindles.—*Bacon.*

Twist. *v. a.* [A.S. *getwisan*; Dutch, *twisten.*]

1. Form by complication; form by convolution.

Do but despair,
And if thou want'st a cord, the smallest thread
That ever spider *twisted* from her womb,
Will strangle thee. *Shakespear, King John*, iv. 3.

To reprove discontent, the ancients feigned, that in hell stood a man *twisting* a rope of hay; and still he *twisted* on, suffering an ass to eat up all that was finished.—*Jeremy Taylor.*

2. Contort; writhe.

Either double it into a pyramid cal, or *twist* it into a serpentine form.—*Pope.*

3. Wreath; wind; encircle by something round about.

There are pillars of smoke *twisted* about with wreaths of flame.—*T. Burnet, Theory of the Earth.*

4. Form; weave.

If thou dost love fair Hero, cherish it,
And thou shalt have her: was't not to this end
That thou began'st to *twist* so fine a story?
Shakespear, Much Ado about Nothing, i. 1.

5. Unite by intertexture of parts.

All know how prodigal
Of thy great soul thou art, longing to *twist*
Bays with that ivy, which so early kist
Thy youthful temples. *Waller.*

6. Unite; insinuate.

When avarice *twists* itself, not only with the practice of men, but the doctrines of the church; when ecclesiasticks dispute for money, the mischief seems fatal.—*Dr. H. More, Decay of Christian Piety.*

Twist. *v. n.* Be contorted; be convolved.

Twist. *s.*

1. Anything made by convolution, or winding two bodies together.

Minerva nursed him
Within a *twist* of twining osiers laid. *Addison.*

2. Single string of cord.

Winding a thin string about the work hazards its breaking, by the fretting of the several *twists* against one another.—*Moxon, Mechanical Exercises.*

3. Cord; string.

Through these labyrinths, not my grov'ling wit,
But thy silk *twist*, let down from heav'n to me,
Did both conduct and teach me, how by it
To climb to thee. *G. Herbert.*

About his chin the *twist*
He tied, and soon the strangled soul dismiss'd.
Dryden.

4. Contortion; writhe.

Not the least turn or *twist* in the fibres of any one animal, which does not render them more proper for that particular animal's way of life than any other cast or texture.—*Addison.*

5. Manner of twisting.

Jack shrunk at first sight of it; he found fault with the length, the thickness, and the *twist.*—*Arbuthnot, History of John Bull.*

I am naturally, beforehand, shy of novelties; new books, new faces, new years—from some mental *twist* which makes it difficult in me to face the prospective.—*C. Lamb, Essays of Elia, New Year's Eve.*

6. Twig; branch. *Obsolete.*

Nor bough, nor branch, the Saracens therefore,
Nor *twist*, nor twig, cut from that sacred spring.
Fairfax.

7. Appetite. *Slang.*

What a *twist* the fellow has!—*W. H. Ainsworth, Rookwood.*

Twister. *s.* One who twists; ropemaker; that which twists; instrument of twisting. To this word I have annexed some remarkable lines, which explain *twist* in all its senses. (Johnson.)

When a *twister* a-twisting will twist him a twist,
For the *twisting* of his twist he three twines doth intwist;
But if one of the twines of the twist do untwist,
The twine that untwisteth untwisteth the twist.
Untwirling the twine that untwisteth between,
He twirls with his *twister* the two in a twine;
Then twice having twisted the twines of the twine,
He twitcheth the twine he had twined in twain.
The twain that in twining before in the twine,
As twins were intwisted, he now doth untwine,
'Twixt the twain intertwisting a twine more between,
He, twirling his *twister*, makes a twist of the twine.
Wallis.

Twisting. *part. adj.* Forming convolutions or contortions; becoming convoluted, or contorted.

Deep in her breast he plunged the shining sword:
The Inachians view the slain with vast surprise,
Her *twisting* volumes and her rolling eyes.
Pope, Translation of the First Book of the Thebais of Statius.

Twisting. *verbal abs.* Contortion; convolution; distortion.

In an ileus, commonly called the *twisting* of the guts, is a circumvolution or insertion of one part of the gut within the other.—*Arbuthnot, On the Nature and Choice of Aliments.*

(See also under Twister.)

Twit. *v. a.* [A.S. *edwitan.*] Reprove with a sneer.

When approaching the stormy stowers
We mought with our shoulders bear off the sharp showers,
And sooth to saine, nought seemeth sike strife,
That shepherds so *twiten* each other's life. *Spenser.*

When I protest true loyalty to her,
She *twits* me with my falsehood to my friend.
Shakespear, Two Gentlemen of Verona, iv. 2.

Æsop minds men of their errors without *twitting* them for what's amiss.—*Sir R. L'Estrange.*

This these scoffers *twitted* the Christians with.—*Archbishop Tillotson.*

Twitch. *v. a.* [A.S. *twiccian.*] Pluck with a quick motion; snatch; pluck with a hasty motion.

He rose, and *twitch'd* his mantle blue,
To-morrow to fresh woods and pastures new.
Milton, Lycidas, 192.

Twitch'd by the sleeve, he mouths it more and more.
C. Dryden, Translation of Juvenal, vii. 143.

Thrice they *twitch'd* the diamond in her ear.
Pope, Rape of the Lock, canto iii.

Twitch. *s.*

1. Quick pull; sudden vellication.

But Hudibras gave him a *twitch*
As quick as lightning in the breech.
Butler, Hudibras, ii. 3, 1065.

The lion gave one hearty *twitch*, and got his feet out of the trap, but left claws behind.—*Sir R. L'Estrange.*

2. Contraction of the fibres.

Mighty physical their fear is;
For soon as noise of combat near is,
Their heart descending to their breeches,
Must give their stomachs cruel *twitches.*
Prior, Alma, i. 455.

A fit of the stone is the cure, from the inflammation and pain occasioning convulsive *twitches.*—*Sharp, Surgery.*

Twitch, or **Twitchgrass.** *s.* [*quick* in the sense of living.] Couch-grass.

Twitchgrass is a weed that keeps some land loose, hollow, and draws away the virtue of the ground.—*Mortimer, Husbandry.*

Twite. *s.* [?] Name applied to several small birds, most commonly found in composition, improperly spelt *white*, as Lint-white.

Twitter. *v. n.* [German, *zittern.*]

1. Make a sharp tremulous intermitted noise.

The swallow, too, beneath the thatch,
Shall *twitter* from its clay-built nest;
Oft shall the pilgrim lift the latch,
And share my meal a welcome guest. *Rogers.*

2. Be suddenly moved with any inclination; be agitated by expectation or suspense: (condemned by Johnson as 'A *low* word').

My heart *twitters*; I am all in a twitter.—*Ray, North Country Words.*

3. Burst into a smile or laugh; simper.

O the young handsome wenches, how they *twitter'd!*
Beaumont and Fletcher, Loyal Subject.

How the fool bridles! how she *twitters* at him!
Id., Pilgrim.

Twitter. *s.*

1. Any motion or disorder of passion, such as a violent fit of laughing, or fit of fretting.

The ancient errant knights
Won all their ladies' hearts in fights,
And cut whole giants into fritters,
To put them into amorous *twitters.*
Butler, Hudibras, iii. 1, 83.

The moon was in a heavy *twitter*, that her clothes never fitted her.—*Sir R. L'Estrange.*

I am all of a *twitter* to see my old John Harrowby again.—*G. Colman and D. Garrick, The Clandestine Marriage*, i. 1.

2. Upbraider.

Twittering. *verbal abs.*

1. Twitter.

A widow, which had a *twittering* towards a second husband, took a gossipping companion to manage the job.—*Sir R. L'Estrange.*

2. Sharp, tremulous chirping.

She awakened the time-shaken chords responsive to the *twitterings* of that slender image of a voice.—*Lamb, Essays of Elia, Captain Jackson.*

(For another example, see under Quacking.)

Twittingly. *adv.* With reproach; so as to upbraid.

Sir Thomas More's lady, being sick of daughters, prayed importunately for a boy, and nothing but a boy would serve; whereupon she had a boy, which, as Sir Thomas wittily and *twittingly* told her, would be a boy, so long as he lived!—*Junius, Sin Stigmatized*, p. 661: 1639.

Twittletwattle. *s.* Tattle; gabble: (Johnson writes 'A *vile* word').

Insipid *twittletwattles*, frothy jests, and jingling witticisms, inure us to a misunderstanding of things.—*Sir R. L'Estrange.*

'Twixt. Contraction of betwixt.

Twilight, short arbiter *'twixt* day and night.
Milton, Paradise Lost, ix. 51.

Two. *adj.* [A.S. *two.*] Numeral so called; in figures, 2.

A union in partition,
Two lovely berries moulded on one stem.
Shakespear, Midsummer-Night's Dream, iii. 2.

As the *first element* in a *compound.*

Next to the raven's age, the Pylian king
Was longest lived of any *two-legg'd* thing.
Dryden, Translation of Juvenal, x. 368.

Clarissa drew, with tempting grace,
A *two-edged* weapon from her shining case.
Pope, Rape of the Lock, canto iii.

Twófold. *adj.* Double; two of the same kind, or two different things coexisting.

Through mirksome air her ready way she makes,
Her *twofold* team, of which two black as pitch
And two were brown, yet each two each unlike,
Did softly swim away. *Spenser, Faerie Queen.*

Our prayer against sudden death importeth a *twofold* desire, that death when it cometh may give us some convenient respite, or if that be denied us of God, yet we may have wisdom to provide always before-hand.—*Hooker, Ecclesiastical Polity.*

O thou! the earthly author of my blood,
Whose youthful spirit in me regenerate,
Doth now with *twofold* vigour lift me up,
To reach at victory above my head,
Add proof unto mine armour with thy prayers,
And with thy blessings steel my lance's point!
Shakespear, Richard II. i. 3.

Time and place taken for distinguishable portions of space and duration, have each of them a *twofold* acceptation.—*Locke.*

Ewes, that erst brought forth but single lambs,
Now dropp'd their *twofold* burdens.
Prior, Second Hymn of Callimachus.

Holiness may be taken in a *twofold* sense; for that external holiness which belongs to persons or things offered to God; or for those internal graces which sanctify our natures.—*Bishop Atterbury.*

Used *adverbially.*

Ye compass sea and land to make one proselyte, and when he is made, ye make him *twofold* more the child of hell than yourselves.—*Matthew*, xxiii. 15.

Twóhanded. *adj.*

1. Employing two hands.

With huge *two-handed* sway,
Brandish'd aloft, the horrid edge came down,
Wide wasting. *Milton, Paradise Lost*, vi. 251.

2. Large; bulky.

If little, then she's life and soul all o'er;
An Amazon, the large *twohanded* whore. *Dryden.*

Twópence. *s.*

1. Sum amounting to two pennies.
2. Small coin valued at twice a penny; twopenny-piece.

You all shew like gilt *twopences* to me.—*Shakespear, Henry IV. Part II.* iv. 3.

Twópenny. Used *adjectivally*: (as, 'A *twópenny* piece'). Used also as a *term of contempt* for *worthless.*

Twótongued. *adj.* Double-tongued; deceitful.

I hate the *two-tongued* hypocrite.
G. Sandys, Paraphrase of the Psalms, p. 35.

Tyg. *s.* [?] Drinking vessel so called.

Three-handled *tyg*, a drinking cup of the time, so handled that three different persons, drinking out of it, and each using a separate handle, brought their mouths to different parts of the rim. Broken. —Cover of a *tyg*.—Another three-handled *tyg*.—A two-handled *tyg*. Handles opposite.—*Catalogue of Specimens.*

Týmbal. *s.* ? Cymbal.

A *tymbal's* sound were better than my voice.
Prior.

Týmpan. *s.* In *Printing.* Frame covered with parchment, on which the sheets are laid to be printed.

Tympánic. *adj.* Connected with the tympanum: (as, '*tympanic* bone').

The canal into which the external ear reflects the sonorous vibrations, passes inwards until it is closed by the Membrana *Tympani*, or drum of the ear, which forms the external wall of the *tympanic* cavity. Within this cavity, which communicates with the throat by the eustachian tube, there is a small series of bones, which serve to establish a connection between the Membrana *Tympani*, and that which covers-in the Fenestra Ovalis. The long handle of the malleus is attached to the Membrana *Tympani*, and near its base it gives attachment to the Tensor *Tympani* muscle.... The purpose of the *tympanic* apparatus is evidently to receive the sonorous vibrations from the air, and to transmit them to the membranous wall of the labyrinth.—*Dr. Carpenter, Principles of Comparative Physiology*, § 714.

Tympanítes. *s.* [Gr. τυμπανίτης.] Tympany.

Tympanites, which we call the drum,
A wind. *B. Jonson, Magnetick Lady.*

Týmpanize. *v. a.* Stretch as the skin over the body of a drum.

If this be not to be sawn asunder as Esay, stoned as Jeremy, made a drum or *tympanized*, as other saints of God were.—*Oley, Life of G. Herbert*, M. 2. b.: 1671.

Týmpanum. *s.* [Lat.; Gr. τύμπανον = drum.] In *Anatomy.* Drum of the ear.

The three little bones in meatu auditorio, by firming the *tympanum*, are a great help to the hearing.—*Wiseman, Surgery.*

In the true reptiles a considerable advance is constantly to be found in the character of the auditory organs.... The membrana tympani is usually visible externally, but it is sometimes covered by the skin: the cavity of the *tympanum* communicates with the fauces by an eustachian tube.... The two passages ... at their lower end ... terminate differently, one opening freely into the vestibule, and another communicating with the cavity of the *tympanum* by an aperture which is termed the Fenestra Rotunda, which is closed by a membrane.—*Dr. Carpenter, Principles of Comparative Physiology*, §§ 713-715: 1854.

Týmpany. *s.* Obstructed flatulence that swells the body like a drum; wind dropsy.

He does not shew us Rome great suddenly,
As if the empire were a *tympany*,
But gives it natural growth, tells how and why
The little body grew so large and high.
Sir J. Suckling.

Pride is no more than an unnatural *tympany*, that rises in a bubble, and spends itself in a blast.—*Sir R. L'Estrange.*

Nor let thy mountain-belly make pretence
Of likeness; thine's a *tympany* of sense.
A tun of man in thy large bulk is writ,
But sure thou'rt but a kilderkin of wit.
Dryden, Macflecnoe, 103.

The air is so rarified in this kind of dropsical tumour, as makes it hard and tight like a drum, and from thence it is called a *tympany*.—*Arbuthnot.*

Tyny. See Tiny.

Type. *s.* [Fr.; Lat. *typus*; Gr. τύπος.]

1. Stamp; mark. *Obsolete.*

Thy father bears the *type* of King of Naples,
Yet not so wealthy as an English yeoman.
Shakespear, Henry VI. Part III. i. 4.

What good is cover'd with the face of heaven
To be discover'd, that can do me good?—
Th' advancement of your children, gentle lady.—
Up to some scaffold, there to lose their heads.—
No, to the dignity and height of fortune,
The high imperial *type* of this earth's glory.
Id., Richard III. iv. 4.

Which, though in their mean *types* small matter doth appeare,
Yet both of good account are reck'ned in the shiere.
Drayton.

2. Printing letter.

This is the style and language of the first printers, as every body knows, who has been at all conversant with old books. Faust and Scheffer, the inventors, set the example in their first works from Mentz; by advertising the publick at the end of each, that they were not drawn or written by a pen, (as all books had been before,) but made by a new art and invention of printing or stamping them by characters or *types* of metal set in forms.—*Middleton, On the Origin of Printing*, p. 16: 1735.

In Moxon's time, in 1683, there were only ten *types* with specific names, while we have now twenty-one.... The materials from which *types* and stereotype plates are cast are technically termed metal, and consist of certain proportions of lead, tin, and antimony, melted together. Until recently *types* were always cast in little moulds held in the hand, the melted metal being poured in from a small ladle; but now they are thrown off with great rapidity by machinery.... The beauty of *type* depends upon the delicacy with which the matrix, or mother *type*, is formed.... A complete assortment of *types* is called a fount, which may be regulated to any extent. Every *typefounder* has a scale showing the proportional quantity of each letter required for a fount; and a peculiar scale is required for each language.—*R. J. Courtney*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

3. Standard example.

Natural groups [are] given by *type*, not by definition.... Though in a natural group of objects a definition can no longer be of any use as a regulative principle, classes are not, therefore, left quite loose, without any certain standard or guide. The class is steadily fixed, though not precisely limited; it is given, though not circumscribed; it is determined, not by a boundary line without, but by a central point within; not by what it strictly excludes, but by what it eminently includes; by an example, not by a precept; in short, instead of definition we have a *type* for our director. A *type* is an example of any class, for instance, a species of a genus, which is considered as eminently possessing the characters of the class. All the species which have a greater affinity with this *type-species* than with any others, form the genus, and are ranged about it, deviating from it in various directions and different degrees. Thus a genus may consist of several species, which approach very near the *type*, and of which the claim to a place with it is obvious; while there may be other species which straggle further from this central knot, and which yet are clearly more connected with it than with any other. And even if there should be some species of which the place is dubious, and which appear to be equally bound by two generic *types*, it is easily seen that this would not destroy the reality of the generic groups, any more than the scattered trees of the intervening plain prevent our speaking intelligibly of the distinct forests of two separate hills. The *type-species* of every genus, the *type-genus* of every family, is, then, one which possesses all the characters and properties of the genus in a marked and prominent manner. The *type* of the rose family has alternate stipulate leaves, wants the albumen, has the ovules not erect, has the stigmata simple, and besides these features, which distinguish it from the exceptions or varieties of its class, it has the features which make it prominent in its class. It is one of those which possess clearly several leading attributes; and thus, though we cannot say of any one genus that it must be the *type* of the family, or of any one species that it must be the *type* of the genus, we are still not wholly to seek: the *type* must be connected by many affinities with most of the others of its group; it must be near the centre of the crowd, and not one of the stragglers.—*Whewell, History of Scientific Ideas*, vol. ii. p. 121: 1858.

A genus may consist of several species which approach very near the *type*, and of which the claim to a place with it is obvious; while there may be other species which straggle further from this central knot, and which yet are clearly more connected with it than with any other. And even if there should be some species of which the place is dubious, and which appear to be equally bound to two generic *types*, it is easily seen that this would not destroy the reality of the generic groups, any more than the scattered trees of the intervening plain prevent our speaking intelligibly of the distinct forests of two separate hills.—*J. S. Mill, System of Logic.*

4. Emblem; mark of something.

Clean renouncing
The faith they have in tennis, and tall stockings,
Short bolster'd breeches, and those *types* of travel,
And understanding again the honest men.
Shakespear, Henry VIII. i. 3.

Thy emblem, gracious queen, the British rose,
Type of sweet rule, and gentle majesty. *Prior.*

5. That by which something future is prefigured.

Informing them by *types*
And shadows of that destin'd seed to bruise
The serpent, by what means he shall achieve
Mankind's deliverance.
Milton, Paradise Lost, xii. 232.

The apostle shews the Christian religion to be in truth and substance what the Jewish was only in *type* and shadow.—*Archbishop Tillotson.*

Type. *v. a.* Typify. *Rare.*

He ratified ceremonial and positive laws, in respect of their spiritual use and signification, and by fulfilling all things *typed* and prefigured by them.—*White.*

Týpe-metal. *s.* See extract.

Type-metal [is] the alloy of lead and antimony used in casting printer's types, the usual proportions being one part of antimony to three of lead, but a superior and harder kind of type is sometimes made by alloying two parts of lead with one of antimony and one of tin. Both these alloys take a sharp impression from the mould or matrix, owing to their expansion on solidification, and they are hard enough to stand the work of the press, without being brittle or liable to fracture.—*R. J. Courtney*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Týpe-setter. *s.* One who sets type.

(For example see under Type-setting.)

Týpe-setting. *s.* Process by which type is set.

It is to M. Bonelli that we are indebted for the bold idea of uniting the science of electricity with the art of Gutenberg, and of practically demonstrating that an ordinary typographic composition, fit for local use, may be unerringly reproduced at almost any distance. From this idea naturally arose the conception of converting the telegraph stations upon the main lines into so many *type-setting* workshops, of suppressing altogether every kind of delicate mechanism, of putting aside conventional alphabets, those pregnant sources of error—in a word, of reducing telegraphic science to a simple craft, within the reach of the most ordinary intelligence. ... Ten *type-setters* under Bonelli's system can compose at least 300 despatches per hour, and these may be transmitted in less than that time.—*R. J. Courtney*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Týphoid. *s.* [Gr. ειδης (as the *second* element in a *compound*) = like.] In *Medicine.* A term of recent origin for that form of typhus which is attended with ulceration of certain parts of the intestinal canal. The defence of it, as found in the extract, implies that it has been objected to. It is certainly something more than a mere imitation of typhus, being a disease of equal gravity; just as *small*-pox is the graver of the two complaints which bear the same general name.

In *typhus*, diarrhœa seldom occurs, and hæmorrhage from the bowels never. In *typhoid*, diarrhœa is very common, and there is hæmorrhage from the bowels in about one case out of every three. In an excellent monograph on these fevers by Dr. Jenner, published in 1850, this gentleman shows that in all the fatal cases of typhoid fever which he examined, the agminated glands, or Peyer's patches situated in the ileum, were found ulcerated. In a few instances, also, the solitary ileo-cæcal glands were ulcerated, and one eighth of the cases recorded died from extension of the ulceration with perforation of the intestine. As regards the cases of *typhus*, ulceration did not exist in a single instance. *Typhus* is a very rare disease among the better classes (making the exception of the visiting clergy, medical men, and students), whereas *typhoid* fever is probably more common among the rich than the poor. Again, *typhus* may occur at any age, while *typhoid* fever rarely attacks persons after forty, and is most common in youth; the former is slightly less dangerous than the latter, and lastly relapses do not occur in *typhus*, while they occasionally happen in *typhoid*. —*Tanner, Practice of Medicine*, vol. i. p. 236: 1869.

Typhoón. *s.* [Arabic.] Tornado; hurricane.

My coursers are fed with the lightning,
They drink of the whirlwind's stream;
And when the red morning is brightening,
They bathe in the fresh sunbeam;
I desire, and their speed makes night kindle;
I fear, they outstrip the *typhoon*;
Ere the cloud placed on Atlas can dwindle,
We'll encircle the earth and the moon.
Shelley, Prometheus Unbound.

Týphus. *s.* [Gr. τῦφος = smoke, smoulder.] Low fever; nervous fever: (often used *adjectivally*).

The fatal cases in *typus* and typhoid are one in between five and six.—*Tanner, Practice of Medicine*, vol. i. p. 236: 1869.

(See also under Typhoid.)

Týpic. *adj.* [Fr. *typique*; Lat. *typicus*.] Typical.

Hence that many coursers ran,
Hand-in-hand, a goodly train,
To bless the great Eliza's reign;
And in the *typic* glory show
What fuller bliss Maria shall bestow. *Prior.*

Týpical. *adj.* Having the character of, consisting in, a type.

The Levitical priesthood was only *typical* of the Christian; which is so much more holy and honourable than that, as the institution of Christ is more excellent than that of Moses.—*Bishop Atterbury.*

Týpically. *adv.* In a typical manner.

This excellent communicativeness of the divine nature is *typically* represented and mysteriously exemplified by the Porphyrian scale of being.—*Norris.*

Týpify. *v. a.* Figure; shew in emblem.

The resurrection of Christ hath the power of a pattern to us, and is so *typified* in baptism, as an engagement to rise to newness of life.—*Hammond.*

Our Saviour was *typified* indeed by the goat that was slain; at the effusion of whose blood, not only the hard hearts of his enemies relented, but the stony rocks and vail of the temple were shattered.—*Sir T. Browne, Vulgar Errours.*

When D'Alembert (I believe) remarked that in certain governments only two animals find their way to the highest places, the eagle and the serpent, the metaphor not only conveys with great vividness the assertion intended, but contributes towards substantiating it, by suggesting, in a lively manner, the means by which the two opposite characters thus *typified* effect their rise.—*J. S. Mill, System of Logic*, v.

The second deciduous molar is the sectorial tooth; its blade is trilobate, but both the anterior and posterior smaller lobes are notched, and the internal tubercle, which is relatively larger than in the permanent sectorial, is continued from the base of the middle lobe, as in the deciduous sectorial of the dog and hyæna; it thus *typifies* the form of the upper sectorial, which is retained in the permanent dentition of several Viverrine and Musteline species.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 374.

Týpocosmy. *s.* [Gr. τύπος = type + κόσμος world.] Representation of the world.

[He] should haply find it to be a *typocosmy.*—*Camden, Remains, Surnames.*

Some books of *typocosmy* are nothing but a mass of words of all arts, to give men countenance, that those which use the term might be thought to understand the art.—*Bacon, Advancement of Learning*, b. ii.

Typógrapher. *s.* Printer.

This is a very ancient edition of this work, without date, place, or *typographer.*—*T. Warton, History of English Poetry, Additions*, ii. 189.

Typográphic. *adj.* Belonging to the art of printing.

It was printed in the infancy of the *typographic* art.—*T. Warton, History of English Poetry*, ii. 218.

Typográphical. *adj.* Typographic.

Our translator's sermons, six in number, are more to be valued for their type than their doctrine, and at present are of little more use than to fill the catalogue of the *typographical* antiquary.—*T. Warton, History of English Poetry*, iii. 430.

Typógraphy. *s.* [Fr. *typographie*; Lat. *typographia*; Gr. τύπος = type + γράφω = I write, describe.]

1. Emblematical, figurative, or hieroglyphical representation.

Those diminutive and pamphlet treatises daily published amongst us, are pieces containing rather *typography* than verity.—*Sir T. Browne, Vulgar Errours.*

2. Art of printing.

The overplus of the money collected for the maintenance and repair of the schools is to be employed in setting up and maintaining a learned *typography.*—*Sir W. Blackstone, Commentary on the Laws of England.*

Týran. *s.* French form of tyrant. *Rare.*

Lordly love is such a *tyranne* fell.
Spenser, Shepherd's Calendar, October.

He is the *tyran* pike, our hearts the fry.
Donne, Poems, p. 40.

Týranness. *s.* Female tyrant. *Rare.*

They were, by law of that proud *tyranness*,
Provoked with wrath and envy's false surmise.
Spenser.

Though thou to me
(Whilst I was in thy power) didst shew thyself
A most insulting *tyranness*, I to thee
May prove a gentle mistress.
Beaumont and Fletcher, Prophetess.

Tyránnic. *adj.* Suiting a tyrant; acting like a tyrant; cruel; despotic; imperious.

Charge him home that he affects
Tyrannic power. *Shakespear, Coriolanus*, iii. 3.

Subdue and quell, o'er all the earth,
Brute violence, and proud *tyrannick* power.
Milton, Paradise Regained, i. 218.

She hath recourse
To tears and prayers, again she feels the smart
Of a fresh wound from the *tyrannick* dart.
Sir J. Denham, Passion of Dido.

Our sects a more *tyrannick* power assume,
And would for scorpions change the rods of Rome.
Lord Roscommon.

And by the nobles, by his commons curst,
The oppressor ruled *tyrannick* where he durst;
Pope, Windsor Forest.

Tyránnical. *adj.* Tyrannic.

You have contrived to take
From Rome all season'd office, and to wind
Yourself into a power *tyrannical.*
Shakespear, Coriolanus, iii. 3.

Domitian had been *tyrannical*; and in his time many noble houses were overthrown by false accusations.—*Bacon.*

If the spirit of a subject be rebellious, in a prince it will be *tyrannical* and intolerable.—*Jeremy Taylor.*

Tyránnically. *adv.* In manner of a tyrant.

Tarquin . . . having governed *tyrannically*, and taken from the senate all authority, was become odious to the senate, nobility, and people.—*Sir W. Raleigh, Arts of Empire*, ch. xxvi.

Tell me, knifegrinder, how came you to grind knives;
Did some rich man *tyrannically* use you?
Was it the squire, or parson of the parish,
Or the attorney?
Canning, in the *Anti-Jacobin Friend of Humanity and the Knife-grinder.*

Tyránnicide. *s.* [Lat. *tyrannicida* = slayer of a tyrant.] One who kills a tyrant.

A band of *tyrannicides.*—*Moore, Journal*, i. 216.

I find amongst the adulatory verses made in commemoration of these illustrious *tyrannicides*, a distich written by Simonides of Ceos, congratulatory with the Athenians in their delivery from the tyranny of Hipparchus.—*Cumberland, Observer*, no. 49. (Ord MS.)

Tyránnicide. *s.* [Lat. *tyrannicidium* = slaying of a tyrant; from *cædo* = I slay.] Act of killing a tyrant.

It was in the most patient period of Roman servitude, that themes of *tyrannicide* made the ordinary exercise of boys at school.—*Burke.*

The parliament itself of Paris, the tribunal of justice, heard the harangue of the duke's advocate in defence of assassination, which he termed *tyrannicide*; and that assembly, partly influenced by faction, partly overawed by power, pronounced no sentence of condemnation, against this detestable doctrine.—*Hume, History of England*, ch. xix.

Týranning. *s.* Exercise of tyranny. *Rare.*

Love, that with thy cruel darts
Dost conquer greatest conquerors on ground, . . .
What glorie or what guerdon hast thou found
In feeble ladies *tyranning* so sore?
Spenser, Faerie Queen, iv. 7, 1.

Týrannize. *v. n.* [Fr. *tyranniser.*] Play the tyrant; act with rigour and imperiousness.

Then gan Carausius *tirannize* anew,
And gainst the Romans bent their proper power,
And so Allectus treacherously slew,
And took on him the robe of emperor.
Spenser, Faerie Queen, ii. 10, 57.

I made thee miserable,
What time I threw the people's suffrages
On him, that thus doth *tyrannize* o'er me.
Shakespear, Titus Andronicus, iv. 3.

A crew, whom like ambition joins
With him, or under him to *tyrannize.*
Milton, Paradise Lost, xii. 38.

Beauty had crown'd you, and you must have been
The whole world's mistress, other than a queen;
All had been rivals, and you might have spared,
Or kill'd and *tyrannised* without a guard. *Waller.*

He does violence to his own faculties, *tyrannises* over his own mind, and usurps the prerogative that belongs to truth alone, which is to command by its own authority.—*Locke.*

'I will be wise,
And just, and free, and mild, if in me lies
Such power, for I grow weary to behold
The selfish and the strong still *tyrannise*
Without reproach or check.' I then controlled
My tears, my heart grew calm, and I was meek and
bold. *Shelley, Revolt of Islam.*

Justice was administered fairly; the great were not allowed to *tyrannize* over the poor, nor the people to meet in tumultuous mobs; and the legions were regularly paid, so that they had no excuse for plundering the unfortunate Egyptians.—*Sharpe, History of Egypt*, ch. xi.

Týrannize. *v. a.* Subject or compel by tyranny. *Rare.*

Boisterous edicts *tyrannizing* the blessed ordinance of marriage into the quality of a most unnatural and unchristianly yoke.—*Milton, Doctrine and Discipline of Divorce*, b. ii. ch. xx.

Týrannous. *adj.* Tyrannical; despotic; arbitrary; severe; cruel; imperious. *Obsolete.*

It is strange to see the unmanlike cruelty of mankind, who, not content with their *tyrannous* ambition, to have brought the others virtuous patience under them, think their masterhood nothing without doing injury to them.—*Sir P. Sidney.*

Lately grown into a loathing and detestation of the unjust and *tyrannous* rule of Harold, an usurper.—*Spenser.*

Betwixt two charming words, comes in my father,
And, like the *tyrannous* breathing of the north,
Shakes all our buds from blowing.
Shakespear, Cymbeline, i. 4.

'Tis excellent
To have a giant's strength; but it is *tyrannous*
To use it like a giant.
Id., Measure for Measure, ii. 2.

Fear you his *tyrannous* passion more, alas!
Than the queen's life?
Shakespear, Winter's Tale, ii. 3.

Subjection to his empire *tyrannous.*
Milton, Paradise Lost, xii. 32.

After the death of this *tyrannous* and ambitious king, these writings came abroad.—*Sir W. Temple.*

Týrannously. *adv.* In a tyrannous manner; despotically; severely; cruelly.

By force of that commission, he in many places most *tyrannously* expelled them.—*Bale, Acts of English Votaries*, p. i.

They have most *tirannously* slayne the children.—*Sir T. Elyot, Governour*, fol. 159, b.

There being both together in the floud,
They at each other *tyrannously* flew.
Spenser, Faerie Queen, v. 2, 13.

Týranny. *s.*

1. Absolute monarchy imperiously administered.

Our grand foe,
Who now triumphs, and in the excess of joy
Sole reigning, holds the *tyranny* of heav'n.
Milton, Paradise Lost, i. 122.

The cities fell often under *tyrannies*, which spring naturally out of popular governments.—*Sir W. Temple.*

2. Unresisted and cruel power.

Boundless intemperance
In nature is a *tyranny*; it hath been
Th' untimely emptying of the happy throne,
And fall of many kings. *Shakespear, Macbeth*, iv. 3.

3. Cruel government; rigorous command.

Bleed, bleed, poor country!
Great *tyranny*, lay thou thy basis sure,
For goodness dares not check thee.
Shakespear, Macbeth, iv. 3.

Suspicions dispose kings to *tyranny*, and husbands to jealousy.—*Bacon.*

God, in judgment just,
Subjects him from without to violent lords;
Who oft as undeservedly inthral
His outward freedom: *tyranny* must be.
Milton, Paradise Lost, xii. 92.

4. Severity; rigour; inclemency.

The *tyranny* o' the open night's too rough
For nature to endure.
Shakespear, King Lear, iii. 4.

Týrant. *s.* [The original meaning of the word was by no means so suggestive of violence, arrogance, and cruelty as the present. Its etymology is uncertain, and, though several derivations have been proposed for it from the Greek language, it is possible that the word is other than Hellenic. It arose in the Republics, and signified in its most favourable interpretation a person whose political power, whether well or ill exercised, was autocratic rather than what would now be called constitutional. It soon, however, came to suggest more of evil than of good. *Despot*, a word akin to *tyrant*, in respect to its meaning in English, is the Greek Δεσπότης, the Slavonic *Gospodar* and *Hospodar*, simply titles for certain rulers.]

1. Absolute monarch governing imperiously.
2. Cruel despotic and severe master; oppressor.

Love to a yielding heart is a king, but to a resisting is a *tyrant.*—*Sir P. Sidney.*

I would not be the villain that thou think'st,
For the whole space that's in the *tyrant's* grasp,
And the rich East to boot.
Shakespear, Macbeth, iv. 3.

Dissembling courtesy! how fine this *tyrant*
Can tickle where she wounds. *Id., Cymbeline*, i. 2.

The house of woe, and dungeon of our *tyrant.*
Milton, Paradise Lost, x. 466.

Consider those grand agents and lieutenants of the devil, by whom he scourges and plagues the world under him, to wit, *tyrants*; and was there ever any *tyrant* who was not also false and perfidious?—*South, Sermons.*

Thou mean'st to kill a *tyrant* not a king.
Dryden, Don Sebastian, iv. 3.

Uberous. *s.* [Lat. *uber.*] Fruitful; copious; abundant. *Rare.*

Here the women give suck, the *uberous* dug being thrown over their naked shoulder.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 17.

Though the ground be for the most part barren, yet the soil is rich, and *it* hindereth not that her womb is *uberous.*—*Ibid.* p. 314.

Úberty. *s.* [N.Fr. *uberté*; Lat. *ubertas, -atis.*] Abundance; fruitfulness. *Rare.*

They enjoy that natural *uberty*, and fruitfulness, which, without labouring toil, doth in such plenteous abundance furnish them with all necessary things.—*Florio, Translation of Montaigne*, p. 104: 1613.

Ubicátion. *s.* [Lat. *ubi* = where.] Local relation; whereness. *A scholastic term.*

Relations, *ubications*, duration, the vulgar philosophy admits to be something; and yet to enquire in what place they are, were gross.—*Glanville.*

Ubíquitaire. *s.* Ubiquitary. *Obsolete.*

Three months thy womb
Was made the doom
Of him whom earth, nor air,
Nor the waste mould
Of heaven can hold,
'Cause he's *ubiquitair.*
Howell, Letters, b. i. letter xiii. (Ord MS.)

Ubiquitáriness. *s.* Attribute suggested by Ubiquitary; existence; presence; everywhere.

Not to speak of the *ubiquitariness* of some hands, the same being always present at all petitions.—*Fuller, Church History*, b. x. p. 24.

Ubíquitary. *adj.* [Lat. *ubique* = everywhere.] Having the attribute of being everywhere.

For wealth and an *ubiquitary* commerce, none can exceed her.—*Howell.*

Ubíquitary. *s.*

1. One that exists everywhere.

How far wide is Aquinas, which saith, by the same reason that an angel might be in two places, he might be in as many as you will! . . . To conclude, either Aquinas is false, or the papists *ubiquitaries.*—*Bishop Hall.*

There is a nymph of a most curious and elaborate strain, light, all motion, an *ubiquitary*, she is everywhere, Phantaste!—*B. Jonson, Cynthia's Revels.*

2. One who asserts the corporal ubiquity of Christ.

A parity of dignity . . . really communicated to the humanity in itself, as the *ubiquitaries* contend and plead for.—*Bishop Richardson, On the Old Testament*, p. 251: 1655.

It may serve to guard us from diverse errors: such as that of the German *ubiquitaries*, who say that our Lord, according to his human nature, corporally does exist every where.—*Barrow, Sermons*, vol. ii. serm. xxxi.

Ubíquity. *s.* [Lat. *ubique* = everywhere.]

1. Omnipresence; existence at the same time in all places.

In the one there is attributed to God death, whereof divine nature is not capable; in the other *ubiquity* unto man, which human nature admitteth not.—*Hooker, Ecclesiastical Polity.*

Could they think that to be infinite and immense the *ubiquity* of which they could thrust into a corner of their closet?—*South, Sermon.*

2. Whereabout; locality; neighbourhood.

Pem she hight,
A solemn wight,
As you should meet,
In any street,
In that *ubiquity.* *B. Jonson.*

Udal. *adj.* [Norse; German, *odel.*] Term applied to land held under no feudal superior.

Událler. *s.* One holding land by udal right.

Mr. Thierry thinks feh, that is feum, or pay, and odh, property, to be the true root [of feud]. Guizot inclines to the same derivation; and it is, in fact, given by Du Cange and others. The derivation of alod from all and odh seems to be analogous; and the word *Udaller* for the freeholder of the Shetland and Orkney Isles, strongly confirms this derivation, being only the two radical elements reversed, as I remember to have seen observed in Gilbert Stuart's View of Society.—*Hallam, View of the State of Europe during the Middle Ages*, b. xi. ch. ii. note.

Údder. *s.* [A.S. *uðer.*] Dug of a cow, or other large animal.

A lioness, *with udders* all drawn dry,
Lay couching head on ground.
Shakespear, As you like it, iv. 3.

Sithence the cow
Produced an ampler store of milk; the she-goat,
Not without pain, dragg'd her distended *udder.*
Prior, Second Hymn of Callimachus.

Úddered. *adj.* Furnished with udders.

Marian, that soft could stroke the *udder'd* cow.
Gay, Shepherd's Week, Tuesday, 11.

Úgliness. *s.* Attribute suggested by Ugly.

1. Physical.

One that else seemed fair and fresh in sight,
Was turned now to dreadful *ugliness.* *Spenser.*

She takes her topics from the advantages of *ugliness.*—*Dryden.*

2. Moral.

This dull ribaldry cannot but be very nauseous and offensive to any one who does not, for the sake of the sin itself, pardon the *ugliness* of its circumstances.—*South, Sermons.*

Ugly. *adj.* [A.S. *oga* = fright.] Contrary and opposite to beautiful; offensive to the sight.

If Cassio do remain
He hath a daily beauty in his life
Which makes me *ugly.* *Shakespear, Othello*, v. 1.

As the *first element* in a *compound.*

Was this the cottage and the safe abode
Thou told'st me of? What grim aspects are these,
These *ugly-headed* monsters? *Milton, Comus*, 693.

Úlcer. *v. a.* Ulcerate.

Úlcer. *s.* [Fr. *ulcère*; Lat. *ulcus, ulceris*; Gr. ἕλκος.] Sore of continuance, as opposed to a new wound.

Thou answerst she is fair;
Pour'st in the open *ulcer* of my heart,
Her eyes, her hair, her cheek, her gait, her voice.
Shakespear, Troilus and Cressida, i. 1.

While he was dressing that opening other abscesses were raised, and from the several apostemations sinuous *ulcers* were made.—*Wiseman, Surgery.*

Úlcerate. *v. a.* Convert into an ulcer.

Some depend upon the intemperament of the part *ulcerated*; others upon the continual afflux of the lacerative humours.—*Harvey, Discourse of Consumptions.*

An acrid and purulent matter mixeth with the blood, in such as have their lungs *ulcerated.*—*Arbuthnot, On the Nature and Choice of Aliments.*

Fletcher's heart was *ulcerated* by the thought of the poverty, the feebleness, the political insignificance of Scotland, and the indignities she had suffered at the hand of her powerful and opulent neighbour.—*Macaulay, History of England*, ch. xxiv.

Ulcerátion. *s.* Act of breaking into ulcers; process resulting in an ulcer; less properly the ulcer itself.

The effects of mercury on *ulcerations* are manifest.—*Arbuthnot.*

Úlcered. *part. adj.* Grown by time from a hurt to an ulcer.

Breathings, hard drawn, their *ulcer'd* palates tear.
May, Translation of Lucan's Pharsalia, b. iv.

Æsculapius went about with a dog and a she-goat: the first for licking *ulcered* wounds, and the goat's milk for the diseases of the stomach.—*Sir W. Temple.*

Úlcerous. *adj.* Afflicted with ulcers.

Strangely visited people,
All swoln and *ulcerous*, he cures.
Shakespear, Macbeth, iv. 1.

An *ulcerous* disposition of the lungs, and an ulcer of the lungs, may be appositely termed causes of a pulmonique consumption.—*Harvey, Discourse of Consumptions.*

Ulíginous. *adj.* [Lat. *uliginosus*; *uligo, uliginis* = sludge, ooze.] Slimy; muddy.

The *uliginous* lacteous matter taken notice of in the coral fishings upon the coast of Italy, was only a collection of the corallin particles.—*Woodward.*

Úllage. *s.* [Fr. *eullage*; *euillier* = to fill up the bunghole.] See extract.

Ullage, in gauging, [is] that quantity which a cask wants of being full.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Ulnager. *s.* Alnager.

Partly, however, in order to prevent frauds on the customs, much more *in order to secure the buyer of* foreign stuffs, officials were appointed in each considerable port, who should measure and certify the length and quality of the piece (pannus) of twenty-four yards or ells; for in early times it seems that these words were synonymous. These officers were called alnagers or *ulnagers*, and the accounts rendered by them to the exchequer are still preserved in great fulness and continuity in the Public Record Office.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Ultérior. *adj.* [Lat.] Lying on the further side; situate on the other side; further.

The *ulterior* accomplishment of that part of scripture, which once promised God's people, that kings should be its nursing fathers.—*Boyle, Style of Holy Scripture*, 211.

Últimate. *adj.* [Lat. *ultimus* = last.]

1. Intended in the last resort; being the last in the train of consequences.

I would be at the worst; worst is my port,
My harbour, and my *ultimate* repose.
Milton, Paradise Regained, iii. 209.

Many actions apt to procure fame, are not conducive to this our *ultimate* happiness.—*Addison.*

2. In *Chemistry.* Term applied to the analysis by which substances are resolved into their absolute elements: (opposed to *proximate*).

Últimately. *adv.* In an ultimate manner; as the last consequence.

Charity is more extensive than either of the two other graces, which centre *ultimately in* ourselves; for we believe, and we hope for our own sakes: *but* love, which is a more disinterested principle, carries us out of ourselves, into desires and endeavours of promoting the interests of other beings.—*Bishop Atterbury.*

Trust in our own powers *ultimately* terminates in the friendship of other men, which these advantages assure to us.—*Rogers.*

Ultimátion. *s.* Ultimatum.

Lord Bolingbroke was likewise authorized to know the real *ultimation* of France upon the general plan of peace.—*Swift, History of the Four last Years of Queen Anne.*

Ultimátum. *s.* Final conditions offered by one government to another for the settlement of a dispute.

He delivered to the mediators an *ultimatum*, importing, that he adhered to the treaties of Westphalia and Nimeguen, and accepted of Strasbourg with its appurtenances.—*Smollett, History of England*, b. i. ch. v. (Ord MS.)

Últime. *adj.* Ultimate. *Rare.*

Whereby the true and *ultime* operations of heat are not attained.—*Bacon, Natural and Experimental History.*

Últimity. *s.* Last stage; last consequence: (noted by Johnson as 'A word very convenient, but not in use').

Alteration of one body into another, from crudity to perfect concoction, is the *ultimity* of that process.—*Bacon.*

Últion. *s.* [Lat. *ultio, -onis.*] Revenge. *Rare.*

To forgive our enemies is a charming way of revenge; . . . and to do good for evil, a soft and melting *ultion*; a method taught from heaven to keep all smooth upon earth.—*Sir T. Browne, Christian Morals*, iii. 12.

Últra. *adj.* [Lat. = beyond.] Extreme; extravagant.

Their refusal to obey the voice of the Church was an omen of error in their faith, and its secret heterodoxy is proved by their connexion, in spite of themselves, with the extreme or *ultra* party whom they [the Monophysites] so vehemently disowned.—*Milman, History of Latin Christianity.*

Últra. *s.* Politician who advocates extreme measures.

With all his bright genius and solid learning, his venerable name would have been found at the head, or rather say in advance, of the most universally and most justly contemned faction in the world. The '*Ultras*' would have owned him for their leader, and would have admitted that he went beyond them in uncompromising consistency.—*Brougham, Historical Sketches of Statesmen of the Reign of George III., Mr. Burke.*

Ultramaríne. *s.* Pigment so called.

Others, notwithstanding they are brown, cease not to be soft and faint, as the blue of *ultramarine*. —*Dryden.*

Till a few years ago, every attempt failed to make *ultramarine* artificially. At length, in 1828, M. Guimet resolved the problem, guided by the analysis of MM. Clement and Desormes, and by an observation of M. Tassaert, that a blue substance like *ultramarine* was occasionally produced on the sandstone hearths of his reverberatory soda furnaces. Of M. Guimet's finest pigment I received a bottle several years ago, from my friend M. Merimée, secretary of the École de Beaux Arts, which has been found by artists little, if any, inferior to the lazulite *ultramarine*.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Últramaríne. *adj.* Being beyond the sea; foreign.

The loss of the *ultramarine* colonies lightened the expenses of France.—*Burke, Observations on a late State of the Nation*: 1769.

Ultramóntane. *adj.* [Lat. *ultra* = beyond + *mons, montis* = mountain; adjective, *montanus*.] In the English and the allied languages, *ultra* means *to the south of*; the mountains being the Alps. The term is chiefly used as an equivalent to Romish, Roman Catholic, and Papal. Tramontane, on the other hand, is an Italian term, meaning *North of the Alps*. It applies to certain cold winds from the North.

Is every person a Papist who is willing to concede to the Bishop of Rome a primacy among Christian prelates? If so, James the First, Charles the First, Laud, Heylin, were Papists. Or is the appellation to be confined to persons who hold the *ultramontane* doctrines touching the authority of the Holy See? If so, neither Bossuet nor Pascal was a Papist.—*Macaulay, History of England*, ch. xiv.

The Church of Rome makes boldly the claim of authority for its own decisions. But there is a large, and that not the least enlightened and intelligent, portion of the Christian world which peremptorily denies this claim. Moreover, even among its own members, there is great difference of opinion as to the organs of that authority. The *ultramontane* doctrines differ on this head from those of some of the national churches.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. iv.

Ultramóntane. *s.* Person holding ultramontane opinions.

He is an *ultramontane*, of which sort there have been none [popes] these fifty years.—*Bacon, Observations on a Libel*: 1592.

He [Pope Urban] declared his intention not to leave Rome. To the petition of the Bannerets of Rome for a promotion of Cardinals, he openly avowed his design to make so large a nomination that the Italians should resume their ascendancy over the *Ultramontanes*. The Cardinal of Geneva turned pale, and left the Consistory.—*Milman, History of Latin Christianity*, b. xiii. ch. i.

Ultróneous. *adj.* [Lat. *ultroneus*.] Spontaneous; voluntary.

Human laws oblige to an active obedience but not to a spontaneous offer, and *ultroneous* seeking of opportunities.—*Jeremy Taylor, Ductor Dubitantium.* (Ord MS.)

Úlulate. *v. n.* [Lat. *ululatus*, pass. part. of *ululo* = yell.] Howl; scream. *Rare.*

Troops of jackalls for prey violated the graves, by tearing out the dead; all the while *ululating* in offensive noises.—*Sir T. Herbert, Relation of some Years' Travel into Africa and the Great Asia*, p. 113.

Um. See under Umstroke.

Úmbel. *s.* In *Botany.* Inflorescence, in which all the flower-stalks proceed from a single point.

The *umbel*, for the most part, had but two spokes of flowers.—*Ray, Remains*, p. 260.

Umbellíferous. *adj.* [Lat. *fero* = I bear.] In *Botany.* Bearing or producing umbels.

I observed, creeping upon the ground, a small *umbelliferous* plant.—*Ray, Remains*, p. 260.

Úmber. *s.* [Fr. *umbre, ombre*.] Native fish so called; Grayling.

The *umber* and grayling differ as the herring and pilcher do: but though they may do so in other nations, those in England differ in nothing but their names.—*I. Walton, Complete Angler.*

Úmber. *s.* Mineral pigment originally obtained from *Ombria* in Italy, of two kinds: (*a*) Turkish umber, an ochreous iron ore, and (*b*) A variety of peat and brown coal.

I'll put myself in poor and mean attire,
And with a kind of *umber* smuch my face.
Shakespear, As you like it, i. 3.

Umber is a sad colour; which grind with gumwater, and lighten it with a little ceruse and a shive of saffron.—*Peacham, On Drawing.*

Umber is very sensible and earthy; there is nothing but pure black which can dispute with it.—*Dryden.*

Umber, is a massive mineral; fracture large and flat; conchoidal in the great, very fine earthy in the small; dull; colour, liver, chestnut; dark yellowish brown; opaque; does not soil, but writes; adheres strongly to the tongue, feels a little rough and meagre, and is very soft; specific gravity 2·2. It occurs in beds with brown jasper in the Island of Cyprus, and is used by painters as a brown colour, and to make varnish dry quickly.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Úmber. *v. a.* Darken with, or as with, umber.

I remember him
All the whole cast on 's face, though it were *umbered*,
And mask'd with patches.
Beaumont and Fletcher, Wild-Goose Chase.

Úmbered. *part. adj.* Darkened with, or as with, umber.

From camp to camp through the foul womb of night,
Fire answers fire; and through their paly flames
Each battle sees the other's *umbered* face.
Shakespear, Henry V. iv. chorus.

Umbílic. *s.* [Lat. *umbilicus*.] Navel; centre. *Rare.*

The Alcoran further tells you what and where hell is, and what is paradise. Hell is the *umbilick* of the world, circled with a thick wall of adamant, &c.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 329.

Umbílical. *adj.* [Fr. *umbilicale*, from Lat. *umbilicus*.] Belonging to the navel.

Birds are nourished by *umbilical* veins, and the navel is manifest a day or two after exclusion.—*Sir T. Browne, Vulgar Errours.*

In a calf, the *umbilical* vessels terminate in certain bodies divided into a multitude of carneous papillæ, received into so many sockets of the cotyledons growing on the womb.—*Ray.*

Umbílicality. *s.* Character as determined by an umbilicus.

In his immortall and diviner part he seemed to hold a nearer coherence, and an *umbilicality* even with God himself.—*Sir T. Browne, Vulgar Errours*, p. 234. (Ord MS.)

Úmble, and **Umbles.** *s.* See Humble, under fourth sense.

Úmbo. *s.* [Lat.] Pointed boss, or prominent part of a buckler.

Thy words together tied in small hanks,
Close as the Macedonian phalanx;
Or like the *umbo* of the Romans,
Which fiercest foes could break by no means. *Swift.*

Úmbrage. *s.* [Fr. *ombrage*; Lat. *umbra* = shade.]

1. Shade; skreen of trees.

The *umbrage* or shade keeps them from growth.—*Huloet.*

The trunk of the tree resembles an arched circumference, affording *umbrage* and refreshment to some hundred men: . . . I measured and found it to be two hundred and nine paces.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 115.

O, might I here
In solitude live savage; in some glade
Obscured, where highest wood, impenetrable
To star or sun-light, spread their *umbrage* broad,
And brown as evening!
Milton, Paradise Lost, ix. 1084.

Men swelt'ring run
To grots and caves, and the cool *umbrage* seek
Of woven arborets. *Philips.*

The linnets warble, captive none, but lured
By food to haunt the *umbrage*.
Mason, English Garden.

2. Shadow; appearance.

The rest are *umbrages* quickly dispelled; the astrologer subjects liberty to the motions of heaven. —*Bishop Bramhall, Against Hobbes.*

Such a removal of the metal out of one part of the mass, and collecting of it in another, has misled some, and given *umbrage* to an opinion, that there is a growth of metal in ore exposed to the air.— —*Woodward, On Fossils.*

Others there were, who imagined that the shortest and surest way for them to take in pursuit of the same view, was to make themselves considerable by opposition, to form a party, and maintain a struggle for personal power, under the pretence and *umbrage* of principle.—*Lord Bolingbroke, Dissertation on Parties*, ii. 3.

3. Offence; suspicion of injury.

Although he went on with the war, yet it should be but with his sword in his hand, to bend the stiffness of the other party to accept of peace: and so the king should take no *umbrage* of his arming and prosecution.—*Bacon.*

Umbrágeous. *adj.* [Fr. *umbragieux*.]

1. Shady; yielding shade.

Umbrageous grots and caves of cool recess.
Milton, Paradise Lost, iv. 257.

Walk daily in a pleasant, airy, and *umbrageous* garden. *Harvey.*

O great Poussin! O Nature's darling Claude!
What if some rash and sacrilegious hand
Tore from your canvass those *umbrageous* pines
That frown in front, and give each azure hill
The charm of contrast.
Mason, English Garden, i. 220.

2. Obscure; not to be perceived. *Obsolete.*

The present constitution of the court is very *umbrageous*.—*Sir H. Wotton, Remains*, p. 430.

Umbrágeousness. *s.* Attribute suggested by Umbrageous; shadiness.

The exceeding *umbrageousness* of this tree, he compareth to the dark and shadowed life of man; through which the sun of justice being not able to pierce, we have all remained in the shadow of death, till it pleased Christ to climb the tree of the cross, for our enlightening and redemption. —*Sir W. Raleigh.*

Úmbrate. *v. a.* Foreshadow.

The gospel is so framed as it exhibits to us the substance of the Law's types, wherein the things pertaining to the person, office and kingdom of the Messias, were *umbrated*.—*Christian Religion's Appeal*, lib. ii. p. 84.

Umbrátic. *adj.* [Lat. *umbraticus*.] Shadowy; typical.

By virtue of our Saviour's most true and perfect sacrifice, those *umbratick* representations, instituted of old by God, did obtain their substance, validity, and effect.—*Barrow, Sermons*, vol. ii. serm. xxvii.

Umbrátical. *adj.* Umbratic. *Rare.*

I can see whole volumes dispatched by the *umbratical* doctors on all sides: but draw these forth into the just list; let them appear sub dio, and they are changed with the place, like bodies bred in the shade; they cannot suffer the sun or a shower, nor bear the open air.—*B. Jonson, Discoveries.*

Umbrátile. *adj.* [Lat. *umbratilis*.] Unsubstantial; unreal.

Shadows have their figure, motion,
And their *umbratil* action from the real
Posture and motion of the body's act.
B. Jonson, Magnetick Lady.

This life that we live disjoined from God is but a shadow and *umbratil* imitation of that.—*Dr. H. More, Song of the Soul*, notes, p. 337.

Natural hieroglyphicks of our fugitive, *umbratile*, anxious, and transitory life.—*Evelyn, Sylva*, b. iv. § 13.

Umbrátious. *adj.* Captious; suspicious; disposed to take umbrage. *Rare.*

He [Essex] had to wrestle with a queen's declining or rather with her very setting age; which, besides other respects, is commonly even of itself the more *umbratious* and apprehensive, as for the most part all horizons are charged with certain vapours towards their evening.—*Sir H. Wotton, Remains*, p. 167.

Umbrélla. *s.* Screen used in hot countries to keep off the sun, and in others to bear off the rain.

I can carry your *umbrella*, and fan your ladyship. —*Dryden, Don Sebastian*, ii. 2.

Good housewives, . . .
Underneath the *umbrella's* oily shed,
Safe through the wet on clinking pattens tread.
Gay, Trivia, i. 209.

In the older forms, *umbrel* and *umbrello*.

They wore masks with spectacles in them to keep away the dust from their faces, and each of them besides bore their *umbrels*.—*Shelton, Translation of Don Quixote*, pt. i. ch. viii.

I had given directions for an engine of several legs, that could contract or open itself like the top of an *umbrello*.—*Tatler*, no. 116.

It served him for a night-cap when he went to bed, and for an *umbrello* in rainy weather.—*Swift.*

Umbriére. *s.* [N.Fr.] Visor of a helmet.

But the brave mayd would not disarmed be,
But only vented up her *umbriere*,
And so did let her goodly visage to appeare.
Spenser, Faerie Queen.

Umbrósity. *s.* [Lat. *umbrosus*.] Shadiness; exclusion of light.

Oiled paper becometh more transparent, and admits the visible rays with much less *umbrosity*.—*Sir T. Browne, Vulgar Errours.*

Úmpirage. *s.* Arbitration; friendly decision of a controversy.

If my *umpirage* may stand, I award an eternal silence to both parts.—*Bishop Hall, Letter to H. Cholmley.*

St. Augustine's *umpirage* and full determination of this whole question.—*Bishop Morton, Discovery*, p. 144: 1635.

Úmpire. *s.* [N.Fr. *nompair*; from Lat. *non* = not + *par* = equal, even: the initial *n* being lost by misdivision, i.e. by pronouncing and writing *a nompair*, as *an ompair*. See Adder, Newt.] Odd man agreed upon as arbiter and referee in a conflict of opinions, each of which is supported by an equal number of decisions.

Give me some present counsel; or, behold,
'Twixt my extremes and me this bloody knife
Shall play the *umpire*; arbitrating that
Which the commission of thy years and art
Could to no issue of true honour bring.
Shakespear, Romeo and Juliet, iv. 1.

The learned Sennertus, in that book, takes not upon him to play the advocate for the chymists, but the *umpire* betwixt them and the peripateticks. —*Boyle.*

The vast distance that sin had put between the offending creature, and the offended Creator, required the help of some great *umpire* and intercessor, to open him a new way of access to God; and this Christ did for us as mediator.—*South, Sermons.*

The jealous sects, that dare not trust their cause
So far from their own will as from the laws,
You for their *umpire* and their synod take.
Dryden, On the Coronation of Charles II., 81.

Úmpire. *v. a.* Decide as an umpire; arbitrate; settle. *Obsolete.*

No king of Spain, nor bishop of Rome, shall *umpire*, nor promote, any beneficiary or feodatory king, as they designed to do.—*Bacon, Observations on a Libel in* 1592.

Let another free and general council be called to *umpire* the controversy between the church of England and the council of Trent.—*Bishop Stratford, Reformation Vindicated*, ch. ii.

Judges [are] appointed to *umpire* the matter in contest between them.—*South, Sermons*, vi. 60.

Let an indifferent man *umpire* the matter, which of the two states have most of real happiness and satisfaction in it; whether all the fictitious pleasures of sin can compensate for the acute tortures and gripings of mind.—*Killingbeck, Sermons*, p. 361.

Úmstroke. *s.* [either a Germanism from *umstreich*, or, as indicated in the extract, a *compound* of which the *first element* is the A.S. *ym*, *ymb*, or *um* = around, round about.] Edge of a circle. *Rare*, and as a compound, *fragmentary*. (In the Northumbrian Psalter, a work in old English, published by the Surtees Society, the compounds, as in German, are numerous.)

Such towns as stand (as one may say on tiptoes), on the very *umstroke*, or on any part of the utmost line of a map (unresolved in a manner to stay out or come in), are not to be presumed placed according to exactness, but only to signify them there or thereabouts.—*Fuller, A Pisgah Sight of Palestine*, pt. i. b. i. ch. xiv.

Sometimes the word thus omitted is very curious. Thus no one of our dictionaries, and I may say the same of our glossaries, contains the word *umstroke*, which is yet most noteworthy, being as it is the sole survivor of its kind. For while there is abundant evidence that our early English derived largely from the Anglo-Saxon, the use of the preposition *um* or *umbe* (ἀμφί) in composition (*umgang, umbeset, umgripe, umklip, umlap*, and many more, for which see Halliwell), no single word with this prefix, excepting only this one, has lived on into our later English, which yet the authors of our dictionaries, as I have said, have not observed, or observing have not cared to register. I incline to think they did not observe it, for while most of Fuller's other works have been diligently used by our lexicographers, his 'Pisgah Sight of Palestine,' one of his most curious and most characteristic, and in which *umstroke* twice occurs, has been, as far as my experience reaches, entirely overlooked by them.—*Archbishop Trench, On Some Deficiencies in our English Dictionaries.*

Un. A Saxon privative or negative particle answering to the *in* of the Latins, the *a* of the Greeks, and *on* of the Dutch. It is placed almost at will before adjectives and adverbs. All the instances of this kind of composition cannot therefore be inserted; but I have collected a number sufficient, perhaps more than sufficient, to explain it. The examples, however, though numerous, might have easily been made more; for almost every adjective has a substantive and an adverb adhering to it, as *unfaithful, unfaithfulness, unfaithfully*. *Un* is prefixed to adjectives with their derivatives, as *unapt, unaptness, unaptly*; and to passive participles, as *hurt, unhurt; favoured, unfavoured*: it is prefixed likewise to participial adjectives, as *pleasing, unpleasing*, but rarely in the verbal sense expressing action; we cannot say the dart flew *unwounding*, though we say the man escaped *unwounded*. *In* and *un* may be thus distinguished. To words merely English we prefix *un*, as *unfit*; to words borrowed in the positive sense, but made negative by ourselves, we prefix *un*, as *generous, ungenerous*. When we borrow both words, we retain the Latin or French *in*, as *elegant, inelegant; politic, impolitic*. Before substantives, if they have the English termination *-ness*, as *fitness, graciousness*, it is proper to prefix *un*; if they have the Latin or French terminations in *-tude, -ice*, or *-ence*, and for the most part if they end in *-ty*, the negative *in* is put before them, as *unapt, unaptness, inaptitude; unjust, injustice; imprudence; unfaithful, unfaithfulness, infidelity*. (Johnson.) For further remarks see under Unmake.

Unabáshed. *part. pref.* Not shamed; not confused by modesty.

Earless on high, stood *unabash'd* Defoe,
And Tutchin flagrant from the scourge below.
Pope, Dunciad, ii. 147.

That law proved to be moral, and *unabolishable*, for many reasons.—*Milton, On the Doctrine and Discipline of Divorce*, ii. 1.

Unabólished. *part. pref.* Not repealed; remaining in force.

The number of needless laws *unabolished*, doth weaken the force of them that are necessary.—*Hooker, Ecclesiastical Polity.*

Unaccénted. *part. pref.* Having no accent.

It being enough to make a syllable long, if it be accented; and short if it be *unaccented*.—*Harris, Philological Inquiry.*

Unaccéptable. *adj.* Not pleasing; not such as is well received.

The marquis at that time was very *unacceptable* to his countrymen.—*Lord Clarendon, History of the Grand Rebellion.*

Every method for deterring others from the like practices for the future, must be *unacceptable* and displeasing to the friends of the guilty.—*Addison, Freeholder.*

Unacceptableness. *s.* Attribute suggested by Unaccepted; state of not pleasing.

This alteration arises from the *unacceptableness* of the subject I am upon.—*Collier, Essays, On Pride.*

Unaccépted. *part. pref.* Not accepted.

By turns put on the suppliant, and the lord;
Threaten'd this moment, and the next implored;
Offer'd again the *unaccepted* wreath,
And choice of happy love, or instant death.
Prior, Solomon, ii. 210.

Unaccéssible. *adj.* Inaccessible.

The island of Sarke being every way so *unaccessible*, as it might be held against the great Turk. —*Hakewill, Apology*, p. 258.

To them an unpenetrable rock, an *unaccessible* desart.—*G. Herbert, Country Parson*, ch. xxxiv.

Unaccéssibleness. *s.* Attribute suggested by Unaccessible; state of not being to be attained or approached; inaccessibility.

Many excellent things are in nature, which, by reason of the remoteness from us, and *unaccessibleness* to them, are not within any of our faculties to apprehend.—*Sir M. Hale.*

Unaccómmodated. *part. pref.* Unfurnished with external convenience.

Unaccommodated man is no more than such a poor, bare, forked animal as thou art.—*Shakespear, King Lear*, iii. 4.

Unaccómpanied. *part. pref.* Not attended.

Seldom one accident, prosperous or adverse, cometh *unaccompanied* with the like.—*Sir J. Hayward.*

Unaccómplished. *part. pref.*

The gods, dismay'd at his approach, withdrew,
Nor durst their *unaccomplish'd* crime pursue.
Dryden.

2. Not accomplished; not elegant.

Still *unaccomplish'd* may the maid be thought,
Who gracefully to dance was never taught.
Congreve, Translation from Ovid, Art of Love, b. iii.

Unaccómplishment. *s.* Want of accomplishment.

With all generous persons married thus it is, that where the mind and person pleases aptly there some *unaccomplishment* of the bodies delight may be better borne with than when the mind hangs off in an inclosing disposition, though the body be as it ought.—*Milton, On the Doctrine and Discipline of Divorce*, p. 5. (Ord MS.)

Unaccoúntable. *adj.*

1. Not explicable; not to be solved by reason; not reducible to rule.

The folly is so *unaccountable*, that enemies pass upon us for friends.—*Sir R. L'Estrange.*

There has been an *unaccountable* disposition of late, to fetch the fashion from the French.—*Addison.*

The manner whereby the soul and body are united, and how they are distinguished, is wholly *unaccountable* to us.—*Swift.*

2. Not subject; not controlled.

His absolute *unaccountable* dominion and sovereignty over the creature.—*South, Sermons.*

Unaccoúntably. *adv.* In an unaccountable manner; strangely.

The boy proved to be the son of the merchant, whose heart had so *unaccountably* melted at the sight of him.—*Addison.*

Unáccurate. *adj.* Inaccurate.

Galileo using an *unaccurate* way, defined the air to be in weight to water but as one to four hundred. —*Boyle.*

Unáccurateness. *s.* Attribute suggested by Unaccurate; inaccuracy; want of exactness.

It may be much more probably maintained than hitherto, as against the *unaccurateness* and unconcludingness of the analytical experiments vulgarly to be relied on.—*Boyle.*

Unaccústomed. *part. pref.*

1. Not used; not habituated: (with *to*).

I was chastised as a bullock *unaccustomed to* the yoke.—*Jeremiah*, xxxi. 18.

The necessity of air to the most of animals *unaccustomed to* the want of it, may best be judged of by the following experiments.—*Boyle.*

2. New; not usual.

I 'll send one to Mantua,
Where that same banish'd runagate doth live,
Shall give him such an *unaccustom'd* dram,
That he shall soon keep Tybalt company.
Shakespear, Romeo and Juliet, iii. 5.

Unachiévable. *adj.* Incapable of being achieved.

If it should withdraw, and hide itself from the most, or be *unachievable*, not to be attained to by some.—*Farindon, Sermons*, p. 484: 1647.

Unáching. *part. pref.* Not feeling or causing pain.

Shew them th' *unaking* scars which I would hide,
As if I had received them for the hire
Of their breath only. *Shakespear, Coriolanus*, ii. 2.

Unacknówledged. *part. pref.* Not owned.

The fear of what was to come from an unknown, at least an *unacknowledged* successor to the crown, clouded much of that prosperity.—*Lord Clarendon, History of the Grand Rebellion.*

Unacquaíntance. *s.* Want of familiarity; want of knowledge: (followed by *with*).

The first is an utter *unacquaintance with* his master's designs, in these words; the servant knoweth not what his master doth.—*South, Sermons.*

Unacquaínted. *part. pref.*

1. Not known; unusual; not familiarly known.

She greatly grew amazed at the sight,
And th' *unacquainted* light began to fear. *Spenser.*

2. Not having familiar knowledge: (followed by *with*).

Festus, an infidel, a Roman, one whose ears were *unacquainted with* such matter, heard him, but could not reach unto that whereof he spake.—*Hooker, Ecclesiastical Polity.*

Where else
Shall I inform my *unacquainted* feet
In the blind mazes of this tangled wood?
Milton, Comus, 179.

Youth, that *with* joys had *unacquainted* been,
Envied grey hairs, that once good days had seen.
Dryden, Astrea Redux, 25.

Unacquaíntedness. *s.* Attribute suggested by Unacquainted; unacquaintance: (followed by *with*).

The bishop said, in excuse for his present *unacquaintedness with* such matters of antiquity, that it was thirty years ago since he read over the three first centuries.—*Whiston, Memoirs*, p. 191.

Unácted. *part. pref.* Not put into execution; not acted as a drama.

A thought *unacted.*
Shakespear, Rape of Lucrece.

Unáctive. *adj.*

1. Not brisk; not lively.

Silly people commend tame, *unactive* children, because they make no noise, nor give them any trouble.—*Locke.*

2. Having no employment.

Man hath his daily work of body or mind
Appointed, which declares his dignity;
While other animals *unactive* range,
And of their doings God takes no account.
Milton, Paradise Lost, iv. 619.

3. Not busy; not diligent.

An homage which nature commands all understanding to pay to virtue; and yet is but a faint, *unactive* thing; for in defiance of the judgment, the will may still remain as much a stranger to virtue as before.—*South, Sermons.*

Unáctive. *v. a.* Render unactive. *Rare.*

The fatness of the soul . . . *unactived* them for foreign adventure.—*Fuller, A Pisgah Sight of Palestine*, b. ii.

Unáctuated. *part. pref.* Not actuated.

The peripatetick matter is a mere *unactuated* power.—*Glanville.*

Unadjústed. *part. pref.* Not adjusted; unsettled.

In countries where life was yet *unadjusted* and *policy* unformed, it sometimes happened that by the dissentions of heads of families, by the ambition of daring adventurers, by some accidental pressure of distress, or by the mere discontent of idleness, one part of the community broke off from the rest.—*Johnson, Taxation no Tyranny.* (Ord MS.)

Unadmíred. *part. pref.* Not regarded with honour.

Oh! had I rather *unadmired* remained
In some lone isle, or distant northern land,
Where the gilt chariot never marks the way! *Pope.*

Unadmónished. *part. pref.* Not admonished; not cautioned beforehand.

This let him know,
Lest, wilfully transgressing, he pretend
Surprisal, *unadmonish'd*, unforewarn'd.
Milton, Paradise Lost, v. 243.

Unadóred. *part. pref.* Not worshipped.

Nor was his name unheard, or *unadored*,
In ancient Greece. *Milton, Paradise Lost*, i. 738.

Unadórned. *part. pref.* Not decorated; not embellished.

The earth, till then
Desert and bare, unsightly, *unadorn'd*,
Brought forth the tender grass.
Milton, Paradise Lost, vii. 313.

But hoary winter, *unadorn'd* and bare,
Dwells in the dire retreat, and freezes there.
Addison.

Unadúlterate. *adj.* Genuine; not spoiled by spurious mixtures.

A breath of *unadulterate* air,
The glimpse of a green pasture, how they cheer
The citizen! *Cowper, Task*, b. iv.

Unadúlterated. *part. pref.* Unadulterate.

I have only discovered one of those channels, by which the history of our Saviour might be conveyed pure and *unadulterated.*—*Addison, On the Christian Religion.*

Unadúlterately. *adv.* In an unadulterate manner; without spurious mixtures.

"Inductions fresh and *unadulterately* drawn from those observations.—*Dr. Gilberte, To Archbishop Usher, Letter*, p. 494: 1638.

Unadvénturous. *adj.* Not adventurous.

The wisest unexperienced, will be ever
Timorous and loth, with novice modesty
Irresolute, unhardy, *unadventurous.*
Milton, Paradise Regained, iii. 241.

Unadvísable. *adj.* Not prudent; not to be advised.

Extreme rigour would have been *unadvisable* in the beginning of a new reign.—*Bishop Lowth, Life of Wykeham*, § 5.

Unadvísed. *part. pref.*

1. Imprudent; indiscreet.

Madam, I have *unadvised*
Deliver'd you a paper that I should not.
Shakespear, Two Gentlemen of Verona, iv. 4.

2. Done without due thought; rash.

This contract to-night
Is too rash, too *unadvised*, too sudden,
Too like the lightning, which doth cease to be,
Ere one can say, it lightens.
Shakespear, Romeo and Juliet ii. 2.

Unadvísedly. *adv.* In an unadvised manner; imprudently; rashly; indiscreetly.

A strange kind of speech unto Christian ears; and such as I hope they themselves do acknowledge *unadvisedly* uttered.—*Hooker, Ecclesiastical Polity.*

A word *unadvisedly* spoken on the one side, or misunderstood on the other, has raised such an aversion to him, as in time has produced a perfect hatred of him.—*South, Sermons.*

Unadvísedness. *s.* Attribute suggested by Unadvised; imprudence; rashness.

I thought one man enough to match with ten;
And through this careless *unadvisedness*
I was destroy'd. *Mirrour for Magistrates*, p. 275.

Unaffécted. *part. pref.*

1. Real; not hypocritical.

They bore the king
To lie in solemn state, a publick sight:
Groans, cries, and howlings fill the crowded place,
And *unaffected* sorrow sat on ev'ry face. *Dryden.*

2. Free from affectation; open; candid; sincere.

The maid improves her charms
With inward greatness, *unaffected* wisdom,
And sanctity of manners. *Addison, Cato.*

Of softest manners, *unaffected* mind;
Lover of peace, and friend of human kind.
Pope, Epitaph on the Hon. R. Digby.

3. Not formed by too rigid observation of rules; not laboured.

Men divinely taught, and better teaching
The solid rules of civil government,
In their majestick, *unaffected* stile,
Than all the oratory of Greece and Rome.
Milton, Paradise Regained, iv. 359.

4. Not moved; not touched: (as, 'He sat *unaffected* to hear the tragedy').

Unafféctedly. *adv.* In an unaffected manner; without any attempt to produce false appearances.

He was always *unaffectedly* cheerful; no marks of any thing heavy at his heart broke from him.—*Locke.*

Unaffécting. *part. pref.* Not pathetic; not moving the passions.

This stately sort of declamation, whatever eloquence it may display, and whatever policy it may teach, is undramatick, unanimated, and *unaffecting.*—*T. Warton, History of English Poetry*, iii. 363.

Unafféctionate. *adj.* Wanting affection.

A helpless, *unaffectionate*, and sullen mass, whose very company represents the visible and exactest figure of loneliness itself.—*Milton, Tetrachordon.*

Unafflícted. *part. pref.* Free from trouble.

My *unafflicted* mind doth feed
On no unholy thoughts for benefit.
Daniel, Musophilus.

Unagreéable. *adj.* Inconsistent; unsuitable.

The manner of their living *unagreeable* to the profession of the names of Christians.—*Knight, Trial of Truth*, fol. 53: 1580.

Adventurous work! yet to thy power and mine
Not *unagreeable*, to found a path
Over this main, from hell to that new world.
Milton, Paradise Lost, x. 255.

Unagreéableness. *s.* Attribute suggested by Unagreeable; unsuitableness to; inconsistency with.

Papias, a holy man, and scholar of St. John, having delivered the millennium, men chose rather to admit a doctrine, whose *unagreeableness* to the gospel œconomy rendered it suspicious, than think an apostolick man could seduce them.—*Dr. H. More, Decay of Christian Piety.*

Unaídable. *adj.* Incapable of being aided.

The congregated college have concluded.
That labouring art can never ransom nature
From her *unaidable* estate.
Shakespear, All's well that ends well, ii. 1.

Unaíded. *part. pref.* Not assisted; not helped.

Their number, counting those th' *unaided* eye
Can see, or by invented tubes descry,
The widest stretch of human thought exceeds.
Sir R. Blackmore.

Unaíming. *part. pref.* Having no particular direction.

The noisy culverin, o'ercharged, lets fly,
And bursts, *unaiming*, in the rended sky;
Such frantick flights are like a madman's dream,
And nature suffers in the wild extreme. *Granville.*

Unalármed. *part. pref.* Not disturbed.

One shelter'd hare
Has never heard the sanguinary yell
Of cruel man, exulting in her woes.
Innocent partner of my peaceful home,
Whom ten long years' experience of my care
Has made at last familiar, she has lost
Much of her vigilant instinctive dread,
Not needful here, beneath a roof like mine.
Yes—thou may'st eat thy bread, and lick the hand
That feeds thee; thou may'st frolick on the floor
At evening, and at night retire secure
To thy straw couch, and slumber *unalarm'd.*
Cowper, Task, b. iii.

Unálienable. *adj.* Incapable of being alienated; not to be transferred.

Hereditary right should be kept sacred, not from any *unalienable* right in a particular family, but to avoid the consequences that usually attend the ambition of competitors.—*Swift.*

Unalláyed. *part. pref.* Not impaired by bad mixtures.

Unallayed satisfactions are joys too heavenly to fall to many men's shares on earth.—*Boyle.*

Unallíed. *part. pref.*

1. Having no powerful relation.

Narcissa, not unknown, not *unallied.*
Young, Night Thoughts, night iv.

2. Having no common nature; not congenial.

He is compounded of two very different ingredients, spirit and matter; but how such *unallied* and disproportioned substances should act upon each other, no man's learning yet could tell him.—*Collier, Essays, On Pride.*

Unálterable. *adj.* Incapable of being altered; unchangeable; immutable.

The law of nature, consisting in a fixed, *unalterable* relation of one nature to another, is indispensable.—*South, Sermons.*

Unálterableness. *s.* Attribute suggested by Unalterable; immutability; unchangeableness.

This happens from the *unalterableness* of the corpuscles, which constitute and compose those bodies.—*Woodward.*

Unálterably. *adv.* In an unalterable manner; unchangeably; immutably.

Retain *unalterably* firm his love intire.
Milton, Paradise Lost, v. 502.

Unáltered. *part. pref.* Not changed; not changeable.

It was thought in him an unpardonable offence to alter anything; in us intolerable that we suffer anything to remain *unaltered.*—*Hooker, Ecclesiastical Polity.*

To shew the truth of my *unaltered* breast,
Know that your life was given at my request.
Dryden, Aurengzebe, iv. 2.

Unamázed. *part. pref.* Not astonished; free from astonishment.

Though at the voice much marvelling, at length,
Not *unamazed*, she thus in answer spake.
Milton, Paradise Lost, ix. 551.

Unambíguous. *adj.* Clear; not to be mistaken; unquestionable.

Every paragraph should be so clear and *unam-*

biguous, that the dullest fellow in the world may not be able to mistake it.—*Lord Chesterfield.*

The *unambiguous* footsteps of a God.
Cowper, Task.

Unambítious. *adj.* Free from ambition.

I am one of those *unambitious* people, who will love you forty years hence.—*Pope.*

My humble muse, in *unambitious* strains,
Paints the green forests, and the flow'ry plains.
Id., Windsor Forest.

Unaméndable. *adj.* Incapable of being amended; not to be changed for the better.

He is the same man; so is every one here that you know: mankind is *unamendable.*—*Pope, Letter to Swift.*

Unaménded. *part. pref.* Not changed for the better.

He never passed a fault *unamended* by indifference, nor quitted it by despair.—*Johnson, Life of Pope.* (Ord MS.)

Unámiable. *adj.* Not raising love.

Those who represent religion in an *unamiable* light, are like the spies sent by Moses to make a discovery of the land of promise, when by their reports they discourage the people from entering upon it.—*Addison, Spectator.*

Unamúsed. *part. pref.* Wanting amusement; without amusement.

O ye Lorenzos of our age, who deem
One moment *unamused* a misery
Not made for feeble man!
Young, Night Thoughts, night ii.

Unámusive. *adj.* Not affording amusement.

I have passed a very dull and *unamusive* winter.—*Shenstone, Letters*, letter lxxxiii. (Ord MS.)

A port there is, inclosed on either side,
Where ships may rest, *unanchored*, and untied.
Pope.

Unanéled. *part. pref.* Not having received extreme unction.

Thus was I, sleeping, by a brother's hand
Cut off, ev'n in the blossoms of my sin,
Unhousel'd, disappointed, *unaneled.*
Shakespear, Hamlet, i. 5.

Unánimated. *part. pref.* Not enlivened; not vivified.

Look on those half lines as the imperfect products of a hasty muse: like the frogs in the Nile, part kindled into life, and part a lump of uninformed *unanimated* matter.—*Dryden.*

Unanímity. *s.* [Fr. *unanimité.*] Agreement in design or opinion.

An honest party of men, acting with *unanimity*, are of infinitely greater consequence than the same party aiming at the same end by different views.—*Addison.*

Unánimous. *adj.* [Fr. *unanime*; Lat. *unanimus*; *unus* = one + *animus* = soul, spirit.] Being of one mind; agreeing in design or opinion.

They wont to meet
So oft in festivals of joy, and love
Unanimous, as sons of one great sire,
Hymning th' eternal Father.
Milton, Paradise Lost, vi. 93.

Unánimously. *adv.* In an unanimous manner; with one mind.

This particular is *unanimously* reported by all the antient Christian authors.—*Addison, On the Christian Religion.*

Unánswerable. *adj.* Incapable of being answered; not to be refuted.

This is a manifest and *unanswerable* argument.—*Sir W. Raleigh.*

These speculations are strong intimations, not only of the excellency of a human soul, but of its independence on the body; and if they do not prove, do at least confirm, these two great points, which are established by many other reasons that are *unanswerable.*—*Addison, Spectator.*

Unánswerably. *adv.* In an unanswerable manner; beyond confutation.

It will put their little logick hard to it, to prove, that there can be any obedience, where there is no command. And therefore it *unanswerably* follows, that the abettors of the forementioned principle plead conscience in a direct and barefaced contradiction to God's express command.—*South, Sermons.*

Unánswered. *part. pref.*

1. Not opposed by a reply.

Unanswer'd lest they boast.
Milton, Paradise Lost, vi. 163.

Must I tamely bear
This arrogance *unanswer'd?* Thou'rt a traitor.
Addison, Cato.

2. Not confuted.

All these reasons, they say, have been brought, and were hitherto never answered; besides a number of merriments and jests *unanswered* likewise.—*Hooker, Ecclesiastical Polity.*

3. Not suitably returned.

Quench, Corydon, thy long *unanswer'd* fire;
Mind what the common wants of life require.
Dryden, Translation of Virgil, Eclogues, ii. 105.

Unappálled. *part. pref.* Not daunted; not impressed by fear.

If my memory must thus be thralled
To that strange stroke, which conquer'd all my senses;
Can thoughts still thinking so rest *unappalled?*
Sir P. Sidney.

Unappárelled. *part. pref.* Not dressed; not clothed.

Till our souls be *unapparelled*
Of bodies, they from bliss are banished. *Donne.*

Unappárent. *adj.* Obscure; not visible.

Thy potent voice he hears,
And longer will delay to hear thee tell
His generation, and the rising birth
Of nature, from the *unapparent* deep.
Milton, Paradise Lost, vii. 100.

Unappeálable. *adj.* Incapable of being appealed against; not admitting appeal.

They made their own reason, or rather humour, (first surnaming it the spirit,) the infallible, *unappealable* judge of all that was delivered in the written word.—*South, Sermons*, vol. v. serm. iii.

Unappeásable. *adj.* In an unappeasable manner; so as not to be pacified; implacable.

The *unappeasable* rage of Hildebrand and his successors, never left persecuting him, by raising one rebellion upon another.—*Sir W. Raleigh, Essays.*

I see thou art implacable; more deaf
To prayers than winds to seas; yet winds to seas
Are reconciled at length, and seas to shores.
Thy anger, *unappeasable*, still rages,
Eternal tempest, never to be calm'd.
Milton, Samson Agonistes, 960.

Unappeásed. *adj.* Not pacified.

Sacrifice his flesh,
That so the shadows be not *unappeased.*
Shakespear, Titus Andronicus, i. 2.

His son forgot his empress *unappeased*;
How soon the tyrant with new love is seized!
Dryden, Tyrannick Love, ii. 1.

Unápplicable. *adj.* Incapable of application.

Their beloved earl of Manchester appeared now as *unapplicable* to their purposes as the other.—*Lord Clarendon, History of the Grand Rebellion.*

The singling out and laying in order those intermediate ideas, that demonstratively shew the equality or inequality of *unapplicable* quantities has produced discoveries.—*Locke.*

God is light,
And never but in *unapproached* light
Dwelt from eternity. *Milton, Paradise Lost*, iii. 3.

Unappropríated. *adj.* Having no particular application.

Ovid could not restrain the luxuriancy of his genius, on the same occasion, from wandering into an endless variety of flowery and *unappropriated* similitudes, and equally applicable to any other person or place.—*J. Warton, Essay on the Genius and Writings of Pope.*

Unappróved. *part. pref.* Not approved.

Evil in the mind
May come and go so *unapproved*, and leave
No spot behind. *Milton, Paradise Lost*, v. 117.

Unápt. *adj.*

1. Dull; not apprehensive.

The contrary advantage, in natures very dull and *unapt*, of working alacrity, by framing an exercise with some delight or affection.—*Bacon, Discourse to Sir H. Saville.*

2. Not ready; not propense.

My blood hath been too cool and temperate,
Unapt to stir at these indignities.
Shakespear, Henry IV. Part I. i. 3.

3. Unfit; unqualified: (with *to* before a verb, *for* before a noun).

Fear doth grow from an apprehension of deity indued with irresistible power to hurt; and is, of all affections (anger excepted), the *unaptest to* admit any conference with reason.—*Hooker, Ecclesiastical Polity.*

A longing after sensual pleasures is a dissolution of the spirit of a man, and makes it loose, soft, and wandering, *unapt for* noble, wise, or spiritual employments.—*Jeremy Taylor.*

4. Improper; unfit; unsuitable.

Unáptly. *adv.* In an unapt manner; unaptly; improperly.

He swims on his back; and the shape of his back seems to favour it, being very like the bottom of a boat: nor do his hinder legs *unaptly* resemble a pair of oars.—*Grew.*

Unáptness. *s.* Attribute suggested by Unapt.

1. Unfitness; unsuitableness.

Men's apparel is commonly made according to their conditions; and their conditions are often governed by their garments; for the person that is gowned, is by his gown put in mind of gravity, and also restrained from lightness by the very *unaptness* of his weed.—*Spenser, View of the State of Ireland.*

2. Dulness; want of apprehension.

Perchance some single vantages you took
When my indisposition put you back,
And that *unaptness* made your minister
Thus to excuse yourself.
Shakespear, Timon of Athens, ii. 2.

3. Unreadiness; disqualification; want of propension.

The mind, by being engaged in a task beyond its strength, like the body, strained by lifting at a weight too heavy, has often its force broken, and thereby gets an *unaptness*, or an aversion to any vigorous attempt ever after.—*Locke.*

Unárgued. *part. pref.*

1. Not discussed.

What thou bid'st,
Unargued I obey; so God ordains.
Milton, Paradise Lost, iv. 635.

2. Not censured. *Latinism.*

Not that his work lived in the hands of foes,
Unargued then, and yet hath fame from those.
B. Jonson.

Unárm. *v. a.* Strip of armour; deprive of arms.

Unarm, unarm, and do not fight to-day.
Shakespear, Troilus and Cressida, v. 3.

Eros, *unarm*; the long day's task is done,
And we must sleep.
Id., Antony and Cleopatra, iv. 12.

Galen would not leave unto the world too subtle a theory of poisons; *unarming* thereby the malice of venomous spirits.—*Sir T. Browne, Vulgar Errours.*

Unármed. *part. pref.* Having no armour; having no weapons.

On the western coast
Rideth a puissant navy; to our shores
Throng many doubtful, hollow-hearted friends,
Unarm'd, and unresolved to beat them back.
Shakespear, Richard III. iv. 4.

He, all *unarm'd*,
Shall chase thee with the terrour of his voice
From thy demoniack holds, possession foul;
Thee and thy legions; yelling they shall fly,
And beg to hide them in a herd of swine.
Milton, Paradise Regained, iv. 626.

Though *unarm'd* I am, and freed by chance,
And here, without my sword or pointed lance,
Hope not, base man, unquestion'd hence to go.
Dryden, Palamon and Arcite, ii. 137.

Whereas most other creatures are furnished with weapons for their defence; man is born altogether *unarmed*.—*Grew*.

Unarraigned. *part. pref.* Not brought to a trial.

As lawful lord, and king by just descent,
Should here be judged, unheard, and *unarraign'd*.
Daniel.

Unarráyed. *part. pref.* Not dressed.

As if this infant world, yet *unarray'd*,
Naked and bare, in Nature's lap were laid.
Dryden, Indian Emperour, i. 1.

Unarríved. *part. pref.* Not yet arrived.

Monarchs of all elapsed, or *unarrived*.
Young, Night Thoughts, night ix.

Unárted. *part. pref.* Ignorant of the arts; unlearned. *Rare*.

All were doctors who first seminated learning in the world by special instinct, and direction of God, who would not have his church and people letterless and *unarted*, but according to their receptivity and capacity conformable to their head, Jesus Christ; who, being the Wisdom and Word of the Father, is Lord and Doctor of all arts and sciences, as St. Gregory truly noteth.—*Waterhouse, Apology for Learning*, p. 19: 1653.

Unártful. *adj.* Wanting art.

A cheerful sweetness in his looks he has,
And innocence *unartful* in his face.
Congreve, Translation of Juvenal, xi. 248.

Unártfully. *adv.* In an unartful manner.

In the report, although it be not *unartfully* drawn, and is perfectly in the spirit of a pleader, there is no great skill required to detect the many mistakes.—*Swift, Miscellanies*.

Unartifícial. *adj.* Wanting artifice; wanting artificial skill or design.

Unartifícially. *adv.* In an unartificial manner.

Not a feather is *unartificially* made, misplaced, redundant, or defective.—*Derham, Physico-Theology*.

Unásked. *part. pref.*

1. Not courted by solicitation.

With what eagerness, what circumstance,
Unask'd, thou tak'st such pains to tell me only
My son 's the better man.
Sir J. Denham, The Sophy.

2. Not sought by entreaty or care.

How, or why
Should all conspire to cheat us with a lie?
Unask'd their pains, ungrateful their advice,
Starving their gain, and martyrdom their price.
Dryden, Religio Laici, 142.

Unaspéctive. *adj.* Not having a view to; inattentive. *Rare*.

The Holy Ghost is not wholly *unaspective* to the custom that was used among men, since we find the triumphers in the Revelation, as badges of victory, carried their palms in their hands.—*Fellthan, Resolves*, ii. 74.

Unáspirated. *part. pref.* Having no aspirate.

Lambin gives ὄρνυμι for the Æolic verb *unaspirated*.—*Dr. Parr, Review of Combe's Horace*, in the *British Critic*, iii. 131.

Unaspíring. *part. pref.* Not ambitious.

To be modest and *unaspiring*, in honour preferring one another.—*Rogers*.

Unassaíled. *part. pref.* Not attacked; not assaulted.

As I intend, Clifford, to thrive to-day,
It grieves my soul to leave thee *unassail'd*.
Shakespear, Henry VI. Part II. v. 2.

I believe
That he, the supreme good, t' whom all things ill
Are as but slavish officers of vengeance,
Would send a glist'ring guardian, if need were,
To keep my life and honour *unassail'd*.
Milton, Comus, 216.

Unassaílable. *adj.* Incapable of being assailed; exempt from assault.

In the number, I do but know one,
That *unassailable* holds on his rank,
Unshaked of motion.
Shakespear, Julius Cæsar, iii. 1.

Unassayed. *part. pref.* Unattempted.

What is faith, love, virtue *unassay'd*
Alone, without exterior help sustain'd?
Milton, Paradise Lost, ix. 335.

Unassísted. *part. pref.* Not helped.

Its victories were the victories of reason, *unassisted* by the force of human power, and as gentle as the triumphs of light over darkness.—*Addison, Freeholder*.

Unassísting. *part. pref.* Giving no help.

With these I went, a brother of the war;
Nor idle stood, with *unassisting* hands,
When savage beasts, and men's more savage bands,
Their virtuous toil subdued: yet these I sway'd.
Dryden, Translation of the First Book of the Iliad, 379.

Unassúming. *part. pref.* Not exhibiting assumption, or arrogance.

Unassuming worth in secret lived,
And died neglected. *Thomson, Seasons, Winter*.

Unassúred. *part. pref.*

1. Not confident.

The ensuing treatise, with a timorous and *unassured* countenance, adventures into your presence.—*Glanville*.

2. Not to be trusted.

The doubts and dangers, the delays and woes,
The feigned friends, the *unassured* foes,
Do make a lover's life a wretch's hell. *Spenser*.

Unatónable. *adj.* Not to be appeased; not to be brought to concord.

Any untunable or *unatonable* matrimony.—*Milton, Tetrachordon*.

Unatóned. *part. pref.* Not expiated.

Could you afford him such a bribe as that,
A brother's blood yet *unatoned*? *Rowe*.

Unattáched. *part. pref.*

1. Not arrested.

A cutpurse in a throng, when he hath committed the fact, will cry out, My masters, take heed of your purses; and he that is pursued, will cry, Stop thief, that by this means he may escape *unattached*.—*Junius, Sin Stigmatized*, p. 368: 1639.

2. Not having any fixed interest: (as, '*unattached* to any party').

Unattaínable. *adj.* Incapable of being attained; not to be gained or obtained; being out of reach.

Praise and prayer are God's due worship; which are *unattainable* by our discourse, simply considered, without the benefit of divine revelation.—*Dryden, Religio Laici*, preface.

I do not expect that men should be perfectly kept from error; that is more than human nature can, by any means, be advanced to: I aim at no such *unattainable* privilege; I only speak of what they should do.—*Locke*.

Unattaínableness. *s.* Attribute suggested by Unattainable; state of being out of reach.

Desire is stopped by the opinion of the impossibility, or *unattainableness* of the good proposed.—*Locke*.

Unattémpted. *part. pref.* Untried; not assayed.

He left no means *unattempted* of destroying his son.—*Sir P. Sidney*.

Not that I have the power to clutch my hand,
When his fair angels would salute my palm;
But that my hand, as *unattempted* yet,
Like a poor beggar raileth on the rich.
Shakespear, King John, ii. 2.

It pursues
Things *unattempted* yet in prose or rhyme.
Milton, Paradise Lost, i. 15.

Unatténded. *part. pref.*

1. Having no retinue, or attendants.

With goddess-like demeanor forth she went,
Not *unattended*. *Milton, Paradise Lost*, viii. 59.

2. Having no followers.

Such *unattended* generals can never make a revolution in Parnassus.—*Dryden*.

3. Unaccompanied; forsaken.

Your constancy
Hath left you *unattended*.
Shakespear, Macbeth, ii. 2.

Unatténding. *adj.* Not attending.

Ill is lost that praise,
That is address'd to *unattending* ears.
Milton, Comus, 271.

Unatténtive. *adj.* Not regarding; inattentive.

Man's nature is so *unattentive* to good, that there can scarce be too many monitors.—*Dr. H. More, Government of the Tongue*.

Such things are not accompanied with show, and therefore seldom draw the eyes of the *unattentive*.—*Tatler*.

Unattésted. *part. pref.* Without witness; without attestation.

Thus God has not left himself *unattested*, doing good, sending us from heaven rains and fruitful seasons, filling our hearts with food and gladness.—*Barrow, Exposition of the Creed*.

Unattrácted. *part. pref.* Not under the power of attraction; freed from attraction.

Till again
The tide revertive, *unattracted* leaves
A yellow waste of idle sands behind.
Thomson, On Sir Isaac Newton.

Unavaílable. *adj.* Incapable of being made of any avail; vain with respect to any purpose.

When we have endeavoured to find out the strongest causes, wherefore they should imagine that reading is so *unavailable*, the most we can learn is, that sermons are the ordinance of God, the Scriptures dark, and the labour of reading easy.—*Hooker, Ecclesiastical Polity*.

Unavaílableness. *s.* Attribute suggested by Unavailing.

Doubting the *unavailableness* of those former inconveniences.—*Sir E. Sandys, State of Religion*, L. 3. b.: 1605.

Unavaíling. *part. pref.* Useless; vain.

Since my inevitable death you know,
You safely *unavailing* pity shew:
'Tis popular to mourn a dying foe.
Dryden, Aurengzebe, iv. 1.

Unavénged. *part. pref.* Not avenged; unrevenged.

They were by him and his heathen neighbours cruelly butchered; yet not *unavenged*: for the governour, enraged at such violence offered to his strangers, slew those inhabitants, and burnt their village.—*Milton, History of England*, b. iv.

Unavoídable. *adj.* Incapable of being avoided.

1. Inevitable; not to be shunned.

Oppression on one side, and ambition on the other, are the *unavoidable* occasions of war.—*Dryden*.

It is *unavoidable* to all, to have opinions, without certain proofs of their truth.—*Locke*.

2. Not to be missed in ratiocination.

That something is of itself, is self-evident, because we see things are; and the things that we see must either have had some first cause of their being, or have been always and of themselves: one of them is *unavoidable*.—*Archbishop Tillotson*.

Unavoídableness. *s.* Attribute suggested by Unavoidable; inevitability.

How can we conceive it subject to material impressions? and yet the importunity of pain, and *unavoidableness* of sensations, strongly persuade that we are so.—*Glanville*.

Unavoídably. *adv.* In an unavoidable manner; inevitably.

This most perfect administration must *unavoidably* produce opposition from multitudes who are made happy by it.—*Addison*.

Unavoíded. *part. pref.* Inevitable.

We see the very wreck that we must suffer
And *unavoided* is the danger now.
Shakespear, Richard II. ii. 1.

Rare poems ask rare friends;
Yet satyrs, since the most of mankind be
Their *unavoided* subject, fewest see. *B. Jonson*.

Unauthéntic. *adj.* Not authentic; not genuine; not warranted.

Many odious, scurrilous, and treacherous libels were daily, by an *unauthentick* privilege, posted up and published against him.—*Princely Pelican*, ch. i.: 1649.

Shakspeare is thought to have formed his play [Antony and Cleopatra] on this story from North's translation of Amyot's *unauthentick* French Plutarch.—*T. Warton, History of English Poetry*, vol. iii. p. xx.

Unaúthorized. *part. pref.* Not supported by authority; not properly commissioned.

To kiss in private?
An *unauthorized* kiss. *Shakespear, Othello*, iv. 1.

Is it for you to ravage seas and land,
Unauthorized by my supreme command?
Dryden, Translation of the Æneid, i. 190.

Unawáked. *part. pref.* Not roused from sleep; not awakened.

Strange! the theme most affecting, most sublime
Momentous most to man, should sleep unsung:
And yet it sleeps by genius *unawaked*
Painim or Christian, to the blush of wit. *Young*.

Unawákened. *part. pref.* Not waked.

The school astonish'd stood, but found it vain
To combat still with demonstration strong,
And, *unawaken'd*, dream beneath the blaze
Of truth. *Thomson, On Sir Isaac Newton*.

Unawáre. *adj.* Without thought; inattentive.

I am not *unaware* how the productions of the Grub-street brotherhood have, of late years, fallen under many prejudices.—*Swift, Tale of a Tub*, introduction.

Unawáre. *adv.* Unawares.

Firm we subsist, yet possible to swerve,
And fall into deception *unaware*.
Milton, Paradise Lost, ix. 361.

Unawáres. *adv.*

1. Without thought; without previous meditation.

Take heed lest you fall *unawares* into that inconvenience you formerly found fault with.—*Spenser.*

It is my father's face,
Whom in this conflict, I *unawares* have kill'd.
Shakespear, Henry VI. Part III. ii. 5.

A pleasant beverage he prepared before,
Of wine and honey mix'd; with added store
Of opium: to his keeper this he brought,
Who swallow'd *unawares* the sleepy draught,
And snored secure.
Dryden, Palamon and Arcite, ii. 15.

'Tis a sensation like that of a limb lopt off; one is trying every minute *unawares* to use it, and finds it is not.—*Pope.*

2. Unexpectedly; when it is not thought of; suddenly.

My hand, *unawares* to me, was, by the force of that endeavour it just before employed to sustain the fallen weight, carried up with such violence, that I bruised it.—*Boyle.*

Though we live never so long, we are still surprized: we put the evil day from us, and then it catches us *unawares*, and we tremble at the prospect.—*Archbishop Wake.*

3. In this sense I believe *at unawares* is the proper use.

Let destruction come upon him *at unawares*, and let his net that he hath hid catch himself.—*Psalms*, xxxv. 8.

He breaks *at unawares* upon our walks,
And, like a midnight wolf, invades the fold.
Dryden.

Unáwed. *part. pref.* Unrestrained by fear or reverence.

The raging and fanatick distemper of the house of commons must be attributed to the want of such good ministers of the crown, as, being *unawed* by any guilt of their own, could have watched other men's.—*Lord Clarendon, History of the Grand Rebellion.*

Unbácked. *part. pref.*

1. Not tamed; not taught to bear the rider.

Then I beat my tabor;
At which, like *unback'd* colts, they prick'd their ears,
Advanced their eyelids, lifted up their noses,
As they smelt musick. *Shakespear, Tempest*, iv. 1.

2. Not countenanced; not aided.

Let the weight of thine own infamy
Fall on thee unsupported, and *unback'd*.
Daniel, Civil Wars of York and Lancaster.

Unbálanced. *part. pref.* Not poised; not in equipoise.

Let earth *unbalanced* from her orbit fly,
Planets and suns run lawless through the sky.
Pope, Essay on Man, i. 251.

Unbállast. *adj.* Unballasted.

As at sea the *unballast* vessel rides,
Cast to and fro, the sport of winds and tides:
So in the bounding chariot toss'd on high,
The youth is hurried headlong through the sky.
Addison, Translation from Ovid, Story of Phaeton.

Unbállasted. *part. pref.* Not kept steady by ballast; unsteady.

They having but newly left those grammatick flats, where they struck unreasonably, to learn a few words with lamentable construction; and now on the sudden transported under another climate, to be tost and turmoiled, with their *unballasted* wits, in fathomless and unquiet deeps of controversy, do, for the most part, grow into hatred of learning.—*Milton, Tractate on Education.*

Unbánded. *part. pref.* Wanting a string, or band.

Your hose should be ungartered, your bonnet *unbanded*, and every thing demonstrating a careless desolation.—*Shakespear, As you like it*, iii. 2.

Unbaptízed. *part. pref.* Not baptized.

If Christ himself, who giveth salvation, do require baptism, it is not for us, that look for salvation, to sound and examine him, whether *unbaptized* men may be saved, but seriously to do that which is required, and religiously to fear the danger, which may grow by the want thereof.—*Hooker, Ecclesiastical Polity*, b. v. § 59.

Unbár. *v. a.* Open by removing the bars; unbolt.

The sure physician, Death, who is the key
To *unbar* these locks. *Shakespear, Cymbeline*, v. 4.

'Tis not secure, this place or that to guard,
If any other entrance stand *unbarr'd*.
Sir J. Denham, Of Prudence.

Unbárbed. *part. pref.* [Lat. *barba* = beard.] Not shaven. *Rare.*

Must I go show them my *unbarbed* sconce?
Must my base tongue give to my noble heart
A lie? *Shakespear, Coriolanus*, iii. 2.

Unbárked. *part. pref.* Decorticated; stripped of the bark.

A branch of a tree, *unbarked* some space at the bottom, and so set in the ground, hath grown.—*Bacon.*

Unbáshful. *adj.* Impudent; shameless.

Nor did I with *unbashful* forehead woo
The means of weakness and debility.
Shakespear, As you like it, ii. 3.

Unbáted. *part. pref.* Not repressed; not blunted.

Where is the horse that doth untread again
His tedious measures with th' *unbated* fire
That he did pace them first?
Shakespear, Merchant of Venice, ii. 6.

You may choose
A sword *unbated*. *Shakespear, Hamlet*, iv. 7.

Unbáthed. *part. pref.* Not wet.

Fierce Pasimond, their passage to prevent,
Thrust full on Cymon's back in his descent;
The blade return'd *unbathed*, and to the handle bent.
Dryden, Cymon and Iphigenia, 597.

Unbáttered. *part. pref.* Not injured by blows.

I cannot strike at wretched kernes, whose arms
Are hired to bear their staves: or thou, Macbeth,
Or else my sword, with an *unbatter'd* edge,
I sheath again undeeded.
Shakespear, Macbeth, v. 7.

Unbáy. *v. a.* Set open; free from the restraint of mounds. *Rare.*

I ought now to loose the reins of my affections, to *unbay* the current of my passion, and love on without boundary or measure.—*Norris, Miscellanies.*

Unbeárable. *adj.* Incapable of being, not to be, borne; intolerable (*tolero* = I tolerate, bear; so that the two words nearly translate one another).

Such a noisome smell in the town, that is almost *unbearable*.—*Sidney, State Papers*, vol. ii. p. 228.

Unbeáring. *part. pref.* Bringing no fruit.

He with his pruning hook disjoins
Unbearing branches from their head,
And grafts more happy in their stead.
Dryden, Translation from Horace, Epode II. 20.

Unbeáten. *part. pref*

1. Not treated with blows.

His mare was truer than his chronicle;
For she had rode five miles unspurr'd, *unbeaten*,
And then at last turn'd tail towards Neweaton.
Bishop Corbet.

2. Not trodden.

We must tread *unbeaten* paths, and make a way where we do not find one; but it shall be always with a light in our hand.—*Bacon.*

Virtue, to crown her fav'rites, loves to try
Some new, *unbeaten* passage to the sky. *Swift.*

Unbeaúteous. *adj.* Unbeautiful.

The sanctifying spirit that beautifies the soul, is an humbling spirit also, to make it *unbeauteous* in its own eyes.—*Hammond, Works*, iv. 610.

Unbeaútiful. *adj.* Not beautiful; plain.

I cannot persuade myself that God ever designed his church for a rude, naked, and *unbeautiful* lump; or to lay the foundations of purity in the ruins of decency.—*South, Sermons*, iii. 431.

That secret unwillingness might have been in the king, at that time to marry the *unbeautiful* daughter of the person whom he hated.—*Clarendon, On Papal Usurpation.*

Unbecóme. *v. a.* Not become; misbecome.

It neither *unbecomes* God nor men to be moved by reason.—*Bishop Sherlock, On Providence*, ch. ix.

Unbecóming. *part. pref.* Indecent; unsuitable; indecorous.

Here's our chief guest.—If he had been forgotten,
It had been as a gap in our great feast,
And all things *unbecoming*.
Shakespear, Macbeth, iii. 1.

Such proceed upon debates without *unbecoming* warmth.—*Swift.*

Unbecómingly. *adv.* In an unbecoming manner.

In being discontented, we behave ourselves very *unbecomingly* and unworthily.—*Barrow, Sermons*, vol. iii. serm. vi.

Unbecómingness. *s.* Attribute suggested by Unbecoming.

If words are sometimes to be used, they ought to be grave, kind, and sober, representing the ill or *unbecomingness* of the fault.—*Locke.*

Unbéd. *v. a.* Raise from a bed.

Eels *unbed* themselves, and stir at the noise of thunder.—*I. Walton, Complete Angler.*

Unbefítting. *part. pref.* Not becoming; not suitable.

Love is full of *unbefitting* strains,
All wanton as a child, skipping in vain.
Shakespear, Love's Labour's lost, v. 2.

He might several times have made peace with his discontented subjects, upon terms not at all *unbefitting* his dignity or interest; but he rather chose to sacrifice the whole alliance to his private passion.—*Swift.*

Unbefriénded. *part. pref.* Wanting friends; without friends.

The patronage of the poor and *unbefriended*.—*Killingbeck, Sermons*, p. 287.

Unbegét. *v. n.* Deprive of existence.

Wishes each minute he could *unbeget*
Those rebel sons, who dare t' usurp his seat.
Dryden, Aurengzebe, i. 1.

Unbegót, Unbegótten. *part. pref.*

1. Eternal; without generation.

Why should he attribute the same honour to matter, which is subject to corruption, as to the eternal, *unbegotten*, and immutable God?—*Bishop Stillingfleet.*

2. Not yet generated.

God omnipotent, must'ring
Armies of pestilence; and they shall strike
Your children yet unborn, and *unbegot*.
Shakespear, Richard II. iii. 3.

3. Not attaining existence.

Where a child finds his own parents his perverters, better were it for him to have been unborn and *unbegot*, than ask a blessing of those whose conversation breathes nothing but a curse.—*South, Sermons.*

Unbeguíle. *v. a.* Undeceive; set free from the influence of any deceit.

Then *unbeguile* thyself, and know with me,
That angels, though on earth employ'd they be,
Are still in heaven. *Donne.*

Unbegún. *part. pref.* Not yet begun.

All things, which God in their times and seasons has brought forth, were eternally and before all times in God, as a work *unbegun* is in the artificer, which afterward bringeth it unto effect.—*Hooker, Ecclesiastical Polity*, b. v. § 56.

Unbehéld. *part. pref.* Unseen; not discoverable to the sight.

These then, though *unbeheld* in deep of night,
Shine not in vain. *Milton, Paradise Lost*, iv. 674.

Unbéing. *part. pref.* Not existing.

Where we were when the foundations of the earth were laid, when the morning stars sang together, and all the sons of God shouted for joy, He must answer who asked it; who understands entities of preordination, and beings yet *unbeing*.—*Sir T. Browne, Christian Morals*, iii. 25.

Unbeliéf. *s.*

1. Incredulity.

'Tis not vain or fabulous,
What the sage poets, taught by the heavenly muse,
Storied of old in high immortal verse,
Of dire chimeras, and enchanted isles,
And rifted rocks, whose entrance leads to hell;
For such there be, but *unbelief* is blind.
Milton, Comus, 514.

2. Infidelity; irreligion.

Where professed *unbelief* is, there can be no visible church of Christ; there may be where sound belief wanteth.—*Hooker, Ecclesiastical Polity.*

Unbeliéve. *v. a.*

1. Discredit; not trust.

Heav'n shield your grace from woe,
As I, thus wrong'd, hence *unbelieved* go.
Shakespear, Measure for Measure, v. 1

2. Not think real or true.

Nor less than sight and hearing could convince
So fond a father and so just a prince,
Of such an unforeseen and *unbelieved* offence.
Dryden, Sigismonda and Guiscardo, 312.

Unbeliéver. *s.* Infidel; one who believes not the Scripture of God.

The antient fathers being often constrained to shew what warrant they had so much to rely upon the Scriptures, endeavoured still to maintain the authority of the books of God, by arguments such as *unbelievers* themselves must needs think reasonable, if they judged thereof as they should.—*Hooker, Ecclesiastical Polity.*

Men always grow vicious before they become *unbelievers*; but if you would once convince profligates by topicks drawn from the view of their own quiet, reputation, and health, their infidelity would soon drop off.—*Swift, Miscellanies.*

Unbelíeving. *part. pref.* Infidel.
This wrought the greatest confusion in the *unbelieving* Jews, and the greatest conviction in the Gentiles.—*Addison.*

Unbelóved. *part. pref.* Not loved.
Whoe'er you are, not *unbeloved* by heaven,
Since on our friendly shore your ships are driven.
Dryden, Translation of the Æneid, i. 536.

Unbénd. *v. a.*
1. Free from flexure.
It is lawful to relax and *unbend* our bow, but not to suffer it to be unready, or unstrung.—*Jeremy Taylor, Rule and Exercises of Holy Living.*
2. Relax; remit; set at ease for a time.
Here have I seen the king, when great affairs
Gave leave to slacken and *unbend* his cares,
Attended to the chase by all the flow'r of youth.
Sir J. Denham, Cooper's Hill.
3. Relax viciously or effeminately.
You *unbend* your noble strength, to think
So brain-sickly of things.
Shakespear, Macbeth, ii. 2.

Unbénded. *part. adj.* Not bent.
I must be in the battle; but I'll go
With empty quiver and *unbended* bow.
Dryden, Indian Emperor, ii. 2.

Unbénding. *part. pref.*
1. Not suffering flexure.
Not so, when swift Camilla scours the plain,
Flies o'er the *unbending* corn, and skims along the main. *Pope, Essay on Criticism*, ii. 372.
2. Not yielding; resolute.
Truth is the most *unbending* and uncompliable, the most necessary, firm, immutable, and adamantine thing in the world.—*Cudworth.*
3. Devoted to relaxation.
Since what was omitted in the acting is now kept in, I hope it may entertain your lordship at an *unbending* hour.—*Rowe.*

Unbénefíced. *part. pref.* Not preferred to a benefice.
More vacant pulpits would more converts make;
All would have latitude enough to take:
The rest *unbenefic'd* your sects maintain.
Dryden, Hind and Panther, iii. 182.

Unbenévolent. *adj.* Not kind.
A religion which not only forbids, but by its natural influence sweetens all bitterness and asperity of temper, and corrects that selfish narrowness of spirit, which inclines men to a fierce, *unbenevolent* behaviour.—*Rogers.*

Unbenighted. *part. pref.* Never visited by darkness.
Beyond the polar circles; to them day
Had *unbenighted* shone, while the low sun,
To recompense his distance, in their sight
Had rounded still the horizon.
Milton, Paradise Lost, x. 681.

Unbenign. *adj.* Malignant; malevolent.
To the other five
Their planetary motions, and aspects,
In sextile, square, and trine, and opposite,
Of noxious efficacy; and when to join
In synod *unbenign*. *Milton, Paradise Lost.* x. 657.

Unbént. *part. pref.*
1. Not strained by the string.
Apollo heard; and, conquering his disdain,
Unbent his bow, and Greece respired again.
Dryden, Translation of the First Book of the Iliad, 625.
2. Having the bow unstrung.
Why hast thou gone so far,
To be *unbent* when thou hast ta'en thy stand,
Th' elected deer before thee?
Shakespear, Cymbeline, iii. 4.
3. Not crushed; not subdued.
But thou, secure of soul, *unbent* with woes,
The more thy fortune frowns, the more oppose.
Dryden, Translation of the Æneid, vi. 143.
4. Relaxed; not intent.
Be not always on affairs intent,
But let thy thoughts be easy and *unbent*:
When our mind's eyes are disengaged and free,
They clearer, farther, and distinctly see.
Sir J. Denham, Of Prudence.

Unbeseéming. *part. pref.* Unbecoming.
No emotion of passion transported me, by the indignity of his carriage, to do or say any thing *unbeseeming* myself.—*Eikon Basilike.*

Unbeseémingness. *s.* Attribute suggested by Unbeseeming; unbecomingness; indecency.
There is so deep an *unbeseemingness* in them, as places them in the next door to sin.—*Bishop Hall, Remains*, p. 253.

Unbesoúght. *part. pref.* Not intreated.
Lest heat should injure us, his timely care
Hath, *unbesought*, provided; and his hands
Clothed us unworthy; pitying while he judged.
Milton, Paradise Lost, x. 1057.

Unbespóken. *part. pref.* Not ordered beforehand.
Swift *unbespoken* pomps thy steps proclaim,
And stammering babes are taught to lisp thy name.
Dryden, Absalom and Achitophel, i. 242.

Unbestówed. *part. pref.* Not given; not disposed of.
He had now but one son and one daughter *unbestowed.*—*Bacon.*

Unbetrayed. *part. pref.* Not betrayed.
Many being privy to the fact,
How hard is it to keep it *unbetray'd!*
Daniel, Civil Wars of York and Lancaster.

Unbewaíled. *part. pref.* Not lamented.
Let determined things to destiny
Hold *unbewail'd* their way.
Shakespear, Antony and Cleopatra, iii. 6.

Unbewítch. *v. a.* Free from fascination.
Ordinary experience observed would *unbewitch* men as to these delusions.—*South, Sermons*, vol. ix. serm. vi.

Unbías. *v. a.* Free from any external motive; disentangle from prejudice.
The truest service a private man may do his country, is by *unbiassing* his mind, as much as possible, between the rival powers.—*Swift.*

Unbíassedly. *adv.* In an unbiassed manner; without either prejudice or prepossession; without external influence.
I have sought the true meaning, and have *unbiassedly* embraced what, upon a fair enquiry, appeared so to me.—*Locke.*

Unbíassedness. *s.* Attribute suggested by Unbiassed.
He claims the liberty of reserving his own judgement, and more especially to p. 387, where in the close of his tract his *unbiassedness* is clearly professed.—*Preface to Bishop Hall's Remains*, sign. b. 2.: 1660.

Unbíd. *part. pref.* Unbidden; spontaneous.
Thorns also and thistles it shall bring thee forth *Unbid.* *Milton, Paradise Lost*, x. 203.
Roses *unbid*, and ev'ry fragrant flower,
Flew from their stalks, to strow thy nuptial bower.
Dryden, State of Innocence, iii. 1.

Unbídden. *part. pref.*
1. Uninvited.
Unbidden guests
Are often welcomest when they are gone.
Shakespear, Henry VI. Part I. ii. 2.
2. Uncommanded; spontaneous.
Unbidden earth shall wreathing ivy bring,
And fragrant herbs the promises of spring.
Dryden, Translation of Virgil, Eclogues, iv. 22.

Unbígotted. *part. pref.* Free from bigotry.
Erasmus, who was an *unbigotted* Roman catholick, was so much transported with this passage of Socrates, that he could scarce forbear looking upon him as a saint, and desiring him to pray for him.—*Addison.*

Unbínd. *v. a.* Loose; untie.
His own woe's author, whose bound it finds,
As did Pyrocles, and it wilfully *unbinds.* *Spenser.*
Ye Latian dames ...
If there be here ... who dare maintain
My right, nor think the name of mother vain,
Unbind your fillets, loose your flowing hair,
And orgies and nocturnal rites prepare.
Dryden, Translation of the Æneid, vii. 561.

Unbíshop. *v. a.* Deprive of episcopal orders.
I cannot look upon Titus as so far *unbishoped* yet, but that he still exhibits to us all the essentials of jurisdiction.—*South, Sermons.*

Unbít. *part. pref.* Not bitten.
Unbit by rage canine of dying rich.
Young, Night Thoughts, night iv.

Unbítted. *part. pref.* Unbridled; unrestrained.
That *unbitted* thought
Does fall to stray.
Sir P. Sidney, Astrophel and Stella.
We have reason to cool our raging motions, our carnal stings, our *unbitted* lusts; whereof I take this love to be a sect or cyon.—*Shakespear, Othello*, i. 3.

Unblámable. *adj.* Not culpable; not to be charged with a fault.
Much more could I say concerning this *unblamable* inequality of fines and rates.—*Bacon.*
He loved his people, him they idolized;
And thence proceeds my mortal hatred to him;
That thus *unblamable* to all beside,
He erred to me alone. *Dryden, Don Sebastian*, i. 1.

Unblámableness. *s.* Attribute suggested by Unblamable.
Keep thy heart free and faithful to thy God; so mayest thou with innocency and *unblameableness* see all the motions of life.—*Dr. H. More, Conjectura Cabbalistica*, p. 209.
By his prudence and carefulness, by the integrity of his heart and the *unblamableness* of his life, he may be happily serviceable to the saving of himself and those that hear him.—*Killingbeck, Sermons*, p. 23.

Unblámably. *adv.* In an unblamable manner.
Ye are witnesses, and God also, how holily, and justly, and *unblamably* we behaved ourselves.—1 *Thessalonians*, ii. 10.

Unblámed. *part. pref.* Blameless; free from fault.
This second source of men, while yet but few, ...
Shall spend their days in joy *unblamed*, and dwell
Long time in peace. *Milton, Paradise Lost*, xii. 13.

Unblásted. *part. pref.* Not blasted; not made to wither.
The *unblasted* bay, to conquests due,
The Persian peach, and fruitful quince,
And there the forward almond grew.
Peacham, Emblems: 1612.

Unblémishable. *adj.* Incapable of being blemished.
That undeflowered and *unblemishable* simplicity of the gospel.—*Milton, Reason of Church Government urged against Prelacy*, b. ii.

Unblémished. *part. pref.* Free from turpitude; free from reproach; free from deformity.
O welcome, pure-eyed faith, white-handed hope;
Thou hovering angel, girt with golden wings,
And thou *unblemish'd* form of chastity.
Milton, Comus, 213.
They appointed, out of these new converts, men of the best sense, and of the most *unblemished* lives, to preside over these several assemblies.—*Addison.*

Unblénched. *part. pref.* Unconfounded; unblinded.
There, where very desolation dwells,
She may pass on with *unbleneh'd* majesty:
Be it not done in pride, or in presumption.
Milton, Comus, 429.

Unblénded. *part. pref.* Not mingled.
None can boast a knowledge depurate from defilement, within this atmosphere of flesh; it dwells no where in *unblended* proportions on this side the empyreum.—*Glanville.*

Unblést. *part. pref.*
1. Accursed; excluded from benediction.
It is a shameful and *unblessed* thing, to take the scum of people, and wicked condemned men, to be the people with whom you plant.—*Bacon, Essays, Of Plantations.*
2. Wretched; unhappy.
In thy power
It lies yet, ere conception, to prevent
The race *unblest*, to being yet unbegot.
Milton, Paradise Lost, x. 986.

Unblíghted. *part. pref.* Not blighted; unblasted.
In such a world, so thorny, and where none
Find happiness *unblighted.* *Cowper, Task*, b. iv.

Unbloódied. *part. pref.* Not stained with blood.
Who finds the partridge in the puttock's nest,
But may imagine how the bird was dead,
Although the kite soar with *unbloodied* beak?
Shakespear, Henry VI. Part II. iii. 2.

Unbloódy. *adj.* Not cruel; not shedding blood; not stained with blood.
The venerable seat of holy hermits,
Who there, secure in separated cells,
Sacred e'en to the Moors, enjoy devotion,
And from the purling streams, and savage fruits,
Have wholesome bev'rage and *unbloody* feasts.
Dryden, Don Sebastian, v. 1.

Unblóssoming. *part. pref.* Not bearing any blossom.
You may now give a third pruning to peach-trees, taking away and pinching off *unblossoming* branches.—*Evelyn, Kalendarium Hortense.*

Unblówn. *part. pref.*
1. Having the bud yet unexpanded.
Ah! my poor princes, ah! my tender babes;
My *unblown* flowers, new-appearing sweets!
Shakespear, Richard III. iv. 4.
2. Not extinguished.
Prodigious lamps by night unwet,
And *unblown* out.
Dr. H. More, Life of the Soul, ii. 118.
3. Not inflamed with wind.
Thick darkness shall unfold, a fire *unblown*
Devour his race.
Sandys, Paraphrase of the Book of Job, p 31.

Unblúnted. *part. pref.* Not becoming obtuse.

A sword, whose weight without a blow might slay;
Able, *unblunted*, to cut hosts away.
Cowley, Davideis.

Unblúshing. *adj.* Not having sense of shame; without blushing.

That bold bad man . . . pretending still
With hard *unblushing* front the public good.
Edwards, Sonnets, xiv.

Unboástful. *part. pref.* Modest; unassuming; not boasting.

Courage, of soft deportment, aspect calm,
Unboastful, suffering long.
Thomson, Liberty, iv. 480.

Unbódied. *part. pref.*

1. Incorporeal; immaterial.

If we could conceive of things as angels and *unbodied* spirits do, without involving them in those clouds language throws upon them, we should seldom be in danger of such mistakes as are perpetually committed.—*Watts, Logick.*

2. Freed from the body.

She hath the bonds broke of eternal night;
Her soul *unbodied* of the burdenous corpse.
Spenser.

All things are but alter'd, nothing dies;
And here and there th' *unbodied* spirit flies.
Dryden, Translation from Ovid, The Pythagorean Philosophy.

Unboíled. *part. pref.* Not sodden.

A quarter of a pint of rice *unboiled*, will arise to a pint boiled.—*Bacon.*

Unbólt. *v. a.* Set open; unbar.

I'll call my uncle down;
He shall *unbolt* the gates.
Shakespear, Troilus and Cressida, iv. 2.

Unbólted. *part. pref.* Coarse; gross; not refined, as flour by bolting or sifting.

I will tread this *unbolted* villain into mortar, and daub the wall of a jakes with him.—*Shakespear, King Lear*, ii. 2.

Unbónneted. *part. pref.* Wanting a hat or bonnet.

This night, wherein
The lion, and the belly-pinched wolf
Keep their fur dry; *unbonneted* he runs,
And bids what will take all.
Shakespear, King Lear, iii. 1.

Unboókish. *adj.*

1. Not studious of books.

It is to be wondered how museless and *unbookish* they were, minding nought but the feats of war. There needed no licensing of books among them.—*Milton, Areopagitica.*

2. Not cultivated by erudition.

As he shall smile, Othello shall go mad;
And his *unbookish* jealousy must construe
Poor Cassio's smiles, gestures, and light behaviour
Quite in the wrong. *Shakespear, Othello*, iv. 1.

Unbórn. *part. pref.* Not yet brought into life; future; being to come.

Some *unborn* sorrow, ripe in fortune's womb,
Is coming tow'rd me. *Shakespear, Richard II.* ii. 2.

He on the wings of cherubim
Uplifted in paternal glory rode
Far into chaos, and the world *unborn*.
Milton, Paradise Lost, vii. 218.

Unbórrowed. *part. pref.* Genuine; native; one's own.

But the luxurious father of the fold,
With native purple, and *unborrow'd* gold,
Beneath his pompous fleece shall proudly sweat.
Dryden, Translation of Virgil, Eclogues, iv. 52.

Unbósom. *v. a.*

1. Reveal in confidence.

I loved thee, as too well thou knew'st,
Too well; *unbosom'd* all my secrets to thee,
Not out of levity, but overpower'd
By the request. *Milton, Samson Agonistes*, 878.

2. Open; disclose.

Should I thence, hurried on viewless wing,
Take up a weeping on the mountains wild,
The gentle neighbourhood of grove and spring
Would soon *unbosom* all their echoes mild.
Milton, Ode on the Passion, 50.

Unbóttomed. *part. pref.*

1. Without bottom; bottomless.

The dark, *unbottom'd*, infinite abyss.
Milton, Paradise Lost, ii. 405.

2. Having no solid foundation; having no reliance.

This is a special act of Christian hope, to be thus *unbottomed* of ourselves, and fastened upon God, with a full reliance, trust, and dependence on his mercy.—*Hammond.*

Unboúght. *part. pref.*

1. Obtained without money.

She in pens his flock will fold,
And then produce her dairy store,
With wine to drive away the cold,
And *unbought* dainties of the poor.
Dryden, Translation from Horace, Epode II., 69.

2. Not finding any purchaser.

The merchant will leave our native commodities *unbought* upon the hands of the farmer, rather than export them to a market, which will not afford him returns with profit.—*Locke.*

Unboúnd. *part. pref.*

1. Loose; not tied.

Call up *unbound*
In various shapes, old Proteus from the sea.
Milton, Paradise Lost, iii. 603.

2. Wanting a cover: (used of *books*).

He that has complex ideas, without particular names for them, would be in no better case than a bookseller, who had volumes that lay *unbound*, and without titles; which he could make known to others only by shewing the loose sheets.—*Locke.*

3. Preterit of *unbind*.

Some search the footsteps on the ground;
Some from their chains the faithful dogs *unbound*.
Dryden, Translation from Ovid, Meleager and Atalanta.

Unboúnded. *part. pref.*

1. Infinite; interminable.

The unreal, vast, *unbounded* deep
Of horrible confusion.
Milton, Paradise Lost, x. 471.

The wide, th' *unbounded* prospect lies before me;
But shadows, clouds, and darkness rest upon it.
Addison, Cato, v. 1.

2. Unlimited; unrestrained.

He was a man
Of an *unbounded* stomach, ever ranking
Himself with princes.
Shakespear, Henry VIII. iv. 2.

Unboúndedly. *adv.* In an unbounded manner; without limits.

So *unboundedly* mischievous is that petulant member, that heaven and earth are not wide enough for its range, but it will find work at home too.—*Dr. H. More, Government of the Tongue.*

Unboúndedness. *s.* Attribute suggested by Unbounded; exemption from limits.

Finitude, applied to created things, imports the proportions of the several properties of these things to one another. Infinitude, the *unboundedness* of these degrees of properties.—*Cheyne.*

Unboúnteous. *adj.* Not kind; not liberal.

Such an *unbounteous* giver we should make him.—*Milton, Tetrachordon.*

Unbów. *v. a.* Unbend.

Looking back would *unbow* his resolution.—*Fuller, Holy War*, p. 118.

Unbówed. *part. pref.* Not bent.

He knits his brow, and shews an angry eye,
And passeth by with stiff, *unbowed* knee.
Shakespear, Henry VI. Part II. iii. 1.

Unbówel. *v. n.* Exenterate; eviscerate.

It is now become a new species of divinity, to branch out with fond distinctions our holy faith, which the pious simplicity of the first Christians received to practise; not to read upon as an anatomy, *unbowel* and dissect to try experiments.—*Dr. H. More, Decay of Christian Piety.*

Unbráce. *v. a.*

1. Loose; relax.

With whose reproach and odious menace,
The knight, emboiling in his haughty heart,
Knit all his forces, and gan soon *unbrace*
His grasping hold. *Spenser.*

Wasting years, that wither human race
Exhaust thy spirits, and thy arms *unbrace*.
Pope, Translation of the Iliad.

2. Make the clothes loose.

Is it physical,
To walk *unbraced*, and suck up the humours
Of the dank morning?
Shakespear, Julius Cæsar, ii. 1.

Unbreást. *v. a.* Lay open; uncover.

Those silken shows so dim thy dazzled sight!
Couldst thou unmask their pomp, *unbreast* their heart,
How wouldst thou laugh at this rich beggerie,
And learn to hate such happy miserie!
P. Fletcher, Piscatory Eclogues, iv. 24.

Unbreáthed. *part. pref.* Not exercised.

They now have toil'd their *unbreathed* memories,
With this same plea against our nuptials.
Shakespear, Midsummer-Night's Dream, v. 1.

I cannot praise a fugitive and cloistered virtue, unexercised and *unbreathed*, that never sallies out and sees her adversary, but slinks out of the race, where that immortal garland is to be run for, not without dust and heat.—*Milton, Areopagitica.*

Unbréd. *part. pref.*

1. Not instructed in civility; ill educated.

Unbred minds must be a little sent abroad.—*Dr. H. More, Government of the Tongue.*

Children learn from *unbred* or debauched servants untowardly tricks.—*Locke, Thoughts on Education.*

Sure never anything was so *unbred* as that odious man.—*Congreve, Way of the World.*

2. Not taught: (with *to*).

A warriour dame,
Unbred to spinning, in the loom unskill'd,
Dryden, Translation of the Æneid, vii. 1095.

Unbreéched. *part. pref.*

1. Having no breeches.

Looking on my boy's face, methought I did recoil
Twenty-three years, and saw myself *unbreech'd*,
In my green velvet coat.
Shakespear, Winter's Tale, i. 2.

2. Loosed from the breechings.

The ship . . . was overladen with guns, some were *unbreeched*, and her port-holes left open.—*Pennant, A Journey from London to the Isle of Wight.*

Unbréwed. *part. pref.* Not mixed; pure; genuine.

They drink the stream
Unbrew'd, and ever full.
Young, Night Thoughts, night vii.

Unbríbable. *adj.* Incapable of being bribed.

Conscience is cried up for impartial and *unbribable*.—*Fellitham, Resolves*, ii. 83.

Unbríbed. *part. pref.* Not influenced by money or gifts; not hired.

The soul gave all:
Unbribed it gave; or, if a bribe appear,
No less than heav'n. *Dryden, Eleonora*, 28.

Unbrídled. *part. pref.* Licentious; not restrained.

This is not well, rash and *unbridled* boy,
To fly the favours of so good a king.
Shakespear, All's well that ends well, iii. 2.

To what licence
Does thy *unbridled* boldness run itself?
B. Jonson, Catiline's Conspiracy, iv. 3.

Unbróke. *part. pref.* Unbroken.

God pardon all oaths that are broke to me;
God keep all vows *unbroke*, are made to thee.
Shakespear, Richard II. iv. 1.

His limbs how turn'd! how broad his shoulders spread!
By age *unbroke!*
Pope, Translation of the Odyssey, viii. 147.

Unbróken. *part. pref.*

1. Not violated.

Some married persons, even in their marriage, do please God, by preserving their faith *unbroken*.—*Jeremy Taylor.*

He first broke peace in heaven, and faith, till then
Unbroken. *Milton, Paradise Lost*, ii. 690.

2. Not subdued; not weakened.

From his seat the Pylian prince arose: . . .
Two centuries already he fulfill'd;
And now began the third, *unbroken* yet.
Dryden, Translation of the First Book of the Iliad, 362.

3. Not tamed.

A lonely cow,
Unworn with yokes, *unbroken* to the plow.
Addison, Translation from Ovid, Story of Cadmus.

Unbrótherlike. *adj.* Unbrotherly.

Victor's *unbrotherlike* heat towards the eastern churches, fomented that difference about Easter into a schism.—*Dr. H. More, Decay of Christian Piety.*

Unbrótherly. *adj.* Ill suiting with the character of a brother.

Passionate and *unbrotherly* practices and proceedings.—*Bacon, On the Controversies of the Church of England.*

Unbruísed. *part. pref.* Not bruised; not hurt.

On Dardan plains,
The fresh, and yet *unbruised* Greeks do pitch
Their brave pavilions.
Shakespear, Troilus and Cressida, prologue.

Unbúckle. *v. a.* Loose from buckles.

We have been down together in my sleep,
Unbuckling helms; fisting each other's throat,
And waked half dead with nothing.
Shakespear, Coriolanus, iv. 5.

All *unbuckling* the rich mail they wore,
Laid their bright arms along the sable shore.
Pope, Translation of the Iliad, iii. 157

Unbuíld. *v. a.* Raze; destroy.

This is the way to kindle, not to quench
To *unbuild* the city, and to lay all flat.
Shakespear, Coriolanus, iii. 1.

What will they then but *unbuild*
His living temples, built by faith to stand;
Their own faith, not another's?
Milton, Paradise Lost, xii. 526.

Unbúried. *part. pref.* Not interred; not honoured with the rites of funeral.
Why *suffer'st* thou thy sons, *unburied* yet,
To hover on the dreadful shore of Styx?
Shakespear, Titus Andronicus, i. 2.

Unbúrning. *part. pref.* Not consuming by heat.
What we have said of the *unburning* fire called light, streaming from the flame of a candle, may easily be applied to all other light deprived of sensible heat.—*Sir K. Digby.*

Unbúrthen. *v. a.*
1. Rid of a load.
We'll shake all cares and business from our age,
Conferring them on younger strengths; while we
Unburden'd crawl tow'rd death.
Shakespear, King Lear, i. 1.
2. Throw off.
Sharp Buckingham *unburthens* with his tongue
The envious load that lies upon his heart.
Shakespear, Henry VI. Part II. iii. 1.
3. Disclose what lies heavy on the mind.
From your love I have a warranty
To *unburthen* all my plots and purposes,
How to get clear of all the debts I owe.
Shakespear, Merchant of Venice, i. 1.

Unbúsied. *part. pref.* Not employed; idle.
'Tis strange to see, that these *unbusied* persons can continue in this playing idleness till it become a toil.—*Bishop Rainbow, Sermons*, p. 28: 1635.

Unbútton. *v. a.* Loose anything buttoned.
Thou art fat-witted with drinking old sack, and *unbuttoning* thee after supper.—*Shakespear, Henry IV. Part I.* i. 2.
His silk waistcoat was *unbuttoned* in several places.—*Addison.*

Uncáged. *part. pref.* Released from, or as from, a cage.
The *uncaged* soul flew through the air.
Sir R. Fanshawe, Poems, p. 299: 1676.

Uncálcified. *part. pref.* [Lat. *calx* = lime.] Not strengthened by lime; e.g. as a bone tooth which originates as a soft pulp, but hardens from a gradual deposit of lime.
This statement applies only to the incompletely-formed tooth . . . held together only by the still *uncalcified* supporting matrix.—*Owen, Anatomy of Vertebrates.*

Uncálcined. *part. pref.* Free from calcination.
A *saline* substance, subtler than sal ammoniack, carried up with it *uncalcined* gold in the form of subtle exhalations.—*Boyle.*

Uncálled. *part. pref.* Not summoned; not sent for; not demanded.
Basilius had servants, who, though they came not *uncalled*, yet at call were ready.—*Sir P. Sidney.*
Mild Lucina came *uncalled*.
Dryden, Translation from Ovid, Cinyras and Myrrha.

Uncálm. *v. a.* Disturb: (condemned by Johnson as 'a harsh word').
What strange disquiet has *uncalm'd* your breast,
Inhuman fair, to rob the dead of rest?
Dryden, Indian Emperor, ii. 3.

Uncáncelled. *part. pref.* Not erased; not abrogated.
I only mourn my yet *uncancell'd* score;
You put me past the pow'r of paying more.
Dryden, Aurengzebe, iv. 2.

Uncándid. *adj.* Void of candour. This word is not uncommon in parliamentary debates; but the compiler has not happened to meet with any *written* authority for it. (Mason.)
Uncandid as the world often is, it seldom fails to applaud the magnanimity of confessing a defect or a mistake, and to reward it with an increase of confidence.—*Archbishop Whately, Elements of Rhetoric*, pt. i. ch. iii. § 7.

Uncanónical. *adj.* Not agreeable to the canons.
By dispensations for marriage within certain degrees prohibited, or at *uncanonical* times.—*Barrow, On the Pope's Supremacy.*

Uncanónicalness. *s.* Attribute suggested by Uncanonical.
Here was another *uncanonicalness*, which was particularly in Chad's ordination, that he intruded into a see, into which another had been elected.—*Bishop Lloyd, Church Government in Britain*, p. 130.

Uncánopied. *part. pref.* Having no canopy or covering.
Gladly I took the place the sheep had given,
Uncanopied of anything but heaven.
Browne, Britannia's Pastorals, b. i. song iv.

Uncápable. *adj.* Incapable.
Thou art come to answer
A stony adversary, an inhuman wretch,
Uncapable of pity, void and empty
From any dram of mercy.
Shakespear, Merchant of Venice, iv. 1.
This, whilst they are under the deceit of it, makes them *uncapable* of conviction.—*Locke.*

Uncáred. *part. pref.* Not regarded; not attended to: (with *for*).
Their kings, to better their worldly estate, left their own and their people's ghostly condition *uncared for*.—*Hooker, Ecclesiastical Polity.*

Uncárnate. *adj.* Not fleshly.
Nor need we be afraid to ascribe that to the incarnate Son, which sometimes is attributed unto the *uncarnate* Father.—*Sir T. Browne, Vulgar Errours.*

Uncáse. *v. a.* Disengage from any covering; flay; strip.
See, Pompey is *uncasing* for the combat.
Shakespear, Love's Labour's lost, v. 2.
Partly by his voice, and partly by his ears, the ass was discovered; and consequently *uncased*, well laughed at, and well cudgelled.—*Sir R. L'Estrange.*

Uncástrated. *part. pref.* Not castrated.
Who not permits, e'en for the sake of prayer,
A priest, *uncastrated*, to enter there.
Churchill, The Times. (Ord MS.)

Uncátechised. *part. pref.* Unlearned.
Who is so unread, or so *uncatechised* in history, that hath not heard of many sects refusing books, as a hindrance, and preserving their doctrines unmixed for many ages only by unwritten traditions.—*Milton, Areopagitica*, 378. (Ord MS.)

Uncaúght. *part. pref.* Not yet caught.
Let him fly far:
Not in this land shall he remain *uncaught*,
And found dispatched.
Shakespear, King Lear, ii. 1.
His bosom glows with treasures yet *uncaught*.
Gay, Rural Sports, i. 146.

Uncaúsed. *part. pref.* Having no precedent cause.
Those who have maintained the eternity of matter, have never been able to prove it: . . . whence the idea of *uncaused* matter cannot be a just idea.—*A. Baxter, On the Soul*, ii. 359.

Uncaútious. *adj.* Not wary; heedless.
Unforeseen, they say, is unprepared:
Uncautious Arcite thought himself alone.
Dryden, Palamon and Arcite, ii. 74.

Unceásing. *part. pref.* Continual.
Are these the *unceasing* joys, the unmingled pleasures,
For which Aspasia scorn'd the Turkish crown?
Johnson, Irene.

Uncélebrated. *part. pref.* Not solemnized.
Thus was the first day, even and morn,
Nor pass'd *uncelebrated*, nor unsung,
By the celestial choirs.
Milton, Paradise Lost, vii. 252.

Unceléstial. *adj.* Not partaking of the qualities of heaven; opposite to what is heavenly; hellish.
Envy sours the countenance, gives the lips a trembling, the eyes an *uncelestial* and declining look, and all the face a meagre wasting paleness,—*Feltham, Resolves*, ii. 56.

Uncénsured. *part. pref.* Exempt from public reproach.
How difficult must it be for any ruler to live *uncensured*, where every one of the community is thus qualified for modelling the constitution?—*Addison, Freeholder.*
To be *uncensured*, and to be obscure, is the same thing.—*Pope, Letters.*

Unceremónious. *adj.* Not attended with ceremony; plain.
No warning given! *unceremonious* fate!
Young, Night Thoughts, night ii.

Uncértain. *adj.*
1. Doubtful; not certainly known.
That sacred pile, so vast, so high,
That whether 'tis a part of earth or sky,
Uncertain seems; and may be thought a proud
Aspiring mountain, or descending cloud.
Sir J. Denham, Cooper's Hill.
2. Doubtful; not having certain knowledge.
Man, without the protection of a superior being, is secure of nothing that he enjoys, and *uncertain* of every thing that he hopes for.—*Archbishop Tillotson.*
3. Not sure in consequence.
I must be married to my brother's daughter.
Or else my kingdom stands on brittle glass:
Murther her brothers, and then marry her!
Uncertain way of gain!
Shakespear, Richard III. iv. 2.
4. Not exact; not sure.
Ascanius young, and eager of his game,
Soon bent his bow, *uncertain* in his aim:
But the dire fiend the fatal arrow guides,
Which pierced his bowels through his panting sides.
Dryden, Translation of the Æneid, vii. 691.
5. Unsettled; irregular.
As the form of our publick service is not voluntary, so neither are the parts thereof *uncertain*; but they are all set down in such order, and with such choice, as hath, in the wisdom of the church, seemed best.—*Hooker, Ecclesiastical Polity.*

Uncértained. *part. pref.* Made uncertain. *Rare.*
The diversity of seasons are not so *uncertained* by the sun and moon alone, who always keep one and the same course, but that the stars have also their working therein.—*Sir W. Raleigh.*

Uncértainly. *adv.* In an uncertain manner.
1. Not surely; not certainly.
Go, mortals, now, and vex yourselves in vain
For wealth, which so *uncertainly* must come:
When what was brought so far, and with such pain,
Was only kept to lose it nearer home.
Dryden, Annus Mirabilis, xxxii.
2. Not confidently.
They that are past all hope of good, are past
All fear of ill: and yet if he be dead,
Speak softly, or *uncertainly*.
Sir J. Denham, The Sophy.

Uncértainty. *s.*
1. Dubiousness; want of knowledge.
You common cry of curs, whose breath I hate . .
Here then remain with your *uncertainty*;
Let ev'ry feeble rumour shake your hearts.
Shakespear, Coriolanus, iii. 3.
2. Inaccuracy.
That which makes doubtfulness and *uncertainty* in the signification of some, more than other words, is the difference of ideas they stand for.—*Locke.*
3. Contingency; want of certainty.
God's omniscience is a light shining into every dark corner, stedfastly grasping the greatest and most slippery *uncertainties*.—*South, Sermons.*
4. Something unknown.
Our shepherd's case is every man's case, that quits a moral certainty for an *uncertainty*, and leaps from the honest business he was brought up to into a trade he has no skill in.—*Sir R. L'Estrange.*

So was his fame complete, and Andromede *unchain'd*.
Prior, Prologue spoken before the Queen on her Birthday, 1704.

Unchállenged. *part. pref.* Not objected to; not called to account.
The first expression . . . was that which recognised the original contract between king and people. It was not to be expected that the Tory peers would suffer a phrase which contained the quintessence of Whiggism to pass *unchallenged*.—*Macaulay, History of England*, ch. x.

Unchángeable. *adj.* Immutable; not subject to variation.
If the end for which the law provideth be perpetually necessary, and the way whereby it provideth perpetually also most apt, no doubt but that every such way ought for ever to remain *unchangeable*.—*Hooker, Ecclesiastical Polity.*

Unchángeableness. *s.* Attribute suggested by Unchangeable; immutability.
This *unchangeableness* of colour I am now to describe.—*Sir I. Newton.*

Unchángeably. *adv.* In an unchangeable manner; immutably; without change.
All truth is *unchangeably* the same; that proposition, which is true at any time, being so for ever.—*South, Sermons.*

Unchastísable. *adj.* Incapable of being chastised.

The hard hearts, *unchastisable* in those judicial courts, were so remitted there, as bound over to the higher session of conscience.—*Milton, Tetrachordon.*

Unchastísed. *part. pref.*

1. Not punished.
2. Not restrained; not chastened.

Of thee forgetful if I form a song,
My lyre be broken, and untuned my tongue,
My griefs be doubled, from thy image free,
And mirth a torment, *unchastised* by thee.
Tickell, Elegy on Addison.

Unchástity. *s.* Lewdness; incontinence.

When the sun is among the horned signs, he may produce such a spirit of *unchastity*, as is dangerous to the honour of your worships' families.—*Arbuthnot.*

Unchécked. *part. pref.*

1. Unrestrained; not hindered.

Apt the mind, or fancy, is to rove
Uncheck'd, and of her roving is no end.
Milton, Paradise Lost, viii. 188.

He digs in sand, and lays his beams in water, that builds upon events which no man can be master of. What can he shew but his own intemperance? bewraying even a kind of greediness, while he catches at that which is not yet in his reach; which seems to unfold an *uncompacted* mind, that is not so wise as to subsist well with what it hath at present.—*Fellthan, Resolves,* ii. 23.

Uncompássionate. *adj.* Having no pity; deficient in compassion.

Neither deep groans, nor silver-shedding tears,
Could penetrate her *uncompassionate* sire.
Shakespear, Two Gentlemen of Verona, iii. 1.

Hero and Leander were drowned in the *uncompassionate* surges.—*Sandys.*

If thou in strength all mortals dost exceed,
In *uncompassionate* anger do not so.
Milton, Samson Agonistes, 817.

Uncompéllable. *adj.* Incapable of being compelled; not to be forced. *Rare.*

A noble courtesy, falling like rain in due season, enlivens a man more than a market sale among Moors; for it conquers the *uncompellable* mind, and disinterests man of himself.—*Fellthan, On St. Luke,* xiv. 20.

Uncompélled. *part. pref.* Free from compulsion.

Keep my voyage from the royal ear,
Nor, *uncompell'd*, the dangerous truth betray,
Till twice six times descends the lamp of day.
Pope, Translation of the Odyssey, ii. 419.

Uncomplaísant. *adj.* Not civil; not obliging.

A natural roughness makes a man *uncomplaisant* to others, so that he has no deference for their inclinations.—*Locke.*

Uncomplaísantly. *adv.* In an uncomplaisant manner; with want of complaisance.

Sons shall be admitted before daughters: or (as our male lawgivers have rather *uncomplaisantly* expressed it) the worthiest of blood shall be preferred.—*Sir W. Blackstone, Commentary on the Laws of England.*

Uncompléte. *adj.* Uncompleted.

Various incidents do not make different fables, but are only the *uncomplete* and unfinished parts of the same fable.—*Pope.*

Uncompléted. *part. pref.* Not perfect; not finished.

Marriage is creation's perfection: barren virginity is but *uncompleted* man.—*Feltham, On St. Luke*, xiv. 20.

Uncomplýing. *adj.* Not yielding; unbending; not obsequious.

The king by their persuasion was induced to take away the seal from the *uncomplying* chancellor.—*Bishop Lowth, Life of Wykeham*, § 5.

Uncompoúnded. *part. pref.*

1. Simple; not mixed.

Hardness may be reckoned the property of all *uncompounded* matter.—*Sir I. Newton, On Opticks.*

2. Simple; not intricate.

The substance of the faith was comprised in that *uncompounded* style, but was afterwards prudently enlarged, for the repelling heretical invaders.—*Hammond, On Fundamentals.*

Uncompoúndedness. *s.* Attribute suggested by Uncompounded; simplicity.

Peace and simplicity, cleanness, *uncompoundedness* of spirit.—*Hammond, Works*, iv. 502.

Uncomprehénsive. *adj.*

1. Unable to comprehend.

Narrow-spirited, *uncomprehensive* zealots, who know not the world!—*South, Sermons*, vol. ii. serm. i.

2. In Shakspeare it seems to signify *incomprehensible.*

The providence, that 's in a watchful state,
Knows almost every grain of Pluto's gold;
Finds bottom in th' *uncomprehensive* deep.
Shakespear, Troilus and Cressida, iii. 3.

Uncompréssed. *part. pref.* Free from compression.

We might be furnished with a reply, by setting down the differing weight of our receiver, when emptied, and when full of *uncompressed* air.—*Boyle.*

Unconceívable. *adj.* Inconceivable. *Rare.*

In the communication of motion by impulse, we can have no other conception, but of the passing of motion out of one body into another; which is as obscure and *unconceivable*, as how our minds move or stop our bodies by thought.—*Locke.*

Unconceívableness. *s.* Attribute suggested by Unconceivable.

The *unconceivableness* of something they find in one, throws men violently into the contrary hypothesis, though altogether as unintelligible.—*Locke.*

Unconceíved. *part. pref.* Not thought; not imagined.

Vast is my theme, yet *unconceived*, and brings
Untoward words, scarce loosen'd yet from things.
Creech.

Unconcérn. *s.* Negligence; want of interest; freedom from anxiety; freedom from perturbation.

Such things had been charged upon us by the malice of enemies, the want of judgement in friends, and the *unconcern* of indifferent persons.—*Swift.*

Unconcérned. *part. pref.*

1. Having no interest.

An idle person is like one that is dead, *unconcerned* in the changes and necessities of the world.—*Jeremy Taylor.*

It seems a principle in human nature, to incline one way more than another, even in matters where we are wholly *unconcerned.*—*Swift.*

2. Not anxious; not disturbed; not affected: (before the thing it has *with* in Milton, *for* in Dryden, and *at* in Rogers).

See the morn,
All *unconcern'd with* our unrest, begins
Her rosy progress smiling.
Milton, Paradise Lost, xi. 173.

Happy mortals, *unconcern'd for* more,
Confined their wishes to their native shore.
Dryden, Translation from Ovid, Metamorphoses, b. i.

The virgin from the ground
Upstarted fresh, already closed the wound;
And *unconcern'd for* all she felt before,
Precipitates her flight along the shore.
Id., Theodore and Honoria, 209.

We shall be easy and *unconcerned at* all the accidents of the way, and regard only the event of the journey.—*Rogers.*

Unconcérnedly. *adv.* In an unconcerned manner; without interest or affection; without anxiety; without perturbation.

Not the most cruel of our conquering foes
So *unconcern'dly* can relate our woes,
As not to lend a tear.
Sir J. Denham, Destruction of Troy.

Death was denounced, that frightful sound,
Which ev'n the best can hardly bear:
He took the summons, void of fear,
And *unconcern'dly* cast his eyes around,
As if to find and dare the griesly challenger.
Dryden, Threnodia Augustalis, 196.

Unconcérnedness. *s.* Attribute suggested by Unconcerned; freedom from anxiety or perturbation.

No man, having done a kindness to another, would think himself justly dealt with, in a total neglect, and *unconcernedness* of the person who had received that kindness.—*South.*

Unconcérning. *part. pref.* Not interesting; not affecting; not belonging to one. *Rare.*

Things impossible in their nature, or *unconcerning* to us, cannot beget it.—*Dr. H. More, Decay of Christian Piety.*

The science of medals, which is charged with so many *unconcerning* parts of knowledge, and built on such mean materials, appears ridiculous to those that have not examined it.—*Addison, Dialogues on the Usefulness of ancient Medals.*

Unconcérnment. *s.* State of having no share, interest, or concern in anything. *Rare.*

Being privileged by an happy *unconcernment* in those legal murders, you may take a sweeter relish of your own innocence.—*South, Sermons.*

Unconclúdent. *adj.* Inconclusive. *Rare.*

Our arguments are inevident and *unconcludent.*—*Sir M. Hale.*

Unconclúdible. *adj.* Incapable of being determined. *Rare.*

By endeavouring more magisterially and determinately to comprehend and conclude that which is *inconcludible*, and incomprehensible to the understanding of man, we work ourselves into anxiety and subtile distemper.—*Dr. H. More, Song of the Soul*, notes, p. 352.

Unconclúding. *part. pref.* Inconclusive. *Rare.*

He makes his understanding only the warehouse of other men's false and *unconcluding* reasonings, rather than a repository of truth for his own use.—*Locke.*

Unconclúdingness. *s.* Attribute suggested by Unconcluding. *Rare.*

Either may be much more probably maintained than hitherto, as against the unaccurateness and the *unconcludingness* of the analytical experiments vulgarly relied on.—*Boyle.*

Unconclúsive. *adj.* Inconclusive. *Rare.*

Had the promises been of any other sort but these, i. e. conditional promises, the apostle's illation of so much duty cleansing and perfecting, had been utterly *unconclusive*, if not impertinent.—*Hammond, Works*, iv. 554.

Unconcócted. *part. pref.* Not digested; not matured.

We swallow cherry-stones, but void them *unconcocted.*—*Sir T. Browne, Vulgar Errours.*

Uncondémned. *part. pref.* Not condemned.

It was a familiar and *uncondemned* practice amongst the Greeks and Romans, to expose, without pity, their innocent infants.—*Locke.*

Uncondited. *part. pref.* [accent doubtful; Lat. *condītus*, pass. part. of *condio* = I season, spice, flavour.] Unseasoned. *Rare.*

While he estimates the secrets of religion by such measures, they must needs seem as insipid as . . . the *uncondited* mushroom.—*Jeremy Taylor, Sermons.* (Ord MS.)

Uncondítional. *adj.* Absolute; not limited by any terms.

O pass not, Lord! an absolute decree,
Or bind thy sentence *unconditional*;
But in thy sentence our remorse foresee,
And, in that foresight, this thy doom recal.
Dryden, Annus Mirabilis, cclxix.

Uncondúcing. *part. pref.* Not conducive.

I judged it a work in some sort not *unconducing* to a publick benefit.—*Phillips, Theatrum Poetarum*, preface.

Uncondúcted. *part. pref.* Not led; not guided.

He that can seriously ascribe all this to an undisciplined and *unconducted* troop of atoms ambling up and down confusedly through the field of infinite space, what might he not as easily assert or admit?—*Barrow, Sermons*, vol. ii. serm. vi.

Uncónfidence. *s.* Want of confidence. *Rare.*

He never raised his style higher, when he wrote, than with ifs and suppositive *unconfidence.*—*Hackett, Life of Archbishop Williams*, p. 124.

Unconfínable. *adj.* Incapable of being confined; boundless.

You rogue! you stand upon your honour! why, thou *unconfinable* baseness, it is as much as I can do to keep mine honour.—*Shakespear, Merry Wives of Windsor*, ii. 2.

Unconfíned. *part. pref.*

1. Free from restraint.

Poets, a race long *unconfined* and free,
Still fond and proud of savage liberty,
Received his laws.
Pope, Essay on Criticism, iii. 649.

2. Having no limits; unbounded.

Blest with a taste exact, yet *unconfined*;
A knowledge both of books and human kind.
Pope, Essay on Criticism, iii. 639.

Unconfínedly. *adv.* In an unconfined manner; without limitation; without confinement.

In this way any man is able to benefit all, or *unconfinedly* to oblige mankind.—*Barrow, Sermon on the Restoration of King Charles II.*

Unconfírmed. *part. pref.*

1. Not fortified by resolution; not strengthened; raw; weak.

I wonder at it; that shews thou art *unconfirmed.*—*Shakespear, Much Ado about Nothing*, iii. 3.

The unexpected speech
The king had made upon the new-raised force,
In th' *unconfirm'd* troops, much fear did breed.
Daniel, Civil Wars of York and Lancaster.

2. Not strengthened by additional testimony.

He would have resign'd
To him his heavenly office, nor was long
His witness *unconfirmed.*
Milton, Paradise Regained, i. 27.

3. Not settled in the church by the rite of confirmation.

Unconfórm. *adj.* Unconformable. *Rare.*

Not *unconform* to other shining globes.
Milton, Paradise Lost, v. 259.

Unconfórmable. *adj.* Inconsistent; not conforming.

Unto those general rules; they know we do not defend, that we may hold any thing *unconformable.*—*Hooker, Ecclesiastical Polity.*

Unconfórmity. *s.* Incongruity; inconsistency.

The moral goodness or evil of men's actions, which consist in their conformity or *unconformity* to right reason, must be eternal, necessary, and unchangeable.—*South, Sermons.*

Unconfúsed. *part. pref.* Distinct; free from confusion.

It is more distinct and *unconfused* than the sensitive memory.—*Sir M. Hale, Origination of Mankind.*

If in having our ideas in the memory ready at hand, consists quickness of parts; in this of having them *unconfused*, and being able nicely to distinguish one thing from another, consists the exactness of judgement.—*Locke.*

Unconfúsedly. *adv.* In an unconfused manner; without confusion.

Every one finds that he knows, when any idea is in his understanding, and that, when more than one are there, he knows them, distinctly and *unconfusedly*, from one another.—*Locke.*

Unconfútable. *adj.* Incapable of being confuted; irrefragable; not to be convicted of error.

One political argument they boasted of as *unconfutable*, that from the marriages of ecclesiasticks would ensue poverty in many of the children, and thence a disgrace and burden on the church.—*Bishop Sprat, Sermons.*

Uncongeáled. *part. pref.* Not concreted by cold.

By exposing wine, after four months' digestion in horseduug, unto the extremity of cold, the aqueous parts will freeze, but the spirit retire, and be found *uncongealed* in the centre.—*Sir T. Browne, Vulgar Errours.*

Uncónjugal. *adj.* Not consistent with matrimonial faith; not befitting a wife or husband.

My name
To all posterity may stand defamed;
With malediction mention'd, and the blot
Of falsehood most *unconjugal* traduced.
Milton, Samson Agonistes, 976.

Unconjúnctive. *adj.* Incapable of being joined. *Rare.*

Neither can it be said properly that such twain were ever divorced, but only parted from each other, as two persons *unconjunctive* and *unmarriable* together.—*Milton, Doctrine and Discipline of Divorce,* b. ii. ch. xvi.

Unconnécted. *part. pref.* Not coherent; not joined by proper transitions or dependence of parts; lax; loose; vague.

Those who contemplate only the fragments broken off from any science, dispersed in short *unconnected* discourses, can never survey an entire body of truth. —*Watts.*

Unconníving. *part. pref.* Not forbearing penal notice.

To that hideous place not so confined,
By rigour *unconniving,* but that oft,
Leaving my dolorous prison, I enjoy
Large liberty to round this globe of earth.
Milton, Paradise Regained, i. 362.

Uncónquerable. *adj.* Incapable of being conquered; not to be subdued; insuperable; not to be overcome; invincible.

Louis was darting his thunder on the Alps, and causing his enemies to feel the force of his *unconquerable* arms.—*Dryden.*

Spadillo first, *unconquerable* lord!
Led off two captive trumps, and swept the board.
Pope, Rape of the Lock, canto iii.

Used *substantivally.*

Let foreign despots think of that. There is an *unconquerable* in man, when he stands on his rights of man: let despots and slaves and all people know this, and only them that stand on the wrongs of man tremble to know it.—*Carlyle, The French Revolution,* b. v. ch. vi.

Uncónquerably. *adv.* In an unconquerable manner; invincibly; insuperably.

The herds of Iphyclus, detain'd in wrong;
Wild, furious herds, *unconquerably* strong.
Pope, Translation of the Odyssey, xi. 355.

Uncónquered. *part. pref.*

1. Not subdued; not overcome.

To die so tamely,
O'ercome by passion and misfortune,
And still *unconquer'd* by my foes, sounds ill.
Sir J. Denham, The Sophy.

2. Insuperable; invincible.

These brothers had ... shewed as *unconquered* courage, so a rude faithfulness.—*Sir P. Sidney.*

What was that snaky-headed gorgon shield,
That wise Minerva wore, *unconquer'd* virgin!
Milton, Comus, 447.

Uncónscionable. *adj.*

1. Exceeding the limits of any just claim or expectation.

A man may oppose an *unconscionable* request for an unjustifiable reason.—*Sir R. L'Estrange.*

2. Forming unreasonable expectations.

You cannot be so *unconscionable* as to charge me for not subscribing of my name, for that would reflect too grossly upon your own party, who never dare it.—*Dryden.*

3. Enormous; vast.

His giantship is gone somewhat crest-fall'n,
Stalking with less *unconscionable* strides.
Milton, Samson Agonistes, 1244.

4. Not guided or influenced by conscience.

How infamous is the false, fraudulent, and *unconscionable!* Hardly ever did any man of no conscience continue a man of any credit long.—*South, Sermons.*

Uncónscionably. *adv.* In an unconscionable manner; unreasonably.

Indeed 'tis pity you should miss
Th' arrears of all your services;
And, for th' eternal obligation
Y' have laid upon th' ungrateful nation,
Be used s' *unconscionably* hard,
As not to find a just reward.
Butler, Hudibras, iii. 2, 1039.

Uncónscious. *adj.*

1. Having no mental perception.

Unconscious causes only still impart
Their utmost skill their utmost power exert:
Those which can freely chuse, discern, and know,
Can more or less of art and care bestow.
Sir R. Blackmore.

2. Unacquainted; unknowing.

A yearling bullock to thy name shall smoke,
Untamed, *unconscious* of the galling yoke. *Pope.*

Uncónsecrate. *v. a.* Render not sacred; desecrate.

The sin of Israel had even *unconsecrated* and profaned that sacred edifice, and robbed it of its only defence.—*South, Sermons.*

Unconsénting. *part. pref.* Not yielding. *Rare.*

Nor *unconsenting* hear his friend's request.
Pope, Translation of the Odyssey, xv. 221.

Unconsénted. *part. pref.* Not yielded. *Rare.*

We should extend it even to the weaknesses of our natures, to our proneness to evil: for however these, *unconsented to,* will not be imputed to us, yet are they matter of sorrow.—*Archbishop Wake, Preparation for Death.*

Unconsídered. *part. pref.* Not considered; not attended to.

Love yourself; and in that love,
Not *unconsidered* leave your honour.
Shakespear, Henry VIII. i. 2.

It will not be *unconsidered* that we find no open track in this labyrinth.—*Sir T. Browne, Vulgar Errours.*

Unconsólable. *adj.* Incapable of being consoled.

Oh, how *unconsolable* were your case!—*Remains of Sir Walter Raleigh,* p. 87. (Ord MS.)

Uncónsonant. *adj.* Incongruous. *Rare.*

It seemeth a thing *unconsonant* that the world should honour any other as the Saviour, but him whom it honoureth as the Creator of the world.—*Hooker, Ecclesiastical Polity.*

Unconspíringness. *s.* Attribute suggested by Unconspiring; absence of plot or conspiracy.

A harmony, whose dissonances serve but to manifest the sincerity and *unconspiringness* of the writers.—*Boyle, Style of Holy Scripture,* p. 76.

Uncónstant. *adj.* Inconstant. *Rare.*

More *unconstant* than the wind; who woos
Ev'n now the frozen bosom of the north;
And, being anger'd, puffs away from thence,
Turning his face to the dew-dropping south.
Shakespear, Romeo and Juliet, i. 4.

Unconstitútional. *adj.* Contrary to the principles of a political constitution.

In Edward I.'s reign, even before the great act of Confirmation of the Charters had rendered arbitrary impositions absolutely *unconstitutional,* they might perhaps excite louder murmurs than a discreet administration would risk.—*Hallam, View of the State of Europe during the Middle Ages,* pt. iii. ch viii.

Unconstraíned. *part. pref.* Free from compulsion.

Made for his use, yet he has formed us so,
We *unconstrain'd,* what he commands us, do.
Dryden, State of Innocence, iii. 3.

Unconstraínedly. *adv.* In an unconstrained manner; without force suffered.

Such a patron has frankly, generously, and *unconstrainedly* relieved me.—*South, Sermons.*

Unconstraínt. *s.* Freedom from constraint; ease.

Mr. Dryden writ more like a scholar; and though the greatest master of poetry, he wanted that easiness, that air of freedom and *unconstraint,* which is more sensibly to be perceived than described.—*Felton, Dissertation on reading the Classicks.*

Unconsúlting. *part. pref.* Heady; rash; improvident; imprudent.

It was the fair Zelmane, Plexirtus's daughter, whom *unconsulting* affection, unfortunately born to mewards, had made borrow so much of her natural modesty, as to leave her more decent raiments.—*Sir P. Sidney.*

Unconsúmed. *part. pref.* Not wasted; not destroyed by any wasting power.

A fiery deluge fed
With ever-burning sulphur *unconsumed.*
Milton, Paradise Lost, i. 68.

Unconsúmmate. *adj.* Not consummated.

Acron came to the fight,
Who left his spouse betroth'd, and *unconsummate* night.
Dryden, Translation of the Æneid, x. 1014.

Uncontémned. *part. pref.* Not despised.

Which of the peers
Have *uncontemn'd* gone by him, or at least
Stood not neglected?
Shakespear, Henry VIII. iii. 2.

Unconténded. *part. pref.* Not contended for; not contested.

Permit me, chief, permit without delay,
To lead this *uncontended* prize away.
Dryden, Translation of the Æneid, v. 509.

Unconténtingness. *s.* Want of power to satisfy. *Rare.*

The decreed *uncontentingness* of all other goods is richly repaired by its being but an aptness to prove a rise to our love's settling in God.—*Boyle.*

Uncontéstable. *adj.* Incapable of being contested; indisputable; not controvertible.

Where is the man that has *uncontestable* evidence of the truth of all that he holds, or of the falsehood of all he condemns?—*Locke.*

Uncontésted. *part. pref.* Not disputed; evident.

'Tis by experience *uncontested* found,
Bodies orbicular, when whirling round,
Still shake off all things on their surface placed.
Sir R. Blackmore.

Uncontradícted. *part. pref.* Not contradicted.

The place of Daniel was always accounted the most evident and *uncontradicted* testimony.—*Bishop Pearson, Exposition of the Creed,* art. xi.

Uncóntrite. *adj.* Not religiously penitent.

The priest, by absolving an *uncontrite* sinner, cannot make him contrite.—*Hammond, Practical Catechism.*

Uncontríving. *adj.* Deficient in contrivance.

To the savage *uncontriving* man, the earth is an abode of desolation, where his shelter is insufficient, and his food precarious.—*Goldsmith, Animated Nature.* (Ord MS.)

Uncontróllable. *adj.* Deficient in contrivance.

1. Resistless; powerful beyond opposition.

Gaza mourns,
And all that band them to resist
His *uncontrollable* intent.
Milton, Samson Agonistes, 1752.

2. Indisputable; irrefragable.

This pension was granted, by reason of the king of England's *uncontroulable* title to England.—*Sir J. Hayward.*

This makes appear the error of those, who think it an *uncontroulable* maxim, that power is always safer lodged in many hands than in one; those many are as capable of enslaving as a single person. —*Swift.*

Uncontróllably. *adv.* In an uncontrollable manner.

1. Without possibility of opposition.
2. Without danger of refutation.

Uncontroulably, and under general consent, many opinions are passant, which upon due examination, admit of doubt.—*Sir T. Browne, Vulgar Errours.*

Since this light was to rest within them, and the judgement of it wholly to remain in themselves, they might safely and *uncontroulably* pretend it greater or less.—*South, Sermons.*

Uncontrólled. *part. pref.*

1. Unresisted; unopposed; not to be overruled.

Should I try the *uncontrolled* worth
Of this pure cause, 't would kindle my rapt spirits
To such a flame of sacred vehemence,
That dumb things would be moved to sympathize.
Milton, Comus, 793.

O'er barren mountains, o'er the flow'ry plain,
The leafy forest and the liquid main,
Extends thy *uncontroul'd* and boundless reign.
Dryden, Translation from Lucretius, b. i. 23.

2. Not convinced; not refuted.

That Julius Cæsar was so born, is an *uncontrouled* report.—*Sir J. Hayward.*

Uncontrólledly. *adv.* In an uncontrolled manner; without control; without opposition.

Mankind avert killing, and being killed; but when the phantasm honour has once possessed the mind, no reluctance of humanity is able to make head against it; but it commands *uncontrouledly.*—*Dr. H. More, Decay of Christian Piety.*

Uncóntroverted. *part. pref.* Not disputed; not liable to debate.

One reason of the *uncontroverted* certainty of mathematical science is, because 'tis built upon clear and settled significations of names.—*Glanvill.*

Unconvérsable. *adj.* Not suitable to conversation; not social.

In what a miserable state shall we be, when every member of our society shall be of the same *unconversable* temper with ourselves, and we shall find none that will comply with, or endeavour to soothe and mollify, our obstinacy!—*Scott, Christian Life*, pt. i. ch. iii.

Unconvérsant. *adj.* Not familiar; not acquainted with: (followed both by *in* and *with*).

It may require many instances and much discoursing to make this out to persons who are haply *unconversant* in disquisitions of this kind.—*Madox, History of the Exchequer*, preface.

Unconvérsing. *adj.* Holding no converse.

How vain therefore is it, and how preposterous is the canon law, to have made such careful provision against the impediment of carnal performance, and to have no care about the *unconversing* inability of mind, so defective to the purest and sacred end of matrimony.—*Milton, On the Doctrine and Discipline of Divorce*, p. 6. (Ord MS.)

Unconvérted. *part. pref.*

1. Not persuaded of the truth of Christianity.

Salvation belongeth unto none but such as call upon the name of our Lord Jesus Christ: which nations, as yet *unconverted*, neither do, nor possibly can do, till they believe.—*Hooker, Ecclesiastical Polity.*

2. Not religious; not yet induced to live a holy life: (thus Baxter wrote a 'Call to the *Unconverted*,' using the word *substantivally*).

Unconvínced. *part. pref.* Not convinced.

A way not to be introduced into the seminaries of those, who are to propagate religion, or philosophy, amongst the ignorant and *unconvinced*.—*Locke.*

Uncorrécted. *part. pref.* Inaccurate; not polished to exactness.

I have written this too hastily and too loosely: it comes out from the first draught, and *uncorrected*. —*Dryden.*

Uncórrigible. *adj.* Incorrigible. *Rare.*

He will seeke to amend himselfe, if he be not altogether *uncorrigible*.— *Outred, Translation of Cope on Proverbs*, fol. 520, b.: 1580.

Uncorrúpt. *adj.* Honest; upright; not tainted with wickedness; not influenced by iniquitous interest.

The pleasures of sin, and this world's vanities, are censured with *uncorrupt* judgement.—*Hooker, Ecclesiastical Polity.*

Men allege they ne'er can find
Those beauties in a female mind,
Which raise a flame that will endure
For ever *uncorrupt* and pure. *Swift.*

Uncorrúpted. *part. pref.* Not vitiated; not depraved.

Such a hero never springs,
But from the *uncorrupted* blood of kings.
Lord Roscommon.

Man, yet new,
No rule but *uncorrupted* reason knew,
And with a native bent did good pursue.
Dryden.

Nothing is more valuable than the records of antiquity: I wish we had more of them, and more *uncorrupted*.—*Locke.*

Uncorrúptedness. *s.* Attribute suggested by Uncorrupted; state of being uncorrupted.

How shall the licensers themselves be confided in, unless we can confer upon them, or they assume to themselves above all others in the land, the grace of infallibility and *uncorruptedness?*—*Milton, Areopagitica.*

Uncorrúptible. *adj.* Incapable of being corrupted.

The glory of the *uncorruptible* God.—*Romans*, i. 23.

Uncorrúptness. *s.* Attribute suggested by Uncorrupt; integrity; uprightness.

In doctrine shewing *uncorruptness*, gravity, sincerity.—*Titus*, ii. 7.

Uncoúnsellable. *adj.* Incapable of being counselled; not to be advised. *Rare.*

It would have been *uncounsellable* to have marched, and have left such an enemy at their backs.—*Lord Clarendon, History of the Grand Rebellion.*

Uncoúntable. *adj.* Innumerable.

Those *uncountable*, glorious bodies, were not set in the firmament for no other end than to adorn it. —*Sir W. Raleigh.*

Uncoúnted. *part. pref.* Not numbered; not counted.

The blunt monster, with *uncounted* heads.
Shakespear, Henry IV. Part II. induction.

Uncoúnterfeit. *adj.* Genuine; not spurious. *Rare.*

True zeal is not any one single affection of the soul, but a strong mixture of many holy affections, filling the heart with all pious intentions; all, not only *uncounterfeit*, but most fervent.—*Bishop Sprat, Sermons.*

Uncoúple. *v. a.*

1. Loose dogs from their couples.

The hunt is up, the morn is bright and gray;
The fields are fragrant, and the woods are green;
Uncouple here, and let us make a bay.
Shakespear, Titus Andronicus, ii. 2.

2. Set loose; disjoin.

So when our mortal frame shall be disjoin'd,
The lifeless lump *uncoupled* from the mind,
From sense of grief and pain we shall be free.
Dryden.

Uncoúpled. *part. pref.* Single; not united; not wedded.

Vows, whose harsh events must be
Uncoupled cold virginity.
Chamberlayne, Pharonnida: 1659.

Uncoúrteous. *adj.* Uncivil; unpolite.

In behaviour some will say, ever sad, surely sober, and somewhat given to musing, but never *uncourteous*.—*Sir P. Sidney.*

Uncoúrteously. *adv.* In an uncourteous manner; uncivilly; unpolitely.

Though somewhat merrily, yet *uncourteously* he railed upon England, objecting extreme beggary, and mere barbarousness unto it.—*Ascham, Schoolmaster.*

Uncoúrtliness. *s.* Attribute suggested by Uncourtly; unsuitableness of manners to a court; inelegance.

The quakers presented an address, which, notwithstanding the *uncourtliness* of their phrases, the sense was very honest.—*Addison.*

Uncoúrtly. *adj.* Inelegant of manners; uncivil; coarse; rustic.

Thou hadst
So strange a fellow in thy companie,
His garbe was so *uncourtly*, I grew sicke.
Habington, Queen of Arragon.

Whatever might have been the reasons for this proceeding, it seems they are above the understanding of the present lord treasurer, who, not entering into those refinements of paying the public money upon private considerations, has been so *uncourtly* as to stop it.—*Swift, Conduct of the Allies.*

I can only add a plain *uncourtly* speech; while you are nobody's servant, you may be any one's friend.—*Pope, Letter to Gay.* (Ord MS.)

When I had once addressed your lordship in publick, I had exhausted all the art of pleasing which a retired and *uncourtly* scholar can possess. I had done all that I could; and no man is well pleased to have his all neglected, be it ever so little. —*Johnson, Letter to Lord Chesterfield.*

Uncoúth. *adj.* [A.S. *uncuðe.*] Odd; strange; unusual.

A very *uncouth* sight was to behold,
How he did fashion his untoward pace;
For as he forward moved his footing old,
So backward still was turn'd his wrinkled face.
Spenser.

The lovers standing in this doleful wise,
A warrior bold unwares approached near,
Uncouth in arms yclad, and strange disguise.
Fairfax.

The trouble of thy thoughts this night
Affects me equally; nor can I like
This *uncouth* dream, of evil sprung, I fear.
Milton, Paradise Lost, v. 96.

It was so *uncouth* a sight for a fox to appear without a tail, that the very thought made him weary of his life.—*Sir R. L'Estrange.*

The secret ceremonies I conceal,
Uncouth, perhaps unlawful to reveal.
Dryden, Palamon and Arcite, iii. 199.

Uncoúthly. *adv.* In an uncouth manner; oddly; strangely.

Venetians do not more *uncouthly* ride,
Than did their lubber state mankind bestride.
Dryden, Satire on the Dutch.

Uncoúthness. *-s.* Attribute suggested by Uncouth; oddness; strangeness.

To deny himself in the lesser instances, that so when the greater come, they may not have the disadvantage of *uncouthness*, and perfect strangeness, to enhance their difficulty, must be acknowledged reasonable.—*Dr. H. More, Decay of Christian Piety.*

Uncóvenanted. *adj.* Not having joined in a league, covenant, agreement, or compact; e.g. the Solemn League and Covenant of the Scots; the compact of the East India Company's Service.

In Scotland a few fanatical non-jurors may have grudged their allegiance to an *uncovenanted* king.—*T. Erskine May, Constitutional History of England*, ch. i.

Uncóver. *v. a.*

1. Divest of a covering.

After you are up, *uncover* your bed, and open the curtains to air it.—*Harvey.*

Seeing an object several millions of leagues, the very instant it is *uncovered*, may be shewn to be a mistake in matter of fact.—*Locke.*

2. Deprive of clothes.

Thou wert better in thy grave, than to answer, with thy *uncovered* body, this extremity of the skies. —*Shakespear, King Lear*, iii. 4.

3. Strip off the roof.

Porches and schools,
Uncover'd, and with scaffolds cumber'd stood.
Prior.

4. Show openly; strip off a veil, or concealment.

He cover'd; but his robe
Uncover'd more: so rose the Danite strong,
Shorn of his strength.
Milton, Paradise Lost, ix. 1058.

5. Bare the head as in the presence of a superior; take off one's hat as a sign of reverence or respect.

Rather let my head dance on a bloody pole,
Than stand *uncover'd* to the vulgar groom.
Shakespear, Henry VI. Part II. iv. 1.

Uncreáte. *v. a.* Annihilate; reduce to nothing; deprive of existence.

Tempt me with such affrights no more,
Lest what I made I *uncreate*. *Carew.*

Who created thee, lamenting learn,
When who can *uncreate* thee thou shalt know.
Milton, Paradise Lost, v. 894.

Uncreáted. *adj.* Not yet created; not produced by creation, or as the result of a creative power.

How hast thou disturb'd
Heaven's blessed peace, and into nature brought
Misery, *uncreated* till the crime
Of thy rebellion! *Milton, Paradise Lost*, vi. 266.

What cause within, or what without is found,
That can a being *uncreated* bound?
Sir R. Blackmore.

The next paragraph proves, that the idea we have of God is God himself; it being something, as he says, *uncreated*.—*Locke.*

Uncrédible. *adj.* Incapable of being credited or believed; not credible. *Rare.*

Rarities and reports that seem *uncredible*, are not to be suppressed, or denied to the memorie of man. —*Bacon, Advancement of Learning.*

Uncréditable. *adj.* Discreditable. *Rare.*

He in whom 'tis not conscience, but bashfulness, and ignorance of vice, that abstains only from *uncreditable* or unfashionable, from branded or disused sins.—*Hammond, Works*, iv. 511.

Uncréditableness. *s.* Attribute suggested by Uncreditable. *Rare.*

To all other dissuasives, we may add this of the *uncreditableness*: the best that can be said is, that they use wit foolishly, whereof the one part devours the other.—*Dr. H. More, Decay of Christian Piety.*

Uncrédited. *part. pref.* Not believed.

It sayeth so *uncredited*.—*Warner, Albion's England*: 1602.

Uncrópped. *part. pref.* Not cropped; not gathered.

Thy abundance wants
Partakers, and *uncropp'd* falls to the ground.
Milton, Paradise Lost, iv. 730.

Uncróssed. *part. pref.* Uncancelled.

Such gain the cap of him that makes them fine,
Yet keeps his books *uncross'd*.
Shakespear, Cymbeline, iii. 3.

Uncrówded. *part. pref.* Not straitened by want of room.

An amphitheatre's amazing height
Here fills my eye with terror and delight;
That on its publick shows unpeopled Rome,
And held *uncrowded* nations in its womb.
Addison, Letter from Italy.

Uncrówn. *v. a.*

1. Deprive of a crown; deprive of sovereignty.

He hath done me wrong;
And therefore I 'll *uncrown* him ere 't be long.
Shakespear, Henry VI. Part III. iii. 3.

2. Pull off the crown.

Greedy of spoils, the Italians strip the dead
Of his rich armour, and *uncrown* his head.
Dryden, Translation of the Æneid, xii. 448.

Únction. *s.* [Fr. *onction*; Lat. *unctio, -onis*, from *unguo* = I anoint pass. part. *unctus.*]

1. Act of anointing.

The *unction* of the tabernacle, the table, the laver, the altar of God, with all the instruments appertaining thereunto, made them for ever holy.—*Hooker, Ecclesiastical Polity.*

In the law, whatsoever was anointed we thereby set apart, as ordained to some special use in office; and therefore under the notion of *unction* we must understand that of promotion and ordination. Jacob poured oyle on the top of a pillar, and that anointing was the consecration of it. Moses anointed the tabernacle and all the vessels, and this anointing was their dedication. Hence the priest that is anointed signifieth, in the phrase of Moses, the High Priest, because he was invested in that office and by his *unction.*—*Bishop Pearson, Exposition of the Creed*, p. 80. (Ord MS.)

2. Unguent; ointment.

The king himself the sacred *unction* made,
As king by office, and as priest by trade.
Dryden, Macflecnoe, 118.

3. Act of anointing medically.

Such as are of hot constitutions, should use bathing in hot water, rather than *unctions.*—*Arbuthnot, On the Nature and Choice of Aliments.*

4. Anything softening, or lenitive.

Lay not that flattering *unction* to your soul,
That not your trespass, but my madness speaks.
Shakespear, Hamlet, iii. 4.

5. Rite of anointing in the last hours.

Their extreme *unction*, administered as the dying man's viaticum, which St. James mentioned as the ceremony of his recovery, may be added.—*Hammond, On Fundamentals.*

6. Anything that excites piety and devotion; that which melts to devotion.

Such was the witty Dr. South, whom the courtiers delighted to hear. His sermons want all that is called *unction*, and sometimes even earnestness; but there is a masculine spirit about them, which, combined with their peculiar characteristics, would naturally fill the churches where he might be heard.—*Hallam, Introduction to the Literature of Europe in the fifteenth, sixteenth, and seventeenth Centuries*, iv. 56.

Unctuósity. *s.* Unctuous character of anything.

Fuliginous exhalations contain an *unctuosity* in them, and arise from the matter of fuel.—*Sir T. Browne, Vulgar Errours.*

Únctuous. *adj.* Fat; clammy; oily.

Dry up thy harrow'd veins, and plough-torn leas,
Whereof ingrateful man, with lickerish draughts,
And morsels *unctuous*, greases his pure mind,
That from it all consideration slips.
Shakespear, Timon of Athens, iv. 3.

A wandering fire,
Compact of *unctuous* vapour, which the night
Condenses, and the cold environs round,
Kindled through agitation to a flame.
Milton, Paradise Lost, ix. 634.

Camphire, oil-olive, linseed-oil, spirit of turpentine, and amber, are fat, sulphureous, *unctuous* bodies.—*Sir I. Newton.*

The relics of mortality with which the old man had heaped his fireplace, began by degrees to send forth a thick *unctuous* vapour, which at length leaped to light, and blazing up the aperture, gave a degree of liveliness to the gloomy scene.—*Sir W. Scott, Castle Dangerous.*

'Come, hand in the eatables.' There was something in the sound of the last word which roused the *unctuous* boy. He jumped up: and the leaden eyes, which twinkled behind his mountainous cheeks, leered horribly upon the food as he unpacked it from the basket.—*Dickens, Pickwick Papers*, ch. iv.

Únctuousness. *s.* Attribute suggested by Unctuous.

A great degree of *unctuousness* is not necessary to the production of the like effects.—*Boyle.*

Uncúckolded. *part. pref.* Not made a cuckold.

As it is a heart-breaking to see a handsome man loose-wived, so it is a deadly sorrow to behold a foul knave *uncuckolded.*—*Shakespear, Antony and Cleopatra*, i. 2.

Uncúlled. *part. pref.* Not gathered.

A sweaty reaper from his tillage brought
First fruits, the green ear, and the yellow sheaf,
Uncull'd, as came to hand.
Milton, Paradise Lost, xi. 434.

Uncúlpable. *adj.* Not blamable. *Rare.*

Those canons do bind, as they are edicts of nature; which the Jews observing as yet unwritten, and thereby framing such church orders, as in their law were not prescribed, are notwithstanding in that respect *unculpable.*—*Hooker, Ecclesiastical Polity.*

Uncúltivated. *part. pref.*

1. Not cultivated; not improved by tillage.

Our isle, indeed, too fruitful was before;
But all *uncultivated* lay,
Out of the solar walk.
Dryden, Threnodia Augustalis, 351.

2. Not instructed; not civilized.

These are instances of nations, where *uncultivated* nature has been left to itself, without the help of letters.—*Locke.*

Uncúmbered. *part. pref.* Not burthened; not embarrassed.

Lord of yourself, *uncumber'd* with a wife.
Dryden, Epistle to his kinsman John Dryden.

Uncúrable. *adj.* Not to be cured; incurable.

Uncúrably. *adv.* In an uncurable manner.

Nothing more hinders and distrusts the whole life of a christian, than a matrimony found to be *uncurably* unfit.—*Milton, Doctrine and Discipline of Divorce*, p. 11. (Ord MS.)

Uncúrbable. *adj.* Incapable of being curbed, or checked. *Rare.*

So much *uncurbable* her garboiles, Cæsar,
Made out of her impatience, which not wanted
Shrewdness of policy.
Shakespear, Antony and Cleopatra, ii. 2.

Uncúrbed. *part. pref.* Licentious; not restrained.

With frank, and with *uncurbed* plainness,
Tell us the Dauphin's mind.
Shakespear, Henry V. i. 2.

Uncúrl. *v. a.* Loose from ringlets, or convolutions.

There stands a rock; the raging billows roar
Above his head in storms; but when 'tis clear,
Uncurl their ridgy backs, and at his feet appear.
Dryden, Translation of the Æneid, v. 165.

Uncúrl. *v. n.* Become uncurled.

My fleece of woolly hair now *uncurls*,
Even as an adder, when she doth unroll
To do some fatal execution.
Shakespear, Titus Andronicus, ii 3.

But since, alas! frail beauty must decay,
Curl'd or *uncurl'd*, since locks will turn to grey,
What then remains, but well our pow'r to use,
And keep good humour still, whate'er we lose?
Pope, Rape of the Lock, canto v.

Uncúrrent. *adj.* Not current; not passing in common payment.

Your voice, like a piece of *uncurrent* gold, is not cracked within the ring.—*Shakespear, Hamlet*, ii. 2.

Uncúrse. *v. a.* Free from any execration.

Uncurse their souls; their peace is made
With heads, and not with hands.
Shakespear, Richard II. iii. 2.

Uncúrst. *part. pref.* Not execrated.

Heav'n sure has kept this spot of earth *uncurst*,
To shew how all things were created first. *Waller.*

Uncústomed. *part. pref.* Not having paid custom; smuggled; contraband.

A bill was prepared, importing a continuation of several laws, namely, the several clauses mentioned of the acts in the fifth and eighth of George I. against the clandestine running of *uncustomed* goods.—*Smollett, History of England*, b. iii. (Ord MS.)

Uncút. *part. pref.* Not cut.

We must resign! heav'n his great soul doth claim,
In storms as loud as his immortal fame:
His dying groans, his last breath shake our isle,
And trees *uncut* fall for his fun'ral pile. *Waller.*

Undám. *v. a.* Open; free from the restraint of mounds.

When the fiery suns too fiercely play,
And shrivell'd herbs on with'ring stems decay,
The wary ploughman, on the mountain's brow,
Undams his wat'ry stores.
Dryden, Translation of the Georgics, i. 157.

Undámaged. *part. pref.* Not made worse; not impaired.

Plants will frequent changes try,
Undamaged, and their marriageable arms
Conjoin with others.
J. Philips, Cyder, i. 305.

Undámped. *part. pref.* Not damped; not depressed; not dejected.

Undamp'd by doubt, undaunted by despair.
Young, Night Thoughts, night ii.

The *undauntable* insolencie of Pharaoh.—*Harmar, Translation of Beza*, p. 381: 1587.

A pattern of *undauntable* belief.—*Bishop Hall, Contemplations*, b. iv.

That heroick and *undauntable* boldness.—*Hacket, Life of Archbishop Williams*, p. 181.

Undaúnted. *part. pref.* Unsubdued by fear; not depressed.

Bring forth men children only;
For thy *undaunted* metal should compose
Nothing but males. *Shakespear, Macbeth*, i. 7.

With him went Sprag, as bountiful as brave,
Whom his high courage to command had brought;
Harman, who did the twice fired Harry save,
And in his burning ship *undaunted* fought.
Dryden, Annus Mirabilis, clxxiv.

Undáwning. *part. pref.* Not yet dawning; not grown luminous; not illumined.

Thou hold'st the sun
A prisoner in the yet *undawning* east.
Cowper, Task, b. v.

Undázzled. *part. pref.* Not dimmed, or confused by splendour.

Here matter new to gaze the devil met
Undazzled. *Milton, Paradise Lost*, iii. 618.

Undeáf. *v. n.* Free from deafness. *Rare.*

Though Richard my life's counsel would not hear,
My death's sad tale may yet *undeaf* his ear.
Shakespear, Richard II. ii. 1.

Undebáscd. *part. pref.* Not debased.

Undebaúched. *part. pref.* Not corrupted by debauchery; pure.

He sends us for the determination of decency to the judgement of our right reason, *undebauched* nature, and approved custom.—*Bishop Hall, Remains*, p. 255.

When the world was buxom, fresh and young,
Her sons were *undebauch'd*, and therefore strong.
Dryden, Translation of Juvenal, vi. 16.

Undecayed. *part. pref.* Not liable to be diminished, or impaired.

How fierce in fight, with courage *undecay'd!*
Judge if such warriours want immortal aid.
Dryden.

Undecaying. *part. pref.* Not suffering diminution or declension.

The fragrant myrtle, and the juicy vine,
Their parents' *undecaying* strength declare,
Which with fresh labour, and unwearied care,
Supplies new plants. *Sir R. Blackmore, Creation.*

Undeceivable. *adj.* Explained in the previous editions as 'not liable to deceive or be deceived.' The former is certainly the meaning in the extract; but it is equally certain that 'incapable of *being deceived*' is the only meaning compatible with the etymology.

It serves for more certain computation, by how much it is a larger and more comprehensive period, and under a more *undeceivable* calculation.—*Holder, On Time.*

Undeceive. *v. a.* Set free from the influence of a fallacy.

Thy muse enraged, from her urn,
Like ghosts of murder'd bodies does return
T' accuse the murderers, to right the stage,
And *undeceive* the long-abused age.
Sir J. Denham, On Mr. John Fletcher's Works.

So far as truth gets ground in the world, so far sin loses it. Christ saves the world by *undeceiving* it.—*South, Sermons.*

Undécency. *s.* Unbecomingness. *Rare.*

Good men have been forced to an *undecency* of deportment by the violences of pain.—*Jeremy Taylor, Rule and Exercises of holy Dying*, ch. iv. § 5.

Every vacuity is, as it were, the hunger of the creation; both an *undecency*, and a torment.—*South, Sermons*, vii. 30.

Undécent. *adj.* Not becoming. *Rare.*

That which remains is, that the minister pray over him, and remind him to do good actions, as he is capable; to call upon God for pardon; to renounce every ill word or thought, or *undecent* action, which the violence of his sickness may cause in him.—*Jeremy Taylor, Rule and Exercises of holy Dying*, ch. v. § 6.

Undécently. *adv.* In an undecent manner. *Rare.*

See that none, youth or other, be suffered to go in boots and spurs, or to wear their hair *undecently* long.—*Laud, Historical Account of his Chancellorship of Oxford*, p. 61.

[An] *undecidable* problem in natural theology.—*South, Sermons*, vol. iii. serm. vi.

Undecíded. *part. pref.* Not determined; not settled.

For one thing which we have left to the order of the church, they had twenty which were *undecided* by the express word of God.—*Hooker, Ecclesiastical Polity.*

Undecípherable. *adj.* Incapable of being deciphered; mysterious; enigmatic.

The present *undecipherable* state of affairs.—*Lord Chesterfield.*

Undecísive. *adj.* Indecisive. *Rare.*

Two nations differing about the antiquity of their language, made appeal to an *undecisive* experiment, when they agreed upon the trial of a child brought up among the wild inhabitants of the desert.—*Glanville.*

Undéck. *v. a.* Deprive of ornaments.

I find myself a traitor;
For I have given here my soul's consent,
To *undeck* the pompous body of a king.
Shakespear, Richard II. iv. 1.

Undeclínable. *adj.* Incapable of being declined: (in the extract, avoided).

I have shewn how blameless the lord keeper was, and that the offence on his part was *undeclinable.*—*Hacket, Life of Archbishop Williams*, p. 107.

Undeclíned. *part. pref.*

1. Not grammatically varied by termination.

Grammar in vain the sons of Priscian teach;
Good parts are better than eight parts of speech:
Since these declined, those *undeclined* they call,
I thank my stars, that I declined them all.
Bramston.

2. Not deviating; not turned from the right way.

In his track my wary feet have stept;
His *undeclined* ways precisely kept. *Sandys.*

Undecompósable. *adj.* Incapable of being decomposed.

He feels that . . . his act is *undecomposable.*—*Herbert Spencer, Elements of Psychology.*

Undédicated. *part. pref.*

1. Not consecrated; not devoted.
2. Not inscribed to a patron.

I should let this book come forth *undedicated*, were it not that I look upon this dedication as a duty.—*Boyle.*

Undeéded. *part. pref.* Not signalised by action. *Rare.*

My sword, with an unbatter'd edge,
I sheath again *undeeded.* *Shakespear, Macbeth*, v. 7.

Undefáced. *part. pref.* Not deprived of its form; not disfigured.

Those arms, which for nine centuries had braved
The wrath of time on antick stone engraved:
Now torn by mortars, stand yet *undefaced*,
On nobler trophies by thy valour raised. *Granville.*

Undefénded. *part. pref.* Without defence; easy to be assaulted; exposed to assault.

A rich land, guardless and *undefended*, must needs have been a double incitement.—*South, Sermons.*

Undefíed. *part. pref.* Not set at defiance; not challenged.

False traitor, thou broken hast
The law of arms, to strike foe *undefied.* *Spenser.*

Undefíled. *part. pref.* Not polluted; not vitiated; not corrupted.

Virtue weareth the crown for ever, having gotten the victory, striving for *undefiled* rewards.—*Wisdom of Solomon*, iv. 3.

Whose bed is *undefiled* and chaste.
Milton, Paradise Lost, iv. 761.

Her Arethusian stream remains unsoil'd,
Unmix'd with foreign filth, and *undefiled*;
Her wit was more than man, her innocence a child.
Dryden, Ode to the Memory of Mrs. Anne Killegrew, 68.

Undefíledness. *s.* Attribute suggested by Undefiled.

You have its beauty in its graceful and glorious colours of purity and *undefiledness.*—*Farindon, Sermons*, p. 15: 1647.

Undefínable. *adj.* Incapable of being defined; not to be marked out, or circumscribed by a definition.

Why simple ideas are *undefinable* is, that the several terms of a definition, signifying several ideas, they can all, by no means, represent an idea, which has no composition at all.—*Locke.*

Undefíned. *part. pref.* Not circumscribed, or explained by a definition.

There is no such way to give defence to absurd doctrines, as to guard them round with legions of obscure, doubtful, *undefined* words.—*Locke.*

Undeflówered. *part. pref.* Not vitiated.

That *undeflowered* and unblemishable simplicity of the Gospel.—*Milton, Reason of Church Government*, b. ii.

Undefórmed. *part. pref.* Not deformed; not disfigured.

The sight of so many gallant fellows, with all the pomp and glare of war, yet *undeformed* by battles, may possibly invite your curiosity.—*Pope.*

Undeify. *v. a.* Divest of the character of a deity.

An idol may be *undeified* by many accidental causes . . . When a man becomes familiar with his goddess, she quickly sinks into a woman.—*Addison, Spectator*, no. 73. (Ord MS.)

Undelíberated. *part. pref.* Not carefully considered.

The prince's *undeliberated* throwing himself into that engagement, transported him with passion.—*Lord Clarendon, History of the Grand Rebellion.*

Undelíghted. *part. pref.* Not pleased; not touched with pleasure.

The fiend
Saw *undelighted* all delight; all kind
Of living creatures, new to sight.
Milton, Paradise Lost, iv. 286.

Undelíghtful. *adj.* Not giving pleasure.

He could not think of involving himself in the same *undelightful* condition of life.—*Lord Clarendon, History of the Grand Rebellion.*

Undemólished. *part. pref.* Not razed; not thrown down.

She *undemolish'd* stood, and ev'n till now
Perhaps had stood. *J. Philips, Cyder*, i. 182.

They stood by, and suffered Dunkirk to lie *undemolished.*—*Swift.*

Undemónstrable. *adj.* Incapable of being demonstrated.

Out of the precepts of the law of nature, as of certain, common, and *undemonstrable* principles, man's reason doth necessarily proceed unto certain more particular determinations: which particular determinations being found out according unto the reason of man, they have the names of human laws.—*Hooker, Ecclesiastical Polity.*

Undeníable. *adj.* Incapable of being denied, or gainsaid.

That age which my grey hairs make seem more than it is, hath not diminished in me the power to protect an *undeniable* verity.—*Sir P. Sidney.*

Undeníably. *adv.* In an undeniable manner; so plainly as to admit of no contradiction.

I grant that nature all poets ought to study: but then this also *undeniably* follows, that those things which delight all ages must have been an imitation of nature.—*Dryden.*

Undepénding. *part. pref.* Independent. *Rare.*

They . . . claim an absolute and *undepending* jurisdiction.—*Milton, Observations on the Articles of Peace between the Earl of Ormond and the Irish.*

Undeplóred. *part. pref.* Not lamented.

Rise, wretched widow! rise; nor *undeplored*
Permit my ghost to pass the Stygian ford;
But rise, prepared in black to mourn thy perished lord. *Dryden, Translation from Ovid, House of Sleep.*

Undepráved. *part. pref.* Not corrupted.

Knowledge dwelt in our *undepraved* natures, as light in the sun; it is now hidden in us like sparks in a flint.—*Glanville.*

The *understandings* of a senate are often enslaved by three or four leaders.—*Swift.*

The difference, upon which most of the German metaphysicians since the time of Kant have strongly insisted, between the *understanding* and the *reason* is illustrated by the following extract.

We state what to ourselves has long appeared the grand characteristic of Kant's philosophy, when we mention his distinction, seldom perhaps expressed so broadly, but uniformly implied, between *understanding* and reason (*Verstand* and *Vernunft*). To most of our readers this may seem a distinction without a difference; nevertheless to the Kantists it is by no means such. They believe that both *understanding* and reason are organs, or rather, we should say, modes of operation by which the mind discovers truth; but they think their manner of proceeding is essentially different; that their provinces are separable and distinguishable, nay that it is of the last importance to separate and distinguish them. Reason, the Kantists say, is of a higher nature than *understanding*; it works by more subtle methods on higher objects, and requires a far finer culture for its development, indeed in many men it is never developed at all; but its results are no less certain, nay rather they are much more so; for reason discerns truth itself, the absolutely and primitively true; while *understanding* discerns only relations, and cannot decide without If. The proper province of *understanding* is all, strictly speaking, real, practical, and material knowledge, mathematics, physics, political economy, the adaptation of means to ends in the whole business of life. In this province it is the strength and universal implement of the mind; an indispensable servant, without which, indeed, existence itself would be impossible. Let it not step beyond this province, however; not usurp the province of reason, which it is appointed to obey, and cannot rule over without ruin to the whole spiritual man. Should *understanding* attempt to prove the existence of God it ends, if thorough-going and consistent with itself, in Atheism, or a faint possible Theism, which scarcely differs from this; should it speculate of virtue, it ends in utility, making prudence and a sufficiently cunning love of self the highest good. Consult *understanding* about the beauty of poetry and it asks, Where is this beauty? or discovers it at length in rhythms, and fitnesses, and male and female rhymes. Witness also its everlasting paradoxes on necessity and the freedom of the will; its ominous silence on the end and meaning of man; and the enigma which, under such inspection, the whole purport of existence becomes.—*Carlyle, Critical and Miscellaneous Essays, State of German Literature.*

2. Skill; knowledge; exact comprehension.

Right *understanding* consists in the perception of the visible or probable agreement or disagreement of ideas.—*Locke.*

3. Intelligence; terms of communication.

He hoped the loyalty of his subjects would concur with him in the preserving of a good *understanding* between him and his people.—*Lord Clarendon, History of the Grand Rebellion.*

We have got into some *understanding* with the enemy, by means of Don Diego.—*Arbuthnot.*

Understánding. *adj.* Knowing; skilful.

The present physician is a very *understanding* man, and well read.—*Addison, Travels in Italy.*

Understándingly. *adv.* With knowledge; with skill.

Your grace shall find him—
Courtly, and scholarlike, *understandingly* read
In the necessities of the life of man.
Beaumont and Fletcher, Woman-Hater.

Sundays may be *understandingly* spent in theology.—*Milton, Tractate on Education.*

2. Intelligibly.

He took ten drams of opium in three days, and yet spake *understandingly!*—*Burton, Anatomy of Melancholy*, p. 75.

Understóck. *v. a.* Supply with stock (i.e. in husbandry with cattle in proportion to the herbage), but not adequately.

A new colony must always for some time be more *understocked* in proportion to the extent of its territory, and more *underpeopled* in proportion to the extent of its stock than the greater part of other countries.—*A. Smith, Wealth of Nations*, b. i. ch. ix. (Ord MS.)

Understrápper. *s.* Petty fellow; inferior agent.

Every *understrapper* perk'd up, and expected a regiment, or his son must be a major.—*Swift.*

Understróke. *v. a.* Underscore; underline.

You have *understroked* that offensive word, to show that it is to be printed in italic.—*Swift, Letter to the Duchess of Queensbury*, March 20, 1752. (Ord MS.)

Undertákable. *adj.* Incapable of being, unfit to be, undertaken.

I have not in any place found any such labour or difficulty, but that it was *undertakable* by a man of very mean, that is, of my abilities.—*Chillingworth, The Religion of Protestants a safe Way to Salvation*, dedication.

Undertáke. *v. a.* pret. *undertook*; past part. *undertaken.*

1. Attempt; engage in.

The task he *undertakes*
Is numbering sands, and drinking oceans dry.
Shakespear, Richard II. ii. 2.

Fiercer than cannon, and than rocks more hard,
The English *undertake* th' unequal war.
Dryden, Annus Mirabilis, xxvii.

2. Assume a character. *Obsolete.*

His name and credit shall you *undertake,*
And in my house you shall be friendly lodged.
Shakespear, Taming of the Shrew, iv. 2

3. Engage with; attack.

It is not fit your lordship should *undertake* every companion, that you give offence to.—*Shakespear, Cymbeline*, ii. 1.

You 'll *undertake* her no more?—*Id., Merry Wives of Windsor*, iii. 5.

4. Have the charge of.

To the waterside I must conduct your grace,
Then give my charge up to Sir Nicholas Vaux,
Who *undertakes* you to your end.
Shakespear, Henry VIII. ii. 1.

Undertáke. *v. n.*

1. Assume any business or province.

O Lord, I am oppressed, *undertake* for me.—*Isaiah*, xxxviii. 14.

2. Venture; hazard.

It is the cowish terror of his spirit,
That dare not *undertake.*
Shakespear, King Lear, iv. 2.

3. Promise; stand bound to some condition.

If the curious search the hills after rains, I dare *undertake* they will not lose their labour.—*Woodward, Natural History.*

Undertáker. *s.*

1. One who engages in projects and affairs.

Antrim was naturally a great *undertaker.*—*Lord Clarendon, History of the Grand Rebellion.*

Undertakers in Rome purchase the digging of fields, and arrive at great estates by it.—*Addison.*

Oblige thy fav'rite *undertakers*
To throw me in but twenty acres.
Prior, Lines written at Paris, in 1700.

2. One who engages to build for another at a certain price; contractor: (this *latter* being the *commoner* word).

Should they build as fast as write,
'T would ruin *undertakers* quite.
Swift, Miscellanies.

3. One who manages funerals.

While rival *undertakers* hover round,
And with his spade the sexton marks the ground.
Young.

Úndertaking. *part. adj.* Enterprising.

But the states, deluded by the boundless promises of Count Zinzendorf, and the *undertaking* talent of Prince Eugene, who dreaded the conclusion of the war as the period of his glory, would not hear of a cessation.—*Swift, Works*, vol. vii. p. 192. (Ord MS.)

Undertáking. *verbal abs.* Attempt; enterprise; engagement.

Mighty men they are called; which sheweth strength surpassing others: and men of renown, that is, of great *undertaking* and adventurous actions.—*Sir W. Raleigh, History of the World.*

If this seem too great an *undertaking* for the humour of our age, then such a sum of money ought to lie ready for taking off all such pieces of cloth as shall be brought in.—*Sir W. Temple.*

Underténant. *s.* Secondary tenant; one who holds from him that holds from the owner.

Settle and secure the *undertenants*; to the end there may be a repose and establishment of every subject's estate, lord and tenant.—*Sir J. Davies, Discourse of the State of Ireland.*

Úndertime. *s.* See Undern.

He coming home at *undertime*, there found
The fayrest creature that he ever saw,
Sitting beside his mother on the ground.
Spenser, Faerie Queen, iii. 7, 13.

Úndertone. *s.* Lowered tone of the voice.

'You a great eater!' retorted his companion, with no less indignation than before. 'How do you know you are?' There appeared to be forcible matter in this inquiry, for Mr. Pinch only repeated in an *undertone* that he had a strong misgiving on the subject, and that he greatly feared he was.—*Dickens, Martin Chuzzlewit*, ch. ii.

Undervaluátion. *s.* Rate not equal to the worth.

There is often failing by an *undervaluation*; for in divers children their ingenerate powers are of slow disclosure.—*Sir H. Wotton.*

Underválue. *v. a.*

1. Rate low; esteem lightly; treat as of little worth.

Her name is Portia, nothing *undervalued*
To Cato's daughter.
Shakespear, Merchant of Venice, i. 1.

My chief delight lay in discharging the duties of my station; so that, in comparison of it, I *undervalued* all ensigns of authority.—*Bishop Atterbury.*

2. Depress; make low in estimation; despise.

I write not this with the least intention to *undervalue* the other parts of poetry.—*Dryden.*

In a kingdom grown glorious by the reputation of a sovereign, multitudes lessen and *undervalue* it.—*Addison.*

Underválue. *s.* Low rate; vile price.

The unskilfulness, carelessness, or knavery of the traders, added much to the *undervalue* and discredit of these commodities abroad.—*Sir W. Temple.*

Underváluer. *s.* One who undervalues; one who esteems lightly.

An *undervaluer* of money was Sir Henry Wotton.—*I. Walton, Life of Wotton.*

Underváluingly. *adv.* In an undervaluing manner; disparagingly; unduly.

Not slightly and *undervaluingly* to speak of other men's virtues.—*Bishop Henshaw, Thoughts*, p. 18; 1651.

Únderwood. *s.* Low trees that grow among the timber.

When you fell *underwood*, sow haws and sloes.—*Mortimer, Husbandry.*

Únderwork. *s.* Subordinate business; petty affairs.

Those that are proper for war, fill up the laborious part of life, and carry on the *underwork* of the nation.—*Addison.*

Underwórk. *v. a.* pret. and past part. *underworked*, or *underwrought.*

1. Destroy by clandestine measures; undermine.

Thou from loving England art so far,
That thou hast *underwrought* its lawful king,
To cut off the sequence of posterity.
Shakespear, King John, ii. 1.

2. Labour or polish less than enough.

Apelles said of Protogenes, that he knew not when to give over. A work may be overwrought as well as *underwrought.*—*Dryden.*

3. Work at a price below the common; undersell.

Underwórkman. *s.* Inferior or subordinate labourer.

Nor would they hire *underworkmen* to employ their parts and learning to disarm their mother of all.—*Leslie.*

Underworkmen are expert enough at making a single wheel in a clock, but are utterly ignorant how to adjust the several parts.—*Swift.*

Underwríte. *v. a.* Subscribe (the two words translating one another; *sub* = under + *scribo* = I write).

He began first with his pipe, and then with his voice, thus to challenge Dorus, and was by him answered in the *underwritten* sort.—*Sir P. Sidney.*

What addition and change I have made, I have here *underwritten.*—*Bishop Sanderson.*

Underwríter. *s.* One who underwrites; insurer; so called from writing his name under the conditions.

Even the passage from England to Ireland was insecure. Every week it was announced that twenty, thirty, fifty vessels belonging to London or Bristol had been taken by the French. More than a hundred prizes were carried during that autumn into Saint Maloes alone. It would have been far better, in the opinion of the shipowners and of the *underwriters*, that the Royal Sun had still been afloat with her thousand fighting men on board than that she should be lying a heap of ashes on the beach at Cherburg, while her crew, distributed among twenty brigantines, prowled for booty over the sea between Cape Finisterre and Cape Clear.—*Macaulay, History of England*, ch. xix.

Undescríbed. *part. pref.* Not described.

They urge, that God left nothing in his word *undescribed*, whether it concerned the worship of God, or outward polity.—*Hooker, Ecclesiastical Polity.*

Undescríed. *part. pref.* Not seen; unseen; undiscovered.

Who can tell at what *undescried* fields of knowledge even man may at length arrive?—*Wollaston*, § iii. 9.

Undesérved. *part. pref.*

1. Not merited; not obtained by merit.

This victory, obtained with great, and truly not *undeserved*, honour to the two princes, the whole estates, with one consent, gave the crown to Musidorus.—*Sir P. Sidney.*

2. Not incurred by fault.

The same virtue which gave him a disregard of fame, made him impatient of an *undeserved* reproach.—*Addison.*

Undesérvedly. *adv.* In an undeserved manner; without desert, whether of good or ill.

Our desire is to yield them a just reason, even of the least things, wherein *undeservedly* they have but as much as dreamed that we do amiss.—*Hooker, Ecclesiastical Polity.*

He which speaketh no more than edifieth, is *undeservedly* reprehended for much speaking.—*Ibid.*

Science distinguishes a man of honour from one of those athletick brutes, whom *undeservedly* we call heroes.—*Dryden.*

Undesérvedness. *s.* Attribute suggested by Undeserved; want of being worthy.

If much be due to God from us on account of the greatness of our blessing, how much more is due, when we consider the *undeservedness* of it!—*R. Newton, Sermons.*

Undesérver. *s.* One of no merit.

You see how men of merit are sought after; the *undeserver* may sleep, when the man of action is called on.—*Shakespear, Henry IV. Part II.* ii. 4.

Undesérving. *part. pref.*

1. Not having merit; not having any worth.

It exerts itself promiscuously towards the deserving and the *undeserving*, if it relieves alike the idle and the indigent.—*Addison.*

2. Not meriting any particular advantage or hurt: (with *of*).

I was carried to mislike, then to hate; lastly to destroy this son *undeserving of* destruction.—*Sir P. Sidney.*

Undesérvingly. *adv.* In an undeserving manner; as an undeserver; without meriting any particular harm or advantage.

He suffered some to be undeservedly rich, others to be *undeservingly* poor.—*Milton, Tetrachordon.*

Undesígned. *part. pref.* Not intended; not purposed.

Great effects by inconsiderable means are sometimes brought about; and those so wholly *undesigned* by such as are the immediate actors.—*South, Sermons.*

Undesígnedly. *adv.* In an undesigned manner; without design.

All these casual references seem to have been portions of traditional history well known in the time of Homer: and as they are introduced almost *undesignedly*, they are generally attended with a great semblance of truth.—*Bryant, On Troy.*

Undesígnedness. *s.* Attribute suggested by Undesigned; freedom from design; accidentalness.

The *undesignedness* of the agreements demonstrates that they have not been produced by meditation, or by any fraudulent contrivance.—*Paley, Evidences of Christianity*, vol. ii. pt. ii. ch. vii.

Undesígning. *adj.* Not acting with any set purpose (good, or bad).

He looks upon friendship, gratitude, and sense of honour, as terms to impose upon weak, *undesigning* minds.—*South, Sermons.*

Undesírable. *adj.* Not to be wished; not pleasing.

To add what wants
In female sex, the more to draw his love,
And render me more equal; and perhaps,
A thing not *undesirable*, some time
Superior; for inferior, who is free?
Milton, Paradise Lost, ix. 821.

Undesíred. *part. pref.* Not wished; not solicited.

O goddess-mother, give me back to fate;
Your gift was *undesired*, and came too late.
Dryden.

Undesíring. *part. pref.* Negligent; not wishing.

The baits of gifts and money to despise,
And look on wealth with *undesiring* eyes:
When thou canst truly call these virtues thine,
Be wise, and free, by heaven's consent and mine.
Dryden, Translation of Persius, v. 160.

Undespaíring. *part. pref.* Not giving way to despair.

Anson, with steady *undespairing* breast,
Perils endured. *Dyer, Fleece.*

Undestroýable. *adj.* Incapable of being destroyed; not susceptive of destruction; indestructible (the two words translating each other).

Common glass, once made, so far resists the violence of the fire, that most chymists think it a body more *undestroyable* than gold itself.—*Boyle.*

Undetérminable. *adj.* Incapable of being decided.

On either side the fight was fierce, and surely *undeterminable* without the death of one of the chiefs.—*Sir H. Wotton.*

Rather an heir had no such right by divine institution, than that God should give such a right, but yet leave it doubtful and *undeterminable* who such heir is.—*Locke.*

Undetérminate. *adj.*

1. Not settled; not decided; contingent: (more correctly *indeterminate*).

Surely the Son of God could not die by chance, nor the greatest thing that ever came to pass in nature, be left to an *undeterminate* event.—*South, Sermons.*

2. Not fixed.

Fluid, slippery, and *undeterminate* it is of itself.—*Dr. H. More.*

Undetérminateness. *s.* Attribute suggested by Undeterminate.

1. Uncertainty; indecision.

2. State of not being fixed, or invincibly directed.

The idea of a free agent is *undeterminateness* to one part before he has made choice.—*Dr. H. More, Divine Dialogues.*

Undetermination. *s.* Indecision.

He is not left barely to the *undetermination*, incertainty, and unsteadiness of the operation of his faculties, without a certain, secret predisposition of them to what is right.—*Sir M. Hale.*

Undetérmined. *part. pref.*

1. Unsettled; undecided.

He has left his succession as *undetermined* as if he had said nothing about it.—*Locke.*

Extended wide
In circuit *undetermined*, square or round.
Milton, Paradise Lost, ii. 1047.

2. Not limited; not regulated; not defined.

It is difficult to conceive that any such thing should be as matter, *undetermined* by something called form.—*Sir M. Hale.*

Undéviating. *part. pref.*

1. Not departing from the usual way; regular.

The natural *undeviating* temperance of the animal.—*J. Warton, Essay on the Writings and Genius of Pope.*

Should God again,
As once in Gibeon, interrupt the race
Of the *undeviating* and punctual sun,
How would the world admire! *Cowper, Task*, b. vi.

2. Not erring; not crooked.

Smooth as a wall the upright remnant stands;
With such *undeviating* and even force
He severs it away. *Cowper, Task*, b. v.

Undevóted, *part. pref.* Not devoted.

The lords Say and Brooke, two popular men, and most *undevoted* to the church, positively refused to make any such protestation.—*Lord Clarendon, History of the Grand Rebellion.*

Undevoút. *adj.* Not devout; without devotion.

The Greeks being seemingly the most *undevout* and negligent at their divine service, of any sort of people in the Christian world.—*Maundrell, Travels*, p. 136.

An *undevout* astronomer is mad.
Young, Night Thoughts, night ix.

Undiáphanous. *adj.* Not transparent.

When the materials of glass melted, with calcined tin, have composed a mass *undiaphanous* and white, this white enamel is the basis of all concretes that goldsmiths employ in enamelling.—*Boyle, Experiments and Considerations touching Colours.*

Undigésted. *part. pref.*

1. Not concocted; not subdued by the stomach.

Ambition, the disease of virtue, bred
Like surfeits from an *undigested* fulness,
Meets death in that which is the means of life.
Sir J. Denham, The Sophy.

The glaring sun
Breaks in at every chink...
Yet plunged in sloth we lie, and snore supine,
As fill'd with fumes of *undigested* wine.
Dryden, Translation of Persius, iii. 1.

2. Not properly disposed; not reduced to order.

I find,
'Tis true, within my *undigested* mind,
That there is something hidden in the deep
Bosom of fate. *Sir R. Fanshawe,*
Translation of Guarini's Pastor Fido.

Undíght. *v. a.* Put off.

From her fair head her fillets she *undight*,
And laid her stole aside. *Spenser.*

Undígnified. *part. pref.* Wanting, destitute of, dignity.

I hope a due distinction will be made between an *undignified* scribbler of a sheet and a half, and the author of a threepenny stitched book, like myself.—*Swift, Further Account of Curll.* (Ord MS.)

Undiminishable. *adj.* Incapable of being diminished.

It being no object of sense, but of intellect, and being also impassible and *undiminishable*.—*Dr. H. More, Conjectura Cabbalistica*, p. 145.

Undiminished. *part. pref.* Not impaired; not lessened.

Think not, revolted spirit! thy shape the same,
Or *undiminish'd* brightness, to be known
As when thou stood'st in heaven, upright and pure.
Milton, Paradise Lost, iv. 835.

Sergius, who a bad cause bravely tried,
All of a piece, and *undiminish'd*, died.
Dryden, Translation of Juvenal, x. 442.

The deathless muse, with *undiminish'd* rays,
Through distant times the lovely dame conveys.
Addison.

Undinted. *part. pref.* Not impressed by a blow.

I must rid all the sea of pirates: this 'greed upon,
To part with unhackt edges, and bear back
Our targe *undinted.*
Shakespear, Antony and Cleopatra, ii. 6.

Undipped. *part. pref.* Not dipped; not plunged.

I think thee
Impenetrably good; but, like Achilles,
Thou hadst a soft Egyptian heel *undipp'd*,
And that has made thee mortal.
Dryden, Cleomenes.

Undirected. *part. pref.* Not directed.

The realm was left, like a ship in a storm, amidst all the raging surges, unruled and *undirected* of any: for they to whom she was committed fainted or forsook their charge.—*Spenser, View of the State of Ireland.*

Undiscérned. *part. pref.* Not observed; not discovered; not descried.

Our profession, though it leadeth us into many truths *undiscerned* by others, yet doth disturb their communications.—*Sir T. Browne, Vulgar Errours.*

Broken they break, and rallying they renew,
In other forms, the military shew:
At last in order *undiscern'd* they join,
And march together in a friendly line.
Dryden, Translation of the Æneid, v. 765.

Undiscérnedly. *adv.* In an undiscerned manner; so as to be undiscovered.

Some associated particles of salt-petre, by lurking *undiscernedly* in the fixed nitre, had escaped the analysing violence of the fire.—*Boyle.*

Undiscérnible. *adj.* Incapable of being discerned; invisible.

I should be guiltier than my guiltiness,
To think I should be *undiscernible*,
When I perceive your grace.
Shakespear, Measure for Measure, v. 1.

Undiscérnibleness. *s.* Attribute suggested by Undiscernible; incapability of being discerned; state or quality of being undiscernible.

Because of their remoteness, subtilty, and *undiscernibleness*, it cannot know them adequately, or in the whole.—*Ellis, Knowledge of Divine Things*, p. 84.

Undiscérnibly. *adv.* In an undiscernible manner; invisibly; imperceptibly.

Many secret indispositions will *undiscernibly* steal upon the soul, and it will require time and close application to recover it to the spiritualities of religion.—*South, Sermons.*

Undiscérning. *part. pref.* Injudicious; incapable of making due distinction.

Undiscerning muse, which heart, which eyes,
In this new couple dost thou prize? *Donne.*

Undisciplínable. *adj.* Incapable of being disciplined.

Some are fain utterly to lay aside some of their former positions, as utterly *undisciplinable* and ungovernable by any subsidiary explication.—*Sir M. Hale, Origination of Mankind*, p. 342. (Ord MS.)

Undisciplined. *part. pref.*

1. Not subdued to regularity and order.

To be dispensed withal is an argument of natural infirmity, if it be necessary; but if it be not, it signifies an *undisciplined* and unmortified spirit.—*Jeremy Taylor, Rule and Exercises of holy Living.*

2. Untaught; uninstructed.

Dry is a man of a clear head, but few words; and gains the same advantage over Puzzle, that a small body of regular troops would gain over a numberless *undisciplined* militia.—*Spectator.*

Undisclóse. *v. a.* Not discover; not unfold.

The half-blown rose . . .
Whilst yet her tender bud doth *undisclose*
That full of beauty time bestows upon her.
Daniel, Sonnets, xxxvi.

Undiscórding. *part. pref.* Not disagreeing; not jarring in music.

We on earth, with *undiscording* voice,
May rightly answer that melodious noise;
As once we did, till disproportion'd sin
Jarr'd against nature's chime.
Milton, Odes, At a solemn Musick, 17.

Undiscóverable. *adj.* Incapable of being discovered; not to be found out.

He was to make up his accounts, and by an easy, *undiscoverable* cheat, he could provide against the impending distress.—*Rogers.*

Undiscóvered. *part. pref.* Not seen; not descried; not found out.

Coming into the falling of a way, which led us into a place, of each side whereof men might easily keep themselves *undiscovered*, I was encompassed suddenly by a great troop of enemies.—*Sir P. Sidney.*

By your counsels we are brought to view
A rich and *undiscover'd* world in you.
Dryden, To the Lord Chancellor Hyde, 77.

Undiscreét. *adj.* Indiscreet.

If thou be among the *undiscreet*, observe the time.—*Ecclesiasticus*, xxvii. 12.

Undiscreétly. *adv.* In an undiscreet manner; improvidently; unwisely.

They have *undiscreetly* impoverished themselves.—*Burton, Anatomy of Melancholy*, p. 119.

Undisguísed. *part. pref.* Open; artless; plain; exposed to view.

If thou art Venus . . .
Disguised in habit, *undisguised* in shape,
O help us captives from our chains t' escape!
Dryden, Palamon and Arcite, i. 262.

Undishónoured. *part. pref.* Not dishonoured.

Keep then fair league and truce with thy true bed:
I live distain'd, thou *undishonoured.*
Shakespear, Comedy of Errors, ii. 2.

Undismaÿed. *part. pref.* Not discouraged; not depressed with fear.

He in the midst thus *undismay'd* began.
Milton, Paradise Lost, vi. 417.

Undisobligíng. *part. pref.* Inoffensive.

All this he would have expatiated upon, with connexions of the discourses, and the most easy, *undisobliging* transitions.—*Broome.*

Undispénsed. *part. pref.* Not freed from a rule or obligation.

He is unqualified, and *undispensed* with, to procure unto himself two diverse ecclesiastical dignities, but also divers parish churches.—*Tooker, Fabrick of the Church*, p. 47: 1604.

Undispérsed. *part. pref.* Not scattered.

We have all the redolence of the perfumes we burn upon his altars; the smoke doth vanish ere it can reach the sky; and whilst it is *undispersed*, it but clouds it.—*Boyle.*

Undispósed. *part. pref.* Not bestowed.

The employments were left *undisposed* of, to keep alive the hopes of impatient candidates.—*Swift.*

Undispútable. *adj.* Incapable of being disputed.

Their ideas and descriptions were *undisputable.*—*Whitlock, Observations on the Present Manners of the English*, p. 47.

Merely for his *undisputable* good pleasure.—*Cowley.*

Undisputed. *part. pref.* Incontrovertible; evident.

You, by an *undisputed* title, are the king of poets.—*Dryden.*

Undissémbled. *part. pref.*

1. Openly declared.

Let the tender swain
Each morn regale on nerve-relaxing tea,
Companion meet of languor-loving nymph:
Be mine each morn, with eager appetite
And hunger *undissembled*, to repair
To friendly buttery; there on smoking crust
And foaming ale to banquet unrestrain'd,
Material breakfast!
Warton, Panegyric on Oxford Ale.

2. Honest; not feigned.

Ye are the sons of a clergy, whose *undissembled* and unlimited veneration for the Holy Scriptures hath not hindered them from paying an inferiour, but profound regard to the best interpreters of it, the primitive writers.—*Bishop Atterbury.*

Undissipated. *part. pref.* Not scattered; not dispersed.

Such little primary masses as our proposition mentions, may remain *undissipated.*—*Boyle.*

Undissólvable. *adj.* Incapable of being dissolved; indissoluble.

1. By solution.

Through the power of the hot sun and parching sand they are so dried, that they become fixed, and for ever *undissolvable.*—*Greenhill, Art of Embalming*, p. 153.

2. By breaking, or loosening.

And would you have my partial friendship break
That holy knot, which, tied once, all mankind
Agree to hold sacred and *undissolvable?*
Rowe, Tamerlane.

Undistémpered. *part. pref.* Free from distemper, disease, or perturbation.

Some such laws may be considered, in some parliament that shall be at leisure from the urgency of more pressing affairs, and shall be cool and *undistempered.*—*Sir W. Temple.*

Undistínguishable. *adj.* Incapable of being distinguished.

1. Not to be distinctly seen.

The quaint mazes in the wanton green,
For lack of tread, are *undistinguishable.*
Shakespear, Midsummer-Night's Dream, ii. 2.

2. Not to be known by any peculiar property.

No idea can be *undistinguishable* from another, from which it ought to be different.—*Locke.*

Undistínguishably. *adv.* In an undistinguishable manner; without distinction.

The righteous and bountiful persons are, in Scripture expression, ordinarily confounded, as it were, or *undistinguishably* put one for the other.—*Barrow, Sermons*, vol. i. serm. xxxi.

Undistínguished. *part. pref.*

1. Not marked out so as to be known from each other.

The *undistinguished* seeds of good and ill,
Heaven in his bosom from our knowledge hides.
Dryden, Annus Mirabilis, xxxvi.

'Tis longer since the creation of angels than of the world, by seven hundred years, whereby we would mark out so much of that *undistinguished* duration, as we suppose would have admitted seven hundred annual revolutions of the sun.—*Locke.*

2. Not to be seen otherwise than confusedly; not separately and plainly descried.

'Tis like the milky way, all over bright;
But sown so thick with stars, 'tis *undistinguish'd* light. *Dryden.*

3. Not plainly discerned.

Wrinkles *undistinguish'd* pass,
For I'm ashamed to use a glass. *Swift.*

4. Admitting nothing between; having no intervenient space.

O *undistinguish'd* space of woman's will!
Shakespear, King Lear, iv. 6.

5. Not marked by any particular property.

Sleep to these empty lids
Is grown a stranger; and day and night,
As *undistinguish'd* by my sleep as sight.
Sir J. Denham, The Sophy.

6. Not treated with any particular respect.

E'en mighty Pam, that kings and queens o'erthrew . . .
Sad chance of war! now destitute of aid,
Falls *undistinguish'd* by the victor spade.
Pope, Rape of the Lock, canto iii.

Undistínguishing. *part. pref.* Making no difference.

The promiscuous and *undistinguishing* distribution of good and evil, which was necessary for carrying on the designs of Providence in this life, will be rectified in another.—*Addison.*

Undistinguishing complaisance will vitiate the taste of the readers.—*Garth.*

Undistórted. *part. pref.* Not distorted; not perverted.

The *undistorted* suggestions of his own heart, these easy hints, will be found no fallacious directions.—*Dr. H. More, Song of the Soul*, preface: 1647.

Undistrácted. *part. pref.* Not perplexed by contrariety of thoughts or desires.

When Enoch had walked with God, he was so far from being tired with that lasting assiduity, that he admitted him to a more immediate, and more *undistracted* communion with himself.—*Boyle.*

Undistráctedly. *adv.* In an undistracted manner; without disturbance from contrariety of sentiments.

St. Paul tells us, that there is difference betwixt married and single persons; the affections of the latter being at liberty to devote themselves more *undistractedly* to God.—*Boyle.*

Undistráctedness. *s.* Attribute suggested by Undistracted; freedom from interruption by different thoughts.

The strange confusions of this nation disturb that calmness of mind, and *undistractedness* of thoughts. —*Boyle.*

Undistúrbed. *part. pref.*

1. Free from perturbation; calm; tranquil; placid.

To our high-raised phantasy present
That *undisturbed* song of pure concent.
Milton, Odes, At a solemn Musick, 5.

The peaceful cities of th' Ausonian shore,
Lull'd in their ease, and *undisturb'd* before,
Are all on fire.
Dryden, Translation of the Æneid, vii. 861.

To be *undisturbed* in danger, sedately to consider what is fittest to be done, and to execute it steadily, is a complex idea of an action which may exist. But to be *undisturbed* in danger, without using one's reason, is as real an idea as the other.—*Locke.*

2. Not interrupted by any hinderance or molestation.

Nature stints our appetite,
And craves no more than *undisturb'd* delight;
Which minds, unmix'd with cares and fears, obtain;
A soul serene, a body void of pain.
Dryden, Translation from Lucretius, b. ii.

3. Not agitated.

A good conscience is a port which is land-locked on every side, where no winds can possibly invade. There a man may not only see his own image, but that of his Maker, clearly reflected from the *undisturbed* and silent waters.—*Dryden.*

Undistúrbedly. *adv.* In an undisturbed manner; calmly; peacefully.

Our minds are so weak, that they have need of all the assistances can be procured, to lay before them *undisturbedly* the thread and coherence of any discourse.—*Locke.*

Undistúrbedness. *s.* Attribute suggested by Undisturbed; state of being undisturbed.

Your lordship plainly opposes heat and flame to that calmness and *undisturbedness*, with which you would have our addresses to God accompanied.—*Dr. Snape, Letter to Bishop Hoadly*, p. 16.

Undivérted. *part. pref.* Not amused; not pleased.

The reader, however, may not be *undiverted* with its unaffected simplicity and pathos. — *Wakefield, Memoirs*, p. 8.

The best actors in the world for tragedy, pastoral, scene *undividable*, or poem unlimited.—*Shakespear, Hamlet*, ii. 2.

How comes it, husband,
That thou art thus estranged from thyself?
Thyself, I call it, being strange to me;
That *undividable*, incorporate,
Am better than thy dear self's better part.
Id., Comedy of Errors, ii. 2.

Undivíded. *part. pref.* Unbroken; whole; not parted.

Love is not divided between God and God's enemy: we must love God with all our heart, that is, give him a whole and *undivided* affection.—*Jeremy Taylor, Rule and Exercises of holy Living.*

God ... extends through all extent;
Spreads *undivided*, operates unspent.
Pope, Essay on Man, i. 273.

Undivídedly. *adv.* In an undivided manner; so as not to be divided, separated, or parted; as a whole.

Creation, nature, religion, law, and policy, make them *undividedly* one.—*Fellthan, On St. Luke*, xiv. 20.

To *undo* the charmed band
Of true virgin here distress'd. *Milton, Comus*, 903.

3. Change anything done to its former state; recall or annul any action.

They may know, that we are far from presuming to think that men can better anything which God hath done, even as we are from thinking, that men should presume to *undo* some things of men, which God doth know they cannot better.—*Hooker, Ecclesiastical Polity.*

They make the Deity do and *undo*, go forward and backwards.—*T. Burnet, Theory of the Earth.*

By granting me so soon,
He has the merit of the gift *undone*. *Dryden.*

Without this our repentance is not real, because we have not done what we can to *undo* our fault.—*Archbishop Tillotson.*

Now will this woman, with a single glance,
Undo what I've been labouring all this while.
Addison, Cato.

Undóer. *s.* One who undoes anything; one who ruins or brings to destruction anything.

This my customary coming hither,
Hath been to base and sordid purposes;
To wrong your bed, injure her chastity,
And be mine own *undoer*.
Heywood, English Traveller.

Undóing. *part. adj.* Ruining; destructive.

The great and *undoing* mischief which befalls men, is by their being misrepresented.—*South, Sermons.*

Undóing. *verbal abs.* Ruin; destruction; fatal mischief.

To the utter *undoing* of some, many things by strictness of law may be done, which equity and honest meaning forbiddeth.—*Hooker, Ecclesiastical Polity.*

False lustre could dazzle my poor daughter to her *undoing*.—*Addison, Guardian.*

Undóne. *adj.*

1. Not done; not performed.

Do you smell a fault?—I cannot wish the fault *undone*, the issue of it being so proper.—*Shakespear, King Lear*, i. 1.

There was no opportunity to call either of these two great persons to account for what they had done, or what they had left *undone*.—*Lord Clarendon, History of the Grand Rebellion.*

And made themselves *undoubtful*.
Beaumont and Fletcher, Honest Man's Fortune.

Undoúbting. *part. adj.* Admitting no doubt.

They to whom all this is revealed, and received with an *undoubting* faith, if they do not presently set about so easy and so happy a task, must acknowledge themselves in the number of the blind. —*Hammond.*

Undráwn. *part. adj.*

1. Not pulled by any external force.

Forth rush'd
The chariot of paternal Deity *undrawn*,
Flashing thick flames, wheel within wheel;
Itself instinct with spirit, but convoy'd
By four cherubick shapes.
Milton, Paradise Lost, vi. 750.

2. Not portrayed.

The death-bed of the just is yet *undrawn*
By mortal hand.
Young, Night Thoughts, night ii.

Undreáded. *part. pref.* Not dreaded or feared.

Better far,
Than still at hell's dark threshold to have sat watch,
Unnamed, *undreaded*, and thyself half starved.
Milton, Paradise Lost, x. 593.

Undreámed. *part. pref.* Not thought, or even dreamed, of.

A course more promising,
Than a wild dedication of yourselves
To unpath'd waters, *undream'd* shores; most certain
To miseries enough.
Shakespear, Winter's Tale, iv. 3.

Undréss. *v. a.*

1. Divest of clothes; strip.

Undress you, and come now to bed.
Shakespear, Taming of the Shrew, induction, sc. 2.

Undúst. *v. a.* Free from dust; cleanse.

When we frequently dress up the altar of our hearts, and *undust* it from all these little foulnesses, by degrees we come to be aided.—*W. Mountague, Devout Essays*, pt. ii. p. 121: 1654.

Undúteous. *adj.* Not performing duty; irreverent; disobedient.

She and I, long since contracted,
Are now so sure, that nothing can dissolve us;
And this deceit loses the name of craft,
Of disobedience, or *unduteous* title.
Shakespear, Merry Wives of Windsor, v. 5.

[He] Latium call'd the land where safe he lay,
From his *unduteous* son, and his usurping sway.
Dryden, Translation of the Æneid, viii. 429.

Undútiful. *adj.* Not obedient; not reverent.

England thinks it no good policy to have that realm planted with English, lest they should grow so *undutiful* as the Irish, and become more dangerous.—*Spenser, View of the State of Ireland.*

No man's reason did ever dictate to him, that it is fit for a creature not to love God; to be *undutiful* to his great Sovereign, and ungrateful to his best Benefactor.—*Archbishop Tillotson.*

Undútifully. *adv.* In an undutiful manner; not according to duty.

The fish had long in Cæsar's ponds been fed,
And from its lord *undutifully* fled.
Duke, Translation of Juvenal, iv. 79.

Undútifulness. *s.* Attribute suggested by Undutiful; want of respect; irreverence; disobedience.

I should have thought they would rather have held in, and staid all the other from *undutifulness*, than need to be forced thereunto themselves.—*Spenser, View of the State of Ireland.*

Undýing. *part. pref.* Not dying or perishing; immortal.

That firm affection that made us two happy,
May take as deep *undying* root, and flourish,
Betwixt my daughter Casta and your goodness.
Beaumont and Fletcher, Four Plays in One.

Driven down
To chains of darkness, and the *undying* worm.
Milton, Paradise Lost, vi. 788.

Uneárned. *part. pref.* Not earned or obtained by labour or merit.

As I am honest Puck,
If we have *unearned* luck,
Now to 'scape the serpent's tongue,
We will make amends ere long.
Shakespear, Midsummer-Night's Dream, epilogue.

Our work is brought to little, though begun
Early, and the hour of supper comes *unearned.*
Milton, Paradise Lost, ix. 224.

Unearth. *v. a.* Drive from any underground hole, kennel, or habitation: (e.g. that of a fox or badger).

The nightly robber of the fold;
Him from his craggy, winding haunts *unearth'd*,
Let all the thunder of the chace pursue.
Thomson, Seasons, Autumn, 472.

Uneárthly. *adj.* Not terrestrial.

The sacrifice
How ceremonious, solemn, and *unearthly*
It was i' the offering!
Shakespear, Winter's Tale, iii. 1.

He lives *uneasily* under the burden.—*Sir R. L'Estrange.*

Uneásiness. *s.* Attribute suggested by Uneasy; trouble; perplexity; state of disquiet.

There's not, I think, a subject
That sits in heart-grief and *uneasiness*,
Under the sweet shade of your government.
Shakespear, Henry V. ii. 2.

His majesty will maintain his just authority over them; and whatever *uneasiness* they may give themselves, they can create none in him.—*Addison, Freeholder.*

Uneásy. *adj.*

1. Painful; giving disturbance.

The wisest of the Gentiles forbad any libations to be made for dead infants, as believing they passed into happiness through the way of mortality, and for a few months wore an *uneasy* garment.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

Uneasy life to me,
Still watch'd and importuned, but worse for thee.
Dryden.

2. Disturbed; not at ease.

Uneasy lies the head that wears a crown.
Shakespear, Henry IV. Part II. iii. 1.

The soul, *uneasy* and confined from home,
Rests and expatiates in a life to come. *Pope.*

Pales unhonour'd, Ceres *unemploy'd*,
Were all forgot. *Dryden.*

Unémptiable. *adj.* Not to be, incapable of being, emptied; inexhaustible. *Rare.*

Whatsoever men or angels know, it is as a drop of that *unemptiable* fountain of wisdom, which hath diversely imparted her treasures.—*Hooker, Ecclesiastical Polity.*

Unendeáred. *part. pref.* Not attended with endearment.

Here Love his golden shafts employs, here lights
His constant lamp, and waves his purple wings;
Reigns here and revels; not in the bought smiles
Of harlots, loveless, joyless, *unendear'd.*
Milton, Paradise Lost, iv. 766.

Unendówed. *part. pref.* Not invested; not graced.

A man rather unadorned with any parts of quickness, and *unendowed* with any notable virtues, than notorious for any defect of understanding.—*Lord Clarendon, History of the Grand Rebellion.*

Aspiring, factious, fierce, and loud,
With grace and learning *unendow'd.* *Swift.*

Unengáged. *part. pref.* Not engaged; not appropriated.

When we have sunk the only *unengaged* revenues left, our incumbrances must remain perpetual.—*Swift.*

Unenjoyed. *part. pref.* Not obtained; not possessed.

Each day 's a mistress *unenjoy'd* before;
Like travellers, we're pleased with seeing more.
Dryden, Aurengzebe, iv. 1.

Unenjóying. *part. pref.* Not using; having no fruition.

The more we have, the meaner is our store;
The *unenjoying*, craving wretch is poor. *Creech.*

Unenlárged. *part. pref.* Not enlarged; narrow; contracted.

Unenlarged souls are disgusted with the wonders which the microscope has discovered concerning the shape of little animals, which equal not a peppercorn.—*Watts.*

By those *unequalled* and invaluable blessings, he manifested how much he hated sin, and how much he loved sinners.—*Boyle.*

Unéqually. *adv.* In an unequal manner.

1. In different degrees; in disproportion one to the other.

When we view some well-proportion'd dome . . .
No single parts *unequally* surprise;
All comes united to th' admiring eyes.
Pope, Essay on Criticism, ii. 247.

2. Not justly. *Latinism.* See Unequal.

Who right to all dost deale indifferently,
Damning all wrong and tortious injurie,
Which any of thy creatures do to other,
Oppressing them with power *unequally*.
Spenser, Faerie Queen.

Unéqualness. *s.* Attribute suggested by Unequal; inequality; state of being unequal.

The native plenty of our soil, the *unequalness* of our climate.—*Sir W. Temple, Essay on Poetry.*

Unéquitable. *adj.* Not impartial; not just.

We force him to stand to those measures which we think too *unequitable* to press upon a murderer.—*Dr. H. More, Decay of Christian Piety.*

Unequívocal. *adj.* Not equivocal.

This conceit is erroneous, making putrefactive generations correspondent unto seminal productions, and conceiving *unequivocal* effects, and univocal conformity unto the efficient.—*Sir T. Browne, Vulgar Errours.*

Unérrable. *adj.* Incapable of error; infallible. *Rare; barbarous.*

The ignominy of your *unerrable* see is discovered.—*Sheldon, Miracles of Antichrist*, p. 142: 1616.

Unérrableness. *s.* Incapability of error; infallible. *Rare; barbarous.*

The many innovations of that church witness the danger of presuming upon the *unerrableness* of a guide.—*Dr. H. More, Decay of Christian Piety.*

Unérring. *part. pref.*

1. Committing no mistake.

His javelin threw,
Hissing in air the *unerring* weapon flew. *Dryden.*

2. Incapable of failure; certain.

The king a mortal shaft lets fly
From his *unerring* hand.
Sir J. Denham, Cooper's Hill.

'Is this the *unerring* power?' The ghost replied,
'Nor Phœbus flatter'd, nor his answers lied.'
Dryden, Translation of the Æneid, vi. 473.

Of lovers of truth, for truth's sake, there is this one *unerring* mark; the not entertaining any proposition with greater assurance than the proofs it is built upon will warrant.—*Locke.*

Unérringly. *adv.* In an unerring manner; without mistake.

What those figures are, which should be mechanically adapted to fall so *unerringly* into regular compositions, is beyond our faculties to conceive.—*Glanville.*

Uneschéwable. *adj.* Incapable of being eschewed; inevitable; unavoidable; not to be escaped. *Obsolete.*

He gave the mayor sufficient warning to shift for safety, if an *uneschewable* destiny had not altered him.—*Carew.*

Unespíed. *part. pref.* Not seen; undiscovered; undescried.

From living eyes her open shame to hide,
And live in rocks and caves long *unespied*.
Spenser.

The second shaft came swift, and *unespied*;
And pierced his hand, and nail'd it to his side.
Dryden, Translation of the Æneid, ix. 785.

Unessayed. *part. pref.* Unattended.

To be rid of these mortifying propositions, he leaves no tyrannical evasion *unessayed*.—*Milton, Eiconoclastes*, § 11.

Unesséntial. *adj.*

1. Not being of the last importance; not constituting essence, or characteristic.

Tillotson was moved rather with pity than indignation, towards the persons of those who differed from him in the *unessential* parts of Christianity.—*Addison, Freeholder.*

2. Void of real being.

The void profound
Of *unessential* night receives him next.
Milton, Paradise Lost, ii. 438.

Unestáblish. *v. a.* Deprive of establishment; disestablish.

The parliament demanded of the king to *unestablish* that prelatical government.—*Milton, Eiconoclastes*, § 27.

Unéven. *adj.*

1. Not even; not level, physically or immaterially.

Some said it was best to fight with the Turks in that *uneven*, mountain country, where the Turk's chief strength consisting in the multitude of his horsemen should stand him in small stead.—*Knolles, History of the Turks.*

They made the ground *uneven* about their nest, insomuch that the slate did not lie flat.—*Addison.*

2. Not suiting each other; not equable.

The Hebrew verse consists of *uneven* feet.—*Peacham.*

Unévenness. *s.* Attribute suggested by Uneven.

1. Surface not level; inequality of surface.

This softness of the foot, which yields to the ruggedness and *unevenness* of the roads, renders the feet less capable of being worn than if they were more solid.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. Turbulence; changeable state.

Edward II., though an unfortunate prince, and by reason of the troubles and *unevenness* of his reign, the very law itself had many interruptions; yet it held its current in that state his father had left it in.—*Sir M. Hale.*

3. Not smoothness.

Notwithstanding any such *unevenness* or indistinctness in the style of those places, concerning the origin and form of the earth.—*T. Burnet, Theory of the Earth.*

Unévitable. *adj.* Inevitable; not to be escaped.

So jealous is she of my love to her daughter, that I never yet begin to open my mouth to the *unevitable* Philoclea, but that her unwished presence gave my tale a conclusion, before it had a beginning.—*Sir P. Sidney.*

Unexáct. *adj.* Not exact.

Descending under the earth is (a translation) most of all *unexact* and illiteral.—*Dr. Dawson, Illustration of Texts on Logos*, p. 251: 1764.

Unexácted. *part. pref.* Not exacted; not taken by force.

All was common, and the fruitful earth
Was free, to give her *unexacted* birth.
Dryden, Translation of the Georgics, i. 195.

Unexáminable. *adj.* Incapable of being examined.

Such was Peter's unseasonable humility, as then his knowledge was small, when Christ came to wash his feet; who at an impertinent time would needs strain courtesy with his master, and falling troublesomely upon the lowly, all-wise, and *unexaminable* intention of Christ, in what he went with resolution to do, so provoked by his interruption the meek Lord, that he threatened to exclude him from his heavenly portion, unless he could be content to be less arrogant and stiffnecked in his humility.—*Milton, Of Reformation in England*, b. i.

Unexámined. *part. pref.* Not enquired; not tried; not discussed.

They utter all they think, with a violence and indisposition, *unexamined*, without relation to person, place, or fitness.—*B. Jonson.*

The accusations *unexamined* and unrefuted were contemptuously flung aside.—*Macaulay, History of England*, ch. xxiv.

Unexámpled. *part. pref.* Not known by any precedent or example.

Charles returned with *unexampled* loss from Algiers.—*Sir W. Raleigh.*

Your twice-conquer'd vassals,
First, by your courage, then your clemency,
Here humbly vow to sacrifice their lives,
The gift of this your *unexampled* mercy,
To your command. *Sir J. Denham, The Sophy.*

Unexcéptionable. *adj.* Incapable of being objected to; not liable to any objection.

Personal prejudices should not hinder us from pursuing, with joint hands and hearts, the *unexceptionable* design of this pious institution.—*Bishop Atterbury.*

Unexcéptionableness. *s.* Attribute suggested by Unexceptionable; state or quality of being unexceptionable.

If it had been accompanied with other parts of his exposition of these epistles that had the like *unexceptionableness*, it would never have been found fault with.—*Dr. H. More, Exposition of the Epistles sent to the Seven Churches*, preface: 1669.

Unexcéptionably. *adv.* In an unexceptionable manner; so as to be not liable to objection.

The resurrection of Jesus was most fully and most *unexceptionably* proved.—*West, On the Resurrection*, p. 306.

Unexcógitable. *adj.* Incapable of being thought, or mentally discovered.

Wherein can man resemble his *unexcogitable* power and perfectness?—*Sir W. Raleigh, History of the World.*

Unexcúsable. *adj.* Having no excuse; admitting of no excuse.

The authors, which you cite, do plainly charge you with *unexcusable* untruth.—*Sir J. Hayward, Answer to Doleman*, ch. vi.: 1603.

Unexcúsableness. *s.* Attribute suggested by Unexcusable.

We will rip up to you the *unexcusableness* of the heathen ignorance in general.—*Hammond, Works*, iv. 642.

Unéxecuted. *part. pref.* Not performed; not done.

Most worthy sir, you . . . leave *unexecuted*
Your own renowned knowledge.
Shakespear, Antony and Cleopatra, iii. 7

Unexémplified. *part. pref.* Not made known by instance or example.

This being a new, *unexemplified* kind of policy, must pass for the wisdom of this particular age, scorning the examples of all former ages.—*South, Sermons.*

Unexémpt. *adj.* Not free by peculiar privilege.

You invert the covenants of her trust,
And harshly deal like an ill borrower,
With that which you received on other terms,
Scorning the *unexempt* condition
By which all mortal frailty must subsist.
Milton, Comus, 682.

Unéxercised. *part. pref.* Not practised; not experienced.

Messapus . . . with his ardour, warms
A heartless train, *unexercised* in arms.
Dryden, Translation of the Æneid, vii. 957.

Abstract ideas are not so obvious to the yet *unexercised* mind, as particular ones.—*Locke.*

Unexérted. *part. pref.* Not called into action; not put forth.

Attend with patience the uncertainty of things, and what lieth yet *unexerted* in the chaos of futurity.—*Sir T. Browne, Christian Morals*, i. 25.

Unexhaústed. *part. pref.* Not spent; not drained to the bottom.

What avail her *unexhausted* stores,
While proud oppression in her vallies reigns?
Addison, Letter from Italy.

Unexístent. *part. pref.* Not in existence.

A retrograde cognition of times past, and things which have already been, is more satisfactory than a suspended knowledge of what is yet *unexistent.*—*Sir T. Browne, Christian Morals*, iii. 13.

Unexpánded. *part. pref.* Not spread out.

Every fœtus bears a secret hoard;
With sleeping, *unexpanded* issue stored.
Sir R. Blackmore.

Unexpectátion. *s.* Want of previous consideration; want of foresight.

As every other evil, so this especially, is aggravated by our *unexpectation.*—*Bishop Hall, Balm of Gilead.*

Unexpécted. *part. pref.* Not thought on; sudden; not provided against.

Have wisdom to provide always beforehand, that those evils overtake us not, which death *unexpected* doth use to bring upon careless men; and although it be sudden in itself, nevertheless, in regard of our prepared minds, it may not be sudden.—*Hooker, Ecclesiastical Polity.*

To the pale foes they suddenly draw near,
And summon them to *unexpected* fight.
Dryden, Annus Mirabilis, clxxxv.

When Barcelona was taken by a most *unexpected* accident of a bomb lighting on the magazine, then the Catalonians revolted.—*Swift.*

Unexpéctedly. *adv.* In an unexpected manner; suddenly; at a time unthought of.

Oft he seems to hide his face,
But *unexpectedly* returns.
Milton, Samson Agonistes, 1749.

My heart was filled with a deep melancholy, to see several dropping *unexpectedly* in the midst of mirth.—*Addison.*

Unexpéctedness. *s.* Attribute suggested by Unexpected; suddenness; unthought of time or manner.

He describes the *unexpectedness* of his appearance.—*Watts.*

Unexpédient. *adj.* Inexpedient: (the latter the *commoner* form).

Musick would not be *unexpedient* after meat, to assist and cherish nature in her first concoction, and send their minds back to study in good tune.—*Milton, Tractate on Education.*

Unexpénsive. *adj.* Not costly; not with great expence.

My life hath not been *unexpensive* in learning, and voyaging about.—*Milton, Apology for Smectymnuus.*

Unexpérienced. *part. pref.* Not versed; not acquainted by trial or practice.

The wisest, *unexperienced*, will be ever
Timorous and loth, with novice modesty,
Irresolute, unhardy, unadventurous.
Milton, Paradise Regained, iii. 240.

The smallest accident intervening, often produces such changes, that a wise man is just as much in doubt of events as the most ignorant and *unexperienced.*—*Swift.*

Unexpért. *adj.* Wanting skill or knowledge.

Receive the partner of my inmost soul:
Him you will find in letters, and in laws,
Not *unexpert.* *Prior, Horace imitated.*

Unexplóred. *part. pref.*

1. Not searched out.

Oh! say what stranger cause, yet *unexplored*,
Could make a gentle belle reject a lord?
Pope, Rape of the Lock, canto i.

2. Not tried; not known.

Under thy friendly conduct will I fly,
To regions *unexplored.* *Dryden.*

Unexpósed. *part. pref.* Not laid open to censure.

They will endeavour to diminish the honour of the best treatise, rather than suffer the little mistakes of the author to pass *unexposed.*—*Watts, On the Mind.*

Unexpréssible. *adj.* Incapable of being expressed.

What *unexpressible* comfort does overflow the pious soul, from a conscience of its own innocency!—*Archbishop Tillotson.*

Unexpréssive. *adj.*

1. Not having the power of uttering or expressing: (Johnson remarks, 'This is the natural and analogical signification').
2. Inexpressible; unutterable; ineffable; not to be expressed: (condemned by Johnson as 'improper and out of use').

Run, run, Orlando, carve on every tree
The fair, the chaste, and *unexpressive* she.
Shakespear, As you like it, iii. 2.

With nectar pure his oozy locks he laves,
And hears the *unexpressive*, nuptial song,
In the blest kingdoms meek, of joy and love.
Milton, Lycidas, 175.

The helmed cherubim,
And sworded seraphim,
Are seen in glitt'ring ranks with wings display'd,
Harping in loud and solemn quire,
With *unexpressive* notes to heaven's new-born heir.
Id., Odes, On the Morning of Christ's Nativity, 112.

Unexténded. *part. pref.* Occupying no assignable space; having no dimensions.

How inconceivable is it that a spiritual, i. e. an *unextended* substance, should represent to the mind an extended one, as a triangle!—*Locke.*

Unextínguishable. *adj.* Incapable of being extinguished; unquenchable; not to be put out.

Pain of *unextinguishable* fire
Must exercise us, without hope of end.
Milton, Paradise Lost, ii. 88.

What native, *unextinguishable* beauty must be impressed through the whole, which the defædation of so many parts by a bad printer, and a worse editor, could not hinder from shining forth!—*Bentley.*

Unextínguished. *part. pref.* Not quenched; not put out.

The souls, whom that unhappy flame invades,
Make endless moans, and, pining with desire,
Lament too late their *unextinguish'd* fire.
Dryden, Translation of the Æneid, vi. 593.

Unextórted. *part. pref.* Spontaneous.

The free *unextorted* addresses sent, some time before, from every part of the kingdom, plainly showed what sort of bent the people had taken, and from what motives.—*Swift, Examiner*, no. 22. (Ord MS.)

Unfáded. *part. pref.* Not withered.

A lovely flow'r,
Unfaded yet, but yet unfed below,
No more to mother earth or the green stem shall owe. *Dryden.*

Unfáding. *part. pref.* Not liable to wither.

For her th' *unfading* rose of Eden blooms,
And wings of seraphs shed divine perfumes.
Pope, Eloisa to Abelard.

Unfádingness. *s.* Attribute suggested by Unfading; quality of being unfading.

We consider the *unfadingness* of their [the Phœnicians'] purple.—*Pelwhele, History of Devonshire.*

He takes all believers into the partnership of this comfortable *unfailableness.*—*Bishop Hall, Remains*, p. 137.

Unfáiling. *part. pref.* Certain; not missing.

Nothing the united voice of all history proclaims so loud, as the certain, *unfailing* curse, that has pursued and overtook sacrilege.—*South, Sermons.*

Thou, secure of my *unfailing* word,
Compose thy swelling soul, and sheath the sword.
Dryden, Translation of the First Book of the Iliad, 322.

Unfáilingness. *s.* Attribute suggested by Unfailing; state of being unfailing.

We may be so much the more infallibly assured of the promised mercies of our God, by how much we do more know his *unfailingness*, his unchangeableness.—*Bishop Hall, Remains*, p. 272.

Unfaínting. *part. pref.* Not sinking; not drooping.

It is a frozen zeal that will not be warmed with the sight thereof [the holy sepulchre at Jerusalem.] And O, that I could retain the effects that it wrought with an *unfainting* perseverance!—*Sandys, Travels*, p. 167.

Unfaír. *adj.* Disingenuous; subdolous; not honest.

You come, like an *unfair* merchant, to charge me with being in your debt.—*Swift.*

Unfaírly. *adv.* In an unfair manner.

They act *unfairly*, that they may be sure to be sharp enough.—*Parnell, Remarks of Zoilus.*

Unfaírness. *s.* Attribute suggested by Unfair.

We shall make some remarks upon his ignorance and *unfairness* in several incidents that he has slid in by the by.—*Bentley, Phileleutherus Lipsiensis*, § 5.

Unfáithful. *adj.*

1. Perfidious; treacherous; deceptive.

If you break one jot of your promise, I will think you the most atheistical break-promise, and the most unworthy, that may be chosen out of the gross band of the *unfaithful.*—*Shakespear, As you like it*, iv. 1.

2. Impious; infidel.

Thence shall come
To judge the *unfaithful* dead; but to reward
His faithful, and receive them into bliss.
Milton, Paradise Lost, xii. 461.

Unfáithfully. *adv.* In an unfaithful manner; treacherously; perfidiously.

There is danger of being *unfaithfully* counselled; and more for the good of them that counsel, than for him that is counselled.—*Bacon.*

Unfáithfulness. *s.* Attribute suggested by Unfaithful; treachery; perfidiousness.

As the obscurity of what some writers deliver makes it very difficult to be understood; so the *unfaithfulness* of too many others makes it unfit to be relied on.—*Boyle.*

Unfalcáted. *part. pref.* Free from defalcation; not cut down; undiminished. *Rare.*

I am of opinion that a real *unfalcated* income of six hundred pounds a year, is a sufficient income for a country dean in this kingdom.—*Swift, On the Bill for Clerical Residences.* (Ord MS.)

Unfállowed. *part. pref.* Not fallowed.

Th' *unfallow'd* glebe
Yearly o'ercomes the granaries with stores
Of golden wheat. *J. Philips, Cyder*, i. 561.

Unfamíliar. *adj.* Unaccustomed; such as is not common.

The matters which we handle seem, by reason of newness, dark, intricate, *unfamiliar.*—*Hooker, Ecclesiastical Polity.*

Unfamiliárity. *s.* Quality of being unfamiliar.

What makes a word obsolete, more than general agreement to forbear it? and how shall it be continued when it conveys an offensive idea, or recalled again into the mouths of mankind when it has once become unfamiliar by disuse and unpleasing by *unfamiliarity?*—*Johnson, Preface to Dictionary.* (Ord MS.)

Unfáshionable. *adj.* Not modish; not according to the reigning custom.

A man writes good sense, but he has not a happy manner of expression. Perhaps he uses obsolete and *unfashionable* language.—*Watts, Logick.*

Unfáshionableness. *s.* Attribute suggested by Unfashionable.

Natural *unfashionableness* is much better than apish, affected postures.—*Locke.*

Unfáshionably. *adv.* In an unfashionable manner.

Deform'd, unfinish'd, sent before my time
Into this breathing world, scarce half made up;
And that so lamely and *unfashionably*,
That dogs bark at me.
Shakespear, Richard III. i. 1.

Unfáshioned. *part. pref.*

1. Not modified by art.

Mark but how terribly his eyes appear;
And yet there 's something roughly noble there;
Which, in *unfashion'd* nature, looks divine,
And, like a gem, does in the quarry shine.
Dryden, Conquest of Granada, iii. 1.

2. Having no regular form.

A lifeless lump, *unfashion'd*, and unframed,
Of jarring seeds, and justly chaos named.
Dryden, Translation from Ovid, Metamorphoses, b. i.

Unfásten. *v. a.* Loose; unfix.

He had no sooner *unfastened* his hold, but that a wave forcibly spoiled his weaker hand of hold.—*Sir P. Sidney.*

Then in the key-hole turns
The intricate wards, and every bolt and bar
Of massy iron, or solid rock, with ease
Unfastens. *Milton, Paradise Lost,* ii. 876.

Unfáthered. *part. pref.* Fatherless; having no father.

They do observe
Unfather'd heirs, and loathly births of nature.
Shakespear, Henry IV. Part I. iv. 4.

Unfátherly. *adj.* Wanting fatherly affection.

Nature, pulling at thy heart,
Condemns the *unfatherly,* the imprudent part.
Cowper, Tirocinium.

Unfáthomable. *adj.* Not to be sounded by a line; measured.

In the midst of the plain a beautiful lake, which the inhabitants thereabouts pretend is *unfathomable.*—*Addison.*

Unfáthomableness. *s.* Attribute suggested by Unfathomable; state or quality of being unfathomable.

A sufficient argument of the *unfathomableness* of this great dispensation of mercy, which can still find further employment for the study and curiosity even of angels.—*Norris, On the Beatitudes,* p. 133.

Unfáthomed. *part. pref.* Not to be sounded.

The Titan race
Here, singed with lightning, roll within the *unfathom'd* space.
Dryden, Translation of the Æneid, vi. 782.

Bacon speaks not *unfavourably* of this.—*Glanville.*

Unfávoured. *part. pref.* Not favoured.

There was a time when these *unfavoured* children of nature were the peculiar favourites of the great, and no prince or nobleman thought himself completely attended unless he had a dwarf among the number of his domestics.—*Goldsmith, Animated Nature,* ii. 25. (Ord MS.)

Unfeáred. *part. pref.*

1. Not affrighted; intrepid; not terrified. *Obsolete.*

Just men,
Though Heaven should speak with all his wrath at once,
That with his breath the hinges of the world
Did crack, we should stand upright and *unfear'd.*
B. Jonson, Catiline's Conspiracy, iv. 2.

2. Not dreaded; not regarded with terror

He,
A most unbounded tyrant, whose successes
Make heaven *unfear'd,* and villany assured
Beyond its power!
Beaumont and Fletcher, Two Noble Kinsmen.

The serpent
Not nocent yet, but on the grassy herb
Fearless, *unfear'd,* he slept.
Milton, Paradise Lost, ix. 185.

Unfeásible. *adj.* Impracticable.

I was brought to a despondency of spirit, and a despair of attaining to my search, as being fruitless and *unfeasible.*—*Bishop Richardson, On the Old Testament,* p. 313.

So hard, or rather so utterly *unfeasible* is it for men to be zealous votaries of the 'blind god,' without losing their eyes in his service.—*South, Sermons,* iii. 74.

Unfeáthered. *part. pref.* Destitute of feathers.

The mother nightingale laments alone;
Whose nest some prying churl had found; and thence
By stealth convey'd th' *unfeather'd* innocence.
Dryden, Translation of the Georgics, iv. 743.

Unfeátured. *part. pref.* Deformed; wanting regularity of feature.

Visage rough,
Deform'd, *unfeatured,* and a skin of buff.
Dryden, Translation of Juvenal, x. 307.

Unféd. *part. pref.* Not supplied with food.

Each bone might through his body well be read,
And every sinew seen through his long fast;
For nought he cared, his carcass long *unfed.*
Spenser, Faerie Queen.

Unfeéd. *part. pref.* Unpaid.

It is like the breath of an *unfeed* lawyer; you gave me nothing for 't.—*Shakespear, King Lear,* i. 4.

Unfeéling. *part. pref.* Insensible; void of mental sensibility.

Dull, *unfeeling,* barren ignorance
Is made my gaoler to attend on me.
Shakespear, Richard II. i. 3.

Unlucky Welsted! thy *unfeeling* master
The more thou ticklest, gripes his fist the faster.
Pope, Dunciad, ii. 209.

Unfeélingly. *adv.* In an unfeeling manner; without sensibility.

The German turned his head back, looked down upon the dwarf as Goliath did upon David, and *unfeelingly* resumed his posture.—*Sterne.*

Unfeélingness. *s.* Attribute suggested by Unfeeling; want of feeling.

With what flatness and *unfeelingness* has he spoken of statuary and painting!—*J. Warton, Essay on the Writings and Genius of Pope.*

Unfeígned. *part. pref.* Not counterfeited; not hypocritical; real; sincere.

Here I take the like *unfeigned* oath,
Never to marry her.
Shakespear, Taming of the Shrew, iv. 2.

Sorrow *unfeign'd,* and humiliation meek.
Milton, Paradise Lost, x. 1092.

Unfeígnedly. *adv.* In an unfeigned manner; really; sincerely; without hypocrisy.

He pardoneth all them that truly repent, and *unfeignedly* believe his holy gospel.—*Book of Common Prayer.*

To sever so *unfellowed* a pair.—*Archdeacon Arnway, Tablet of Moderation,* p. 16.

Unfélt. *part. pref.* Not felt; not perceived: (in the first extract with the *accent* on the *first syllable*).

All my treasury
Is yet but *unfelt* thanks, which, more enrich'd,
Shall be your love and labour's recompense.
Shakespear, Richard II. ii. 3.

Her looks infused
Sweetness into my heart *unfelt* before.
Milton, Paradise Lost, viii. 475.

'Tis pleasant safely to behold from shore
The rolling ships, and hear the tempest roar;
Not that another's pain is our delight,
But pains *unfelt* produce the pleasing sight.
Dryden, Translation from Lucretius, b. ii.

Unfénce. *v. a.* Take away a fence.

There is never a limb, never a vein or artery of the body, but it is the scene and receptacle of pain, whensoever it shall please God to *unfence* it, and let in some sharp disease or distemper upon it.—*South, Sermons.*

Unfénced. *part. adj.*

1. Naked of fortification.

I'd play incessantly upon these jades;
Even till *unfenced* desolation
Leave them as naked as the vulgar air.
Shakespear, King John, ii. 2.

2. Not surrounded by any enclosure.

Unferménted. *part. pref.* Not fermented.

All such vegetables must be *unfermented*; for fermentation changes their nature.—*Arbuthnot, On the Nature and Choice of Aliments.*

Unfértile. *adj.* Not fruitful; not prolific.

Peace is not such a dry tree, such a sapless, *unfertile* thing, but that it might fructify and increase.—*Dr. H. More, Decay of Christian Piety.*

Unfétter. *v. a.* Unchain; free from shackles.

Unfetter me with speed;
Vasquez, I see you troubled that I bleed.
Dryden, Indian Emperor, iv. 4.

This most useful principle may be *unfettered,* and restored to its native freedom of exercise.—*Addison, Spectator.*

Unfígured. *part. pref.*

2. In *Logic.* Not according to mood and figure.

Unfílial. *adj.* Unsuitable to a son.

You offer him a wrong
Something *unfilial.*
Shakespear, Winter's Tale, iv. 3.

Teach the people, that to hope for heaven is a mercenary, legal, and therefore *unfilial* affection.—*Boyle.*

Unfílled. *part. pref.* Not filled; not supplied.

Come not to table but when thy need invites thee; and if thou beest in health, leave something of thy appetite *unfilled.*—*Jeremy Taylor, Rule and Exercises of Holy Living.*

The throne of my forefathers
Still stands *unfill'd.* *Addison, Cato.*

Unfínished. *part. pref.* Incomplete; not brought to an end; not brought to perfection; imperfect; wanting the last hand.

Is it for that such outward ornament
Was lavish'd on their sex, that inward gifts
Were left for haste *unfinish'd?*
Milton, Samson Agonistes, 1025.

I did dedicate to you a very *unfinished* piece.—*Dryden.*

His hasty hand left his pictures so *unfinished,* that the beauty in the picture faded sooner than in the person after whom it was drawn.—*Spectator.*

This collection contains not only such pieces as come under our review, but many others, even *unfinished.*—*Swift.*

Unfírm. *adj.*

1. Weak; feeble.

Our fancies are more giddy and *unfirm*
Than women's are.
Shakespear, Twelfth Night, ii. 4.

So is the *unfirm* king
In three divided; and his coffers sound
With hollow poverty and emptiness.
Id., Henry IV. Part II. i. 3.

2. Not stable.

Take the time, while stagg'ring yet they stand,
With feet *unfirm,* and prepossess the strand.
Dryden, Translation of the Æneid, x. 396.

Unfít. *adj.*

1. Improper; unsuitable.

They easily perceive how *unfit* that were for the present, which was for the first age convenient enough.—*Hooker, Ecclesiastical Polity.*

Neither can I think you would impose upon me an *unfit* and over-ponderous argument.—*Milton, Tractate on Education.*

2. Unqualified.

Old as I am, for ladies' love *unfit,*
The power of beauty I remember yet.
Dryden, Cymon and Iphigenia, 1.

Unfít. *v. a.* Disqualify.

Those excellencies, as they qualified him for dominion, so they *unfitted* him for a satisfaction or acquiescence in his vassals.—*Dr. H. More, Government of the Tongue.*

Unfítly. *adv.* In an unfit manner; not properly; not suitably.

Others, reading to the church those books which the apostles wrote, are neither untruly nor *unfitly* said to preach.—*Hooker, Ecclesiastical Polity.*

Unfítness. *s.* Attribute suggested by Unfit.

1. Want of qualifications.

In setting down the form of common prayer, there was no need that the book should mention either the learning of a fit, or the *unfitness* of an ignorant minister.—*Hooker, Ecclesiastical Polity.*

It is looked upon as a great weakness, and *unfitness* for business, for a man to be so open, as really to think not only what he says, but what he swears.—*South, Sermons.*

2. Want of propriety.

Unfítting. *part. pref.* Not proper.

Although monosyllables, so rife in our tongue, are *unfitting* for verses, yet are they the most fit for expressing briefly the first conceits of the mind.—*Camden.*

Unfíx. *v. a.*

1. Loosen; make less fast.

Who can impress the forest, bid the tree
Unfix his earth-bound root?
Shakespear, Macbeth, iv. 1.

2. Make fluid.

Stiff with eternal ice, and hid in snow,
The mountain stands; nor can the rising sun
Unfix her frosts, and teach them how to run.
Dryden.

Unfíxed. *part. pref.*

1. Wandering; erratic; inconstant; vagrant.

So vast the noise, as if not fleets did join,
But lands *unfix'd,* and floating nations strove.
Dryden, Annus Mirabilis, lvii.

Her lovely looks a sprightly mind disclose,
Quick as her eyes, and *unfix'd* as those.
Pope, Rape of the Lock, canto ii.

2. Not determined.

Irresolute on which she should rely,
At last *unfix'd* in all, is only fix'd to die.
Dryden, Translation from Ovid, Cinyras and Myrrha.

Unfíxedness. *s.* Attribute suggested by Unfixed; state of being unfixed; power of roving at large.

To abide fixed, as it were, in their own *unfixedness*, and to be steady in their restless motions, doth it not argue a constant will directing them, and a mighty hand upholding them?—*Barrow, Sermons*, vol. ii. serm. vi.

Unflágging. *part. pref.* Maintaining spirit; not flagging; not drooping.

That which is carried on with a continued *unflagging* vigour of expression, can never be thought tedious.—*South, Sermons.*

Unfláttered. *part. pref.* Not flattered; not gratified with servile obsequiousness.

Time mocks our youth; and while we number past
Delights, and raise our appetite to taste
Ensuing, brings us to *unflatter'd* age.
Habington, Castara, p. 54.

Unfláttering. *part. pref.* Not concealing the truth; not gratifying with servile obsequiousness; sincere.

Then Aristides lifts his honest front,
Spotless of heart, to whom th' *unflatt'ring* voice
Of freedom gave the noblest name of Just.
Thomson, Seasons, Winter.

Unfledged. *part. pref.* Not yet having the full furniture of feathers; young; not completed by time; not having attained full growth.

The friends thou hast, and their adoption tried,
Grapple them to thy soul with hooks of steel:
But do not dull thy palm, with entertainment
Of each new-hatched *unfledged* comrade.
Shakespear, Hamlet, i. 3.

Unfledged actors learn to laugh and cry.
Dryden, Macflecnoe, 76.

These gentlemen are neither young officers, nor very young men. Had they belonged to the *unfledged* race of ensigns, who infest our streets, and dishonour our public places, it might perhaps be sufficient to send them back to that discipline, from which their parents, judging lightly from the maturity of their vices, had removed them too soon.—*Letters of Junius*, letter xliv.

Unfléshed. *part. pref.* Not fleshed; not seasoned to blood; raw.

Nature his limbs only for war made fit:
With some less foe thy *unflesh'd* valour try.
Cowley.

As a generous, *unflesh'd* hound, that hears
From far the hunter's horn and cheerful cry,
So will I haste. *Dryden, Cleomenes.*

Unflínching. *part. pref.* Not flinching; not shrinking.

We find, ... that the great enemy of Christianity was Marcus Aurelius, a man of kindly temper, and of fearless, *unflinching* honesty, but whose reign was characterized by a persecution from which he would have refrained had he been less in earnest about the religion of his fathers.—*Buckle, History of Civilization in England*, vol. i. ch. iv.

Unfoíled. *part. pref.* Unsubdued; not put to the worst.

The usurped powers thought themselves secure in the strength of an *unfoiled* army of sixty thousand men, and in a revenue proportionable.—*Sir W. Temple.*

Unfóld. *v. a.*

1. Expand; spread; open.

I saw on him rising
Out of the water, heaven above the clouds
Unfold her crystal doors; thence on his head
A perfect dove descend.
Milton, Paradise Regained, i. 80.

Sloth *unfolds* her arms, and wakes;
List'ning Envy drops her snakes.
Pope, Ode for St. Cecilia's Day.

2. Tell; declare.

What tidings with our cousin Buckingham?—
Such as my heart doth tremble to *unfold.*
Shakespear, Henry VI. Part II. ii. 1.

How comes it thus? *Unfold*, celestial guide!
Milton, Paradise Lost, xi. 785.

Things of deep sense we may in prose *unfold*;
But they move more in lofty numbers told. *Waller.*

3. Discover; reveal.

Time shall *unfold* what plaited cunning hides:
Who covers faults, at last with shame derides.
Shakespear, King Lear, i. 1.

[This] consideration *unfolds* the theory of microscopes and telescopes.—*Sir I. Newton, On Opticks.*

Unfoól. *v. a.* Restore from folly.

Have you any way to *unfool* me again?—*Shakespear, Merry Wives of Windsor*, iv. 2.

Unforbíd, Unforbídden. *part. pref.* Not prohibited.

If *unforbid* thou may'st unfold
What we, not to explore the secrets, ask
Of his eternal empire.
Milton, Paradise Lost, vii. 94.

These are the *unforbidden* trees; and here we may let loose the reins, and indulge our thoughts.—*Norris.*

A good man not only forbears those gratifications, which are forbidden by reason and religion, but even restrains himself in *unforbidden* instances.—*Bishop Atterbury.*

Unforbíddenness. *s.* Attribute suggested by Unforbidden; state of being unforbidden.

The bravery you are so severe to, is no where expressly prohibited in Scripture; and this *unforbiddenness* they think sufficient to evince, that the sumptuousness you condemn is not in its own nature sinful.—*Boyle.*

Unfórced. *part. pref.*

1. Not compelled; not constrained.

This gentle and *unforced* accord of Hamlet
Sits smiling to my heart. *Shakespear, Hamlet*, i. 2.

Unforced by punishment, unawed by fear;
His words were simple, and his soul sincere.
Dryden.

2. Not impelled; not externally urged.

No more can impure man retain and move
In that pure region of a worthy love,
Than earthly substance can, *unforced*, aspire,
And leave his nature, to converse with fire. *Donne.*

3. Not feigned; not artificially heightened.

Upon these tidings they broke forth into such *unforced* and unfeigned passions, as it plainly appeared that good-nature did work in them.—*Sir J. Hayward.*

4. Not violent; easy; gradual.

Windsor the next above the valley swells
Into my eye, and doth itself present
With such an easy and *unforced* ascent,
That no stupendous precipice denies
Access, no horror turns away our eyes.
Sir J. Denham, Cooper's Hill.

5. Not contrary to ease.

If one arm is stretched out, the body must be somewhat bowed on the opposite side, in a situation which is *unforced.*—*Dryden.*

Unfórcible. *adj.* Wanting strength.

The same reason which causeth to yield that they are of some force in the one, will constrain to acknowledge, that they are not in the other altogether *unforcible.*—*Hooker, Ecclesiastical Polity.*

Unforebóding. *part. pref.* Giving no omens.

Unnumber'd birds glide through the aerial way,
Vagrants of air, and *unforeboding* stray.
Pope, Translation of the Odyssey, ii. 211.

Unforeknówn. *part. pref.* Not foreseen by prescience.

It had no less proved certain, *unforeknown.*
Milton, Paradise Lost, iii. 119.

Unforeseéable. *adj.* Incapable of being foreseen.

By such unlikely and *unforeseeable* ways does Providence sometimes bring about its greatest designs, in opposition to the shrewdest conjectures and contrivances of men.—*South, Sermons.*

Unforeseén. *part. pref.* Not known before it happened.

Unforeseen, they say, is unprepared.
Dryden, Palamon and Arcite, ii. 74.

Unfóreskinned. *part. pref.* Circumcised.

Won by a Philistine from the *unforeskinn'd* race.
Milton, Samson Agonistes, 1100.

Unforewárned. *part. pref.* Not forewarned; not admonished beforehand.

This let him know,
Lest wilfully transgressing he pretend
Surprisal, unadmonish'd, *unforewarn'd.*
Milton, Paradise Lost, v. 243.

Unfórfeited. *part. pref.* Not forfeited.

This was the antient, and is yet the *unforfeited* glory of our religion.—*Rogers, Sermons.*

Unforgíving. *part. pref.* Relentless; implacable.

The sow with her broad snout for rooting up
Th' intrusted seed, was judged to spoil the crop;
The covetous churl, of *unforgiving* kind,
Th' offender to the bloody priest resign'd.
Dryden, Translation from Ovid, The Pythagorean Philosophy.

Unforgótten. *part. pref.* Not lost to memory.

The thankful remembrance of so great a benefit received, shall for ever remain *unforgotten.*—*Knolles, History of the Turks.*

Unfórmed. *part. pref.* Not modified into regular shape.

All putrefaction being a dissolution of the first form, is a mere confusion, and *unformed* mixture of the parts.—*Bacon.*

The same boldness discovers itself in the several adventures he meets with during his passage through the regions of *unformed* matter.—*Spectator.*

Unforsáken. *part. pref.* Not deserted.

They extend no farther to any sort of sins continued in or *unforsaken*, than as they are reconcileable with sincere endeavours to forsake them.—*Hammond, On Fundamentals.*

Unfórtified. *part. pref.*

1. Not secured by walls or bulwarks.

Their weak heads, like towns *unfortified*,
'Twixt sense and nonsense daily change their side.
Pope, Essay on Criticism, ii. 434.

2. Not strengthened; infirm; weak; feeble.

It shews a will most incorrect to heaven;
A heart *unfortified*, a mind impatient;
An understanding simple, and unschool'd.
Shakespear, Hamlet, i. 2.

3. Wanting securities.

They will not restrain a secret mischief, which, considering the *unfortified* state of mankind, is a great defect.—*Collier.*

Unfórtunate. *adj.* Not successful; unprosperous; wanting luck; unhappy: (it is used both of a train of events, as, an *unfortunate* life; or of a single event, as, an *unfuñate* expedition; or of persons, as, an *unfortunate* man; or an *unfortunate* commander).

Vindictive persons live the life of witches, who, as they are mischievous, end *unfortunate.*—*Bacon, Essays, Of Revenge.*

He that would hunt a hare with an elephant, is not *unfortunate* for missing the mark, but foolish for chusing such an unapt instrument.—*Jeremy Taylor.*

Unfórtunately. *adv.* In an unfortunate manner; unhappily; without good luck.

Unconsulting affection, *unfortunately* born to mewards, made Zelmane borrow so much of her natural modesty, as to leave her more decent raiments.—*Sir P. Sidney.*

She kept her countenance when the lid, removed,
Disclosed the heart *unfortunately* loved.
Dryden, Sigismonda and Guiscardo, 628.

Unfórtunateness. *adj.* Attribute suggested by Unfortunate; ill luck.

O me, the only subject of the destinies displeasure, whose greatest fortunateness is more unfortunate than my sister's greatest *unfortunateness.*—*Sir P. Sidney.*

Unfoúght. *part. pref.* Not fought.

They used such diligence in taking the passages, that it was not possible they should escape *unfought* with.—*Knolles, History of the Turks.*

Unfoúled. *adj.* Unpolluted; uncorrupted; not soiled.

The humour and tunicles are purely transparent, to let in light *unfouled* and unsophisticated by any tincture.—*Dr. H. More.*

Unfoúnd. *part. pref.* Not found; not met with.

Somewhat in her excelling all her kind,
Excited a desire till then unknown;
Somewhat *unfound*, or found in her alone.
Dryden, Cymon and Iphigenia, 136.

Unfoúnded. *part. pref.*

1. Void of foundation.

From them I go
This uncouth errand sole, and one for all
Myself expose, with lonely steps to tread
The *unfounded* deep.
Milton, Paradise Lost, ii. 826.

2. Without authority or foundation: (as, 'an *unfounded* report').

Unfrámable. *adj.* Incapable of being framed, shaped, or moulded.

The cause of their disposition, so *unframable* unto societies, wherein they live, is for that they discern not aright what force these laws ought to have.—*Hooker, Ecclesiastical Polity.*

Unfrámableness. *s.* Attribute suggested by Unframable; incapability of being framed; untractableness; aversion to be formed or moulded. *Rare.*

All those passages set forth the *unframableness* of our nature to the doing of anything that is good.—*Sanderson, Sermon*, p. 240: 1681.

Unfráme. *v. a.* Destroy the frame or construction of anything.

Then melt, melt, heart! in hot affection's flames,
If thou be not more hard than hardest stones;
For hearts, but of that temper she *unframes*
In fire of love, and makes them tender ones.
Sir J. Davies, Witte's Pilgrimage, sign. G. 4.

Sin has *unframed* the fabrick of the whole man.—*South, Sermons.*

A lifeless lump, unfashion'd and *unframed*,
Of jarring seeds, and justly chaos named.
Dryden, Translation of Ovid's Metamorphoses, b. i.

Unfraught. *part. pref.* Not having a freight.
Therefore for minds empty and *unfraught* with matter, and which have not gathered that which Cicero calleth sylva and supellex, stuff and variety, to begin with those arts, as if one should learn to weigh, or to measure, or to paint the wind, doth work but this effect, that the wisdom of those arts, which is great and universal, is almost made contemptible, and is degenerate into childish sophistry and ridiculous affectation.—*Bacon, Advancement of Learning*, b. ii. (Ord MS.)

Unfréquent. *adj.* Uncommon; not happening often.
Part thereof is visible unto any situation; but being only discoverable in the night, and when the air is clear, it becomes *unfrequent*.—*Sir T. Browne, Vulgar Errours.*

Unfrequént. *v. a.* Leave; cease to frequent: (condemned by Johnson as 'a *bad* word').
Glad to shun his hostile gripe,
They quit their thefts, and *unfrequent* the fields.
A. Philips.

Unfrequénted. *part. pref.* Rarely visited; rarely entered.
With what caution does the hen provide herself a nest in places *unfrequented*, and free from noise!—*Addison, Spectator.*

Unfréquently. *adv.* Not commonly.
They, like Judas, desire death, and not *unfrequently* pursue it.—*Sir T. Browne, Vulgar Errours.*

Unfríable. *adj.* Not easily crumbled.
The smooth surface, the elastic and *unfriable* nature of cartilage, render it of all substances the most proper for the place and purpose.—*Paley, Natural Theology*, ch. viii.

Unfriénded. *part. pref.* Wanting friends; uncountenanced; unsupported.
These parts to a stranger,
Unguided and *unfriended*, often prove
Rough and unhospitable.
Shakespear, Twelfth Night, iii. 3.

Unfriéndliness. *s.* Attribute suggested by Unfriendly.
You might be apt to look upon such disappointments as the effects of an *unfriendliness* in nature or fortune to your particular attempts.—*Boyle.*

Unfriéndly. *adj.* Not benevolent; not kind.
What signifies an *unfriendly* parent or brother?
'Tis friendship only that is the cement which effectively combines mankind.—*Dr. H. More, Government of the Tongue.*

Unfróck. *v. a.* Divest of a frock; especially when it is part of any official dress (e.g. that of a priest).
Another of her bishops she [Queen Elizabeth] threatened with an oath to *unfrock*; that was her majesty's own word.—*Bishop Hurd, Moral and Political Dialogues.*

Unfrúgal. *adj.* Other than frugal.
He was saving, and applied her fortune to pay John's clamorous lawsuit, that the *unfrugal* methods of his last wife, and this ruinous lawsuit, had brought him into.—*Arbuthnot, History of John Bull*, ch. x. (Ord MS.)

Unfruítful. *adj.* Not productive of fruit (either actual or figurative, i.e. in the sense of offspring or progeny).
The naked rocks are not *unfruitful* there;
Their barren tops with luscious food abound.
Waller.
Ah! hopeless, lasting flames! like those that burn
To light the dead, and warm th' *unfruitful* urn.
Pope, Eloisa to Abelard.

Unfruítfulness. *s.* Attribute suggested by Unfruitful; barrenness; infecundity.
Had God indulged man the liberty of using what creatures he pleased for his food, he might easily have made himself an amends for the *unfruitfulness* of the earth, by the many good things which nature had provided for him.—*Stackhouse, History of the Bible.*

Unfrústrable. *adj.* Incapable of being, not liable to be, frustrated. *Rare.*
It must be effected by the *unfrustrable* and irresistible operation of God.—*Edwards, Doctrine of Grace*, p. 304: 1759.

Nor are thy lips *ungraceful*, sire of men.
Milton, Paradise Lost, viii. 217.
He enjoyed the greatest strength of good sense, and the most exquisite taste of politeness. Without the first learning is but an incumbrance; and without the last is *ungraceful*.—*Addison.*

Ungrácefulness. *s.* Attribute suggested by Ungraceful.
To attempt the putting another genius upon him will be labour in vain; and what is so plastered on will have always hanging to it the *ungracefulness* of constraint.—*Locke.*

Ungrácious. *adj.*
1. Wicked; odious; hateful.
He, catching hold of her *ungracious* tongue,
Thereon an iron lock did fasten firm and strong.
Spenser.
To the gods alone
Our future offspring and our wives are known;
The audacious strumpet, and *ungracious* son.
Dryden, Translation of Juvenal, x. 543.
2. Offensive; unpleasing.
Show me no parts which are *ungracious* to the sight, as all pre-shortenings usually are.—*Dryden.*

Impertinent and *ungrate* must that superstition be.—*Jeremy Taylor, Artificial Handsomeness*, p. 46.

Ungráteful. *adj.*
1. Making no returns, or making ill returns, for kindness.
No person is remarkably *ungrateful*, who was not also insufferably proud.—*South, Sermons.*
2. Making no returns for culture.
Most when driv'n by winds, the flaming storm
Of the long files destroys the beauteous form;
In ashes then th' unhappy vineyard lies,
Nor will the blasted plants from ruin rise;
Nor will the wither'd stock be green again;
But the wild olive shoots, and shades th' *ungrateful* plain.
Dryden, Translation of the Georgics, ii. 422.
3. Unpleasing; unacceptable.
It cannot be *ungrateful*, or without some pleasure to posterity, to see the most exact relation of an action so full of danger.—*Lord Clarendon, History of the Grand Rebellion.*
What is in itself harsh and *ungrateful*, must make harsh and *ungrateful* impressions upon us.—*Bishop Atterbury.*

Ungrátefully. *adv.* In an ungrateful manner.
1. With ingratitude.
When call'd to distant war,
His vanquish'd heart remain'd a victim here:
Oriana's eyes that glorious conquest made;
Nor was his love *ungratefully* repaid. *Granville.*
2. Unacceptably; unpleasingly.

Ungrátefulness. *s.* Attribute suggested by Ungrateful.
1. Ingratitude; ill return for good.
Can I, without the detestable stain of *ungratefulness*, abstain from loving him, who, far exceeding the beautifulness of his shape with the beautifulness of his mind, is content so to abase himself as to become Dametas's servant for my sake?—*Sir P. Sidney.*
2. Unacceptableness; unpleasing quality.

Ungrátified. *part. pref.* Not gratified; not compensated.
I should turn thee away *ungratified*
For all thy former kindness.
Beaumont and Fletcher, Honest Man's Fortune.

His present portance
Gibingly, and *ungravely*, he did fashion.
Shakespear, Coriolanus, ii. 3.

Ungroúnded. *part. pref.* Having no foundation.
This is a confidence the most *ungrounded* and irrational. For upon what ground can a man promise himself a future repentance, who cannot promise himself a futurity?—*South, Sermons.*

Ungroúndedness. *s.* Attribute suggested by Ungrounded; instability; want of foundation.
The folly and *ungroundedness* of this opinion is obvious.—*Steele, On Old Age*, p. 284: 1688.

Ungrúdging. *part. pref.* Liberal; bountiful.

Ungrúdgingly. *adv.* In an ungrudging manner; without ill will; willingly; heartily; cheerfully.
If, when all his art and time is spent,
He say 't will ne'er be found, yet be content;
Receive from him the doom *ungrudgingly*,
Because he is the mouth of destiny. *Donne.*

Unguárded. *part. pref.*
1. Undefended.
Proud art thou met? Thy hope was to have reach'd
The throne of God *unguarded*, and his side
Abandon'd. *Milton, Paradise Lost*, vi. 132.
No door there was th' *unguarded* house to keep,
On creaking hinges turn'd, to break his sleep.
Dryden, Translation from Ovid, House of Sleep.
2. Careless; negligent; not attentive to danger.
All the evils that proceed from an untied tongue, and an *unguarded*, unlimited will, we put upon the accounts of drunkenness.—*Jeremy Taylor.*
Every *unguarded* word uttered by him was noted down.—*Macaulay, History of England*, ch. vii.

Unguárdedly. *adv.* In an unguarded manner; for want of guard.
If you find that you have a hastiness in your temper, which *unguardedly* breaks out into indiscreet sallies, watch.—*Lord Chesterfield.*

Únguent. *s.* [Lat. *unguentum*; *unguo* = I anoint.] Ointment.
Pre-occupation of mind ever requireth preface of speech, like a fomentation to make the *unguent* enter.—*Bacon.*

In forms imaginary, th' *unguided* days
And rotten times that you shall look upon,
When I am sleeping with my ancestors.
Shakespear, Henry IV. Part II. iv. 4.
They resolve all into the accidental, *unguided* motions of blind matter.—*Locke.*

Unguílty. *adj.* Innocent; not guilty; not stained with guilt.
Ne her *unguilty* age
Did weene unwares, that her unlucky lot
Lay hidden in the bottom of the pot.
Spenser, Faerie Queen.
Soft pity in thy breast revive to-day,
By this *unguilty* blood, goddess divine!
Sir R. Fanshawe, Translation of Guarini's Pastor Fido, p. 167.
Like Phalaris's bull, questioning none but *unguilty*, making all guilty whom it questions, and saying, Let us oppress the poor righteous man.—*Archdeacon Arnway, Tablet of Moderation*, p. 7.

Úngulate. *adj.* [Lat. *ungula* = hoof.] In *Zoology*. Having hoofs: (the Latin *Ungulata*, is the name of that division of the mammalia in which the extremities are armed with a hoof (*ungula*), as opposed to a claw (*unguicula*); whence *Unguiculata* and *unguiculate*: (used *substantivally* in the extract).
Deer are the only *ungulates* that annually shed their horns.—*Owen, Anatomy of Vertebrates.*

Unhábile. *adj.* [Lat. *habilis* = fit, adapted to.] Unfit. *Rare.*
If irregularity be ipso facto incurred, the offending person is bound in conscience not to accept a benefice or execute an office to which by that censure he is made *unhabile* and unapt.—*Jeremy Taylor, Ductor Dubitantium.* (Ord MS.)

Unhábitable. *adj.* Not capable to support inhabitants; uninhabitable: (this latter being the *commoner* form).
Though the course of the sun be curbed between the tropicks, yet are not those parts directly subject to his perpendicular beams *unhabitable*, or extremely hot.—*Ray.*

Unhácked. *part. pref.* Not cut; not hewn; not notched with cuts.
With a blessed and unvex'd retire,
With *unhack'd* swords, and helmets all-unbruised,
We will bear home that lusty blood again.
Shakespear, King John, ii. 1.

Unhácknied. *part. pref.* Not worn out by use and repetition.
The mode is so fresh and *unhacknied*, that it is likely . . . to be popular.—*Times Newspaper*, July 14, 1869.

Unhállow. *v. a.* Deprive of holiness; profane; desecrate.
The vanity *unhallows* the virtue.—*Sir R. L'Estrange.*
This one use left such an indelible sacredness upon them, that the impiety of the design could be no sufficient reason to *unhallow* and degrade them to common use.—*South, Sermons.*

Unhállowed. *part. pref.* Unholy; profane.
Thy currish spirit
Govern'd a wolf, who, hang'd for human slaughter,
Ev'n from the gallows did his fell soul fleet,
And while thou lay'st in thy *unhallow'd* dam
Infused itself in thee.
Shakespear, Merchant of Venice, iv. 1.
Here cease thy flight, nor with *unhallow'd* lays
Touch the fair fame of Albion's golden days.
Pope, Windsor Forest.

Unhánd. *v. a.* Loose from the hand.
Still am I call'd; *unhand* me, gentlemen.

1. Ungraceful; not beautiful.

I was glad I had done so good a deed for a gentlewoman not *unhandsome*, whom before I had in like sort helped.—*Sir P. Sidney.*

She that so far the rest outshined;
Sylvia the fair, while she was kind,
Seems only not *unhandsome* now. *Waller.*

2. Illiberal; disingenuous.

It is proper and proportionate to our state, and o our necessity, to beg of God pardon for the imperfection of our repentance, acceptance of our weaker sorrows, supplies out of the treasures of his grace and mercy; and thus repenting of the evil and *unhandsome* adherencies of our repentance, in the whole integrity of the duty, it will become a repentance not to be repented of.—*Jeremy Taylor, Rule and Exercises of holy Dying*, ch. iv. § 6.

Unhándsomely. *adv.* In an unhandsome manner.

1. Inelegantly; ungracefully.

The ruined churches are so *unhandsomely* patched and thatched, that men do even shun the places for the uncomeliness thereof.—*Spenser, View of the State of Ireland.*

2. Disingenuously; illiberally.

He raves, sir; and, to cover my disdain,
Unhandsomely would his denial feign.
Dryden, Tyrannick Love, iv. 1.

Unhándsomeness. *s.* Attribute suggested by Unhandsome.

1. Want of beauty.

The sweetness of her countenance did give such a grace to what she did, that it did make handsome the *unhandsomeness* of it; and make the eye force the mind to believe, that there was a praise in that unskilfulness.—*Sir P. Sidney.*

2. Want of elegance.

Be not troublesome to thyself, or to others, by *unhandsomeness* or uncleanness.—*Jeremy Taylor.*

3. Illiberalness; disingenuity.

1. Profane; not hallowed.

Doth it follow that all things now in the church are *unholy*, which the Lord hath not himself precisely instituted?—*Hooker, Ecclesiastical Polity.*

From the paradise of God,
Without remorse, drive out the sinful pair,
From hallow'd ground the *unholy*.
Milton, Paradise Lost, vii. 104.

2. Impious; wicked.

We think not ourselves the holier, because we use it; so neither should they with whom no such thing is in use, think us therefore *unholy*, because we submit ourselves unto that, which in a matter so indifferent, the wisdom of authority and law have thought comely.—*Hooker, Ecclesiastical Polity.*

Far other dreams my erring soul employ;
Far other raptures of *unholy* joy.
Pope, Eloisa to Abelard.

Unhónest. *adj.* Dishonourable; dishonest.

Honest things be known from *unhonest* things.—*Ascham, Toxophilus*, b. i.

Nothing thou hast done brave, but like a thief,—
Nothing thou canst deserve, thou art *unhonest*.
Beaumont and Fletcher, Island Princess.

Unhónourably. *adv.* In a disrespectful manner; without due honour.

Libertie in speaking should be so mingled with good will and discretion, as no great person should be *unhonourably* spoken uppon, or any mean man touched out of order either for sport or spite.—*Roger Ascham*, p. 39.

Unhónoured. *part. pref.*

1. Not regarded with veneration; not celebrated.

Pales *unhonour'd*, Ceres unemploy'd,
Were all forgot. *Dryden.*

Unhonoured though I am, at least, said she,
Not unrevenged that impious act shall be.
Id., Translation from Ovid, Story of Meleager and Atalanta.

And fight on foot, their honour to regain.
Dryden, Palamon and Arcite, iii. 514.

Unhóspitable. *adj.* Affording no kindness or entertainment to strangers; cruel; barbarous: (Inhospitable *commoner*).

The cruel nation, covetous of prey,
Stain'd with my blood the *unhospitable* coast.
Dryden, Translation of the Æneid, vi. 491.

Unhóstile. *adj.* Not belonging to an enemy.

The high prancing steeds
Spurn their dismounted riders; they expire
Indignant, by *unhostile* wounds destroy'd.
A. Philips.

Unhoúse. *v. a.* Drive from the habitation.

Seek true religion: O where? Mirréus!
Thinking her *unhoused* here, and fled from us,
Seek her at Rome. *Donne.*

Death unawares with his cold, kind embrace,
Unhoused thy virgin soul from her fair biding place.
Milton, Ode on the Death of a Fair Infant, 20.

Unhoúsed. *part. pref.*

1. Homeless; wanting a house.

Call the creatures,
Whose naked natures live in all the spight
Of wreakful heaven; whose bare, *unhoused* trunks,
To the conflictiny elements exposed,
Answer mere nature.
Shakespear, Timon of Athens, iv. 3.

2. Having no settled habitation.

But that I love the gentle Desdemona,
I would not my *unhoused*, free condition
Put into circumscription and confine.
Shakespear, Othello, i. 2.

Unhoúseled. *part. pref.* Having not the sacrament.

Thus was I, sleeping, by a brother's hand,
Of life, of crown, of queen at once dispatch'd;
Cut off even in the blossoms of my sin,
Unhousel'd, disappointed, unaneled.
Shakespear, Hamlet, i. 5.

Unhúman. *adj.* Inhuman. *Rare.*

Unhuman and remorseless cruelty, shown in the spoil and waste they had made upon all nations round about them for the propagation of their empire, which they were still enlarging as their desires, and their desires as hell.—*South, Sermons*, xi. 39.

Unhúmbled. *part. pref.* Not humbled; not touched with shame or confusion.

Should I of these the liberty regard,
Who, freed as to their ancient patrimony,
Unhumbled, unrepented, unreformed,
Headlong would follow.
Milton, Paradise Regained, iii. 427.

Unhúrt. *part. pref.* Free from harm.

Of fifteen hundred, eight hundred were slain in the field; and of the remaining seven hundred, two men only came off unhurt.—*Bacon, Considerations touching a War with Spain.*

In foreign lands and climes remote,
Supported by thy care,
Through burning climes I pass'd *unhurt*,
And breathed in tainted air. *Addison.*

Unhúrtful. *adj.* Innoxious; harmless; doing no harm.

You hope the duke will return no more, or you imagine me too *unhurtful* an opposite.—*Shakespear, Measure for Measure*, iii. 2.

Unhúrtfully. *adv.* In an unhurtful manner; without harm; innoxiously.

We laugh at others as innocently and as *unhurtfully* as at ourselves.—*Pope, Letter to Swift.*

Unhúsbanded. *part. pref.* Deprived of care or cultivation; neglected.

With hanging heads I have beheld
A widow vine stand in a naked field,
Unhusbanded, neglected, all forlorn.
Browne, Britannia's Pastorals, b. ii. song v.

The most part of the land, at this day, lies unpeopled and *unhusbanded*.—*Dr. Westfeild, Sermon*, p. 148: 1646.

Unhúsked. *part. adj.* Freed from the husk.

Could no *unhusked* acorne leave the tree,
But there was challenge made whose it might be.
Bishop Hall, Satires, iii. 1.

Unhúsking. *verbal abs.* Process of freeing corn, or other grain, from the husk.

Captain Cook was desired to inform himself of some Turkey or East India merchants of the way used by them for the *unhusking* of rice.—*Proceedings of the Royal Society, Birch*, ii. p. 78. (Ord MS.)

Únicorn. *s.* [Lat. *unicornis* = having one horn; *unus* = one + *cornu* = horn.] Beast, whether real or fabulous, that has only one horn: (the nearest approach to this is the Narwhal, where, however, the so-called horn is a tooth).

Unicorns may be betray'd with trees,
Bears with glasses, men with flatterers.
Shakespear, Julius Cæsar, ii. 1.

It is not of consequence, that because Dioscorides hath made no mention of *unicorn's* horn, there is therefore no such thing in nature.—*Sir T. Browne, Vulgar Errours.*

Will the fierce *unicorn* thy voice obey,
Stand at the crib, and feed upon the hay?
Sandys, Paraphrase of Job.

Used *adjectivally*.

Nature in cornigerous animals hath placed the horns inverted upwards, as in the rhinoceros, Indian ass, and *unicorn* beetles.—*Sir T. Browne, Vulgar Errours.*

Of the *unicorn* bird, the principal marks are these: headed and footed like the dunghill cock, tailed like a goose, horned on his forehead, with some likeness, as the unicorn is pictured; spurred on his wings, bigger than a swan.—*Grew.*

Unidéal. *adj.* Not ideal; real.

Some will be discovered at a window by the road side, rejoicing when a new cloud of dust gathers toward them, as at the approach of a momentary supply of conversation, and a short relief from the tediousness of *unideal* vacancy.—*Johnson, Rambler*, no. 135.

Unídle. *adj.* Active. *Rare.*

For me, I do nature *unidle* know.
Sir P. Sidney, Astrophel and Stella, 26. (Trench.)

Úniform. *adj.* [Lat. *unus* = one + *forma* = form.]

1. Keeping its tenor; similar to itself.

Though when confusedly mingled, as in this stratum, it may put on a face never so *uniform* and alike, yet it is in reality very different.—*Woodward.*

2. Conforming to one rule; acting in the same manner; agreeing with each other.

The only doubt is about the manner of their unity, how far churches are bound to be *uniform* in their ceremonies, and what way they ought to take for that purpose.—*Hooker, Ecclesiastical Polity.*

Numbers, being neither *uniform* in their designs, nor direct in their views, neither could manage nor maintain the power they got.—*Swift.*

Úniform. *s.* Dress, or livery, worn as a mark of belonging to a certain class, or order; especially by soldiers and sailors in the army and navy.

'Why did you not communicate this fact to me this morning, sir?' ... 'Because, sir,' replied Mr. Winkle, who had had time to deliberate upon his answer, 'because, sir, you described an intoxicated and ungentlemanly person as wearing a coat which I have the honour, not only to wear, but to have invented—the proposed *uniform*, sir, of the Pickwick Club in London. The honour of that *uniform* I feel bound to maintain, and I therefore, without inquiry, accepted the challenge which you offered me.'—*Dickens, Pickwick Papers*, ch. ii.

Primby was wearing a rose in his button-hole, when Pannikin came up to him. 'Uniform, Mr. Primby, hem! Always wear *uniform*, hem!'—'Sir?' said Primby, rather loftily, drawing himself up, and glancing at what he considered his unexceptionable attire.—'Roses, eh, Mr. Primby? not *uniform*, hem!' The mistake, ... caused a feud between him and Pannikin, which was never properly made up. And this, Lord Clarion used to call the 'War of the Roses.'—*Hannay, Singleton Fontenoy.*

Uniformitárian. *adj.* Term applied to the doctrine (in Geology) of Uniformity of action, as opposed to Catastrophes.

(See under next entry; also under Catastrophe 3, and Catastrophist.)

Uniformitárian. *s.* Advocate of the uniformitarian doctrine.

The course of things is uniform, to an intelligence which can embrace the succession of several cycles, but it is catastrophic to the contemplation of man, whose survey can grasp a part only of one cycle. And thus the hypothesis of *uniformity*, since it cannot exclude degrees of change, nor limit the range of these degrees, nor define the interval of their recurrence, cannot possess any essential simplicity which, previous to inquiry, gives it a claim upon our assent superior to that of the opposite catastrophic hypothesis. *Uniformitarian* arguments are negative only. There is an opposite tendency in the mode of maintaining the catastrophist and the *uniformitarian* opinions, which depends upon their fundamental principles, and shows itself in all the controversies between them. The Catastrophist is affirmative, the *Uniformitarian* is negative in his assertions: the former is constantly attempting to construct a theory; the latter delights in demolishing all theories.—*Whewell, History of Scientific Ideas*, vol. ii. p. 289: ed. 1858.

Unifórmity. *s.* [Fr. *uniformité*.]

1. Resemblance to itself; even tenor.

There is no *uniformity* in the design of Spenser; he aims at the accomplishment of no one action.—*Dryden.*

Queen Elizabeth was remarkable for that steadiness and *uniformity* which ran through all her actions.—*Addison.*

2. Conformity to one pattern; resemblance of one to another.

The unity of that visible body and church of Christ, consisteth in that *uniformity*, which all the several persons thereunto belonging have, by reason of that one Lord, whose servants they all profess themselves; that one faith which they all acknowledge; that one baptism wherewith they are all initiated.—*Hooker, Ecclesiastical Polity.*

The inferiority of evidence ... which attaches to this class of laws, is trifling compared with that which is inherent in *uniformities* not known to be laws of causation at all.... These are empirical laws in a more emphatic sense; and when I employ that term (except where the context manifestly indicates the reverse) I shall generally mean to designate those *uniformities* only, whether of succession or of coexistence, which are not known to be laws of causation.—*J. S. Mill, System of Logic*, iii. xvi. § 7.

Úniformly. *adv.* In a uniform manner.

1. Without variation; in an even tenor.

That faith received from the apostles, the church, though dispersed throughout the world, doth notwithstanding keep as safe as if it dwelt within the walls of some one house, and as *uniformly* hold, as if it had but one only heart and soul.—*Hooker, Ecclesiastical Polity.*

2. Without diversity of one from another.

Unificátion. *s.* Reduction to unity or uniformity.

All we have here to note is the interdependence and *unification* of functions that naturally follow the differentiation of them.—*Herbert Spencer, Inductions of Biology*, § 308.

Únify. *v. a.* Reduce to unity, or uniformity.

Unigéniture. *s.* [Lat. *genitus* = begotten.] State of being the only begotten.

As primogeniture consisteth in prelation, so *unigeniture* in exclusion.—*Bishop Pearson, Exposition of the Creed*, art. ii.

Unimáginable. *adj.* Incapable of being, not to be imagined by the fancy; not to be conceived.

Things to their thought
So *unimaginable*, as hate in heaven.
Milton, Paradise Lost, vii. 53.

An infinite succession of the generations of men, without any permanent foundation, is utterly *unimaginable.—Archbishop Tillotson.*

Unimáginably. *adv.* In an unimaginable manner; to a degree not to be imagined.

Little commissures, where they adhere, may not be porous enough to be pervious to the *unimaginably* subtle corpuscles that make up the beams of light.—*Boyle.*

Unímitable. *adj.* Inimitable.

Both these are *unimitable.—T. Burnet, Theory of the Earth.*

Unimmórtal. *adj.* Not immortal; mortal.

They betook them several ways,
Both to destroy, or *unimmortal* make
All kinds. *Milton, Paradise Lost*, x. 610.

Unimpáirable. *adj.* Incapable of being impaired; not liable to waste or diminution.

If the superior be *unimpairable*, it is a strong presumption that the inferiors are likewise unimpaired.—*Hakewill, Apology.*

Unimpássioned. *part. pref.* Innocent; quiet; not endowed with passions.

Anselm's was passive courage, Anselm's was gentle endurance; but as unyielding, as impregnable, as that of Lanfranc, even of Hildebrand himself. No one concession could be wrung from him of property, of right, or of immunity belonging to his Church. He was a man whom no humiliation could humble: privation, even pain, he bore not only with the patience but with the joy of a monk. He was exiled: he returned the same meek, unoffending, *unimpassioned* man.—*Milman, History of Latin Christianity*, b. viii. ch. viii.

Unimpeáchable. *adj.* Incapable of being impeached; not accusable; not to be charged.

Hence merchants, *unimpeachable* of sin
Against the charities of domestic life,
Incorporated, seem at once to lose
Their nature. *Cowper, Task*, b. iv.

Unimplóred. *part. pref.* Not solicited with importunity.

If answerable stile I can obtain
Of my celestial patroness, who deigns
Her nightly visitation *unimplored.*
Milton, Paradise Lost, ix. 20.

Unimpórtance. *s.* Want of importance.

By such acts of voluntary delusion does every man endeavour to conceal his own *unimportance* from himself.—*Johnson, Rambler*, no. 146.

Unimpórtant. *adj.*

1. Not momentous.

The attention is wasted on things either frivolous or *unimportant.—Bishop Hurd.*

2. Assuming no airs of dignity.

A free, *unimportant*, natural, easy manner; diverting others just as we diverted ourselves.—*Pope, Letter to Swift.*

Unimpórting. *part. pref.* Not having import; not being of importance. *Rare.*

These conclusions are many, and *unimporting* (upon necessity) to salvation either way.—*Bishop Hall, Works*, vol. ii. p. 309: ed. 1661.

However he be a great lover of constancy, yet upon better reason he can change his mind in some litigious and *unimporting* truths; and can be silent where he must dissent.—*Id., The Christian*, § 7.

Unimportúned. *part. pref.* Not solicited; not teased to compliance.

Whoever ran
To danger *unimportuned*, he was then
No better than a sanguine, virtuous man. *Donne.*

Unimpósing. *part. pref.* Not enjoined as obligatory; voluntary.

Beauteous order reigns,
Manly submission, *unimposing* toil.
Thomson, Liberty, pt. v.

Unimpróvable. *adj.* Incapable of being improved.

The principal faculty in such is *unimprovable.—Hammond, Works*, iv. 557.

The divine nature and beatitude can no more admit of any addition to it, than we can add degrees to infinity, new measures to immensity, and further improvements to a boundless, absolute, *unimprovable* perfection.—*South, Sermons*, vol. iii. serm. i.

Unimpróvableness. *s.* Attribute suggested by Unimprovable.

This must be imputed to their ignorance and *unimprovableness* in knowledge, being generally without literature.—*Hammond.*

Unimpróved. *part. pref.* Not made better.

Shallow, *unimproved* intellects, are confident pretenders to certainty.—*Glanville.*

Young Fortinbras,
Of *unimproved* mettle hot and full.
Shakespear, Hamlet, i. 1.

Unimpróving. *part. pref.* Having no tendency to cause improvement; more bad than good.

Under such a tutor, Mr. Savage was not likely to learn prudence or frugality; and perhaps many of the misfortunes which the want of these virtues brought upon him in the following parts of his life, might be justly imputed to so *unimproving* an example.—*Johnson, Lives of the Poets, Savage.* (Ord MS.)

Unincreásable. *adj.* Incapable of being increased. *Rare.*

That love, which ought to be appropriated to God, results chiefly from an altogether, or almost *unincreasable* elevation and vastness of affection.—*Boyle.*

Unindífferent. *adj.* Partial; leaning to a side.

His opinion touching the catholick church was as *unindifferent* as, touching our church, the opinion of them that favour this pretended reformation is.—*Hooker, Ecclesiastical Polity.*

Unindústrious. *adj.* Not diligent; not laborious.

Pride we cannot think so sluggish or *unindustrious* an agent, as not to find out expedients for its purpose.—*Dr. H. More, Decay of Christian Piety.*

Uninfécted. *part. pref.* Not infected.

By this means all the outed ministers would be again employed, and kept from going round the *uninfected* parts of the kingdom.—*Bishop Burnet, History of his Own Time, Charles II.*

They are content with their country, and faithful to their chiefs, and yet *uninfected* with the fever of migration.—*Johnson, Journey to the Western Islands of Scotland.*

Uninflámed. *part. pref.* Not set on fire.

When weak bodies come to be inflamed, they gather a much greater heat than others have *uninflamed.—Bacon.*

Uninflámmable. *adj.* Incapable of being inflamed, or set on fire (either actually or figuratively).

The *uninflammable* spirit of such concretes may be pretended to be but a mixture of phlegm and salt.—*Boyle.*

Uninfluenced. *part. pref.* Not influenced; not prejudiced.

If those elections are *uninfluenced* and free.—*Lord Lyttelton.*

Moderately instructed in the principles of criticism, and *uninfluenced* in the present debate by interest or passion.—*Porson, Letter to Travis*, p. 142.

Uninfórmed. *part. pref.*

1. Untaught; uninstructed.

Nor *uninform'd*
Of nuptial sanctity, and marriage rites.
Milton, Paradise Lost, viii. 486.

No *uninformed* minds can represent virtue so noble to us, that we necessarily add splendour to her.—*Pope.*

2. Unanimated; not enlivened.

The Picts, though never so beautiful, have dead *uninformed* countenances.—*Spectator*, no. 41.

Uningénious. *adj.* Not ingenious; stupid.

Uningenious paradoxes, and reveries without imagination.—*Burke, Observations on a late State of the Nation*: 1769.

Uningénuous. *adj.* Illiberal; disingenuous.

Did men know how to distinguish between reports and certainties, this stratagem would be as unskilful as it is *uningenuous.—Dr. H. More, Decay of Christian Piety.*

Uninhábitable. *adj.* Incapable of being inhabited.

If there be any place upon earth of that nature that paradise had, the same must be found within that supposed *uninhabitable* burnt zone, or within the tropicks.—*Sir W. Raleigh.*

Uninhábitableness. *s.* Attribute suggested by Uninhabitable; incapacity of being inhabited.

Divers radicated opinions, such as that of the *uninhabitableness* of the torrid zone, of the solidity of the celestial part of the world, are generally grown out of request.—*Boyle.*

Uninhábited. *part. pref.* Having no dwellers.

The whole island is now *uninhabited.—Sandys.*

I cast anchor on the leeside of the island, which seemed to be *uninhabited.—Swift.*

Uninjured. *part. pref.* Unhurt; suffering no harm.

You may as well spread out the unsunn'd heaps
Of misers' treasure by an outlaw's den,
And tell me it is safe, as bid me hope
Danger will let an helpless maiden pass
Uninjured in this wild, surrounding waste.
Milton, Comus, 99.

Uninquísitive. *adj.* Not curious to know; not inquisitive; not prying.

Of those who participate in your councils have I many times heard, not *uninquisitive*, I acknowledge, how attentively you revolve things propounded.—*Sir H. Wotton, Remains*, p. 153.

Uninscríbed. *part. pref.* Having no inscription.

Make sacred Charles's tomb for ever known;
Obscure the place, and *uninscribed* the stone.
Oh fact accurst! *Pope, Windsor Forest.*

Uninspíred. *part. pref.* Not having received any supernatural instruction or illumination.

My pastoral muse her humble tribute brings,
And yet not wholly *uninspired* she sings.
Dryden, Translation of Virgil's Eclogues, vi. 9.

Uninstrúcted. *part. pref.* Not taught; not helped by instruction.

That fool intrudes, raw in this great affair,
And *uninstructed* how to stem the tide. *Dryden.*

It is an unspeakable blessing to be born in those parts where wisdom flourishes, though there are even in these parts several poor, *uninstructed* persons.—*Addison.*

Uninstrúctive. *adj.* Not conferring any improvement.

Were not men of abilities thus communicative, their wisdom would be in a great measure useless, and their experience *uninstructive.—Addison.*

Unintélligent. *adj.* Not having intelligence; not knowing; not having any consciousness.

We will give you sleepy drinks, that your senses may be *unintelligent* of our insufficience.—*Shakespear, Winter's Tale*, i. 1.

This conclusion, if men allowed of, they would not destroy ill-formed productions. Aye, but these monsters. Let them be so; what will your drivelling, *unintelligent*, unattractable changeling be?—*Locke.*

Unintelligibility. *s.* Quality of not being intelligible.

Credit the *unintelligibility* of this union and motion.—*Granville.*

Dissonant hubbub there is; jargon as of Babel, in

the hour when they were first smitten (as here) with mutual *unintelligibility*, and the people had not yet dispersed!—*Carlyle, The French Revolution*, pt. i. b. iii. ch. viii.

Unintélligible. *adj.* Incapable of being understood.

Did Thetis
These arms thus labour'd for her son prepare;
For that dull soul to stare with stupid eyes,
On the learn'd *unintelligible* prize?
Dryden, Translation from Ovid, Contention of Ajax and Ulysses.

The Latin, three hundred years before Tully, was as *unintelligible* in his time as the English and French of the same period are now.—*Swift.*

Unintélligibleness. *s.* Attribute suggested by Unintelligible; state of being unintelligible.

I require our theorist to shew us some inconvenience or *unintelligibleness* in the one more than in the other.—*Bishop Croft, On Burnet's Theory of the Earth*, p. 73: 1685.

Unintélligibly. *adv.* In an unintelligible manner; so as not to be understood.

Sound is not *unintelligibly* explained by a vibrating motion communicated to the medium.—*Locke.*

To talk of specifick differences in nature, without reference to general ideas, is to talk *unintelligibly.*—*Id.*

Uninténtional. *adj.* Not designed; happening without design.

Besides the *unintentional* deficiencies of my style, I have purposely transgressed the laws of oratory, in making my periods over-long.—*Boyle.*

Uninterested. *part. pref.* Not having interest.

The greatest part of an audience is always *uninterested*, though seldom knowing.—*Dryden.*

Uninteresting. *part. pref.* Exciting no interest.

The details rise far above the *uninteresting* precision of patient annalists.—*Warton.*

Unintermíssion. *s.* Absence of intermission, or interval.

Dionysius was so racked and torn in pieces with the torments of the stone, that the continuance and *unintermission* of his pain tired out his patience and vanquished his apathy.—*Parker, Law of Nature*, p. 134. (Ord MS.)

Unintermítted. *part. pref.* Continued; not interrupted.

This motion of the heavenly bodies seems to be partly continued and *unintermitted*, as that motion of the first moveable partly interpolated and interrupted.—*Sir M. Hale, Origination of Mankind.*

Unintermítting. *part. pref.* Having no interruption; continuing.

To procure an *unintermitting* joy; to draw life into perpetuity; to keep back the eclipsing sadnesses of the mind: this is beyond a Solomon.—*Fellthan, On Ecclesiastes*, ii. 11.

Unintermíxed. *part. pref.* Not mingled.

Unintermix'd with fictious fantasies,
I versify the truth, not poetize.
Daniel, Civil Wars of York and Lancaster.

Unintérpolated. *part. pref.* Not interpolated.

Berriman and Ernesti think that 'authentics' means no more than genuine, *uninterpolated.*—*Porson, Letter to Travis*, p. 277.

Uninterrúpted. *part. pref.* Not broken; not interrupted.

Thy constant quiet fills my peaceful breast
With unmixt joy, *uninterrupted* rest.
Lord Roscommon.

The hills rise insensibly, and leave the eye a vast, *uninterrupted* prospect.—*Addison.*

Uninterrúptedly. *adv.* In an uninterrupted manner.

A successive augmentation *uninterruptedly* continued, in an actual existence of believing, and congregations in all ages unto the end of the world.—*Bishop Pearson, Exposition of the Creed.*

Unintreátable. *adj.* Incapable of being prevailed on by intreaties.

The judge must utter his wordes gravely, and he must also be unflexible and *unintreatable* without mooving and without affection.—*Trewnesse of Christian Religion*, p. 452. (Ord MS.)

Unintrénched. *part. pref.* Not intrenched.

It had been cowardice in the Trojans, not to have attempted anything against an army that lay unfortified and *unintrenched.*—*Pope.*

Unintricated. *part. pref.* Not perplexed; not obscure.

Even, clear, *unintricated* designs.—*Hammond, Works*, iv. 502.

Unintrodúced. *part. pref.* Not properly conducted; not duly ushered in; obtrusive.

Think not, *unintroduced* I force my way.
Young, Night Thoughts, night v.

Uninvénted. *part. pref.* Undiscovered.

Not *uninvented* that, which thou aright
Believ'st so main to our success, I bring.
Milton, Paradise Lost, vi. 470.

Uninvéntive. *adj.* Destitute of invention.

It was not alone as a servile translator of the Greek, as the inert and *uninventive* disciple of the Western philosophy, which it was to restore to its forgotten honours in the West, that Arabian Philosophy aspired, if not to rule, to influence the mind of Christendom.—*Milman, History of Latin Christianity*, b. xiv. ch. iii.

Uninvéstigable. *adj.* Incapable of being investigated. *Rare.*

The number of the works of this visible world being *uninvestigable* by us, afford us a demonstrative proof of the unlimited extent of the Creator's skill.—*Ray, Wisdom of God manifested in the Works of the Creation.*

Uninvíted. *part. pref.* Not asked.

His honest friends, at thirsty hour of dusk,
Come *uninvited.* *J. Philips, Cyder*, ii. 367.

Uninúred. *part. pref.* Unaccustomed; not habituated.

Protected mice,
The race exiguous, *uninured* to wet,
Their mansions quit, and other countries seek.
Philips.

Únion. *s.* [Lat. *unio, -onis.*] Pearl. *Obsolete.*

The king shall drink to Hamlet's better health,
And in the cup an *union* shall he throw,
Richer than that which four successive kings
In Denmark's crown have worn.
Shakespear, Hamlet, v. 2.

Únion. *s.* [Lat. *unio, -onis.*]

1. Act of joining two or more, so as to make them one.

Adam, from whose dear side I boast me sprung,
And gladly of our *union* hear thee speak,
One heart, one soul in both!
Milton, Paradise Lost, ix. 965.

2. Concord; conjunction of mind or interests.

The experience of those profitable emanations from God, most commonly are the first motive of our love; but when we once have tasted his goodness, we love the spring for its own excellency, passing from considering ourselves, to an *union* with God.—*Jeremy Taylor, Rule and Exercises of holy Living.*

3. In *Ecclesiastical Law.* See extract.

Union is a combining or consolidation of two churches in one, which is done by the consent of the bishop, the patron and incumbent. And this is properly called an *union*: but there are two other sorts, as when one church is made subject to the other, and when one man is made prelate of both, and when a conventual is made cathedral. Touching *union* in the first signification, there was a statute, an. 37 Hen. VIII. chap. 21, that it should be lawful in two churches, whereof the value of the one is not above six pounds in the king's books, of the first fruits, and not above one mile distant from the other. *Union* in this signification is personal, and that is for the life of the incumbent; or real, that is, perpetual, whosoever is incumbent.—*Cowell.*

Unionism. *s.* System of trades unions.

(See, for example, under Unionist.)

Unionist. *s.* Member of a trades union.

We quite agree with the patriarchal advice from Preston that, if ever there was a time when it behoved *unionists* to be up and doing, that time is the 'present.'... The hint has been taken, and *unionism* has answered to the appeal to be up and doing.—*Saturday Review*, October 19, 1867.

Uníparous. *adj.* [Lat. *unus* = one; *pario* = I bring forth.] Bringing one at a birth.

Others make good the paucity of their breed with the duration of their days, whereof there want not examples in animals *uniparous.*—*Sir T. Browne, Vulgar Errours.*

Unique. *adj.* [Fr.] Sole; without an equal; without another of the same kind known to exist: (an affected and *useless* term of modern times; so writes Todd).

In the lower jaw the crowns of the first two incisors present the form of a comb, and are in this respect *unique* in the class Mammalia.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 312.

Únison. *s.* In *Music.* Consonance of two sounds, either grave or acute.

When moved matter meets with any thing like that from which it received its primary impress, it will in like manner move it, as in musical strings tuned *unisons.*—*Glanville.*

Lost was the nation's sense, nor could be found,
While a long, solemn *unison* went round.
Pope, Dunciad, iv. 611.

What old Calvin meant to be sung in *unison*, they chose should be formed in counterpoint, or in four parts.—*Mason, Three Essays on Church Music*, p. 208.

Únison. *adj.* [Lat. *unus* + *sonus* = sound.] Sounding alone.

Sounds intermixed with voice
Choral, or *unison.* *Milton, Paradise Lost*, vii. 598.

Unísonous. *adj.* Being in unison.

These apt notes were about forty tunes, of one part only, and in one *unisonous* key.—*T. Warton, History of English Poetry*, iii. 171.

Calvin, who had certainly less musick in his soul than Luther, rejected both vocal and instrumental harmony, and admitted only *unisonous* psalmody.—*Mason, Three Essays on Church Music*, p. 165.

Únit. *s.*

1. One; the least number; or the root of numbers.

If any atom should be moved mechanically, without attraction, 't is above a hundred million millions odds to an *unit*, that it would not strike upon any other atom, but glide through an empty interval without contact.—*Bentley.*

Units are the integral parts of any large number.—*Watts.*

The votes of independent nations in a federal council have generally been regulated in the same manner. Each nation has been taken as a *unit*, and has exercised one vote, whatever might be its power and importance as compared with others. In the Amphictyonic League, for example, the confederate states were all on an equality, so that Sparta and Athens had not more votes than the smallest town which was a member of the league.—*Sir G. C. Lewis, On the Influence of Authority in Matters of Opinion*, ch. vii.

'Shall we carry Chichester?' asked Lady Firebrace of Lady St. Julians.—'Oh! do not speak to me ever again of the House of Commons,' she replied, in a tone of affected despair. 'What use is winning our way by *units.* It may take years. Lord Protocol says, that "one is enough."'—*B. Disraeli, Sybil.*

2. Gold coin of King James I.

King James caused new coins to be made of several stamps, weights, and values;—that is to say, one piece of gold of the value of 20*s.* sterling, called the *unite*;—one other gold money of ten shillings, &c.—*Camden, Remains, Money.*

Unitárian. *s.* One whose religious creed allows divinity to God the Father alone.

Socinians, under the name of *Unitarians*, have appeared with great boldness, and have ... filled the nation with their numerous pamphlets, printed upon a publick stock, and given away gratis among the people, whereby many have been deluded.—*Leslie, Socinian Controversy Discussions*, preface.

Unite. *v. a.* [Lat. *unitus.*]

1. Join two or more into one.

The force which wont in two to be dispersed,
In one alone right hand he now *unites.* *Spenser.*

A proposition for *uniting* both kingdoms was begun.—*Swift.*

2. Make to agree.

The king proposed nothing more than to *unite* his kingdom in one form of worship.—*Lord Clarendon, History of the Grand Rebellion.*

3. Make to adhere,

The peritonæum, which is a dry body, may be *united* with the musculous flesh.—*Wiseman, Surgery.*

4. Join.

In the lawful name of marrying,
To give our hearts *united* ceremony.
Shakespear, Merry Wives of Windsor, iv. 6.

Let the ground of the picture be well *united* with colours of a friendly nature.—*Dryden, Translation of Dufresnoy's Art of Painting.*

5. Join in interest.

Unto their assembly, mine honour, be not thou *united!*—*Genesis*, xlix. 6.

Unite. *v. n.*

1. Join in an act; concur; act in concert.

If you will now *unite* in your complaints,
And force them with a constancy, the cardinal
Cannot stand under them.
Shakespear, Henry VIII. iii.

2. Coalesce; be cemented; be consolidated

3. Grow into one.

From my loins
Thou shalt proceed, and from thy womb the Son
Of God Most High; so God with man *unites.*
Milton, Paradise Lost, xii. 380.

Unitedly. *adv.* In a united manner; with union; so as to join.

The eyes, which are of a watery nature, ought to be much painted, and *unitedly* on their lower parts; but boldly touched above by the light and shadows.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Uníter. *s.* One who, that which, unites.

Suppose an *uniter* of a middle constitution, that should partake of some of the qualities of both.—*Glanville.*

Unítion. *s.* Act or power of uniting; conjunction; coalition: (Johnson writes 'a word *proper*, but little used').

As long as any different substance keeps off the *unition*, hope not to cure a wound.—*Wiseman, Surgery.*

Únitive. *adj.* Having the power of uniting.

That can be nothing else but the *unitive* way of religion, which consists of the contemplation and love of God.—*Norris.*

An eclectic, conservative, assimilating, healing, moulding process, a *unitive* power, is of the essence, and a third test, of a faithful development.—*J. H. Newman, Essay on the Development of Christian Doctrine*, ch. i. sect. iii.

Unitively. *adv.* In a unitive manner.

Jupiter containeth the universe, and all things within himself, *unitively* and intellectually, according to these Orphick oracles.—*Cudworth.* (Ord MS.)

Únity. *s.* [Lat. *unitas, -atis*; Fr. *unité.*]

1. State of being one.

Man is to beget
Like of his like; his image multiplied:
In *unity* defective; which requires
Collateral love and dearest amity.
Milton, Paradise Lost, viii. 423.

Whatever we can consider as one thing, suggests to the understanding the idea of *unity.*—*Locke.*

2. Concord; conjunction.

That which you hear, you 'll swear
You see, there is such *unity* in the proofs.
Shakespear, Winter's Tale, v. 2.

We, of all Christians, ought to promote *unity* among ourselves and others.—*Bishop Sprat, Sermons.*

3. Agreement; uniformity.

To the avoiding of dissension, it availeth much, that there be amongst them an *unity*, as well in ceremonies as in doctrine.—*Hooker, Ecclesiastical Polity.*

4. Principle of dramatic writing, by which the tenor of the story, and propriety of representation is preserved.

The *unities* of time, place, and action are exactly observed.—*Dryden, All for Love*, preface.

Although in poetry it be absolutely necessary that the *unities* of time, place, and action should be thoroughly understood, there is still something more essential, that elevates and astonishes the fancy.—*Addison.*

Suppose . . . that the man . . . was an original-man; that his life-drama would not and could not be measured by the three *unities* alone; but partly by a rule of its own too.—*Carlyle, Critical and Miscellaneous Essays, Mirabeau.*

5. In *Law.* See extract.

Unity of possession is a joint possession of two rights by several titles. For example, I take a lease of land from one upon a certain rent; afterwards I buy the fee-simple. This is an *unity* of possession, whereby the lease is extinguished; by reason that I, who had before the occupation only for my rent, am become lord of the same, and am to pay my rent to none.—*Cowell.*

Univérsal. *adj.* [Lat. *universalis.*]

1. General; extending to all.

All sorrowed; if all the world could have seen 't, the woe had been *universal.*—*Shakespear, Winter's Tale*, v. 2.

This excellent epistle, though, in front of it, it bears a particular inscription, yet in the drift of it is *universal*, as designing to convince all mankind of the necessity of seeking for happiness in the gospel.—*South, Sermons.*

2. Total; whole.

From harmony, from heav'nly harmony,
This *universal* frame began.
Dryden, Song for St. Cecilia's Day, 1.

3. Not particular; comprising all particulars.

From things particular
She doth abstract the *universal* kinds.
Sir J. Davies, Immortality of the Soul.

An *universal* was the object of imagination, and there was no such thing in reality.—*Arbuthnot and Pope, Martinus Scriblerus.*

4. In *Logic.* Proposition of which the quantity is denoted by *all*, as opposed to *some*; e.g. 'All A is B,' 'No A is B,' are, respectively, universal affirmative, and universal negative, propositions.

Univérsal. *s.* The whole; general system of the universe. *Obsolete.*

To what end had the angel been set to keep the entrance into Paradise after Adam's expulsion, if the *universal* had been paradise?—*Sir W. Raleigh, History of the World.*

Univérsalist. *s.*

1. In *Theology.* One who holds the doctrine that all men will be finally saved.

2. One who affects to understand all particulars.

A modern freethinker is an *universalist* in speculation; any proposition whatsoever he's ready to decide; self-assurance supplies all want of abilities!—*Bentley, Phileleutherus Lipsiensis*, § 3.

Universálity. *s.* Not particularity; generality; extension to the whole.

This catholicism, or second affection of the church, consisteth generally in *universality*, as embracing all sorts of persons, as to be disseminated through all nations, as comprehending all ages, as containing all necessary and saving truths, as obliging all conditions of men to all kind of obedience, as curing all diseases, and planting all graces in the souls of men.—*Bishop Pearson.*

This catalogue of sin, is but of sin under a limitation; an *universality* of sin under a certain kind; that is, of all sins of direct and personal commission.—*South, Sermons.*

A special conclusion cannot be inferred from a moral *universality*, nor always from a physical one; though it may be always inferred from an *universality* that is metaphysical.—*Watts.*

Univérsally. *adv.* In a universal manner; throughout the whole; without exception.

Those offences which are breaches of supernatural laws, violate in general that principle of reason, which willeth *universally* to fly from evil.—*Hooker, Ecclesiastical Polity.*

There best beheld, where *universally* admired.
Milton, Paradise Lost, ix. 542.

What he borrows from the antients he repays with usury of his own, in coin as good, and as *universally* valuable.—*Dryden.*

This institution of charity-schools *universally* prevailed.—*Addison.*

They'll object
'Gainst th' *universalness* of this clear notion.
Dr. H. More, Immortality of the Soul, i. 2, 46.

Úniverse. *s.* [Fr. *univers*; Lat. *universum.*] General system of things.

Creeping murmur, and the poring dark,
Fills the wide vessel of the *universe.*
Shakespear, Henry V. iv. chorus.

God here sums up all into man; the whole into a part; the *universe* into an individual.—*South, Sermons.*

Father of heav'n! . . . and Judge of earth,
Whose word call'd out this *universe* to birth.
Prior, Solomon, iii. 665.

Univérsity. *s.* [Lat. *universitas.*]

1. Corporation for the supply of the higher kinds of instruction and education.

While I play the good husband at home, my son and servants spend all at the *university.*—*Shakespear, Taming of the Shrew*, v. 1.

The *universities*, especially Aberdeen, flourished under many excellent scholars, and very learned men.—*Lord Clarendon, History of the Grand Rebellion.*

2. Whole; universe. *Obsolete.*

The great womb
From whence all things in the *university*
Yclad in divers forms do gaily bloom,
And after fade away.
Dr. H. More, Life of the Soul, i. 13.

That thou givest them (saith the Psalmist, speaking with respect to the *university* of things,) they gather.—*Barrow, Sermons*, vol. ii. serm. xii.

Univocal. *adj.* [Lat. *univocus; voco* = I call; *vox, vocis* = voice.]

1. Having one meaning.

Univocal words are such as signify but one idea, or but one sort of thing: equivocal words are such as signify two or more different ideas, or different sorts of objects.—*Watts.*

2. Certain; regular; pursuing always one tenor.

This conceit makes putrefactive generations correspondent unto seminal productions; and conceives inequivocal effects, and *univocal* conformity unto the efficient.—*Sir T. Browne.*

Univocally. *adv.*

1. In a univocal manner; in one term; in one sense.

How is sin *univocally* distinguished into venial and mortal, if the venial be not sin?—*Bishop Hall.*

It were too great presumption to think, that there is anything in any created nature, that can bear any perfect resemblance of the incomprehensible perfection of the divine nature: very being itself does not predicate *univocally* touching God, and any created being, and intellect, and will, as we attribute them to him.—*Sir M. Hale.*

2. In one tenor.

All creatures are generated *univocally* by parents of their own kind; there is no such thing as spontaneous generation.—*Ray.*

Univocátion. *s.* Agreement of name and meaning.

The *univocation* of Tartar cities with those of Israel, concurring with the former reason from the place and country whither they were sometime transplanted by the Assyrians, doth plainly shew that the Israelitish people have been there.—*Whiston, Memoirs*, p. 583: 1749.

Unjeálous. *adj.* Free from jealousy; not suspiciously fearful; having no unreasonable mistrust.

The indulgence under which they enjoy present ease, is founded on the gentle and *unjealous* temper of the king, which may be shaken and changed by several accidents that may fall out.—*Lord Clarendon, Papal Usurpation*, vol. i. ch. x.

Unjoínt. *v. a.* Disjoint.

Unjointing the bones of many a solemn peace.—*Fuller, Holy War*, p. 247: 1639.

Unjoýful. *adj.* Not joyful; sad.

This *unjoyful* set of people.—*Tatler*, no. 16.

Unjoýous. *adj.* Unjoyful.

Where nothing can be hearty, it must needs be *unjoyous* and injurious to any perceiving person so detained.—*Milton, Tetrachordon.*

Unjúdged. *part. pref.* Not judicially determined.

Causes *unjudged* disgrace the loaded file,
And sleeping laws the king's neglect revile.
Prior, Solomon, ii. 722.

Unjúst. *adj.* Contrary to justice: (used both of *persons* and *things*).

He that is *unjust* in the least is *unjust* also in much.—*Luke*, xvi. 10.

I should forge
Quarrels *unjust* against the good and loyal,
Destroying them for wealth.
Shakespear, Macbeth, iv. 3.

He who was so *unjust* as to do his brother an injury, will scarce be so just to condemn himself for it.—*Locke.*

Unjústifiable. *adj.* Incapable of being justified, or defended.

If these reproaches, which aim only at ostentation of wit, be so *unjustifiable*, what shall we say to those that are drawn, that are founded in malice?—*Dr. H. More, Government of the Tongue.*

If we could look into effects, we might pronounce boldly: but for a man to give his opinion of what he sees but in part, is an *unjustifiable* piece of rashness.—*Addison.*

Unjústifiableness. *s.* Attribute suggested by Unjustifiable; quality of not being justifiable.

He wished them to consider of the illegality of all those commissions, and of the *unjustifiableness* of all the proceedings which had been by virtue of them.—*Lord Clarendon, History of the Grand Rebellion.*

Unjústly. *adv.* In an unjust manner.

Whom, but for voting peace, the Greeks pursue,
Accused *unjustly*, then *unjustly* slew.
Sir J. Denham, Destruction of Troy.

Moderation the one side very justly disowns, and the other as *unjustly* pretends to.—*Swift.*

Únked. *adj.* [? *uncouth.*]

1. Unusual; odd; strange.

A physician must practice according to the actions of phisick; he must not minister after any *unked* manner, but only according to the usual and ordinarie opinion of the learned in phisick.—*Abstract of Acts, Canons, &c., of Queen Elizabeth*, p. 70.

2. Lonely; solitary.

Unkémpt. *adj.*

Go, little book, thyself present,
As child whose parent is *unkent*,
To him, that is the president
Of nobleness and chivalrie. *Spenser.*

Unképt. *part. pref.*
1. Not kept; not retained.
2. Unobserved; unobeyed.
Many things kept generally heretofore, are now in like sort generally *unkept*, and abolished, every where.—*Hooker, Ecclesiastical Polity.*

Unkind. *adj.*
1. Not favourable; not benevolent.
In nature there's no blemish but the mind;
None can be call'd deform'd, but the *unkind*.
Shakespear, Twelfth Night, iii. 4.
To the noble mind
Rich gifts wax poor, when givers prove *unkind*.
Id., Hamlet, iii. 1.
To Nimrod our author seems a little *unkind*; and says, that he, against right, enlarged his empire.—*Locke.*
A real grief I ne'er can find,
Till thou prov'st perjured or *unkind*.
Prior, To a Young Gentleman in Love.
Or, if they serve you, serve you disinclined,
And, in their height of kindness, are *unkind*.
Young, Love of Fame, vii. 81.

They, however, shameful and *unkinde*,
Yet did possesse their horrible intent.
Spenser, Faerie Queen, iii. 2, 43.

Unkíndliness. *s.* Attribute suggested by Unkindly; unfavourableness.
I have often heard the chief of our city complaining of the unfruitfulness of the earth, and sometimes again of the *unkindliness* of the weather, now for a good space hurtful to the fruits.—*Hakewill, Apology*, p. 143.

Unkíndly. *adj.*
1. Unnatural; contrary to nature.
They, with their filthiness,
Polluted this same gentle soil long time,
That their own mother loathed their beastliness,
And gan abhor her brood's *unkindly* crime,
All were they born of her own native slime.
Spenser.
2. Malignant; unfavourable.
The goddess, that in rural shrine
Dwell'st here with Pan, or Sylvan, thy blest song
Forbidding every bleak, *unkindly* fog
To touch the prosperous growth of this tall wood.
Milton, Comus, 267.

Unkíndly. *adv.* In an unkind manner.
1. Without kindness; without affection.
The herd, *unkindly* wise,
Or chases him from thence, or from him flies.
Sir J. Denham, Cooper's Hill.

In Paradise, and various, yet *unknown*
To us. *Milton, Paradise Lost*, ix. 618.
If any chance has hither brought the name
Of Palamedes, not *unknown* to fame,
Accused and sentenced for pretended crimes.
Dryden, Translation of the Æneid, ii. 103.
At fear of death, that saddens all
With terrours round, can reason hold her throne;
Despise the known, nor tremble at the *unknown*?
Pope.
2. Greater than is imagined.
The planting of hemp and flax would be an *unknown* advantage to the kingdom.—*Bacon.*
3. Not having cohabitation.
I am yet
Unknown to woman. *Shakespear, Macbeth*, iv. 3.
4. Not having communication.
At a little inn, the man of the house, formerly a servant in the family, to do honour to his old master had, *unknown* to Sir Roger, put him up a signpost.—*Addison, Spectator.*

Unlabórious. *adj.* Not laborious; not difficult to be done.
The licensers doubtless took this office up, looking on it through their obedience to the parliament, whose command perhaps made all things easy and *unlaborious* to them.—*Milton, Areopagitica.*

Unláboured. *part. pref.*
1. Not produced, not cultivated, by labour.
Unlabour'd harvests shall the fields adorn,
And cluster'd grapes shall blush on every thorn.
Dryden, Translation of Virgil, Eclogues, iv. 33.
2. Spontaneous; effected without much effort.
Their charms, if charms they have, the truth supplies,
And from the theme *unlabour'd* beauties rise.
Tickell.

Unláce. *v. a.*
1. Loose anything fastened with strings or laces.
He could not endure so cruel case,
But thought his arms to leave, and helmet to *unlace*.
Spenser.
2. Loose a woman's dress.
Can I forget, when they in prison placing her,
With swelling heart, in spite, and due disdainfulness,
She lay for dead, till I help'd with *unlacing* her?
Sir P. Sidney.
Unlace yourself, for that harmonious chime
Tells me from you that now it is bed-time.
Donne.
3. Divest of ornaments.
You *unlace* your reputation,
And spend your rich opinion for the name
Of a night-brawler. *Shakespear, Othello*, ii. 3.

Unláde. *v. a.*
1. Remove from the vessel which carries.
He's a foolish seaman,
That, when his ship is sinking, will not
Unlade his hopes into another bottom.
Sir J. Denham, The Sophy.
2. Exonerate that which carries.
The venturous merchant, who design'd for far,
And touches on our hospitable shore,
Charm'd with the splendour of this northern star,
Shall here *unlade* him, and depart no more.
Dryden, Annus Mirabilis, ccc.
3. Applied to the vessel itself.
We . . . landed at Tyre; for there the ship was to *unlade* her burden.—*Acts*, xxi. 3.

Unlaíd. *part. pref.*
1. Not placed; not fixed.
Whatsoever we do behold now in this present world, it was inwrapped within the bowels of divine mercy, written in the book of eternal wisdom, and held in the hands of Omnipotent Power, the first foundations of the world being as yet *unlaid*.—*Hooker, Ecclesiastical Polity.*
2. Not pacified; not stilled; not suppressed.
No evil thing that walks by night,
Blue, meagre hag, or stubborn *unlaid* ghost,
Hath hurtful power o'er true virginity.
Milton, Comus, 433.
3. Not laid out (as a *corpse*).
Parts of me they judged decay'd,
But we last out still *unlaid*.
B. Jonson, Underwoods.

Unlaménted. *part. pref.* Not deplored.
After six years spent in outward opulency, and inward murmur that it was not greater, he died *unlamented* by any.—*Lord Clarendon, History of the Grand Rebellion.*
Thus *unlamented* pass the proud away,
The pride of fools, and pageant of a day.
Pope, Elegy to the Memory of an Unfortunate Lady.

Unlárded. *part. pref.* Not intermixed or foisted in by way of improvement: (from *larding*, in cookery).
Speak the language of the company you are in; speak it purely, and *unlarded* with any other.—*Lord Chesterfield, Letters to his Son.*

Unlátch. *v. a.* Open by lifting up the latch.

Happy in this, she is not yet so old
But she may learn.
Shakespear, Merchant of Venice, iii. 2.

Unléttered. *part. pref.* Unlearned; untaught.

When the apostles of our Lord were ordained to alter the laws of heathenish religion, St. Paul excepted, the rest were unschooled and *unlettered* men.—*Hooker, Ecclesiastical Polity*.

The *unletter'd* Christian, who believes in gross,
Plods on to heaven, and ne'er is at a loss.
Dryden, Religio Laici, 322.

Unlétteredness. *s.* Attribute suggested by Unlettered; want of learning.

Ignorance and *unletteredness* ill become any man who bears the image of God; but worst of all a governor.—*Waterhouse, Apology for Learning*, p. 120.

Unlibídinous. *adj.* Not lustful; pure from carnality.

In those hearts
Love *unlibidinous* reign'd; nor jealousy
Was understood, the injured lover's hell.
Milton, Paradise Lost, v. 448.

Unlícensed. *part. pref.* Having no regular permission.

Ask what boldness brought him hither
Unlicensed. *Milton, Paradise Lost*, iv. 908.

Warn the thoughtless, self-confiding train,
No more *unlicensed*, thus to brave the main.
Pope, Translation of the Odyssey, viii. 174.

Unlícked. *part. pref.* Shapeless, not formed: (from the opinion that the bear licks her young to shape).

Shape my legs of an unequal size,
To disproportion me in every part,
Like to a chaos, or *unlick'd* bear-whelp.
Shakespear, Richard III. iii. 2.

The bloody bear, an independent beast,
Unlick'd to form, in groans her hate exprest.
Dryden, Hind and Panther, i. 35.

Unlíghted. *part. pref.* Not kindled; not set on fire.

There lay a log *unlighted* on the earth.
Dryden, Translation from Ovid, Meleager and Atalanta.

The sacred wood, which on the altar lay,
Untouch'd, *unlighted* glows.
Prior, Solomon, iii. 707.

Unlíghtsome. *adj.* Dark; gloomy; wanting light.

First the sun,
A mighty sphere, he framed, *unlightsome* first,
Though of ethereal mould.
Milton, Paradise Lost, vii. 354.

Unlíke. *adj.*

1. Dissimilar; having no resemblance.

Where cases are so *unlike* as theirs and ours, I see not how that which they did should induce, much less enforce, us to the same practice.—*Hooker, Ecclesiastical Polity*.

So the twins' humours, in our Terence, are *Unlike*; this harsh and rude, that smooth and fair.
Sir J. Denham, Of Old Age, pt. iii.

Our ideas, whilst we are awake, succeed one another, not much *unlike* the images in the inside of a lanthorn.—*Locke*.

2. Unlikely.

Make not impossible that which but seems *unlike*.—*Shakespear, Measure, for Measure*, v. 1.

What befel the empire of Almaigne were not *unlike* to befal to Spain, if it should break.—*Bacon*.

Unlíkelihood. *s.* Improbability.

The work was carried on amidst all the *unlikelihoods* and discouraging circumstances imaginable; the builders holding the sword in one hand, to defend the trowel working with the other.—*South, Sermons*.

Unlíkeliness. *s.* Attribute suggested by Unlikely.

There are degrees herein, from the very neighbourhood of demonstration, quite down to improbability and *unlikeliness*, even to the confines of impossibility.—*Locke*.

Unlíkely. *adj.*

1. Improbable; not such as can be reasonably expected.

A very *unlikely* envy she hath stumbled upon.—*Sir P. Sidney*.

2. Not promising any particular event.

Effects are miraculous and strange, when they grow by *unlikely* means.—*Hooker, Ecclesiastical Polity*.

This collection we thought not only *unlikely* to reach the future, but unworthy of the present age.—*Swift*.

Unlíkely. *adv.* In an unlike, or unlikely manner; improbably.

The pleasures we are to enjoy in that conversation, not *unlikely* may proceed from the discoveries each shall communicate to another, of God and nature.—*Pope*.

Unlíkeness. *s.* Attribute suggested by Unlike; dissimilitude; want of resemblance.

Imitation pleases, because it affords matter for enquiring into the truth or falsehood of imitation, by comparing its likeness or *unlikeness* with the original.—*Dryden*.

Unlímber. *adj.* Unyielding.

To which temper more septentrional *unlimber* nations have not yet bent themselves.—*Sir H. Wotton, Remains*, p. 246.

Unlímber. *v. a.* Take off the limbers: (as, 'to *unlimber* the guns').

Unlímitable. *adj.* Incapable of being limited; admitting no bounds.

He tells us 't is unlimited and *unlimitable*.—*Locke*.

Unlímited. *part. pref.*

1. Having no bounds; having no limits.

So *unlimited* is our impotence to recompence or repay God's dilection, that it fetters our very wishes.—*Boyle*.

2. Undefined; not bounded by proper exceptions.

With gross and popular capacities, nothing doth more prevail than *unlimited* generalities, because of their plainness at the first sight; nothing less, with men of exact judgement, because such rules are not safe to be trusted over far.—*Hooker, Ecclesiastical Polity*.

3. Unconfined; not restrained.

All the evils that can proceed from an untied tongue, and an unguarded, *unlimited* will, we put upon the accounts of drunkenness.—*Jeremy Taylor*.

Husbands are counselled not to trust too much to their wives' owning the doctrine of *unlimited* conjugal fidelity.—*Arbuthnot*.

Unlímitedly. *adv.* In an unlimited manner; boundlessly; without bounds.

Many ascribe too *unlimitedly* to the force of a good meaning, to think that it is able to bear the stress of whatsoever commissions they shall lay upon it.—*Dr. H. More, Decay of Christian Piety*.

Unlíneal. *adj.* Not coming in the order of succession.

They put a barren sceptre in my gripe,
Thence to be wrench'd with an *unlineal* hand,
No son of mine succeeding.
Shakespear, Macbeth, iii. 1.

Unlínk. *v. a.* Free from links; disconnect.

About his neck
A green and gilded snake had wreathed itself;
Who with her head, nimble in threats, approach'd
The opening of his mouth; but suddenly,
Seeing Orlando, it *unlink'd* itself.
Shakespear, As you like it, iv. 3.

Unlíquified. *part. pref.* Unmelted; undissolved.

These huge, unwieldy lumps remained in the melted matter, rigid and *unliquified*, floating in it like cakes of ice in a river.—*Addison, Travels in Italy*.

Unlíquored. *part. pref.*

1. Not moistened; not smeared with any liquid.

How have we seen churches and states, like a dry *unliquored* coach, set themselves on fire with their own motion!—*Bishop Hall, Remains*, p. 74.

2. Not filled with liquor.

He that could endure with a sober pen to sit and devise laws for drunkards to carouse by, I doubt me whether the very soberness of such a one, like an *unliquored* Silenus, were not stark drunk.—*Milton, Apology for Smectymnuus*.

Unlíveliness. *s.* Attribute suggested by Unlively.

Who knows not that the bashful muteness of a virgin may oft-times hide all the *unliveliness*, and natural sloth, which is really unfit for conversation?—*Milton, Doctrine and Discipline of Divorce*, i. 3.

Unlívely. *adj.* Not lively; dull.

Unloád. *v. a.*

1. Disburden.

Like an ass, whose back with ingots bows,
Thou bear'st thy heavy riches but a journey,
And death *unloadeth* thee.
Shakespear, Measure for Measure, iii. 1.

2. Put off anything burdensome.

Nor can my tongue *unload* my heart's great burthen.
Shakespear, Henry VI. Part III. ii. 1.

Unlóck. *v. a.*

1. Open what is shut with a lock.
   I have seen her *unlock* her closet, take forth paper.—*Shakespear, Macbeth*, v. 1.
   She springs a light,
   Unlocks the door, and entering out of breath,
   The dying saw, and instruments of death.
   Dryden, Translation from Ovid, Cinyras and Myrrha.
2. Open in general.
   My purse, my person, my extremest means,
   Lie all *unlock'd* to your occasions.
   Shakespear, Merchant of Venice, i. 1.
   I yielded, and *unlock'd* her all my heart,
   Who with a grain of manhood well resolved,
   Might easily have shook off all her snares.
   Milton, Samson Agonistes, 407.
   Thy forests, Windsor! and thy green retreats
   Invite my lays. Be present, sylvan maids!
   Unlock your springs, and open all your shades.
   Pope, Windsor Forest.

Unlóoked. *part. pref.* Unexpected; not foreseen: (generally with *for*).
Yet perhaps had their number prevailed, if the king of Pontus had not come *unlooked for* to their succour.—*Sir P. Sidney.*
Nor fame I slight, nor for her favours call;
She comes *unlooked for*, if she comes at all.
Pope, Temple of Fame.

Without *for*.
Your affairs I have recommended to the king, but with *unlooked* success.—*Sir J. Denham.*

Unloóse. *v. a.* Loose. 'A word perhaps barbarous and ungrammatical, the particle prefixed implying negation; so that to *unloose*, is properly to *bind*.' (Johnson). 'Dr. Johnson would not have made the preceding remark, if he had known that the word is pure Saxon, *unlesan*, solvere, to loose.' (Todd.)
There cometh one mightier than I after me, the latchet of whose shoes I am not worthy to stoop down and *unloose*.—*Mark*, i. 7.
The weak, wanton Cupid
Shall from your neck *unloose* his am'rous fold;
And, like a dew-drop from the lion's mane,
Be shook to air.
Shakespear, Troilus and Cressida, iii. 3.

Unloóse. *v. n.* Fall in pieces; lose all union and connexion.
Without this virtue, the publick union must *unloose*; the strength decay; and the pleasure grow faint.—*Collier.*

Unlósable. *adj.* Incapable of being lost. *Rare.*
Whatever may be said of the *unlosable* mobility of atoms, yet divers parts of matter may compose bodies, that need no other cement to unite them, than the juxta-position and resting together of their parts, whereby the air, and other fluids that might dissipate them, are excluded.—*Boyle.*

Unlóved. *part. pref.* Not loved.
As love does not always reflect itself, Zelmane, though reason there was to love Palladius, yet could not ever perswade her heart to yield with that pain to Palladius, as they feel, that feel *unloved* love.—*Sir P. Sidney.*
He was generally *unloved*, as a proud and supercilious person.—*Lord Clarendon, History of the Grand Rebellion.*

Unlóveliness. *s.* Attribute suggested by Unlovely; unamiableness; inability to create love.
The old man, growing only in age and affection, followed his suit with all means of unhonest servants, large promises, and each thing else that might help to countervail his own *unloveliness*.—*Sir P. Sidney.*

Unlóvely. *adj.* Other than lovely: (there seems by this word generally more intended than barely negation).
A beauty which on Psyche's face did throw
Unlovely blacknesse.
Beaumont, Psyche, p. 19: 1651.

Unlóving. *part. pref.* Unkind; not fond.
Thou, blest with a goodly son,
Didst yield consent to disinherit him;
Which argued thee a most *unloving* father.
Shakespear, Henry VI. Part III. ii. 2.

Unlúckily. *adv.* In an unlucky manner; by ill luck.
Things have fallen out so *unluckily*,
That we have had no time to move our daughter.
Shakespear, Romeo and Juliet, iii. 4.

Unlúckiness. *s.* Attribute suggested by Unlucky.
As there is no moral in these jests, they ought to be discouraged, and looked upon rather as pieces of *unluckiness* than wit.—*Addison, Spectator*, no. 371.

Unlúcky. *adj.*

1. Unfortunate; producing unhappiness: (this word is generally used of accidents slightly vexatious).
   You may make an experiment often, without meeting with any of those *unlucky* accidents which make such experiments miscarry.—*Boyle.*
2. Unhappy; miserable; subject to frequent misfortunes.
   Then shall I you recount a rueful case,
   Said he; the which with this *unlucky* eye
   I late beheld. *Spenser.*
3. Slightly mischievous; mischievously waggish.
   His friendship is counterfeit, seldome to trust;
   His doings *unluckie*, and ever unjust.
   Tusser, Five Hundred Points of Good Husbandry.
   Why, cries an *unlucky* wag, a less bag might have served.—*Sir R. L'Estrange.*
   There was a lad, th' *unluckiest* of his crew,
   Was still contriving something bad, but new. *King.*
4. Ill omened; inauspicious.
   When I appear, see you avoid the place,
   And haunt me not with that *unlucky* face.
   Dryden, Aurengzebe, iv. 1.

Unlústrous. *adj.* Wanting lustre.
Base and *unlustrous* as the smoky light
That's fed with stinking tallow.
Shakespear, Cymbeline, i. 7.

Unlústy. *adj.* Inactive.
At this season, he [the hippopotamus] waxeth *unlusty*.—*Holland, Translation of Pliny.*

Unmáde. *part. pref.* See under Unmake.

Unmaídenly. *adj.* Other than maidenly, in respect to modesty.
The wanton gesticulations of a virgin in a wild assembly of gallants warmed with wine, could be no other than riggish and *unmaidenly*.—*Bishop Hall, Contemplations, John Baptist beheaded.*

Unmaímed. *part. pref.* Not deprived of any essential part.
Not disfigured in his shape,
Enjoying all his limbs *unmaimed* he lies.
Sir J. Beaumont, Poems, p. 197: 1629.
An interpreter should give his author entire and *unmaimed*; the diction and the versification only are his proper province.—*Pope, Preface to Translation of the Iliad.*

Unmáke. *v. a.* Deprive of former qualities before possessed; deprive of form or being.
They've made themselves, and that their fitness now
Does *unmake* you. *Shakespear, Macbeth*, i. 7.
God does not make or *unmake* things, to try experiments.—*T. Burnet, Theory of the Earth.*
Empire! thou poor and despicable thing,
When such as these make or *unmake* a king.
Dryden, Conquest of Granada, Part I. i. 1.
Bring this guide of the light within to the trial; God, when he makes the prophet, does not *unmake* the man.—*Locke.*

The present word has been selected as the text for the present editor's remarks upon Un-; inasmuch as in the verb *unmake* we get one of the best illustrations of the double import of the prefix. *Unmade*, the participle, may mean either 'never made at all,' or 'made and destroyed, made and altered, made and transformed into something else;' the former meaning being purely negative, the latter positive as well as negative, or, in one word, destructive. Contrast with this such a word as *unespied*. The result of the purely negative *un-* is a compound with a participial form, but with *no verb to correspond*; i.e. a *part. pref.*, or a *participial* form with a *prefix*: whereas, when the *un-* is destructive or privative, we have both the participle and the verb. In *undone, unmade*, &c., and other compounds, the import of the prefix is only known from the context; e.g. contrast 'he has *undone* all my work,' with 'he has left his own work *undone*.' See, also, Editor's Preface, p. cxii.

For *un-*, as compared with *in-* negative, see under In.

Unmákeable. *adj.* Incapable of being made.
If the principles of bodies are unalterable, they are also *unmakable* by any but a divine power.—*Grew, Cosmologia Sacra.*

Unmálleable. *adj.* Not malleable.
A harsh, *unmalleable* stuff.
Sir R. Fanshawe, Translation of Guarini's Pastor Fido, p. 13.

Unmán. *v. a.*

1. Deprive of the constituent qualities of a human being.
   What, quite *unmann'd* in folly?
   Shakespear, Macbeth, iii. 4.
   Gross errors *unman*, and strip them of the very principles of reason and sober discourse.—*South, Sermons.*
2. Emasculate.
   Periander, tyrant of Corinth, sent three hundred boys, sons to the principal men of Corfu, to king Alyattes, to be gelt. These, going ashore in the island of Samos, were by the Samians taught to sit, as suppliants, in the temple of Diana, where they preserved them, setting before them for their food cakes made of sesam seed and honey. This our author calls an affront put by the Samians on the Corinthians, who therefore instigated the Scandinovians against them; to wit, because the Samians had saved the children of the Greeks from being *unmanned*.—*Plutarch, Morals*, iv. 328. (Ord MS.)
3. Break into irresolution; deject.
   Her clamours pierce the Trojans' ears,
   Unman their courage, and augment their fears.
   Dryden, Translation of the Æneid, ix. 661.
   Ulysses veil'd his pensive head;
   Again *unmann'd*, a shower of sorrows shed.
   Pope, Translation of the Odyssey, viii. 89.

Unmánageable. *adj.* Incapable of being, difficult to be, managed.
They'll judge everything by models of their own, and thus are rendered *unmanageable* by any authority but that of absolute dominion.—*Glanville.*
None can be concluded *unmanageable* by the milder methods of government, till they have been thoroughly tried upon him; and if they will not prevail, we make no excuses for the obstinate.—*Locke.*

Unmánaged. *part. pref.*

1. Not broken by horsemanship.
   Like colts, or *unmanaged* horses, we start at dead bones and lifeless blocks.—*Jeremy Taylor, Rules and Exercises of Holy Living.*
2. Not tutored; not educated.
   Savage princes flash out sometimes into an irregular greatness of thought, and betray, in their actions, an unguided force, and *unmanaged* virtue.—*Felton, Dissertation on Reading the Classicks.*

Unmánlike, Unmánly. *adj.* In a manner unlike that of a man, either as a member of the human species, or as a man opposed to either a woman or a child.

1. Unbecoming a human being.
   It is strange to see the *unmanlike* cruelty of mankind.—*Sir P. Sidney.*
2. Unsuitable to a man; effeminate.
   By the greatness of the cry, it was the voice of man; though it was a very *unmanlike* voice, so to cry.—*Sir P. Sidney.*
   New customs,
   Though never so ridiculous,
   Nay, let them be *unmanly*, yet are follow'd.
   Shakespear, Henry VIII. i. 3.
   Think not thy friend can ever feel the soft
   Unmanly warmth, and tenderness of love.
   Addison, Cato.

Unmánned. *part. pref.*

1. Not furnished with men.
   Set me with him . . .
   Upon the main mast of an *unmanned* ship,
   And let the wind and tide hale me along.
   Kyd, Spanish Tragedy: 1618.
2. In *Falconry*. Not tamed.
   Hood my *unmann'd* blood.
   Shakespear, Romeo and Juliet, iii. 2.
   No cold is so unbroken,
   Or hawk yet half so haggard or *unmann'd*.
   B. Jonson, Sad Shepherd.

Unmánnered. *part. pref.* Rude; brutal; uncivil.
You have a slanderous, beastly, unwash'd tongue
In your rude mouth, and savouring yourself,
Unmanner'd lord.
B. Jonson, Catiline's Conspiracy, ii. 3.
If their barking dog disturb her ease,
No prayer can bind her, no excuse appease;
Th' *unmanner'd* malefactor is arraign'd.
Dryden, Translation of Juvenal, vi. 542.

Unmánnerliness. *s.* Attribute suggested by Unmannerly; breach of civility; ill behaviour.
There is no *unmannerliness* in our strife for the

greatest share in Christ's presence and benediction. —*Bishop Hall, Contemplations*, b. iv.

A sort of *unmannerliness* is apt to grow up with young people, if not early restrained; and that is a forwardness to interrupt others speaking.—*Locke, Thoughts on Education.*

Unmánnerly. *adj.* Wanting good manners; ill bred; not civil; not complaisant.

Sweetheart,
I were *unmannerly* to take you out,
And not to kiss you.
Shakespear, Henry VIII. i. 4.

A divine dares hardly shew his person among fine gentlemen; or, if he fall into such company, he is in continual apprehension that some pert man of pleasure should break an *unmannerly* jest, and render him ridiculous.—*Swift.*

Unmánnerly. *adv.* In an unmannerly manner.

Forgive me,
If I have used myself *unmannerly.*
Shakespear, Henry VIII. iii. 1.

Unmanúred. *part. pref.* Not cultivated.

The land,
In antique times, was savage wilderness;
Unpeopled, *unmanured*, unproved, unpraised.
Spenser.

The soil is wonderfully fruitful, but *unmanured.*—*Dryden, Letters*, p. 35. (Malone's edition.)

Unmárked. *part. pref.* Not observed; not regarded.

This place *unmark'd*, though oft I walk'd the green,
In all my progress I had never seen.
Dryden, The Flower and the Leaf, 62.

Entering at the gate, . . .
He mix'd, *unmark'd*, among the busy throng,
Borne by the tide, and pass'd unseen along.
Id., Translation of the Æneid, i. 612.

Unmark'd, unhonour'd at a monarch's gate.
Pope, Translation of the Odyssey, i. 153.

Unmárred. *part. pref.* Uninjured; not spoiled.

And at the foote thereof a gentle flud
His silver waves did softly tumble downe,
Unmarr'd with ragged mosse or filthy mud.
Spenser, Faerie Queen.

Unmárriable. *adj.* Not capable of marriage; unfit to be married.

(For example see Unconjunctive.)

Unmárried. *adj.* Having no husband, or no wife.

Unmarried men are best friends, best masters, best servants, but not always best subjects, for they are light to run away.—*Bacon, Essays, Of Marriage and Single Life.*

Husbands and wives, boys and *unmarried* maids.
Dryden, Translation of the Æneid, vi. 424.

Unmárry. *v. a.* Separate from the matrimonial contract; divorce.

Is it imaginable there should be among these a law which God allowed not, a law giving permissions laxative to *unmarry* a wife and marry a lust, a law to suffer a kind of tribunal-adultery?—*Milton, Tetrachordon.*

Unmásculate. *v. a.* Emasculate. *Rare.*

The sins of the south *unmasculate* northern bodies.—*Fuller, Holy War*, p. 255: 1639.

Unmásculine. *adj.* Wanting the character of a man, as a male; deficient in manly vigour, in robustness.

The *unmasculine* rhetoric of any puling priest or chaplain.—*Milton, The Times of Kings.* (Ord MS.)

Unmásk. *v. a.* Take off a mask; strip off any disguise.

With full cups they had *unmask'd* his soul.
Lord Roscommon.

Though in Greek or Latin they amuse us, yet a translation *unmasks* them, whereby the cheat is transparent.—*Glanville.*

When *self* is understood, the word takes the guise of an intransitive, or neuter, rather than that of what it really is, a transitive or active verb. The following extract in the previous editions is entered as a verb neuter.

My husband bids me; now I will *unmask.*
This is that face was worth the looking on.
Shakespear, Measure for Measure, v. 1.

Unmásterable. *adj.* Unconquerable; not to be subdued. *Rare.*

The fœtor is *unmasterable* by the natural heat of man; not to be dulcified by concoction, beyond unsavoury condition.—*Sir T. Browne, Vulgar Errours.*

Unmástered. *part. pref.* Not subdued, conquered, or controlled.

Weigh what loss your honour may sustain, if you
Or lose your heart, or your chaste treasure open
To his *unmaster'd* importunity.
Shakespear, Hamlet, i. 3.

He cannot his *unmaster'd* grief sustain,
But yields to rage, to madness, and disdain.
Dryden.

Unmátchable. *adj.* Incapable of being matched; unparalleled; unequalled. *Rare.*

The soul of Christ, that saw in this life the face of God, was, through so visible presence of Deity, filled with all manner of graces and virtues in that *unmatchable* degree of perfection; for which, of him we read it written, that God with the oil of gladness anointed him.—*Hooker, Ecclesiastical Polity.*

Unmátched. *part. pref.* Matchless; having no match, or equal.

That glorious day, which two such navies saw,
As each, *unmatch'd*, might to the world give law;
Neptune, yet doubtful whom he should obey,
Held to them both the trident of the sea. *Dryden.*

Unméaning. *part. pref.* Expressing no meaning; having no meaning.

Unméant. *part. pref.* Not intended.

The flying spear was after Ilus sent:
But Rhætus happen'd on a death *unmeant.*
Dryden, Translation of the Æneid, x. 560.

Unméasurable. *adj.* Incapable of being measured; immeasurable.

Common mother! thou
Whose womb *unmeasurable*, and infinite breast
Teems and feeds all.
Shakespear, Timon of Athens, iv. 3.

Unméasurably. *adv.* In an unmeasurable manner; beyond all bounds; beyond measure; immeasurably.

He delivered how *unmeasurably* glad his catholick majesty was of his coming.—*Howell, Letters*, i. 3, 15.

Men who think so *unmeasurably* of themselves as the Deists.—*Leslie, Short and Easy Method with the Deists.*

Unméasured. *part. pref.*

1. Immense; infinite.

Does the sun dread the imaginary sign,
Nor farther yet in liquid æther roll,
Till he has gain'd some unfrequented place,
Lost to the world, in vast, *unmeasured* space?
Sir R. Blackmore.

2. Not measured; plentiful beyond measure.

From him all perfect good,
Unmeasured out, descends.
Milton, Paradise Lost, v. 398.

Unméddling. *part. pref.* Not interfering with the affairs of others.

A good wife, a tender mother, and an *unmeddling* queen.—*Lord Chesterfield.*

Unméddlingness. *s.* Attribute suggested by Unmeddling; absence of interposition or intermeddling.

If then we be but sojourners, and that in a strange land, here must be an ἀπραγμοσύνη, an *unmeddlingness* with these worldly concernments.—*Bishop Hall, Remains*, p. 202.

Unméddled. *part. pref.* Not touched; not altered: (with *with*).

The flood-gate is opened and closed for six days, continuing other ten days *unmeddled with.*—*Carew, Survey of Cornwall.*

Unméditated. *part. pref.* Not formed by previous thought.

Neither various style,
Nor holy rapture wanted they, to praise
Their Maker, in fit strains pronounced, or sung
Unmeditated. *Milton, Paradise Lost*, v. 146.

Unmeét. *adj.* [A.S. *unmete.*] Not fit; not proper; not worthy.

Madam was young, *unmeet* the rule of sway.
Spenser.

O my father!
Prove you that any man with me conversed
At hours *unmeet*, refuse me, hate me.
Shakespear, Much Ado about Nothing, iv. 1.

Its fellowship *unmeet* for thee,
Good reason was thou freely should'st dislike.
Milton, Paradise Lost, viii. 442.

That muse desires the last, the lowest place,
Who, though *unmeet*, yet touch'd the trembling string
For the fair fame of Anne.
Prior, Ode to Queen Anne, xxxv.

Unmeétly. *adv.* In an unmeet manner; not properly; not suitably.

So both together travell'd, till they met
With a faire mayden clad in mourning weed
Upon a mangy jade *unmeetly* set.
Spenser, Faerie Queen, vi. 6, 16.

Unmeétness. *s.* Attribute suggested by Unmeet; unfitness; unsuitableness.

He that loved not to see the disparity of several cattle at the plough, cannot be pleased with vast *unmeetness* in marriage.—*Milton, On the Doctrine and Discipline of Divorce*, i. 13.

Unméllowed. *part. pref.* Not fully ripened.

His years but young, but his experience old;
His head *unmellow'd*, but his judgment ripe.
Shakespear, Two Gentlemen of Verona, ii. 4.

Unmelódious. *adj.* Harsh; grating; not melodious.

The *unmelodious* noise of the braying mules and jingling of the camels' bells.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 173.

Unmélted. *part. pref.* Undissolved by heat.

Snow on Ætna does *unmelted* lie,
Whence rolling flames and scatter'd cinders fly.
Waller.

Unméntionable. *adj.* Incapable of being, not to be, mentioned: (used as a *plural substantive* as a synonym for Inexpressibles).

Unméntioned. *part. pref.* Not told; not named.

They left not any error in government *unmentioned* or unpressed with the sharpest and most pathetical expressions.—*Lord Clarendon, History of the Grand Rebellion.*

Unmércenary. *adj.* Not venal; disinterested.

Praise is a generous and *unmercenary* principle, which proposes no other art to itself, but to do, as is fit for a creature endowed with such faculties to do, towards the most perfect and beneficent of beings.—*Bishop Atterbury, Sermons.* (Ord MS.)

Unmérchantable. *adj.* Unsaleable; not vendible.

They feed on salt, *unmerchantable* pilchard.—*Carew, Survey of Cornwall.*

Unmérciful. *adj.*

1. Cruel; severe; inclement.

For the humbling of this *unmerciful* pride in the eagle, providence has found out a way.—*Sir R. L'Estrange.*

2. Unconscionable; exorbitant.

Not only the peace of the honest, unwriting subject was daily molested, but *unmerciful* demands were made of his applause.—*Pope.*

Unmércifully. *adv.* In an unmerciful manner; without mercy; without tenderness.

A little warm fellow fell most *unmercifully* upon his Gallick majesty.—*Addison.*

Unmércifulness. *s.* Attribute suggested by Unmerciful; inclemency; cruelty; want of tenderness.

Consider the rules of friendship, lest justice turn into *unmercifulness.*—*Jeremy Taylor, Rule and Exercises of Holy Living.*

Unméritable. *part. pref.* Having no desert. *Rare.*

Your love deserves my thanks; but my desert

Too unequal work we find,
Against unequal arms to fight in pain;
Against *unpain'd*, impassive.
Milton, Paradise Lost, vi. 453.

Unpaínful. *adj.* Giving no pain.

That is generally called hard, which will put us to pain, sooner than change figure; and that soft, which changes the situation of its parts, upon an easy and *unpainful* touch.—*Locke.*

Unpálatable. *adj.* Nauseous; disgusting.

The man who laughed but once to see an ass
Mumbling to make the cross-grain'd thistles pass,
Might laugh again to see a jury chaw
The prickles of *unpalatable* law.
Dryden, The Medal, 145.

A good man will be no more disturbed at the methods of correction, than by seeing his friend take *unpalatable* physick.—*Collier, Essays, On Kindness.*

Unparadise. *v. a.* Deprive of happiness resembling that of paradise.

Unparadiz'd, brought from joy to misery.—*Cockeram.*

Could you, so rich in rapture, fear an end,
That ghastly thought would drink up all your joy,
And quite *unparadise* the realms of light?
Young, Night Thoughts, night i.

Unparagoned. *part. pref.* Unequalled; unmatched.

Either your *unparagoned* mistress is dead, or she is outprized by a trifle.—*Shakespear, Cymbeline*, i. 5.

Unparallelable. *adj.* Incapable of being paralleled. *Rare.*

The more thou wert obscured, the more didst thou manifest thy most admirable humility, and *unparallelable* love to mankind, whose weakness thou disdainest not to take up.—*Bishop Hall, Mystery of Godliness.* (Ord MS.)

Unparalleled. *part. pref.* Not matched; not to be matched; having no equal.

I have been
The book of his good acts, whence men have read
His fame, *unparallel'd*, haply amplified.
Shakespear, Coriolanus, v. 2.

Who had thought this clime had held
A deity so *unparalleled?* *Milton, Arcades*, 24.

The father burst out again in tears, upon receiving this instance of an *unparalleled* fidelity from one, who he thought had given himself up to the possession of another.—*Addison.*

Unpárdonable. *adj.* Incapable of being pardoned; irremissible.

It was thought in him an *unpardonable* offence to alter any thing; in us as intolerable that we suffer any thing to remain unaltered.—*Hooker, Ecclesiastical Polity.*

The kinder the master, the more *unpardonable* is the traitor.—*Sir R. L'Estrange.*

Unpárdonably. *adv.* In an unpardonable manner; so as to be beyond forgiveness.

Luther's conscience turns these reasonings upon him, and infers that Luther must have been *unpardonably* wicked in using masses for fifteen years. *Bishop Atterbury.*

Unpárdoned. *part. pref.*

1. Not forgiven.

How know we that our souls shall not this night be required, laden with those *unpardoned* sins, for which we proposed to repent to-morrow?—*Rogers.*

2. Not discharged; not cancelled by a legal pardon.

My returning into England *unpardoned*, hath destroyed that opinion.—*Sir W. Raleigh.*

Unpárdoning. *part. pref.* Not forgiving.

Curse on the *unpardoning* prince, whom tears can draw
To no remorse: who rules by lion's law;
And deaf to prayers, by no submission bow'd,
Rends all alike, the penitent and proud.
Dryden, Palamon and Arcite, ii. 444.

Unpárliamentariness. *s.* Attribute suggested by Unparliamentary; contrariety to the usage or constitution of parliament.

Sensible he was of that disrespect, reprehending them for the *unparliamentariness* of their remonstrance in print.—*Lord Clarendon, History of the Grand Rebellion.*

Unpárliamentary. *adj.* Contrary to the rules of parliament.

The secret of all this unprecedented proceeding in their masters, they must not impute to their freedom in debate, but to that *unparliamentary* abuse of setting individuals upon their shoulders, who were hated by God and man.—*Swift.*

Unpártable. *adj.* Incapable of being parted; indivisible; inseparable. *Rare.*

The soul is a life of itselfe, a life all in one, *unpartable.*—*Trewnesse of Christian Religion*, p. 272. (Ord MS.)

An *unpenetrable* rock, an unaccessible desert.—*G. Herbert, Country Parson*, ch. xxxiv.

Unpénitent. *adj.* Impenitent.

God will not relieve the *unpenitent*,
Nor to the prayers of wicked souls consent.
Sandys, Paraphrase of Job, p. 52.

Unpénsioned. *part. pref.* Not kept in dependence by a pension.

Could pension'd Boileau lash in honest strain
Flatt'rers and bigots, ev'n in Louis' reign;
And I not strip the gilding off a knave,
Unplaced, *unpension'd*, no man's heir or slave?
Pope, Imitations of Horace, b. ii. sat. i.

He was the Polish Solomon:
So wrote his poets, all but one,
Who, being *unpensioned*, wrote a satire,
And boasted that he could not flatter.
Byron, Mazeppa

Unpéople. *v. a.* Depopulate; deprive of inhabitants.

Shall war *unpeople* this my realm?
Shakespear, Henry VI. Part III. i. 1.

He must be thirty-five years old, a doctor of the faculty, and eminent for his religion and honesty; that his rashness and ignorance may not *unpeople* the commonwealth.—*Addison.*

Unperceívable. *adj.* Incapable of being perceived.

It enforced those precepts seemingly unreasonable, by such promises as were seemingly as incredible, and *unperceivable*.—*Bishop Pearson, Exposition of the Creed*, art. ii.

Unpierced, is in the lasting tempest worn.
Gay, Trivia, i. 47.

Unpíllared. *part. pref.* Deprived of pillars.

See the cirque falls! the *unpillar'd* temple nods!
Streets paved with heroes! Tiber choked with gods!
Pope, Dunciad, iii. 107.

Unpíllowed. *part. pref.* Wanting a pillow.

Perhaps some cold bank is her bolster now,
Or 'gainst the rugged bark of some broad elm,
Leans her *unpillow'd* head, fraught with sad fears.
Milton, Comus, 353.

Unpín. *v. a.* Open what is shut, undo what is fastened, with a pin.

My love doth so approve him,
That even his stubbornness, his cheeks and frowns,
(Pr'ythee *unpin* me) have grace and favour in them.
Shakespear, Othello, iv. 3.

Who is the honest man?
He that doth still and strongly good pursue,
To God, his neighbour, and himself most true:
Whom neither force, nor fawning can
Unpin, or wrench from giving all their due.
G. Herbert.

Unpínked. *part. pref.* Not marked with eyelet holes.

Gabriel's pumps were all *unpink'd* i' th' heel.
Shakespear, Taming of the Shrew, iv. 1.

Figs there *unplanted* through the fields do grow,
Such as fierce Cato did the Romans show. *Waller.*

Unplaúsible. *adj.* Not plausible; not having a fair appearance.

There was a mention of granting five subsidies; and that meeting being, upon very unpopular and *unplausible* reasons, immediately dissolved, those five subsidies were exacted, as if an act had passed to that purpose.—*Lord Clarendon, History of the Grand Rebellion.*

I, under fair pretence of friendly ends,
And well-placed words of glosing courtesy,
Baited with reasons not *unplausible*,
Wind me into the easy-hearted man,
And hug him into snares. *Milton, Comus*, 160.

Unplaúsive. *adj.* Not showing approval by the clapping of hands; not approving.

'Tis like he'll question me,
Why such *unplausive* eyes are bent on him.
Shakespear, Troilus and Cressida, iii. 3.

Unpleádable. *adj.* Incapable of being pleaded.

It is a blindness brought upon a man, because he would not see; otherwise all ignorance, that is merely negative and inculpable presumption, is utterly inconsistent with, and makes absolutely *unpleadable*.—*South, Sermons*, vii. 202.

Unpleásant. *adj.* Not delighting; troublesome; uneasy.

Their skilful ears perceive certain harsh and *unpleasant* discords in the sound of our common prayer, such as the rules of divine harmony, such as the laws of God cannot bear.—*Hooker, Ecclesiastical Polity.*

Wisdom is very *unpleasant* to the unlearned.—*Ecclesiasticus*, v. 20.

Unpleásantly. *adv.* In an unpleasant manner.

We cannot boast of good-breeding, and the art of life; but yet we don't live *unpleasantly* in primitive simplicity and good humour.—*Pope.*

Unpleásantness. *s.* Attribute suggested by Unpleasant; want of qualities to give delight.

As for *unpleasantness* of sound, if it doth happen, the good of men's souls doth deceive our ears, that we note it not, or arm them with patience to endure it.—*Hooker, Ecclesiastical Polity.*

Unpleáse. *part. pref.* Not pleased; not delighted.

Me rather had, my heart might feel your love,
Than my *unpleased* eye feel your courtesy.
Shakespear, Richard II. iii. 3.

Condemn'd to live with subjects ever mute,
A savage prince, *unpleased*, though absolute.
Dryden.

Unpleásing. *part. pref.* Offensive; disgusting; giving no delight.

Set to dress this garden:
How dares thy tongue sound this *unpleasing* news?
Shakespear, Richard II. iii. 4.

Howe'er *unpleasing* be the news you bring.
I blame not you, but your imperious king.
Dryden, Translation of the First Book of the Iliad, 467.

Unpleásingness. *s.* Attribute suggested by Unpleasing; want of qualities to please.

It being an unseemly affront to the sequestered and veiled modesty of that sex, to have her *unpleasingness* bandied up and down, and aggravated, in open court.—*Milton, Doctrine and Discipline of Divorce*, ii. 21.

Unpleásive. *adj.* Not pleasing. *Rare.*

Grief is never but an *unpleasive* passion; the rest have some life and contentment in them.—*Bishop Hall, Remains*, p. 108.

Unpliant. *adj.* Not easily bent; not conforming to the will.

The chisel hath more glory than the pencil; that being so hard an instrument, and working upon so *unpliant* stuff, can yet leave strokes of so gentle appearance.—*Sir H. Wotton.*

Milton, Paradise Regained, iii. 393.

Unpreférred. *part. pref.* Not advanced.

To make a scholar, keep him under, while he is young, or *unpreferred*.—*Collier, Essays, Of Pride.*

Unprégnant. *adj.* Not prolific; not quick of wit.

This deed unshapes me quite, makes me *unpregnant*,
And dull to all proceedings.
Shakespear, Measure for Measure, iv. 4.

Unprejúdicate. *adj.* Not prepossessed by any settled notions.

A pure mind in a chaste body is the mother of wisdom, sincere principles, and *unprejudicate* understanding.—*Jeremy Taylor.*

Unprejúdicated. *part. pref.* Unprejudicate. *Rare.*

Let me appeal to the hearts of all judicious and *unprejudicated* readers.—*Bishop Hall, Remains*, p. 338.

Unpréjudiced. *adj.* Free from prejudice; free from prepossession; not preoccupied by opinion; void of preconceived notions.

The meaning of them may be so plain, as that any *unprejudiced* and reasonable man may certainly understand them.—*Archbishop Tillotson.*

Unpréjudicedness. *s.* State of being unprejudiced.

Hearing the reason of the case with patience and *unprejudicedness*, is an equity which men owe to every truth that can in any manner concern them. *H. Clarke, On the Attributes*, p. 6: 7th ed.

Unprélatical. *adj.* Unsuitable to a prelate.

The archbishop of York, by such *unprelatical*, ignominious arguments, in plain terms advised him to pass that act.—*Lord Clarendon, History of the Grand Rebellion.*

Unpremédítated. *part. pref.* Not prepared in the mind beforehand.

Ask me what question thou canst possible,
And I will answer *unpremeditated*.
Shakespear, Henry VI. Part I. i. 2.

She dictates to me slumbering; or inspires
Easy my *unpremeditated* verse.
Milton, Paradise Lost, ix. 23.

The slow of speech make *unpremeditated* harangues, or converse readily in languages that they are but little acquainted with.—*Addison.*

Unprepáred. *part. pref.*

1. Not fitted by previous measures.

In things which most concern
Unpractised, *unprepared*, and still to seek.
Milton, Paradise Lost, viii. 196.

To come *unprepared* before him is an argument that we do not esteem God.—*Duppa, Rules for Devotion.*

Fields are full of eyes, and woods have ears;
For this the wise are ever on their guard,
For, unforeseen, they say, is *unprepared*.
Dryden, Palamon and Arcite, ii. 72.

2. Not made fit for the dreadful moment of departure.

I would not kill thy *unprepared* spirit;
No, heaven forefend. *Shakespear, Othello*, v. 2.
My *unprepared* and unrepenting breath,
Was snatch'd away by the swift hand of death.
Lord Roscommon.

Unprepáredness. *s.* Attribute suggested by Unprepared; state of being unprepared.

I believe my innocency and *unpreparedness* to assert my rights and honour, make me the most

guilty in their esteem; who would not so easily have declared a war against me, if I had first assaulted them.—*Eikon Basilike.*

Unprepossessed. *part. pref.* Not prepossessed; not preoccupied by notions.

The *unprepossessed* on the one hand, and the well-disposed on the other, are affected with a due fear of these things.—*South, Sermons.*

It finds the mind naked, and *unprepossessed* with any former notions, and so easily and insensibly gains upon the assent.—*Ibid.*

Unprèssed. *part. pref.*

1. Not pressed.

Have I my pillow left *unpress'd* in Rome?
Shakespear, Antony and Cleopatra, iii. 11.

In these soft shades, *unpress'd* by human feet,
The happy phœnix keeps his balmy seat. *Tickell.*

2. Not inforced.

They left not any errour in government unmentioned, or *unpressed,* with the sharpest and most pathetical expressions.—*Lord Clarendon, History of the Grand Rebellion.*

Unpresúmptuous. *adj.* Not presumptuous; submissive; humble.

Who, with filial confidence inspired,
Can lift to heaven an *unpresumptuous* eye,
And smiling say, 'My Father made them all.'
Cowper, Task, b. v.

Unpreténding. *part. pref.* Not claiming any distinctions.

Bad writers are not ridiculed, because ridicule ought to be a pleasure; but to undeceive and vindicate the honest and *unpretending* part of mankind from imposition.—*Pope.*

Unprevaíling. *part. pref.* Being of no force.

Throw to earth this *unprevailing* woe.
Shakespear, Hamlet, i. 2.

Unprevénted. *part. pref.*

1. Not previously hindered.

A pack of sorrows which would press you down,
If *unprevented,* to your timeless grave.
Shakespear, Two Gentlemen of Verona, iii. 1.

2. Not preceded by anything.

Thy grace
Comes *unprevented,* unimplored, unsought.
Milton, Paradise Lost, iii. 230.

Leo, bishop of Rome, only *unpriests* him.—*Milton, Judgment of M. Bucer,* ch. xxiv.

Unpriéstly. *adj.* Unsuitable to a priest.

King Edgar, in his oration to the clergy, rebuked the priestes very sore for banketтynge with their wines; for pretermittynge their canonical hours; for their *unpriestly* apparellings.—*Bale, Acts of English Votaries,* pt. i. fol. 91.

Unprincely. *adj.* Unsuitable to a prince.

I could not have given my enemies greater advantages, than by so *unprincely* an inconstancy.—*Eikon Basilike.*

Unprincipled. *part. pref.* Not settled in tenets or opinions.

I do not think my sister so to seek,
Or so *unprincipled* in virtue's book,
As that the single want of light and noise
Could stir the constant mood of her calm thoughts.
Milton. Comus, 366.

Unprínted. *part. pref.* Not printed.

Defer it, till you have finished these that are yet *unprinted.*—*Pope.*

Unprisoned. *part. pref.* Set free from confinement.

Several desires led parts away,
Water declined with earth, the air did stay;
Fire rose, and each from other but untied,
Themselves *unprison'd* were, and purified. *Donne.*

Unprízable. *part. pref.* Incapable of being prized, or having a price set upon it; either as being above or below valuation: (in the extract it has the *latter* sense, which is the *rarer* one; the word itself being uncommon. Invaluable, which is the usual term, always means *above* valuation).

A bauble vessel was he captain of,
For shallow draught and bulk *unprizable.*
Shakespear, Twelfth Night, v. 1.

Unprízed. *part. pref.* Not valued.

Not all the dukes of waterish Burgundy,
Can buy this *unprized,* precious maid of me.
Shakespear, King Lear, i. 1.

Unproclaímed. *part. pref.* Not notified by a public declaration.

The Syrian king, who to surprize
One man, assassin-like, had levied war,
War *unproclaim'd. Milton, Paradise Lost,* xi. 218.

Unprodúctive. *adj.* Having no power to produce; not efficient; barren.

The more accurately we search into the human mind, the stronger traces we every where find of His wisdom who made it. If a discourse on the use of the parts of the body may be considered as an hymn to the Creator; the use of the passions, which are the organs of the mind, cannot be barren of praise, nor *unproductive* to ourselves of that noble and uncommon union of science and admiration, which a contemplation of the works of infinite wisdom alone can afford to a rational mind.—*Burke, On the Sublime and Beautiful,* pt. i. § 19.

Unprofáned. *part. pref.* Not violated in respect to sanctity.

Unspoil'd shall be her arms, and *unprofaned*
Her holy limbs with any human hand:
And in a marble tomb laid in her native land.
Dryden, Translation of the Æneid, xi. 890.

Unprófitable. *adj.* Useless; serving no purpose.

My son Onesimus I have begotten in my bonds; which in time past was to thee *unprofitable,* but now profitable to thee and me.—*Philemon,* 11.

They receive aliment sufficient, and yet no more than they can well digest; and withal sweat out the coarsest and *unprofitablest* juice.—*Bacon, Natural and Experimental History.*

With tears so tender, as adorn'd his love,
As any heart, but only hers could move;
Trembling before her bolted doors he stood,
And there pour'd out th' *unprofitable* flood.
Dryden, The Despairing Lover, 29.

Unprófitableness. *s.* Attribute suggested by Unprofitable.

We are so persuaded of the *unprofitableness* of your science, that you can but leave us where you find us; but if you succeed, you increase the number of your party.—*Addison.*

Unprófitably. *adv.* In an unprofitable manner; uselessly; without advantage.

I should not now *unprofitably* spend
Myself in words, or catch at empty hope,
By airy ways, for solid certainties. *B. Jonson.*

Our country's cause,
That drew our swords, now wrests 'em from our hands,
And bids us not delight in Roman blood
Unprofitably shed. *Addison, Cato.*

Unprófited. *part. pref.* Having no gain.

Be clamorous, and leap all civil bounds,
Rather than make *unprofited* return.
Shakespear, Twelfth Night, i. 4.

Unprojécted. *part. pref.* Not planned; not formed in the mind.

As far and wide as such heresies have reigned and raged in their time, and as woful a havock as they have made of souls, they have been often taken up at first by mere accident, or upon some slight, trivial, *unprojected* occasion.—*South, Sermons,* vol. iv. serm. viii.

Unprolífic. *adj.* Barren; not productive.

Great rains drown many insects, and render their eggs *unprolifick,* or destroy them.—*Sir M. Hale.*

Unprómising. *part. pref.* Giving no promise of excellence; having no appearance of value.

An attempt as difficult and *unpromising* of success, as if he should make the essay, to produce some new kinds of animals out of such senseless materials.—*Bentley.*

Unprómpted. *part. pref.* Not dictated.

Oh no, we must not, will not, cannot part;
And my tongue talks, *unprompted* by my heart.
Congreve, Elegy to Cynthia.

Unpronoúnced. *part. pref.* Not uttered; not spoken.

Imperfect words, with childish trips,
Half *unpronounced,* slide through my infant lips.
Milton, Vacation Exercises, 3.

Unpróper. *adj. Rare.*

1. Not peculiar.

Millions nightly lie in those *unproper* beds,
Which they dare swear peculiar.
Shakespear, Othello, iv. 1.

2. Improper.

Unpróperly. *adv.* In an improper manner; contrarily to propriety; improperly.

I kneel before thee, and *unproperly*
Shew duty as mistaken all the while
Between the child and parent.
Shakespear, Coriolanus, v. 3.

Unprophétic, Unprophétical. *adj.* Not foreseeing or foretelling future events.

How *unprophetical* would it be, to say they should some time know what they already knew?—*Ellis, Knowledge of Divine Things,* p. 305.

Wretch that he was, of *unprophetick* soul!
Pope, Translation of the Odyssey.

Unpropítious. *adj.* Not favourable; inauspicious.

Now flamed the dog-star's *unpropitious* ray
Smote ev'ry brain, and wither'd ev'ry bay,
Sick was the sun. *Pope, Dunciad,* iv. 9.

Unpropórtionable. *adj.* Not suitable; not such as is fit.

I wish the present caution may be more attended to, not to bestow an *unproportionable* part of our time or value on this slight exercise of man's slightest faculty.—*Dr. H. More, Government of the Tongue,* p. 127.

Unpropórtionate. *adj.* Not proportioned; not suited.

It [to raise the dead] is an act beyond the activity of any creature, and *unproportionate* to the power of any finite agent.—*Bishop Pearson, Exposition of the Creed,* art. v.

Unpropórtioned. *part. pref.* Not suited to something else.

Give thy thoughts no tongue,
Nor any *unproportioned* thought his act.
Shakespear, Hamlet, i. 3.

Unpropósed. *part. pref.* Not proposed.

The means are *unproposed. Dryden.*

Unprópped. *part. pref.* Not supported; not upheld.

He lies at random, carelessly diffused,
With languish'd head *unpropp'd,*
As one past hope, abandon'd,
And by himself given over.
Milton, Samson Agonistes, 118.

The fatal fang drove deep within his thigh,
And cut the nerves; the nerves no more sustain
The bulk; the bulk, *unpropp'd,* falls headlong on the plain. *Dryden, Translation from Ovid, Meleager and Atalanta.*

Unprósperous. *adj.* Unfortunate; not prosperous.

The winter had been very *unprosperous* and unsuccessful to the king.—*Lord Clarendon, History of the Grand Rebellion.*

Nought *unprosperous* shall thy ways attend,
Born with good omens, and with heav'n thy friend.
Pope, Translation of the Odyssey, iii. 37.

Unprósperously. *adv.* In an unprosperous manner; unsuccessfully.

When a prince fights justly, and yet *unprosperously,* if he could see all those reasons for which God hath so ordered it, he would think it the most reasonable thing in the world.—*Jeremy Taylor.*

Unprósperousness. *s.* Attribute suggested by Unprosperous; state of being unprosperous.

The *unprosperousness* of the arm of flesh, the several failings of the second causes which we hav idolized so often.—*Hammond, Works,* iv. 492.

Unprotected. *part. pref.* Not protected; not supported; not defended.

By woeful experience, they both did learn, that to forsake the true God of heaven, is to fall into all such evils upon the face of the earth, as men, either destitute of grace divine, may commit, or *unprotected* from above, endure.—*Hooker, Ecclesiastical Polity.*

Unpróved. *part. pref.*

1. Not tried; not known by trial.

There I found a fresh, *unproved* knight,
Whose manly hands, imbrued in guilty blood,
Had never been. *Spenser, Faerie Queen.*
(For another example see under Unmanured.)

2. Not evinced by argument.

There is much of what should be demonstrated, left *unproved* by those chymical experiments.—*Boyle.*

Unprovíde. *v. a.* Divest of resolution or qualifications; unfurnish.

I'll not expostulate with her; lest
Her beauty *unprovide* my mind again.
Shakespear, Othello, iv. 1.

Unprovíded. *part. adj.*

1. Not secured or qualified by previous measures.

Where shall I find one that can steal well? O, for a fine thief of two-and-twenty, or thereabout; I am heinously *unprovided!*—*Shakespear, Henry IV. Part I.* iii. 3.

Tears, for a stroke foreseen, afford relief;
But *unprovided* for a sudden blow,
Like Niobe we marble grow,
And petrify with grief.
Dryden, Threnodia Augustalis, 5.

2. Not furnished; not previously supplied.

The seditious had neither weapons, order, nor counsel; but being in all things *unprovided,* were slain like beasts.—*Sir J. Hayward.*

With *of*: (at present, *with* is the commoner preposition).

True zeal is not a solitary, melancholy grace, as if only fit to dwell in mean minds; such as are utterly *unprovided of* all other natural, moral, or spiritual abilities.—*Bishop Sprat.*

Courts are seldom *unprovided of* persons under this character, on whom most employments naturally fall.—*Swift.*

Unprovóked. *part. pref.* Not provoked.

The teeming earth, yet guiltless of the plough,
And *unprovoked*, did fruitful stores allow.
Dryden, Translation from Ovid, Metamorphoses, b. i.

Let them forbear all open and secret methods of encouraging a rebellion so destructive and so *unprovoked.—Addison.*

Unprovóking. *part. pref.* Giving no offence.

I stabbed him, a stranger, *unprovoking*, inoffensive.—*Fleetwood.*

The most unwise and *unprudential* act as to civil government.—*Milton, Iconoclastes*, § 23.

Unprúned. *part. pref.* Not cut; not lopped.

The whole land is full of weeds;
Her fruit trees all *unpruned.*
Shakespear, Richard II. iii. 4.

Unpúblic. *adj.* Private; not generally known, or seen.

Virgins must be retired and *unpublick*; for all freedom of society is a violence done to virginity, not in its natural, but in its moral capacity; that is, it loses part of its severity and strictness, by publishing that person, whose work is religion, whose thoughts must dwell in heaven.—*Jeremy Taylor.*

Unpúblished. *part. adj.*

1. Secret; unknown.

All blest secrets;
All you *unpublish'd* virtues of the earth,
Spring with my tears.
Shakespear, King Lear, iv. 4.

2. Not given to the public.

Apply your care wholly to those which are *unpublished.—Pope.*

Unpúnished. *part. pref.* Not punished; suffered to continue in impunity.

Bind not one sin upon another, for in one thou shalt not be *unpunished.—Ecclesiasticus*, viii. 8.

The vent'rous victor, march'd *unpunish'd* hence,
And seem'd to boast his fortunate offence.
Dryden.

Unpúrchased. *part. pref.* Unbought.

Unpurchased plenty our full tables loads,
And part of what they lent return t' our gods.
Sir J. Denham, Of Old Age, pt. iii.

Unpúre. *adj.* Impure: (this *latter* being the *better* term).

Of so *unpure* constitutions, that we can present no object but sin.—*Donne.*

Unpúrged. *part. pref.* Not purged; unpurified.

Is Brutus sick?
And will he steal out of his wholesome bed,
To tempt the rheumy and *unpurged* air,
To add unto his sickness?
Shakespear, Julius Cæsar, ii. 1.

Unpúrified. *part. pref.*

1. Not freed from recrement.
2. Not cleansed from sin.

Our sinful nation having been long in the furnace, is now come out, but *unpurified.—Dr. H. More, Decay of Christian Piety.*

Unpúrposed. *part. pref.* Not designed; not intentional.

Do it,
Or thy precedent services are all
But accidents *unpurposed.*
Shakespear, Antony and Cleopatra, iv. 12.

Unpursúed. *part. pref.* Not pursued.

All night the dreadless angel *unpursued*
Through heaven's wide champain held his way.
Milton, Paradise Lost, vi. 1.

Unpútrefied. *part. pref.* Not corrupted by rottenness.

Meat and drink last longer *unputrified*, or unsoured, in winter than in summer.—*Bacon, Natural and Experimental History.*

Unquálified. *part. adj.*

1. Wanting a qualification.

Till he has denudated himself of all these incumbrances, he is utterly *unqualified* for these agonies. —*Dr. H. More, Decay of Christian Piety.*

All the writers against Christianity, since the revolution, have been of the lowest rank in regard to literature, wit, and sense; and upon that account wholly *unqualified* to propagate heresies, unless among a people already abandoned.—*Swift.*

2. Applied, under the old Game Laws, to persons who could not legally apply for a licence to kill game.

There arise unto the examination such satisfactory and *unquarrelable* reasons as may confirm the causes generally received.—*Sir T. Browne, Vulgar Errours.*

Unqueén. *v. a.* Divest of the dignity of queen.

Embalm me,
Then lay me forth; although *unqueen'd* yet like
A queen, and daughter to a king, inter me.
Shakespear, Henry VIII. iv. 2.

Unquénchable. *adj.* Incapable of being quenched, allayed, or extinguished.

We represent wildfires burning in water and *unquenchable.—Bacon.*

Our love of God, our *unquenchable* desires to promote our well-grounded hopes to enjoy his glory, should take the chief place in our zeal.—*Bishop Sprat, Sermons.*

Unquénchableness. *s.* Attribute suggested by Unquenchable; unextinguishableness.

I was amazed to see the *unquenchableness* of this fire.—*Hakewill, Apology.*

Unquénched. *part. pref.* Not extinguished.

We have heats of dungs, and of lime *unquenched.* —*Bacon.*

Sadness, or great joy, equally dissipate the spirits, and immoderate exercise in hot air, with *unquenched* thirst.—*Arbuthnot.*

Unquéstionable. *adj.* Incapable of being questioned; indubitable; not to be doubted.

One reason that mathematical demonstrations are uncontroverted, is because interest hath no place in those *unquestionable* verities.—*Glanville, Scepsis Scientifica.*

There is an *unquestionable* magnificence in every part of Paradise Lost.—*Addison.*

Unquéstioned. *part. pref.*

1. Not doubted; passed without doubt; undisputed.

It did not please the gods, who instruct the people;
And their *unquestion'd* pleasures must be served.
B. Jonson.

His senses droop, his steady eyes *unquick*;
And much he ails, and yet he is not sick.
Daniel, Civil Wars of York and Lancaster.

Unquíckened. *part. pref.* Not animated; not ripened to vitality.

Every fœtus bears a secret hoard,
With sleeping, unexpanded issue stored;
Which num'rous, but *unquicken'd* progeny,
Clasp'd, and enwrapp'd, within each other lie.
Sir R. Blackmore.

Unquíet. *adj.*

1. Moved with perpetual agitation; not calm; not still.

From grammatick flats and shallows, they are on the sudden transported to be tossed and turmoiled with their unballasted wits, in fathomless and *unquiet* depths of controversy.—*Milton, Tractate on Education.*

2. Disturbed; full of perturbation; not at peace.

Go with me to church, and call me wife,
And then away to Venice to your friend;
For never shall you lie by Portia's side
With an *unquiet* soul.
Shakespear, Merchant of Venice, iii. 2.

3. Restless; unsatisfied.

She glares in balls, front boxes, and the ring;
A vain, *unquiet*, glitt'ring, wretched thing.
Pope, Epistles to Miss Blount, ep. i.

Unquíet. *v. a.* Disquiet; make uneasy.

Having weighed the matter, and deeply pondered the gravity thereof, wherewith they were greatly troubled and *unquieted*, resolved finally that the archbishop should reveal the same to the king's majesty.—*Lord Herbert, History of the Reign of Henry VIII.* p. 471.

Unquíetly. *adv.* In an unquiet manner; without rest.

Who 's there besides foul weather?—
One minded like the weather, most
Unquietly. *Shakespear, King Lear*, iii. 1.

Unquíetness. *s.* Attribute suggested by Unquiet.

1. Want of tranquillity.

Thou, like a violent noise, cam'st rushing in,
And mak'st them wake and start to new *unquietness.* *Sir J. Denham, The Sophy.*

2. Want of peace.

It is most enemy to war, and most hateth *unquietness.—Spenser.*

3. Restlessness; turbulence.

She entertained many *unreasonable* prejudices against him, before she was acquainted with his personal worth.—*Addison.*

2. Exorbitant; claiming or insisting on more than is fit.
Since every language is so full of its own proprieties, that what is beautiful in one is often barbarous in another, it would be *unreasonable* to limit a translator to the narrow compass of his author's words.—*Dryden, Preface to Translation of Ovid.*
My intention in prefixing your name, is not to desire your protection of the following papers, which I take to be a very *unreasonable* request; since, by being inscribed to you, you cannot recommend them without some suspicion of partiality.—*Swift, Project for the Advancement of Religion.*

3. Greater than is fit; immoderate.
Those that place their hope in another world, have, in a great measure, conquered dread of death, and *unreasonable* love of life.—*Bishop Atterbury.*

4. Irrational.
For the foolish devices of their wickedness, wherewith being deceived they worshipped serpents void of reason, and vile beasts, Thou didst send a multitude of *unreasonable* beasts upon them for vengeance.—*Wisdom of Solomon*, xi. 15.

Unreásonableness. *s.* Attribute suggested by Unreasonable.

1. Inconsistency with reason.
The *unreasonableness* and presumption of those that thus project, have not so much as thought, all their lives long, to advance so far as attrition.—*Hammond.*

2. Exorbitance; excessive demand.
A young university disputant was complaining of the *unreasonableness* of a lady, with whom he was engaged in a point of controversy.—*Addison, Freeholder.*

Unreásonably. *adv.* In an unreasonable manner.

1. In a manner contrary to reason.
Unreasonably disposed to give a fairer hearing to a pagan philosopher than to a Christian writer.—*Addison, Spectator*, no. 213.

2. More than enough.
I'll not over the threshold till my lord returns from the wars.—Fye! you confine yourself most *unreasonably.*—*Shakespear, Coriolanus*, i. 3.

Unreáve. *v. a.* Unravel. *Obsolete.*

1. Unwind; disentangle.
Penelope, for her Ulysses' sake,
Devised a web her wooers to deceive;
In which the work that she all day did make
The same at night she did *unreave.* *Spenser.*

2. Not tear asunder; not rive; not unroof.
Couldst thou think that a cottage not too strongly built, and standing so bleak in the very mouth of the winds, could for any long time hold right and *unreaved?*—*Bishop Hall, Balm of Gilead*, i. § 9.

Unrebáted. *part. pref.* Not blunted.
A number of fencers tried it out with *unrebated* swords.—*Hakewill, Apology.*

Keep this commandment without spot, *unrebukable*, until the appearing of Christ.—1 *Timothy*, vi. 14.

Unreceíved. *part. pref.* Not received.
Where the signs and sacraments of his grace are not, through contempt, *unreceived*, or received with contempt, they really give what they promise, and are what they signify.—*Hooker, Ecclesiastical Polity.*

Unréckoned. *part. pref.* Not enumerated.
The four substances might have been left *unreckoned* by tale.—*Bishop Gardiner, On the Sacrament*, fol. 75: 1551.

Unreclaímed. *part. pref.*

1. Not tamed.
A savageness of *unreclaimed* blood,
Of general assault. *Shakespear, Hamlet*, ii. 1.

2. Not reformed.
This is the most favourable treatment a sinner can hope for who continues *unreclaimed* by the goodness of God.—*Rogers.*

Unreconcílable. *adj.*

1. Incapable of reconciliation; not to be appeased; implacable.
Let me lament,
That our stars, *unreconcilable*, should have divided
Our equalness to this.
Shakespear, Antony and Cleopatra, v. 1.

2. Not to be made consistent with.
He had many infirmities and sins, *unreconcilable* with perfect righteousness.—*Hammond, Practical Catechism.*

Unréconciled. *part. pref.* Not reconciled.
If you bethink yourself of any crime
Unreconciled as yet to heav'n and grace,
Solicit for it straight. *Shakespear, Othello*, v. 2.

Unrecórded. *part. pref.* Not kept in remembrance by public monuments.
Unrecorded left through many an age
Worthy to have not remain'd so long unsung.
Milton, Paradise Regained, i. 16.

Unrecóverable. *adj.* Incapable of being recovered; past recovery: (Irrecoverable the *commoner* and *better* form).
Irresolution loosens all the joints of state: like an ague, it shakes not this or that limb, but all the body is at once in a fit: 'Tis the dead palsy, that, without almost a miracle, leaves a man *unrecoverable.*—*Felltham, Resolves*, ii. 14.

Unrecoúnted. *part. pref.* Not told; not related.
This is yet but young, and may be left
To some ears *unrecounted.*
Shakespear, Henry VIII. iii. 2.

Unrecruítable. *adj.* Incapable of being recruited; incapable, as an army, of having its deficiencies in the way of soldiers made good.
Empty and *unrecruitable* colonels of twenty men in a company.—*Milton, Tractate on Education.*

Unrecúrring. *part. pref.* Irremediable.
I found her straying in the park,
Seeking to hide herself; as doth the deer,
That hath received some *unrecurring* wound.
Shakespear, Titus Andronicus, iii. 1.

Unredeémed. *part. pref.* Not redeemed.

Unredréssed. *part. pref.* Wanting redress.

Unreduced. *part. pref.* Not reduced.
The earl divided all the rest of the Irish countries *unreduced*, into shires.—*Sir J. Davies, Discourse on the State of Ireland.*

Unredúcible. *adj.* Irreducible.

Unredúcibleness. *s.* Attribute suggested by Unreducible; impossibility of being reduced.
A third property of matters belonging to Christianity, and which also renders them mysterious, is, their strangeness and *unreducibleness* to the common methods and observations of nature.—*South, Sermons*, vol. iii. serm. vi.

Unrefíned. *part. pref.* Not refined.
No mines are current; *unrefined* and gross,
Coals make the sterling, nature but the dross.
Cleaveland, Poems, p. 11.

Unreformable. *adj.* Incapable of being reformed; not to be put into a new or better form.
The rule of faith is alone unmoveable and *unreformable*; to wit, of believing in one only God omnipotent, creator of the world, and in his son Jesus Christ, born of the virgin Mary.—*Hammond On Fundamentals.*

Unreformed. *part. pref.*

1. Not amended; not corrected.
This general revolt, when overcome, produced a general reformation of the Irishry, which ever before had been *unreformed.*—*Sir J. Davies, Discourse on the State of Ireland.*

2. Not brought to newness of life.
If he may believe that Christ died for him, as now he is an *unreformed* Christian, then what needs he reformation?—*Hammond.*

Unrefrácted. *part. pref.* Not refracted.
The sun's circular image is made by an *unrefracted* beam of light.—*Sir I. Newton, On Opticks.*

Unrefréshed. *part. pref.* Not cheered; not relieved.
Its symptoms are a spontaneous lassitude, being *unrefreshed* by sleep.—*Arbuthnot.*

Unregárded. *part. pref.* Not heeded; not respected; neglected.
We, ever by his might,
Had thrown to ground the *unregarded* right.
Spenser.
Do'st see how *unregarded* now
That piece of beauty passes?
There was a time when I did vow
To that alone;
But mark the fate of faces. *Sir J. Suckling.*
On the cold earth lies the *unregarded* king;
A headless carcass, and a nameless thing.
Sir J. Denham, Destruction of Troy.
Laws against immorality have not been executed, and proclamations to inforce them, are wholly *unregarded.*—*Swift.*

Unregéneracy. *s.* State of being unregenerate.
If a sinful disposition disannul our prayers, much more a state of *unregeneracy.*—*South, Sermons.*

Unregénerate. *adj.* Not brought to a new life.
This is not to be understood promiscuously of all men, *unregenerate* persons, as well as regenerate.—*Stephens.*

Unrégistered. *part. pref.* Not recorded.
Hotter hours,
Unregister'd in vulgar fame, you have,
Luxuriously pick'd out.
Shakespear, Antony and Cleopatra, iii. 11.

Unreíned. *part. pref.* Not restrained by the bridle.
Lest from this flying steed *unrein'd*, as once
Bellerophon, though from a lower clime
Dismounted, on th' Aleian field I fall.
Milton, Paradise Lost, vii. 17.

Unrejoícing. *part. pref.* Unjoyous; gloomy; sad; dismal.
Siberia's *unrejoicing* wilds.
T. Warton, Pleasures of Melancholy.

Unrélated. *part. pref.*

'Tis not the example of an ordinary or inconsiderable person, of a stranger, of one indifferent or *unrelated* to us.—*Barrow, Sermons*, vol. iii. serm. iii.

2. Having no connection with anything, or no relations.
They arise . . . from the purposed conciseness of the writer; who in the occasional mention of any matter *unrelated*, or not essential to, the dispensation, always affects a studied brevity.—*Warburton, Doctrine of Grace*, p. 78.

Unrélative. *adj.* Having no relation to, or connection with.
If you pitch upon the treaty of Munster, do not interrupt it by dipping and deviating into other books *unrelative* to it.—*Lord Chesterfield.*

Unrélatively. *adj.* In any unrelative manner; without relation to any thing else.
They saw the measures they took, singly and *unrelatively*, or relatively alone to some immediate object.—*Lord Bolingbroke, Study of History*, letter ii.

Unrelénting. *part. adj.* Hard; cruel; feeling no pity.

Place pitchy barrels on the fatal stake,
That so her torture may be shortened.—
Will *nothing* turn your *unrelenting* hearts?
Shakespear, Henry VI. Part I. v. 4.

These are the realms of *unrelenting* fate;
And awful Rhadamanthus rules the state.
Dryden, Translation of the Æneid, vi. 763.

Unreliévable. *adj.* Incapable of being relieved; admitting no succour.

As no degree of distress is *unrelievable* by his power, so no extremity of it is inconsistent with his compassion.—*Boyle.*

Unreliéved. *part. adj.*

1. Not succoured.

The goddess grieved,
Her favour'd host should perish *unrelieved.*
Dryden.

2. Not eased.

The uneasiness of *unrelieved* thirst is not lessened by continuance, but grows the more unsupportable. —*Boyle.*

Unrelínquishably. *adv.* So as not to be relinquished.

This were sufficient against a thousand inconveniences and mischiefs, to cloy a rational creature to his endless sorrow *unrelinquishably.—Milton, On the Doctrine and Discipline of Divorce.* (Ord MS.)

Unremárkable. *adj.* Incapable of being remarkable.

1. Not capable of being observed.

Our understanding, to make a complete notion, must add something else to this fleeting and *unremarkable* superfices, that may bring him to our acquaintance.—*Sir K. Digby.*

2. Not worthy of notice.

Unremédiable. *adj.* Incapable of being remedied; irremediable.

He so handled it, that it rather seemed he had more come into a defence of an *unremediable* mischief already committed, than that they had done it at first by his consent.—*Sir P. Sidney.*

To prevent this *unremediable* ruin to which thou art posting, to catch thee when thou art nodding thus dangerously, with a most affectionate, compassionate compellation of 'dearly beloved, let us cleanse ourselves.'—*Hammond, Works*, iv. 506.

Unrémedied. *part. pref.* Not cured.

Unremedied loneliness.—*Milton, On the Doctrine and Discipline of Divorce*, preface.

Unremémbering. *part. pref.* Having no memory.

That *unrememb'ring* of its former pain,
The soul may suffer mortal flesh again.
Dryden, Translation of the Æneid, vi. 1019.

Unremémbrance. *s.* Forgetfulness; want of remembrance.

Some words are negative in their original language, but seem positive, because the negation is unknown; as amnesty, an *unremembrance*, or general pardon.—*Watts, Logick.*

Unremítting. *part. pref.* Not relaxing; not abating; persevering.

Loosed be the whirlwind's *unremitting* sway.
Shenstone. Elegies, x.

Unremóvable. *adj.* Incapable of being removed; not to be taken away; irremovable.

Never was there any woman, that with more *unremovable* determination gave herself to love, after she had once set before her mind the worthiness of Amphialus.—*Sir P. Sidney.*

You know the fiery quality of the duke,
How *unremovable* and fixt he is
In his own course. *Shakespear, King Lear*, ii. 4.

Unremóvableness. *s.* Attribute suggested by Unremovable; impracticability of being removed.

Methinks I hear the soldiers, and busy officers, when they were rolling that other weighty stone, (for such we probably conceive), to the mouth of the vault, with much toil, and sweat, and breathlessness, how they bragged of the sureness of the place and *unremovableness* of that load.—*Bishop Hall, Contemplations*, b. iv.

Unremóvably. *adv.* In an unremovable manner.

His discontents are *unremovably* coupled to his nature.—*Shakespear, Timon of Athens*, v. 2.

Unremóved. *part. pref.* Not taken away.

It is impossible, where this opinion is imbibed and *unremoved*, to found any convincing argument. —*Hammond.*

We could have had no certain prospect of his happiness, while the last obstacle was *unremoved.*—*Dryden.*

Unrenéwed. *part. pref.* Not made anew; not renewed.

The corruption of a man's heart, *unrenewed* by grace, is the cause of its own hardness.—*South, Sermons*, vol. ix. serm. ii.

Unrepaíd. *part. pref.* Not recompensed; not compensated.

Had'st thou full pow'r (rage asks no more) to kill,
To measure out his torments by thy will;
Yet what couldst thou, tormentor, hope to gain?
Thy loss continues, *unrepaid* by pain.
Creech, Translation of Juvenal, xiii. 226.

Unrepeáled. *part. pref.* Not revoked; not abrogated.

When you are pinched with any *unrepealed* act of parliament, you declare you will not be obliged by it.—*Dryden.*

Unrepéntance. *s.* State of being unrepentant.

The necessity of destruction, consequent upon *unrepentance*, is drawn chiefly from the determination of the Divine Will, which hath so appointed it.—*Wharton, Sermons*, i. 371.

Unrepéntant. *adj.* Unrepenting.

Should I of these the liberty regard,
Who freed, as to their ancient patrimony,
Unhumbled, *unrepentant*, unreform'd,
Headlong would follow.
Milton, Paradise Regained, iii. 429.

Unrepénted. *part. pref.* Not expiated by penitential sorrow.

They are no fit supplicants to seek his mercy in the behalf of others, whose own *unrepented* sins provoked his just indignation.—*Hooker, Ecclesiastical Polity.*

As in *unrepented* sin she died,
Doom'd to the same bad place, is punish'd for her pride. *Dryden, Theodore and Honoria*, 168.

Unrepénting. *part. pref.* Not repenting; not penitent; not sorrowful for sin.

The conscious wretch must all his acts reveal . . .
From the first moment of his vital breath,
To his last hour of *unrepenting* death.
Dryden, Translation of the Æneid, vi. 767.

Not tyrants fierce, that *unrepenting* die . . .
E'er felt such rage, resentment, and despair,
As thou. *Pope, Rape of the Lock*, canto iv.

Unrepíning. *part. pref.* Not peevishly complaining.

Barefoot as she trod the flinty pavement,
Her footsteps all along were mark'd with blood;
Yet silent on she pass'd, and *unrepining.*
Rowe, Jane Shore, v. 1.

Unrepíningly. *adv.* In an unrepining manner; without peevish complaint.

His indisputable will must be done, and *unrepiningly* received by his own creatures, who is the Lord of all nature, and of all fortune, when he taketh now one, and then another; till the expected day, wherein it shall please him to dissolve the whole, and to wrap up even the heaven itself as in a scroll of parchment.—*Sir H. Wotton, Remains*, p. 322.

Unreplénished. *part. pref.* Not filled afresh, or so as to make up for loss.

Some air retreated thither, kept thé mercury out of the *unreplenished* space.—*Boyle.*

Unrepriévable. *part. pref.* Incapable of being reprieved; not to be respited from penal death.

Within me is a hell; and there the poison
Is as a fiend confined, to tyrannize
In *unreprievable* condemned blood.
Shakespear, King John, v. 7.

Unrepróvable. *adj.* Incapable of being reproached; not liable, or obnoxious, to reproach; not liable to blame.

You hath he reconciled, to present you holy, unblameable, and *unreprovable* in his sight.—*Colossians*, i. 22.

Unrepróved. *part. pref.*

1. Not censured.

Christians have their churches, and *unreproved* exercise of religion.—*Sandys, Travels.*

2. Not liable to censure.

The antique world, in his first flowering youth,
With gladsome thanks, and *unreproved* truth,
The gifts of sovereign bounty did embrace.
Spenser.

If I give thee honour due,
Mirth, admit me of thy crew,
To live with her, and live with thee,
In *unreproved* pleasures free. *Milton, L'Allegro*, 87.

Unrepúgnant. *adj.* Not opposite.

When Scripture doth yield us natural laws, what particular order is thereunto most agreeable; when positive, which way to make laws *repugnant* unto them.—*Hooker, Ecclesiastical Polity.*

Unréputable. *adj.* Not creditable.

When we see wise men examples of duty, we are convinced that piety is no *unreputable* qualification, and that we are not to be ashamed of our virtue.—*Rogers.*

Unrequésted *part. pref.* Not asked.

With what security can our ambassadors go, *unrequested* of the Turkish emperor, without his safe conduct?—*Knolles, History of the Turks.*

Unrequítable. *adj.* Incapable of being requited.

Some will have it that all mediocrity of folly is foolish, and because an *unrequitable* evil may ensue, an indifferent convenience must be omitted.—*Sir T. Browne, Vulgar Errours.*

So *unrequitable* is God's love, and so insolvent are we, that that love vastly improves the benefit, by which alone we might have pretended to some ability of retribution.—*Boyle.*

Unresénted. *part. pref.* Not regarded with anger.

The failings of these holy persons, passed not *unresented* by God; and the same scripture which informs us of the sin, records the punishment.—*Rogers.*

Unresérve. *s.* Absence of reserve; frankness; openness.

With these he [Dr. Bathurst] lived in the freedom of social *unreserve*, tempering the rigour of an authoritative character with the affability of a companion, and the graces of an agreeable conversation. —*Warton, Life of Bathurst*, p. 86.

Unreséerved. *part. pref.*

1. Not limited by any private convenience.

The piety our heavenly Father will accept, must consist in an entire, *unreserved* obedience to his commands; since whosoever offends in one precept is guilty of the whole law.—*Rogers.*

2. Open; frank; concealing nothing.

Unresérvedly. *adv.* In an unreserved manner.

1. Without limitations.

I am not to embrace absolutely and *unreservedly* the opinion of Aristotle.—*Boyle.*

2. Without concealment; openly.

I know your friendship to me is extensive; and it is what I owe to that friendship, to open my mind *unreservedly* to you.—*Pope.*

Unresérvedness. *s.* Attribute suggested by Unreserved.

1. Unlimitedness; largeness.

The tenderness and *unreservedness* of his love made him think those his friends or enemies that were so to God.—*Boyle.*

2. Openness; frankness.

I write with more *unreservedness* than ever man wrote.—*Pope.*

The freedom and *unreservedness* with which Boileau and Racine communicated their works to each other, is hardly to be paralleled.—*J. Warton, Essay on the Writings and Genius of Pope.*

Unresísted. *part. pref.*

1. Not opposed.

The æthérial spaces are perfectly fluid; they neither assist, nor retard, the planets, which roll through as free and *unresisted* as if they moved in a vacuum.—*Bentley, Sermons.*

2. Resistless; such as cannot be opposed.

Those gods, that fate, whose *unresisted* might
Have sent me to these regions void of light.
Dryden, Translation of the Æneid, vi. 624.

What wonder then, thy hairs should feel
The conquering force of *unresisted* steel?
Pope, Rape of the Lock, canto iii.

Unresístible. *adj.* Incapable of being, not to be, resisted; irresistible.

Such a destruction as should, like a flood, overwhelm the whole nation; and, as an *unresistible* torrent, break down and wash all away before it.—*Mede, On Daniel*, p. 34.

The martyrs, with the *unresistible* might of weakness, shaking the power of darkness.—*Milton, Of Reformation in England*, b. i.

Unresísting. *part. pref.* Not opposing; not making resistance.

The sheep was sacrificed on no pretence,
But meek and *unresisting* innocence:
A patient useful creature.
Dryden, Translation from Ovid, The Pythagorean Philosophy.

Since the planets move horizontally through the liquid and *unresisting* spaces of the heavens, where no bodies at all, or inconsiderable ones, occur, they may preserve the same velocity which the first impulse impressed.—*Bentley.*

Unresólvable. *part. pref.* Incapable of being resolved; not to be solved; insoluble.

For a man to run headlong, while his ruin stares him in the face; still to press on to the embraces of

sin, is a problem *unresolvable* upon any other ground, but that sin infatuates before it destroys.—*South, Sermons.*

Unresólved. *part. pref.*

1. Not determined; having made no resolution: (sometimes with *of*).

On the western coast
Rideth a puissant navy: to our shores
Throng many doubtful, hollow-hearted friends,
Unarm'd, and *unresolved* to beat them back.
Shakespear, Richard III. iv. 4.

Turnus ... *unresolved of* flight,
Moves tardy back, and just recedes from fight.
Dryden, Translation of the Æneid, ix. 1078.

2. Not solved; not cleared.

I do not so magnify this method, to think it will perfectly clear every hard place, and leave no doubt *unresolved.—Locke.*

Unresólving. *part. pref.* Not resolving; not determined.

She her arms about her *unresolving* husband threw. *Dryden.*

Unrespécted. *part. pref.* Not regarded.

They live unwoo'd, and *unrespected* fade.
Shakespear, Sonnets, liv.

When all this outward shew of state shall be gone off the stage, it may peradventure prove for the good only of some *unrespected,* unthought-of souls, who had least part in all this mask.—*Hales, Golden Remains,* p. 186.

Unrespéctive. *adj.*

1. Inattentive; taking little notice.

I will converse with iron-witted fools,
And *unrespective* boys; none are for me
That look into me with considerate eyes.
Shakespear, Richard III. iv. 2.

2. Mean; despicable.

Nor the remainder viands
We do not throw in *unrespective* sieve,
Because we now are full.
Shakespear, Troilus and Cressida, ii. 2.

Unréspited. *part. pref.* Admitting no respite, pause, or intermission.

There to converse with everlasting groans,
Unrespited, unpitied, unreprieved,
Ages of hopeless end. *Milton, Paradise Lost,* ii. 184.

Unrespónsible. *adj.* Not accountable; not responsible; irresponsible.

Unrespónsibleness. *s.* Attribute suggested by Unresponsible; state of being unresponsible.

That *unresponsibleness* to any other; ... that independence or absolute liberty in their will.—*Bishop Gauden, Hieraspistes,* p. 349: 1653.

Unrést. *s.* Disquiet; want of tranquillity; unquietness.

Of thought cometh the wakyngys and *unrestis.—Lord Rivers, Dictes and Sayings of the Philosophers,* b. vi.: 1477.

Wise behest,
Those creeping flames by reason to subdue,
Before their rage grew to so great *unrest. Spenser.*

Repose, sweet gold, for their *unrest,*
That have their alms out of the empress' chest.
Shakespear, Titus Andronicus, ii. 3.

Dismay'd confusion all possess'd;
Th' afflicted troop, hearing their plot descried:
Then runs amazed distress, with sad *unrest,*
To this, to that, to fly, to stand, to hide. *Daniel.*

Silence, in truth, would speak my sorrows best;
For deepest wounds can least their feelings tell;
Yet, let me borrow from mine own *unrest,*
But time to bid him, whom I loved, farewell.
Sir H. Wotton.

Up they rose
As from *unrest*; and each the other viewing,
Soon found their eyes how open'd, and their minds
How darken'd! *Milton, Paradise Lost,* ix. 1051.

O, if the foolish race of men, who find
A weight of cares still pressing on their mind,
Could find as well the cause of this *unrest,*
Sure they would change their course. *Dryden.*

Unrestóred. *part. pref.*

1. Not restored.

Then countries stol'n, and captives *unrestored,*
Give strength to every blow, and edge the sword.
Addison, Verses to the King.

2. Not cleared from an attainder.

The son of an *unrestored* traitor has no pretences to the quality of his ancestors.—*Collier, Essays, Of Duelling.*

3. Not cured.

If *unrestored* by this, despair of cure.
Young, Night Thoughts, night ii.

Unrestraíned. *part. pref.*

1. Not confined; not hindered.

My tender age in luxury was train'd,
With idle ease, and pageants entertain'd,
My hours my own, my pleasures *unrestrain'd.*
Dryden, Sigismonda and Guiscardo, 435.

2. Licentious; loose.

The taverns he daily doth frequent,
With *unrestrained,* loose companions.
Shakespear, Richard II. v. 3.

3. Not limited.

Were there in this aphorism an *unrestrained* truth, yet were it not reasonable to infer from a caution, a non-usance, or abolition.—*Sir T. Browne, Vulgar Errours.*

Unrestricted. *part. pref.* Having no restriction, limit, limitation, or qualification.

Unretrácted. *part pref.* Not revoked; not recalled.

The penitence of the criminal may have numbered him amongst the saints, when our *unretracted* uncharitableness may send us to unquenchable flames. —*Government of the Tongue.*

Unreveáled. *part. pref.* Not told; not discovered.

Had ye once seen these her celestial treasures,
And *unrevealed* pleasures,
Then would ye wonder and her praises sing.
Spenser.

Dear, fatal name! rest ever *unreveal'd*;
Nor pass these lips, in holy silence seal'd.
Pope, Eloisa to Abelard.

Unrevénged. *part. pref.* Not revenged.

So might we die, not envying them that live;
So would we die, not *unrevenged* all. *Fairfax.*

Great Pompey's shade complains that we are slow,
And Scipio's ghost walks *unrevenged* amongst us.
Addison, Cato.

Unrevéngeful. *adj.* Not inclined to revenge.

He was *unrevengeful,* content to get the better, and no longer displeased with those he overcame.—*Hacket, Life of Archbishop Williams,* p. 191.

Unréverend. *adj.* Irreverent; disrespectful.

See not your bride in these *unreverend* robes.
Shakespear, Taming of the Shrew, iii. 2.

Unréverently. *adv.* In an unreverent manner.

I did *unreverently* blame the gods,
Who wake for thee, though thou snore for thyself.
B. Jonson, Catiline's Conspiracy.

Unrevérsed. *part. pref.* Not revoked; not repealed.

She hath offer'd to the doom,
Which *unreversed* stands in effectual force,
A sea of melting tears.
Shakespear, Two Gentlemen of Verona, iii. 1.

Unrevóked. *part. pref.* Not recalled.

Hear my decree, which *unrevoked* shall stand.
Milton, Paradise Lost, v. 602.

Unrewárded. *part. pref.* Not rewarded; not recompensed.

Providence takes care that good offices may not pass *unrewarded.—Sir R. L'Estrange.*

Since for common good I yield the fair,
My private loss let grateful Greece repair;
Nor *unrewarded* let your prince complain,
That he alone has fought and bled in vain.
Pope, Translation of the Iliad, i. 151.

Unríddle. *v. a.* Solve an enigma; explain a problem.

Some kind power *unriddle* where it lies,
Whether my heart be faulty, or her eyes!
Sir J. Suckling.

A reverse often clears up the passage of an old poet, as the poet often serves to *unriddle* the reverse.—*Addison.*

Unríddler. *s.* One who unriddles anything; one who solves an enigma.

Ye safe *unriddlers* of the stars, pray tell,
By what name shall I stamp my miracle?
Lovelace, Lucasta Posthuma, p. 68.

Unridículous. *adj* Not ridiculous.

If an indifferent and *unridiculous* object could draw this austereness into a smile, he hardly could with perpetuity resist proper motives thereof.—*Sir T. Browne, Vulgar Errours.*

Unrífled. *part. pref.* Not rifled, or pillaged.

He might possess the whole treasure, as yet entire and *unrifled* of the New World.—*Hume, History of England,* vol. iii. p. 241.

Unrígg. *v. a.* Strip of rigging.

Rhodes is the sovereign of the sea no more!
Their ships *unrigg'd,* and spent their naval store.
Dryden, Cymon and Iphigenia, 619.

Unríght. *adj.* Wrong.

Shew that thy judgement is not *unright.—Wisdom of Solomon,* xii. 13.

Unrighteous. *adj.* Unjust; wicked; sinful; bad.

Octavius here lept into his room,
And it usurped by *unrighteous* doom;
But he his title justified by might. *Spenser.*

Let the wicked forsake his way, and the *unrighteous* man his thoughts, and let him return unto the Lord.—*Isaiah,* lv. 7.

Within a month!
Ere yet the salt of most *unrighteous* tears
Had left the flushing in her galled eyes,
She married. Oh most wicked speed!
Shakespear, Hamlet, i. 2.

Unrighteously. *adv.* In an unrighteous manner; unjustly; wickedly; sinfully.

For them, for their inferiors and allies,
Their foes a deadly Shibboleth devise;
By which *unrighteously* it was decreed,
That none to trust or profit should succeed,
Who would not swallow first a pois'nous wicked weed.
Dryden, The Hind and Panther, iii. 1076.

Unrighteousness. *s.* Attribute suggested by Unrighteous; wickedness; injustice.

Our Romanists can no more abide this proposition converted, than themselves. All sin, say they, is a transgression of the law; but every transgression of the law is not sin. The apostle, therefore, turns it for us; all *unrighteousness,* says he, is sin; but every transgression of the law is *unrighteousness,* saith Austin upon this place.—*Bishop Hall.*

Some things have a natural deformity in them, as perjury, perfidiousness, *unrighteousness,* and ingratitude.—*Archbishop Tillotson.*

Unríghtful. *adj.* Not rightful; not just.

Thou, which know'st the way
To plant *unrightful* kings, wilt know again
To pluck him headlong from th' usurped throne.
Shakespear, Richard II. v. 1.

Unríng. *v. a.* Deprive of a ring.

Be forced to impeach a broken hedge,
And pigs *unring'd* at vis. franc. pledge.
Butler, Hudibras, ii. 2, 310.

Unríoted. *part. pref.* Free from rioting; not disgraced by riot.

A chaste *unrioted* house, and never stain'd
With her lord's fortune.
May, Translation of Lucan, b. ix.

Unríp. *v. a.* Rip open.

Thou, like a traitor,
Didst break that vow, and, with thy treach'rous blade,
Unrip'dst the bowels of thy sovereign's son.
Shakespear, Richard III. i. 4.

He could not now, with his honour, so *unrip,* and put a lye upon all that he had said and done before, as to deliver him up.—*Bacon, History of the Reign of Henry VII.*

We are angry with searchers, when they break open trunks, and *unrip* packs, and open sealed letters.—*Jeremy Taylor.*

This word is improper; there being no difference between *rip* and *unrip*; and the negative particle is therefore of no force; yet it is well authorized.—*Johnson.*

Unrípe. *adj.*

1. Immature; not fully concocted.

Purpose is of violent birth, but poor validity;
Which now, like fruits *unripe,* sticks on the tree,
But fall unshaken when they mellow be.
Shakespear, Hamlet, iii. 2.

In this northern tract our hoarser throats,
Utter *unripe* and ill-constrained notes. *Waller.*

2. Not seasonable; not yet proper.

He fix'd his *unripe* vengeance to defer;
The royal spy, when now the coast was clear,
Sought not the garden, but retired unseen,
To brood in secret on his gather'd spleen.
Dryden, Sigismonda and Guiscardo, 254.

3. Too early.

Who hath not heard of the valiant, wise, and just Dorilaus, whose *unripe* death doth yet, so many years since, draw tears from virtuous eyes?—*Sir P. Sidney.*

Unrípened. *part. pref.* Not matured.

Were you with these, you'd soon forget
The pale, *unripen'd* beauties of the north.
Addison, Cato.

Unrípeness. *s.* Attribute suggested by Unripe; immaturity; want of ripeness.

The ripeness or *unripeness* of the occasion must ever be well weighed; and generally it is good to commit the beginnings of all great actions to Argus with his hundred eyes; and the ends to Briareus, with his hundred hands.—*Bacon.*

Unrívalled. *part. pref.*

1. Having no competitor.

Honour forbid! at whose *unrivalled* shrine,
Ease, pleasure, virtue, all, our sex resign.
Pope, Rape of the Lock, canto iv.

2. Having no peer or equal.

Unrívet. *v. a.* Unfasten the rivets of; loosen.

There was a necessity to *unrivet* those usurpations.—*Sir M. Hale, History of the Pleas of the Crown,* ch. x.

Unróbe. *v. a.* Undress; disrobe.

When, on the exit, souls are bid to *unrobe.*
Young, Night Thoughts, night iv.

Unróll. *v. a.* Open what is rolled or convolved.

O horror! . . .
The queen of nations, from her ancient seat,
Is sunk for ever in the dark abyss;
Time has *unroll'd* her glories to the last,
And now closed up the volume.
Dryden, All for Love, v. 1.

Unromántic. *adj.* Contrary to romance.

It is a base, *unromantick* spirit not to wait on you.—*Swift.*

Unroóf. *v. a.* Strip off the roof or covering of houses.

The rabble should have first *unroof'd* the city,
Ere so prevail'd with me.
Shakespear, Coriolanus. i. 1.

Unroósted. *part. pref.* Driven from the roost.

Thou dotard! thou art woman-tired, *unroosted*,
By thy dame Partlet here.
Shakespear, Winter's Tale, ii. 3.

Unroót. *v. a.* Tear from the roots; extirpate; eradicate.

Since you've made the days and nights as one,
To wear your gentle limbs in my affairs,
Be bold; you do so grow in my requital,
That nothing can *unroot* you.
Shakespear, All's well that ends well, v. 1.

Unroót. *v. n.* Become unrooted.

Make their strengths totter, and their topless fortunes
Unroot and reel to ruin.
Beaumont and Fletcher, Bonduca.

Unroúgh. *adj.* Smooth; unbearded. *Rare.*

Siward's son,
And many *unrough* youths, that even now
Protest their first of manhood.
Shakespear, Macbeth, v. 2.

Unroúnded. *part. pref.* Not shaped; not cut to a round.

Those unfiled pistolets,
That more than cannon-shot avails or lets;
Which negligently left *unrounded*, look
Like many-angled figures in the book
Of some dread conjurer. *Donne.*

Unroúted. *part. pref.* Not thrown into disorder.

One strong squadron
Stands firm, and yet *unrouted*.
Beaumont and Fletcher, Prophetess.

Unroýal. *adj.* Unprincely; not royal.

By the advice of his envious counsellors, he sent them with *unroyal* reproaches to Musidorus and Pyrocles, as if they had done traiterously.—*Sir P. Sidney.*

Unrúffle. *v. n.* Cease from commotion, or agitation.

Where'er he guides
His finny coursers, and in triumph rides,
The waves *unruffle*, and the sea subsides.
Dryden, Translation of the Æneid, i. 210.

Unrúled. *part. pref.* Not directed by any superior power.

The realm was left, like a ship in a storm, amidst all the raging surges, *unruled* and undirected of any; for they to whom she was committed, fainted in their labour, or forsook their charge.—*Spenser, View of the State of Ireland.*

Unrúliness. *s.* Attribute suggested by Unruly; turbulence; tumultuousness; licentiousness.

By the negligence of some who were hardly to be commanded, and by the *unruliness* of others, who without leave were gone ashore, so fair an occasion of victory was neglected.—*Knolles, History of the Turks.*

No care was had to curb the *unruliness* of anger, or the exorbitance of desire. Amongst all their sacrifices they never sacrificed so much as one lust. *South, Sermons.*

Unrúly. *adj.* Turbulent; ungovernable; licentious; tumultuous.

In sacred bands of wedlock tied,
To Therion, a loose *unruly* swain;
Who had more joy to range the forest wide,
And chase the savage beast with busy pain.
Spenser, Faerie Queen, i. 6, 21.

Down I come, like glist'ring Phaeton,
Wanting the manage of *unruly* jades.
Shakespear, Richard II. iii. 3.

Love insults, disguised in the cloud,
And welcome force of that *unruly* crowd. *Waller.*

You must not go where you may dangers meet;
The *unruly* sword will no distinctions make,
And beauty will not there give wounds, but take.
Dryden, Indian Emperor, iv. 4.

Unrúmple. *v. a.* Free from rumples; open out.

Daffodils, late from earth's slow womb
Unrumple their swoll'n buds, and show their yellow bloom. *Addison, Translation of the Fourth Book of the Georgics.*

Unsádden. *v. a.* Relieve from sadness.

Musick *unsaddens* the melancholy, quickens the dull, awaketh the drowsy.—*Whitlock, Observations on the Present Manners of the English*, p. 483.

Unsáfe. *adj.* Not secure; hazardous; dangerous.

If they would not be drawn to seem his adversaries, yet others should be taught how *unsafe* it was to continue his friends.—*Hooker, Ecclesiastical Polity.*

Uncertain ways *unsafest* are,
And doubt a greater mischief than despair.
Sir J. Denham.

Unsáfely. *adv.* In an unsafe manner; not secure; dangerously.

Take it, while yet 'tis praise, before my rage,
Unsafely just, break loose on this bad age;
So bad, that thou thyself hadst no defence
From vice, but barely by departing hence. *Dryden.*

Unsáfety. *s.* Insecurity; risk; danger. *Rare.*

Mixed with some peril and *unsafety* . . . it doth greatly add to reputation.—*Bacon, Advancement of Learning.*

Unsaíd. *part. pref.* Not uttered; not mentioned.

The time shall come when Chanticleer shall wish
His words *unsaid*.
Dryden, The Cock and the Fox, 467.

The Jews, like the men here of late, for ever *unsainting* all the world besides themselves.—*South, Sermons.*

Unsálted. *part. pref.* Not pickled or seasoned with salt.

The muriatick scurvy, induced by too great quantity of sea-salt, and common among mariners, is cured by a diet of fresh *unsalted* things and watery liquor acidulated.—*Arbuthnot.*

Unsalúted. *part. pref.* Not saluted.

Gods! I prate;
And the most noble mother of the world
Leave *unsaluted*. *Shakespear, Coriolanus*, v. 3.

Unsánctified. *part. pref.* Unholy; not consecrated; not pious.

Her obsequies have been so far enlarged
As we have warrantry; her death was doubtful;
And but that great command o'ersways the order,
She should in ground *unsanctified* have lodged
Till the last trump. *Shakespear, Hamlet*, v. 1.

Unsáne. *adj.* Unhealthy; unsound in health: (used in a more general sense than Insane).

A man begotten by an *unsane* body does not therefore deserve punishment. — *Translation of Plutarch's Morals.*

Unsáted. *part. pref.* Not satisfied; not filled; insatiate.

Alas, that he amid the race of men,
That he, who thinks of purest gold with scorn,
Should with *unsated* appetite demand,
And vainly court, the pleasure it procures!
Shenstone, Economy, pt. i.

Unsátiable. *adj.* Not to be satisfied; greedy without bounds.

Unsatiable in their longing to do all manner of good to all the creatures of God, but especially men. —*Hooker, Ecclesiastical Polity.*

Unsatiate covetise.
Dr. H. More, Sleep of the Soul, iii. 11.

Unsatisfáctoriness. *s.* Attribute suggested by Unsatisfactory; failure of giving satisfaction.

That which most deters me from such trials, is their *unsatisfactoriness*, though they should succeed. —*Boyle.*

Unsatisfáctory. *adj.* Not giving satisfaction; not clearing the difficulty.

That speech of Adam, The woman thou gavest me to be with me, she gave me of the tree, and I did eat, is an *unsatisfactory* reply, and therein was involved a very impious error.—*Sir T. Browne, Vulgar Errours.*

Unsátisfied. *part. pref.*

1. Not contented; not pleased.

Queen Elizabeth being to resolve upon a great officer, and being by some put in some doubt of that person, whom she meant to advance, said she was like one *with* a lanthorn seeking a man, and seemed *unsatisfied* in the choice of a man for that place.—*Bacon.*

With *of*.

Flashy wits, who cannot fathom a large discourse, must be very much *unsatisfied of* me.—*Sir K. Digby.*

2. Not settled in opinion.

Concerning the analytical preparation of gold, they leave persons *unsatisfied*.—*Boyle.*

3. Not filled; not gratified to the full.

Though he were *unsatisfied* in getting,
Yet in bestowing he was most princely.
Shakespear, Henry VIII. iv. 2.

Unsátisfiedness. *s.* Attribute suggested by Unsatisfied; state of being not satisfied.

That *unsatisfiedness* with transitory fruitions, that men deplore as the unhappiness of their nature, is indeed the privilege of it, as it is the prerogative of men not to be pleased with such fond toys as children doat upon.—*Boyle.*

Unsátisfying. *part. pref.* Unable to gratify to the full.

Nor is fame only *unsatisfying* in itself, but the desire of it lays us open to many accidental troubles. —*Addison.*

Unsátisfyingness. *s.* Attribute suggested by Unsatisfying; incapability of gratifying to the full.

They understand the variety and the *unsatisfyingness* of the things of this world.—*Jeremy Taylor, Sermons*, p. 333.

Unsávouriness. *s.* Attribute suggested by Unsavoury; bad taste; bad smell.

If we concede a national *unsavouriness* in any people, yet shall we find the Jews less subject hereto than any.—*Sir T. Browne.*

Unsávoury *adj.*

1. Tasteless.

Can that which is *unsavoury* be eaten without salt? or is there any taste in the white of an egg?—*Job*, vi. 6.

2. Having a bad taste.

Unsavoury food, perhaps,
To spiritual natures. *Milton, Paradise Lost*, v. 401.

3. Having an ill smell; fetid.

Some may emit an *unsavoury* odour, which may happen from the quality of what they have taken.—*Sir T. Browne.*

4. Unpleasing; disgusting.

Things of so mean regard, although necessary to be ordered, are notwithstanding very *unsavoury*, when they come to be disputed of, because disputation pre-supposeth some difficulty in the matter.—*Hooker, Ecclesiastical Polity.*

Unsáy. *v. a.* Retract; recant, deny what has been said.

Call you me fair? that fair again *unsay*;
Demetrius loves you, fair.
Shakespear, Midsummer-Night's Dream, i. 1.

To say, and strait *unsay*, pretending first
To fly from pain, professing next the spy,
Argues no leader, but a liar traced.
Milton, Paradise Lost, iv. 947.

Your oaths
Are words, and poor conditions but *unseal'd.*
Shakespear, All's well that ends well, iv. 2.

2. Having the seal broken.

Unseám. *v. a.* Open by undoing seams.

He ne'er shook hands, nor bid farewell to him,
Till he *unseam'd* him from the nape to th' chops,
And fix'd his head upon our battlements.
Shakespear, Macbeth, i. 2.

Unseárchable. *adj.* Incapable of being discovered by search; inscrutable; not to be explored.

Thou hast vouchsafed
This friendly condescension, to relate
Things else by me *unsearchable.*
Milton, Paradise Lost, viii. 8.

Job discourseth of the secrets of nature, and *unsearchable* perfections of the works of God.—*Archbishop Tillotson.*

Unseárched. *part. pref.* Not explored; not examined.

Since you have your tricks, and your conveyances, we will not leave a wrinkle of you *unsearched.*—*Beaumont and Fletcher, Thierry and Theodoret.*

Unseásonable. *adj.*

1. Not suitable to time or occasion; unfit; untimely; ill-timed.

It is then a very *unseasonable* time to plead law, when swords are in the hands of the vulgar.—*Spenser, View of the State of Ireland.*

Timothy lay out a-nights, and went abroad at *unseasonable* hours.—*Arbuthnot, History of John Bull.*

2. Not agreeable to the time of the year.

Like an *unseasonable* stormy day,
Which makes the silver rivers drown their shores,
As if the world were all dissolved in tears.
Shakespear, Richard II. iii. 2.

3. Late: (as, *unseasonable* time of night).

Unseásonableness. *s.* Attribute suggested by Unseasonable; disagreement with time or place.

The moral goodness, unfitness, and *unseasonableness* of moral or natural actions, falls not within the verge of a brutal faculty.—*Sir M. Hale, Origination of Mankind.*

Unseásonably. *adv.* In an unseasonable manner; not seasonable; not agreeably to time or occasion.

Some things it asketh *unseasonably,* when they need not be prayed for, as deliverance from thunder and tempest, when no danger is nigh.—*Hooker, Ecclesiastical Polity.*

Unseásoned. *part. pref.*

1. Unseasonably; untimely; ill-timed. *Obsolete.*

Your majesty hath been this fortnight ill,
And these *unseason'd* hours perforce must add
Unto your sickness.
Shakespear, Henry IV. Part II. iii. 1.

Love, though most sure,
Yet always to itself seems *unsecure.*
Sir J. Denham.

Unseduced. *part. pref.* Not drawn to ill.

If she remain *unseduced,* you not making it appear otherwise; for your ill opinion, and the assault you have made to her chastity, you shall answer me with your sword.—*Shakespear, Cymbeline,* i. 5.

Among innumerable false, unmoved,
Unshaken, *unseduced,* unterrified.
Milton, Paradise Lost, v. 898.

Unseéing. *part. pref.* Wanting the power of vision.

I should have scratch'd out your *unseeing* eyes,
To make my master out of love with thee.
Shakespear, Two Gentlemen of Verona, iv. 4.

Unseém. *v. n.* Not to seem.

You wrong the reputation of your name,
In so *unseeming* to confess receipt
Of that which hath so faithfully been paid.
Shakespear, Love's Labour's lost, ii. 1.

Unseémliness. *s.* Attribute suggested by Unseemly; indecency; indecorum; uncomeliness.

All as before his sight whom we fear, and whose presence to offend with any the least *unseemliness,* we would be surely as loth as they who most reprehend or deride that we do.—*Hooker, Ecclesiastical Polity.*

Unseémly. *adj.* Indecent; uncomely; unbecoming.

Contentions as yet were never able to prevent two evils; the one a mutual exchange of *unseemly* and unjust disgraces offered by men, whose tongues and passions are out of rule; the other a common hazard of both, to be made a prey by such as study how to work with most advantage in private.—*Hooker, Ecclesiastical Polity.*

Let us now devise
What best may for the present serve to hide
The parts of each from other, that seem most
To shame obnoxious, and *unseemliest* seen.
Milton, Paradise Lost, ix. 1091.

My sons, let your *unseemly* discord cease;
If not in friendship, live at least in peace.
Dryden, Indian Emperor, i. 2.

Unseémly. *adv.* In an unseemly manner; indecently; unbecomingly.

Charity doth not behave itself *unseemly,* seeketh not her own.—1 *Corinthians,* xiii. 5.

Unseén. *part. pref.*

A jest *unseen,* inscrutable, invisible,
As a nose on a man's face, or a weathercock on a steeple.
Shakespear, Two Gentlemen of Verona, ii. 1.

A painter became a physician; whereupon one said to him, You have done well; for before the faults of your work were seen, but now they are *unseen.*—*Bacon.*

2. Invisible; undiscoverable.

The weeds of heresy being grown into ripeness, do, even in the very cutting down, scatter oftentimes those seeds which for a while lie *unseen* and buried in the earth; but afterward freshly spring up again, no less pernicious than at the first.—*Hooker, Ecclesiastical Polity.*

3. Unskilled; unexperienced.

He was not *unseen* in the affections of the court, but had not reputation enough to reform it.—*Lord Clarendon, History of the Grand Rebellion.*

Unseízed. *part. pref.* Not seized; not taken possession of.

Our fortune rolls as from a smooth descent,
And from the first impression takes the bent;
But, if *unseized,* she glides away like wind,
And leaves repenting folly far behind.
Dryden, Absalom and Achithophel, i. 256.

Unsélfish. *adj.* Not addicted to private interest.

The most interested cannot purpose any thing so much to their own advantage, notwithstanding which the inclination is nevertheless *unselfish.*—*Spectator.*

Unsénsed. *part. pref.* Wanting distinct meaning; without a certain signification.

The Romanists look on the letter of Holy Scripture but as so many dead and *unsensed* characters, of variable and uncertain signification.—*Puller, Moderation of the Church of England,* p. 56.

Far was our bishop from being so weak as to imagine the Holy Scriptures only a parcel of *unsensed* characters, and that there is need of a certain human authority to fix and ascertain their sense and meaning.—*Lewis, Life of Bishop Peacock,* p. 292.

Unsénsible. *adj.* Not sensible: (now *insensible*).

Your land has lain long bedrid and *unsensible.*—*Beaumont and Fletcher, Wit without Money.*

Unsént. *adj.*

1. Not sent.

2. Not called by letter or messenger (with *for*).

If a physician should go from house to house *unsent for,* and enquire what woman hath a cancer, or what man a fistula, he would be as unwelcome as the disease itself.—*Jeremy Taylor.*

Somewhat of weighty consequence brings you here so often and *unsent for.*—*Dryden.*

Unséparable. *adj.* Incapable of being separated; not to be parted; not to be divided; inseparable: (this latter being both the *better* and the *commoner* term).

Oh world, thy slippery turns! Friends now fast sworn,
Who twine as 'twere in love
Unseparable, shall, within this hour,
Break out to bitterest enmity.
Shakespear, Coriolanus, iv. 4.

Unsépulchred. *part. pref.* Having no grave; unburied.

But why use I a word
Of any act but what concerns my friend? dead, undeplored,
Unsepulchred.
Chapman, Translation of the Iliad, b. xxii.

Unsérviceable. *adj.* Useless; bringing no advantage or convenience.

The beast, impatient of his smarting wound,
Thought with his wings to fly above the ground,
But his late wounded wing *unserviceable* found.
Spenser.

Unsérviceableness. *s.* Attribute suggested by Unserviceable; unfitness for anything; uselessness.

Although this consideration be not altogether necessary to disparage pleasure, yet it may conduce to our wise and good practice in respect thereto, by reminding us of its insufficiency and *unserviceableness* to the felicity of a mortal creature.—*Barrow, Sermons,* vol. iii. serm. xiv.

Unsét. *part. pref.* Not set; not placed.

They urge that God left nothing in his word undescribed, nothing *unset* down; and therefore

charged them *strictly* to keep themselves into that without any alterations. — *Hooker, Ecclesiastical Polity.*

Unséttle. *v. a.*

1. Make uncertain.
   Such a doctrine *unsettles* the titles to kingdoms and estates.—*Arbuthnot.*
2. Move from a place.
   As big as he was, did there need *any* great matter to *unsettle* him?—*Sir R. L'Estrange.*
3. Make unsteady; overthrow.
   The course of nature, being settled by divine power, can be *unsettled* by no less.—*Bishop Fleetwood, On Miracles,* dialogue i.

Unséttle. *v. n.* Become unsettled.
His wits begin to *unsettle.*
Shakespear, King Lear, iii. 4.

Unséttled. *part. pref.*

1. Not fixed in resolution; not determined; not steady.
   Prepared I was not
   For such a business; there am I found
   So much *unsettled.*
   Shakespear, All's well that ends well, ii. 5.
   Unsettled virtue stormy may appear;
   Honour, like mine, serenely is severe. *Dryden.*
2. Unequal; not regular; changeable.
   March and September, the two equinoxes, are the most windy and tempestuous, the most *unsettled* and unequable seasons in most countries.—*Bentley, Sermons.*
3. Not established.
   My cruel fate,
   And doubts attending an *unsettled* state,
   Force me to guard my coast.
   Dryden, Translation of the Æneid, i. 790.
4. Not fixed in a place or abode.
   David supposed that it could not stand with the duty which he owed unto God, to set himself in an house of cedar trees, and to behold the ark of the Lord's covenant *unsettled.*—*Hooker, Ecclesiastical Polity.*

Unséttledness. *s.* Attribute suggested by Unsettled.

1. Irresolution; undetermined state of mind.
   Whence come that main imperfection of our lives, *unsettledness,* and flitting from one thing to another, frequently relapsing into sins once forsaken? Whence are we so easily carried with every wind of fear, hope, commodity? All is, because we are not yet resolved.—*Hales, Golden Remains,* p. 246.
2. Uncertainty; fluctuation.
   The *unsettledness* of my condition has hitherto put a stop to my thoughts concerning it.—*Dryden.*
3. Want of fixity.
   When the sun shines upon a river, though its waves roll this way and that by the wind, yet for all their *unsettledness,* the sun strikes them with a direct and certain beam.—*South, Sermons.*

Unséttlement. *s.* Unsettledness; irresolution.
For want of faith enduing us with such knowledge, all human wisdom was so blind and lame, so various, so uncertain, nothing but confusion, *unsettlement,* and dissatisfaction arising from mere ratiocination.—*Barrow, On the Creed.*

Unsévered. *part. pref.* Not parted; not divided.
Honour and policy, like *unsever'd* friends,
I' th' war do grow together.
Shakespear, Coriolanus, iii. 2.

Unséw. *v. a.* Unstitch; unseam.
To pass by offences is wisdom; but to fall from a friendship, levity; *even in* those that have been ill contracted, Cato's advice is good, they are rather to be *unsewed* than cut.—*Fellthan, Resolves,* 43. (Ord MS.)

Unséx. *v. a.* Transform (actually or figuratively) in respect to sex.
All you spirits
That tend on mortal thoughts, *unsex* me here,
And fill me, from the crown to th' toe, top full
Of direst cruelty. *Shakespear, Macbeth,* i. 5.
Is it for this the Spanish maid, aroused,
Hangs on the willow her unstrung guitar,
And, all *unsex'd,* the amlace hath espoused,
Sung the loud song, and dared the deed of war?
Byron, Childe Harold, i. 54.

Unsháckle. *v a.* Loose from bonds.
A laudable freedom of thought *unshackles* their minds from the narrow prejudices of education, and opens their eyes to a more extensive view of the public good.—*Addison.*

Unshadówable. *adj.* Incapable of being shown even in shadow.
There are some attributes of God, not only uncommunicable, but absolutely inimitable and *unshadowable,* by any excellency in man's soul.—*Bishop Reynolds.*

Unshákable. *adj.* Incapable of being shaken.

1. Not subject to discussion.
   The *unshakable* bottom of divine authority.—*South, Sermons,* vii. 1.
2. Not to be moved in resolution.
   Our Saviour expressed his *unshakable* faith in God, under so fierce a trial, so dreadful a temptation.—*Barrow, On our Saviour's Passion.*
   There are many things which generate belief besides evidence: a mere strong association of ideas often causes a belief so intense as to be *unshakable* by experience or argument.—*J. S. Mill, System of Logic,* pt. iii. ch. ii. § 1.

Unsháked. *part. pref.* Not shaken: (Unshaken *commoner*).
I know but one,
That unassailable holds on his rank,
Unshaked of motion.
Shakespear, Julius Cæsar, iii. 1.

Unsháken. *part. pref.*

1. Not agitated; not moved.
   Purpose is
   Of violent birth, but poor validity;
   Which now, like fruits unripe, sticks on the tree,
   But fall *unshaken,* when they mellow be.
   Shakespear, Hamlet, iii. 2.
2. Not weakened in resolution; not moved.
   Ill wast thou shrouded then,
   O patient Son of God! yet only stood'st
   Unshaken. *Milton, Paradise Regained,* iv. 419.

Unshámed. *part. pref.* Not shamed.
The brave man seeks not popular applause;
Unshamed, though foil'd, he does the best he can:
Force is of brutes, but honour is of man. *Dryden.*

Unshámefaced. *adj.* Wanting modesty; not bashful; impudent. *Rare.*
Both *unshamefaced* whores.—*Bale, Acts of English Votaries,* pt. i. fol. 57. b.
(See, also, under next entry.)

Unshamefácedness. *s.* Attribute suggested by Unshamefaced; want of modesty.
Old lady Bacon, the learned widow of the lord-keeper, writing an expostulatory epistle to lord Essex on account of his gallantries with a married lady, complains of the frail fair one's '*unshamefacedness,*' of her 'unwifelike and *unshamefaced* demeanour.'—*Chalmers, Apology,* p. 208.

Unshápe. *v. a.* Confound; ruffle; throw into confusion.
This deed *unshapes* me quite, makes me unpregnant,
And dull to all proceedings.
Shakespear, Measure for Measure, iv. 4.

Unsháped. *part. pref.* Mishapen; deformed.
Gasping for breath th' *unshaped* Phocæ die,
And on the boiling wave extended lie.
Addison, Translation from Ovid, Story of Phaeton.

Unshár'ed. *part. pref.* Not partaken; not had in common.
Bliss, as thou hast part, to me is bliss;
Tedious *unshared* with thee, and odious soon.
Milton, Paradise Lost, ix. 879.

Unsheáth. *v. a.* Draw from the scabbard.
Executioner, *unsheath* thy sword.
Shakespear, Henry VI. Part III. ii. 2.

Unshéd. *part. pref.* Not spilt.
To blood *unshed* the rivers must be turn'd.
Milton, Paradise Lost, xii. 176.

Unshéltered. *part. pref.* Wanting a screen; wanting protection.
He is breeding that worm, which will smite this gourd, and leave him *unsheltered* to that scorching wrath of God, which will make the improvement of Jonah's passionate wish, that God would take away his life, his most rational desire.—*Dr. H. More, Decay of Christian Piety.*

Unshiélded. *part. pref.* Not guarded by the shield.
He tried a tough, well-chosen spear;
Though Cygnus then did no defence provide,
But scornful offer'd his *unshielded* side.
Dryden, Translation from Ovid, Story of Cygnus.

Unshíp. *v. a.* Take out of a ship.
At the Cape we landed for fresh water; but discovering a leak, we *unshipped* our goods, and watered there.—*Swift.*

Unshócked. *part. pref.* Not disgusted; not offended.
Thy spotless thoughts *unshock'd* the priest may hear. *Tickell.*

Unshód. *part. pref.* Having no shoes.
Their feet *unshod,* their bodies wrapt in rags;
And both as swift on foot as chased stags. *Spenser.*
The king's army, naked and *unshod,* would, through those inclosed parts, have done them little harm. — *Lord Clarendon, History of the Grand Rebellion.*

Unshoók. *part. pref.* Unshaken: (which is the *commoner* and *better* word).
Pit, box, and gall'ry in convulsions hurl'd.
Thou stand'st *unshook* amidst a bursting world.
Pope.

Unshórn. *part. pref.* Not clipped.
This strength, diffused
No less through all my sinews, joints, and bones,
Than thine, while I preserved these locks *unshorn,*
The pledge of my unviolated vow.
Milton, Samson Agonistes, 1141.
Straight as a line in beauteous order stood,
Of oaks *unshorn,* a venerable wood.
Dryden, The Flower and the Leaf, 38.

Unshót. *part. pref.* Not hit by shot.
He that on her his bold hand lays,
With Cupid's pointed arrow plays;
They, with a touch, they are so keen,
Wound us *unshot,* and she unseen. *Waller.*

Unshoút. *v. a.* Annihilate, or retract a shout. *Rare.*
Unshout the noise that banish'd Marcius;
Repeal him with the welcome of his mother.
Shakespear, Coriolanus, v. 4.

Unshówered. *part. pref.* Not watered by showers.
Nor is Osiris seen
In Memphian grove or green,
Trampling the *unshower'd* grass with lowings loud.
Milton, Odes, On the Morning of Christ's Nativity, 213.

Unshrínking. *part. pref.* Not recoiling; not shunning danger or pain.
Your son, my lord, has paid a soldier's debt;
He only lived but till he was a man;
The which no sooner had his prowess confirm'd,
In the *unshrinking* station where he fought,
But, like a man, he died. *Shakespear, Macbeth,* v. 7.

Unshúnnable. *adj.* Incapable of being shunned; inevitable. *Rare.*
'Tis the plague of great ones,
Prerogatived are they less than the base;
'Tis destiny *unshunnable,* like death.
Shakespear, Othello, iii. 3.

Unsífted. *part. pref.*

1. Not parted by a sieve.
   The ground one year at rest, forget not thou
   With richest dung to hearten it again,
   Or with *unsifted* ashes. *May, Translation of Virgil.*
2. Not tried; not known by experience.
   Affection! puh! you speak like a green girl,
   Unsifted in such perilous circumstance.
   Shakespear, Hamlet, i. 3.

Unsíght. *adj.* Not seeing. 'A low word, used only with *unseen,* as in the example following. Probably formed by corruption of *unsighted.*' (Johnson.)
They'll say our business to reform
The church and state is but a worm;
For to subscribe, *unsight, unseen,*
To an unknown church discipline.
Butler, Hudibras, i. 2, 635.

Unsíghted. *part. pref.* Invisible; not seen.
Beauties that from worth arise,
Are like the grace of deities,
Still present with us, though *unsighted.*
Sir J. Suckling.

Unsíghtliness. *s.* Attribute suggested by Unsightly; disagreeableness to the eye.
The *unsightliness* in the legs may be helped by wearing a laced stocking.—*Wiseman, Surgery.*

Unsíghtly. *adj.* Disagreeable to the sight.
On my knees I beg,
That you'll vouchsafe me raiment, bed, and food.—
Good sir, no more: these are *unsightly* tricks.
Shakespear, King Lear, ii. 4.
Amongst the rest, a small *unsightly* root,
But of divine effect, he cull'd me out.
Milton, Comus, 629.

Unsignificant. *adj.* Wanting meaning or importance: (now *insignificant*).
An empty, formal, *unsignificant* name.—*Hammond, Works,* iv. 514.

Unsincére. *adj.* Insincere.

1. Not hearty; not faithful.
   My friends, that each in kindness vie,
   Might well expect one parting sigh;
   Might well demand one tender tear;
   For when was Damon *unsincere?* *Shenstone.*
2. Not genuine; impure; adulterated.
   I have so often met with chymical preparations, which I have found *unsincere,* that I dare scarce trust any.—*Boyle.*
3. Not sound; not solid.
   Myrrha was joy'd the welcome news to hear;
   But, clogg'd with guilt, the joy was *unsincere.*
   Dryden, Translation from Ovid, Cinyras and Myrrha.

Unsincérity. *s.* Adulteration; cheat; dishonesty of profession; Insincerity.
A spirit of sea-salt may, without any *unsincerity*, be so prepared as to dissolve crude gold.—*Boyle.*

Unsínew. *v. a.* Deprive of strength.
Nor are the nerves of his compacted strength
Stretch'd and dissolved into *unsinew'd* length.
Sir J. Denham, To Sir Richard Fanshawe.
Now toys and trifles from their Athens come,
And dates and pepper have *unsinew'd* Rome.
Dryden, Translation of Persius, vi. 88.

Unsínged. *part. pref.* Not scorched; not touched by fire.
By the command of Domitian when cast into a cauldron of burning oil, he came out *unsinged*.—*Sir T. Browne, Vulgar Errours.*

Unsíngled. *part. pref.* Not separated; keeping in companies; not single.
Quite otherwise the stags, a trembling train,
In herds *unsingled*, scour the dusty plain.
Dryden, Translation of the Æneid, iv. 220.

Unsínking. *part. adj.* Not sinking.
Anxur feels the cool refreshing breeze
Blown off the sea, and all the dewy strand
Lies cover'd with a smooth, *unsinking* sand.
Addison.

Unsínning. *part. pref.* Impeccable; without sin.
It hath treasures of mercy for those who have not obeyed the law in the strictness of perfect *unsinning* obedience.—*Hammond, Works*, iv. 505.

Unskílful. *adj.* Wanting art; wanting knowledge.
This overdone, or come tardy off, though it make the *unskilful* laugh, cannot but make the judicious grieve.—*Shakespear, Hamlet*, iii. 3.
A man, *unskilful* in syllogism, could perceive the weakness and inconclusiveness of a long, artificial, and plausible discourse.—*Locke.*

Unskílfully. *adv.* In an unskilful manner; without knowledge; without art.
You speak *unskilfully*; or, if your knowledge be more, it is much darkened in your malice.—*Shakespear, Measure for Measure*, iii. 2.

Unskílfulness. *s.* Attribute suggested by Unskilful; want of art; want of knowledge.
The sweetness of her countenance did give such a grace to what she did, that it did make handsome the unhandsomeness, and make the eye force the mind to believe that there was a praise in that *unskilfulness*.—*Sir P. Sidney.*
Let no prices be heightened by the necessity or *unskilfulness* of the contractor.—*Jeremy Taylor, Rules and Exercises of Holy Living.*

Unskílled. *part. pref.* Wanting skill; wanting knowledge: (with *in* before a noun, and *to* before a verb).
Unskilled in hellebore, if thou should'st try
To mix it, and mistake the quantity,
The rules of physick would against thee cry.
Dryden, Translation of Persius, v. 144.
Unskill'd and young, yet something still I writ,
Of Ca'ndish beauty, join'd to Cecil's wit. *Prior.*

Unslaín. *part. pref.* Not killed.
If there were any who felt a pity of so great a fall, and had yet any sparks of *unslain* duty left in them towards me, yet durst they not shew it.—*Sir P. Sidney.*
Not hecatomb *unslain*, nor vows unpaid,
On Greeks accursed this dire contagion bring.
Dryden, Translation of the First Book of the Iliad, 136.

Unsláked. *part. pref.* Not quenched.
Her desires new roused,
And yet *unslaked*, will kindle in her fancy,
And make her eager to renew the feast.
Dryden, Don Sebastian, iii. 1.

Unsleéping. *part. pref.* Ever wakeful.
And roseate dews disposed
All but th' *unsleeping* eyes of God to rest.
Milton, Paradise Lost, v. 646.

Unslípping. *part. pref.* Not liable to slip; fast.
To knit your hearts
With an *unslipping* knot, take, Antony,
Octavia to wife.
Shakespear, Antony and Cleopatra, ii. 2.

Unsmírched. *part. pref.* Unpolluted; not stained.
That drop of blood that's calm proclaims me bastard;
Cries cuckold to my father; brands the harlot
Ev'n here, between the chaste and *unsmirch'd* brow
Of my true mother. *Shakespear, Hamlet*, iv. 5.

Unsmóke. *part. pref.* Not smoked.
His ancient pipe in sable dyed,
And half *unsmoked*, lay by his side. *Swift.*

Unsmoóth. *adj.* Rough; not even; not level. *Rare.*
Those blossoms also, and those dropping gums,
That lie bestrown, unsightly, and *unsmooth*,
Ask riddance, if we mean to tread with ease.
Milton, Paradise Lost, iv. 631.

Unsóber. *adj.* Not sober; not decent.
I censure it (drinking of healths) not simply, but for some *unsober* ceremonies that become not Christians.—*Dr. Clarke, Sermons*, p. 485: 1637.

Unsóciable. *adj.* Not kind; not communicative of good; not suitable to society.
By how much the more we are accompanied with plenty, by so much the more greedily is our end desired, whom, when time hath made *unsociable* to others, we become a burden to ourselves.—*Sir W. Raleigh, History of the World.*
Such a behaviour deters men from a religious life, by representing it as an *unsociable* state, that extinguishes all joy.—*Addison.*

Unsóciably. *adv.* In an unsociable manner; not kindly; without good-nature.
These are pleased with nothing that is not *unsociably* sour, ill-natured, and troublesome.—*Sir R. L'Estrange.*

Why brand these pleasures with the name
Of soft *unsocial* toils? *Shenstone, Rural Elegance.*
They were not addicted to any singular and *unsocial* form of superstition.—*Robertson.*

Unsócket. *v. a.* Take out of the socket: (in the extract, *uncap*, *uncover*).
It is respect to an old parson, not to oblige him to uncover in the cold, and *unsocket* his head with both hands, and so daggle his gown out of ceremony.—*Swift, Right of Precedence between Physicians, &c.* (Ord MS.)

Unsóft. *adj.* Hard: (in the extract the construction is *adverbial*). *Rare.*
Great climbers fall *unsoft*.
Spenser, Shepherd's Calendar, July.

Unsoíled. *part. pref.* Not polluted; not tainted; not stained.
Who will believe thee, Isabel?
My *unsoil'd* name, the austereness of my life ...
Will so your accusation overweigh
That you shall stifle in your own report,
And smell of calumny.
Shakespear, Measure for Measure, ii. 4.
Her Arethusian stream remains *unsoil'd*,
Unmix'd with foreign filth, and undefiled.
Dryden, Ode to the Memory of Mrs. Anne Killigrew.

Unsóld. *part. pref.* Not exchanged for money.
Mopsus the sage, who future things foretold;
And t' other seer, yet by his wife *unsold*. *Dryden.*
Adieu, my children! better thus expire
Unstall'd, *unsold*; thus glorious mount in fire.
Pope.

Unsóldiered. *part. pref.* Wanting the accomplishments of a soldier.
This young prince had the ordering
(To crown his father's hopes) of all the army;
Who (to be short) put all his power to practise,
Fashion'd and drew them up; but, alas! so poorly,
So raggedly and loosely, so *unsoldier'd*,
The good duke blush'd.
Beaumont and Fletcher, Loyal Subject.

Unsóldierlike. *adj.* Unbecoming a soldier.
Perhaps they had sentinels waking while they slept; but even this would be *unsoldierlike* in our age.—*Broome.*

Unsóldierly. *adj.* Unsoldierlike.
The general should have turned his eyes away from so *unsoldierly* an action.—*Rymer, On Tragedy*, p. 134.

Unsólemn. *adj.* Not solemn.
A testament is a solemn last will; and a last will is an *unsolemn* testament.—*Ayliffe, Parergon Juris Canonici*, 525. (Ord MS.)

Unsolícited. *part. pref.* Not required; not solicited.
Thanks must be voluntary; not only unconstrained, but *unsolicited*; else they are either trifles or snares.—*Lord Halifax.*
It was with great propriety that, in 1728, he received from Edinburgh and Aberdeen an *unsolicited* diploma, by which he became a doctor of divinity.—*Johnson, Lives of the Poets, Watts.* (Ord MS.)

Unsólid. *adj.*
1. Fluid; not coherent.
The extension of body is nothing but the cohesion of solid, separable, moveable parts; and the extension of space, the continuity of *unsolid*, inseparable, and unmoveable parts.—*Locke.*
2. Having no foundation.
Ridiculous theories of false and *unsolid* science.—*T. Warton, History of English Poetry*, iii. p. xvi.

Unsólved. *part. pref.* Not explicated.
Why may not a sincere searcher of truth, by labour and prayer, find out the solution of those perplexities, which have hitherto been *unsolved*?—*Watts.*
As Virgil propounds a riddle which he leaves *unsolved*; so I will give you another, and leave the exposition to your acute judgement.—*Dryden.*

Unsólvible. *adj.* Incapable of being solved; inexplicable: (Insoluble the *better* word).
If *unsolvible* otherwise, there is still the more assurance of undeniable demonstration.—*Dr. H. More, Exposition of the Epistles sent to the Seven Churches of Asia*, ch. x.

Unsophísticate. *adj.* Not adulterated; not counterfeit.
A proof of its being preserved entire and *unsophisticate*.—*Bibliotheca Biblica*, i. 19.

Unsoúled. *part. pref.* Without soul; without intellectual or vital principle.
Death with most grim and grisly visage seen,
Yet is he nought but parting of the breath,
Ne aught to see, but like a shade to ween,
Unbodied, *unsoul'd*, unheard, unseen.
Spenser, Faerie Queen.

Unsoúnd. *adj.*
1. Sickly; wanting health; rotten; decayed.
Intemp'rate youth
Ends in an age imperfect, and *unsound*.
Sir J. Denham, Of Old Age.
An animal whose juices are *unsound* can never be duly nourished: for *unsound* juices can never duly repair the fluids and solids.—*Arbuthnot.*
2. Not well-grounded; not orthodox.
These arguments being sound and good, it cannot be *unsound* or evil to hold still the same assertion.—*Hooker, Ecclesiastical Polity.*
3. Not honest; not upright.
Do not tempt my misery,
Lest it should make me so *unsound* a man,
As to upbraid you with those kindnesses
That I have done for you.
Shakespear, Twelfth Night, iii. 4.
4. Not true; not certain; not solid.
Their vain humours, fed
With fruitless follies and *unsound* delights.
Spenser.

Unspént. *part. pref.* Not wasted; not diminished; not weakened; not exhausted.
[Thy] fame, not circumscribed with English ground,
Flies like the nimble journeys of the light,
And is, like that, *unspent* too in its flight.
Dryden, Epistle to Dr. Charleton, 34.

Unsphére. *v. a.* Remove from its orb.
You put me off with limber vows; but I,
Though you would seek t' *unsphere* the stars with oaths,
Should yet say, Sir, no going.
Shakespear, Winter's Tale, i. 2.
Let my lamp at midnight hour
Be seen in some high lonely tower,
Where I may oft out-watch the Bear,
With thrice great Hermes; or *unsphere*
The spirit of Plato, to unfold
What worlds or what vast regions hold
Th' immortal mind. *Milton, Il Penseroso*, 85.

Unspíable. *adj.* Incapable of being spied. *Rare.*
Whose works are great, whose wonders all admire;
Unspiable, unspeakable by man.
Sylvester, Translation of Du Bartas, iv. 581. (Ord MS.)

Unspíed. *part. pref.*
1. Not seen; not discovered.
Resolved to find some fault before *unspied*,
And disappointed, if but satisfied. *Tickell.*

1. Not premeditated; not laboured.

In your conversation I could observe a clearness of notion expressed in ready and *unstudied* works.—*Dryden.*

2. Unskilled; unacquainted.

That learned prelate was not so *unstudied* in the nature of councils, as not to know how little of a general council could be found at Trent.—*Life of Bishop Jewell*, p. 30: 1685.

Unstúffed. *part. pref.* Unfilled; not crowded.

Care keeps his watch in every old man's eye;
And where care lodgeth, sleep will never lie:
But where unbruised youth with *unstuft* brain
Doth couch his limbs, there golden sleep doth reign.
Shakespear, Romeo and Juliet, ii. 3.

Unsúbject. *adj.* Not subject; not liable; not obnoxious. *Rare.*

The very heathens have taught that, above the highest moveable sphere there is nothing which feeleth alteration, motion, or change, but all things immutable, *unsubject* to passion, blest with eternal continuance in a life of the highest perfection, and of that complete, abundant sufficiency within itself, which no possibility of want, maim, or defect can touch.—*Hooker, Ecclesiastical Polity*, b. v. § 70.

Unsúbstantial. *adj.*

1. Not solid; not palpable.

Welcome, thou *unsubstantial* air that I embrace!
The wretch that thou hast blown unto the worst,
Owes nothing to thy blasts.
Shakespear, King Lear, iv. 1.

2. Not real.

If empty, *unsubstantial* beings may be ever made use of on this occasion, there were never any more nicely imagined and employed.—*Addison.*

That not a mountain rears its head *unsung*.
Addison, Letter from Italy.

Unsúnned. *part. pref.* Not exposed to the sun.

I thought her as chaste as *unsunn'd* snow.
Shakespear, Cymbeline, ii. 3.

You may as well spread out the *unsunn'd* heaps
Of misers' treasure by an outlaw's den,
And tell me it is safe, as bid me hope
Danger will wink an opportunity,
And let a single, helpless maiden pass
Uninjured in this wild surrounding waste.
Milton, Comus, 393.

Unsupérfluous. *adj.* Not more than enough.

Nature's full blessings would be well dispensed
In *unsuperfluous*, even proportion,
And she no whit encumber'd with her store.
Milton, Comus, 772.

Unsupplánted. *part. pref.*

1. Not forced or thrown from under that which supports it.

Gladsome they quaff, yet not exceed the bounds
Of healthy temperance, nor encroach on night,
Season of rest; but well bedew'd repair
Each to his home with *unsupplanted* feet.
J. Philips, Cyder, ii. 380.

2. Not defeated by stratagem.

Unsuppliable. *adj.* Incapable of being, not to be, supplied.

The *unsuppliable* defect of any necessary antecedent must needs cause a nullity of all those consequences which depend upon it.—*Chillingworth.*

Unsuppliéd. *part. pref.* Not supplied; not accommodated with something necessary.

Prodigal in every other grant,
Her sire left *unsupplied* her only want.
Dryden, Sigismonda and Guiscardo, 37.

The uneasiness of unrelieved thirst by continuance grows the more *unsupportable.*—*Boyle.*

Unsupported. *part. pref.* Not sustained; not held up; not assisted.

Them she upstays
Gently with myrtle-band, mindless the while
Herself, though fairest, *unsupported* flower.
Milton, Paradise Lost, ix. 430.

Unsúre. *adj.* Not fixed; not certain.

What is love? 'tis not hereafter:
Present mirth hath present laughter;
What's to come is still *unsure*.
Shakespear, Twelfth Night, ii. 3, song.

How vain that second life in others' breath!
The estate which wits inherit after death!
Ease, health, and life, for this they must resign:
Unsure the tenure, but how vast the fine!
Pope, Temple of Fame.

Unsurmoúntable. *adj.* Incapable of being surmounted; insuperable; not to be overcome.

What safety is it, for avoiding seeming absurdities, and *unsurmountable* rubs in one opinion, to take refuge in the contrary, which is built on something altogether as inexplicable?—*Locke.*

Unsusséptible. *adj.* Incapable; not liable to admit.

She, a goddess died in grain,
Was *unsusceptible* of stain. *Swift.*

Even when the fact is one of our simple feelings or states of consciousness, and therefore *unsusceptible* of analysis, the names both of the object and of the attribute still admit of definition; or, rather, would do so if all our simple feelings had names.—*J. S. Mill, System of Logic*, pt. i. ch. viii. § 2.

Unsuspéct. *adj.* Unsuspected.

He brings with joy
The good befallen him; author *unsuspect*,

Here is the head of that ignoble traitor,
The dangerous and *unsuspected* Hastings.
Shakespear, Richard III. iii. 5.

On the coast averse
From entrance, or cherubick watch, by stealth
Found *unsuspected* way.
Milton, Paradise Lost, ix. 67.

This day, my Persicus, thou shalt perceive,
Whether I keep myself those rules I give,
Or else an *unsuspected* glutton live.
Congreve, Translation of Juvenal, xi. 103.

They are persons of unquestionable abilities, altogether *unsuspected* of avarice or corruption.—*Swift.*

Unsuspécting. *part. pref.* Not imagining that any ill is designed.

When Albion sends her eager sons to war,
Pleased, in the general's sight, the host lie down
Sudden before some *unsuspecting* town;
The captive race one instant makes our prize,
And high in air Britannia's standard flies.
Pope, Windsor Forest.

Unsuspícion. *s.* Absence of suspicion; openness of disposition.

'You're quite right, Sam,' said Mr. Pickwick; 'but old men may come here, through their own heedlessness and *unsuspicion*: and young men may be brought here by the selfishness of those they serve.'
—*Dickens, Pickwick Papers*, ch. xliii.

Unsuspícious. *adj.* Having no suspicion.

He his guide requested . . . to let him lean
With both his arms on those two massy pillars,
That to the arched roof gave main support:
He *unsuspicious* led him.
Milton, Samson Agonistes, 1630.

Unsustaínable. *adj.* Incapable of being, not to be, sustained.

The weapon of the slanderer is an envenomed arrow, full of deadly poison, which by no force can be resisted, by no art declined; whose impression is altogether inevitable and *unsustainable.—Barrow, Sermons*, vol. i. serm. xviii.

Unswáthe. *v. a.* Free from folds or convolutions of bandage.

In the morning an old woman came to *unswathe* me.—*Addison, Spectator.*

An *unvanquishable* fort against the impressions and assaults of all adversary forces.—*Bishop King, Vitis Palatina*, p. 30: 1614.

Unvánquished. *part. pref.* Not conquered; not overcome.

Shall I, for lucre of the rest *unvanquish'd*,
Detract so much from that prerogative,
As to be call'd but viceroy of the whole?
Shakespear, Henry VI. Part I. v. 4.

Unváriable. *adj.* Not changeable; not mutable.

The two great hinges of morality stand fixt and *unvariable* as the two poles: whatever is naturally conducive to the common interest, is good; and whatever has a contrary influence is evil.—*Norris.*

Unvária. *part. pref.* Not changed; not diversified; invariable.

If authors cannot be prevailed with to keep close to truth and instruction, by *unvaried* terms, and plain, unsophisticated arguments; yet it concerns readers not to be imposed on.—*Locke.*

They ring round the same *unvaried* chimes,
With sure returns of still-expected rhymes.
Pope, Essay on Criticism, ii. 348.

Unvárnished. *part. pref.* Not overlaid with, or as with, varnish; not adorned; not decorated.

I will a round, *unvarnish'd* tale deliver,
Of my whole course of love; what drugs, what charms . . .
I won his daughter with. *Shakespear, Othello,* i. 3.

Unvárying. *part. pref.* Not liable to change.

We cannot keep by us any standing, *unvarying* measure of duration, which consists in a constant fleeting succession, as we can of certain lengths of extension, as inches marked out in permanent parcels of matter.—*Locke.*

To the limpid stream direct thy way,
When the gay morn *unveils* her smiling ray.
Pope, Translation of the Odyssey, vi. 35.

2. Disclose; show.

The providence, that 's in a watchful state,
Knows almost every grain of Pluto's gold;
Does ev'n our thoughts *unveil* in their dumb cradles.
Shakespear, Troilus and Cressida, iii. 3.

Now *unveil'd* the toilet stands display'd,
Each silver vase in mystick order laid.
Pope, Rape of the Lock, canto i.

Unvénerable. *part. pref.* Not worthy of respect.

For ever
Unvenerable be thy hands, if thou
Tak'st up the princess by that forced baseness
Which he hath put upon 't.
Shakespear, Winter's Tale, ii. 3.

Unvéntilated. *part. pref.*

1. Not fanned by the wind.

This, animals, to succour life, demand;
Nor should the air *unventilated* stand;
The idle deep corrupted would contain
Blue deaths. *Sir R. Blackmore, Creation.*

2. Not discussed.

Unvérdant. *adj.* Having no verdure; spoiled of its green.

Ungraceful 'tis to see without a horn
The lofty hart, whom branches best adorn,
A leafless tree, or an *unverdant* mead,
And as ungraceful is a hairless head.
Congreve, Translation from Ovid, Art of Love, b. iii.

Unvéritable. *adj.* Not true.

All these proceeded upon *unveritable* grounds.—*Sir T. Browne.*

Unvérsed. *part. pref.* Unacquainted; unskilled.

Not eastern monarchs, on their nuptial day,
In dazzling gold and purple shine so gay,
As the bright natives of th' unlabour'd field,
Unversed in spinning, and in looms unskilled.
Sir R. Blackmore.

Unvéxed. *part. pref.* Untroubled; undisturbed.

With a blessed and *unvex'd* retire,
With unhack'd swords, and helmets all unbruised,
We will bear home that lusty blood again
Which here we came to spout against your town.
Shakespear, King John, ii. 1.

Unvíolated. *part. pref.* Not injured; not broken; inviolate.

Herein you war against your reputation,
And draw within the compass of suspect
Th' *unviolated* honour of your wife.
Shakespear, Comedy of Errors, iii. 1.

This strength diffused
No less through all my sinews, joints, and bones,
Than thine, while I preserved these locks unshorn,
The pledge of my *unviolated* vow.
Milton, Samson Agonistes, 1141.

Unvírtuous. *adj.* Wanting virtue.

If they can find in their hearts that the poor, *unvirtuous,* fat knight shall be any further afflicted, we two will be the ministers.—*Shakespear, Merry Wives of Windsor,* iv. 2.

Unvísard. *v. a.* Unmask.

What a death it is to the prelates to be thus *unvisarded,* thus uncased!—*Milton, Animadversions upon a Defence of the Humble Remonstrance.*

Unwárily. *adv.* In an unwary manner; without caution; carelessly; heedlessly.

The best part of my powers
Were in the washes all *unwarily*
Devour'd by the unexpected flood.
Shakespear, King John, v. 7.

Unwáriness. *s.* Attribute suggested by Unwary; want of caution; carelessness: (in the *plural,* unwary act).

The same temper which inclines us to a desire of fame, naturally betrays us into such slips and *unwarinesses,* as are not incident to men of a contrary disposition.—*Spectator.*

Unwárlike. *adj.* Not fit for war; not used to war; not military.

Avert *unwarlike* Indians from his Rome,
Triumph abroad, secure our peace at home.
Dryden, Translation of the Georgics, ii. 239.

Unwárned. *part. pref.* Not cautioned; not made wary.

Unexperienced young men, if *unwarned,* take one thing for another, and judge by the outside.—*Locke.*

Unwárp. *v. a.* Reduce from the state of being warped.

When the bark [of the cork-tree] is off, they *unwarp* it before the fire, and press it even.—*Evelyn, Sylva,* b. ii, ch. v. § 1.

Unwárrantable. *adj.* Not defensible; not to be justified; not allowed.

He who does an *unwarrantable* action through a false information, which he ought not to have believed, cannot in reason make the guilt of sin the excuse of another.—*South, Sermons.*

Unwárranted. *part. pref.* Not ascertained; uncertain.

The subjects of this kingdom believe it is not legal for them to be enforced to go beyond the seas, without their own consent, upon hope of an *unwarranted* conquest; but to resist an invading enemy, the subject must be commanded out of the counties where they inhabit.—*Bacon.*

Unwáry. *adj.*

1. Wanting caution; imprudent; hasty; precipitate.

Nor think me so *unwary* or accurst
To bring my feet again into the snare
Where once I have been caught.
Milton, Samson Agonistes, 936.

Propositions about religion are insinuated into the *unwary,* as well as unbiassed understandings of children, and rivetted there by long custom.—*Locke.*

2. Unexpected. *Obsolete.*

All in the open hall amazed stood,
At suddenness of that *unwary* sight,
And wondered at his breathless hasty mood.
Spenser, Faerie Queen, i. 12, 25.

Unwáshed. *part. pref.* Not washed; not cleansed by washing.

Another lean *unwash'd* artificer
Cuts off his tale, and talks of Arthur's death.
Shakespear, King John, iv. 2.

When the fleece is shorn, if sweat remains
Unwash'd, [it] soaks into their empty veins.
Dryden, Translation of the Georgics, iii. 676.

Sir R. Blackmore.

Unwásting. *part. pref.* Not growing less; not decaying.

Purest love's *unwasting* treasure;
Constant faith, fair hope, long leisure;
Sacred Hymen! these are thine.
Pope, Chorus to the Tragedy of Brutus.

Unwaýed. *part. pref.* Not used to travel; not seasoned in the road. *Rare.*

Beasts, that have been rid off their legs, are as much for a man's use, as colts that are *unwayed,* and will not go at all.—*Sir J. Suckling.*

Unweákened. *part. pref.* Not weakened.

By reason of the exsuction of some air out of the glass, the elastical power of the remaining air was very much debilitated, in comparison of the *unweakened* pressure of the external air.—*Boyle.*

Unweáponed. *part. pref.* Not furnished with offensive arms.

As the beasts are armed with fierce teeth, paws, horns, and other bodily instruments of much advantage against *unweaponed* men; so hath reason taught man to strengthen his hand with such offensive arms, as no creature else can well avoid.—*Sir W. Raleigh.*

Unweáriable. *adj.* Incapable of being wearied; not to be tired; indefatigable.

Desire to resemble in goodness, maketh them *unweariable.*—*Hooker, Ecclesiastical Polity.*

He joy'd to range abroad in fresh attire
Through the wide compass of the airy coast,
And with *unwearied* limbs each part t' enquire.
Spenser.

Godlike his *unwearied* bounty flows;
First loves to do, then loves the good he does.
Sir J. Denham, Cooper's Hill.

A winged virtue through th' etherial sky,
From orb to orb, *unwearied* dost thou fly.
Tickell, On the Death of Addison.

Unweáriedly. *adv.* In an unwearied manner; indefatigably.

Absolute perfection is, I well know, unattainable: but I know too that a man of parts may be *unweariedly* aiming at, and pretty near attain it.—*Lord Chesterfield.*

Unweáriedness. *s.* Attribute suggested by Unwearied; state or quality of being unwearied.

That is the consideration of the indefeasibleness or *unweariedness* of the principle of thought in us.—*Baxter, On the Soul,* vol. i. p. 483.

Unweáry. *adj.* [A.S. *unwerig.*] Not weary.

Unweáry. *v. a.* Refresh after weariness. *Rare.*

It *unwearies*, and refreshes more than anything after too great labour.—*Sir W. Temple.*

Unweáve. *v. a.* Unfold; undo what has been woven.

That I should thus *unweave* the web of fate,
Decrease his subjects, and subvert his state.
Sandys, Christ's Passion, p. 4.

Weaving and *unweaving* this web, Penelopelike.—*Fuller, Holy War*, p. 250.

Unwéd. *part. pref.* Unmarried.

This servitude makes you to keep *unwed.*
Shakespear, Comedy of Errors, ii. 1.

Unwédgeable. *adj.* Not to be cloven.

Merciful heav'n!
Thou rather with thy sharp and sulph'rous bolt
Splitt'st the *unwedgeable* and gnarled oak,
Than the soft myrtle.
Shakespear, Measure for Measure, ii. 2.

Unweéded. *part. pref.* Not cleared from weeds.

Fie! 'tis an *unweeded* garden,
That grows to seed; things rank and gross in nature
Possess it merely. *Shakespear, Hamlet*, i. 2.

Unweéting. *part. pref.* Ignorant; unknowing.

Her seeming dead he found with feigned fear,
As all *unweeting* of that well she knew.
Spenser, Faerie Queen, i. 2, 45.

But contrary, *unweeting* he fulfill'd
The purposed counsel, pre-ordain'd and fix'd,
Of the Most High.
Milton, Paradise Regained, i. 126.

Unweétingly. *adv.* Unwittingly.

As by the way *unweetingly* I strayed.
Spenser, Faerie Queen.

Unweíghed. *part. pref.*

1. Not examined by the balance.

Solomon left all the vessels *unweighed*, because they were exceeding many.—1 *Kings*, vii. 47.

2. Not considerate; negligent.

What *unweighed* behaviour hath this Flemish drunkard picked out of my conversation that he dares in this manner essay me? why he hath not been thrice in my company.—*Shakespear, Merry Wives of Windsor*, ii. 1.

Unweíghing. *part. pref.* Inconsiderate; thoughtless.

Wise? why, no question but he was . . . a very superficial, ignorant, *unweighing* fellow.—*Shakespear, Measure for Measure*, iii. 2.

I meant to meet
My fate with face unmoved, and eyes *unwet.*
Dryden, Sigismonda and Guiscardo, 671.

Unwhípt. *part. pref.* Not punished; not corrected with the rod.

Tremble, thou wretch,
That hast within thee undivulged crimes,
Unwhipt of justice. *Shakespear, King Lear*, iii. 2.

Once (and but once) I caught him in a lie;
And then, *unwhipt*, he had the sense to cry.
Pope, Imitations of Horace, b. ii. ep. ii.

Unwhólesome. *adj.*

1. Insalubrious; mischievous to health.

There I a prisoner chain'd, scarce freely draw
The air imprison'd also, close and damp,
Unwholesome draught; but here I find amends,
The breath of heaven fresh-blowing, pure and sweet.
With day-spring born; here leave me to respire.
Milton, Samson Agonistes, 7.

2. Corrupt; tainted.

We'll use this *unwholesome* humidity; this gross wat'ry pumpion: we'll teach him to know turtles from jays.—*Shakespear, Measure for Measure*, iii. 3.

Unwiéldily. *adv.* In an unwieldy manner; with difficult motion.

Unwieldily they wallow first in ooze;
Then in the shady covert seek repose. *Dryden.*

Unwiéldiness. *s.* Attribute suggested by Unwieldy; difficulty to move or be moved.

To what a cumbersome *unwieldiness*,
And burdenous corpulence, my love had grown,
But that I made it feed upon
That which love worst endures, discretion!
Donne.

Unwiéldy. *adj.* Unmanageable; not easily moving or moved; bulky; weighty; ponderous.

An ague, meeting many humours in a fat, *unwieldy* body of fifty-eight years old, in four or five fits carried him out of the world.—*Lord Clarendon, History of the Grand Rebellion.*

Unwieldy sums of wealth, which higher mount
Than files of marshall'd figures can account.
Dryden, Translation of Juvenal, x. 18.

Unwílling. *part. pref.* Loth; not contented; not inclined; not complying by inclination.

The nature of man is *unwilling* to continue doing that wherein it shall always condemn itself.—*Hooker, Ecclesiastical Polity.*

At length I drop, but in *unwilling* ears,
This saving counsel, Keep your piece nine years.
Pope, Epistle to Arbuthnot.

Unwíllingly. *adv.* In an unwilling manner; not with good-will; not without lothness.

The whining schoolboy, with his satchel,
And shining morning face, creeping like snail
Unwillingly to school.
Shakespear, As you like it, ii. 7.

Unwíllingness. *s.* Attribute suggested by Unwilling; lothness; disinclination.

Obedience, with professed *unwillingness* to obey, is no better than manifest disobedience.—*Hooker, Ecclesiastical Polity.*

There is in most people a reluctance and *unwillingness* to be forgotten. We observe, even among the vulgar, how fond they are to have an inscription over their grave.—*Swift.*

Unwínd. *v. a.* pret. and past part. *unwound.*

1. Separate anything convolved; untwist; untwine.

All his subjects having by some years learned so to hope for good and fear harm, only from her, that it should have needed a stronger virtue than his, to have *unwound* so deeply an entered vice.—*Sir P. Sidney.*

2. Disentangle; loose from entanglement.

Desiring to serve God as they ought; but being not so skilful as in every point to *unwind* themselves, where the snares of glosing speech lie to entangle them, are in mind not a little troubled, when they hear so bitter invectives against that, which this church hath taught them to reverence as holy.—*Hooker, Ecclesiastical Polity.*

Unwínd. *v. n.* Admit evolution.

Put the bottoms into clean scalding water, and they will easily *unwind.*—*Mortimer, Husbandry.*

Unwíped. *part. pref.* Not cleaned by rubbing.

Their hands and faces were all badged with blood,
So were their daggers, which *unwiped* we found
Upon their pillows. *Shakespear, Macbeth*, ii. 3.

Unwíse. *adj.* Weak; defective in wisdom.

O good, but most *unwise* patricians! why,
You grave, but reckless senators, have you thus
Giv'n Hydra here to chuse an officer?
Shakespear, Coriolanus, iii. 1.

When kings grow stubborn, slothful, or *unwise*,
Each private man for publick good should rise.
Dryden.

Unwísely. *adv.* In an unwise manner.

Lady Zelmane, like some, *unwisely* liberal, that more delight to give presents than pay debts, chose rather to bestow her love upon me, than to recompense him.—*Sir P. Sidney.*

Unwish, *v. a.* Wish that which is, not to be.

My liege, would you and I alone,
Without more help, could fight this royal battle.—
Why now thou hast *unwish'd* five thousand men;
Which likes me better than to wish us one.
Shakespear, Henry V. iv. 3.

Unwíshed. *part. pref.* Not sought; not desired.

So jealous is she of my love to her daughter, that I never yet began to open my mouth to the unevitable Philoclea, but that her *unwished* presence gave my tale a conclusion, before it had a beginning.—*Sir P. Sidney.*

While heaping *unwish'd* wealth I distant roam,
The best of brothers at his natal home,
By the dire fury of a traitress wife,
Ends the sad evening of a stormy life.
Pope, Translation of the Odyssey, iv. 113.

That limb he could not wag.
Spenser, Faerie Queen.

Unwít. *v. a.* Deprive of understanding. *Rare.*

Friends all but now; even now
In quarter, and in terms like bride and groom
Divesting them for bed; and then but now,
As if some planet had *unwitted* men,
Swords out, and tilting one at other's breasts.
Shakespear, Othello, ii. 3.

Unwithdráwing. *part. pref.* Continually liberal.

Wherefore did nature pour her bounties forth,
With such a full and *unwithdrawing* hand,
Covering the earth with odours, fruits, and flocks?
Milton, Comus, 710.

Unwíthered. *part. pref.* Not withered; not faded.

What is in your lip,
To tice the enamour'd soul to dwell with more
Ambition, than the yet *unwither'd* blush
That speaks the innocence of mine?
Beaumont and Fletcher, Coronation.

Unwíthering. *part. pref.* Not liable to wither or fade.

The spiry myrtle with *unwithering* leaf
Shines there and flourishes. *Cowper, Task*, b. iii.

Unwithstoód. *part. pref.* Not opposed.

Cressy plains,
And Agincourt, deep tinged with blood, confess
What the Silures' vigour *unwithstood*,
Could do in rigid fight. *J. Philips, Cyder*, i. 601.

He resolved to leave
Unworshipp'd, unobey'd the throne supreme.
Milton, Paradise Lost, v. 669.

Unwórthily. *adv.* In an unworthy manner; not according to desert; either above or below merit.

Fearing lest my jealous aim might err,
And so *unworthily* disgrace the man,
I gave him gentle looks.
Shakespear, Two Gentlemen of Verona, iii. 1.

Unwórthiness. *s.* Attribute suggested by Unworthy; want of worth; want of merit.

A mind fearing the *unworthiness* of every word that should be presented to her ears, at length brought it forth in this manner.—*Sir P. Sidney.*

Unwórthy. *adj.*

1. Not deserving; whether good or bad.

Every particular accident, not *unworthy* the remembrance, for brevity I wittingly pass over.—*Knolles, History of the Turks.*

2. Wanting merit.

Tell me, Philoclea, did you ever see such a shepherd? did you ever hear of such a prince? and then tell me if a small or *unworthy* assault have conquered me?—*Sir P. Sidney.*

So may I, blind fortune leading me,
Miss that which one *unworthier* may attain,
And die with grieving.
Shakespear, Merchant of Venice, ii. 1.

With *of* in full, but sometimes omitted.

I laid at her feet a work which was *unworthy* her, but which I hope she will forgive.—*Dryden.*

Our friend's papers are in my hands, and I will take care to suppress things *unworthy of* him.—*Pope, Letter to Swift.*

3. Unbecoming; vile.

The brutal action roused his manly mind;
Moved with *unworthy* usage of the maid,
He, though unarm'd, resolved to give her aid.
Dryden, Theodore and Honoria, 126.

Unwoúnded. *part. pref.*

1. Not wounded.

We may offend
Our yet *unwounded* enemies.
Milton, Paradise Lost, vi. 465.

2. Not hurt.

O blest with temper! whose unclouded ray

I am afflicted and ready to die from my youth *up.*—*Psalms*, lxxxviii. 15.

Up and down.

a. Dispersedly; here and there.

Abundance of them are scattered *up and down*, like so many little islands when the tide is low.—*Addison.*

b. Backward and forward.

The skipping king he rambled *up and down*,
With shallow jesters.
Shakespear, Henry IV. Part I. iii. 3.

Used *substantivally*: (as, 'The *ups and downs* of life').

But, as Madam Carey says, when things are at the worst——' 'Oh! I did say it,' said the widow, 'surely, because you see, at my years, I have seen so many *ups and downs*, though I always say——' 'Come, Dusty,' said Julia, you are more silent than ever.'—*B. Disraeli, Sybil*, b. vi. ch. vii.

Up to.

a. To an equal height with.

Tantalus was punished with the rage of an eternal thirst, and set *up to* the chin in water, that fled from his lips whenever he attempted to drink it.—*Addison.*

b. Adequately to.

The wisest men in all ages have lived *up to* the religion of their country, when they saw nothing in it opposite to morality.—*Addison.*

They are determined to live *up to* the holy rule, by which they have obliged themselves to walk.—*Bishop Atterbury.*

Up with. A phrase that signifies the act of raising anything to give a blow.

She, quick and proud, and who did Pas despise,
Up with her fist, and took him on the face;
Another time, quoth she, become more wise:
Thus Pas did kiss her hand with little grace.
Sir P. Sidney.

It is added to verbs, implying some accumulation, or increase.

If we could number *up* those prodigious swarms that settled in every part of the Campania of old Rome, they would amount to more than can be found in any six parts of Europe of the same extent.—*Addison, Travels in Italy.*

Used *interjectionally.*

a. Word exhorting to rise from bed.

Up! up! cries gluttony, 'tis break of day;
Go drive the deer, and drag the finny prey.
Pope, Imitation of Horace, b. i. ep. vi.

b. Word of exhortation, exciting or rousing to action.

Up then, Melpomene, the mournful muse of nine;
Such cause of mourning never hadst afore.
Up, grisly ghosts; and *up* my rueful rime;
Matter of mirth now shalt thou have no more.
Spenser.

Up, up, for honour's sake; twelve legions wait you,
And long to call you chief.
Dryden, All for Love, i. 1.

Up. *prep.* From a lower to a higher part; not down.

In going *up* a hill, the knees will be most weary; in going down, the thighs: for that in lifting the feet, when a man goeth *up* the hill, the weight of the body beareth most upon the knees, and in going down, upon the thighs.—*Bacon.*

Úpas, Úpas-tree. *s.* [Javanese.] In *Botany.* Poisonous tree of the genus Antiaris (toxicaria). See extract.

The renowned *upas-tree* of Java, is a large tree, which has a very poisonous juice; and it is stated that linen made from its fibres, if badly prepared, produces great irritation of the skin.—*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic.*

Upbeár. *v. a.* pret. *upbore*; past part. *upborne.*

1. Sustain aloft; support in elevation.

Upborne with indefatigable wings.
Milton, Paradise Lost, ii. 408.

Ranged in a line the ready racers stand,
Start from the goal, and vanish o'er the strand:
Swift as on wings of wind, *upborne* they fly,
And drifts of rising dust involve the sky.
Pope, Translation of the Odyssey, viii. 125.

2. Raise aloft.

This with pray'r,
Or one short sigh of human breath, *upborne*,
Ev'n to the seat of God.
Milton, Paradise Lost, xi. 146.

A monstrous wave *upbore*
The chief, and dash'd him on the craggy shore.
Pope, Translation of the Odyssey, v. 542.

3. Support from falling.

Vital powers gan wax both weak and wan,
For want of food and sleep; which two *upbear*,
Like weighty pillars, this frail life of man. *Spenser.*

Upbínd. *v. a.* Bind up.

O Peace, thy injured robes *upbind!*
Collins, Ode to Peace.

Upblów. *v. a.* Blow up; make tumid.

His belly was *upblowne* with luxury.
Spenser, Faerie Queen, i. 4, 21.

Upbraíd. *v. a.*

1. Charge contemptuously with anything dis-

graceful: (it has commonly *with*, sometimes *of*, before the thing imputed; sometimes it has only an accusative of the thing, as in Milton, and sometimes the person without the thing, or the thing without the person). (Johnson.)

The fathers, when they were *upbraided with* that defect, comforted themselves with the meditation of God's most gracious nature, who did not therefore the less accept of their hearty affection.—*Hooker, Ecclesiastical Polity.*

It seem'd in me
But as an honour snatch'd with boist'rous hand,
And I had many living to *upbraid*
My gain *of* it by their assistances,
Which daily grew to quarrel.
Shakespear, Henry IV. Part II. iv. 4.

If you refuse your aid, yet do not
Upbraid us *with* our distress. *Id., Coriolanus*, v. 1.

How cunningly the sorceress displays
Her own transgressions, to *upbraid* me mine!
Milton, Samson Agonistes, 819.

'Tis a general complaint against you, and I must *upbraid* you *with* it, that because you need not write, you will not.—*Dryden.*

2. Object as matter of reproach: (with *to* before the person).

Those that have been bred together, are more apt to envy their equals when raised: for it doth *upbraid unto* them their own fortunes, and pointeth at them.—*Bacon.*

May they not justly *to* our climes *upbraid*,
Shortness of night, and penury of shade?
Prior, Solomon, i. 293.

3. Reproach on account of a benefit received from the reproacher.

Be ashamed of *upbraiding* speeches before friends: and after thou hast given *upbraid* not.—*Ecclesiasticus*, xli. 22.

4. Bring reproach upon; show faults by being in a state of comparison.

Ah, my son, how evil fits it me to have such a son, and how much doth thy kindness *upbraid* my wickedness!—*Sir P. Sidney.*

5. Treat with contempt. *Obsolete.*

There also was that mighty monarch laid,
Low under all, yet above all in pride;
That name of native sire did foul *upbraid*,
And would, as Ammon's son, be magnified.
Spenser, Faerie Queen, i. 5, 48.

Upbraíder. *s.* One who upbraids; one who reproaches.

The latter hath no *upbraiders*.
B. Jonson, Discoveries.

Upbraíding. *verbal abs.* Act of one who upbraids; reproach.

Thou say'st his meat was sauced with thy *upbraidings*.
Shakespear, Comedy of Errors, v. 1.

He that knowingly commits an ill, has the *upbraidings* of his own conscience.—*Dr. H. More, Decay of Christian Piety.*

Upbráy. *v. a.* Shame. *Rare.*

Vile knight,
That knights and knighthood dost with shame *upbray*,
And shew'st th' ensample of thy childish might,
With silly, weak old women thus to fight.
Spenser, Faerie Queen, ii. 4, 45.

Upbroúght. *part. pref.* Educated; nurtured.

Divinely wrought,
And of the brood of angels, heav'nly born,
And with the crew of blessed saints *upbrought*,
Each of which did her with her gifts adorn.
Spenser.

Úpcast. *part. pref.* [accent as in Dówncast.] Thrown upwards.

Beasts with *upcast* eyes forsake their shade,
And gaze as if I were to be obey'd.
Dryden, State of Innocence, ii. 3.

Old Saturn, too, with *upcast* eyes,
Beheld his abdicated skies.
Addison, To Sir Godfrey Kneller, 61.

Úpcast. *s.* Throw; cast: (in the extract, as a term in the game of bowls).

Was there ever man had such luck? when I kiss'd the jack, upon an *upcast* to be hit away!—*Shakespear, Cymbeline*, ii. 1.

Updráw. *v. a.* Draw up.

From her side the fatal key,
Sad instrument of all our woe, she took,
And tow'rds the gate rolling her bestial train,
Forthwith the huge portcullis high *updrew*.
Milton, Paradise Lost, ii. 871.

Upgáther. *v. a.* Contract.

Himself he close *upgather'd* more and more
Into his den, that his deceitful train,
By his there being might not be bewraid,
Ne any noise, ne any question made. *Spenser.*

Upgrów. *v. n.* Grow up.

Over head *up-grew*
Insuperable highth of loftiest shade.
Milton, Paradise Lost, iv. 137.

Uphand. *adj.* [in this and the word immediately following, the *h* is sounded as a separate letter; i.e. not as *Philip*, &c. where it is simply the equivalent of *f*, but as a true aspirate.] Lifted by the hand.

The *uphand* sledge is used by underworkmen, when the work is not of the largest, yet requires help to batter. They use it with both their hands before them, and seldom lift their hammer higher than their head.—*Moxon, Mechanical Exercises.*

Upheával. *s.* Raising by, or as by, a heave.

My father ... has maintained that an alteration in the earth's axis would necessarily follow from *upheavals* and depressions of the earth's surface, if only they were of sufficient magnitude. This suggestion, however, ... involves immense geographical changes, and would therefore necessarily have required an enormous lapse of time.—*Sir J. Lubbock, On the Antiquity of Man*, in *Natural History Review.*

Upheáve *v. a.* Heave up; lift up.

Sorrow in far more woeful wise
Took on with plaint, *upheaving* to the skies
Her wretched hands.
Sackville, Mirrour for Magistrates, induction.

Uphill. *adj.* Difficult; like the labour of climbing a hill.

What an *uphill* labour must it be to a learner, who has those first rudiments to master at twenty years of age, which others are taught at ten!—*Richardson, Clarissa.*

Yet, as immortal, in our *uphill* chase
We press coy fortune with unslacken'd pace.
Young.

Uphoárd. *v. a.* Treasure; store; accumulate in private places.

If thou hast *uphoarded* in thy life
Extorted treasure in the womb of earth,
Speak of it. *Shakespear, Hamlet*, i. 1.

Uphóld. *v. a.* pret. *upheld*; past part. *upheld* and *upholden*.

1. Lift on high.

The mournful train with groans and hands *upheld*,
Besought his pity. *Dryden.*

2. Support; sustain; keep from falling.

While life *upholds* this arm,
This arm *upholds* the house of Lancaster.
Shakespear, Henry VI. Part III. iii. 3.

3. Keep from decline or diminution.

There is due from the judge to the advocate some commendation, where causes are fair pleaded; for that *upholds* in the client the reputation of his council, and beats down in him the conceit of his cause.—*Bacon.*

4. Support in any state of life.

Many younger brothers have neither lands nor means to *uphold* themselves.—*Sir W. Raleigh.*

5. Continue; keep from defeat.

Divers, although peradventure not willing to be yoked with elderships, yet were contented *to uphold* opposition against bishops, not without greater hurt to the course of their whole proceedings.—*Hooker, Ecclesiastical Polity.*

6. Keep from being lost.

Falconbridge,
In spite of spite, alone *upholds* the day.
Shakespear, King John, v. 4.

7. Continue without failing.

A deaf person, by observing the motions of another man's mouth, knows what he says, and *upholds* a current communication of discourse with him.—*Holder.*

Uphólder. *s.* [see extract from Wedgwood.] One who upholds.

1. Supporter; sustainer.

Suppose then Atlas ne'er so wise:
Yet when the weight of kingdoms lies
Too long upon his single shoulders,
Sink down he must, or find *upholders*. *Swift.*

2. Upholsterer.

3. Undertaker; one who provides for funerals.

Where the brass knocker wrapt in flannel band
Forbids the thunder of the footman's hand;
The *upholder*, rueful harbinger of death,
Waits with impatience for the dying breath.
Gay, Trivia, ii. 467.

[*Upholsterer.*—A corruption of *upholder*. The original meaning seems to be one who furbishes up old goods. *Upholstar*, fripier (Palgrave). . . . *Upholdere*, that sellythe small thynges, velaber (Promptorium Parvulorum). An *upholder*, then, was pretty much what we now call a broker; and we easily understand how the name came to signify a dealer in furniture, and then a maker of furniture.—*Wedgwood, Dictionary of English Etymology.*]

Uphólsterer. *s.* [see Upholder.] One who furnishes houses; one who fits up apartments with beds and furniture.

If a corner of the hanging wants a single nail, send for the *upholsterer*.—*Swift, Advice to Servants.*

Mere wax as yet, you fashion him with ease,
Your barber, cook, *upholsterer*.
Pope, Imitations of Horace, b. i. ep. ii.

Uphólstery. *s.* Articles made or sold by upholsterers.

The dramatist of the last century had few resources of painting and *upholstery* at his command, and he did well enough without them.—*Saturday Review*, October 2, 1869, p. 448.

Upland. *s.* Higher ground.

Men at first, after the flood, lived in the *uplands* and sides of the mountains, and by degrees sunk into the plains.—*T. Burnet, Theory of the Earth.*

Upland. *adj.*

1. Higher in situation.

Those in Cornwall do more by nature than others elsewhere by choice, conceive themselves an estranged society from the *upland* dwellers, and carry an emulation against them.—*Carew, Survey of Cornwall.*

Sometimes with secure delight,
The *upland* hamlets will invite.
Milton, L'Allegro, 91.

2. Rude; savage: (probably because the uplanders, having less commerce, were less civilized).

And long'd to see this heap of fortitude,
That so illiterate was, and *upland* rude,
That lawes divine nor humane he had learn'd.
Chapman.

Uplándish. *adj.*

1. Higher in situation; mountainous.

He caused fifteen miles' space of *uplandish* ground, where the sea had no passage, to be cut and digged up.—*Robinson, Translation of Sir T. More's Utopia*, b. ii. ch. i.

2. Inhabiting an upland district; rude.

Lion-like, *uplandish*, and mere wild,
Slave to his pride; and all his nerves being naturally compiled
Of eminent strength, stalks out and preys upon a silly sheep.
Chapman, Translation of the Iliad.

Some are more domestical and tame; and others again are altogether wild, *uplandish*, and agrestial.—*Swan, Speculum Mundi*, ch. viii. § 2.

It was natural that the country people, or *uplandish* folk, as they were called, should repine at the exclusion from that enjoyment of competence, and security for the fruits of their labour, which the inhabitants of towns so fully possessed.—*Hallam, View of the State of Europe during the Middle Ages*, pt. iii. ch. viii.

Upláy. *v. a.* Hoard; lay up.

We are but farmers of ourselves; yet may,
If we can stock ourselves and thrive, *uplay*
Much, much good treasure for the great rent-day.
Donne.

Upleád. *v. a.* Lead upward.

Upled by thee,
Into the heaven of heavens I have presumed,
An earthly guest. *Milton, Paradise Lost*, vii. 12.

Uplíft. *v. a.* Raise aloft.

Mechanick slaves,
With greasy aprons, rules, and hammers, shall
Uplift us to the view.
Shakespear, Antony and Cleopatra, v. 2.

Songs, sonnets, epigrams, the winds *uplift*,
And whisk them back to Evans, Young, and Swift.
Pope, Dunciad, ii. 115.

Uplóck. *v. a.* Lock up.

So am I as the rich, whose blessed key
Can bring him to his sweet *uplocked* treasure.
Shakespear, Sonnets, lii.

Úpmost. *adj.* [see Foremost.] Highest; topmost.

Away! ye skum,
That still rise *upmost* when the nation boils; ...
That have but just enough of sense to know
The master's voice, when rated to depart.
Dryden, Don Sebastian, iv. 3.

Upón. *prep.*

1. Not under; noting being on the top.

As I did stand my watch *upon* the hill,
I look'd toward Birnam, and anon methought
The wood began to move.
Shakespear, Macbeth, v. 5.

2. Not within; being on the outside.

Thou shalt take of the blood that is *upon* the altar.—*Exodus*, xxix. 21.

3. Thrown over the body, as clothes.

I have seen her rise from her bed, throw her night-gown *upon* her.—*Shakespear, Macbeth*, v. 1.

4. It expresses obtestation, or protestation
How? that I should murder her?
Upon the love, and truth, and vows, which I
Have made to thy command! I, her! her blood!
Shakespear, Cymbeline, iii. 2.

5. It is used to express any hardship or mischief.
If we would neither impose *upon* ourselves, nor others, we must lay aside that fallacious method of censuring by the lump.—*T. Burnet, Theory of the Earth.*

6. In consequence of.
Let me not find you before me again *upon* any complaint whatsoever.—*Shakespear, Measure for Measure*, ii. 1.
I wish it may not be concluded, lest, *upon* second cogitations, there should be cause to alter.—*Bacon.*
Upon pity they were taken away, *upon* ignorance they are again demanded.—*Sir J. Hayward.*
The design was discovered by a person as much noted for his skill in gaming as in politics, *upon* the base, mercenary end of getting money by wagers.—*Swift.*

7. In immediate consequence of.
Waller should not make advantage *upon* that enterprise, to find the way open to him to march into the west.—*Lord Clarendon, History of the Grand Rebellion.*
This advantage we lost *upon* the invention of fire-arms.—*Addison.*

8. In a state of view.
Is it *upon* record? or else reported
Successively, from age to age?
Shakespear, Richard III. iii. 1.
The atheists taken notice of among the antients are left branded *upon* the records of history.—*Locke.*

9. Relating to a subject.
Ambitious Constance would not cease,
Till she had kindled France, and all the world,
Upon the right and party of her son.
Shakespear, King John, i. 1.

10. With respect to.
The king's servants, who were sent for, were examined *upon* all questions proposed to them.—*Dryden.*

11. In consideration of.
Upon the whole matter, and humanly speaking, I doubt there was a fault somewhere.—*Dryden.*

12. In noting a particular day.
Constantia he looked upon as given away to his rival, *upon* the day on which their marriage was to be solemnized.—*Addison, Spectator.*

This would interrupt his joy
In our confusion, and our joy *upraise*
In his disturbance. *Milton, Paradise Lost*, ii. 371.

Upreár. *v. a.* Rear on high.
Heav'n-born charity! thy blessings shed;
Bid meagre want *uprear* her sickly head. *Gay.*

Úpright. *adj.* This word, with its derivatives, is in prose accented on the first syllable; but in poetry seems to be accented indifferently on the first or second.

1. Straight up; perpendicularly erect.
Circe, the daughter of the sun; whose charms
Whoever tasted lost his *upright* shape,
And downward fell into a grovelling swine.
Milton, Comus, 51.

Used *adverbially.*
In the morning, taking of somewhat of easy digestion, as milk, furthers nourishment: but this should be done sitting *upright*, that the milk may pass more speedily to the stomach.—*Bacon, Natural and Experimental History.*

2. Erected; pricked up.
All have their ears *upright*, waiting when the watchword shall come, that they should all arise unto rebellion.—*Spenser, View of the State of Ireland.*
Stood Theodore surprised in deadly fright,
With chatt'ring teeth, and bristling hair *upright*.
Dryden, Theodore and Honoria, 145.

3. Honest; not declining from the right.
Such neighbour nearness should not partialize
Th' unstooping firmness of my *upright* soul.
Shakespear, Richard II. i. 1.
Thousands, once *upright*
And faithful, now proved false!
Milton, Paradise Lost, vi. 270.
The most *upright* of mortal men was he.
Dryden, Translation from Ovid, Metamorphoses, b. i.

Úpright. *s.*

Úpshot. *s.* Conclusion; end; last amount; final event.
With this he kindleth his ambitious spighte
To like desire and praise of noble fame,
The only *upshot*, whereto he doth aim.
Spenser, Mother Hubbard's Tale.

I cannot pursue with any safety this sport to the *upshot*.—*Shakespear, Twelfth Night*, iv. 2.

At the *upshot*, after a life of perpetual application, to reflect that you have been doing nothing for yourself, and that the same or less industry might have gained you a friendship that can never deceive or end; a glory, which, though not to be had till after death, yet shall be felt and enjoyed to eternity.—*Pope.*

Úpside-dówn. *adv.* [Up-so-down.]

1. With lower part above the higher.

In the day-time they fish in their boats, which they draw unto the land at night; and, turning them *upside down*, sleep under them.—*Heylin.*

2. In confusion; in complete disorder.

In his lap a mass of coin he told,
And turned *upside down*, to feed his eye
And covetous desire with his huge treasurye.
Spenser, Faerie Queen, ii. 7, 4.

The flood did not so turn *upside down* the face of the earth, as thereby it was made past knowledge, after the waters were decreased.—*Sir W. Raleigh, History of the World.*

The severe notions of Christianity turned all this *upside down*, filling all with surprise and amazement. They came upon the world, like light darting full upon the face of a man asleep, who had a mind not to be disturbed.—*South, Sermons.*

Úp-so-dówn. *adv.* Original form of Upside-down.

A mannes conscyence stereth *up so downe* the memory.—*Bishop Fisher, Psalms.*

Upspríng. *v. n.* Spring up.

The flames *upspring*, and cruelly they creep
From wall to roof.
Sackville. Mirrour for Magistrates, induction.

These in flocks
Pasturing at once, and in broad herds, *upsprung.*
Milton, Paradise Lost, vii. 461.

Úpspring. *s.* Upstart; man suddenly exalted. *Rare.*

The king doth wake to-night, and takes his rouse;
Keeps wassel, and the swagg ring *upspring* reels.
Shakespear, Hamlet, i. 4.

Upstánd. *v. n.* Be erected.

Sea calves unwonted to fresh rivers fly;
The water snakes with scales *upstanding* die.
May, Translation of Virgil.

Upstárt. *v. n.* Spring up suddenly.

He *upstarted* brave
Out of the well, wherein he drenched lay,
As eagle fresh out of the ocean wave.
Spenser, Faerie Queen, i. 11, 34.

Thus having spoke, he sat; thus answer'd then,
Upstarting from his throne, the king of men,
His breast with fury fill'd. *Dryden,*
Translation of the First Book of the Iliad, 151.

Úpstart. *s.* One suddenly raised to wealth, power, or honour; that which suddenly rises and appears.

Mushrooms have two strange properties; the one, that they yield so delicious a meat; the other, that they come up so hastily, even in a night, and yet they are unsown: and therefore such as are *upstarts* in state, they call in reproach mushrooms.—*Bacon, Natural and Experimental History.*

Mean *upstarts*, when they come once to be preferred, forget their fathers.—*Sir R. L'Estrange.*

Úpstart. *adj.* Suddenly raised.

My rights and royalties
Pluckt from my arms perforce, and given away
To *upstart* unthrifts. *Shakespear, Richard II.* ii. 3.

The king did not neglect Ireland, the soil where these mushrooms and *upstart* weeds, that spring up in a night, did chiefly prosper.—*Bacon.*

Inordinate desires,
And *upstart* passions, catch the government
From reason. *Milton, Paradise Lost*, xii. 87.

Upstáy. *v. a.* Sustain; support. *Rare.*

Them she *upstays*
Gently with myrtle band; mindless the while
Herself, though fairest unsupported flow'r.
Milton, Paradise Lost, ix. 430.

Upswárm. *v. a.* Raise in a swarm. *Rare.*

You've taken up the subjects of my father;
And both against the voice of heaven and him
Have here *upswarm'd* them.
Shakespear, Henry IV. Part II. iv. 2.

Uptáke. *v. a.* Take into the hands.

He hearkened to his reason, and the child
Uptaking, to the palmer gave to bear.
Spenser, Faerie Queen, ii. 2, 11.

Upteár. *v. a.* Tear up; rend up.

The rest, in imitation, to like arms
Betook them, and the neighbouring hills *uptore.*
Milton, Paradise Lost, vi. 662.

Uptraín. *v. a.* Bring up; educate. *Rare.*

King Lear in happy peace long reign'd,
But had no issue male him to succeed,
But three fair daughters, which were well *uptrain'd*
In all that seemed fit for kingly seed.
Spenser, Faerie Queen, ii. 10, 27.

Uptúrn. *v. a.* Throw up; furrow.

So scented the grim feature, and *upturn'd*
His nostrils wide into the murky air.
Milton, Paradise Lost, x. 279.

Beyond all marks, with many a giddy round
Down rushing, it *upturns* a hill of ground.
Pope, Translation of the Odyssey, viii. 217.

Úpward, Úpwards. *adv.*

1. Towards a higher place: (opposed to *downward*).

I thought
To smooth your passage, and to soften death:
For I would have you, when you *upward* move,
Speak kindly of me to our friends above. *Dryden.*

A man on a cliff is at liberty to leap twenty yards downwards into the sea, not because he has power to do the contrary action, which is to leap twenty yards *upwards*, for that he cannot do; but he is therefore free, because he has a power to leap, or not to leap.—*Locke.*

2. Towards heaven and God.

Looking inward, we are stricken dumb: looking *upward*, we speak and prevail.—*Hooker, Ecclesiastical Polity.*

3. With respect to the higher part.

Dagon, sea-monster! *upward* man,
And downward fish. *Milton, Paradise Lost*, i. 462.

4. More than; with tendency to a higher or greater number.

I have been your wife in this obedience
Upward of twenty years; and have been blest
With many children by you.
Shakespear, Henry VIII. ii. 4.

5. Towards the source.

Be Homer's works your study and delight,
Read them by day, and meditate by night;
Thence form your judgement, thence your notions bring,
And trace the muses *upward* to their spring.
Pope, Essay on Criticism, i. 124.

Úpward. *adj.* Directed to a higher part.

Spread upon a lake, with *upward* eye,
A plump of fowl behold their foe on high. *Dryden.*

The angel said,
With *upward* speed his agile wings he spread.
Prior, Solomon, iii. 875.

Úpward. *s.* Top. *Rare.*

From th' extremest *upward* of thy head,
To the descent and dust below thy foot,
A most toad-spotted traitor.
Shakespear, King Lear, v. 3.

Upwhírl. *v. a.* Raise upwards with quick rotation.

All these, *upwhirl'd* aloft,
Fly o'er the backside of the world far off
Into a Limbo large and broad.
Milton, Paradise Lost, iii. 493.

Upwínd. *v. a.* pret. and past part. *upwound.* Convolve.

As she lay upon the dirty ground,
Her huge long tail her den all overspread,
Yet was in knots and many boughts *upwound.*
Spenser, Faerie Queen, i. 1, 15.

Uránium. *s.* In *Chemistry* and *Mineralogy.* Name of a metal so called, because it was discovered about the same time as the planet Uranus (Gr. οὐρανὸς = heaven). The word is an artificial one, the termination *-um* belonging to the technical language of chemistry, and indicating that the name is that of a metal.

Uranium is a rare metal first discovered by Klaproth in the black mineral called Prechblende, found in a mine near Johann-Georgen-Stadt, in Saxony, and which is a sulphuret of *uranium*. A double phosphate of *uranium* and copper, called green uranite, and uran-mica, occurs in Cornwall. It has been reduced to the metallic state by various devices, but it has hardly the appearance of metal to the naked eye, and from the rarity of its ores, is not likely to be of any importance in the arts.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Úrate. *s.* Salt of uric acid; Lithate is a synonym.

The deposits of *urate* of ammonia and *urate* of soda, which are formed in urine during fever and other diseases, are always found to exhibit different shades of red, varying from pink to carmine.—*Schunck, On the Colouring and Extractive Matters of Urine*, in *Proceedings of the Royal Society*, 1867.

(See also under Uric.)

Urbáne. *adj.* [Lat. *urbanus*, from *urbs, urbis* = city.] Civil; courteous; elegant.

They see a more civil and *urbane* kind of life.—*World of Wonders*, p. 233: 1608.

Dr. Warton thinks this epistle superior to any of Voiture's. The latter part of it is certainly *urbane*, elegant, and unaffected.—*Bowles, Pope's Works*, i. 298.

Urbánity. *s.* [Fr. *urbanité*; Lat. *urbanitas, -atis.*] Civility; elegance; politeness; merriment; facetiousness.

In jest, what *urbanity* he uses!—*B. Jonson, Discoveries.*

Raillery is the sauce of civil entertainment; and without some such tincture of *urbanity*, good-humour falters.—*Sir R. L'Estrange.*

Moral doctrine, and *urbanity*, or well-mannered wit, constitute the Roman satire.—*Dryden.*

Úrbanize. *v. a.* Render civil; polish. *Rare.*

Refined nations, whom learning and knowledge did first *urbanize* and polish.—*Howell, Instructions for Foreign Travel*, p. 9: 1642.

Úrchin. *s.* [Fr. *urchon, hérisson*; Lat. *ericius.*]

1. Hedgehog.

Urchins shall, for that vast of night that they may work,
All exercise on thee. *Shakespear, Tempest*, i. 2.

That nature designs the preservation of the more infirm creatures, by the defensive armour it hath given them, is demonstrable in the common hedgehog or *urchin.*—*Ray.*

2. Name of slight anger to a child.

Pleased Cupid heard, and check'd his mother's pride:
And who's blind now, mamma? the *urchin* cried.
Prior, Venus Mistaken.

On each side of their master, seated on a stool higher than the rest, was an *urchin* of not more than four or five years of age, serious and demure, as if proud of his eminent position, and working incessantly at his little file.—*B. Disraeli, Sybil*, b. iii. ch. vii.

Ure. *s.* [see Enure.] Practice; use; habit. *Obsolete.*

Is the warrant sufficient for any man's conscience to build such proceedings upon, as are and have been put in *ure* for the establishment of that cause?—*Hooker, Ecclesiastical Polity.*

He would keep his hand in *ure* with somewhat of greater value, till he was brought to justice.—*Sir R. L'Estrange.*

Úrea. *s.* In *Organic Chemistry.* See extract.

Urea ... is the characteristic ingredient of the human urine, and that of the greater number of carnivorous animals. It is a highly azotised substance, represented by the formula $C_2H_4N_2O_2$. It may be obtained by carefully evaporating urine to the consistency of a thin syrup, filtering and adding an equal volume of pure nitric acid; a crystalline precipitate of nitrate of *urea* gradually forms, which, decomposed by carbonate of baryta, yields nitrate of baryta and *urea*, from which boiling alcohol dissolves out the *urea*. An oxalate of *urea* may be similarly formed, and decomposed by carbonate of lime into *urea* and oxalate of lime.... *Urea* crystallises in prisms; of a cooling saline taste: it is soluble in water and alcohol; but insoluble in ether and in an excess of nitric acid. It is neither acid nor alkaline. Pure *urea* is permanent in the air; at 250° it fuses, at a higher temperature it yields ammonia, cyanate of ammonia, and cyanuric acid. When heated in close vessels to between 428° and 464°, it is converted into carbonate of ammonia and water. An aqueous solution of *urea* remains long without change; but the addition of proteiniferous substances resolves it more rapidly into carbonate of ammonia.... The proportion of *urea* contained in urine is very variable.... It is increased by exercise, and diminished by rest. *Urea* has been detected in the blood, and, where the kidneys are extensively diseased, may so accumulate there as to produce a form of narcotic poisoning known under the name of Uræmia.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Úreter. *s.* [Gr. οὐρητήρ; Fr. *uretère.*] Membranous tube from the basin of the kidneys to the bladder, one on each side, the use of them being to carry the urine from the kidneys to the bladder.

The kidnies and *ureters* serve for expurgation.—*Wiseman, Surgery.*

Uréthra. *s.* [Gr. οὐρηθρα.] Membranous tube for the passage of the urine from the bladder to the point of its evacuation.

Caruncles are loose flesh, arising in the *urethra.*—*Wiseman, Surgery.*

Urge. *v. a.* [Lat *urgeo.*]

1. Incite; push; press by motives.

You do mistake your business: my brother
Never did *urge* me in his act.
Shakespear, Antony and Cleopatra, ii. 2.

High Epidaurus *urges* on my speed,
Famed for his hills, and for his horses' breed.
Dryden, Translation of the Georgics, iii. 75.

The heathens had but uncertain apprehensions of what *urges* men most powerfully to forsake their sins.—*Archbishop Tillotson.*

2. Provoke; exasperate.

Urge not my father's anger, Eglamour,
But think upon my grief.
Shakespear, Two Gentlemen of Verona, iv. 3.

3. Follow close, so as to impel.
Man? and for ever? wretch! what wouldst thou have?
Heir *urges* heir, like wave impelling wave.
Pope, Imitations of Horace, b. ii. ep. ii.

4. Labour vehemently; do with eagerness, or violence.
He, seized with horror, in the shades of night,
Through the thick desarts headlong *urged* his flight.
Pope.

5. Press; enforce.
Urge you your petitions in the street?
Shakespear, Julius Cæsar, iii. 1.
And great Achilles *urge* the Trojan fate.
Dryden, Translation of Virgil, Eclogues, iv. 44.

6. Press as an argument.
Urge the necessity and state of times,
And be not peevish.
Shakespear, Richard III. iv. 4.

7. Importune; solicit.
He *urged* sore,
With piercing words and pitiful implore,
Him hasty to arise. *Spenser.*

8. Press in opposition, by way of objection.
Though every man has a right in dispute to *urge* a false religion, with all its absurd consequences; yet it is barbarous incivility scurrilously to sport with that which others account religion?—*Archbishop Tillotson.*

Urge. *v. n.* Press forward.
A palace, when 'tis that which it should be,
Stands such or else decays:
But he that dwells there is not so; for he
Strives to *urge* upward, and his fortune raise.
Donne.

Úrgency. *s.*

1. Pressure of difficulty or necessity.
Being for some hours extremely pressed by the necessities of nature, I was under great difficulties between *urgency* and shame.—*Swift, Gulliver's Travels.*

2. Entreaty; solicitation.
Neither would he have done it at all but at my *urgency*.—*Swift.*

Úrgent. *adj.* [Fr.; Lat. *urgens, -entis*, pres. part. of *urgeo*.]

1. Cogent; pressing; violent.
Things so ordained are to be kept; howbeit not necessarily any longer than till there grow some *urgent* cause to ordain the contrary.—*Hooker, Ecclesiastical Polity.*
This ever hath been that true cause of more wars, than upon all other occasions, though it least partakes of the *urgent* necessity of state.—*Sir W. Raleigh.*
Let a father seldom strike, but upon very *urgent* necessity, and as the last remedy.—*Locke, Thoughts on Education.*

2. Importunate; vehement in solicitation.
The Egyptians were *urgent* upon the people, that they might send them out of the land in haste.—*Exodus*, xii. 33.

Úrgently. *adv.* In an urgent manner; cogently; violently; vehemently; importunately.
Acrimony in their blood, and afflux of humours to their lungs, *urgently* indicate phlebotomy.—*Harvey.*

Úrger. *s.* One who, that which, urges, presses, importunes.
More repeaters of their popular oratorious vehemencies, than *urgers* and confirmers of their argumentative strength.—*Bishop Taylor, Artificial Handsomeness*, p. 122.
I wish Pope were as great an *urger* as I.—*Swift.*

Úrgewonder. *s.* [Fr. *orge mondé*.] Husked barley.
This barley is called by some *urgewonder*.—*Mortimer, Husbandry.*

Úric. *adj.* Acid contained in the urine. Lithic is another name for it. See extracts.
The urine of man also contains a small quantity of *uric* acid. . . . When separated and purified, *uric* acid forms a glistening, snow-white powder, apparently amorphous, but shown by the microscope to consist of minute but regular crystals. . . . *Uric* acid is replaced in the urine of herbivorous animals by nippuric acid.—*Dr. Carpenter, Principles of Comparative Physiology*, p. 435: 1854.
Uric acid [is] . . . peculiar to the urine of certain animals; it is always present in human urine, and in the excrements of many birds of prey and of serpents, especially of the Boa constrictor, which is voided in white nodules, consisting of little else than *urate* of ammonia. *Uric* acid also forms one of the commonest varieties of urinary calculi (hence the term Lithic acid applied to it), and of the red gravel or sand which is voided in certain morbid states of the urine. . . . *Uric* acid requires about 10,000 parts of water for solution, and the greater number of the *urates* are also of very sparing solubility.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Úrinal. *s.* [Fr.]

1. Bottle in which water is kept for inspection.
These follies shine through you, like the water in an *urinal*.—*Shakespear, Two Gentlemen of Verona*, ii. 1.
Some with scimitars in their hands, and others with *urinals*, ran to and fro.—*Spectator.*

2. Place for making water.

Úrinary. *adj.* Relating to, connected with, the urine.
The urachus or ligamentous passage is derived from the bottom of the bladder, whereby it dischargeth the waterish and *urinary* part of its contents.—*Sir T. Browne, Vulgar Errours.*
Diureticks that relax the *urinary* passages, should be tried before such as stimulate.—*Arbuthnot, On the Nature and Choice of Aliments.*

Úrinative. *adj.* Working by urine; provoking urine: (in the extract the construction is *postpositive*).
Medicines *urinative* do not work by rejection and indigestion, as solutive do.—*Bacon, Natural and Experimental History.*

Urinátor. *s.* [Fr. *urinateur*; Lat. *urinator*.] Diver. *Latinism.*
The precious things that grow there, as pearl, may be much more easily fetched up by the help of this, than by any other way of the *urinators*.—*Wilkins, Mathematical Magick.*
Those relations of *urinators* belong only to those places where they have dived, which are always rocky.—*Ray.*

Úrine. *s.* [Fr.; Lat. *urina*.] Excretion from the kidneys.
As though there were a seminality in *urine*, or that, like the seed, it carried with it the idea of every part, they foolishly believe we can visibly behold therein the anatomy of every particle.—*Sir T. Browne, Vulgar Errours.*
The chyle cannot pass by *urine* nor sweat.—*Arbuthnot.*

Úrine. *v. n.* Make water.
Places where men *urine* commonly have some smell of violets.—*Bacon, Natural and Experimental History.*
No oviparous animal, which spawn or lay eggs, doth *urine*, except the tortoise.—*Sir T. Browne, Vulgar Errours.*

Úrinous. *adj.* Partaking of urine.
The putrid matter being distilled, affords a water impregnated with an *urinous* spirit, like that obtainable from animal substances.—*Arbuthnot, On the Nature and Choice of Aliments.*

Urn. *s.* [Fr. *urne*; Lat. *urna*.]

1. Any vessel, of which the mouth is narrower than the body.
Vesta is not displeased if her chaste *urn*
Do with repaired fuel burn:
But my saint frowns, though to her honour'd name
I consecrate a never-dying flame. *Carew.*
Minos, the strict inquisitor appears,
And lives, and crimes, with his assessors, hears;
Round, in his *urn*, the blended balls he rolls;
Absolves the just, and dooms the guilty souls.
Dryden, Translation of the Æneid, vi. 582.

2. Water-pot; particularly that in the sign of Aquarius.
The fish oppose the maid, the wat'ry *urn*
With adverse fires sees raging Leo burn. *Creech.*

3. Vessel in which the remains of burnt bodies were put.
Or lay these bones in an unworthy *urn*,
Tombless, with no remembrance over them.
Shakespear, Henry V. i. 2.
A rustick digging in the ground by Padua, found an *urn*, or earthen pot, in which there was another *urn*; and in this lesser, a lamp clearly burning.—*Bishop Wilkins.*
His scatter'd limbs with my dead body burn;
And once more join us in the pious *urn*. *Dryden.*

Urn. *v. a.* Enclose in an urn.
From my hand Cornelia shall take
And *urn* thy reliques.
May, Translation of Lucan's Pharsalia, b. viii.

Uróscopy. *s.* [Gr. οὖρον = urine + σκοπέω = I spy, view, see.] Inspection of urine, for the sake of determining the nature of diseases.
In this work, attempts will exceed performances; it being composed by snatches of time, as medical vacations and *uroscopy* would permit. — *Sir T. Browne, Vulgar Errours.*

Úrry. *s.* [?] Mineral so called.
In the coal-mines they dig a blue or black clay, that lies near the coal, commonly called *urry*, which is an unripe coal, and is very proper for hot lands, especially pasture-ground.—*Mortimer, Husbandry.*

Úrsine. *adj.* [Lat. *ursinus*, from *ursus, ursa*.] Having the character of a bear.
The labiated bear . . . is sometimes called the *ursine* sloth.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Urticáceous. *adj.* In *Botany.* Having the character of a nettle.
All the more important of the old *urticaceous* order having been removed from this place, the qualities of the few that remain are of little interest.—*Lindley, Vegetable Kingdom.*

Úrtical. *adj.* [Lat. *urtica* = nettle.] Having the character of, allied to, the nettles.
We know so little about the plants of the *urtical* alliance, that any final distribution of the genera must be premature.—*Lindley, Vegetable Kingdom.*

Urticária. *s.* Nettlerash.

Úrticating. *part. adj.* Stinging as a nettle.
The border . . . is beset with . . . tentacles . . . armed with many *urticating* cells.—*Owen, Lectures on Comparative Anatomy*, lect. ix.

Urticátion. *verbal abs.* Stinging, as that of a nettle.

Us. Oblique form of the plural of the pronoun of the first person. See We.
The Lord made not this covenant with our fathers, but with *us*, even *us*, who are all of *us* here alive this day.—*Deuteronomy*, v. 3.

Úsage. *s.*

1. Treatment.
Which way
Might'st thou deserve, or they impose, this *usage*.
Shakespear, King Lear, ii. 4.
Are not hawks brought to the hand, and to the lure; and lions reclaimed by good *usage*?—*Sir R. L'Estrange.*
Neptune took unkindly to be bound,
And Eurus never such hard *usage* found
In his Æolian prison.
Dryden, Translation of Juvenal, x. 291

2. Custom; practice long continued.
Of things once received and confirmed by use, long *usage* is a law sufficient. In civil affairs, when there is no other law, custom itself doth stand for law.—*Hooker, Ecclesiastical Polity.*

3. Manners; behaviour. *Obsolete.*
A gentle nymph was found,
Hight Astery, excelling all the crew,
In courteous *usage*, and unstained hue. *Spenser.*

Úsager. *s.* [Fr.] One who has the use of anything in trust for another.
He consumed the common treasury;
Whereof he being the simple *usager*
But for the state, not in propriety,
Did alien to his minions.
Daniel, Civil Wars of York and Lancaster.

Úsance. *s.* [Fr.]

1. Use; proper employment.
What art thou, man, if man at all thou art,
That here in desart hast thine habitance,
And these rich heaps of wealth dost hide apart
From the world's eye, and from her right *usance*?
Spenser, Faerie Queen, ii. 7, 7.
By this discriminative *usance* or sanctification of things sacred, the name of God is honoured and sanctified, according to the tenour of our petition.—*Mede, Diatribe*, p. 60.

2. Usury; interest paid for money.
He lends out money gratis, and brings down
The rate of *usance*.
Shakespear, Merchant of Venice, i. 3.

3. Certain period of time, but different in different countries.
An *usance* is said to be regularly a month; but it varies according to the custom of particular countries.—*Cunningham.*

Use. *s.* [Lat. *usus*.]

1. Act of employing anything to any purpose.
The fat of the beast that dieth of itself . . . may be used in any other *use*.—*Leviticus*, vii. 24.

2. Qualities that make a thing proper for any purpose.
Rice is of excellent *use* for illnesses of the stomach that proceed from cold or moist humours; a great digester and restorer of appetite.—*Sir W. Temple.*

3. Need of; occasion on which a thing can be employed.
This will secure a father to my child;
That done, I have no farther *use* for life. *A. Philips.*

4. Advantage received; power of receiving advantage.

More figures in a picture than are necessary, our author calls figures to be let; because the picture has no *use* for them.—*Dryden, Translation of Dufresnoy's Art of Painting.*

5. Convenience; help; usefulness.
Nothing would be of greater *use* towards the improvement of knowledge and politeness, than some effectual method for correcting, enlarging, and ascertaining our language.—*Swift.*
You shew us Rome was glorious, not profuse,
And pompous buildings once were things of *use.*
Pope, Moral Essays, iv. 23.

6. Usage; customary act.
That which those nations did use, having been also in *use* with others, the antient Roman laws do forbid.—*Hooker, Ecclesiastical Polity.*
He that first brought the word sham, wheedle, or banter in *use*, put together, as he thought fit, those ideas he made it stand for.—*Locke.*

7. Practice; habit.
Sweetness, truth, and every grace,
Which time and *use* are wont to teach,
The eye may in a moment reach,
And read distinctly in her face. *Waller.*

8. Custom; common occurrence.
O Cæsar! these things are beyond all *use*,
And I do fear them.
Shakespear, Julius Cæsar, ii. 2.

9. Interest; money paid for the use of money.
If it be good, thou hast received it from God, and then thou art more obliged to pay duty and tribute, *use* and principal, to him.—*Jeremy Taylor, Rule and Exercises of holy Living.*
Most of the learned, heathen, and christian, assert the taking of *use* to be unlawful; yet the divines of the reformed church beyond the seas, do generally affirm it to be lawful.—*South, Sermons.*

Use. *v. a.* [Fr. *user*; Lat. *usus.*]

1. Employ to any purpose.
They were armed with bows, and could *use* both the right hand and the left, in hurling stones and shooting arrows.—1 *Chronicles*, xii. 2.
You're welcome,
Most learned, rev'rend sir, into our kingdom:
Use us and it. *Shakespear, Henry VIII.* ii. 2.
That prince was *using* all his endeavours to introduce popery, which he openly professed.—*Swift.*

2. Accustom; habituate.
He that intends to gain the Olympick prize,
Must *use* himself to hunger, heat, and cold.
Lord Roscommon.
Those who think only of the matter, *use* themselves only to speak extempore.—*Locke, Thoughts on Education.*
I've hitherto been *used* to think
A blind officious zeal to serve my king
The ruling principle. *Addison, Cato.*
A people long *used* to hardships, lose by degrees the very notions of liberty; they look upon themselves as at mercy.—*Swift.*

3. Treat.
Why dost thou *use* me thus? I know thee not.
Shakespear, King Lear, ii. 2.
When he came to ask leave of Solyman that he might depart, he was courteously *used* of him.—*Knolles, History of the Turks.*
I know
My Aurengzebe would ne'er have *used* me so.
Dryden, Aurengzebe, iv. 2.
Gay is *used* as the friends of Tories are by Whigs, and generally by Tories too.—*Pope, Letter to Swift.*

4. Practise customarily.
Use hospitality one to another, without grudging.—1 *Peter*, iv. 9.

5. Behave: (with the reciprocal pronoun). *Obsolete.*
Pray forgive me, if I have *used myself* unmannerly.—*Shakespear, Henry VIII.* iii. 1.

Use. *v. n.*

1. Be accustomed; practise customarily.
They *use* to place him that shall be their captain upon a stone always reserved for that purpose, and placed commonly upon a hill.—*Spenser, View of the State of Ireland.*
In polling of trees, many do *use* to leave a bough or two on the top, to help to draw up the sap.—*Bacon.*
A prudent governor, to advance religion, will not consider men's duty but their practice; not what they ought to do, but what they *use* to do.—*South, Sermons.*

2. Be customarily; be wont. *Obsolete.*
Fears *use* to be represented in such an imaginary fashion, as they rather dazzle men's eyes than open them.—*Bacon.*

3. Frequent; inhabit. *Obsolete.*
Conduct me well
In these strange ways, where never foot did *use.*
Spenser.
Snakes that *use* within the house for shade,
Securely lurk, and like a plague, invade
Thy cattle with venom.
May, Translation of Virgil.
Ye vallies low, where the mild whispers *use*
Of shades, and wanton winds, and gushing brooks.
Milton, Lycidas, 136.

Úseable. *adj.* Capable of being used. *Rare.*
If it be neither *useable* nor beneficial, it will soon have ending.—*Time's Storehouse*, 756. (Ord MS.)

Úseful. *adj.* Convenient; profitable to any end; conducive or helpful to any purpose; valuable for use.
I am too high born . . .
To be a secondary at control,
Or *useful* serving-man. *Shakespear, King John*, v. 2.
Providence would only enter mankind into the *useful* knowledge of her treasures, leaving the rest to employ our industry.—*Dr. H. More, Antidote against Atheism.*
Deliver a particular account of the great and *useful* things already performed.—*Swift.*

Úsefully. *adv.* In a useful manner; in such a manner as to help forward some end.
In this account they must constitute two at least, male and female, in every species; which chance could not have made so very nearly alike without copying, nor so *usefully* differing without contrivance.—*Bentley, Sermons.*

Úsefulness. *s.* Attribute suggested by Useful; conduciveness or helpfulness to some end.
The grandeur of the commonwealth shows itself chiefly in works that were necessary or convenient. On the contrary, the magnificence of Rome, under the emperors, was rather for ostentation than any real *usefulness.*—*Addison.*

Úseless. *adj.* Answering no purpose; having no end.
So have I seen the lost clouds pour
Into the sea an *useless* show'r;
And the vext sailors curse the rain,
For which poor shepherds pray'd in vain. *Waller.*
The waterman forlorn along the shore
Pensive reclines upon his *useless* oar.
Gay, Trivia, ii. 361.

Úselessly. *adv.* In a useless manner; without the quality of answering any purpose.
In a sauntering humour, some, out of custom, let a good part of their lives run *uselessly* away, without business or recreation.—*Locke.*

Úselessness. *s.* Attribute suggested by Useless; unfitness to any end.
He made a learned discourse on the trouble, *uselessness*, and indecency of foxes wearing tails.—*Sir R. L'Estrange.*
He would convince them of the vanity and *uselessness* of that learning, which makes not the possessor a better man.—*South, Sermons.*

Úser. *s.* One who uses anything.
Such things, which, by imparting the delight to others, makes the *user* thereof welcome, as musick, dancing, hunting, feasting, riding.—*Sir P. Sidney.*
My lord received from the countess of Warwick, a lady powerful in the court, and indeed a virtuous *user* of her power, the best advice that was ever given.—*Sir H. Wotton.*

Úsher. *s.* [Fr. *huissier*; Lat. *ostiarius*, from *ostium* = door.]

1. One whose business is to introduce strangers, or walk before a person of high rank.
The wife of Antony
Should have an army for an *usher*, and
The neighs of horse to tell of her approach
Long ere she did appear.
Shakespear, Antony and Cleopatra, iii. 6.
Gay paid his courtship with the crowd,
As far as modest pride allow'd;
Rejects a servile *usher's* place,
And leaves St. James's in disgrace. *Swift.*

2. Under-teacher; one who introduces young scholars to higher learning.
Though grammar's profits less than rhetorick's are,
Yet ev'n in those his *usher* claims a share.
C. Dryden, Translation of Juvenal, vii. 294.

Úsher. *v. a.* Introduce as a forerunner or harbinger; forerun.
No sun shall ever *usher* forth my honours,
Or gild again the noble troops that waited
Upon my smiles. *Shakespear, Henry VIII.* iii. 2.
With songs and dance we celebrate the day,
And with due honours *usher* in the May.
Dryden, The Flower and the Leaf, 487.
The Examiner was *ushered* into the world by a letter, setting forth the great genius of the author.—*Addison.*
Oh name for ever sad! for ever dear!
Still breathed in sighs, still *usher'd* with a tear.
Pope, Eloisa to Abelard.

Úsherance. *s.* Introduction by, or as by, an usher.
The accidental publication of our author's first letter occasioned the revival of this abortive piece, and gave *usherance* to its companion.—*Lord Shaftesbury, Characteristics*, vol. iii. (Ord MS.)

Usquebaúgh. *s.* [see Whiskey.] Compound distilled spirit so called.
Their wine, like the Irish *usquebaugh*, drunk immoderately, accelerates death.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 365.

Ústion. *s.* [Fr.; Lat. *ustus*, pass. part. of *uro* = I burn.] Act of burning; state of being burned.

Ustórious. *adj.* Having the quality of burning. *Rare.*
The power of a burning-glass is by an *ustorious* quality in the mirror or glass, arising from a certain unknown substantial form.—*Watts.*

Ustulátion. *s.* Act of burning or singeing.
It seems to lie in a kind of sindging and *ustulation*, such as rapid affrictions do cause.—*Sir W. Petty*, in *Sprat's History of the Royal Society*, p. 297.

Úsual. *adj.* [Fr. *usuel.*] Common; frequent; customary; frequently occurring.
Consultation with oracles was a thing very *usual* and frequent in their times.—*Hooker, Ecclesiastical Polity.*
Could I the care of Providence deserve,
Heaven must destroy me, if it would preserve:
And that 's my fate, or sure it would have sent
Some *usual* evil for my punishment. *Dryden.*

Úsually. *adv.* Commonly; frequently; customarily.
If men's desires are *usually* as large as their abilities, what course we took to allure the former, by that we might engage the latter.—*South, Sermons.*
Where men are against this method, it is *usually* on purpose, and to show their learning.—*Swift.*

Úsualness. *s.* Commonness; frequency.
It is only *usualness* or unusualness that makes the difference.—*Clarke, Evidences of Natural and Revealed Religion.*

Usucáption. *s.* [Lat. *capio* = I take; pass. part. *captus.*] Acquisition of the property of a thing, by possession and enjoyment for a certain term of years prescribed by law.

Úsufruct. *s.* [Lat. *fruor* = I enjoy; *fructus* = fruit.] Temporary use; enjoyment of the profits, without power to alienate.
The persons receiving the same have only the *usufruct* thereof, and not any fee or inheritance therein.—*Ayliffe, Parergon Juris Canonici.*
M. Guérard is of opinion that, though benefices were ultimately fiefs, in the first stage of the monarchy they were only *usufructs.*—*Hallam, View of the State of Europe during the Middle Ages*, ch. ii. note ix.
Throughout Christendom the legal inalienability of church lands was perpetually assailed in earlier times by bold depredators, and baffled by ingenious devices of granting away the *usufruct.*—*Milman, History of Latin Christianity*, b. xiv. ch. i.

Usufrúctuary. *s.* One that has the use and temporary profit, not the property, of a thing.
The parsons of parishes are not in law accounted proprietors, but only *usufructuaries*, as having no right of fee-simple vested in them.—*Ayliffe, Parergon Juris Canonici.*

Úsure. *v. n.* Practice usury; take interest for money. *Rare.*

Úsurer. *s.* [Fr. *usurier.*] One who puts money out at interest: (commonly used for one that takes exorbitant interest).
If thou lend money to any of my people that is poor, thou shalt not be to him as an *usurer*, neither shalt thou lay upon him usury.—*Exodus*, xxii. 25.
Fie! thou sham'st thy shape, thy love, thy wit;
Which, like an *usurer*, abound'st in all,
And usest none in that true use indeed,
Which should bedeck thy shape, thy love, thy wit.
Shakespear, Romeo and Juliet. iii. 3.
When *usurers* tell their gold i' the field,
And bawds and whores do churches build.
Id., King Lear, iii. 2.
There may be no commutative injustice, while each retains a mutual benefit, the *usurer* for his money, the borrower for his industry.—*Sir J. Child, Discourse on Trade.*

Úsuring. *part. adj.* Practising usury; usurious.
Is this the balsam that the *usuring* senate
Pours into captains' wounds?
Shakespear, Timon of Athens, iii. 5.
I do not love the *usuring* Jew.
Beaumont and Fletcher, Little Thief.

Look into all the caves and dens of the wildest desart: see if there be any such tiger or wolf, as an enemy, as an *usuring* oppressor. — *Bishop Hall, St. Paul's Combat.*

Usúrious. *adj.* [Fr. *usuraire.*] Given to the practice of usury; exorbitantly greedy of profit.

For every hour that thou wilt spare me now,
I will allow,
Usurious god of love, twenty to thee,
When with my brown my grey hairs equal be.
Donne.

Usúrp. *v. a.* [Fr. *usurper*; Lat. *usurpo.*] Possess by force or intrusion; seize or possess without right.

So ugly a darkness, as if it would prevent the night's coming, *usurped* the day's right. — *Sir P. Sidney.*

Who's this, that dares *usurp*
The guards and habit of Numidia's prince?
Addison, Cato.

Usurpátion. *s.*

1. Forcible, unjust, illegal seizure or possession.

The Piercies,
Finding his *usurpation* most unjust,
Endeavour'd my advancement to the throne.
Shakespear, Henry VI. Part I. ii. 5.

Whatever opposition was made to the *usurpations* of King James, proceeded altogether from the church of England.—*Swift.*

2. Use; usage. *Rare.*

There can be no kind of certainty in any such observations of the articles, because the Greeks promiscuously often use them or omit them, without any reason of their *usurpation* or omission.—*Bishop Pearson, Exposition of the Creed,* art. ii.

Usúrper. *s.* One who seizes or possesses that to which he has no right: (generally used of one who excludes the right heir from the throne).

Ever sithence he hath continued his first *usurped* power, and now exacteth upon all men what he list: so that now to subdue or expel an *usurper*, should be no unjust enterprize, but a restitution of antient right unto the crown.—*Spenser, View of the State of Ireland.*

Richard, duke of York,
Was rightful heir unto the English crown;
And that your majesty was an *usurper.*
Shakespear, Henry VI. Part II. i. 3.

He grieved, the land he freed should be oppress'd,
And he less for it than *usurpers* do.
Dryden, Annus Mirabilis, x.

Usúrpingly. *adv.* In a usurping manner; after the manner of a usurper; without just claim.

Lay aside the sword,
Which sways *usurpingly* these several titles,
And put the same into young Arthur's hand,
Thy right royal sovereign.
Shakespear, King John, i. 1.

Usury. *s.* [Fr. *usure*; Lat. *usura.*]

1. Money paid for the use of money; interest.

He that high does sit, and all things see,
With equal eyes their merits to restore;
Behold, what ye this day have done for me,
And what I cannot quit, requite with *usury.*
Spenser.

What he borrows from the antients, he repays with *usury* of his own; in coin as good, and almost as universally valuable.—*Dryden, Translation of Juvenal,* dedication.

2. Practice of taking interest: (commonly used with reproach).

Usury . . . bringeth the treasure of a realm or state into few hands: for the usurer being at certainties, and the other at uncertainties, at the end of the game, most of the money will be in the box. —*Bacon, Essays, Of Usury.*

Útas. *s.* See Utis.

Uténsil. *s.* [Fr. *ustensile*; L.Lat. *utensile*; in the extracts sounded *útensil.*] Instrument for any use, such as the vessels of the kitchen, or tools of a trade.

Burn but his books; he has brave *utensils,*
Which, when he has a house, he'll deck withal.
Shakespear, Tempest, iii. 2.

Mules after these, camels and dromedaries,
And waggons fraught with *utensils* of war.
Milton, Paradise Regained, iii. 335.

Tithes and lands given to God are never, and plate, vestments, and other sacred *utensils,* are seldom consecrated.—*South, Sermons.*

The springs of life their former vigour feel;
Such zeal he had for that vile *utensil.*
Garth, Dispensary.

Úterine. *adj.* [Fr. *uterin*; Lat. *uterinus.*]

1. Belonging to the womb.

In hot climates, and where the *uterine* parts exceed in heat, by the coldness of some simple, they may be reduced unto a conceptive constitution.—*Sir T. Browne, Vulgar Errours.*

The vessels of the interior glandulous substance of the womb, are contorted with turnings and meanders, that they might accommodate themselves without danger of rupture to the necessary extension of the *uterine* substance.—*Ray.*

2. Born of the same mother, but having a different father.

He was nephew to him by his brother *uterine,* Edmond Tudor.—*Sir G. Buck, History of Richard III.*

Úterus. *s.* Womb. *Medical Latinism.*

Utilitárian. *adj.* Connected with, relating to, the doctrine of utility.

The application to it of the principle of collective religion is far easier than in the case of the state, and for a reason quite irreconcilable with the *utilitarian* theories.—*Gladstone, The State in its Relations with the Church,* ch. ii.

Utilitárian. *s.* Advocate for, upholder of, believer in, utilitarian doctrine, or the principle of utility.

Mark, too, how every machine must have its moving power, in some of the great interests of society; every little sect among us, Unitarians, *Utilitarians,* Anabaptists, Phrenologists, must have its Periodical, its monthly or quarterly Magazine; hanging out, like its windmill, in the popularis aura, to grind meal for the society.—*Carlyle, Critical and Miscellaneous Essays, Signs of the Times.*

Utilitárianism. *s.* System of utilitarian doctrine.

Utílity. *s.* [Fr. *utilité*; Lat. *utilitas, -atis*; *utilis* = useful.]

1. Usefulness; profit; convenience; advantageousness: (applied to *things* only: as, 'This book is of great *utility*'; not 'This book was written for the *utility* of scholars').

Those things which have long gone together are confederate; whereas new things piece not so well; but though they help by their *utility,* yet they trouble by their inconformity.—*Bacon, Natural and Experimental History.*

M. Zulichem desired me that I would give a relation of the cure of the gout, that might be made publick, as a thing which might prove of common *utility* to so great numbers as were subject to that disease.—*Sir W. Temple.*

2. In *Moral Philosophy.* The doctrine or principle of utility is that which makes utility, in its most general sense, or, according to another formula, the greatest happiness of the greatest number, or the greatest happiness principle, the test of the merit of human actions.

Utílize. *v. a.* Apply to some use; save from waste by so doing; make something, or the most of anything.

Such a size as is reached by trees, is not possible without an efficient vascular system enabling the remote organs to *utilize* each other's products.—*Herbert Spencer, Inductions of Biology,* § 43.

If it can be shown that the Ego noumenon is constitutive of the organism, and that it is by virtue of an Apperceptional Law of Reciprocal Causation that the manifestations of intelligence, as properties of organisation, are actuated, we may not only not view the speculations of materialistic physiologists with alarm, but we may hold out the prospect of *utilising* their researches in the sphere of psychology.—*Ingleby, An Introduction to Metaphysic.*

Útis. *s.* [Fr. *huis* = eight.] Octave of a saint's day.

Then here will be old *utis*: it will be an excellent stratagem.—*Shakespear, Henry IV. Part II.* ii. 4.

The octaves or the *utas* of St. Martin.—*Hody, History of Councils,* p. 368.

Útmost. *adj.* [see Foremost.]

1. Extreme; placed at the extremity.

Much like a subtile spider, which doth sit
In middle of her web, which spreadeth wide;
If aught do touch the *utmost* thread of it,
She feels it instantly on every side.
Sir J. Davies, Immortality of the Soul.

I went, by your command,
To view the *utmost* limits of the land.
Dryden, Indian Emperour, i. 2.

2. Be in the highest degree.

I'll undertake to bring him,
Where he shall answer by a lawful form,
In peace, to his *utmost* peril.
Shakespear, Coriolanus, iii. 1.

Used *substantively.* The most that can be; the greatest power; the highest degree; the greatest effort.

There's some of ye, I see,
More out of malice than integrity,
Would try him to the *utmost.*
Shakespear, Henry VIII. v. 2.

Such a conscience, as has employed the *utmost* of its ability to give itself the best information, and clearest knowledge of its duty that it can, is a rational ground for a man to build such an hope upon. —*South, Sermons.*

Try your fortune.—
I have to the *utmost.* Dost thou think me desperate
Without just cause? *Dryden, All for Love.*

A man, having carefully enquired into all the grounds of probability and unlikeliness, and done his *utmost* to inform himself in all particulars, may come to acknowledge on which side the probability rests.—*Locke.*

Utópian. *adj.* [from Sir Thomas More's *Utopia,* or imaginary commonwealth.] Ideal; not real.

The task is so difficult, that I look upon it rather as an *utopian* idea.—*Swinburne, Travels through Spain,* letter xlii.

Utópian. *s.* Inhabitant of Utopia; utopian speculator.

Such subtile opinions, as few but *Utopians* are likely to fall into, we in this climate do not greatly fear.—*Hooker, Ecclesiastical Polity.*

Utópical. *adj.* Utopian.

Let no idle Donatist of Amsterdam dream hence of an *utopical* perfection.—*Bishop Hall, Beauty and Unity of the Church.*

Útricle. *s.* [Lat. *utricula* = little jar or urn.] Common in Botany and Zoology for certain parts of animals and plants, more or less like small jars.

The primordial *utricle* is a layer of substance of a dense mucilaginous consistence applied intimately to the inner surface of the cell membrane of young cells, persisting in the cells of tissue which are concerned in the reproduction of cells, or the performance of the functions of assimilation, &c., but disappearing at a comparatively early period in cells which acquire fibrous or pitted woody secondary layers. — *Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic,* § 676: 1857.

Útricular. *adj.* Having the character of a utricle.

Many authors describe what are termed *utricular* structures, minute cells within the cells; but considerable doubt exists as to the essentiality of the cavities which render some of the granular bodies *vesicular,* and in any case the coat of the hollow granule has no analogy to the wall of a true cell, since it is the active and efficient part of the utricle. —*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic,* § 643: 1857.

Útter. *adj.*

1. Situate on the outside, or remote from the centre.

In my flight
Through *utter* and through middle darkness borne,
I sung of chaos, and eternal night.
Milton, Paradise Lost, iii. 15.

2. Placed beyond any compass; out of any place.

Pursue these sons of darkness; drive them out
From all heaven's bounds into the *utter* deep.
Milton, Paradise Lost, vi. 715.

3. Extreme; excessive; utmost.

Such place eternal Justice had prepared
For those rebellious; here their prison ordain'd
In *utter* darkness; and their portion set
As far removed from God, and light of heaven,
As from the center thrice to th' utmost pole.
Milton, Paradise Lost, i. 70.

4. Complete; total.

The parliament thought the *utter* taking it away necessary for the preservation of the kingdom.—*Lord Clarendon, History of the Grand Rebellion.*

5. Peremptory.

There could not be any other estimate made of the loss, than by the *utter* refusal of the auxiliary regiments of London and Kent to march farther.—*Lord Clarendon, History of the Grand Rebellion.*

6. Perfect; mere.

They feel fewer corporal pains, and are *utter* strangers to all those anxious thoughts which disquiet mankind.—*Bishop Atterbury.*

Utter barrister. See extract.

A barrister newly called . . . was styled a vacation barrister. . . . Also, *utter* barrister, i.e. pleaders *ouster* the bar, to distinguish them from benchers, or those that have been readers, who are sometimes admitted to plead within the bar, as the king, queen, or prince's counsel are.—*Tomlin, Law Dictionary.*

Útter. *v. a.*

1. Speak; pronounce; express.
   Men spake not with the instruments of writing, neither writ with the instruments of speech; and yet things recorded with the one, and *uttered* with the other, may be preached well enough with both. —*Hooker, Ecclesiastical Polity.*
   These very words I've heard him *utter*.
   Shakespear, Henry VIII. i. 2.
   Who knows but his poor, bleeding heart,
   Amidst its agonies, remember'd Marcia,
   And the last words he *utter'd* call'd me cruel!
   Addison, Cato.
2. Disclose; discover; publish.
   Were it folly to be modest in *uttering* what is known to all the world?—*Sir W. Raleigh.*
   I meant my words should not reach your ears;
   But what I *uttered* was most true.
   Dryden, All for Love.
3. Sell; vend.
   Such mortal drugs I have, but Mantua's law
   Is death to any he that *utters* them.
   Shakespear, Romeo and Juliet, v. 1.
   They bring it home, and *utter* it commonly by the name of Newfoundland fish.—*Abbot, Description of the World.*
   The Devonshire and Somersetshire grasiers feed yearly great droves of cattle in the north quarter of Cornwall, and *utter* them at home.—*Carew, Survey of Cornwall.*
4. Disperse; emit at large.
   To preserve us from ruin, the whole kingdom should continue in a firm resolution never to receive or *utter* this fatal coin.—*Swift.*
5. Put forth.
   Seest thou thilk same hawthorn stud,
   How bragly it begins to bud,
   And *utter* his tender head?
   Spenser, Shepherd's Calendar.

Utterance. *s.*

1. Pronunciation; manner of speaking.
   He, with *utt'rance* grave, and countenance sad,
   From point to point discoursed his voyage.
   Spenser.
   Many a man thinks admirably well who has a poor *utterance*; while others have a charming manner of speech, but their thoughts are trifling.—*Watts.*
2. Vocal expression; emission from the mouth.
   Till Adam, though no less than Eve abash'd,
   At length gave *utterance* to these words constrain'd.
   Milton, Paradise Lost, ix. 1065.
3. Sale.
   It will draw out of the inhabited country of Ireland provisions and victuals, and many necessaries, because they shall be sure of *utterance*.—*Bacon, On the Plantations in Ireland.*

Útterance. *s.* [Fr. *outrance*.] Extremity; terms of extreme hostility. *Obsolete.*
Of him I gather'd honour;
Which he to seek of me again perforce,
Behoves me keep at *utterance*.
Shakespear, Cymbeline, iii. 1.
Come, fate, into the list,
And champion me to the *utterance*.
Id., Macbeth, iii. 1.

Útterer. *s.*

1. One who utters, pronounces, discloses, or divulges, anything.
   Utterers of secrets he from thence debarr'd;
   Babblers of folly, and blazers of crime. *Spenser.*
2. Vender; promulgator; editor, i.e. giver out, the two words being approximate translations of one another.
   Things are made credible either by the known condition and quality of the *utterer*, or by the manifest likelihood of truth which they have in themselves.—*Hooker, Ecclesiastical Polity.*

Útterly. *adv.* Fully; completely; perfectly: (used, for the most part, in an *ill* sense).
God, whose property is to shew his mercies then greatest when they are nearest to be *utterly* despaired.—*Hooker, Ecclesiastical Polity.*
He was so *utterly* tried with an employment so contrary to his humour, that he did not consider the means that would lead him out of it.—*Lord Clarendon, History of the Grand Rebellion.*

Úttermost. *adj.* [see Foremost.]

1. Extreme; being in the highest degree.
   Bereave me not,
   Whereon I live! thy gentle looks, thy aid,
   Thy counsel, in this *uttermost* distress.
   Milton, Paradise Lost, x. 918.
2. Most remote.
   The land, from the *uttermost* end of the straits on Peru side, did go towards the south.—*Abbot, Description of the World.*

Used *substantivally*.

a. Greatest effort.
There needed neither promise nor persuasion to make her do her *uttermost* for her father's service. —*Sir P. Sidney.*

b. Extreme part of anything.
A city in the *uttermost* of thy border.—*Numbers,* xx. 16.

Úvea. *s.* In *Anatomy.* See extract.
The posterior surface of the iris [of the eye] is opposite to the anterior convexity of the crystalline. ... It is covered by a thick dark-coloured mucus, nearly black. Here, also, when the colouring matter has been washed off, we observe straight lines converging to the centre of the pupil, but very different from those on the anterior surface. This surface was formerly known by the name of *uvea*.—*Rees, Cyclopædia.*

Úveous. *adj.* Having the character of, constituted by, constituting the uvea.
The *uveous* coat, or iris of the eye, hath a musculous power, and can dilate and contract that round hole in it, called the pupil.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Úvula. *s.* [Lat. diminutive of *uva* = grape.] In *Anatomy.* Pendulous and central portion of the soft palate.
By an instrument bended up at one end, I got up behind the *uvula*.—*Wiseman, Surgery.*

Uxórious. *adj.* [Lat. *uxorius*, from *uxor* = wife.] Submissively fond of a wife; infected with connubial dotage.
Towards his queen he was nothing *uxorious*, nor scarce indulgent.—*Bacon.*

Uxóriously. *adv.* In an uxorious manner; with fond submission to a wife.
If thou art thus *uxoriously* inclin'd
To bear thy bondage with a willing mind,
Prepare thy neck.
Dryden, Translation of Juvenal, vi. 292.

Uxóriousness. *s.* Attribute suggested by Uxorious; connubial dotage; fond submission to a wife.
To say nothing of the carnality and *uxoriousness* of the Jews.—*Dr. H. More, Mystery of Godliness,* p. 100; 1660.

Vácancy. *s.* [Fr. *vacance*; Lat. *vacans, -antis*, pres. part. of *vaco* = I am at leisure; pass. part. *vacatus; vacatio, -onis.*]

1. Empty space; vacuity.
   How is't
   That thus you bend your eye on *vacancy*,
   And with th' incorporal air do hold discourse?
   Shakespear, Hamlet, iii. 4.
2. Chasm; space unfilled.
   The reader finds a wide *vacancy*, and knows not how to transport his thoughts to the next particular, for want of some connecting idea.—*Watts, Logick.*
3. State of a post or employment when it is unsupplied.
   In the *vacancy* of a bishop, the guardian of the spiritualities was summoned to parliament in the bishop's room.—*Ayliffe, Parergon Juris Canonici.*
4. Time of leisure; relaxation; intermission; time unengaged.
   If, sometimes, each other's eyes we meet,
   Those little *vacancies* from toil are sweet.
   Dryden, State of Innocence, iv. 1.
5. Listlessness; emptiness of thought.
   When alone, or in company, they sit still without doing anything, I like it worse; for all dispositions to idleness or *vacancy*, even before they are habits, are dangerous.—*Sir H. Wotton.*

Vácant. *adj.*

1. Empty; unfilled; void.
   Why should the air so impetuously rush into the cavity of the receiver, if there were before no *vacant* room to receive it?—*Boyle.*
2. Free; unencumbered; uncrowded.
   Religion is the interest of all; but philosophy of those only that are at leisure, and *vacant* from the affairs of the world.—*Dr. H. More, Divine Dialogues.*
   A very little part of our life is so *vacant* from uneasinesses, as to leave us free to the attraction of remoter good.—*Locke.*
3. Not filled by an incumbent, or possessor.
   Lest the fiend ... invade *vacant* possession.
   Milton, Paradise Lost, xi. 103.
   Others when they allowed the throne *vacant*, thought the succession should immediately go to the next heir.—*Swift.*
4. Being at leisure; disengaged.
   They which have the government, scatter the army abroad, and place them in villages to take their victuals of them, at such *vacant* times as they lie not in camp.—*Spenser, View of the State of Ireland.*
   Sir John Berkley was the more *vacant* for that service, by the reduction of Barnstable. — *Lord Clarendon, History of the Grand Rebellion.*
   The memory relieves the mind in her *vacant* moments, and prevents any chasms of thought, by ideas of what is past.—*Addison.*
5. Thoughtless; empty of thought; not busy.
   The wretched slave,
   Who with a body fill'd, and *vacant* mind,
   Gets him to rest, cramm'd with distressful bread.
   Shakespear, Henry V. iv. 1.

Vácate. *v. a.*

1. Annul; make void; make of no authority.
   That after-act *vacating* the authority of the precedent, tells the world that some remorse touched even Strafford's most implacable enemies.—*Eikon Basilike.*
2. Make vacant; quit possession of: (as, 'He *vacated* the throne').
3. Defeat; put an end to.
   He *vacates* my revenge; ...
   For while he trusts me, 'twere so base a part
   To fawn, and yet betray.
   Dryden, Don Sebastian, ii. 1.

Vácation. *s.*

1. Intermission of juridical proceedings, or any other stated employments; recess of courts or senates; holidays.
   Vacation is all that time which passes between term and term, at London.—*Cowell.*
2. Leisure; freedom from trouble or perplexity.
   Benefit of peace, quiet, and *vacation* for piety, have rendered it necessary in every Christian commonwealth, by laws to secure propriety.—*Hammond.*

Váccary. *s.* [Fr. *vache* = cow.] Cow-house; cow-pasture. *Vachery* (the *ch* with its French sound) is the name of several farms in different parts of England.

Váccinate. *v. a.* Inoculate with vaccine matter.
The Stoic assures the dismayed population that there is nothing bad in the small-pox, and that to a wise man disease, deformity, death, the loss of friends, are not evils. The Baconian takes out a lancet and begins to *vaccinate*.—*Macaulay, Critical and Historical Essays, Lord Bacon.*
(See also under Vaccinator.)

Vaccinátion. *s.* Act of inserting vaccine matter; inoculation for the cow-pox.
In doubtful cases, *vaccination* should always be repeated.—*Hooper, Medical Dictionary.*

Váccinator. *s.* One who vaccinates.
Dr. Jenner *vaccinated* the children of his friend Mr. Hicks, the first gentleman who consented to adopt the practice. This Mr. Hicks became afterwards an expert *vaccinator* himself.—*Sir T. Watson, Lectures on the Principles and Practice of Physic,* lecture lxxxvii.

Váccine. *adj.* Belonging to a cow.

A point respecting *vaccine* inoculation, which has been much controverted, is the permanency of its effects.—*Hooper, Medical Dictionary.*

Vácillancy. *s.* [Lat. *vacillans, -antis*, pres. part. of *vacillo* = I vacillate.] State of wavering; fluctuation; inconstancy.

I deny that all mutability implies imperfection, though some does, as that *vacillancy* in human souls, and such mutations as are found in corporeal matter. —*Dr. H. More, Divine Dialogues.*

Vácillate. *v. n.* Waver; be inconstant.

Vácillating. *part. adj.* Wavering; wanting decision.

The author of the Refutation steadily, perseveringly, resisted the *vacillating* Pontiff; he himself was branded with the opprobrious appellation of Ditheist.—*Milman, History of Latin Christianity*, b. i. ch. i.

Vacillátion. *s.* Act or state of reeling or staggering.

By your variety and *vacillation*, you lost the acceptable time of the first grace.—*Bacon, Charge in the Star-Chamber against W. Talbot.*

Vácuate. *v. a.* [Lat. *vacuatus*, pass. part. of *vacuo*; *vacuus* = empty.] Make void. *Rare.*

Such an unhappy force there is in a mistaken zeal, that it dissolves the closest bonds, violates all obligations, and like the Pharisee's Corban, under the pretence of an extraordinary service to God, *vacuates* all duty to man.—*Secular Priest Exposed*, p. 27: 1703.

Vácuist. *s.* Philosopher who holds the doctrine of a vacuum as opposed to that of a plenum.

Those spaces which the *vacuists* would have to be empty, because they are manifestly devoid of air, the plenists do not prove replenished with subtle matter. —*Boyle.*

Vacúity. *s.* [Fr. *vacuité*; Lat. *vacuitas, -atis.*]

1. Emptiness; state of being unfilled.

Hunger is such a state of *vacuity*, as to require a fresh supply of aliment.—*Arbuthnot.*

2. Space unfilled; space unoccupied.

He, that seat soon failing, meets
A vast *vacuity*. *Milton, Paradise Lost*, ii. 931.

3. Inanity; want of reality.

The soul is seen, like other things, in the mirror of its effects: but if they'll run behind the glass to catch at it, their expectations will meet with *vacuity* and emptiness.—*Glanville.*

Vácuous. *adj.* [Lat. *vacuus.*] Empty; unfilled.

Boundless the deep, because I AM who fill
Infinitude: nor *vacuous* the space.
Milton, Paradise Lost, vii. 168.

Vácuousness. *s.* Attribute suggested by Vacuous; state of being empty.

Nothing nauseates the mind so soon as an emptiness of thoughts, bespoken and fitted for her entertainment; since in that *vacuousness* the winds and vapours of tediousness and displicence arise, and fume out of our imagination into our spirits.—*W. Montague, Devout Essays*, pt. i. p. 352: 1648.

Vácuum. *s.* [Lat.] Space unoccupied by matter.

Until recently the most perfect *vacuum* that could be produced was the Torricellian *vacuum*.—*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Vádé-mécum. *s.* [Lat. *vade*, imperative of *vado* = I go + *mecum* = me with, i.e. with me.] Portable object, for frequent or occasional use; generally a book or manual for carrying about on the person.

When Coke fell into disgrace, ... then he found leisure not only to revise his former writings, which were thirty volumes written with his own hand, but what most pleased him, he was enabled to write a manual, which he called *Vade Mecum*, and which contained a retrospective view of his life, since he noted in that volume the most remarkable occurrences which had happened to him. — *I. Disraeli, Curiosities of Literature, Diaries—Moral, Historical, and Critical.*

Vade. *v. n.* [Lat. *vado.*] Vanish; pass away. *Obsolete.*

Thy sun shall no more go down, and thy moone shall not *vade*, because the Lord shall be thy everlasting light. — *Stapleton, Fortresse of the Faith which Protestants call Papistry*, fol. 56: 1565.

Their vapour *vaded*. *Spenser, Faerie Queen.*

Her power, disperst through all the world, did *vade*,
To shew that all in th' end to nought shall fade.
Id., Ruins of Rome.

Be ever gloried here thy sovereign name,
That thou may'st smile on all which thou hast made;
Whose frown alone can shake this earthly frame,
And at whose touch the hills in smoak shall *vade*.
Sir H. Wotton.

Váfrous. *adj.* [Lat. *vafer.*] Cunning. *Rare.*

He that deals with a fox, may be held very simple, if he expect not his *vafrous* tricks.—*Felltham, Resolves*, 42. (Ord MS.)

Vágabond. *adj.* [L.Lat. *vagabondus.*]

1. Wandering without any settled habitation; wanting a home.

Let them pronounce the steep Tarpeian death;
Vagabond exile: yet I would not buy
Their mercy at the price of one fair word.
Shakespear, Coriolanus, iii. 3.

2. Wandering; vagrant.

This common body,
Like to a *vagabond* flag upon the stream,
Goes to, and back, lackeying the varying tide.
Shakespear, Antony and Cleopatra, i. 4.

Vágabond. *s.*

1. Vagrant; wanderer: (commonly in a sense of reproach).

We call those people wanderers and *vagabonds*, that have no dwelling place.—*Sir W. Raleigh, History of the World.*

2. One who wanders illegally, without a settled habitation.

Vagabond is a person without a home.—*Watts.*

Vagáry. *s.*

1. Wandering.

The people called Phœnices gave themselves to long *vagaries*, and continuall viages by sea.—*Rich, Translation of Herodotus*: 1584.

2. Wild freak; capricious frolic.

They changed their minds,
Flew off, and into strange *vagaries* fell,
As they would dance.
Milton, Paradise Lost, vi. 613.

Would your son engage in some frolick, or take a *vagary*, were it not better he should do it with, than without your knowledge.—*Locke, Thoughts on Education.*

Vágient. *adj.* [Lat. *vagiens, -entis*, pres. part. of *vagio.*] Crying like a child. *Rare.*

The cradle of the Cretan Jove,
And guardians of his *vagient* infancy.
Dr. H. More, Song of the Soul, iii. 4, 42: 1647.

Vagína. *s.* [Lat. = sheath.] In *Biology.* Term applied to several sheathlike structures; e.g. in *Botany*, to a part of the leaf-stalk of grasses which becomes thin and embraces the stem; in *Zoology*, to the outlet from the uterus.

The *vagina* is very frequent in the grasses. — *Hooper, Medical Dictionary.*

Váginal. *adj.* Belonging to, constituted by, a vagina: (in the extract, applied to that of the uterus).

The *vaginal* walls are easily lacerable.—*Hooper, Medical Dictionary.*

Vágous. *adj.* [Lat. *vagus.*] Wandering; unsettled. *Rare.*

Such as were born and begot of a single woman, through a *vagous* lust, were called Sporii.—*Ayliffe, Parergon Juris Canonici.*

Vágrance. *s.* Vagrancy. *Rare.*

The understanding may be restrained from that *vagrance* and dissipation by which it relieves itself after a long intenseness of thought. — *Johnson, Rambler*, no. 85.

Vágrancy. *s.* State of wandering; unsettled condition.

Moses did not lose his affection towards his countrymen because he was by one of them threatened away into banishment and *vagrancy*. — *Barrow, Sermons*, serm. v. vol. iii.

Vágrant. *adj.* Wandering; unsettled; vagabond; unfixed in place.

Do not oppose popular mistakes and surmises, or *vagrant* and fictitious stories.—*Dr. H. More, Divine Dialogues.*

Take good heed what men will think and say;
That beauteous Emma *vagrant* courses took,
Her father's house and civil life forsook,
Prior, Henry and Emma, 303.

Spelt with *a*, as a trisyllable. *Rare.*

The people remained in the woods and mountains *vagarant* and dispersed like the wild beasts.—*Puttenham, Art of English Poetry*, b. i. ch. iii.

Vágrant. *s.* Sturdy beggar; wanderer; vagabond; man unsettled in habitation.

Vagrants and outlaws shall offend thy view,
Train'd to assault, and disciplined to kill.
Prior, Henry and Emma, 447.

To relieve the helpless poor; to make sturdy *vagrants* relieve themselves; to hinder idle hands from being mischievous, are things of evident uses. —*Bishop Atterbury.*

Vague. *adj.* [Fr. *vague*; Lat. *vagus.*]

1. Wandering; vagrant; vagabond.

Gray encouraged his men to set upon the *vague* villains, good neither to live peaceably, nor to fight. —*Sir J. Hayward.*

2. Unfixed; unsettled; undetermined; indefinite.

The perception of being or not being belongs no more to these *vague* ideas, signified by the terms whatsoever and thing, than it does to any other ideas.—*Locke.*

Vail. *s.* [see extracts.] Money given to servants as a perquisite or present rather than in the way of wages.

Since our knights and senators account
To what their sordid, begging *vails* amount,
Judge what a wretched share the poor attends,
Whose whole subsistence on those alms depends.
Dryden, Translation of Juvenal, i. 176

His revenues, besides *vales*, amounted to thirty pounds.—*Swift.*

From *avail*, profit, or *vale*, farewell. If from *avail*, it must be written *vail*, as Dryden writes. If from *vale*, which I think is right, it must be *vale*.—*Johnson.*

The true spelling is *vail*, and the word is a mere abridgement of *avail*, which was the ancient English term, signifying not merely money given to servants, but any casual emoluments belonging to any office or station. See Ames's History of Printing, edition of Herbert, under T. Rider, who was beadle of the Company of Stationers, and in 1587 resigned his office, when J. Wolfe was chosen to do the duty, and 'to have xls. with the *availes*, etc.'—*Malone.*

Vail. *v. a.*

1. Let fall; suffer to descend.

They stiffly refused to *vail* their bonnets, which is reckoned intolerable contempt by seafarers.—*Carew, Survey of Cornwall.*

The virgin 'gan her beavoir *vale*,
And thank'd him first, and thus began her tale.
Fairfax.

2. Let fall in token of respect.

Certain of the Turk's gallies, which would not *vail* their top-sails, the Venetians fiercely assailed.—*Knolles, History of the Turks.*

Before my princely state let your poor greatness fall,
And *vail* your tops to me, the sovereign of you all.
Drayton.

They had not the ceremony of *veiling* the bonnet in salutations; for, in medals, they still have it on their heads.—*Addison.*

3. Fall; let sink in fear, or for any other interest.

That furious Scot,
'Gan *vail* his stomach, and did grace the shame
Of those that turn'd their backs.
Shakespear, Henry IV. Part II. i. 1.

Vail. *v. n.* Yield; give place; show respect by yielding.

That any petty hill upon the English side
Should dare, not (with a crouch) to *vale* unto their pride.
Drayton, Polyolbion, song xii.

It is fit that both should *vaile* to the inevitable danger of those mischievous inconveniences. — *Bishop Hall, Cases of Conscience*, iv. 9.

Thy convenience must *veil* to thy neighbour's necessity; and thy very necessities must yield to thy neighbour's extremity.—*South, Sermons.*

Vailer. *s.* One who vails; one who shows respect by yielding. *Rare.*

He is high in his own imagination: ... when he goes he looks who looks: if he finds not a good store of *vailers*, he comes home stiff.—*Sir T. Overbury, Characters*, E. 5, b.: 1627.

Vain *adj.* [Fr. *vain*; Lat. *vanus.*]

1. Fruitless; ineffectual.

Let no man speak again
To alter this; for counsel is but *vain*.
Shakespear, Richard II. iii. 2.

2. Empty; unreal; shadowy.

Before the passage horrid Hydra stands,
And Briareus with all his hundred hands,
Gorgons, Geryon with his triple frame,
And *vain* Chimera vomits empty flame.
Dryden, Translation of the Æneid, vi. 400.

3. Meanly proud; proud of petty things: (with *of* before the cause of vanity).

To be *vain* is rather a mark of humility than pride. *Vain* men delight in telling what honours have been done them, what great company they have kept, and the like; by which they plainly confess, that these honours were more than their due,

and such as their friends would not believe, if they had not been told: whereas a man truly proud, thinks the honours below his merit, and scorns to boast.—*Swift.*

4. Showy; ostentatious.

Load some *vain* church with old theatric state.
Pope, Moral Essays, iv. 29.

5. Idle; worthless; unimportant.

Both all things *vain*, and all who in *vain* things
Built their fond hopes of glory, or lasting fame,
Or happiness. *Milton, Paradise Lost*, iii. 448.

6. False; not true.

'Tis holy sport to be a little *vain*,
When the sweet breath of flattery conquers strife.
Shakespear, Comedy of Errors, iii. 2.

In vain. To no purpose; to no end; ineffectually; without effect.

He who tempts, though *in vain*, at least asperses
The tempted with dishonour foul.
Milton, Paradise Lost, ix. 296.

Providence and nature never did any thing *in vain*.—*Sir R. L'Estrange.*

If we hope for what we are not likely to possess, we act and think *in vain*, and make life a greater dream and shadow than it really is.—*Addison, Spectator.*

Vainglórious. *adj.* Boasting without performances; proud in disproportion to desert.

Vain-glorious man, when flutt'ring wind does blow,
In his light wings is lifted up to sky. *Spenser.*

Strength to glory aspires
Vain-glorious, and through infamy seeks fame.
Milton, Paradise Lost, vi. 383.

Vainglóriously. *adv.* In a vainglorious manner; with vainglory; with empty pride.

Heretofore in the pursuance of fame and foreign dominion [it] spent itself *vaingloriously* abroad.—*Milton, Tenure of Kings and Magistrates.*

Vainglóry. *s.* Pride above merit; empty pride; pride in little things.

He had nothing of *vain-glory*, but yet kept state and majesty to the height; being sensible, that majesty maketh the people bow, but *vain-glory* boweth to them.—*Bacon, History of the Reign of Henry VII.*

This extraordinary person, out of his natural aversion to *vain-glory* wrote several pieces, which he did not assume the honour of.—*Addison.*

A monarch's sword when mad *vain-glory* draws,
Not Waller's wreath can hide the nation's scars.
Pope, Epilogue to the Satires, dial. ii.

Váinly. *adv.* In a vain manner.

1. Without effect; to no purpose; in vain.

Our cannons' malice *vainly* shall be spent
Against th' invulnerable clouds of heaven.
Shakespear, King John, ii. 1.

2. Proudly; arrogantly.

Humility teaches us to think neither *vainly* nor vauntingly of ourselves.—*Delany.*

3. Idly; foolishly.

Nor *vainly* hope to be invulnerable.
Milton, Paradise Lost, ii. 811.

Váinness. *s.* Attribute suggested by Vain; state of being vain; pride; falsehood; emptiness.

I hate ingratitude more in a man,
Than lying, *vainness*, babbling.
Shakespear, Twelfth Night, iii. 4.

Vair. *s.* [Fr.] In *Heraldry.* See extract.

Vair [is] one of the furs employed in blazonry. It is supposed to represent the skin of a small squirrel. It is always white and blue, unless otherwise specified in the blazon; as *vair* of or and azure, *vair* of ermine and gules.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Vair, or **Váiry.** *adj.* Charged, or chequered with vair; variegated with argent and azure colours, when the term is *vairy proper*; and with other colours, when it is *vair* or *vairy composed.*

Vairy is the pattern of *vair* with more than two colours. The glass slipper of Cinderella in the popular legend was probably a slipper of *vair*, altered by the story-teller into *verre*.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Válance. *s.* [? said to be from *Valencia*, in Spain, the district of the manufacture; in which case *valence* is the better spelling.] Fringes, or drapery, hanging round the tester and stead of a bed.

Before him he had his two great crosses of silver, his cardinal's hat, and a gentleman carrying his *valence* (otherwise called his cloak-bag), which was made of fine scarlet, altogether embroidered very richly with gold, having in it a cloake.—*Cavendish, Life of Cardinal Wolsey.*

Like gold *valence*, let some curls hang dangling.
Sir R. Fanshawe, Translation of Guarini's Pastor Fido.

My house
Is richly furnished with plate and gold;
Valance of Venice, gold in needlework.
Shakespear, Taming of the Shrew, ii. 1.

Thrust the *valance* of the bed, that it may be full in sight.—*Swift.*

Válance. *v. a.* Decorate with drapery. *Rare.*

Old friend, why thy face *is valanced* since I saw thee last; com'st thou to beard me?—*Shakespear, Hamlet*, ii. 2.

Vále. *s.* [a dissyllable, the imperative of *valeo* = I am well.] The Latin for farewell.

I dropped a tear, and wrote my *vale*. *Praed.*

Vale. *s.* [Fr. *val*; Lat. *vallis.*] Valley.

In Ida *vale*—who knows not Ida *vale*?—
An hundred shepherds woned. *Spenser.*

Anchises, in a flow'ry *vale*,
Review'd his muster'd race, and took the tale.
Dryden, Translation of the Æneid, vi. 921.

A wide open space between hills is called a *vale*. If it be of smaller dimensions we call it a *valley*. But when this space is contracted to a chasm, we call it a *glen*.—*Gilpin.*

Valedíction. *s.* [Lat. *valedico*, pass. part. *valedictus*; *valedictio*, *-onis*, from *vale* = farewell + *dico* = I say.] Farewell.

A *valediction* forbidding to weep. *Donne.*

Letters were read, together with a form of *valediction* and farewell.—*Hales, Letter from Synod of Dort*, p. 80.

Valedíctory. *adj.* Bidding farewell.

He [Dryden] read to us his prologue and epilogue to his *valedictory* play.—*Evelyn, Diary* (under the year 1693).

The shore was thronged with crowds of people that followed him to the water's edge, ... studious to pay to their popular chief governor every *valedictory* honour that their zeal and attention could devise.—*Cumberland, Memoirs.*

Válentine. *s.* [*St. Valentine*, believed to have been beheaded at Rome under Claudius, the 14th of February (the day on which birds are supposed to pair) being the day sacred to him.]

1. Sweetheart, chosen on Valentine's day.

Now all nature seem'd in love,
And birds had drawn their *valentines*.
Sir H. Wotton.

A choosing of persuasions, as countrymen choose *valentines*, that which they chance to meet with first after their coming abroad.—*Hammond, Works*, i. 210.

2. Letter sent by one young person to another on Valentine's day.

Many allurements there are; nods, jests, winks, ... tokens, favours, symbols, letters, *valentines*, &c. For which cause, belike, Godfridus would not have women learn to write!—*Burton, Anatomy of Melancholy*, p. 493.

Valérian. *s.* In *Botany.* Native plant of the genus Valeriana.

Valerian then he crops, and purposely doth stamp,
T' apply unto the place, that's haled with the cramp. *Drayton, Polyolbion*, song xiii.

Many of the species are employed in medicine, on account of their peculiar stimulant and anti-spasmodic properties. The species now most used is V. officinalis, the Officinal *Valerian*, common in marshy and wet places in this country and Central Europe; the roots have a warm, aromatic, slightly bitter taste, and, when dry, a peculiar fetid odour, which seems to be especially agreeable to cats, who become, as it were, intoxicated with it. It is stated also that rat-catchers avail themselves of this root as a means of attracting their prey. This odour seems to be due to the presence of a peculiar acid called *Valerianic* acid. What is known to chemists as Volatile oil of *Valerian* seems not to exist naturally in the plant, but to be developed by the agency of water. *Valerian* is used in medicine as a powerful stimulant to the nervous system in hysteria, and even in epilepsy.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Válet. *s.* [Fr.; see Vassal.] Waiting servant.

Giving cast-clothes to be worn by *valets*, has a very ill effect upon little minds.—*Addison.*

In old time [*valet*] was a more honourable title; for all young gentlemen, until they came to be eighteen years of age, were termed so; besides those that waited in the king's chamber, and who were for the most part gentlemen, [who] had no other title than of '*valets* de chambre,' until that Francis the First, perceiving such as attended him to be no better than 'roturiers,' [plebeians, or low persons,] brought in above them another sort, and caused them to be stiled, 'gentilhommes de la chambre;' presently after which the title of *valet* grew into disesteem, and is at the length become opposite unto that of gentilhomme.—*Cotgrave.*

Valetudinárian. *adj.* [Fr. *valetudinaire*; Lat. *valetudo.*] Weakly; sickly; infirm of health.

Shifting from the warmer vallies to the colder hills, or from the hills to the vales, is a great benefit to the *valetudinarian*, feeble part of mankind.—*Derham.*

Valetúdinary. *adj.* Valetudinarian.

Physic, by purging noxious humours, prevents sickness in the healthy, or recourse thereof in the *valetudinary*.—*Sir T. Browne.*

Valetudinárian. *s.* One who is weakly, sickly, or infirm of health.

Many *valetudinarians*, many sickly persons, that scarce ever in their lives knew what health was, have yet outlived and trod upon the graves of those who have enjoyed it in the greatest perfection.—*Bishop Bull, Works*, ii. 734.

Valetudinarians must live where they can command and scold.—*Swift.*

Váliance. *s.* Valour. *Rare.*

With stiff force he shook his mortal lance,
To let him weet his doughty *valiaunce*.
Spenser, Faerie Queen, ii. 3, 14.

Váliancy. *s.* Valour. *Rare.*

And by the aid of Norman *valiancie*
To quell the force of forren enemie.
Mirrour for Magistrates, p. 587.

Váliant. *adj.* [Fr. *vaillant.*] Stout; personally puissant; brave: (as, 'A *valiant* man'; 'A *valiant* action').

Only be thou *valiant* for me, and fight the Lord's battles.—1 *Samuel*, xviii. 17.

Used *substantivally.*

Four battles against the Philistines, wherein four *valiants* of David slay four giants.—2 *Samuel*, xxi. contents.

Váliantly. *adv.* In a valiant manner; with personal strength; with personal bravery.

It was the duty of a good soldier *valiantly* to withstand his enemies, and not to be troubled with any evil hap.—*Knolles, History of the Turks.*

Váliantness. *s.* Attribute suggested by Valiant; valour; personal bravery; puissance; fierceness; stoutness.

Shew not thy *valiantness* in wine.—*Ecclesiasticus*, xxxi. 25.

Válid. *adj.* [Fr. *valide*; Lat. *validus.*]

1. Strong; powerful; efficacious; prevalent.

Perhaps more *valid* arms,
Weapons more violent, when next we meet,
May serve to better us, and worse our foes.
Milton, Paradise Lost, vi. 428.

2. Having intellectual force; prevalent; weighty; conclusive.

A difference in their sentiments as to particular questions, is no *valid* argument against the general truth believed by them, but rather a clearer and more solid proof of it.—*Stephens.*

Validity. *s.* [Fr. *validité.*]

1. Force to convince; certainty.

You are persuaded of the *validity* of that famous verse,
'Tis expectation makes a blessing dear.'
Pope.

2. Value. *Rare.*

To thee and thine
Remains this ample third of our fair kingdom;
No less in space, *validity*, and pleasure,
Than that conferr'd on Goneril.
Shakespear, King Lear, i. 1.

Válise. *s.* [Fr.] Portmanteau.

I promise
To keep my master's privities lock'd up
In the *vallise* of my trust, lock'd close for ever.
B. Jonson, Tale of a Tub.

He waited at table, carried his master's *valise*, and attended in his bedchamber.—*Swift, Preface to Prior's Journey.* (Ord MS.)

Vallancy. *s.* Large wig that shades the face (like a valance).

But you, loud sirs, who through your curls look big,
Criticks in plume and white *vallancy* wig.
Dryden.

Vallátion. *s.* [Lat. *vallatus*, from *vallum.*] Intrenchment.

The *vallation* ... called Dyke-hills, consisting of two ridges or borders with an intermediate trench, although so near a Roman town and road, is not Roman.—*T. Warton, History of the Parish of Kiddington*, p. 70.

Vállatory. *adj.* Enclosing as by measure. *Rare.*

Mention is made in Ezekiel of a measuring reed of six cubits: . . . with such differences of reeds, *vallatory*, sagittary, scriptory, and others, they might be furnished in Judea.—*Sir T. Browne, Miscellanies*, p. 82.

Válley. *s.* [Fr. *vallée*; Lat. *vallis.*] Low ground; hollow between hills.

Sweet interchange of hill and *valley*.
Milton, Paradise Lost, ix. 116.

Vállum. *s.* [Lat.] Trench.

The *vallum* or ridged bank, seemingly a vicinal way, if not a rampart, crossing the Ikenild-street within two miles of Eueleme and near Nuffield, is called Grimesditch.—*T. Warton, History of the Parish of Kiddington*, p. 55.

Valónia. *s.* [Romaic, *βαλανίδεα*, from Gr. *βάλανος* = acorn.] In *Botany* and *Commerce.* Cup of the acorn of a species of oak (Quercus ægilops), abundant in Asia Minor, and imported, to be used in tanning, from the Levant.

Valonia is a kind of acorn, imported from the Levant and the Morea for the use of tanners, as the husk or cup contains abundance of tannin. The quantity imported for home consumption in 1836, was 80,511 cwts.; of which Turkey furnished 58,724; Italy and the Italian islands, 7209.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Válorous. *adj.* Brave; stout; valiant.

The famous warriors of the antique world
Used trophies to erect in stately wise,
In which they would the records have enroll'd,
Of their great deeds and *valorous* emprise.
Spenser.

Válorously. *adv.* In a valorous manner.

I'll pay it as *valorously* as I may.
Shakespear, Henry V. iii. 2.

Válour. *s.* [Fr. *valeur*; Lat. *valor.*] Personal bravery; strength; prowess; puissance; stoutness.

That I may pour my spirits in thine ear,
And chastise, with the *valour* of my tongue,
All that impedes thee. *Shakespear, Macbeth*, i. 5.

Váluable. *adj.* Precious; being of great price; worthy; deserving regard.

The value of several circumstances in story lessens very much by distance of time; though some minute circumstances are very *valuable.—Swift.*

Valuátion. *s.*

1. Act of setting a value; appraisement.

Humility in man consists not in denying any gift that is in him, but in a just *valuation* of it, rather thinking too meanly than too highly.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. Value set upon anything.

Take out of men's minds false *valuations*, and it would leave the minds of a number of men poor shrunken things.—*Bacon.*

Váluator. *s.* Appraiser; one who sets upon anything its price. 'A word which I have found no where else.' (Johnson.)

What *valuators* will the bishops make use of?—*Swift.*

The plans of the eight northern counties of Ireland have been revised and made perfect in every detail, like the plans of the southern counties. This perfect revision was rendered necessary to enable the Government *valuators* to mark upon the plans every property and tenement; and this has now been done throughout the whole of Ireland.—*Lord Ashburton, Address to the Geographical Society*, May 26, 1862.

Válue. *s.* [Fr.; Lat. *valor.*]

1. Price; worth.

Ye are all physicians of no *value.—Job*, xiii. 4.

2. Rate; price equal to the worth of the thing bought.

He sent him money; it was with this obliging testimony, that his design was not to pay him the *value* of his pictures, because they were above any price.—*Dryden.*

Válue. *v. a.*

1. Rate at a certain price; appraise; estimate; take account of.

When the country grows better inhabited, the tithes and other obventions will be more augmented, and better *valued.—Spenser, View of the State of Ireland.*

So little knows
Any but God alone, to *value* right
The good before him. *Milton, Paradise Lost*, iv. 201.

2. Rate highly; have in high esteem.

Some of the finest treatises in dialogue, many very *valued* pieces of French, Italian, and English appear. —*Addison.*

3. Be worth; be equal in worth to.

The peace between the French and us not *values* The cost that did conclude it.
Shakespear, Henry VIII. i. 1.

4. Raise to estimation.

Some *value* themselves to their country by jealousies of the crown.—*Sir W. Temple.*

Válueless. *adj.* Being of no value.

A counterfeit
Resembling majesty; which, touch'd and tried,
Proves *valueless. Shakespear, King John*, iii. 1.

Váluer. *s.* One who values.

Hammond was no *valuer* of trifles.—*Bishop Fell, Life of Hammond.*

Valve. *s.* [Lat. *valvæ* = folding doors.]

1. Folding door.

Opening their *valves*, self-moved on either side,
The adamantine doors expanded wide:
When death commands they close, when death commands divide. *Harte.*

2. Anything that opens over the mouth of a vessel.

This air, by the opening of the *valve*, and forcing up of the sucker, may be driven out.—*Boyle.*

3. In *Anatomy.* Membrane, which opens in certain vessels to admit the blood, and shuts to prevent its regress.

The arteries, with a contractile force, drive the blood still forward; it being hindered from going backward by the *valves* of the heart.—*Arbuthnot, On the Nature and Choice of Aliments.*

Válvular. *adj.* Having the character of, acting as, a valve.

In the first attempt at a *valvular* formation there is merely a slight elevation of the inner surface.—*Salter*, in *Todd's Cyclopædia of Anatomy and Physiology, Vein.*

Válvule. *s.* Small valve.

Vámbrace. *s.* [Fr. *avant-bras*; *avant* = before + *bras* = arm.] Piece of plate-armour worn for the defence of the fore-arm; Vamplate.

Vamp. *s.* [Spanish, *avampies.*] Upper leather of a shoe.

Vamp. *v. a.* Piece an old thing with some new part.

You wish
To *vamp* a body with a dangerous physick,
That's sure of death without.
Shakespear, Coriolanus, iii. 1.

This opinion hath been *vamped* up by Cardan.—*Bentley.*

Vámper. *s.* One who pieces out an old thing with something new.

Vámpire. *s.* [?]

1. Pretended demon, said to delight in sucking human blood, and to animate the bodies of dead persons, which, when dug up, are said to be found florid and full of blood.

Can Russia, can the Hungarian *vampire*,
With whom call in the Swedes and empire;
Can four such powers, who one assail,
Deserve our praise should they prevail?
Mallet, Zephyr, or The Stratagem.

These are the *vampires* of the publick, and rifiers of the kingdom.—*Forman, Observations on the Revolution in* 1688, p. 11: 1741.

2. Bat of the genus Vespertilio (spectrum).

This is the bat to which Linnæus assigned the title of *vampyre*, on the supposition of its being the species of which so many extraordinary accounts have been given, relative to its power of sucking the blood both of men and cattle.—*Dr. Shaw.*

Vámplate. *s.* [Fr. *avant-plat.*] Vambrace.

Vamplate [is] a large piece of plate armour of the sixteenth century, used in jousting to supply the place of arm and hand defence to the wearer, protecting him more effectually against his opponent's lance. Specimens may be seen in the armoury of the Tower of London, the Rotunda at Woolwich, &c.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Van. *s.* [Lat. *vannus* = fan.]

1. Anything spread wide by which a wind is raised; fan.

The other token of their ignorance of the sea was an oar; they called it a corn *van.—Broome, Notes on the Odyssey.*

2. Wing with which the air is beaten.

His sail-broad *vans*
He spreads for flight. *Milton, Paradise Lost*, ii. 927.

A fiery globe
Of angels on full sail of wing flew nigh,
Who on their plumy *vans* received him soft
From his uneasy station, and upbore,
As on a floating couch, through the blithe air.
Milton, Paradise Regained, iv. 581.

His disabled wing unstrung:
He wheel'd in air, and stretch'd his *vans* in vain;
His *vans* no longer could his flight sustain.
Dryden, Translation from Ovid, Fate of Periclymenos.

The *vans* are broad on one side, and narrower on the other; both of which minister to the progressive motion of the bird.—*Derham, Physico-Theology.*

Van. *v. a.* Fan; winnow.

The corn which in *vanning* lieth lowest, is the best.—*Bacon.*

Van. *s.* [Fr. *avant.*] Front of an army.

The foe he had survey'd,
Arranged, as t' him they did appear,
With *van*, main battle, wings and rear.
Butler, Hudibras, i. 2, 102.

Van to *van* the foremost squadrons meet,
The midmost battles hast'ning up behind.
Dryden, Annus Mirabilis, clxxxvi.

Van. *s.* Caravan (of which it is an abbreviation).

Vanádium. *s.* In *Chemistry.* Metal discovered in 1830 by Seftstrom in the iron ore of Taberg, in Sweden, and named after *Vanadis*, a goddess in the Norse mythology.

Our knowledge concerning the chemical composition of the oxides of *vanadium* is derived from the accurate analytical results of Berzelius, to whose celebrated research (1831) on *vanadium* we are indebted for almost all we know of this metal and its compounds.—*Roscoe, On Vanadium, Proceedings of the Royal Society*, December 19, 1867.

Vándal. *s.* Barbarian.

And drove those holy *vandals* off the stage.
Pope, Essay on Criticism, iii. 696.

Vándalic. *adj.* Barbarous; resembling the character of the Vandals.

From what hath passed, rash divines might be apt to charge this holy man, so meek of spirit, with enthusiasm, with a brutal spite to reason, and with more than *Vandalic* rage against human learning.—*Bishop Warburton, Doctrine of Grace*, p. 300.

Vándalism. *s.* Rude and barbarous state or character of the Vandals.

I regard all the conquests of France as so many epochas, and stages, in the career of a new *vandalism* and darkness, which are preparing to involve all human society.—*Lord Auckland, Considerations*, pt. ii. p. 23.

Vandýke. *s.* [from the painter so named.] Kind of neckhandkerchief.

Laced handkerchiefs, resembling the large falling band worn by the men, were in fashion among the ladies. This article of dress has been lately revived, and called a *Vandyck.—Granger, Biographical History of the Reign of Charles I.*

Cut in Vandyke, or *as a Vandyke.* Having the border of a cuff, sleeve, skirt, or the like, edged, as in the Vandyke portraits, instead of plain.

Vandýke. *v. a.* In *Dress.* Slash, or cut out, after the manner of certain dresses in the portraits of Vandyke.

Vane. *s.* [Dutch, *vaene*; A.S. *fana.*] Plate hung on a pin to turn with the wind.

She would spell a man backward; if tall, a lance ill-headed; if speaking, why a *vane* blown with all winds.—*Shakespear, Much Ado about Nothing*, iii. 1.

Vánguard. *s.* [Fr. *avant garde.*] Front or first line of the army.

The king's *vant-guard* maintained fight against the whole power of the enemies.—*Lord Bacon.*

The martial Idomen, who bravely stood before
In *vant-guard* of his troops, and marcht, for strength
a savage boar. *Chapman.*

Vanguard to right and left the front unfold.
Milton, Paradise Lost, vi. 558

Vanílla. *s.* [Fr. *vanille.*] Fruit of the Vanilla planifolia.

When mixed with *vanillios*, or spices, chocolate acquires the good and bad qualities of aromatick oils.—*Arbuthnot, On the Nature and Choice of Aliments.*

The *vanilla* plant is cultivated in Brazil, and in the West Indies, and some other tropical countries, but does not produce fruit of such a delicious aroma as in Mexico. It clings like a parasite to the trunks of old trees, and sucks the moisture which their bark derives from lichens, and other cryptogamia, but without drawing nourishment from the tree

itself, like the ivy and *misletoe*. The fruit is subcylindric, about eight inches long, one-celled, siliquose, and pulpy within. It should be gathered before it is fully ripe.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Vánish. *v. n.* [Lat. *vanesco*; Fr. *évanouir.*]

1. Lose perceptible existence.
   High honour is not only gotten and born by pain and danger, but must be nursed by the like, or else *vanisheth* as soon as it appears to the world.—*Sir P. Sidney.*
2. Pass away from the sight; disappear.
   Whither are they *vanish'd*?—
   Into the air; and what seem'd corporal
   Melted as breath into the wind.
   Shakespear, Macbeth, i. 3.
3. Pass away; be lost.
   All these delights will *vanish*.
   Milton, Paradise Lost, iv. 368.

Vánity. *s.* [Fr. *vanité*; Lat. *vanitas, -atis*; *vanus* = vain.]

1. Emptiness; uncertainty; inanity.
   Vanity of *vanities*, all is *vanity*.—*Ecclesiastes*, i. 2.
2. Fruitless desire; fruitless endeavour.
   Vanity possesseth many, who are desirous to know the certainty of things to come.—*Sir P. Sidney.*
3. Trifling labour.
   To use long discourse against those things which are both against Scripture and reason, might rightly be judged a *vanity* in the answerer, not much inferior to that of the inventor.—*Sir W. Raleigh, History of the World.*
4. Falsehood; untruth.
   Here I may well shew the *vanity* of that which is reported in the story of Walsingham.—*Sir J. Davies.*
5. Empty pleasure; vain pursuit; idle show; unsubstantial enjoyment; petty object of pride.
   Were it not strange if God should have made such store of glorious creatures on earth, and leave them all to be consumed in secular *vanity*, allowing none but the baser sort to be employed in his own service?—*Hooker, Ecclesiastical Polity.*
   I must
   Bestow upon the eyes of this young couple
   Some *vanity* of mine art. *Shakespear, Tempest*, iv. 1.
   The eldest equal the youngest in the *vanity* of their dress; and no other reason can be given of it, but that they equal, if not surpass them, in the *vanity* of their desires.—*South, Sermons.*
   Think not when woman's transient breath is fled,
   That all her *vanities* at once are dead;
   Succeeding *vanities* she still regards,
   And though she plays no more, o'erlooks the cards.
   Pope, Rape of the Lock, canto i.
6. Ostentation; arrogance.
   The ground-work thereof is true, however they, through *vanity*, . . . do thereupon build many forged histories of their own antiquity.—*Spenser, View of the State of Ireland.*
7. Petty pride; pride exerted upon slight grounds; pride operating on small occasions.
   'Tis an old maxim in the schools,
   That *vanity*'s the food of fools;
   Yet now and then your men of wit
   Will condescend to take a bit.
   Swift, Cadenus and Vanessa.

Vánquish. *v. a.*

1. Conquer; overcome; subdue.
   Wer't not a shame, that whilst you live at jar,
   The fearful French, whom you late *vanquished*,
   Should make a start o'er seas, and *vanquish* you?
   Shakespear, Henry VI. Part II. iv. 8.
   They subdued and *vanquished* the rebels in all encounters.—*Lord Clarendon, History of the Grand Rebellion.*
   The gods the victor, Cato the *vanquish'd* chose:
   But you have done what Cato could not do,
   To chuse the *vanquish'd*, and restore him too.
   Dryden.
2. Confute.
   This bold assertion has been fully *vanquished* in a late reply to the bishop of Meaux's treatise.—*Bishop Atterbury.*

Vánquishable. *adj.* Capable of being vanquished; conquerable; that may be overcome.
   That great giant was only *vanquishable* by the knights of the Wells.—*Gayton, Festivous Notes on Don Quixote*, p. 87.

Vánquisher. *s.* One who vanquishes; conqueror; subduer.
   He would pawn his fortunes
   To hopeless restitution, so he might
   Be call'd your *vanquisher*.
   Shakespear, Coriolanus, iii. 1.
   I shall rise victorious, and subdue
   My *vanquisher*; spoil'd of his vaunted spoil.
   Milton, Paradise Lost, iii. 250.

Vántage. *s.* Advantage; superiority; opportunity.
   What great *vantage* do we get by the trade of a pastor?—*Sir P. Sidney.*
   He had them at *vantage*, being tired and harassed with a long march.—*Bacon.*
   Be assured, madam, 'twill be done
   With his next *vantage*.
   Shakespear, Cymbeline, i. 4.

Vántage. *v. a.* Benefit. *Obsolete.*
   We yet of present peril be afraid;
   For needless fear did never *vantage* none. *Spenser.*

Vántage-ground. *s.* Superiority; state in which one has better means of action than another.
   Let him expect a battle, and know that he is to combat a prepared enemy, who has prevented him, and comes to fight him upon the *vantage-ground*.—*South, Sermons*, vi. 266.

Vántbrace. *s.* Vambrace.
   I'll hide my silver beard in a gold beaver,
   And in my *vantbrace* put this wither'd brawn.
   Shakespear, Troilus and Cressida, i. 3.
   Put on
   Vantbrace and grieves and gauntlet.
   Milton, Samson Agonistes, 1121.

Vápid. *adj.* [Lat. *vapidus.*] Dead; having the spirit evaporated; spiritless; mawkish; flat.
   The effects of a *vapid* and viscous constitution of blood, are stagnation, acrimony, and putrefaction. —*Arbuthnot.*
   However *vapid* the songs of Provence may seem to our apprehensions, they were undoubtedly the source from which poetry for many centuries derived a great portion of its habitual language.—*Hallam, View of the State of Europe during the Middle Ages*, pt. ii. ch. ix.

Vaporátion. *s.* Act of escaping in vapours. *Rare.*
   By conflagration and congelation, according to certain respects; by *vaporation* and evaporation; by sublimation.—*Bibliotheca Biblica*, i. 438.

Váporer. *s.* One who vapours; boaster; braggart.
   This shews these *vaporers*, to what scorn they expose themselves.—*Dr. H. More, Government of the Tongue.*

Vaporífic. *adj.* Forming vapour.
   The statement by Dr. Thomson refers to the completion, or last stage, of the discovery, namely the *vaporific* combination of heat. But from a letter which Black wrote to Watt in 1780 . . . it appears that Thomson has even understated the question, and that Black, instead of first teaching his theory in 1761, taught it three years earlier, that is, six years before the decisive experiments were made.—*Buckle, History of Civilization in England*, vol. ii. ch. vi. note.

Váporish. *adj.*

1. Vaporous; full of vapours.
   It proceeded from the nature of the *vapourish* place.—*Sandys.*
2. Splenetic; peevish; humoursome.
   Pallas grew *vap'rish* once and odd,
   She would not do the least right thing. *Pope.*

Vaporizátion. *s.* Evaporation; conversion into vapour.
   We can hardly expect to understand the part which heat plays in the union of two bodies, when we cannot as yet comprehend in what manner it produces the liquefaction or *vaporization* of one body.—*Whewell, History of Scientific Ideas*, vol. ii. p. 46: 1858.

Váporous. *adj.* [Fr. *vaporeux.*]

1. Full of vapours or exhalations; fumy.
   The *vaporous* night approaches.
   Shakespear, Measure for Measure, iv. 1.
   This shifting our abode from the warmer and more *vaprous* air of the vallies to the colder and more subtile air of the hills is a great benefit to the valetudinarian part.—*Derham, Physico-Theology.*
2. Windy; flatulent.
   If the mother eat much beans, or such *vaporous* food, it endangereth the child to become lunatick.—*Bacon.*
   The food which is most *vaporous* and perspirable, is the most easily digested.—*Arbuthnot.*
3. Soaring; vainly imaginative.
   Whoever shall entertain high and *vaporous* imaginations, instead of a laborious and sober inquiry of truth, shall beget hopes and beliefs of strange and impossible shapes.—*Bacon, Advancement of Learning.* (Ord MS.)

Váporousness. *s.* Attribute suggested by Vaporous.
   The warmth and *vaporousness* of the air.—*History of the Royal Society*, iii. 416.

Vápory. *adj.*

1. Vaporous; abounding with vapours.
   Congregated clouds,
   And all the *vapory* turbulence of heaven,
   Involve the face of things.
   Thomson, Seasons, Winter.
   When liquids and certain solids are heated they become converted into elastic fluids or *vapours*, which differ from gases in this respect, that they are not under common circumstances permanently elastic, but resume the liquid or solid form when cooled down to ordinary temperatures. The term *vapour* is frequently limited to water in the state in which it exists in our atmosphere and in other humid aëriform bodies, i.e. in a perfectly invisible state. — *Brande and Cox, Dictionary of Science, Literature, and Art.*
2. Peevish; humoursome.
   Hours on hours they sighing lie reclined,
   And court the *vapoury* god soft-breathing in the wind. *Thomson, Castle of Indolence*, i. 72.

Vápour. *s.* [Fr. *vapeur*; Lat. *vapor.*]

1. Anything exhalable; anything that mingles with the air.
   Jove a dreadful storm call'd forth
   Against our navy; cover'd shore and all
   With gloomy *vapours*. *Chapman.*
2. Fume; steam.
   The morning is the best, because the imagination is not clouded by the *vapours* of meat.—*Dryden.*
3. Wind; flatulence.
   In the Thessalian witches, and the meetings of witches that have been recorded, great wonders they tell of carrying in the air, transforming themselves into other bodies. These fables are the effects of imagination; for ointments, if laid on anything thick, by stopping of the pores, shut in the *vapours*, and send them to the head extremely.—*Bacon.*
4. Mental fume; vain imagination; fancy unreal.
   If his sorrow bring forth amendment, he hath the grace of hope, though it be clouded over with a melancholy *vapour*, that it be not discernible even to himself.—*Hammond.*

In the *plural*: (often with *the*). Hypochondriasis; melancholy; spleen.
   To this we must ascribe the spleen, so frequent in studious men, as well as *the vapours* to which the other sex are so often subject.—*Addison, Spectator.*

Vápour. *v. n.*

1. Pass in a vapour or fume; fly off in evaporations.
   When thou from this world wilt go,
   The whole world *vapours* in thy breath. *Donne.*
2. Emit fumes.
   Swift running waters *vapour* not so much as standing waters.—*Bacon, Natural and Experimental History.*
3. Bully; brag.
   Not true? quoth he. Howe'er you *vapour*,
   I can what I affirm make appear.
   Butler, Hudibras, ii. 3, 1003.
   Be you to us but kind;
   Let Dutchmen *vapour*, Spaniards curse,
   No sorrow we shall find. *Lord Dorset, Song.*

Vápour. *v. a.* Effuse, scatter in fumes or vapour. *Rare.*
   He'd laugh to see one throw his heart away,
   Another, sighing, *vapour* forth his soul,
   A third to melt himself in tears. *B. Jonson.*
   Opium loseth some of its poisonous quality, if *vapoured* out, and mingled with spirit of wine.—*Bacon.*

Vápoured. *part. adj.*

1. Moist.
   From mine eyes
   The *vapour'd* tears down stilled here and there.
   Sackville, Mirrour for Magistrates, induction.
2. Splenetic; peevish; melancholy.
   I was become so *vapoured* and timorous at home, that I was ready to faint away if I did but go a few stones' cast from our own house.—*Whiston, Memoirs*, p. 18: 1749.

Vápourer. *s.* Bully; blusterer.
   A third eminent apostate is notorious by the name and title of M. Dr. Goff, a *vapourer*; who hath been an impudent stickler, ever since he was a schoolboy. —*Legenda Lignea*, p. 144: 1653.

Vápouring. *verbal abs.* Bullying; bragging.
   (See, for example, under Vigour.)

Vare. *s.* [Spanish, *vara.*] Wand or staff of justice. *Rare.*
   He [the Spaniard] is wonderfully obedient to government; for the proudest don of Spain, when he is pacing upon his ginnet in the street, if an alguazil (a serjeant) shew him his *vare*, that is, a little white staff he carrieth as a badge of his office, my don will presently off his horse, and yield himself his prisoner.—*Howell, Letters*, i. 3, 32.
   His hand a *vare* of justice did uphold.
   Dryden, Absalom and Achithophel, i. 595.

Váriable. *adj.* [Fr.; Lat. *variabilis.*] Changeable; mutable; inconstant.

O swear not by th' inconstant moon,
That monthly changes in her circled orb,
Lest that thy love prove likewise *variable.*
Shakespear, Romeo and Juliet, ii. 2.

By the lively image of other creatures, did those ancients represent the *variable* passions of mortals; as by serpents were signified deceivers.—*Sir W. Raleigh, History of the World.*

His heart I know how *variable* and vain,
Self-left. *Milton, Paradise Lost,* xi. 92.

Váriableness. *s.* Attribute suggested by Variable.

1. Changeableness; mutability.

Every good gift, and every perfect gift, is from above, and cometh down from the Father of lights, with whom is no *variableness,* neither shadow of turning.—*James,* i. 17.

You are not solicitous about the *variableness* of the weather, or the change of seasons.—*Addison.*

2. Levity; inconstancy.

Censurers subject themselves to the charge of *variableness* in judgement.—*Richardson, Clarissa.*

Váriance. *s.* Discord; disagreement; dissension.

I am come to set a man at *variance* against his father.—*Matthew,* x. 35.

She runs, but hopes she does not run unseen:
While a kind glance at her pursuer flies,
How much at *variance* are her feet and eyes!
Pope, Pastorals, Spring.

If the learned would not sometimes submit to the ignorant; the old to the weaknesses of the young; there would be nothing but everlasting *variance* in the world.—*Swift.*

Váriate. *v. a.* [Lat. *variatus.*] Change; alter. *Rare.*

What was the cause of their multiplied, *variated* complotments against her; like the monsters in Africk, every day almost a new conspiracy?—*Dean King, Sermon on the Fifth of November,* p. 33: 1608.

This artificial change is but a fixation of nature's inconstancy, helping its *variating* infirmities.—*Jeremy Taylor, Artificial Handsomeness,* p. 43.

Variátion. *s.* [Fr.; Lat. *variatio, -onis.*]

1. Change; mutation; difference from itself.

After much *variation* of opinions, the prisoner was acquitted of treason, but by most voices found guilty of felony.—*Sir J. Hayward.*

The operation of agents will easily admit of intention and remission, but the essences of things are conceived not capable of any such *variation.*—*Locke.*

The fame of our writers is confined to these two islands, and it is hard it should be limited in time as much as place, by the perpetual *variations* of our speech.—*Swift.*

In some other places are more females born than males; which, upon this *variation* of proportion, I recommend to the curious.—*Graunt, Observations on the Bills of Mortality.*

No two plants are indistinguishable; and no two animals are without differences. *Variation* is co-extensive with heredity.—*Herbert Spencer, Principles of Biology,* pt. ii. ch. ix. § 85.

2. Successive change.

Sir Walter Blunt,
Stain'd with the *variation* of each soil
Betwixt that Holmedon and this seat of ours.
Shakespear, Henry IV. Part I. i. 1.

3. In *Grammar.* Inflection.

The rules of grammar, and useful examples of the *variation* of words, and the peculiar form of speech, are often appointed to be repeated.—*Watts, Improvement of the Mind.*

4. Deviation.

I may seem sometimes to have varied from his sense; but the greatest *variations* may be fairly deduced from him.—*Dryden.*

Variation of the compass. Deviation of the magnetic needle from an exact parallel with the meridian.

Varicélla. *s.* Chicken-pox.

The eruption of *varicella* does not come out all nearly together, but one crop after another for several days.—*Hooper, Medical Dictionary.*

Varícocele. *s.* [Lat. *varix* + Gr. κήλη = tumour.] In *Surgery.* Swelling of the veins of the spermatic cord.

Varicocele mostly arises from excessive walking, running, jumping, wearing of trusses, and the like.—*Hooper, Medical Dictionary.*

Váricose. *adj.* Diseased with dilatation.

There are instances of one vein only being *varicous,* which may be destroyed by tying it above and below the dilatation.—*Sharp, Surgery.*

Váriegate. *v. a.* Diversify; stain with different colours.

They had fountains of *variegated* marble in their rooms.—*Arbuthnot.*

Ladies like *variegated* tulips show;
'Tis to the changes half the charms we owe:
Such happy spots the nice admirers take,
Fine by defect, and delicately weak.
Pope, Moral Essays, ii. 41.

Variegátion. *s.* Diversity of colours.

Plant your choice tulips in natural earth, somewhat impoverished with very fine sand; else they will soon lose their *variegations.* — *Evelyn, Kalendar.*

Variéty. *s.* [Fr. *variété*; Lat. *varietas, -atis.*]

1. Change; succession of one thing to another; intermixture of one thing with another.

All sorts are here that all th' earth yields;
Variety without end.
Milton, Paradise Lost, vii. 541.

Variety is nothing else but a continued novelty.—*South, Sermons.*

2. One thing of many by which *variety* is made: (in this sense it has a *plural*).

The inclosed warmth, which the earth hath in itself, stirred up by the heat of the sun, assisteth nature in the speedier procreation of those *varieties* which the earth bringeth forth.—*Sir W. Raleigh, History of the World.*

3. Difference; dissimilitude.

There is a *variety* in the tempers of good men, with relation to the different impressions they receive from different objects of charity. — *Bishop Atterbury.*

4. Variation; deviation; change from a former state.

It were a great vanity to reject those reasons drawn from the nature of things, or to go about to answer those reasons by suppositions of a variety in things, from what they now appear.—*Sir M. Hale, Origination of Mankind.*

5. Many and different kinds.

He now only wants more time to do that *variety* of good which his soul thirsts after.—*Law.*

6. In *Botany* and *Zoology.* Deviation from the ordinary details of structure generally found in the Species.

Such different groups are called *varieties.* Thus the primrose and cowslip, as has been stated above, are found to be *varieties* of the same plant; the poodle and the greyhound are well marked *varieties* of the species dog.—*Whewell, History of Scientific Ideas,* vol. ii. p. 133: 1858.

Varióla. *s.* Small-pox.

Variolous in Zoology [is] a part beset with many shallow impressions like marks of the *variola* or small-pox.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Váriolous. *adj.* Resembling, appertaining to, constituted by, variola or small-pox.

A variety of opinions have been entertained respecting the effect of the *variolous* infection on the fœtus in utero.—*Hooper, Medical Dictionary.*

Várious. *adj.* [Lat. *varius.*]

1. Different; several; manifold.

Then were they known to men by *various* names,
And *various* idols, through the heathen world.
Milton, Paradise Lost, i. 374.

2. Changeable; uncertain; unfixed; unlike itself.

The names of mixed modes want standards in nature, whereby to adjust their signification; therefore they are very *various* and doubtful.—*Locke.*

3. Unlike each other.

He in derision sets
Upon their tongues a *various* spirit,
To rase quite out their native language.
Milton, Paradise Lost, xii. 52.

Vast crowds of vanquish'd nations march along,
Various in arms, in habit, and in tongue.
Dryden, Translation of the Æneid, viii. 962.

4. Variegated; diversified.

Herbs sudden flower'd,
Opening their *various* colours.
Milton, Paradise Lost, vii. 317.

Váriously. *adv.* In a various manner.

Having been *variously* tossed by fortune, directed his course to a safe harbour.—*Bacon.*

Different aliments, while they repair the fluids and solids, act *variously* upon them according to their different natures.—*Arbuthnot, On the Nature and Choice of Aliments.*

Várix. *s.* [Lat.; Fr. *varice.*] In *Surgery.* Dilatation of the vein.

In ulcers of the legs, accompanied with *varices* or dilatations of the veins, the *varix* can only be assisted by the bandage.—*Sharp, Surgery.*

Várlet. *s.* [see Vassal.]

1. Page or knight's follower; servant or attendant.

They spyde
A *varlet* running towards hastily: . . .
Behind his back he bore a brazen shield.
Spenser, Faerie Queen.

Such lords ill example do give,
Where *varlets* and drabs so may live.
Tusser, Five Hundred Points of good Husbandry.

'Tis service of danger.—Why, you were best get one o' the *varlets* of the city, a serjeant: I'll appoint you one, if you please.—*B. Jonson, Every Man in his Humour.*

We may enumerate four distinct causes, tending to the promotion of chivalry. The first of these was the regular scheme of education, according to which the sons of gentlemen, from the age of seven years, were brought up in the castles of superior lords, where they at once learned the whole discipline of their future profession, and imbibed its emulous and enthusiastic spirit . . . . an inestimable advantage to the poorer nobility, who could hardly otherwise have given their children the accomplishments of their station. From seven to fourteen these boys were called pages or *varlets*; at fourteen they bore the name of esquire. They were instructed in the management of arms, in the art of horsemanship, in exercises of strength and activity. They became accustomed to obedience and courteous demeanour, serving their lord or lady in offices which had not yet become derogatory to honourable birth, and striving to please visitors, and especially ladies, at the ball or banquet. Thus placed in the centre of all that could awaken their imagination, the creed of chivalrous gallantry, superstition, or honour, must have made indelible impressions. Panting for the glory which neither their strength nor the established rules permitted them to anticipate, the young scions of chivalry attended their masters to the tournament, and even to the battle, and rivetted with a sigh the armour they were forbidden to wear.—*Hallam, View of the State of Europe during the Middle Ages,* pt. ii. ch. ix.

2. Term of reproach; scoundrel.

I am the veriest *varlet* that ever chew'd.—*Shakespear, Henry IV. Part I.* ii. 2.

Thou, *varlet,* dost thy master's gains devour;
Thou milk'st his ewes, and often twice an hour.
Dryden, Translation of Virgil, Eclogues, iii. 6.

When the Roman legions were in a disposition to mutiny, an impudent *varlet,* who was a private sentinel, resolved to try the power of his eloquence.—*Addison.*

Várletry. *s.* Rabble; crowd; populace.

Shall they hoist me up,
And shew me to the shouting *varletry*
Of cens'ring Rome?
Shakespear, Antony and Cleopatra, v. 2.

Várminf. *adj.* [?] Licentious; vulgarly vicious. *Slang.*

Seeing a light gleam from the entrance of the Royal Saloon, we knocked at the door, and it was opened unto us. We sat down at the only spare table in the place, and looked round at the smug and *varmint* citizens with whom the room was filled.—*Lord Lytton, Pelham,* ch. li.

Várnish. *s.* [Fr. *vernis*; Lat. *vernix*; Gr. βερονίκη, the name of a certain gum or lac, like amber, which was also so called, according to Sir C. Eastlake (Materials for a History of Oil-painting), and Sir G. C. Lewis, from its resemblance to the hair of Queen Berenice (Coma Berenices).]

1. Matter laid upon wood, metal, or other bodies, to make them shine.

We'll put on those shall praise your excellence,
And set a double *varnish* on the fame.
Shakespear, Hamlet, iv. 7.

This the blue *varnish,* that the green endears,
The sacred rust of twice ten hundred years.
Pope, Moral Essays, v. 37.

The fame of this lock of hair has likewise been perpetuated in the word *vernice, vernis,* and *varnish,* which alludes to the amber colour of the queen's beautiful tresses.—*Sir G. C. Lewis, On the Astronomy of the Ancients,* p. 197.

Varnish is a solution of resinous matter, which is spread over the surface of any body, in order to give it a shining, transparent, and hard coat, capable of resisting, in a greater or less degree, the influences of air and moisture. Such a coat consists of the resinous parts of the solution, which remain in a thin layer upon the surface, after the liquid solvent has either evaporated away, or has dried up.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

2. Cover; palliation.

Várnish. *v. a.*

1. Cover with something shining.

O vanity!
To set a pearl in steel so meanly *varnished.*
Sir P. Sidney.

2. Cover; conceal or decorate with something ornamental.
Specious deeds on earth, which glory excites;
Or close ambition *varnish'd* o'er with zeal.
Milton, Paradise Lost, ii. 484.
Men espouse the well-endowed opinions in fashion, and then seek arguments to make good their beauty, or *varnish* over and cover their deformity.—*Locke.*
3. Palliate; hide with colour of rhetoric.
They *varnish* all their errors, and secure
The ills they act, and all the world endure.
Sir J. Denham.
Cato's voice was ne'er employ'd
To clear the guilty, and to *varnish* crimes.
Addison, Cato.

Várnisher. *s.*
1. One whose trade is to varnish.
An oil obtained of common oil may probably be of good use to surgeons and *varnishers.—Boyle.*
2. Disguiser; adorner.
Modest dulness lurks in thought's disguise;
Thou *varnisher* of fools, and cheat of all the wise.
Pope.

Váry. *v. a.* [Lat. *varior*; Fr. *varier.*]
1. Change; make unlike itself.
Let your ceaseless change
Vary to our great Maker still new praise.
Milton, Paradise Lost, v. 183.
2. Change to something else.
Gods that never change their state,
Vary oft their love and hate. *Waller.*
We are to *vary* the customs, according to the time and country where the scene of action lies.—*Dryden.*
He *varies* ev'ry shape with ease,
And tries all forms that may Pomona please.
Pope, Vertumnus and Pomona.
3. Make of different kinds.
God hath divided the genius of men according to the different affairs of the world; and *varied* their inclinations, according to the variety of actions to be performed.—*Sir T. Browne.*
4. Diversify; variegate.
God hath here
Varied his bounty so with new delights.
Milton, Paradise Lost, v. 430.

Váry. *v. n.*
1. Be changeable; appear in different forms.
2. Be unlike each other.
Those who made laws had their minds polished above the vulgar: and yet unaccountably the public constitutions of nations *vary.—Collier, Essays, On Pride.*
3. Alter; become unlike itself.
He had a strange interchanging of large and unexpected pardons, with several executions, which could not be imputed to any inconstancy, but to a principle he had set unto himself, that he would *vary* and try both ways in turn.—*Bacon.*
That each from other differs, first confess;
Next, that he *varies* from himself no less.
Pope, Moral Essays, i. 19.
4. Deviate; depart.
The crime consists in violating the law and *varying* from the right rule of reason.—*Locke.*
5. Succeed each other.
While fear and anger, with alternate grace,
Pant in her breast, and *vary* in her face.
Addison, Cato.
6. Disagree; be at variance.
In judgement of her substance thus they *vary*,
And *vary* thus in judgement of her seat;
For some her chair up to the brain do carry,
Some sink it down into the stomach's heat.
Sir J. Davies, Immortality of the Soul.
7. Shift colours.
Will the falcon, stooping from above,
Smit with her *varying* plumage, spare the dove?
Admires the jay the insect's gilded wings?
Or hears the hawk when Philomela sings?
Pope, Essay on Man, iii. 53.

Váry. *s.* Change; alteration.
Such smiling rogues as these soothe every passion:
Renege, affirm, and turn their halcyon beaks,
With every gale and *vary* of their masters.
Shakespear, King Lear, ii. 2.

Vásculár. *adj.* [Lat. *vas* = vessel.] Consisting of vessels; full of vessels.
Such a difference of degree may be traced between the class of *vascular* plants and that of cellular, which includes lichens, algæ, and other substances whose organization is simpler and more rudimentary than that of the higher order of vegetables, and which therefore approach nearer to mere inorganic nature.—*J. S. Mill, System of Logic*, b. iv. ch. viii. § 5.
The tooth of the megatherium offers an unequivocal example of a course of nutriment from the dentine to the cement, and reciprocally. All the constituents of the blood freely circulated through the *vascular* dentine and the cement, and the vessels of each substance, intercommunicated by a few canals, continued across the hard or unvascular dentine.—*Owen, Anatomy of Vertebrates.*

Vasculárity. *s.* State or quality of being vascular.

Vasculíferous. *adj.* [Lat. *fero* = I bear.] Vessel-bearing.
Vasculiferous plants are such plants as have, besides the common calyx, a peculiar vessel to contain the seed, sometimes divided into cells; and these have always a monopetalous flower, either uniform or difform.—*Quincey.*

Vase. *s.* [Fr.; Lat. *vas.*]
1. Vessel: (generally a vessel rather for show than use).
The toilet stands unveil'd,
Each silver *vase* in mystick order laid.
Pope, Rape of the Lock, canto i.
2. Piece of ornamental marble.

Vással. *s.* [L.Lat. *vassus, vassallus, vassalettus, vasletus, varletus* (whence *varlet*), generally considered to be a derivative from the Welsh *gwas* = one who owes service to another.]
1. One who holds of a superior lord.
Every petty prince, *vassal* to the emperor, can coin what money he pleaseth.—*Swift, View of the Present State of Affairs in Ireland.*
It was to be hoped, they said, that the King might be able to establish the true faith without resorting to extremities; but in the worst event, he might leave his crown at the disposal of Lewis. It was better for Englishmen to be the *vassals* of France than the slaves of the devil.—*Macaulay, History of England*, ch. viii.
2. Subject; dependant.
The mind hath not reason to remember that passions ought to be her *vassals*, not her masters.—*Sir W. Raleigh.*
As all his *vassals* eagerly desired;
With mind averse, he rather underwent
His people's will, than gave his own consent.
Dryden, Sigismonda and Guiscardo, 20.
The concert was half over; but Flora Vyvyan had still guarded, as he had promised, a seat beside herself for Darrell, by lending it for the present to one of her obedient *vassals*. Her face brightened as she saw Darrell enter and approach. The *vassal* surrendered the chair.—*Lord Lytton, What will he do with it?* b. vii. ch. iv.
3. Servant; one who acts by the will of another.
I am his fortune's *vassal*, and I send him
The greatness he has got.
Shakespear, Antony and Cleopatra, v. 2.
4. Slave; low fellow.
Thou swear'st thy gods in vain.—
O *vassal!* miscreant! *Shakespear, King Lear*, i. 1.

Vással. *v. a.* Subject; enslave; exercise command over.
Love, anger, sorrow, and the like, are but for a time, and then over; but this [fear] is perpetual; a disease of a life long, which every day slaves a man to whatever ills he meets with. It *vassals* him to the world, to beasts, and men; and, like a surly tyrant, enforces whatever it proposes.—*Feltham, Resolves*, i. 71.
Thou couldst not make my mind go less, nor pare
With all their swords one virtue from my soul:
How am I *vassal'd* then? Make such thy slaves
As dare not keep their goodness past their graves.
Beaumont and Fletcher, Four Plays in One.
Some proud hill, whose stately eminence
Vassals the fruitful vale's circumference.
W. Browne, Britannia's Pastorals, b. i. song iv.

Vássalage. *s.*
1. State of a vassal; tenure at will; servitude; slavery; dependance.
He renounced the *vassalage*
Of Rome again. *Spenser.*
All my pow'rs do their bestowing lose,
Like *vassalage* at unawares encount'ring
The eye of majesty.
Shakespear, Troilus and Cressida, iii. 2.
They would have brought the Achæans from the condition of followers and dependents unto mere *vassalage.—Sir W. Raleigh.*
Let us not then pursue,
By force impossible, by leave obtain'd
Unacceptable, though in heaven our state
Of splendid *vassalage.*
Milton, Paradise Lost, ii. 249.
Cursed *vassalage* of all my future kind;
First idolized till love's hot fire be o'er;
Then slaves to those who courted us before.
Dryden, State of Innocence, v. 1.
2. Territory held in vassalage: (with this meaning it has a *plural*).
The Count of Toulouse was suzerain of five great subordinate fiefs. I. Narbonne, whose Count possessed the most ample feudal privileges. II. Beziers, under which Viscounty held the Counts of Albi and Carcassonne. III. The Countship of Foix, with six territorial *vassalages*. IV. The Countship of Montpellier, now devolved on Pedro, King of Arragon, V. The Countship of Quercy and Rhodez.—*Milman, History of Latin Christianity*, b. ix. ch. viii.

Vast. *adj.* [Fr. *vaste*; Lat. *vastus.*]
1. Large; great.
What the parliament meant to attempt with those *vast* numbers of men, every day levied.—*Lord Clarendon, History of the Grand Rebellion.*
2. Viciously great; enormously extensive or capacious.
The vicious language is *vast* and gaping, swelling and irregular; when it contends to be high, full of rock, mountain, and pointedness.—*B. Jonson.*
So bore the ship aloft her fiery bound,
About whom rusht the billowes, blacke and *vast.*
Chapman.
They viewed the *vast* immeasurable abyss.
Milton, Paradise Lost, vi. 211.

Vast. *s.* Empty waste.
They shook hands, as over a *vast*; and embraced as from the ends of opposed winds.—*Shakespear, Winter's Tale*, i. 1.
Through the *vast* of heaven it sounded.
Milton, Paradise Lost, vi. 203.

Vastátion. *s.* Waste; depopulation.
The miseries of war, and the *vastations* that follow upon it, may be a good preparative to us for setting a true value upon the benefit of peace.—*Bishop Hall, Remains*, p. 56.
We deduce it from the root denoting *vastation* or destruction.—*Bishop Pearson, Exposition of the Creed*, art. i.
This wild-fire made the saddest *vastations*, in the many fatal outrages which these eager contentions occasion.—*Dr. H. More, Decay of Christian Piety.*

Vastidity. *s.* Wideness; immensity. *Barbarous.*
Perpetual durance,
Through all the world's *vastidity.*
Shakespear, Measure for Measure, iii. 1.

Vástly. *adv.* In a vast manner; greatly; to a great degree.
Holland's resolving upon its own defence, without our share in the war, would leave us to enjoy the trade of the world, and thereby grow *vastly* both in strength and treasures.—*Sir W. Temple.*
They may and do *vastly* differ in their manners, institutions, customs; but yet all of them agree in having some deity to worship.—*Bishop Wilkins.*
It is *vastly* the concern of government, and of themselves too, whether they be morally good or bad.—*South, Sermons.*

Vástness. *s.* Attribute suggested by Vast; immensity; enormous greatness.
She by the rocks compell'd to stay behind,
Is by the *vastness* of her bulk confined. *Waller.*
Behemoth, biggest born of earth, upheaved
His *vastness.* *Milton, Paradise Lost*, vii. 472.
Ariosto observed not moderation in the *vastness* of his draught.—*Dryden.*

Vásty. *adj.* Large; enormously great.
I can call spirits from the *vasty* deep.
Shakespear, Henry IV. Part I. iii. 1.

Vat. *s.* [A.S. *fat, fæt.*] Vessel in which fermenting liquors are kept in the immature state.
Plumpy Bacchus, with pink eyen,
In thy *vats* our cares be drown'd.
Shakespear, Antony and Cleopatra, ii. 7, song.
Let him produce his *vats* and tubs in opposition to heaps of arms and standards.—*Addison.*

Váticide. *s.* [Lat. *vates* = poet, prophet + *cædo* = I slay.] Murderer of prophets or poets.
The caitiff *vaticide* conceived a prayer.
Pope, Dunciad, ii. 78.

Vatícinal. *adj.* Containing predictions.
He has left *vaticinal* rhymes, in which he predicted the union of Scotland with England.—*T. Warton, History of English Poetry*, i. 77.

Vatícinate. *v. n.* [Lat. *vaticinatus*, pret. part. of *vaticinor.*] Prophesy; practise prediction.
The most admired of all prophane prophets, whose predictions have been so much cried up, did *vaticinate* here.—*Howell.*
The phenomena of nature are alike visible to all: but all have not alike learned the connexion of natural things, or understand what they signify, or know how to *vaticinate* by them.—*Bishop Berkeley, Siris*, § 258.

Vaticinátion. *s.* Prediction; prophecy.
Unless we dare ascribe to the tyrant a spirit of *vaticination*, we cannot acquit the author of the letters of so manifest a cheat.—*Bentley, Dissertation upon Phalaris*, § 4.

He that foretells the motions of the planets, or the effects of medicines, or the result of chemical or mechanical experiments, may be said to do it by natural *vaticination*.—*Bishop Berkeley, Siris*, § 253.

Vaticinator. *s.* One who predicts.

Listen to the *vaticinator*.—*I. Disraeli, Curiosities of Literature, A Bibliognoste.*

Vault. *s.* [Fr. *voûte*; Italian, *volta*; L.Lat. *voluta*.]

1. Continued arch.

O, you are men of stone!
Had I your tongues and eyes, I'd use them so
That heaven's *vault* should crack.
Shakespear, King Lear, v. 3.

2. Cellar.

Creep into the kiln-hole.—He will seek there: neither press, well, *vault*, but he hath an abstract for the remembrance of.—*Shakespear, Merry Wives of Windsor*, iv. 2.

3. Cave; cavern.

The silent *vaults* of death, unknown to light,
And *hell* itself, lie naked to his sight. *G. Sandys.*

4. Repository for the dead.

Shall I not then be stifled in the *vault*,
To whose foul mouth no healthsome air breathes in? *Shakespear, Romeo and Juliet*, iv. 3.

Vault. *v. a.* [Fr. *voûter*.]

1. Arch; shape to a vault.

Hath nature given them eyes
To see this *vaulted* arch, and the rich cope
Of sea and land, which can distinguish 'twixt
The fiery orbs above, and the twinn'd stones
Upon th' humbled beach?
Shakespear, Cymbeline, i. 7.

2. Cover with an arch.

Over-head the dismal hiss
Of fiery darts in flaming volleys flew;
And flying *vaulted* either host with fire.
Milton, Paradise Lost, vi. 212.

Vault. *v. n.* [Fr. *voltiger*; Italian, *volteggiare*.]

1. Leap; jump.

If I could win a lady by *vaulting* into my saddle with my armour on, I should quickly leap into a wife.—*Shakespear, Henry V.* v. 2.

Nestor had fail'd the fall of Troy to see,
But leaning on his lance, he *vaulted* on a tree.
Dryden, Translation from Ovid, Meleager and Atalanta.

Lucan *vaulted* upon Pegasus with all the heat and intrepidity of youth.—*Addison.*

2. Play the tumbler, or posture-master.

Vault. *s.* Leap; jump.

Vaúltage. *s.* Arched cellar. *Rare.*

He'll call you to so hot an answer for it,
That caves and womby *vaultages* of France
Shall chide your trespass, and return your mock
In second accent to his ordnance.
Shakespear, Henry V. ii. 4.

Vaúlted. *adj.* Arched; concave.

Restore the lock! she cries, and all around
Restore the lock! the *vaulted* roofs rebound.
Pope, Rape of the Lock, canto v.

Vaúlter. *s.* One who vaults; leaper; jumper; tumbler.

They would leap to reach 'em,
And leap aloft too.—Such are light enough:
I am no *vaulter*.
Beaumont and Fletcher, Wife for a Month.

Vaúlting-house. *s.* Brothel.

Instead of backing the brave steed o' mornings,
To kiss the chambermaid, and for a leap
O' the vaulting-horse, to ply the *vaulting-house*.
B. Jonson, The New Inn, i. 1.

If no preferment, let me but receive
My pay that is behind, to set me up
A tavern, or a *vaulting-house*; while men love
Or drunkenness or lechery, they'll ne'er fail me.
Massinger, The Unnatural Combat, i. 1.

Vaúlture. *s.* Archlike shape.

The reason is, the strength and firmness of their *vaulture* and pillars, sufficient to support the superincumbent weight.—*Ray, On the Wisdom of God manifested in the Works of the Creation*, ch. iii. (Ord MS.)

Vaúlty. *adj.* Arched; concave: (condemned by Johnson as 'a *bad* word').

I will kiss thy detestable bones,
And put my eye-balls in thy *vaulty* brows,
And ring these fingers with thy household worms.
Shakespear, King John. iii. 4.

Vaunt. *v. a.* [Fr. *vanter*.] Boast; display with ostentation.

Not that great champion
Whom famous poets' verse so much doth *vaunt*,
And hath for twelve huge labours high extoll'd,
So many furies and sharp hits did haunt. *Spenser.*
My vanquisher spoil'd of his *vaunted* spoil.
Milton, Paradise Lost, iii. 251.

Vaunt. *v. n.* Play the braggart; talk with ostentation; make vain show; boast.

So spake the apostate angel, though in pain;
Vaunting aloud, but rack'd with deep despair.
Milton, Paradise Lost, i. 125.

Vaunt. *s.* Brag; boast; vain ostentation.

Sir John Perrot bent his course not to that point, but rather quite contrary, in scorn, and in vain *vaunt* of his own counsels.—*Spenser, View of the State of Ireland.*

Vaunt. *s.* [Fr. *avant*.] First part. *Rare.*

Our play
Leaps o'er the *vaunt* and firstlings.
Shakespear, Troilus and Cressida, prologue.

Vaunt-coúrier. *s.* [Fr. *avant courrier*.] Precursor.

You sulphurous and thought-executing fires,
Vaunt-couriers to oak-cleaving thunderbolts,
Singe my white head!
Shakespear, King Lear, iii. 2.

Vaúnter. *s.* [Fr. *vanteur*.] One who vaunts; boaster; braggart; man given to vain ostentation.

Some others feign
To menage steeds, as did this *vaunter*; but in vain.
Spenser, Faerie Queen, ii. 4, 1.

Vaúntful. *adj.* Boastful; ostentatious.

Whiles all the heavens on lower creatures smiled,
Young Clarion, with *vauntful* lustihed,
After his guise did cast abroad to fare. *Spenser.*

Vaúnting. *verbal abs.* Act of one who vaunts; boasting.

You say you are a better soldier;
Let it appear so, make your *vaunting* true.
Shakespear, Julius Cæsar, iv. 3.

As for the illusions of art magick, they were put down, and their *vaunting* in wisdom was reproved with disgrace.—*Wisdom of Solomon*, xvii. 7.

Vaúntingly. *adv.* In a vaunting manner; boastfully; ostentatiously.

I heard thee say, and *vauntingly* thou spak'st it,
That thou wert cause of noble Gloster's death.
Shakespear, Richard II. iv. 1.

Vaúntmure. *s.* [Fr. *avant mur*.] False wall; work raised before the main wall.

With another engine, named the warwolf, he pierced with one stone, and cut, as even as a thread, two *vauntmures*.—*Camden, Remains.*

Spelt *vanmure*.

This warlike captain, daily attempting the *vanmures*, in the end by force obtained the same; and so possessed of the place, desperately kept it till greater help came running in, who, with wonderful expedition, clapt up a strong covering betwixt the wall and the *vanmure*.—*Knolles, History of the Turks.*

Vávasour. *s.* [Fr. *vavasseur*.] One who himself holding of a superior lord, has others holding under him.

Names have been taken of civil honours, as king, knight, valvasor, or *vavasor*, squire.—*Camden.*

Váward. *s.* [*van* + *ward*.] Fore part. *Obsolete.*

Since we have the *vaward* of the day,
My love shall hear the musick of my hounds.
Shakespear, Midsummer-Night's Dream, iv. 1.

Marcius,
Their bands i' the *vaward* are the Antiates
Of their best trust. *Id., Coriolanus*, i. 6.

Veal. *s.* [N.Fr. *veel*; Fr. *veau*; Lat. *vitulus* = calf.]

1. Calf.

A Scotch runt without horns, or else with very short horns, scarce exceeding a south-country *veal* in height—*Ray, Collection of English Words*, p. 133: 1691.

2. Flesh of a calf killed for the table.

Would'st thou with mighty beef augment thy meal,
Seek Leadenhall; St. James's sends thee *veal*.
Gay, Trivia, ii. 545.

Vectitátion. *s.* Act of carrying, or being carried.

Enervated lords are softly lolling in their chariots; a species of *vectitation* seldom used amongst the antients.—*Arbuthnot and Pope.*

Véctor. *s.* In *Astronomy*. Straight line drawn from the centre of force to the point of the orbit where the body is supposed to be: (more *common* as *radius-vector*).

Vécture. *s.* [Lat. *vectura*.] Carriage.

There are but three things which one nation selleth unto another; the commodity as nature yieldeth it; the manufacture; and the *vecture* or carriage.—*Bacon, Essays.*

Vedétte. *s.* [Fr.] Mounted sentinel on the look-out.

Veer. *v. n.* [Fr. *virer*.]

1. Shift; change; turn.

Nigh river's mouth, where wind
Veers oft, as oft he steers and shifts her sail.
Milton, Paradise Lost, ix. 514.

2. In *Navigation*. Allow the ship more cable; turn about.

A-head of all the master pilot steers,
And as he leads, the following navy *veers*.
Dryden, Translation of the Æneid, v. 1087.

The bark did guide,
Veering to the wind her plumes.
Shelley, Revolt of Islam, xii. 20.

Veer. *v. a.*

1. Let out.

As it is a great point of art, when our matter requires it, to enlarge and *veer* out all sail, so to take it in and contract it is of no less praise when the argument doth ask it.—*B. Jonson.*

2. Turn; change.

I see the haven nigh at hand,
To which I mean my weary course to bend;
Veer the main-sheet, and bear up with the land.
Spenser.

Veérable. *adj.* Changeable; shifting. *Rare.*

The winds were *veerable* for several days.—*Randolph, On the Islands of the Archipelago*, p. 99.

Veéring. *verbal abs.* Act of turning or changing.

It is a double misfortune to a nation given to change, when they have a sovereign that is prone to fall in with all the turns and *veerings* of the people.—*Addison, Freeholder.*

Veéring. *part. adj.* Changing; varying.

A subtle, sudden flame,
By *veering* passion fanned,
About the breaks and dances. *Tennyson, Madeline.*

Vegetabílity. *s.* Vegetable nature; quality of growth without sensation.

The coagulating spirit of salts, and lapidifical juice of the sea, entering the parts of the plant, overcomes its *vegetability*, and converts it unto a lapideous substance.—*Sir T. Browne.*

Végetable. *adj.* [Lat. *vegetabilis*.] Belonging to, having the character of, constituted by, vegetables.

Amidst them stood the tree of life,
High eminent, blooming ambrosial fruit
Of *vegetable* gold. *Milton, Paradise Lost*, iv. 218.

Végetable *s.* Anything that has grown without sensation, as plants.

Let brutes and *vegetables* that cannot drink,
So far as drought and nature urges, think. *Waller.*

Végetal. *adj.* [Fr.]

1. Having power to cause growth.

Necessary concomitants of this *vegetal* faculty are life, and his privation, death.—*Burton, Anatomy of Melancholy*, p. 21.

It is also the doctrine of Platonic philosophers, that intellect is the very life of living things, the first principle and exemplar of all, from whence by different degrees are derived the inferior classes of life: first the rational, then the sensitive; after that the *vegetal*; but so as in the rational animal, there is still somewhat intellectual, again in the sensitive there is somewhat rational; and in the *vegetal* somewhat sensitive; and lastly in mixed bodies, as metals and minerals, somewhat of vegetation.—*Bishop Berkeley, Siris*, § 275.

2. Vegetable.

Passing over the *vegetal* kingdom, ... let us seek in the animal kingdom, some cases where classes otherwise allied, are contrasted in their locomotive activities.—*Herbert Spencer, Inductions of Biology*, § 48.

Végetal. *s.* Vegetable.

Your minerals, *vegetals*, and animals.
B. Jonson, Alchemist.

Bounteous nature here ...
Enriches and augments with *vegetals*,
With creatures sensitive, with rationals.

Shakespear, Othello, iv. 1.

What horror will invade the mind,
When the strict judge, who would be kind,
Shall have few *venial* faults to find!
Lord Roscommon.

While good men are employed in extirpating mortal sins, I should rally the world out of independencies and *venial* transgressions.—*Addison.*

2. Permitted; allowed.

No more of talk where God, or angel-guest,
With man, as with his friend, familiar used,
To sit indulgent, and with him partake
Rural repast; permitting him the while
Venial discourse unblamed.
Milton, Paradise Lost, ix. 1.

Veniálity. *s.* Pardonable character.

Though sin at first puts up a pleasing head, and shews but a modest *veniality*, yet if it be not checked, it quickly swells to what is sad and mortal.—*Felltham, Resolves.*

Vénison. *s.* [Fr. *venaison*; Lat. *venatio*, *-onis* = hunting.] Game; flesh of deer.

Shall we go kill us *venison?*
And yet it irks me, the poor dappled fools . . .
Should in their own confines, with forked heads
Have their round haunches gored.
Shakespear, As you like it, ii. 1.

The jars of generous wine . . .
He set abroach and for the feast prepared,
In equal portions with the *ven'son* shared.
Dryden, Translation of the Æneid, i. 271.

Used *adjectivally*.

We have a hot *venison* pasty to dinner.—*Shakespear, Merry Wives of Windsor*, i. 1.

Vénom. *s.* [Fr. *venin*; Lat. *venenum*.] Poison.

Your eyes, which hitherto have borne in them
The fatal balls of murthering basilisks:
The *venom* of such looks we fairly hope
Have lost their quality. *Shakespear, Henry V.* v. 2.

Like some tall tree, the monster of the wood,
O'ershading all that under him would grow,
He sheds his *venom* on the plants below. *Dryden.*

Used *adjectivally*.

Beware of yonder dog:
Look, when he fawns, he bites; and, when he bites,
His *venom* tooth will rankle to the death.
Shakespear, Richard III. i. 3.

Vénom. *v. a.* Infect with venom; poison; envenom.

Vénom. *v. n.* Become as if poisoned.

If by excommunication the bishop can disturb the civil interest, the civil power can hold his hand that he shall not strike with it, or, if he does, can take out the temporal sting, that it shall not *venom* and fester.—*Jeremy Taylor, Ductor Dubitantium.* (Ord MS.)

Vénomed. *part. adj.* Infected with venom; poisoned; venomous.

Others their hooks and baits in poison steep: . . .
The fish their life and death together drink,
And dead pollute the seas with *venom'd* stink,
P. Fletcher, Piscatory Eclogues, iv. 7.

Vénomous. *adj.*

1. Poisonous.

Thy tears are salter than a younger man's,
And *venomous* to thy eyes.
Shakespear, Coriolanus, iv. 1.

2. Malignant; mischievous.

This falsity was broached by Cochleus, a *venomous* writer; one careless of truth or falsehood.—*Addison.*

Vénomously. *adv.* In a venomous manner; poisonously; mischievously; malignant.

His unkindness,
That stripp'd her from his benediction, turn'd her
To foreign casualties. These things sting him
So *venomously*, that burning shame detains him
From his Cordelia. *Shakespear, King Lear*, iv. 3.

His praise of foes is *venomously* nice;
So touch'd, it turns a virtue to a vice. *Dryden.*

Vent. *s.* [from Spanish, *venta*.] Inn; baiting place. *Rare.*

He perceived an inn near the high-way: . . . forthwith, as soon as he espied the *vent*, he feigned to himself that it was a castle with four turrets.—*Shelton, Translation of Don Quixote*, pt. i. ch. ii.

Vent. *s.* [Fr. *vente*; Lat. *vendo* = I sell.] Sale.

For the mart, it was alleged that the *vent* for English clothes would hereby be open in all times of war.—*Sir J. Hayward.*

By this war there is no *vent* for any commodity but of wool.—*Sir W. Temple, Miscellanies.*

He drew off a thousand copies of a treatise, which not one in threescore can understand, and can hardly exceed the *vent* of that number.—*Pope, Letters.*

Vent. *v. a.* Sell; let go to sale.

This profitable merchandize not rising to a proportionable enhancement with other less beneficial commodities, they impute to the owners not *venting* and venturing the same.—*Carew, Survey of Cornwall.*

Therefore did those nations *vent* such spice, sweet gums, and pearls, as their own countries yielded.—*Sir W. Raleigh.*

Vent. *s.* [Fr. *vent* = wind, passage for wind.]

1. Small aperture; hole; spiracle; passage at which anything is let out.

On her breast
There is a *vent* of blood, and something blown;
The like is on her arm.
Shakespear, Antony and Cleopatra, v. 2.

They at once their reeds
Put forth, and to a narrow *vent* applied
With nicest touch. *Milton, Paradise Lost*, vi. 582.

To draw any drink, be not at the trouble of opening a *vent*; or if you take out the *vent*, stay not to put it in.—*Swift, Advice to Servants.*

Full o'er their heads the swelling bag he rent,
And all the furies issued at the *vent*.
Pope, Rape of the Lock, canto iv.

2. Passage out of secrecy to public notice.

It failed by late setting-out, and some contrariety of weather, whereby the particular design took *vent* beforehand.—*Sir H. Wotton.*

3. Act of opening.

The farmer's toil is done; his cades mature
Now call for *vent*; his lands exhaust, permit
T' indulge awhile. *J. Philips, Cyder*, ii. 363.

4. Emission; passage.

The smother'd fondness burns within him;
When most it swells and labours for a *vent*,
The sense of honour, and desire of fame,
Drive the big passion back into his heart.
Addison, Cato.

5. Discharge; means of discharge.

Had, like grief, been dew'd in tears,
Without the *vent* of words.
Milton, Paradise Lost, xii. 373.

Land-floods are a great improvement of land, where a *vent* can be had.—*Mortimer, Husbandry.*

Vent. *v. a.*

1. Let out at a small aperture; give a vent or opening to.

But the brave mayd would not disarmed be,
But only *vented* up her umbriere,
And so did let her goodly visage to appere.
Spenser, Faerie Queen.

2. Let out; give way to.

Hunger broke stone walls; that the gods sent not
Corn for the rich men only: with these shreds
They *vented* their complainings.
Shakespear, Coriolanus, i. 1.

Lab'ring still, with endless discontent,
The queen of heav'n did thus her fury *vent*.
Dryden, Translation of the Æneid, i. 54.

3. Utter; report.

Had it been *vented* and imposed in some of the most learned ages, it might then, with some pretence of reason, have been said to be the invention of some crafty statesman.—*Stephens.*

4. Emit; pour out.

Revoke thy doom,
Or whilst I can *vent* clamour from my throat,
I 'll tell thee thou dost evil.
Shakespear, King Lear, i. 1.

5. Publish.

Their sectators did greatly enrich their inventions, by *venting* the stolen treasures of divine letters, altered by profane additions, and disguised by poetical conversions.—*Sir W. Raleigh.*

Vent. *v. n.* Snort.

Seest how brag yon bullocke bears? . . .
See how he *venteth* into the wind.
Spenser, Shepherd's Calendar, February.

Vént-peg. *s.* Peg for filling-up the vent of a barrel or close cask.

Véntage. *s.* Small hole.

Govern these *ventages* with your fingers and thumb, give it [the pipe] breath with your mouth.—*Shakespear, Hamlet*, iii. 2.

Véntail. *s.* [Fr. *ventaille*.] Part of the helmet made to lift up; breathing part of the helmet.

Eftsoones they gan their wrothfull hands to hold,
And *ventails* reare, each other to behold.
Spenser, Faerie Queen.

Her *ventail* up so high, that he descried
Her goodly visage and her beauty's pride.
Fairfax, Translation of Tasso, vi. 26.

Vénter. *s.* [Lat. = belly.]

1. Cavity of the body, chiefly applied to the head, breast, and abdomen, which are called by anatomists the three *venters*. (Johnson.)

2. Womb.

A. has issue B. a son, and C. a daughter, by one *venter*; and D. a son by another *venter*. If B. purchases in fee, and dies without issue, it shall descend to the sister, and not to the brother of the half blood.—*Sir M. Hale.*

Vénter. *s.* One who vents, utters, reports, or publishes.

What do these superfluities signify, but that the *venter* of them doth little skill the use of speech, or the rule of conversation, but meaneth to prate any thing without judgement or wit?—*Barrow, Sermons*, vol. i. serm. xv.

Véntiduct. *s.* [Lat. *ventus* = wind + *ductus* = duct.] Passage for the wind.

Having been informed of divers *ventiducts*, I wish I had had the good fortune, when I was at Rome, to take notice of these organs.—*Boyle.*

Véntilate. *v. a.* [Lat. *ventilatus*, pass. part. of *ventilo*, from *ventus* = wind; N.Fr. *ventiller.*]

1. Fan with wind; winnow.
   In close, low, and dirty alleys, the air is penned up, and obstructed from being *ventilated* by the winds.—*Harvey.*
   Miners, by perflations with large bellows, letting down tubes, and sinking new shafts, give free passage to the air, which *ventilates* and cools the mines. —*Woodward.*
2. Examine; discuss.
   Nor is the right of the party, nor the judicial process in right of that party, so far perempted, but that the same may be begun again, and *ventilated* de novo.—*Ayliffe, Parergon Juris Canonici.*
   The second Review of the Annotations, as also the Exposition on the Book of Psalms, . . . *ventilated* between him and his dear friend the reverend and most learned doctor Sanderson.—*Bishop Fell, Life of Hammond*, § 1.

Ventilátion. *s.*

1. Act of fanning; state of being fanned.
   The soil, worn with too frequent culture, must lie fallow, till it has recruited its exhausted salts, and again enriched itself by the *ventilations* of the air. —*Addison.*
2. Vent; utterance. *Obsolete.*
   To his secretary, Doctor Mason, whom he let lie in a pallet near him, for natural *ventilation* of his thoughts, he would break out into bitter eruptions. —*Sir H. Wotton, Life of the Duke of Buckingham.*
3. Refrigeration.
   Procure the blood a free course, *ventilation*, and transpiration by suitable and ecphractic purges.— —*Harvey.*
4. Examination; discussion.
   Nor doth the victor commonly permit any *ventilation* of his dictates; for when the body is a slave, why should the reason be free?—*Archbishop Sancroft, Modern Policies*, § 5.

Véntilator. *s.* Instrument to supply close places with fresh air.
Ventilators are also of excellent use for the drying of corn, hops, and malt.—*Rees, Cyclopædia.*

Ventósity. *s.* [Fr. *ventosité.*] Windiness.
The quality of knowledge, which, be it in quantity more or less, if it be taken without the due corrective thereof, hath in it some nature of venom or malignity, and some effects of that venom, which is *ventosity* or swelling. — *Bacon, Advancement of Learning*, b. i.
If there be any danger of *ventosity*, as there may very well be in such persons as are of a melancholy constitution, then you shall use decoctions.—*Chilmead, Translation of Ferrand's Essay on Love Melancholy*, p. 267.

Véntral. *adj.* Belonging to the belly.
It is said, that the young of the viper, when terrified, will run down the throat of the parent, and seek shelter in its belly, in the same manner as the young of the oppossum retire into the *ventral* pouch of the old one.—*Chambers.*

Véntricle. *s.* [Fr. *ventricule*; Lat. *ventriculus.*]

1. Stomach.
   Whether I will or not, while I live, my heart beats, and my *ventricle* digests what is in it.—*Sir M. Hale.*
2. Small cavity in an animal body, particularly those of the heart.
   Know'st thou how blood, which to the heart doth flow,
   Doth from one *ventricle* to the other go? *Donne.*

Ventríloquism. *s.* Act of speaking inwardly, so that the sound seems to issue from the belly; art of forming speech, by drawing the air into the lungs, so that the voice, proceeding out of the thorax, to a bystander seems to come from some distance, or in any direction.
Some faint traces of the art or faculty of *ventriloquism* are to found in the writings of the ancients. —*Chambers.*

Ventríloquist. *s.* One who speaks in such a manner as that the sound seems to issue from his belly.
It appears from Plutarch, Suidas, (in v. Ἐγγαστρίμυθος) and Josephus, that those who were anciently called *ventriloquists*, had afterwards the name of pythonesses. . . . It seems that the factitious voice, produced by a *ventriloquist*, does not (as the etymology of the word imports) proceed from the belly, but is formed in the inner parts of the mouth and throat.—*Chambers.*

Ventríloquous. *adj.* Emitting sound as a ventriloquist.
Whether the bleating or humming of cock-snipes in breeding time is *ventriloquous*, or proceeds from the motion of their wings, I cannot say.—*White, Natural History of Selborne*, p. 99.

Vénture. *s.* [N.Fr. *avanture.*]

1. Hazard; undertaking of chance and danger.
   When he reads
   Thy personal *venture* in the rebel's fight,
   His wonder and his praises do contend
   Which should be thine or his.
   Shakespear, Macbeth, i. 3.
   I, in this *venture*, double gains pursue,
   And laid out all my stock to purchase you. *Dryden.*
2. Chance; hap.
   The king resolved with all speed to assail the rebels, and yet with that providence and surety, as should leave little to *venture* or fortune.—*Bacon.*
3. Thing put to hazard; stake.
   My *ventures* are not in one bottom trusted,
   Nor to one place.
   Shakespear, Merchant of Venice, i. 1.
   Thrice happy you, that look as from the shore,
   And have no *venture* in the wreck to see. *Daniel.*

At a venture. At hazard; without much consideration; without anything more than the hope of a lucky chance.
You have made but an estimate of those lands *at a venture*, so as it should be hard to build any certainty of charge upon it.—*Spenser, View of the State of Ireland.*
A bargain *at a venture* made,
Between two partners in a trade.
Butler, Hudibras, iii. 1, 573.
If Ahab be designed for death, though a soldier in the enemy's army draws a bow *at a venture*, yet the sure unerring directions of Providence shall carry it in a direct course to his heart.—*South, Sermons.*

Vénture. *v. n.*

1. Dare.
   A man were better rise in his suit; for he that would have *ventured* at first to have lost the suitor, will not in the conclusion lose both the suitor and his own former favour.—*Bacon.*
2. Run a hazard.
   I am so overjoy'd, I can scarce believe I am at liberty; like a bird that has often beaten her wing in vain against her cage, dare hardly *venture* out, though she see it open.—*Dryden, Spanish Friar*, iv. 1.
   Nor is indeed that man less mad than these,
   Who freights a ship to *venture* on the seas,
   With one frail interposing plank to save
   From certain death, roll'd on by every wave.
   J. Dryden, jun., Translation of Juvenal, xiv. 342.

Venture at, on, or upon. Engage in, or make attempts, without any security of success, upon mere hope.
That slander is found a truth now; and held for certain,
The king will *venture at* it.
Shakespear, Henry VIII. ii. 1.
It were a matter of great profit, save that it is too conjectural to *venture upon*, if one could discern what corn, herbs, or fruits are like to be in plenty and scarcity, by some signs in the beginning of the year.—*Bacon.*
I never yet the tragic strain essay'd,
Deterr'd by that inimitable maid:
And when I *venture at* the comic stile,
Thy scornful lady seems to mock my toil. *Waller.*
Though they had ideas enough to distinguish gold from a stone, yet they but timorously *ventured on* such terms as aurietas and saxietas.—*Locke.*
Turco-Papismus I would desire him to read, before he *ventures at* capping of characters.—*Bishop Atterbury.*

Vénture. *v. a.*

1. Expose to hazard.
   In my school-days, when I had lost one shaft,
   I shot his fellow of the self-same flight;
   By *vent'ring* both, I oft found both.
   Shakespear, Merchant of Venice, i. 2.
2. Put or send on a venture.
   The fish *ventured* for France, they pack in staunch hogsheads, so as to keep them in their pickle.— *Carew, Survey of Cornwall.*
3. Trust; rely on. *Rare.*
   A man would be well enough pleased to buy silks of one, whom he would not *venture* to feel his pulse. —*Addison, Spectator*, no. 21.

Vénturer. *s.* One who ventures.
Injury in extortioners, rashnesse in *venturers*, treachery in traitors.—*Higgins, Mirrour for Magistrates*, epistle dedicatory: 1610.
Remember, you're all *venturers*, and in this play
How many twelve-pences ye have 'stow'd this day.
Beaumont and Fletcher, Mad Lover, prologue.

Vénturing. *verbal abs.* Act of putting to hazard; act of running risk.
Wise *venturing* is the most commendable part of human prudence.—*Lord Halifax.*

Vénturous. *adj.* Daring, bold, fearless; ready to run hazards.
Charles was guided by mean men, who would make it their master-piece of favour to give *venturous* counsels, which no great or wise man would. —*Bacon.*
He paused not, but with *vent'rous* arm
He pluck'd, he tasted.
Milton, Paradise Lost, v. 64.

Vénturously. *adv.* In a venturous manner; daringly; fearlessly; boldly.
Siege was laid to the fort by the lord Gray, then deputy, with a smaller number than those were within the fort; *venturously* indeed; but haste was made to attack them before the rebels came in to them.—*Bacon.*

Vénturousness. *s.* Attribute suggested by Venturous; boldness; willingness to hazard.
Her coming into a place where the walls and ceilings were whited over, much offended her sight, and made her repent her *venturousness.—Boyle, Experiments and Considerations touching Colours.*

Vénue. *s.* [Fr. *visne*; Lat. *vicinium.*] In *Law.* Neighbouring place.
Twelve of the assize ought to be of the same *venue* where the demand is made.—*Cowell.*

Venúst. *adj.* [N.Fr.; Lat. *venustus.*] Beautiful; amiable. *Rare.*
As the infancy of Rome was *venust*, so was its manhood notably strenuous. — *Waterhouse, Commentary on Fortescue*, p. 187: 1663.

Verácious. *adj.* [Lat. *verax.*] Observant of truth.
The Spirit is most perfectly and absolutely *veracious.—Barrow, Sermons*, vol. ii. serm. xxxiv.

Verácity. *s.*

1. Moral truth; honesty of report.
   What can we say? Even that, which the man in Terence said to a person whose *veracity* he suspected.—*Bryant, On Troy.*
2. Physical truth; consistency of report with fact.
   When they submitted to the most ignominious and cruel deaths, rather than retract their testimony, there was no reason to doubt the *veracity* of those facts which they related.—*Addison.*

Verándah. *s.* [Portuguese, *varanda*, from Indian.] Covering of a house extended beyond the main pile of building, and forming, by a sloping roof, external passages; kind of open portico.
The native servants, lying outside his *verandah*, beheld with wonder the major . . . so passionately moved and cast down.—*Thackeray, Vanity Fair.*

Verb. *s.* [Fr. *verbe*; Lat. *verbum.*]

1. In *Grammar.* Word, considered as a part of speech, suggestive of either a state or an action; as, *be, move.*
   Thou hast men about thee that usually talk of a noun and a *verb*, and such abominable words as no Christian ear can endure to hear.—*Shakespear, Henry VI. Part II.* iv. 7.
2. Word.
   That so it might appear, that the assistance of the Spirit promised to the church was not a vain thing, or a mere *verb*.—*South, Sermons*, vol. ix. serm. v.

Vérbal. *adj.* [Fr.; Lat. *verbalis.*]

1. Spoken; not written; oral; uttered by mouth.
   Made she no *verbal* quest?—
   Yes; once or twice she heaved the name of father
   Pantingly forth, as if it prest her heart.
   Shakespear, King Lear, iv. 5.
2. Consisting in mere words.
   If young African for fame
   His wasted country freed from Punick rage,
   The deed becomes unpraised, the man at least;
   And loses, though but *verbal*, his reward.
   Milton, Paradise Regained, iii. 101.
   It was such a denial or confession of him as would appear in preaching: but this is managed in words and *verbal* profession.—*South, Sermons.*
4. Verbose; full of words.
   I'm sorry
   You put me to forget a lady's manners,
   By being so *verbal*. *Shakespear, Cymbeline*, ii. 3.
5. Minutely exact in words.
   Neglect the rules each *verbal* critick lays,
   For not to know some trifles is a praise.
   Pope, Essay on Criticism, ii. 261.
6. Literal; having word answering to word.
   Whosoever offers at *verbal* translation, shall have the misfortune of that young traveller, who lost his

own language abroad, and brought home no other instead of it.—*Sir J. Denham.*

The *verbal* copier is incumbered with so many difficulties at once, that he can never disentangle himself from all.—*Dryden.*

Vérbalist. *s.* One who servilely adheres to the mere words of a text, rather than to the general scope and spirit of a written composition.

Yet not ashamed these *verbalists* are still
From youth, til age or study dims their eyes,
To engage the grammar rules in civil war.
Lord Brooke, On Human Learning. (Trench.)

Verbálity. *s.* Mere words; bare literal expression.

Sometimes he will seem to be charmed with words of holy Scripture, and to fly from the letter and dead *verbality*, who must only start at the life and animated materials thereof.—*Sir T. Browne, Vulgar Errours.*

Vérbalize. *v. a.* Make a verb; turn into a verb.

Nouns, for brevity, are sometimes *verbalized*: as, to complete, to contrary, to experience.—*Instructions for Oratory*, p. 31: 1682.

Vérbally. *adv.* In a verbal manner.

1. In words; orally.

The manner of our denying the deity of Christ here prohibited, was by words and oral expressions *verbally* to deny it.—*South, Sermons.*

2. Word for word.

'Tis almost impossible to translate *verbally* and well at the same time.—*Dryden.*

Verbátim. *adv.* [Lat.] Word for word.

Think not, although in writing I preferr'd
The manner of thy vile outrageous crimes,
That therefore I have forged, or am not able
Verbatim to rehearse the method of my pen.
Shakespear, Henry VI. Part I. iii. 1.

Vérberate. *v. a.* [Lat. *verberatus*, pass. part. of *verbero*.] Beat; strike. *Rare.*

The sound that both by sea and land outflies,
Rebounds again, and *verberates* the skies.
Mirrour for Magistrates, p. 16.

Bosom-quarrels that *verberate* and wound his soul.—*Archbishop Sancroft, Modern Policies*, § 1.

Verberátion. *s.* Blows; beating. *Rare.*

Riding or walking against great winds is a great exercise, the effects of which are redness and inflammation; all the effects of a soft press or *verberation*.—*Arbuthnot.*

Vérbiage. *s.* [Fr.] Verbosity; much empty writing or discourse.

I thought what I read of it *verbiage*; but, upon Mr. Harris's recommendation, I will read a play.—*Johnson*, in *Boswell's Life*: 1778.

He never dealt in the *verbiage* of ordinary writers.—*Bishop Hurd, Life of Bishop Warburton.*

A loose flimsy kind of smooth *verbiage*, which ought never to come into the world, without being first hot-pressed, and on wove paper.—*Mason, Three Essays on Church Musick*, p. 180.

Verbóse. *adj.* [Lat. *verbosus*.] Exuberant in words; prolix; tedious by multiplicity of words.

They ought to be brief, and not too *verbose* in their way of speaking; and to propound the matter of their argument in a mild and gentle manner.—*Ayliffe, Parergon Juris Canonici.*

Let envy,
Ill-judging and *verbose*, from Lethe's lake
Draw tuns unmeasurable.
Prior, Second Hymn of Callimachus.

Verbósity. *s.* [Fr. *verbosité*, from Lat. *verbosus*.] Exuberance of words; much empty talk.

He draweth out the thread of his *verbosity* finer than the staple of his argument.—*Shakespear, Love's Labour's lost*, v. 1.

Homer is guilty of *verbosity*, and of a tedious prolix manner of speaking: he is the greatest talker of all antiquity.—*Broome.*

Vérdant. *adj.* [Fr. *verdoyant*.] Green.

Each odorous bushy shrub
Fenced up the *verdant* wall.
Milton, Paradise Lost, iv. 697.

Vérderer. *s.* Officer in the forest.

A forest hath peculiar officérs, as foresters, *verderers*, &c.—*Howell, Letters*, iv. 16.

Vérdict. *s.* [Lat. *vere* = truly + *dictum* = said, pass. part. of *dico* = I say.]

1. Determination of the jury declared to the judge.

Before the jury go together, 'tis all to nothing what the *verdict* shall be.—*Spenser, View of the State of Ireland.*

2. Declaration; decision; judgement; opinion.

Deceived greatly they are, who think that all they whose names are cited amongst the favourers of this cause, are on any such *verdict* agreed.—*Hooker, Ecclesiastical Polity.*

These were enormities condemned by the most natural *verdict* of common humanity; and so very gross and foul, that no man could pretend ignorance avoided.—*South, Sermons.*

Vérdigris. *s.* [Fr., from *verd* = green; Lat. *viridis*.] See second extract.

Brass turned into green, is called *verdigrise*.—*Bacon.*

Hippocrates employed *verdigris*, which he terms χαλκοῦ ἰὸς, or rust of copper, in diseases of the eyes, and as an astringent in hemorrhoids. . . . It is usually called diacetate of copper; but this name is objectionable, since *verdigris* frequently occurs as a subsesquiacetate mixed with Iris acetate. I prefer the less precise, but more accurate, term subacetate of copper, as it includes all the subacetates composing *verdigris*.—*Pereira, Elements of Materia Medica and Therapeutics*, p. 806: 1853.

Vérdingale. *s.* Farthingale.

Vérditer. *s.* [Fr., from *verd* = green.] See second extract.

Verditure ground with a weak gum arabic water, is the faintest and palest green.—*Peacham.*

Verditer, or blue *verditer* . . . is a precipitate of oxide of copper with lime, made by adding that earth in its purest state, to the solution of nitrate of copper, obtained in quantities by the refiners, in parting gold and silver from copper by nitric acid. The cupreous precipitate must be triturated with lime, after it is nearly dry, to bring out the fine velvety blue colour. The process is delicate, and readily misgives in unskilful hands. . . . *Verditer*, or Bremen green. . . . [is a] pigment, . . . a light powder, like magnesia, having a blue or bluish green colour. The first is most esteemed. When worked up with oil or glue, it resists the air very well; but when touched with lime, it is easily affected, provided it has not been long and carefully dried. A strong heat deprives it of its lustre, and gives it a brown or blackish-green tint.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Vérdure. *s.* Green; green colour.

Its *verdure* clad
Her universal face with pleasant green.
Milton, Paradise Lost, vii. 315.

Let twisted olive bind those laurels fast,
Whose *verdure* must for ever last.
Prior, Carmen Seculare for the Year 1700.

Vérdurous. *adj.* Green; covered with green; decked with green.

The scentful camomile, the *verdurous* costmary.
Drayton, Polyolbion, song xv.

Higher than their tops
The *verd'rous* wall of paradise up-strung;
Which to our general sire gave prospect large.
Milton, Paradise Lost, iv. 142.

At their feet the vales
Descending gently, where the lowing herds
Chew *verd'rous* pasture. *J. Philips, Cyder*, i. 578.

Verecúndious. *adj.* [Lat. *verecundus*.] Modest; bashful.

Your brow proclaimeth much fidelity, a certain *verecundious* generosity graceth your eyes.—*Sir H. Wotton, Remains*, p. 156.

Verge. *s.* [from Fr.; Lat. *virga*.] Rod, or something in form of a rod, carried as an emblem of authority; mace of a dean.

Suppose him now a dean compleat,
Devoutly lolling in his seat;
The silver *verge*, with decent pride,
Stuck underneath his cushion side. *Swift.*

Verge. *s.* [from Lat. *vergo* = I tread, take a direction.]

1. Brink; edge; utmost border.

Would the inclusive *verge*
Of golden metal, that must round my brow,
Were red hot steel to sear me to the brain.
Shakespear, Richard III. iv. 1.

Every thing great, within the *verge* of nature, or out of it, has a proper part assigned it in this poem.—*Addison.*

Then let him chuse a damsel young and fair,
To bless his age, and bring a worthy heir,
To soothe his care, and, free from noise and strife,
Conduct him gently to the *verge* of life.
Pope, January and May.

2. In *Law*. See extract.

Verge is the compass about the king's court, bounding the jurisdiction of the lord steward of the king's household, and of the coroner of the king's house, and which seems to have been twelve miles round. *Verge* hath also another signification, and is used for a stick, or rod, whereby one is admitted tenant, and, holding it in his hand, sweareth fealty to the lord of the manor; who, for that reason, is called tenant by the *verge*.—*Cowell.*

Verge. *v. n.* Tend; bend downwards.

The nearer I find myself *verging* to that period of life which is to be labour and sorrow, the more I prop myself upon those few supports that are left.—*Swift.*

Such are indicated, when the juices of a human body *verge* to putrefaction.—*Arbuthnot.*

Vérger. *s.* [N.Fr., from *verge* = rod.] One who carries the mace before the dean.

I can tip the *verger* with half a crown, and get into the best seat.—*Farquhar.*

Vérifiable. *adj.* Capable of being verified.

All this by a very easy, but yet certain and true analogy, is applicable to the eye of the soul, the conscience, and the instance is *verifiable* upon it, in every one of the alleged particulars.—*South, Sermons*, iii. 60.

Verification. *s.* Confirmation by argument or evidence.

Record your desires, and present yourself to God by general acts of will and understanding, and by habitual remembrances of your former vigorousness, and by *verification* of the same grace rather than proper exercises.—*Jeremy Taylor, Rule and Exercises of holy Dying*, ch. iv. § 1.

In *verification* of this we will mention a phenomenon of our engine.—*Boyle.*

Vérify. *v. a.* [Fr. *vérifier*.] Justify against charge of falsehood; confirm; prove true; made good or valid.

This is *verified* by a number of examples, that whatsoever is gained by an abusive treaty, ought to be restored.—*Bacon.*

Though your prognosticks run too fast,
They must be *verified* at last.
Swift, On the Death of Dr. Swift.

Vérily. *adv.*

1. In truth; certainly.

Verily, I swear, 'tis better to be lowly born,
Than to be perk'd up in a glist'ring grief.
Shakespear, Henry VIII. ii. 3.

2. With great confidence.

It was *verily* thought, that had it not been for four great disfavours of that voyage, the enterprize had succeeded.—*Bacon.*

By repealing the sacramental test, we are *verily* persuaded the consequence will be an entire alteration of religion among us.—*Swift, On the Sacramental Test.*

Verisimilitude. *s.* [Lat. *verisimilitudo*.] Probability; likelihood; resemblance of truth.

Verisimilitude and opinion are an easy purchase; but true knowledge is dear and difficult. Like a point, it requires an acuteness to its discovery: while *verisimilitude*, like the expanded superficies, is obvious, sensible, and affords a large and easy field for loose enquiry.—*Glanville.*

A noble nation, upon whom, if not such verities, at least such *verisimilitudes* of fortitude were placed.—*Sir T. Browne.*

These are . . . but shadows of facts . . . *verisimilitudes*, not *verities*.—*Lamb, Essays of Elia.*

Verisímility. *s.* Verisimilitude.

Touching the *verisimility* or probable truth of this relation, several reasons seem to overthrow it.—*Sir T. Browne.*

Though Horace gives permission to painters and poets to dare every thing, yet he encourages neither to make things out of nature and *verisimility*.—*Dryden.*

The plot, the wit, the characters, the passions, are exalted as high as the imagination of the poet can carry them, with proportion to *verisimility*.—*Id., Essay on Dramatick Poetry.*

Verisímilous. *adj.* [Lat. *verisimilis*, from *verus* = true + *similis* = like.] Probable; likely. *Rare.*

Many erroneous doctrines of Pontificians are, in our days, wholly supported by *verisimilous* and probable reasons.—*White.*

Véritable. *adj.* [Fr.] True; agreeable to fact.

Indeed! is't true?—
Most *veritable*; therefore look to't well.
Shakespear, Othello, iii. 4.

The presage of the year succeeding made from insects in oak-apples, is I doubt too indistinct, nor *veritable* from event.—*Sir T. Browne, Vulgar Errours.*

Vérity. *s.* [Fr. *vérité*; Lat. *veritas*, *-atis*.]

1. Truth; consonance to the reality of things; moral truth; agreement of the words with the thoughts.

I saw their weapons drawn; there was a noise;
That 's *verity*. *Shakespear, Tempest*, ii. 1.

It is a proposition of eternal *verity*, that none can govern while he is despised.—*South, Sermons.*

2. True assertion; true tenet.

And that age, which my grey hairs make seem more than it is, hath not diminished in me the

power to protect an undeniable *verity*.—*Sir P. Sidney*.

(See also under Verisimilitude.)

Vérjuice. *s.* [Fr. *verjus*.]

1. Acid liquor expressed from crab-apples: (vulgarly pronounced *varges*).

Hang a dog upon a crab-tree, and he'll never love *verjuice*.—*Sir R. L'Estrange*.

The barley-pudding comes in place:
Then bids fall on; himself, for saving charges,
A peel'd sliced onion eats, and tipples *verjuice*.
Dryden, Translation of Persius, iv. 72.

The native *verjuice* of the crab, derived
Through th' infix'd graff, a grateful mixture forms
Of tart and sweet. *J. Philips, Cyder*, i. 292.

2. Tartness; sourness; acidity of temper, manner, or expression.

The entire difference, of course, lay in the fashion in which the narrator chose, from inherent bonhommie, or from inherent *verjuice*, to put the thing.—*Recreations of a Country Parson, The Art of Putting Things*.

Vermicélli. *s.* [Italian.] Paste rolled and broken in the form of worms.

With oysters, eggs, and *vermicelli*,
She let him almost burst his belly.
Prior, Paulo Purganti, 65.

Vérmicide. *s.* and *adj.* [Lat. *cædo* = I slay.] Worm-killer; vermifuge.

(For example see under Vermifuge.)

Vermícular. *adj.* Acting like a worm; continued from one part to another of the same body.

By the *vermicular* motion of the intestines, the grosser parts are derived downwards, while the finer are squeezed into the narrow orifices of the lacteal vessels.—*Cheyne*.

Vermículate. *v. a.* Inlay; work in chequer work, or pieces of divers colours.

Vermiculátion. *s.*

1. Continuation of motion from one part to another.

My heart moves naturally by the motion of palpitation; my guts by the motion of *vermiculation*.—*Sir M. Hale*.

2. Consumption by worms.

This huge olive, which flourished so long, fell, as they say, of *vermiculation*, being all worm-eaten within.—*Howell, Vocall Forest*, p. 70. (Ord MS.)

Vérmicule. *s.* [Lat. *vermiculus*, diminutive of Lat. *vermis* = worm.] Little grub; a worm.

I saw the shining oak-ball ichneumon strike its terebra into an oak-apple, to lay its egg therein: and hence are many *vermicules* seen towards the outside of these apples.—*Derham, Physico-Theology*.

Vérmiform. *adj.* [Fr. *vermiforme*; Lat. *vermis* + *forma* = form.] Having the form of a worm; wormlike.

Amongst the *vermiform* animals with colourless integument, colourless circulating juices and without respiratory organs, two leading differences of the digestive system have been recognised: in the one it is a tube with two apertures contained in a distinct abdominal cavity; in the other it is excavated or imbedded in the common parenchyme of the body, and has no anal outlet. The first condition characterises the Vers Intestinaux Cavitaires of Cuvier; the second the Vers Intestinaux Parenchymateux of the same naturalist.—*Owen, Lectures on Comparative Anatomy*, lect. iv.

Vérmifuge. *s.* Any medicine that destroys or expels worms.

Some [agents] act obnoxiously on intestinal worms—destroying or killing them.... These are the *vermicides* of some authors.... Some... prove anthelmintic in consequence of their operations on the bowels; these are the cathartic anthelmintics or *vermifuges*.—*Pereira, Elements of Materia Medica and Therapeutics*, p. 230: 1853.

Vérmil. *s.* Vermilion.

How the red roses flush up in her cheeks,
And the pure snow with goodly *vermil* stain,
Like crimson dyed in grain. *Spenser*.

As the *first element* in a *compound*.

What need a *vermil-tinctured* lip for that,
Love-darting eyes, and tresses like the morn?
Milton, Comus, 752.

Vermílion. *s.* [Fr. *vermeil*, *vermillon*, from the cochineal insect, considered to be a worm, *vermis*.]

1. Cochineal.

2. Factitious or native cinnabar; sulphur mixed with mercury: (this is the usual though not primitive signification).

The imperfect metals are subject to rust, except mercury, which is made into *vermilion* by solution or calcination.—*Bacon*.

The fairest and most principal red is *vermilion*, called in Latin minium. It is a poison, and found where great store of quicksilver is.—*Peacham*.

Vermillion, or *cinnabar*, is a compound of mercury and sulphur, in the proportion of a hundred parts of the former to sixteen of the latter, which occurs in nature as a common ore of quicksilver, and is prepared by the chemist as a pigment, under the name of *vermillion*. It is, properly speaking, a bisulphuret of mercury. This artificial compound being extensively employed, on account of the beauty of its colour, in painting, for making sealing-wax, and other purposes, is the object of an important manufacture.—*Ure, Dictionary of Arts, Manufactures, and Mines*.

3. Any beautiful red colour.

There grew a goodly tree him fair beside,
Loaden with fruit and apples rosie red,
As they in pure *vermilion* had been dyed,
Whereof great virtues over all were read.
Spenser, Faerie Queen, i. 11, 46.

Simple colours are strong and sensible, though they are as clear as *vermillion*.—*Dryden, Translation of Dufresnoy's Art of Painting*.

Vermílion. *v. a.* Dye red.

A sprightly red *vermillions* all her face,
And her eyes languish with unusual grace.
Granville.

Vérmily. *s.* Vermilion. *Rare.*

The same she temper'd with fine mercury,
And virgin wex that never yet was seald,
And mingled them with perfect *vermily*,
That like a lively sanguine it seem'd to the eye.
Spenser, Faerie Queen.

Vérmin. *s.* [Fr.; Lat. *vermis*.]

1. Any noxious animal: (used commonly for small creatures; generally, though not always, collective).

What is your study?—
How to prevent the fiend, and to kill *vermin*.
Shakespear, King Lear, iii. 4.

An idle person only lives to spend his time, and eat the fruits of the earth, like a *vermin* or a wolf.—*Jeremy Taylor*.

A weazel taken in a trap, was charged with misdemeanors, and the poor *vermin* stood much upon her innocence.—*Sir R. L'Estrange*.

2. Used in contempt of human beings.

The stars determine
You are my prisoners, base *vermin*.
Butler, Hudibras, ii. 3, 1071.

Vérminate. *v. n.* Breed vermin. *Rare.*

The seed of the serpent, and its *verminating* principle.—*Bibliotheca Biblica*, i. 152.

Verminátion. *s.* Generation of vermin.

Redi, discarding anomalous generation, tried experiments relating to the *vermination* of serpents and flesh.—*Derham, Physico-Theology*.

Vérminly. *adj.* Like vermin; of the nature of vermin.

They have nothing in them but a *verminly* nimbleness and subtlety, being bred out of the putrefactions of men's brains and the corruptions of the times.—*Bishop Gauden, Hieraspistes*, p. 379: 1653.

Vérminous. *adj.* Tending to vermin; disposed to breed vermin.

A wasting of children's flesh depends upon some obstruction of the entrails, or *verminous* disposition of the body.—*Harvey*.

Vermíparous. *adj.* [Lat. *pario* = I bring forth.] Producing worms.

Hereby they confound the generation of *vermiparous* animals with oviparous.—*Sir T. Browne*.

Vernácular. *adj.* [Lat. *verna* = domestic servant.] Native; of one's own country.

London weekly bills number deep in consumptions; the same likewise proving inseparable accidents to most other diseases; which instances do evidently bring a consumption under the notion of a *vernacular* disease to England.—*Harvey*.

The histories of all our former wars are transmitted to us in our *vernacular* idiom. I do not find in any of our chronicles, that Edward the third ever reconnoitered the enemy, though he often discovered the posture of the French, and as often vanquished them.—*Addison*.

Vernáculous. *adj.*

1. Vernacular. *Rare.*

Besides their *vernaculous* and mother tongues.—*Sir T. Browne, Miscellanies*, p. 130.

2. Scoffing. *Latinism; not in use.*

Men, subject to the petulancy of every *vernaculous* orator.—*B. Jonson, Fox*, dedication.

Vérnal. *adj.* [Lat. *vernalis*, *vernus*, from *ver* = spring.] Belonging to the spring.

With the year
Seasons return; but not to me returns
Or sight of *vernal* bloom or summer's rose.
Milton, Paradise Lost, ii. 41.

Vérnant. *adj.* Flourishing as in the spring.

Vernant flowers appeare
To clad the soile with mantell newe.
Turbervile, Poems, p. 110: 1570.

Else had the spring
Perpetual smiled on earth, with *vernant* flow'rs,
Equal in days and nights.
Milton, Paradise Lost, x. 678.

Vernátion. *s.* In *Botany.* See extract.

The mode in which rudimentary leaves are arranged in leafbuds is called the *vernation* or præfoliation, and furnishes important systematic characters. Two points have to be regarded here, viz., 1. The arrangement of the leaves in relation to each other; and 2, the manner in which each leaf is folded.—*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic*, § 112: 1857.

Verónica. *s.* [Lat. *veronica*.] In *Botany.* Name of a genus, containing several garden and some native plants, (species, spicata, chamædrys, &c.); speedwell.

Vérsal. *adj.* Total; whole.

Some for brevity,
Have cast the *versal* world's nativity.
Butler, Hudibras, ii. 3, 929

Vérsatile. *adj.* [Lat. *versatilis*.]

1. That may be turned round.

Th' advent'rous pilot in a single year
Learn'd his state cock-boat dext'rously to steer;
Versatile, and sharp-piercing like a screw,
Made good th' old passage, and still forced a new.
Harte.

2. Changeable; variable.

One colour to us standing in one place, hath a contrary aspect in another; as in those *versatile* representations in the neck of a dove, and folds of scarlet.—*Glanville*.

3. Easily applied to a new task.

Versatility. *s.* Quality of being versatile.

Nothing can more fully demonstrate the extent and *versatility* of these two original geniuses.—*J. Warton, Essay on the Genius and Writings of Pope*.

Verse. [Fr. *vers*; Lat. *versus*.]

1. Line consisting of a certain succession of sounds, and number of syllables.

Thou hast by moonlight at her window sung,
With feigning voice, *verses* of feigning love.
Shakespear, Midsummer-Night's Dream, i. 1.

2. Section or paragraph of a book.

Thus far the questions proceed upon the construction of the first earth; in the following *verses* they proceed upon the demolition of that earth.—*T. Burnet, Theory of the Earth*.

3. Poetry; lays; metrical language.

Verse embalms virtue: and tombs and thrones of rhymes
Preserve frail transitory fame as much
As spice doth body from air's corrupt touch. *Donne*.

While she did her various pow'r dispose,
The world was freed from tyrants, wars, and woes,
Virtue was taught in *verse*, and Athens' glory rose.
Prior, Prologue spoken before Queen Anne on her Birthday.

4. Piece of poetry.

This *verse*, my friend, be thine.
Pope, Epistle to Mr. Jervas.

Verse. *v. a.* Tell in verse; relate poetically.

In the shape of Corin sat all day,
Playing on pipes of corn, and *versing* love
To amorous Phillida.
Shakespear, Midsummer-Night's Dream, ii. 2.

And Mat mote praise what Topaz *verseth*.
Prior, Imitation of Chaucer.

Versed in. Skilled in; acquainted with.

She might be ignorant of their nations, who was not *versed in* their names, as not being present at the general survey of animals, when Adam assigned unto every one a name concordant unto its nature.—*Sir T. Browne, Vulgar Errours*.

This *versed in* death, th' infernal knight relates,
And then for proof fulfill'd their common fates.
Dryden, Theodore and Honoria, 189.

Vérseman. *s.* Poet; writer in verse.

The god of us *versemen*, you know, child, the sun.
Prior, A better Answer to Cloe Jealous.

From limbs of this great Hercules are framed
Whole groupes of pigmies, who are *versemen* named.
Harte.

Vérser. *s.* Mere versifier. *Rare.*

Though she have a better *verser* got,
Or poet in the court-account than I.
B. Jonson, Forest, § 12.

He [B. Jonson] thought not Bartas a poet, but a *verser*, because he wrote no fiction.—*Drummond, Conversations of Ben Jonson*.

Vérsicle. *s.* [Lat. *versiculus*, diminutive of *versus* = verse.] Little verse.

The lapwing
The *versicles* shall sing. *Skelton, Poems*, 227
A sort of office or service to saint Edmund, consisting of an antiphone, *versicle*, response, and collect, is introduced.—*T. Warton, History of English Poe try*, ii. 56.

Vérsicolour. *adj.* [Lat. *versicolor.*] Having various colours; changeable in colour. *Rare.*
Gardens, full of exotick, *versicolour*, diversely varied, sweet-smelling flowers.—*Burton, Anatomy of Melancholy*, p. 282.
Chains, girdles, rings, *versicolour* ribands.—*Ibid.* p. 478.

Versificátion. *s.* Art o r practice of making verses.
Donne alone had your talent, but was not happy to arrive at y our *versification.*—*Dryden.*
Some object to his *versification*; which is in poetry what colouring is in painting, a beautiful ornament. But if the prop ortions are just, though the colours should happen to be rough, the piece may be of inestimable value.—*Granville.*

Vérsificator. *s.* [Fr. *versificateur*; Lat. *versificator.*] Versifier.
Statius, the best *versificator* next Virgil, knew not how to design after him.—*Dryden.*

Vérsifier. *s.* Maker of verses with or without the spirit of poetry.
In Job and the Psalms we shall find more sublime ideas, more elevated language, than in any of the heathen *versifiers* of Greec e or Rome.—*Watts Improvement of the Mind.*

Vérsify. *v. n.* [Fr. *versifier.*] Make verses.
You would wonder to hear h ow soon even children will begin to *versify.*—*Sir P. Sidney.*
I'll *versify* in spite, and do my best
To make as much waste pap er as the rest.
Dryden, Translation of Juvenal, i. 24.

Vérsify. *v. a.* Relate in verse; represent in verse.
Unintermix'd with fictious fantasies,
I'll *versify* the truth, not poetize. *Daniel.*
Shall I tell you whom I love?
Hearken then a while to me;
And if such a woman move
As I now sh all *versifie*;
Be assured, 'tis her, or none,
That I love, and love alone.
W. Browne, Britannia's Pastorals, b. ii. song ii.

Vérsion. *s.* [Fr.; Lat. *versio, -onis.*]
1. Change; transformat ion.
Springs, the antients thought to be made by the *version* of air into water.—*Bacon, Natural and Experimental History.*
2. Change of direction.
Comets are rather gazed upon, than wisely observed in their effects; that is, what kind of comet, for magnitude, colour, *version* of the beams, produceth what kind of effects.—*Bacon.*
3. Translation.
This exact propriety of Virgil I particularly regarded; but must confess that I have not been abl e to make him appear wholly like himself. For where the original is close, no *version* can reach it in the same compass.—*Dryden.*
4. Act of translating.

Vert. *s.* [Fr. = green.]
1. See first extract.
Vert, in the laws of the forest, signifies every thing that grows, and bears a green leaf, within the forest, that may cover and hide a deer.—*Cowell.*
I find no mention in all the records of Ireland of a park or free warren, notwithstanding the great plenty of *vert* and venison.—*Sir J. Davies.*
2. In *Heraldry.* Green colour.

Vértebra. *s.* [Lat.; from *verto* = I turn.] Bone, forming part of the spine, or vertebral column: (in the human skeleton they are twenty-four in number).
The several *vertebres* are so elegantly compacted together, that they are as strong as if they were but one bone.—*Ray, Wisdom of God manifested in the Works of the Creation.*
Professor Owen's definition of a vertebra is, one of those segments of the endoskeleton which constitute the axis of the body, and protecting canals of the nervous and vascular trunks, and which may also support diverging appendages.—*Dr. Mayne, Expository Lexicon of the Terms of Medical Science*: 1860.

Vértebral. *adj.* Relating to the joints of the spine.
The carotid, *vertebral*, and splenick arteries are not only variously contorted, but here and there dilated, to moderate the motion of the blood.—*Ray, Wisdom of God manifested in the Works of the Creation.*

Vértebráta. *s.* [Lat.] Class of animals having vertebræ, i.e. a spinal column; the term being in *Zoology*, the name of the large class constituted by—1. Mammalia; 2. Birds; 3. Reptiles; 4. Fishes.

Vértebrate. *adj.* Having vertebræ: (the Vertebrata are the *vertebrate* animals).

Vértex. *s.* [Lat. = top, crown of head.]
1. Zenith; point over head.
These keep the *vertex*; but betwixt the bear
And shining zodiack, where the planets err,
A thousand figured constellations roll. *Creech.*
2. Top of a hill; top of anything.
Mountains especially abound with different species of vegetables; every *vertex* or eminence affording new kinds.—*Derham, Physico-Theology.*

Vértical. *adj.*
1. Placed in the zenith.
'Tis raging noon; and *vertical* the sun
Darts on the head direct his forceful rays. *Thomson.*
2. Placed in a direction perpendicular to the horizon.
From these laws, all the rules of bodies ascending or descending in *vertical* lines may be deduced.—*Cheyne.*

Verticálity. *s.* State of being in the zenith.
Unto them the sun is vertical twice a year; making two distinct summers in the different points of the *verticality.*—*Sir T. Browne, Vulgar Errours.*

Vértically. *adv.* In a vertical manner; in the zenith.
Although it be not vertical unto any part of Asia, yet it *vertically* passeth over Peru and Brasilia.—*Sir T. Browne.*

Vertícillate. *adj.* [Lat. *verticillum.*] In *Botany.* Whorled. See extract.
Verticillate plants are such as have their flowers intermixt with small leaves growing in a kind of whirls about the joints of a stalk, as pennyroyal, horehound, &c.—*Quincy.*

Vertícity. *s.* Power of turning; circumvolution; rotation.
Those stars do not peculiarly glance on us, but carry a common regard unto all countries, unto whom their *verticity* is also common.—*Sir T. Browne, Vulgar Errours.*
We believe the *verticity* of the needle, without a certificate from the days of old.—*Glanville.*
Whether they be glob ules, or whether they have a *verticity* about their own centers, that produce the idea of whiteness in us, the more particles of light are reflected from a body, the whiter does the body appear.—*Locke.*

Vérticle. *s.* [Lat. *verticulum*, from *verto* = I turn.] Axis; hinge. *Rare.*
Now grows our nation to its zenith: Fame is no friend to continuance; the *verticle* is near, when admiration from abroad, and luxury at home, threaten our change.—*Waterhouse, Apology for Learning*, p. 51: 1653.

Vertíginous. *adj.* [Lat. *vertiginosus.*]
1. Turning round; rotatory.
This *vertiginous* motion gives day and night successively over the whole earth, and makes it habitable all around.—*Bentley.*
2. Giddy.
Inconstant they are in all their actions, *vertiginous*, restless, unapt to resolve of any business.—*Burton, Anatomy of Melancholy*, p. 185.
I was sicke before of a *vertiginous* giddiness and irresolution.—*Donne, Devotions*, p. 193.

Vertíginousness. *s.* Attribute suggested by Vertiginous.
1. Readiness to turn; giddiness.
We would all climb unto high places, not considering the precipices on which they stand, nor the *vertiginousness* of our own brain.—*Barrow, Sermon on the Duty of Thanksgiving.*
2. Unsteadiness.
He that commits sacrilege, is marked for a *vertiginousness* and changeable fortune.—*Jeremy Taylor, Sermons*, p. 282: 1653.

Vertígo. *s.* [Lat.; from *verto* = I turn.] Giddiness; dizziness; sense of turning in the head.
The forerunners of an apoplexy are dulness, *vertigos*, tremblings.—*Arbuthnot.*

Vérvain. *s.* In *Botany.* Translation of the Latin *verbena*; the plants of the genus now called *verbena* being, probably, different from the *verbena* of the ancients, to which magical properties were assigned.
She night-shade strows to work him ill,
Therewith the *vervain*, and the dill,
That hind reth witches of their will.
Drayton, Nymphidia.
Some scatt'ring pot-herbs here and there he found,
Which, cultivated with his daily care,
And bruised with *vervain*, were his frugal fare.
Dryden, Translation of the Georgics, iv. 192.

Verve. *s.* [Fr.] Spirit; enthusiasm.
If he be above Virgil, and is resolved to follow his own *verve* (as the French call it), the proverb will fall heavily upon him, Who teaches himself has a fool for his master.—*Dryden, On the Æneid.* (Ord MS.)

Vérvel. *s.* [Fr. *vervelle.*] Label tied to a hawk.
Free beauteous slave, thy happy feet
In silver fetters *vervails* meet.
Lovelace, Lucasta Posthuma, The Falcon, p. 21.

Véry *adj.* [Fr. *vrai*; Lat. *verus* = true.]
1. True; real.
In *very* deed as the Lord God of Israel liveth.—1 *Samuel*, xxv. 34.
Why do I pity him,
That with his *very* heart despiseth me?
Shakespear, Two Gentlemen of Verona, iv. 4.
O that in *very* deed we might behold it.
Dryden and Lee, Œdipus.
2. Having any qualities, commonly bad, in an eminent degree; complete; perfect; mere.
Those who had drunk of Circe s cup, were turned into *very* beasts.—*Sir J. Davies.*
There, where *very* desolation d wells,
By grots and caverns shagg'd with horrid shades,
She may pass on. *Milton, Comus*, 428.
3. Noting things emphatically or eminently.
'Tis an ill office for a gentleman;
Especi ally against his *very* friend.
Shakespear, Two Gentleman of Verona, iii. 2.
Was not my love
The *verier* wag o' the two? *Id., Winter's Tale*, i. 2.
We can contain ourselves,
Were he the *veriest* antick in the world.
Id., Taming of the Shrew, induction, sc. 1.
In a seeing age, the *very* knowledge of former times passes but for ignorance in a better dress.—*South, Sermons.*
The pictures of our great grandmothers in queen Elizabeth's time, are clothed down to the *very* wrists, and up to the *very* chin.—*Addison, Guardian.*
4. Same, emphatically.
Women are as roses, whose fair flower,
Being once display'd, doth fall that *very* hour.
Shakespear, Twelfth Night, ii. 4.
The cocks beat the par tridge, which she laid to heart: but finding these *very* cocks cutting one another, she comforted herself.—*Sir R. L'Estrange.*
So catholick a grace is charity, that whatever time is the special opportunity of any other Christian grace, that *very* time is almost the special opportunity of charity.—*Bishop Sprat.*

Véry. *adv.* In a great, in an eminent, degree.

Vésicate. *v. a.* Blister.
Celsus proposes, that in all these internal wounds the external parts be *vesicated*, to make more powerful revulsion from within.—*Wiseman, Surgery.*

Vesicátion. *s.* Blistering; separation of the cuticle.
I applied some vinegar prepared with litharge, defending the *vesication* with pledgets.—*Wiseman, Surgery.*

Vésicle. *s.* [Lat. *vesicula*, diminutive of *vesica* = bladder.] Small cuticle filled or inflated; Vesicule.
Nor is the humour contained in smaller veins, but in a *vesicle*, or little bladder.—*Sir T. Browne, Vulgar Errour s.*
The lungs are made up of such air-pipes and *vesicles* interwoven with blood-vessels, to purify, ferment, or supply the sanguineous mass with nitro-aerial particles.—*Ray, Wisdom of God manifested in the Works of the Creation.*

Vesícular. *adj.* Hollow; full of small interstices.
A muscle is a bundle of *vesicular* threads, or of solid filaments, involved in one common membrane. —*Cheyne.*

Vésicule. *s.* Small bladder, or bladder-like structure; small hollow growths like bladders or blisters; Vesicle.

Vésper. *s.* [Lat.] Evening star; evening.
Thou hast seen these signs;
They are black *vesper's* pageants.
Shakespear, Antony and Cleopatra, iv. 12

Véspers. *s. pl.* Evening service of the Romish church: (construction often *adjec-*

tival, or as the *first element* in a *compound*; strictly, that one of the seven canonical hours which follows nones, and precedes complines).

The massacre known in history as the Sicilian *Vespers*, was so called as having had for its signal the *vesper* bell of Easter Monday (March 30, 1282), at Palermo. — *Brande and Cox, Dictionary of Science, Literature, and Art.*

Véspertine. *adj.* [Lat. *vespertinus.*] Happening or coming in the evening; pertaining to the evening.

The stars, their matutine and *vespertine* motions, rise and fall.— *Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia.*

Véssel. *s.* [Fr. *vaisselle*; Lat. *vas.*]

1. Anything in which liquids, or other things, are put.

For Banquo's issue have I filled my mind;
Put rancours in the *vessel* of my peace,
Only for them. *Shakespear, Macbeth*, iii. 1.

2. Containing parts of an animal body.

Of these elements are constituted the smallest fibres; of those fibres the *vessels*; of those *vessels* the organs of the body.—*Arbuthnot, On the Nature and Choice of Aliments.*

3. Any vehicle in which men or goods are carried on the water.

The sons and nephews of Noah, who peopled the isles, had *vessels* to transport themselves.—*Sir W. Raleigh, Essays.*

The Phœnicians first invented open *vessels*, and the Egyptians ships with decks.—*Heylin.*

The *vessel* is represented as stranded.—*Addison, Diologue on the Usefulness of ancient Medals.*

4. Any capacity; anything containing.

I have my fill
Of knowledge, what this *vessel* can contain.
Milton, Paradise Lost, xii. 558.

5. One relating to God's household.

If the rigid doctrines be found apt to cool all those men's love of God, who have not the confidence to believe themselves of the number of the few chosen *vessels*, and to beget security and presumption in others who have conquered those difficulties.—*Hammond.*

Véssel. *v. a.* Put into a vessel; barrel.

Take earth, and *vessel* it; and in that set the seed.—*Bacon.*

Véssel. *s.* [Lat. *fasciculus* = small bundle.] Half a quarter of a sheet of paper.

Véssets. *s.* [?] Kind of cloth commonly made in Suffolk.

Vest. *s.* [Lat. *vestis.*] Outer garment.

O'er his lucid arms
A military *vest* of purple flow'd.
Milton, Paradise Lost, xi. 240.
Mystick emblems grace th' imperial *vest.* *Smith.*

Vest. *v. a.*

1. Dress; deck; enrobe.

The verdant fields with those of heav'n may vie,
With ether *vested*, and a purple sky. *Dryden.*

2. Make possessor of; invest with: (with *with* before the thing possessed).

To settle men's consciences, 'tis necessary that they know the person, who by right is *vested with* power over them.—*Locke.*

Had I been *vested with* the monarch's power,
Thou must have sigh'd, unlucky youth! in vain.
Prior, Odes, To Mr. Howard.

3. Placé in possession: (with *in* before the possessor).

The militia their commissioners positively required to be entirely *vested in* the parliament.—*Lord Clarendon, History of the Grand Rebellion.*

Empire and dominion was *vested in* him, for the good and behoof of others.—*Locke.*

Véstal. *s.* [Lat. *vestalis.*] Virgin consecrated to Vesta; pure virgin.

Women are not
In their best fortunes strong; but want will perjure
The ne'er-touch'd *vestal.*
Shakespear, Antony and Cleopatra, iii. 10.
How happy is the blameless *vestal's* lot!
The world forgetting, by the world forgot.
Pope, Eloisa to Abelard.

Véstal. *adj.* Denoting pure virginity.

Her *vestal* livery is but sick and green,
And none but fools do wear it.
Shakespear, Romeo and Juliet, ii. 2.

Véstibule. *s.* [Lat. *vestibulum*: see second extract.]

1. In *Architecture.* Porch or first entrance of a house.

That part of the Odyssey, in which Ulysses' descent into hell, and the *vestibule* of Erebus are described.—*T. Warton, History of English Poetry*, ii. 84.

The *vestibule* ... an area before the entrance of a house, is said by some to have been so called because an altar to Vesta was placed therein.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

2. In *Anatomy.* Porch of the ear.

The *vestibule* ... is a small bony cavity of the internal ear ... the opening of which into the cavity of the tympanum is closed by the small bone called the Stapes; it is also connected with the cochlea and semicircular canals.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Véstige. *s.* [Lat. *vestigium.*] Footstep; mark left behind in passing.

The truth passes so slightly through men's imaginations, that they must use great subtilty to track its *vestiges.*—*Harvey.*

Véstment. *s.* [Lat. *vestimentum.*] Garment; part of dress.

Heaven then would seem thy image, and reflect
Those sable *vestments*, and that bright aspect.
Waller.

The sculptors could not give *vestments* suitable to the quality of the persons represented.—*Dryden.*

Véstry. *s.* [Fr. *vestiare*; Lat. *vestiarium.*]

1. Room appendant to the church, in which the sacerdotal garments and consecrated things are reposited.

He said unto him that was over the *vestry*, bring forth the vestments.—2 *Kings*, x. 22.

Bold Amycus, from the robb'd *vestry* brings
The chalices of heav'n; and holy things
Of precious weight. *Dryden, Translation from Ovid, Metamorphoses*, b. xii.

2. Parochial assembly commonly convened in the vestry.

The common-council are chosen every year, so many for every parish, by the *vestry* and common convention of the people of that parish.—*Lord Clarendon, History of the Grand Rebellion.*

Vésture. *s.* [Fr.; Italian, *vestura.*]

1. Garment; robe.

Her breasts half-hid, and half were laid to show;
Her envious *vesture* greedy sight repelling.
Fairfax.

What, weep you when you but behold
Our Cæsar's *vesture* wounded?
Shakespear, Julius Cæsar, iii. 2.

2. Dress; habit; external form.

There's not the smallest orb, which thou behold'st,
But in his motion like an angel sings:
But whilst this muddy *vesture* of decay
Doth grossly close us in, we cannot hear it.
Shakespear, Merchant of Venice, v. 1.

Rocks, precipices, and gulphs, apparell'd with a *vesture* of plants, would resemble mountains and vallies.—*Bentley.*

Vetch. *s.* [Lat. *vicia.*] In *Botany.* Leguminous plant, akin to the peas, tares, &c., used in fodder, of the genus Vicia.

Where *vetches*, pulse, and tares have stood,
And stalks of lupines grew.
Dryden, Translation of the Georgics, i. 110.

An ervum is a sort of *vetch*, or small pea.—*Arbuthnot.*

Vétchling. *s.* Small vetch: (applied, however, in books, to some of the largest plants of the group in the genus Lathyrus).

There are seven indigenous species of *vetchling*, or everlasting pea.—*C. W. Johnson, Farmer's Encyclopædia.*

Vétchy. *adj.* Made of, abounding in, vetches.

If to my cottage thou wilt resort,
There may'st thou ligge in a *vetchy* bed,
Till fairer fortune shew forth his head.
Spenser, Shepherd's Calendar.

Véteran. *s.* [Lat. *veteranus.*] Old soldier; man long practised in anything.

If king Charles II. had made war upon France, he might have conquered it by the many *veterans* which had been inured to service in the civil wars. —*Addison.*

Véteran. *adj.*

1. Long practised in war; long experienced.

There was a mighty strong army of land-forces, to the number of fifty thousand *veteran* soldiers.—*Bacon.*

2. Formerly used in the general sense of old.

Our old bottles and *veteran* wines are sound sweet, well-refined, and full of spirits.—*Bishop Gauden, Hieraspistes*, p. 44: 1653.

Veterinárian. *s.* [Lat. *veterinarius.*] One skilled in the diseases of cattle.

That a horse has no gall, is not only swallowed by common farriers, but also received by good *veterinarians*, and some who have laudably discoursed upon horses.—*Sir T. Browne.*

Véterinary. *adj.* Pertaining to farriery, and to science in the diseases of cattle.

A *veterinary* college has been long established in London.—*C. W. Johnson, Farmer's Encyclopædia.*

Véto. *s.* [Lat. = I forbid.] Word used in certain political assemblies, where the official language was more or less Latin, and where a single voice on the negative side could prevent the passing of a resolution otherwise unanimous, whereby forbiddal was expressed; the Liberum *Veto*, or Free *Veto*, of the Polish Diets being the most famous historical instance of it.

Through the cracked brain and uncracked lungs of Saint-Huruge, the Palais Royal rebellows with *veto*. Journalism is busy, France rings with *veto*. 'I shall never forget,' says Dumont, 'my going to Paris, one of those days, with Mirabeau; and the crowd of people we found waiting for his carriage about Le Jay the bookseller's shop. They flung themselves before him, conjuring him with tears in their eyes not to suffer the *Veto* Absolu. They were in a frenzy: 'Monsieur le Comte, you are the People's father, you must save us; you must defend us against those villains who are bringing back despotism. If the king get this *veto*, what is the use of the National Assembly? We are slaves; all is done.' —*Carlyle, The French Revolution*, pt. i. b. vii. ch. i.

It was understood that the king, though he had used his *veto* for the purpose of giving the Houses an opportunity of reconsidering the subject, had no intention of offering a pertinacious opposition to their wishes.—*Macaulay, History of England*, ch. xx.

A couple of extra chairs were placed farther back, and more than one important personage has been requested to act as chairman: but no churchman would place himself in a position so equivocal as to dignity of aspect, and so unequivocal as to the obligation of sitting out the discussion; and the rector had beforehand put a *veto* on any dissenting chairman. — *George Eliot (signature), Felix Holt the Radical*, ch. xxiv.

Vex. *v. a.* [Lat. *vexo.*]

1. Plague; torment; harass.

It came to pass, when she pressed him daily with her words, so that his soul was *vexed* unto death, that he told her all his heart.—*Judges*, xvi. 16.

2. Disturb; disquiet.

They *vex* me past my patience.
Shakespear, Henry VIII. ii. 4.

3. Trouble with slight provocations.

Away, I say; stay'st thou to *vex* me here?
Shakespear, Two Gentlemen of Verona, iv. 4.

4. Stretch as by hooks.

Some English wool, *vex'd* in a Belgian loom,
And into cloth of spungy softness made.
Dryden, Annus Mirabilis, cxvii.

Vex. *v. n.* Fret; be on tenters; be uneasy.

Ulysses gave good care, and fed
And drunke his wine, and *vext*, and ravished
His food for mere vexation. *Chapman.*

Vexátion. *s.*

1. Act of troubling.

O that husband,
My supreme crown of grief, and those repeated
vexations of it! *Shakespear, Cymbeline*, i. 7.

2. State of being troubled; uneasiness; sorrow.

Vexation almost stops my breath,
That sunder'd friends greet in the hour of death.
Shakespear, Henry VI. Part I. iv.

3. Cause of trouble or uneasiness.

Your children were *vexation* to your youth;
But mine shall be a comfort to your age.
Shakespear, Richard III. iv. 4.

4. Act of harassing by law.

Albeit the party grieved thereby may have some reason to complain of an untrue charge, yet may he not well call it an unjust *vexation.*—*Bacon.*

5. Slight teasing trouble.

Vexátious. *adj.*

1. Afflictive; troublesome; causing trouble.

Consider him maintaining his usurped title, by continual *vexatious* wars against the kings of Judah. —*South, Sermons.*

2. Full of trouble; full of uneasiness.

He leads a *vexatious* life, who in his noblest actions is so gored with scruples, that he dares not make a step without the authority of another.—*Sir K. Digby.*

3. Teasing; slightly troublesome.

Vexátiously. *adv.* In a vexatious manner; troublesomely; uneasily.

As to our neighbour and rival, France, I shall formally prove it, that her subjects pay more than England, on a computation of the wealth of both parties; that her taxes are more *vexatiously* collected.—*Burke, Observations on a late State of the Nation*: 1769.

Véxed. *part. pref.* Disturbed; disquieted.
Ranged on the banks, beneath our equal oars,
White curl the waves, and *the vex'd* ocean roars.
Pope.

Véxingly. *adv.* In a vexing manner; so as to vex, plague, or disturb.
It is the same poverty which makes men speak or write smuttily, that forces them to talk *vexingly*.—*Tatler*, no. 269.

Viabílity. *s.* Capability of living; of continuing life (either of an individual or a species).
Recurrency is a measure of *viability*.—*Proceedings of the Royal Society*, February 21, 1869.

Víable. *adj.* [Fr., from *vie* = life.] In *Forensic Medicine.* Capable of living.
Viable . . . likely to live, [is] applied to that condition of a child at birth, whether the delivery has been effected by natural or artificial means.—*Dr. Mayne, Expository Lexicon of the Terms in Medical Science*; 1860.

Víaduct. *s.* Structure for supporting the line of way for either carriages or railway trains.
The Holborn *viaduct* was opened for passenger traffic at seven o'clock yesterday morning.—*Times Newspaper*, October 15, 1869.

Víal. *s.* [Gr. φιαλή.] Small bottle.
You gods! look down,
And from your sacred *vials* pour your grace
Upon my daughter's head:
Shakespear, Winter's Tale, v. 3.

Víal. *v. a.* Enclose in a vial.
This she with precious *vial'd* liquors heals;
For which the shepherds at their festivals
Carol her goodness loud in rustick lays.
Milton, Comus, 847.

Víand. *s.* [Fr. *viande*; Italian, *vivanda*, from *vivo* = I live.] Food; meat dressed.
The belly only like a gulf remain'd,
I' th' midst of the body idle and unactive,
Still cupboarding the *viand*.
Shakespear, Coriolanus, i. 1.
These are not fruits forbidden; no interdict
Defends the touching of these *viands* pure;
Their taste no knowledge works, at least of evil.
Milton, Paradise Regained, ii. 369.

Víary. *adj.* [Lat. *viarius*.] Happening in ways or roads. *Rare.*
In beasts, in birds, in dreams, and all *viary* omens, they are only conjectural interpretations of dim-eyed man; full of doubt, full of deceit.—*Fellthan, Resolves*, i. 96.

Viáticum. *s.* [Lat., from *via* = way.]
1. Provision for a journey.
And sith thy pilgrimage is almost past,
Thou need'st the lesse *viaticum* for it.
Sir J. Davies, Witte's Pilgrimage, sign. S. 4 b.
2. Last rites used to prepare the passing soul for its departure.
It is rather a spiritual medicine, a good *viaticum*, a standing sacrament, for the relief, the assurance, the safe conduct, of departing souls.—*Killingbeck, Sermons*, p. 313.

Víbrate. *v. a.* [Lat. *vibro*.]
1. Brandish; move to and fro with quick motion.
2. Make to quiver.
Breath vocalized, that is, *vibrated* or undulated, may differently affect the lips, and impress a swift tremulous motion, which breath passing smooth doth not.—*Holder.*

Víbrate. *v. n.*
1. Play up and down, or to and fro.
The air, compressed by the fall and weight of the quicksilver, would repel it a little upwards, and make it *vibrate* a little up and down.—*Boyle.*
2. Quiver.
The whisper that to greatness still too near,
Perhaps, yet *vibrates* on his sovereign's ear. *Pope.*

Víbrating. *part. adj.* Vibratory.
Do not all fixed bodies, when heated beyond a certain degree, emit light, and shine? And is not this emission performed by the *vibrating* motions of their parts.—*Sir I. Newton.*

Vibrátion. *s.* Act of moving, or state of being moved with quick reciprocations, or returns; act of quivering.
It sparkled like the coal upon the altar, with the fervours of piety, the heats of devotion, and the sallies and *vibrations* of an harmless activity.—*South, Sermons.*
Do not the rays of light, in falling upon the bottom of the eye, excite *vibrations* in the tunica retina? Which *vibrations* being propagated along the solid fibres of the optick nerves into the brain, cause the sense of seeing.—*Sir I. Newton.*

Vibrátiuncle *s.* See extract from Chambers.
The pulse would continue to beat, the lungs to play, the animal secretions to be carried on, the *vibratiuncles* to traverse to and fro.—*Search, Freewill*, p. 177: 1763.
Sensory vibrations, by being often repeated, beget in the medullary substance of the brain a disposition to diminutive vibrations, which may be also called *vibratiuncles* and miniatures corresponding to themselves respectively.—*Chambers.*

Víbrative. *adj.* That which vibrates.
Heat is only an accident of light, occasioned by the rays putting a fine, subtile, etherial medium, which pervades all bodies, into a *vibrative* motion, which gives us that sensation.—*Sir I. Newton.*

Víbratory. *adj.* Vibrating; causing to vibrate.
Suppose that to this oil or water were added a certain quantity of a specifick salt, which had a power of putting the nervous papillæ of the tongue into a gentle *vibratory* motion; as suppose sugar dissolved into it. The smoothness of the oil, and the *vibratory* power of the salt, cause the sense we call sweetness.—*Burke, Essay on the Sublime and Beautiful*, pt. iv. § 21.

Vícar. *s.* [Lat. *vicarius*.]
1. Incumbent of an appropriated or impropriated benefice.
Procure the *vicar*
To stay for me at church, 'twixt twelve and one,
To give our hearts united ceremony.
Shakespear, Merry Wives of Windsor, iv. 6.
Out from his house ran every neighbour nigh,
The *vicar* first, and after him the crew.
Dryden, The Cock and the Fox, 725.
A landed youth, whom his mother would never suffer to look into a book for fear of spoiling his eyes, upon hearing the clergy decried, what a contempt must he entertain, not only for his *vicar* at home, but for the whole order!—*Swift.*
2. One who performs the functions of another; substitute.
An archbishop may not only excommunicate and interdict his suffragans, but his *vicar* general may do the same.—*Ayliffe, Parergon Juris Canonici.*

Vícarage. *s.* Benefice of a vicar.
This gentleman lived in his *vicarage* to a good old age, and never having deserted his flock, died vicar of Bray.—*Swift.*

Vicárial. *adj.* [Lat. *vicarius*.]
1. Belonging to a vicar.
Wood is in some countries a rectorial, and in some a *vicarial* tithe.—*Sir W. Blackstone, Commentary on the Laws of England.*
2. Vicarious.
All derived and *vicarial* power shall be done away, as no further necessary.—*Blackwall, Sacred Classics*, ii. pref. xxix.

Vicáriate. *s.* Delegated office or power.
Shall we think that pretended spiritual dignity to be of God, (or, as it calleth itself, the *vicariate* of Christ,) who said his kingdom was not of this world, and whose successors gloried in poverty and martyrdom? whereas this [the church of Rome] aboundeth in riches and exterior power above any thing now extant in the Christian world.—*Lord North, Light in the Way to Paradise*, p. 22: 1682.

Vicáriate. *adj.* Having a delegated power as vicar.
We thought it convenient that you should be held up by the *vicariate* authority of our see.—*Barrow, Works*, i. 261.

Vicárious. *adj.* Deputed; delegated; acting in the place of another.
The soul in the body is but a subordinate efficient, and *vicarious* and instrumental in the hands of the Almighty, being but his substitute in this regiment of the body.—*Sir M. Hale.*
What can be more unnatural than for a man to rebel against the *vicarious* power of God in his soul?—*Norris.*

Vicáriously. *adv.* In the place of another.
They who do not love religion hate it. The rebels to God perfectly abhor the Author of their being. They hate him 'with all their heart, with all their mind, with all their soul, and with all their strength.' He never presents himself to their thoughts, but to menace and alarm them. They cannot strike the sun out of heaven, but they are able to raise a smouldering smoke that obscures him from their own eyes. Not being able to revenge themselves on God, they have a delight in *vicariously* defacing, degrading, torturing, and tearing in pieces, his image in man.—*Burke, Thoughts on a Regicide Peace.*

Vícarship. *s.* Office of a vicar.
The see of Jerusalem was the mother of all churches, wherein St. Peter himself did at first reside, exercising his *vicarship*.—*Barrow, On the Pope's Supremacy.*
There is in my choir one Mr. Lamb; he hath at present but half a *vicarship*.—*Swift, Letter to Pope.*

Vice. *s.* [Lat. *vitium*.]
1. Course of action opposite to virtue; depravity of manners; inordinate life.
No spirit more gross to love
Vice for itself. *Milton, Paradise Lost*, i. 491.
The foundation of error will lie in wrong measures of probability; as the foundation of *vice* in wrong measures of good.—*Locke.*
2. Fault; offence: (generally used for an habitual fault, not for a single enormity).
No *vice*, so simple, but assumes
Some mark of virtue on its outward parts.
Shakespear, Merchant of Venice, iii. 2.
Yet my poor country
Shall have more *vices* than it had before;
More suffer by him that shall succeed.
Id., Macbeth, iv. 3.
Ungovern'd appetite . . . a brutish *vice*.
Milton, Paradise Lost, xi. 517.
I cannot blame him for inveighing so sharply against the *vices* of the clergy in his age.—*Dryden.*
3. Faulty or noxious excess.
Or, when the latent *vice* is cured by fire,
Redundant humours by the pores expire.
Dryden, Translation of the Georgics, i. 128.
4. Fool of the old shows and moralities.
I'll be with you again
In a trice, like to the old *vice*,
You need to sustain;
Who with dagger of lath, in his rage and his wrath,
Cries, ah, ha! to the devil.
Shakespear, Twelfth Night, iv. 2, song.
His face made of brass, like a *vice* in a game.
Tusser, Five Hundred Points of good Husbandry.
I remember of old the fool, that made all the sport in the play, was called the *vice*.—*Bishop Hall, Sermon before King James* (in 1624), p. 7.

Vice. *s.* [Dutch, *vijs*.]
1. Kind of small iron press with screws, used by workmen.
He found that marbles taught him percussion; bottle-screws the *vice*; whirligigs, the axis in peritrochio.—*Arbuthnot and Pope.*
2. Gripe; grasp.
If I but fist him once; if he come but within my *vice*.—*Shakespear, Henry IV. Part II.* ii. 1.

Vice. *v. a.* [Dutch, *vijzen* = screw up.] Draw by a kind of violence.
With all confidence he swears,
As he had seen 't, or been an instrument
To *vice* you to 't, that you have touch'd his queen
Forbiddenly. *Shakespear, Winter's Tale*, i. 2.

Vice. *s.* Used in composition for one, *qui vicem gerit*, who performs, in his stead, the office of a superior, or who has the second rank in command: (as, *viceroy, vicechancellor*). *Rare.*

Viceádmiral. *s.*
1. Second commander of a fleet.
The foremost of the fleet was the admiral: the rearadmiral was Cara Mahometes; an arch-pirate. The *viceadmiral*, in the middle of the fleet with a great squadron of gallies, struck sail directly.—*Knolles, History of the Turks.*
2. Naval officer of the second rank.

Viceádmiralty. *s.* Office of a viceadmiral.
The *viceadmiralty* is exercised by Mr. Trevanion.—*Carew.*

Viceágent. *s.* One who acts in the place of another.
A vassal Satan hath made his *viceagent*, to cross whatever the faithful ought to do.—*Hooker, Ecclesiastical Polity.*

Vicecháncellor. *s.* Second magistrate of the universities.
The dean, for asserting the rights of his majesty and university in his station of *vicechancellor*, being made a prisoner, he undertook the entire management of all affairs.—*Bishop Fell, Life of Hammond.*

Víced. *adj.* Vicious; corrupt. *Rare.*
Be as a planetary plague, when Jove
Will o'er some high *viced* city hang his poison
In the sick air.
Shakespear, Timon of Athens, iv. 3.

Vicegérency. *s.* Office of a vicegerent; lieutenancy; deputed power.
The authority of conscience stands founded upon its *vicegerency* and deputation under God.—*South, Sermons.*

Vicegérent. *s.* Lieutenant; one who is intrusted with the power of the superior, by whom he is deputed.

All precepts concerning kings are comprehended in these: remember thou art a man; remember thou art God's *vicegerent*.—*Bacon*.

Great father of the gods, when for our crimes
Thou send'st some heavy judgment on the times;
Some tyrant king, the terrour of his age,
The type and true *vicegerent* of thy rage,
Thus punish. *Dryden*.

Vicegérent. *adj.* Having a delegated power; acting by substitution.

Whom send I to judge? Whom but thee,
Vicegerent son! To thee I have transferr'd
All judgement, whether in heaven, or earth, or hell.
Milton, Paradise Lost, x. 55.

Vícenary. *adj.* [Lat. *vicenarius*.] Belonging to twenty.

Víceroy. *s.* [Fr. *viceroi*.] He who governs in place of the king with regal authority.

Shall I, for lucre of the rest unvanquish'd,
Detract so much from that prerogative,
As to be called but *viceroy* of the whole?
Shakespear, Henry VI. Part I. v. 4.

Mendoza, *viceroy* of Peru, was wont to say that the government of Peru was the best place the king of Spain gave, save that it was somewhat too near Madrid.—*Bacon*.

We are so far from having a king, that even the *viceroy* is generally absent four-fifths of his time.—*Swift*.

Viceróyalty. *s.* Dignity of a viceroy.

These parts furnish out *viceroyalties* for the grandees; but in war are incumbrances to the kingdom.—*Addison*.

Víceroyship. *s.* Office of a viceroy.

The Saracen caliph commanded in Egypt; under whom two great lords fell out about the sultanie or *viceroyship* of that land.—*Fuller, Holy War*, p. 89.

Vícety. *s.* Nicety; exactness: (so entered in the previous editions, and connected etymologically with *point device*; probably a coined word of no very definite meaning).

Here is to the fruit of Pem,
Grafted upon Stub his stem;
With the peakish nicety,
And old Sherewood's *vicety*.
B. Jonson, Underwoods.

Vícinage. *s.* [Fr. *voisinage*; Lat. *vicinia*.] Neighbourhood; places adjoining.

Erzirum is a town of great strength, and by reason of its *voicinage* to the Persian dominions usually made the place of rendezvous, when the Turks have any design against that empire.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia*, p. 283.

A city came to be built in the *voisinage* of this holy place.—*Bibliotheca Biblica*, i. 415.

In many places the patrons endowed the churches, but built not the edifice; leaving that to be done by the priest out of the oblations and contributions of the Christians of the *vicinage*.—*Wharton and Stanhope, Defence of Pluralities*, p. 83.

Vicínal. *adj.* [Lat. *vicinus*.] Near; neighbouring.

The vallum or ridged bank, seemingly a *vicinal* way if not a rampart.—*T. Warton, History of the Parish of Kiddington*, p. 55.

Vicíne. *adj.* Neighbouring. *Rare.*

Opening other *vicine* passages might obliterate any track; as the making of one hole in the yielding mud defaces the print of another near it.—*Glanville*.

Vicínity. *s.*

1. Nearness; state of being near.

The position of things is such, that there is a *vicinity* between agents and patients, that the one incessantly invades the other.—*Sir M. Hale*.

The abundance and *vicinity* of country seats.—*Swift*.

2. Neighbourhood.

Gravity alone must have carried them downwards to the *vicinity* of the sun.—*Bentley*.

He shall find out and recall the wandering particles home, and fix them in their old *vicinity*.—*Rogers*.

Vícious. *adj.* Devoted to vice.

He heard this heavy curse,
Servants of servants, on his *vicious* race.
Milton, Paradise Lost, xii. 103.

Víciously. *adv.*

1. In a vicious manner; sinfully.

Perversity of will, immoral and sinful enormities, walk with Adraste and Nemesis at their backs, pursue us into judgement, and leave us *viciously* miserable.—*Sir T. Browne, Christian Morals*, i. 18.

2. Inaccurately; carelessly.

They have the gospel in Greek capitals, but they are *viciously* written in many places.—*Burnet, Travels*, p. 237. (Ord MS.)

Vicíssitude *s.* [Lat. *vicissitudo*.]

1. Regular change; return of the same things in the same succession.

It makes through heaven
Grateful *vicissitude*, like day and night.
Milton, Paradise Lost, vi. 7.

The rays of light are alternately disposed to be reflected or refracted for many *vicissitudes*.—*Sir I. Newton*.

This succession of things upon the earth, is the result of the *vicissitude* of seasons, and is as constant as is the cause of that *vicissitude*, the sun's declination.—*Woodward*.

2. Revolution; change.

During the course of the war, did the *vicissitudes* of good and bad fortune affect us with humility or thankfulness?—*Bishop Atterbury*.

Verse sweetens toil, however rude the sound,
All at her work the village maiden sings;
Nor as she turns the giddy wheel around,
Revolves the sad *vicissitude* of things. *Giffard*.

Vicissitúdinary. *adj.* Regularly changing.

We say, the elements of man are misery and happiness, as though he had an equal proportion of both; and the days of man *vicissitudinary*, as though he had as many good days as ill.—*Donne, Devotions*, p. 313.

Vicóntiel. *adj.* In *Law*. See extract.

In law, *vicontiel* reuts are certain farms, for which the sheriff pays a rent to the king, and makes what profit he can of them. *Vicontiel* writs are such writs as are triable in the county court before the sheriff.—*Bailey*.

Víctim. *s.* [Lat. *victima*.]

1. Sacrifice; something slain for a sacrifice.

All that were authors of so black a deed,
Be sacrificed as *victims* to his ghost.
Sir J. Denham, The Sophy.

Pure oil and incense on the fire they throw,
And fat of *victims*, which his friends bestow.
Dryden, Translation of the Æneid, vi. 321.

2. Something destroyed.

Behold where age's wretched *victim* lies:
See his head trembling, and his half-closed eyes.
Prior, Solomon, iii. 170.

3. Person sacrificed to the selfishness of another.

Jonas ... went into the public-house, and there ordered spirituous drink to such an extent, that Mr. Pecksniff had some doubts of his perfect sanity, until Jonas set them quite at rest by saying, when the coach could wait no longer:—'I've been standing treat for a whole week and more, and letting you have all the delicacies of the season. You shall pay for this, Pecksniff.' It was not a joke either, as Mr. Pecksniff at first supposed; for he went off to the coach without further ceremony, and left his respected *victim* to settle the bill.—*Dickens, Martin Chuzzlewit*, ch. xx.

Víctimize. *v. a.* Make a victim of any one.

In a turf transaction, either Spavin or Cockspur would try to get the better of his father; and, to gain a point in the odds, *victimise* his best friends.—*Thackeray, Book of Snobs*, ch. xxxix.

Becky, with a fun which she could not disguise, even though it was at her own expense, described the occurrence, and how she had been *victimised* by Lady Southdown.—*Id., Vanity Fair*.

Víctor. *s.* [Lat.]

1. Conqueror; vanquisher; one who gains the advantage in any contest: (*victor* is seldom used with a genitive; we say the *conqueror of kingdoms*, not the *victor of kingdoms*; and never but with regard to some single action or person: as we never say, Cæsar was in general *a great victor*, but that he was *victor at Pharsalia*. We rarely say Alexander was *victor of Darius*, though we say he was *victor at Arbela*; but we never say he was *victor of Persia*).

This strange race more strange conceits did yield;
Who *victor* seem'd, was to his ruin brought;
Who seem'd o'erthrown, was mistress of the field.
Sir P. Sidney.

Some time the flood prevails, and then the wind,
Both tugging to be *victors*, breast to breast,
Yet neither conqueror, nor conquered.
Shakespear, Henry VI. Part III. ii. 5.

Say where and when
Their fight; what stroke shall bruise the *victor's* heel. *Milton, Paradise Lost*, xii. 384.

Lose not a thought on me, I'm out of danger;
Heaven will not leave me in the *victor's* hand.
Addison, Cato.

2. Pope has used this word in a manner perhaps unauthorized.

There, *victor* of his health, his fortune, friends,
And fame, this lord of useless thousands ends.
Pope, Moral Essays, iii. 313.

Víctoress. *s.* Female victor. *Rare.*

But when the *victoresse* arrived there,
Where late she left the pensive Scudamore
With her own trusty squire, both full of feare,
Neither of them she found.
Spenser, Faerie Queen, iii. 12, 44.

Victórious. *adj.*

1. Conquering; having obtained conquest; superior in contest.

Victory doth more often fall by errour of the vanquished, than by the valour of the *victorious*.—*Sir J. Hayward*.

The Son return'd *victorious* with his saints.
Milton, Paradise Lost, vii. 136.

That happy sun, said he, will rise again,
Who twice *victorious* did our navy see:
And I alone must view him rise in vain,
Without one ray of all his star for me.
Dryden, Annus Mirabilis, c.

2. Producing conquest.

Sudden these honours shall be snatch'd away,
And cursed for ever this *victorious* day.
Pope, Rape of the Lock, canto iii.

3. Betokening conquest.

Now are our brows bound with *victorious* wreaths;
Our bruised arms hung up for monuments.
Shakespear, Richard III. i. 1.

Victóriously. *adv.* In a victorious manner; with conquest; successfully; triumphantly.

That grace will carry us, if we do not wilfully betray our succours, *victoriously* through all difficulties.—*Hammond*.

Víctory. *s.* [Lat. *victoria*.] Conquest; success in contest; triumph.

At his nurse's tears
He whined and roar'd away your *victory*,
That pages blush'd at him.
Shakespear, Coriolanus, v. 5.

Then to the heaven of heavens he shall ascend
With *victory*, triumphing o'er his foes.
Milton, Paradise Lost, xii. 451.

Obedience is a complicated act of virtue, and many graces are exercised in one act of obedience. It is an act of humility, of mortification and self-denial, of charity to God, of care of the publick, of order and charity to ourselves. It is a great instance of a *victory* over the most refractory passions.—*Jeremy Taylor*.

Víctress. *s.* Female that conquers.

I'll lead thy daughter to a conqueror's bed;
And she shall be sole *victress*; Cæsar's Cæsar.
Shakespear, Richard III. iv. 4.

Víctrice. *s.* Female victor.

To have her captived spirit freed from flesh,
And on her innocence a garment fresh,
And white as that, put on: and in her hand
With boughs of palm, a crowned *victrice* stand.
B. Jonson, Underwoods.

Víctual, Víctuals. *s.* [Fr. *victuailles*; Lat. *victus; vivo* = I live.] Provision of food; stores for the support of life; meat; sustenance.

A huge great flagon full I bore,
And in a good large knapsacke, *victles* store.
Chapman.

You had musty *victuals*, and he hath holp to eat it: he hath an excellent stomach.—*Shakespear, Much Ado about Nothing*, i. 1.

He was not able to keep that place three days for lack of *victual*.—*Knolles, History of the Turks*.

Víctual. *v. a.* Store with provision for food.

The children of Israel were numbered, and were all present, [in the margin, were *victualled*].—1 *Kings*, xx. 27.

Víctualler. *s.*

1. One who provides victuals.

They planted their artillery against the haven, to impeach supply of victuals; yet the English *victuallers* surceased not to bring all things necessary.—*Sir J. Hayward*.

Their conquest half is to the *victualler* due.
King, Art of Cookery.

2. One who keeps a house of entertainment.

Vicúgna. *s.* [Peruvian.] In *Zoology*. Animal akin to the camels, of the genus Camelus (Vicunna, Linnæus).

The Mexicans and Peruvians possessed one cereal and that one not of the highest order—maize; and they had the banana and the cocoa-nut. For the horse, the ass, the ox, the buffalo, the elephant, the camel, the sheep, the hog, and the goat of the old world, they had domesticated, to furnish them food, labour, and clothing, only three small feeble animals of the camel family, the Llama, the Alpaca, and *Vicuna*, all still found in the wild state—in this particular differing from the greater number of the domesticated animals of the old world, and implying the rudeness, lateness, and imperfection of American native civilization.—*Crawfurd, Transactions of the Ethnological Society, On the Civilization of Man*.

In the Camel and Dromedary, the upper canines are formidable for their size and shape, but do not project beyond the lips like the tusks of the Musk-deer; they are more feeble in the Llamas and *Vicugnas*, and are always of smaller size in the females than in the males.—*Owen, Anatomy of Vertebrates.*

Vidélicet. *adv.* [Lat. *videre* = see; *licet* = it is allowed, lawful] To wit; that is: (generally written *viz.*).

The poor world is almost six thousand years old, and in all this time there was not any man died in his own person, *videlicet* in a love cause.—*Shakespear, As you like it*, iv. 1.

Vídual. *adj.* [Lat. *vidua* = widow.] Belonging to the state of a widow. *Rare.*

The only pattern of all chastity, virginal, conjugal, and *widual.*—*Partheneia Sacra*, p. 80: 1633.

Vidúity. *s.* Widowhood. *Rare.*

The married woman is under the careful provision of an husband: in that estate four hands work for her; in her *viduity* but two.—*Bishop Hall, Contemplations*, b. iv.

Vie. *v. a.* [N.Fr. *envier*, from Lat. *invito* = I invite, challenge.] Stake; wager; expose to hazard; show, display, or practise in competition: (common as a term at *cards.*)

What need then we *vie* calumnies, like women?
Chapman, Translation of the Iliad.
Nature wants stuff
To *vie* strange forms with fancy.
Shakespear, Antony and Cleopatra, v. 2.
Here's a trick *vied* and revied.—*B. Jonson, Every Man in his Humour.*
They *vie* power and expence with those that are too high.—*Sir R. L'Estrange.*
You *vie* happiness in a thousand easy and sweet diversions.—*Evelyn.*

Vie. *v. n.* Contest; contend; strive for superiority.

In a trading nation, the younger sons may be placed in such a way of life as may enable them to *vie* with the best of their family.—*Addison.*
Now voices over voices rise;
While each to be the loudest *vies.*
Swift, Journal of a Modern Lady.

Vie. *s.* Contest for superiority; contention in the way of rivalry. *Obsolete.*

As to this particular of defaming, both the sexes seem to be at a *vie*; and I think he were a very critical judge that should determine between them.—*Dr. H. More, Government of the Tongue.*
I shall not bring the one end of the other satisfactions to a *vie*, not only that I may not entertain you with a common place, but the comparison would be shamefull.—*Allestree, Sermons*, pt. i. p. 147. (Ord MS.)

View. *s.* [Fr. *vue.*]

1. Prospect.
You should tread a course
Pretty, and full of *view*; yea, haply, near
The residence of Posthumus.
Shakespear, Cymbeline, iii. 4.
The vast parterres a thousand hands shall make,
Lo! Cobham comes and floats them with a lake,
Or cuts wide *views* through mountains to the plain;
You'll wish your hill a shelter'd hill again.
Pope, Moral Essays, iv. 73.

2. Sight; power of beholding.
I go, to take for ever from your *view*,
Both the loved object, and the hated too.
Dryden, Aurengzebe, v. 1.
These things duly weigh'd, will give us a clear *view* into the state of human liberty.—*Locke.*

3. Intellectual sight; mental ken.
Then let us seek
Some safer resolution, which, methinks
I have in *view.* *Milton, Paradise Lost*, x. 1028.

4. Act of seeing.
Roused with the noise he scarce believes his ear,
Willing to think the illusions of his fear
Had given this false alarm; but straight his *view*
Confirms that more than all he fears is true.
Sir J. Denham, Cooper's Hill.

5. Sight; eye.
Objects near our *view* are thought greater than those of a larger size, that are more remote.—*Locke.*

6. Survey; examination by the eye.
Time is lost which never will renew
While we too far the pleasing path pursue,
Surveying nature with too nice a *view.*
Dryden, Translation of the Georgics, iii. 448.

7. Intellectual survey.
If the mind has made this inference by finding out the intermediate ideas, and taking a *view* of the connection of them, it has proceeded rationally.—*Locke.*

8. Space that may be taken in by the eye; reach of sight.
Now the Trojan navy was in *view.*
Dryden, Translation of the Æneid, vii. 150.

9. Appearance; show.
In that accomplish'd mind,
Helpt by the night, new graces find;
Which lays the splendour of her *view*,
Dazzled before we never knew. *Waller.*

10. Display; exhibition to the sight or mind.
To give a right *view* of this mistaken part of liberty, would any one be a changeling, because he is less determined by wise considerations than a wise man?—*Locke.*

11. Prospect of interest.
No man sets himself about any thing, but upon some *view* or other, which serves him for a reason.—*Locke.*

12. Intention; design.
He who sojourns in a foreign country, refers what he sees to the state of things at home; with that *view* he makes all his reflections.—*Bishop Atterbury.*

View. *v. a.*

1. Survey; look on by way of examination.
Go up and *view* the country.—*Joshua*, vii. 2.

2. See; perceive by the eye.
They here with eyes aghast
View'd first their lamentable lot.
Milton, Paradise Lost, ii. 616.

View-hálloo. *s.* In *Hunting.* Cry uttered when the fox, at its find, is seen breaking cover.

But pray what is become of the lady all this while?—Why, Lady Freelove, you told me she was not here; and, i' faith, I was just drawing off another way, if I had not heard the *view-halloo.*—*G. Colman, The Jealous Wife*, ii. 3.
The squire, feeling the warm breath of the creature, bellowed out with all the force of lungs accustomed to give a *view-hallo!*—*Lord Lytton, My Novel*, b. i. ch. ii.

Viéwer. *s.* One who views.

The astrologers, the star-gazers [in the margin, *viewers* of the heavens].—*Isaiah*, xlvii. 13.
You are as fair as if the morning bare ye;
Imagination never made a sweeter:
Can it be possible this frame should suffer,
And, built on slight affections, fright the *viewer?*
Beaumont and Fletcher, Custom of the Country.

Viéwless. *adj.* Unseen; not discernible by the sight.

To be imprison'd in the *viewless* winds,
And blown with restless violence about
The pendant world.
Shakespear, Measure for Measure, iii. 1.
Each stair mysteriously was meant, nor stood
There always, but drawn up to heaven sometimes
Viewless. *Milton, Paradise Lost*, iii. 516.

Vígil. *s.* [Lat. *vigilia*; *vigilor* = I watch.]

1. Watch; devotions performed in the customary hours of rest.
So they in heaven their odes and *vigils* tuned.
Milton, Paradise Regained, i. 182.
Shrines! where their *vigils* pale-eyed virgins keep,
And pitying saints, whose statues learn to weep.
Pope, Eloisa to Abelard.

2. Fast kept before a holiday.
He that outlives this day, and sees old age,
Will yearly on the *vigil* feast his neighbours,
And say, To-morrow is St. Crispian.
Shakespear, Henry V. iv. 3.

3. Service used on the night before a holiday.
No altar is to be consecrated without reliques, which, placed before the church door, the *vigils* are to be celebrated that night before them.—*Bishop Stillingfleet.*
The rivals call my muse another way,
To sing their *vigils* for the ensuing day.
Dryden, Palamon and Arcite, iii. 117.

4. Watch; forbearance of sleep.
Though Venus and her son should spare
Her rebel heart, and never teach her care;
Yet Hymen may perforce her *vigils* keep,
And for another's joy suspend her sleep. *Waller.*
Nothing wears out a fine face like the *vigils* of the card-table, and those cutting passions which attend them.—*Addison.*

Vígilance. *s.* [Fr. *vigilance*; Lat. *vigilantia*; *vigil* = watchful.]

1. Forbearance of sleep.
Ulysses yielded unseasonably to sleep, and the strong passion for his country should have given him *vigilance.*—*Broome.*

2. Watchfulness; circumspection; incessant care.
Shall Henry's conquest, Bedford's *vigilance*,
Your deeds of war, and all our counsel die?
Shakespear, Henry VI. Part II. ii. 1.
Of these the *vigilance*
I dread; and to elude, thus wrapp'd in mist
Of midnight vapour, glide obscure.
Milton, Paradise Lost, ix. 157.

3. Guard; watch.
In at this gate none pass
The *vigilance* here placed, but such as come
Well known from heaven.
Milton, Paradise Lost, iv. 579.

Used *adjectivally*: (as in '*Vigilance* committee,' i.e. committee formed for the purpose of watching the progress of any measure, or of protection in general).

Vígilancy. *s.* Vigilance.

In this their military care, there were few remarkable occasions under the duke, saving his continual *vigilancy*, and voluntary hazard of his person.—*Sir H. Wotton.*
We are enabled to subdue all other creatures; and use for our behoof the strength of the ox, the sagacity and *vigilancy* of the dog.—*Ray.*

Vígilant. *adj.* [Lat. *vigilans, -antis.*] Watchful; circumspect; diligent; attentive.

Take your places, and be *vigilant*:
If any noise or soldier you perceive,
Let us have knowledge.
Shakespear, Henry VI. Part I. ii. 1.
The treasurer, as he was *vigilant* in such cases, had notice of the clerk's expiration so soon, that he procured the king to send a message to the master of the rolls.—*Lord Clarendon, History of the Grand Rebellion.*

Vígilantly. *adv.* Attribute suggested by Vigilant; watchfully; attentively; circumspectly.

Thus in peace, either of the kings so *vigilantly* observed every motion of the others, as if they had lived upon the alarm.—*Sir J. Hayward.*

Vignétte. *s.* [Fr.] Small ornamented, or fanciful engraving, without complete background, or bounding-line, used for the illustration or decoration of a page in any work; picture of leaves and flowers; kind of flourish of leaves and flowers. (Cotgrave writes the word *vignet.*)

Vígorous. *adj.* [Fr. *vigoureux.*] Forcible; not weakened; full of strength and life.

Famed for his valour young;
At sea successful, *vigorous* and strong! *Waller.*
Their appetite is not dulled by being gratified, but returns always fresh and *vigorous.*—*Bishop Atterbury.*

Vígorously. *adv.* In a vigorous manner; with force; forcibly; without weakness.

If the fire burns bright and *vigorously*, it is no matter by what means it was at first kindled.—*South, Sermons.*

Vígorousness. *s.* Attribute suggested by Vigorous; force; strength.

He hath given excellent sufferance and *vigorousness* to the sufferers, arming them with strange courage, heroical fortitude, invincible resolution, and glorious patience.—*Jeremy Taylor.*

Vígour. *s.* [Lat. *vigor.*]

1. Force; strength.
My comeliness [in the margin, *vigour*] was turned in me into corruption, and I retained no strength.—*Daniel*, x. 8.
Such capering, such *vapouring*, such *vigour*, such rigour;
North, South, East, and West, we have cut such a figure;
That soon we shall have the whole world on our ears,
And leave us no friends but Old Nick and Algiers.
T. Moore, Twopenny Postbag.

2. Mental force; intellectual ability.

3. Energy; efficacy.
In the fruitful earth,
His beams, unactive else, their *vigour* find.
Milton, Paradise Lost, viii. 96.
How does Cartesius all his sinews strain,
The earth's attractive *vigour* to explain.
Sir R. Blackmore.

Vígour. *v. a.* Invigorate. *Rare.*

Nor does Apollo's harp e'er sound more high,
Than when 'tis *vigour'd* from a lady's eye.
Fellthan, Poems, p. 582: 1709.

Vild. *adj.* Vile; wicked. *Obsolete.*

Till ye have rooted all the relickes out
Of that *vilde* race. *Spenser, Faerie Queen.*
The vassal of his pleasures *vilde.* *Ibid.*
A *vild* preposterous course.
Whipping of the Satyre: 1601.
He granted life to all except to one, who had used *viled* speeches against king Edward.—*Sir J. Hayward.*

Vile. *adj.* [Fr. *vil*; Lat. *vilis.*]

1. Base; mean; worthless; sordid; despicable.
Our case were miserable, if that wherewith we most endeavour to please God, were in his sight so

vile and despicable as men's disdainful speech would make it.—*Hooker, Ecclesiastical Polity.*

He to-day that sheds his blood with me,
Shall be my brother; be he ne'er so *vile*,
This day shall gentle his condition.
Shakespear, Henry V. iv. 3.

2. Morally impure; wicked.

Restored by thee, *vile* as I am, to place
Of new acceptance. *Milton, Paradise Lost,* x. 971.

Vilely. *adv.* In a vile manner; basely; meanly; shamefully.

They had so *vilely* yielded the town.
Shakespear, Coriolanus, iii. 1.

How can I
Forget my Hector, treated with dishonour,
Deprived of funeral rites, and *vilely* dragg'd,
A bloody corse, about the walls of Troy?
A. Philips, Distressed Mother.

Vileness. *s.* Attribute suggested by Vile.

1. Baseness; meanness; despicableness.

Reflect on the essential *vileness* of matter, and its impotence to conserve its own being.—*Creech.*

Considering the *vileness* of the clay, I wondered that no tribune of that age durst ever venture to ask the potter, What dost thou make?—*Swift.*

2. Moral or intellectual baseness.

Then, *vileness* of mankind!...
Could none, alas! repeat me good or great,
Wash my pale body, or bewail my fate?
Prior, Solomon, iii. 335.

Vilicate. *v. a.* Depreciate; court, or expect to court, as vile. *Rare.*

Baseness what it cannot attaine, will *vilicate* and deprave; as no wonder if a carter censure a scholler, or a clowne or courtier.—*Junius, Cure of Misprision.* (Ord MS.)

Vilification. *s.* Act of vilifying.

They have mingled their own fooleries with it; such as the transmigration of human souls into brutes; *vilification* of marriage, and the like.—*Dr. H. More, Conjectura Cabbalistica,* p. 83: 1653.

Vilify. *v. a.*

1. Debase; degrade; make vile.

Their Maker's image
Forsook them, when themselves they *vilified*
To serve ungovern'd appetite, and took
His image whom they served.
Milton, Paradise Lost, xi. 515.

2. Defame; make contemptible.

Tomalin could not abide,
To hear his sovereign *vilified.*
Drayton, Nymphidia.

The displeasure of their prince, those may expect, who would put in practice all methods to *vilify* his person.—*Addison.*

Vilipend. *v. a.* [Fr. *vilipender*; Lat. *vilipendo.*] Have in no esteem; treat with slight or contempt. *Obsolete.*

They'll *vilipend* thy sacred word, and scoff it.—*Quarles, History of Jonah,* I. i. b.: 1620.

When hypocrites, or sly crafty knaves, are exalted to promotion; and the good are *vilipended* or neglected; that comes to pass not by the election of princes, but through the deceit and fraudulent tricks of others.—*Translation of Boccalini,* p. 227: 1626.

Vilipéndency. *s.* Disesteem; slight; contempt. *Obsolete.*

The mighty Goliahs of Rome, by this way of *vilipendency*, hope to give our clergy's flesh to be food for the fowls of the air.—*Waterhouse, Apology for Learning,* p. 149; 1653.

Not content with this *vilipendency*, they grew higher in their demand.—*Hacket, Life of Archbishop Williams,* p. 77.

Vilipénding. *verbal abs.* Disesteem. *Obsolete.*

If it be to the scorning and *villipending* of a man, it may be called the sin of the men of Succoth, who slighted Gideon.—*Bishop Andrews, On the Decalogue,* p. 508.

Vility. *s.* Vileness. *Rare.*

The comedians wore these [socks] to represent the *vility* of the persons they represented; as debauched young sparks, old crazy mizers, pimps, parasites, strumpets, and the rest of that gang.—*Kennet, Roman Antiquities,* pt. ii. b. v. ch. vi.

Vill. *s.* [Fr. *ville*; Lat. *villa.*] Village; small collection of houses. *Rare.*

This book gives an account of the manurable lands in every manor, town, or *vill.*—*Sir M. Hale.*

Villa. *s.* [Lat.; Italian.] Country seat.

The ancient Romans lay the foundations of their *villas* and palaces within the very borders of the sea.—*Addison.*

All vast possessions; just the same the case,
Whether you call them *villa*, park, or chase.
Pope, Imitations of Horace, b. ii. ep. ii.

Village. *s.* Small collection of houses in the country, less than a town.

Beggars, with roaring voices, from low farms,
Or pelting *villages*, sheep-cotes, and mills,
Enforce their charity.
Shakespear, King Lear, ii. 3.

The country *villages* were burnt down to the ground.—*Knolles, History of the Turks.*

Used *adjectively.*

The early *village* cock
Hath twice done salutation to the morn.
Shakespear, Richard III. v. 3.

You have many enemies, that know not
Why they are so; but, like the *village* curs,
Bark when their fellows do.
Id., Henry VIII. ii. 4.

Villager. *s.* Inhabitant of the village.

Brutus had rather be a *villager*,
Than to repute himself a son of Rome
Under such hard conditions.
Shakespear, Julius Cæsar, i. 2.

Villagery. *s.* District of villages. *Rare.*

Robin Goodfellow, are you not he,
That fright the maidens of the *villagery?*
Shakespear, Midsummer-Night's Dream, ii. 1.

Villain. *s.* [Lat. *villanus*, from Villa; the word meaning, originally, one attached to the land connected with a *vill* or *village*; thence, those who, being destitute of freedom, were deemed destitute of virtue. The spelling (with *ai* rather than *ei*) is of the previous editions. It is extended to the whole class of derivatives, even to *villanage*, the Low Latin form of which is *villenagium.*]

1. Predial servant; serf.

The Irish inhabiting the lands fully conquered, being in condition of slaves and *villains*, did render a greater revenue, than if they had been made the king's free subjects.—*Sir J. Davies, Discourse on the State of Ireland.*

A trusty *villain*, sir; that very oft,
When I am dull with care and melancholy,
Lightens my humour with his merry jests.
Shakespear, Comedy of Errors, i. 2.

The characteristic distinction of a *villein* was his obligation to remain upon his lord's estate. He was not only precluded from selling the lands upon which he dwelt, but his person was bound, and the lord might reclaim him at any time, by suit in a court of justice, if he ventured to stray. But equally liable to this confinement there were two classes of *villeins*, whose condition was exceedingly different. In England, at least from the reign of Henry II., one only, and that the inferior species, existed; incapable of property, and destitute of redress, except against the most outrageous injuries.—*Hallam, View of the State of Europe during the Middle Ages,* ch. ii. pt. ii.

I have remarked of the Anglo-Saxon ceorls, that neither their situation nor that of their descendants for the earlier reigns after the Conquest appears to have been mere servitude. But from the time of Henry II., as we learn from Glanvil, the *villein* so called was absolutely dependent upon his lord's will, compelled to unlimited services, and destitute of property, not only in the land he held for his maintenance, but in his own acquisitions.... Yet there are circumstances which materially distinguish it from slavery. The condition of *villenage*, at least in later times, was perfectly relative; it formed no distinct order in the political economy. No man was a *villein* in the eye of the law, unless his master claimed him: to all others he was a freeman, and might acquire, dispose of, or sue for property without impediment.... This class was distinguished into *villeins* regardant, who had been attached from time immemorial to a certain manor, and *villeins* in gross, where such territorial prescription had never existed, or had been broken. In the condition of these, whatever has been said by some writers, I can find no manner of difference; the distinction was merely technical, and affected only the mode of pleading.—*Ibid.* ch. viii. pt. iii.

According to the ancient law books, such as Glanville and Bracton, the *villein* of the early middle ages was absolutely dependent on his lord.... It is further stated that *villeins* were Regardant and In Gross.... This distinction has been disputed by Mr. Hallam, who inclines to the view that the condition of *villeins* was exceedingly depressed. Historical evidence, derived from contemporary documents, presents us, however, with a very different picture. The *villein*, in the thirteenth century at least, is in possession of land, which he holds permanently at labour or money rents, and which descends to his representatives on payment of a slight fine.... If the state of the *villein* described by Glanville had ever any literal existence, a great change must have been effected during the long and obscure reign of Henry III. It is certain that the condition of *villeins* became better and better during the fourteenth and fifteenth centuries, and that they had become copyholders long before the Reformation. The last enfranchisement is found in the reign of Elizabeth, when a fine was paid, not we may be sure for social privileges, or legal equality, but for some larger rights over land. The latest plea of *villenage* alleged as a defence to an action, was made in the reign of James I., but the court unanimously decided that servitude was unknown to the English law, and that the plea was bad.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Wicked wretch.

We were prevented by a dozen armed knights, or rather *villains*, who, using this time of their extreme feebleness, all together set upon them.—*Sir P. Sidney.*

Calm thinking *villains*, whom no faith could fix;
Of crooked counsels, and dark politicks.
Pope, Temple of Fame

Villainage. *s.* [see under Villain.]

1. State of a villain.

They exercise most bitter tyranny
Upon the parts brought into their bondage:
No wretchedness is like to sinful *villanage.*
Spenser.

Upon every such surrender and grant there was but one freeholder, which was the lord himself; all the rest were but tenants in *villanage*, and were not fit to be sworn in juries.—*Sir J. Davies, Discourse of the State of Ireland.*

When one parent was free and the other in *villenage*, the offspring followed their father's condition.—*Hallam, View of the State of Europe during the Middle Ages,* pt. iii. ch. viii.

(See also under Villain.)

2. Lands and tenements held by a villein.

The tenements in *villenage*, whether by law or usage, were never separated from the lordship, while its domain was reduced to a smaller extent, through sub-infeudations, sales, or demises for valuable rent.—*Hallam, View of the State of Europe during the Middle Ages,* pt. iii. ch. viii.

3. Baseness; infamy.

If in thy smoke it ends, their glories shine;
But infamy and *villanage* are thine.
Dryden, Wife of Bath's Tale, 442.

Villainize. *v. a.* Debase; degrade; defame.

Were virtue by descent, a noble name
Could never *villanize* his father's fame.
Dryden, Wife of Bath's Tale, 404.

These are the fools whose stolidity can baffle all arguments; whose glory is in their shame, in the debasing and *villanizing* of mankind to the condition of beasts.—*Bentley.*

Villainizer. *s.* One who villainizes, degrades, debases, or defames.

Renouncers of God, blasphemers of his only begotten Son, *villanisers* of his saints, and scorners of his service.—*Sir E. Sandys, State of Religion,* P. 3. b.: 1605.

Villainous. *adj.*

1. Base; vile; wicked.

There is nothing but roguery to be found in *villainous* man.—*Shakespear, Henry IV. Part I.* ii. 4.

All manner of *villanous* and flagitious actions.—*Hallywell, Melampronœa,* p. 80.

2. Sorry: (in a familiar sense).

Thou art my son; I have partly thy mother's word, partly my own opinion; but chiefly a *villainous* trick of thine eye doth warrant me.—*Shakespear, Henry IV. Part I.* ii. 4.

Villainously. *adv.* In a villainous, base, or extremely bad, manner.

The wandering Numidian falsified his faith, and *villanously* slew Selymes the king, as he was bathing himself.—*Knolles, History of the Turks.*

Villainy. *s.*

1. Wickedness; baseness; depravity; gross atrociousness.

Trust not those cunning waters of his eyes;
For *villainy* is not without such rheum:
And he, long traded in it, makes it seem
Like rivers of remorse and innocence.
Shakespear, King John, iv. 3.

2. Wicked action; crime: (in this sense it has a *plural*).

No *villainy* or flagitious action was ever yet committed, but a lie was first or last the principal engine to effect it.—*South, Sermons.*

Such *villanies* roused Horace into wrath;
And 'tis more noble to pursue his path,
Than an old tale.
Dryden, Translation of Juvenal, i. 78.

Villakin. *s.* Diminutive villa. *A coined and hybrid word.*

My ambition, at present, is levelled to the same point that you direct me to; for I am every day building *villakins*, and have given over that of castles.—*Gay, Letter to Swift,* March 31, 1730.

Villátic. *adj.* [Lat. *villaticus.*] Belonging to villages.

The perched roosts,
And nests in order ranged,
Of tame *villatick* fowl.
Milton, Samson Agonistes, 1693.

He consulted with her how I might be most advantageously dressed for my first appearance, and

most expeditiously disencumbered from my *villatick* bashfulness.—*Johnson, Rambler*, no. 147.

Villi. *s.* [Lat., plural of *villus* = long hair of animals.] In *Anatomy.* Collection of minute vascular processes, covering the surface so thickly as to give it a velvety or fleecy appearance.

The *villi* . . . cover, in the proportion of about twenty-five to every square line of the surface (hence called *villous*) of the mucous membrane of the small intestine. . . . They promote the absorption of chyle from the completely digested food.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Villous. *adj.* Abounding in, covered with, villi; shaggy.

The liquor of the stomach, which with fasting grows sharp, and the quick sensation of the inward *villous* coat of the stomach, seem to be the cause of the sense of hunger.—*Arbuthnot.*

Vimíneous. *adj.* [Lat. *vimineus*, from *vimen, viminis* = twig.] Made of twigs. *Rare.*

As in the hive's *vimineous* dome,
Ten thousand bees enjoy their home;
Each does her studious action vary,
To go and come, to fetch and carry.
Prior, Alma, iii. 172.

Vináceous. *adj.* [Lat. *vinaceus*, from *vinum* = wine.] Of or belonging to wine and grapes. *Rare.*

The general colour of the bird is brown, changing to *vinaceous* red on the breast.—*White, Journal*, p. 146.

Vincible. *adj.* [Lat. *vinco* = I conquer.] Capable of being conquered. *Rare.*

He, not *vincible* in spirit, and well assured that shortness of provision would in a short time draw the seditious to shorter limits, drew his sword.—*Sir J. Hayward.*

Because 'twas absolutely in my power to have attended more heedfully, there was liberty in the principle, the mistake which influenced the action was *vincible*.—*Norris.*

Vínculum. *s.* [Lat. = chain, fetter, bond, tie.] In *Algebra.* Mark connecting several letters or quantities, shewing that they are to be treated as a single quantity.

Vieta first used the bar or line over the quantities for a *vinculum*; thus, $a \times \overline{b \times c}$; meaning that the quantity *a* is to be multiplied by the sum of the quantities *b* and *c*. . . . The parenthesis . . . is said by Hutton to have been first used as a *vinculum* by Albert Gerard.—*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Vindémiate. *v. n.* Gather the Vintage.

Now *vindemiate*, and take your bees towards the expiration of this month.—*Evelyn.*

Vindicable. *adj.* Capable of being vindicated, defended, or supported.

You close your defence of this *vindicable* expression.—*Dr. Rutherford, Letter to Dr. Kennicott*, p. 50: 1762.

Vindicate. *v. a.* [Lat. *vindicatus*, pass. part. of *vindico*; *vindicatio, -onis.*]

1. Justify; support; maintain.

Where the respondent denies any proposition, the opponent must directly *vindicate* and confirm that proposition; i. e. he must make that proposition the conclusion of his next syllogism.—*Watts, Improvement of the Mind.*

2. Revenge; avenge. *Rare.*

We ought to have added, how far an holy war is to be pursued: whether to enforce a new belief, and to *vindicate* or punish infidelity.—*Bacon.*

Man is not more inclinable to obey God than man; but God is more powerful to exact subjection, and to *vindicate* rebellion.—*Bishop Pearson, Exposition of the Creed.*

The more numerous the offenders are, the more his justice is concerned to *vindicate* the affront.—*Archbishop Tillotson.*

3. Assert; claim with efficacy.

The beauty of this town, without a fleet,
From all the world shall *vindicate* her trade.
Dryden, Annus Mirabilis, cccl.

Never any touch'd upon this way, which our poet justly has *vindicated* to himself.—*Id., Preface to Translations from Ovid.*

4. Clear; protect from censure.

God's ways of dealing with us, are by proposition of terrors and promises. To these is added the authority of the commander, *vindicated* from our neglect by the interposition of the greatest signs and wonders in the hands of his prophets, and of his Son.—*Hammond.*

Vindicátion. *s.* Defence; assertion; justification.

This is no *vindication* of her conduct. She still acts a mean part, and, through fear, becomes an accomplice, in endeavouring to betray the Greeks.—*Broome.*

Vindicative. *adj.* Revengeful; given to revenge: (in the first extract with the *accent* on the *second* syllable).

He, in heat of action,
Is more *vindicative* than jealous love.
Shakespear, Troilus and Cressida, iv. 5.

Publick revenges are for the most part fortunate; but in private revenges it is not so. *Vindicative* persons live the life of witches, who, as they are mischievous, so end they unfortunate.—*Bacon, Essays, Of Revenge.*

Distinguish betwixt a passion purely *vindicative*, and those counsels where Divine justice avenges the innocent.—*Sir R. L'Estrange.*

Vindicator. *s.* One who vindicates; asserter.

He treats tyranny, and the vices attending it, with the utmost rigour; and consequently a noble soul is better pleased with a jealous *vindicator* of Roman liberty, than with a temporizing poet.—*Dryden.*

Vindicatory. *adj.*

1. Punitory; performing the office of vengeance.

The afflictions of Job were no *vindicatory* punishments to take vengeance of his sins, but probatory chastisements to make trial of his graces.—*Bishop Bramhall, Answer to Hobbes.*

2. Defensory; justificatory.

Vindictive. *adj.* Given to revenge; revengeful.

I am *vindictive* enough to repel force by force.—*Dryden.*

Augustus was of a nature too *vindictive* to have contented himself with so small a revenge.—*Id.*

Vindictively. *adv.* In a vindictive manner; revengefully.

Revengingly [is] with vengeance, *vindictively*.—*Johnson*, in voce *Revengingly.*

Vine. *s.* [Lat. *vinea* = vineyard.] Plant that bears the grape.

In her days every man shall eat in safety,
Under his own *vine*, what he plants.
Shakespear, Henry VIII. v. 4.

As the *first element* in a *compound.*

The captain of the guard left of the poor of the land to be *vine-dressers*.—2 *Kings*, xxv. 12.

Vined. *adj.* Having leaves like those of the vine. *Rare.*

Other licentious inventions of wreathed, and *vined*, and figured columns, our author himself condemneth.—*Sir H. Wotton, Elements of Architecture.*

Vínegar. *s.* [Fr. *vinaigre*; Lat. *vinum* = wine + *ægrum* = sick, or *acre* = sharp, sour.]

1. Sour liquid, the result of the *acetous* (as opposed to the *vinous*) fermentation of liquids; its sourness, or acidity, being due to the acetic (Lat. *acetum* = vinegar) acid.

Vinegar is made by setting the vessel of wine against the hot sun; therefore *vinegar* will not burn, much of the finer parts being exhaled.—*Bacon.*

One master passion in the breast,
Like Aaron's serpent, swallows up the rest; . . .
Reason itself but gives it edge and power,
As heav'n's blest beam turns *vinegar* more sour.
Pope, Essay on Man, ii. 131.

2. Anything really or metaphorically sour: (used *adjectivally*).

Some laugh like parrots at a bagpiper,
And others of such *vinegar* aspect,
That they'll not shew their teeth in way of smile.
Shakespear, Merchant of Venice, i. 1.

Vínegarette. *s.* [Fr. *vinaigrette.*] Bottle or small box, generally of silver, for aromatic vinegar (i.e. acetic acid).

Your Fanny was never false-hearted,
And this she protests and she vows,
From the 'triste moment' when we parted
On the staircase of Devonshire House!
I blushed when you asked me to marry,
I vowed I would never forget;
And at parting I gave my dear Harry
A beautiful *vinegarette.*
Thackeray, The Almack's Adieu.

Víner. *s.*

1. Trimmer of vines.

2. Member of the Vintners' Company.

And now, worshipful sirs,
Go fold up your furs.
And *Viners* turn again, turn again:
I see, whoe'er's freed,
You for slaves are decreed,
Until you burn again, burn again. *Marvell.*

Vineyard. *s.* Ground planted with vines.

Let us not live in France; let us quit all,
And give our *vineyards* to a barbarous people.
Shakespear, Henry V. iii. 5.

Though some had so surfeited in the *vineyards*, and with the wines, that they had been left behind, the generosity of the Spaniards sent them all home again.—*Lord Clarendon, History of the Grand Rebellion.*

Vingt-un. *s.* [Fr. = twenty-one.] Game of cards, in which it is the object of the players to get either exactly twenty-one pips or the nearest number not exceeding it.

Vínnewed. *adj.* Fenowed; mildewed.

Being long kept, they grow hoar and *vinewed*.—*Newton, Herbal to the Bible*: 1587.

Vínnewedness. *s.* Attribute suggested by Vinnewed; state of being vinnewed.

Hoariness or *vinnewedness*, such as is on bread or meat long kept.—*Barret, Alvearie*, in voce *Hoarie*: 1580.

Vínous. *adj.* [Fr. *vineux*; Lat. *vinosus.*] Having the qualities of wine; consisting of wine.

The motion of the oily drops may be in part due to some partial solution made by the *vinous* spirit.—*Boyle.*

Water will imbibe
The small remains of spirit, and acquire
A *vinous* flavour. *J. Philips, Cyder*, ii. 104.

Vintage *s.* [N.Fr. *vendange*; Lat. *vindemia.*] Produce of the vine for the year; time in which grapes are gathered.

The best wines are in the driest *vintages*.—*Bacon.*

Our first success in war make Bacchus crown,
And half the *vintage* of the year our own. *Waller.*

Vintage. *v. a.* Pluck, crop, or gather as grapes at the vintage. *Rare.*

I humbly beseech his majesty that these royal boughs of forfeiture may not be *vintaged* or cropped by private suitors.—*Bacon, Works*, vol. v. p. 509. (Ord MS.)

Vintager. *s.* Gatherer of the grape harvest.

The summit shone
Like Athos seen from Samothracia, drest
In earliest light by *vintagers*.
Shelley, The Revolt of Islam, v. 43.

Vintner. *s.* [L.Lat. *vinetarius.*] One who sells wine; Wine-tonner.

The *vintner* may draw what religion he pleases.—*Howell.*

The *vintner*, by mixing poison with his wines, destroys more lives than any malignant disease.—*Swift.*

Vintry. *s.* Place or district, occupied by vintners: (at present a proper *local*, rather than a general *common*, name).

St. Martin in the *Vintry* was, in the reign of Edward I., called St. Martin Baremanne church.—*Herbert, History of the Twelve Great Livery Companies of London*, vol. ii. p. 630: 1836.

Víny. *adj.*

On Baiæ's *viny* coast. *Thomson, Liberty*, pt. i.

Víol. *s.* [Fr. *violle*; Italian, *viola.* See also under Violin.] Fiddle.

My tongue's use is to me no more
Than an unstringed *viol*, or a harp.
Shakespear, Richard II. i. 3.

To strain a string, stop it with the finger, as in the necks of lutes and *viols*.—*Bacon.*

Loud o'er the rest Cremona's trump doth sound;
Me softer airs befit, and softer strings
Of lute, or *viol* still, more apt for mournful things.
Milton, Ode on the Passion, 26.

Vióla. *s.* Tenor violin.

(For example, see under Violin.)

Violate. *v. a.* [Lat. *violatus*; pass. part. of *violo*; *violatio, -onis.*]

1. Injure; hurt.

I question thy bold entrance . . .
Employ'd it seems to *violate* sleep of those
Whose dwelling God hath planted here in bliss.
Milton, Paradise Lost, iv. 882.

2. Infringe; break anything venerable.

Those offences which are by their special qualities breaches of supernatural laws, do also, for that they are generally evil, *violate* in general that principle of reason, which willeth universally to fly from evil.—*Hooker, Ecclesiastical Polity.*

Those reasonings which, by *violating* common sense, tend to subvert every principle of rational

belief, to sap the foundation of truth and science, and to leave the mind exposed to all the horrors of scepticism.—*Beattie.*

3. Injure by irreverence.
I would *violate* my own arm rather than a church.—*Sir T. Browne.*

4. Ravish; deflower.

Violátion. *s.*

1. Infringement or injury of something sacred or venerable.
Their right conceit that to perjury vengeance is due, was not without good effect, as touching the course of their lives, who feared the wilful *violation* of oaths.—*Hooker, Ecclesiastical Polity.*
Men, who had no other guide but their reason, considered the *violation* of an oath to be a great crime.—*Addison.*

2. Rape; act of deflowering.
If your pure maidens fall into the hand
Of hot and forcing *violation.*
Shakespear, Henry V. iii. 3.

Violator. *s.*

1. One who injures or infringes something sacred.
May such places, built for divine worship, derive a blessing upon the head of the builders, as lasting as the curse that never fails to rest upon the sacrilegious *violators* of them!—*South, Sermons.*

2. Ravisher.
Angelo is an adulterous thief,
An hypocrite, a virgin *violator.*
Shakespear, Measure for Measure, v. 1.
How does she subject herself to the *violator's* upbraidings and insults!—*Richardson, Clarissa.*

Violence. *s.* [Lat. *violentia.*]

1. Force; strength applied to any purpose.
To be imprison'd in the viewless wind,
And blown with restless *violence* about.
Shakespear, Measure for Measure, iii. 1.
All the elements
At least had gone to wreck, disturb'd and torn
With *violence* of this conflict.
Milton, Paradise Lost, iv. 993.

2. Attack; assault; murder.
A noise did scare me from the tomb:
And she, too desperate, would not go with me:
But, as it seems, did *violence* on herself.
Shakespear, Romeo and Juliet, v. 3.

3. Outrage; unjust force.
Grieved at his heart, when looking down he saw
The whole earth fill'd with *violence*; and all flesh
Corrupting each their way.
Milton, Paradise Lost, xi. 887.

4. Eagerness; vehemence.
That seal
You ask with such a *violence,* the king
With his own hand gave me.
Shakespear, Henry VIII. iii. 2.

5. Injury; infringement.
We cannot, without offering *violence* to all records, divine and human, deny an universal deluge.—*T. Burnet, Theory of the Earth.*

6. Forcible defloration.

Violence. *v. a.*

1. Assault; injure.
Then surely love hath none, nor beauty any,
Nor nature *violenced* in both these.
B. Jonson, Devil is an Ass.

2. Bring by violence.
Like our late misnamed high court of justice, to which the loyal and the noble, the honest and the brave, were *violenced* by ambition and malice.—*Fellthan, Resolves,* ii. 64.

Violent. *adj.* [Lat. *violentus.*]

1. Forcible; acting with strength.
A *violent* cross wind blows.
Milton, Paradise Lost, iii. 487.

2. Produced or continued by force.
The posture we find them in, according to his doctrine, must be looked upon as unnatural and *violent*; and no *violent* state can be perpetual.—*T. Burnet, Theory of the Earth.*

3. Not natural, but brought by force.
Conqueror death discovers them scarce men!
Violent or shameful death their due reward.
Milton, Paradise Regained, iii. 86.

4. Assailant; acting by force.
Some *violent* hands were laid on Humphrey's life.
Shakespear, Henry VI. Part II. iii. 2.
A foe subtile or *violent.*
Milton, Paradise Lost, ix. 324.

5. Unseasonably vehement.
We might be reckoned fierce and *violent,* to tear away that which, if our mouths did condemn, our consciences would storm and repine thereat.—*Hooker, Ecclesiastical Polity.*

6. Extorted; not voluntary.
How soon unsay
Vows made in pain, as *violent* and void!
Milton, Paradise Lost, iv. 96.

Violent. *s.* Assailant.
Did the covetous extortioner observe that he is involved in the same sentence, remember that such *violents* shall not take heaven, but hell, by force.—*Dr. H. More, Decay of Christian Piety,* p. 53.

Violent. *v. n.* Become violent; act with violence. *Rare.*
Why tell you me of moderation?
The grief is fine, full, perfect, that I taste,
And *violenteth* in a sense as strong
As that which causeth it.
Shakespear, Troilus and Cressida, iv. 4.

Violent. *v. a.* Urge with violence.
His former adversaries *violented* anything against him.—*Fuller, Worthies in Anglesea.*

Violently. *adv.* In a violent manner; with force; forcibly; vehemently.

(For example see Violin.)

Violóne. *s.* [Italian.] In *Music.* Double bass. See under Violin.

Víper. *s.*

1. In *Zoology.* See extract.
A *viper* came out of the heat, and fastened on his hand.—*Acts,* xxviii. 3.
Viper (Latin, *vipera*; from *vivus,* alive, and *pario,* I bring forth), [is] the common name of a genus of venomous serpents which produce living young, and have a head broader than the neck, and no pits behind the nostrils. The true *vipers* are distinguished by the head being covered with scales, like those on the back, and by the nostrils being very large. The horned *viper* of North Africa and the puff adder of South Africa belong to this group. The adders have the head covered with granular scales, with larger ones intermixed in some species, and have the nostrils of moderate size. The black adder and the common adder, which are the only indigenous venomous reptiles of Great Britain, are examples of this group.—*Owen,* in *Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Anything mischievous.
Where is this *viper,*
That would depopulate the city, and
Be every man himself?
Shakespear, Coriolanus, iii. 1.

Víperous. *adj.* Having the qualities of a viper.
My tender years can tell,
Civil dissention is a *vip'rous* worm,
That gnaws the bowels of the commonwealth.
Shakespear, Henry VI. Part I. iii. 1.
Some *viperous* critick may bereave
The opinion of thy worth for some defect.
Daniel, Musophilus.

Vípergrass. *s.* Native plant, akin to Borage, of the genus Echium (viperinum); viper's-bugloss.
Vipergrass, ... medicinal and excellent against the palpitation of the heart; ... besides a very sweet and pleasant sallet.—*Evelyn.*

Viragínian. *adj.* Belonging to a virago.
The remembrance of his old conversation among the *viraginian* trollops.—*Milton, Apology for Smectymnuus,* § 6.

Virágo. *s.* [Lat.] Female warrior; woman with the qualities of a man; commonly used for an impudent turbulent woman.
Melpomene is represented like a *virago* or manly lady, with a majestick and grave countenance.—*Peacham.*
To arms! to arms! the fierce *virago* cries,
And swift as lightning to the combat flies.
Pope, Rape of the Lock, canto v.

Vírelay. *s.* [Fr.] Little ancient French poem, that consisted only of two rhymes, and short verses, with stops.
The mournful mirth in muse now list ne mask,
As she was wont in youngth and summer days;
But if thou algate lust light *virelays,*
And looser songs of love to undersong.
Spenser, Shepherd's Calendar.

Vírent. *adj.* [Lat. *virens, -entis,* pres. part. of *vireo* = I am green.] Green. *Rare.*
In these, yet fresh and *virent,* they carve out the figures of men and women.—*Sir T. Browne, Vulgar Errours.*

Vírgate. *s.* [L.Lat. *virgata.*] Measure of land.
With regard to smaller and detached parcels of land occupied in this parish, I have discovered that lady Elizabeth Montacute, wife of sir William de Montacute, afterwards married to Thomas lord Furnivall, possessed one *virgate,* about the year 1330.—*T. Warton, History of the Parish of Kiddington,* p. 45.

Vírgin. *s.* [Lat. *virgo, -inis.*]

1. Maid; woman unacquainted with men.
The damsel was very fair, and a *virgin.*—*Genesis,* xxiv. 16.
This aspect of mine hath fear'd the valiant;
The best regarded *virgins* of our clime
Have loved it too.
Shakespear, Merchant of Venice, ii. 1.
Much less can that have any place,
At which a *virgin* hides her face. *Cowley.*

2. Woman not a mother. *Unusual.*
Likest to Ceres in her prime,
Yet *virgin* of Proserpina from Jove.
Milton, Paradise Lost, ix. 395.

3. Sign of the Zodiac, in which the sun is in August.
Thence down amain by Leo and the *Virgin.*
Milton, Paradise Lost, x. 676.

4. Applied to males.
St. Hierom did not content that all priests ought to be *virgins.*—*Jeremy Taylor, Ductor Dubitantium.* (Ord MS.)
We know how Paphmithus, himselfe a *virgin* famous for holiness, famous for miracles, rising, cryed aloud, that they ought not to lay this heavy yoke upon men of the church.—*Bishop Hall.*

Used *adjectivally,* and as the *first element* in a *compound.* Anything untouched or unmingled; anything pure: (as, *virgin-honey*).
Can you blame her then, being a maid, yet rosed over with the *virgin* crimson of modesty, if she deny the appearance of a naked blind boy?—*Shakespear, Henry V.* v. 2.
Tapers of white wax, commonly called *virgin-wax,* burn with less smoke than common yellow wax.—*Boyle.*

Vírgin. *v. n.* Play the virgin.
A kiss
Long as my exile, sweet as my revenge,
I carried from thee, my dear; and my true lip
Hath *virgin'd* it e'er since.
Shakespear, Coriolanus, v. 2.

Vírginal. *adj.* Maiden; maidenly; pertaining to a virgin. *Rare.*
On the earth more fair was never seen,
Of chastity and honour *virginal.*
Spenser, Faerie Queen.
Tears *virginal*
Shall be to me even as the dew to fire.
Shakespear, Henry VI. Part II. v. 2.
Purity is a special part of this superstructure, restraining of all desires of the flesh within the known limits of conjugal or *virginal* chastity.—*Hammond, On Fundamentals.*

Vírginal. *s.* Musical instrument so called, because commonly used by young ladies.
The musician hath produced two means of straining strings. The one is stopping them with the finger, as in the necks of lutes and viols; the other is the shortness of the string, as in harps and *virginals.*—*Bacon.*

Vírginal. *v. n.* Pat; strike as on the virginal. *Rhetorical.*
Still *virginalling* upon his palm.
Shakespear, Winter's Tale, i. 2.

Virgínia. *s.* The commonest kind of tobacco (shag), named from Virginia, the country of its growth.

But the authority of his princes and of his priests united could not keep him from tobacco. Pipes he could not obtain; but a cow's horn perforated served his turn. From every Archangel fair rolls of the best *Virginia* speedily found their way to Novgorod and Tobolsk.—*Macaulay, History of England*, ch. xxiii.

Virgínity. *s.* Maidenhood; unacquaintance with man.

You do impeach your modesty too much,
To trust the opportunity of night,
And the ill counsel of a desert place,
With the rich worth of your *virginity*.
Shakespear, Midsummer-Night's Dream, ii. 2.

Natural *virginity* of itself is not a state more acceptable to God; but that which is chosen in order to the conveniences of religion, and separation from worldly incumbrances.—*Jeremy Taylor*.

Vírgo. *s.* [Lat.] Sixth sign in the zodiac; the Virgin.

Virgo hath twenty-six stars.—*Moxon*.

Virídity. *s.* [Lat. *viriditas*; *viridis* = green.] Greenness.

This deification of their trees for their age and perennial *viridity*, says Diodorus, might spring from the manifold use which they afforded.—*Evelyn, Sylva*, b. iv. § 13.

Vírile. *adj.* [Lat. *virilis*; *vir* = man.]

1. Belonging to man; not puerile; not feminine.

If there be any charm to overcome man and all his *virile* virtues, 'tis woman that does effect it.—*Felltham, Discourse on St. Luke*, xiv. 20.

2. Procreative.

The knot which debilitated and enfeebled his *virile* inclinations.—*Sir P. Ricaut, Present State of the Greek and Armenian Churches*, p. 314.

Virílity. *s.* [Fr. *virilité*; Lat. *virilitas*.]

1. Manhood; character of man.

The lady made generous advances to the borders of *virility*.—*Johnson, Rambler*.

2. Power of procreation.

The great climacterical was past, before they begat children, or gave any testimony of their *virility*; for none begat children before the age of sixty-five.—*Sir T. Browne*.

Virtú. *s.* [Italian.] Love of the fine arts; taste for curiosities.

As this people [the Romans] was of so military a turn, they generally gave fortitude the name of *virtus*, or *the virtue*, by way of excellence; just as the same nation, now they are so debased and effeminated, call the love of the softer arts, *virtù*.—*Spence, Polymetis*, dialogue x.

Let his holiness's taste of *virtù* be ever so bad, pray get somebody to present you to him before you leave Rome.—*Lord Chesterfield*.

I had thoughts in my chamber to place it in view,
To be shown to my friends as a piece of *virtù*.
Goldsmith, The Haunch of Venison.

Vírtual. *adj.* Having the efficacy without the sensible or material part.

Heat and cold have a *virtual* transition, without communication of substance.—*Bacon*.

Love not the heavenly spirits? And how their love
Express they? by looks only? or, do they mix
Irradiance? *virtual*, or immediate touch?
Milton, Paradise Lost, viii. 615.

Neither an actual or *virtual* intention of the mind, but only that which may be gathered from the outward acts.—*Bishop Stillingfleet*.

Virtuálity. *s.* Virtual character.

In one grain of corn there lieth dormant a *virtuality* of many other, and from thence sometimes proceed an hundred ears.—*Sir T. Browne, Vulgar Errours*.

Vírtually. *adv.* In a virtual manner; in effect, though not materially.

Such is our constitution, that the bulk of the people *virtually* give their approbation to every thing they are bound to obey.—*Addison*.

Vírtuate. *v. a.* Make efficacious. *Rare.*

Potable gold should be endued with a capacity of being assimilated to the innate heat, and radical moisture; or at least *virtuated* with a power of generating the said essentials.—*Harvey*.

Vírtue. *s.* [Lat. *virtus*.]

1. Moral goodness: (opposed to *vice*).

Either I'm mistaken, or there is *virtue* in that Falstaff.—*Shakespear, Henry IV. Part II.* ii. 4.

If there 's a power above us,
And that there is, all nature cries aloud
Through all her works, he must delight in *virtue*,
And that which he delights in must be happy.
Addison, Cato, v. 1.

2. Particular moral excellence.

In Belmont is a lady,
And she is fair, and, fairer than that word,
Of wond'rous *virtues*.
Shakespear, Merchant of Venice, i. 1.

3. Medicinal quality.

All blest secrets,
All you unpublish'd *virtues* of the earth,
Be aidant and remediate.
Shakespear, King Lear, iv. 4.

(See also under Virtuous, 5.)

4. Medicinal efficacy.

An essay writer must practise the chymical method, and give the *virtue* of a full draught in a few drops.—*Addison*.

5. Efficacy; power: (before *virtue* is used sometimes *by* and sometimes *in*; by *in virtue* is meant *in consequence* of the *virtue*).

If neither words nor herbs will do, I'll try stones; for there's a *virtue* in them.—*Sir R. L'Estrange*.

Where there is a full purpose to please God, there, what a man can do, shall, *by virtue* thereof, be accepted.—*South, Sermons*.

They are not sure, *by virtue* of syllogism, that the conclusion certainly follows from the premises.—*Locke*.

This they shall attain, partly *in virtue* of the promise made by God, and partly *in virtue* of piety.—*Bishop Atterbury*.

6. Acting power.

Jesus immediately knowing in himself that *virtue* had gone out of him, turned him about.—*Mark*, v. 30.

7. Secret agency; efficacy, without visible or material action.

She moves the body, which she doth possess;
Yet no part toucheth, but by *virtue's* touch.
Sir J. Davies, Immortality of the Soul.

8. Bravery; valour. *Latinism.*

Trust to thy single *virtue*; for thy soldiers,
All levied in my name, have in my name
Took their discharge. *Shakespear, King Lear*, v. 3.

The conquest of Palestine with singular *virtue* they performed, and held that kingdom some few generations.—*Sir W. Raleigh*.

9. Excellence; that which gives excellence.

In the Greek poets, as also in Plautus, the œconomy of poems is better observed than in Terence; who thought the sole grace and *virtue* of their fable, the sticking in of sentences, as ours do the forcing of jests.—*B. Jonson*.

10. One of the orders of the celestial hierarchy.

Dominations, princedoms, *virtues*, powers.
Milton, Paradise Lost, v. 601.

A winged *virtue* through th' etherial sky,
From orb to orb unwearied dost thou fly.
Tickell, On the Death of Addison.

Vírtueless. *adj.*

1. Wanting virtue; deprived of virtue.

Some would make those glorious creatures *virtueless*.—*Hakewill, Apology*.

2. Not having efficacy; without operating qualities.

All second causes, together with nature herself, without that operative faculty which God gave them, would become altogether silent, *virtueless*, and dead.—*Sir W. Raleigh*.

Virtueless she wish'd all herbs and charms,
Wherewith false men increase their patients' harms.
Fairfax.

Virtuóso. *s.* [Italian.] One skilled in the connoisseurship of articles of virtù.

Methinks those generous *virtuosi* dwell in a higher region than other mortals.—*Glanville*.

Virtuoso, the Italians call a man who loves the noble arts, and is a critick in them.—*Dryden*.

Showers of rain are now met with in every waterwork; and the *virtuosos* of France covered a little vault with artificial snow.—*Addison*.

Virtuósoship. *s.* Pursuits, character, of a virtuoso.

Let us view philosophy like mere *virtuosoship* in its usual career.—*Lord Shaftesbury*.

If any thing further employ his attention, it is perhaps a little *virtuosoship*.—*Bishop Hurd*.

Vírtuous. *adj.*

1. Morally good: (applied to *persons* and *practices*).

If his occasion were not *virtuous*,
I should not urge it half so faithfully.
Shakespear, Timon of Athens, iii. 2.

What she wills to do or say,
Is wisest, *virtuousest*, discreetest, best.
Milton, Paradise Lost, viii. 549.

2. Chaste.

Mistress Ford, the modest wife, the *virtuous* creature, that hath the jealous fool to her husband.—*Shakespear, Merry Wives of Windsor*, iv. 2.

3. Done in consequence of moral goodness.

Nor love is always of a vicious kind,
But oft to *virtuous* acts inflames the mind.
Dryden, Cymon and Iphigenia, 27.

4. Efficacious; powerful; having wonderful or eminent properties: (generally *medical*).

Lifting up his *virtuous* staff on high,
He smote the sea, which calmed was with speed.
Spenser, Faerie Queen, ii. 12, 26.

Before her gates, hill-wolves and lions lay:
Which, with her *virtuous* drugs, so tame she made,
That wolf, nor lion, would one man invade.
Chapman, Translation of the Odyssey.

With one *virtuous* touch, the arch-chemick sun
Produces, with terrestrial humour mix'd,
Here in the dark, so many precious things.
Milton, Paradise Lost, iii. 608.

That own'd the *virtuous* ring and glass.
Id., Il Penseroso, 113.

5. Having medicinal qualities.

Some observe that there is a *virtuous* bezoar, and another without *virtue*; the *virtuous* is taken from the beast that feedeth where there are theriacal herbs; and that without *virtue*, from those that feed where no such herbs are.—*Bacon*.

The ladies sought around
For *virtuous* herbs, which, gather'd from the ground,
They squeezed the juice, and cooling ointment made.
Dryden, The Flower and the Leaf, 417.

Vírtuously. *adv.* In a virtuous manner; according to the rules of virtue.

The gods are my witnesses, I desire to do *virtuously*.—*Sir P. Sidney*.

The coffeeman has a little daughter four years old, who has been *virtuously* educated.—*Addison*.

Vírtuousness. *s.* Attribute suggested by Virtuous; state or character of being virtuous.

Many other adventures are intermeddled; as the love of Britomart, and *virtuousness* of Belphœbe; and the lasciviousness of Helenora.—*Spenser, Letter to Sir W. Raleigh*.

Vírulence. *s.* Mental poison; malignity; acrimony of temper; bitterness.

The Whigs might easily have maintained a majority among the clergy, if they had not too much encouraged intemperance of speech, and *virulence* of pen, in the most prostitute of their party.—*Swift*.

Vírulency. *s.* Virulence.

Disputes in religion are managed with *virulency* and bitterness.—*Dr. H. More, Decay of Christian Piety*.

Vírulent. *adj.* [Fr.; Lat. *virulentus*.]

It spared no one exposed to infection, but was most *virulent* in children.—*Copland, Dictionary of Practical Medicine*.

2. Poisoned in the mind; bitter; malignant.

Vírulent. *v. a.* Taint with poison.

Vírulented. *part. adj.* Tainted with poison. *Rare.*

Certain spirits *virulented* from the inward humour, darted on the object, convey a venom where they point and fix.—*Fellitham, Resolves*, ii. 56.

Vírulently. *adj.* In a virulent manner.

The . . . effects of the malady . . . become thus *virulently* contagious.—*Copland, Dictionary of Practical Medicine, Venereal Diseases*.

Vírus. *s.* [Lat. = poison, venom, taint.] In *Medicine*. Poison, or taint, causing infectious and contagious diseases; e.g. small-pox, syphilis, &c.

In these cases, the infection is produced by the *virus*, poison, or morbid secretion of the primary sore.—*Copland, Dictionary of Practical Medicine, Venereal Diseases*.

Vis-a-vis. *s.* [Fr.] Carriage, which holds only two persons, who sit face to face, and not side by side, as in a coach or chariot.

Vísage. *s.* [Fr.] Face; countenance; look: (now rarely used but with some ideas of *dislike* or *horror*).

Phebe doth behold
Her silver *visage* in the wat'ry glass,
Decking with liquid pearl the bladed grass.
Shakespear, Midsummer Night's Dream, i. 1.

By the rout, that made the hideous roar,
His gory *visage* down the stream was sent;
Down the swift Hebrus to the Lesbian shore.
Milton, Lycidas, 62.

Love and beauty still that *visage* grace;
Death cannot fright 'em from their wonted place.
Waller.

Vísaged. *adj.* Having a face or visage.

The one *visaged* like a lion, to express power, high authority, and indignation.—*Milton, Apology for Smectymnuus*.

Viscera. *s.* See Viscus.

Visceral. *adj.*

1. Having the character of, relating to, constituted by, a viscus.

A muscle that has increased in bulk is so obscured by natural or artificial clothing, that, unless the alteration is extreme, it passes without remark. Such nervous developments as are possible in the course of a single life, cannot be seen externally. *Visceral* modifications of a normal kind, are observable but obscurely, or not at all.—*Herbert Spencer, Inductions of Biology, Heredity.*

2. Feeling; tender; having bowels of compassion.

Love is of all other the inmost and most *visceral* affection; and therefore called by the apostle, 'Bowels of Love.'—*Bishop Reynolds, On the Passions*, ch. xi.

Viscid. *adj.* [Lat. *viscidus.*] Glutinous; tenacious.

A diet of *viscid* aliment creates flatulency and crudities in the stomach.—*Arbuthnot, On the Nature and Choice of Aliments.*

Viscidity. *s.*

1. Glutinousness; tenacity; ropiness.

This motion in some human creatures may be weak, in respect to the *viscidity* of what is taken, so as not to be able to propel it.—*Arbuthnot.*

2. Glutinous concretion.

Catharticks of mercurials precipitate the *viscidities* by their stypticity.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

Viscósity. *s.* [Fr. *viscosité.*]

1. Glutinousness; tenacity.

The air being mixed with the animal fluids, determines their condition as to rarity, density, *viscosity*, tenuity.—*Arbuthnot.*

2. Glutinous subject.

A tenuous emanation, or continued effluvium, after some distance, retracteth unto itself, as is observable in drops of syrups, and seminal *viscosities.*—*Sir T. Browne, Vulgar Errours.*

Viscount. *s.* [Lat. *vicecomes*; N.Fr. *viscounte.*] Title of honour in the English peerage, applied to those peers who rank between the earls and the barons; etymologically and originally, in sense, it applies to the delegate of a count.

Viscount signifies as much as sheriff; between which two words there is no other difference, but that the one comes from our conquerors the Normans, and the other from our ancestors the Saxons. *Viscount* also signifies a degree of nobility next to an earl, which is an old name of office, but a new one of dignity, never heard of amongst us, till Henry VI. his days.—*Cowell.*

This rich marble doth inter
The honour'd wife of Winchester,
A *viscount's* daughter, an earl's heir.
Milton, Epitaph on the Marchioness of Winchester.

Viscountess. *s.* Lady of a viscount; peeress of the fourth order.

To make my dainty charge a *viscountess.*
B. Jonson, Magnetick Lady.

Why, what can the *viscountess* mean?
Gray, Long Story.

Viscountship. *s.* Quality and office of a viscount.

A creation passed, of late, of a *viscountship* of Maidenhead.—*Lord Keeper Williams, Letter, Cabbala*, p. 79: 1622.

Viscous. *adj.* [Fr. *visqueux*; Lat. *viscosus.*] Glutinous; sticky; tenacious.

The cause of the scouring virtue of nitre is, that it hath a subtle spirit, which severeth and divideth any thing that is foul and *viscous.*—*Bacon.*

Holly is of so *viscous* a juice as they make birdlime of the bark.—*Id.*

Viscousness. *s.* Attribute suggested by Viscous.

Dr. Lister conceived that he had two sorts of these Lough Neagh stones, one from holly, and another from ash; one a limestone and another an ironstone. He added that holly might turn suddenly by reason of its *viscousness* and tenacity.—*History of the Royal Society*, vol. xiv. p. 256. (Ord MS.)

Viscus. *s.* [Lat., pl. *viscera.*]

1. In *Medicine.* Contents of the three great cavities of the body, viz. the skull, chest, and belly. See second extract.

It is . . . frequently . . . dependent upon disease of the heart, of the liver, spleen, or of some other *viscus.*—*Copland, Dictionary of Practical Medicine.*

The brain, e.g. is the *viscus* of the cranium, the heart one of the *viscera* of the thorax, and the stomach one of the abdominal *viscera.* The term is usually restricted to the organs of the thorax and abdomen; for the myelon is as much entitled to be called a *viscus* of the spinal canal, as the encephalon a *viscus* of the cranium.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Bowels: (in extract 'of compassion').

Do you know that God will trust these with his more special mercies, with his *viscera* and tender mercies?—*Culverwell, The White Stone*, p. 141. (Ord MS.)

Visibility. *s.* [Fr. *visibilité.*]

1. State or quality of being perceptible by the eye.

The colours of outward objects brought into a darkened room, do much depend for their *visibility*, upon the dimness of the light they are beheld by.—*Boyle.*

2. State of being apparent, or openly discoverable; conspicuousness.

They produced this as an instance against the perpetual *visibility* of the church, and he brings it to prove that it ceased to be a true church.—*Bishop Stillingfleet.*

In these, the *visibility* and example of our virtues will chiefly consist.—*Rogers, Sermons.*

Visible. *adj.* [Fr.; Lat. *visibilis.*]

1. Perceptible by the eye.

On this mount he appeared; under this tree
Stood *visible.* *Milton, Paradise Lost*, xi. 320.

A long series of ancestors shews the native lustre with great advantage; but if he degenerate from his line, the least spot is *visible* on ermine.—*Dryden.*

2. Discovered to the eye.

If that the heavens do not their *visible* spirits
Send quickly down to tame these vile offences,
Humanity must perforce prey on itself,
Like monsters of the deep.
Shakespear, King Lear, iv. 2.

3. Apparent; open; conspicuous.

The factions at court were greater or more *visible* than before.—*Lord Clarendon, History of the Grand Rebellion.*

Used *substantivally.*

Visibles work upon a looking-glass, which is like the pupil of the eye; and audibles upon the places of echo, which resemble the cavern of the ear.—*Bacon.*

Visibly. *adv.* In a visible manner; in a manner perceptible by the eye.

By the head we make known more *visibly* our supplications, our threatenings; enough to see the face, and to understand the mind at half a word.—*Dryden.*

Vision. *s.* [Fr.; Lat. *visio, -onis*; *video* = I see; pass. part. *visus.*]

1. Sight; faculty of seeing.

Anatomists, when they have taken off from the bottom of the eye that outward and most thick coat called the dura mater, can then see through the thinner coats the pictures of objects lively painted thereon. And these pictures, propagated by motion along the fibres of the optick nerves into the brain, are the cause of *vision.*—*Sir I. Newton, On Opticks.*

2. Act of seeing.

Vision in the next life is the perfecting of faith in this; or faith here is turned into *vision* there, as hope into enjoying.—*Hammond, Practical Catechism.*

3. Supernatural appearance; spectre; phantom.

The day seems long, but night is odious;
No sleep, but dreams; no dreams, but *visions* strange. *Sir P. Sidney.*

Last night the very gods shew'd me a *vision.*
Shakespear, Cymbeline, iv. 2.

Him the Most High vouchsafes
To call by *vision*, from his father's house,
Into a land which he will shew him.
Milton, Paradise Lost, xii. 120.

4. Dream; something shown in a dream: ('a dream,' says Johnson, 'happens to a sleeping, a vision may happen to a waking man; a dream is supposed natural, a vision miraculous; but they are confounded').

His dream returns; his friend appears again:
'The murderers come; now help, or I am slain!'
'Twas but a *vision* still, and *visions* are but vain.
Dryden, The Cock and the Fox, 240.

The idea of anything in our mind, no more proves the existence of that thing, than the *visions* of a dream makes a true history.—*Locke.*

5. Any appearance; anything which is the object of sight.

Visional. *adj.* Pertaining to a vision.

It remains to be considered, whether the want of that single circumstance be sufficient to make us think it was not a vision. . . . So much in favour of the *visional* construction.—*Waterland, Scripture Vindicated*, b. iii. p. 78.

Visionary. *adj.* [Fr. *visionnaire.*]

1. Affected by phantoms; disposed to receive impressions on the imagination.

No more these scenes my meditation aid,
Or lull to rest the *visionary* maid.
Pope, Eloisa to Abelard.

2. Imaginary; not real; seen in a dream; perceived by the imagination only.

The hounds at nearer distance hoarsely bray'd;
The hunter close pursued the *visionary* maid.
Dryden, Theodore and Honoria, 279.

Our victories only led us to further *visionary* prospects; advantage was taken of the sanguine temper which success had wrought the nation up to.—*Swift.*

Visionary. *s.* One whose imagination is disturbed.

This account exceeded all the Noctambuli or *visionaries* I have met with.—*Turner.*

Visionist. *s.* One who sees, or believes he sees, visions; believer in visions.

The crazy fancies of every idle *visionist.*—*J. Spencer, Vanity of Vulgar Prophecies*, p. 33: 1665.

Visit. *v. a.* [Fr. *visiter*; Lat. *visito.*]

1. Go to see.

You must go *visit* the lady that lies in.—I visit her with my prayers; but I cannot go thither.—*Shakespear, Coriolanus*, i. 3.

Virgins *visited* by angel pow'rs.
Pope, Rape of the Lock, canto i.

2. Send good or evil judicially.

When [God] *visiteth*, what shall I answer him?—*Job*, xxxi. 14.

Thou shalt be *visited* of the Lord of hosts with thunder.—*Isaiah*, xxix. 6.

God *visit* thee in good things.—*Judith*, xiii. 20.

That venerable body is in little concern after what manner their mortal enemies intend to treat them, whenever God shall *visit* us with so fatal an event.—*Swift.*

3. Salute with a present.

Samson *visited* his wife with a kid.—*Judges*, xv. 1.

4. Come to a survey, with authority.

The bishop ought to *visit* his diocese every year in person.—*Ayliffe, Parergon Juris Canonici.*

Visit. *v. n.* Keep up the intercourse of ceremonial salutations at the houses of each other.

Whilst she was under her mother she was forced to be genteel, to live in ceremony, to sit up late at nights, to be in the folly of every fashion, and always *visiting* on Sundays.—*Law.*

Visit. *s.* [Fr. *visite.*] Act of going to see another.

In a designed or accidental *visit*, let some one take a book, which may be agreeable, and read in it.—*Watts.*

Visitable. *adj.* Liable to be visited. *Rare.*

All hospitals built since the reformation are *visitable* by the king or lord chancellor.—*Ayliffe, Parergon Juris Canonici.*

Visitant. *s.* One who goes to see another.

He alone
To find where Adam shelter'd, took his way,
Not unperceived of Adam, who to Eve,
While the great *visitant* approach'd, thus spake.
Milton, Paradise Lost, xi. 222.

One visit begins an acquaintance; and when the *visitant* comes again, he is no more a stranger.—*South, Sermons.*

Acquainted with the world, and quite well bred,
Drusa receives her *visitants* in bed.
Young, Love of Fame, vi. 37.

Visitation. *s.*

1. Act of visiting.

He comes not
Like to his father's greatness; his approach,
So out of circumstance and sudden, tells us,
'Tis not a *visitation* framed, but forced
By need and accident.
Shakespear, Winter's Tale, v. 1.

2. Object of visits.

O flowers,
My early *visitation*, and my last.
Milton, Paradise Lost, xi. 274.

3. Judicial visit or perambulation.

The bishop ought to visit his diocese every year in person, unless he omits the same because he would not burthen his churches; and then ought to send his archdeacon, which was the original of the archdeacon's *visitation.*—*Ayliffe, Parergon Juris Canonici.*

4. Visit, or circuit, of a similar character, by certain officers of the Heralds' College (now discontinued), for the examination and verification of the pedigrees, right to (coats of) arms, &c., of the landed gentry.

5. Judicial evil sent by God; state of suffering judicial evil.

That which thou dost not understand when thou readest, thou shalt understand in the day of thy *visitation*. For many secrets of religion are not perceived till they be felt, and are not felt but in the day of a great calamity.—*Jeremy Taylor.*

6. Communication of divine love.

The most comfortable *visitations* God hath sent men from above, have taken especially the times of prayer as their most natural opportunities.—*Hooker, Ecclesiastical Polity.*

Visitatórial. *adj.* Belonging to a judicial visitor.

Some will have it, that an archdeacon does of common right execute this *visitatorial* power in his archdeaconry: but others say that an archdeacon has a *visitatorial* power only of common right 'per modum simplicis scrutinii,' as being bishop's vicar.—*Ayliffe, Parergon Juris Canonici.*

Visiter. *s.* One who visits.

1. One who comes to see another.

Consumptives of this degree entertain their *visiters* with strange rambling discourses of their intent of going here and there.—*Harvey.*

2. Occasional judge; one who regulates the disorders of any society.

To him you must your sickly state refer;
Your charter claims him as your *visiter*. *Garth.*

Visiting. *verbal abs.* Visitation; act of visiting.

Compunctious *visitings* of nature.
Shakespear, Macbeth, i. 5.

Visitor. *s.* Visiter.

Here's ado to lock up honesty and honour from the access of gentle *visitors*.—*Shakespear, Winter's Tale*, ii. 2.

I have a large house, yet I should hardly prevail to find one *visitor*, if I were not able to hire him with a bottle of wine.—*Swift, Letter to Gay.*

Whatever abuses have crept into the universities, might be reformed by strict injunctions to the *visitors* and heads of houses.—*Swift, Project for the Advancement of Religion.*

Vísive. *adj.* [Fr. *visif.*] Formed in the act of seeing; belonging to the power of seeing.

This happens when the axis of the *visive* cones, diffused from the object, fall not upon the same plane; but that which is conveyed into one eye is more depressed or elevated than that which enters the other.—*Sir T. Browne, Vulgar Errours.*

Christ might suspend the actings of their *visive* faculty in reference to himself, while he conveyed himself in the mean time.—*South, Sermons*, vii. 17.

Vísnomy. *s.* Physiognomy; face. *Barbarous.*

Twelve gods do sit around in royal state,
And Jove in midst with awful majesty,
To judge the strife between them stirred late:
Each of the gods by his like *visnomy*
Eath to be known; but Jove above them all,
By his great looks and power imperial.
Spenser, Muiopotmos.

Vísor. *s.* [see Vizard.]

1. Front-piece of the helmet, pierced with holes for sight and breathing.

Which on his helmet martelled so hard,
That made him low incline his lofty crest,
And bow'd his batter'd *visour* to his brest.
Spenser, Faerie Queen.

The Cyclops, a people of Sicily, remarkable for cruelty, might perhaps in their wars use a headpiece, or *visor*.—*Broome, On the Odyssey.*

2. Mask used to disfigure and disguise.

I fear, indeed, the weakness of my government before made you think such a mask would be grateful unto me: and my weaker government since makes you pull off the *visor*.—*Sir P. Sidney.*

By which deceit doth mask in *visor* fair,
And cast her colours dyed deep in grain,
To seem like truth, whose shape she well can fain.
Spenser.

Swarms of knaves the *vizor* quite disgrace,
And hide secure behind a naked face.
Young, Love of Fame, ii. 205.

As the *first element* in a *compound.*

But that thy face is, *visor-like*, unchanging,
Made impudent with use of evil deeds,
I would essay, proud queen, to make thee blush.
Shakespear, Henry VI. Part III. i. 4.

Vísor. *v. a.* Mask.

Vísored. *part. adj.* Masked.

Hence with thy brew'd enchantments, foul deceiver!
Hast thou betray'd my credulous innocence
With *visor'd* falsehood and base forgery?
Milton, Comus, 696.

Vista. *s.* [Italian.] View; prospect through an avenue.

In St. Peter's, when a man stands under the dome, if he looks upwards, he is astonished at the spacious hollow of the cupola, that makes one of the beautifullest *vistas* that the eye can pass through.—*Addison, Travels in Italy.*

Vísual. *adj.* [Fr. *visuel.*] Used in sight; exercising the power of sight; instrumental to sight.

An eye thrust forth so as it hangs a pretty distance by the *visual* nerve, hath been without any power of sight; and yet, after being replaced, recovered sight.—*Bacon, Natural and Experimental History.*

Nor thinke my hurt offends me; for my sire
Can soone repose in it the *visual* fire. *Chapman.*

Then purged with euphrasy and rue
The *visual* nerve, for he had much to see.
Milton, Paradise Lost, xi. 414.

Vital. *adj.* [Lat. *vitalis*, from *vita* = life.]

1. Contributing to life; necessary to life.

His heart, broken with unkindness and affliction, stretched so far beyond his limits with this excess of comfort, as it was able no longer to keep safe his *vital* spirits.—*Sir P. Sidney.*

All nature laughs, the groves are fresh and fair;
The sun's mild lustre warms the *vital* air.
Pope, Pastorals, Spring.

2. Relating to life.

Let not Bardolph's *vital* thread be cut
With edge of penny cord, and vile reproach.
Shakespear, Henry V. iii. 6.

On the rock a scanty measure place
Of *vital* flax, and turn the wheel apace. *Dryden.*

3. Containing life.

Spirits that live throughout;
Vital in every part; not as frail man,
In entrails, heart, or head, liver or reins,
Cannot but by annihilating die.
Milton, Paradise Lost, vi. 344.

4. Being the seat of life.

The dart flew on, and pierced a *vital* part. *Pope.*

5. So disposed as to live: (little used, and rather *Latin* than *English*).

Pythagoras and Hippocrates not only affirm the birth of the seventh month to be *vital*, that of the eighth mortal; but the progression thereto to be measured by rule.—*Sir T. Browne.*

6. Essential; chiefly necessary.

Know grief's *vital* part
Consists in nature, not in art. *Bishop Corbet.*

[To] Lanfranc . . . Latin Christianity looked up as the champion of her *vital* doctrine.—*Milman, History of Latin Christianity*, b. viii. ch. viii.

Vitálity. *s.* Power of subsisting in life.

Whether that motion, *vitality*, and operation were by incubation, or how else, the manner is only known to God.—*Sir W. Raleigh, History of the World.*

Vítalize. *v. a.* Invest, endue, with vital power, force, or vitality.

Organic assimilation . . . is a force which not only produces motion and chemical change, but also *vitalizes* the matter on which it acts.—*Whewell, History of Scientific Ideas*, vol. ii. p. 215: 1858.

Vítally. *adv.* In a vital manner; in such a manner as to give life.

The organical structure of human bodies, whereby they are fitted to live and move, and be *vitally* informed by the soul, is the workmanship of a most wise, powerful, and beneficent Maker.—*Bentley.*

Vítals. *s. pl.* Parts essential to life; vital parts.

By fits my swelling grief appears,
In rising sighs, and falling tears,
That show too well the warm desires,
The silent, slow, consuming fires,
Which on my inmost *vitals* prey,
And melt my very soul away. *A. Philips.*

Vítellary. *s.* [Lat. *vitellus.*] Place where the yolk of the egg swims in the white.

A greater difficulty in the doctrine of eggs is, how the sperm of the cock attaineth into every egg; since the *vitellary*, or place of the yolk, is very high.—*Sir T. Browne, Vulgar Errours.*

Vítiate. *v. a.* [Lat. *vitio.*] Deprave; spoil; make less pure.

The sun in his garden gives him the purity of visible objects, and of true nature, before she was *vitiated* by luxury.—*Evelyn, Kalendar.*

A transposition of the order of the sacramental words, in some men's opinion, *vitiates* baptism.—*Ayliffe, Parergon Juris Canonici.*

Vitiátion. *s.* Depravation; corruption.

The foresaid extenuation of the body is imputed to the blood's *vitiation*, by malign putrid vapours smoking throughout the vessels.—*Harvey, Discourse of Consumptions.*

Vitilitigátion. *s.* Contention; cavillation. *Rhetorical.*

I'll force you by right ratiocination,
To leave your *vitilitigation.*
Butler, Hudibras, i. 3, 1261.

Vitiósity. *s.* [Lat. *vitiosus.*] Depravity; corruption.

He charges it wholly upon the corruption, perverseness, and *vitiosity* of man's will, as the only cause that rendered all the arguments his doctrine came clothed with unsuccessful.—*South, Sermons.*

Vítious. *adj.* [Fr. *vicieux*; Lat. *vitiosus.*]

1. Vicious: (the two words are treated under separate entries, as in the previous editions; the present being looked upon as a word of Latin, *vicious* as one of French, origin).

Make known
It is no *vitious* blot, murder, or foulness
That hath deprived me of your grace.
Shakespear, King Lear, i. 1.

No troops abroad are so ill disciplined as the English; which cannot well be otherwise, while the common soldiers have before their eyes the *vitious* example of their leaders.—*Swift.*

2. Corrupt; having physical ill qualities.

When *vitious* language contends to be high, it is full of rock, mountain, and pointedness.—*B. Jonson.*

Here from the *vitious* air and sickly skies
A plague did on the dumb creation rise.
Dryden, Translation of the Georgics, iii. 721.

Vítiousness. *s.* [see under Vitious.] Attribute suggested by Vitious.

1. Corruptness; state of being vitious.

When we in our *vitiousness* grow hard,
The wise gods seel our eyes.
Shakespear, Antony and Cleopatra, iii. 11.

What makes a governor justly despised is *vitiousness* and ill-morals. Virtue must tip the preacher's tongue and the ruler's sceptre with authority.—*South, Sermons.*

2. Depravation; state of being vitiated.

The historian imputeth this mistake to the *viciousness* of the copy.—*Wharton, On Burnet's History of the Reformation*, p. 25.

Vítreous. *adj.* [Lat. *vitreus*, from *vitrum* = glass.] Glassy; consisting of glass; resembling glass.

The hole answers to the pupil of the eye; the crystalline humour to the lenticular glass; the dark room to the cavity containing the *vitreous* humour, and the white paper to the retina.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

When the phlegm is too viscous, or separates into too great a quantity, it brings the blood into a morbid state: this viscous phlegm seems to be the *vitreous* pituite of the ancients.—*Arbuthnot, On the Nature and Choice of Aliments.*

Vitrificate. *v. a.* Change into glass.

We have metals *vitrificated*, and other materials, besides those of which you make glass.—*Bacon.*

Vitrificátion. *s.* Production of glass; act of, changing, or state of being changed, into glass.

For *vitrification* likewise, what metals will endure it? Also because *vitrification* is accounted a kind of death of metals, what *vitrification* will admit of turning back again, and what not?—*Bacon, Physical Remains.*

Vítrify. *v. a.* [Fr. *vitrifier.*] Change into glass.

Metals will vitrify; and perhaps some portion of the glass of metal *vitrified*, mixed in the pot of ordinary glass metal will make the whole mass more tough.—*Bacon.*

Vítrify. *v. n.* Become glass; be changed into glass.

Chymists make vessels of animal substances calcined, which will not *vitrify* in the fire; for all earth which hath any salt or oil in it will turn to glass.—*Arbuthnot, On the Nature and Choice of Aliments.*

Vítriol. *s.* [Fr.; Lat. *vitriolum.*]

Vitriol is produced by addition of a metallick matter with the fossil acid salt.—*Woodward.*

Vitriolic acid, or oil of *vitriol*, is sulphuric acid; blue *vitriol* is sulphate of copper; green *vitriol* is green sulphate of iron; *vitriol* of Mars is red sulphate of iron; and white *vitriol* is sulphate of zinc.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

As the *first element* in a *compound.*

I rubbed it with the *vitriol-stone*.—*Wiseman, Surgery.*

Vítriolate. *adj.* Impregnated with vitriol; consisting of vitriol.

The water having dissolved the imperfectly calcined body, the *vitriolate* corpuscles swimming in

the liquor, by their occursions constituted little masses of vitriol, which gave the water they impregnated a fair *vitriolate* colour.—*Boyle.*

Vítriolated. *adj.* Vitriolate.

Iron may be dissolved by any tart salt, or *vitriolated* water.—*Bacon.*

Vitriólic. *adj.* [Fr. *vitriolique.*] Resembling vitriol; containing vitriol.

These salts have somewhat of a nitrous taste, but mix'd with a smatch of a *vitriolick.*—*Grew, Museum.*

By over-fermentation or long-keeping, wine becomes sharp, as in hock, like the *vitriolick* acidity.—*Sir J. Floyer, On the Preternatural State of the Animal Humours.*

Vítriolous. *adj.* Consisting, having the character, of vitriol.

Copperose of Mars, by some called salt of steel, made by the spirits of vitriol or sulphur, will, after ablution, be attracted by the loadstone; and therefore whether those shooting salts partake but little of steel, and be not rather the *vitriolous* spirits fixed unto salt by the effluvium or odour of steel, is not without good question.—*Sir T. Browne, Vulgar Errours.*

Vituperátion. *s.* Blame; censure.

When a man becomes untractable, and inaccessible, by fierceness and pride; then *vituperation* comes upon him, and privation of honour follows him.—*Donne, History of the Septuagint,* p. 155: 1633.

Such a writing ought to be clean, and free from any cavil or *vituperation* of rasure.—*Ayliffe, Parergon Juris Canonici.*

Vitúperative. *adj.* Belonging to blame; containing censure.

The *vituperative* partition will easily be replenished with a most choice collection [of arguments], entirely of the growth and manufacture of the present age.—*Arbuthnot and Pope, Martinus Scriblerus.*

The torrents of female eloquence, especially in the *vituperative* way, stun all opposition.—*Lord Chesterfield.*

Vitupérious. *adj.* Disgraceful. *Rare.*

He is intituled with a *vituperious* and vile name.—*Shelton, Translation of Don Quixote,* pt. iv. ch. vi.

Vivácious. *adj.* [Lat. *vivax.*]

1. Long-lived.

Though we should allow them their perpetual calm and equability of heat, they will never be able to prove, that therefore men would be so *vivacious* as they would have us believe.—*Bentley.*

2. Spritely; gay; active; lively.

People of a *vivacious* temper.—*Howell, Instructions for Foreign Travel,* p. 170: 1642.

Vivácity. *s.*

1. Longevity; length of life.

Fables are raised concerning the *vivacity* of deer; for neither are their gestation nor increment such as may afford an argument of long life.—*Sir T. Browne, Vulgar Errours.*

2. Power of living.

They are esteemed very hot in operation, and will, in a convenient air, survive some days the loss of their heads and hearts; so vigorous is their *vivacity.*—*Boyle.*

3. Liveliness; spriteliness.

He had a great *vivacity* in his countenance.—*Dryden.*

Vivárium. *s.* [Lat. *vivo* = I live; *vivus* = alive.] Latin form of Vivary; now in common use as a small artificial enclosure, cage, reservoir, tank, vase, &c., for keeping animals, a small vivarium for fresh or salt-water animals being an aquarium (*aqua* = water).

Is not all the earth our orchard and our granary, our vineyard and our garden of pleasure? and the force of the sea is our traffic, and the bowels of the sea is our *vivarium,* a place for fish to feed us, and to serve some other collateral appendant needs.—*Taylor, Miracles of Divine Mercy.* (Ord MS.)

Vívary. *s.* [Lat. *vivarium.*] Place of land or water, where living creatures are kept: (in *Law,* it signifies most commonly a park, warren, fish-pond, or piscary).

That cage and *vivary*
Of fowls and beasts. *Donne, Poems,* p. 294.

Vívat. *s.* [Lat. = may he live, from *vivo* = I live.] Utterance, cry, or shout to that effect: (compare 'Long live the king'). *Scarcely English.*

Behold him everywhere welcomed with *vivats* or awestruck silence.—*Carlyle, Critical and Miscellaneous Essays, Count Cagliostro.*

Vive. *adj.* [Fr. *vif*; Lat. *vivus.*] Lively; forcible; pressing. *Rare.*

By a *vive* and forcible persuasion, he moved him to a war upon Flanders.—*Bacon.*

Sylvester gives it this true and *vive* description.—*Sir T. Herbert, Relation of some Years' Travels into Africa and the Great Asia,* p. 4.

Vívely. *adv.* In a vive, i.e. lively, manner; strongly; forcibly. *Rare.*

Where statues and Jove's acts were *vively* limn'd.
Marston, Tragedy of Sophonisba.

I see a thing *vively* presented on the stage, that the glass of custom (which is comedy) is so held up to me by the poet, as I can therein view the daily examples of men's lives, and images of truth.—*B. Jonson, Magnetick Lady.*

Vívency. *s.* Manner of supporting or continuing life or vegetation. *Rare.*

Although not in a distinct and indisputable way of *vivency,* or answering in all points the property of plants, yet in inferior and descending constitutions they are determined by seminalities.—*Sir T. Browne.*

Vives. *s.* [Fr. *avives,* of which Fives is another, and less correct, form.] In *Farriery.* Disease among horses, consisting of a swelling of the parotid glands; mumps.

Vives is much like the strangles; and the chief difference is, that for the most part the strangles happen to colts and young horses while they are at grass, by feeding with their heads downwards, by which means the swelling inclines more to the jaws; but the *vives* happens to horses at any age and time, and is more particularly seated in the glands and kernels under the ears.—*Farrier's Dictionary.*

Vívid. *adj.* [Lat. *vividus.*—The word is not perhaps old in our language: it is found among those requiring explanation in Bagwell's Mystery of Astronomy, published in 1655. (Todd.)]

1. Lively; quick; striking.

To make these experiments the more manifest, such bodies ought to be chosen as have the fullest and most *vivid* colours, and two of those bodies compared together.—*Sir I. Newton.*

Ah! what avail his glossy varying dyes;
The *vivid* green his shining plumes unfold;
His painted wings, and breast that flames with gold?
Pope, Windsor Forest

2. Sprightly; active.

Body is a fit workhouse for sprightly, *vivid* faculties to exercise and exert themselves in.—*South, Sermons.*

Where the genius is bright, and the imagination *vivid,* the power of memory may lose its improvement.—*Watts.*

Vívidly. *adv.* In a vivid manner; with quickness; with strength.

In the moon we can with excellent telescopes discern many hills and vallies, whereof some are more and some less *vividly* illustrated; and others have a fainter, others a deeper shade.—*Boyle, Experiments and Considerations touching Colours.*

Sensitive objects affect a man, in the state of this present life, much more warmly and *vividly* than those which affect only his nobler part, his mind.—*South, Sermons.*

Vívidness. *s.* Attribute suggested by Vivid; vigour; quickness.

That *vividness* may be made more or less, that force may be increased or diminished.—*Paley, Sermon on* 1 *Corinthians,* iii. 16.

Vivíficate. *v. a. Rare.*

1. Make alive; inform with life; animate.

God *vivificates* and animates the whole world.—*Dr. H. More, Conjectura Cabbalistica,* p. 30: 1653.

2. Recover from such a change of form as seems to destroy the essential properties.

Vivificátion. *s.* Act of giving life. *Rare.*

If that motion be in a certain order, there followeth *vivification* and figuration.—*Bacon.*

Vivíficative. *adj.* Able to animate. *Rare.*

That lower *vivificative* principle of his soul did grow so strong, and did so vigorously and with such exultant sympathy and joy actuate his vehicle.—*Dr. H. More, Conjectura Cabbalistica,* p. 42.

Vivífic. *adj.* [Fr. *vivifique*; Lat. *vivificus.*] Giving life; making alive. *Rare.*

It is *vivifick,* and giveth life.—*Bishop Gardiner, On the Sacrament,* fol. 13. b.: 1551.

Without the sun's salutary and *vivifick* beams, all motion would cease, and nothing be left but darkness and death.—*Ray.*

Vívify. *v. a.* [Fr. *vivifier.*] Make alive; animate; endue with life.

Sitting on eggs doth *vivify,* not nourish.—*Bacon.*

Gut-worms, as soon as *vivified,* creep into the stomach for nutriment.—*Harvey, Discourse of Consumptions.*

Vivipárity. *s.* Character consisting in being viviparous.

This homogenesis . . . in reptiles and fishes is always essentially oviparous; though there are cases . . . in which *viviparity* is simulated.—*Herbert Spencer, Inductions of Biology.*

Vivíparous. *adj.* [Lat. *pario* = I bring forth.] Bringing forth young alive: (opposed to *oviparous*).

When we perceive that bats have teats, it is not unreasonable to infer they give suck; but whereas no other flying animals have these parts, we cannot from them infer a *viviparous* exclusion.—*Sir T. Browne, Vulgar Errours.*

Viviséction. *s.* [Lat. *vivus* = alive + *sectio* = cutting, from *seco* = I cut; pass. part. *sectus.*] See extract.

Vivisection [is] a term used to denote physiological experiments upon living animals. This practice is more frequent in France than in England, and the only ground on which it can be defended is obviously that of the alleged needs of science. With the establishment or refutation of this plea, it must stand or fall. By those who altogether oppose it, the cruelty of such experiments is strongly insisted on.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Víxen. *s.* [German, *füchsinn.*]

1. Bitch fox.

See a pack of spaniels, called lovers, in a hot pursuit of a two-legged *vixen,* who only flies the whole loud pack, to be singled out by one.—*Wycherley.*

2. Irritable, quarrelsome female.

O! when she's angry, she is keen and shrewd;
She was a *vixen* when she went to school;
And though she be but little, she is fierce.
Shakespear, Midsummer-Night's Dream, iii. 2.

The best friends of mankind, those who most heartily wish the peace and prosperity of the world, and most earnestly to the best of their power strive to promote them, have all the disturbances and disasters happening charged upon them by those fiery *vixens,* who, in pursuance of their base designs, or gratification of their wild passions, really do themselves embroil things.—*Barrow, Sermons,* vol. i. serm. xvii.

Víxenly. *adj.* Having the qualities or manner of a vixen.

It was not a confirmation of him, it was only (which in such a *vixenly* pope was a great favour) a forbearance to quarrel with the bishop, as not duly ordained.—*Barrow, On the Pope's Supremacy.*

Viz. *adv.* To wit; that is: (Johnson calls it 'a barbarous form for an unnecessary word').

That which so oft by sundry writers,
Has been apply'd t' almost all fighters,
More justly may b' ascribed to this,
Than any other warrior, *viz.*
None ever acted both parts bolder,
Both of a chieftain and a soldier.
Butler, Hudibras, i. 2, 201.

Let this be done relatively, *viz.* one thing greater or stronger, casting the rest behind, and rendering it less sensible by its opposition.—*Dryden, Translation of Dufresnoy's Art of Painting.*

Vízard. *s.* [Fr. *visière.*] Visor: (the separate entry of the two words is taken from the previous editions).

Let the suits of the maskers be graceful, and such as become the person when the *vizards* are off.—*Bacon.*

Ye shall know them by their fruits, not by their well or ill living; for they put on the *vizard* of seeming sanctity.—*Bishop Atterbury.*

He mistook it for a very whimsical sort of mask, but upon a nearer view he found that she held her *vizard* in her hand.—*Addison.*

Vízard. *v. a.* Mask.

Degree being *vizarded,*
The unworthiest shews as fairly in the mask.
Shakespear, Troilus and Cressida, i. 3.

Vízarded. *part. adj.* Masked.

Have you recovered your voice to rail at me?—No, *vizarded* impudence. I am neither player nor masquer.—*B. Jonson, Masques at Court.*

Vizier. *s.* Prime minister of the Turkish empire.

He made him *vizier,* which is the chief of all the bassas.—*Knolles, History of the Turks.*

Vócable. *s.* [Lat. *vocabulum.*] Word.

That one interpreteth somethynge obscurely in one place, the same translateth another (or els he himselfe) more manifestly by a more playne *vocable* of the same meaning in another place.—*Coverdale, Preface to Translation of the Bible.*

We will next endeavour to understand that *vocable,* or term, tyrannus, that is, a tyrant or an evil king.—*Sir G. Buck, History of the Reign of Richard III.* p. 133.

Vocábulary. *s.* [Fr. *vocabulaire*; Lat. *vocabularium.*]

1. Dictionary; lexicon; word book.

Some have delivered the polity of spirits, and that they stand in awe of conjurations, which signify nothing, not only in the dictionary of man, but in the subtiler *vocabulary* of Satan.—*Sir T. Browne, Vulgar Errours.*

Among other books, we should be furnished with *vocabularies* and dictionaries of several sorts.—*Watts.*

2. List of words; range of language.

Whatever may be the extent of the *vocabulary* of the English language, it is certain that the most copious writer has not employed more than a fraction of the entire number of words of which it consists. It has been stated that some inquiries set on foot by the telegraph companies have led to the conclusion that the number of words in ordinary use does not exceed 3000. A rough calculation, founded on Mrs. Clarke's Concordance, gives about 21,000 as the number to be found in the Plays of Shakespeare, without counting inflectional forms as distinct words. Probably the *vocabulary* of no other of our great writers is nearly so extensive. Todd's Verbal Index would not give us more than about 7000 for Milton; so that, if we were to add even fifty per cent. to compensate for Milton's inferior voluminousness, the Miltonic *vocabulary* would still be not more than half as copious as the Shakespearian.—*Craik, History of English Literature,* vol. i, p. 564, note.

Vócal. *adj.* [Fr.; Lat. *vocalis.*]

1. Having a voice.

Eyes are *vocal*, tears have tongues;
And there be words not made with lungs. *Crashaw.*

Witness if I be silent, morn or even,
To hill, or valley, fountain, or fresh shade,
Made *vocal* by my song, and taught his praise.
Milton, Paradise Lost, v. 202.

Smooth-sliding Mincius, crown'd with *vocal* reeds,
That strain I heard was of a higher mood.
Id., Lycidas, 86.

Memnon, though stone, was counted *vocal*;
But 'twas the god, meanwhile, that spoke all.
Prior, Epistle to Fleetwood Shephard, Esq.

2. Uttered or modulated by the voice.

They which, under pretence of the law ceremonial being abrogated, require the abrogation of instrumental musick, approving nevertheless the use of *vocal* melody to remain, must shew some reason wherefore the one should be thought a legal ceremony, and not the other.—*Hooker, Ecclesiastical Polity.*

They join'd their *vocal* worship to the choir
Of creatures wanting voice.
Milton, Paradise Lost, ix. 198.

Vócalist. *s.* Singer; one given to vocal music.

Preparing himself, like certain other accomplished *vocalists*, with a few preliminary hems and haws, he struck *forth the* following doleful ditty.—*Ainsworth, Rookwood,* b. ii. ch. ii.

Vocálity. *s.* [Lat. *vocalitas.*] Power of utterance; quality of being utterable by the voice. *Rare.*

L and R being in extremes, one of roughness, the other of smoothness and freeness of *vocality*, are not easy in tract of vocal speech to be pronounced spiritally.—*Holder, Elements of Speech.*

Vócalize. *v. a.* Form into voice.

It is one thing to give an impulse to breath alone; another thing to *vocalize* that breath, i.e. in its passage through the larynx, to give it the sound of human voice.—*Holder, Elements of Speech.*

Vócally. *adv.* In a vocal manner; *in* words; articulately.

Although it is as natural to mankind to express their desires *vocally* as it is for brutes to use their natural vocal signs, yet the forming of languages into this or that fashion is a business of institution.—*Sir M. Hale, Origination of Mankind.*

Vocátion. *s.* [Fr.; Lat. *vocatio, -onis; voco* = I call; pass. part. *vocatus.*]

1. Calling by the will of God.

Neither doth that which St. Paul, or other apostles, teach, enforce the utter disability of any other men's *vocation* thought requisite in this church for the saving of souls.—*Hooker, Ecclesiastical Polity.*

2. Summons.

What can be urged for them who, not having the *vocation* of poverty to scribble, out of mere wantonness make themselves ridiculous?—*Dryden.*

3. Trade; employment; calling.

He would think his service greatly rewarded, if he might obtain by that means to live in the sight of his prince, and yet practise his own chosen *vocation.*—*Sir P. Sidney.*

God's mother, in a vision full of majesty,
Will'd me to leave my base *vocation.*
Shakespear, Henry VI. Part I. i. 2.

4. Call; business.

Fluency—the being able easily to express his thoughts in correct words—is as essential to a speaker as drawing to a painter. This we cannot doubt, any more than we can refuse our assent to the proposition, that though merely giving pleasure is no part of an orator's duty, yet he has no *vocation* to give his audience pain:—which any one must feel who listens to a speaker delivering himself with difficulty and hesitation.—*Lord Brougham, Historical Sketches of Statesmen of the Reign of George III., Mr. Fox.*

Used *ironically*, in contempt.

But lest you should for honour take
The drunken quarrels of a rake,
Or when a whore in her *vocation*
Keeps punctual to an assignation. *Swift.*

Vócative. *adj.* [Fr. *vocatif*; Lat. *vocativus.*] Denoting the grammatical case used in calling or speaking to.

[The] *vocative* case . . . in strictness of speech is not a case at all, and as having therefore no case ending, it represents simply the root of the word, on which the several cases are formed by means of pronominal suffixes.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Vocíferate. *v. n.* Clamour; make outcries.

I then began to *vociferate* a number of most incoherent expressions, to this effect, 'You shall do it,' 'No you sha'n't,' &c.—*Dr. Forbes Winslow, On certain Obscure Diseases of the Brain and Mind,* ch. iv.

Vociferátion. *s.* [Lat. *vociferatio, -onis*; *vociferor*; pret. part. *vociferatus.*] Clamour; outcry.

The lungs, kept too long upon the stretch by *vociferation*, or loud singing, may produce the same effect.—*Arbuthnot.*

Vocíferous. *adj.* Clamorous; noisy.

Thrice three *vociferous* heralds rose to check the rout. *Chapman.*

Several Templars, and others of the more *vociferous* kind of critics, went with a resolution to hiss, and confessed they were forced to laugh.—*Pope.*

Vocíferously. *adv.* In a vociferous manner.

[This] temper . . . weeps, storms, loves, hates too fiercely and too *vociferously.*—*Carlyle, Critical and Miscellaneous Essays, State of German Literature.*

Vógue. *s.* [Fr. = course of a ship.] Fashion; mode; popular reception.

It is not more absurd to undertake to tell the name of an unknown person by his looks, than to vouch a man's saintship from the *vogue* of the world.—*South, Sermons.*

Use may revive the obsoletest words,
And banish those that now are most in *vogue.*
Lord Roscommon.

What factions th' have, and what they drive at
In publick *vogue*, or what in private.
Butler, Hudibras, ii. 3, 257.

In the *vogue* of the world, it passes for an exploit of honour for kings to run away with whole countries that they have no pretence to.—*Sir R. L'Estrange.*

No periodical writer, who always maintains his gravity, and does not sometimes sacrifice to the graces, must expect to keep in *vogue* for any time.—*Addison.*

Voice. *s.* [Fr. *voix*; Lat. *vox, vocis.*]

1. Sound emitted by the mouth.

I assay to see
The works of men; or heare mortalitie
Expire a *voice.* *Chapman.*

2. Sound of the mouth, as distinguished from that uttered by another mouth.

Air in sounds that are not tones, which are all equal, admitteth much variety, as in the *voices* of living creatures, and in the *voices* of several men; for we can discern several men by their *voices.*—*Bacon, Natural and Experimental History.*

3. Sound made by breath.

O Marcus, I am warm'd; my heart
Leaps at the trumpet's *voice*, and burns for glory.
Addison, Cato.

4. Vote; suffrage; opinion expressed.

Are you all resolved to give your *voices?*
But that's no matter, the greater part carries it.
Shakespear, Coriolanus, ii. 3.

The state was betrayed by the multitude and corruption of *voices*, and must shortly perish, if not committed to the grave judgement of some few; for two hundred gave *voices*, reducing that multitude to fifty, who, for their experience, were holden for men of greatest gravity.—*Knolles, History of the Turks.*

Some laws ordain, and some attend the choice
Of holy senates, and elect by *voice.*
Dryden, Translation of the Æneid, i. 592.

5. Language; words; expression.

Let us call on God in the *voice* of his church.—*Bishop Fell.*

Voice. *v. a.*

1. Rumour; report. *Obsolete.*

Is this the Athenian minion, whom the world
Voiced so regardfully?
Shakespear, Timon of Athens, iv. 3.

It was *voiced* that the king purposed to put to death Edward Plantagenet, prisoner in the Tower; whereat there was great murmur.—*Bacon, History of the Reign of Henry VII.*

2. Vote. *Obsolete.*

Your minds, pre-occupied with what
You rather must do, than what you should do,
Made you, against the grain, to *voice* him consul.
Shakespear, Coriolanus, ii. 3.

Voice. *v. n.* Clamour; make outcries. *Obsolete.*

Stir not questions of jurisdiction; and rather assume thy right in silence, than *voice* it with claims.—*Bacon.*

It is not the gift of every person to harangue the multitude, to *voice* it loud and high.—*South, Sermons.*

Voíced. *part. adj.* Furnished with a voice.

Ovid . . . advised women, who are so angel-like *voiced*, to learn, by musick's rules, to order it.—*Austin, Hæc Homo,* p. 128.

That's Erythæa,
Or some angel *voiced* like her.
Sir J. Denham, The Sophy.

Voíceless. *adj.* Wanting voice; silent.

The proctors of the clergy were *voiceless* assistants; and having no voices, and so many learned bishops having voices, their presence is not now holden necessary.—*Lord Coke,* in *Hody's History of Councils,* p. 393.

Voícing. *verbal abs.* Raising of a rumour, report, or outcry. *Obsolete.*

It is fit we give your lordships understanding what the merchants intimated unto us, that the very *voicing* or suspect of the raising of the price of silver, if it be not cleared, would make such a deadness and retention of money, as will be a misery to the merchants.—*Bacon, Works,* vol. iii. p. 385. (Ord MS.)

Void. *adj.* [Fr. *vuide.*]

1. Empty; vacant.

The earth was without form and *void*, and darkness was upon the face of the deep.—*Genesis,* i. 2.

I'll get me to a place more *void*, and there
Speak to great Cæsar as he comes along.
Shakespear, Julius Cæsar, ii. 4.

2. Vain; ineffectual; null; vacated.

If it be *void*, and to no purpose, that the names of men are so frequent in their books, what did move them to bring them in?—*Hooker, Ecclesiastical Polity.*

My word . . . shall not return unto me *void*, but accomplish that which I please.—*Isaiah,* lv. 11.

Though the wisdom of a future parliament may find cause to declare this or that act of parliament *void*, yet there will be the same temper requisite to repeal it.—*Lord Clarendon, History of the Grand Rebellion.*

Some kind of subjection is due from every man to every man, which cannot be made *void* by any power whatsoever.—*Swift.*

3. Unsupplied; unoccupied.

Queen Elizabeth, importuned much to supply divers great offices that had been long *void*, answered nothing to the matter, but rose up on the sudden, and said, I am sure my office will not be long *void.*—*Camden.*

4. Wanting; unfurnished; empty.

If some be admitted into the ministry *void* of learning, or lewd in life, are all the rest to be condemned?—*Archbishop Whitgift.*

Being *void* of all friendship and enmity, they never complain.—*Swift.*

5. Unsubstantial; unreal.

Senseless, lifeless idol, *void* and vain. *Pope.*

Void. *s.* Empty space; vacuum; vacancy.

Pride, where wit fails, steps in to our defence,
And fills up all the mighty *void* of sense.
Pope, Essay on Criticism, ii. 209.

Void. *v. a.* Make void.

1. Quit; leave empty.

If they will fight with us, bid them come down,
Or *void* the field. *Shakespear, Henry V.* iv. 7.

2. Emit; pour out.

The ascending water is vented by fits, every circumvolution *voiding* only so much as is contained in one helix.—*Bishop Wilkins.*

3. Emit as excrement.

Excrements smell ill to the same creature that *voideth* them; and the cat burieth what she *voideth.*—*Bacon.*

Fleshy filaments, or matter *voided* by urine, are suspicious symptoms of a stone in the kidneys,—*Arbuthnot.*

4. Vacate; nullify; annul.

It was become a practice, upon any specious pretences, to *void* the security that was at any time given for money so borrowed.—*Lord Clarendon, History of the Grand Rebellion.*

Voídable. *adj.* Capable of being, liable to be, voided or made void.

If the metropolitan, pretending the party deceased had 'bona notabilia' in divers dioceses, grants letters of administration, such administration is not void, but *voidable* by a sentence.—*Ayliffe, Parergon Juris Canonici.*

Voídance. *s.* Avoidance.

And therefore I am resolved, when I come to my answer, not to trick my innocency (as I writ to the Lords) by cavillations, or *voydances*, but to speak to them the language that my heart speaketh to me, in excusing, extenuating, or ingenuously confessing. —*Bacon, Letters*, p. 137. (Ord MS.)

Voíder. *s.* Basket, in which broken meat is carried from the table.

A *voider* for the nonce,
I wrong the devil, should I pick their bones.
Cleaveland.

Voídness. *s.* Attribute suggested by Void.

1. Emptiness; vacuity.

Through him the cold began to covet heat,
And water fire; the light to mount on high,
And th' heavy down to poise; th' hungry t' eat,
And *voidness* to seek full satiety.
Spenser, Colin Clout's come home again.

2. Nullity; inefficacy.

3. Want of substantiality.

If thereby you understand their nakedness and *voidness* of all mixt bodies, good divines are of opinion that the work of the creation was not in itself distinguished by days.—*Hakewill, Apology.*

Vólant. *adj.* [Lat. *volans, -antis*, pres. part. of *volo* = I fly.]

1. Flying; passing through the air.

The *volant*, or flying automata, are such mechanical contrivances as have self-motion, whereby they are carried aloft in the air, like birds.—*Bishop Wilkins, Mathematical Magick.*

2. Nimble; active.

His *volant* touch
Instinct through all proportions, low and high,
Fled, and pursued transverse the resonant fugue.
Milton, Paradise Lost; xi. 561.

Blind British bards, with *volant* touch,
Traverse loquacious strings, whose solemn notes
Provoke to harmless revels.
J. Philips, Cyder, ii. 424.

Vólatile. *adj.* [Lat. *volatilis.*]

1. Flying; passing through the air.

The caterpillar towards the end of summer waxeth *volatile*, and turneth to a butterfly.—*Bacon, Natural and Experimental History.*

2. Having the power to pass off by spontaneous evaporation.

In vain, though by their powerful art they bind
Volatile Hermes. *Milton, Paradise Lost*, iii. 602.

When arsenick with soap gives a regulus, and with mercury sublimate a *volatile* fusible salt, like butter of antimony; doth not this shew that arsenick, which is a substance totally *volatile*, is compounded of fixed and *volatile* parts, strongly cohering by a mutual attraction; so that the *volatile* will not ascend without carrying up the fixed?—*Sir I. Newton.*

3. Lively; fickle; changeable of mind; full of spirit; airy.

Active spirits, who are ever skimming over the surface of things with a *volatile* temper, will fix nothing in their mind.—*Watts, On the Improvement of the Mind.*

You are as giddy and *volatile* as ever, just the reverse of Mr. Pope, who hath always loved a domestick life.—*Swift.*

Used *substantivally.*

The air conveys the heat of the sun, maintains fires, and serves for the flight of *volatiles*.—*Sir T. Browne, Vulgar Errours.*

Vólatileness. *s.* Attribute suggested by Volatile; volatility.

The animal spirits cannot, by reason of their subtilty and *volatileness*, be discovered to the sense.—*Sir M. Hale.*

Volatílity. *s.*

1. Quality of flying away by evaporation; not fixity.

Upon the compound body, chiefly observe the colour, fragility, or pliantness, the *volatility* or fixation, compared with simple bodies.—*Bacon.*

The *volatility* of mercury argues that they are not much bigger; nor may they be much less, lest they lose their opacity.—*Sir I. Newton, On Opticks.*

By the spirit of a plant, we understand that pure, elaborated oil, which, by reason of its extreme *volatility*, exhales spontaneously, in which the odour or smell consists.—*Arbuthnot.*

2. Mutability of mind; airiness; liveliness.

Had we but the same delight in heavenly objects, did we but receive the truth in the love of it, and mingle it with faith in the hearing, this would fix that *volatileness* and flittiness of our memories, and make every truth as indelible as it is necessary.—*Bishop Hopkins, Exposition*, p. 314.

Volatilizátion. *s.* Act of making volatile.

Chemists have, by a variety of ways, attempted in vain the *volatilization* of the salt of tartar.—*Boyle.*

Vólatilize. *v. a.* [Fr. *volatiliser.*] Reduce to a volatile condition or state.

Spirit of wine has a refractive power, in a middle degree between those of water and oily substances, and accordingly seems to be composed of both, united by fermentation: the water, by means of some saline spirits with which it is impregnated, dissolving the oil, and *volatilizing* it by the action.—*Sir I. Newton, On Opticks.*

Spirituous liquors are so far from attenuating, *volatilizing*, and rendering perspirable the animal fluids, that it rather condenseth them.—*Arbuthnot, On the Nature and Choice of Aliments.*

Iron is *volatilised* by the voltaic arc in nitrogen or in an exhausted receiver, and when a scarcely perceptible film has lined the receiver, this is washed with an acid, which then gives, with ferrocyanide of potassium, the prussian blue precipitate: in this case we readily distil iron, a metal by ordinary means fusible only at a very high temperature.—*Grove, On the Correlation of Physical Forces.*

Volcáno. *s.* [Italian, from *Vulcan.*] Burning mountain.

Navigators tell us there is a burning mountain in an island, and many *volcanoes* and fiery hills.—*Sir T. Browne.*

Why want we then encomiums on the storm,
Or famine, or *volcanoes?* They perform
Their mighty deeds; they hero-like can slay,
And spread their ample deserts in a day.
Young, Love of Fame, vii. 47.

Vole. *s.* See Water-rat.

Vole. *s.* [Fr.] Deal at cards, that draws the whole tricks.

Past six, and not a living soul!
I might by this have won a *vole.*
Swift, Journal of a Modern Lady.

Vólery. *s.* [Fr. *volerie.*] Flight of birds. *Rare.*

An old boy, at his first appearance, is sure to draw on him the eyes and chirping of the whole town *volery*; amongst which there will not be wanting some birds of prey that will presently be on the wing for him.—*Locke.*

Volitátion. *s.* [Lat. *volito* = I fly; pass. part. *volitatus.*] Act or power of flying. *Rare.*

Birds and flying animals are almost erect, advancing the head and breast in their progression, and only prone in the act of *volitation*.—*Sir T. Browne, Vulgar Errours.*

Volítion. *s.* [Lat. *volitio, -onis*; *volo* = I wish, I will.] Act or power of willing; power of choice exerted; will.

To say that we cannot tell whether we have liberty, because we do not understand the manner of *volition*, is all one as to say that we cannot tell whether we see or hear, because we do not understand the manner of sensation.—*Bishop Wilkins.*

Volition is the actual exercise of the power the mind has to order the consideration of any idea, or the forbearing to consider it; or to prefer the motion of any part of the body to its rest, by directing any particular action, or its forbearance.—*Locke.*

Volítional. *adj.* Having the character of, characterised or determined by, the will; connected with volition.

Suppose a continuance of the ... irritation accompanied by the same psychical manifestation and loss of *volitional* power.—*Dr. Forbes Winslow, On certain Obscure Diseases of the Brain and Mind*, ch. v.

I have thus shown that with emotions, with all intellectual states, and with sensations, as well as in *volitional* acts, we may find the ternary law in force. —*Dr. Sankey, Lecture on Mental Diseases*, lect. i.

Vólitive. *adj.* Having the power to will. *Rare.*

They not only perfect the intellectual faculty, but the *volitive*; making the man not only more knowing, but more wise and better.—*Sir M. Hale.*

Vólley. *s.* [Fr. *volée.*]

1. Flight of shot.

From the wood a *volley* of shot slew two of his company.—*Sir W. Raleigh, Apology.*

More on his guns relies, than on his sword;
From whence a fatal *volley* we received. *Waller.*

'Ay,' replied Morton, 'even thus fly all your shafts—smartly enough loosened from the bow, and not unskilfully aimed—but a breath of foolish affection ever crosses in the mid *volley*, and sways the arrow from the mark.'—*Sir W. Scott, The Abbot*, ch. xvii.

2. Burst; emission of many at once.

A fine *volley* of words, gentlemen, and quickly shot off.—*Shakespear, Two Gentlemen of Verona*, ii. 4.

Distrustful sense with modest caution speaks;
It still looks home, and short excursions makes;
But rattling nonsense in full *vollies* breaks.
Pope, Essay on Criticism, iii. 626.

On the volley. At random; as a flying shot at birds: (still used in *tennis* and *rackets*).

What we spake *on the volley* begins to work;
We've laid a good foundation.
Massinger, The Picture, iii. 6.

Vólley. *v. n.* Throw out.

The holding every man shall beat as loud
As his strong sides can *volley.*
Shakespear, Antony and Cleopatra, ii. 7.

Vólley. *v. a.* Discharge as with a volley.

Another hound ...
Against the welkin *vollies* out his voice.
Shakespear, Venus and Adonis.

Vóllied. *part. adj.* Disploded; discharged with a volley.

I stood
Thy fiercest, when in battle to thy aid
The blasting *vollied* thunder made all speed.
Milton, Paradise Lost, iv. 926.

Volt. *s.* [Fr. *volte.*] See extract.

Volt signifies a round or a circular tread; a gait of two treads made by a horse going sideways round a centre; so that these two treads make parallel tracts, the one which is made by the fore feet larger, and the other by the hinder feet smaller; the shoulders bearing outwards, and the croupe approaching towards the centre. — *Farrier's Dictionary.*

Vóltaic. *s.* In *Physics.* Relating to, connected with, that modification and development of galvanism due to Volta.

A *voltaic* battery, which consists usually of alternations of two metals, and a liquid capable of acting chemically upon one of them, has ... the power of producing chemical action in a liquid connected with it by metals upon which this liquid is incapable of acting: in such case the constituents of the liquid will be eliminated at the surfaces of the immersed metals, and at a distance one from the other. For example, if the two platinum terminals of a *voltaic* battery be immersed in water, oxygen will be evolved at one and hydrogen at the other terminal, exactly in the proportions in which they form water; while, to the most minute examination, no action is perceptible in the intervening stratum of liquid. It was known before Faraday's time that, while this chemical action was going on in the subjected liquid, a chemical action was going on in the cells of the *voltaic* battery, but it was scarcely if at all known that the amount of chemical action in the one bore a constant relation to the amount of action in the other. Faraday proved that it bore a direct equivalent relation: that is, supposing the battery to be formed of zinc, platinum, and water, the amount of oxygen which united with the zinc in each cell of the battery was exactly equal to the amount evolved at the one platinum terminal, while the hydrogen evolved from each platinum plate of the battery was equal to the hydrogen evolved from the other platinum terminal. Supposing the battery to be charged with hydrochloric acid, instead of water, while the terminals are separated by water, then for every thirty-six parts by weight of chlorine which united with each plate of zinc, eight parts of oxygen would be evolved from one of the platinum terminals: that is, the weights would be precisely in the same relation which Dalton proved to exist in their chemical combining weights. This may be extended to all liquids capable of being decomposed by the electric current, thence called Electrolytes: and as no *voltaic* effect is produced by liquids incapable of being thus decomposed, it follows that *voltaic* action is chemical action taking place at a distance, or transferred through a chain of media, and that the chemical equivalent numbers are the exponents of the amount of *voltaic* action for corresponding chemical substances.—*Grove, Correlation of the Physical Forces.*

Voltaic Electricity [is a term] used to denote the phenomena resulting from the evolution of a current of electricity by chemical action. About 1790 Galvani noticed that the limb of a frog was convulsed if it happened to be touched by the extremities of two dissimilar metals when in contact at the other end. Both Galvani and Volta thought, and rightly, that the convulsion of the frog was due to electricity; but both were wrong in their theoretical explanation of the source of this electricity. It is not the frog alone, as Galvani thought, nor the contact of dissimilar metals alone, as Volta supposed, that gives rise to the electric current, the physiological effect of which was observed by Galvani. It has now been abundantly proved by Faraday, that the source of *voltaic* electricity is a difference of chemical action, taking place between the intervening liquid and one or other of the metals.—*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Voltámeter. *s.* [Gr. *μέτρον* = measure.] Instrument for measuring the strength of a voltaic current.

Vóltatype. *s.* Electrotype. See extract.

The chemical action of the voltaic battery is not only a valuable agent in research, but is now practically employed on a large scale in some manufactures. It is used chiefly for the purpose of depositing a metal by electrolysis on the conducting surface to be coated. When a solution of sulphate is submitted to electrolysis, metallic copper is precipitated on the negative electrode, sulphuric acid appearing at the positive, where it is again converted into an equivalent of the sulphate if that electrode be of copper. Impressions of coins can thus be taken, and the metallic imprint produced is termed an electrotype or *Voltatype.*—*Hirst*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Volubílity. *s.* [Fr. *volubilité*; Lat. *volubilitas*, from *volubilis*; *volvo* = I roll.]

1. Act or power of rolling.

Then cœlestial spheres should forget their wonted motions, and by irregular *volubility* turn themselves any way, as it might happen.—*Hooker, Ecclesiastical Polity.*

Volubility, or aptness to roll, is the property of a bowl, and is derived from its roundness.—*Watts, Logick.*

2. Activity of tongue; fluency of speech.

Say she be mute, and will not speak a word,
Then I'll commend her *volubility.*
Shakespear, Taming of the Shrew, ii. 1.

He expressed himself with great *volubility* of words, natural and proper.—*Lord Clarendon, History of the Grand Rebellion.*

He had all the French assurance, cunning, and *volubility* of tongue.—*Addison.*

3. Mutability; liableness to revolution.

He that's a victor this moment, may be a slave the next; and this *volubility* of human affairs, is the judgment of providence, in the punishment of oppression.—*Sir R. L'Estrange.*

Vóluble. *adj.* [Lat. *volubilis.*]

1. Formed so as to roll easily; formed so as to be easily put in motion.

Neither the weight of the matter of which a cylinder is made, nor its round *voluble* form, which, meeting with a precipice, do necessarily continue the motion of it, are any more imputable to that dead, choiceless creature in its first motion.—*Hammond.*

2. Rolling; having quick motion.

This less *voluble* earth,
By shorter flight to the east, had left him there.
Milton, Paradise Lost, iv. 594.
Then *voluble*, and bold; now hid, now seen,
Among thick-woven arborets. *Ibid.* ix. 436.

3. Nimble; active: (applied to the *tongue*):

A friend promised to dissect a woman's tongue, and examine whether there may not be in it certain juices, which render it so wonderfully *voluble* and flippant.—*Addison, Spectator.*

These, with a *voluble* and flippant tongue, become mere echoes.—*Watts, On the Improvement of the Mind.*

4. Fluent of words: (applied to the *speech* or the *speaker*).

Cassio, a knave very *voluble*; no further conscionable, than in putting on the meer form of civil and humane seeming, for the better compassion of his loose affection.—*Shakespear, Othello*, ii. 1.

If *voluble* and sharp discourse be marr'd,
Unkindness blunts it more than marble hard.
Id., Comedy of Errors, ii. 1.

Vólubly. *adv.* In a voluble manner.

This he as *volubly* would vent,
As if his stock would ne'er be spent.
Butler, Hudibras, i. 1, 105.

Vólume. *s.* [Fr.; Lat. *volumen.*]

1. Something rolled, or convolved; as much as seems convolved at once: (as a fold of a serpent, a wave of water).

Threescore and ten I can remember well;
Within the *volume* of which time I've seen
Hours dreadful, and things strange.
Shakespear, Macbeth, ii. 4.
Behind the general mends his weary pace,
And silently to his revenge he sails:
So glides some trodden serpent on the grass,
And long behind his wounded *volume* trails.
Dryden, Annus Mirabilis, cxxiii.
Thames' fruitful tides
Slow through the vale in silver *volumes* play.
Fenton.

2. Book (so called, because books were anciently rolled upon a staff).

Guyon all this while his book did read,
Ne yet has ended; for it was a great
And ample *volume*, that doth far exceed
My leisure, so long leaves here to repeat.
Spenser, Faerie Queen, ii. 10, 70.

Calmly, I do beseech you.—
Ay, as an hostler, that for the poorest piece
Will bear the knave by th' *volume.*
Shakespear, Coriolanus, iii. 3.

I shall not now enlarge on the wrong judgments whereby men mislead themselves. This would make a *volume.*—*Locke.*

3. In *Chemistry.* Term used in the measurement of gases, in respect to the space occupied by them.

Quantitative changes which involve a variation in either the *volume* or the place of phenomena, not only require space as a genus of the special change, but also time as its condition. Change of *volume* is reducible to simultaneous change of place of a multiplicity of material points; so that the main event to be studied here, is that a material point, being at rest in one place, leaves that place, and passes into another.—*Ingleby, An Introduction to Metaphysic.*

Volúminous. *adj.*

1. Consisting of many complications.

Woman to the waist, and fair,
But ended foul in many a scaly fold,
Voluminous and vast.
Milton, Paradise Lost, ii. 650.

2. Consisting of many volumes, or books.

If heaven write aught of fate, by what the stars
Voluminous, or single characters
In their conjunction met, give me to spell
Milton, Paradise Regained, iv. 383.

There is pleasure in doing something new, though never so little, without pestering the world with *voluminous* transcriptions.—*Graunt, Observations on the Bills of Mortality.*

The most severe reader makes allowances for many rests and nodding-places in a *voluminous* writer.—*Spectator.*

3. Copious; diffusive.

He did not bear contradiction without much passion, and was too *voluminous* in discourse.—*Lord Clarendon, History of the Grand Rebellion.*

Volúminously. *adv.* In many volumes or books.

The controversies are hotly managed by the divided schools, and *voluminously* every where handled.—*Granville.*

Volúminousness. *s.* Attribute suggested by Voluminous; state of being voluminous.

His works [Aquinas's] mount to that *voluminousness* they have very much by repetitions.—*Dodwell, Letters of Advice*, letter ii.

The smoke and the jar of the battle
Stain the clear air with sunbows; dire was the rattle
Of solid bones crunched by the infinite stress
Of the snake's adamantine *voluminousness.*
Shelley, A Vision of the Sea.

Vólumist. *s.* One who writes a volume: an author. *Rare.*

Ye write them [volumes] in your closets, and unwrite them in your courts; hot *volumists*, and cold bishops!—*Milton, Animadversions upon a Defence of the Humble Remonstrance.*

Vóluntarily. *adv.* In a voluntary manner; spontaneously; of one's own accord; without compulsion.

To be agents *voluntarily* in our own destruction is against God and nature.—*Hooker, Ecclesiastical Polity.*

Self-preservation will oblige a man *voluntarily*, and by choice, to undergo any less evil, to secure himself but from the probability of an evil incomparably greater.—*South, Sermons.*

Vóluntariness. *s.* Attribute suggested by Voluntary; state of being voluntary.

The *voluntariness* of an action is not able to defame it, if there be no irregularity imputable to the action itself, abstracted from the *voluntariness.*—*Hammond, Works*, i. 234.

Vóluntary. *adj.* [Fr. *voluntaire*; Lat. *voluntarius.*]

1. Acting without compulsion; acting by choice.

God did not work as a necessary, but a *voluntary* agent; intending before-hand, and decreeing with himself, that which did outwardly proceed from him.—*Hooker, Ecclesiastical Polity.*

The lottery of my destiny
Bars me the right of *voluntary* chusing.
Shakespear, Merchant of Venice, ii. 1.

2. Willing; act of willingness.

Then virtue was no more, her guard away,
She fell to lust a *voluntary* prey.
Pope, Translation of the Odyssey.

3. Done by design; purposed.

If a man be lopping a tree, and his ax-head fall from the helve, out of his hand, and kills another passing by; here is indeed manslaughter, but no *voluntary* murther.—*Perkins.*

4. Done without compulsion.

The old duke is banished by his younger brother, the new duke, and three or four loving lords have put themselves into *voluntary* exile with him.—*Shakespear, As you like it*, i. 1.

Voluntary forbearance denotes the forbearance of an action, consequent to an order of the mind.—*Locke.*

5. Acting of its own accord; spontaneous.

The publick prayers of the people of God in churches thoroughly settled, did ever use to be *voluntary* dictates, proceeding from any man's extemporal wit.—*Hooker, Ecclesiastical Polity.*

Thoughts which *voluntary* move
Harmonious numbers.
Milton, Paradise Lost, iii. 37.

Vóluntary. *s.*

1. Volunteer; one who engages in any affair of his own accord.

All th' unsettled humours of the land;
Rash, inconsid'rate, fiery *voluntaries.*
Shakespear, King John, ii. 1.

The bordering wars were made altogether by *voluntaries*, upon their own head.—*Sir J. Davies, Discourse on the State of Ireland.*

Aids came in partly upon missives, and partly *voluntaries* from all parts.—*Bacon.*

2. Piece of music played at will, without any settled rule.

Whistling winds, like organs, play'd,
Until their *voluntaries* made
The waken'd earth in odours rise,
To be her morning sacrifice. *Cleaveland.*

By a *voluntary* before the first lesson, we are prepared for admission of those divine truths, which we are shortly to receive.—*Spectator.*

Vóluntaryism. *s.* System of maintenance by voluntary contribution, as opposed to compulsory rates or taxes, or endowments: (chiefly applied to *religious* denominations).

The gables of dissenting chapels were a visible sign of religion and of a meeting place to counterbalance the ale-house, even in the hamlets; but if a couple of old termagants were seen tearing each other's caps, it was a safe conclusion that, if they had not received the sacraments of the church, they had not at least given into schismatic rites, and were free from the errors of *voluntaryism.*—*George Eliot* (*signature*), *Felix Holt the Radical*, introduction, p. 8.

Volunteér. *s.* [Fr. *volontaire.*] Soldier who enters into the service of his own accord.

Congreve and the author of the Relapse being the principals in the dispute, I satisfy them; as for the *volunteers*, they will find themselves affected with the misfortune of their friends.—*Collier.*

All Asia now was by the ears;
And gods beat up for *volunteers*
To Greece and Troy. *Prior, Alma*, ii. 93.

Volunteér. *v. n.* Go for a soldier: (condemned by Johnson as 'a *cant* word').

Leave off these wagers, for in conscience speaking,
The city needs not your new tricks for breaking:
And if you gallants lose, to all appearing,
You 'll want an equipage for *volunteering.*
Dryden, Prologue to King Arthur.

Volúptuary. *s.* [Fr. *voluptuaire*; Lat. *voluptuarius.*] Man given up to pleasure and luxury.

Does not the *voluptuary* understand in all the liberties of a loose and lewd conversation, that he runs the risk of body and soul?—*Sir R. L'Estrange.*

The parable was intended against the *voluptuaries*; men who lived like heathens, dissolutely, without regarding any of the restraints of religion.—*Bishop Atterbury.*

Volúptuate. *v. a.* Convert into pleasure. *Rare.*

'Tis watching and labour that *voluptuate* repose and sleep.—*Feltham, Resolves*, 43. (Ord MS.)

Volúptuous. *adj.* [Lat. *voluptuosus*; Fr. *voluptueux.*] Given to excess of pleasure; luxurious.

He them deceives; deceived in his deceit;
Made drunk with drugs of dear *voluptuous* receipt.
Spenser.

If a new sect have not two properties, it will not spread. The one is, the supplanting, or the opposing of authority established; the other is the giving license to pleasures, and a *voluptuous* life.—*Bacon.*

Thou wilt bring me soon
To that new world of light and bliss, among
The gods, who live at ease, where I shall reign
At thy right hand *voluptuous*, without end.
Milton, Paradise Lost, ii. 866.

Speculative atheism subsists only in our speculation; whereas really human nature cannot be guilty of the crime. Indeed, a few sensual and *voluptuous* persons may for a season eclipse this native light of

the soul, but can never wholly smother and extinguish it.—*Bentley, Sermons.*

Volúptuously. *adv.* In a voluptuous manner; with indulgence of excessive pleasure.

Had I a dozen sons, I had rather eleven died nobly for their country, than one *voluptuously* surfeit out of action.—*Shakespear, Coriolanus*, i. 3.

This cannot be done, if my will be so worldly or *voluptuously* disposed, as never to suffer me to think of them; but perpetually to carry away and apply my mind to other things.—*South, Sermons.*

Volúptuousness. *s.* Attribute suggested by Voluptuous; luxuriousness; addictedness to excess of pleasure.

There 's no bottom
In my *voluptuousness*; your wives, your daughters,
Your matrons, and your maids, could not fill up
The cistern of my lust.
Shakespear, Macbeth, iv. 3.

Those sons of Epicurus, for *voluptuousness* and irreligion, must pass for the only wits of the age.—*South, Sermons.*

You may be free, unless
Your other lord forbids *voluptuousness*. *Dryden.*

Volutátion. *s.* Wallowing; rolling. *Rare.*

In the sea, when the storm is over, there remains still an inward working and *volutation*.—*Bishop Reynolds, On the Passions*, ch. xxi.

Vólute. *s.* [Fr. *volute.*] In *Architecture.* Spiral scroll on each side of the column in the Ionic order.

That part of the capitals of the Ionick, Corinthian, and Composite orders, which is supposed to represent the bark of trees twisted and turned into spiral lines, or, according to others, the head-dresses of virgins, in their long hair. According to Vitruvius, those that appear above the stems in the Corinthian order, are sixteen in every capital, four in the Ionick, and eight in the Composite. These *volutes* are more especially remarkable in the Ionick capital, representing a pillow or cushion laid between the abacus and echinus: whence that antient architect calls it the *voluta* pulvinis.—*Harris.*

It is said there is an Ionick pillar in the Santa Maria Transtevere, where the marks of the compass are still to be seen on the *volute*; and that Palladio learnt from thence the working of that difficult problem.—*Addison.*

Vómica. *s.* [Lat.] Purulent cavity in the lungs.

If the ulcer is not broke, it is commonly called a *vomica*, attended with the same symptoms as an empyema; because the *vomica* communicating with the vessels of the lungs, must necessarily void some of the putrid matter, and taint the blood.—*Arbuthnot, On Diet.*

Vómic nut. *s.* Translation of Nux vomica, the seed from which Strychnia is obtained.

Vomic nut [is] the nucleus of a fruit of an East-Indian tree, the wood of which is the lignum colubrinum, or snakewood of the shops. It is flat, compressed, and round, of the breadth of a shilling, and about the thickness of a crown-piece. It is certain poison to quadrupeds and birds; and taken internally, in small doses, it disturbs the whole human frame, and brings on convulsions.—*Sir J. Hill, Materia Medica.*

Vómit. *v. n.* [Lat. *vomo.*] Cast up the contents of the stomach.

The dog, when he is sick at the stomach, knows his cure, falls to his grass, *vomits*, and is well.—*More.*

Vómit. *v. a.*

1. Throw up from the stomach: (often with *up* or *out*).

As though some world unknown,
By pamper'd nature's store too prodigally fed,
And surfeiting therewith, her surcrease *vomited*.
Drayton.

The Lord spake unto the fish, and it *vomited out* Jonah upon the dry land.—*Jonah*, ii. 10.

Weak stomachs *vomit up* the wine that they drink in too great quantities, in the form of vinegar.—*Arbuthnot.*

2. Throw up with violence from any hollow.

Vómit. *s.*

1. Matter thrown up from the stomach.

He shall cast up the wealth by him devour'd,
Like *vomit* from his yawning entrails pour'd.
Sandys.

2. Emetic medicine; medicine that causes vomit.

This *vomit* may be repeated often, if it be found successful.—*Sir R. Blackmore.*

Whether a *vomit* may be safely given, must be judged by the circumstances; if there be any symptoms of an inflammation of the stomach, a *vomit* is extremely dangerous.—*Arbuthnot.*

3. Black vomit; intertropical fever so called.

At Vera Cruz, in the midst of the black *vomit*, the native inhabitants and acclimated Europeans enjoy a state of health the most perfect.—*Crawfurd*, in *Transactions of the Ethnological Society, On the Commixture of Races.*

Vómiting. *verbal abs.* Act of one who vomits.

Vomiting is of use, when the foulness of the stomach requires it.—*Wiseman, Surgery.*

Vomition. *s.* Act or power of vomiting. *Rare.*

How many have saved their lives, by spewing up their debauch! Whereas, if the stomach had wanted the faculty of *vomition*, they had inevitably died.—*Grew, Cosmologia Sacra.*

Vómitive. *adj.* Emetic; causing vomits.

From this vitriolous quality, mercurius dulcis and vitriol *vomitive* occasion black ejections.—*Sir T. Browne, Vulgar Errours.*

Construction (like that of *emetic*) often *substantival.*

Vómitory. *adj.* Procuring vomits; emetic.

Since regulus of stibium, or glass of antimony, will communicate to water or wine a purging or *vomitory* operation, yet the body itself, after iterated infusions, abates not virtue or weight.—*Sir T. Browne, Vulgar Errours.*

Some have vomited up such bodies as these, namely, thick, short, blunt pins, which, by straining, they vomit up again, or by taking *vomitories* privately.—*Harvey, Discourse of Consumptions.*

Vómitory. *s.* [Lat. *vomitorium.*] In *Architecture.* Opening for ingress and egress in the ancient theatres and amphitheatres.

Sixty-four *vomitories* (for by that name the doors were very aptly distinguished) poured forth the immense multitude.—*Gibbon, Decline and Fall of the Roman Empire*, ch. xii. (Ord MS.)

Vorácious. *adj.* [Fr. *vorace*; Lat. *vorax.*]

1. Greedy to eat; ravenous; edacious.

So *voracious* is this humour grown, that it draws in every thing to feed it.—*Dr. H. More, Government of the Tongue.*

2. Rapacious; greedy.

Voráciously. *adv.* In a voracious manner; greedily; ravenously.

He [Dr. Johnson] was *voraciously* fond of good eating.—*Boswell, Tour to the Hebrides*, p. 11.

Voráciousness. *s.* Attribute suggested by Voracious.

Distinguishing himself by *voraciousness* of appetite.—*Tatler*, no. 255.

Vorácity. *s.* [Fr. *voracité.*] Greediness; ravenousness.

He is as well contented with this as those that with the rarities of the earth pamper their *voracities*.—*Sandys.*

Creatures by their *voracity* pernicious have commonly fewer young.—*Derham, Physico-Theology.*

Vórtex. *s.* in the plural *vortices.* [Lat.] Anything whirled round.

If many contiguous *vortices* of molten pitch were each of them as large as those which some suppose to revolve about the sun and fixed stars; yet these, and all their parts, would, by their tenacity and stiffness, communicate their motion to one another.—*Sir I. Newton, On Opticks.*

The gath'ring number, as it moves along,
Involves a vast involuntary throng;
Who gently drawn, and struggling less and less,
Roll in her *vortex*, and her power confess.
Pope, Dunciad, iv. 81.

Vórtical. *adj.* Having a whirling motion.

If three equal round vessels be filled, the one with cold water, the other with oil, the third with molten pitch, and the liquors be stirred about alike, to give them a *vortical* motion; the pitch, by its tenacity, will lose its motion quickly; the oil, being less tenacious, will keep it longer, and the water, being still less tenacious, will keep it longest, but yet will lose it in a short time.—*Sir I. Newton, On Opticks.*

It is not a magnetical power, nor the effect of a *vortical* motion; those common attempts towards the explication of gravity.—*Bentley, Sermons.*

Vortiginous. *adj.* Having the character of a vortex or whirlpool. *Rhetorical.*

With *vortiginous* and hideous whirl
Sucks down its prey. *Cowper, Task, The Timepiece.*

Vótaress. *s.* Female votary.

The imperial *votaress* passed on,
In maiden meditation, fancy free.
Shakespear, Midsummer-Night's Dream, ii. 2.

Thy *votaress* from my tender years I am;
And love, like thee, the woods and sylvan game.
Dryden, Palamon and Arcite, iii. 225.

Vótarist. *s.* Votary.

I speak not as desiring more,
But rather wishing a more strict restraint
Upon the sisterhood, the *votarists* of St. Clare.
Shakespear, Measure for Measure i. 5.

The gray-hooden Even,
Like a sad *votarist* in palmer's weed,
Rose from the hindmost wheels of Phœbus' wain.
Milton, Comus, 183.

Vótary. *s.* One devoted, as by a vow, to any particular service, worship, study, or state of life.

Wherefore waste I time to counsel thee?
Thou art a *votary* to fond desire.
Shakespear, Two Gentlemen of Verona, i. 1.

'Twas the coldness of the *votary*, and not the prayer, that was in fault, whenever fervour was deficient at the publick office of the church.—*Bishop Fell.*

By these means, men worship the idols which have been set up in their minds; and, stamping the characters of divinity upon absurdities and errors, become zealous *votaries* to bulls and monkies.—*Locke.*

How can heav'nly wisdom prove
An instrument to earthly love?
Know'st thou not yet, that men commence
Thy *votaries* for want of sense?
Swift, Cadenus and Vanessa.

Used *adjectivally.*

Superstition is now so well advanced, that men of the first blood are as firm as butchers by occupation; and *votary* resolution is made equipollent to custom, even in matter of blood.—*Bacon.*

Vote. *s.* [see Vow.]

1. Suffrage; voice given and numbered.

He that joins instruction with delight,
Profit with pleasure, carries all the *votes*.
Lord Roscommon.

The final determination arises from the majority of opinions or *votes* in the assembly, because they ought to be swayed by the superior weight of reason.—*Watts.*

2. United voice of persons in public prayer. (see the second sense of Suffrage). *Obsolete.*

And here may be taken in those interchangeable *votes* of priest and people, which are interposed, 'O, Lord, arise, help us, and deliver us for thy Name's sake! O God, we have heard with our ears,' &c., and therefore now, 'Arise, O Lord, help us, and deliver us for thine honour.'—*Bishop Prideaux, Euchologia*, p. 226.

Vote. *v. a.*

1. Choose by suffrage; determine by suffrage.

You are not only in the eye and ear of your master; but you are also a favourite, the favourite of the time, and so are in his bosom also; the world hath also *voted* you, and doth so esteem of you.—*Bacon.*

2. Give by vote.

The parliament *voted* them one hundred thousand pounds by way of recompense for their sufferings.—*Swift.*

Vóter. *s.* One who has the right of giving his voice or suffrage.

Elections growing chargeable, the *voters*, that is, the bulk of the common people, have been universally seduced into bribery, perjury, drunkenness, malice, and slander.—*Swift.*

Vótive. *adj.* [Lat. *votivus.*] Given by vow; observed in consequence of a vow.

Votive abstinence some constitutions may endure.—*Felltham, Resolves*, i. 85.

Such in Isis' temple you may find,
On *votive* tablets to the life pourtray'd.
Power, Translation of Juvenal, xii. 38.

Venus! take my *votive* glass;
Since I am not what I was,
What from this day I shall be,
Venus! let me never see.
Prior, The Lady who offers her Looking-glass to Venus.

Vouch. *v. a.* [Fr. *voucher.*—see under Vouchsafe.]

1. Call to witness; obtest.

Some *vouch* great names, because they think they deserve; but I, because I need such.—*South, Sermons, Dedication to Lord Clarendon.*

The sun and day are witnesses for me;
Let him who fights unseen relate his own,
And *vouch* the silent stars and conscious moon.
Dryden, Translation from Ovid, Contention of Ajax and Ulysses.

2. Attest; warrant; declare; maintain by repeated affirmations.

You do not give the cheer; the feast is sold
That is not often *vouched*, while 'tis making,
'Tis given with welcome.
Shakespear, Macbeth, iii. 4.

They made him ashamed to *vouch* the truth of the relation, and afterwards to credit it.—*Bishop Atterbury.*

Vouch. *v. n.* Bear witness; appear as a witness; give testimony.

He declares he will not believe her, until the elector of Hanover shall *vouch* for the truth of what she hath so solemnly affirmed.—*Swift.*

Vouch. *s.* Warrant; attestation.

What praise couldst thou bestow on a deserving woman indeed? one that, in the authority of her merit, did justly put on the *vouch* of very malice itself?—*Shakespear, Othello*, ii. 1.

Why in this wolvish gown should I stand here,
To beg of Hob and Dick, that do appear,
Their needless *vouches?* *Id., Coriolanus*, ii. 3.

Voúchee. *s.* See extract.

The tenant appears, and calls upon one Jacob Morland, who is supposed, at the original purchase to have warranted the title to the tenant; and thereupon he prays that the said Jacob Morland may be called in to defend the title which he so warranted; this is called the *voucher, vocatio*, or calling of Jacob Morland to warranty; and Morland is called the *vouchee.—Sir W. Blackstone, Commentary on the Laws of England.*

Voúcher. *s.*

1. One who gives witness to anything.

All the great writers of that age stand up together as *vouchers* for one another's reputation.—*Spectator.*

I have added nothing to the malice or absurdity of them, which it behoves me to declare, since the *vouchers* themselves will be so soon lost.—*Pope.*

2. Testimony.

The stamp is a mark, and a publick *voucher*, that a piece of such denomination is of such a weight, and of such a fineness, i.e. has so much silver in it.—*Locke.*

3. Receipt.

Vouchsáfe. *v. a.* [Lat. *voco* = I call (whence *vouch*, from the *calling in* of some one as a guarantee) and *salvus* (Fr. *sauf*) = save.] Permit anything to be done without danger; condescend to grant.

He grew content to mark their speeches, and marvel at such wit in shepherds, after to like their company, and lastly to *vouchsafe* conference.—*Sir P. Sidney.*

But if the sense of touch seem such delight
Beyond all other, think the same *vouchsafed*
To cattle and each beast.
Milton, Paradise Lost, viii. 581.

Vouchsáfe. *v. n.* Deign; condescend; yield.

Do I not see Zelmane, who does not think a thought which is not first weighed by wisdom and virtue? doth not she *vouchsafe* to love me with like ardour?—*Sir P. Sidney.*

Vouchsafe, divine perfection of a woman,
Of these supposed crimes to give me leave
By circumstance but to acquit myself.
Shakespear, Richard III. i. 2.

Vouchsafe, illustrious Ormond, to behold
What pow'r the charms of beauty had of old.
Dryden, Epistle to the Duchess of Ormond, 7.

Vouchsáfement. *s.* Grant; condescension.

The infinite superiority of God's nature, places a vast disparity betwixt his greatest communicated *vouchsafements*, and his boundless, and therefore to his creatures incommunicable, perfections.—*Boyle.*

Vow. *s.* [Fr. *vœu*; Lat. *votum*; *voveo* = I vow; pass. part. *votus*.]

1. Any promise made to a divine power; act of devotion, by which some part of life, or some part of possessions, is consecrated to a particular purpose.

The gods are deaf to hot or peevish *vows*;
They are polluted offerings.
Shakespear, Troilus and Cressida, v. 3.

Who by resolves or *vows* engaged does stand
For days that yet belong to fate,
Does, like an unthrift, mortgage his estate
Before it comes into his hand. *Cowley.*

If you take that *vow* and that wish to be all one, you are mistaken; a wish is a far lower degree than a *vow.—Hammond.*

Meantime her warlike brother on the seas
His waving streamers to the wind displays,
And *vows* for his return with vain devotion pays.
Dryden, Ode to the Memory of Mrs. Anne Killegrew.

2. Solemn promise: (commonly used for a promise of love or matrimony).

Those who wear the woodbine on their brow,
Were knights of love, who never broke their *vow*;
Firm to their plighted faith.
Dryden, The Flower and the Leaf, 521.

Vow. *v. a.*

1. Consecrate by a solemn dedication; give to a divine power.

David often *voweth* unto God the sacrifice of praise and thanksgiving in the congregation.—*Hooker, Ecclesiastical Polity.*

Vow and pay unto the Lord.—*Psalms*, lxxvi. 11.

When we have not only *vowed*, but delivered them over into the possession of Almighty God, for the maintenance of his publick worship, and the ministers thereof, they are not now arbitrable, nor to be revoked.—*Sir H. Spelman.*

2. Devote: (a *ceremonial* phrase).

To Master Harvey, upon some special consideration, I have *vowed* this my labour.—*Spenser.*

Vow. *v. n.* Make vows or solemn promises.

Dost see how unregarded now
That piece of beauty passes?
There was a time, when I did *vow*
To that alone; but mark the fate of faces.
Sir J. Suckling.

Vówbreak. *s.* Breach of a vow or vows.

Sacrilege and *vowbreak* in Ananias and Sapphira made them descend quick into their graves.—*Jeremy Taylor, Rule and Exercises of holy Dying.* (Ord MS.)

Vówed. *pass. part.* Consecrated by solemn declaration; votive: the last word being the nearer approximation to the original Latin; the metre preventing it from being used:—

Me tabula sacer
Votiva paries indicat uvida
Suspendisse potenti
Vestimenta maris deo.
Me in my *vow'd*
Picture the sacred wall declares t' have hung
My dank and dropping weeds
To the stern god of sea.
Milton, Translation from Horace, Odes, b. i. ode v.

Vówel. *s.* [Fr. *voyelle*; Lat. *vocalis*.] Articulate sound which can be uttered by itself.

I distinguish letters into *vowels* and consonants, yet not wholly upon their reason, that a *vowel* may be sounded alone, a consonant not without a *vowel*; which will not be found all true; for many of the consonants may be sounded alone, and some joined together without a vowel, as bl, st, and as we pronounce the latter syllable of people, ripple.—*Holder.*

Virgil makes the two *vowels* meet with an elision.—*Broome.*

Vówel. *v. a.* Supply, furnish, provide, with vowels.

Vówelled. *part. adj.* Furnished with vowels.

But Italy, reviving from the trance
Of Vandal, Goth, and monkish ignorance,
With pauses, cadence, and well *vowell'd* words,
And all the graces a good ear affords,
Made rhyme an art.
Dryden, Epistles, To Lord Roscommon.

Vówer. *s.* One who makes a vow.

I think it needful that the *vower* should be well convinced of the greatness of his sin, in making such a [rash] vow.—*Bishop Sanderson, Cases of Conscience*, p. 115.

Vowféllow. *s.* One bound by the same vow.

Who are the votaries,
That are *vowfellows* with this virtuous king?
Shakespear, Love's Labour's lost, ii. 1.

Voýage. *s.* [Fr.; Italian, *viaggio*, from Lat. *viaticum* = provision for the way (*via*).]

1. Travel by sea or land, formerly; now applied only to that by sea.

Guyon forward gan his *voyage* make,
With his black palmer, that him guided still.
Spenser, Faerie Queen, ii. 1, 34.

He went forth and all his power to go before king Nabuchodonosor in the *voyage*, and to cover all the face of the earth.—*Judith*, ii. 19.

This great man acted like an able pilot in a long *voyage*; contented to sit in the cabin when the winds were allayed, but ready to resume the helm when the storm arose.—*Prior.*

2. Course; attempt; undertaking: (condemned by Johnson as 'a *low* phrase').

If he should intend his *voyage* towards my wife, I would turn her loose to him; and what he gets more of her than sharp words, let it lie on my head.—*Shakespear, Merry Wives of Windsor*, ii. 1.

If you make your *voyage* upon her, and prevail, I am no further your enemy. *Id., Cymbeline*, i. 5.

3. Practice of travelling.

All nations have interknowledge of one another, by *voyage* into foreign parts, or strangers that come to them.—*Bacon.*

Voýage. *s.* [Fr. *voyager*.] Travel: (now appropriated to travelling by sea).

My life hath not been unexpensive in learning and *voyaging* about.—*Milton, Apology for Smectymnuus.*

Vúlgar. *adj.* [Fr. *vulgaire*; Lat. *vulgaris*.]

1. Plebeian; suiting to the common people; practised among the common people.

Men who have *passed* all their time in low and *vulgar* life, cannot have a suitable idea of the several beauties and blemishes in the actions of great men.—*Addison.*

2. Vernacular; national.

It might be more useful to the English reader, who was to be his immediate care, to write in our *vulgar* language.—*Bishop Fell.*

3. Mean; low; being of the common rate.

In requiring too great a sagacity for *vulgar* minds to draw the line between virtue and vice, no wonder if most men attempt not a laborious scrutiny into things themselves, but only take names and words, and so rest in them.—*South, Sermons.*

By the stubble you may guess the grain,
And mark the ruins of no *vulgar* man. *Broome.*

4. Public; commonly bruited.

Do you hear aught of a battle toward?—Most sure, and *vulgar*; every one hears that.—*Shakespear, King Lear*, iv. 6.

Vúlgar. *s.* [Fr. *vulgaire*.] Common people.

I'll about,
And drive away the *vulgar* from the streets.
Shakespear, Julius Cæsar, i. 1.

Those men, and their adherents, were then looked upon by the affrighted *vulgar* as greater protectors of their laws and liberties than myself.—*Eikon Basilike.*

Vúlgarism. *s.* Grossness; meanness; vulgarity.

The great events of Greek and Roman fable and history, which early education and the usual course of reading have made familiar and interesting to all Europe, without being degraded by the *vulgarism* of ordinary life in any country.—*Reynolds.*

Vulgárity. *s.*

1. Meanness; state of the lowest people.

Although their condition may place them many spheres above the multitude; yet are they still within the line of *vulgarity* and democratical enemies to truth.—*Sir T. Browne.*

True it is, and I hope I shall not offend their *vulgarities*, if I say they are daily mocked into error by devisers.—*Id.*

2. Mean or gross mode.

Is the grandesophos of Persius, and the sublimity of Juvenal, to be circumscribed with the meanness of words, and the *vulgarity* of expression?—*Dryden, Translation of Juvenal*, dedication.

Vúlgarize. *v. a.* Render mean or vulgar.

Sometimes a single word will *vulgarize* a poetical idea.—*Arbuthnot and Pope, Martinus Scriblerus, Art of Sinking in Poetry.*

Vúlgarly. *adv.* In a vulgar manner; commonly; in the ordinary manner; among the common people.

He was, which people most respect
In princes, and which pleases *vulgarly*,
Of goodly personage and of sweet aspect. *Daniel.*

He that believes himself uncapable of pardon, goes on without thought of reforming; such an one we call *vulgarly* a desperate person.—*Hammond, Practical Catechism.*

As it is *vulgarly* understood, that he cut a passage for his army through these mighty mountains, it may seem incredible.—*Sir T. Browne, Vulgar Errours.*

Vúlgate. *adj.* [Lat. *vulgatus*.] Belonging to a noted Latin version of the Old and New Testament.

The Latin *vulgate* Bible was declared authentick, and canonized by the Council of Trent, A.D. 1546. Pope Sixtus Quintus corrected it with his own hand.—*Blackwall, Sacred Classics*, vol. ii. preface, p. xvi.

The *Vulgate* Latin of the Bible was still more venerable.—*Hallam, View of the State of Europe during the Middle Ages*, pt. i. ch. ix.

Used *substantivally*: (as, 'The *Vulgate*' = the *Vulgate* translation).

Vúlnerable. *adj.* [Fr.; Lat. *vulnerabilis*.] Susceptive of wounds; liable to external injuries.

Let fall thy blade on *vulnerable* crests:
I bear a charmed life, which must not yield
To one of woman born. *Shakespear, Macbeth*, v. 7.

Achilles, though dipt in Styx, yet having his heel untouched by that water, although he were fortified elsewhere, he was slain in that part as only *vulnerable* in the inferior and brutal part.—*Sir T. Browne, Vulgar Errours.*

Vúlnerary. *adj.* [Fr. *vulneraire*; Lat. *vulnerarius*.] Useful in the cure of wounds.

Try whether the same effect will not ensue by common *vulnerary* plasters.—*Sir T. Browne, Vulgar Errours.*

Vúlnerary. *s.* Vulnerary medicine or application.

I kept the orifice open, and prescribed him *vulneraries.—Wiseman, Surgery.*

Vúlnerate. *v. a.* Wound; hurt. *Rare.*

Vúlnerated. *part. adj.* Wounded.

There is an intercourse between the magnetick unguent and the *vulnerated* body.—*Glanville, Scepsis Scientifica.*

Vulnerátion. *adj.* Act of wounding; infliction of wounds. *Rare.*

When God foretels by the prophet Zachary what he should suffer from the sons of men, he says expressly, 'They shall look upon me whom they have pierced;' and therefore shews that he speaks of the Son of God, which was to be the Son of man, and by our nature liable to *vulneration*; and withal foretels the piercing of his body.—*Bishop Pearson, Exposition of the Creed*, art. iv.

Vulpécular. *adj.* [Lat. *vulpecula*, diminutive of *vulpes* = little fox.] Of or belonging to a fox; vulpine. *Rare.*

Vúlpicide. *s.* [Lat. *vulpes* = fox, and the termination *-cida* (as in *homicide*) = slayer, killer.] Fox-killer.

Vúlpicide. *s.* [Lat. *vulpes* + *-cidium* (as in *homicide*) = slaying, killing.] Fox-murder. This and the preceding entry may be found, as recent coinages in the literature descriptive of sporting and country life, applied to the unsportsmanlike practice of destroying foxes as vermin, rather than preserving them for hunting.

Vúlpine. *adj.* [Lat. *vulpinus*, from *vulpes* = fox.] Belonging to a fox; like a fox.

Slyness of a *vulpine* craft.—*Felltham, Resolves*, i. 12.

Vúlture. *s.* [Lat. *vultur.*] In *Ornithology.* See last extract.

Nor the night raven, that still deadly yells,
Nor griesly *vultures*, make us once affear'd.
Spenser.

We've willing dames enough, there cannot be
That *vulture* in you, to devour so many
As will to greatness dedicate themselves.
Shakespear, Macbeth, iv. 3.

A ravenous *vulture* in his open'd side,
Her crooked beak and cruel talons tried.
Dryden, Translation of the Æneid, vi. 808.

Vultur [is] the name of a Linnæan genus of diurnal Accipitrine birds, characterised by an elongated beak, curved only at the extremity, and by having a greater or less proportion of the head, and sometimes of the neck, denuded of feathers. . . . In general, the birds of this group are of a cowardly nature, living on dead carcases and offal; their gullet dilates into a considerable crop, which, when distended with garbage, projects above the furcular bone. When the *vulture* is gorged with food, a fœtid humour is discharged from the nostrils, and the bird is reduced to a state of stupidity.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Vúlturous. *adj.* Like a vulture; voracious.

His *vulturous* stomach lets loose upon himself, and within few minutes more, one half of him devours the other.—*Hammond, Works*, iv. 473.

A *vulturous* nature, which easily smelleth out, and hastily flieth towards, and greedily feedeth on, carrion.—*Barrow, Sermons*, i. 287.

W

WABB

WABBLE. *v. n.* [Waddle, Waggle.] Move from side to side.

If in your work you find it *wabble*; that is, that one side of the flat inclines to the right or left hand, with soft blows of an hammer set it to rights, and then screw it hard up.—*Moxon, Mechanical Exercises.*

Wad. *s.* [see Wage.] Pledge: (more current in Scotland than in England; *wadset*, one of its compounds, being nearly synonymous with Mortgage).

Wad. *s.* Woad.

Wad. *s.* [?] See extract.

Wadd is the provincial name of plumbago in Cumberland, and of an ore of manganese in Derbyshire.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Wad. *s.* [Arabic, *wat* = down of pod of Asclepias Syriaca; used for padding; German, *watte*; Fr. *ouate.*] Soft flexible mass which keeps the charge in a gun.

The carved work [of the ship] is as rotten as touchwood, and will take fire even with a *wad.*—*Maydman, Naval Speculations and Maritime Politicks*, p. 97: 1691.

Wad. *v. a.* Line with a soft substance.

The late lamented Lord Glenlivat, who broke his neck at a hurdle-race at the premature age of twenty-four, was at the university, . . . seeing Hugby's boots at his door on the same staircase, playfully *wadded* the insides of the boots with cobbler's-wax.—*Thackeray, Book of Snobs*, ch. xiv.

Wádding. *s.*

1. Soft stuff loosely woven, with which the skirts of coats are stuffed out.

Wadding is now made with a lap or fleece of cotton prepared by the carding engine.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

2. Wad; tow rammed over the charge in a gun.

We re-embarked; and then, in reality, did I hear the guns at Stangate saluting me. I stood it like a man, although I have always a fear of accidents from the *wadding.*—*Theodore Hook, Gilbert Gurney*, vol. iii. ch. ii.

Wáddle. *v. n.* [Wabble, Waggle.] Shake in walking from side to side; deviate in motion from a right line.

She could have run and *waddled* all about.
Shakespear, Romeo and Juliet, i. 3.

The farmer's goose . . .
Grown fat with corn and sitting still,
Can scarce get o'er the barn-door sill,
And hardly *waddles* forth to cool
Her belly in the neighb'ring pool.
Swift, Progress of Poetry.

She drawls her words, and *waddles* in her pace;
Unwasht her hands, and much besnufft her face.
Young, Love of Fame, vi. 213.

Wade. *v. n.* [Provincial German, *waden*, *waten*, *wetten* = to ford; *wadde* = a ford: compare Lat. *vadum* = ford.]

1. Walk through the waters; pass water without swimming; ford.

She *waded* through the dirt to pluck him off.—*Shakespear, Taming of the Shrew*, iv. 1.

With head, hands, wings, or feet pursues his way,
And swims, or sinks, or *wades*, or creeps, or flies.
Milton, Paradise Lost, ii. 949.

2. Pass difficultly and laboriously.

I have *waded* through the whole cause, searching the truth by the causes of truth.—*Hooker, Ecclesiastical Polity.*

Virtue gives herself light, through darkness for to *wade.* *Spenser.*

I should chuse rather with spitting and scorn to be tumbled into the dust in blood, bearing witness to any known truth of our Lord; than, by a denial of those truths, through blood and perjury *wade* to a sceptre, and lord it in a throne.—*South, Sermons.*

The dame . . .
Now tried the stairs, and *wading* through the night,
Search'd all the deep recess, and usher'd into light.
Dryden, Sigismonda and Guiscardo, 132.

Simonides, the more he contemplated the nature of the Deity, found that he *waded* but the more out of his depth, and that he lost himself in the thought.—*Addison.*

Some king shall come, in Heaven's good time,
To the tomb his father came to;
Some thief shall *wade*, through blood and crime,
To a throne he hath no claim to. *Praed.*

Wader. *s.* One who wades. In *Ornithology.* Bird of the order Grallatores. See Grallatorial.

Wáfer. *s.* [Fr. *gauffre.*]

1. Thin cake.

Make *wafers* and cakes, for our sheepe must be shorne. *Tusser, Five Hundred Points of good Husbandry.*

Poor Sancho they persuaded that he enjoyed a great dominion, and then gave him nothing to subsist upon but *wafers* and marmalade.—*Pope.*

2. Bread given in the Eucharist by the Roman Catholics.

That the same body of Christ should be in a thousand places at once; that the whole body should lie hid in a little thin *wafer*; yet so, that the members thereof should not one run into another, but continue distinct, and have an order agreeable to a man's body, it doth exceed reason.—*Bishop Hall.*

3. Adhesive disc for securing letters, pasting, or sticking things together.

There are two manners of manufacturing *wafers*: '1. With wheat-flour and water, for the ordinary kind: 2. with gelatine.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Waft. *v. a.* preterit and past. part. *wafted*, less frequently, *waft.* [see under Wave-offering.]

1. Carry through the air, or on the water.

A braver choice of dauntless spirits,
Than now the English bottoms have *waft* o'er,
Did never float upon the swelling tide.
Shakespear, King John, ii. 1.

A hundred years they wander on the shore;
At length, their penance done, are *wafted* o'er.
Dryden, Translation of the Æneid, vi. 451.

Speed the soft intercourse from soul to soul,
And *waft* a sigh from Indus to the pole.
Pope, Eloisa to Abelard.

Waft, waft, ye winds, his story;
And you, ye waters, roll;
Till, like a sea of glory,
It spreads from pole to pole.
Till o'er our ransomed nature,
The Lamb for sinners slain,
Redeemer, King, Creator,
In bliss return to reign.
Bishop Heber, Missionary Hymn.

2. Beckon; inform by a sign of anything moving. *Obsolete.*

But soft? who *wafts* us yonder?
Shakespear, Comedy of Errors, ii. 2.

It *wafts* you to a more removed ground.
Id., Hamlet, i. 4.

3. Cast lightly or gently. *Rare.*

Even now I met him
With customary compliment; when he,
Wafting his eyes to the contrary, and falling
A lip of much contempt, speeds from me.
Shakespear, Winter's Tale, i. 2.

4. Buoy; make float; hinder from sinking: (with *up*).

Whether cripples, who have lost their thighs, will not sink but float; their lungs being able to *waft up* their bodies, which are in others overpoised by the hinder legs, we have not made experiment.—*Sir T. Browne, Vulgar Errours.*

Waft. *v. n.*

1. Float.

Such an one may *waft* up and down with the wind.—*Bishop Hall, Sermon before the King.*

And now the shouts *waft* near the citadel.

O Charon, Charon,
The *wafter* of the souls to bliss or bane.
Beaumont and Fletcher, Mad Lover.

Wáfture. *s.* Act of waving. *Rare.*

You answer'd not;
But with an angry *wafture* of your hand
Gave sign for me to leave you.
Shakespear, Julius Cæsar, ii. 1.

Caught by the *wafture* of a golden lure. *Young.*

Wag. *v. a.* [A.S. *wagian.*] Move lightly; shake slightly.

You may as well forbid the mountain pines
To *wag* their high tops, and to make a noise,
When they are fretted with the gusts of heaven.
Shakespear, Merchant of Venice, iv. 1.

Thou canst not *wag* thy finger, or begin
The least *light*-motion, but it tends to sin.
Dryden, Translation of Persius, v. 170.

Wag. *v. n.*

1. Be in quick or ludicrous motion.

Be merry, be merry, my wife's as all;
For women are shrews, both short and tall;
'Tis merry in hall, when beards *wag* all.

I will fight with him upon this theme,
Until my eyelids will no longer *wag*.
Id., Hamlet, v. 1.

2. Be moved.

Her charms she mutter'd o'er;
And yet the resty sieve *wagg'd* ne'er the more:
I wept for woe. *Dryden,*
Translation from Theocritus, Amaryllis, 75.

Wag. *s.* [?] One ludicrously mischievous; merry droll; arch boy.

Cupid the *wag*.—*Sir P. Sidney.*

Was not my lord the verier *wag* o' th' two?
Shakespear, Winter's Tale, i. 2.

We wink at *wags*, when they offend,
And spare the boy, in hopes the man may mend.
Stepney, Translation of Juvenal, viii. 298.

A counsellor never pleaded without a piece of packthread in his hand, which he used to twist about a finger all the while he was speaking: the *wags* used to call it the thread of his discourse.—*Addison, Spectator.*

Wage. *s.* [see verb.] generally *plural.*

1. Pay given for service.

All friends shall taste
The *wages* of their virtue.
Shakespear, King Lear, v. 3.

By Tom Thumb, a fairy page,
He sent it, and doth him engage,
By promise of a mighty *wage*,
It secretly to carry. *Drayton, Nymphidia.*

2. Gage; pledge.

But th' elfin knight, which ought that warlike *wage*,
Disdain'd to lose the meed he wonne in fray.
Spenser, Faerie Queen, i. 4, 39.

He *waged* me with his countenance, as if
I had been mercenary.
Shakespear, Coriolanus, v. 5.

The king had erected his courts of ordinary resort, and was at the charge not only to *wage* justice and their ministers, but also to appoint the safe custody of records.—*Bacon.*

5. In *Law.* See extract.

When an action of debt is brought against one, as for money or chattels, left or lent the defendant, the defendant may *wage* his law; that is, swear, and certain persons with him, that he owes nothing to the plaintiff in manner as he hath declared. The offer to make the oath is called *wager* of law; and when it is accomplished, it is called the making or doing of law.—*Blount.*

Wáger. *s.*

1. Bet; anything pledged upon a chance.

Love and mischief made a *wager*, which should have most power in me.—*Sir P. Sidney.*

As soon hereafter will I *wagers* lay
'Gainst what an oracle shall say. *Cowley.*

If any atheist can stake his soul for a *wager* against such an inexhaustible disproportion; let him never hereafter accuse others of credulity.—*Bentley, Sermons.*

2. Subject on which bets are laid.

The sea strove with the winds which should be louder; and the shrouds of the ship, with a ghastful noise to them that were in it, witnessed that their ruin was the *wager* of the other's contention.
Sir P. Sidney.

3. In *Law.* Offer to make oath.

Multiplication of actions upon the case were rare formerly, and there by *wager* of law ousted, which discouraged many suits.—*Sir M. Hale.*

The spirits of the dead
May *walk* again; if such things be, thy mother
Appear'd to me last night.
Shakespear, Winter's Tale, iii. 3.
It then draws near the season,
Wherein the spirit held his wont to *walk.*
Id., Hamlet, i. 4.
Some say no evil thing that *walks* by night ...
Hath hurtful power o'er true virginity.
Milton, Comus, 432.

6. Act on any occasion; take a part, as in a procession, or mob.
Do you think I'd *walk* in any plot,
Where Madam Sempronia should take place of me?
B. Jonson, Catiline's Conspiracy.

7. Be in motion: (applied to a clamorous or abusive female tongue, and is still in low language retained).
As she went, her tongue did *walk*
In foul reproach, and terms of vile despight;
Provoking him by her outrageous talk.
Spenser, Faerie Queen, ii. 4, 5.

8. Used simply for sleepwalking.
When was it she last *walk'd?*—I have seen her rise from her bed, unlock her closet, take forth

paper, fold it, write upon 't, read it, and return to bed; yet all this while in a most fast sleep.—*Shakespear, Macbeth*, v. 1.

9. Range; be stirring.

Affairs that *walk*,
As they say spirits do at midnight, have
In them a wilder nature, than the business
That seeks dispatch by day.
Shakespear, Henry VIII. v. 1.

10. Move off; depart.

When he comes forth, he will make their cows and garrans to *walk*, if he doth no other harm to their persons.—*Spenser, View of the State of Ireland.*

11. Act in any particular manner; take one's place.

Do justly, love mercy, and *walk* humbly with thy God.—*Micah*, vi. 8.
I'll love with fear the only God, and *walk*
As in his presence. *Milton, Paradise Lost*, xii. 562.

Walk. *v. a.*

1. Pace; pass through.

I do not without danger *walk* these streets.
Shakespear, Twelfth Night, iii. 3.
No rich or noble knave
Shall *walk* the world in credit to his grave.
Pope, Imitations of Horace, b. ii. sat. i.

2. Conduct; lead: (i.e. cause to *walk*; the construction being truly active or transitive; as, 'he *walked* his horse in the meadow').

He hath *walked* us through the whole labyrinth of this life.—*Harmar, Translation of Beza*, p. 69: 1587.
I'll *walk* ye out before me.
Beaumont and Fletcher, Humorous Lieutenant.

Or glittering starlight, without thee, is sweet.
Milton, Paradise Lost, iv. 655.
I long to renew our old intercourse, our morning conferences, and our evening *walks*.—*Pope.*

2. Gait; step; manner of moving.

Morpheus, of all his numerous train, express'd
The shape of man, and imitated best;
The *walk*, the words, the gesture could supply,
The habit mimick, and the mien belie.
Dryden, Translation from Ovid, House of Sleep.

3. Length of space, or circuit through which one walks.

They usually from hence to th' palace gate
Make it their *walk*. *Shakespear, Macbeth*, iii. 3.

4. Avenue set with trees.

He hath left you all his *walks*,
His private arbours and new-planted orchards,
On that side the Tiber.
Shakespear, Julius Cæsar, iii. 2.
Goodliest trees planted with *walks* and bowers.
Milton, Paradise Lost, viii. 305.

5. Way; road; range; place of wandering.

If that be your *walk*, you have not far.
Milton, Paradise Lost, ii. 1007.
Our souls, for want of that acquaintance here,
May wander in the starry *walks* above. *Dryden.*

6. Region; space.

Wanting an ampler sphere to expatiate in, he opened a boundless *walk* for his imagination.—*Pope.*

7. Pace of a horse. See extract.

Walk is the slowest or least raised pace, or going, of a horse. In a *walk*, a horse lifts two legs of a side, one after the other, beginning with the hind leg first; as suppose that he leads with the legs on his right side, then he lifts his far hind foot first; and in the time that he is setting it down, which in a step is always short of the tread of his fore foot upon the same side, he lifts his far fore foot, and sets it down before his near foot, and just as he lifts up his near hind foot, and sets it down again just short of his near fore foot, and just as he is setting it down he lifts his near fore foot, and sets it down just before his far fore foot.—*Farrier's Dictionary.*

Walk of life is nearly synonymous with *way*, or *station*.

Wálkable. *adj.* Capable of being walked on; fit for walking. *Rare.*

We were much disappointed that the spring and beginning of summer had not introduced the muses, and that your now *walkable* roads had not roused your spirit.—*Swift, Letter to Sheridan*, vol. ii. p. 12. (Ord MS.)

There is another sort of disorderly *walkers* who still keep amongst us.—*Bishop Compton, Episcopalia*, p. 66.

Wálker. *s.* [from A.S. *wealceare*; Dutch, *walcher*.] Fuller. *Obsolete.*

She curst the weaver, and the *walker*,
That clothe that had wrought,
And bade a vengeance on his crowne,
That hither hath it brought.
Old Ballad of the Boy and the Mantle.

This is the origin of the proper name *Walker*.

Wálking. *verbal abs.* Act of one who walks.

The Lord hath blessed thee; . . . he knoweth thy *walking* through this great wilderness.—*Deuteronomy*, ii. 7.

Wall. *s.* [A.S.; Lat. *vallum*.]

1. Series of brick, or stone, or other materials carried upwards, and cemented with mortar; side of a building.

His word is more than the miraculous harp.—
He hath raised the *wall*, and houses too.
Shakespear, Tempest, ii. 1.
Part rise in crystal *wall* or ridge direct.
Milton, Paradise Lost, vii. 293.

2. Fortification; works built for defence: (commonly *plural*).

With love's light wings did I o'erperch these *walls*;
For stony limits cannot hold love out.
Shakespear, Romeo and Juliet, ii. 2.
Where honour calls,
To rush undaunted to defend the *walls*.
Dryden, Translation of the Æneid, ii. 456.

Take the wall. Take the upper place; not give place.

I will *take the wall* of any man or maid of Montague's.—*Shakespear, Romeo and Juliet*, i. 1.
When once the poet's honour ceases,
From reason far his transports rove;
And Boileau, for eight hundred pieces,
Makes Louis *take the wall* of Jove.
Prior, An English Ballad on the taking of Namur.

The weaker goes to the wall. The weaker yields.

Wall. *v. a.*

1. Inclose with walls; surround as with a wall.

As if this flesh, that *walls* about our life,
Were brass impregnable.
Shakespear, Richard II. iii. 2.
There bought a piece of ground, which (Birsa call'd,
From the bull's hide) they first enclosed and *wall'd*.
Dryden, Translation of the Æneid, i. 507.

2. Defend by walls.

The Spaniards cast themselves continually into roundels, their strongest ships *walling* in the rest.—*Bacon, Considerations on War with Spain.*

Wállcreeper. *s.* In *Ornithology.* Native bird of the genus Certhia.

Wállet. *s.* [?]

1. Bag, in which the necessaries of a traveller are put; knapsack.

Having entered into a long gallery, he laid down his *wallet*, and spread his carpet, in order to repose himself upon it.—*Addison.*

2. Anything protuberant and swagging.

Who would believe that there were mountaineers
Dew-lapt like bulls, whose throats had hanging at them
Wallets of flesh? *Shakespear, Tempest*, iii. 3.

Wálleye, and **Wálleyed.** See Whauleye and Whauleyed.

Wállflower. *s.*

1. In *Botany* and *Horticulture.* Native plant of the genus Cheiranthus (Cheiri).

These dingy resting-places, . . . bore much the same analogy to green churchyards as the pots of earth for mignonette and *wall-flower* in the windows overlooking them did to rustic gardens.—*Dickens, Martin Chuzzlewit*, ch. ix.

2. Lady who keeps her seat at the side of a room, failing to find a partner for dancing. *Colloquial.*

Wállfruit. *s.* Fruit which to be ripened must be planted against a wall.

To *wallfruit* and garden-plants there cannot be a worse enemy than snails.—*Mortimer, Husbandry.*

Wállow. *v. n.* [A.S. *wealwian*; Provincial German, *walgen, walhen, walchen* = roll; Mœso-gothic, *valugan*; these give the *h* in the allied word *walk*.]

1. Move heavily and clumsily.

Part, huge of bulk!
Wallowing unwieldy, enormous in their gait,
Tempest the ocean. *Milton, Paradise Lost*, vii. 410.

2. Roll one's self in mire, or anything filthy.

He fell on the ground, and *wallowed* foaming.—*Mark*, ix. 20.
Dead bodies, in all places of the camp, *wallowed* in their own blood.—*Knolles, History of the Turks.*

3. Live in any state of filth or gross vice.

God sees a man *wallowing* in his native impurity, delivered over as an absolute captive to sin, polluted with its guilt, and enslaved by its power; and, in this most loathsome condition, fixes upon him as an object of his distinguishing mercy.—*South, Sermons*

Wállow. *v. a.* Roll. *Rare.*

O daughter of my people, gird thee with sackcloth, and *wallow* thyself in ashes.—*Jeremiah*, vi. 26

Some of the officers had fired at and wounded a *walrus*. As no other animal has so humanlike an expression in its countenance, so also is there none that seems to possess more of the passions of humanity. The wounded animal dived immediately and brought up a number of its companions; and they all joined in an attack upon the boat. They wrested an oar from one of the men; and it was with the utmost difficulty that the crew could prevent them from staving or upsetting her, till the Carcass's boat came up, and the *walrusses*, finding their enemies thus reinforced, dispersed.—*Southey, Life of Nelson*, ch. i.

Wáltz. *s.* [German.] Dance so called.

Some *waltz*; some draw; some fathom the abyss
Of metaphysics. *Byron, Don Juan*, xii. 52.
Bohemia is said to be the original home of the *waltz*.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wáltzer. *s.* One who waltzes.
'Let us join the *waltzers*.'—'I am engaged.'—'I know it! Do you think I would dance with any woman who was not engaged?—there would be no triumph to one's vanity in that case.'—*Lord Lytton, Pelham*, ch. lxxi.

Wámble. *v. n.* Roll with nausea and sickness: (used of the *stomach*).
When your cold salads without salt or vinegar
Be *wambling* in your stomachs.
Beaumont and Fletcher, Mad Lover.

Wan. *adj.* [A.S. *wanna*.] Pale, as with sickness; languid of look.
Why so pale and *wan*, fond lover?
Pr'ythee, why so pale?
Will, when looking well can't move her,
Looking ill prevail? *Sir J. Suckling.*
How changed from him,
Companion of my arms! how *wan!* how dim!
How faded all thy glories!
Dryden, State of Innocence, i. 1.

Wand. *s.* [Icelandic, *vöndr* = shoot of a tree, rod.]
1. Small stick, or twig; long rod.
With a whip or *wand*, if you strike the air, the sharper and quicker you strike it, the louder sound it giveth.—*Bacon.*
His spear, to equal which the tallest pine
Hewn on Norwegian hills, to be the mast
Of some great admiral, were but a *wand.*
Milton, Paradise Lost, i. 292.
2. Any staff of authority, or use.
Though he had both spurs and *wand*, they seemed rather marks of sovereignty than instruments of punishment.—*Sir P. Sidney.*
3. Charming rod.
Nay, lady, sit; if I but wave this *wand*,
Your nerves are all chain'd up in alabaster.
Milton, Comus, 659.
Picus [bore] a buckler in his hand;
His other waved a long divining *wand.*
Dryden, Translation of the Æneid, vii. 256.

Nor any earth with black eclipses *wane* him.
B. Jonson, Masques at Court.

Wane. *s.*
1. Decrease of the moon.
The sowing at the *wane* of the moon is thought to make the corn sound.—*Bacon.*
This is fair Diana's case;
For all astrologers maintain,
Each night a bit drops off her face,
When mortals say she's in her *wane.* *Swift.*
2. Decline; diminution; declension.
You're cast upon an age, in which the church is in its *wane.*—*South, Sermons.*

Wánhope. *s.* Vain hope; delusion. *Rare.*
And here now I maie bringe in the foolish *wanhope* (imagine we) of some usurer, or man of warre, or corrupte judge, who castynge foorth one halfepeny of all his evil gotten goods, will straighte thinke that the whole hoord of his former mislyfe is at ones forgiven him.—*Chaloner, Translation of Moriæ Encomium*, ii. 3. b. (Nares by H. and W.)

Wáning. *part. adj.* Decreasing (as the moon); declining.
Waning moons their settled periods keep,
To swell the billows, and ferment the deep.
Addison.

Wáning. *verbal abs.* Act of that which wanes; process of decrease, decline, or diminution.
The husbandman, in sowing and setting, upon good reason observes the waxing and *waning* of the moon.—*Hakewill, Apology.*

2. Trifler; insignificant flutterer.
Shall a beardless boy,
A cocker'd, silken *wanton*, brave your fields,
Mocking the air with colours idly spread,
And find no check? *Shakespear, King John*, v. 1.
Pass with your best violence;
I am afraid you make a *wanton* of me.
Id., Hamlet, v. 2.
3. Word of slight endearment.
Peace, my *wantons*; he will do
More than you can aim unto. *B. Jonson.*

Wánton. *v. n.*
1. Play lasciviously.
He from his guards and midnight tent
Disguised o'er hills and vallies went,
To *wanton* with the sprightly dame,
And in his pleasure lost his fame.
Prior, Alma, i. 501.
2. Revel; play.
Nature here
Wanton'd as in her prime, and play'd at will
Her virgin fancies. *Milton, Paradise Lost*, v. 294.
O ye muses! deign your bless'd retreat,
Where Horace *wantons* at your spring,
And Pindar sweeps a bolder string. *Fenton.*
3. Move nimbly, and irregularly.

Wánton. *v. a.* Make wanton.
If he does win, it *wantons* him with overplus, and enters him into new ways of expence.—*Felltham, Resolves*, ii. 58.

Wántonize. *v. n.* Behave wantonly or dissolutely. *Rare; hybrid.*
Do not thyself betray
With *wantonizing* years. *Daniel.*
The mind of man would, if let alone, launch out and *wantonize* in a boundless enjoyment of all its appetites and inclinations.—*South, Sermons*, iii. 227.

Wántonly. *adv.* In a wanton manner; lasciviously; frolicsomely; gaily; sportively; carelessly; without adequate cause.
Thou dost but try how far I can forbear,
Nor art that monster which thou wouldst appear:
But do not *wantonly* my passion move,
I pardon nothing that relates to love.
Dryden, Aurengzebe, iv. 1.

Wántonness. *s.* Attribute suggested by Wanton.
1. Lasciviousness; lechery.
The spirit of *wantonness* is scared out of him.—*Shakespear, Merry Wives of Windsor*, iv. 2.
Bulls and goats bled apace; but neither the violence of the one, nor the *wantonness* of the other, ever died a victim at any of their altars.—*South, Sermons.*
2. Sportiveness; frolic; humour.
When I was in France,
Young gentlemen would be as sad as night,
Only for *wantonness.*
Shakespear, King John, iv. 1.
3. Licentiousness; negligence of restraint.
Wantonness and pride
Raise out of friendship hostile deeds in peace.
Milton, Paradise Lost, xi. 795.

Wántwit. *s.* Fool; idiot.
Such a *wantwit* sadness makes of me,
That I have much ado to know myself.
Shakespear, Merchant of Venice, i. 1.

Wánty. *s.* [?] Broad girth of leather, by which the load is bound upon the horse; surcingle.
A panel and *wanty*, pack-saddle and ped,
With line to fetch litter.
Tusser, Five Hundred Points of good Husbandry.

Wanze. *v. n.* Fade; wane. *Rare.*
Men bewrayed themselves to be time-servers, and *wanzed* away to nothing, as fast as ever they seemed to come forwards.—*Rogers, Naaman the Syrian.* (Trench.)

Wápentake. *s.* [A.S. *wæpentace*; L.Lat. *wapentachium.*] Division of certain counties (Yorkshire, Lincolnshire, &c.), coinciding nearly with Hundred. The districts thus divided coincide with the parts occupied by the Danes.
Hundred signifieth a hundred pledges, which were under the command and assurance of their aldermen; which, as I suppose, was also called a *wapentake*, so named, of touching the weapon or spear of their aldermen, and swearing to follow him faithfully, and serve their prince truly. But others think, that a *wapentake* was ten hundreds, or boroughs.—*Spenser.*
Let 'em get but ten mile out a town,
They outswagger all the *wapentake.*
B. Jonson, New Inn.

Wápiti. *s.* In *Zoology.* Native name of the North American Elk (Cervus Canadensis).
The *wapiti* ... does not extend its range farther to the north than the fifty-sixth or fifty-seventh parallel of latitude; nor is it found to the eastward of a line drawn from the south end of Lake Winnipeg to the Saskatchewan, in the hundred and third degree of longitude, and from thence it strikes the Elk river in the hundred and eleventh degree. They are pretty numerous amongst the clumps of wood that skirt the plains of the Saskatchewan, where they live in small families of six or seven individuals.—*Richardson, Faunæ Borealis-Americanæ.*

Wáppened. *part. adj.* [?] Overworn. *Rare.*
This [gold] it is
That makes the *wappened* widow wed again.
Shakespear, Timon of Athens, iv. 3.

After a denunciation or indiction of *war*, the *war* is no more confined to the place of the quarrel, but left at large.—*Bacon.*
2. Instruments of war: (in *poetical* language).
The god of love inhabits there,
With all his rage, and dread, and grief, and care:
His complement of stores, and total *war.* *Prior.*
3. Forces; army. *Rhetorical.*
On the embattled ranks the waves return,
And overwhelm the *war.*
Milton, Paradise Lost, xii. 213.
4. Profession of arms.
Thine Almighty word leapt down from heaven, as a fierce man of *war* into the midst of a land of destruction.—*Wisdom of Solomon*, xxviii. 15.
5. Hostility; state of opposition; act of opposition.
Duncan's horses ...
Turn'd wild in nature, broke their stalls, flung out,
Contending 'gainst obedience, as they would
Make *war* with man. *Shakespear, Macbeth*, ii. 4.

War. *v. n.* Make war; be in a state of hostility.
He teacheth my hands to *war.*—2 *Samuel*, xxii. 35.
His next design
Was all the Theban race in arms to join,
And *war* on Theseus.
Dryden, Palamon and Arcite, ii. 29.

War. *v. a.* Make war upon.
To them the same was render'd, to the end,
To *war* the Scot, and borders to defend.
Daniel, Civil Wars of York and Lancaster.
That small infantry
Warr'd on by cranes. *Milton, Paradise Lost*, i. 575.

Wárble. *v. a.* [? N.Fr. *verbeler* = speak quick.]
1. Quaver any sound.
Fountains, and ye that *warble* as ye flow
Melodious murmurs, *warbling* tune his praise.
Milton, Paradise Lost, v. 195.
2. Cause to quaver.
Follow me as I sing,
And touch the *warbled* string. *Milton, Arcades*, 86.
3. Utter musically.
She can thaw the numbing spell,
If she be right invoked with *warbled* song.
Milton, Comus, 854.

Wárble. *v. n.*
1. Be quavered; be uttered melodiously.
Such strains ne'er *warble* in the linnet's throat.
Gay.
2. Sing.
Creatures that lived and moved, and walk'd, or flew;
Birds on the branches *warbling*; all things smiled.
Milton, Paradise Lost, viii. 264.
She *warbled* in her throat,
And tuned her voice to many a merry note,
But indistinct.
Dryden, The Flower and the Leaf, 110.

Wárble. *s.* Warbling.
I give you thanks for your *warble*, and wish you could sing yourself to rest.—*Gray, Letter to West.*

Wárbler. *s.* Singer; songster.
Hark! on ev'ry bough,
In lulling strains the feather'd *warblers* woo.
Tickell.

Wárcry. *s.* Cry made in charging an enemy.
The *warcry* of the Irishry had scarcely died away when the murmurs of the Englishry began to be heard.—*Macaulay, History of England*, ch. xix.

Ward, Wards. *s.* [A.S. *weard*, gen. *weardes.*] In compounds it indicates direction; e.g. Towards.
Before she could come to the arbour, she saw walking from her-*ward*, a man in shepherdish apparel.—*Sir P. Sidney.*

Ward. *v. a.* [A.S. *weardian.*]
1. Guard; watch.
He marched forth towards that castle wall,
Whose gates he found fast shut, ne living wight
To *ward* the same, nor answer comer's call.
Spenser, Faerie Queen, i. 8, 3.
2. Defend; protect.
Tell him it was a hand that *warded* him
From thousand dangers; bid him bury it.
Shakespear, Titus Andronicus, iii. 1.
3. Fence off; obstruct, or turn aside anything mischievous: (with *off*, according to Johnson, 'less elegantly').
No way to *ward* or shun her blows he tries.
Fairfax.
Toxeus amazed, and with amazement slow,
Or to revenge or *ward* the coming blow,
Stood doubting; and while doubting thus he stood,
Received the steel bathed in his brother's blood.
Dryden, Translation from Ovid, Meleager and Atalanta.

Ward. *v. n.*
1. Be vigilant; keep guard.
2. Act upon the defensive with a weapon.
She redoubling her blows, drove the stranger to no other shift than to *ward* and go back.—*Sir P. Sidney.*

Ward. *s.*
1. Watch; act of guarding.
Still when she slept, he kept both watch and *ward.* *Spenser, Faerie Queen*, i. 3, 2.
Sublime on these a tow'r of steel is rear'd;
And dire Tisiphone there keeps the *ward*:
Girt in her sanguine gown, by night and day,
Observant of the souls that pass the downward way.
Dryden, Translation of the Æneid, vi. 748.
2. Garrison; those who are intrusted to keep a place.
By reason of these two forts, though there be but small *wards* left in them, there are two good towns now grown, which are the greatest stay of both those countries.—*Spenser, View of the State of Ireland.*
3. Guard made by a weapon in fencing.
Thou know'st my old *ward*; here I lay, and thus I bore my point.—*Shakespear, Henry IV. Part I.* ii. 4.
Now by proof it shall appear,
Whether thy horns are sharper, or my spear.
At this, I threw: for want of other *ward*,
He lifted up his hand, his front to guard.
Dryden, Translation from Ovid, Metamorphoses, b. xii.
4. Fortress; strong hold.
She dwells securely on the excellency of her honour. Now could I come to her with any detection in my hand, I could drive her from the *ward* of her purity, her reputation, and a thousand other her defences, which now are too strongly embattled against me.—*Shakespear, Merry Wives of Windsor*, ii. 2.
5. District of a town.
Throughout the trembling city placed a guard,
Dealing an equal share to every *ward.* *Dryden.*
The authority of Elizabeth rested solely on the support of her people.... There was not a *ward* in the city, there was not a hundred in any shire in England, which could not have overpowered the handful of armed men who composed her household.—*Macaulay, Critical and Historical Essays, Burleigh and his Times.*
6. Custody; confinement.
That wretched creature deprehended in that impiety, was held in *ward.*—*Hooker, Ecclesiastical Polity.*
Stopt there was his too veh'ment speech with speed,
And he sent close to *ward* from where he stood.
Daniel.

7. Part of a lock, which, corresponding to the proper key, hinders any other from opening it.

In the key-hole turns
The intricate *wards*, and every bolt and bar.
Milton, Paradise Lost, ii. 876.

As there are locks for several purposes, so are there several inventions in the making and contriving their *wards* or guards.—*Moxon, Mechanical Exercises.*

8. One in the hands of a guardian.

You know our father's *ward*,
The fair Monimia: is your heart at peace?
Is it so guarded that you could not love her?
Otway, The Orphan, i. 1.

Thy Violante's heart was ever thine,
Compell'd to wed, before she was my *ward*.
Dryden, Don Sebastian, iv. 3.

9. State of a child under a guardian.

I must attend his majesty's command, to whom I am now in *ward*, evermore in subjection.—*Shakespear, All's well that ends well*, i. 1.

Lewis the eleventh of France having much abated the greatness and power of the peers, would say that he had brought the crown out of *ward*.—*Bacon.*

10. Guardianship; right over orphans.

It is also inconvenient in Ireland, that the *wards* and marriages of gentlemen's children should be in the disposal of any of those lords.—*Spenser, View of the State of Ireland.*

Wárden. *s.* [?] Large pear so called.

Nor must all shoots of pears alike be set,
Crustumian, Syrian pears, and *wardens* great.
May, Translation of Virgil.

Ox-cheek when hot, and *wardens* baked, some cry.
King, Art of Cookery.

Wárden. *s.* Keeper; guardian; head officer.

The *warden* of apothecaries' hall. *Garth.*

The constable of Dover Castle was created *warden* of the Cinque Ports and guardian of the adjacent coast, by William the Conqueror: an office resembling that of the comes littoris Saxonici in the decline of the Roman empire. The lord *warden* had a peculiar maritime jurisdiction. His jurisdiction in civil suits has been recently abolished. The office is now little more than a sinecure, and valuable chiefly as giving a right to the use of Walmer Castle as a residence.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wárdenship. *s.* Office of a warden or guardian.

Had this castle actually existed as a strong western garrison under the *wardenship* of our hero Ella, &c.—*T. Warton, An Enquiry into the Authenticity of the Poems attributed to Thomas Rowley*, p. 64.

Wárder. *s.* One who wards; one who keeps ward.

1. Keeper; guard.

Upon those gates with force he fiercely flew,
And rending them in pieces, felly slew
Those *warders* strange, and all that else he met.
Spenser.

The *warders* of the gate but scarce maintain
Th' unequal combat, and resist in vain. *Dryden.*

2. Truncheon by which an officer of arms forbade fight.

Then, then, when there was nothing could have staid
My father from the breast of Bolingbroke,
O, when the king did throw his *warder* down,
His own life hung upon the staff he threw.
Shakespear, Henry IV. Part II. iv. 1.

Wárdmote. *s.* Court of a (municipal) ward.

The *wardmote* [of] each ward in the City of London . . . . . has power to present defaults in matters relating to the watch, police, &c.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wárdrobe. *s.* [Fr. *garderobe*; L. Lat. *garderoba.*] Room where clothes are kept.

The third had of their *wardrobe* custody,
In which were not rich tires nor garments gay,
The plumes of pride, and wings of vanity,
But clothes meet to keep keen cold away.
Spenser, Faerie Queen, i. 10, 39.

I will kill all his coats,
I'll murder all his *wardrobe* piece by piece,
Until I meet the king.
Shakespear, Henry IV. Part I. v. 3.

Behold!
What from his *wardrobe* her beloved allows,
To deck the wedding-day of his unspotted spouse.
Dryden.

It would not be an impertinent design to make a kind of an old Roman *wardrobe*, where you should see togas and tunicas, the chlamys and trabea, and all the different vests and ornaments so often mentioned in the Greek and Roman authors.—*Addison.*

Wárdroom. *s.* In *Navigation*, Cabin, in large ships of war, set apart for the officers ranking as lieutenants.

Wárdship. *s.*

1. Guardianship.

By reason of the tenures in chief revived, the sums for respect of homage be encreased, and the profits of *wardships* cannot but be much advanced.—*Bacon.*

2. Pupillage; state of being under ward.

The houses sued out their livery, and redeemed themselves from the *wardship* of tumults.—*Eikon Basilike.*

Ware. *adj.*

The lord of that servant shall come in a day when he looketh *not* for him, and in an hour that he is not *ware* of him.—*Matthew*, xxiv. 50.

2. Cautious; wary.

What man so wise, what earthly wit so *ware*,
As to descry the crafty cunning train
By which deceit doth mask in vizor fair?
Spenser, Faerie Queen.

Bid her well be *ware* and still erect.
Milton, Paradise Lost, ix. 353.

Ware. *v. n.* Take heed of; beware.

A shuffled, sullen, and uncertain light
That dances through the clouds, and shuts again,
Then *ware* a rising tempest on the main. *Dryden.*

Ware. *s.* [Dutch, *waare* = goods.] Commonly something to be sold.

If the people bring *ware* or any victuals to sell, that we would not buy it.—*Nehemiah*, x. 31.

Has he any unbraided *wares*?
Shakespear, Winter's Tale, iv. 3.

I know thou whole art but a shop
Of toys and trifles, traps and snares,
To take the weak, and make them stop;
Yet art thou falser than thy *wares*. *B. Jonson.*

He turns himself to other *wares* which he finds your markets take off.—*Locke.*

Wárefulness. *s.* Attribute suggested by Wareful; cautiousness. *Rare.*

With pretence from Strephon her to guard,
He met her full; but full of *warefulness*.
Sir P. Sidney.

Wárehouse. *s.* Storehouse of merchandise.

His understanding is only the *warehouse* of other men's lumber, I mean false and unconcluding reasonings rather than a repository of truth for his own use.—*Locke.*

She had never more ships at sea, greater quantities of merchandise in her *warehouses* than at present.—*Addison.*

Wáreless. *s.*

1. Uncautious; unwary.

Such force and vertue hath this dolefull plaint,
Set forth with sighes and teares of crocodile,
Who seemes in sight as simple as a saint,
Hath laid a bait the *warelesse* to beguile.
Mirrour for Magistrates, p. 464.

So was he justly damned by the doome
Of his owne mouth, that spake so *warelesse* word,
To be her thrall, and service her afford.
Spenser, Faerie Queen, v. 5, 17.

2. Suffered unawares, or contrary to expectation.

That when he waked out of his *warelesse* paine,
He found himselfe unwist so ill bestad
That him he could not wag.
Spenser, Faerie Queen, v. 1, 22.

Wárely. *adv.* Warely. *Rare.*

They bound him hand and foot with iron chains,
And with continual watch did *warely* keep.
Spenser.

Wárfare. *s.* Military service; military life; state of contest and solicitude.

In the wilderness
He shall first lay down the rudiments
Of his great *warfare*, ere I send him forth
To conquer sin and death.
Milton, Paradise Regained, i. 157.

Tully, when he read the Tactics, was thinking on the bar, which was his field of battle: the knowledge of *warfare* is thrown away on a general who does not make use of what he knows.—*Dryden.*

Wárfare. *v. n.* Lead a militany life. *Rare.*

That was the only amulet in that credulous *warfaring* age to escape dangers in battles.—*Camden, Remains.*

Wárily. *adv.* In a wary manner; cautiously; with timorous prudence; with wise forethought.

The charge thereof unto a courteous sprite
Commended was, who thereby did attend,
And *warily* awaited day and night,
From other covetous fiends it to defend.
Spenser, Faerie Queen.

It will concern a man to treat conscience awfully and *warily*, by still observing what it commands, but especially what it forbids.—*South, Sermons.*

Wáriment. *s.* Warding off. *Rare.*

Full many strokes that mortally were ment,
The whiles, were interchaunged betwixt them two;
Yet they were all with so good *wariment*
Or warded, or avoided, and let goe
That still the life stood fearless of her woe.
Spenser, Faerie Queen, iv. 3, 17.

Wáriness. *s.* Attribute suggested by being Wary; caution; prudent forethought; timorous scrupulousness.

For your own conscience he gives innocence,
But for your fame a discreet *wariness*. *Donne.*

The path was so very slippery, the shade so exceeding gloomy, and the whole wood so full of echoes, that they were forced to march with the greatest *wariness*, circumspection, and silence.—*Addison, Freeholder.*

Wark. *s.* Building.

Thou findest fault where any 's to be found,
And buildest strong *wark* upon a weak ground.
Spenser.

Wárlike. *adj.*

1. Fit for war; disposed to war.

She using so strange, and yet so well succeeding a temper, made her people by peace *warlike*.—*Sir P. Sidney.*

He was no *warluck*, as the Scotch commonly call such men who they say are iron free or lead free.—*Dryden.*

Wárly. *adj.* Warlike. *Rare.*

Now where thou doost thy manhood boast,
For *warly* feats achieved;
That beauty of thine forbids,
Thy words to be believed.
Sir T. Chaloner, in *Nugæ Antiquæ*, ii. 388.

Warm. *adj.* [A.S. *wearm.*]

1. Not cold, though not hot; heated to a moderate degree.

He stretched himself upon the child; and the flesh of the child waxed *warm*.—2 *Kings*, iv. 34.

2. Zealous; ardent.

I never thought myself so *warm* in any party's cause, as to deserve their money.—*Pope.*

3. Violent; furious; vehement.

Welcome day-light; we shall have *warm* work on't:
The Moor will 'gage
His utmost forces on his next assault,
To win a queen and kingdom.
Dryden, Spanish Friar, i. 1.

4. Vigorous; sprightly.

Now *warm* in love, now with'ring in my bloom,
Lost in a convent's solitary gloom.
Pope, Eloisa to Abelard.

5. Easy and safe in money matters; wealthy.

The keen *warm* man o'erlooks each idle tale
For 'Money's wanted,' and 'Estates on sale;'
While some with equal minds to all attend,
Pleased with each part, and grieved to find an end.
Crabbe, The Borough, The Newspaper.

He was much respected, and deemed a *warm* man.—*Lord Lytton, What will he do with it?* b. vii. ch. ix.

As the *first element* in a *compound.*

If there be a sober and a wise man, what difference will there be between his knowledge and that of the most extravagant fancy in the world? If there be any difference between them, the advantage will be on the *warm-headed* man's side, as having the more ideas, and the more lively.—*Locke.*

Warm. *v. a.*

1. Free from cold; heat in a gentle degree.

It shall be for a man to burn, for he will take thereof and *warm* himself.—*Isaiah*, xliv. 15.

2. Heat mentally; make vehement.

The action of Homer being more full of vigour than that of Virgil, is more pleasing to the reader: one *warms* you by degrees, the other sets you on fire all at once, and never intermits his heat.—*Dryden.*

Warm. *v. n.* Grow less cold; become warmer, or warmer.

There shall not be a coal to *warm* at, nor fire to sit before it.—*Isaiah*, xlvii. 14.

Wármingpan. *s.*

1. Covered pan for warming a bed by means of hot coals.

The idle story of the Pretender's having been introduced in a *warming-pan* into the Queen's bed has been much more prejudicial to the cause of Jacobitism than all that Mr. Locke and others have written.—*Lord Chesterfield.*

2. Person put into a place or office merely, or mainly, for the sake of holding it till some other person becomes eligible; i.e. in colloquial language, 'to keep it *warm* for him').

Wármingstone. *s.* See extract.

To stones add the *warming-stone*, digged in Cornwall, which being well heated at the fire retains warmth a great while, and hath been found to give ease in the internal hæmorrhoids.—*Ray.*

Wármly. *adv.* In a warm manner.

1. With gentle heat.

There the warming sun first *warmly* smote
The open field. *Milton, Paradise Lost*, iv. 244.

2. Eagerly; ardently.

Now I have two right honest wives,
For whose possession no man strives;
One to Atrides I will send,
And t' other to my Trojan friend;
Each prince shall thus with honour have
What both so *warmly* seem to crave.
Prior, Alma, ii. 111.

Wármness. *s.* Attribute suggested by Warm; warmth.

The Creator is willing mankind should serve themselves of all his creature's various excellencies, in their strength, weight, light, sweetness, *warmness*. — *Jeremy Taylor, Artificial Handsomeness*, p. 99.

Here kindly *warmth* their mounting juice ferments
To nobler tastes, and more exalted scents.
Addison, Letter from Italy.

2. Zeal; passion; fervour of mind.

What *warmth* is there in your affection towards any of these princely suitors that are already come? —*Shakespear, Merchant of Venice*, i. 2.

Your opinion that it is entirely to be neglected, would have been my own, had it been my own case; but I felt more *warmth* here than I did when first I saw his book against myself.—*Pope.*

3. Fancifulness; enthusiasm.

The same *warmth* of head disposes men to both. —*Sir W. Temple.*

Warn. *v. a.* [A.S. *warnian.*]

1. Caution against any fault or danger; give previous notice of ill.

What, do'st thou scorn me for my gentle counsel?
And scorn the devil that I *warn* thee from?
Shakespear, Richard III. i. 3.

He had chidden the rebellious winds for obeying the command of their usurping master: he had *warned* them from the seas; he had beaten down the billows.—*Dryden.*

2. Admonish of any duty to be performed, or practice or place to be avoided or forsaken.

Cornelius the centurion, a just man and one that feareth God . . . was *warned* from God by an holy angel to send for thee.—*Acts*, x. 22.

3. Inform previously of good or bad.

He wonders to what end you have assembled
Such troops of citizens to come to him,
His grace not being *warn'd* thereof before.
Shakespear, Richard III. iii. 7.

Our first parents had been *warn'd*
The coming of their secret foe, and 'scaped
His mortal snare. *Milton, Paradise Lost*, iv. 6.

Yet can they not *warne* death from wretched wight. *Spenser, Faerie Queen.*

Wárning. *s.* [A.S. *warnung.*]

1. Caution against faults or dangers; previous notice of ill.

I will thank the Lord for giving me *warning*; my reins also chasten me in the night.—*Book of Common Prayer, Psalms*, xvi. 8.

He, groaning from the bottom of his breast,
This *warning* in these mournful words exprest.
Dryden, Translation of the Æneid, ii. 379.

2. Previous notice.

Death called up an old man, and bade him come; the man excused himself that it was a great journey to take upon so short a *warning*.—*Sir R. L'Estrange.*

I saw with some disdain more nonsense than either I or as bad a poet could have crammed into it at a month's *warning*; in which time it was wholly written.—*Dryden.*

Warp. *s.* [A.S. *weurp.*] Threads in a thing woven which are crossed by the woof.

The placing of the tangible parts in length or transverse, as it is in the *warp* and the woof of texture, more inward or more outward.—*Bacon, Natural and Experimental History.*

Warp. *v. n.* [A.S. *weorpan.*]

1. Change from the true situation by intestine motion; change the position of one part to another.

This fellow will but join you together as they join wainscot, then one of you will prove a shrunk-panel, and like green timber *warp*.—*Shakespear, As you like it*, iii. 3.

2. Lose its proper course or direction; swerve.

There's our commission,
From which we would not have you *warp*.
Shakespear, Measure for Measure, i. 1.

All attest this doctrine, that the pope can give away the right of any sovereign, if he shall never so little *warp*.—*Dryden.*

3. In *Navigation.* Work itself forward.

The potent rod
Of Amram's son in Egypt's evil day
Waved round the coast, up call'd a pitchy cloud
Of locusts, *warping* on the eastern wind,
That o'er the realm of impious Pharaoh hung
Like night. *Milton, Paradise Lost*, i. 338.

By the pilot's advice the men were sent to cut a passage and *warp* through the small openings to the westward.—*Southey, Life of Nelson*, ch. i.

Warp. *v. a.*

1. Shrivel; turn aside from the true direction.

This first avow'd, nor folly *warp'd* my mind;
Nor the frail texture of the female kind
Betray'd my virtue.
Dryden, Sigismonda and Guiscardo, 402.

Nor *warp'd* by passion, aw'd by rumour,
Nor grave through pride, or gay through folly;
An equal mixture of good humour,
And sensible soft melancholy. *Swift.*

2. Used in the extract to express the effect of frost: (according to Johnson, by changing from the natural course; according to others by contraction into ice).

Freeze, freeze, thou bitter sky,
Thou dost not bite so nigh
As benefits forgot:
Though thou the waters *warp*,
Thy sting is not so sharp
As friend remember'd not.
Shakespear, As you like it, ii. 7, song.

Wárping. *verbal abs.* Act of turning aside from the true direction.

The heart upright without any sinful *warpings*.—*Jeremy Taylor, Artificial Handsomeness*, p. 36.

This we should do as directly as may be, with as little *warping* and declension towards the creature as is possible.—*Norris.*

Wárrant. *v. n.* [N.Fr. *garantir.*]

1. Support or maintain; attest.

She needed not disdain any service, though never so mean, which was *warranted* by the sacred name of father.—*Sir P. Sidney.*

If this internal light be conformable to the principles of reason, or to the word of God, which is attested revelation, reason *warrants* it, and we may safely receive it for true.—*Locke.*

2. Give authority; justify.

How can any one *warrant* himself in the use of those things against such suspicions, but in the trust he has in the common honesty and truth of men in general?—*South, Sermons.*

3. Secure.

If my coming, whom, she said, he feared, as soon as he knew me by the armour, had not *warranted* her from that near approaching cruelty.—*Sir P. Sidney.*

4. Declare upon surety.

What a galled neck have we here! Look ye, mine's as smooth as silk, I *warrant* ye.—*Sir R. L'Estrange.*

The Moors' king
Is safe enough, I *warrant* him for one.
Dryden, Spanish Friar, i. 1.

Wárrant. *s.*

1. Writ conferring some right or authority.

Are you now going to despatch this deed?—
We are, my lord, and come to have the *warrant*
That we may be admitted where he is.
Shakespear, Richard III. i. 3.

He sent him a *warrant* for one thousand pounds a year pension for his life.—*Lord Clarendon, History of the Grand Rebellion.*

2. Writ giving the officer of justice the power of caption

There was a damn'd design, cries one, no doubt;
For *warrants* are already issued out.
Dryden, Translation of Juvenal, x. 132.

3. Secure inviolable grant.

His promise is our plain *warrant*, that in his name what we ask we shall receive.—*Hooker, Ecclesiastical Polity.*

4. Justificatory commission.

Is this a *warrant* sufficient for any man's conscience to build such proceedings upon, as have been and are put in use for the establishment of that cause?—*Hooker, Ecclesiastical Polity.*

5. Attestation.

The place of Paradise might be seen unto Moses, and unto the prophets who succeeded him; both which I take for my *warrant* to guide me in this discovery.—*Sir W. Raleigh.*

The Jewish religion was yet in possession; and therefore, that this might so enter as not to intrude, it was to bring its *warrant* from the same hand of Omnipotence.—*South, Sermons.*

6. Right; legality. *Obsolete.*

I attach thee
For an abuser of the world, a practicer
Of arts inhibited and out of *warrant*.
Shakespear, Othello, i. 2.

Wárrantable. *adj.* Justifiable; defensible.

His meals are coarse and short, his employment *warrantable*, his sleep certain and refreshing.—*South, Sermons.*

If I can mend my condition by any *warrantable* industry, the way is fair and open; and that's a privilege every reasonable creature has in his commission.—*Sir R. L'Estrange.*

Wárrantableness. *s.* Attribute suggested by Warrantable; justifiableness.

By the foil thereof you may see the nobleness of my desire to you, and the *warrantableness* of your favour to me.—*Sir P. Sidney.*

The *warrantableness* of this practice may be inferred from a parity of reason.—*Barrow, Sermons*, i. 181.

Wárrantably. *adv.* In a warrantable manner; justifiably.

The faith which God requires is only this, that he will certainly reward all those that believe in him, and obey his commandments; but for the particular application of this faith to ourselves, that deserves no more of our assent, nor can indeed *warrantably* have it, than what is founded upon the serious consideration of our own performances.—*Archbishop Wake.*

Wárrantize. *s.* Authority; security. *Rare.*

There's none protector of the realm but I;
Break up the gates, I'll be your *warrantize*.
Shakespear, Henry VI. Part I. i. 3.

Wárrantize. *v. a.* Guarantee; warrant. *Rare.*

The one doth *warrantize* unto us their faith, the other their love.—*Hooker, On Jude*, 540. (Ord MS.)

Wárranty. *s.*

1. In *Law.* See extract.

A *warranty* [is] a promise made in a deed by one man unto another for himself and his heirs, to secure him and his heirs against all men, for the enjoying of anything agreed of between them.—*Cowell.*

2. Authority; justificatory mandate.

Her obsequies have been so far enlarged
As we have *warranty*: her death was doubtful;
And but that great command o'ersways the order,
She should in ground unsanctified have lodged
Till the last trump. *Shakespear, Hamlet*, v. 1.

3. Security.

Every one cannot distinguish between fine and mixed silver: those who have had the care and government of politick societies, introduced coinage as a remedy: the stamp was a *warranty* of the publick, that under such a denomination they should receive a piece of such a weight and fineness. —*Locke.*

Wárray. *v. a.* Make war upon: ('a word,' says Johnson, 'very elegant and expressive, though obsolete').

But Ebranc salved both their infancies
With noble deeds, and *warrayd* on Brunchild.
Spenser, Faerie Queen, ii. 10, 21.

The Christian lords *warraid* the eastern land.
Fairfax.

Warre. *adj.* [A.S. *wærra.*] Worse. *Obsolete.*

They say the world is *warre* than it wont.
Spenser, Shepherd's Calendar.

Wárren. *s.* [N.Fr. *garene*; connected with *ward*, *ware*, *warrant*, suggestive of keeping or security.] Park for rabbits.

I found him here, as melancholy as a lodge in a *warren*.—*Shakespear, Much Ado about Nothing*, ii. 1.

Men should set snares in their *warrens* to catch polecats and foxes.—*Dryden, Spanish Friar.*

Wárrener. *s.* Keeper of a warren.
He hath fought with a *warrener*.—*Shakespear, Merry Wives of Windsor*, i. 4.

Wárrior. *s.* Soldier; military man.
Fierce fiery *warriours* fight upon the clouds,
In ranks and squadrons and right form of war,
Which drizzled blood upon the Capitol.
Shakespear, Julius Cæsar, ii. 2.

Used *adjectivally*.
From the Volscians fair Camilla came,
And led her warlike troops, a *warrior* dame.
Dryden, Translation of the Æneid, vii. 1094.

Wárrioress. *s.* Female warrior.
Eftsoones that *warriouresse* with haughty crest
Did forth issue, all ready for the fight.
Spenser, Faerie Queen.

Wart. *s.* [A.S. *weart.*] Small horny excrescence or protuberance on the skin, from thickening of the cuticle or scarfskin; any similar protuberance.
If thou prate of mountains, let them throw
Millions of acres on us, till our ground,
Singeing his pate against the burning sun,
Make Ossa like a *wart*. *Shakespear, Hamlet*, v. 1.
Malpighi, in his treatise of galls, under which he comprehends all preternatural and morbose tumours of plants, doth demonstrate that all such *warts*, tumours, and excrescences, where any insects are found, are excited or raised up by some venenose liquors, which with their eggs such insects shed; or boring with their terebræ, instil into the very pulp of such buds.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Wart-cress. *s.* In *Botany*. Native plant of the genus Coronopus, so called from the form of its seed-vessels.

Wart-hog. *s.* In *Zoology*. Animal of the swine kind of the genus Phascochœres.

Wart-weed. *s.* In *Botany*. Native plant of the genus Euphorbia (species, helioscopia), so called from its milky and acrid juice being supposed to be useful in removing warts.

Wárty. *adj.* Grown over with warts.
See him shake his *warty* fist.
Phillips, Satire against Hypocrites: 1655.

Wárwolf. *s.*
1. See Werewolf.
2. Military engine so called.
He [Edward I.] with an engine named the *warwolf*, pierced with one stone, and cut as even as a thread, two vaunt-mures. — *Camden, Remains.* (Nares by H. and W.)

Wárworn. *adj.* Worn with war.
Their gesture sad,
Invest in lank lean cheeks and *warworn* coats,
Presented them unto the gazing moon
So many horrid ghosts.
Shakespear, Henry V. iv. chorus.

Wáry. *adj.* [A.S. *wær.*] Cautious; scrupulous; timorously prudent.
He is above, and we upon earth; and therefore it behoveth our words to be *wary* and few.—*Hooker, Ecclesiastical Polity.*
Others grow *wary* in their praises of one, who sets too great a value on them, lest they should raise him too high in his own imagination.—*Addison, Spectator.*

Was, Were, &c. In *meaning*, this word may be considered as the past tense of *be* or of *am*. *Etymologically*, it is a wholly different word; i.e. a regular formation from A.S. *wesan*, of which it is the ordinary preterit tense. The common habit of calling it an *Imperfect* is founded on a misconception of the character of its construction in such combinations as '*I was speaking* when he interrupted me.' Here the time to which *was* refers is simply *Past*, i.e. *Past* as measured from the time at which the above-given sentence is uttered. The time to which *speaking* refers is simply *Present*, i.e. *Present* as measured by the time when the interruption took place. To talk about *was* (*by itself*) being *Imperfect* is to mistake a combination for a tense. In the English, as now spoken, it is found in only four forms: 1. I, he, she, or it, *was*; 2. Thou *wast*; 3. We, ye, they *were*; also, *if* I, *if* he, she, or it *were*; *if* they *were*; 4. *If* thou *wert*. This means that it is found only in the past tense of two moods, the indicative and conjunctive.

To those who put faith in the current account of the dealings between Hengist and Vortigern, and the feast at which the Saxons murdered the Britons, the *imperative* form *waes* was then current, the origin of the name *wassail* being *waes* = be + *hael* = whole or sound; i.e. a term equivalent to 'Good health!' It was with these words that the *wassail* bowl or cup was offered to Vortigern at the banquet in question. If so, it is one of the first words recorded as having been spoken by the ancestors of the present English on English soil.

Wash. *v. a.* [A.S. *wæscan, wascan.*]
1. Cleanse by ablution.
How fain, like Pilate, would I *wash* my hands
Of this most grievous guilty murther done!
Shakespear, Richard III. i. 4.
2. Moisten; wet: (as, 'The rain *washes* the flowers;' 'The sea *washes* many islands').
3. Affect by ablution.
Be baptized, and *wash* away thy sins.—*Acts*, xxii. 16.
Sins of irreligion must still be so accounted for as to crave pardon, and be *washed* off by repentance.—*Jeremy Taylor.*
4. Colour by washing.
Shall poesy, like law, turn wrong to right,
And dedications *wash* an Æthiop white?
Young, Love of Fame, i. 27.

Full thirty times hath Phœbus' car gone round
Neptune's salt *wash*, and Tellus' orbed ground.
Shakespear, Hamlet, iii. 2.
3. Medical or cosmetic lotion.
They paint and patch their imperfections
Of intellectual complexions,
And daub their tempers o'er with *washes*,
As artificial as their faces.
Butler, Hudibras, iii. 1, 727.
4. Superficial stain or colour.
Imagination stamps signification upon his face, and tells the people he is to go for so much, who oftentimes, being deceived by the *wash*, never examine the metal, but take him upon content.—*Collier.*
5. Feed of hogs gathered from washed dishes or washed grains.
The wretched, bloody, and usurping boar,
That spoil'd your summer fields and fruitful vines,
Swills your warm blood like *wash*, and makes his trough
In your embowell'd bosoms.
Shakespear, Richard III. v. 2.
6. Act of washing the clothes of a family; linen washed at once.

Wash a tile. Take trouble to no purpose; labour in vain. Latinism, *laterem lavare.*
We may go whistle; all the fat's i' the fire.—
We have,
As learned authors utter, *washed a tile*;
We have been fatuus, and laboured vainly.
Beaumont and Fletcher, Two Noble Kinsmen, iii. 5.

Wash. *adj.* Washy; weak.
He looks lean;
'Tis a *wash* knave, he will not keep his flesh well.
Beaumont and Fletcher, Rule a Wife and have a Wife.

On the *washy* ooze deep channels wore,
Easy, ere God had bid the ground be dry.
Milton, Paradise Lost, vii. 303.
2. Weak; not solid.
A polish of clearness, evenly and smoothly spread, not over thin and *washy*, but of a pretty solid consistence.—*Sir H. Wotton.*

Wasp. *s.* [A.S. *wæsp, wæps*; Lat. *vespa.*] Hymenopterous insect, akin to the hornets, of the genus Vespa (Hymenoptera).
More *wasps*, that buz about his nose,
Will make this sting the sooner.
Shakespear, Henry VIII. iii. 2.

Wáspish. *adj.* Peevish; malignant; irritable; irascible.
I'll use you for my laughter,
When you are *waspish*.
Shakespear, Julius Cæsar, iv. 3,
Much do I suffer, much, to keep in peace
This jealous, *waspish*, wrong-head rhyming race.
Pope, Imitations of Horace, b. ii. ep. ii.

Wáspishly. *adv.* In a waspish manner.
It behoves a woman of moderation to crave the assistance of the Graces in her behaviour towards her husband, thereby to render their society mutually harmonious to each other, and to preserve her from being *waspishly* proud, out of a conceit of her fidelity and virtue.—*Plutarch, Morals*, iii. 19.

Wáspishness. *s.* Attribute suggested by Waspish; peevishness; irritability.
His scull is a mere nest of hornets, which sting into him their own *waspishness*.—*Cleaveland, Poems, Orations, &c.* p. 181.

Wássail. *s.* [see under Was.]
1. Liquor made of apples, sugar, and ale.
When Duncan is asleep
(Whereto the rather shall his day's hard journey
Soundly invite him), his two chamberlains
Will I with wine and *wassel* so convince
That memory, the warder of the brain,
Shall be a fume. *Shakespear, Macbeth*, i. 7.
Amundeville is lord by day,
But the friar is lord by night;
And there's not a vassal, for wine or *wassail*,
Would question that friar's right.
Byron, Don Juan, song in canto xvi.
2. Drunken bout.
The king doth wake to-night, and take his rouse,
Keeps *wassail*, and the swagg'ring upspring reels.
Shakespear, Hamlet, i. 4.
3. Merry song.
This, I you tell, is our jolly *wassel*,
And for twelfth-night more meet too.
B. Jonson, Christmas Masque.

Wássail-bówl. *s.* [two words.] Bowl filled with wassail.
Some lusty sport,
Or spiced *wassel-bowl*.
Fletcher, Faithful Shepherdess.

To *waste* it all myself, and leave you none!
Milton, Paradise Lost, x. 819.

Waste. *v. n.* Dwindle; be in a state of consumption.

Man dieth and *wasteth* away.—*Job*, xiv. 10.

Their thoughts are thoughts of iniquity; *wasting* and destruction are in their paths.—*Isaiah*, lix. 7.

The latter watch of *wasting* night,
And setting stars to kindly sleep invite.
Dryden, Translation of the Æneid, ii. 11.

Waste. *adj.* [A.S. *weste*.]

1. Destroyed; ruined.

The Sophi leaves all *waste* . . .
In his retreat. *Milton, Paradise Lost*, x. 433.

When thus the gather'd storms of wretched love,
In my swoln bosom, with long war had strove . . .
Laid all the civil bonds of manhood *waste*,
And scatter'd ruin as the torrent past.
Prior, Solomon, ii. 845.

2. Desolate; uncultivated.

He found him in a desert land, and in the *waste* howling wilderness.—*Deuteronomy*, xxxii. 10.

3. Superfluous; exuberant; lost for want of occupiers.

Quite surcharged with her own weight,
And strangled with her *waste* fertility.
Milton, Comus, 728.

4. Worthless; fit for none but vile uses; not of value enough to be preserved.

It may be published as well as printed, that so much skill in Hebrew derivations may not lie for *waste* paper in the shop.—*Dryden, Epistle to the Whigs.*

Waste. *s.*

1. Wanton or luxurious destruction; act of squandering.

Licence they mean when they cry Liberty!
For who loves that must first be wise and good;
But from that mark how far they rove we see,
For all this *waste* of wealth, and loss of blood.
Milton, Sonnets, xii. 11.

2. Consumption; loss.

Reasons induce us to think it a good work, which they, in their care for well bestowing of time, account *waste*.—*Hooker, Ecclesiastical Polity.*

3. Useless expense.

But youth, the perishing good, runs on too fast,
And unenjoy'd it spends itself to *waste*;
Few know the use of life before 'tis past. *Dryden.*

4. Desolate or uncultivated ground.

See the man, who spacious regions gave
A *waste* for beasts, himself deny'd a grave.
Pope, Windsor Forest.

Land that is left wholly to nature, that hath no improvement of pasturage, tillage, or planting, is called *waste*.—*Locke.*

5. Ground, place, or space, unoccupied.

Lifted aloft, he gan to mount up higher,
And, like fresh eagle, made his hardy flight,
Thro' all that great wide *waste*, yet wanting light.
Spenser.

These gentlemen, on their watch,
In the dead *waste* and middle of the night,
Had been thus encountered.
Shakespear, Hamlet, i. 2.

Forty days Elijah, without food,
Wander'd this barren *waste*.
Milton, Paradise Regained, i. 354.

Lords of the world's great *waste*, the ocean, we
Whole forests send to reign upon the sea. *Waller.*

From that dire deluge, through the wat'ry *waste*,
Such length of years, such various perils past.
Dryden.

6. Region ruined and deserted.

All the leafy nation sinks at last,
And Vulcan rides in triumph o'er the *waste*.
Dryden, Translation of the Æneid, x. 571.

7. Mischief; destruction.

The spirit of wantonness is, sure, scared out of him: if the devil have him not in fee-simple, he will never, I think, in the way of *waste*, attempt us again.—*Shakespear, Merry Wives of Windsor*, iv. 2.

8. Destruction of wood or other products of land.

You are but tenant for life, and shall make no *waste*.—*Shadwell.*

Run to waste. Become lost for any useful purpose, as water run off uselessly.

You, like me, I suppose, reckon the lapse of time from the waste thereof, as boys let a cock *run to waste*; too idle to stop it, and rather amused to see it dribble.—*C. Lamb, Letter to Coleridge.*

Wástebasket. *s.* Basket for waste paper.

Public men have such odd, out-of-the-way letters, that their *waste-baskets* are never empty.—*Lord Lytton, My Novel*, b. ii. ch. vi.

Through woods and *wasteness* wide him daily sought. *Spenser, Faerie Queen*, i. 3, 3.

That day is a day of wrath, a day of *wasteness*.—*Zephaniah*, i. 15.

Wáster. *s.* One who, that which, wastes.

1. One that consumes dissolutely and extravagantly; squanderer; vain consumer.

Divers Roman knights,
The profuse *wasters* of their patrimonies,
So threaten'd with their debts, as they will now
Run any desperate fortune.
B. Jonson, Catiline's Conspiracy.

Plenty, in their own keeping, makes them wanton and careless, and teaches them to be squanderers and *wasters*.—*Locke.*

Sconces are great *wasters* of candles.—*Swift.*

2. Kind of cudgel.

Thou wouldst be loth to play half a dozen of venies at *wasters*.—*Beaumont and Fletcher, Philaster.*

With a good *waster* he so mortified this old Adam of his son-in-law squire, that he needed no other penance than this.—*Sir J. Harington, Brief View of the Church*, p. 22.

Wástethrift. *s.* Spendthrift. *Rare.*

Thou art a *wastethrift*, and art run away from thy master.—*Beaumont and Fletcher, Knight of the Burning Pestle.*

Wástrel. *s.* Waste: (as common, or uncultivated, land). *Rare.*

Their works, both stream and load, lie in several or in *wastrell*, that is, in inclosed grounds or in commons.—*Carew, Survey of Cornwall.*

Wat. *s.* [?] Name for the hare.

Annone as they commyth me behynde,

And, yf I leve, thou schalt be take,
I have an hare-pype in my purce,
Hit schal be set al for thi sauke.

. . . . . .

There is no best in the world, I wene,
Hert, hynd, buke ne dowe,
That sufferis half so myche tene
As doth the sylly *wat*, go where he go.
The Mourning of the Hare in early English Miscellanies, 15th century, pp. 44, 45. (Warton Club.)

The finder sendeth out to seek the nimble *wat*.
Drayton, Polyolbion, song xxii. (Nares by H. and W.)

Thus, once concluded, out the teazers run
All in full cry and speed till *wat's* undone.
R. Fletcher, Epigrams, p. 139. (Nares by H. and W.)

Watch. *s.* [A.S. *wæcce*.]

1. Forbearance of sleep; attendance without sleep.

All the long night their mournful *watch* they keep,
And all the day stand round the tomb and weep.
Addison.

2. Attention; close observation.

In my school days, when I had lost one shaft,
I shot his fellow, of the self-same flight,
The self-same way, with more advised *watch*,
To find the other forth; by vent'ring both,
I oft found both.
Shakespear, Merchant of Venice, i. 1.

3. Guard; vigilant keeping.

Still, when she slept, he kept both *watch* and ward.
Spenser, Faerie Queen, i. 3, 9.

Hie thee to thy charge;
Use careful *watch*, chuse trusty sentinels.
Shakespear, Richard III. v. 3.

Love can find entrance not only into an open heart, but also into a heart well fortified, if *watch* be not well kept.—*Bacon.*

4. Watchmen; men set to guard: (used *collectively*).

Before her gate, high God did sweat ordain,
And wakeful *watches* ever to abide. *Spenser.*

Such stand in narrow lanes,
And beat our *watch*, and rob our passengers.
Shakespear, Richard II. v. 3.

The towers of heaven are fill'd
With armed *watch*, that render all access
Impregnable. *Milton, Paradise Lost*, ii. 129.

An absurdity our Saviour accounted it for the blind to lead the blind, and to put him that cannot see to the office of a *watch*.—*South, Sermons.*

5. Place where a guard is set.

He upbraids Iago, that he made him
Brave me upon the *watch*.
Shakespear, Othello, v. 2.

6. Post or office of a watchman.

As I did stand my *watch* upon the hill,
I look'd toward Birnam, and anon methought
The wood began to move.
Shakespear, Macbeth, v. 5.

7. Period of the night.

Your fair daughter,
At this odd, even, and dull *watch* o' the night,
Is now transported with a gondelier
To the gross clasps of a lascivious Moor.
Shakespear, Othello, i. 1.

All night he will pursue; but his approach
Darkness defends between, till morning *watch*.
Milton, Paradise Lost, xii. 207.

The latter *watch* of wasting night,
And setting stars, to kindly sleep invite.
Dryden, Translation of the Æneid, ii. 11.

8. Pocket clock; small clock moved by a spring.

A *watch*, besides the hour of the day, gives the day of the month, and the place of the sun in the zodiack.—*Sir M. Hale.*

That Cloe may be served in state,
The hours must at her toilet wait;
Whilst all the reasoning fools below
Wonder their *watches* go so slow. *Prior.*

Wound-up at twelve at noon his *watch* goes right;
Mine better goes wound-up at twelve at night.
Churchill.

In crossing a heath, suppose I pitched my foot against a stone, and were asked how the stone came to be there; I might possibly answer, that, for anything I knew to the contrary, it had lain there for ever; nor would it perhaps be very easy to shew the absurdity of this answer. But suppose I had found a *watch* upon the ground, and it should be enquired how the *watch* happened to be in that place, I should hardly think of the answer which I had before given, that, for anything I knew, the *watch*

might have always been there. Yet why should not this answer serve for the *watch* as well as for the stone?—*Paley, Natural Theology*, ch. i.

Watch. *v. n.* [A.S. *wacian.*]

1. Not to sleep; wake.
   I have two nights *watch'd* with you; but can perceive no truth in your report.—*Shakespear, Macbeth*, v. 1.
   Sleep, listening to thee, will *watch*.
   Milton, Paradise Lost, vii. 106.
2. Keep guard.
   I will *watch* over them for evil, and not for good.—*Jeremiah*, xliv. 27.
3. Look with expectation.
   My soul waiteth for the Lord, more than they that *watch* for the morning.—*Psalms*, cxxx. 6.
4. Be attentive; be vigilant.
   Watch thou in all things, endure afflictions.—*2 Timothy*, iv. 5.
5. Be cautiously observant.
   Watch over thyself, counsel thyself, judge thyself impartially.—*Jeremy Taylor.*
6. Be insidiously attentive.
   He somewhere nigh at hand
   Watches, no doubt, with greedy hope to find
   His wish and best advantage us asunder,
   Hopeless to circumvent us join'd.
   Milton, Paradise Lost, ix. 256.

Watch. *v. a.*

1. Guard; have in keep.
   Flaming ministers to *watch* and tend their charge.
   Milton, Paradise Lost, ix. 156.
2. Observe in ambush.
   Saul also sent messengers unto David's house to *watch* him, and to slay him.—*1 Samuel*, xix. 11.
   He is bold, and lies near the top of the water, *watching* the motion of any water-rat that swims betwixt him and the sky.—*I. Walton, Complete Angler.*
3. Tend.
   Paris *watched* the flocks in the groves of Ida.—*Broome.*
4. Observe in order to detect or prevent.

Wátcher. *s.* One who, that which, watches.

1. One who sits up; one who does not go to sleep.
   Get on your night-gown, lest occasion call us,
   And shew us to be *watchers*.
   Shakespear, Macbeth, ii. 2.
2. Diligent overlooker or observer.
   Love hath chased sleep from my enthralled eyes,
   And made them *watchers* of mine own heart's sorrow.
   Shakespear, Two Gentlemen of Verona, ii. 4.

Wátchet. *adj.* [A.S. *wæced.*] Blue; pale blue. *Obsolete.*
The mariners all appeared in *watchet* or sky-coloured cloth.—*Milton, Brief History of Moscovia*, ch. v.
Whom 'midst the Alps do hanging throats surprise?
Who stares in Germany at *watchet* eyes?
Creech, Translation of Juvenal, xiii. 210.

Wátchful. *adj.* Vigilant; attentive; cautious; nicely observant: (it has *of* before the thing to be regulated, and *against* before the thing to be avoided).
Call home our exiled friends,
That fled the snares of *watchful* tyranny.
Shakespear, Macbeth, v. 7.
Nodding a while, and *watchful of* his blow,
He fell; and falling, crush'd th' ungrateful nymph below.
Dryden, Translation from Theocritus, The Despairing Lover, 106.
Readers should not lay by that caution which becomes a sincere pursuit of truth and should make them always *watchful against* whatever might conceal or misrepresent it.—*Locke.*

Wátchfully. *adv.* In a watchful manner; vigilantly; cautiously; attentively; with cautious observation; heedfully.
If this experiment were very *watchfully* tried in vessels of several sizes, some such things may be discovered.—*Boyle.*

Wátchfulness. *s.* Attribute suggested by Watchful.

1. Vigilance; heed; suspicious attention; cautious regard; diligent observation.
   Love, fantastick pow'r! that is afraid
   To stir abroad till *watchfulness* be laid.
   Prior, Henry and Emma, 232.
   By a solicitous *watchfulness* about one's behaviour, instead of being mended, it will be constrained.—*Locke.*
2. Inability to sleep.
   Watchfulness, sometimes called a coma vigil, often precedes too great sleepiness.—*Arbuthnot, On the Nature and Choice of Aliments.*

Wátchhouse. *s.* Place where the watch is set.
Where statues breathed, the works of Phidias' hands,
A wooden pump or lonely *watchhouse* stands.
Gay, Trivia, ii. 489.

Wátching. *verbal abs.* Inability to sleep.
The bullet, not having been extracted, occasioned great pain and *watchings*.—*Wiseman, Surgery.*

Wátchlight. *s.* Candle with a rush wick to burn in the night.
Item, a dozen pound of *watchlights* for the servants.—*Addison, The Drummer.*

Wátchmaker. *s.* One whose trade is to make watches, or pocket-clocks.
Smithing comprehends all trades which use forge or file, from the anchorsmith to the *watchmaker*; they all using the same tools, though of several sizes.—*Moxon.*

Wátchman. *s.* Guard; sentinel; one set to keep ward.
On the top of all do I espy
The *watchman* waiting, tydings glad to hear.
Spenser, Faerie Queen.
Turn him into London-streets, that the *watchmen* might carry him before a justice.—*Bacon.*
Our *watchmen* from the tow'rs, with longing eyes,
Expect his swift arrival.
Dryden, Spanish Friar, i. 1.
The melancholy tone of a *watchman* at midnight.—*Swift.*

Wátchtower. *s.* Tower on which a sentinel was placed for the sake of prospect.
In the day-time she sitteth in a *watchtower*, and flieth most by night.—*Bacon.*
To hear the lark begin his flight,
And singing startle the dull night
From his *watchtower* in the skies,
Till the dappled dawn doth rise.
Milton, L'Allegro, 41.

Wátchword. *s.* Word given to the sentinels to know their friends.
All have their ears upright, waiting when the *watchword* shall come, that they should all arise into rebellion.—*Spenser, View of the State of Ireland.*
We have heard the chimes at midnight, master Shallow.—That we have, sir John; our *watchword*, hem! boys.—*Shakespear, Henry IV. Part II.* iii. 2.

Wáter. *s.* [A.S. *wæter.*]

1. Well-known fluid so called: (for its chemical composition see the last extract).
   Your *water* is a sore decayer of your whoreson dead body.—*Shakespear, Hamlet*, v. 1.
   Water is the chief ingredient in all the animal fluids and solids; for a dry bone, distilled, affords a great quantity of insipid *water*: therefore *water* seems to be proper drink for every animal.—*Arbuthnot, On the Nature and Choice of Aliment.*
   Water, water, everywhere,
   The very boards did shrink;
   Water, water, everywhere,
   And not a drop to drink.
   Coleridge, Ancient Mariner.
   The old chemists considered *water* as an element, and supposed it convertible into earth, and into various organic products. This opinion was first questioned, and afterwards disproved by the experiments of Watt and of Cavendish, in the years 1786 and 1787. It has since been satisfactorily demonstrated that hydrogen and oxygen are the elements of *water*, and that they are contained in it in the relative proportions by weight of 1 and 8, or by volumes 2 and 1.—*Brande and Cox, Dictionary of Science, Literature, and Art.*
2. Sea.
   That it may please thee to preserve all that travel by land or by *water*.—*Book of Common Prayer, Litany.*
3. Lustre of a diamond.
   'Tis a good form,
   And rich: here is a *water*, look ye.
   Shakespear, Timon of Athens, i. 1.
4. Urine.
   If thou could'st, doctor, cast
   The *water* of my land, find her disease,
   And purge it to a sound and pristine health,
   I would applaud thee. *Shakespear, Macbeth*, v. 3.
   Go to bed after you have made *water*.—*Swift.*

Hold water. Be sound; be tight.
A good Christian and an honest man must be all of a piece, and inequalities of proceeding will never *hold water*.—*Sir R. L'Estrange.*

Common with an *adjectival* construction; common, too, both as a prefix and as an affix in composition; as *waterwork, backwater*, &c. It often gives us a true *compound*, even when we might expect a pair of separate words. This is because it so frequently implies an opposition to *land*, e.g. *watercarriage* as opposed to *land carriage*. In most cases the combination conveys its own meaning.

Wáter. *v. a.*

1. Irrigate; supply with moisture, or water.
   A river went out of Eden to *water* the garden.—*Genesis*, ii. 10.
   Chaste moral writing we may learn from hence,
   Neglect of which no wit can recompense;
   The fountain which from Helicon proceeds,
   That sacred stream, should never *water* weeds.
   Waller.
   You may *water* the lower land when you will.—*Mortimer, Husbandry.*
2. Supply with water for drink.
   Now gan the golden Phœbus for to steep
   His fiery face in billows of the west,
   And his faint steeds *water'd* in ocean deep.
   Whilst from their journal labours they did rest.
   Spenser.
   His horsemen kept them in so strait, that no man could, without danger, go to *water* his horse.—*Knolles, History of the Turks.*
   Water him, and drinking what he can,
   Encourage him to thirst again with bran.
   Dryden, Translation of the Georgics, iii. 200.
3. Fertilize or accommodate with streams.
   Mountains, that run from one extremity of Italy to the other, give rise to an incredible variety of rivers that *water* it.—*Addison, Travels in Italy.*
4. See Watering, 3.

Wáter. *v. n.*

1. Shed moisture.
   Mine eyes,
   Seeing those beads of sorrow stand in thine,
   Began to *water*. *Shakespear, Julius Cæsar*, iii. 1.
   The tickling of the nostrils within, doth draw the moisture to the nostrils, and to the eyes by consent; for they also will *water*.—*Bacon, Natural and Experimental History.*
   How troublesome is the least mote or dust falling into the eye, and how quickly does it weep and *water* upon the least grievance!—*South, Sermons.*
2. Get or take in water; be used in supplying water.
   Mahomet sent many small boats manned with harquebusiers and small ordnance into the lake near unto the camp, to keep the Christians from *watering* there.—*Knolles, History of the Turks.*

The mouth waters. The man longs; there is a vehement desire: (from dogs who drop their slaver when they see meat which they cannot get).
Cardinal Wolsey's *teeth watering* at the bishoprick of Winchester, sent one unto bishop Fox, who had advanced him, for to move him to resign the bishoprick, because extreme age had made him blind; which Fox did take in so ill part, that he willed the messenger to tell the cardinal, that although I am blind, I have espied his malicious unthankfulness.—*Camden.*
These reasons made his *mouth* to *water*
With amorous longings to be at her.
Butler, Hudibras, i. 3, 379.

Water one's plants. Weep. *Obsolete.*
Neither *water thou plants*, in that thou departest from thy pig-nie, neither stand on in a mammering, whether it be best to depart or not.—*Euphues to Philautus*, m. 4. (Nares by H. and W.)

Wáterbath. *s.* Large and deep vessel containing water kept at a certain temperature, in which smaller vessels may stand, for the purpose of either heat or evaporation.

Wáterbeans. *s.* In *Botany.* Plant of the genus Nelumbium.

Wáterbrash. *s.* In *Medicine.* Form of indigestion called pyrosis; black-water; heartburn.
Dr. West has stated . . . that the secretion of true *waterbrash* is composed of water, albumen, and a trace of sodaic salt, with an excess of soda.—*Dr. Copland, Dictionary of Practical Medicine.*

Wáterblinks. *s.* In *Botany.* Native plant of the genus Montia (fontana).

Wáterborne. *part. pref.* Conveyed by water-carriage.
The boats were employed in carrying out warps, to drag their ships through the soft mud, as soon as they should be *waterborne* by the flowing tide.—*Smollett, History of England*, vol. iii. b. iii. ch. viii. (Ord MS.)

Wátercarriage. *s.*

1. Conveyance by water.

2. Vessel for water-carriage.
The most brittle *water-carriage* was used among the Egyptians, who, as Strabo saith, would sail sometimes in boats made of earthenware.—*Arbuthnot.*

Wátercart. *s.* Cart for conveying water.
A gentleman . . . watered sainfoin with a *water-cart.*—*Mortimer, Husbandry.*

Wátercaster. *s.* [*water* in the sense of *urine*; *cast*, as in *cast* a nativity.] Water-doctor.
A face with rubies mixed like alabaster,
Wastes much in physicke and her *water-caster.*
Taylor (the Waterpoet). (Nares by H. and W.)

Wáterclock. *s.*
1. Hour-glass with water instead of sand.
2. Clock in which water is the moving principle.
A new kind of *water-clock* was invented in Italy about the middle of the seventeenth century. A cylinder, divided into several small cells, was suspended by a thread fixed to its axis, in a frame, in which the hours' distances, found by trial were marked out. As the water flowed from one cell to another, it changed very slowly the center of gravity of the cylinder, and put it in motion, like the quicksilver puppets invented by the Chinese.—*Fosbroke, Encyclopædia of Antiquities.*

Wátercloset. *s.* Privy in which the foul matter is carried off by water.
The *water-closet* in the palace of the Cæsars is adorned with marble Arabesques and mosaicks. . . . The pipe and basin of one still remains near the theatre at Pompeii, and is like ours.—*Fosbroke, Encyclopædia of Antiquities.*

Wátercolour. *s.* Pigment mixed with water: (as opposed to *oil*).
Painters make colours into a soft consistence with water or oil; those they call *watercolours*, and these they term oilcolours.—*Boyle, Experiments and Considerations touching Colours.*

Wátercress. *s.* Native plant of the genus Nasturtium.
The nymphs of floods are made very beautiful; upon their heads are garlands of *watercresses.*—*Peacham, On Drawing.*

Wátercure. *s.* Hydropathy.

Wáterdock. *s.* In *Botany.* Native plant of the genus Rumex hydrolapathum.

Wáterdoctor. *s.* One who forms his diagnosis by inspection of the urine; water-caster.

Wáterdog. *s.* Dog trained to take the water, akin (as a variety) to the Newfoundland and the retriever.
The *waterdog* must not be confounded with the *waterspaniel* from which it differs considerably in size and in proportions.—*Bell, History of British Quadrupeds, including the Cetacea.*

Wátered. *part. adj.*
1. Supplied with water.
2. In *Manufactures.* Pressed by the Watering process.
The different ranging the superficial parts of velvet and *watered* silk does the like.—*Locke.*

Wáterer. *s.* One who waters.
This ill weed, rather cut off by the ground than plucked up by the root, twice or thrice grew forth again; but yet, maugre the warmers and *waterers*, hath been ever parched up.—*Carew, Survey of Cornwall.*

Wáterfall. *s.* Cataract; cascade.
I have seen in the Indies far greater *waterfalls* than those of Ninus.—*Sir W. Raleigh.*

Wáterfowl. *s.* Fowl which live or get their food in water.
Waterfowl joy most in that air which is likest water.—*Bacon.*

Wátergall. *s.* [? *gall.*] Secondary rainbow.
Dyce remarks that this word, though not common in the older writers, is found more than once in Horace Walpole's writings.
False news are allways produced by true good, like the *watergall* by the rainbow.—*H. Walpole, Letters*, vol. i. p. 310. (Cunningham's edition.)
The word is a useful one, and might advantageously become current. *Weather gall* is an inaccurate form of it; the German being *Wassergalle.*

Wáterglass. *s.*
1. Water-clock: (in the extract it translates κλεψύδρα).
For at that earlier date there existed . . . no such habits of established deference to a Dikastery solemnly sworn, with full notice to defendants and full time of defence measured by the *water-glass.*—*Grote, History of Greece*, pt. ii. ch. lxxii.
2. Solution used in Stereochrome; see extract.
Waterglass is a soluble alkaline silicate, a liquefied flint, made by boiling silica in an alkali: it is sold in a liquid state, and is applied mixed with twice its quantity of water, one quart of the mixture being required to fix twenty square feet of painting. There are two kinds of *waterglass*; the one made with soda, the other with potash; the latter is found to be preferable. A picture thus fixed has no gloss, and can be seen in all lights. This method has been already successfully applied in the Houses of Parliament.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wáterhen. *s.* Native bird (male or female) of the genus Rallus.

Wáteriness. *s.* Attribute suggested by Watery; humidity; moisture.
The forerunners of an apoplexy are dulness, night-mares, weakness, *wateriness*, and turgidity of the eyes.—*Arbuthnot.*

Wátering. *verbal abs.*
1. Act of supplying with water for drink; place of such supply.
I chose rather to observe some kind of military advantages to await him at his foragings, at his *waterings.*—*Milton, Apology for Smectymnuus.*
2. Dropping with water, or fluid.
Their mouths were set *a-watering* with hope of five per cent.—*Locke.*
3. In *Manufactures.* See extract.
The *watering* of stuffs (moirage, French) . . . is a process to which silk and other textile fabrics are subjected, for causing them to exhibit a variety of undulated reflections and plays of light. It is produced by sprinkling water upon the goods, and then passing them through a calendar, either with hot or cold rollers, plain or variously indented.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Wáteringplace. *s.* Town, village, or other place, usually on the sea-coast, noted, at certain seasons, for a numerous resort of persons to it: (according to Todd, 'a modern cant term').
He had a right to employ those hours in so innocent and so elegant a relaxation, which other gentlemen usually squander away in the noisy sports of the field, the expensive pleasures of the metropolis in the winter, or in the loitering dissipation of our public *watering-places* in the summer season.—*Graves, Recollections of Shenstone*, p. 55: 1788.

Wáterish. *adj.* Somewhat watery.
1. Resembling water.
Where the principles are only phlegm, what can be expected from the *waterish* matter, but an insipid manhood, and a stupid old infancy?—*Dryden.*
2. Moist; boggy.
Some parts of the earth grow moorish or *waterish*, others dry.—*Sir M. Hale, Origination of Mankind.*

Wáterishness. *s.* Attribute suggested by Waterish; thinness; resemblance of water.
A pendulous sliminess answers a pituitous state, or an acerbity, which resembles the tartar of our humours, or *waterishness*, which is like the serosity of our blood.—*Sir J. Floyer, Preternatural State of the animal Humours.*

Wáterlily. *s.* Native plant so called; the white waterlily being the Nymphæa alba, the yellow, the Nuphar lutea.
Let them lie dry twelve months, to kill the *water-weeds*, as *waterlilies* and bulrushes.—*I. Walton, Complete Angler.*
Broad *waterlilies* lay tremulously,
And starry river-buds glimmered by,
And around them the soft stream did glide and dance,
With a motion of sweet sound and radiance.
Shelley, The Sensitive Plant.

Wáterline. *s.* Boundary of any section of the bottom of a ship, made by a plane parallel to the line of flotation, the uppermost one being called the *load waterline*, and the lowest the *light waterline.*

Wáterlogged. *adj.* Term applied to a ship, when by leaking she has received so much water in her hold as to become unmanageable.
The shattered, weather-beaten, leaky, *water-logged* vessel.—*Burke, Thoughts on a Regicide Peace.*

Wáterman. *s.* Ferryman; boatman.
Having blocked up the passage t Greenwich, they ordered the *watermen* to let fall their oars more gently.—*Dryden.*
Bubbles of air working upward from the very bottom of the lake, the *watermen* told us that they are observed always to rise in the same places.—*Addison, Travels in Italy.*
The *waterman* forlorn, along the shore,
Pensive reclines upon his useless oar.
Gay, Trivia, ii. 361.

Wátermark. *s.*
1. Utmost limit of the rise of the flood.
Men and beasts
Were borne above the tops of trees that grow
On th' utmost margin of the *watermark.*
Dryden, All for Love, i. 1.
2. In *Paper-making.* Private mark or monogram of the paper-maker.
The various sizes of paper have, in some instances, at least, derived their names from the *water-marks* used at the periods of their manufacture. Thus Pot, from the mark of the jug, manufactured in 1540—1560; Foolscap, a later device; Post, from a post-horse, about 1670.—*Courtney*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Wátermelon. *s.*
1. See extract; the undetermined plant it applies to being different from the one to which the name is now assigned.
The *watermelon* hath trailing branches, as the cucumber or melon, and is distinguished from other cucurbitaceous plants, by its leaf deeply cut and jagged, and by its producing uneatable fruit.—*Miller, Gardener's Dictionary.*
2. Melon remarkable for its juice and flavour; Cucurbita citrullus: (this is the plant to which the name now refers).
Many, however, [of the Cucurbitaceæ, or plants of the Gourd family] are in use as potherbs . . . the *water-melon* so highly esteemed for the cool refreshing juice of its large fruit.—*Lindley, Vegetable Kingdom.*

Wátermill. *s.* Mill turned by water: (contrast *windmill*).
Corn ground by windmills, erected on hills, or in the plains where the *watermills* stood.—*Mortimer, Husbandry.*

Wátermint. *s.* Native plant of the genus Mentha (aquatica).
Those which perfume the air most delightfully . . . are burnet, wild-thyme, and *water-mint.*—*Bacon, Essays, Of Gardens.*

Wáternewt. *s.* See extract.
The Lacerta aquatica, or *water-newt*, when young hath four neat ramified fins, . . . which fall off when the legs are grown.—*Derham, Physico-Theology.*

Wáterparting. *s.* See Watershed.

Wáterplate. *s.* Plate with a double bottom, filled with hot water to keep viands warm.
Then as to sentiment. It fares little better with that. This kind of dish above all, requires to be served up hot, or sent off in *water-plates*, that your friend may have it almost as warm as yourself. If it have time to cool, it is the most tasteless of all cold meats.—*C. Lamb, Essays of Elia, Distant Correspondence.*

Wáterproof. *adj.* Proof against water.
Caoutchouc . . . when treated with hot naphtha . . . and triturated . . . affords a homogeneous varnish, which . . . applied to wool or cloth, prepares it for forming the patent *waterproof* cloth of Mackintosh.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Wáterproofing. *s.* Process by which cloth, &c., is made waterproof.
Waterproofing . . . is most perfectly effected by means of caoutchouc, which is applied in various ways; but there are other substances, and among them some of the earthy soaps, . . . to which some gelatinous material is occasionally added.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wáterrail. *s.* [the *r* double in sound as well as in spelling.] Native bird of the genus Rallus (aquaticus).
A variety of the *water-rail* has been taken which was pure white.—*Yarrell, History of British Birds.*

Wáterrat. *s.* Native animal of the genus Arvicola.
There be land-rats and *water-rats.*—*Shakespear, Merchant of Venice*, i. 3.
The pike is bold, and lies near the top of the water, watching the motion of any frog or *water-rat*, or mouse.—*I. Walton, Complete Angler.*

Wátersapphire. *s.* See extract.
Watersapphire is the occidental sapphire, and is neither of so bright a blue, nor so hard as the oriental.—*Woodward.*

Wátershed. *s.* [German, *wasserscheide.*]
In *Geography.* Point, or district, by which the head waters of two (or more) streams are separated; as such, higher than the origin of either water-system, of both which it determines the slope. Of late the word *water-parting* has been preferred to it, and that on the high authority of the Geographical Society. The two words, however, are widely different; a true *water-parting* being the point where a river divides in its *lower* course, e.g. as at the head of a delta. Add to this that in *watershed* both the elements are English, which is not the case with Water-parting.

Wátershut. *s.* Well-cover.
A large well-squared stone, which he would cut
To serve his style, or for some *water-shut.*
W. Browne, Britannia's Pastorals.

Wátersnake. *s.*
1. Snake, or snakelike animal, living in the water (often imaginary).
Beyond the shadow of the ship,
I watched the *water-snakes:*
They moved in tracks of shining white,
And when they reared, the elfish light
Fell off in hoary flakes.
Coleridge, Ancient Mariner.
2. For the watersnakes of Zoology see under Sea-serpent.

Wáterspaniel. *s.* Waterdog of the spaniel kind.
(For example see Waterdog.)

Wáterspout. *s.* Mass, column, of water suspended in the air.
The causes of the *waterspout* are very imperfectly known. By some it is supposed to be formed by a whirlwind of extreme intensity, while others ascribe it to an electric origin. They are probably occasioned by the whirling of air with such velocity as to cause a vacuum in the axis of rotation; the contact of the lower end of such a vertical axis with water would cause the elevation of a column of the latter to a height of about thirty feet.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wátersprite. *s.* Spirit frequenting, or living in, water.
A speck, a mist, a shape, I wist;
And still it near'd and near'd,
As if it dodged a *watersprite,*
And plunged, and tacked, and veered.
Coleridge, Ancient Mariner.

Wátertable. *s.*
1. In *Architecture.* Set-off in a wall, so placed as to throw off the water from the building.
2. In *Navigation.* Sills of the windows in the stern.

Wátertight. *adj.* Not admitting water.
Cottages not high built, yet wind-tight and *water-tight.*—*Bishop Hall, Remains,* p. 46.

Wátervine. *s.* In *Botany.* Plant of the genus Phytocrene (Gr. φυτὸν = plant + κρήνη = fountain).
In the province of Martaban, Dr. Wallich found his *water-vine,* whose singular, soft, and porous wood discharges, when wounded, a very large quantity of pure and tasteless fluid, which is quite wholesome.—*Lindley, Vegetable Kingdom.*

Wátervole. *s.* [Fr. *arvali,* from *arvicola,* the name of the genus.] Water-rat.
The *water-vole,* or, as he is more frequently called, the water-rat, is found in most parts of Europe.—*Bell, A History of British Quadrupeds, including the Cetacea.*

Wáterways. *s.* In *Navigation.* Pieces of wood at the junction of the deck with the sides, to keep out water, and to prevent the beams from slipping upwards.

Wáterweed. *s.*
1. Water-plant of recent introduction, but so rapidly spread as to be almost universal; Anacharis alsinastrum.
2. Term applied to freshwater aquatic plants generally.
(For example see Waterlily.)

Wáterwheel. *s.* Wheel turned by water.
By making the *waterwheels* larger, the motion will be so slow, that the screw will not be able to supply the stream.—*Bishop Wilkins, Dædalus.*

Wáterwith. *s.* See extract.
The *waterwith* of Jamaica growing on dry hills, in the woods, where no water is to be met with, its trunk, if cut into pieces two or three yards long, and held by either end to the mouth, affords so plentifully a limpid, innocent, and refreshing water, or sap, as gives new life to the droughty traveller or hunter.—*Derham, Physico-Theology.*

Wáterwork. *s.* Play of fountains; artificial spout of water; any hydraulic performance.
Engines invented for mines and *waterworks* often fail in the performance.—*Bishop Wilkins, Mathematical Magick.*

Wáterwort. *s.* Name given to native plants of the genus Elatine (species, tripetala and hydropiper).

Wátery. *adj.*
1. Thin; liquid; like water.
The bile, by its saponaceous quality, mixeth the oil and *watery* parts of the aliment together.—*Arbuthnot, On the Nature and Choice of Aliments.*
2. Tasteless; insipid; vapid; spiritless.
We'll use this unwholesome humidity, this gross, *watery* pumpion.—*Shakespear, Merry Wives of Windsor,* iii. 3.
3. Wet; abounding with water.
When the big lip and *watery* eye
Tell me the rising storm is nigh;
'Tis then thou art yon angry main,
Deform'd by winds, and dash'd by rain.
Prior, The Lady's Looking-glass.
4. Relating to the water.
On the brims her sire, the *watery* god,
Roll'd from a silver urn his crystal flood. *Dryden.*
5. Consisting of water.
The *watery* kingdom ... is no bar
To stop the foreign spirits; but they come,
As o'er a brook, to see fair Portia.
Shakespear, Merchant of Venice, ii. 7.
Those few escaped
Famine and anguish will at last consume,
Wand'ring that *watery* desart.
Milton, Paradise Lost, xi. 777.
Betwixt us and you wide oceans flow,
And *watery* desarts. *Dryden, Indian Emperor.*

Wáttle. *s.* [A.S. *watel.*]
1. Hurdle.
2. Barbs, or loose red flesh, that hangs below the cock's bill.
The cock's comb and *wattels* are an ornament becoming his martial spirit.—*Dr. H. More, Antidote against Atheism.*
The barbel is so called, by reason of his barb, or *wattels,* at his mouth, which is under his nose or chops.—*I. Walton, Complete Angler.*

Wáttle. *v. a.* Bind with twigs; form by plaiting twigs one within another.
A plough was found in a very deep bog, and a hedge *wattled* standing.—*Mortimer, Husbandry.*

Wave. *s.* [A.S. *wæg.*]
1. Water raised above the level of the surface; billow; water driven into undulating inequalities; undulation.
Amidst these toils succeeds the balmy night;
Now hissing waters the quench'd guns restore;
And weary *waves* withdrawing from the fight,
Are lull'd, and pant upon the silent shore.
Dryden, Annus Mirabilis, xcviii.
The *wave* behind impels the *wave* before. *Pope.*
2. Unevenness; inequality.
Thus it happens, if the glass of the prisms be free from veins, and their sides be accurately plane and well polished, without those numberless *waves,* or curls, which usually arise from sand-holes a little smoothed in polishing with putty.—*Sir I. Newton.*

Wave. *s.*
1. Play loosely; float.
I may find
Your warlike ensigns *waving* in the wind. *Dryden.*
2. Be moved as a signal.
A bloody arm it is, that holds a pine
Lighted above the Capitol, and now
It *waves* unto us.
B. Jonson, Catiline's Conspiracy.
3. Waver.
They *wave* in and out, no way sufficiently grounded, no way resolved, what to think, speak, or write, more than only that because they have taken it upon them, they must be opposite.—*Hooker, Ecclesiastical Polity.*
If he did not care whether he had their love or no, he *waved* indifferently 'twixt doing them neither good nor harm.—*Shakespear, Coriolanus,* ii. 2.

Wave. *v. a.*
1. Raise into inequalities of surface.
He had a thousand noses
Horns welk'd and *waved* like the enridged sea.
Shakespear, King Lear, iv. 6.
2. Move loosely.
They *waved* their fiery swords, and in the air
Made horrid circles.
Milton, Paradise Lost, vi. 304.
Æneas, hastening, *waved* his fatal sword
High o'er his head.
Dryden, Translation of the Æneid, x. 1289.
3. Waft; remove anything floating.
Some men never conceive how the motion of the earth below should *wave* one from a knock perpendicularly directed from a body in the air above.—*Sir T. Browne, Vulgar Errours.*
4. Beckon; direct by a waft or motion of any thing.
Look with what courteous action
It *waves* you to a more removed ground:
But do not go with it. *Shakespear, Hamlet,* i. 4.

Wáve-offering. *s.* Offering in the Jewish ceremonial law, which, when *waved* (held aloft), might be eaten by the worshippers; when *heaved,* by the priests.
Thou shalt put all in the hands of Aaron, and in the hands of his sons, and shalt wave them for a *wave-offering* before the Lord.—*Exodus,* xxix. 24.

Wáveless. *adj.* Smooth; wanting waves.
Smoother than this *waveless* spring,
And purer than the substance of the same.
Peele, David and Bethsabe: 1599.

Wáver. *v. n.*
1. Play to and fro; move loosely.
I took two triangular glasses, and one of them being kept fixed in the same posture, that the iris it projected on the floor might not *waver,* I cast on the same floor another iris, with another prism, moving it to and fro.—*Boyle.*
2. Be unsettled; be uncertain, or inconstant; fluctuate; not to be determined.
In which amazement, when the miscreant
Perceived him to *waver* weak and frail,
Whilst trembling horror did his conscience daunt,
And hellish anguish did his soul asssail.
Spenser, Faerie Queen, i. 9. 49.
What if Hospinian should have said, that Luther *wavered* in the point of the sacrament? does it follow that he really did so?—*Bishop Atterbury.*
3. Totter; be in danger of falling.
Has any disloyalty dared to feign that religion *wavers?* They foully mistake; as commonly they do, that are more cunning in other men's lives than in their own: 'tis not religion *wavers,* but their loyalty.—*Holiday.*

Wáver. *s.* Young slender tree. *Obsolete.*
It is a very ordinary copse that will not afford [per acre] three or four firsts, fourteen seconds, twelve thirds, eight *wavers.*—*Evelyn, Sylva,* b. iii. ch. i. § 3.

Wáverer. *s.* One who, that which, wavers.
Come, young *waverer,* come, and go with me;
In one respect I'll thy assistant be.
Shakespear, Romeo and Juliet, ii. 3.

Wáveringness. *s.* Attribute suggested by Wavering; state or quality of being wavering.
The *waveringness* of our cupidities turneth the mind into a dizziness unawares to itself.—*W. Mountague, Devout Essays,* pt. i. preface.

Wáving. *verbal abs.* Act of moving or playing loosely.
I am delighted with the *wavings* of thy forests.—*Addison, Spectator,* no. 585.

Wávy. *adj.*
1. Rising in waves.
In safe conduct of these
Did thirtie hollow-bottom'd barkes divide the *wavie* seas. *Chapman.*
For thee the ocean smiles, and smooths her *wavy* breast;
And heav'n itself with more serene and purer light is blest.
Dryden, Translation from Lucretius, b. i.
2. Playing to and fro, as in undulations.
Let her glad vallies smile with *wavy* corn;
Let fleecy flocks her rising hills adorn.
Prior, Carmen Seculare for the Year 1700.

Wawes, or Waes. *s. pl.* Waves. *Obsolete.*
Another did the dying brands repair
With iron tongs, and sprinkled oft the same
With liquid *waes.* *Spenser, Faerie Queen,* ii. 7, 36.
Whilst they fly that gulf's devouring jaws,
They on this rock are rent, and sunk in helpless *wawes.* *Ibid.* ii. 12, 4.

Wawl. *v. n.* Cry; howl.
The first time that we smell the air,
We *wawl* and cry. *Shakespear, King Lear,* iv. 6.
Where cats do *waule* by day, and dogs by night.
Return from Parnassus; 1606.

Wax. *v. n.* pret. *wox*, *waxed*; past part. *waxed*, *waxen*. *Wex* is another, but, though an archaic, not an older form. [A.S. *weaxan*.]

1. Grow; increase; become bigger, or more: (used of the *moon*, in opposition to *wane*, and figuratively of things which grow by turns bigger and less).

The husbandman in sowing and setting, upon good reason, observes the *waxing* and waning of the moon.—*Hakewill, Apology.*

They *wax* and wane
'Twixt thrift and penury.
Carew, Survey of Cornwall.

2. Pass into any state; become; grow.

Where things have been instituted, which being convenient and good at the first, do afterward in process of time *wax* otherwise, we make no doubt but they may be altered, yea, though councils or customs general have received them.—*Hooker, Ecclesiastical Polity.*

We will destroy this place; because the cry of them is *waxen* great before the Lord.—*Genesis*, xix. 13.

This answer given, Argantes wild drew near,
Trembling for ire, and *waxing* pale for rage;
Nor could he hold. *Fairfax.*

If I *wax* but cold in my desire,
Think heav'n hath motion lost, and the world fire.
Donne.

Their manners *wax* more and more corrupt, in proportion as their blessings abound.—*Bishop Atterbury.*

Wax. *s.* [A.S. *weax*.] Vegetable product forming the varnish of buds and berries of certain plants; for its relation to the wax as secreted by the bee, see last extract.

Wax consists of an acid spirit, of a nauseous taste, and an oil or butter, which is emollient, laxative, and anodyne.—*Arbuthnot.*

It was long supposed that bees merely collected the *wax* thus ready formed in plants; but Huber found that though excluded from all food except sugar, they still formed *wax*; and accordingly it has been found that the elementary composition of bees' *wax* and vegetable *wax* is slightly different. . . . According to Brodie, bees' *wax* contains three substances separable by boiling alcohol, viz. myricin, which is insoluble; cerin, which is deposited in crystals as the solution cools; and cerolein, which is retained in solution. Their relative proportions vary, but in ordinary bees' *wax* there appears to be about 73 per cent. of myricin, 22 of cerin, and 5 of cerolein.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Common in *composition*: (as, *wax-candle*, *bees'-wax*).

Wax. *v. a.* Smear; join with wax.

He form'd the reeds, proportion'd as they are;
Unequal in their length, and *wax'd* with care,
They still retain the name of his ungrateful fair.
Dryden, Translation from Ovid, Transformation of Syrinx.

Wáx-chándler. *s.* Maker of, dealer in, wax candles.

Wáxen. *adj.* Made of wax.

The female bee . . . builds her *waxen* cells,
With honey stored. *Milton, Paradise Lost*, vii. 490.

I can yet shoot beams, whose heat can melt
The *waxen* wings of this ambitious boy.
Sir J. Denham, The Sophy.

Wáxlight. *s.* Wax candle.

Peter de Brueys . . . is taunted as having deserted the church on account of the poverty of his benefice. He denied infant baptism, it is said, because the parents brought not the children with offerings: he annulled the sacrifice of the altar, because men came not with their hands and bosoms loaded with gifts and with *waxlights*.—*Milman, History of Latin Christianity*, b. ix. ch. viii.

Wáxwing. *s.* In *Ornithology*. Bird of the genus Bombycilla (garrula), an occasional visitant of the British Isles; chatterer; Bohemian chatterer; waxen chatterer; Bohemian waxwing.

Although the bird is called the Bohemian *waxwing*, it is not more plentiful in Bohemia than in England.—*Yarrell, History of British Birds.*

Wáxwork. *s.* Figures formed of wax in imitation of the substances which they represent.

I never saw so great an assembly of spectators as were met together at the opening of this great piece of *waxwork*.—*Addison, Tatler*, no. 257.

Wáxy. *adj.* Resembling wax, especially in respect to its softness and readiness in yielding; abounding in, related to, wax.

He is servile in imitation, *waxy* to persuasion.—*Bishop Hall, Characters*, p. 111.

That the softer *waxy* part of you may receive some impression from this discourse, let us close all with an application.—*Hammond, Works*, iv. 679.

Way. *s.* [A.S. *wæg*, *weg*.]

1. Road in which one travels: (this word is applied in many relations which seem unlike one another, but have all the original of *road* or *travel*, noting either progression or the mode of progression, local or intellectual).

You cannot see your *way*.—
I have no *way*, and therefore want no eyes:
I stumbled when I saw.
Shakespear, King Lear, iv. 1.

Flutt'ring the god and weeping said,
Pity poor Cupid, generous maid!
Who happen'd, being blind, to stray,
And on thy bosom lost his *way*.
Prior, Love Disarmed, 19.

2. Road made for passengers.

Know'st thou the *way* to Dover?—
Both stile and gate, horse-way and foot-path.
Shakespear, King Lear, iv. 1.

Attending long in vain, I took the *way*
Which through a path but scarcely printed lay.
Dryden, The Flower and the Leaf, 54.

3. Length of space.

An old man that had travelled a great *way* under a huge burden, found himself so weary, that he called upon death to deliver him.—*Sir R. L'Estrange.*

4. Course; direction of motion; local tendency.

I now go toward him, therefore follow me,
And mark what *way* I make.
Shakespear, Winter's Tale, v. 1.

He stood in the gate, and asked of every one
Which *way* she took, and whither she was gone.
Dryden, Last Parting of Hector and Andromache.

To observe every the least difference that is in things, keeps the understanding steady and right in its *way* to knowledge.—*Locke.*

5. Advance in life.

The boy was to know his father's circumstances, and that he was to make his *way* by his own industry.—*Spectator.*

6. Passage; power of progression made or given.

Back do I toss these treasons to thy head:
This sword of thine shall give them instant *way*,
Where they shall rest for ever.
Shakespear, King Lear, v. 3.

The reason may be, that men seldom come into those posts till after forty; about which time the natural heat beginning to decay, makes way for those distempers.—*Sir W. Temple.*

Some make themselves *way*, and are suggested to the mind by all the ways of sensation and reflection.—*Locke.*

7. Vacancy made by timorous or respectful recession.

Nor was he satisfied, unless he made the pure profession of the gospel give *way* to superstition and idolatry, wherever he had power to expel the one, and establish the other.—*Bishop Atterbury.*

The senate, forced to yield to the tribunes of the people, thought it their wisest course to give *way* also to the time.—*Swift.*

8. Course; regular progression.

But give me leave to seize my destined prey,
And let eternal justice take the *way*.
Dryden, Theodore and Honoria, 137.

9. Course or progress considered as obstructed or hindered.

The imagination being naturally tumultuous, interposeth itself without asking leave, casting thoughts in our *way*, and forcing the understanding to reflect upon them.—*Duppa.*

10. Tendency to any meaning, or act.

There is nothing in the words that sounds that *way*, or points particularly at persecution.—*Bishop Atterbury.*

11. Access; means of admittance.

Being once at liberty, 'twas said, having made my *way* with some foreign prince, I would turn pirate.—*Sir W. Raleigh.*

12. Sphere of observation.

These inquisitions are never without baseness, and very often useless to the curious inquirer. For men stand upon their guards against them, laying all their counsels and secrets out of their *way*.—*Jeremy Taylor, Rule and Exercises of holy Living.*

The general officers, and the publick ministers that fell in my *way*, were generally subject to the gout.—*Sir W. Temple.*

13. Means; mediate instrument; intermediate step.

By noble *ways* we conquest will prepare;
First offer peace, and that refused, make war.
Dryden, Indian Emperor, i. 1.

A child his mother so well instructed this *way* in geography, that he knew the limits of the four parts of the world.—*Locke.*

14. Method; scheme of management.

He durst not take open *way* against them, and as hard it was to take a secret, they being so continually followed by the best and every way ablest of that region.—*Sir P. Sidney.*

As by calling evil good, a man is misrepresented to himself in the *way* of flattery; so by calling good evil, he is misrepresented to others, in the *way* of slander.—*South, Sermons.*

15. Private determination; particular will or humour.

He was of an high mind, and loved his own will and his *way*, as one that revered himself, and would reign indeed.—*Bacon.*

If I had my *way*,
He had mew'd in flames at home, not i' th' senate;
I had singed his furs by this time.
B. Jonson, Catiline's Conspiracy.

16. Manner; mode.

She with a calm carelessness let every thing slide, as we do by their speeches, who neither in matter nor person do any *way* belong unto us.—*Sir P. Sidney.*

God hath so many times and *ways* spoken to men.—*Hooker, Ecclesiastical Polity.*

His *way* of expressing and applying them, not his invention of them, is what we admire.—*Addison.*

17. Method; manner of practice.

Having lost the *way* of nobleness, he strove to climb to the height of terribleness.—*Sir P. Sidney.*

Matter of mirth . . .
She could devise, and thousand *ways* invent,
To feed her foolish humour, and vain jolliment.
Spenser, Faerie Queen, ii. 6, 3.

Taught
To live the easiest *way*, not with perplexing thoughts.
Milton, Paradise Lost, viii. 182.

18. Method or plan of life, conduct, or action.

To attain
The highth and depth of thy eternal *ways*,
All human thought comes short.
Milton, Paradise Lost, viii. 412.

When a man sees the prodigious expence our forefathers have been at in these barbarous buildings, one cannot but fancy what miracles they would have left us, had they only been instructed in the right *way*.—*Addison, Travels in Italy.*

19. Process of things good or ill.

The affairs here began to settle in a prosperous *way*.—*Heylin.*

20. Right method to act or know.

We are quite out of the *way*, when we think that things contain within themselves the qualities that appear to us in them.—*Locke.*

21. General scheme of acting.

Men who go out of the *way* to hint free things, must be guilty of absurdity or rudeness.—*Richardson, Clarissa.*

By the way. Without any necessary connection with the main design; *en passant.*

Note, *by the way*, that unity of continuance is easier to procure than unity of species.—*Bacon, Natural and Experimental History.*

Will Honeycomb, now on the verge of threescore, asked me, in his most serious look, whether I would advise him to marry lady Betty Single, who, *by the way*, is one of the greatest fortunes about town.—*Spectator.*

Go, or *come one's way*, or *ways*. Come along, or depart. *Colloquial.*

Nay, *come your ways*;
This is his majesty, say your mind to him.
Shakespear, All's well that ends well, ii. 1.

To a boy fast asleep upon the brink of a river, Fortune came and waked him; Prithee get up, and *go thy ways*, thou'lt tumble in and be drown'd else.—*Sir R. L'Estrange.*

Often used corruptly for *wise*.

But if he shall any *ways* make them void after he hath heard them, then he shall bear her iniquity.—*Numbers*, xxx. 15.

Being sent to reduce Paros, he mistook a great fire at a distance for the fleet, and being no *ways* a match for them, set sail for Athens.—*Swift.*

'Tis no *way* the interest even of priesthood.—*Pope.*

Waýbrede. *s.* [A.S. *wegbrede*.] Broad-leaved plantain: (spelt *waybread* in the extract).

Next *waybread* rose, propt by her seven nerves,
Who th' honour of a noble house preserves.
Cowley, Englished.

Waýfare. *v. a.* Travel as a wayfarer. *Rare.*

Abraham, Isaac, and Jacob *wayfared* from place to place upon the earth.—*Trewnesse of the Christian Religion.* (Ord MS.)

Waýfarer. *s.* Passenger; traveller.

Howsoever, many *wayfarers* make themselves glee, by putting the inhabitants in mind of this privilege; who again, especially the women, forslow not to bain them.—*Carew, Survey of Cornwall.*

Waýfaring. *adj.* Travelling; passing; being on a journey.

They to whom all this is revealed, if they will not be directed into a path so plained and smoothed, that the *wayfaring* men, though fools, shall not err therein, must needs acknowledge themselves in the number of the blind, that will not enter into God's rest.—*Hammond, On Fundamentals.*

Waýfaring. *verbal abs.* Travel as of a wayfarer: (in the extract the older form would, probably, be *on-wayfaring, a-wayfaring*).

Once only, O blessed Jesus, whiles thou went *wayfaring* upon this globe of earth, didst thou put on glory, even upon Mount Tabor, in thy Heavenly Transfiguration.—*Bishop Hall, Mystery of Godliness.* (Ord MS.)

Waýfaringtree. *s.* Native tree of the genus Viburnum (lantana).

The viburnum or *wayfaringtree* makes pins for the yokes of oxen.—*Evelyn.*

Waýgoose. *s.* In Bailey, explained stubble-goose. Add to this that the old spelling is *wayz, wayts*, and the connection with the German *weizen* = wheat, is probable. At present the meaning is that given in the extracts; i.e. annual dinner of the *printers*, which *originally* was fixed for the season of the wheat stubbles.

July is the month in which the different offices of the metropolis generally have each their *way-goose*, or annual dinner, and Saturday is the day commonly chosen.—*Savage, Dictionary of the Art of Printing.*

It is also customary for all the journey-men to make every year new paper windows, whether the old will serve again or no; because that day they make them, the master printer gives them a *way-goose*; that is, he makes them a good feast, and not only entertains them at his own house, but besides, gives them money to spend at the ale-house or tavern at night; and to this feast they invite the correcter, founder, smith, joyner, and inck-maker, who all of them severally (except the correcter in his own civility) open their purse-strings and add their benevolence (which workmen account their duty, because they generally chuse these workmen) to the master printers: but from the correcter they expect nothing, because the master printer chusing him, the workmen can do him no kindness. These *way-gooses*, are always kept about Bartholomew-tide. And till the master-printer have given this *way-goose*, the journeymen do not use to work by candlelight.—*Moxon, Mechanick Exercises*: 1683.

Waýlay. *v. a.* Watch insidiously in the way; beset by ambush.

I will *waylay* thee going home, where if it be thy chance to kill me, . . . thou kill'st me like a rogue and a villain.—*Shakespear, Twelfth Night*, iii. 4.

The employment of money is chiefly merchandizing or purchasing; and usury *waylays* both: it dulls and damps all industries.—*Bacon.*

How thou lurk'st
In valley or green meadow, to *waylay*
Some beauty rare.
Milton, Paradise Regained, ii. 184.

Now on their coasts our conquering navy rides,
Waylays their merchants, and their land besets,
Each day new wealth without their care provides,
They lay asleep with prizes in their nets.
Dryden, Annus Mirabilis, ccii.

Waýless. *adj.* Pathless; untracked.

When on upon my *wayless* walk
As my desires me draw,
I, like a madman, fell to talk
With everything I saw. *Drayton, Cynthia.*

Waýmaker. *s.* One who causes way to be made for another; precursor.

Laurentius Valla, both the earls of Mirandula, &c. and the rest of those famous *waymakers* to the succeeding restitution of the evangelical truth.—*Bishop Hall, Cases of Conscience.*

Set thee up *waymarks*, make thee high heaps.—*Jeremiah*, xxxi. 21.

Waymént. *v. a.* Lament, or grieve. *Obsolete.*

For what boots it to weep and to *wayment*,
When ill is chanced, but doth the ill increase,
And the weak mind with double woe torment.
Spenser, Faerie Queen.

Waýward. *adj.* Froward; peevish; morose; vexatious; liking his own way.

That night the elder it was, the more *wayward* it shewed itself towards them.—*Sir P. Sidney.*

Wayward, but wise; by long experience taught
To please both parties, for ill ends he fought.
Dryden.

Waýwardly. *adv.* In a wayward manner; frowardly; perversely.

Waywardly proud; and therefore bold: because extremely faulty.—*Sir P. Sidney.*

Waýwardness. *s.* Attribute suggested by Wayward; frowardness; perverseness.

Such the behaviour of ladies, as builded their chastity not upon *waywardness*, but choice of worthiness.—*Sir P. Sidney.*

We. *pron.* Plural of the pronoun of the first person; i.e. term applied by the speaker to himself and others associated, or supposed to be associated, with him in the action conveyed by the verb.

Retire *we* to our chamber,
A little water clears us of this deed.
Shakespear, Macbeth, ii. 2.

Fair and noble hostess,
We are your guests to-night. *Ibid.* i. 6.

Notwithstanding animals had nothing like the use of reason, *we* find in them all the lower parts of our nature in the greatest strength.—*Addison.*

We first endure, then pity, then embrace.
Pope, Essay on Man, ii. 220.

Following a *preposition*, i.e. other than a *nominative* case.

To poor *we*
Thine enmity 's most capital.
Shakespear, Coriolanus, v. 3.

Weak. *adj.* [A.S. *wæc, wac.*]

1. Feeble; not strong.

Here only *weak*
Against the charm of beauty 's powerful glance.
Milton, Paradise Lost, viii. 532.

Wert thou not *weak* with hunger, mad with love,
That word had been thy last, or in this grove
This hand should force thee to renounce thy love.
Dryden, Palamon and Arcite, ii. 144.

2. Infirm; not healthy.

Here I stand your brave,
A poor, infirm, *weak*, and despised old man.
Shakespear, King Lear, iii. 2.

3. Soft; pliant; not stiff.

4. Low of sound.

A voice not soft, *weak*, piping, and womanish; but audible, strong, and manlike.—*Ascham.*

5. Feeble of mind; wanting spirit; wanting discernment.

As the case stands with this present age, full of tongue and *weak* of brain, we yield to the stream thereof.—*Hooker, Ecclesiastical Polity.*

That Portugal hath yet no more than a suspension of arms, they may thank the Whigs, whose false representations they were so *weak* to believe.—*Swift.*

6. Not much impregnated with any ingredient: (as, 'a *weak* tincture,' '*weak* beer').

7. Not powerful; not potent.

I must make fair weather yet a while,
Till Harry be more *weak*, and I more strong.
Shakespear, Henry VI. Part II. v. 1.

The *weak*, by thinking themselves strong, are induced to venture and proclaim war against that which ruins them; and the strong, by conceiting themselves *weak*, are thereby rendered unactive and useless.—*South, Sermons.*

8. Not well supported by argument.

A case so *weak* and feeble hath been much persisted in.—*Hooker, Ecclesiastical Polity.*

9. Unfortified.

To quell the tyrant love, and guard thy heart
On this *weak* side, where most our nature fails,
Would be a conquest worthy Cato's son.
Addison, Cato.

Weak. *v. a.* Weaken. *Rare.*

We must toil to make our doctrine good,
Which will impair the flesh, and *weak* the knee.
Dr. H. More, Life of the Soul.

Weáken. *v. a.* Render weak; enfeeble; deprive of strength.

The first which *weakened* them was their security.—*Hooker, Ecclesiastical Polity.*

Their hands shall be *weakened* from the work, that it be not done.—*Nehemiah*, vi. 9.

Let us not *weaken* still the weaker side
By our divisions. *Addison, Cato.*

Solemn impressions, that seem to *weaken* the mind, may, by proper reflection, be made to strengthen it.—*Richardson, Clarissa.*

Weákener. *s.* One who, that which, weakens; that which lessens the effects.

Fastings and mortifications, no question, rightly managed, are huge helps to piety, and great *weakeners* of sin, and furtherances to a man in his Christian course.—*South, Sermons*, vol. vi. serm. xi.

Weákling. *s.* Feeble creature.

Thou art no Atlas for so great a weight;
And, *weakling*, Warwick takes his gift again,
And Henry is my king, Warwick his subject.
Shakespear, Henry VI. Part III. v. 1.

Ulysses; who I thought was maud
With great and goodly personage; and bore
A vertue answerable; and this shore
Should shake with weight of such a conqueror,
When now a *weakling* came, a dwarfie thing.
Chapman, Translation of the Odyssey.

Æsop begged his companions not to overcharge him; they found him a *weakling*, and bade him please himself.—*Sir R. L'Estrange.*

Weákly. *adj.* Not strong; not healthy.

Being old and *weakly*, twenty years in prison, it was ten to one that ever I should have returned.—*Sir W. Raleigh.*

Weákly. *adv.* In a weak manner.

1. Feebly; faintly; without strength; with want of efficacy.

The motion of gravity worketh *weakly*, both far from the earth, and also within the earth.—*Bacon.*

2. Indiscreetly; injudiciously; timorously; with feebleness of mind.

This high gift of strength committed to me,
Under the seal of silence, could not keep,
But *weakly* to a woman must reveal it.
Milton, Samson Agonistes, 48.

Weákness. *s.* [A.S. *wacnysse.*] Attribute suggested by Weak.

1. Want of strength; want of force; feebleness.

Troy in our *weakness* stands, not in her strength.
Shakespear, Troilus and Cressida, i. 3.

Argument
Of human *weakness* rather than of strength.
Milton, Paradise Lost, iii. 401.

2. Want of sprightliness.

New graces yearly like thy works display,
Soft without *weakness*, without glaring gay.
Pope, Epistle to Mr. Jervas.

3. Want of steadiness.

By such a review we shall discern and strengthen our *weaknesses* with good resolution, and so order our future conversation as may render us least exposed to falling.—*Rogers, Sermons.*

4. Infirmity; unhealthiness.

Persons in those posts derive a *weakness* of constitution from the ease and luxury of their ancestors, and the delicacy of their own education.—*Sir W. Temple.*

5. Want of cogency.

She seems to be conscious of the *weakness* of those testimonies.—*Archbishop Tillotson.*

6. Want of judgement; want of resolution; foolishness of mind.

A woman, and thence weak.—*Weakness* is thy excuse,
And I believe it; *weakness* to resist
Philistian gold: if *weakness* may excuse,
What murderer, what traitor, parricide,
Incestuous, sacrilegious, but may plead it?
All wickedness is *weakness*.
Milton, Samson Agonistes, 823.

7. Defect; failing; weak point: (hence common in the *plural*).

If you will work on any man, you must know his nature, and so lead him; or his *weaknesses* and disadvantages, and so awe him.—*Bacon.*

Many find a pleasure in contradicting the common reports of fame, and in spreading abroad the *weaknesses* of an exalted character.—*Addison, Spectator.*

Weal. *s.* [see Weel.]

1. Happiness; prosperity; flourishing state.

Our *weal* on you depending,
Counts it your *weal*, that he have liberty.
Shakespear, King John, iv. 2.

Thine, and of all thy sons,
The *weal* or woe in thee is placed; beware!
Milton, Paradise Lost, viii. 637.

Ireland ought to be considered not only in its own interest, but likewise in relation to England, upon whose *weal* in the main that of this kingdom depends.—*Sir W. Temple.*

2. Republic; state; public interest.

Blood hath been shed
Ere human statute purged the general *weal*.
Shakespear, Macbeth, iii. 4.

How shall the muse from such a monarch steal
An hour, and not defraud the public *weal*?
Pope, Imitations of Horace, b. ii. ep. i.

Weal. *v. a.* Mark with stripes or lashes.

Thy sacred body was stripped of thy garments, and *waled* with bloody stripes.—*Bishop Hall, Contemplations*, b. iv.

Weal. *s.* [A.S. *wæl.*] Mark of a stripe.

Like warts or *weals* it hangs upon her skin.
Donne.

Weald, and **Weálden.** *s.* In *Geology.* See extract.

The *wealden* series in the typical *wealden* district of England consists of the deposits called Hastings sands, which repose on the Purbeck strata. The uppermost member is the *weald* clay. . . . The *wealden* series has always been regarded as the accumulations made at the mouth of a considerable river coming in from the west. The deposits extend, but are very poorly exhibited, across the Channel on the coast of France near Boulogne; and beds distinctly contemporaneous are found in Scotland, Westphalia, and Hanover. The latter are important from their magnitude and thickness. They consist of sandstones. . . . The *wealden* beds are interesting as containing the remains of gigantic herbivorous land reptiles, and also of the flying reptiles of the oolite. lias, and chalk.—*Ansted,* in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Weálsman. *s.* Sneering word for a politician.

Meeting two such *wealsmen* as you are, I cannot call you Lycurguses.—*Shakespear, Coriolanus,* ii. 1.

Wealth. *s.*

1. Prosperity; external happiness.

In all time of our tribulation, in all time of our *wealth,* in the hour of death, and in the day of judgment, good Lord deliver us.—*Book of Common Prayer, Litany.*

2. Riches; money, or precious goods.

In desart hast thine habitance,
And these rich heaps of *wealth* doth hide apart
From the world's eye and from her right usance.
Spenser, Faerie Queen, ii. 7, 7.

Each day new *wealth* without their care provides,
They lie asleep with prizes in their nets.
Dryden, Annus Mirabilis, ccii.

Weálthily. *adv.* In a wealthy manner; richly.

I come to wive it *wealthily* in Padua,
If *wealthily,* then happily in Padua.
Shakespear, Taming of the Shrew, i. 2.

Weálthiness. *s.* Attribute suggested by Wealthy.

I almost hate the idea of *wealthiness* as much as the word.—*Shenstone, Letter to Graves,* September 20, 1747.

Weálthy. *adj.* Rich; opulent; abundant.

If a gentleman, or any *wealthy* yeoman, have any children, the eldest shall be kept in some order, but all the rest shall shift and fall to this occupation of stealing.—*Spenser, View of the State of Ireland.*

Not Neptune's self from all his floods receives
A *wealthier* tribute than to thine he gives.
Pope, Windsor Forest.

Wean. *v. a.* [A.S. *wenan.*]

1. Put from the breast; ablactate.

'Tis since the earthquake now eleven years;
And she was *wean'd.*
Shakespear, Romeo and Juliet, i. 3.

2. Withdraw from any habit or desire.

Here the place whose pleasant sights
From other shades have *wean'd* my wand'ring mind;
Tell me what wants me here. *Spenser.*

The troubles of age were intended by the Author of our being to *wean* us gradually from our fondness of life, the nearer we approach to the end of it.—*Swift.*

Weánel, also **Wénnel.** *s.* Weanling. *Rare.*

Though when as Lowder was far away,
This wolfish sheep would catchen his prey;
A lamb, or a kid, or a *weanel* wast,
With that to the wood would he speed haste.
Spenser.

Weánling. *s.*

1. Animal newly weaned: (used *adjectivally* in the extract).

Or taint-worm to the *weanling* herds.
Milton, Lycidas, 46.

2. Child newly weaned.

Weápon. *s.* [A.S. *wæpen.*] Instrument of offence; something with which one is armed to hurt another.

The giant
Down let fall his arm, and soft withdrew
His *weapon* huge, that heaved was on high,
For to have slain the man that on the ground did lie. *Spenser, Faerie Queen.*

His foes, who came to bring him death,
Bring him a *weapon* that before had none. *Daniel.*

With his full force he whirl'd it first around,
But the soft yielding air received the wound;
Imperial Juno turn'd the course before,
And fix'd the wand'ring *weapon* in the door.
Dryden, Translation of the Æneid, ix. 1005.

Weápon. *v. a.* Supply, arm, with weapons.

Weáponed. *part. adj.* Armed for offence; furnished with arms.

Both the combatants entered, apparelled only in their doublets and hoses, and *weaponed* with sword, buckler, and dagger.—*Sir J. Hayward.*

Weáponless. *adj.* Having no weapon; unarmed.

I could have sent him,
With more ease, *weaponless* to you, and bound.
Beaumont and Fletcher, Little French Lawyer.

Samson
Ran on embattled armies, clad in iron,
And, *weaponless* himself,
Made arms ridiculous, useless the forgery
Of brazen shield and spear, the hammer'd cuirass,
Chalybean temper'd steel, and frock of mail,
Adamantean proof. *Milton, Samson Agonistes,* 128.

Weáponsalve. *s.* Salve which was supposed to cure the wound, being applied to the weapon that made it.

That the sympathetick powder and the *weaponsalve* constantly perform what is promised, I leave others to believe.—*Boyle.*

Weáponsmith. *s.* Forger of arms.

The first mechanics . . . the heroical *weaponsmiths,* on one hand, and the other poor professors of such rude arts as we cannot do without.—*Kemble, The Saxons in England,* b. ii. ch. vii.

Wear. *v. a.* pret. *wore,* past part. *worn.* [A.S. *weran.*]

1. Waste with use or time, or instruments; impair or lessen by gradual diminution.

The waters *wear* the stones.—*Job,* xiv. 19.

An hasty word, or an indiscreet action, does not dissolve the bond, but that friendship may be still sound in heart; and so outgrow and *wear* off these little distempers.—*South, Sermons.*

Kings' titles commonly begin by force,
Which time *wears* off and mellows into right.
Dryden.

With *out.*

Wisest and best men full oft beguiled,
With goodness principled, not to reject
The penitent, but ever to forgive,
Are drawn to *wear out* miserable days.
Milton, Samson Agonistes, 759.

No differences of age, tempers, or education, can *wear out* religion, and set any considerable number of men free from it.—*Archbishop Tillotson, Sermons.*

Theodosius exerted himself to animate his penitent in the course of life she was entering upon, and *wear out* of her mind groundless fears.—*Addison, Spectator.*

2. Consume tediously.

What masks, what dances,
To *wear* away this long age of three hours!
Shakespear, Midsummer Night's Dream, v. 1.

3. Carry appendant to the body.

Why art thou angry?—
That such a slave as this should *wear* a sword,
Who *wears* not honesty.
Shakespear, King Lear, ii. 2.

This is unconscionable dealing, to be made a slave, and not know whose livery I *wear.*—*Dryden, Spanish Friar,* i. 2.

On her white breast a sparkling cross she *wore,*
Which Jews might kiss, and infidels adore.
Pope, Rape of the Lock, canto ii.

4. Exhibit in appearance.

Such an infectious face her sorrow *wears,*
I can bear death, but not Cydaria's tears.
Dryden, Indian Emperor.

5. Affect by degrees.

Trials *wear* us into a liking of what possibly, in the first essay, displeased us.—*Locke.*

A man who has any relish for true-writing, from the masterly strokes of a great author every time he peruses him, *wears* himself into the same manner.—*Addison, Spectator.*

Wear out.

a. Harass.

He shall *wear* out the saints.—*Daniel,* vii. 25.

b. Waste or destroy by degrees.

This very rev'rent lecher, quite *worn out*
With rheumatisms, and crippled with his gout.
J. Dryden, jun., Translation of Juvenal, xiv. 76.

Wear. *v. n.*

1. Be wasted with use or time: (commonly with some particle, as, *out, away, off*).

Thou wilt surely *wear away.*—*Exodus,* xviii. 18.

In those who have lost their sight when young, in whom the ideas of colours having been but slightly taken notice of, and ceasing to be repeated, do quite *wear out.*—*Locke.*

2. Be tediously spent: (with *out*).

Thus *wore out* night, and now the herald lark
Left his ground-nest, high towering to descry
The morn's approach, and greet her with his song.
Milton, Paradise Regained, ii. 279.

3. Pass away by degrees: (with *off*).

If passion causes a present terror, yet it soon *wears off*; and inclination will easily learn to slight such scarecrows.—*Locke.*

Wear. *s.* Act of wearing; thing worn.

It was th' inchantment of her riches
That made m' apply t' your crony witches;
That in return would pay th' expence,
The *wear* and tear of conscience.
Butler, Hudibras, iii. 1, 1179.

Wear. *v. a.* In *Navigation.* Bring a ship round.

Wear. *s.* See Weir.

Weárable. *adj.* Capable of being worn.

A proposal for the universal use of Irish manufacture in clothes and furniture of houses, &c. utterly rejecting every *wearable* that comes from England.—*Swift.* (Ord MS.)

Weárer. *s.* One who, that which, wears.

1. One who has anything appendant to his person.

Were I the *wearer* of Antonius' beard,
I would not shave 't to-day.
Shakespear, Antony and Cleopatra, ii. 2.

Cowls, hoods and habits with their *wearers* tost,
And flutter'd into rags.
Milton, Paradise Lost, iii. 490.

Armour bears off insults, and preserves the *wearer* in the day of battle; but the danger once repelled, it is laid aside, as being too rough for civil conversation.—*Dryden.*

We ought to leave room for the humour of the artist or *wearer.*—*Addison, Travels in Italy.*

2. That which wastes or diminishes.

Take away this measure from our dress and habits, and all is turned into such paint and glitter, and ridiculous ornaments, as are a real shame to the *wearer.*—*Law.*

Weáriness. *s.* Attribute suggested by Weary; lassitude; state of being spent with labour.

Heaven, when the creature lies prostrate in the weakness of sleep and *weariness,* spreads the covering of night and darkness to conceal it.—*South, Sermons.*

Weáring *verbal abs.* Clothing.

It was his bidding;
Give me my nightly *wearing,* and adieu.
Shakespear, Othello, iv. 3.

Weárish. *adj.* See Weerish.

Weárisome. *adj.* Troublesome; tedious; causing weariness.

The soul preferreth rest in ignorance, before *wearisome* labour to know.—*Hooker, Ecclesiastical Polity.*

Satiety from all things else doth come,
Then life must to itself grow *wearisome.*
Sir J. Denham, Of Old Age, pt. iv.

Weárisomely. *adv.* In a wearisome manner; tediously; so as to cause weariness.

As of Nimrod, so are the opinions of writers different touching Assur, and the beginning of that great state of Assyria; a controversy *wearisomely* disputed, without any direct proof or certainty.—*Sir W. Raleigh.*

Weárisomeness. *s.* Attribute suggested by Wearisome.

A wit, quick without lightness, sharp without brittleness, desirous of good things without newfangleness, diligent in painful things without *wearisomeness.*—*Ascham, Schoolmaster.*

Weáry. *adj.* [A.S. *werig.*]

1. Subdued by fatigue; tired with labour.

Fair Phœbus gan decline in haste
His *weary* waggon to the western vale. *Spenser.*

Let us not be *weary* in well-doing.—*Galatians,* vi. 9.

An old man broken with the storms of state,
Is come to lay his *weary* bones among ye:
Give him a little earth for charity.
Shakespear, Henry VIII. iv. 2.

2. Impatient of the continuance of anything painful or irksome.

The king was as *weary* of Scotland as he had been impatient to go thither, finding all things proposed to him without consideration of his honour or interest.—*Lord Clarendon, History of the Grand Rebellion.*

3. Desirous to discontinue.

See the revolution of the times,
Make mountains level, and the continent,
Weary of solid firmness, melt itself
Into the seas.
Shakespear, Henry IV. Part II. iii. 1.

4. Causing weariness; tiresome.

Their gates to all were open evermore
That by the *weary* way were travelling,
And one sat waiting ever them before
To call in comers by that needy were and poor.
Spenser, Faerie Queen, i. 10, 36.

The *weariest* and most loathed life
That age, ache, penury, imprisonment,

Can lay on nature, is a paradise
To what we fear of death.
Shakespear, Measure for Measure, iii. 1.

Weáry. *v. a.*

1. Tire; fatigue; harass; subdue by labour.
Better that the enemy seek us;
So shall he waste his means, *weary* his soldiers,
Doing himself offence.
Shakespear, Julius Cæsar, iv. 3.
It would not be difficult to continue a paper by resuming the same subjects, and *wearying* out the reader with the same thoughts in a different phrase. —*Addison, Freeholder.*
2. Make impatient of continuance.
I stay too long by thee, I *weary* thee.
Shakespear, Henry IV. Part II. iv. 4.
Should the government be *wearied* out of its present patience, what is to be expected by such turbulent men?—*Addison.*
3. Subdue or harass by anything irksome.
Mustering all her wiles,
With blandish'd parleys, feminine assaults,
Tongue-batteries; she surceased not day nor night
To storm me over-watch'd and *wearied out.*
Milton, Samson Agonistes, 402.

Weásand. *s.* See Weasend.

Weásel. *s.* [A.S. *wesle.*] Native carnivorous animal of the genus Mustela (erminia). See extracts.
Ready in gibes, quick-answer'd, saucy, and
As quarrelous as the *weasel.*
Shakespear, Cymbeline, iii. 4.
The chief groups ... of the Mustelidæ are composed of the *weasels* and the polecats.—*Swainson, On the Natural History and Classification of Quadrupeds*, § 162.
The stoat is brown above, dirty white beneath: the tail always black at the tip, longer and more bushy than that of the *weasel*; and the former animal is twice as large as its elegant little congener. The *weasel*, on the other hand, is red above, pure white beneath, the tail red and uniform. Their habits also, though generally similar, are, in many of their details, considerably distinct; and we are fully borne out by observation, in saying that the accusations which are so current against the *weasel*, of the mischief which he is said to perpetrate in the farm-yard and the hen-roost, as well as amongst game of every description, on hares and rabbits no less than on the feathered tribes, are principally due to the stoat.—*Bell, A History of British Quadrupeds, including the Cetacea.*

Weásel-snout. *s.* Native plant of the genus Galeobdolon (luteum).

Weásend. *s.* [A.S. *wæsend.*] Windpipe; throat: (variously spelt, and often without a final *d*; the letter, however, is present in the oldest form).
Had his *weasand* been a little wider,
He would have devoured both hidder and shidder.
Spenser, Shepherd's Calendar.
Cut his *weazand* with thy knife.
Shakespear, Tempest, ii. 3.
Matter to be discharged by expectoration must first pass into the lungs, then into the asperia arteria, or *weasand*, and from thence be coughed up and spit out by the mouth.—*Wiseman, Surgery.*

Weáther. *s.* [A.S. *weðer, weder.*]

1. State of the air respecting either cold or heat, wet or dryness.
Who's there besides foul *weather?*—One minded like the *weather*, most unquietly.—*Shakespear, King Lear*, iii. 1.
2. Change of the state of the air.
It is a reverend thing to see an ancient castle not in decay; how much more to behold an ancient family, which have stood against the waves and *weathers* of time.—*Bacon.*
3. Tempest; storm.
What gusts of *weather* from that gathering cloud
My thoughts presage!
Dryden, Translation of the Æneid, v. 19.

Weáther. *v. a.*

1. Expose to the air.
He perch'd on some branch thereby,
To *weather* him, and his moist wings to dry.
Spenser.
2. Pass with difficulty.
He *weather'd* fell Charybdis; but ere long
The skies were darken'd, and the tempests strong.
Garth, Translation from Ovid, Voyage of Æneas.

Weather a point. Gain a point against the wind; accomplish against opposition.
We have been tugging a great while against the stream, and have almost *weather'd our point*; a stretch or two more will do the work.—*Addison.*

Weather out. Endure.
When we have pass'd these gloomy hours,
And *weather'd out* the storm that beats upon us.
Addison, Cato.

Weátherbeaten. *adj.* Harassed and seasoned by hard weather.
They perceived an aged man and a young, both poorly arrayed, extremely *weatherbeaten*; the old man blind, the young man leading him.—*Sir P. Sidney.*
She enjoys sure peace for evermore,
As *weatherbeaten* ship arrived on happy shore.
Spenser, Faerie Queen, ii. 1, 2.
Thrice from the banks of Wye,
And sandy bottom'd Severn, have I sent
Him bootless home, and *weatherbeaten* back.
Shakespear, Henry IV. Part I. iii. 1.
The old *weatherbeaten* soldier carries in his hand the Roman eagle.—*Addison.*

Weátherboard, or **Weátherbow.** *s.* In *Navigation.* Side of a ship that is to the windward.

Weátherbound. *part. adj.* Detained by stress of weather, by unfavourable weather: (in extract, used *figuratively*).
The author that thinks himself *weatherbound* will find with a little help from hellebore, that he is only idle or exhausted.—*Johnson, Lives of the Poets, Milton.*

Weáthercock. *s.*

1. Artificial cock set on the top of a spire, which, by turning, shows the point from which the wind blows.
But alas! the sun keeps his light, though thy faith be darkened; the rocks stand still, though thou change like a *weathercock.*—*Sir P. Sidney.*
2. Anything fickle and inconstant.
He break my promise and absolve my vow! ...
The word which I have given shall stand like fate,
Not like the king's, that *weathercock* of state.
Dryden, Conquest of Granada, Part I. iii. 1.

Weátherdriven. *part. pref.* Forced by storms or contrary winds.
Philip, during his voyage towards Spain, was *weatherdriven* into Weymouth.—*Carew, Survey of Cornwall.*

Weátherfend. *v. a.* Shelter. *Rare.*
In the lime-grove which *weather-fends* your cell.
Shakespear, Tempest, v. 1.

Weáthergage. *s.* Anything that shows the weather.
To veer and tack, and steer a cause
Against the *weathergage* of laws.
Butler, Hudibras, iii. 3, 777.
A ship to windward of another is said to have the *weather-gage* of her. (Brande.)

Weáthergall. *s.* See Watergall.

Weátherglass. *s.* Barometer; glass that shows the weight of the air.
John's temper depended very much upon the air; his spirits rose and fell with the *weatherglass.*—*Arbuthnot.*
As in some *weatherglass* my love I hold,
Which fall or rises with the heat or cold;
I will be constant yet.
Dryden.

Weáthering. *verbal abs.* Action of the atmosphere on rocks, &c. exposed to it.
The rapidity with which the rock undergoes disintegration and destruction from *weathering* varies greatly in different localities.—*Ansted and Latham, Channel Islands*, p. 462.

Weatherólogy. *s.* Coined and hybrid word for the philosophy of the weather.
The London winter 's ended in July—
Sometimes a little later. I don't err
In this: whatever other blunders lie
Upon my shoulders, here I must aver
My Muse a glass of *weatherology*;
For parliament is our barometer:
Let radicals its other acts attack,
Its sessions form our only almanack.
Byron, Don Juan, canto xiii.

Weátherproof. *adj.* Proof against rough weather.
Our bark 's not *weatherproof.*—*Quarles, History of Jonah*, E. i. b.: 1620.

Weátherspy. *s.* One who is weatherwise. *Rare.*
And sooner may a gulling *weatherspy*,
By drawing forth heav'n's scheme, tell certainly
What fashion'd hats, or ruffs, or suits, next year
Our giddy-headed antick youth will wear. *Donne.*

Weátherwise. *adj.* Skilful in foretelling the weather.
A man that is more *weatherwise*, though he find an abatement of the storm, yet will not stir from under the shelter whiles he sees it thick in the wind.—*Bishop Hall, Saul in David's Cave.*

Weátherwiser. *s.* Anything that foreshows the weather. *Rare.*
Several discourses about thermometers, hygroscopes, baroscopes, and other *weatherwisers.*—*Bishop Sprat, History of the Royal Society*, p. 255.
Most vegetables expand their flowers and down in warm sunshiny weather, and again close them toward the evening, or in rain, as is in the flowers of pimpernel, the opening and shutting of which are the countryman's *weatherwiser.*—*Derham, Physico-Theology.*

Weave. *v. a.* pret. *wove, weaved*, past part. *woven, weaved.* [A.S. *wefan.*]

1. Form by texture; form by inserting one part of the materials within another.
The women *wove* hangings for the grove.—2 *Kings*, xxiii. 7.
White seem'd her robes, yet *woven* so they were,
As snow and gold together had been wrought.
Dryden.
These purple vests were *weaved* by Dardan dames.
Id.
2. Unite by intermixture.
When religion was *woven* into the civil government, and flourished under the protection of the emperors, men's thoughts and discourses were full of secular affairs; but in the three first centuries of Christianity, men who embraced this religion had given up all their interests in this world, and lived in a perpetual preparation for the next.—*Addison.*
3. Interpose; insert.
The duke be here-to-night! the better! best!
This *weaves* itself perforce into my business.
Shakespear, King Lear, ii. 1.

Weave. *v. n.*

1. Work with a loom.
2. Become interwoven.
The amorous vine which in the elm still *weaves.*
W. Browne.

Weáver. *s.* One who, that which, weaves; makes threads into cloth.
My days are swifter than a *weaver's* shuttle, and are spent without hope.—*Job*, vii. 6.
Upon these taxations,
The clothiers all not able to maintain
The many to them 'longing, have put off
The spinsters, carders, fullers, *weavers.*
Shakespear, Henry VIII. i.

Weáver. *s.* In *Ichthyology.* See Weever.

Weáving. *verbal abs.* Process by which textile articles are woven.

Weázen-faced. *adj.* Wizen-faced, i.e. withered.
The door ... was opened, and a little blear-eyed, *weazen-faced* ancient man came creeping out.—*Dickens, Martin Chuzzlewit*, ch. xi.

Web. *s.* [A.S. *wæb, web.*]

1. Texture; anything woven.
Penelope, for her Ulysses' sake,
Devised a *web* her wooers to deceive;
In which the work that she all day did make,
The same at night she did again unreave.
Spenser.
By day the *web* and loom,
And homely household task, shall be her doom.
Dryden, Translation of the First Book of the Iliad, 50.
2. Blade of a sword.
The sword, whereof the *web* was steel;
Pommel, rich stone; hilt, gold, approved by touch.
Fairfax.
3. Kind of dusky film that hinders the sight; suffusion.
This is the foul Flibertigibbet; he gives the *web* and the pin, squints the eye, and makes the hare-lip.—*Shakespear, King Lear*, iii. 4.

Wébbed. *adj.* Joined by a film.
Such as are whole-footed, or whose toes are *webbed* together, their legs are generally short, the most convenient size for swimming.—*Derham, Physico-Theology.*

Wébfooted. *adj.* Palmipede; having films between the toes.
Webfooted fowls do not live constantly upon the land, nor fear to enter the water.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Wébster. *s.* [for the import of *-ster* see under Spinster.]
After local names, the most in number have been derived from occupations; as Taylor, *Webster*, Wheeler.—*Camden.*

Wed. *v. a.* [A.S. *weddian* = marry, pledge; connected with Wage.]

1. Marry; take for husband or wife.
If one by one you *wedded* all the world,
Or, from the all that are, *took* something good
To make a perfect woman; she you kill'd
Would be unparallel'd.
Shakespear, Winter's Tale, v. 1.

2. Join in marriage.
In Syracusa was I born, and *wed*
Unto a woman happy but for me.
Shakespear, Comedy of Errors, i. 1.
Then I shall be no more,
And Adam, *wedded* to another Eve,
Shall live with her. *Milton, Paradise Lost*, ix. 827.
3. Unite for ever.
Affliction is enamour'd of thy parts,
And thou art *wedded* to calamity.
Shakespear, Romeo and Juliet, iii. 3.
4. Take for ever.
Though the principal men of the house of commons were again elected to serve in this parliament, yet they were far from *wedding* the war, or taking themselves to be concerned to make good any declaration made by the former.—*Lord Clarendon, History of the Grand Rebellion.*
They positively and concernedly *wedded* his cause.—*Ibid.*
5. Unite by love or fondness.
Men are *wedded* to their lusts, and resolved upon a wicked course; and so it becomes their interest to wish there were no God.—*Archbishop Tillotson, Sermons.*
6. Become as closely connected, or attached, to anything as man and wife: (commonly applied to a person's ideas, opinions, crotchets, &c., implying obstinacy).
They have *wedded* their delusions. — *Carlyle, French Revolution*, pt. ii. b. i. ch. ii.

Wéd. *v. n.* Contract matrimony.
When I shall *wed*,
That lord whose hand shall take my plight, shall carry
Half my love with him, half my care and duty.
Shakespear, King Lear, i. 1.
To love, to *wed*,
For Hymen's rites, and for the marriage bed,
You were ordain'd. *Sir J. Suckling.*
Nor took I Guiscard, by blind fancy led,
Or hasty choice, as many women *wed*;
But with deliberate care.
Dryden, Sigismonda and Guiscardo, 464.

Wédded. *adj.* Belonging to matrimony.
Solomon among his gravest proverbs countenances a kind of ravishment and erring fondness in the entertainment of *wedded* leisures.—*Milton, Tetrachordon.*

Wédding. *s.* [A.S. *weddung.*] Marriage; nuptials; nuptial ceremony.
I will dance and eat plums at your *wedding*.—*Shakespear, Merry Wives of Windsor*, v. 5.
These three country bills agree, that each *wedding* produces four children.—*Graunt, Observations on the Bills of Mortality.*

Wedge. *s.* [A.S. *wæcg, wecg.*]
1. Body, which, having a sharp edge, continually growing thicker, is used to cleave timber; one of the mechanical powers.
A barbarous troop of clownish fone,
The honour of these noble bows down threw;
Under the *wedge* I heard the trunk to groan.
Spenser.
The fifth mechanical faculty is the *wedge* used in the cleaving of wood.—*Bishop Wilkins, Mathematical Magick.*
The oak let many a heavy groan, when he was cleft with a *wedge* of his own timber.—*Arbuthnot, History of John Bull.*
2. Mass of metal.
As sparkles from the anvil used to fly,
When heavy hammers on the *wedge* are swaid.
Spenser.
When I saw among the spoils a goodly Babylonish garment . . . and a *wedge* of gold of fifty shekels weight, then I coveted them.—*Joshua*, vii. 21.
3. Anything in the form of a wedge.
In warlike musters they appear,
In rhombs, and *wedges*, and half-moons, and wings.
Milton, Paradise Regained, iii. 308.

Wedge. *v. a.*
1. Cleave with a wedge.
My heart,
As *wedged* with a sigh, would rive in twain,
Lest Hector, or my father, should perceive me.
Shakespear, Troilus and Cressida, i. 1.
2. Drive as a wedge is driven.
Where have you been broiling?—
Among the crowd i' the Abbey, where a finger
Could not be *wedged* in more.
Shakespear, Henry VIII. iv. 1.
3. Force as a wedge forces.
Part
In common ranged in figure *wedge* their way,
Intelligent of seasons.
Milton, Paradise Lost, vii. 425.
4. Fasten by wedges.
Wedge on the keenest scythes,
And give us steeds that snort against the foe.
A. Philips.
5. Fix as a wedge.
Your wit will not so soon out as another man's will; it is strongly *wedged* up in a blockhead.—*Shakespear, Coriolanus*, ii. 3.
Sergesthus in the Centaur soon he pass'd,
Wedged in the rocky shoals, and sticking fast.
Dryden, Translation of the Æneid, v. 284.
What impulse can be propagated from one particle, entombed and *wedged* in the very center of the earth, to another in the center of Saturn?—*Bentley, Sermons.*

Wédlock. *s.*
1. Marriage; matrimony.
Sirrah, your brother is legitimate:
Your father's wife did after *wedlock* bear him;
And if she did play false, the fault was hers.
Shakespear, King John, i. 1.
Can *wedlock* know so great a curse,
As putting husbands out to nurse? *Cleaveland.*
May not a prison or a grave,
Like *wedlock*, honour's title have?
Sir J. Denham.
One thought the sex's prime felicity
Was from the bonds of *wedlock* to be free:
Their pleasures, hours, and actions, all their own,
And uncontroll'd to give account to none.
Dryden, Wife of Bath's Tale, 135.
A man determined about the fiftieth year of his age to enter upon *wedlock*.—*Addison.*
2. Wife.
Which of these is thy *wedlock*, Menelaus? thy Helen? thy Lucrece? that we may do her honour.—*B. Jonson, Poetaster*, iv. 1. (Nares by H. and W.)

Wédlock. *v. a.* Unite in wedlock. *Rare.*
Is it not likely that God . . . had more pity towards man thus *wedlocked*, than toward the woman that was created for another?—*Milton, Doctrine and Discipline of Divorce.* (Ord MS.)

Wédnesday. *s.* Fourth day of the week, so named by the Gothic nations from *Woden* or *Odin.*
What is honour? A word. Who hath it? He that died on *Wednesday?*—*Shakespear, Henry IV. Part I.* v. 1.

Wee. *adj.* In Scotland and the north of England, it denotes small or little: (as, '*wee* ane,' a little one, or child; 'a *wee* bit,' a little bit).
Does he not wear a great round beard, like a glover's paring knife?—No, forsooth; he hath but a little *wee* face with a little yellow beard.—*Shakespear, Merry Wives of Windsor*, i. 4.

Weed. *s.* [A.S. *wæd.*] Garment; clothes; habit; dress: (now scarce in use, except in *widow's weeds*, the mourning dress of a widow).
My mind for *weeds* your virtue's livery wears.
Sir P. Sidney.
Livery is also called the upper *weed* which a serving man wears, so called as it was delivered and taken from him at pleasure.—*Id., View of the State of Ireland.*
The snake throws her enamelled skin,
Weed wide enough to wrap a fairy in.
Shakespear, Midsummer-Night's Dream, ii. 2.
Neither is it any man's business to cloath all his servants with one *weed*; nor theirs to cloath themselves so, if left to their own judgement.—*Hooker, Ecclesiastical Polity.*
Throngs of knights, and barons bold,
In *weeds* of peace high triumphs hold,
With store of ladies. *Milton, L'Allegro*, 119.
Used by Chapman for the upper garment.
The morning, in her throne of gold,
Surveid the vast world, by whose orient light
The nymph adorn'd me with attires as bright;
Her own hands putting on both shirt and *weede*.
Chapman.

Weed. *s.* [A.S. *weod* = herb.]
1. Herb noxious or useless.
If he had an immoderate ambition; which is a *weed*, if it be a *weed*, apt to grow in the best soils, it doth not appear that it was in his nature.—*Lord Clarendon, History of the Grand Rebellion.*
2. Tobacco. *Slang.*
'Poor lad! he looks pale!' muttered the man; and he knocked the *weed* from his pipe.—*Lord Lytton, Night and Morning*, b. i. ch. vi.
3. Leggy loose-bodied horse.
The squire he mounted a highbred steed;
And the huntsman one that was broken-kneed;
And Father Phipps a *wiry weed*,
With a tally-high-o in the morning.
Irish Hunting Song.

Weed. *v. a.*
1. Rid of noxious plants; clear of, free from, weeds.
When you sow the berries of bays, *weed* not the borders for the first half year; for the weed giveth them shade.—*Bacon.*
2. Take away as noxious plants.
Oh Marcius,
Each word thou 'st spoke hath *weeded* from my heart
A root of ancient envy!
Shakespear, Coriolanus, iv. 5.
3. Free from anything hurtful or offensive.
He *weeded* the kingdom of such as were devoted to Elaiana, and manumized it from that most dangerous confederacy.—*Howell, Vocall Forrest.*
4. Root out vice.
Wise fathers be not as well aware in *weeding* from their children ill things, as they were before in grafting in them learning.—*Ascham, Schoolmaster.*
One by one, as they appeared, they might all be *weeded* out, without any signs that ever they had been there.—*Locke.*

Weéder. *s.* One who, that which, weeds, or takes away anything noxious.
A *weeder* out of his proud adversaries,
A liberal rewarder of his friends.
Shakespear, Richard III. i. 3.
Whilst I am worth [a shilling] to pay a *weeder*, thy path from the bowling-green shall never be grown up. — *Sterne, Tristram Shandy*, vol. iii. ch. xxxiv.

Weédery. *s.* Weeds. *Rare.*
Hard by there was a place all cover'd o'er
With stinging-nettles, and such *weedery*.
Dr. H. More, Life of the Soul, ii. 141.

Weédhook. *s.* Weeding-hook.
In May get a *weedhook*, a crotch, and a glove,
And weed out such weeds as the corn doth not love.
Tusser, Five Hundred Points of good Husbandry.

Weéding. *verbal abs.* Act of one who weeds; process by which weeds are cleared away.
Your seedlings having stood till June, bestow a *weeding* or a slight hoeing upon them.—*Mortimer.*

Weéding-hook. *s.* Hook by which weeds are cut away or extirpated.
The *weeding-hook* of reformation would, after two ages, pluck up his glorious poppy.—*Milton, Reason of Church Government urged against Prelacy*, b. i.

Weédless. *adj.* Free from weeds; free from anything useless or noxious.
So many *weedless* paradises be,
Which of themselves produce no venomous sin.
Donne.
A crystal brook . . .
When troubled most it does the bottom show;
'Tis *weedless* all above, and rockless all below.
Dryden.

Weédy. *adj.*
1. Consisting of weeds.
There on the pendant boughs her coronet weeds
Clamb'ring to hang, an envious sliver broke,
When down her *weedy* trophies and herself
Fell in the weeping brook.
Shakespear, Hamlet, iv. 7.
2. Abounding with weeds.
Hid in a *weedy* lake all night I lay,
Secure of safety.
Dryden, Translation of the Æneid, ii. 185.
If it is *weedy*, let it lie upon the ground.—*Mortimer, Husbandry.*

Week. *s.* [A.S. *weoc.*] Space of seven days.
Fulfil her *week*, and we will give thee this also.—*Genesis*, xxix. 27.
The division of time by *weeks*, hath been universally observed in the world, not only amongst the civilized, but likewise among the most barbarous nations.—*Bishop Witkins.*

Weékday. *s.* Any day not Sunday.
One solid dish his *weekday* meal affords,
An added pudding solemnized the Lord's.
Pope, Moral Essays, iii. 345.

Weékly. *adj.* Happening, produced, or done once a week; hebdomadary.
The Jews had always their *weekly* readings of the law of Moses.—*Hooker, Ecclesiastical Polity.*
So lived our sires, ere doctors learn'd to kill,
And multiplied with heirs their *weekly* bill.
Dryden, Epistle to his Kinsman John Dryden, 71.
Nothing more frequent in their *weekly* papers than affecting to confound the terms of clergy and high-church, and then loading the latter with calumny.—*Swift.*

Weékly. *adv.* Once a week; by hebdomadal periods.
These are obliged to perform divine worship in their turns *weekly*, and are sometimes called hebdomadal canons.—*Ayliffe, Parergon Juris Canonici.*

Weel, Weély. *s.* [?] Trap for fish.
Who would think your father should lay *weels*
To catch you thus? *Mayne, City Match.*
These fishes are taken generally by a little seinnet; especially the eels in *weelies*.—*Carew, Survey of Cornwall.*

Ween. *v. n.* [A.S. *wenan.*] Think; imagine; form a notion; fancy. *Obsolete, or rhetorical.*

Ah! lady dear, quoth then the gentle knight,
Well may I *ween* your grief is wond'rous great.
Spenser, Faerie Queen.

Ween you of better luck,
I mean, in perjured witness, than your master,
Whose minister you are, while here he lived
Upon this naughty earth.
Shakespear, Henry VIII. v. 1.

They *ween'd*
That self-same day, by fight or by surprise,
To win the mount of God; and on his throne
To set the envier of his state, the proud
Aspirer; but their thoughts proved fond and vain.
Milton, Paradise Lost, vi. 86.

Weep. *v. n.* pret. and past part. *wept, weeped.* [A.S. *wepan.*]

1. Show sorrow by tears.

Have you *wept* for your sin, so that you were indeed sorrowful in your spirit? Are you so sorrowful that you hate it? Do you so hate it that you have left it?—*Jeremy Taylor.*

Away, with women *weep,* and leave me here,
Fix'd, like a man, to die without a tear;
Or save, or slay us both.
Dryden, Sigismonda and Guiscardo, 577.

2. Shed tears from any passion.

Then they for sudden joy did *weep,*
And I for sorrow sung,
That such a king should play bo-peep,
And go the fools among.
Shakespear, King Lear, i. 4, song.

3. Lament; complain.

They *weep* unto me, saying, Give us flesh, that we may eat.—*Numbers,* xi. 13.

Weep. *v. a.*

1. Lament with tears; bewail; bemoan.

If thou wilt *weep* my fortunes, take my eyes.
Shakespear, King Lear, iv. 6.

Nor was I near to close his dying eyes,
To wash his wounds, to *weep* his obsequies.
Dryden, Translation of the Æneid, ix. 647.

We wand'ring go
Through dreary wastes, and *weep* each other's woe.
Pope, Eloisa to Abelard.

2. Shed moisture.

Thus was this place
A happy rural seat of various view,
Groves whose rich trees *wept* od'rous gums and balm.
Milton, Paradise Lost, iv. 246.

Weéper. *s.* One who, that which, weeps.

1. One who sheds tears; lamenter; bewailer; mourner.

If you have served God in a holy life, send away the women and the *weepers*; tell them it is as much intemperance to weep too much as to laugh too much: if thou art alone, or with fitting company, die as thou should'st; but do not die impatiently, and like a fox catched in a trap.—*Jeremy Taylor.*

Laughter is easy; but the wonder lies
What store of brine supplied the *weeper's* eyes.
Dryden, Translation of Juvenal, x. 45.

2. White border on the sleeve of a mourning coat.

Weéping. *part. adj.*

1. Dropping.

Let India boast her plants, nor envy we
The *weeping* amber or the balmy tree,
While by our oaks the precious loads are borne,
And realms commanded which those trees adorn.
Pope, Windsor Forest.

2. Drooping: (applied to certain trees, e.g. *weeping* ash, *weeping* willow, &c.).

3. Abounding with wet.

Rye grass grows on clayey and *weeping* grounds.—*Mortimer, Husbandry.*

Weépingly. *adv.* In a weeping manner; with weeping; tears.

She took her son into her arms *weepingly* laughing.—*Sir H. Wotton, Elements of Architecture.*

Such as these, *weepingly* inclined, should be as full of all outward expression of devotion, as if they were just then to be converted.—*Echard, Answer to Grounds and Reasons of Contempt of the Clergy,* p. 139.

Weérish. *adj.* [?]

1. Applied to tastes, it means insipid; applied to the body, weak and washy: (here it seems to mean sour; surly). *Obsolete.*

A voice not soft, weak, piping, womanish; but audible, strong, and manlike: a countenance not *weerish* and crabbed, but fair and comely.—*Ascham, Schoolmaster.*

Also is *weerish* taste called unsavoury.—*Old Poem,* in *Ashmole's Theatrum Chemicum,* p. 73.

Yielding her pleasure *weerish,* and her amours tasteless.—*Florio, Translation of Montaigne's Essays,* p. 489: 1613.

2. Crabbed: (in *temper*).

Democritus was a little *wearish* old man, very melancholy by nature.—*Burton, Anatomy of Melancholy,* preface.

A garment over-rich and wide for many of their *wearish* and ill-disposed bodies.—*Carew, Survey of Cornwall.*

Weet. *v. n.* See Wit.

Him the prince with gentle court did board;
Sir knight, mought I of you this court'sy read,
To *weet* why on your shield, so goodly scored,
Bear ye the picture of that lady's head?
Spenser, Faerie Queen, ii. 9, 2.

I bind,
On pain of punishment, the world to *weet*
We stand up peerless.
Shakespear, Antony and Cleopatra, i. 1.

But well I *weet* thy cruel wrong
Adorns a nobler poet's song. *Prior, Alma,* ii. 289.

Weétless. *adj.* Unknowing.

And now all *weetlesse* of the wretched stormes
In which his love was lost, he slept full fast.
Spenser, Faerie Queen.

Weéver. *s.* [Fr. *vive.*] In *Ichthyology.* Native fish of the genus Trachinus.

The *weaver,* which although his prickles venom be,
(By fishers cut away, which buyers seldom see,
Yet for the fish he bears, is not accounted bad.
Drayton, Polyolbion, song xxv.

Weévil. *s.* [A.S. *wifel.*] Larva of insect of the genus Curculio, long known for the mischief it does by the destruction of grain.

A worm called a *weevil,* bred underground, feedeth upon roots; as parsnips and carrots.—*Bacon, Natural and Experimental History.*

Corn is so innocent from breeding of mice, that it doth not produce the very *weevils* that live in it and consume it.—*Bentley.*

Weft. *s.*

1. That of which the claim is generally waived; anything wandering without an owner, and seized by the lord of the manor.

His horse, it is the herald's *weft.*
B. Jonson, Underwoods.

2. Used by Bacon for *waft,* a gentle blast.

The smell of violets exceedeth in sweetness that of spices, and the strongest sort of smells are best in a *weft* afar off.—*Bacon.*

Weft. *s.* [A.S. *weft, wefta.*] Web.

Wéftage. *s.* Texture. *Rare.*

The whole muscles, as they lie upon the bones, might be truly tanned; whereby the *weftage* of the fibres might more easily be observed.—*Grew, Museum.*

Weigh. *v. a.* [A.S. *wegan.*]

1. Examine by the balance.

Earth taken from land adjoining to the Nile, and preserved, so as not to be wet nor wasted, and *weighed* daily, will not alter weight until the seventeenth of June, when the river beginneth to rise; and then it will grow more and more ponderous, till the river cometh to its height.—*Bacon.*

The Eternal hung forth his golden scales,
Wherein all things created first he *weigh'd.*
Milton, Paradise Lost, iv. 998.

2. Be equivalent to anything in weight.

They that must *weigh* out my afflictions,
They that my trust must grow to, live not here;
They are, as all my comforts are, far hence.
Shakespear, Henry VIII. iii. 1.

3. Offer by weight for the purpose of payment.

They *weighed* for my price thirty pieces of silver.—*Zechariah,* xi. 12.

4. In *Navigation.* Raise; take up the anchor.

Barbarossa, using this exceeding cheerfulness of his soldiers, *weighed* up the fourteen gallies he had sunk.—*Knolles, History of the Turks.*

They having freight
Their ships with spoile enough, *weigh* anchor streight. *Chapman.*

Here he left me, ling'ring here delay'd
His parting kiss, and there his anchor *weigh'd.*
Dryden, Translation from Ovid, House of Sleep.

5. Examine; balance in the mind; consider.

Regard not who it is which speaketh, but *weigh* only what is spoken.—*Hooker, Ecclesiastical Polity.*

You chose a retreat, and not till you had maturely *weighed* the advantages of rising higher, with the hazards of the fall.—*Dryden.*

He is the only proper judge of our perfections who *weighs* the goodness of our actions by the sincerity of our intentions.—*Addison, Spectator.*

6. Compare by the scales.

Poetic Justice, with her lifted scale,
Where in nice balance truth with gold she *weighs,*
And solid pudding against empty praise.
Pope, Dunciad, i. 52.

7. Regard; consider as worthy of notice.

I *weigh* not you.—You do not *weigh* me; that is, you care not for me.—*Shakespear, Love's Labour's lost,* v. 2.

With *down.*

a. Overbalance.

Fear *weighs down* faith with shame.
Daniel, Civil Wars of York and Lancaster.

b. Overburden; oppress with weight; depress.

In thy blood will reign
A melancholy damp of cold and dry,
To *weigh* thy spirits *down.*
Milton, Paradise Lost, xi. 542.

My soul is quite *weigh'd down* with care, and asks
The soft refreshment of a moment's sleep.
Addison, Cato, v. 1.

Weigh. *v. n.*

1. Have weight.

Exactly weighing and strangling a chicken in the scales, upon an immediate ponderation, we could discover no difference in weight; but suffering it to lie eight or ten hours until it grew perfectly cold, it *weighed* most sensibly lighter.—*Sir T. Browne.*

2. Be considered as important; have weight in the intellectual balance.

A wise man is then best satisfied, when he finds that the same argument which *weighs* with him has *weighed* with thousands before him, and is such as hath borne down all opposition.—*Bishop Atterbury.*

3. Raise the anchor.

When gath'ring clouds o'ershadow all the skies,
And shoot quick lightnings, *Weigh,* my boys, he cries.
J. Dryden, jun., Translation of Juvenal, xiv. 348.

4. Bear heavily; press hard.

Canst thou not minister to a mind diseased,
And with some sweet oblivious antidote
Cleanse the stuff'd bosom of that perilous stuff
Which *weighs* upon the heart?
Shakespear, Macbeth, v. 3.

5. Sink by its own weight.

The Indian fig boweth so low, as it taketh root again; the plenty of the sap, and the softness of the stalk, making the bough, being overloaden, *weigh* down.—*Bacon.*

Weigh. *s.* In *Navigation.* Act of leaving the moorings: (with *under*).

The wind has, at last, come about, so that we are all in high spirits, getting *under weigh.*—*Cumberland, Observer,* ix.

Weighed. *adj.* Experienced.

In an embassy of weight, choice was made of some sad person of known experience, and not of a young man, not *weighed* in state matters.—*Bacon.*

Weigher. *s.*

1. One who, that which, weighs.

Where is the scribe? where is the receiver? [in the margin, *weigher*].—*Isaiah,* xxxiii. 18.

Where is the *weigher,* that is, the receiver of money?—*Hammond, Works,* vol. iii. p. 514.

2. Anything which weighs, or is considered important.

The worst [choice], most an end, was the *weigher.*—*Milton, History of England,* b. iii.

Weight. *s.*

1. Quantity measured by the balance.

Tobacco cut and weighed, and then dried by the fire, loseth *weight*; and after being laid in the open air, recovereth *weight* again.—*Bacon, Natural and Experimental History.*

2. Mass by which, as the standard, other bodies are examined.

Just balances, just *weights* shall ye have.—*Leviticus,* xix. 36.

When the balance is entirely broke, by mighty *weights* fallen into either scale, the power will never continue long in equal division, but run entirely into one.—*Swift.*

3. Ponderous mass.

A man leapeth better with *weights* in his hands than without; for that the *weight,* if proportionable, strengtheneth the sinews by contracting them; otherwise where no contraction is needful, *weight* hindereth: as we see in horse races, men are curious to foresee that there be not the least *weight* upon the one horse more than upon the other. In leaping with *weights,* the arms are first cast backwards and then forwards, with so much the greater force.—*Bacon, Natural and Experimental History.*

Pride, like a gulf, swallows us up: our very virtues, when so leavened, becoming *weights* and plummets to sink us to the deeper ruin.—*Dr. H. More, Government of the Tongue.*

Then shun the ill; and know, my dear,
Kindness and constancy will prove
The only pillars fit to bear
So vast a *weight* as that of love. *Prior, Odes.*

4. Gravity; tendency to the centre.

Heaviness or *weight* is not here considered as being such a natural quality, whereby condensed bodies do of themselves tend downwards; but rather as being an affection, whereby they may be measured.—*Bishop Wilkins.*

The shaft, that slightly was impress'd,
Now from his heavy fall with *weight* increased,
Drove through his neck. *Dryden.*

5. Pressure; burthen; overwhelming power.

Thou art no Atlas for so great a *weight.*
Shakespear, Henry VI. Part III. v. 1.

We must those who groan beneath the *weight*
Of age, disease, or want commiserate.
Sir J. Denham, Of Justice.

The prince may carry the plough, but the *weight* lies upon the people.—*Sir R. L'Estrange.*

Possession's load was grown so great,
He sunk beneath the cumb'rous *weight.* *Swift.*

6. Importance; power; influence; efficacy; consequence; moment.

How to make ye suddenly an answer,
In such a point of *weight*, so near mine honour,
In truth I know not.
Shakespear, Henry VIII. iii. 1.

An author's arguments lose their *weight*, when we are persuaded that he only writes for argument's sake.—*Addison.*

Weightily. *adv.* In a weighty manner.

1. Heavily; ponderously.
2. Solidly; importantly.

Is his poetry the worse, because he makes his agents speak *weightily* and sententiously?—*Broome, On the Odyssey.*

Weightiness. *s.* Attribute suggested by Weighty.

1. Ponderosity; gravity; heaviness; force.

I fear I have dwelt longer on this passage than the *weightiness* of any argument in it requires.—*Locke.*

2. Importance.

The apparent defect of her judgment, joined to the *weightiness* of the adventure, caused many to marvel.—*Sir J. Hayward.*

Weightless. *adj.* Light; having no gravity.

How by him balanced in the *weightless* air
Canst thou the wisdom of his works declare?
It must both *weightless* and immortal prove,
Because the centre of it is above. *Dryden.*

Weighty. *adj.*

1. Heavy; ponderous.

You have already wearied Fortune so,
She cannot farther be your friend or foe;
But sits all breathless, and admires to feel
A fate so *weighty*, that it stops her wheel,
Dryden, To the Lord Chancellor Hyde, 129.

2. Important; momentous; efficacious.

I to your assistance do make love,
Masking the business from the common eye
For sundry *weighty* reasons.
Shakespear, Macbeth, iii. 1.

Thus spoke to my lady the knight full of care,
'Let me have your advice in a *weighty* affair.'
Swift, The Grand Question debated.

3. Rigorous; severe.

If, after two days' shine, Athens contains thee,
Attend our *weightier* judgment.
Shakespear, Timon of Athens, iii. 5.

Weir. *s.* [A.S. *wær.*] Dam across a stream, forming a small waterfall, or rapid.

Weird. *adj.* [A.S. *wyrd.*] Fatal. *Rhetorical, archaic.*

The *weird* sisters hand-in-hand,
Posters of the sea and land,
Thus do go about, about. *Shakespear, Macbeth*, i. 3.

Wélaway. *interj.* [A.S. *wa-la-wa*, i.e. *woe* + *lo*, the interjection + *woe.*] Alas.

Harrow now out, and *wealaway*, he cried.
Spenser.

Wélcome. *adj.* Received with gladness; admitted willingly to any place or enjoyment; grateful; pleasing.

I serve you, madam:
Your graces are right *welcome.*
Shakespear, King Lear, ii. 1.

He that knows how to make those he converses with easy, has found the true art of living, and being *welcome* and valued every where.—*Locke.*

Used *interjectionally.*

Welcome, he said, . . .
O long expected, to my dear embrace!
Dryden, Translation of the Æneid, vi. 931.

Welcome now, great monarch, to your own.
Id., Astrea Redux.

With *bid.* Receive with professions of kindness.

Some stood in a row in so civil a fashion, as if to welcome us; and divers put their arms a little abroad, which is their gesture when they *bid* any *welcome.*—*Bacon.*

Wélcome. *s.*

1. Salutation of a new comer.

Welcome ever smiles, and farewell goes out sighing. *Shakespear, Troilus and Cressida*, iii. 3.

2. Kind reception of a new comer.

I should be free from injuries, and abound as much in the true causes of *welcomes*, as I should find want of the effects thereof.—*Sir P. Sidney.*

Where diligence opens the door of the understanding, and impartiality keeps it, truth finds an entrance and a *welcome* too.—*South, Sermons.*

Wélcome. *v. a.* Salute a new comer with kindness.

I know no cause
Why I should *welcome* such a guest as grief,
Save bidding farewell to so sweet a guest
As my sweet Richard. *Shakespear, Richard II.* ii. 2.

To *welcome* home
His warlike brother, is Pirithous come.
Dryden, Palamon and Arcite, i. 365.

Wélcomely. *adv.* In a welcome manner.

Juvenal, by a handsome and metricall expression, more *welcomely* engrafts it in our junior memories. —*Sir T. Browne, Vulgar Errours.* (Ord MS.)

Wélcomeness. *s.* Attribute suggested by Welcome; gratefulness.

Our joys, after some centuries of years, may seem to have grown older, by having been enjoyed so many ages; yet will they really still continue new, not only upon the scores of their *welcomeness*, but by their perpetually equal, because infinite distance from a period.—*Boyle.*

Wélcomer. *s.* One who welcomes; one who receives with welcome.

Farewell, thou woeful *welcomer* of glory.
Shakespear, Richard III. iv. 1.

Weld. *s.* See Woad.

Weld. *v. a.* [A.S. *wealdan.*] Beat one mass into another, so as to incorporate them.

Sparkling or welding heat is used when you double up your iron to make it thick enough, and so *weld* or work in the doubling into one another.—*Moxon, Mechanical Exercises.*

Some few metals are susceptible of being united by pressure or hammering, or of being *welded* together.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Weld. *v. a.* Wield. *Obsolete.*

Those that *weld* the awful crown.
Spenser, Shepherd's Calendar.

Wélder. *s.* Manager; actual occupier.

Such immediate tenants have others under them, and so a third and fourth in subordination, till it comes to the *welder*, as they call him, who sits at a rack-rent, and lives miserably.—*Swift.*

Wélfare. *s.* Happiness; success; prosperity.

If friends to a government forbear their assistance, they put it in the power of a few desperate men to ruin the *welfare* of those who are superior to them in strength and interest.—*Addison.*

Welk. *v. a.* [Dutch, *welchen.*] Wither; fade; decline. *Obsolete.*

Now sad Winter *welked* hath the day,
And Phœbus, weary of his yearly task,
Established hath his steeds in lowly lay,
And taken up his inn in fishes hask. *Spenser.*

As gentle shepherd in sweet eventide,
When ruddy Phœbus gins to *welk* in west,
Marks which do bite their hasty supper best. *Id.*

Wélked. *part. adj.* Faded; declining. *Obsolete.*

The *welked* Phœbus gan avale
His weary wain. *Spenser.*

Wélked. *adj.* [?] Set with protuberances.

Methought his eyes
Were two full moons: he had a thousand noses,
Horns *welk'd* and waved like the enridged sea.
Shakespear, King Lear, iv. 6.

Wélkin. *s.* [A.S. *wolcen*; German, *wölken* = clouds. In Danish the ordinary word for *cloud* is *sky.*] Visible regions of the air.

He leaves the *welkin* way most beaten plain,
And rapt with whirling wheels inflames the skyen,
With fire not made to burn, but fairly for to shine.
Spenser.

The swallow peeps out of her nest,
And cloudy *welkin* cleareth. *Id.*

Spur your proud horses hard, and ride in blood:
Amaze the *welkin* with your broken staves.
Shakespear, Richard III. v. 3.

With feats of arms
From **either** end of heaven the *welkin* burns.
Milton, Paradise Lost, ii. 337.

Now **my** task is smoothly done,
I can fly, or I can run
Quickly to the green earth's end,
Where the bow'd *welkin* slow doth bend.
Id., Comus, 1012.

Wélkin. *adj.* See Whaule.

Yet were it true
To say this boy were like me! Come, sir page,
Look on me with your *welkin* eye, sweet villain.
Shakespear, Winter's Tale, i. 2.

Well. *s.* [A.S. *weall, wyll, wyl.*]

1. Spring; fountain; source.

Begin, then, sisters of the sacred *well*,
That from beneath the seat of Jove doth spring.
Milton, Lycidas, 15.

As the root and branch are but one tree,
And *well* and stream do but one river make;
So if the root and *well* corrupted be,
The stream and branch the same corruption take.
Sir J. Davies, Immortality of the Soul.

2. Deep narrow pit of water.

Now up, now down, like buckets in a *well.*
Dryden, Palamon and Arcite, ii. 82.

3. Enclosed place near the mainmast containing the pumps.
4. Cavity in which stairs are placed.

Used *adjectivally*, or as the *first element* in a *compound.*

The muscles are so many *well-buckets*: when one of them acts and draws, 'tis necessary that the other must obey.—*Dryden.*

Hollow newelled stairs are made about a square hollow newel: suppose the *well-hole* to be eleven foot long, and six foot wide, and we would bring up a pair of stairs from the first floor eleven foot high, it being intended a sky-light shall fall through the hollow newel.—*Moxon, Mechanical Exercises.*

Well. *v. n.* [A.S. *weallan* = boil, bubble] Spring; issue as from a spring.

Thereby a crystal stream did gently play,
Which from a sacred fountain *welled* forth alway.
Spenser.

A dreary corse, whose life away did pass,
All wallow'd in his own yet lukewarm blood,
That from his wound yet *welled* fresh, alas!
Id., Faerie Queen, i. 9, 36.

Himself assists to lift him from the ground,
With clotted locks, and blood that *well'd* from out the wound.
Dryden, Translation of the Æneid, x. 1183.

Well. *v. a.* Pour anything forth.

To her people wealth they forth do *well*,
And health to every foreign nation. *Spenser.*

Well. *adj.* [A.S.]

1. Not sick; being in health.

Lady, I am not *well*, else I should answer
From a full flowing stomach.
Shakespear, King Lear, v. 3.

While thou art *well*, thou may'st do much good; but when thou art sick, thou canst not tell what thou shalt be able to do; it is not very much nor very good. Few men mend with sickness, as there are but few who by travel and a wandering life become devout.—*Jeremy Taylor, Guide to Devotion.*

Neither pills nor laxatives I like;
They only serve to make the *well* man sick.
Dryden, The Cock and the Fox, 400.

2. Happy.

Mark, we use
To say the dead are *well.*
Shakespear, Antony and Cleopatra, ii. 5.

Holdings were so plentiful, and holders so scarce, as *well* was the landlord who could get one to be his tenant.—*Carew, Survey of Cornwall.*

3. Convenient; advantageous.

It would have been *well* for Genoa, if she had followed the example of Venice, in not permitting her nobles to make any purchase of lands in the dominions of a foreign prince.—*Addison.*

4. Being in favour.

He followed the fortunes of that family; and was *well* with Henry the fourth.—*Dryden.*

5. Recovered from any sickness or misfortune.

I am sorry
For your displeasure; but all will soon be *well.*
Shakespear, Othello, iii. 1

Just thoughts and modest expectations are easily satisfied. If we don't over-rate our pretensions, all will be *well.*—*Collier.*

Well. *adv.*

1. Not ill, amiss, unsuccessfully, defectively, or unhappily; in a laudable manner.

The merchant adventurers being a strong company, and *well* underset with rich men, held out bravely.—*Bacon.*

Beware, and govern *well* thy appetite.
Milton, Paradise Lost, vii. 544

'Tis almost impossible to translate verbally and *well.*—*Dryden.*

What poet would not mourn to see
His brother write as *well* as he?
Swift, On the Death of Dr. Swift.

2. Conveniently; suitably; adequately.

Know
In measure what the mind may *well* contain.
Milton, Paradise Lost, vii. 127.

3. To a sufficient degree: (a kind of slight sense).

We are *well* able to overcome it.—*Numbers*, xiii. 30.

A private caution I know not *well* how to sort, unless I should call it political, by no means to build too near a great neighbour.—*Sir H. Wotton.*

4. It is a word by which something is admitted as the ground for a conclusion.

Well, let 's away, and say how much is done.
Shakespear, Macbeth, iii. 3.

Well, by this author's confession, a number superior are for the succession in the house of Hanover.—*Swift.*

Like the French *bien*, a term of concession.

The knot might *well* be cut, but untied it could not be.—*Sir P. Sidney.*

As well as. Together with; not less than.

Coptos was the magazine of all the trade from Æthiopia, by the Nile, *as well as* of those commodities that came from the west by Alexandria.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

Well is him or me. *Bene est* = he is happy.

Well is him that dwelleth with a wife of understanding, and that hath not slipped with his tongue.—*Ecclesiasticus*, xxv. 8.

Well met. Term of salutation.

Once more to-day *well met*, distemper'd lords;
The king by me requests your presence straight.
Shakespear, King John, iv. 3.

Well nigh. Nearly; almost.

I freed *well nigh* half the angelick name.
Milton, Paradise Lost, ix. 142.

Well enough. In a moderate degree; tolerably.

Common as the *first element* in a *combination*; in which, however, the pronunciation generally gives us *two words* rather than a true *compound*. This is probably always the case when it means *adequately, sufficiently*, as, '*Well stricken in years*.' Otherwise, or in its ordinary sense, signifying something done that is praiseworthy, it combines, as a prefix, with the *participles* and *verbal abstracts*, as *wéllbred, wéllmeaning, wéllwisher*. Even here it often gives two words. The test, which is only certain so far as it goes, is the extent to which the combination has a similar one compounded of *ill*, or some equivalent opposite prefix to contrast it with. Here the opposition fixes the accent on the first syllable.

Wélladay. *interj.* Welaway.

O *welladay*, mistress Ford, having an honest man to your husband, to give him such cause of suspicion.—*Shakespear, Merry Wives of Windsor*, iii. 3.

Ah, *welladay!* I'm shent with baneful smart.
Gay, Shepherd's Week, Wednesday, 33.

Wéllbeing. *s.* Happiness; prosperity.

Man is not to depend upon the uncertain dispositions of men for his *wellbeing*, but only on God and his own spirit.—*Jeremy Taylor, Rule and Exercises of Holy Living.*

The most sacred ties of duty are founded upon gratitude: such as the duties of a child to his parent, and of a subject to his sovereign. From the former there is required love and honour, in recompense of being; and from the latter obedience and subjection, in recompense of protection and *wellbeing.—South, Sermons.*

He who does not co-operate with this holy spirit, receives none of those advantages which are the perfecting of his nature, and necessary to his *wellbeing.—Spectator.*

Wéllborn. *adj.* [contrast *low-born.*] Not meanly descended.

One whose extraction from an antient line,
Gives hope again that *wellborn* men may shine.
Waller.

Heav'n, that *wellborn* souls inspires,
Prompts me through lifted swords, and rising fires,
To run where clashing arms and clamour calls,
And rush undaunted to defend the walls.
Dryden, Translation of the Æncid, ii. 453.

Wéllbred. *adj.* [contrast *ill-bred.*] Elegant of manners; polite.

None have been with admiration read,
But who, besides their learning, were *wellbred.*
Lord Roscommon.

Both the poets were *wellbred* and well-natured.—*Dryden.*

Wellbred spaniels civilly delight
In mumbling of the game they dare not bite.
Pope, Epistle to Arbuthnot.

Welldóne. *construction interjectional.* Word of praise.

Welldone, thou good and faithful servant.—*Matthew*, xxv. 21.

Wéllfavoured. *adj.* [contrast *ill-favoured.*] Beautiful; pleasing to the eye.

His wife seems to be *wellfavoured.* I will use her as the key of the cuckoldy rogue's coffer.—*Shakespear, Merry Wives of Windsor*, ii. 2.

Wéllhead. *s.* Source; fountain; wellspring.

From dame nature's fruitful pap
Their *wellheads* spring. *Spenser, Faerie Queen.*

Holding it a point of discretion to draw water as near as I could to the *well-head.—Bishop Mountagu, Appeal to Cæsar*, p. 11.

Wéllmannered. *adj.* [contrast *ill-mannered.*] Polite; civil; complaisant; mannerly.

By which *well-mannered* and charitable expressions I was certain of his sect before I knew him.—*Dryden, Epistle to the Whigs.*

Wéllmeaner. *s.* One who means well.

Wellmeaners think no harm; but for the rest
Things sacred they pervert, and silence is the best.
Dryden, Palamon and Arcite, iii. 205.

Wéllmeaning. *adj.* Having a good intention.

Only may I be allowed to be a plain and *well-meaning* monitor.—*Killingbeck, Sermons*, p. 320.

Wéllnatured. *adj.* [contrast *ill-natured.*] Good-natured; kind.

On their life no grievous burthen lies,
Who are *well-natured*, temperate, and wise:
But an inhuman and ill-temper'd mind
Not any easy part in life can find.
Sir J. Denham, Of Old Age.

Wéllnigh. *adv.* Almost.

The same so sore annoyed has the knight,
That, *well-nigh* choaked with the deadly stink,
His forces fail. *Spenser, Faerie Queen*, i. 1, 22.

Notwithstanding a small diversity of positions, the whole aggregate of matter, as long as it retained the nature of a chaos, would retain *wellnigh* an uniform tenuity of texture.—*Bentley.*

Wéllspent. *adj.* Passed with virtue.

They are to lie down without any thing to support them in their age, but the conscience of a *well-spent* youth.—*Sir R. L'Estrange.*

What a refreshment then will it be to look back upon a *wellspent* life!—*Calamy, Sermons.*

The constant tenour of their *wellspent* days
No less deserved a just return of praise. *Pope.*

Wéllspring. *s.* Fountain; source.

The fountain and *wellspring* of impiety is a resolved purpose of mind to reap in this world what sensual profit or sensual pleasure soever the world yieldeth.—*Hooker, Ecclesiastical Polity.*

Understanding is a *wellspring* of life.—*Proverbs*, xvi. 22.

Wéllwiller. *s.* One who means kindly.

Disarming all his own countrymen, that no man might shew himself a *wellwiller* of mine.—*Sir P. Sidney.*

There are fit occasions ministered for men to purchase to themselves *wellwillers*, by the colour under which they oftentimes prosecute quarrels of envy.—*Hooker, Ecclesiastical Polity.*

Wellwish. *s.* Wish of happiness. *Rare.*

Let it not enter into the heart of any one that hath a *wellwish* for his friends or posterity, to think of a peace with France, till the Spanish monarchy be entirely torn from it.—*Addison.*

Wéllwisher. *s.* One who wishes the good of another.

The actual traitor is guilty of perjury in the eye of the law; the secret *wellwisher* of the cause is so before the tribunal of conscience.—*Addison, Freeholder.*

No man is more your sincere *wellwisher* than myself, or more the sincere *wellwisher* of your family.—*Pope.*

Wéllspoken. *adj.* [compare *freespoken.*] Speaking well; speaking finely; speaking gracefully; speaking kindly.

A knight *well-spoken*, neat, and fine.
Shakespear, Two Gentlemen of Verona, i. 2.

Welsh. *adj.* Relating to the people or country of Wales. This gives a proper, rather than a common, name. The origin of the word, however, is the A.S. *wealh* = foreign, a common term. In some shape or other this element is found as a word in use wherever a German population comes in contact with one other than German; the word being German, the population to which it applies *non*-German. Thus, Italy is, to a German, *Welschland*; the *Walloons*, a French-speaking population, on the German frontier; *Wallachia*, probably a name similarly given by the Germans of Transylvania to the Roumanians of the Danube; the *Vulais*, a like name in Switzerland. *Wallnut* is the *foreign* nut, nux *Gallica.*

Heavens defend me from that *Welsh* fairy!—*Shakespear, Merry Wives of Windsor*, v. 5.

Welt. *s.* [Welsh, *gwald.*] Border; hem.

His coat was green,
With *welts* of white seamed between. *R. Greene.*

Little low edges made round like *welts*, with some pretty pyramids, I like well.—*Bacon, Essays. Of Gardens.*

Certain scioli, or smatterers, are busy in the skirts and outsides of learning, and have scarce any thing of solid literature to recommend them. They may have some edging or trimming of a scholar, a *welt*, or so; but no more.—*B. Jonson.*

Welt. *v. a.* Sew anything with a border.

The bodies and sleeves of green velvet, *welted* with white satin.—*Shelton, Translation of Don Quixote*, pt. iii. ch. xiii.

Wélter. *v. n.* [German, *wälzen.*]

1. Roll in water or mire.

He must not float upon his wat'ry bier
Unwept, nor *welter* to the parching winds.
Milton, Lycidas, 12.

He sung Darius, great and good,
By too severe a fate,
Fallen from his high estate,
And *welt'ring* in his blood.
Dryden, Alexander's Feast, 75.

2. Roll voluntarily; wallow.

By this bedde is understande the fylthy voluptuousness of the body, wherein the synner *waltereth* and wrappeth hymselfe, lyke as a sowe waloweth in the stynkynge gore pytte, or in the puddell.—*Bishop Fisher, Psalms*, p. 18.

If a man inglut himself with vanity, or *welter* in filthiness like a swine, all learning, all goodness, is soon forgotten.—*Ascham.*

Such hopes and such principles of earth, as these wherein she *welters* from a young one, are the immediate generation both of a slavish and tyrannous life to follow.—*Milton, Reason of Church Government urged against Prelacy*, b. ii.

Wélter. *s.* Mess; state of confusion.

Danton ... was heard to ejaculate, ... 'I leave the whole business in a frightful *welter* (gâchis epouvantable); not one of them understands anything of government.'—*Carlyle, French Revolution*, pt. iii. b. vi. ch. iii.

Welter stakes, Welter cup, or *Welter race*, is the term usually applied to the heaviest weighted race in a meeting: (in the *old* Racing Lists the word is *Swelter*).

Wem. *v. a.* [A.S. *wemman.*] Corrupt; vitiate; spot. *Obsolete.*

Wem. *s.* [A.S.] Spot; scar. *Obsolete.*

Although the wound be healed, yet the *wemme* or scar still remaineth.—*Brerewood, On Languages.*

Wen. *s.* [A.S. *wenn.*] Fleshy or callous excrescence, or protuberance.

Warts are said to be destroyed by the rubbing them with a green elder stick, and then burying the stick to rot in muck. It would be tried with corns and *wens*, and such other excrescences.—*Bacon, Natural and Experimental History.*

A promontory *wen*, with griesly grace,
Stood high upon the handle of his face.
Dryden, Translation of Juvenal, vi. 153.

Wench. *s.* [?]

1. Young woman.

What do I, silly *wench*, know what love hath prepared for me?—*Sir P. Sidney.*

Now ... how dost thou look now? Oh, ill-starr'd *wench!*
Pale as thy smock! when we shall meet at compt,
This look of thine will hurl my soul from heav'n,
And fiends will snatch at it. Cold, cold, my girl,
Ev'n like thy chastity. *Shakespear, Othello*, v. 2.

Thou wouldst perswade her to a worse offence
Than that, whereof thou didst accuse her *wench.*
Donne.

2. Bold, forward girl. *Contemptuous.*

But the rude *wench* her answer'd nought at all.
Spenser, Faerie Queen, i. 3, 11.

Wéncher. *s.* Fornicator.

He must be no great eater, drinker, or sleeper; no gamester, *wencher*, or *fop*.—*Grew, Cosmologia Sacra.*

Wénching. *verbal abs.* Habit of frequenting the company of loose women.

The youth who trains to ride, or run a race,
Must bear privations with unruffled face;
Be called to labour when he thinks to dine,
And, harder still, leave *wenching* and his wine.
Byron, Hints from Horace.

Wend. *v. n.* [A.S. *wendan* = turn; this being the original meaning of the word; the preterit is *went*, now laxly called the preterit of *go*: except in combination with *way* (*wend your way*), all the other forms are obsolete, or archaic.]

1. Go; pass to or from.

Back to Athens shall the lovers *wend*
With league, whose date till death shall never end.
Shakespear, Midsummer-Night's Dream, iii. 2.
When Rome shall *wend* to Benevento,
Great feats shall he achieve! *Arbuthnot.*

2. Turn round.

God created great *whales*.—*Genesis*, i. 21.
The greatest *whale* that swims the sea
Does instantly my pow'r obey. *Swift.*
The terms with which we are here most concerned are names of classes of natural objects; and when we say that the principle and the limit of such names are their use in expressing propositions concerning the classes, it is clear that much will depend on the kind of propositions which we mainly have to express: and that the same name may have different limits, according to the purpose we have in view. For example, is the *whale* properly included in the general term Fish? When men are concerned in catching marine animals, the main features of the process are the same however the animals may differ; hence *whales* are classed with fishes, and we speak of the whale-fishery. But if we look at the analogies of organization, we find that, according to these, the *whale* is clearly not a fish, but a beast, (confining this term, for the sake of distinctness, to suckling beasts or mammals). In natural history, therefore, the *whale* is not included among fish.—*Whewell, History of Scientific Ideas*, vol. ii. p. 102: 1858.

Whálebone. *s.*

1. Horny plates attached to the upper jaw of certain whales, serving as teeth (no true bone).

Barr'd up with ribs of *whalebone*, she did leese
None of the whale's length, for it reach'd her knees.
Bishop Corbet.

2. Ivory (from a confusion between the walrus and elephant). *Obsolete.*

This is the flower that smiles on every one,
To show his teeth as white as *whales-bone*.
Shakespear, Love's Labour's Lost, v. 2

Whály, and **Whálly.** *adj.* See Whaule.

Whame. *s.* [?] See extract.

The *whame*, or burrel-fly, is vexatious to horses in summer, not by stinging, but by their bombylious noise, or tickling them in sticking their nits on the hair.—*Derham, Physico-Theology.*

Wharf. *s.* [A.S. *hwearf*.] Perpendicular bank or mole, raised for the convenience of lading or emptying vessels; quay.

Duller should'st thou be, than the fat weed,
That rots itself in ease on Lethe's *wharf*,
Would'st thou not stir in this.
Shakespear, Hamlet, i. 5.

Wharf. *v. a.* Hold up water, or earth, by a construction like a wharf.

Two elms... set on the very brink of a ditch... *wharfed* with a wall of a brick and a half in thickness... are since grown to goodly and equally spreading trees.—*Evelyn, Sylva*, b. i. ch. ii. (Ord MS.)

Whárfing. *verbal abs.* Wharflike construction to hold up water or earth.

A strong stone wall, which was a kind of *wharfing* against rivers running into it.—*Evelyn, Sylva*, b. i. ch. ii. (Ord MS.)

Whárfinger. *s.* One who attends a wharf.

Boat-takers and *wharfingers* ought to be diligent to provide for the transport of the provisions where ordered.—*Maydman, Naval Speculations*, p. 121: 1691.

What. *pron.* [the true neuter of *who*, as *it* (*hit*) of *he*, and *that* of the root of *the*, *them*, &c. See under Who. In some of its senses superseded by *which*, which is no true neuter, but a compound of *who* and *like*.]

1. Interrogatively.

What art thou, man, if man thou art at all,
That here in desart hast thine habitance?
Spenser, Faerie Queen, ii. 7, 7.
What is't to thee if he neglect thy urn?
Dryden, Translation of Persius, vi. 80.
What one of an hundred of the zealous bigots in all parties ever examined the tenets he is so stiff in?—*Locke.*

2. Interjection by way of surprise or question.

What! canst thou not forbear me half an hour?
Then get thee gone, and dig my grave thyself.
Shakespear, Henry IV. Part II. iv. 4.
What if I advance an invention of my own to supply the defect of our new writers!—*Dryden, Translation of Juvenal*, dedication.

3. That which.

What you can make her do,
I am content to look on; *what* to speak,
I am content to hear.
Shakespear, Winter's Tale, v. 3.

4. Something that is in one's mind indefinitely.

I tell thee *what*, corporal, I could tear her.—*Shakespear, Henry IV. Part II.* ii. 4.

5. Which of several.

Comets are rather gazed upon than wisely observed; that is, *what* kind of comet for magnitude, colour, placing in the heaven, or lasting, produceth *what* kind of effect.—*Bacon.*
Shew *what* aliment is proper for that intention, and *what* intention is proper to be pursued in such a constitution.—*Arbuthnot.*

6. To how great a degree: (used either *interrogatively* or *indefinitely*).

Am I so much deform'd?
What partial judges are our love and hate!
Dryden.

7. Sometimes used for *whatever*.

Whether it were the shortness of his foresight, the strength of his will, or the dazzling of his suspicions, or *what* it was, certain it is, that the perpetual troubles of his fortunes could not have been without some main errors in his nature.—*Bacon.*

Used *adverbially* for partly; in part.

The enemy having his country wasted, *what* by himself, and *what* by the soldiers, findeth succour in no place.—*Spenser, View of the State of Ireland.*

Thus, *what* with the war, *what* with the sweat, *what* with the gallows, and *what* with poverty, I am custom shrunk.—*Shakespear, Measure for Measure*, i. 2.

The year before, he had so used the matter, that *what* by force, *what* by policy, he had taken from the Christians above thirty small castles.—*Knolles, History of the Turks.*

If these halfpence should gain admittance, in no long space of time, *what* by the clandestine practices of the coiner, *what* by his own counterfeits and those of others, his limited quantity would be tripled.—*Swift.*

What ho! Interjection of calling.

What ho! thou genius of the clime, *what ho!*
Liest thou asleep beneath these hills of snow?
Stretch out thy lazy limbs.
Dryden, King Arthur, iii. 3.

What though. What imports it though? notwithstanding: (an *elliptical* mode of speech).

What though a child may be able to read? There is no doubt but the meanest among the people under the law had been as able as the priests themselves were to offer sacrifices: did this make sacrifice of no effect?—*Hooker, Ecclesiastical Polity.*

What though none live my innocence to tell?
I know it; truth may own a generous pride;
I clear myself, and care for none beside. *Dryden.*

What time, What day. At the time when; on the day when.

What day the genial angel to our sire
Brought her, more lovely than Pandora.
Milton, Paradise Lost, iv. 712.

Me sole the daughter of the deep address'd,
What time, with hunger pined, my absent mates
Roam'd the wild isle in search of rural cates.
Pope, Translation of the Odyssey, iv. 496.

Used *substantivally*.

If thee lust to holden chat
With seely shepheard's swayne,
Come down, and learne the little *what*,
That Thomalin can sayne.
Spenser, Shepherd's Calendar.

Such homely *what* as serves the simple clown.
Id., Faerie Queen.

Whatéver, Whátso, Whátsoever. See under Who.

Whátness. *s.* Attribute suggested by What. *Rare, but sometimes needed to translate the scholastic (logical) term* Quiddity.

Whaúle. *adj.* This is, probably, the best spelling, inasmuch as it represents the sound, and, at the same time, disconnects the word with *wall*. Its ordinary application is to horses having the white of the eye inordinately large. Generally used as the first element in composition with *eye*. See extract from Wedgwood.

A pair of *wall-eyes* in a face forced.
B. Jonson, Cynthia's Revels.

Wall-eyed slave! whither wouldst thou convey
This growing image of thy fiend-like face?
Shakespear, Titus Andronicus, v. 1.

[This word is written not *wall* but *whall*, in our old language: '*whally* eies, the signe of gelosy.' (Spenser, Faerie Queen, i. 4, 24.) '*Whaule-eyed*, glauciolus.' (Huloet.) As the term *wall-eye* denotes an eye, of which the *white* is very large, and to one side, it may have been formed, as the editor of the Craven Glossary suggests, from the Welsh *gwawl*, light; *gwawl-een*, light eyes.—*Todd.*]

Welkin is, perhaps, the same word, though the common explanation is sky-coloured.

Wheal. *s.* See Weal.

Wheat. *s.* [A.S. *hwæte.*] Well-known plant of the genus Triticum.

He mildews the white *wheat*, and hurts the poor creature of the earth.—*Shakespear, King Lear*, iii. 4.

Next to rice is *wheat*; the bran of which is highly acescent.—*Arbuthnot, On the Nature and Choice of Aliments.*

Wheáten. *adj.* Made of wheat.

Of *wheaten* flour shalt thou make them.—*Exodus*, xxix 2.

There is a project on foot for transporting our best *wheaten* straw to Dunstable, and obliging us by law to take off yearly so many tun of the straw hats.—*Swift.*

Wheátear. *s.* [corruption, probably *pudicitiæ causâ*, for *white tail*; *tail* = Fr. *cul.*] Bird of the genus Saxicola (œnanthe).

What cook would lose her time in picking larks, *wheatears*, and other small birds?—*Swift.*

Wheédle. *v. a.* Entice by soft words; flatter; persuade by kind words.

His business was to pump and *wheedle*,
And men with their own keys unriddle,
To make them to themselves give answers,
For which they pay the necromancers.
Butler, Hudibras, ii. 3, 335.

A fox stood licking of his lips at the cock, and *wheedling* him to get him down.—*Sir R. L'Estrange.*

He that first brought the word sham, or *wheedle*, in use, put together, as he thought fit, ideas to make it stand for.—*Locke.*

The world has never been prepared for these trifles by prefaces, *wheedled* or troubled with excuses.—*Pope.*

Johnny *wheedled*, threaten'd, fawn'd,
Till Phillis all her trinkets pawn'd. *Swift.*

Wheédle. *s.* Enticement by soft words; flattery; cajolery.

Seduced by the caresses and *wheedles* of the Romish priests.—*Dorrington, Journey through Germany*, preface: 1699.

Wheédling. *part. adj.* Enticing.

A laughing, toying, *wheedling*, whimp'ring she,
Shall make him amble on a gossip's message.
Rowe, Jane Shore.

Wheel. *s.* [A.S. *hweol, hweowol.*]

1. Circular body that turns round upon an axis.

Carnality within raises all the combustions without: this is the great *wheel* to which the clock owes its motion.—*Dr. H. More, Decay of Christian Piety.*

Where never yet did pry
The busy morning's curious eye;
The *wheels* of thy bold coach pass quick and free,
And all's an open road to thee. *Cowley.*

[Fortune] sits all breathless, and admires to feel
A fate so weighty, that it stops her *wheel*.
Dryden, Epistles, To the Lord Chancellor Hyde.

Some watches are made with four *wheels*.—*Locke.*

2. Circular body.

Let go thy hold when a great *wheel* runs down a hill, lest it break thy neck with following it.—*Shakespear, King Lear*, ii. 4.

3. Instrument on which criminals are tortured.

Let them pull all about mine ears, present me
Death on the *wheel*, or at wild horses' heels.
Shakespear, Coriolanus, iii. 2.

For all the torments of her *wheel*
May you as many pleasures share. *Waller.*

His examination is like that which is made by the rack and *wheel*.—*Addison.*

4. Instrument of spinning.

Verse sweetens care, however rude the sound,
All at her work the village maiden sings;
Nor as she turns the giddy *wheel* around,
Revolves the sad vicissitudes of things. *Giffard.*

5. Rotation; revolution.

Look not too long upon these turning *wheels* of vicissitude, lest we become giddy.—*Bacon.*

According to the common vicissitude and *wheel* of things, the proud and the insolent, after long trampling upon others, come at length to be trampled upon themselves.—*South, Sermons.*

6. Compass about; tract approaching to circularity.

He throws his flight in many an aery *wheel*.
Milton, Paradise Lost, iii. 741.

Wheel. *v. n.*

1. Move on wheels; turn on an axis.

The moon carried about the earth always shews the same face to us, not once *wheeling* upon her own center.—*Bentley.*

2. Revolve; have a rotatory motion.

The course of justice *wheel'd* about,
And left thee but a very prey to time.
Shakespear, Richard III. iv. 4.

3. Fetch a compass.

Spies...
Held me in chase, that I was forced to *wheel*
Three or four miles about.
Shakespear, Coriolanus, i. 6.

You, my myrmidons,
Mark what I say, attend me where I *wheel*.
Id., Troilus and Cressida, v. 7.

Continually *wheeling* about, he kept them in so strait, that no man could, without great danger, go to water his horse.—*Knolles, History of the Turks.*

Half these draw off, and coast the south
With strictest watch; these other *wheel* the north:
Our circuit meets full west: as flame they part,
Half *wheeling* to the shield, half to the spear.
Milton, Paradise Lost, iv. 782.

4. Roll forward.

Thunder...
[Must] *wheel* on the earth, devouring where it rolls.
Milton, Paradise Lost, xii. 82.

Wheel. *v. a.*

1. Put into a rotatory motion; make to whirl round.

Heav'n rowl'd
Her motions, as the great first Mover's hand
First *wheels* their course.
Milton, Paradise Lost, vii. 499.

2. Provide with wheels.

A string of mules or a *wheeled* carriage might pass.—*Macaulay, History of England*, ch. xxiv.

Wheéler. *s.*

1. Maker of wheels.

After local names, the most have been derived from occupations, as Potter, Smith, Brasier, *Wheeler*, Wright.—*Camden.*

2. Horse next the wheels of the carriage.

The very postilions of inns have heard of Mirabeau: when an impatient traveller complains that the team is insufficient, his postilion answers, 'Yes, Monsieur, the *wheelers* are weak, but my Mirabeau (main horse) you see, is a right one.'—*Carlyle, French Revolution*, pt. i. b. vi. ch. ii.

Wheéling. *part. adj.* Moving on wheels.

Who sees a clock moving in every part,
A sailing pinnace, and a *wheeling* cart,
But thinks, that reason, ere it came to pass,
The first impulsive cause and mover was?
Sir J. Davies, Orchestra.

Wheélwright. *s.* Maker of wheels, or wheel carriages.

It is a tough wood, and all heart, being good for the *wheelwrights*.—*Mortimer, Husbandry.*

Wheély. *adj.* Circular; suitable to rotation. *Rare.*

Since *when*, his oath is broke.
Shakespear, Henry VI. Part III. ii. 2.

Used *substantivally* (with *since*). See under Why.
I sent thee late a rosy wreath,
Not so much honouring thee,
As giving it a hope that there
It should not withered be;
And thou thereon didst only breathe,
And send'st it back to me;
Since when it blows and smells, I swear,
Not of itself, but thee. *B. Jonson.*

When as. At the time when; what time. *Obsolete.*
This *when as* Guyon saw, he gan enquire
What meant that preace about that lady's throne.
Spenser, Faerie Queen, ii. 7, 48.

That short revenge the man may overtake,
Whereso he be, and soon upon him light. *Spenser.*

He oft
Frequented their assemblies, *whereso* met.
Milton, Paradise Lost, xi. 721.

Wheresoéver. *adv.* [see Who.]

1. In what place soever.

Poor naked wretches, *wheresoe'er* you are,
That bide the pelting of this pitiless storm,
How shall your houseless heads defend you
From seasons such as these?
Shakespear, King Lear, iii. 4.

2. To what place soever.

Can misery no place of safety know?
The noise pursues me *wheresoe'er* I go.
Dryden, Aurengzebe, v. 1.

Wherethroúgh. *adv.* Through which.

Wherethrough all the people went.—*Wisdom of Solomon*, xix. 8.

Whereto, Whereunto. *adv.*

1. That which.

She bringeth forth no kind of creature, *whereto* she is wanting in that which is needful.—*Hooker, Ecclesiastical Polity.*

What Scripture doth plainly deliver, to that the first place both of credit and obedience is due; the next *whereunto* is whatsoever any man can necessarily conclude by force of reason: after these, the voice of the church succeedeth.—*Ibid.*

I hold an old accustom'd feast,
Whereto I have invited many a guest.
Shakespear, Romeo and Juliet, i. 2.

Whereto the Almighty answer'd, not displeased.
Milton, Paradise Lost, viii. 398.

2. To what? to what end? (as, '*Whereto* is this expense?')

Whereupón. *adv.* Upon which.

The towsmen mutinied, and sent to Essex; *whereupon* he came thither.—*Lord Clarendon, History of the Grand Rebellion.*

Wherever. *adv.* [see Who.] At whatsoever place.

Which to avenge on him they dearly vow'd,
Wherever that on ground they mought him find.
Spenser, Faerie Queen, ii. 8, 11.

He cannot but love virtue, *wherever* it is.—*Bishop Atterbury.*

Wherewith, Wherewithal. *adv.*

1. With which.

As for those things *wherewith* superstition worketh, polluted they are.—*Hooker, Ecclesiastical Polity.*

Her bliss is all in pleasure and delight,
Wherewith she makes her lovers drunken mad.
Spenser, Faerie Queen, ii. 1, 52.

Northumberland, thou ladder *wherewithal*
The mounting Bolingbroke ascends my throne.
Shakespear, Richard II. v. 1.

Builders of Babel still, with vain design,
New Babels, had they *wherewithal*, would build.
Milton, Paradise Lost, iii. 467.

You will have patience with a debtor, who has an inclination to pay you his obligations, if he had *wherewithal* ready about him.—*Wycherley.*

But it is impossible for a man, who openly declares against religion, to give any reasonable security that he will not be false and cruel, whenever a temptation offers, which he values more than he does the power *wherewith* he was trusted.—*Swift.*

2. With what? *Interrogatively.*

Wherewithal shall a young man cleanse his way? Even by ruling himself after Thy word.—*Psalms*, cxix. 9.

If the salt have lost its savour, *wherewith* shall it be salted?—*Matthew*, v. 13.

Whern. *s.* [*quern* = handmill.] In the following example it means, perhaps, a spinning-wheel.

Like the thrifty huswife in the Proverbs, her hands are on the *wherne*, and her fingers on the distaff.—*Dr. Clarke, Sermon*, p. 472: 1637.

Whérret. *v. a.* [see Worrit.]

Whérry. *s.* [*? ferry.*] Light boat used on rivers.

And falling down into a lake,
Which him up to the neck doth take,
His fury somewhat it doth slake,
He calleth for a ferry;
What was his club he made his boat,
And in his oaken cup doth float,
As safe as in a *wherry*. *Drayton, Nymphidia.*

Let the vessel split on shelves,
With the freight enrich themselves:
Safe within my little *wherry*,
All their madness makes me merry. *Swift.*

Whérryman. *s.* One who rows a wherry.

He that is an excellent *wherryman* looketh towards the bridge, when he pulleth towards Westminster.—*Bacon.*

Whet. *v. a.* [A.S. *hwettan.*]

1. Sharpen by attrition.

Fool, thou *whet'st* a knife to kill thyself.
Shakespear, Richard III. i. 3.

Is but to *whet* thy almost blunted purpose.
Id., Hamlet, iii. 4.

There is the Roman slave *whetting* his knife, and listening.—*Addison, Travels in Italy.*

Eloquence, smooth and cutting, is like a razor *whetted* with oil.—*Swift.*

2. Edge; make angry or acrimonious: (used with *on* and *forward*, but improperly).

Peace, good queen;
O *whet* not *on* these too too furious peers;
For blessed are the peacemakers.
Shakespear, Henry VI. Part II. ii. 1.

He favoured the Christian merchants; and, the more to *whet* him *forwards*, the bassa had cunningly insinuated into his acquaintance one Mulearabe.—*Knolles.*

Let not thy deep bitterness beget
Careless despair in me; for that will *whet*
My mind to scorn. *Donne.*

'Tis sad that we should sacrifice the church's peace to the *whetting* and inflaming of a little vain curiosity.—*Dr. H. More, Decay of Christian Piety.*

Himself invented first the shining share,
And *whetted* human industry by care.
Dryden, Translation of the Georgics, i. 181.

Whet. *s.* Act of sharpening by, or as by, a whetstone; anything that gives an appetite, or makes hungry, as a dram.

An iv'ry table is a certain *whet*;
You would not think how heartily he'll eat.
Congreve, Translation of Juvenal, xi. 209.

He assisted at four hundred bowls of punch, not to mention sips, drams, and *whets*.—*Spectator.*

Prepare for meals as jockeys take a sweat,
Oh, nauseous! an emetic for a *whet*.
Cowper, Progress of Error.

Whéther. *pron.* [A.S. *hwæðer.*] Which of two.

Whither when they came, they fell at words
Whether of them should be the lord of lords.
Spenser.

Whether of them twain did the will of his father?—*Matthew*, xxi. 31.

Let them take *whether* they will: if they deduce all animals from single pairs, even to make the second of a pair is to write after a copy.—*Bentley.*

Whéther. *adv.* [A.S. *hwæðre.*] Particle expressing one part of a disjunctive question in opposition to the other: (answered by *or*).

As they, so we have likewise a publick form, how to serve God both morning and evening, *whether* sermons may be had *or* no.—*Hooker, Ecclesiastical Polity.*

Resolve *whether* you will *or* no.
Shakespear, Richard III. iv. 2.

Perkins's three counsellors registered themselves sanctuary-men; and *whether* upon pardon obtained, *or* continuance within the privilege, they were not proceeded with.—*Bacon.*

Whether by health or sickness, life *or* death, mercy is still contriving and carrying on the spiritual good of all who love God.—*South, Sermons.*

This assistance is only offered to men, and not forced upon them, *whether* they will *or* no.—*Archbishop Tillotson.*

Whether it be that the richest of these discoveries fall not into the pope's hands, *or* for some other reason, the prince of Farnese will keep this seat from being turned up, till one of his own family is in the chair.—*Addison, Travels in Italy.*

Whétstone. *s.* [A.S. *hwetstan.*]

1. Stone on which anything is whetted, or rubbed to make it sharp.

The minds of the afflicted do never think they have fully conceived the weight or measure of their own woe: they use their affection as a *whetstone* both to wit and memory.—*Hooker, Ecclesiastical Polity.*

2. Stone for hones.

Diligence is to the understanding as the *whetstone* to the razor; but the will is the hand, that must apply the one to the other.—*South, Sermons.*

Whétter. *s.*

1. One who whets or sharpens.

Love and enmity are notable *whetters* and quickeners of the spirit of life in all animals.—*Dr. H More.*

No more! I have too much on't,
Too much by you, ye *whetters* of my follies,
Ye angel formers of my sins, but devils!
Beaumont and Fletcher, Valentinian.

Love, like other sweet things, is no *whetter* of the stomach.—*Fielding, Adventures of Joseph Andrews.*

2. Tippler; one who frequently takes a whet.

The *whetter* is obliged to refresh himself every moment with a liquor, as the snuff-taker with a powder.—*Tatler*, no. 141.

Whew. *interj.* Often a whistle rather than an articulate combination of vocal sounds, suggestive of surprise, not unmixed with incredulity.

Lepel suppressed a *whew*.—*Hannay, Singleton Fontenoy.*

Whey. *s.* [A.S. *hwæg.*] Thin or serous part of milk, from which the fatty elements are separated.

I'll make you feed on curds and *whey*.
Shakespear, Titus Andronicus, iv. 2.

Milk is nothing but blood turned white, by being diluted with a greater quantity of serum or *whey* in the glandules of the breast.—*Harvey, Discourse on Consumptions.*

Wheyey. *adj.* Partaking of the nature of, resembling, whey. *Rare.*

Those medicines, being opening and piercing, fortify the operation of the liver, in sending down the *wheyey* part of the blood to the veins.—*Bacon, Natural and Experimental History.*

Wheyish. *adj.* Somewhat wheyey. *Rare.*

He that quaffs
Such *wheyish* liquors, oft with cholick pangs
He'll roar. *J. Philips, Cyder.*

Whiblen. *s.* [*? wifeling*; German, *weiblin.*] In the first extract, probably, eunuch: in the others of doubtful meaning. *Obsolete.*

God's my life, he's a very mandrake, or else (God bless us) one of those *whiblins*; and that's worse.—*Dekker, Honest Whore.* (Nares by H. and W.)

Come, sir! let go your *whiblin*.—*R. Brome, Lovesick Court*, v. 1. (Nares by H. and W.)

Planting the Isle of Dogs with *whiblins*, corwichets, mushrooms, and tobacco.—*Taylor* (*the Waterpoet*). (Nares by H. and W.)

Which. *pron.* [A.S. *hwilc*; Scotch, *whilk* = who + *like*, i.e. *what-like.*]

1. So called neuter of Who.

The apostle terms it the pledge of our heavenly inheritance, sometimes the handsel or earnest of that *which* is to come.—*Hooker, Ecclesiastical Polity.*

To *which* their want of judging abilities, add also their want of opportunity to apply to such consideration as may let them into the true goodness and evil of things, *which* are qualities *which* seldom display themselves to the first view.—*South, Sermons.*

The queen of furies by their side is set,
And snatches from their mouths th' untasted meat,
Which, if they touch, her hissing snakes she rears.
Dryden, Translation of the Æneid, vi. 820.

2. With *the* before it.

Do they not blaspheme that worthy name, by *the which* ye are called?—*James*, ii. 7.

3. Who, as in the first words of the Lord's prayer.

The Almighty, *which* giveth wisdom to whomsoever it pleaseth him, did, for the good of his church, stay those eager affections.—*Hooker, Ecclesiastical Polity.*

Do you hear, sir, of a battle?—Every one hears that,
Which can distinguish sound.
Shakespear, King Lear, iv. 6.

Had I been there, *which* am a silly woman,
The soldiers should have toss'd me on their pikes,
Before I would have granted to that act.
Id., Henry VI. Part III. i. 1

4. With *whose* as a genitive.

Of man's first disobedience, and the fruit
Of that forbidden tree, *whose* mortal taste
Brought death into the world.
Milton, Paradise Lost, i. 1.

5. As a demonstrative: (as, 'Take *which* you will').

What is the night?—
Almost at odds with morning, *which* is *which*.
Shakespear, Macbeth, iii. 4.

6. As an interrogative: (as, '*Which* is the man?').

Which of you convinceth me of sin?—*John*, viii. 46.

For *which* of these works do ye stone me?—*John*, x. 32.

Two fair twins,
The puzzled stranger *which* is *which* enquire.
Tickell.

Whichéver, Whichsoéver. *pron.* [see Who.] Whether one or the other.

Whichsoever of these he takes, and how often soever he doubles it, he finds that he is not one jot nearer the end of such addition than at first setting out.—*Locke.*

Whiff. *s.* [from the same origin as Waft and Wave.]

1. Blast; puff of wind.

Pyrrhus at Priam drives, in rage strikes wide;
But with the *whiff* and wind of his fell sword,
Th' unnerved father falls.
Shakespear, Hamlet, ii. 2.

Frank carves very ill, yet will palm all the meats;
He eats more than six, and drinks more than he eats;
Four pipes after dinner he constantly smokes,
And seasons his *whiffs* with impertinent jokes:
Yet sighing he says we must certainly break,
And my cruel unkindness compels him to speak,
For of late I invite him but four times a week.
Prior, Epigrams.

Nick pulled out a boatswain's whistle: upon the first *whiff* the tradesmen came jumping in.—*Arbuthnot, History of John Bull.*

2. Transient scent.

That *whiff* of Russia leather, and all those rows on rows of volumes, neatly arranged within; what happiness did they suggest?—*Dickens, Martin Chuzzlewit*, ch. v.

Whiff. *v. a.*

1. Consume in whiffs; emit with whiffs, as in smoking.

The gourmand sacrifices whole hecatombs to his paunch, and *whiffs* himself in Nicotian incense to the idol of his vain intemperance.—*Bishop Hall, St. Paul's Combat.*

They are bound by their law of good fellowship to be pouring in at their mouths, or *whiffing* out at their noses!—*Junius, Sin Stigmatized*, p. 269: 1689.

2. Puff.

It was scornfully *whiffed* aside.—*Carlyle, French Revolution*, pt. i. b. v. ch. ii.

Whiffle. *v. n.* Move inconstantly, as if driven by a puff of wind.

Whiffle. *v. a.*

1. Disperse as by a puff; blow away; scatter.

This is a plain and obvious sense—against such as would *whiffle* away all these truths by resolving them into a mere moral allegory.—*Dr. H. More, Exposition of the Epistles sent to the Seven Churches*, ch. ix.

2. Chat.

The main things of religion are so plainly revealed, and lie so obvious to every ordinary capacity, that every man may discern them; and when he hath once entertained them, ought to be stedfast and unmoveable in them, and not suffer himself to be *whiffled* out of them by an insignificant noise about the infallibility of a visible church.—*Archbishop Tillotson, Sermons*, vol. v. p. 117. (Ord MS.)

Whiffle. *s.* Anciently, a fife or small flute.

Whiffler. *s.*

1. Harbinger, probably one with a horn or trumpet: (see extract from Douce).

The beach
Pales in the flood with men, with wives and boys,
Whose shouts and claps outvoice the deep-mouth'd sea,
Which, like a mighty *whiffler* 'fore the king,
Seems to prepare his way.
Shakespear, Henry V. v. chorus.

A new company of counterfeit vizards, *whifflers*, maskers, mummers.—*Burton, Anatomy of Melancholy*, preface.

The *whifflers* had long staves, white and red.—*Old Meg of Herefordshire*: 1609.

Now he is at the pageants among the *whifflers*.—*Milton, Animadversions upon a Defence of the Humble Remonstrance*, § 4.

Whifflers were originally those who preceded armies or processions, as fifers or pipers.—*Douce, Illustrations of Shakespear*, i. 507.

2. One of no consequence; one moved with a whiff or puff; trifler.

Our fine young ladies retain in their service a great number of supernumerary and insignificant fellows, which they use like *whifflers*, and commonly call shoeing-horns.—*Spectator.*

Every *whiffler* in a laced coat, who frequents the chocolate-house, shall talk of the constitution.—*Swift.*

Whiffling. *part. adj.* Moving inconstantly; shifting; puffing.

Nothing is more familiar, than for a *whiffling* fop, that has not one grain of the sense of a man of honour, to play the hero.—*Sir R. L'Estrange.*

Was our reason given, to be thus puff'd about,
Like a dry leaf, an idle straw, a feather,
The sport of ev'ry *whiffling* blast that blows?
Rowe.

Whig. *s.* Whey; kind of sour or thin milk: (in some parts of the north of England, it means the watery part or whey of a baked custard).

With leeks and onions, *whig* and whey,
I must content me as I may.
Breton, Works of a Young Wit: 1577.

Sweet growte, or *whig*, his bottle had.
Warner, Albion's England.

Whig. *s.* See Tory.

Wit and fool are consequents to *whig* and tory; and every man is a knave or an ass to the contrary side.—*Dryden, Absalom and Achithophel*, preface.

Whoever has a true value for church and state, should avoid the extremes of *whig* for the sake of the former, and the extremes of tory on the account of the latter.—*Swift.*

Whiggarchy. *s.* [Gr. ἀρχή = government.] Government by whigs. *A coined and hybrid word.*

Let them come roundly to the business, and in plain terms give us to understand that they will not recognise any other government in Great Britain, but *whiggarchy* only.—*Swift, Conduct of the Allies*, appendix.

Whiggish. *adj.* Relating to the whigs.

She 'll prove herself a tory plain,
From principles the whigs maintain;
And, to defend the *whiggish* cause,
Her topicks from the tories draws. *Swift.*

Whiggism. *s.* Notions of a whig. *Hybrid.*

I could quote passages from fifty pamphlets, wholly made up of *whiggism* and atheism.—*Swift.*

While. *s.* [A.S. *hwil.*] Time; space of time.

I have seen her rise from her bed, and again return to bed; yet all this *while* in a most fast sleep.—*Shakespear, Macbeth*, v. 1.

One *while* we thought him innocent,
And then w' accused the consul.
B. Jonson, Catiline's Conspiracy.

Pausing a *while*, thus to herself she mused.
Milton, Paradise Lost, ix. 744.

That which I have all this *while* been endeavouring to convince men to, is no other but what God himself doth particularly recommend.—*Archbishop Tillotson.*

Few, without the hope of another life, would think it worth their *while* to live above the allurements of sense.—*Bishop Atterbury.*

What fate has disposed of the papers, 'tis not worth *while* to tell.—*Locke.*

While. *adv.*

1. During the time that.

Repeated, *while* the sedentary earth
Attains her end. *Milton, Paradise Lost*, viii. 32.

2. As long as.

Use your memory, you will sensibly experience a gradual improvement, *while* you take care not to overload it.—*Watts.*

3. At the same time that.

Like Cato, give his little senate laws,
And sit attentive to his own applause,
While wits and Templars ev'ry sentence raise,
And wonder with a foolish face of praise.
Pope, Epistle to Arbuthnot.

While. *v. n.* Loiter.

Men guilty this way never have observed that the *whiling* time, the gathering together, and waiting a little before dinner, is the most aukwardly passed away of any.—*Spectator.*

While. *v. a.* Draw out; consume in a tedious way.

To learn new modes and dresses, or to *while* away the time that lies useless upon their hands.—*Bragge, On the Parables*, vol. i. p. 17: 1724.

The word 'while' has been the father of a verb, which gives me an opportunity of lamenting, that I should have caused you to *while* away so much time in perusing this disquisition.—*Pegge, Anecdotes of the English Language*, p. 229.

Whilere. *adv.* A little while ago; erewhile. *Obsolete.*

That cursed wight, from whom I 'scaped *whilere*,
A man of hell, that calls himself Despair.
Spenser, Faerie Queen, i. 9, 28.

Let us be jocund: will you troul the catch
You taught me but *while-ere?*
Shakespear, Tempest, iii. 2.

He who, with all heaven's heraldry, *whilere*
Enter'd the world, now bleeds to give us ease.
Milton, Odes, Upon the Circumcision, 10.

Whiles. *adv.* Obsolete form of While.

What we have, we prize not to the worth,
Whiles we enjoy it; but being lackt and lost,
Why, then we rack the value.
Shakespear, Much Ado about Nothing, iv. 1.

Whiles by the experiment of this ministration they glorify God, for your professed subjection unto the gospel.—2 *Corinthians*, ix. 13.

Whilst. *adv.* While.

Can he imagine that God sends forth an irresistible strength against some sins, *whilst* in others he permits men a power of repelling his grace?—*Dr. H. More, Decay of Christian Piety.*

Whilom. *adv.* [A.S. *hwilom, hwilon*, the dative plural of *hwil* = time, with an adverbial construction.] Formerly; once; of old. *Obsolete.*

In northern clime a val'rous knight
Did *whilom* kill his bear in fight,
And wound a fiddler. *Butler, Hudibras*, i. 1, 897.

Apollo, with unweeting hand,
Whilom did slay his dearly loved mate.
Milton, Odes, On the Death of a Fair Infant, 23.

Whim. *s.* [?] Freak; odd fancy; caprice; irregular motion of desire.

All the superfluous *whims* relate,
That fill a female gamester's pate.
Swift, Journal of a Modern Lady.

He learnt his *whims*, and high-flown notions too,
Such as fine men adopt, and fine men rue. *Harte.*

Whim. *v. a.* Influence by an odd fancy; lead capriciously. *Rare.*

He complained that he had for a long season been in as good a way as he could almost wish, but he knew not how he came to be *whimmed* off from it, as his expression was.—*Ward, Life of Dr. Henry More.*

Whimper. *v. n.* Cry without any loud noise.

The father by his authority should always stop this sort of crying, and silence their *whimpering*.—*Locke, Thoughts on Education.*

A laughing, toying, wheedling, *whimp'ring* she,
Shall make him amble on a gossip's message.
Rowe, Jane Shore.

Whimpering. *verbal abs.* Act of uttering a small cry; squeak.

The noise of little birds, the *whimpering* of mice, every small stirrage, waketh them.—*Granger, Commentary on Ecclesiastes*, p. 320: 1621.

He will not be put off with solemn *whimperings*, hypocritical confessions, rueful faces.—*Dr. H. More, Mystery of Godliness*, p. 509: 1660.

This *whimpled*, whining, purblind, wayward boy,
This signior Junio's giant dwarf, Dan Cupid,
Regent of love-rhimes, lord of folded arms,
Th' anointed sovereign of sighs and groans.
Shakespear, Love's Labour's lost, iii. 1.

Whimsey. *s.* Freak; caprice; odd fancy; whim.

I can feel
A *whimsey* in my blood. *B. Jonson, Volpone.*

At this rate a pretended freak or *whimsey* may be palliated.—*Sir R. L'Estrange.*

All the ridiculous and extravagant shapes that can be imagined, all the fancies and *whimsies* of poets and painters, and Egyptian idolators, if so be they are consistent with life and propagation, would be now actually in being, if our atheists' notion were true.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

Th' extravagance of poetry
Is at a loss for figures to express
Men's folly, *whimsies*, and inconstancy. *Swift.*

Whimsey. *v. a.* Fill with whimseys.

To have a man's brains *whimsied* with his wealth.—*Beaumont and Fletcher, Rule a Wife and have a Wife.*

Whimsical. *adj.* Freakish; capricious; oddly fanciful.

In another circumstance I am particular, or, as my neighbours call me, *whimsical*: as my garden invites into it all the birds, I do not suffer any one to destroy their nests.—*Addison.*

Whimsicálity. *s.* Whimsical character of anything. *Rare; hybrid.*

For three generations at least this tenet in favour of long noses had gradually been taking root in our family. Tradition was all along on its side, and interest was every half year stepping in to strengthen it; so that the *whimsicality* of my father's brain was far from having the whole honour of this, as it had of almost all his other strange notions.—*Sterne, Tristram Shandy*, vol. iii. ch. xxxiii.

Whimsically. *adv.* In a whimsical manner; oddly fanciful.

Your situation and mine are *whimsically* odd in relation to the present dispute about articles and subscriptions.—*Dean Tucker, Letter to Dr. Kippis*, p. 67.

Whímsicalness. *s.* Attribute suggested by Whimsical; state of being whimsical.

He *whined* and roar'd away your victory,
That pages blush'd at him.
Shakespear, Coriolanus, v. 5.

Whip him,
Till, like a boy, you see him cringe his face,
And *whine* aloud for mercy.
Id., Antony and Cleopatra, iii. 11.

He made a viler noise than swine
In windy weather, when they *whine.*
Butler, Hudibras, ii. 2, 625.

Some, under sheep's cloathing, had the properties of wolves, that is, they could *whine* and howl, as well as bite and devour.—*South, Sermons.*

Whine. *s.* Plaintive noise; mean or affected complaint.

The favourable opinion of men comes oftentimes by a few demure looks and affected *whines,* set off with some odd devotional postures and grimaces.—*South, Sermons.*

Thy hateful *whine* of woe
Breaks in upon my sorrows, and distracts
My jarring senses with thy beggar's cry.
Rowe, Jane Shore.

To *whip* this dwarfish war, these pigmy arms,
From out the circle of his territories.
Shakespear, King John, v. 2.

Since I pluckt geese, play'd truant, and *whipt* top,
I knew not what 'twas to be beaten till lately.—*Id., Merry Wives of Windsor,* v. 1.

If ordered every day to *whip* his top, so long as to make him weary, he will wish for his book, if you promise it him as a reward of having *whipt* his top lustily quite out.—*Locke, Thoughts on Education.*

4. Correct with lashes.

I'll leave you to the hearing of the cause,
Hoping you'll find good cause to *whip* them all.
Shakespear, Measure for Measure, ii. 1.

Hourly we see some raw pin-feather'd thing
Attempt to mount, and fights and heroes sing,
Who for false quantities was *whipt* at school
But t'other day, and breaking grammar-rule.
Dryden, Translation of Persius, i. 134.

5. Lash with sarcasm.

They would *whip* me with their fine wits, till I was as crest-fallen as a dried pear.—*Shakespear, Merry Wives of Windsor,* iv. 5.

6. Enwrap.

Its string is firmly *whipt* about with small gut, that it may the easier move in the edge of the rowler.—*Moxon, Mechanical Exercises.*

7. Take anything nimbly: (always with a particle, ascertaining the sense; as, *out, on, up, away*). *Ludicrous.*

He *whips* his rapier *out,* and cries, a rat!
Shakespear, Hamlet, iv. 1.

She in a hurry *whips up* her darling under her arm.—*Sir R. L'Estrange.*

Brisk Susan *whips* her linen *from* the rope,
Whilst the first drizzling show'r is born aslope.
Swift, Description of a City Shower.

Whip. *v. n.* Move nimbly. *Ludicrous.*

The simple 'squire made a sudden start to follow; but the justice of the quorum *whipped* between.—*Tatler.*

Whip. *s.* [A.S. *hweop.*] Instrument of correction, tough and pliant.

My father chastised you with *whips,* but I will chastise you with scorpions.—1 *Kings,* xii. 11.

Put in ev'ry honest hand a *whip,*
To lash the rascal naked through the world.
Shakespear, Othello, iv. 2.

O'er the guilty ghost the Fury shakes
Her sounding *whip,* and brandishes her snakes.
Dryden, Translation of the Æneid, vi. 771.

Whip and spur. With the utmost haste.

Each staunch polemic stubborn as a rock,
Each fierce logician, still expelling Locke,
Came *whip and spur,* and dash'd thro' thin and thick. *Pope, Dunciad,* iv. 105.

Whípcord. *s.* Cord of which lashes are made.

In Raphael's first works are many small foldings, often repeated, which look like so many *whipcords.*—*Dryden.*

Whíphand. *s.* Advantage.

The archangel, when discord was restive, and would not be drawn from her beloved monastery with fair words, has the *whiphand* of her, and drags her out with many stripes.—*Dryden.*

Whíplash. *s.* Lash or small end of a whip.

Have *whiplash* wel knotted and cartrope inough.
Tusser, Five Hundred Points of good Husbandry.

Whípper. *s.* One who punishes with whipping.

Love is merely a madness, and deserves as well a dark-house and a whip as madmen do; and the reason why they are not so punished is, that the *whippers* are in love too.—*Shakespear, As you like it,* iii. 2.

Whípper-in. *s.* In *Hunting.* One who, in conjunction with the huntsman, has the management of a pack of hounds in the field, his business being to bring each hound home after the hunt is over. In *Politics* the term is applied to those members of a party whose business it is to keep the members of it together, especially for the purpose of voting at divisions.

The House was in no mood to think of facts and figures. Early in the evening . . . the Speaker's sonorous voice sounded 'Strangers must withdraw.' The *whipper-in* was whispering to Audley.—*Lord Lytton, My Novel,* b. x. ch. xiv.

Whípper-snápper. *s.* Diminutive, irritable and irritating, insignificant person.

Whípping. *verbal abs.* Correction with a whip or rod.

Let it be with us, as with some good-natured children, whom I have seen even after their *whippings* unquiet, till with their continued tears and importunities they have made their peace with their offended parent.—*Bishop Hall, Remains,* p. 108.

Whipping [is] Virtue's governess;
Tutress of arts and sciences,
That mends the gross mistakes of Nature.
Butler, Hudibras, ii. 1, 811.

Whíppingpost. *s.* Pillar to which criminals are bound when they are lashed.

Could not the *whippingpost* prevail,
With all its rhet'rick, nor the jail,
To keep from flaying scourge thy skin,
And ankle free from iron gin.
Butler, Hudibras, i. 2, 965.

Whípsaw. *s.* See extract.

The *whipsaw* is used by joiners to saw such great pieces of stuff that the handsaw will not easily reach through.—*Moxon, Mechanical Exercises.*

Whípstaff. *s.* Piece of wood fastened to the helm, which the steersman holds in his hand to move the helm and turn the ship.

Whípster. *s.* Nimble fellow.

I am not valiant neither;
But ev'ry puny *whipster* gets my sword.
Shakespear, Othello, v. 2.

Give that *whipster* but his errand,
He takes my lord chief justice' warrant.
Prior, An English Padlock.

Whípstock. *s.* Handle of a whip; whip itself.

By his rusty outside he appears
To have practised more the *whipstock* than the lance. *Shakespear, Pericles,* ii. 2.

Phebus when
He broke his *whipstock,* and exclaim'd against
The horses of the sun, but whisper'd to
The loudness of his fury.
Beaumont and Fletcher, Two Noble Kinsmen.

Whir. *v. n.* Turn round rapidly, with noise: (a bird that flies with a quick motion, accompanied with noise, is still said to *whir* away).

Gather dust with *whirring* fiercely round.
Chapman, Translation of the Iliad, b. xiv.

Spelt *whirry.*

Through pools and ponds
I *whirry.* *Old Ballad of Robin Goodfellow.*

Whir. *v. a.* Hurry.

This world to me is like a lasting storm,
Whirring me from my friends.
Shakespear, Pericles, iv. 1.

Whir. *s.* Whirring sound.

The cry . . . ends in the wide simultaneous *whirr* of shouldered muskets.—*Carlyle, The French Revolution,* pt. ii. b. ii. ch. iii.

Whirl. *v. a.* Turn round rapidly.

My thoughts are *whirled* like a potter's wheel:
I know not where I am, nor what I do.
Shakespear, Henry VI. Part I. i. 5.

He *whirls* his sword around without delay,
And hews through adverse foes an ample way.
Dryden, Translation of the Æneid, x. 715.

They have ever been taught by their senses, that the sun, with all the planets and the fixed stars, are *whirled* round this little globe.—*Watts, Improvement of the Mind.*

Whirl. *v. n.*

1. Run round rapidly.

Five moons were seen to-night,
Four fixed, and the fifth did *whirl* about
The other four in wond'rous motion.
Shakespear, King John, iv. 2.

As young striplings whip the top for sport
On the smooth pavement of an empty court,
The wooden engine flies and *whirls* about,
Admired with clamours of the beardless rout.
Dryden, Translation of the Æneid, vii. 528.

2. Move hastily.

She what he swears regards no more
Than the deaf rocks when the loud billows roar;
But *whirl'd* away, to shun his hateful sight,
Hid in the forest.
Dryden, Translation of the Æneid, vi. 635

Whírl. *s.*

1. Gyration; quick rotation; circular motion; rapid circumvolution.

What flaws and *whirls* of weather,
Or rather storms, have been aloft these three days!
Beaumont and Fletcher, The Pilgrim.

'Twere well your judgments but in plays did range;
But ev'n your follies and debauches change
With such a *whirl,* the poets of your age
Are tired, and cannot score them on the stage.
Dryden, Spanish Friar, prologue.

I have been watching what thoughts came up in the *whirl* of fancy, that were worth communicating.—*Pope.*

How the car rattles, how its kindling wheels
Smoke in the *whirl*: the circling sand ascends,
And in the noble dust the chariot's lost. *Smith.*

2. Anything moved with rapid rotation.

For though in dreadful *whirls* we hung
High on the broken wave,
I knew thou wert not slow to hear,
Nor impotent to save. *Addison, Spectator.*

Whírlbat. *s.* Anything moved rapidly round to give a blow: (frequently used by the poets for the ancient cestus).

At *whirlbat* he had slain many, and was now himself slain by Pollux.—*Sir R. L'Estrange.*

The *whirlbat's* falling blow they nimbly shun,
And win the race ere they begin to run.
Creech, Translation of Manilius.

The *whirlbat* and the rapid race shall be
Reserved for Cæsar, and ordain'd by me.
Dryden, Translation of the Georgics, iii. 30.

Whirlbone. *s.* [A.S. *hweorban, hwyrfban.*] Kneecap.

Whirligig. *s.*

1. Toy which children spin round.
He found that marbles taught him percussion, and *whirligigs* the axis in peritrochio.—*Arbuthnot and Pope, Martinus Scriblerus.*

2. Applied ludicrously to the terrestrial globe.
The sceptics think 'twas long ago
Since gods came down incognito. . . .
That since they gave things their beginning,
And set this *whirligig* a spinning,
Supine they in their heaven remain.
Prior, The Ladle.

Whirlpit. *s.* Whirlpool.
In the fathomless profound
Down sunk they, like a falling stone,
By raging *whirlpits* overthrown. *Sandys.*

Whirlpool. *s.*

1. Place where the water moves circularly, and draws whatever comes within the circle towards its centre; vortex: (Whirlwind of water).
Poor Tom! whom the foul fiend hath led through ford and *whirlpool*, o'er bog and quagmire.—*Shakespear, King Lear*, iii. 4.
This calm of heaven, this mermaid's melody,
Into an unseen *whirlpool* draws you fast,
And in a moment sinks you.
Dryden, Spanish Friar, iv. 2.
There might arise some vertiginous motions or *whirlpools* in the matter of the chaos, whereby the atoms must be thrust and crowded to the middle of those *whirlpools*, and there constipate one another into great solid bodies.—*Bentley.*

2. Whale. *Obsolete.*
The ork, whale, *whirlpool*, or huffing physeter.—*Sylvester, Translation of Dubartas, First Day of First Week.*
Whales and *whirlpools* called Balænæ.—*Holland, Translation of Pliny*, p. 235.

Both the above extracts are from Archbishop Trench's work, Deficiencies in English Dictionaries.

Whirlwind. *s.* Stormy wind moving circularly: (Whirlpool of air).
In the very torrent, tempest, and (as I may say) *whirlwind* of your passion, you must acquire and beget a temperance that may give it smoothness.—*Shakespear, Hamlet*, iii. 2.
With *whirlwinds* from beneath she toss'd the ship,
And bare exposed the bosom of the deep.
Dryden, Translation of the Æneid, i. 64.

Whirrit. *s.* Box on the ear.
Then there's your souse, your *whirrit*, and your dowse,
Tugs on the hair, your bob o' the lips—a whelp on't!
I ne'er could find much difference.
Beaumont and Fletcher, Nice Valour, iii. 1.

Whisk. *s.*

1. Small besom, or brush.
If you break any china with the top of the *whisk* on the mantel-tree, gather up the fragments.—*Swift.*

2. Quick violent motion; hence perhaps a sudden gale.
One showre of haile with sudden *whiske*
Makes all not worth a pin.
Turbervile, Translation of Mantuan: 1567.
This first sad *whisk*
Takes off thy dukedom.
Beaumont and Fletcher, Noble Gentleman.

3. Part of a woman's dress; narrow and long light veil, capable of being thrown back and round the neck; called also neck-whisk, falling whisk, and gorget.
An easy means to prevent being one farthing the worse for the abatement of interest, is wearing a lawn *whisk* instead of a point de Venice.—*Sir J. Child, Discourse on Trade.*

Whisk. *v. a.*

1. Sweep with a small besom.
For I suppose that he is
Of Jeremy the *whisking* rod;
The flayle, the scourge,
Of Almighty God. *Skelton, Poems*, p. 174.

2. Move nimbly, as when one sweeps.
He *whisk'd* his party-coloured wings.
And down to earth he comes. *Sir W. Raleigh.*

Whisk. *v. n.* Move with velocity.
Cardan believed great states depend
Upon the tip o' th' bear's tail's end;
That as she *whisk'd* it t'wards the sun,
Strow'd mighty empires up and down.
Butler, Hudibras, ii. 3, 895.

Whisker. *s.* Hair growing on the upper lip or cheek unshaven; mustachio.
A sacrifice to fall of state,
Whose thread of life the fatal sisters
Did twist together with its *whiskers.*
Butler, Hudibras, i. 1, 274.
Behold four kings in majesty revered,
With hoary *whiskers* and a forky beard.
Pope, Rape of the Lock, canto iii.
A painter added a pair of *whiskers* to the face.—*Addison, Spectator.*

Whiskered. *adj.* Formed into whiskers.
Preferring sense from chin that's bare,
To nonsense throned in *whisker'd* hair.
Green, The Spleen.

Whiskery. *adj.* Having, or with a tendency to have, whiskers.
The old lady is as ugly as any woman in the parish, and as tall and *whiskery* as a grenadier.—*Thackeray, Book of Snobs*, ch. xxxiv.

Whisky. *s.* [Gaelic, *uisge* = water; whence *usquebaugh* = water of life; *featha.*] Distilled liquor so called in Ireland and Scotland; Usquebaugh is the same, flavoured with licorice.
At the village of Gretna the young pair may be united by a fisherman, a joiner, or a blacksmith, who marry from two guineas a job to a dram of *whisky.—Pennant.*
The Highlanders regale themselves with *whisky*, a malt spirit as strong as geneva.—*Smollett, Expedition of Humphrey Clinker.*

Whisper. *v. n.* [A.S. *hwisprian.*] Speak with a low voice, so as not to be heard but by the ear close to the speaker; speak with suspicion or timorous caution.
All that hate me *whisper* together against me.—*Psalms*, xli. 7.
The king . . . Acestis calls; . . .
Then softly *whisper'd* in her faithful ear,
And bade his daughters at the rites appear.
Pope, Translation of the First Book of the Thebais of Statius.

Whisper. *v. a.*

1. Address in a low voice.
When they talk of him, they shake their heads,
And *whisper* one another in the ear.
Shakespear, King John, iv. 2.
He first *whispers* the man in the ear, that such a man should think such a card.—*Bacon, Natural and Experimental History.*
The steward *whispered* the young Templar, That's true to my knowledge.—*Tatler.*

2. Utter in a low voice.
Sit and eat your bread,
Nor *whisper* more a word; or get ye gone,
And weepe without doors.
Chapman, Translation of the Odyssey.
They might buzz and *whisper* it one to another, and, tacitly withdrawing from the apostles, noise it about the city.—*Bentley.*

3. Prompt secretly.
Charles the emperor,
Under pretence to see the queen his aunt,
For 'twas indeed his colour, but he came
To *whisper* Wolsey, here makes visitation.
Shakespear, Henry VIII. i. 1.

Whisper. *s.* Low soft voice; cautious and timorous speech.
The extension is more in tones than in speech; therefore the inward voice or *whisper* cannot give a tone.—*Bacon.*
Strictly observe the first hints and *whispers* of good and evil that pass in the heart, and this will keep conscience quick and vigilant.—*South, Sermons.*
He uncall'd, his patron to controul,
Divulged the secret *whispers* of his soul. *Dryden.*

Whisperer. *s.* One who, that which, whispers.

1. One who speaks low.
St. Gregory had no meaner *whisperer*, under the shape of a pigeon, sitting quietly upon his head.—*Brevint, Saul and Samuel at Endor*, p. 47.

2. Private talker; teller of secrets; conveyer of intelligence.
Kings' trust in eunuchs hath rather been as to good spials and good *whisperers*, than good magistrates.—*Bacon.*

Whisperhood. *s.* Initial condition of a rumour; time when it is whispered as a secret. *Probably coined by the writer of the extract.*
I know a lie, that now disturbed half the kingdom with its noise, which although too proud and great at present to own its parents, I can remember its *whisperhood.—Swift, Examiner*, no. 15. (Ord MS.)

Whispering. *verbal abs.* Act of speaking in a low voice; cautious speech.
The court and city were full of *whisperings* and expectation of some sudden change.—*Sir P. Sidney.*
In speech of man, the *whisperings* or susurrus, whether louder or softer, is an interiour sound.—*Bacon.*
God comes, not only within the ken of our necessities, but within the hearing of the softest *whisperings* of our prayers.—*Bishop Hall, Remains*, p. 95.
Birds will bear thy *whisperings* on their wings.
Sandys, Paraphrase of Ecclesiastes.

Whisperingly. *adv.* In a whispering manner; in a low voice.
The one is uttered vocally, the other *whisperingly.—Dalgarno, Deaf and Dumb Man's Tutor*, p. 107.

Whist. *interj.* [*hush.*] Be still; be silent.
Whist, wanton, still ye.—*Lodge, Euphues's Golden Legacie.*
Be *whist*, be still, be silent censors now
R. Greene, Poems, Melicertus' Eclogue.

Whist. *v. a.* Silence; still.
So was the Titaness put downe and *whist.*
Spenser, Faerie Queen.
The gyre is cleere, and southerne windes are *whist.*
Marlow and Nash, Dido: 1594.
The wild waves *whist*, (i.e. being stilled).
Shakespear, Tempest, i. 2, song.

Whist. *v. n.* Become silent.
They *whisted* all.
Lord Surrey and Phaer, Translation of the Æneid.
This is the rendering of '*Conticuere omnes*,' the first two words of b. ii.

Whist. *adj.* Silent.
In dead of night, when all was *whist* and still.
Sandys, Translation of Ovid's Metamorphoses.
The winds with wonder *whist*,
Smoothly the waters kiss'd,
Whispering new joys to the mild ocean.
Milton, Odes, On the Morning of Christ's Nativity, 64.

Whist. *s.* Game at cards, requiring close attention and silence.
But what was this? a game at *whist*
Unto our Plowden canonist.
Second Part of Hudibras (spurious), 1663.
The clergyman used to play at *whist* and swobbers.—*Swift.*

Whistle. *v. n.* [A.S. *hwistlan*; Lat. *fistulo.*]

1. Form a kind of musical sound, by an inarticulate modulation of the breath.
I've watch'd and travell'd hard:
Some time I shall sleep out, the rest I'll *whistle.*
Shakespear, King Lear, ii. 2.
Let one *whistle* at the one end of a trunk, and hold your ear at the other, and the sound shall strike so sharp as you can scarce endure it.—*Bacon, Natural and Experimental History.*
He trudged along, unknowing what he sought,
And *whistled* as he went for want of thought.
Dryden, Cymon and Iphigenia, 84.

2. Make a sound with a small wind-instrument.
They skip from stem to stern; the boatswain *whistles*,
The master calls, and trebles their confusion.
Shakespear, Pericles, iv. 1.

3. Sound shrill.
His big manly voice
Changing again toward childish treble, pipes
And *whistles* in his sound.
Shakespear, As you like it, ii. 7.

Whistle. *v. a.* Call by a whistle.
Let him *whistle* them backwards and forwards, till he is weary.—*South, Sermons.*
He chanced to miss his dog: we stood still till he had *whistled* him up.—*Addison.*

Whistle. *s.* [A.S. *hwistle.*]

1. Sound made by the modulation of the breath in the mouth.
'My sire in caves constrains the winds;
Can with a breath their clamorous rage appease;
They fear his *whistle*, and forsake the seas.
Dryden.

2. Sound made by a small wind-instrument.
Behold,
Upon the hempen tackle shipboys climbing;
Hear the shrill *whistle*, which doth order give
To sounds confused.
Shakespear, Henry V. iii. chorus.

3. Small wind-instrument.
Small *whistles*, or shepherds' oaten pipes, give a sound, because of their extreme slenderness, whereby the air is more pent than in a wider pipe.—*Bacon, Natural and Experimental History.*
Her infant grandame's *whistle* next it grew,
The bells she jingled, and the *whistle* blew.
Pope, Rape of the Lock, canto v.

4. Noise of winds.

5. Call, such as sportsmen use to their dogs.
Madam, here comes my lord.—
I have been worth the *whistle*.
Shakespear, King Lear, iv. 2.
The knight, perusing this epistle,
Believed he'd brought her to his *whistle*.
Butler, Hudibras, Heroical Epistle to his Lady, 337.

Wet your whistle. Take a draught.
Let's drink the other cup to wet our *whistles*, and so sing away all sad thoughts.—*I. Walton, Complete Angler.*

Whistler. *s.* One who whistles.
The prize was a guinea, to be conferred upon the ablest *whistler*, who could whistle clearest, and go through his tune without laughing.—*Addison, Spectator.*

Whistling. *part. adj.* Sounding shrill.
When winged deaths in *whistling* arrows fly,
Wilt thou, though wounded, yet undaunted stay?
Prior, Henry and Emma, 333.

Whistling. *s.* [A.S. *hwistling.*] Act of one who, that which, whistles: (as, 'the *whistling* of the wind').

Whistly. *adv.* Silently.
I, upon a little rising hill,
Stood *wistly* watching for the herd's approach.
Arden of Feversham: 1599.

Whit. *s.* [A.S. *wiht.*] Point; jot.
The motive cause of doing it is not in ourselves, but carrieth us as if the wind should drive a feather in the air; we no *whit* furthering that whereby we are driven.—*Hooker, Ecclesiastical Polity.*
Nature's full blessings would be well dispensed
In unsuperfluous, even proportion,
And she no *whit* encumber'd with her store.
Milton, Comus, 772.
In accounts of ancient times it ought to satisfy any enquirer, if they can be brought any *whit* near one another.—*Archbishop Tillotson.*

White. *adj.* [A.S. *hwit.*]
1. Having such an appearance as arises from the mixture of all colours; snowy.
When the paper was held nearer to any colour than to the rest, it appeared of that colour to which it approached nearest; but when it was equally, or almost equally, distant from all the colours, so that it might be equally illuminated by them all, it appeared *white.*—*Sir I. Newton, On Opticks.*
2. Having the colour of fear; pale.
My hands are of your colour, but I shame
To wear a heart so *white*. *Shakespear, Macbeth*, ii. 2.
3. Having the colour appropriated to happiness and innocence.
Let this auspicious morning be exprest
With a *white* stone distinguish'd from the rest;
White as thy fame, and as thy honour clear,
And let new joys attend on thy new-added year.
Dryden, Translation of Persius, ii. 1.
4. Grey with age.
I call you servile ministers,
That have with two pernicious daughters join'd
Your high-engender'd battles 'gainst a head
So old and *white* as this.
Shakespear, King Lear, iii. 2.
5. Pure; unblemished; unclouded.
Unhappy Dryden! in all Charles's days,
Roscommon only boasts unspotted lays:
And in our own, excuse some courtly stains,
No *whiter* page than Addison's remains.
Pope, Imitations of Horace, b. ii. ep. i.

As the *first element* in a *compound.*
Welcome, pure-eyed faith, *white-handed* hope:
Thou hovering angel girt with golden wings,
And thou unblemish'd form of chastity.
Milton, Comus, 213.
Peace o'er the world her olive wand extend,
And *white-robed* innocence from heaven descend.
Pope, Messiah, 19.

White. *s.*
1. Whiteness; anything white; white colour.
My Nan shall be the queen of all the fairies,
Finely attired in a robe of *white*.
Shakespear, Merry Wives of Windsor, iv. 4.
A friend coming to visit me, I stopped him at the door, and before I told him what the colours were, or what I was doing, I asked him which of the two *whites* were the best, and wherein they differed? and after he had at that distance viewed them well, he answered that they were both good *whites*, and that he could not say which was best, nor wherein their colours differed.—*Sir I. Newton, On Opticks.*
2. Mark at which an arrow is shot, which used to be painted white.
If a mark be set for an archer at a great distance, let him aim as exactly as he can, the least wind shall take his arrow, and divert it from the *white.*—*Dryden.*
3. Albuminous part of eggs.
I'll fetch some flax and *whites* of eggs
T' apply to 's bleeding face.
Shakespear, King Lear, iii. 7.
What principle manages the *white* and yolk of an egg into such a variety of textures, as is requisite to fashion a chick?—*Boyle.*
4. White part of the eye.
Our general himself
Sanctifies himself with 's hands,
And turns up the *white* o' th' eye to his discourse.
Shakespear, Coriolanus, iv. 5.
The horny or pellucid coat of the eye doth not lie in the same superficies with the *white* of the eye, but riseth up as a hillock above its convexity.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

White. *v. a.* Whiten.
His raiment became shining, exceeding white as snow; so as no fuller on earth can *white* them.—*Mark*, ix. 3.
Thou . . . dost never
Wear thy own face, but putt'st on his, and gather'st
Baits for his ears: liv'st wholly at his beck; . . .
Whit'st over all his vices.
Beaumont and Fletcher, Bloody Brother.

Whitebait. *s.* Until the publication of Yarrell's History of British Fishes, the fry of the shad (Clupea alosa); then, a fish of the species Clupea alba; thirdly, the fry of the pilchard. The exact zoology of this well-known fish has yet to be generally recognized.

Whitecaps. *s.* Mushroom so called; Agaricus arvensis; horse mushroom.

Whitelead. *s.* [two words, or a compound, according to its opposition to *red lead.*] See extract.
White lead is made by taking sheet-lead, and having cut it into long and narrow slips, they make it up into rolls, but so that a small distance may remain between every spiral revolution. These rolls are put into earthen pots, so ordered that the lead may not sink down above half way, or some small matter more in them: these pots have each of them very sharp vinegar in the bottom, so full as almost to touch the lead. When the vinegar and lead have both been put into the pot, it is covered up close, and so left for a certain time; in which space the corrosive fumes of the vinegar will reduce the surface of the lead into a mere white calx, which they separate by knocking it with a hammer. There are two sorts of this sold at the colour shops, the one called ceruse, which is the most pure part, and the other is called *white lead.*—*Quincy.*

Whitelimed. *adj.* Covered with white plaster.
Ye *white-limed* walls.
Shakespear, Titus Andronicus, iv. 2.

Whitelivered. *adj.* Envious; malicious; cowardly.
Whitelivered runagate, what doth he there?
Shakespear, Richard III. iv. 4.
Whitelivered wretches, without one word to ask a reason why!—*Beaumont and Fletcher, Elder Brother.*

Whitely. *adj.* Nearly white; pale in colour.
A *whitely* wanton, with a velvet brow,
With two pitch-balls stuck in her face for eyes.
Shakespear, Love's Labour's lost, iii. 1.
Now, governor, I see I must blush
Quite through this vail of night a *whitely* shame,
To think I could design to make those free,
Who were by nature slaves. *Southern, Oroonoko.*

Whitemeat. *s.* Food made of milk.
Much saltness in *whitemeat* is ill for the stone.
Tusser, Five Hundred Points of good Husbandry.
The Irish banished into the mountains, lived only upon *whitemeats.*—*Spenser, View of the State of Ireland.*

Whiten. *v. a.* Make white.
The smoke of sulphur will not black a paper, and is commonly used by women to *whiten* tiffanies.—*Sir T. Browne.*
Striking her cliff, the storm confirms her pow'r;
The waves but *whiten* her triumphant shore.
Prior, Epistle presented to the King in 1696.

Whiten. *v. n.* Grow white.

Whitener. *s.* One who makes anything white.

Whiteness. *s.* Attribute suggested by White.
1. State of being white; freedom from colour.
This doth lead me to her hand,
Of my first love the fatal band,
Where whiteness doth for ever sit;
Nature herself enamell'd it. *Sir P. Sidney.*
Whiteness is a mean between all colours, having disposed itself indifferently to them all, so as with equal facility to be tinged with any of them.—*Sir I. Newton, On Opticks.*
2. Paleness.
Thou tremblest, and the *whiteness* of thy cheek
Is apter than thy tongue to tell thy errand.
Shakespear, Henry IV. Part II. i. 1.
3. Purity; cleanness.
The least spot is visible on ermine; but to preserve this *whiteness* in its original purity, you have, like that ermine, forsaken the common track of business, which is not always clean.—*Dryden.*

Whitepot. *s.* Dish so called; custard; furmety.
Cornwall squab-pie, and Devon *whitepot* brings.
King, Art of Cookery.

4. To what degree. *Obsolete.*
Whither at length wilt thou abuse our patience?
Still shall thy fury mock us?
B. Jonson, Catiline's Conspiracy.
5. Whithersoever.
Thou shalt let her go *whither* she will.—*Deuteronomy*, xxi. 14.

Whithersoever. *adv.* To whatsoever place.
For whatever end faith is designed, and *whithersoever* the nature and intention of the grace does drive us, thither we must go, and to that end we must direct all our actions.—*Jeremy Taylor.*

Whitflaw. *s.* Whitlow. *Rare.*
Paronychia is a small swelling about the nails and ends of the fingers, by the vulgar people generally called *whitflaw.*—*Wiseman, Surgery.*

Whiting, or **Whiténing.** *s.* Chalk prepared by washing and levigation for whitewash.
That this impregnated liquor may be improved, they pour it upon *whiting*, which is a white chalk, or clay finely powdered, cleansed, and made up into balls.—*Boyle.*
When you clean your plate, leave the *whiting* plainly to be seen in all the chinks.—*Swift.*

Whiting. *s.* British sea-fish (akin to the cods and haddocks); Gadus merlangus; Merlangus vulgaris.

Some fish are gutted, split, and kept in pickle, as *whiting* and mackerel.—*Carew, Survey of Cornwall.*

Whiting-pout. *s.* [two words.] Morrhua lusca; bib; kleg; smeltie; blens; blinds.

Whitish. *adj.* Somewhat white.

The same aqua-fortis, that will quickly change the redness of red lead into a darker colour, will, being put upon crude lead, produce a *whitish* substance, as with copper it did a bluish.—*Boyle.*

Whitishness. *s.* Attribute suggested by Whitish; quality of being somewhat white.

Take good venereal vitriol of a deep blue, and compare with some of the entire crystals, purposely reserved, some of the subtile powder of the same salt, which will exhibit a very considerable degree of *whitishness.—Boyle, Experiments and Considerations touching Colours.*

Whitleather. *s.* Leather dressed with alum, remarkable for toughness.

Whole bridle and saddle, *whitlether* and nal,
With collars and harneis.
Tusser, Five Hundred Points of good Husbandry.

Nor do I care much, if her pretty snout
Meet with her furrow'd chin, and both together
Hem in her lips, as dry as good *whitleather.*
Sir J. Suckling.

Whitlow. *s.* [A.S. *hwithlaw.*] Abscess between the cuticle and cutis, called the mild whitlow, or between the periosteum and the bone, called the malignant whitlow; eminently painful from the pressure of the nail, which prevents the skin yielding; Whitflaw.

Whiz. *v. n.* Make a loud humming noise.

The exhalations, *whizzing* in the air,
Give so much light, that I may read by them.
Shakespear, Julius Cæsar, ii. 1.

Soon all with vigour bend their trusty bows,
And from the quiver each his arrow chose:
Hippocoon's was the first; with forceful sway
It flew, and *whizzing* cut the liquid way.
Dryden, Translation of the Æneid, v. 664.

Whiz. *s.* Loud humming noise.

[redacted] never once ducked at the *whiz* of a cannon-[redacted]*dian,* no. 92.

Who. *pron.* [In Anglo-Saxon this pronoun was more decidedly declined than at present; the sign of the neuter being *t*; of the genitive masculine *s*; of the dative masculine *m*; of the dative feminine *re*; of the accusative masculine *n*; of the instrumental *i*; of the genitive plural *ra*: (*hwá, hwæt, hwæs, hwæm, hvære, hwæne, hwí, hwæra*). Of these, each has undergone some change. *What,* which is the true neuter (compare *tha-t* and *i-t*) is to a great extent superseded by *which,* a compound of *hwa+lic* (*what-like*), the elements whereof are more clearly seen in the Scotch *whilk*; *hwæs* has its genitival character disguised by the transposition of its last two letters (*whose* for *whoes*); *hwæm* is treated as an accusative rather than a dative; *hvære* has become an adverb of *place* (compare the Latin *qua*); the form in *n, hwæne, hvænne,* &c., is an adverb of *time* (Latin *quum*); *hwi* is limited to the expression of 'for what reason;' *hwæra* is lost altogether.

1. Pronoun interrogative, applied to persons.

Who is this that darkeneth counsel by words without knowledge?—*Job,* xxxviii. 2.

In the grave *who* shall give thee thanks?—*Psalms,* vi. 5.

Who first seduced them to that dire revolt?
The infernal serpent. *Milton, Paradise Lost,* i. 33.

Who taught that heav'n-directed spire to rise?
The man of Ross, each lisping babe replies.
Pope, Moral Essays, iii. 261.

2. Relative.

Oft have I seen a timely-parted ghost,
Of ashy semblance, meagre, pale, and bloodless,
Being all descended to the lab'ring heart,
Who, in the conflict that it holds with death,
Attracts the same for aidance 'gainst the enemy.
Shakespear, Henry VI. Part II. iii. 2.

Were the graced person of our Banquo present,
Whom I may rather challenge for unkindness,
Than pity for mischance. *Id., Macbeth,* iii. 4.

3. Which of many.

A man can never be obliged to submit to any power, unless he can be satisfied, *who* is the person *who* has a right to exercise it.—*Locke.*

We are still as much at a loss, *who* civil power belongs to.—*Id.*

4. It has sometimes a disjunctive sense.

There thou tell'st of kings, and *who* aspire;
Who fall, *who* rise, *who* triumphs, *who* do moan.
Daniel.

Tell *who* loves *who*; what favours some partake,
And *who* is jilted. *Dryden.*

As who should say. Elliptically for *as one who should say.*

Hope throws a generous contempt upon ill usage, and looks like a handsome defiance of a misfortune: *as who should say,* You are somewhat troublesome now, but I shall conquer you.—*Collier, Essays, Against Despair.*

Whose is sometimes used instead of '*of which.*'

The question *whose* solution I require,
Is what the sex of women most desire.
Dryden, Wife of Bath's Tale, 96.

In the combinations with *ever,* and *soever,* whatever may be the spelling, there are in reality two or three separate words; i.e. the pronoun, as shown by its inflection, always stands by itself; the analysis being *who-ever, who-so, who-so-ever, what-ever,* &c.; *whose-ever, whose-so-ever* (in which the *s* is doubled in sound as well as sense), *whom-ever,* &c.; *where-ever,* &c.; *when-ever,* &c.; the same applying to Which and Whence. Of these combinations, that with *whom* is the rarest.

They freely pursue the truth wherever they can trace her, *whomever* she may oppose, *whomever* she may countenance.—*Harris, On Lord Kames.*

Whole. *adj.* [A.S. *hœl.*]

1. All; total; containing all.

Fear God, and keep his commandments, for this is the *whole* duty of man.—*Ecclesiastes,* xii. 13.

The elder did *whole* regiments afford,
The younger brought his fortune and his sword.
Waller.

3. Uninjured; unimpaired.

Anguish is come upon me, because my life is yet *whole* in me.—2 *Samuel,* i. 9.

For while unhurt, divine Jordain,
Thy works and Seneca's remain;
Thou keep'st his body, they his soul,
He lives and breathes, restored and *whole.*
Prior, On a Picture of Seneca.

4. Well of any hurt or sickness.

When they had done circumcising all the people, they abode in their places in the camp till they were *whole.—Joshua,* v. 8.

Whole. *s.*

1. Totality; no part omitted; complex of all the parts.

It contained the *whole* of religion amongst the ancients; and made philosophy more agreeable.—*Broome.*

There is a metaphysical *whole,* when the essence of a thing is said to consist of two parts, the genus and the difference, i.e. the general and the special nature, which, being joined together, make up a definition.—*Watts, Logick.*

2. System; regular combination.

Still follow sense, of every art the soul,
Parts answering parts, shall slide into a *whole.*
Pope, Moral Essays, iv. 65.

Whólesale. *s.*

So the doctrine contained be but *wholesome* and edifying, a want of exactness in speaking may be overlooked.—*Bishop Atterbury.*

2. Contributing to health.

Night not now, as ere man fell,
Wholesome and cool and mild; but with black air
Accompanied, with damps and dreadful gloom.
Milton, Paradise Lost, x. 847.

Besides the *wholesome* luxury which that place abounds with, a kitchen-garden is a more pleasant sight than the finest orangery.—*Addison.*

3. Preserving; salutary. *Obsolete.*

The Lord helpeth his anointed, and will hear him from his holy heaven; even with the *wholesome* strength of his right hand.—*Book of Common Prayer, Psalms,* xx. 6.

4. Healthy.

It is not to be expected that a diseased father should beget *wholesome* children; like will come from like, whether the principle be good or evil.—*Jeremy Taylor, Sermons,* serm. iii. (Ord MS.)

5. Useful; conducive to happiness or virtue.

They suffer us to famish, repeal daily any *wholesome* act established against the rich, and provide more piercing statutes to chain up the poor.—*Shakespear, Coriolanus,* i. 1.

6. Kindly; pleasing.

To wail friends lost,
Is not by much so *wholesome,* profitable,
As to rejoice at friends but newly found.
Shakespear, Love's Labour's lost, v. 2.

Used *equivocally.*

I cannot make you a *wholesome* answer; my wit's diseased.—*Shakespear, Hamlet,* iii. 2.

Whólesomely. *adv.* In a wholesome manner; salubriously; salutiferously.

He caused him to be more *wholesomely* kept, concerning his diet, than he was before.—*Fox, Book of Martyrs, T. Bilney.*

Whólesomeness. *s.* Attribute suggested by Wholesome.

1. Quality of conducing to health; salubrity.

His palate was so tractable and subdued to the dictates of an higher choice, that he really thought

no meat pleasant, but in proportion to its *wholesomeness*.—*Bishop Fell, Life of Hammond.*

We made a standard of the healthfulness of the air, from the proportion of acute and epidemical diseases, and of the *wholesomeness* of the food from that of the chronical.—*Graunt, Observations on the Bills of Mortality.*

2. Salutariness; conduciveness to good.

And now concerning the *wholesomeness* of discoursing.—*Goodman, Winter Evening Conference*, pt. i.

If I can just *whop* that infernal intruder, he may offer, himself, to enter into partnership.—*Lord Lytton, My Novel.*

Whoóbub. *s.* Hubbub.

In this time of lethargy, I picked and cut most of their festival purses: and had not the old man come in with a *whoobub* against his daughter, and scared my choughs from the chaff, I had not left a purse in the whole army.—*Shakespear, Winter's Tale*, iv. 3.

Whoop. *s.* Shout of pursuit.

Let them breathe awhile, and then
Cry *whoop*, and set them on again.
Butler, Hudibras, i. 2, 165.

A fox crossing the road, drew off a considerable detachment, who clapped spurs to their horses, and pursued him with *whoops* and halloos.—*Addison.*

Whoop. *v. n.* Shout.

Treason and murder ever kept together,
As two yoke devils sworn to either's purpose:
Working so grossly in a nat'ral cause,
That admiration did not *whoop* at them.
Shakespear, Henry V. ii. 2.

One cries and shouts; another sings, *whoops*, and hallooes.—*Burton, Anatomy of Melancholy*, p. 284.

Whoop. *v. a.* Insult with shouts.

While he trusts me, 'twere so base a part
To fawn, and yet betray; I should be hiss'd
And *whoop'd* in hell for that ingratitude.
Dryden, Don Sebastian, ii. 1.

Whoóping-cough. *s.* In *Medicine.* Disease (Pertussis) characterised by the whooping-character of the cough: (often spelt *hooping-cough.*)

Whoot. *v. n.* Shout.

Satyrs . . . run *whooting* to the hills. *Drayton.*

Whoot. *v. a.* Insult with shouts.

Orontes . . .
Conveys his wealth to Tiber's hungry shores,
And fattens Italy with foreign *whores.*
Dryden, Translation of Juvenal, iii. 110.

We wearied should lie down in death:
This cheat of life would take no more,
If you thought fame but empty breath,
I, Phyllis but a perjured *whore.*
Prior, Epistles, To the Hon. C. Montague.

2. Woman who converses unlawfully with men; fornicatress; adultress; strumpet.

To put out the word *whore*, thou dost me woo,
Throughout my book; troth, put out woman too.
B. Jonson.

Whore. *v. a.* Corrupt with regard to chastity.

Thou kept'st me brave at court, and *whored* me;
Then married me to a young noble gentleman,
And *whored* me still.
Beaumont and Fletcher, Maid's Tragedy.

Have I *whored* your wife?—*Congreve.*

Whore. *v. n.* Converse unlawfully with the other sex.

'Tis a noble general's prudent part,
To cherish valour, and reward desert;
Let him be daub'd with lace, live high, and *whore*;
Sometimes be lousy, but be never poor.
Dryden, Translation of Juvenal, xvi. 93.

Whóredom. *s.* Fornication.

Some let go *whoredom* as an indifferent matter, which yet strive for an holy-day, as for their life.—*Bishop Hall.*

Whóremaster. *s.* One who keeps whores, or converses with a fornicatress.

As if we were drunkards by a planetary influence; an admirable evasion of *whoremaster* man, to lay his goatish disposition on the change of a star.—*Shakespear, King Lear*, i. 2.

If he were jealous, he might clip his wife's wings: but what would this avail, when there were flocks of *whoremasters* perpetually hovering over his house?—*Addison, Guardian.*

Whóremonger. *s.* Whoremaster.

Art thou fully persuaded that no *whoremonger* nor adulterer shall have any inheritance in the kingdom of God? and dost thou continue to practise these vices?—*Archbishop Tillotson, Sermons.*

Milton, Paradise Lost, xi. 812.

2. It is a word of ludicrous or slight blame.

That same *wicked* bastard of Venus, that blind rascally boy, that abuses every one's eyes because his own are out, let him be judge how deep I am in love.—*Shakespear, As you like it*, iv. 1.

3. Cursed; baneful; pernicious; bad in effect, as medicinal things are called virtuous.

The *wicked* weed which there the fox did lay,
From underneath his head he took away. *Spenser.*

As *wicked* dew as e'er my mother brush'd
With raven's feather from unwholesome fen
Drop on you both! *Shakespear, Tempest*, i. 2.

Wickedly. *adv.* In a wicked manner; criminally; corruptly; badly.

I would now send him where they all should see,
Clear as the light, his heart shine; where no man
Could be so *wickedly* or fondly stupid,
But should cry out, he saw, touch'd, felt wickedness,
And grasp'd it. *B. Jonson, Catiline's Conspiracy.*

'Tis phrase absurd to call a villain great:
Who *wickedly* is wise, or madly brave,
Is but the more a fool, the more a knave.
Pope, Essay on Man, iv. 230.

Wickedness. *s.* Attribute suggested by Wicked; corruption of manners; guilt; moral ill.

It is not good that children should know any *wickedness*; old folks, you know, have discretion, as they say, and know the world.—*Shakespear, Merry Wives of Windsor*, ii. 2.

These tents thou saw'st so pleasant, were the tents
Of *wickedness*; wherein shall dwell his race
Who slew his brother.
Milton, Paradise Lost, xi. 607.

Wicker. *adj.* [?] Made of small sticks, twigs, or osiers.

Then quick did dress
His halfe milke up for cheese, and in a presse
Of *wicker* prest it.
Chapman, Translation of the Odyssey.

Each one a little *wicker* basket had,
Made of fine twigs entrailed curiously,
In which they gather'd flow'rs. *Spenser.*

Wickerwork. *s.* Basketwork; work composed of osier or wicker.

Ceylon . . . had often been reached from Africa by the sailors of the Red Sea, in *wickerwork* boats, made of papyrus.—*Sharpe, History of Egypt*, ch. ix.

Wicket. *s.* [[N.Fr. *guichet.*]

1. Small gate.

When none yielded, her unruly page,
With his rude claws the *wicket* open rent,
And let her in. *Spenser, Faerie Queen*, i. 3, 13.

Wídely. *adv.* In a wide manner.

1. With great extent each way.

Any that considers how immense the intervals of the chaos are, in proportion to the bulk of the atoms, will hardly induce himself to believe, that particles so *widely* disseminated could ever throng one another to a compact texture.—*Bentley.*

2. Remotely; far.

Let him exercise the freedom of his reason, and his mind will be strengthened, and the light which the remote parts of truth will give to one another will so assist his judgment, that he will seldom be *widely* out.—*Locke.*

Wíden. *v. a.* Make wide; extend.

So now the gates are ope; now prove good seconds;
'Tis for the followers fortune *widens* them,
Not for the flyers. *Shakespear, Coriolanus*, i. 4.

These accidents, when they first happen, seem but small and contemptible; but by degrees they branch out and *widen* themselves into a numerous train of mischievous consequences.—*South, Sermons.*

Wíden. *v. n.* Grow wide; extend itself.

It is in this that the species of brutes are discriminated from man, and that proper difference, wherein they are wholly separated, and which at last *widens* to so vast a distance.—*Locke.*

With her the temple ev'ry moment grew,
And ampler vistas open'd to my view;
Upward the columns shoot, the roofs ascend,
And arches *widen*, and long aisles extend.
Pope, Temple of Fame.

Wídeness. *s.* Attribute suggested by Wide.

1. Breadth; large extent each way.

The rugged hair began to fall away;
The sweetness of her eyes did only stay,
Though not so large; her crooked horns decrease;
The *wideness* of her jaws and nostrils cease.
Dryden, Translation from Ovid, Metamorphoses, b. i.

2. Comparative breadth.

Within the same annual time, the centre of the earth is carried above fifty times as far round the orbis magnus, whose *wideness* we now assume to be twenty thousand terrestrial diameters.—*Bentley, Sermons.*

Religion is matter of our freest choice; and if men will obstinately and *wilfully* set themselves against it, there is no remedy.—*Archbishop Tillotson.*

2. By design; on purpose.

If you do not *wilfully* pass over any of your greater offences, but confess particularly, and repent seriously of them, God will more easily pass by your lesser infirmities.—*Jeremy Taylor.*

Wilfulness. *s.* Attribute suggested by Wilful; obstinacy; stubbornness; perverseness.

So full of *wilfulness* and self-liking is our nature, that without some definitive sentence, which, being given, may stand, small hope there is that strifes will end.—*Hooker, Ecclesiastical Polity.*

Thy causeless ruth repress: ...
He that his sorrow sought through *wilfulness*,
And his foe fetter'd would release again,
Deserves to taste his folly's fruit.
Spenser, Faerie Queen, ii. 5, 24.

Never hydra-headed *wilfulness*
So soon did lose his seat, and all at once,
As in this king. *Shakespear, Henry V.* i. 1.

A stiff and stubborn obstinacy is not so much firmness and resolution, as *wilfulness*.—*Sir R. L'Estrange.*

That is not hastily to be interpreted obstinacy or *wilfulness*, which is the natural product of their age.—*Locke.*

Wilily. *adv.* In a wily manner; by stratagem; fraudulently.

And deals to thirsty servants but a smack.
Dryden, Translation of Persius, iv. 64.

As when a shipwright stands his workmen o'er,
Who ply the *wimble* some huge beam to bore;
Urged on all hands it nimbly spins about,
The grain deep-piercing till it scoops it out.
Pope, Translation of the Odyssey, ix. 458.

The trepan is like a *wimble*, used by joiners.—*Sharp, Surgery.*

Wimble. *v. a.* Bore.

The soldier . . . *wimbled* a hole into the coffin that was largest, probably fancying there was something well worthy his adventure.—*Sir T. Herbert, Memoir of King Charles I.* p. 142.

Wimple. *s.* [A.S. *wimpul*; N.Fr. *guimpe; guimple.*] Hood.

So fair and fresh, as freshest flower in May,
For she had laid her mournful stole aside,
And widow-like sad *wimple* thrown away.
Spenser, Faerie Queen, i. 12, 22.

The Lord will take away the changeable suits of apparel, and the *wimples*, and the crisping-pins.—*Isaiah*, ii. 22.

The veil and the *wimple* were two different articles in the dress of a nun.—*T. Warton, Observations on Spenser.*

Wimple. *v. a.* Draw down as a hood or veil.

The same did hide,
Under a veil that *wimpled* was full low.
Spenser, Faerie Queen.

Win. *v. a.* pret. *wan* (archaic), and *won*; past part. *won.* [A.S. *winnan.*]

1. Gain by conquest.

The town of Gaza, where the enemy lay encamped, was not so strong but it might be *won*.—*Knolles History of the Turks.*

2. Gain the victory in a conquest.

Loyalty is still the same
Whether it *win* or lose the game:
True as the dial to the sun,
Altho' it be not shined upon.
Butler, Hudibras, iii. 2, 173.

I five years at Tarentum *wan*
The questorship, and then our love began.
Sir J. Denham, Of Old Age, induction.

Thy well-breathed horse
Impels the flying car, and *wins* the course.
Dryden, Translation of the Georgics, iii. 315.

3. Gain something withheld, or something valuable.

When you see my son, tell him that his sword can never *win* the honour that he loses.—*Shakespear, All's well that ends well*, iii. 2.

Resolved to *win*, he meditates the way,
By force to ravish, or by fraud betray.
Pope, Rape of the Lock, canto ii.

4. Obtain; allure to kindness or compliance.

Thy virtue *wan* me; with virtue preserve me.
Dost thou love me? Keep me then *still* worthy to be beloved.—*Sir P. Sidney.*

Devilish Macbeth
By many of these trains hath sought to *win* me.
Shakespear, Macbeth, iv. 3.

5. Gain by play.

He had given a disagreeable vote in parliament, for which reason not a man would have so much correspondence with him as to *win* his money.—*Addison.*

6. Gain by persuasion.

They *win* great numbers to receive
With joy the tidings brought from heaven.
Milton, Paradise Lost, xii. 502.

7. Gain by courtship.

She's beautiful, and therefore to be woo'd;
She is a woman, therefore to be *won*.
Shakespear, Henry VI. Part I. v. 3.

That flood witness'd his inconstant flame,
When thus he swore, and *won* the yielding dame.
Gay.

Win. *v. n.* [A.S.]

1. Gain the victory.

Nor is it ought but just,
That he who in debate of truth hath *won*,
Should *win* in arms. *Milton, Paradise Lost*, vi. 121.

2. Gain influence or favour.

You express yourself very desirous to *win* upon the judgment of your master, and not upon his affections only.—*Bacon.*

Thy words like musick every breast controul;
Steal thro' the air, and *win* upon the soul. *Pope.*

3. Gain ground.

The rabble will in time *win* upon power.
Shakespear, Coriolanus, i. 1.

4. Be conqueror or gainer at play.

Charles, I will play no more to-night;
My mind's not on 't, you are too hard for me.—
Sir, I did never *win* of you before.—
But little, Charles;
Nor shall not when my fancy 's on my play.
Shakespear, Henry VIII. v. 1.

Wince. *v. n.* [*wink.*] Kick as a horse impatient of a rider, or of pain.

I will sit as quiet as a lamb,
I will not stir, nor *wince*, nor speak a word.
Shakespear, King John, iv. 1.

Room, room, for my horse will *wince*,
If he came within so many yards of a prince.
B. Jonson.

The angry beast did straight resent
The wrong done to his fundament;
Began to kick, and fling, and *wince*,
As if h' had been beside his sense.
Butler, Hudibras, i. 2, 845.

Wincer. *s.* One who winces.

A slovenly *wincer* of a confutation.—*Milton Apology for Smectymnuus*, preface.

Winch. *s.* [A.S. *wince.*] Windlass; some-

thing held in the hand by which a wheel or cylinder is turned.

Put a *winch* with the wheel.—*Mortimer, Husbandry.*

Winch. *v. n.* [*wink*; compare *drink* and *drench.*] Wince.

We who have free souls
It touches not; let the gall'd jade *winch*;
Our withers are unwrung.
Shakespear, Hamlet, iii. 2.

Have these bones rattled, and this head
So often in thy quarrel bled!
Nor did I ever *winch*, or grudge it.
Butler, Hudibras, i. 3, 205.

This last allusion gall'd the panther more;
Yet seem'd she not to *winch*, though shrewdly pain'd. *Dryden, Hind and Panther*, iii. 131.

Their consciences are galled, and this makes them *winch* and fling, as if they had some mettle.—*Archbishop Tillotson.*

Winch. *s.* Kick of a beast impatient of the rider or of pain.

The mule, frighted by that terrible blow, ran away as fast as it could about the fields, and within two or three *winches* overthrew him to the ground. —*Shelton, Translation of Don Quixote*, pt. ii. ch. i.

Wincopipe. *s.* [?] See extract: (the flower is, probably, the Anagallis, or Shepherd's Weatherglass). *Rare.*

There is a small red flower in the stubble-fields, which country people call the *wincopipe*; which if it opens in the morning, you may be sure a fair day will follow.—*Bacon.*

Wind. *s.* (the *i* short). [A.S.]

1. Air set in motion, with a certain amount of force.

Thou shalt be free as mountain *winds*.
Shakespear, Tempest, i. 2.

Wind is nothing but a violent motion of the air, produced by its rarefaction more in one place than another, by the sunbeams, the attractions of the moon, and the combinations of the earth's motions. —*Cheyne.*

2. Direction of the blast from a particular point; as eastward, westward.

In the year 1300, one Flavio of Malphi, in the realm of Naples, found out the compass, or 'pixis nautica,' consisting of eight *winds* only, the four principal, and four collateral; and not long after, the people of Bruges and Antwerp perfected that excellent invention, adding twenty-four other subordinate *winds* or points.—*Heylin.*

3. Breath; power or act of respiration.

If my *wind* were but long enough to say my prayers, I would repent.—*Shakespear, Merry Wives of Windsor*, iv. 5.

His *wind* he never took whilst the cup was at his mouth, but justly observed the rule of drinking with *one* breath.—*Hakewill, Apology.*

The perfume of the flowers, and their virtues to cure shortness of *wind* in pursy old men, seems to agree most with the orange.—*Sir W. Temple.*

4. Air caused by any action.

On each side her
Stood pretty dimpled boys, like smiling Cupids,
With divers colour'd fans, whose *wind* did seem
To glow the delicate cheeks which they did cool.
Shakespear, Antony and Cleopatra, ii. 2.

In an organ from one blast of *wind*,
To many a row of pipes the sound-board breathes.
Milton, Paradise Lost, i. 708.

5. Breath modulated by an instrument.

Their instruments were various in their kind,
Some for the bow, and some for breathing *wind*.
Dryden, The Flower and the Leaf, 356.

Used *adjectivally*.

Where the air is pent, there breath or other blowing, which carries but a gentle percussion, suffices to create sound; as in pipes and *wind* instruments. —*Bacon.*

6. Air impregnated with scent.

A hare had long escaped pursuing hounds,
By often shifting into distant grounds,
Till, finding all his artifices vain,
To save his life, he leap'd into the main.
But there, alas! he could not safety find,
A pack of dog-fish had him in the *wind*. *Swift.*

7. Flatulence; windiness.

It turns
Wisdom to folly, as nourishment to *wind*.
Milton, Paradise Lost, vii. 129.

8. Anything insignificant or light as wind.

Nor think thou with *wind*
Of aery threats to awe whom yet with deeds
Thou canst not. *Milton, Paradise Lost*, vi. 282.

Down the wind. Decay.

A man that had a great veneration for an image in his house, found that the more he prayed to it to prosper him in the world, the more he went *down the wind* still.—*Sir R. L'Estrange.*

Take or have the wind. Gain or have the upperhand.

Let a king in council beware how he opens his own inclinations too much, for else counsellors will but *take the wind* of him, instead of giving free counsel.—*Bacon.*

Between wind and water. Exactly in the right line, as along the waveline of a ship.

But, though in general we prefer Mr. Southey's poetry to his prose, we must make one exception. The Life of Nelson is, beyond all doubt, the most perfect and the most delightful of his works.... It would not be easy to find, in all literary history, an instance of a more exact hit *between wind and water.*—*Macaulay, Critical and Historical Essays, Southey's Colloquies on Society.*

Take the wind out of one's sails. Circumvent, as one between the wind and another; bring down.

Wind. *v. a.* (the *i* long), pret. *wound*; sometimes, though rarely, *winded*; past part. *wound.* [A.S. *windan.*]

1. Blow; sound by inflation.

The squire 'gan nigher to approach,
And *wind* his horn under the castle wall,
That with the noise it shook as it would fall.
Spenser, Faerie Queen.

Ye vig'rous swains! while youth ferments your blood,
Wind the shrill horn, or spread the waving net.
Pope, Windsor Forest.

2. Turn round; twist; twine.

Nero could touch and time the harp well: but in government sometimes he used to *wind* the pins too high, and sometimes let them down too low.—*Bacon.*

Wind the woodbine round this arbour.
Milton, Paradise Lost, ix. 215.

3. Regulate in motion; turn to this or that direction.

He vaulted with such ease into his seat,
As if an angel dropt down from the clouds,
To turn and *wind* a fiery Pegasus,
And witch the world with noble horsemanship.
Shakespear, Henry IV. Part I. iv. 1.

4. Nose; follow by scent.

If you hurt these bear-whelps, then beware;
The dam will wake, and if she *wind* you once...
Will she do what she list.
Shakespear, Titus Andronicus, iv. 1.

5. Ventilate.

6. Turn by shifts or expedients.

Whence turning of religion 's made
The means to turn and *wind* a trade.
Butler, Hudibras, iii. 2, 1449.

7. Introduce by insinuation.

You have contrived to take
From Rome all season'd offices, and to *wind*
Yourself into a power tyrannical.
Shakespear, Coriolanus, iii. 3.

Edmund, seek him out, *wind* me into him ... frame the business after your own wisdom.—*Id., King Lear*, i. 2.

8. Change.

Were our legislature vested in the prince, he might *wind* and turn our constitution at his pleasure, and shape our government to his fancy.—*Addison.*

9. Entwist; enfold; encircle.

Sleep thou, and I will *wind* thee in my arms.
Shakespear, Midsummer-Night's Dream, iv. 1.

Wind out. Extricate.

When he found himself dangerously embarked, he bethought himself of all possible ways to disentangle himself, and to *wind* himself *out* of the labyrinth he was in.—*Lord Clarendon, History of the Grand Rebellion.*

Wind up.

a. Bring to a small compass, as a bottom of thread.

Without solemnly *winding up* one argument, and intimating that he began another, he lets his thoughts, which were fully possessed of the matter, run in one continued strain.—*Locke.*

b. Convolve the spring.

I frown the while, and perchance *wind up* my watch, or play with some rich jewel.—*Shakespear, Twelfth Night*, ii. 5.

c. Put into a state of renovated or continued motion.

Fate seem'd to *wind* him *up* for fourscore years,
Yet freshly ran he on ten winters more;
Till, like a c k worn out with calling time,
The wheels of weary life at last stood still.
Dryden.

Will not the Author of the universe, having made an automaton which can *wind up* itself, see whether it hath stood still, or gone true?—*Grew.*

Is there a tongue, like Delia's o'er her cup,
That runs for ages without *winding up*?
Young, Love of Fame, i. 281.

d. Raise by degrees.

These he did so *wind up* to his purpose, that they withdrew from the court.—*Sir J. Hayward.*

When they could not coolly convince him, they railed, and called him an heretick: thus they *wound up* his temper to a pitch, and treacherously made use of that infirmity.—*Bishop Atterbury.*

e. Straiten a string by turning that on which it is rolled; put in tune.

Hylas! why sit we mute,
Now that each bird saluteth the spring?
Wind up the slacken'd strings of thy lute,
Never canst thou want matter to sing. *Waller.*

Your lute may *wind* its strings but little higher,
To tune their notes to that immortal quire.
Prior, Epistles, To the Countess of Exeter, 31.

f. Put in order for regular action: (as applied to a *watch*).

O you kind gods!
Cure this great breach of his abused nature;
Th' untuned and jarring senses O *wind up*
Of this child-changed father.
Shakespear, King Lear, iv. 7.

Peace! the charm's *wound up*. *Id., Macbeth*, i. 3.

These mathematical engines cannot be so easily and speedily *wound up*, and so certainly levelled as the other.—*Bishop Wilkins.*

Applied, in commerce, to the final settlement of any interest, estate, or company.

Wind. *v. n.* (the *i* long).

1. Turn; change.

So swift your judgments turn and *wind*,
You cast our fleetest wits a mile behind. *Dryden.*

2. Turn; be convolved.

Some plants can support themselves, and some others creep along the ground, or *wind* about other trees, and cannot support themselves.—*Bacon, Natural and Experimental History.*

Stairs of a solid newel spread only upon one small newel, as the several folds of fans spread about their center; but these, because they sometimes *wind*, and sometimes fly off from that winding, take more room up in the staircase.—*Moxon, Mechanical Exercises.*

3. Move round.

If aught obstruct thy course, yet stand not still,
But *wind* about till thou hast topp'd the hill.
Sir J. Denham, Of Prudence.

4. Proceed in flexures.

It shall not *wind* with such a deep indent,
As rob me of so rich a bottom here.
Shakespear, Henry IV. Part I. iii. 1.

He *winds* with ease
Through the pure marble air his oblique way.
Milton, Paradise Lost, iii. 563.

You that can search those many-corner'd minds,
Where woman's crooked fancy turns and *winds*.
Dryden, Indian Emperor, ii. 1.

5. Be extricated; be disentangled: (with *out*).

Long labouring underneath, ere they could *wind Out* of such prison. *Milton, Paradise Lost*, vi. 659.

Wind. *s.* [the *i* long.] Winding.

Windage. *s.* Difference in guns between the diameter of the bore and that of the shot.

Windbag. *s.* Bag swollen with wind, but containing nothing substantial; bag of moonshine: (term applied to empty nonsense).

Windbound. *adj.* Confined by contrary winds.

Yet not for this the *windbound* navy weigh'd;
Slack were their sails, and Neptune disobey'd.
Dryden, Translation from Ovid, The Trojan War.

When I bestir myself, it is high sea in his house; and when I sit still, his affairs forsooth are *windbound!*—*Addison, Spectator.*

Is it reasonable that our English fleet, which used to be the terror of the ocean, should be *windbound!* —*Ibid.*

Windegg. *s.* Egg not impregnated; egg that does not contain the principles of life.

Sound eggs sink, and such as are addled swim, as do also those termed hypanemia, or *windeggs.*—*Sir T. Browne, Vulgar Errours.*

Winder. *s.* [the *i* long.] One who, that which, winds.

1. Instrument or person by which anything is turned, or wound round.

The *winder* shows his workmanship so rare
As doth the fleece excel, and mocks her looser clew;
As neatly bottom'd up as nature forth it drew.
Drayton.

To keep troublesome servants out of the kitchen, leave the *winder* sticking on the jack to fall on their heads.—*Swift.*

2. Plant that winds itself round others.

Plants that put forth their sap hastily, have their bodies not proportionable to their length; and therefore they are *winders* and creepers, as ivy and bryony.—*Bacon, Natural and Experimental History.*

3. Winding step in a staircase.

Windfall. *s.*

1. Fruit blown down from the tree.

Their boughs were too great for their stem, they became a *windfall* upon the sudden.—*Bacon, Essays, Of the true Greatness of Kingdoms and Estates.*

Gather now, if ripe, your winter fruits, as apples, to prevent their falling by the great winds; also gather your *windfalls.*—*Evelyn, Kalendar.*

2. Unexpected legacy; any unexpected advantage.

He had a mighty *windfall* out of doubt.—*B. Jonson, Every Man out of his Humour.*

Windfallen. *part. pref.* Blown down by the wind.

To gather *windfall'n* sticks, his greatest care.
Drayton, Polyolbion, song xiii.

Windgall. *s.* In *Farriery.* See extract.

His horse infected with the fashions, full of *windgalls,* and sped with spavins.—*Shakespear, Taming of the Shrew,* iii. 2.

Windgalls are soft, yielding, flatulent tumours or bladders, full of corrupt jelly, which grow upon each side of the fetlock joints, and are so painful in hot weather and hard ways, that they make a horse to halt. They are caused by violent straining, or by a horse's standing on a sloping floor, or from extreme labour and heat, or by blows.—*Farrier's Dictionary.*

Windgun. *s.* Airgun: (this *latter* being now the *commoner* term).

The *windgun* is charged by the forcible compression of air, being injected through a syringe; the strife and distention of the imprisoned air serving, by the help of little falls or shuts within, to stop and keep close the vents by which it was admitted.—*Bishop Wilkins, Mathematical Magick.*

Forced from *windguns,* lead itself can fly,
And ponderous slugs cut swiftly through the sky.
Pope, Dunciad, i. 181.

Windiness. *s.* Attribute suggested by Windy.

1. Fulness of wind; flatulence.

A *windiness* and puffing up of your stomach after dinner, and in the morning.—*Harvey, Discourse of Consumptions.*

2. Tendency to generate wind.

Senna loseth somewhat of its *windiness* by decocting; and, generally, subtile or windy spirits are taken off by incension or evaporation.—*Bacon, Natural and Experimental History.*

3. Tumour; puffiness.

From this his modest and humble charity, virtues which rarely cohabit with the swelling *windiness* of much knowledge, issued this.—*Brerewood, On Languages.*

Winding. *verbal abs.* [the *i* long.] Flexure; meander.

It was the pleasantest voyage in the world to follow the *windings* of this river Inn, through such a variety of pleasing scenes as the course of it naturally led us.—*Addison, Travels in Italy.*

Windingsheet. *s.* Sheet in which the dead are enwrapped.

These arms of mine shall be thy *windingsheet;*
My heart, sweet boy, shall be thy sepulchre;
For from my heart thine image ne'er shall go.
Shakespear, Henry VI. Part III. ii. 5.

The chaste Penelope, having, as she thought, lost Ulysses at sea, employed her time in preparing a *windingsheet* for Laertes, the father of her husband.—*Spectator.*

Windlass. *s.*

1. Handle by which a rope or lace is wrapped together round a cylinder.

[The] *windlass* ... used in many vessels instead of a capstan, for raising the anchor or lifting other heavy weights, usually consists of a horizontal polygonal beam of timber, supported at a short distance above the deck by strong uprights called windlass bitts, and in the older forms of the machine it is rotated by means of short poles called hand-spokes, which are introduced into mortices in the body of the *windlass,* and by which it is turned round, winding up the chain-cable as it revolves. To prevent the *windlass* from turning back when the strain of the chain comes upon it, a strong ratchet-wheel is fixed on its centre into the teeth of which a number of palls, hinged on an upright timber called the pallbit, fall as the wheel revolves. Modern *windlasses* are rotated either by wheel-work or by a ratchet or friction contrivance, moved by handles like those of a pump, which catch a wheel on the *windlass* and turn it round through a certain distance at each stroke.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

2. Handle by which anything is turned.

Thus do we of wisdom and of reach,
With *windlasses,* and with assays of bias,
By indirections find directions out.
Shakespear, Hamlet, ii. 1.

Which by slie drifts, and *windlaces* aloofe,
They brought about.
Mirrour for Magistrates, p. 336.

Windlass. *v. n.* Act indirectly; go warily to work. *Rare.*

She is not so much at leasure as to *windlace,* or use craft, to satisfy them.—*Hammond, Works,* iv. 566.

A skilful woodsman, by *windlassing,* presently gets a shoot, which without taking a compass, and thereby a commodious stand, he could never have obtained.—*Ibid.* iv. 615.

Windle. *v. n.* Dwindle. *Rare.*

Tender plants and new-planted have need to be watered; they are in danger else to *windle* and wither away.—*Gataker, David's Instructor.* (Ord MS.)

Windless. *adj.* Wanting wind; out of breath.

The weary hounds at last retire,
Windless, displeased, from the fruitless chase.
Fairfax.

He flutters up and down, *windless,* without recovery.—*Sir T. Overbury, Characters,* sign. G. 4.

Windlestraw. *s.* [A.S. *windel-streow.*] Straw for winding or platting.

Tall spires of *windlestraw*
Threw their thin shadows down the rugged slope.
Shelley, Alastor.

Windmill. *s.* Mill turned by the wind.

Such a sailing chariot might be more conveniently framed with moveable sails, whose force may be impressed from their motion, equivalent to those in a *windmill.*—*Bishop Wilkins.*

Windmills grind twice the quantity in an hour that watermills do.—*Mortimer, Husbandry.*

His fancy has made a giant of a *windmill,* and he's now engaging it.—*Bishop Atterbury.*

Window. *s.* [Norse, *vindauga, vindue* = wind-eye.]

1. Aperture in a building by which air and light are intromitted.

Being one day at my *window* all alone,
Many strange things happened me to see.
Spenser.

2. Frame of glass or any other material that covers the aperture.

To thee I do commend my watchful soul,
Ere I let fall the *windows* of mine eyes:
Sleeping or waking, oh defend me still!
Shakespear, Richard III. v. 3.

3. Lines crossing each other like those of a window.

The fav'rite, that just begins to prattle,
Is very humorsome, and makes great clutter,
Till he has *windows* on his bread and butter. *King.*

Window. *v. a.*

1. Furnish with windows.

Between these half columns above, the whole room was *windowed* round.—*Sir H. Wotton, Elements of Architecture.*

With pert flat eyes she *window'd* well its head,
A brain of feathers, and a heart of lead.
Pope, Dunciad, ii. 43.

2. Place at a window.

Would'st thou be *window'd* in great Rome, and see
Thy master thus with pleacht arms, bending down
His corrigible neck, his face subdued
To penetrative shame?
Shakespear, Antony and Cleopatra, iv. 12.

Windowed. *part. adj.* Having apertures, or holes, opening what is intended for shelter to the weather.

Poor naked wretches, wheresoe'er you are,
That bide the pelting of this pitiless storm,
How shall your houseless heads, and unfed sides,
Your loop'd and *window'd* raggedness, defend you
From seasons such as these?
Shakespear, King Lear, iii. 4.

Windowy. *adj.* Like a window; having little crossings.

Or treacherously poor fish beset
With strangling snare, or *windowy* net.
Donne, Poems, p. 38.

Windpipe. *s.* Passage for the breath; trachea.

Let gallows gape for dogs, let man go free,
And let not hemp his *windpipe* suffocate.
Shakespear, Henry V. iii. 6.

The quacks of government, who sate
At the unregarded helm of state ...,
Consider'd timely how t' withdraw,
And save their *windpipes* from the law.
Butler, Hudibras, iii. 2, 333.

The *windpipe* divides itself into a great number of branches, called bronchia: these end in small air-bladders, capable to be inflated by the admission of air, and to subside at the expulsion of it.—*Arbuthnot, On the Nature and Choice of Aliments.*

Windrow. *s.* Hay or grass raked in rows to be cocked.

Windsail. *s.* Funnel of canvas, conveying a stream of fresh air to the lower parts of a ship.

Windshock. *s.* Crack or damage in the body of a tree, supposed to be occasioned by high winds.

The *windshock* is a bruise and shiver throughout the tree, though not constantly visible.—*Evelyn.*

Windtight. *adj.* Fenced against winds.

Cottages in a valley, though not high-built, yet *wind-tight* and water-tight.—*Bishop Hall, Remains,* p. 46.

Windward. *adv.* Towards the wind.

Windward. *adj.* Lying towards the wind: (The *Windward* Isles, as opposed to the *Leeward*).

Windward. *s.* Point towards the wind.

I observed to the *windward* of me a black cloud falling to the earth in long trails of rain, which made me betake myself for shelter to a house.—*Tatler,* no. 218.

Windy. *adj.*

1. Consisting of wind.

See what showers arise,
Blown with the *windy* tempest of my soul
Upon thy wounds, that kill mine eyes and heart.
Shakespear, Henry VI. Part III. ii. 5.

Subtile or *windy* spirits are taken off by incension or evaporation.—*Bacon.*

2. Next the wind.

Lady, you have a merry heart.—Yes, my lord, I thank it, poor fool, it keeps on the *windy* side of care.—*Shakespear, Much Ado about Nothing,* ii. 1.

3. Empty; airy.

Why should calamity be full of words? ...
Windy attornies to their client woes,
Poor breathing orators of miseries.
Shakespear, Richard III. iv. 4.

What *windy* joy this day had I conceived,
Hopeful of his delivery, which now proves
Abortive as the first-born bloom of spring,
Nipt with the lagging rear of winter's frost!
Milton, Samson Agonistes, 1574.

Look, here's that *windy* applause, that poor transitory pleasure, for which I was dishonoured.—*South, Sermons.*

4. Tempestuous; molested with wind.

On this *windy* sea of land the fiend
Walk'd up and down.
Milton, Paradise Lost, iii. 440.

It is not bare agitation, but the sediment at the bottom, that troubles and defiles the water; and when we see it *windy* and dusty, the wind does not make but only raise dust.—*South, Sermons.*

5. Puffy; flatulent.

In such a *windy* colic, water is the best remedy after a surfeit of fruit.—*Arbuthnot, On the Nature and Choice of Aliments.*

Wine. *s.* [A.S. *win.*] Fermented juice of the grape.

The *wine* of life is drawn, and the mere lees
Is left this vault to brag of.
Shakespear, Macbeth, ii. 3.

Wine. *v. a.* Supply with wine. *Rare.*

One of the prime sort of white wines is that of Beaume, and of clarets that of Orleans, though it be interdicted to *wine* the king's cellar with it, in respect of the corrosiveness it carries with it.—*Howell, Letters,* b. ii. letter 55. (Ord MS.)

Wine-coloured. *adj.* Approaching the colour of red wine.

In the East, Christ is ... of delicate complexion, dark ... (it is sometimes called *wine-coloured*) beard.—*Milman, History of Latin Christianity,* b. xiv. ch. x.

Winebibber. *s.* Intemperate drinker of wine; drunkard.

Be not among *winebibbers.*—*Proverbs,* xxiii. 20.

Behold a man gluttonous and a *winebibber.*—*Matthew,* vi. 19.

Wineglass. *s.* Small glass from which wine is drunk.

Wineless. *adj.* Not having, not using, wine.

There was a certain householder which planted a vineyard, and hedged it round about, and digged a *winepress* in it.—*Matthew*, xxi. 33.

Winesour. *s.* Kind of plum.

As a choice selection for a small garden Nicol recommends the following varieties ... red magnum bonum, white ditto, ... mussel damson, *winesour*, &c.—*C. W. Johnson, Farmer's Encyclopædia.*

Winestone. *s.* Tartar deposited by wine.

Wing. *s.* [German, *winge*; Danish, *vinge*.]

1. Anterior extremity or limb of a bird, by which it flies.

As Venus' bird, the white swift lovely dove,
Doth on her *wings* her utmost swiftness prove,
Finding the gripe of falcon fierce not fur.
Sir P. Sidney.

2. Fan to winnow.

Wing, cartnave, and bushel, peck, ready at hand.
Tusser, Five Hundred Points of good Husbandry.

3. Flight; passage by the wing.

Light thickens, and the crow
Makes *wing* to the rooky wood:
Good things of day begin to droop and drowze,
While night's black agents to their prey do rouze.
Shakespear, Macbeth, iii. 2.

I have pursued her, as love hath pursued me, on the *wing* of all occasions.—*Id., Merry Wives of Windsor*, ii. 2.

You are too young your power to understand;
Lovers take *wing* upon the least command.
Dryden, Indian Emperor, ii. 2.

4. Motive or incitement of flight.

Fearful commenting
Is leaden servitor to full delay;
Delay leads impotent and snail-paced beggary:
Then fiery expedition be my *wing*,
Jove's Mercury, and heralds for a king.
Shakespear, Richard III. iv. 3.

5. Side bodies of an army.

The footmen were Germans, to whom were joined as *wings* certain companies of Italians.—*Knolles, History of the Turks.*

The left *wing* put to flight,
The chiefs o'erborne, he rushes on the right.
Dryden.

6. Any side piece.

The plough proper for stiff clays is long, large, and broad, with a deep head and a square earthboard, the coulter long and very little bending, with a very large *wing*.—*Mortimer, Husbandry.*

7. *Figuratively.* Protection: (*generally*, but not always, in the *plural*).

Under the shadow of thy *wings* will I rejoice.—*Psalms*, lxiii. 8.

8. In *Architecture.* Structure on the side of the main building, bearing the same relation to it that a wing does to the body.

9. In *Botany.* Side leaves of a papilionaceous flower (i.e. a plant akin to the peas and beans).

On the wing. Flying; speeding to its object.

When I had seen this hot love *on the wing*.
Shakespear, Hamlet, ii. 2.

Wing. *v. a.*

1. Furnish with wings; enable to fly.

The speed of gods
Time counts not, though with swiftest minutes *wing'd*.
Milton, Paradise Lost, x. 90.

Who knows but he, whose hand the lightning forms,
Who heaves old ocean, and who *wings* the storms,
Pours fierce ambition in a Cæsar's mind,
Or turns young Ammon loose to scourge mankind?
Pope, Essay on Man, i. 157.

2. Supply with side bodies.

We ourself will follow
In the main battle, which on either side
Shall be well *winged* with our chiefest horse.
Shakespear, Richard III. v. 3.

3. Transport by flight.

I, an old turtle,
Will *wing* me to some wither'd bough, and there
My mate, that 's never to be found again,
Lament till I am lost.
Shakespear, Winter's Tale, v. 3.

4. Exert the power of flying.

Warm'd with more particles of heavenly flame,
He *wing'd* his upward flight, and soar'd to fame;
The rest remain'd below, a crowd without a name.
Dryden.

5. Wound a bird in the wing: (a term amongst sportsmen, extended to wounds given between man and man, when not fatal, i.e. affecting the extremities rather than the trunk).

What are the odds now, that he does'nt *wing* me? These greenhorns generally hit everything but the man they aim at.—Do they? Zounds! then the odds are that he'll *wing* me. I'll be principal, if you please.—*G. Colman the younger, The Poor Gentleman*, v. 3.

Wingcase. *s.* In *Entomology.* Outer pair of wings when hardened (as in the beetles) sufficiently to form a case, or, in the language of entomology, an *elytron* (pl. *elytra*) to the under ones; wingshell.

Winged. *adj.*

1. Furnished with wings; flying.

And shall grace not find means, that finds her way,
The speediest of thy *winged* messengers,
To visit all thy creatures?
Milton, Paradise Lost, iii. 228.

2. Swift; rapid.

Now we bear the king
Tow'rd Calais: grant him there, and there being seen,
Heave him away upon your *winged* thoughts
Athwart the sea. *Shakespear, Henry V.* v. chorus.

3. Fanned with wings; swarming with birds.

The earth cumber'd, and the *wing'd* air dark'd with plumes. *Milton, Comus*, 730.

Wingfooted. *adj.* Swift; nimble; fleet.

Wingfooted coursers him did bear so fast away.
Spenser, Faerie Queen.

Wingfooted time them farther off doth bear.
Drayton, Polyolbion, song x.

Wingless. *adj.* Not having wings; not able to ascend.

Wingless flies, which suck a living out of the corrupt blood of uncleanness.—*Junius, Sin Stigmatized*, p. 330: 1639.

Wingshell. *s.* Wingcase.

The long-shelled goat-chaffer is above an inch long, and the *wingshells* of themselves an inch, and half an inch broad; so deep as to come down below the belly on both sides.—*Grew.*

Wingy. *adj.* Having wings; resembling wings.

They spring together out, and swiftly bear
The flying youth through clouds and yielding air
With *wingy* speed outstrip the eastern wind,
And leave the breezes of the morn behind.
Addison, Translation from Ovid, Story of Phaeton.

Wink. *v. n.* [?]

1. Shut the eyes.

Let 's see thine eyes; *wink* now, now open them:
In my opinion, yet thou seest not well.
Shakespear, Henry VI. Part II. ii. 1.

In despite of all this, he runs foolishly into his sin and ruin, merely because he *winks* hard, and rushes violently like a horse into the battle.—*Jeremy Taylor.*

The Scripture represents wicked men as without understanding; not that they are destitute of the natural faculty: they are not blind, but they *wink*.—*Archbishop Tillotson.*

If any about them should make them think there is any difference between being in the dark and *winking*, get it out of their minds.—*Locke.*

2. Hint, or direct, by the motion of the eyelids.

You saw my master *wink* and laugh upon you.
Shakespear, Taming of the Shrew, iv. 4.

Send him a spoon when he wants a knife: *wink* at the footman to leave him without a plate.—*Swift.*

3. Close and exclude the light.

When you shoot, and shut one eye,
You cannot think he would deny
To lend the other friendly aid,
Or *wink*, as coward, and afraid.
Prior, Alma, ii. 139.

4. Connive; seem not to see; tolerate: (with *at*).

They be better content with one that will *wink at* their faults, than with him that will reprove them.—*Archbishop Whitgift.*

Let not night see my black and deep desires;
The eye *wink at* the hand!
Shakespear, Macbeth, i. 4.

The king gave him great gifts, and *winked at* the great spoil of Bosworth-field, which, came almost wholly to this man's hands.—*Bacon, History of the Reign of Henry VII.*

Obstinacy cannot be *winked at*, but must be subdued.—*Locke, Thoughts on Education.*

Cato is stern, and awful as a god:
He knows not how to *wink at* human frailty,
Or pardon weakness that he never felt.
Addison, Cato.

7. Be dim; flicker.

The sullen tyrant slept not all the night,
But, lonely walking by a *winking* light,
Sobb'd, wept, and groan'd, and beat his wither'd breast.
Dryden, Sigismonda and Guiscardo, 288.

Wink. *s.*

1. Act of closing the eye.

You doing thus,
To the perpetual *wink* for ay might put
This ancient moral. *Shakespear, Tempest*, ii. 1.

It raged so all night, that I could not sleep a *wink*.—*Sir W. Temple.*

Not write? but then I think;
And for my soul I cannot sleep a *wink*.
Pope, Imitations of Horace, b. ii. sat. 1.

2. Hint given by motion of the eye.

Her *wink* each bold attempt forbids.
Sir P. Sidney.

The stockjobber thus from 'Change-alley goes down,
And tips you the freeman a *wink*;
'Let me have but your vote to serve for the town,
And here is a guinea to drink.' *Swift.*

Winker. *s.*

1. One who winks.

A set of nodders, *winkers*, and whisperers, whose business is to strangle all others' offspring of wit in their birth.—*Pope.*

2. Leathern contrivance for the eyes of a horse, to prevent his starting aside.

He weareth a pair of *winkers* over his eyes, like a millhorse, being ashamed to shew either his face or name.—*Dr. Fulke, Confutation of the Papists*, p. 32: 1583.

Winkingly. *adv.* In a winking manner; with the eye almost closed.

If one beholdeth the light, he vieweth it *winkingly*, as those that are purblind; but if anything that is black, he looketh upon it with a broad and full eye.—*Peacham, On Drawing.*

Winner. *s.* One who wins.

A gamester, having lost all, borroweth of his next fellow-gamester somewhat to maintain his play; which he setting unto *him* again, shortly winneth all from the *winner*.—*Spenser.*

Whether the *winner* laughs or no, the loser will complain; and rather than quarrel with his own skill, will do it at the dice.—*Sir W. Temple.*

Winning. *part. adj.* Attractive; charming.

Yet less fair,
Less *winning* soft, less amiably mild,
Than that smooth wat'ry image.
Milton, Paradise Lost, iv. 478.

Cato's soul
Shines out in every thing she acts or speaks,
While *winning* mildness and attractive smiles
Dwell in her looks, and with becoming grace
Soften the rigour of her father's virtues.
Addison, Cato.

Winning. *s.* Sum won.

A simile in one of Congreve's prologues compares a writer to a buttering gamester, that stakes all his *winnings* upon every cast; so that if he loses the last throw, he is sure to be undone.—*Addison, Freeholder.*

Winnow. *v. n.* [A.S. *windwian.*]

1. Separate by means of the wind; part the grain from the chaff.

Were our royal faith martyrs in love,
We shall be *winnow'd* with so rough a wind,
That even our corn shall seem as light as chaff,
And good from bad find no partition.
Shakespear, Henry IV. Part II. iv. 1.

In the sun your golden grain display,
And thrash it out and *winnow* it by day.
Dryden, Translation of the Georgics, i. 399.

2. Fan; beat as with wings.

Now on the polar winds, then with quick fan
Winnows the buxom air.
Milton, Paradise Lost, v. 269.

3. Sift; examine.

Winnow well this thought, and you shall find
'Tis light as chaff that flies before the wind.
Dryden.

4. Separate; part.

Bitter torture shall
Winnow the truth from falsehood.
Shakespear, Cymbeline, v. 5.

Winnow. *v. n.* Part corn from chaff.

Winnow not with every wind, and go not into every way.—*Ecclesiasticus*, v. 9.

Winsome. *adj.* [A.S. *win* = gladness.] Merry; cheerful. *Obsolete, or Provincial.*

Winter. *s.* [A.S.] Cold season of the year.

Though he were already stept into the *winter* of his age, he found himself warm in those desires, which were in his son far more excusable.—*Sir P. Sidney.*

After summer evermore succeeds
The barren *winter* with his nipping cold.
Shakespear, Henry VI. Part II. ii. 4.

The two beneath the distant poles complain
Of endless *winter* and perpetual rain.
Dryden, Translation from Ovid, Metamorphoses, b. i.

To define *winter*, I consider first wherein it agrees with summer, spring, autumn, and I find they are all seasons of the year; therefore a season of the year is a genus: then I observe wherein it differs from these, and that is in the shortness of the days; therefore this may be called its special nature, or difference: then, by joining these together, I make a definition. *Winter* is that season of the year wherein the days are shortest.—*Watts, Logick.*

Winter. *v. n.* Pass the winter.

The fowls shall summer upon them, and all the beasts of the earth shall *winter* upon them.—*Isaiah*, xviii. 6.

Because the haven was not commodious to *winter* in, the more part advised to depart thence.—*Acts*, xxvii. 12.

Winter. *v. a.* Feed or manage in the winter.

The cattle generally sold for slaughter within, or exportation abroad, had never been handled or *wintered* at handmeat.—*Sir W. Temple.*

Winterbeaten. *adj.* Harassed by severe weather.

He compareth his careful case to the sad season of the year, to the frosty ground, to the frozen trees, and to his own *winter-beaten* flocke.—*Spenser.*

Wintergreen. *s.* In *Botany.* Native plant of the genus Pyrola.

Wintering. *verbal abs.* Keeping and management during winter.

Young lean cattle may by their growth pay for their *wintering*, and so be ready to fat next summer.—*Mortimer, Husbandry.*

Winterly. *adj.* Such as is suitable to winter; of a wintry kind.

If 't be summer news,
Smile to 't before; if *winterly*, thou need'st
But keep thy count'nance still.
Shakespear, Cymbeline, iii. 4.

Winter's-bark. *s.* In *Botany.* See extract.

Winter's bark [is] the bark of the Drimys Winteri, or Wintera aromatica, a large forest tree growing in Chili, Peru, and New Granada, and which was first brought to England by Captain Winter, who accompanied Sir Francis Drake, in 1578, to the straits of Magalhaens, where he obtained his specimens. It is found in the market in large quills or rolled pieces of a dull yellowish grey colour, and has an aromatic odour and warm pungent flavour.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Wintertide. *s.* Winter season.

Pledge of fruits
Which in *wintertide* shall star
The black earth with brilliance rare.
Tennyson, Ode to Memory.

Wintry. *adj.* Brumal; hiemal; suitable to winter.

He saw the Trojan fleet dispersed, distress'd
By stormy winds, and *wintry* heaven oppress'd.
Dryden, Translation of the Æneid, i. 182.

Winy. *adj.* Having the taste or qualities of wine.

Set cucumbers among musk melons, and see whether the melons will not be more *winy*, and better tasted.—*Bacon.*

Wipe. *s.* Green plover; also *pie-wipe*: (this latter word being supposed to be a corruption of *peewit*; but more probably, a corruption of *epops* or *upupa*).

Wipe. *v. a.*

1. Cleanse by rubbing with something soft.

Such a handkerchief,
I'm sure it was your wife's, did I to-day
See Cassio *wipe* his beard with.
Shakespear, Othello, iii. 3.

She a gentle tear let fall
From either eye, and *wiped* them with her hair.
Milton, Paradise Lost, v. 130.

Then with her vest the wound she *wipes* and dries. *Sir J. Denham, Passion of Dido.*

2. Take away by tersion.

Calumniate stoutly; for though we *wipe* away with never so much care the dirt thrown at us, there will be left some sulliage behind.—*Dr. H. More, Decay of Christian Piety.*

3. Strike off gently.

Let me *wipe* off this honourable dew,
That silverly doth progress on thy cheeks.
Shakespear, King John, v. 2.

Some natural tears they dropp'd, but *wiped* them soon. *Milton, Paradise Lost*, xii. 645.

A young man, having suffered many tortures, escaped with life, and told his fellow-Christians, that the pain of them had been rendered tolerable by the presence of an angel, who stood by him and *wiped* off the tears and sweat.—*Addison.*

4. Clear away.

Macduff, this noble passion,
Child of integrity, hath from my soul
Wiped the black scruples.
Shakespear, Macbeth, iv. 3.

5. Cheat; defraud.

The next bordering lords commonly incroach one upon another, as one is stronger, or lie still in wait to *wipe* them out of their lands.—*Spenser, View of the State of Ireland.*

Wipe out. Efface.

This blot, that they object against your house,
Shall be *wiped out* in the next parliament.
Shakespear, Henry VI. Part I. ii. 4.

Take one in whom decrepit old age has blotted out the memory of his past knowledge, and clearly *wiped out* the ideas his mind was formerly stored with, and stopped up all the passages for new ones to enter; or if there be some of the inlets yet left open, the impressions made are scarce perceived.—*Locke.*

Wipe. *s.*

1. Act of cleansing.
2. Blow; stroke; jeer; gibe; sarcasm.

The dignities and liberties of this kingdom shall receive no *wipe* of abatement during my reign.—*Proceedings against Garnet*, Rr. i. b.: 1666.

To statesmen would you give a *wipe*,
You print it in Italick type:
When letters are in vulgar shapes,
'Tis ten to one the wit escapes;
But when in capitals exprest,
The dullest reader smokes the jest.
Swift, On Poetry.

Wiper. *s.* Instrument or person by which anything is wiped.

The maids and their makes,
At dancing and wakes,
Had their napkins and posies,
And the *wipers* for their noses. *B. Jonson.*

Wire. *s.* Metal drawn into slender threads.

Tane was the damsel; and without remorse
The king condemn'd her, guiltless, to the fire:
Her vail and mantle pluckt they off by force,
And bound her tender arms in twisted *wire*.
Fairfax.

And the cherubick host, in thousand quires,
Touch their immortal harps of golden *wires*.
Milton, Odes, At a solemn Musick, 12.

Wiredraw. *v. a.*

1. Draw out into wire.
2. Draw out into length.

A fluid moving through a flexible canal, when small, by its friction will naturally lengthen, and *wiredraw* the sides of the canal, according to the direction of its axis.—*Arbuthnot.*

3. Draw by art or violence.

I have been wrongfully accused, and my sense *wiredrawn* into blasphemy.—*Dryden.*

Wiredrawer. *s.* One who spins wire.

Those who have need of unmixed silver, as gilders and *wiredrawers*, must, besides an equal weight of silver mixed with other metals, give an overplus to reward the refiner's skill.—*Locke.*

Wireworm. *s.* See extract.

The *wireworm* is the grub of a coleopterous insect, the Elater obscurus of Marsham. . . . It lives in the larva (or feeding) state upwards of five years; during all which time it commits its ravages on the roots of grass and grain, particularly that growing on newly broken up land. The true *wireworm* has been confounded with the larvæ and pupa of crane flies, hence the contradictory accounts of this insect to be found in different agricultural works.—*Loudon, Cyclopædia of Gardening*, 1629.

Wiry. *adj.* Consisting of, abounding in, resembling, wire; as applied to a thin, but tough and elastic-looking horse. See under Weed, *s.* 3.

Spelt *wiery*. Nares prefers *wiry*. Dr. Johnson has chosen *wiery*, after the example, I suppose, of *fiery*. Yet we write *miry* and *spiry*. (Todd). *Fiery*, however, is only justified by usage.

Polymnia shall be drawn with her hair hanging loose about her shoulders, resembling *wiery* gold.—*Peacham, On Drawing.*

Off with that *wiery* coronet, and shew
The hairy diadem which on your head doth grow.
Donne.

Wis. *v. n.* See Wit, and Ywis under Yclad.

Wisdom. *s.*

1. Sapience; power of judging rightly; knowledge of divine and human things.

That which moveth God to work is goodness, and that which ordereth his work is *wisdom*, and that which perfecteth his work is power.—*Hooker, Ecclesiastical Polity.*

As from senses reason's work doth spring,
So many reasons understanding gain,
And many understandings knowledge bring,
And by much knowledge, *wisdom* we obtain.
Sir J. Davies, Immortality of the Soul.

Wisdom is that which makes men judge what are the best ends, and what the best means to attain them, and gives a man advantage of counsel and direction.—*Sir W. Temple.*

2. Prudence; skill in affairs; judicious conduct.

'Tis much he dares,
And to that dauntless temper of his mind
He hath a *wisdom* that doth guide his valour
To act in safety. *Shakespear, Macbeth*, iii. 1.

Wise. *adj.* [A.S. *wis.*]

1. Sapient; judging rightly; having much knowledge.

Heaven is for thee too high; be lowly *wise*.
Milton, Paradise Lost, viii. 173.

All the writings of the ancient Goths were composed in verse, which were called runes, or vitses, and from thence the term of *wise* came.—*Sir W. Temple.*

The *wisest* and best men in all ages have lived up to the religion of their country, when they saw nothing in it opposite to morality.—*Addison.*

2. Judicious; prudent; practically knowing.

Then shall the kingdom of heaven be likened unto ten virgins . . . five of them were *wise*, and five were foolish.—*Matthew*, xxv. 1.

3. Skilful; dexterous.

Do we count him a *wise* man, who is *wise* in any thing but his own proper profession and employment, and *wise* for every body but himself?—*Archbishop Tillotson.*

4. Skilled in hidden arts: (a sense somewhat *ironical*).

There was an old fat woman even now with me.—Pray was 't not the *wise* woman of Brentford?—*Shakespear, Merry Wives of Windsor*, iv. 5.

5. Grave; becoming a wise man.

One rising eminent in *wise* deport
Spake much. *Milton, Paradise Lost*, xi. 666.

It must be a *wise* Being that is the cause of those *wise* effects.—*Bishop Wilkins.*

Wise. *s.* Manner; way of being or acting.

This song she sings in most commanding *wise*;
Come, shepherd's boy, let now thy heart be bow'd
To make itself to my least look a slave.
Sir P. Sidney.

Ere we farther pass, I will devise
A passport for us both, in fittest *wise*. *Spenser.*

On this *wise* ye shall bless Israel.—*Numbers*, vi. 23.

The lovers standing in this doleful *wise*,
A warrior bold approached. *Fairfax.*

With foam upon thy lips, and sparkling eyes,
Thou say'st and dost in such outrageous *wise*,
That mad Orestes, if he saw the show,
Would swear thou wert the madder of the two.
Dryden, Translation of Persius, iii. 235.

Wiseacre. *s.* [German, *weissager.*]

1. Wise, or sententious man. *Obsolete.*

Pythagoras lerned muche, . . . becomming a myghtye *wyseacre.—Leland.*

2. Ironical and contemptuous for fool, dunce, simpleton.

Why, says a *wiseacre* that sat by him, were I as the king of France, I would scorn to take part with footmen.—*Addison.*

Wiseling. *s.* One pretending to be wise. *Contemptuous.*

This may well put to the blush these *wiselings*, that shew themselves fools in so speaking.—*Donne, History of the Septuagint*, p. 214.

Wisely. *adv.* In a wise manner; judiciously; prudently.

If thou covet death, as utmost end
Of misery, so thinking to evade
The penalty pronounced, doubt not but God
Hath *wiselier* arm'd his vengeful ire.
Milton, Paradise Lost, x. 1020

The doctors, tender of their fame,
Wisely on me lay all the blame:
We must confess his case was nice,
But he would never take advice.
Swift, On the Death of Dr. Swift.

Wiseness. *s.* Attribute suggested by Wise; wisdom; sapience. *Obsolete.*

No less deserveth his wittiness in devising, his pithiness in uttering, his pastoral rudeness, and his moral *wiseness.—Spenser.*

Wish. *v. n.* [A.S. *wiscan*; German, *wünschen*; Danish, *önske.*]

1. Have strong desire; long.

The sun beat upon the head of Jonah, that he fainted, and *wished* in himself to die.—*Jonah*, iv. 8.

If all the year were playing holidays,
To sport would be as tedious as to work;
But when they seldom come, they *wish'd* for come.
Shakespear, Henry IV. Part I. i. 2.

Eve
With lowliness majestick from her seat,
And grace, that won who saw to *wish* her stay,
Rose, and went forth.
Milton, Paradise Lost, viii. 41.

2. Be disposed or inclined.
Those potentates, who do not *wish* well to his affairs, have shewn respect to his personal character. —*Addison.*

3. It has a slight signification of hope, or fear.
I *wish* it may not prove some ominous foretoken of misfortune, to have met with such a miser as I am.—*Sir P. Sidney.*

Wish. *v. a.*

1. Desire; long for.
He was fain to pull him out by the heels, and shew him the beast as dead as he could *wish* it.—*Sir P. Sidney.*

2. Recommend by wishing.
Had I as many sons as I have hairs,
I would not *wish* them to a fairer death.
Shakespear, Macbeth, v. 7.

3. Imprecate.
If heavens have any grievous plague in store,
Exceeding those that I can *wish* upon thee;
O let them keep it till thy sins be ripe,
And then hurl down their indignation.
Shakespear, Richard III. i. 3.

4. Ask.
Digby should find the best way to make Antrim communicate the affair to him, and to *wish* his assistance.—*Lord Clarendon, History of the Grand Rebellion.*

Wish. *s.*

1. Longing desire.
To his *wish*,
Beyond his hope, Eve separate he spies.
Milton, Paradise Lost, ix. 423.
A *wish* is properly the desire of a man sitting or lying still; but an act of the will, is a man of business vigorously going about his work.—*South, Sermons.*

2. Thing desired.
What next I bring shall please thee; be assured,
Thy likeness, thy fit help, thy other self,
Thy *wish*, exactly to thy heart's desire.
Milton, Paradise Lost, viii. 449.

3. Desire expressed.
Shame fall on Romeo!—Blister'd be thy tongue
For such a *wish*.
Shakespear, Romeo and Juliet, iii. 2.
I admire your whig principles of resistance in the spirit of the Barcelonians: I join in your *wish* for them.—*Pope.*

Wishedly. *adv.* According to desire. *Obsolete.*
What could have happened unto him more *wishedly*, than with his great honour to keep the town still?—*Knolles, History of the Turks.*

Wisher. *s.* One who wishes.
Wishers and woulders are never good householders.—*Old Proverb.*
With half that wish the *wisher's* eyes be press'd.
Shakespear, Midsummer-Night's Dream, ii. 3.

Wishful. *adj.*

1. Longing; showing desire.
From Scotland am I stol'n ev'n of pure love,
To greet mine own land with my *wishful* sight.
Shakespear, Henry VI. Part III. iii. 1.

2. Desirable; exciting wishes.
Nor could I see a soile where'er I came,
More sweet and *wishfull*. *Chapman.*

Wishfully. *adv.* In a wishful manner; with longing.
I was weary of this day, and began to think *wishfully* of being again in motion.—*Boswell, Tour to the Hebrides,* p. 98.

Wishly. *adv.* With longing; wishfully. *Rare.*
Devereux, that undaunted knight,
Who stood astern his ship, and *wishly* eyed
How deep the skirmish drew on either side.
Mirrour for Magistrates, p. 863.

Wisp. *s.* [A.S.] Small bundle, as of hay or straw.
A *wisp* of straw were worth ten thousand crowns,
To make this shameless callet know herself.
Shakespear, Henry VI. Part III. ii. 2.
A gentleman would fast five days, without meat, bread, or drink; but the same used to have continually a great *wisp* of herbs that he smelled on: and amongst those, some esculent herb of strong scent, as onions.—*Bacon, Natural and Experimental History.*
Banish'd Jews, who their whole wealth can lay
In a small basket, on a *wisp* of hay.
Dryden, Translation of Juvenal, iii. 23.

Wistful. *adj.*

1. Attentive; earnest; full of thought.
Why, Grubbinol, dost thou so *wistful* seem?
There's sorrow in thy look.
Gay, Shepherd's Week, Friday, 1.

2. It is used by Swift, as it seems, for *wishful*; though it may mean earnest, eager.
Lifting up one of my sashes, I cast many a *wistful* melancholy look towards the sea.—*Swift.*

Wistfully. *adv.* In a wistful manner; attentively; earnestly.
With that he fell again to pry
Through perspective more *wistfully*.
Butler, Hudibras, ii. 3, 463.

Wistly. *adv.* Attentively; earnestly.
Speaking it, he *wistly* look'd on me;
As who shall say,—I would thou wert the man.
Shakespear, Richard II. v. 4.

Wit. *v. n.* [A.S. *witan.*] Know.
Yet are these feet, whose strengthless stay is numb,
Unable to support this lump of clay,
Swift-winged with desire to get a grave;
As *witting* I no other comfort have.
Shakespear, Henry VI. Part I. ii. 5.

The A.S. form was *witan* = know: (whence *wit, wise,* &c).

The vowel was long, hence the spelling *weet.*

(For example see under Weet.)

This gives Weetless as a derivative.

The old preterite was in *s, wis* or *wiss*; of which the second person *wist* came to be used for both the other persons.

Thus proud and fierce, unto the hearts he stept
Of them poor souls; and, cutting reason's reins,
Made them his own before they had it *wist*.
Sir P. Sidney.
When as Mammon saw his purpose mist,
Him to entrap, unwares, another way he *wist*.
Spenser, Faerie Queen, ii. 7, 24.

Another preterite was *wot*; also *wote* as if from *weet*; which was also used as a present.

The things that grievous were to do or bear,
Them to renew, I *wote*, breeds no delight.
Spenser, Faerie Queen.
More water glideth by the mill
Than *wots* the miller of.
Shakespear, Titus Andronicus, ii. 1.

For the confusion with *wis*, see under Yclad.

When the construction is, as in the extract, passive, it arises out of the gerundial combination, *to witanne*; which means *to be known*, as *to blame* means *to be blamed*, in 'You are *to blame*.'

There is an officer, *to wit*, the sheriff of the shire, whose office it is to walk up and down his bailiwick. —*Spenser, View of the State of Ireland.*

Wit. *s.*

1. Powers of the mind; mental faculties; intellects.
Who would set his *wit* to so foolish a bird?—*Shakespear, Midsummer-Night's Dream,* iii. 1.
Will puts in practice what the *wit* deviseth;
Will ever acts, and *wit* contemplates still;
And as from *wit* the power of wisdom riseth,
All other virtue's daughters are of will.
Will is the prince, and *wit* the counsellor,
Which doth for common good in council sit;
And when *wit* is resolved will lends her pow'r
To execute what is advised by *wit*.
Sir J. Davies, Immortality of the Soul.

2. Imagination; quickness of fancy.
They never meet but there's a skirmish of *wit* between them.—Alas! in our last conflict four of his five *wits* went halting off, and now is the whole man governed by one.—*Shakespear, Much Ado about Nothing,* i. 1.
Wit lying most in the assemblage of ideas, and putting those together with quickness and variety, wherein can be found any resemblance or congruity, thereby to make up pleasant pictures in the fancy. Judgement, on the contrary, lies in separating carefully one from another, ideas, wherein can be found the least difference, thereby to avoid being misled by similitude.—*Locke.*

3. Sentiments produced by quickness of fancy, or by genius; effect of wit.
I am not only witty in myself, but the cause of that *wit* is in other men.—*Shakespear, Henry IV. Part II.* i. 2.
His works become the frippery of *wit. B. Jonson.*
The definition of *wit* is only this; that it is a propriety of thoughts and words; or, in other terms, thoughts and words elegantly adapted to the subject.—*Dryden.*
Let a lord once but own the happy lines,
How the *wit* brightens, and the style refines!
Pope, Essay on Criticism, ii. 420.

4. Man of fancy or genius (real or supposed).
Intemperate *wits* will spare neither friend nor foe; and make themselves the common enemies of mankind.—*Sir R. L'Estrange.*
A poet, being too witty himself, could draw nothing but *wits* in a comedy: even his fools were infected with the disease of their author.—*Dryden.*
How vain that second life in others' breath,
Th' estate which *wits* inherit after death!
Ease, health, and life for this they must resign;
Unsure the tenure, but how vast the fine!
The great man's curse without the gain endure;
Be envied, wretched; and be flatter'd, poor.
Pope, Temple of Fame.

5. Sense; judgement.
Strong was their plot,
Their practice close, their faith suspected not;
Their states far off, and they of wary *wit*. *Daniel.*
Come, leave the loathed stage,
And this more loathsome age;
Where pride and impudence, in faction knit,
Usurp the chair of *wit*. *B. Jonson.*
Though his youthful blood be fired with wine,
He wants not *wit* the danger to decline. *Dryden.*

6. Soundness of understanding; intellect not crazed; sound mind.
Sound sleep cometh of moderate eating; he riseth early, and his *wits* are with him; but the pain of watching, and choler, and pangs of the belly, are with an unsatiable man.—*Ecclesiasticus,* xxxi. 20.
I had a son,
Now outlaw'd from my blood; he sought my life:
The grief hath crazed my *wits*.
Shakespear, King Lear, iii. 4.
No man in his *wits* can make any doubt, whether there be such things as motion, and sensation, and continuity of bodies.—*Bishop Wilkins.*
Wickedness is voluntary frenzy, and every sinner does more extravagant things than any man that is crazed, and out of his *wits*, only that he knows better what he does.—*Archbishop Tillotson.*

7. Faculty of the mind: (generally *plural*).
If our *wits* run the wildgoose chase, I have done; for thou hast more of the wildgoose in one of thy *wits*, than I have in my whole five.—*Shakespear, Romeo and Juliet,* ii. 4.

Be at one's wits' end. Have exhausted the last contrivance, plan, or stratagem.
How can it chuse but bring the simple to their *wits' end?* how can it chuse but vex and amaze them?—*Hooker, Ecclesiastical Polity.*
The neighbourhood were *at their wits' end*, to consider what would be the issue.—*Sir R. L'Estrange.*

Live by one's wits. Live after the fashion of one who with more versatility than solidity (mental or material) lives on expedients.
Within a few hours of the time at which this dedication was written, Addison sent to beg Gay, who was then *living by his wits* about town, to come to Holland House.—*Macaulay, Critical and Miscellaneous Essays, Life and Writings of Addison.*

Witch. *s.* [A.S. *wic.*] Winding sinuous bank.
Leave me those hills where harbrough nis to see,
Nor holy bush, nor briar, nor winding *witch*.
Spenser.

Witch. *s.* [A.S. *wicce, wicca.*] Woman given to unlawful arts.
Wise judges have prescribed, that men may not rashly believe the confession of *witches*, nor the evidence against them. For the *witches* themselves are imaginative; and people are credulous, and ready to impute accidents and natural operations to witchcraft. — *Bacon, Natural and Experimental History.*
The night-hag comes to dance
With Lapland *witches*, while the labouring moon
Eclipses at their charms.
Milton, Paradise Lost, ii. 664.
When I consider whether there are such persons as *witches*, my mind is divided: I believe in general that there is such a thing as witchcraft, but can give no credit to any particular instance of it.—*Addison, Spectator.*

Witch. *v. a.* Bewitch. *Rare.*
Me ill befits, that in der-doing arms,
And honour's suit, my vowed days do spend,
Unto thy bounteous baits, and pleasing charms,
With which weak men thou *witchest*, to attend.
Spenser.
I'll *witch* sweet ladies with my words and looks.
Shakespear, Henry VI. Part III. iii. 2.

Witchcraft. *s.*

1. Practices of witches.
People are credulous, and ready to impute accidents and natural operations to *witchcraft*.—*Bacon, Natural and Experimental History.*

2. Power more than natural.
Urania name, whose force he knew so well,
He quickly knew what *witchcraft* gave the blow
Sir P. Sidney.

If you cannot
Bar his access to the king, never attempt
Anything on him, for he hath a *witchcraft*
Over the king in 's tongue.
Shakespear, Henry VIII. iii. 2.

Witchelm. *s.* See Wich-elm; the extract suggests an explanation of the spelling; i.e. that which connects it with Witch.

There's a good deal of virtue in that wand; I fancy 'tis made out of *witch-elm.—Addison, Drummer.*

Witchery. *s.* Enchantment.

Another kind of petty *witchery*, if it be not altogether deceit, they call charming of beasts and birds.—*Sir W. Raleigh.*

Great Comus!
Deep-skill'd in all his mother's *witcheries.*
Milton, Comus, 512.

Witching. *part. adj.* Favourable to enchantment.

'Tis now the very *witching* time of night,
When churchyards yawn.
Shakespear, Hamlet, iii. 2.

Witchmeal. *s.* Powdery sporules of the Lycopodium, used from their inflammatory nature to represent lightning in theatres.

The next experiment I made was with semen lycopodii, commonly called *witch-meal*, a substance which possesses very extraordinary properties.—*Count Rumford.*

Witcraft *s.* Contrivance; invention. *Obsolete.*

He was nobody that could not hammer out of his name an invention by this *witcraft*, and picture it accordingly.—*Camden, Remains.*

Witcracker. *s.* Joker; one who breaks a jest.

A college of *witcrackers* cannot flout me out of my humour: dost thou think I care for a satire or an epigram?—*Shakespear, Much Ado about Nothing*, v. 4.

Wite. *v. a.* [A.S. *witan.*] Reproach. *Obsolete.*

The yron rusteth, thou wilt not *wyte* it upon the smith; the wine sowreth, thou wilt not *wyte* it upon the vintener; the things that are created doe corrupt; as little also oughtest thou to *wyte* it upon the Creator.—*Trewnesse of the Christian Religion.* (Ord MS.)

The palmer gan most bitterly
Her to rebuke, for being loose and light;
Which not abiding, but more scornfully
Scoffing at him, that did her justly *wite*,
She turn'd her boat about.
Spenser, Faerie Queen, ii. 12, 16.

Wite. *s.* Blame; reproach. *Obsolete.*

His own thought he knew most clear from *wite.*
Spenser, Faerie Queen.

Witeless. *adj.* Blameless. *Obsolete.*

Ne can Willie wite the *witeless* herdgroom.
Spenser, Shepherd's Calendar.

With. *prep.* [A.S. *wið*; Danish, *ved*; the root denotes not only association, but opposition, as in Withstand.]

1. By: (noting the *cause*).

Truth, tired *with* iteration,
As true as steel, as plantage to the moon.
Shakespear, Troilus and Cressida, iii. 2.

2. Noting the means.

Rude and unpolished are all operations of the soul in their beginnings, before they are cultivated *with* art and study.—*Dryden.*

3. Noting the instrument.

Boreas through the lazy vapour flies,
And sweeps, *with* healthy wings, the rank polluted skies. *Rowe.*

4. On the side of; for: (noting confederacy, or favour).

Fear not, for I am *with* thee.—*Genesis*, xxvi. 24.

5. In opposition to; in competition or contest.

I do contest
As hotly and as nobly *with* thy love,
As ever against thy valour.
Shakespear, Coriolanus, iv. 5.

He shall lie *with* any friar in Spain.—*Dryden, Spanish Friar.*

6. Noting comparison.

Can blazing carbuncles *with* her compare?
Sandys.

7. In society; noting connection.

In all thy humours, whether grave or mellow,
Thou 'rt such a touchy, testy, pleasing fellow:
Hast so much wit, and mirth, and spleen about thee,
There is no living *with* thee, nor without thee.
Tatler.

8. In company of.

At the instant that your messenger came, in loving visitation was *with* me a young doctor from Rome.—*Shakespear, Merchant of Venice*, iv. 1, letter.

9. In appendage; noting consequence, or concomitance.

Men might know the persons who had a right to regal power, and *with* it to their obedience.—*Locke.*

10. In mutual dealing.

I will buy *with* you, sell *with* you, talk *with* you, walk *with* you, and so following; but I will not eat *with* you, drink *with* you, nor pray *with* you.—*Shakespear, Merchant of Venice*, i. 3.

11. Noting confidence: (as, 'I trust you *with* all my secrets;' or, 'I trust all my secrets *with* you').

12. In partnership.

Though Jove himself no less content would be,
To part his throne, and share his heaven *with* thee.
Pope.

13. Noting connection.

Pity your own, or pity our estate,
Nor twist our fortunes *with* your sinking fate.
Dryden.

14. Immediately after.

With that she told me, that though she spake of her father Chremes, she would hide no truth from me.—*Sir P. Sidney.*

In falling, both an equal fortune tried;
Would fortune for my fall so well provide!
With this he pointed to his face, and show'd
His hands and all his habit smear'd with blood.
Dryden, Translation of the Æneid, v. 466.

15. Amongst.

Jasper duke of Bedford, whom the king used to employ *with* the first in his wars, was then sick.—*Bacon.*

Immortal powers the term of conscience know,
But interest is her name *with* men below. *Dryden.*

16. Upon.

Such arguments had invincible force *with* those Pagan philosophers who became Christians.—*Addison.*

17. In consent: (noting parity of state).

See! where on earth the flow'ry glories lie:
With her they flourish'd, and *with* her they die.
Pope, Pastorals, Winter.

With in composition (except in the word *withal*) signifies opposition, or privation.

A present natural good may be *parted with*, upon a profitable expectation of a future moral good.—*Bishop Wilkins.*

With *change*: (generally with *for*; in extract with *with*).

Changing a good word *with* a worse.—*Ascham.*

Withal. *adv.*

1. Along with the rest; likewise; at the same time.

Yet it must be *withal* considered, that the greatest part of the world are they which be farthest from perfection.—*Hooker, Ecclesiastical Polity.*

How well supply'd with noble counsellors!
How modest in exception, and *withal*
How terrible in constant resolution!
Shakespear, Henry V. ii. 4.

The one of them contains my picture, prince;
If you chuse that, then I am yours *withal.*
Id., Merchant of Venice, ii. 7.

This that prince did not transmit as a power, to make conquest, but as a retinue for his son, and *withal* to enable him to recover some part of Ulster.
Sir J. Davies, Discourse on the State of Ireland.

God, when he gave me strength, to shew *withal*
How slight the gift was, hung it in my hair.
Milton, Samson Agonistes, 58.

'Tis necessary men should be out of their nonage before they can attain to an actual use of this principle; and *withal* that they should be ready to exercise their faculties.—*Bishop Wilkins.*

Christ had not only an infinite power to work miracles, but an equal wisdom to know the just force and measure of every argument, to persuade, and *withal* to look through and through all the dark corners of the soul of man, and to discern what prevails upon them, and what does not.—*South, Sermons.*

2. It is sometimes used by writers where we now use *with*, but I think improperly.

Time brings means to furnish him *withal*;
Let him but wait th' occasions as they fall. *Daniel.*

It is to know what God loves and delights in, and is pleased *withal*, and would have us do in order to our happiness.—*Archbishop Tillotson.*

Withdráw. *v. a.*

1. Take back; bereave.

It is not possible they should observe the one, who from the other *withdraw* unnecessarily obedience.—*Hooker, Ecclesiastical Polity.*

2. Call away; make to retire.

Nausicaa is *withdrawn*, and a whole nation introduced, for a more general praise of Ulysses.—*Broome.*

3. Liberate; take away from.

From her husband's hand her hand
Soft she *withdrew.* *Milton, Paradise Lost*, ix. 385.

Withdráw. *v. n.* Retire; retreat.

At this excess of courage all amazed,
The foremost of his foes awhile *withdraw*:
With such respect in enter'd Rome they gazed,
Who on high chairs the godlike fathers saw.
Dryden, Annus Mirabilis.

Duumvir has passed the noon of life; but cannot *withdraw* from entertainments, which are pardonable only before that stage of our being.—*Tatler.*

Withdráwal. *s.* Act of one who withdraws; state of being withdrawn.

The *withdrawal* of the allowance . . . seriously interfered with my plans.—*Fielding, Tom Jones.*

The *withdrawal* of his hand offended me.—*Theodore Hook, Gilbert Gurney.*

Withdráwer. *s.* One who, that which, withdraws.

He was not a *withdrawer* of the corn, but a seller.—*Outred, Translation of Cope on Proverbs*, fol. 192. b.: 1583.

Withdráwingroom. *s.* Room behind another room for retirement; drawing-room.

For an ordinary gentleman, a hall, a great parlour, with a *withdrawingroom*, with a kitchen, butteries, and other conveniences, is sufficient.—*Mortimer, Husbandry.*

Withdráwment. *s.* Withdrawal. *Rare.*

Notwithstanding the *withdrawment* of those papers deemed most obnoxious, it appeared that the king had consented to put the whole power of the government into the hands of the Presbyterians.—*Belsham, History of England.*

Withe. *s.* See Withy.

Wither. *v. n.*

1. Fade; grow sapless; dry up.

That which is of God we defend, to the uttermost of that ability which he hath given: that which is otherwise, let it *wither* even in the root from whence it hath sprung.—*Hooker, Ecclesiastical Polity.*

When I have pluck'd thy rose,
I cannot give it vital growth again;
It needs must *wither.* *Shakespear, Othello*, v. 2.

The soul may sooner leave off to subsist, than to love: and like the vine, it *withers* and dies, if it has nothing to embrace.—*South, Sermons.*

2. Waste, or pine away.

Are there so many left of your own family, that you should desire wholly to reduce it, by suffering the last branch of it to *wither* away before its time?
Sir W. Temple.

3. Lose, or want animal moisture.

Vain men, how vanishing a bliss we crave,
Now warm in love, now *with'ring* in the grave!
Dryden.

Wither. *v. a.* [A.S. *wiðerian.*]

1. Make to fade.

The sun is no sooner risen with a burning heat, but it *withereth* the grass, and the flower thereof falleth.—*James*, i. 11.

2. Make to shrink, decay, or wrinkle, for want of animal moisture.

Age cannot *wither* her, nor custom stale
Her infinite variety.
Shakespear, Antony and Cleopatra, ii. 2.

Who are these,
So *wither'd*, and so wild in their attire,
That look not like th' inhabitants o' th' earth,
And yet are on 't? *Id., Macbeth*, i. 3.

Thy youth, thy strength, thy beauty, which will change
To *wither'd*, weak, and grey.
Milton, Paradise Lost, xi. 539.

In Spain our springs, like old men's children, be
Decay'd and *wither'd* from their infancy:
No kindly showers fall on our barren earth,
To hatch the seasons in a timely birth.
Dryden, Indian Emperor, i. 1.

Witherband. *s.* See extract.

A *witherband* [is] a piece of iron, which is laid under a saddle, about four fingers above the horse's withers, to keep the two pieces of wood tight, that form the bow.—*Farrier's Dictionary.*

Witheredness. *s.* Attribute suggested by Withered; state of being withered; marcidity.

The dead *witheredness* of good affections.—*Bishop Hall, Contemplations*, b. iv.

Water them as soon as set, till they have recovered their *witheredness.*—*Mortimer, Husbandry.*

Withers. *s.* [?] In *Farriery.* Joining of the shoulderbones at the bottom of the neck and mane, towards the upper part of the shoulder.

Let the gall'd beast winch;
Our *withers* are unwrung.
Shakespear, Hamlet, iii. 2.

Rather than let your master take long journies, contrive that the saddle may pinch the beast in his *withers*.—*Swift.*

Witherwrung. In *Farriery.* See extract.

The hurt expressed by *witherwrung* sometimes is caused by a bite of a horse, or by a saddle being unfit, especially when the bows are too wide; for when they are so, they bruise the flesh against the spines of the second and third vertebre of the back, which forms that prominence that rises above their shoulders.—*Farrier's Dictionary.*

Withhóld. *v. a.* [the *h* here is doubled in spelling, yet not in sound, inasmuch as the *h* in *with* is no second sound, but a mere element in the spelling, of the sound of the A.S. þ, ð, the Greek θ, &c.] Restrain; keep from action; hold back; withdraw.

Soon as Titan gan his head exault,
And soon again as he his light *withhault*,
Their wicked engines they against it bent. *Spenser.*

What difficulties there are, which as yet *withhold* our assent till we be further and better satisfied, I hope no indifferent amongst them will scorn or refuse to hear.—*Hooker, Ecclesiastical Polity.*

Volition is an act of the mind, knowingly exerting that dominion it takes itself to have over any part of man, by employing it in, or *withholding* it from any particular action.—*Locke.*

Withhólder. *s.* One who, that which, withholds.

The words are spoken against them that invade tithes and church rights; and that which is there threatened, happened to this *withholder*.—*Stephens, Additions to Spelman on Sacrilege*, p. 138.

Within. *prep.*

1. In the inner part of.

Who then shall blame
His pester'd senses to recoil and start,
When all that is *within* him does condemn
Itself for being there? *Shakespear, Macbeth*, v. 2.

2. In the compass of; not beyond.

Next day we saw, *within* a kenning before us, thick clouds, which put us in hope of land.—*Bacon.*

Bounding desires *within* the line which birth and fortune have marked out, is an indispensable duty.—*Bishop Atterbury.*

3. Not longer ago than.

Within these three hours, Tullus,
Alone I fought in your Corioli walls,
And made what work I pleased.
Shakespear, Coriolanus, i. 8.

4. In the reach of.

I have suffer'd in your woe;
Nor shall be wanting ought *within* my power
For your relief. *Dryden.*

Be informed how much your husband's revenue amounts to, and be so good a computer as to keep *within* it.—*Swift.*

As the *first element* in a *compound.*

Sedentary and *within-door* arts, and delicate manufactures, that require rather the finger than the arm, have a contrariety to a military disposition.—*Bacon, Natural and Experimental History.*

Within. *adv.* In the inner parts; inwardly; internally.

This is yet the outward, fairest side
Of our design. *Within* rests more of fear;
More dread of sad event yet undescried. *Daniel.*

Yet sure, though the skin
Be closed without, the wound festers *within*.
Carew.

Death thou hast seen
In his first shape on man; but many shapes
Of death, and many are the ways that lead
To his grim cave: all dismal, yet to sense
More terrible at the entrance, than *within*.
Milton, Paradise Lost, xi. 466.

Withinside. *adv.* In the interior parts.

The forceps for extracting the stone is represented a little open, that the teeth may be better seen *withinside*.—*Sharp, Surgery.*

Withóut. *prep.*

1. In a state of absence from.

Hast so much wit, and mirth, and spleen about thee,
There is no living with thee, nor *without* thee.
Tatler.

2. In the state of not having.

The virtuous bezoar is taken from the beast that feedeth upon the mountains; and that *without* virtue from those that feed in the vallies.—*Bacon.*

If the idea be not innate, there was a time when the mind was *without* those principles; and then they will not be innate, but be derived from some other original.—*Locke.*

3. On the outside of; beyond; not within the compass of; beyond the compass of.

Excess of diet in costly meats and drinks, fetched from beyond the seas, would be avoided: wise men will do it *without* a law; I would there might be a law to restrain fools.—*Bacon.*

Without the gate ...
Some drive the cars, and some the coursers rein.
Dryden, Translation of the Æneid, vii. 217.

The great lords of Ireland informed the king, that the Irishry might not be naturalized *without* damage to themselves or the crown.—*Sir J. Davies, Discourse of the State of Ireland.*

Happiness under this view every one constantly pursues. Other things, acknowledged to be good, he can look upon *without* desire, pass by, and be content without.—*Locke.*

Eternity, before the world and after, is *without* our reach: but that little spot of ground that lies betwixt those two great oceans, this we are to cultivate.—*T. Burnet, Theory of the Earth.*

Without the separation of the two monarchies, the most advantageous terms from the French must end in our destruction.—*Addison.*

Withoút. *adv.*

1. Not on the inside, exterior, or external, to anything.

Forming trees and shrubs into sundry shapes, is done by moulding them within, and cutting them *without*.—*Bacon.*

These were from *without* the growing miseries.
Milton, Paradise Lost, x. 715.

2. Out of doors.

The reception of light into the body of the building was very prompt from *without* and from within.—*Sir H. Wotton.*

Their doors are barr'd against a bitter flout;
Snarl, if you please, but you shall snarl *without*.
Dryden, Translation of Persius, i. 216.

Withoút. *conj.* Unless; if not; except: (not in use, according to Johnson, except in conversation).

I find my love shall be proved to love, *without* I leave to love, being too unfit a vessel in whom so high thoughts should be engraved.—*Sir P. Sidney.*

You will never live to my age, *without* you keep yourselves in breath with exercise, and in heart with joyfulness.—*Id.*

Withoúten. *prep.* Without. *Archaic.*

Her face so fair, as flesh it seemed not,
But heavenly pourtrait of bright angel's hue,
Clear as the sky, *withouten* blame or blot,
Through goodly mixture of complexion's dew.
Spenser.

Withstánd. *v. a.* Stand against; oppose; resist.

The violence of sorrow is not at the first to be striven withal, being like a mighty beast, sooner tamed with following, than overthrown by *withstanding*.—*Sir P. Sidney.*

The wonderful zeal and fervour wherewith ye have *withstood* the received orders of this church, was the first thing which caused me to enter into consideration, whether every Christian man, fearing God, stand bound to join with you.—*Hooker, Ecclesiastical Polity.*

They soon set sail; nor now the fates *withstand*;
Their forces trusted with a foreign hand.
Dryden, Translation of the Æneid, x. 230.

When Elymas *withstood* Paul and Barnabas, and when Paul says of Alexander, he hath greatly *withstood* our words, do we think the *withstanding* there was without speaking?—*Bishop Atterbury.*

Withstánder. *s.* One who, that which, withstands, opposes, or resists; opponent; resisting power.

War may be defined the exercise of violence under sovereign command against *withstanders*; force, authority, and resistance being the essential parts thereof.—*Sir W. Raleigh.*

Withstánding. *verbal abs.* Act of one who withstands.

(For example, see last extract under Withstand.)

Withy. *s.* [A.S. *wiðig.*] Willow, or osier, twig.

The *withy* is a reasonable large tree, for some have been found ten feet about.—*Evelyn.*

Used *adjectivally.*

I learnt to fold my net,
And *withy* labyrinths in straits to set.
P. Fletcher, Piscatory Eclogues, i. 5.

Also *withe*, and *with.*

An Irish rebel put up a petition, that he might be hanged in a *with*, and not a halter, because it had been so used with former rebels.—*Bacon.*

There let him lie
Till I, of cut-up osiers, did imply
A *with*, a fathome long, with which his feete
I made together, in a sure league meete. *Chapman.*

These cords and *withes* will hold men's consciences, when force attends and twists them.—*Eikon Basilike.*

Birch is of use for ox-yoaks, hoops, screws; *wythes* for faggots.—*Mortimer, Husbandry.*

Witless. *adj.* Wanting understanding; inconsiderate; wanting thought.

Why then should *witless* man so much misween
That nothing is but that which he hath seen?
Spenser

I have ever loved the life removed;
And held in idle price to haunt assemblies,
Where youth, and cost, and *witless* bravery keeps.
Shakespear, Measure for Measure, i. 4.

So 't pleased my destiny,
Guilty of my sin of going, to think me
As vain, as *witless*, and as false as they
Which dwell in court. *Donne.*

With none to watch her and caress,
No arm to clasp, no voice to bless,
The *witless* child grew up alone,
And made all Nature's book her own.
Praed, Lilian.

Witlessly. *adv.* In a witless manner; inconsiderately; without understanding.

I have transgress'd all goodness, *witlessly*
Raised mine own curses from posterity;
I'll follow, to redress in what I may.
Beaumont and Fletcher, Four Plays in One.

Witlessness. *s.* Attribute suggested by Witless; want of consideration.

Where wilful *witlessness* doth not bar against it.—*Sir E. Sandys, State of Religion*, R. 2. b.

Witling. *s.* Pretender to wit; man of petty smartness.

You have taken off the senseless ridicule, which for many years the *witlings* of the town have turned upon their fathers and mothers.—*Addison, Spectator.*

Those half-learn'd *witlings*, num'rous in our isle
As half-form'd insects on the banks of Nile;
Unfinished things.
Pope, Essay on Criticism, i. 40.

A beau and *witling* perish'd in the throng;
One died in metaphor, and one in song.
Id., Rape of the Lock, canto v.

Ye newspaper *witlings*, ye pert scribbling folks,
Who copied his squibs, and re-echoed his jokes.
Goldsmith, Retaliation.

Witness. *s.*

1. Testimony; attestation: (often with *with*).

Many bare false *witness*, but their *witness* agreed not.—*Mark*, xiv. 56.

If I bear *witness* of myself, my *witness* is not true.—*John*, v. 31.

The devil can cite scripture for his purpose;
An evil soul producing holy *witness*
Is like a villain with a smiling cheek,
A goodly apple rotten at the heart.
Shakespear, Merchant of Venice, i. 3.

Nor was long his *witness* unconfirm'd.
Milton, Paradise Regained, i. 29.

Ye moon and stars, bear *witness* to the truth!
His only crime, if friendship can offend,
Is too much love to his unhappy friend.
Dryden, Translation of the Æneid, ix. 574.

Our senses bear *witness* to the truth of each other's report, concerning the existence of sensible things.—*Locke.*

2. One who gives testimony.

God is *witness* betwixt me and thee.—*Genesis*, xxxi. 50.

The king's attorney
Urged on examinations, proofs, confessions
Of divers *witnesses*. *Shakespear, Henry VIII.* ii. 1.

Thy trial choose
With me, best *witness* of thy virtue tried.
Milton, Paradise Lost, ix. 316.

Nor need I speak my deeds, for these you see;
The sun and day are *witnesses* for me.
Dryden, Translation from Ovid, Contention of Ajax and Ulysses.

With a witness. Effectually; to a great degree, so as to leave some lasting mark or testimony behind; with a vengeance: (condemned by Johnson as 'A *low* phrase').

Here was a blessing handed out with the first pairs of animals at their creation; and it had effect *with a witness*.—*Woodward.*

Now gall is bitter *with a witness*;
And love is all delight and sweetness.
Prior, Alma, i. 445.

Witness. *v. a.* Attest; tell with asseveration.

There ran a rumour
Of many worthy fellows that were out,
Which was to my belief *witness'd* the rather,
For that I saw the tyrant's power a-foot.
Shakespear, Macbeth, iv. 3.

Though by the father he were hired to this,
He ne'er could *witness* any touch or kiss. *Donne.*

These be those discourses of God, whose effects those that live *witness* in themselves; the sensible in their sensible natures, the reasonable in their reasonable souls.—*Sir W. Raleigh.*

Witness. *v. n.* Bear testimony.

The sea strave with the winds which should be louder, and the shrouds of the ship with a ghastly

noise to them that were in it, *witnessed* that their ruin was the wager of the others' contention.—*Sir P. Sidney.*

Another beareth witness of me, and I know that the witness which he *witnesseth* of me is true.—*John*, v. 32.

Witness, you ever-burning lights above!
You elements that clip us round about!
Witness that here Iago now doth give
The execution of his wit, hands, and heart
To wronged Othello's service.
Shakespear, Othello, iii. 3.

The Americans do acknowledge and speak of the deluge in their continent, as Acosta *witnesseth*, and Laet in the histories of them.—*T. Burnet, Theory of the Earth.*

Lord Falkland *witnesses* for me, that in a book there were many subjects that I had thought on for the stage.—*Dryden.*

Construction *interjectional*, the verb being either in the imperative mood, or else with *be* understood, in which case it is no verb, but a substantive.

For want of words, or lack of breath,
Witness, when I was worried with thy peals.
Milton, Samson Agonistes, 905.

Witnesser. *s.* One who gives testimony.

He was now so well become a constant *witnesser* of the passion of Christ, that, by crucifying the desires of his flesh, he gave an example of an heavenly conversation unto all his subjects.—*Martin, Treatise on the Marriage of Priests*, sign. Z. iii.

Witsnápper. *s.* One who affects repartee.

Go in, sirrah; bid them prepare for dinner.—
That is done, sir; they have all stomachs.—
What a *witsnapper* are you!
Shakespear, Merchant of Venice, iii. 5.

Witticaster. *s.* Poor wit; pretender to wit.

The mention of a nobleman seems quite sufficient to arouse the spleen of our *witticaster*.—*Milton.* (Ord MS.)

Witticism *s.* Mean attempt at wit: (this word, according to Johnson, Dryden innovated; but a correction of the statement is given in the first extract).

'Tis no wonder that such a three-lettered man as you [Fur, a Thief] should make such a *witticism* on three letters.—*Milton, Defence of the English People*, c. ii. (Trench.)

A mighty *witticism*, pardon a new word.—*Dryden, State of Innocence*, preface.

We have a libertine fooling even in his last agonies, with a *witticism* between his teeth, without any regard to sobriety and conscience.—*Sir R. L'Estrange.*

He is full of conceptions, points of epigram, and *witticisms*, all which are below the dignity of heroick verse.—*Addison.*

Wittily. *adv.* In a witty manner.

1. Ingeniously; cunningly; artfully.

But is there any other beast that lives,
Who his own harm so *wittily* contrives?
Dryden, Essay upon Satire, 132.

2. With a flight of imagination.

In conversation *wittily* pleasant, pleasantly gamesome.—*Sir P. Sidney.*

The old hermit, that never saw pen and ink, very *wittily* said to a niece of king Gorboduck, That that is, is.—*Shakespear, Twelfth Night*, iv. 2.

Obstinate contemners of all helps and arts, such as, presuming on their natural parts, dare deride all diligence, and seem to mock at the terms when they understand not the things; think that way to get off *wittily* with their ignorance.—*B. Jonson.*

Wittiness. *s.* Attribute suggested by Witty; quality of being witty.

No less deserveth his *wittiness* in devising, his pithiness in uttering, his pastoral rudeness, and his moral wiseness.—*Spenser.*

Wittingly. *adv.* In a witting manner; knowingly; not ignorantly; with knowledge; by design.

Whatsoever we work as men, the same we do *wittingly* work and freely: neither are we, according to the manner of natural agents, any way so tied, but that it is in our power to leave things we do undone.—*Hooker, Ecclesiastical Polity.*

Withhold revenge, 'tis not my fault,
Nor *wittingly* have I infringed my vow.
Shakespear, Henry VI. Part III. ii. 2.

During that dreadful siege, every particular accident for brevity I *wittingly* pass over.—*Knolles, History of the Turks.*

No forger of lies willingly and *wittingly* furnished out the means of his own detection.—*West, On the Resurrection.*

Wittol. *s.* [A.S.] Man who knows the falsehood of his wife, and seems contented; tame cuckold.

The Theban *wittol*, when he once descries
Jove is his rival, falls to sacrifice. *Cleaveland.*

Used *adjectivally.*

O Mars, for what doth serve thy armed ax,
To let that *wittold* beast consume in flames
Thy Venus' child? *Sir P. Sidney.*

Amaimon sounds well; Lucifer well: yet they are the names of fiends: but cuckold, *witlol* cuckold, the devil himself hath not such a name.—*Shakespear, Merry Wives of Windsor*, ii. 2.

Wittolly. *adv.* Cuckoldy.

The jealous *wittolly* knave hath masses of money.—*Shakespear, Merry Wives of Windsor*, ii. 2.

Witty. *adj.*

1. Judicious; ingenious; inventive.

Thou art beautiful in thy countenance, and *witty* in thy words.—*Judith*, xi. 23.

The deep revolving, *witty* Buckingham
No more shall be the neighbour to my counsels.
Shakespear, Richard III. iv. 2.

2. Full of imagination.

Histories make men wise, poets *witty*, the mathematick subtile.—*Bacon.*

Where there is a real stock of wit, yet the *wittiest* sayings will be found in a great measure the issues of chance.—*South, Sermons.*

In gentle verse the *witty* told their flame,
And graced their choicest songs with Emma's name.
Prior, Henry and Emma, 82.

3. Sarcastic; full of taunts.

Honeycomb, who was so unmercifully *witty* upon the women, has given the ladies ample satisfaction by marrying a farmer's daughter.—*Addison, Spectator.*

Witworm. *s.* One who feeds on wit; canker of wit.

Thus to come forth so suddenly a *witworm*.
B. Jonson.

Wive. *v. n.* Marry; take a wife.

Were she as rough
As are the swelling Adriatick seas,
I come to *wive* it wealthily in Padua.
Shakespear, Taming of the Shrew, i. 2.

Design or chance makes others *wive*,
But nature did this chance contrive. *Waller.*

Wive. *v. a.*

1. Match to a wife.

She dying gave it me;
And bid me, when my fate would have me *wived*,
To give it her. *Shakespear, Othello*, iii. 4.

She won so much upon his fancy, though already *wived*, as [to cause him] to demand her in marriage.—*Milton, History of England*, b. iii.

2. Take for a wife.

If he had the condition of a saint, and the complexion of a devil, I had rather he should shrive me than *wive* me.—*Shakespear, Merchant of Venice*, i. 2.

Her whom the first man did *wive*.
Donne, Poems, p. 296.

Wivehood. *s.* Wifehood.

That girdle gave the virtue of chaste love,
And *wivehood* true to all that did it bear.
Spenser, Faerie Queen, iv. 5, 3.

No less than counsel on your *wivehood*, wife.
B. Jonson, Devil is an Ass.

Wiveless. *adj.* Wifeless.

The gift of *wiveless* life.—*Confutation of Nicholas Shaxton*, H. vi. b.: 1546.

They in their *wiveless* state run into open abominations.—*Book of Homilies, Of Matrimony.*

Wiver. *s.* Old form of Wivern.

The erle of Kent beareth a *wiver* for his creste and supporters.—*Thynne, Animadversions on Chaucer.*

Wivern. *s.* In *Heraldry.* Winged dragon.

A *wivern* [is] a chimerical animal, the upper part resembling a dragon.—*Manual of Heraldry.*

Wiving. *verbal abs.* Taking a wife.

The ancient saying is no heresy,
Hanging and *wiving* goes by destiny.
Shakespear, Merchant of Venice, ii. 9.

A shop of all qualities that man loves woman for; besides that hook of *wiving*, fairness, which strikes the eye.—*Id., Cymbeline*, v. 5.

Wizard. *s.*

1. Wise person; learned person.

The antique *wisards*. *Spenser, Faerie Queen.*

Light . . . whose nature yet so much is marvelled
Of mortal wights, that it doth much amaze
The greatest *wisards* which thereon do gaze.
Id., Hymn on Heavenly Beauty.

Upon the eastern road
The star-led *wisards* haste with odours sweet.
Milton, Odes, On the Morning of the Nativity, 23.

2. Conjuror; magician; enchanter.

He hearkens after prophecies and dreams,
And from the cross-row plucks the letter G;
And says, a *wizard* told him that by G
His issue disinherited should be.
Shakespear, Richard III. i. 1.

The wily *wizard* must be caught,
For, unconstrain'd he nothing tells for nought.
Dryden, Translation of Virgil, Georgics, iv. 571.

Used *adjectivally.*

Where Deva spreads her *wisard* stream.
Milton, Lycidas, 55.

Wizardry. *s.* Practice of magic, conjuring, or enchantment.

William of Plasian produced his charges, charges of the most monstrous heresy, infidelity, and, what was perhaps worse, *wizardry* and dealing with evil spirits.—*Milman, History of Latin Christianity*, b. xi. ch. ix.

Wizen. *v. n.* [A.S. *wisnian.*] Wither.

Woad. *s.* [A.S. *wad*; sometimes so written and spoken at present.] Plant used in dyeing, of the genus Isatis (tinctoria); the *weld* is Reseda tinctoria, a plant akin to the mignonettes.

In times of old, when British nymphs were known
To love no foreign fashions like their own;
When dress was monstrous, and fig-leaves the mode,
And quality put on no paint but *woad*. *Garth.*

Woe. *s.*

1. Grief; sorrow; misery; calamity.

The king is mad: how stiff is my vile sense,
That I stand up and have ingenious feeling
Of my huge sorrows! better I were distract;
So should my thoughts be sever'd from my griefs;
And *woes*, by wrong imaginations, lose
The knowledge of themselves.
Shakespear, King Lear, iv. 6.

Her rash hand, in evil hour
Forth reaching to the fruit, Eve pluck'd, she eat:
Earth felt the wound; and Nature from her seat
Sighing through all her works, gave signs of *woe*
That all was lost. *Milton, Paradise Lost*, ix. 780.

Methinks we wandering go
Through dreary wastes, and weep each other's *wo*.
Pope, Eloisa to Abelard.

2. It is often used in denunciations, *woe be*; or in exclamations of sorrow, *woe is*; anciently *woe worth*: (see under Worth, *v.*).

All is but lip wisdom which wants experience: I now, *wo is* me, do try what love can do.—*Sir P. Sidney.*

Wo be to the shepherds of Israel that do feed themselves.—*Ezekiel*, xxxiv. 2.

Wo is me for my hurt, my wound is grievous.—*Jeremiah*, x. 19.

Wo is my heart!
That poor soldier, that so richly fought,
Whose rags shamed gilded arms, whose naked breast
Stept before shields of proof, cannot be found.
Shakespear, Cymbeline, v. 5.

Happy are they which have been my friends; and *woe* to my lord chief-justice.—*Id., Henry IV. Part II.* v. 3.

Many of our princes, *woe* the while!
Lie drown'd and soak'd in mercenary blood.
Id., Henry V. iv. 7.

He took and laid it by, and wept for *wo*.
Chapman.

If God be such a being as I have described, *wo* to the world if it were without him: this would be a thousand times greater loss to mankind than the extinguishing of the sun.—*Archbishop Tillotson.*

Woe to the vanquish'd, *woe!*
Dryden, Albion and Albanius.

3. Denunciation of calamity; curse.

Can there be a *wo* or curse in all the stores of vengeance equal to the malignity of such a practice; of which one single instance could involve all mankind in one confusion?—*South, Sermons.*

Woe. *adj.* See extract from Todd.

He wexed wondrous *woe*.
Spenser, Faerie Queen.

Woe are we, sir! you may not live to wear
All your true followers out.
Shakespear, Antony and Cleopatra, iv. 12.

Wo seems in phrases of denunciation or imprecation to be a substantive, and in exclamation an adjective, as particularly in the preceding lines of Shakespear, which, Dr. Johnson says, seem improper and ungrammatical. This is a mistake: as an adjective, *woe* is pure Saxon, wa, mœstus. And our old authors so use it.—*Todd.*

Woébegone. *adj.* Lost in woe; distracted in woe; overwhelmed with sorrow.

Such a man,
So dull, so dead in look, so *woebegone*,
Drew Priam's curtain in the dead of night,
And would have told him half his Troy was burn'd;
But Priam found the fire, ere he his tongue.
Shakespear, Henry IV. Part II. i. 1.

Who so *woebegone*
For Ochy, as the isle of ancient Avalon? *Drayton.*

Tancred he saw his life's joy set at naught,
So *woebegone* was he with pains of love.
Fairfax, Translation of Tasso.

Woéful. *adj.*

1. Sorrowful; afflicted; mourning.

The *woful* Gynecia, to whom rest was no ease, had left her lothed lodging, and gotten herself into the solitary places those desarts were full of.—*Sir P. Sidney.*

How many *woful* widows left to bow
To sad disgrace!
Daniel, Civil Wars of York and Lancaster.
In a tower, and never to be loosed,
The *woful* captive kinsmen are inclosed.
Dryden, Palamon and Arcite, i. 166.

2. Calamitous; afflictive.
Wilful extravagance ends in *woful* want.—*Old Proverb.*
O *woeful* day! O day of woe! *A. Philips.*

3. Wretched; paltry; sorry.
What *woeful* stuff this madrigal would be,
In some starved hackney-sonneteer, or me!
But let a lord once own the happy lines,
How the wit brightens! how the style refines!
Pope, Essay on Criticism, ii. 418.

Woéfully. *adv.* In a woeful manner; wretchedly: (in a sense of *contempt*).
He who would pass such a judgement upon his condition, as shall be confirmed at that great tribunal, from which there lies no appeal, will find himself *wofully* deceived, if he judges of his spiritual estate by any of these measures.—*South, Sermons.*

Woéfulness. *s.* Attribute suggested by Woeful; misery; calamity.
I would you to be void of care and *wofulness*.—*Martin, Treatise on the Marriage of Priestes*, Y. ii. b.

Wold. *s.* [A.S. *weald, wald* = forest.] Plain open country.
St. Withold footed thrice the *wold*.
Shakespear, King Lear, iii. 4, song.
Who sees not a great difference betwixt the *wolds* in Lincolnshire and the fens?—*Burton, Anatomy of Melancholy*, p. 257.
The wind that beats the mountain, blows
More softly round the open *wold*,
And gently comes the world to those
That are cast in gentle mould. *Tennyson.*

Wolf. *s.* [A.S. *wulf.*]
1. Kind of wild dog that devours sheep; thence anything ravenous or destructive.
No, rather I abjure all roofs, and chuse
To be a comrade with the *wolf* and owl,
Necessity's sharp pinch.
Shakespear, King Lear, ii. 4.

2. In *Medicine.* Malignant ulcer so called; lupus (which is wolf translated); *Noli-me-tangere* (touch-me-not).
How dangerous it is in sensible things to use metaphorical expressions, and what absurd conceits the vulgar will swallow in the literals, an example we have in our profession, who having called an eating ulcer by the name of *wolf*, common apprehension conceives a reality therein.—*Sir T. Browne, Vulgar Errours.*

Wólf-fish. *s.* [the *f* doubled in sound as well as spelling.] In *Ichthyology.* Fish of the genus Anarrichas.
The dental system of the *wolf-fish* is adapted for feeding on hard crustacea and testacea. But, in order to secure the capture of the shell-fish, the teeth of the *wolf-fish* are not all crushers; some present the laniary type, with the apices more or less recurved and blunted by use, and consist of strong cones spread abroad, like grappling-hooks, at the anterior part of the mouth.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 376.

Wólfdog. *s.* Dog of a very large breed kept to guard sheep.
The luckless prey how treach'rous tumblers gain,
And dauntless *wolfdogs* shake the lion's mane.
Tickell.
Of this magnificent breed, it is probable that there now remain no pure, unmixed samples, even in the country where it was once so much prized. It was used in hunting the wolf, when that animal still infested the forests of Ireland, and was carefully preserved, even to a late period, by a few persons in that part of the United Kingdom, by whom it was prized rather on account of its fine stature and noble bearing, than as being of any considerable utility. The figures of this dog usually indicate a considerable approach to the greyhound in form; but in that given in the third volume of the Linnean Transactions, by my respected friend, Mr. A. B. Lambert, the venerable vice-president of the Linnean Society, this resemblance is very slight. It appears that the breed was originally produced from the great Danish dog, crossed by the greyhound; at least its points in general warrant this supposition; and the ancient Scottish *wolfdog* was doubtless derived from a similar origin. Almost the last person who kept this breed in Ireland was Lord Altamont, who, in the year 1780, had eight of them, from one of which Mr. Lambert's drawing was taken.—*Bell, A History of British Quadrupeds, including the Cetacea.*

Wólfish. *adj.* Resembling a wolf in qualities or form.

Thy desires
Are *wolfish*, bloody, starved, and ravenous.
Shakespear, Merchant of Venice, iv. 1.
I have another daughter,
Who, I am sure, is kind and comfortable;
When she shall hear this of thee, with her nails
She'll flay thy *wolfish* visage. *Id., King Lear*, i. 4.
My people are grown half wild, they would not worry one another so in that *wolfish* belluine manner else.—*Howell.*
Nothing more common than those *wolfish* backfriends in all our pretensions.—*Sir R. L'Estrange.*

Wólfram. *s.* [?] Native tungstate of protoxide of iron.
Wolfram . . . occurs in primitive formations along with the ores of tin, antimony, and lead, in the Bohemian Erzegebirge, in Cornwall, Switzerland, North America, &c.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Wólfsbane. *s.*
1. Monkshood; Aconitum napellus.
Wolfsbane is an early flower.—*Mortimer, Husbandry.*

2. Confounded with the Mithridate muslana, and so called Mithridate, improperly.

Wolfsfoot. *s.* In *Botany.* Clubmoss: (of this it translates the Latin and Greek name Λυκοπόδιον, Lycopodium, from λύκος = wolf + πούς, ποδὸς = foot).

Wolveríne. *s.* Animal of the genus Gulo.

Wólvish. *adj.* Wolfish.
There is a base *wolvish* principle within, that is gratified with another's misery.—*South, Sermons.*

Wóman. *s.* [A.S. *wemman*; the Anglo-Saxon and the Frisian are the two languages in which the word is current; in the other German forms of speech it is rare.]
1. Female of the human race.
That man who hath a tongue is no man,
If with his tongue he cannot win a *woman*.
Shakespear, Two Gentlemen of Verona, iii. 1.

2. Female attendant on a person of rank.
I could not personally deliver to her
What you commanded me; but by her *woman*
I sent your message. *Shakespear, Henry VIII.* v. 1.

Wóman. *v. a.* Make pliant like a woman. *Rare.*
I've felt such quirks of joy and grief,
That the first face of neither on the start
Can *woman* me unto't.
Shakespear, All's well that ends well, iii. 2.

Wómaned. *part. adj.* Accompanied or united with a woman. *Rare.*
I do attend here on the general,
And think it no addition, nor my wish,
To have him see me *woman'd*.
Shakespear, Othello, iii. 4.

Wómanhater *s.* One who has an aversion to the female sex; misogynist.
How could it come into your mind,
To pitch on me, of all mankind,
Against the sex to write a satire,
And brand me for a *womanhater?*
Swift, Journal of a Modern Lady.

Wómanhead, Wómanhood. *s.* Character and collective qualities of a woman.
Ne in her speech, ne in her haviour,
Was lightness seen, or looser vanity,
But gracious *womanhood* and gravity. *Spenser.*
When my grave is broke up again,
Some second guest to entertain;
For graves have learn'd that *womanhead*
To be to more than one a bed. *Donne.*

Wómanish. *adj.* Suitable to a woman; having the qualities of a woman; resembling a woman.
Neither doubt you, because I wear a woman's apparel, I will be the more *womanish*; since I assure you there is nothing I desire more than fully to prove myself a man.—*Sir P. Sidney.*
A voice not soft, weak, piping, and *womanish*, but audible, strong, and manlike.—*Ascham.*
She then to him these *womanish* words gan say,
For love of me, leave off. *Spenser.*
Our fathers' minds are dead,
And we are govern'd with our mothers' spirits;
Our yoke and suff'rance shew us *womanish*.
Shakespear, Julius Cæsar, i. 3.
During his banishment, he was so softened and dejected, as he wrote nothing but a few *womanish* epistles.—*Bacon.*
In a sad look or *womanish* complaint.
Sir J. Denham.
The godlike hero in his breast
Disdain'd, or was ashamed to show
So weak, so *womanish* a woe.
Dryden, Threnodia Augustalis, 276.

Wómanishly. *adv.* In a womanish manner.
His hair curled, and *womanishly* dishevelled.—*Commentary on Chaucer*, p. 18: 1665.

Wómanishness. *s.* Attribute suggested by Womanish; state or quality of being womanish.
The *womanishness* of the church of Rome in this period is perstringed.—*Dr. H. More, Exposition of the Epistles sent to the Seven Churches*, p. 78.

Wómanize. *v. a.* Emasculate; effeminate; soften: (proper, but not used, says Johnson; the word, however, is *hybrid*).
This effeminate love of a woman doth *womanize* a man.—*Sir P. Sidney, Arcadia*, b. i.

Wómankind. *s.* [like *mánkind*, two words rather than a compound.] Female sex; race of women.
Musidorus had over bitterly glanced against the reputation of *womankind*.—*Sir P. Sidney.*
So easy 'tis t' appease the stormy wind
Of malice, in the calm of pleasant *womankind*.
Spenser.
Because thou doat'dst on *womankind*, admiring
Their shape, their colour, and attractive grace,
None are, thou think'st, but taken with such toys.
Milton, Paradise Regained, ii. 175.
Juba might make the proudest of our sex,
Any of *womankind*, but Marcia, happy.
Addison, Cato.
She advanced, that *womankind*
Would by her model form their mind.
Swift, Cadenus and Vanessa.

Wómanly. *adj.*
1. Becoming a woman; suiting a woman; feminine, not masculine.
I 'm in this earthly world, where to do harm
Is often laudable; to do good sometime
Accounted dangerous folly: why then, alas!
Do I put up that *womanly* defence,
To say I'd done no harm?
Shakespear, Macbeth, iv. 2.
All will spy in thy face
A blushing *womanly* discovering grace. *Donne.*
Rage chokes my words; 'tis *womanly* to weep.
Dryden.
Let him be taught to put off all those tender airs, affected smiles, and all the enchanting *womanly* behaviour that has made him the object of his own admiration.—*Arbuthnot and Pope.*

2. Not childish; not girlish.
Young persons, under a *womanly* age, are often troubled with some of the same symptoms.—*Arbuthnot, On the Nature and Choice of Aliments.*

Wómanly. *adv.* In the manner of a woman; effeminately.
Sing lullabies as women do,
With which they charm their babes to rest:
And lullaby can I sing too,
As *womanly* as can the best.
Gascoigne, Poems: 1579.

Womb. *s.* [A.S. *wamb.*]
1. Place of the fœtus in the mother.
When yet he was but tender-bodied, and the only son of my *womb*.—*Shakespear, Coriolanus*, i. 3.
New-born children bring not many ideas into the world, bating some faint ideas of hunger and thirst which they may have felt in the *womb*.—*Locke.*
Conceiving, as she slept, her fruitful *womb*
Swell'd with the founder of immortal Rome.
Addison.

2. Stomach; belly: (an old meaning, and still used in the north).
Nesh not your *womb* by drinking immoderately.
Old Poem, in *Ashmole's Theatrum Chemicum*, p. 113.

3. Place whence anything is produced.
The earth was form'd, but, in the *womb* as yet
Of waters, embryon immature involved,
Appeared not. *Milton, Paradise Lost*, vii. 276.
The *womb* of earth the genial seed receives.
Dryden.

4. Any cavity.
An amphitheatre unpeopled Rome,
And held, uncrowded, nations in its *womb*.
Addison, Letter from Italy.

Womb. *v. a.* Enclose; breed in secret. *Rare.*
Not for all the sun sees, or
The close earth *wombs*, will I break my oath
To this my fair beloved.
Shakespear, Winter's Tale, iv. 3.

Wómbat. *s.* Native name of an Australian marsupial, of the genus Phascolomys (wombat).
The *wombat* possesses fifteen pairs of ribs, whereas in other marsupials they never exceed twelve or thirteen pairs. Length of head and body measured in a straight line three feet; length of head, from top of nose to ear, seven inches; length of ear one and three-quarter inches; fore-foot (without the

claws) two and three-quarter inches; of hind foot (without including the claws) three and a half inches. The *wombat* is found in New South Wales, South Australia, and Van Diemen's Land, as well as in some of the islands in Bass's Straits. It is a burrowing animal, not very active in its movements, and feeds chiefly upon roots and grass. Its flesh is said to resemble pork in its fatness and flavour, though not in colour, being red and coarse. When provoked, it will emit a hissing sound, which can be heard at a considerable distance.—*Waterhouse, in Naturalists' Library, Marsupialia, Phascolomys Wombat.*

The free or thoracic ribs consist of bony pleurapophyses and gristly hæmapophyses, acquiring bone-earth only in aged marsupials: in the *wombat* the six anterior pairs articulate directly with the sternum; in the nine following, the hæmapophyses are attached to one another. The pressure which the trunk of the *wombat* must occasionally have to resist in its burrowing work may be the condition of the unusual number of bony arches of the trunk.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 330.

Wómby. *adj.* Capacious. *Obsolete.*

He 'll call you to so hot an answer for it,
That caves and *womby* vaultages of France
Shall chide your trespass, and return your mock,
In second accent to his ordnance.
Shakespear, Henry V. ii. 4.

Won. *v. n.* [A.S. *wonian, wunian.*] Dwell; live; have abode. *Rare.*

Him fortuned (hard fortune, ye may ghesse),
To come where vile Acrasia does *won*.
Spenser, Faerie Queen, ii. 1, 51.

Out of the ground uprose
As from his lair, the wild beast where he was *wons*
In forest wild. *Milton, Paradise Lost*, vii. 456.

A people near the northern pole that *won*:
Whom Ireland sent from loughes and forests hore.
Fairfax.

Won. *s.* Dwelling; habitation.

What secret place, quoth he, can safely hold
So huge a mass, and hid from heaven's eye?
Or where hast thou thy *won*, that so much gold
Thou canst preserve from wrong and robbery?
Spenser, Faerie Queen, ii. 7, 20.

The solitary *won*
Of dreaded beasts, the Libyan lion's moan.
Beaumont, Psyche.

Wónder. *v. n.*

1. Be struck with admiration; be pleased or surprised so as to be astonished: (with *at*).

The want of these magazines of victuals I have complained of in England, and *wondered at* in other countries.—*Spenser, View of the State of Ireland.*

No wonder to us, who have conversed with too many strange actions now to *wonder at* any thing: wonder is from surprise, and surprise ceases upon experience.—*South, Sermons.*

King Turnus *wonder'd at* the fight renew'd.
Dryden, Translation of the Æneid. x. 372.

Who can *wonder* that the sciences have been so overcharged with insignificant and doubtful expressions, capable to make the most quick-sighted little the more knowing?—*Locke.*

I could not sufficiently *wonder at* the intrepidity of these diminutive mortals, who dust venture to mount and walk upon my body.—*Swift, Gulliver's Travels*, pt. i. ch. i.

With *after*. *Rare.*

His deadly wound was healed: and all the world *wondered after* the beast.—*Revelations*, xiii. 3.

2. Doubt: (as, 'I *wonder* whether he will be here in time'). *Colloquial.*

Wónder. *s.*

1. Admiration; astonishment; amazement; surprise caused by something unusual or unexpected.

Wonder causeth astonishment, or an immovable posture of the body; for in *wonder* the spirits fly not as in fear, but only settle.—*Bacon, Natural and Experimental History.*

2. Cause of wonder; strange thing; something more or greater than can be expected.

Great effects come of industry in civil business; and to try things oft, and never to give over, doth *wonders*.—*Bacon.*

What woman will you find,
Though of this age the *wonder* and the fame,
On whom his leisure will vouchsafe an eye
Of fond desire? *Milton, Paradise Regained*, ii. 208.

It is no *wonder* if part of the matter of this disease, which so easily adheres to the glands, and augments and distends them to an unnatural dimension, should at length stop in the lungs.—*Sir R. Blackmore.*

No wonder. Elliptic for 'it is no wonder.'

No wonder Sleep from careful lovers flies,
To bathe himself in Sacharissa's eyes. *Waller.*

3. Anything mentioned with wonder.

There Babylon, the *wonder* of all tongues.
Milton, Paradise Regained, iii. 280.

Ample souls among mankind have arrived at that prodigious extent of knowledge which renders them the *wonder* and glory of the nation where they live.—*Watts.*

Wónderful. *adj.* Admirable; strange; astonishing.

I uttered that which I understood not; things too *wonderful* for me, which I knew not.—*Job*, xliii. 3.

Strange
Hath been the cause, and *wonderful* to hear.
Milton, Paradise Lost, ix. 861.

Wónderfulness. *s.* Attribute suggested by Wonderful; state or quality of being wonderful or amazing.

There stood between them a young maid, whose *wonderfulness* took away all beauty from her.—*Sir P. Sidney, Arcadia*, b. i.

Wónderment. *s.*

1. Astonishment; amazement. *Obsolete.*

When my pen would write her titles true,
It ravish'd is with fancy's *wonderment*. *Spenser.*

Those things which I here set down, do naturally take the sense, and not respect petty *wonderments*.—*Bacon.*

The patterns of perfection, and the *wonderment* of women.—*Beaumont and Fletcher, Woman-Hater.*

The neighbours made a *wonderment* of it, and asked him what he meant.—*Sir R. L'Estrange.*

2. Wonderful appearance; wonderful relation. *Obsolete.*

But Britomart would not thereto assent,
Ne her owne Amoret forgoe so light
For that strange dame, whose beautie's *wonderment*
She lesse esteem'd than th' other's vertuous government. *Spenser, Faerie Queen*, iv. 5, 20.

Some strangers of the wiser sort
Made all these idle *wonderments* their sport.
Dryden, Hind and Panther, iii. 497.

Wónderstruck. *adj.* Amazed.

Ascanius, *wonderstruck* to see
That image of his filial piety.
Dryden, Translation of the Æneid, ix. 394.

Wónder-wórker. *s.* One who works wonders.

Statesmen are often considered by speculative men in their closets to be mightier *wonder-workers* than they prove to be.—*I Disraeli, Curiosities of Literature, An English Academy of Literature.*

Wónder-wórking. *part. pref.* Doing surprising things.

The *wonder-working* dill he gets.
Drayton, Polyolbion, song xiii.

He commends the mathematicks, as the only *wonder-working* knowledge, and therefore requiring the best spirits.—*G. Herbert, Country Parson*, ch. xxxii.

Wóndrous. *adj.*

1. Admirable; marvellous; strange; surprising.

The credit of whose virtue rest with thee;
Wondrous indeed, if cause of such effects.
Milton, Paradise Lost, ix. 649.

In such charities she pass'd the day,
'Twas *wondrous* how she found an hour to pray.
Dryden.

Researches into the springs of natural bodies and their motions should awaken us to admire the *wondrous* wisdom of our Creator in all the works of nature.—*Watts.*

2. Used *adverbially*: (condemned by Johnson as *barbarous*).

From that part where Moses remembereth the giants, begotten by the sons of good men upon the daughters of the wicked, did they steal those *wondrous* great acts of their ancient kings and powerful giants.—*Sir W. Raleigh.*

There is a place deep, *wondrous* deep, below
Which genuine night and horrours do o'erflow.
Cowley.

To shun the allurement is not hard
To minds resolved, forewarn'd, and well prepared;
But *wond'rous* difficult, when once beset,
To struggle through the straits, and break th' involving net. *Dryden.*

Sylphs, yet mindful of their ancient race,
Are, as when women, *wond'rous* fond of place.
Pope, Rape of the Lock, canto iii.

Wóndrously. *adv.* In a wondrous manner.

1. To a strange degree.

My lord led *wondrously* to discontent.
Shakespear, Timon of Athens, iii. 4.

This made Proserpina take heed
And made to them the greater speed,
For fear that they too much should bleed,
Which *wondrously* her troubled.
Drayton, Nymphidia.

Such doctrines in the pigeon-house were taught:
You need not ask how *wondrously* they wrought.
Dryden, Hind and Panther, iii. 1035.

Of injured fame, and mighty wrongs received,
Cloe complains, and *wondrously* 's aggrieved.
Granville.

2. In a strange manner.

Then medicines *wond'rously* composed, the skilfull leech applyed. *Chapman.*

Wont. *v. n.* Be accustomed; use; be used.

A yearly solemn feast she *wont* to make,
The day that first doth lead the year around.
Spenser.

Through power of that, his cunning thieveries
He *wonts* to work, that none the same espies. *Id.*

Jason the Thessalian was *wont* to say, that some things must be done unjustly, that many things may be done justly.—*Bacon.*

I this night have dream'd,
If dream'd, not as I oft am *wont*, of thee,
But of offence and trouble.
Milton, Paradise Lost, v. 31.

The eagle's fate and mine are one,
Which on the shaft that made him die
Espied a feather of his own,
Wherewith he *wont* to soar so high.
Waller, To a Lady singing a Song of his composing.

A mother was *wont* always to indulge her daughters, when any of them desired squirrels or birds, but then they must keep them well.—*Locke.*

Another sort of sophism is *wont* to be called an imperfect enumeration or false induction, when from a few experiments men infer general theorems.—*Watts, Logick.*

Wont. *s.* Custom; habit; use.

Passing their time according to their *wont*, they waited for the coming of Phalantus.—*Sir P. Sidney.*

Things natural in that regard forget not their ordinary natural *wont*, that which is heavy mounting sometime upwards of its own accord.—*Hooker, Ecclesiastical Polity.*

They are by sudden alarm or watchword to be called out to their military motions under sky or covert, according to the season, as was the Roman *wont*.—*Milton.*

Wónted. *part. adj.* Accustomed; used; usual: (used both of *persons* and *things*).

Her champion stout, to aid his friend,
Again his *wonted* weapon proved. *Spenser.*

So pray'd they, innocent, and to their thoughts
Firm peace recover'd soon and *wonted* calm.
Milton, Paradise Lost, v. 209.

The pond-frog would fain have gotten the other frog over; but she was *wonted* to the place, and would not remove.—*Sir R. L'Estrange.*

[Who have no house,] sit round where once it was,
And with full eyes each *wonted* room require;
Haunting the yet warm ashes of the place,
As murther'd men walk where they did expire.
Dryden, Annus Mirabilis, cclvi.

Wóntedness. *s.* Attribute suggested by Wonted; state of being accustomed to. *Rare.*

Did I see anything more of Christ in those that pretend to other modes of government, I might suspect my judgment-biassed with prejudice or *wontedness* of opinion.—*Eikon Basilike.*

Wóntless. *adj.* Unaccustomed; unusual. *Obsolete.*

Whither, love, wilt thou now carry me?
What *wontless* fury dost thou now inspire
Into my feeble breast, when full of thee? *Spenser.*

Woo. *v. a.* [A.S. *wogan* = marry.]

1. Court; sue to for love.

We cannot fight for love, as men may do;
We should be *woo'd*, and were not made to *woo*.
Shakespear, Midsummer-Night's Dream, ii. 2.

Some lay in dead men's skulls: and in those holes
Where eyes did once inhabit, there were crept,
As 'twere in scorn of eyes, reflecting gems,
That *woo'd* to the slimy bottom of the deep,
And mock'd the dead bones that lay scatter'd by.
Id., Richard III. i. 4.

Fancies and notions he pursues,
Which ne'er had being but in thought:
Each like the Grecian artist *woos*
The image he himself has wrought.
Prior, Epistles, To the Hon. C. Montague.

Oh, stretch thy reign, fair peace! from shore to shore,
Till conquest cease, and slav'ry be no more;
Till the freed Indians in their native groves
Reap their own fruits, and *woo* their sable loves.
Pope, Windsor Forest.

2. Court solicitously; invite with importunity.

Yet can she love a foreign emperor,
Whom of great worth and pow'r she hears to be:
If she be *woo'd* but by ambassador,
Or but his letters or his pictures see:

So while the virgin soul on earth doth stay,
She *woo'd* and tempted is ten thousand ways
By these great pow'rs, which on the earth bear sway,
The wisdom of the world, wealth, pleasure, praise.
Sir J. Davies, Immortality of the Soul.
Sweet bird, that shunn'st the noise of folly,
Most musical, most melancholy!
Thee, chauntress, oft the woods among,
I *woo* to hear thy even-song.
Milton, Il Penseroso, 61.

Woo. *v. n.* Court; make love.
With pomp, and trains, and in a crowd they *woo*,
When true felicity is but in two. *Dryden.*

Wood. *adj.* [A.S. *wod.*] Mad; furious; raging.
Winds do rage as winds were *wood*,
And cause spring tides to raise great flood.
Tusser, Five Hundred Points of Good Husbandry.
Coal-black steeds yborn of hellish brood,
That on their rusty bits did champ as they were *wood.* *Spenser, Faerie Queen*, i. 5, 20.
Sure these wanton swains are *wode.*
Fletcher, Faithful Shepherdess.

Wood. *s.* [A.S. *wod, wuda, wude.*]
1. Large and thick collection of trees.
Light thickens, and the crow
Makes wing to the rooky *wood.*
Shakespear, Macbeth, iii. 2.
Amongst his well-grown *woods*, the shag-hair'd satyrs stand. *Drayton.*
Hecate, when she gave to rule the *woods*,
Then led me trembling through those dire abodes.
Dryden, Translation of the Æneid, vi. 760.

2. Substance of trees; timber.
Balm his foul head with warm distilled waters,
And burn sweet *wood* to make the lodging sweet.
Shakespear, Taming of the Shrew, induction, scene 1.
Of long growth there stood
A laurel's trunk, a venerable *wood.*
Dryden, Translation of the Æneid, vii. 88.

As the *first element* in a *compound.*
The cavity of the tin plate was filled with a melted cement, made of pitch, rosin, and *wood-ashes*, well incorporated.—*Boyle.*
Having filled it about five inches with thoroughly kindled *wood-coals*, we let it down into the glass.—*Id.*

Woódbine. *s.* Honeysuckle.
Beatrice, e'en now
Couch'd in the *woodbine* coverture.
Shakespear, Much Ado about Nothing, iii. 1.
The nymphs of the mountains would be drawn, upon their heads garlands of *woodbine* and wild roses.—*Peacham.*

Woódcock. *s.* Native bird, akin to the snipes, of the genus Scolopax (rusticola).
He hath bid me to a calve's head and a capon; shall I not find a *woodcock* too?—*Shakespear, Much Ado about Nothing*, iii. 1.
Soon as the grey-eyed Morning streaks the skies
And in the doubtful day the *woodcock* flies,
Her cleanly pail the pretty housewife bears.
Gay, Trivia, i. 233.

Woódcut. *s.* Engraving on wood.
I illustrated them by figures delineated with all the fidelity and animation I was able to impart to mere *woodcuts* without colour.—*Bewick, History of British Birds*, preface to sixth edition.

Woóddrink. (the *d* double in sound as well as in spelling.) *s.* [translation of the *Decoctio lignorum* of the old Pharmacopœias.] In *Medicine.* Decoction or infusion of medicinal woods, as sassafras.
The drinking elder-wine or *wooddrinks* is very useful.—*Sir J. Floyer, Preternatural State of the Animal Humours.*

Woóded. *part. adj.* Supplied with wood.
Wooded so
It makes a spring of all kindes that grow.
Chapman.
The lord Strutts have been possessed of a very great landed estate, well-conditioned, *wooded*, and watered.—*Arbuthnot, History of John Bull.*

Woóden. *adj.*
1. Ligneous; made of wood; timber.
They used to vault or leap up; and therefore they had *wooden* horses in their houses and abroad.—*Sir T. Browne, Vulgar Errours.*
Press'd with the burden, Cæneus pants for breath;
And on his shoulders bears the *wooden* death.
Dryden, Translation from Ovid, Story of Cæneas.
The haberdasher stole off his hat that hung upon a *wooden* peg.—*Addison, Spectator.*

2. Clumsy; awkward.
I'll win this lady Margaret: for whom?
Why, for my king: tush, that's a *wooden* thing.
Shakespear, Henry VI. Part I. v. 3.
When a bold man is out of countenance, he makes a very *wooden* figure on it.—*Collier, On Confidence.*

As the *first element* of a *compound*: (as, *wooden-headed, wooden-legged*).

Woódfall. *s.* Fall, cutting, of timber.
And because it is apparent that the *woodfalls* this year do not amount to half that sum of twenty-five thousand pounds, your majesty is to give charge that consideration be had how the same shall be supplied by some other extraordinary for the present year.—*Bacon, Works*, vol. v. p. 485. (Ord MS.)

Woódgod. *s.* Sylvan deity.
The wyld *woodgods* arrived in the place.
Spenser, Faerie Queen.

Woódhole. *s.* Place where wood is laid up.
What should I do? or whither turn? amazed,
Confounded, to the dark recess I fly
Of *woodhole.* *J. Philips, Splendid Shilling.*

Woódiness. *s.* Attribute suggested by Woody; state of containing much wood.
The vine, which was grown to that bulk and *woodiness*, as to make a statue of Jupiter and columns in Juno's temple.—*Evelyn, Sylva*, b. iii. ch. iii. § 4.

Woódish. *adj.* Sylvan. *Rare.*
She pleasantly reports
The many mirthful jests, and wanton *woodish* sports
In Maxfield they have had.
Drayton, Polyolbion, song xi. (Ord MS.)

Woódland. *s.* District, tract, or ground covered with woods.
He that rides post through a country, may, from the transient view, tell how the parts lie: here a morass, and there a river, *woodland* in one part, and savanas in another.—*Locke.*
Here hills and vales, the *woodland* and the plain,
Here earth and water seem to strive again.
Pope, Windsor Forest.
Used *adjectivally.*
This household beast that used the *woodland* grounds
Was view'd at first by the young hero's hounds.
Dryden, Translation of the Æneid, vii. 678.
By her awaked, the *woodland* choir
To hail the common God prepares. *Fenton.*

Woódlark. *s.* Species of lark (Alauda arborea).
Where, smit with undissembled pain,
The *woodlark* mourns her absent love. *Shenstone.*

Woódlouse. *s.* Millepede.
There is an insect they call a *woodlouse*,
That folds up itself in itself, for a house,
As round as a ball, without head, without tail,
Inclos'd cap-a-pe in a strong coat of mail. *Swift.*
The millepes or *woodlouse* is a small insect; it has only fourteen pair of short legs; it is a very swift runner, but it can occasionally roll itself up into the form of a ball. They are found under old logs of wood or large stones, or between the bark and wood of decayed trees.—*Sir J. Hill, Materia Medica.*

Woódman. *s.* Sportsman; hunter.
Their cry being composed of so well-sorted mouths, that any man would perceive therein some kind of proportion, but the skilful *woodmen* did find a musick.—*Sir P. Sidney.*
The duke is a better *woodman* than thou takest him for.—*Shakespear, Measure for Measure*, iv. 3.
This is some one, like us, night-foundered here,
Or else some neighbour *woodman.*
Milton, Comus, 483.
A skilful *woodsman*, by windlassing, presently gets a shoot.—*Hammond, Works*, vol. iv. p. 615.
So when the *woodman's* toil her cave surrounds,
And with the hunter's cry the grove resounds.
With grief and rage the mother-lion stung,
Fearless herself, yet trembles for her young. *Pope.*

Woódmonger. *s.* Woodseller.
A carman of one Smith, a *woodmonger* in Westminster, found a paper.—*Sir H. Wotton, Remains*, p. 547.

Woódness. *s.* Attribute suggested by Wood, *adj.*; anger; rage; madness.
When that he sholde stryke upon his harpe, the *woodnesse* of the wycked spyryte sholde be mytygate and swaged.—*Bishop Fisher, Psalms.*
With fell *woodnesse* he efflerced was,
And wilfully him throwing on the gras,
Did beat and bounse his head and breast full sore.
Spenser, Faerie Queen.

Woódnote. *s.* Wild music.
Then to the well-trod stage anon,
If Jonson's learned sock be on,
Or sweetest Shakspeare, fancy's child,
Warble his native *woodnotes* wild.
Milton, L'Allegro, 131.

Woódnymph. *s.* Fabled goddess of the woods.
Soft she withdrew, and like a *woodnymph* light,
Oread, or Dryad, or of Delia's train,
Betook her to the groves.
Milton, Paradise Lost, ix. 386.
By dimpled brook and fountain brim,
The *woodnymphs*, deck'd with daisies trim,
Their merry wakes and pastimes keep.
Id., Comus, 119.

Woódpeck. *s.* Woodpecker. *Rare.*
Nor *woodpeeks*, nor the swallow, harbour near.
Addison, Translation of the fourth Georgic.

Woódpecker. *s.*
1. Native bird of the genus Picus.
The structure of the tongue of the *woodpecker* is very singular, whether we look at its great length, its bones and muscles, its incompassing parts of the neck and head, the better to exert itself in length, and, again, to retract it into its cell; and lastly, whether we look at its sharp, horny, bearded point, and the gluey matter at the end of it, the better to stab and draw little maggots out of wood.—*Derham, Physico-Theology.*

2. As a *cant* term; see extract.
In the former scene of sharping they derived their cant terms from a rabbit-warren, but in the present, their allusions partly relate to an aviary, and truly the proverb suited them, of 'birds of a feather.' Those who first propose to sit down to play are called the Leaders; the ruined gamesters are the Forlorn-hope; the great winner is the Eagle; a stander-by, who encourages, by little ventures himself, the freshly imported gallant, who is called the Gull, is the *Woodpecker*; and a monstrous bird of prey, who is always hovering round the table, is the Gull-groper.—*I. Disraeli, Curiosities of Literature, Usurers of the Seventeenth Century.*

Woódpigeon. *s.* Stockdove.
If Semiramis be a *wood-pigeon* in Greece, it may perchance have been a house-pigeon in the country of Ashur.—*Gregory, Posthuma*, p. 236.

Woódroof. *s.* In *Botany.* Native plant of the genus Asperula (odorata).

Woódsare. *s.* [?] Matter like saliva found on herbs; in reality, a kind of cocoon or investment of the larvæ of the froghoppers. *Rare, though wanted; no term for the secretion, which is common, being current.*
The froth called *woodsare*, being like a kind of spittle, is found upon herbs, as lavender and sage.—*Bacon.*

Woódsere. *s.* [?] Time when there is no sap in the tree. *Obsolete.*
From May to October leave cropping, for why,
In *woodsere*, whatever thou croppest shall die.
Tusser, Five Hundred Points of good Husbandry.

Woódsorrel. *s.* Native plant of the genus Oxalis (acetosella and corniculata). The true *sorrels* belong to the genus Rumex (acetosa and acetosella); both genera, however, yield oxalic acid. The *woodsorrels* with the trefoils divide the claim to the name of Shamrock.

Woódward. *s.* Forester; warden of woods.
A chase or park hath only keepers and *woodwards.*—*Howell, Letters*, iv. 16.
He used to ride to the woods, and visit all the coppices, and ask the *woodward* several questions.—*Dr. Pope, Life of Bishop Ward*, p. 75.

Woódy. *adj.*
1. Abounding with wood.
Oft in glimmering bowers and glades
He met her, and in secret shades
Of *woody* Ida's inmost grove.
Milton, Il Penseroso, 27.
Diana's *woody* realms he next invades
And crosses through the consecrated shades.
Addison.

2. Ligneous; consisting of wood.
In the *woody* parts of plants, which are their bones, the principles are so compounded as to make them flexible without joints, and also elastick.—*Grew.*
Herbs are those plants whose stalks are soft, and have nothing *woody* in them, as grass and hemlock.—*Locke.*

3. Relating to woods; sylvan.
All the satyrs scorn their *woody* kind,
And henceforth nothing fair but her on earth they find. *Spenser, Faerie Queen*, i. 6, 18.

Wooer. *s.* [A.S. *wogere.*] One who woos a woman.
The *wooers* most are touched on this ostent,
To whom are dangers great and imminent.
Chapman, Translation of the Odyssey.
Aristippus said, that those that studied particular sciences, and neglected philosophy, were like Penelope's *wooers*, that made love to the waiting-woman.—*Bacon, Apophthegms.*
Usurping *wooers* felt his thund'ring sword,
And willing nations knew their native lord.
Creech.

Woof. *s.* [from root of *weave, weft*, &c.]
1. Set of threads that crosses the warp; the weft.

The placing of the tangible parts in length or transverse, as in the warp and the *woof* of textile, is more inward or more outward.—*Bacon, Natural and Experimental History.*

2 Texture; cloth.

A rest of purple flow'd,
Iris had dipp'd the *woof*.
Milton, Paradise Lost, x. 243.

I must put off
These my sky-robes, spun out of Iris' *woof*.
Id., Comus, 82.

Wooingly. *adv.* In a wooing manner; pleasingly; so as to invite stay.

The temple-haunting martlet does approve,
By his loved mansionry, that heaven's breath
Smells *wooingly* here. *Shakespear, Macbeth*, i. 6.

Wool. *s.* [A.S. *wul, wull.*]

1. Fleece of sheep; that which is woven into cloth.

A gown made of the finest *wool*,
Which from our pretty lambs we pull;
Fair lined slippers for the cold,
With buckles of the purest gold. *Marlowe.*

Thou owest the sheep no *wool*, the cat no perfume.
Shakespear, King Lear, iii. 4.

Concerning their complaint for price of *wool*, he would give orders that his commissioners should cause clothiers to take *wool*, paying only two parts of the price.—*Sir J. Hayward.*

2. Any short thick hair.

Eye of newt, and toe of frog,
Wool of bat, and tongue of dog.
Shakespear, Macbeth, iv. 1.

Woólcomber. *s.* One whose business is to comb wool.

Of 'The Fleece,' which never became popular, and is now universally neglected, I can say little that is likely to recall it to attention. The *woolcomber* and the poet appear to me such discordant natures, that an attempt to bring them together is to 'couple the serpent with the fowl.'—*Johnson, Lives of the Poets, Dyer.*

Woólfel. *s.* [*fel* = skin.] Skin not stripped of the wool.

Wool and *woolfels* were ever of little value in this kingdom.—*Sir J. Davies, Discourse on the State of Ireland.*

Woólgathering. *s.* An old expression coupled with *wits*, applied to an inattentive or careless person.

This gentle friar, whose wit was not gone of *woolgathering*, came to the church.—*Florio, World of Wonders*, p. 349: 1608.

His wits were a *woolgathering* as they say, and his head busied about other matters.—*Burton, Anatomy of Melancholy*, pt. i. § 2.

Woóllen. *adj.* Made of wool not finely dressed, and thence used likewise for anything coarse: (used in general for *made of wool*, as distinct from *linen*).

Woollen cloth will tenter, linen scarcely.—*Bacon.*

At dawn of day our general cleft his pate,
Spite of his *woollen* nightcap.
Dryden, Spanish Friar, i. 1.

Woóllen. *s.* Cloth made of wool.

I could not endure a husband with a beard on his face; I had rather lie in *woollen*.—*Shakespear, Much Ado about Nothing*, ii. 1.

His breeches were of rugged *woollen*,
And had been at the siege of Bullen.
Butler, Hudibras, i. 1, 309.

Odious! in *woollen!* 'twould a saint provoke!...
No, let a charming chintz and Brussels lace
Wrap my cold limbs, and shade my lifeless face.

What time this world's great *workmaster* did cast
To make all things, such as we now behold,
It seems that he before his eyes had placed
A goodly pattern, to whose perfect mould
He fashion'd them so comely. *Spenser.*
Every carpenter and *workmaster* that laboureth night and day.—*Ecclesiasticus*, xxxviii. 27.
Desire, which tends to know
The works of God, thereby to glorify
The great *workmaster*, leads to no excess.
Milton, Paradise Lost, iii. 694.

Wórkshop. *s.* Place where the workman carries on his work.
Jornandes, the Goth, has called the north of Europe the magazine or *workshop* of human kind.—*J. Warton, Essay on the Writings and Genius of Pope.*
Supreme beauty is seldom found in cottages or *workshops.—Johnson, Journey to the Western Islands of Scotland.*

Wórkwoman. *s.*
1. Woman skilled in needlework.
The most fine-finger'd *workwoman* on ground,
Arachne, by his means was vanquished. *Spenser.*
2. Woman that works for hire.

Wórkyday. *s.* Workingday: (used *adjectivally*).
Tell her but a *workyday* fortune.
Shakespear, Antony and Cleopatra, i. 2.
Sunday, the other days, and thou
Make up one man, whose face thou art;
The *workydays* are the back part. *G. Herbert.*
Holydays, if haply she were gone,
Like *workydays*, I wish would soon be done.
Gay, Shepherd's Week, Monday, 67.

World. *s.* [A.S. *weruld, weorold.*]
1. Universe.
World is the great collective idea of all bodies whatever.—*Locke.*
2. System of beings.
Begotten of his Father before all *worlds.—Nicene Creed.*
God . . . hath in these last days spoken unto us by his Son, by whom he made the *worlds.—Hebrews*, i. 2.
Know how this *world*
Of heaven and earth conspicuous first began.
Milton, Paradise Lost, vii. 62.
3. The earth; the terraqueous globe.
He the *world*
Built on circumfluous waters.
Milton, Paradise Lost, vii. 269.
Ferdinand Magellanus was the first that compassed the whole *world.—Heylin.*
4. Present state of existence.
I'm in this earthly *world*, where to do harm
Is often laudable; to do good sometime
Accounted dangerous folly.
Shakespear, Macbeth, iv. 2.
Christian fortitude consists in suffering, for the love of God, whatever hardships can befall in the *world.—Dryden.*
5. Secular life.
Happy is she that from the *world* retires,
And carries with her what the *world* admires;
Thrice happy she, whose young thoughts fixt above,
While she is lovely does to heav'n make love:
I need not urge your promise, ere you find
An entrance here, to leave the *world* behind.
Waller.
By the *world*, we sometimes understand the things of this *world*; the variety of pleasures and interests which steal away our affections from God. Sometimes we are to understand the men of the *world*, with whose solicitations we are so apt to comply.—*Rogers, Sermons.*
6. Public life; the public.
Why dost thou shew me thus to th' *world?*
Shakespear, Measure for Measure, i. 3.
7. Great multitude.
You a *world* of curses undergo,
Being the agents, or base second means.
Shakespear, Henry IV. Part I. i. 3.
Nor doth this wood lack *worlds* of company;
For you in my respect are all the world.
Id., Midsummer-Night's Dream, ii. 2
I leave to speak of a *world* of other attempts furnished by kings.—*Sir W. Raleigh, Apology.*
In double fiftie sable barks: with him a *world* of men
Most strong and full of valure went. *Chapman.*
What a *world* of contradictions would follow upon the contrary opinion, and what a *world* of confusions upon the contrary practice!—*Bishop Sanderson.*
Just so romances are, for what else
Is in them all, but love and battles?
O' th' first of these we have no great matter
To treat of, but a *world* o' th' latter.
Butler, Hudibras, i. 2, 5.
It brought into this world a *world* of woe.
Milton, Paradise Lost, ix. 11.
There were a *world* of paintings, and among the rest the picture of a lion.—*Sir R. L'Estrange.*
Marriage draws a *world* of business on our hands, subjects us to law-suits, and loads us with domestick cares.—*Dryden.*
Why will you fight against so sweet a passion,
And steel your heart to such a *world* of charms?
Addison, Cato.
8. Mankind: (an hyperbolical expression for many; *all the world* is a favourite phrase in French, for *many*).
This hath bred high terms of separation between such and the rest of the *world*, whereby the one sort are named the brethren, the godly; the other worldlings, time-servers, pleasers of men more than of God.—*Hooker, Ecclesiastical Polity.*
'Tis the duke's pleasure,
Whose disposition, *all the world* well knows,
Will not be rubb'd nor stopp'd.
Shakespear, King Lear, ii. 2.
Thus the *world* may see what 'tis to innovate!
Drayton.
He was willing to declare to *all the world*, that, as he had been brought up in that religion established in the church of England, so he could maintain the same by unanswerable reasons.—*Lord Clarendon, History of the Grand Rebellion.*
We turn them over to the study of beauty and dress, and the whole *world* conspires to make them think of nothing else.—*Law.*
9. Course of life.
Persons of conscience will be afraid to begin the *world* unjustly.—*Richardson, Clarissa.*

10. Univêrsal empire.
Rome was to sway the *world*.

Antonius fled from Actium's coast . . .
To save the fair, he gave the *world*.
Prior, Alma, i. 487.

11. Manners of men; practice of life.
Children should not know any wickedness. Old folks have discretion, as they say, and know the *world*.—*Shakespear, Merry Wives of Windsor*, ii. 2.
What start at this! when sixty years have spread
Their grey experience o'er thy hoary head!
Is this the all observing age could gain?
Or hast thou known the *world* so long in vain?
Creech, Translation of Juvenal, xiii. 26.
If knowledge of the *world* makes man perfidious,
May Juba ever live in ignorance. *Addison, Cato.*
The girl might pass, if we could get her
To know the *world* a little better:
To know the *world!* a modern phrase
For visits, ombre, balls, and plays.
Swift, Cadenus and Vanessa.

12. Every thing that the world contains.
Had I now a thousand *worlds*, I would give them all for one year more, that I might present to God one year of such devotion and good works as I never before so much as intended.—*Law.*

13. Large tract of country; wide compass of things.
'Tis I who love's Columbus am, 'tis I
That must new *worlds* in it descry. *Cowley.*

14. Collection of wonders; wonder. *Obsolete.*

15. Time: (a sense originally Saxon; now only used in *World without end*).

As the *first element* in a *compound*.
Hence banished is banished from the world;
And *world-exile* is death.
Shakespear, Romeo and Juliet, iii. 3.
Here I set up my everlasting rest,
And shake the yoke of man's suspicious stars
From the *world-wearied* flesh. *Ibid.* v. 3.

In the world. In possibility.
All the precautions *in the world* were taken for the marriage of his younger brother.—*Addison.*

For all the world; all the world over. Exactly: ('A ludicrous sense; now little used,' says Johnson).
He had a pair of horns like a bull, his feet cloven, as many eyes upon his body as my grey mare hath dapples, and *for all the world* so placed.—*Sir P. Sidney.*

World. *v. a.* Introduce into the world. *Rare.*
Opinion guides all our passions and affections, or at least begets them. It makes us love and hate, and hope and fear, and vary; for every thing we light upon is as we apprehend it. Like lightning, it can strike the child in the womb, and kill it ere 'tis *worlded*, when the mother shall remain unhurt. It can cast a man into speedy diseases, and can as soon recure him. I have known some but conceiting they have taken a potion, have found the operation, as if they had taken it indeed.—*Feltham, Resolves*, lix. 1. (Ord MS.)

Wôrldliness. *s.* Attachment to, predominant passion for, wealth and temporal enjoyments.

Wôrldling. *s.* Person set upon profit; worldly-minded person.
Baseminded wretches! are your thoughts so deeply bemired in the trade of ordinary *worldlings*, as for respect of gain to let so much time pass.—*Sir P. Sidney.*
The one sort are named the brethren, the godly; the other *worldlings*, timeservers, and pleasers of men more than pleasers of God.—*Hooker, Ecclesiastical Polity.*
God of the world and *worldlings*, I me call,
Great Mammon! greatest god below the sky.
Spenser, Faerie Queen, ii. 7, 8.
For his weeping in the needless stream;
Poor deer, quoth he, thou mak'st a testament
As *worldlings* do, giving thy sum of more
To that which had too much.
Shakespear, As you like it, ii. 1.
That other on his friends his thoughts bestows:
The covetous *worldling*, in his anxious mind,
Thinks only on the wealth he left behind. *Dryden.*
If we consider the expectations of futurity, the *worldling* gives up the argument.—*Rogers.*

Wôrldly. *adj.*

1. Secular; relating to this life, in contradistinction to the life to come.
He is divinely bent to meditation;
And in no *worldly* suits would he be moved,
To draw him from his holy exercise.
Shakespear, Richard III. iii. 7.
Hast thou not *worldly* pleasure at command?
Shakespear, Henry VI. Part II. i. 2.
The fortitude of a Christian consists in patience, not in enterprizes which the poets call heroic, and which are commonly the effects of interest, pride, and *worldly* honour.—*Dryden.*
Compare the happiness of men and beasts no farther than it results from *worldly* advantages.—*Bishop Atterbury.*
As to *worldly* affairs, which my friends thought so heavy upon me, they are most of them of our own making, and fall away as soon as we know ourselves. —*Law.*

2. Bent upon this world; not attentive to a future state.
They'll practise how to live secure,
Worldly or dissolute, on that their lords
Shall leave them to enjoy.
Milton, Paradise Lost, xi. 802.

3. Human; common; belonging to the world.
Many years it hath continued, standing by no other *worldly* mean, but that one only hand which erected it.—*Hooker, Ecclesiastical Polity.*
Times and places are approved witnesses of *worldly* actions.—*Sir W. Raleigh, History of the World.*

Wôrldly. *adv.* In a worldly manner; with relation to the present life.
It is a token of a *worldly* wise man not to contend in vain against the nature of times wherein he liveth. —*Sir W. Raleigh.*
Subverting *worldly* strong and *worldly* wise
By simply meek. *Milton, Paradise Lost*, xii. 568.
This cannot be done, if my will be *worldly*, or voluptuously disposed.—*South, Sermons.*
Since I see your mind is *worldly* bent,
I'll do my best to further your content.
Dryden, Wife of Bath's Tale, 493.

Wôrldly-minded. *part. pref.* Attentive to the interests of this world rather than the world to come.

Wôrldly-mindedness. *s.* Attribute suggested by Worldly-minded.
We are full of *worldly-mindedness*.—*Bishop Sanderson, Sermons*, p. 148: 1681.

Worm. *s.* [A.S. *worm, wyrm*; Norse, *orm.*]

1. Snake: (this is the ordinary meaning in Norse, and for snake or serpent the ordinary term).
'Tis slander,
Whose edge is sharper than the sword; whose tongue
Outvenoms all the *worms* of Nile.
Shakespear, Cymbeline, iii. 4.

2. Animal of the Annelid order; i.e. class containing the common earthworm, and its congeners.
Both the princes
Thy broken faith hath made a prey to *worms*.
Shakespear, Richard III. iv. 4.
At once came forth whatever creeps the ground,
Insect or *worm*. *Milton, Paradise Lost*, vii. 475.
Physicians observe these *worms* engendered within the body of man.—*Harvey, Discourse of Consumptions.*

3. Silkworm.
Thou owest the *worm* no silk, the sheep no wool.
Shakespear, King Lear, iii. 4.

4. Grub that gnaws wood and furniture; (generally as the *first element* in a *compound*: as, *worm-eaten*).
'Tis no awkward claim,
Pick'd from the *worm-holes* of long-vanish'd days,
Nor from the dust of old oblivion raked.
Shakespear, Henry V. ii. 4.

5. Something tormenting.
The *worm* of conscience still begnaw thy soul!
Shakespear, Richard III. i. 3.
Chains of darkness, and the undying *worm*.
Milton, Paradise Lost, vi. 739.

6. In *Machinery*. Anything vermiculated, or turned round; anything spiral.
The threads of screws, when bigger than can be made in screw-plates, are called *worms*. The length of a *worm* begins at the one end of the spindle, and ends at the other; the breadth of the *worm* is contained between any two grooves on the spindle; the depth of the *worm* is cut into the diameter of the spindle, viz. the depth between the outside of the *worm*, and the bottom of the groove.—*Moxon, Mechanical Exercises.*

7. Cylindrical fibrous body under the tongue of dogs, representing the bone which in birds and reptiles supports the tongue.
When you see a mad dog step aside out of his walk only to bite somebody, and then return to it again, you had best ask him the reason why he did so? Why, the reason is that he is mad, and *his worm* will not let him be quiet, without doing mischief when he has opportunity.—*South, Sermons*, x. 162
In dogs . . . the *worm* may help by its elasticity, and that of its sheath, in the act of lapping.—*Owen, Anatomy of Vertebrates*, vol. iii. p. 197.

Worm. *v. n.* Work slowly, secretly, and gradually.
When debates and fretting jealousy
Did *worm* and work within you more and more,
Your colour faded. *G. Herbert.*

Worm. *v. a.*

1. Drive by slow and secret means, perhaps as by a screw.
They find themselves *wormed* out of all power by a new spawn of independents, sprung from your own bowels.—*Swift.*

2. Deprive a dog of something, nobody knows what, under his tongue, which is said to prevent him, nobody knows why, from running mad. (Johnson).
Every one that keepeth a dog should have him *wormed*.—*Mortimer, Husbandry.*

Wôrm-meat. *s.* [the *m* double in sound as well as spelling.] Food for worms, i.e. dead flesh.

Wôrmeat, Wôrmeaten. *adj.*

1. Gnawed by worms.
For his verity in love, I do think him as concave as a covered goblet, or a *wormeaten* nut.—*Shakespear, As you like it*, iii. 4.

2. Old; worthless.
His chamber all was hang'd about with rolls,
And old records from antient times derived;
Some made in books, some in long parchment scrolls,
That were all *wormeaten*, and full of canker holes.
Spenser, Faerie Queen, ii. 9, 57.
Wormeat stories of old times,
Bishop Hall, Satires, i. 4.
Things among the Greeks, which antiquity had worn out of knowledge, were called ogygia, which we call *wormeaten*, or of defaced date.—*Sir W. Raleigh, History of the World.*
Thine's like *wormeaten* trunks cloath'd in seal's skin;
Or grave that's dust without, and stink within.
Donne.

Wormeâtenness. *s.* Attribute suggested by Wormeaten; state of being wormeaten; rottenness. *Rare.*
By the ceasing of the teeth we must understand all those infirmities that are incident to them by reason of age, whether looseness, hollowness, rottenness, *wormeatenness*.—*Smith, Portrait of Old Age*, p. 85.

Wôrming. *verbal abs.* Freeing from worms. *Rare.*
The gardener challenges as his right the binding and unbinding of every flower, the clipping of every bush, the weeding and *worming* of every bed.—*Milton.* (Ord MS.)

Wôrmling. *s.* Diminutive of worm; small miserable worm; being as mean as a worm.
He his own life doth give, his blood doth shed,
For *wormlings* base such worthiness to see.
Drummond, Flowers of Sion, xiii. (Ord MS.)

Wôrmseed. *s.* See extract.
Wormseed [is] the flower-buds of Artemisia Vahliana, A Sieberi, and A. inculta. . . . The first is indigenous in Persia and Asia Minor, and yields Levant *wormseed*; the second grows in Barbary, Persia, and Arabia, and yields Barbary or African *wormseed*: the third is said to yield the East Indian *wormseed*, which, however, according to some authorities, is merely the African variety mixed with turmeric or fustic. *Wormseed* contains santonin, a volatile oil, a brown bitter resin, a green soft resin, and a waxy substance, together with the ordinary plant-constituents. It is used, especially the Levant variety, as a remedy for ascarides, being given either as an electuary or an infusion. It is not known which of the constituents of *wormseed* is the active principle.—*Watts, Dictionary of Chemistry.*

Wôrmwood. *s.* Native plant of the genus Artemisia (absinthium).
She was wean'd: I had then laid
Wormwood to my dug.
Shakespear, Romeo and Juliet, i. 3.
I ask whether one be not invincibly conscious to himself of a different perception, when he actually tastes *wormwood*, or only thinks on that savour.—*Locke.*

Wôrmy. *adj.*

1. Full of worms.
Spirits that in crossways and floods have burial,
Already to their *wormy* beds are gone.
Shakespear, Midsummer-Night's Dream, iii. 2.

Yet can I not persuade me thou art dead,
Or that thy corse corrupts in earth's dark womb,
Or that thy beauties lie in *wormy* bed.
Milton, Odes, On the Death of a Fair Infant, 29.

2. Earthy; grovelling.

By greatness of mind we are brought to a just contempt of sordid and *wormy* affections.—*Bishop Reynolds, On the Passions*, ch. xxxvii.

Worn. *adj.* Quite consumed; used up: (with *out*).

His is a maiden shield,
Guiltless in fight; mine batter'd, hewn, and bored,
Worn out of service, must forsake his lord.
Dryden.

What I now offer, is the wretched remainder of a sickly age, *worn out* with study, and oppressed by fortune.—*Id.*

The greatest part of mankind are given up to labour, whose lives are *worn out* only in the provisions for living.—*Locke.*

Your cold hypocrisy's a stale device,
A *worn-out* trick; would'st thou be thought in earnest,
Clothe thy feign'd zeal in rage, in fire, in fury.
Addison, Cato.

Wórnil. *s.* [?] See extract.

In the backs of cows in the summer, are maggots generated, which in Essex we call *wornils*, being first only a small knot in the skin.—*Derham, Physico-Theology.*

Wórrier. *s.* One who, that which, worries.

More material and coarser sort of dæmons, conceived the *worriers* of souls.—*Spencer, Discourse concerning Prodigies*, p. 229: 1665.

Wórrit. *v. a.* Hurry; trouble; tease: (condemned by Johnson as 'a low colloquial word').

Don't keep *wherreting* me with your nonsense.—*Bickerstaff, Love in a Village.*

Wórry. *v. a.*

1. Tear or mangle, as a beast tears its prey.

If we, with thrice such powers left at home,
Cannot defend our own doors from the dog,
Let us be *worried*. *Shakespear, Henry V.* i. 2.

'Tis no new thing for the dogs that are to keep the wolves from *worrying* the sheep, to be delivered up to the enemy, for fear the sheep should *worry* the wolves.—*Sir R. L'Estrange.*

This revives and imitates that inhuman barbarity of the old heathen persecutors, wrapping up Christians in the skins of wild beasts, that so they might be *worried* and torn in pieces by dogs.—*South, Sermons.*

2. Harass, or persecute brutally.

Then embraces his son-in-law; then again *worries* he his daughter with clipping her.—*Shakespear, Winter's Tale*, v. 2.

For want of words, or lack of breath,
Witness when I was *worried* with thy peals.
Milton, Samson Agonistes, 905.

It has pleased Providence at length to give us righteousness instead of exaction, and hopes of religion to a church *worried* with reformation.—*South, Sermons.*

All his care
Was to preserve me from the barbarous rage,
Which *worried* him only for being mine. *Southern.*

I shall not suffer him to *worry* any man's reputation, nor indeed fall on any person whatsoever.—*Addison.*

Let them rail,
And *worry* one another at their pleasure. *Rowe.*

Madam, I beg you, contrive and invent,
And *worry* him out till he gives his consent.
Swift, The Grand Question debated.

Wórry. *s.* Harass; irritation.

Martin felt, from pure fatigue, and heat, and *worry*, as if he could have fallen on the ground and willingly remained there, if they would but have had the mercy to leave him alone.—*Dickens, Martin Chuzzlewit*, ch. xxii.

Worse. *adj.* [A.S. *wyrse.*] More bad.

Why should he see your faces *worse* liking than the children of your sort?—*Daniel*, i. 10.

In happiness and misery, the question still remains, how men come often to prefer the *worse* to the better, and to chuse that, which, by their own confession, has made them miserable.—*Locke.*

Worse. *s.*

1. Loss; not the advantage; not the better.

Was never man, who most conquests atchieved,
But sometimes had the *worse*, and lost by war.
Spenser.

Judah was put to the *worse* before Israel; and they fled to their tents.—2 *Kings*, xiv. 12.

2. Something less good.

A man, whatever are his professions, always thinks the *worse* of a woman, who forgives him for making an attempt on her virtue.—*Richardson, Clarissa.*

Worse. *v. a.* Put to disadvantage: ('this word,' Johnson remarks, 'though analogical enough, is not now used').

Perhaps more valid arms,
Weapons more violent, when next we meet,
May serve to better us, and *worse* our foes.
Milton, Paradise Lost, vi. 438.

Wórsen. *v. a.* Cause to grow, or to become worse, to deteriorate, or to fall off. *Rare.*

It *worsens* and slugs the most learned.—*Milton, Of Reformation in England*, b. i.

Wórser. *adj.* Worse. *Obsolete.*

Gods! take my breath from me:
Let not my *worser* spirit tempt me again
To die before you please.
Shakespear, King Lear, iv. 6.

A dreadful quiet felt, and *worser* far
Than arms, a sullen interval of war.
Dryden, Astræa Redux, 3.

Wórship. *s.* [A.S. *weordscipe.*]

1. Dignity; eminence; excellence.

Elfin born of noble state,
And muckle *worship* in his native land,
Well could he tourney, and in lists debate.
Spenser, Faerie Queen.

Thou madest him lower than the angels, to crown him with glory and *worship*.—*Psalms*, viii. 5.

My train are men of choice and rarest parts,
That all particulars of duty know;
And in the most exact regard support
The *worship* of their names.
Shakespear, King Lear, i. 4.

2. Character of honour.

I belong to *worship*, and affect
In honour, honesty.
Shakespear, Henry VIII. i. 1.

3. Title of honour.

Dinner is on table, my father desires your *worship's* company.—*Shakespear, Merry Wives of Windsor*, i. 1.

The old Romans freedom did bestow,
Our princes *worship* with a blow.
Butler, Hudibras, ii. 1, 235.

What lands and lordships for their owner know
My quondam barber, but his *worship* now.
Dryden, Translation of Juvenal, x. 356.

4. Term of ironical respect.

Against your *worship*, when had Sherlock writ?
Or Page pour'd forth the torrent of his wit?
Pope, Epilogue to the Satires, diak. ii.

5. Adoration; religious act of reverence.

They join their vocal *worship* to the quire
Of creatures wanting voice.
Milton, Paradise Lost, ix. 198.

Under the name of church, I understand a body, or collection of human persons professing faith in Christ, gathered together in several places of the world, for the *worship* of the same God, and united into the same corporation.—*Bishop Pearson, Exposition of the Creed.*

He waved a torch aloft, and, madly vain,
Sought godlike *worship* from a servile train.
Dryden, Translation of the Æneid, vi. 794.

The *worship* of God is an eminent part of religion, and prayer is a chief part of religious *worship*: hence religion is described as seeking God.—*Archbishop Tillotson.*

There was a voyage of the Egyptians under Osiris up the Danube; from them the Suevi had their *worship* of Isis.—*Arbuthnot.*

6. Honour; respect; civil deference.

The humble guest shall have *worship* in the presence of those who sit at meat with him.—*Luke*, xiv. 10.

Since God hath appointed government among men, it is plain that his intention was, that some kind of *worship* should be given from some to others; for where there is a power to punish and reward, there is a foundation of *worship* in those who are under that power; which *worship* lies in expressing a due regard to that power, by a care not to provoke it, and an endeavour to obtain the favour of it, which, among mankind, is called civil *worship*.—*Bishop Stillingfleet.*

7. Idolatry of lovers; submissive respect.

'Tis not your inky brows, your black silk hair,
Your bugle eyeballs, nor your cheek of cream,
That can entame my spirits to your *worship*.
Shakespear, As you like it, iii. 5.

Wórship. *v. a.*

1. Adore; honour or venerate with religious rites.

Thou shalt *worship* no other God.—*Exodus*, xxxiv. 14.

On the smooth rind the passenger shall see
Thy name engraved, and *worship* Helen's tree.
Dryden, Epithalamium of Helen and Menelaus, 74.

2. Respect; honour; treat with civil reverence.

Our grave,
Like Turkish mute, shall have a tongueless mouth,
Not *worshipp'd* with a waxen epitaph.
Shakespear, Henry V. i. 2.

3. Honour with amorous respect.

With bended knees I daily *worship* her,
Yet she consumes her own idolater. *Carew.*

Wórship. *v. n.* Perform acts of adoration.

The people went to *worship* before the [golden calf.]—1 *Kings*, xii. 30.

Wórshipful. *adj.*

1. Claiming respect by any character or dignity.

This is *worshipful* society,
And fits the mounting spirit like myself.
Shakespear, King John, i. 1.

When old age comes upon him, it comes alone, bringing no other evil with it; but when it comes to wait upon a great and *worshipful* sinner, who for many years has ate well and done ill, it is attended with a long train of rheums.—*South, Sermons.*

2. Term of ironical respect.

Every man would think me an hypocrite; and what accites your most *worshipful* thought to think so?—*Shakespear, Henry IV. Part II.* ii. 2.

Suppose this *worshipful* idol be made, yet still it wants sense and motion.—*Bishop Stillingfleet.*

Wórshipfully. *adv.* In a worshipful manner; respectfully.

Hastings will lose his head, ere give consent
His master's son, as *worshipfully* he terms it,
Shall lose the royalty of England's throne.
Shakespear, Richard III. iii. 4.

Wórshipper. *s.* One who worships.

What art thou, thou idol ceremony?
What kind of god art thou, that suffer'st more
Of mortal griefs than do thy *worshippers?*
Shakespear, Henry V. iv. 1.

Those places did not confine the immensity of God, nor give his *worshippers* a nearer approach to heaven by their height.—*South, Sermons.*

If posterity takes its notions of us from our medals, they must fancy one of our kings paid a great devotion to Minerva, that another was a professed *worshipper* of Apollo.—*Addison.*

By sanctifying the seventh day after they had laboured six, they avowed themselves *worshippers* of that only God, who created heaven and earth.—*Nelson.*

Wórshipping. *verbal abs.* Act of one who, that which, worships.

Let no man beguile you of your reward, in a voluntary humility and *worshipping* of angels.—*Colossians*, ii. 18.

Worst. *adj.* [A.S. *wyrse.*] Most bad.

If thou hadst not been born the *worst* of men,
Thou hadst been knave and flatterer.
Shakespear, Timon of Athens, iv. 3.

The pain that any one actually feels is still of all other the *worst*; and it is with anguish they cry out.—*Locke.*

Worst. *s.* Most calamitous or wicked state; utmost height or degree of anything ill.

Who is't can say I 'm at the *worst?*
I 'm worse than e'er I was,
And worse I may be yet: the *worst* is not,
So long as we can say, this is the *worst.*
Shakespear, King Lear, iv. 1.

That you may be armed against the *worst* in this unhappy state of affairs in our distressed country, I send you these considerations on the nature and immortality of the soul.—*Sir K. Digby.*

Happy the man, and happy he alone,
He, who can call to-day his own:
He who secure within can say,
To-morrow do thy *worst*, for I have lived to-day.
Dryden, Translation from Horace, b. i. ode xxix.

Sir Roger gets into the frontiers of his estate, before he beats about in search of a hare, on purpose to spare his own fields, where he is always sure of finding diversion when the *worst* comes to the *worst.*—*Addison, Spectator.*

Worst. *v. a.* Defeat; overthrow.

The case will be no worse than where two duellists enter the field, where the *worsted* party hath his sword given him again without further hurt.—*Sir J. Suckling.*

The bear was in a greater fright,
Beat down and *worsted* by the knight.
Butler, Hudibras, i. 2, 877.

The victorious Philistines were *worsted* by the captivated ark, which foraged their country more than a conquering army.—*South, Sermons.*

Wórsted. *s.* [from the village in Norfolk so called.] Woollen yarn; wool spun.

There Ridpath, Roper cudgel'd might ye view;
The very *worsted* still look'd black and blue.
Pope, Dunciad, ii. 149.

Wort. *s.* [A.S. *weort, wyrt.*]

1. Plant of the cabbage kind.

Mending of broken ways, carrying of water,
Planting of *worts* and onions.
Beaumont and Fletcher, Valentinian.

2. New beer either unfermented, or in the act of fermentation.

If in the *wort* of beer, while it worketh, before it be tunned, the burrage be often changed with fresh, it will make a sovereign drink for melancholy.—*Bacon, Natural and Experimental History.*

Worth.[e] *v. a.* [A.S. *weorðan, wurthan, wyrðan,* '*Wæ weorðe, wo wurthe, væ sit.*' (Lye.)] Become; betide: (formerly common in conjunction with *woe*; as, *woe worth thee*, i.e. *woe be to thee*, or *woe betide thee*).

Wo *worth* the man
That first did teach the cursed steel to bite
In his own flesh, and make way to the living spirit.
Spenser.

My royal mistress' favour towards me,
Woe *worth* ye, sir, you have poison'd, blasted!
Beaumont and Fletcher, Loyal Subject.

Worth. *s.* [A.S. *weorð, wyrð.*]

1. Price; value.

Your clemency will take in good *worth* the offer of these my simple and mean labours.—*Hooker, Ecclesiastical Polity.*

What is *worth* in any thing,
But so much money as 't will bring?
Butler, Hudibras, ii. 1, 465.

2. Excellence; virtue.

How can you him unworthy then decree,
In whose chief part your *worths* implanted be?
Sir P. Sidney.

Is there any man of *worth* and virtue, although not instructed in the school of Christ, that had not rather end the days of this transitory life as Cyrus, than to sink down with them of whom Elihu hath said, 'memento moriuntur'?—*Hooker, Ecclesiastical Polity.*

Having from these suck'd all they had of *worth*,
And brought home that faith which you carried forth,
I throughly love. *Donne.*

Her virtue, and the conscience of her *worth*,
That would be woo'd,
Milton, Paradise Lost, viii. 502.

A nymph of your own train
Gives us your character in such a strain,
As none but she, who in that court did dwell,
Could know such *worth*, or *worth* describe so well.
Waller.

Detected *worth*, like beauty disarray'd,
To covert flies, of praise itself afraid.
Young, Love of Fame, vi. 7.

3. Importance; valuable quality.

Peradventure those things whereupon time was then well spent, have sithence lost their dignity and *worth*.—*Hooker, Ecclesiastical Polity.*

Take a man possessed with a strong desire of any thing, and the *worth* and excellency of that thing appears much greater than when that desire is quite extinguished.—*South, Sermons.*

Worth. *adj.* [A.S *weorð, wyrð.*]

1. Equal in price to; equal in value to.

Women will love her that she is a woman,
More *worth* than any man: men that she is
The rarest of all women.
Shakespear, Winter's Tale, v. 1.

You have not thought it *worth* your labour to enter a professed dissent against a philosophy, which the greatest part of Europe have deserted as a mere maze of words.—*Glanville.*

It is *worth* while to consider how admirably he has turned the course of his narration, and made his husbandman concerned even in what relates to the battle.—*Addison.*

2. Deserving of: (either in a *good* or *bad* sense).

Your son and daughter found this trespass *worth*
The shame which here it suffers.
Shakespear, King Lear, ii. 4.

The castle appeared to be a place *worth* the keeping, and capable to be made secure against a good army.—*Lord Clarendon, History of the Grand Rebellion.*

Here we may reign secure, and, in my choice,
To reign is *worth* ambition, though in hell.
Milton, Paradise Lost, i. 261.

Haste hither, Eve, and, *worth* thy sight, behold
Eastward among those trees, what glorious shape
Comes hither moving. *Ibid.*, v. 308.

Whatsoever
Is worthy of their love is *worth* their anger.
Sir J. Denham, The Sophy.

This is life indeed, life *worth* preserving;
Such life as Juba never felt till now.
Addison, Cato.

I have long had it in my thoughts to trouble you with a letter; but was discouraged for want of something that I could think *worth* sending fifteen hundred miles.—*Bishop Berkeley, Letter to Pope.*

Many things are *worth* enquiry to one man, which are not so to another.—*Watts, Improvement of the Mind.*

3. Equal in possessions to.

Dang'rous rocks,
Which, touching but my gentle vessel's side,
Would scatter all the spices on the stream,
Enrobe the roaring waters with my silks,
And, in a word, but even now *worth* this,
And now *worth* nothing.
Shakespear, Merchant of Venice, i. 1.

Although *worth* nothing, he shall be proffered the best endowed and most beautiful virgin of their island.—*Sandys.*

At Geneva are merchants reckoned *worth* twenty hundred thousand crowns.—*Addison, Travels in Italy.*

Wórthily. *adv.* In a worthy manner.

1. Suitably; not below the rate of.

The divine original of our souls hath little influence upon us to engage us to walk *worthily* of our extraction, and to do nothing that is base.—*Ray.*

2. Deservedly; according to merit.

They are betray'd
While they pervert pure nature's healthful rules
To loathsome sickness *worthily*, since they
God's image did not reverence in themselves.
Milton, Paradise Lost, xi. 522.

You *worthily* succeed, not only to the honours of your ancestors, but also to their virtues.—*Dryden.*

3. Justly; not without cause.

Christian men having, besides the common light of all men, so great help of heavenly direction from above, together with the lamps of so bright examples as the church of God doth yield, it cannot but *worthily* seem reproachful for us to leave both the one and the other.—*Hooker, Ecclesiastical Polity.*

The king is present; if 't be known to him
That I gainsay my deed, how may he wound,
And *worthily*, my falsehood!
Shakespear, Henry VIII. ii. 4.

A Christian cannot lawfully hate any one; and yet I affirm that some may very *worthily* deserve to be hated; and of all, the deceiver deserves it most.—*South, Sermons.*

Wórthiness. *s.* Attribute suggested by Worthy.

1. Desert; merit.

The prayers which our Saviour made were, for his own *worthiness*, accepted: ours God accepteth not, but with this condition, if they be joined with a belief in Christ.—*Hooker, Ecclesiastical Polity.*

2. Excellence; dignity; virtue.

Determining never to marry but him, whom she thought worthy of her, and that was one in whom all *worthinesses* were harboured.—*Sir P. Sidney.*

He that is at all times good, must hold his virtue to you, whose *worthiness* would stir it up where it wanted, rather than slack it where there is such abundance.—*Shakespear, All's well that ends well*, i. 1.

Who is sure he hath a soul, unless
It see and judge, and follow *worthiness*,
And by deeds praise it? he who doth not this,
May lodge an inmate soul, but 'tis not his. *Donne.*

What set my thoughts on work was the *worthiness* and curiosity of the subject in itself.—*Holder.*

3. State of being worthy; quality of deserving.

She is not worthy to be loved, that hath not some feeling of her own *worthiness*.—*Sir P. Sidney.*

Wórthless. *adj.*

1. Having no virtues, dignity, or excellence.

You, his false hopes, the trust of England's honour,
Keep off aloof, with *worthless* emulation.
Shakespear, Henry VI. Part I. iv. 4.

A little time will melt her frozen thoughts,
And *worthless* Valentine shall be forgot.
Id., Two Gentlemen of Verona, iii. 2.

On Laura's lap you lay,
Chiding the *worthless* crowd away.
Lord Roscommon.

2. Having no value.

Anxious pains we all the day,
In search of what we like, employ:
Scorning at night the *worthless* prey,
We find the labour gave the joy.
Prior, Epistles, To the Hon. C. Montague.

Am I then doom'd to fall
By a boy's hand? and for a *worthless* woman?
Addison, Cato.

Wórthlessness. *s.* Attribute suggested by Worthless; want of excellence; want of dignity; want of value.

But that mine own *worthlessness* spoils the conceit, I could think our company parallel to the seven wise men of Greece.—*Dr. H. More, Divine Dialogues.*

A notable account is given us by the apostle of this windy insignificant charity of the will, and of the *worthlessness* of it, not enlivened by deeds.—*South, Sermons.*

Wórthy. *adj.*

1. Deserving; such as merits: (with *of* before the thing deserved).

She determined never to marry any but him whom she thought *worthy* of her, and that was one in whom all worthinesses were harboured.—*Sir P. Sidney.*

Further I will not flatter you,
That all I see in you is *worthy* love,
Than this; that nothing do I see in you
That should merit hate.
Shakespear, King John, ii. 2.

2. Valuable; noble; illustrious; having excellence or dignity.

If the best things have the perfectest and best operations, it will follow, that seeing man is the *worthiest* creature on earth, and every society of men more *worthy* than any man, and of society that most excellent which we call the church.—*Hooker Ecclesiastical Polity.*

He now on Pompey's basis lies along,
No *worthier* than the dust!
Shakespear, Julius Cæsar, iii. 1.

A war upon the Turks is more *worthy* than upon any other Gentiles in point of religion and honour: though hope of success might invite some other choice.—*Bacon.*

Think of her worth, and think that God did mean.
This *worthy* mind should *worthy* things embrace:
Blot not her beauties with thy thoughts unclean,
Nor her dishonour with thy passion base.
Sir J. Davies, Immortality of the Soul.

3. Having worth; having virtue.

The doctor is well money'd, and his friends
Potent at court; he, none but he, shall have her;
Though twenty thousand *worthier* come to crave her.
Shakespear, Merry Wives of Windsor, iv. 4.

The matter I handle is the most important within the whole extent of human nature, for a *worthy* person to employ himself about.—*Sir K. Digby, Operations and Nature of Man's Soul.*

We see, though order'd for the best,
Permitted laurels grace the lawless brow,
Th' unworthy raised, the *worthy* cast below.
Dryden.

4. Not good. *Ironical.*

My *worthy* wife our arms mislaid,
And from beneath my head my sword convey'd;
The door unlatch'd, and with repeated calls
Invites her former lord within my walls.
Dryden, Translation of the Æneid, vi. 702.

5. Suitable for any quality good or bad; equal in value; equal in dignity.

Flowers *worthy* of paradise.
Milton, Paradise Lost, iv. 241.

Thou, Drances, art below a death from me:
Let that vile soul in that vile body rest,
The lodging is well *worthy* of the guest.
Dryden, Translation of the Æneid, xi. 631.

My suff'rings for you make your heart my due;
Be *worthy* me, as I am *worthy* you.
Id., Aurengzebe.

6. Suitable to anything bad.

The merciless Macdonald,
Worthy to be a rebel; for to that
The multiplying villanies of nature
Do swarm upon him. *Shakespear, Macbeth*, i. 2.

7. Deserving of ill.

If the wicked man be *worthy* to be beaten, the judge shall cause him to be beaten.—*Deuteronomy*, xxv. 2.

What has he done to Rome that's *worthy* death?
Shakespear, Coriolanus, iii. 1.

Wórthy. *s.* Man laudable for any eminent quality, particularly for valour.

Such as are constellated unto knowledge come short of themselves if they go not beyond others, and must not sit down under the degree of *worthies*.—*Sir T. Browne, Vulgar Errours.*

It were a matter of more trouble than necessity, to repeat in this quarrel what has been alleged by the *worthies* of our church.—*Holiday.*

What do these *worthies*
But rob and spoil, burn, slaughter, and enslave
Peaceable nations?
Milton, Paradise Regained, iii. 74.

No *worthies* form'd by any muse but thine
Could purchase robes, to make themselves so fine.
Waller.

For this day's palm, and for thy former acts,
Thou, Arthur, hast acquired a future fame,
And of three Christian *worthies* art the first.
Dryden, King Arthur.

The next *worthy* came in with a retinue of historians.—*Tatler.*

Wórthy. *v. a.* Render worthy; aggrandise; exalt. *Rare.*

He conjunct, tripp'd me behind;
And put upon him such a deal of man,
That *worthied* him; got praises of the king,
For him attempting, who was self-subdued.
Shakespear, King Lear, ii. 2.

Wot. See Wit, *v. n.*

Would. Although a past tense of Will, this word is entered separately in the previous editions, and is left to stand so in the present. See Should.

1. It is generally used as an auxiliary verb with an infinitive, to which it gives the force of the subjunctive mood.

If God's providence did not so order it, cheats *would* daily be committed, which would justle private men out of their rights, and unhinge states.—*Ray, On the Wisdom of God manifested in the Works of the Creation.*

2. I was or am resolved; I wish or wished to; I am or was willing.

She *would* give her a lesson for walking so late that should make her keep within doors for one fortnight.—*Sir P. Sidney.*

You *would* be satisfied?—

Would? nay, and will. *Shakespear, Othello,* iii. 3.

They know not what they are, nor what they *would* be, any further than that they *would* not be what they are.—*Sir R. L'Estrange.*

It will be needless to enumerate all the simple ideas belonging to each sense: nor indeed is it possible if we *would*; there being a great many more of them belonging to most of the senses than we have names for.—*Locke.*

3. It is a familiar term for *wish to do*, or *to have.*

What *wouldst* thou with us?

Shakespear, King Lear, i. 4.

I mean, Master Slender, what *would* you with me? —Truly for mine own part I *would* little or nothing with you.—*Id., Merry Wives of Windsor,* iii. 4.

4. Should wish.

Celia, if you apprehend
The muse of your incensed friend;
Nor *would* that he record your blame,
And make it live; repeat the same:
Again deceive him, and again,
And then he swears he'll not complain. *Waller.*

5. It is used in old authors for *should.*

The excess of diet *would* be avoided.—*Bacon.*

As for percolation, which belongeth to separation, trial *would* be made by clarifying by adhesion, with milk put into new beer, and stirred with it.—*Id., Natural and Experimental History.*

6. It has the signification of *I wish*, or *I pray.* This, I believe, is improper; and formed by a gradual corruption of the phrase, *would God*; which originally imported, *that God would, might God will, might God decree.* From this phrase, ill understood, came *would to God*; thence, *I would to God*: and thence *I would*, or elliptically *would*, came to signify *I wish*: and so it is used even in good authors, but ought not to be imitated.

I *would* my father look'd but with my eyes!

Shakespear, Midsummer-Night's Dream, i. 1.

Wise men will do it without a law; I *would* there might be a law to restrain fools.—*Bacon, Advice to Villiers.*

List! I *would* I could hear mo.—*B. Jonson.*

Would thou hadst hearkened to my words.

Milton, Paradise Lost, ix. 1134.

Would God we might prevent the need of such unkindly expedients.—*Dr. H. More.*

And *would* to Heav'n the storm you felt would bring
On Carthaginian coasts your wandering king.

Dryden, Translation of the Æneid, i. 806.

I would do it. My resolution is that it should be done by me.

Thou wouldst do it. Such must be the consequence to thee; that such should be thy act.

He would or *it would.* This must be the consequence to *him* or *it*; that such should be *his* act, or *its* effect.

This, like the notice under Should, stands in the words of Johnson.

As an auxiliary verb, *will* differs from *shall* in being a *present* tense; *shall* (see the word) being a *perfect.* It also differs in the extent to which its original meaning is modified. What this was in *shall* is by no means certain; different doctrines concerning it being current. The relation of *will*, the auxiliar, to *will*, denoting an act of volition, is beyond doubt. The bearing of this upon the construction of the two words, according to the person of the pronoun (*I, thou, he, we,* &c.), with which they combine, has been noticed under Shall.

Its use as a present *tense* of what may be called an Optative or Subjunctive *Mood* (in which *should* and *were* agree with it), is by no means evident.

It may be noticed, however—

a. First; that the wish which *would* denotes is an unsatisfied one; one that implies want of power, opportunity, or the like. When opportunity is wanting, is so often lost by allowing the time for it to pass by, that the use of a past tense serves to denote the wish, the wish in regret is more or less mingled.

b. Be this as it may, a comparison between certain constructions of the Greek optatives and conjunctives, with certain constructions of the imperfects and preterits of the subjunctive in Latin (λέγοιμι λέγω, and *dicerem, dicam*), show how easily, in certain cases, a tense may pass for a mood, and a mood for a tense.

Woúlder. *s.* Wisher, i.e. one given to use the word *would* optatively. *Rare.*

Wishers and *woulders* are never good housekeepers.—*Old Proverb.* (Ord MS.)

Woúlding. *s.* Motion of desire; disposition to anything; propension; inclination; incipient purpose. *Rare.*

It will be every man's interest to join good performances to spiritual purposes, to subdue the exorbitancies of the flesh, as well as to continue the *wouldings* of the spirit.—*Hammond.*

Wound. *s.* [A.S. *wund.*] Hurt given by violence.

I am faint; my gashes cry for help.—
So well thy words become thee as thy *wounds*,
They smack of honour both.

Shakespear, Macbeth, i. 2.

Now shew the *wound* mine eyes have made in thee;
Scratch thee but with a pin, and there remains
Some scar of it. *Id., As you like it,* iii. 5.

He, stooping, opened my left side, and took
From thence a rib: wide was the *wound*,
But suddenly with flesh fill'd up and heal'd.

Milton, Paradise Lost, viii. 466.

Not poison but a *wound* the soldier slew.

Rowe.

The aliment of such as have fresh *wounds* should be mild, without stimulating or saline substances.—*Arbuthnot, On the Nature and Choice of Aliments.*

They feel the smart and see the scar of their former *wounds*; and know that they must be made a sacrifice to the least attempt towards a change.—*Swift.*

Wound. *v. a.* [A.S. *wundian.*] Hurt by violence.

I kill, and I make alive; I *wound*, and I heal.—*Deuteronomy,* xxxii. 39.

The battle went sore against Saul, and the archers hit him, and he was sore *wounded.*—1 *Samuel,* xxxi. 3.

He was *wounded* for our transgressions, he was bruised for iniquities.—*Isaiah,* liii. 5.

When ye sin so against the brethren, and *wound* their weak conscience, ye sin against Christ.—1 *Corinthians,* viii. 12.

Adonis from his native rock
Ran purple to the sea, supposed with blood
Of Thammuz, yearly *wounded.*

Milton, Paradise Lost, i. 460.

Heroes of old, when *wounded* shelter sought.

Dryden, Annus Mirabilis, lxii.

The savages *wounded* Atkins, and slew his followers.—*Defoe, Robinson Crusoe.*

Woúnder. *s.* One who, that which, wounds.

The watchmen themselves, who were appointed for the safeguarding of the church, prove in this kind to be the smiters and *wounders* of her.—*Archbishop Usher, Substance of his Sermon,* p. 5: 1621.

Woúndless. *adj.* Exempt from wounds.

Turn thee to those that weld the awefull crowne;
To doubted knights, whose *woundless* armour rusts,
And helms unbruised wexen daily brown.

Spenser, Shepherd's Calendar.

Haply slander ... may miss our name,
And hit the *woundless* air.

Shakespear, Hamlet, iv. 1.

Woúndy. *adj.* Excessive. *Vulgar.*

We have such a world of holidays, that 'tis a *woundy* hindrance to a poor man that lives by his labour.—*Sir R. L'Estrange.*

These stockings of Susan's cost a *woundy* deal of pains the pulling on.—*Gay.*

Wrack. *s.*

1. Destruction of a ship by winds or rocks.

Now with full sails into the port I move,
And safely can unlade my breast of love,
Quiet and calm: why should I then go back,
To tempt the second hazard of a *wrack? Dryden.*

2. Destruction.

With use of evil, growing more and more evil, they took delight in slaughter, and pleased themselves in making others' *wrack* the effect of their power.—*Sir P. Sidney.*

A world devote to universal *wrack.*

Milton, Paradise Lost, xi. 821.

3. Ruin.

But bear this ring, his own of old,
And tell him—what thou dost behold!
The wither'd frame, the ruin'd mind,
The *wrack* by passion left behind,
A shrivelled scroll, a scatter'd leaf,
Sear'd by the autumn blast of grief!

Byron, The Giaour

Wráckful. *adj.* Ruinous; destructive.

The dent ... of *wrackfull* warre.

Mirrour for Magistrates, p. 213.

Ships ... with *wrackfull* tempests rent.

Drayton, Polyolbion, song i.

Wrácking. *part. adj.* Destructive; ruinous.

The sport and prey
Of *wracking* whirlwinds.

Milton, Paradise Lost, ii. 181.

Wraith. *s.* [? connected with *weird.*] Spectre.

The *wraith*, or spectral appearance of a person shortly to die, is a firm article in the creed of Scottish superstition. Nor is it unknown to our sister kingdom. See the story of the beautiful Lady Diana Rich, in Aubrey's Miscellanies, p. 89.—*Scott, Minstrelsy of the Scottish Border,* p. cxxxvi.

He felt a sort of awe, as if he had beheld the *wraith* of himself.—*Lord Lytton, My Novel,* b. xi. ch. x.

Wrángle. *v. n.* [Norse, *rangla.*] Dispute peevishly; quarrel perversely; altercate; squabble.

Some unhatch'd practice
Hath puddled his clear spirit; and in such cases,
Men's natures *wrangle* with inferiour things,
Though great ones are their object.

Shakespear, Othello, iii. 4.

While the Convocation was *wrangling* on one side of Old Palace Yard, the Parliament was *wrangling* even more fiercely on the other. The Houses, which had separated on the twentieth of August, had met again on the nineteenth of October.—*Macaulay, History of England,* ch. xv.

Wrángle. *v. a.* Involve in quarrel or dispute.

When we have *wrangled* ourselves as long as our wits and strengths will serve us, the honest, downright, sober English Protestant will be found, in the end, the man in the safest way, and by the surest line.—*Bishop Sanderson,* in *D'Oyly's Life of Sancroft,* vol. ii. p. 442.

Wrángle. *s.* Quarrel; perverse dispute.

The giving the priest a right to the tithe would produce lawsuits and *wrangles.*—*Swift.*

None can hate
So much as I do any kind of *wrangle.*

Byron, Don Juan, xv. 91.

Wrángler. *s.* One who wrangles.

1. Perverse, peevish, disputative man.

Tell him he hath made a match with such a *wrangler*,
That all the courts of France will disturb'd
With chases. *Shakespear, Henry V.* i. 2.

Lord, the house and family are thine,
Though some of them repine;
Turn out these *wranglers* which defile thy seat,
For where thou dwellest all is neat. *G. Herbert.*

You should be free in every answer, rather like well-bred gentlemen in polite conversation, than like noisy and contentious *wranglers.*—*Watts, On the Improvement of the Mind.*

The captious turn of an habitual *wrangler* deadens the understanding, sours the temper, and hardens the heart.—*Beattie.*

2. One in the first class of mathematical honours at Cambridge, the first on the list being styled the Senior Wrangler.

Wrángling. *verbal abs.* Act of disputing peevishly; altercation.

If private *wranglings* were brought before him, he seldom granted to those parties his warrant to proceed.—*Hacket, Life of Archbishop Williams,* p. 36.

Amongst unthinking men, who examine not scrupulously ideas, but confound them with words, there must be endless dispute and *wrangling.*—*Locke.*

Wrap. *v. a.* pret. and past part. *wrapped* or *wrapt.* [North Frisian, *wrappe.*]

1. Roll together; complicate.

Peter ... seeth the napkin that was about his head not lying with the linen clothes, but *wrapped* together in a place by itself.—*John,* xx. 7.

This said, he took his mantle's foremost part,
He 'gan the same together fold and *wrap. Fairfax.*

2. Involve; cover with something rolled or thrown round.

Nilus opens wide
His arms and ample bosom to the tide,
And spreads his mantle o'er the winding coast,
In which he *wraps* his queen, and hides the flying host.

Dryden, Translation of the Æneid, viii. 945.

Wise poets, that *wrap* truth in tales,
Knew her themselves through all her veils.
Carew.

Their vigilance to elude, I *wrapt* in mist
Of midnight vapour glide obscure.
Milton, Paradise Lost, ix. 158.

3. Comprise; contain.

Leontine's young wife, in whom all his happiness was *wrapt up*, died in a few days after the death of her daughter.—*Addison.*

With *up*. Involve totally.

Some dear cause
Will in concealment *wrap* me *up* a while;
When I am known aright, you shall not grieve
Lending me this acquaintance.
Shakespear, King Lear, iv. 3.

King John fled to Lascus, who was careful how to comfort him, *wrapt up* in so many calamities, after the loss of his kingdom.—*Knolles, History of the Turks.*

Things reflected on, in gross and transiently, carry the shew of nothing but difficulty in them, and are thought to be *wrapped up* in impenetrable obscurity. —*Locke.*

Wrap candles *up* in paper.—*Swift, Advice to Servants, Directions to the Butler.*

4. Snatch up miraculously: (for *rapt*).

Whatever things were discovered to St. Paul, when he was *wrapped up* into the third heaven, all the description he makes is, that there are such things as eye hath not seen, ear heard, nor hath it entered into the heart of man to conceive.—*Locke.*

5. Transport; put in ecstasy: (for *rapt*).

Much more the reverent sire prepared to say,
Wrapp'd with his joy, how the two armies lay.
Cowley.

Wrapp'd in amaze the matrons wildly stare.
Dryden, Translation of the Æneid, v. 840.

With *up*.

Wrapt up in silent fear he lies. *Waller.*

Wrápper. *s.*

1. One who, that which, wraps.

2. That in which anything is wrapped.

My arms were pressed to my sides, and my legs closed together by so many *wrappers*, that I looked like an Egyptian mummy.—*Addison, Spectator.*

Wrápping. *verbal abs.* That in which anything is wrapped.

The sheep, that is near at hand, gives us shelter enough from the cold: why should we hunt after more costly furs and *wrappings?*—*Bishop Rainbow, Sermon,* p. 15: 1635.

Wráprascal. *s.* Kind of coarse upper coat.

Wrasse. *s.* [Welsh, *gwrach* = tench.] In *Ichthyology.* British fish of the genus Labrus.

The examples are extremely few, and peculiar to the class Pisces, of calcified teeth which consist of a single tissue, and this is always a modification of dentine. The large pharyngeal teeth of the *wrasse* consist of a very hard kind of unvascular dentine.—*Owen, Anatomy of Vertebrates,* vol. iii. p. 363.

Wrath. *s.* [A.S. *wraðð.*] Anger; fury; rage.

Thou dost the prayers of the righteous seed
Present before the majesty divine,
And his avenging *wrath* to clemency incline.
Spenser.

I fear, lest there be debates, envyings, *wraths*, strifes.—2 *Corinthians,* xii. 20.

With one fool's head I came to woo,
But I go away with two:
Sweet, adieu! I'll keep my oath,
Patiently to bear my *wrath.*
Shakespear, Merchant of Venice, ii. 9.

He hoped not to escape, but shun
The present, fearing guilty what his *wrath*
Might suddenly inflict.
Milton, Paradise Lost, x. 340.

Achilles' *wrath*, to Greece the direful spring
Of woes unnumber'd, heav'nly goddess, sing.
Pope, Translation of the Iliad, i. 1.

Wráthful. *adj.* Angry; furious; raging.

He cried, as raging seas are wont to roar,
When wintry storm his *wrathful* wreck doth threat.
Spenser.

The true evangelical zeal should abound more in the mild and good-natured affections, than the vehement and *wrathful* passions.—*Bishop Sprat, Sermon.*

Wráthfully. *adv.* In a wrathful manner furiously; passionately.

Gentle friends,
Let 's kill him boldly, but not *wrathfully.*
Shakespear, Julius Cæsar, ii. 1.

Before his feet so sheep and lions lay,
Fearless and *wrathless*, while they heard him play.
Waller.

Wrawl. *v. n.* Cry as a cat.

Some were of dogs that barked day and night,
And some of cats that *wrawling* still did cry.
Spenser, Faerie Queen, vi. 12, 27.

To quiet and make still his *wrauling* cries.
Anderson, Exposition of Benedict, fol. 30: 1573.

Wreak. *v. n.* For Reck; heed; care.

My master is of churlish disposition,
And little *wreaks* to find the way to heav'n
By doing deeds of hospitality.
Shakespear, As you like it, ii. 4.

Wreak. *v. a.* old pret. and past part. *wroke* and *wroken*; now *wreaked.* [A.S. *wrecan.*]

1. Revenge.

Him all that while Occasion did provoke
Against Pyrocles, and new matter framed
Upon the old, him stirring to be *wroke*
Of his late wrongs. *Spenser, Faerie Queen,* ii. 5, 22.

Pale death our valiant leader hath oppress;
Come *wreak* his loss, whom bootless ye complain.
Fairfax.

You could pursue
The son of Perops then, and did the goddess stir
That villany to *wreak* the tyrant did to her.
Drayton.

2. Execute any violent design.

On me let death *wreak* all his rage.
Milton, Paradise Lost, iii. 241.

He left the dame,
Resolved to spare her life, and save her shame,
But that detested object to remove,
To *wreak* his vengeance, and to cure her love.
Dryden, Sigismonda and Guiscardo, 585.

Her husband scour'd away,
To *wreak* his hunger on the destined prey.
Pope, Translation of the Odyssey, x. 131.

Wreak. *s.*

1. Revenge; vengeance. *Obsolete.*

Fortune, mine avowed foe,
Her wrathful *wreaks* themselves do now allay.
Spenser.

Some ill 's behind, rude swaine, for thee to beare;
That fear'd not to devoure thy guests, and breake
All lawes of humanes: Jove sends therefore *wreake.*
Chapman, Translation of the Odyssey.

2. Passion; furious fit. *Obsolete.*

What and if
His sorrows have so overwhelm'd his wits,
Shall we be thus afflicted in his *wreaks,*
His fits, his frenzy, and his bitterness?
Shakespear, Titus Andronicus, iv. 4.

Wreákful. *adj.* Revengeful; angry. *Obsolete.*

Call the creatures,
Whose naked natures live in all the spite
Of *wreakful* heaven.
Shakespear, Timon of Athens, iv. 3.

She in Olympus' top
Must visit Vulcan for new arms, to serve her *wreakful* son.
Chapman, Translation of the Iliad.

Wreákless. *adj.* For Reckless.

So flies the *wreakless* shepherd from the wolf;
So first the harmless flock doth yield his fleece,
And next his throat unto the butcher's knife.
Shakespear, Henry VI. Part III. v. 6.

Wreáth. *v. a.* Writhe.

Impatient of the wound,
He rolls and *wreaths* his shining body round:
Then headlong shoots beneath the dashing tide.
Gay, Rural Sports, i. 235.

Wreath. *s.* [A.S. *wræð.*]

1. Anything curled or twisted.

The *wreath* of three was made a *wreath* of five: to these three first titles of the two houses, were added the authorities parliamentary and papal.—*Bacon, History of the Reign of Henry VII.*

Clouds began
To darken all the hill, and smoke to roll
In dusky *wreaths* reluctant flames.
Milton, Paradise Lost, vi. 56.

Let altars smoke,
And richest gums, and spice, and incense roll
Their fragrant *wreaths* to heaven.
Smith, Phædra and Hippolytus.

2. Garland; chaplet.

Now are our brows bound with victorious *wreaths,*
Our bruised arms hung up for monuments.
Shakespear, Richard III. i. 1.

Dropp'd from his head, a *wreath* lay on the ground. *Lord Roscommon.*

The boughs of lotos, form'd into a *wreath,*
This monument thy maiden beauty's due,
High on a plane-tree shall be hung to view.
Dryden, Epithalamium of Helen and Menelaus.

When for thy head the garland I prepare,
A second *wreath* shall bind Aminta's hair;
And when my choicest songs thy worth proclaim,
Alternate verse shall bless Aminta's name.
Prior, Reply to Love and Friendship.

Wreathe. *v. a.* preterit *wreathed*; past part. *wreathed, wreathen.*

1. Curl; twist; convolve.

About his neck
A green and gilded snake had *wreathed* itself,
Who, with her head, nimble in threats, approach'd
The opening of his mouth; but suddenly,
Seeing Orlando, it unlink'd itself,
And with indented glides did slip away.
Shakespear, As you like it, iv. 3.

The beard of an oat is *wreathed* at the bottom, and one smooth entire straw at the top: they take only the part that is *wreathed*, and cut off the other.—*Bacon.*

2. Interweave; entwine one in another.

As snakes breed in dunghills not singly, but in knots; so in such base noisome hearts you shall ever see pride and ingratitude indivisibly *wreathed* and twisted together.—*South, Sermons.*

3. Encircle as a garland.

In the flow'rs that *wreathe* the sparkling bowl,
Fell adders hiss, and pois'nous serpents rowl.
Prior, Solomon, ii. 140.

4. Encircle as with a garland; dress in a garland.

For thee she feeds her hair, she leads the dance,
And with thy winding ivy *wreaths* her lance.
Dryden, Translation of the Æneid, vii. 548.

The soldier, from successful camps returning,
With laurel *wreathed*, and rich with hostile spoil,
Severs the bull to Mars.
Prior, First Hymn of Callimachus.

Wreathe. *v. n.* Be interwoven; be intertwined.

Wreáthen. *part. adj.* Interwoven; wreathed.

Two chains of pure gold of *wreathen* work shalt thou make them, and fasten the *wreathen* chains to the ouches.—*Exodus,* xxviii. 14.

Wreáthing. *part. adj.* Intertwining: (as in a wreath).

Here, where the labourer's hands have form'd a bow'r
Of *wreathing* trees, in singing waste an hour.
Dryden, Translation of Virgil, Eclogues, ix. 84.

Wreáthy. *adj.*

1. Spiral; curled; twisted.

That which is preserved at St. Dennis, near Paris, hath *wreathy* spires, and cochleary turnings about, which agreeth with the description of an unicorn's horn in Ælian.—*Sir T. Browne.*

2. Covered with a wreath.

Less mild the Bacchanalian dames appear,
When from afar their mighty god they hear,
And howl about the hills, and shake their *wreathy* spear.
Dryden, Translation of the Æneid.

Wreck. *s.*

1. Destruction by being driven on rocks or shallows at sea; destruction by sea.

Fair be ye sure; but hard and obstinate,
As is a rock amidst the raging floods;
'Gainst which a ship, of succour desolate,
Doth suffer *wreck* both of herself and goods.
Spenser.

Like those that see their *wreck*
Ev'n on the rocks of death; and yet they strain,
That death may not them idly find t' attend
To their uncertain task, but work to meet their end.
Daniel.

Think not that flying fame reports my fate;
I present, I appear, and my own *wreck* relate.
Dryden, Translation from Ovid, House of Sleep.

2. Dissolution by violence.

Not only Paradise,
In this commotion, but the starry cope
Of heaven, perhaps, or all the elements,
At least, had gone to *wreck.*
Milton, Paradise Lost, iv. 991.

The soul . . . shall flourish in immortal youth,
Unhurt amidst the war of elements,
The *wreck* of matter, and the crush of worlds.
Addison, Cato, v. 1.

3. Ruin; destruction.

Whether he was
Combined with Norway, or did line the rebel
With hidden help and vantage; or that with both
He labour'd in his country's *wreck,* I know not.
Shakespear, Macbeth, i. 3.

4. It is misprinted here for *wreak.*

He cried as raging seas are wont to roar,
When wintry storm his wrathful *wreck* doth threat.
Spenser.

5. The thing wrecked: (as, the ship was considered as a *wreck*).

That most ungrateful boy there by your side
From the rude sea's enraged and foamy mouth
Did I redeem; a *wreck* past hope he was.
Shakespear, Twelfth Night, v. 1.

6. Dead, undigested stems of grasses and weeds in a ploughed land.

Wreck. *v. a.*

1. Destroy by dashing on rocks or sands.

Have there been any more such tempests, wherein she hath wretchedly been *wrecked?*—*Spenser, View of the State of Ireland.*

A pilot's thumb,
Wreck'd as homeward he did come.
Shakespear, Macbeth, i. 3.

2. Ruin.
Weak and envy'd, if they should conspire,
They *wreck* themselves, and he hath his desire.
Daniel.

3. In the following passages it is ignorantly used for *wreak*, in its different senses of *revenge* and *execute*.
Eighty odd years of sorrow have I seen,
And each hour's joy *wreck'd* with a week of teen.
Shakespear, Richard III. iv. 1.
I faint! I die! the goddess cried:
O cruel, could'st thou find none other
To *wreck* thy spleen on? Parricide!
Like Nero, thou hast slain thy mother.
Prior, Cupid Mistaken.

Wreck. *v. n.* Suffer wreck.
With manlier objects we must try
His constancy, with such as have more shew
Of worth, of honour, glory, and popular praise,
Rocks whereon greatest men have oftest *wreck'd*.
Milton, Paradise Regained, ii. 225.

Wrécker. *s.* One who seeks plunder from wrecked ships.

Wréckful. *adj.* Causing wreck.
Thereto they used one most accursed order,
To eate the flesh of men whom they mote fynde,
And strangers to devoure, which on their border
Were brought by error, or by *wreckfull* wynde.
Spenser, Faerie Queen.

Wren. *s.* [A.S. *wrenna.*] Native bird of the genus Trochilus; the so-called golden-crested wren belongs to the widely different genus (Regulus).
The poor *wren*,
The most diminutive of birds, will fight,
Her young ones in her nest, against the owl.
Shakespear, Macbeth, iv. 2.

Wrench. *v. a.* [A.S. *wringan.*]
1. Pull by violence; wrest; force.
Wrench his sword from him.
Shakespear, Othello, v. 2.
Oh form!
How often dost thou with thy case, thy habit,
Wrench awe from fools, and tie the wiser souls
To thy false seeming!
Id., Measure for Measure, ii. 4.
Cæsar's army, wanting something, demanded a mission or discharge, with no intention it should be granted: but thought by that means to *wrench* him to their other desires.—*Bacon.*
Struggling to get loose, I broke the strings, and *wrenched* out the pegs that fastened my arm to the ground.—*Swift, Gulliver's Travels*, pt. i. ch. i.
2. Sprain; distort.
O most small fault!
How ugly didst thou in Cordelia show!
Which, like an engine, *wrencht* my frame of nature
From the fix'd place; drew from my heart all love,
And added to the gall.
Shakespear, King Lear, i. 4.
You *wrenched* your foot against a stone, and were forced to stay.—*Swift.*

Wrench. *s.* [A.S. *wrenc* = turn.]
1. Violent pull or twist.
And their right hand with *wrench* and will
For bribes doth pluck and pull.
Old Metrical Versions of Psalm xxvi.
2. Sprain.
Some small part of the foot being injured by a *wrench*, the whole leg thereby loses its strength.—*Locke.*
3. Contrivance; means.
He resolved to make his profit of this business of Britain, as a quarrel for war; and that of Naples as a *wrench* and mean for peace.—*Bacon, History of the Reign of Henry VII.*

Wrest. *v. a.*
1. Twist by violence; extort by writhing or force.
To wring this sentence, to *wrest* thereby out of men's hands the knowledge of God's doctrine, is without all reason.—*Ascham.*
To what wretched state reserved,
Better end here unborn! Why is life given,
To be thus *wrested* from us?
Milton, Paradise Lost, xi. 501.
Where you charged in person, you were a conqueror: the rebels afterwards recovered strength, and *wrested* that victory from others that they had lost to you.—*Dryden.*
Our country's cause,
That drew our swords, now *wrests* 'em from our hand,
And bids us not delight in Roman blood,
Unprofitably shed. *Addison, Cato.*
[redacted]writhe; force.
[redacted]tend their speeches, is to *wrest* them [redacted] meaning.—*Hooker, Ecclesiastical*
My father's purposes have been mistook,
And some about him have too-lavishly
Wrested his meaning and authority.
Shakespear, Henry IV. Part II. iv. 2.
Wrest once the law to your authority;
To do a great right, do a little wrong.
Id., Merchant of Venice, iv. 1.
3. Wind; screw: (applied to the tuning of instruments). *Obsolete.*
The claricord hath a tunely kynde,
As the wyre is *wrested* high and lowe.
Skelton, Poems, p. 291.

Wrest. *s.*
1. Distortion; violence.
Whereas it is concluded, out of weak premises, that the retaining of divers things in the church of England, which other reformed churches have cast out, must needs argue that we do not well, unless we can shew that they have done ill: what needed this *wrest*, to draw out from us an accusation of foreign churches?—*Hooker, Ecclesiastical Polity.*
2. Acting or moving power.
Adown he kest it with so puissant *wrest*,
That back again it did aloft rebound,
And gave against his mother earth a groneful sound.
Spenser.
3. Key or hammer used in tuning a stringed instrument.
The minstrel tempered a string or two with his *wrest*.—*Laneham, Letter from Kenilworth*: 1575.
Antenor is such a *wrest* in their affairs,
That their negotiations all must slacken,
Wanting his manage.
Shakespear, Troilus and Cressida, iii. 3.

Wréster. *s.* One who wrests; one who uses a wrest.
Any instrument mistunyd shall hurt a true song,
Yet blame not the claricord the *wrester* doth wrong.
Skelton, Poems, p. 291.

Wréstle. *v. n.* [A.S. *wrestlian.*]
1. Contend who shall throw the other down.
If ever he goes alone again, I'll never *wrestle* for prize more.—*Shakespear, As you like it*, i. 1.
To play or *wrestle* well, it should be used with those that do it better.—*Sir W. Temple.*
2. Struggle; contend: (followed by *with*).
I persuaded them, if they loved Benedick,
To wish him *wrestle with* affection,
And never to let Beatrice know of it.
Shakespear, Much Ado about Nothing, iii. 1.
James knew not how to *wrestle with* desperate contingencies, and so abhorred to be entangled in such.—*Lord Clarendon, History of the Grand Rebellion.*

Wréstler. *s.*
1. One who wrestles; one who professes the athletic art.
When the young *wrestlers* at their sport grew warm,
Old Milo wept, to see his naked arm.
Sir J. Denham, Of Old Age.
Great Julius, on the mountains bred,
A flock perhaps, or herd, had led;
He that the world subdued had been
But the best *wrestler* on the green. *Waller.*
2. One who contends in wrestling.
So earnest with thy God, can no new care,
No sense of danger, interrupt thy prayer?
The sacred *wrestler*, till a blessing giv'n,
Quits not his hold, but halting conquers heav'n.
Waller.

Wréstling. *verbal abs.* Act of one who wrestles.
Another, by a fall in *wrestling*, started the end of the clavicle from the sternon.—*Wiseman, Surgery.*

Wretch. *s.* [A.S. *wrecca.*]
1. Miserable mortal.
She weeps, and says her Henry is deposed;
He smiles, and says his Edward is install'd;
That she, poor *wretch*, for grief can speak no more.
Shakespear, Henry VI. Part III. iii. 1.
Illustrious *wretch!* repine not, nor reply:
View not what heav'n ordains with reason's eye;
For bright the object is, the distance is too high.
Prior, Solomon, iii. 835.
2. Worthless sorry creature.
Base-minded *wretches*, are your thoughts so deeply bemired in the trade of ordinary worldlings, as for respect of gain some paultry wool may yield you, to let so much time pass without knowing perfectly her estate?—*Sir P. Sidney.*
He now
Has these poor men in question: never saw I
Wretches so quake; they kneel, they kiss the earth,
Forswear themselves as often as they speak.
Shakespear, Winter's Tale, v. 1.
Title of honour, worth and virtue's right,
Should not be given to a *wretch* so vile.
Daniel, Civil Wars of York and Lancaster.
When they are gone, a company of starved hungry *wretches* shall take their places.—*Sir R. L'Estrange.*
3. It is used by way of slight, or ironical pity, or contempt.
When soon away the wasp doth go;
Poor *wretch* was never frighted so:
He thought his wings were much too slow,
O'erjoy'd they so were parted.
Drayton, Nymphidia.
Then, if the spider find him fast beset,
She issues forth, and runs along her loom:
She joys to touch the captive in her net,
And drags the little *wretch* in triumph home.
Dryden, Annus Mirabilis, clxxxi.
4. It is sometimes a word of tenderness: (as we now say *poor thing*).
Chasten'd but thus, and thus his lesson taught,
The happy *wretch* she put into her breast.
Sir P. Sidney.
Excellent *wretch!* Perdition catch my soul
But I do love thee; and when I love thee not
Chaos is come again. *Shakespear, Othello*, iii. 3.

Wrétched. *adj.*
1. Miserable; unhappy.
These we should judge to be most miserable, but that a *wretcheder* sort there are, on whom, whereas nature hath bestowed ripe capacity, their evil disposition seriously goeth about therewith to apprehend God, as being not God.—*Hooker, Ecclesiastical Polity.*
O cruel death! to those you are more kind,
Than to the *wretched* mortals left behind. *Waller.*
Why dost thou drive me
To range all o'er a waste and barren place,
To find a friend? The *wretched* have no friends.
Dryden.
2. Calamitous; afflictive.
3. Sorry; pitiful; paltry; worthless.
When God was served with legal sacrifices, such was the miserable and *wretched* condition of some men's minds, that the best of every thing they had, being culled out for themselves, if there were in their flocks any poor, starved, or diseased thing not worth the keeping, they thought it good enough for the altar of God.—*Hooker, Ecclesiastical Polity.*
Affected noise is the most *wretched* thing
That to contempt can empty scribblers bring.
Lord Roscommon.
Forgive the many failings of those who, with their *wretched* art, cannot arrive to those heights that you possess.—*Dryden.*
4. Despicable; hatefully contemptible.
An adventure worthy to be remembered for the unused examples therein, as well of true natural goodness as of *wretched* ungratefulness.—*Sir P. Sidney.*

Wrétchedly. *adv.* In a wretched manner.
1. Miserably; unhappily.
From these two wars, so *wretchedly* entered into, the duke's ruin took its date.—*Lord Clarendon, History of the Grand Rebellion.*
2. Meanly; despicably.
When such little shuffling arts come once to be ripped up and laid open, how poorly and *wretchedly* must that man sneak, who finds himself guilty and baffled too?—*South, Sermons.*

Wrétchedness. *s.* Attribute suggested by Wretched.
1. Misery; unhappiness; afflicted state.
My misery cannot be greater than it is; fear not the danger of my blind steps, I cannot fall worse than I am, and do not obstinately continue to infect thee with my *wretchedness*.—*Sir P. Sidney.*
He gan inquire
What hard mishap him brought to such distress,
And made that caitiff's thrall the thrall of *wretchedness*. *Spenser.*
Clarion did at last decline
To lowest *wretchedness*; and is there then
Such rancor in the hearts of mighty men. *Id.*
When they are weary of wars, and brought down to extreme *wretchedness*, then they creep a little, and sue for grace, till they have recovered their strength again.—*Id., View of the State of Ireland.*
I love not to see *wretchedness* o'ercharged,
And duty in his service perishing.
Shakespear, Midsummer-Night's Dream, v. 1.
We have with the feeling lost the very memory of such *wretchedness* as our fathers endured by those wars, of all others the most cruel.—*Sir W. Raleigh.*

Wrétchless. *adj.* For Reckless.
For any man to put off his present repentance, on contemplation of a possibility that his latter repentance may serve the turn, is the most *wretchless* presumption, and hath no promise of mercy annexed to it.—*Hammond.*
If persons of so circumspect a piety have been thus overtaken, what security can there be for our *wretchless* oscitancy?—*Dr. H. More, Government of the Tongue.*

Wrétchlessly. *adv.* In a wretchless (i.e. reckless) manner.
By which tearmes hee doth upbraid him with sottishness and folly, which would so *wretchlesly* and

sinfully depart with that whereupon hee bestowed his strength, and which hee compassed not without great paines and travell.—*Cleaver, Proverbs*, p. 87. (Ord MS.)

Wrétchlessness. *s.* Attribute suggested by Wretchless.

The devil drives them into desperation, or into *wretchlessness* of unclean living.—*Articles of Religion*, art. xxxvi.

The bore his taile *wrygges*
Against the hye bench. *Skelton, Poems*, p. 128.

Worms in sturdy pride
Do *wrigge* and wrest their parts divorced by knife.
Dr. H. More, Immortality of the Soul, ii. 2, 37.

Wríggle. *v. n.* Move to and fro, or from side to side, with short motions.

Restless he toss'd, and tumbled to and fro,
And roll'd and *wriggled* farther off for woe.
Dryden, Wife of Bath's Tale, 344.

And both he and his successors would often *wriggle* in their seats as long as the cushion lasted. —*Swift.*

Wríggle. *v. a.* Put in a quick reciprocating motion; introduce by shifting motion.

Ralpho was mounted now, and gotten
O'erthwart his beast with active vaulting,
Wriggling his body to recover
His seat, and cast his right leg over.
Butler, Hudibras, i. 3, 643.

A slim thin-gutted fox made a hard shift to *wriggle* his body into a hen-roost.—*Sir R. L'Estrange.*

'Power,' says some one, 'is a snake that when it once finds a hole into which it can introduce its head, soon manages to *wriggle* in the rest of its body.'—*Lord Lytton, Pelham*, ch. lxiv.

Wríggle. *adj.* Pliant; flexible; moving to and fro. *Rare.*

My ragged rents all shiver and shake;
They wont in the wind wagg their *wriggle* tails,
Peark as a peacoke, but nought it avails. *Spenser.*

Wríggling. *verbal abs.* Act of that which wriggles.

If sheep or thy lamb fall a *wrigling* with tail,
Go by and by search it, whiles help may prevail.
Tusser, Five Hundred Points of good Husbandry.

The busy importunities of these extensional phantasms I look upon as contemptuously, as upon the quick *wrigglings* up and down of pismires.—*Dr. H. More.*

Wright. *s.* [A.S. *wyrhta, wryhta*; connected with *wyrcan*, preterit *wrohte* = work, wrought. See Work.] Workman: (chiefly current, now, either as a proper name, or as the second element in a compound; e.g. *wheelwright, cartwright*; suggestive of a worker in *wood*, or as a *carpenter*, rather than in *metal* as a *smith*).

Nor place the neighbour Cyclops their delights
In brave vermilion prow deckt ships; nor *wrights*
Usefull and skilfull. *Chapman.*

The verb To write has the same sound with *wright*, a workman, right or equity, and rite or ceremony; but spelled very differently.—*Watts, Logick.*

Wring. *v. a.* pret. and past part. *wringed* and *wrung.* [A.S. *wringan.*]

1. Twist; turn round with violence.

The priest shall *wring* off his head, and burn it on the altar.—*Leviticus*, i. 15.

2. Force by contortion: (with *out*).

He thrust the fleece together, and *wringed* the dew *out* of it, a bowl full of water.—*Judges*, vi. 38.

Apply mild detergents on pledgets of lint over it, with a compress *wrung out.*—*Wiseman, Surgery.*

3. Squeeze; press.

In sleep I heard him say, Sweet Desdemona,
Let us be wary, let us hide our loves!
And then, sir, would he gripe and *wring* my hand.
Shakespear, Othello, iii. 3.

4. Writhe.

The silly owner of the goods
Weeps over them, and *wrings* his hapless hands.
Shakespear, Henry VI. Part II. i. 1.

5. Pinch.

The king began to find where his shoe did *wring* him, and that it was his depressing the house of York that did rankle and fester the affections of his people.—*Bacon, History of the Reign of Henry VII.*

If he had not been too much grieved, and *wrung* by an uneasy and streight fortune, he would have been an excellent man of business.—*Lord Clarendon, History of the Grand Rebellion.*

6. Force by violence; extort.

I had rather coin my heart,
And drop my blood for drachmas, than to *wring*
From the hard hands of peasants their vile trash
By any indirection.
Shakespear, Julius Cæsar, iv. 3.

Thirty spies,
Threatening cruel death, constrain'd the bride
To *wring* from me, and tell to them, my secret.
Milton, Samson Agonistes, 1197.

7. Harass; distress; torture.

Didst thou taste but half the griefs
That *wring* my soul, thou couldst not talk thus coldly. *Addison, Cato.*

8. Distort; turn to a wrong purpose.

To *wring* this sentence, to wrest thereby out of men's hands the knowledge of God's doctrine, is without all reason.—*Ascham, Schoolmaster.*

Lord, how dare these men thus *wring* the Scriptures?—*Archbishop Whitgift.*

6. Persecute with extortion.

The merchant-adventurers have been often wronged and *wringed* to the quick; but were never quick and lively in thanks to those by whose endeavours they were freed.—*Sir J. Hayward.*

Wring. *v. n.* Writhe with anguish.

'Tis all men's office to speak patience
To those that *wring* under the load of sorrow;
But no man's virtue nor sufficiency,
To be so moral when he shall endure
The like himself.
Shakespear, Much Ado about Nothing, v. 1.

Wring. *s.* Action of anguish.

The sighs, and tears, and *wrings* of a disconsolate mourner.—*Bishop Hall, Contemplations*, b. iv.

Wringer. *s.* One who wrings.

1. Extortioner.

Be thou a covert to them from the face of the spoiler, for the extortioner (in the margin, the *wringer*) is at an end.—*Isaiah*, xvi. 4.

2. One who squeezes the water out of clothes.

One Mrs. Quickly is in the manner of his nurse, his laundress, his washer, and his *wringer.*—*Shakespear, Merry Wives of Windsor*, i. 2.

Wringing-wet. So wet as to need wringing.

'Tis death for me to be ignorant of the unsearchable mystery of the Son of God; of which mystery notwithstanding I should have been ignorant, but that a poor fisherman, unknown, unlearned, new come from his boat, with his cloaths *wringing-wet*, hath opened his mouth and taught me, 'In the beginning was the Word, and the Word was with God, and the Word was God.'—*Hooker, Upon Jude, Works*, p. 538. (Ord MS.)

Wrínkle. *s.* [A.S. *wrincle.*]

1. Corrugation or furrow of the skin or the face; sign of age, or of care, acting like age upon the countenance.

Give me that glass, and therein will I read:
No deeper *wrinkles* yet? Hath sorrow struck
So many blows upon this face of mine,
And made no deeper wounds?
Shakespear, Richard II. iv. 1.

No bloom of youth can ever blind
The cracks and *wrinkles* of your mind.
Swift, On Stella's Birthday.

2. Rumple of cloth.

3. Any roughness.

Our British heaven was all serene;
No threat'ning cloud was nigh,
Not the least *wrinkle* to deform the sky.
Dryden, Threnodia Augustalis, 9.

4. New piece of knowledge or information: (as, 'There's a *wrinkle* for you,' 'I got a *wrinkle* from my conversation with him'). *Colloquial.*

Wrínkle. *v. a.*

1. Corrugate; contract into furrows.

Scorn makes us *wrinkle* up the nose, and stretch the nostrils also, at the same time drawing up the upper lip.—*Bacon.*

2. Make rough or uneven.

A keen north-wind, blowing dry,
Wrinkled the face of deluge as decay'd.
Milton, Paradise Lost, xi. 842.

Wrínkled. *part. adj.* Having, showing, marked with, wrinkles.

It is still fortune's use
To let the wretched man outlive his wealth,
To view with hollow eye and *wrinkled* brow
An age of poverty.
Shakespear, Merchant of Venice, iv. 1.

Here steams ascend,
That in mixt fumes the *wrinkled* nose offend.
Gay, Trivia, ii. 247.

Here stood Ill-nature, like an ancient maid,
Her *wrinkled* form in black and white array'd.
Pope, Rape of the Lock, canto iv.

Wrínkling. *part. adj.* Causing wrinkles.

To thee, whose young and polished l row
The *wrinkling* hand of sorrow spares.
Mason, To a Friend.

Wrist. *s.* [A.S. *wyrst.*] Joint by which the hand is joined to the arm.

He took me by the *wrist*, and held me hard.
Shakespear, Hamlet, ii. 1.

The axillary artery, below the cubit, divideth unto two parts; the one running along the radius, and passing by the *wrist*, or place of the pulse, is at the fingers subdivided into three branches.—*Sir T. Browne, Vulgar Errours.*

Used *adjectivally*, or as the *first element* in a *compound.*

The brawn of the arm must appear full, shadowed on one side; then shew the *wrist-bone* thereof.—*Peacham.*

Wrístband. *s.* Fastening of the shirt at the hand.

You'll . . . dip your *wristbands*
(For cuffs y' have none) as comely in the sauce
As any courtier.
Beaumont and Fletcher, Bloody Brother

Writ. *s.*

1. Anything written; Scripture.

The church, as a witness, preacheth his mere revealed truth, by reading publickly the sacred Scripture; that a second kind of preaching is the reading of holy *writ.*—*Hooker, Ecclesiastical Polity.*

Divine Eliza, sacred empress,
Live she for ever, and her royal places
Be fill'd with praises of divinest wits,
That her eternize with their heavenly *writs.*
Spenser.

Trifles light as air
Are to the jealous confirmations strong
As proofs of holy *writ.* *Shakespear, Othello*, iii. 3.

Bagdat rises out of the ruins of the old city of Babylon, so much spoken of in holy *writ.*—*Knolles History of the Turks.*

His story, filled with so many surprising incidents, bears so close an analogy with what is delivered in holy *writ*, that it is capable of pleasing the most delicate reader, without giving offence to the most scrupulous.—*Addison, Spectator.*

Of ancient *writ* unlocks the learned store,
Consults the dead, and lives past ages o'er. *Pope.*

2. Judicial process by which anyone is summoned as an offender.

Hold up your head, hold up your hand:
Would it were not my lot to shew ye
This cruel *writ*, wherein you stand
Indicted by the name of Chloe. *Prior, The Dove*

3. Legal instrument.

I folded the *writ* up in form of th' other,
Subscribed it, gave the impression, placed it safely,
The changeling never known.
Shakespear, Hamlet, v. 2.

For every *writ* of entry, whereupon a common recovery is to be suffered, the queen's fine is to be rated upon the *writ* original, if the lands comprised therein be held.—*Ayliffe, Parergon Juris Canonici.*

The general proposition, in which the whole country had an interest, might have been reduced to a particular fact, in which Mr. Wilkes and Mr. Luttrell would alone have been concerned. The house of lords might interpose; the king might dissolve the parliament; or, if every other resource failed, there still lay a grand constitutional *writ* of error, in behalf of the people, from the decision of one court, to the wisdom of the whole legislature.—*Letters of Junius*, lv.

About the latter end of John's reign, some only of the most eminent tenants in chief were summoned by particular *writs*; the rest by one general summons through the sheriffs of their several counties. This is declared in the Great Charter of that Prince, wherein he promises that, whenever an aid or scutage shall be required, faciemus summoneri archiepiscopos, episcopos, abbates, comites et majores barones regni sigillatim per literas nostras. . . . And this is likely to have proceeded from the pride with which the ancient and wealthy barons of the realm would regard those newly created by grants of escheated honours, or those decayed in estate, who yet were by their tenures on an equality with themselves. They procured therefore two innovations in their condition; first, that these inferior barons should be summoned generally by the sheriff, instead of receiving their particular *writs*, which made an honorary distinction; and next, that they should pay relief, not, as for an entire barony, one hundred marks; but at the rate of five pounds for each knight's fee which they held of the crown. This changed their tenure to one by mere knight-service, and their denomination to tenants in chief.—*Hallam, View of the State of Europe during the Middle Ages*, pt. iii. ch. viii.

The elections went on rapidly and smoothly. There were scarcely any contests. For the nation had, during more than a year, been kept in constant expectation of a parliament. *Writs*, indeed, had been issued and recalled. Some constituent bod[illegible] had, under those *writs*, actually [illegible] choice of representatives.—*Mac[illegible] England*, ch. x.

Writative. *adj.* Giving to writing: of Pope's coining, not to be imitated. (Johnson.)

Increase of years makes men more talkative, but less *writative*; to that degree, that I now write no letters but of plain how d'ye's.—*Pope, Letter to Swift.*

Write. *v. a.* pret. *writ* or *wrote*; past part. *written, writ.* [A.S. *writan.*]

1. Express by means of letters.

Men's evil manners live in brass, their virtues
We *write* in water. *Shakespear, Henry VIII.* iv. 2.

The time, the place, the manner how to meet,
Were all in punctual order plainly *writ.*
Dryden, Sigismonda and Guiscardo, 92.

2. Engrave.

Cain was so fully convinced that every one had a right to destroy such a criminal, that he cries out, Every one that findeth me shall slay me; so plain was it *writ* in the hearts of all mankind.—*Locke.*

3. Produce as an author.

When more indulgent to the writer's ease,
You are so good, to be so hard to please;
No such convulsive pangs it will require
To *write*—the pretty things that you admire.
Granville.

4. Tell by letter.

I chose to *write* the thing I durst not speak
To her I loved. *Prior, Solomon,* ii. 809.

Write. *v. n.*

1. Perform the act of writing.

I have seen her rise from her bed, take forth paper, fold it, and *write* upon 't.—*Shakespear, Macbeth,* v. 1.

2. Play the author.

Hearts, tongues, figures, scribes, bards, poets, cannot
Think, speak, cast, *write,* sing, number
His love to Antony.
Shakespear, Antony and Cleopatra, iii. 2.

There is not a more melancholy object in the learned world than a man who has *written* himself down.—*Addison.*

3. Tell in books.

I past the melancholy flood,
With that grim ferryman which poets *write* of.
Shakespear, Richard III. i. 4.

4. Send letters.

He *wrote* for all the Jews concerning their freedom.—*1 Esdras,* iv. 49.

5. Call one's self; be entitled; use the stile of.

About it, and *write* happy when thou'st done.
Shakespear, King Lear, v. 3.

Let it not your wonder move,
Less your laughter, that I love;
Though I now *write* fifty years,
I have had and have my peers. *B. Jonson.*

He *writes* himself 'divina providentia,' whereas other bishops only use 'divina permissione.'—*Ayliffe, Parergon Juris Canonici.*

6. Compose; form compositions.

They can *write* up to the dignity and character of the authors.—*Felton, Dissertation on Reading the Classicks.*

Writer. *s.* One who writes; author.

All three were ruined by justice and sentence, as delinquents; and all three famous *writers.*—*Bacon.*

When we look back upon human records, how the eye settles upon *writers* as the main land-marks of the past! We talk of the age of Augustus, of Elizabeth, of Louis XIV., of Anne, as the notable eras of the world. Why? Because it is their *writers* who have made them so. Intervals between one age of authors and another lie unnoticed, as the flats and common lands of uncultured history.—*Lord Lytton, My Novel,* b. ix. ch. xv.

Writhe. *v. a.* [A.S. *wriðan.*]

1. Distort; deform with distortion.

With hatefullest disrelish *writhed* their jaws,
With soot and cinders fill'd.
Milton, Paradise Lost, x. 569.

2. Twist with violence.

Then Satan first knew pain,
And *writhed* him to and fro convolved.
Milton, Paradise Lost, vi. 327.

The monster hiss'd aloud, and raged in vain,
And *writhed* his body to and fro with pain.
Addison, Translation from Ovid, Story of Cadmus.

3. Wrest; force by violence; torture; distort.

The reason which he yieldeth, sheweth the least part of his meaning to be that whereunto his words are *writhed.*—*Hooker, Ecclesiastical Polity.*

Writhe. *v. n.* Be convolved with agony or torture.

Let each be broken on the rack;
Then, with what life remains, impaled, and left
To *writhe* at leisure round the bloody stake.
Addison, Cato.

Writhing. *verbal abs.* Act of one who, that which, writhes.

Then on the white edge of the bursting surge,
Where they had sank together, would the snake
Relax his suffocating grasp, and scourge
The wind with his wild *writhings.*
Shelley, The Revolt of Islam.

Writhle. *v. a.* Wrinkle; corrugate. *Rare.*

The skin that was white and smooth is turned tawnie and *writhel'd,*—*Bishop Hall, St. Paul's Combat.*

But see! this whitenesse is obscure,
Cynthia spotted, she impure;
Her body *writhel'd,* and her eyes
Departing lights at obsequies.
Lovelace, Lucasta, p. 151.

Writing. *s.*

1. Written paper of any kind.

In at his windows throw
Writings, all tending to the great opinion
That Rome holds of his name.
Shakespear, Julius Cæsar, i. 2.

2. Literary composition; book.

They thought no other *writings* in the world should be studied, insomuch as one of their great prophets exhorting them to cast away all respect unto human *writings,* to his motion they condescended.—*Hooker, Ecclesiastical Polity.*

Such arguments had an invincible force with those pagan philosophers who became Christians, as we find in most of their *writings.*—*Addison.*

3. Legal instrument: (as, the *writings,* i.e. title-deeds, &c., of an estate).

Writingmaster. *s.* One who teaches to write.

The facility of which I spoke consists not in bold strokes, if it makes not a great effect at a distance: that sort of freedom belongs rather to a *writing-master* than a painter.—*Dryden.*

Written. *part. adj.* Reduced to writing.

Language is a connexion of audible signs, the most apt in nature for communication of our thoughts: *written* language is a description of the said audible signs, by signs visible.—*Holder.*

Wrizzle. *v. a.* Wrinkle. *Rare.*

Wrizzled. *part. adj.* Wrinkled. *Rare.*

Her *wrizled* skin, as rough as maple rind,
So scabby was, that would have loathed all womankind. *Spenser, Faerie Queen,* I, 8, 47.

Youthful fires
Gild his dim eyes, and paint with ruddy hue
His *wrizzled* visage, ghastly wan before.
Gay, Wine, 7.

Wrong. *adj.* [A.S. *wrang.*]

1. Not morally right; not just; not agreeable to propriety or truth; not true.

I find you are an invincible Amazon, since you will overcome, though in a *wrong* matter.—*Sir P. Sidney.*

When the dictates of honour are contrary to those of religion and equity, they give *wrong,* ambitious, and false ideas of what is good and laudable.—*Addison, Spectator.*

2. Not physically right.

Of Glo'ster's treachery,
And of the loyal service of his son,
When I inform'd him, then he call'd me sot,
And told me I had turn'd the *wrong* side out.
Shakespear, King Lear, iv. 2.

We never think of the main business of life, till a vain repentance minds us of it at the *wrong* end.—*Sir R. L'Estrange.*

3. Acting improperly.

Who want, while through black life they dream along,
Sense to be right, and passion to be *wrong.* *Young.*

Wrong. *adv.* Not rightly; amiss; wrongly.

If he go *wrong,* she will give him over to his own ruin.—*Ecclesiasticus,* iv. 19.

A thousand odd capricios men's minds are acted by, may make one man quote another man's words *wrong.*—*Locke.*

Ten censure *wrong,* for one that writes amiss.
Pope, Essay on Criticism, i. 6.

Wrong. *s.*

1. Injury; designed or known detriment; not right; not justice.

It is a harm and no *wrong,* which he hath received.—*Sir P. Sidney.*

She resolved to spend all her years, which her youth promised should be many, in bewailing the *wrong,* and yet praying for the *wrongdoer.*—*Id.*

If he may not command them, then that law doth *wrong* that bindeth him to bring them forth to be justified.—*Spenser.*

They ever do pretend
To have received a *wrong,* who *wrong* intend.
Daniel.

One spake much of right and *wrong.*
Milton, Paradise Lost, xi. 666.

Imitation of an author is the most advantageous way for a translator to show himself, but the greatest *wrong* which can be done to the reputation of the dead.—*Dryden.*

2. Error; not right; not truth.

The multitude is always in the *wrong.*
Lord Roscommon.

Here was *wrong* on both sides; and what would follow but confusion?—*Leslie.*

When people once are in the *wrong,*
Each line they add is much too long:
Who fastest walks, but walks astray,
Is only farthest from his way.
Prior, Alma, iii. 190.

Wrong. *v. a.* Injure; use unjustly, either by doing injury or imputing evil without justice.

For fear the stones her tender foot should *wrong,*
Be strew'd with fragrant flowers all along. *Spenser.*

Once more farewell!
And know thou *wrong'st* me, if thou think'st
Ever was love or ever grief like mine.
Addison, Cato.

Wrongdóer. *s.* Injurious person.

If any seat be taken away by a stranger, the churchwarden may have action against the *wrongdoer.*—*Ayliffe, Parergon Juris Canonici.*

(See, also, under Wrong.)

Wrónger. *s.* One who, that which, wrongs.

That cuckold lives in bliss,
Who, certain of his fate, loves not his *wronger.*
Shakespear, Othello, iii. 3.

Many times a prince is driven to spend far more of his treasure in punishing by war the *wrongers* of his people, than the loss of his people did amount unto.—*Sir W. Raleigh.*

Wróngful. *adj.* Injurious; unjust.

I am so far from granting thy request,
That I despise thee for thy *wrongful* suit.
Shakespear, Two Gentlemen of Verona, iv. 2.

Nor want they lots, nor judges to review
The *wrongful* sentence, and award a new.
Dryden, Translation of the Æneid, vi. 580.

Wróngfully. *adv.* In a wrongful manner; unjustly.

Dorus, said Pamela, you blame your fortune very *wrongfully,* since the fault is not in fortune, but in you, that cannot frame yourself to your fortune; and as *wrongfully* do require Mopsa to so great a disparagement as to her father's servant.—*Sir P. Sidney.*

I cry thee mercy, for suspecting a friar of the least good-nature: what, would you accuse him *wrongfully?*—*Dryden, Spanish Friar,* iv. 1.

Wrónghead. *adj.* Wrongheaded.

Much do I suffer, much, to keep in peace
This jealous, waspish, *wronghead,* rhyming race.
Pope, Imitations of Horace, b. ii. ep. ii.

Wrongheáded. *adj.* Having a perverse, perverted, crotchety, or impracticable turn of mind.

Whether we can propose to thrive, so long as we entertain a *wrongheaded* distrust of England?—*Bishop Berkeley, Querist,* § 436.

Wrongheádedly. *adv.* In a wrongheaded manner.

He [Johnson] rose to be under the care of Mr. Hunter, the head-master, who, according to his account, 'was very severe, and *wrongheadedly* severe.'—*Boswell, Life of Johnson,* i. 40. (Ord MS.)

Wrongheádedness. *s.* Attribute suggested by Wrongheaded.

We shall seldom find, in a statesman so trained, integrity, constancy, any of the virtues of the noble family of Truth. . . . There is nothing in the state which he could not, without a scruple or a blush, join in defending or in destroying. Fidelity to opinions and to friends seems to him mere dulness and *wrongheadedness.*—*Macaulay, History of England,* ch. ii.

Wróngly. *adv.* In a wrong manner; unjustly; amiss.

What thou wouldst highly
That wouldst thou holily; would not play false,
And yet wouldst *wrongly* win.
Shakespear, Macbeth, i. 5.

Madmen having joined together some ideas very *wrongly,* err, as men do that argue right from wrong principles.—*Locke.*

Wróngness. *s.* Attribute suggested by Wrong; wrong disposition.

The best have great *wrongnesses* within themselves, which they complain of, and endeavour to amend.—*Bishop Butler, Analogy of natural and revealed Religion.*

Wróngous. *adj.* Constituting a wrong. *Rare.*

Every wrong must be judged by the first violent and *wrongous* ground, whereupon it proceeds.—*King James to Lord Bacon,* July 25, 1617. (Ord MS.)

They supported with all their might a bill sent up

from the commons explaining and amending an act of the Scottish parliament for preventing *wrongous* imprisonment.—*Smollett, History of England*, vol. ii. p. 2. (Ord MS.)

Wroth. *adj.* [A.S. *wræð.*] Angry; enraged.

The Lord said unto Cain, Why art thou *wroth?*—*Genesis*, iv. 6.

Shall it not be scorn to me to harp on such a moulder'd string?
I am shamed thro' all my nature to have loved so slight a thing.
Weakness to be *wroth* with weakness!
Tennyson, Locksley Hall.

Wrought. *part. adj.* [A.S. *wroht.*] Worked: (chiefly applied to iron, the *wrought* metals, as opposed to the *cast*, having been worked into a tough state by welding and hammering).

In the conversion of cast iron to *wrought* iron, by a very slight difference in the manipulations, a species of steel may be produced, called natural steel.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Wry. *adj.* [A.S. *wriðan* = twist.]

1. Oblique; deviating from the right direction laterally.

Sometimes to her, news of myself to tell,
I go about, but then is all my best
Wry words and stammering; or else doltish dumb;
Say, then, can this but of enchantment come.
Sir P. Sidney.

2. Distorted.

It is but a kick with thy heels, and a *wry* mouth, and Sir Roger will be with thee.—*Arbuthnot.*

Cutting the *wry* neck is never to be practised, but when the disorder is a contraction of the mastoideus muscle.—*Sharp, Surgery.*

3. Wrung; perverted; wrested.

He mangles and puts a *wry* sense upon protestant writers.—*Bishop Atterbury.*

Wry. *v. n.* Be contorted and writhed; deviate from the right direction.

If each of you would take his course, how many
Must murder wives much better than themselves
For *wrying* but a little.
Shakespear Cymbeline, v. 1.

These *wry* too much on the right hand, ascribing to the holy scripture such kind of perfection as it cannot have.—*Sandys.*

Wry. *v. a.* Make to deviate; distort.

They have wrested and *wry'd* his doctrine.—*Robinson, Translation of Sir T. More's Utopia*: 1551.

To what pass are our minds brought, that from the right line of virtue are *wryed* to these crooked shifts?—*Sir P. Sidney.*

Wry-mouthed. *adj.* Having the mouth awry.

A shaggy tapestry...
Instructive work! whose *wry-mouth'd* portraiture
Display'd the fates her confessors endure.
Pope, Dunciad, ii. 143.

Wryed. *part. adj.* Distorted.

Using his *wry'd* looks
(In nature of a vice) to wrest and turn
The good aspect of those that shall sit near him.
B. Jonson, Every Man out of his Humour.

Wrýneck. *s.* Native bird of the genus Iunx (torquilla).

They learn to look down to the ground, to counterfeit *wrynecks.*—*World of Wonders*, p. 300: 1608.

As the *wryneck* makes its appearance here about the same time as the cuckoo, it has, for some supposed connection with that bird, acquired the names of Cuckoo's mate and Cuckoo's maid.... This bird is called a *wryneck* from the habit it exhibits of moving its head and neck in various directions; sometimes describing parts of circles, at others from side to side, with an undulating motion not unlike the actions of a snake, and in some of the counties of England this bird is called the snakebird from this circumstance.—*Yarrell, History of British Birds.*

Wrýness. *s.* Attribute suggested by Wry; state of being wry; deviation from the right way.

Exploring the rectitude or *wryness* of their behaviours.—*W. Mountague, Devout Essays*, pt. i. p. 143: 1648.

Wuráli. *s.* [Guarani of Guiana.] Poison used by the Indians of Guiana for their arrows; also called Woorara, Urali, and Curali.

Strychnos toxifera is said to furnish the active ingredient of the celebrated *wurali* poison in Guiana. Strychnos cogens is likewise used to poison arrows in Central America. Strychnos Tieuté (the bark of the root) yields the Java poison called Upas Tieuté.—*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic.*

Wye. *s.* Last letter but one in the alphabet.

Wype. *s.* See Wipe (bird).

Wývern. *s.* See Wivern.

X.

XANT

X. The statement of Johnson is that no English word begins with X. Todd gives Xebec, Xenodochy, and Xerophagy; also X, 'the numeral letter for ten.' This last is no word. The first of these three words is introduced from the Spanish, the other two from the Greek; the few additions made of late being all from that language. Indeed it is mainly, perhaps only, as the equivalent of the Greek Ξ ξ, that the letter, as an initial, has any use.

Xánthic. *adj.* [Gr. ξανθὸς = flaxen (in the way of colour), yellow.] In *Medicine.* The *xanthic* oxide calculus is the name of a variety of stone in the bladder, characterised by the presence of *xanthic* acid.

XEBE

Uric oxide or *xanthic* oxide [is] a rare constituent of urinary calculi; first discovered by Marcet.—*Turner, Elements of Chemistry*, p. 802: 1847.

Xánthous. *adj.* In *Ethnology.* Term introduced by Dr. Prichard to denote the fair races, or divisions of mankind.

The chestnut horse, which has the mane and tail of a light yellowish brown colour, is precisely analogous to the *xanthous* complexion in mankind.—*Prichard, Researches into the Physical History of Mankind*, b. ii. ch. vii. sect. i.

Xébec. *s.* [Spanish, *xebecque.*] Small three-masted, lateen-sailed vessel used in the Mediterranean.

[The] *xebec* ... is distinguished from all other European vessels by the great projection of the prow and stern beyond the cutwater and sternpost respectively.—*Falconer, Nautical Dictionary.* (Burney.)

XIPH

Xenódochy. *s.* [Gr. ξενοδοχία, from ξένος = stranger, guest + the root of δέχομαι = I receive.] Reception of strangers, or guests.

Xeróphagy. *s.* [Gr. ξηροφαγία, from ξηρὸς = dry + φάγω = I eat.] Limitation in the way of food to dry aliments.

Xylógraphy. *s.* [Gr. ξύλον = wood + γράφω = I write.] Wood-engraving, the two words translating one another: (entered by Todd as a word 'of a very recent usage.')

Xíphoid. *adj.* [Gr. ξίφος = sword; ξιφοειδὴς = swordlike.] In *Anatomy.* Cartilage so called.

The lower limit [of the heart] is a line across the sternum at the junction of the *xiphoid* cartilage.—*G. V. Ellis, Demonstrations of Anatomy*, p. 351: 1856.

Y.

YACH

Y. See for its power as a *syllable* (the pronunciation being not *i* but *ye*) rather than a single *letter*, under Yclad.

Yacht. *s.* [Dutch, *jagt*; German, *jagd* = chase.] Small vessel so called; etymologically on account of its swiftness. In the previous editions it is explained as 'a small ship for carrying passengers.' At present it is chiefly used for voyages of pleasure.

The evening before, we met, off the sound, Lord Sandwich in the Augusta *yacht.*—*Cook, Voyages.*

Yachts belonging to clubs recognised by the Admiralty have many of the privileges of the royal navy. This is an excellent arrangement, as they are an admirable nursery for daring seamen.... There are about thirteen hundred *yachts* in the several clubs of the United Kingdom, the average being about thirty tons.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

YAM

Yáffle. *s.* See extract.

Yaffle, or *Yaffel.*—The green woodpecker is so called in Surrey and Sussex. This name has reference to the repeated notes of the bird, which have been compared to the sound of a laugh. White of Selbourne says, 'The woodpecker laughs;' and in the popular poem of 'The Peacock at Home,' the following couplet occurs—

'The sky-lark in ecstasy sang from a cloud,
And chanticleer crowed, and the *yaffil* laughed loud.'

—*Yarrell, History of British Birds.*

Yam. *s.* [?] Fleshy edible root of several plants of the genus Dioscorea, especially D. sativa.

The principal part of the species belonging to the genus Dioscorea, produce what are called *yams*, large, fleshy, farinaceous tubers, which form as important an article of food in tropical countries as the potato in Europe.—*Lindley, Vegetable Kingdom.*

YAPP

Yánkee. *s.* [Indian corruption of *English.*] Term applied in England to the Americans of the United States generally; in America, to those of the New England States.

I tell you what, Mr. Lieutenant, your vessel there will be another Hermione if you presses true-blooded *Yankees.*—*Marryat, Peter Simple*, ch. xliii.

Yankee doodle. Ludicrous appellation given to Americans.

You know, my dear Freddy, how oft if we would,
By the laws of Session we might have done good;
We might have told Ireland we pitied her lot:
Might have soothed her with hope, but you know we did not;
We might have withheld our political noodles
From knocking their heads against hot *Yankee doodles.* *T. Moore, Twopenny Postbag.*

Yap. *v. n.* Bark.

Yápping. *verbal abs.* Barking; snapping.

A voice not unlike the *yapping* of a cur.—*Sir R. L'Estrange, Translation of Quevedo*, p. 243.

Yárage. *s.* Manageable character of a vessel: neither this nor Yare are found in Falconer's Dictionary. *Obsolete.*

To the end that he might, with his light ships well manned with watermen, turn and environ the gallies of the enemies, the which were heavy of *yarage*, both for their bigness, as also for the lack of watermen to row them.—*North, Translation of Plutarch*, p. 941: 1603. (Nares by H. and W.)

Yard. *s.* [A.S. *gyrd, geard.*]

1. Inclosed ground adjoining to an house.

One of the lions leaped down into a neighbour's *yard*, where, nothing regarding the crowing of the cocks, he eat them up.—*Sir T. Browne, Vulgar Errours.*

2. Measure of three feet.

A peer, a counsellor, and a judge, are not to be measured by the common *yard*, but by the pole of special grace.—*Bacon.*

3. In *Navigation.* Spar supporting the sails.

A breeze from shore began to blow;
The sailors ship their oars, and cease to row;
Then hoist their *yards* a-trip. *Dryden, Translation from Ovid, Ceyx and Alcyone.*

Yárdarm. *s.* In *Navigation.* Extremity of the yard; *yardarm to yardarm* meaning a close engagement between two ships.

Yárdband. *s.* Measure of a yard made of tape: (often used for Yardwand).

Yárdland. *s.* See extract.

Yardland [is] a quantity of land, various, according to the place; as, at Wimbledon in Surrey it is but fifteen acres; in other counties, twenty; in some, twenty-four; in some thirty; and in others, forty acres.—*Cowell.*

Yárdwand. *s.* Measure of a yard made of wood.

What affinity has thinking with such attributes? no more than there is between a syllogism and a *yardwand.—Collier.*

For I trust if an enemy's fleet, came yonder round by the hill,
And the rushing battle-bolt sang, from the three-decker out of the foam,
That the smoothfaced snubnosed rogue would leap from his counter and till,
And strike, if he could, were it but with his cheating *yardwand* home. *Tennyson, Maud*, i. 13.

Yare. *adj.* [A.S. *gearow*; German, *ganz und gar* = wholly, thoroughly.] Ready; dexterous; nimble; eager.

Yare, yare, good Iras, quick:—methinks I hear Antony call.
Shakespear, Antony and Cleopatra, v. 2.

I do desire to learn, sir; and I hope, if you have occasion to use me for your turn, you shall find me *yare.—Id., Measure for Measure*, iv. 2.

The lesser [ship] will come and go, leave or take, and is *yare*: whereas the greater is slow.—*Sir W. Raleigh.*

Yárely. *adv.* In a yare manner; dexterously; skilfully.

The silken tackles
Swell with the touches of those flower-soft hands,
That *yarely* frame the office.
Shakespear, Antony and Cleopatra, ii. 2.

Yarn. *s.* [A.S. *gearn.*] Threads of fibre for the coarser kinds of weaving; especially of hemp for rope-making.

You would be another Penelope; yet they say, all the *yarn* she spun in Ulysses's absence did but fill Ithaca full of moths.—*Shakespear, Coriolanus*, i. 3.

It may be useful for the reeling of *yarn.—Bishop Wilkins.*

Spin a yarn. Nautical slang, or colloquial phrase for tell a tale or story

'Frank,' said Mustapha, 'the pacha has sent for you, that he may hear an account of all the wonderful things which you have seen. You must tell lies, and you will have gold.'—'Tell lies! that is, *spin a yarn*; well, I can do that.'—*Marryat, The Pacha of Many Tales, Story of the English Sailor.*

Yárrum. *s.* [?] Liquor: (connected with Jorum). *Slang.*

Here's pannum and lap and good poplars of *yarrum. Jovial Crew.* (Nares by H. and W.)

Yárrow. *s.* [A.S. *gearwe.*] Native plant of the genus Achillea (millefolia).

The *yarrow*, wherewithal he stops the wound-made gore. *Drayton, Polyolbion*, song xiii.

Yaw. *s.* [?] Irregular and temporary deviation of a ship from its direct course.

O, the *yaws* that she will make!
Look to your stern, dear mistress, and steer right;
Here's that will work high as the Bay of Portugal.
Massinger, A Very Woman, iii. 5.

Yawd. *s.* [?] Jade: (applied to a *horse*).

O prythee stay.—Nay, marry, I dare not. Your *yawds* may take cold, and never be good after it.—*Jovial Crew.* (Nares by H. and W.)

Yawl. *s.* [?] Decked boat carrying two masts.

There were about twenty thousand barges or *yauls* of different kinds upon the water.—*Drummond, Travels (Letter*, 1744,) p. 87.

Yáwl. *v. n.* Cry out.

There hideous Scyllas *yawling* round about,
Their serpents hiss. *Fairfax.*
The pilot mainly calls,
Calls Jonah, Jonah: and yet louder *yawls*
Quarles, History of Jonah: 1620.

Yawn. *v. n.* [A.S. *geonan.*]

1. Gape; oscitate; have the mouth opened involuntarily by fumes, as in sleepiness.

In *yawning*, the inner parchment of the ear is extended. When a man *yawneth*, he cannot hear so well.—*Bacon.*

At length shook off himself, and ask'd the dame,
And asking *yawn'd*, for what intent she came?
Dryden, Translation from Ovid, House of Sleep.

2. Open wide.

The gashes,
That bloodily did *yawn* upon his face.
Shakespear, Henry V. iv. 6.

'Tis now the very witching time of night,
When churchyards *yawn*. *Id., Hamlet*, iii. 2.

3. Express desire by yawning.

The chiefest thing at which lay reformers *yawn*, is, that the clergy may, through conformity in condition, be poor as the apostles were.—*Hooker, Ecclesiastical Polity.*

Yawn. *s.*

1. Oscitation.

Thee too, my Paridel, she mark'd thee, there
Stretch'd on the rack of a too easy chair;
And heard thy everlasting *yawn* confess
The pains and penalties of idleness.
Pope, Dunciad, iv. 341.

2. Gape; hiatus.

Hence to the borders of the marsh they go,
That mingles with the baleful streams below;
And sometimes with a mighty *yawn*, 'tis said,
Opens a dismal passage to the dead,
Who, pale with fear, the rending earth survey,
And startle at the sudden flash of day. *Addison*

Yáwning. *part. adj.* Sleepy; slumbering.

Ere to black Hecat's summons
The shard-borne beetle, with his drowsy hums,
Hath rung night's *yawning* peal, there shall be done
A deed of dreadful note.
Shakespear, Macbeth, iii. 2.

Yaws. *s.* In *Medicine.* West Indian name for Frambesia, a skin disease in which the eruption resembles a raspberry (Fr. *framboise.*]

Yclád. [The reason for this letter being found as an archaism in certain words varies with the part of speech: *a.* Combined with a past participle, it represents the Anglo-Saxon *ge-*, in the same relation as *luflan*, to love, *gelufod* = loved; *sprecan* = speak, *gesprecen* = spoken. *b.* Combined with an adverb, it also represents *ge-*, but, in this case, its use in A.S. is less constant.] Clad; clothed.

Her words *yclad* with wisdom's majesty.
Spenser.

Ycléped. Named: (from A.S. *clepan.*)

Ydrád. Dreaded.

Ypight. Pitched.

Yfere. [A.S.] Together. *Obsolete.*

Ywiss. [A.S. *gewiss* = certainly.] This word seems to have been misunderstood as early as the fifteenth century, and to have been treated as *I wiss* = I know.

Ye. *pron.* Plural of You.

Yea. *adj.* [A.S. *gea.*]

1. Yes: (a particle of affirmation; meaning, it is so, or is it so?)

Yea, hath God said, ye shall not eat of every tree in the garden?—*Genesis*, iii. 1.

Let your conversation be *yea, yea*; nay, nay.—*Matthew*, v. 37.

Why do disputes in wrangling spend the day,
Whilst one says only *yea*, and t'other nay?
Sir J. Denham, Of Prudence.

2. Particle by which the sense is intended or enforced: (not only so, but more than so).

I am weary; *yea*, my memory is tired.
Shakespear, Coriolanus, i. 9.

They durst abide
Jehovah thundering out of Sion, throned
Between the cherubim; *yea*, often placed
Within his sanctuary itself their shrines.
Milton, Paradise Lost, i. 385.

Yead, Yede. See Yode.

Yean. *v. n.* [A.S. *eanian*] Bring young: (used of *sheep*).

This I scarcely drag along,
Who *yeaning* on the rocks has left her young.
Dryden, Translation of Virgil, Eclogues, i. 19.

Ewes *yean* the polled lamb with the least danger. —*Mortimer, Husbandry.*

Yeáned. *part. adj.* Brought forth as a lamb: (in extract *second element* of a *compound*).

I love thee better than the careful ewe
The *new-yean'd* lamb.
Fletcher, Faithful Shepherdess.

Yeánling. *s.* Young of sheep.

All the *yeanlings* which were streak'd and pied,
Should fall as Jacob's hire.
Shakespear, Merchant of Venice, i. 3.

Year. *s.* [A.S. *gear.*]

1. Period of three hundred and sixty-five days.

How many days will finish up the *year*;
How many *years* a mortal man may live.
Shakespear, Henry VI. Part III. ii. 5.

With the *year*
Seasons return, but not to me returns
Day, or the sweet approach of even or morn.
Milton, Paradise Lost, iii. 40.

2. Used plurally, without a plural termination.

Good God! that nobles should such stomachs bear;
I myself fight not once in forty *year*.
Shakespear, Henry VI. Part I. i. 3.

3. In the plural, old age.

Some mumble-news,
That smiles his cheek in *years*, and knows the trick
To make my lady laugh when she's disposed,
Told our intents.
Shakespear, Love's Labour's lost, v. 2.

There died also Cecile, mother to king Edward IV., being of extreme *years*, and who had lived to see three princes of her body crowned, and four murthered.—*Bacon, History of the Reign of Henry VII.*

He look'd in *years*, yet in his *years* were seen
A youthful vigour, and autumnal green.
Dryden, Translation of the Æneid, vi. 420.

Yeáred. *adj.* Containing years; numbering years.

Both were of best feature, of high race,
Year'd but to thirty. *B. Jonson, Fall of Sejanus.*

Yeárbook. *s.* See extract from Blackstone.

The students of common law, by reading their *yearbooks*, recover the experience by former ages.—*Sir H. Wotton, Remains*, p. 86.

The reports from the reign of king Edward the second inclusive, to that of Henry the eighth, were taken by prothonotaries or chief scribes of the court, at the expence of the crown, and published annually; whence they are known under the denomination of the *yearbooks.—Sir W. Blackstone, Commentary on the Laws of England.*

Yeárlily. *adv.* Annually: (Yearly *commoner*, though not more correct).

The great quaking-grass sowen *yearlily* in many of the London gardens.—*Johnson, Herball.*

Yeárling. *adj.* Being a year old.

A *yearling* bullock to thy name shall smoke;
Untamed, unconscious of the galling yoke.
Pope, Translation of the Odyssey, iii. 490.

Yeárly. *adj.* Annual; happening every year; lasting every year.

The *yearly* course that brings this day about,
Shall never see it but a holiday.
Shakespear, King John, iii. 1.

Why the changing oak should shed
The *yearly* honour of his stately head;
Whilst the distinguish'd yew is ever seen,
Unchanged his branch, and permanent his green.
Prior, Solomon, i. 61.

Yéarly. *adv.* Annually; once a year.

He that outlives this day, and sees old age,
Will *yearly* on the vigil feast his neighbours,
And say, To-morrow is Saint Crispian.
Shakespear, Henry V. iv. 3.

For numerous blessings *yearly* shower'd,
And property with plenty crown'd;
For freedom still maintained alive;
For these, and more, accept our pious praise.
Dryden, Threnodia Augustalis, 197.

Not numerous are our joys, when life is new,
And *yearly* some are falling of the few. *Young.*

Yearn. *v. n.* [A.S. *gyrnan, geornian.*] Feel great internal uneasiness.

He despised to tread in due degree,
But chaff'd, and foam'd, with courage fierce and stern,
And to be eased of that base burden still did *yearn*.
Spenser, Faerie Queen, ii. 3, 46.

Joseph made haste; for his bowels did *yearn* upon his brother: and he sought where to weep, and he entered into his chamber.—*Genesis*, xliii. 30.

Falstaff, he is dead.
And we must *yearn* therefore.
Shakespear, Henry V. ii. 3.

When the fair Leucothoë he spied,
To check his steeds, impatient Phœbus *yearn'd*.
Though all the world was in his course concern'd.
Waller.

Where our heart does but relent, his melts; where our eye pities, his bowels *yearn*.—*South, Sermons.*

Your mother's heart *yearns* towards you.
Addison.

Yearn. *v. a.* Grieve; vex.

She laments for it, that it would *yearn* your heart to see it.—*Shakespear, Merry Wives of Windsor*, iii. 5.

I am not covetous of gold;
It *yearns* me not if men my garments wear.
Id., Henry V. iv. 3.

Yeárnful. *adj.* Expressive of yearning. *Obsolete.*

Oh musicke, as in joyfull tunes thy merry notes I did borrow,
So now lend me thy *yernfull* tunes to utter my sorrow. *Damon and Pithias*, sign. D. i.

Yeárning. *part. adj.* Act or state of being moved with pity or tenderness.

Yet for all the *yearning* pain
Y' have suffer'd for their loves, in vain,
I fear they 'll prove so nice and coy,
To have, and t' hold, and to enjoy.
Butler, Hudibras.

Yeárning. *verbal abs.* Act of one who yearns.

At beholding the miseries of others, they find such *yearnings* in their bowels, and such sensible commotions raised in their breasts, as they can by no means satisfy.—*Calamy.*

Yeast. *s.* [A.S. *gist.*] Ferment formed by the deposit or lees of a clear solution of malt.

To prepare a ferment . . . the precipitate separated during the fermentation of a clear infusion of malt, commonly called *yeast*, or barm, is made use of . . . The property possessed by *yeast* of determining the fermentation of a properly diluted solution of sugar is very fleeting, and is lost by trifling alterations. —*Ure, Dictionary of Arts, Manufactures, and Mines.*

Yeást-bitten. *part. pref.* In *Brewing.* See extract.

When the process of attenuation becomes so slack as not to exceed half a pound in the day, it is prudent to cleanse, otherwise the top barm might re-enter the body of the beer, and it would become *yeast-bitten*.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Yeást-plant. *s.* See extract.

What is called the *yeast-plant* consists of a particular form of the vegetable structure (Mycelium) of a fungus. It is composed of simple cells, which will go on multiplying by budding for an indefinite time if placed in a liquid containing a mixture of saccharine or dextrinous substances, together with albuminous matters, at a moderately warm temperature. —*Henfrey, Elementary Course of Botany, Structural, Physiological, and Systematic*, § 813.

Yelk. *s.* See Yolk.

Yell. *v. n.* [A.S. *gyllan*; Lat. *ululo.*] Utter a cry, as that of the jackall and wolf.

Poor Puck doth *yell*, poor Puck doth roar,
Drayton, Nymphidia.

Yell. *v. a.* Utter with a yell.

Yell'd out
Like syllables of dolour.
Shakespear, Macbeth, iv. 3.

Yell. *s.* Cry of horror.

With like timorous accent and dire *yell*,
As when, by night and negligence, the fire
Is spied in populous cities. *Shakespear, Othello*, i. 1.

Yéllow. *adj.* [A.S. *gealew.*]

1. Being of a bright glaring colour, as gold.

He brought the green ear and the *yellow* sheaf.
Milton, Paradise Lost, xi. 435.

2. Indicating jealousy.

How! Francisco?
He that, at every stage, keeps livery mistresses;
The stallion of the state. They 're things above us,
And in no way concern us. If I were ever
The Duke (I freely must confess my weakness)
I should wear *yellow* breeches.
Massinger, Duke of Milan, iv. 2.

Yéllow. *s.* Yellow colour.

A long motley coat, guarded with *yellow*.
Shakespear, Henry VIII. prologue.

After a lively orange, followed an intense bright and copious *yellow*, which was also the best of all the *yellows*.—*Sir I. Newton, On Opticks.*

Yéllow. *v. a.* Render yellow.

So should my papers, *yellow'd* with their age,
Be scorn'd. *Shakespear, Sonnets*, xvii.

Yéllow. *v. n.* Grow yellow.

Yéllow-root. *s.* In *Botany.* See extract.

The root of Hydrastes Canadensis has a strong and somewhat narcotic smell, and is exceedingly bitter. It is used in North America as a tonic, under the name of *yellow-root*.—*Lindley, Vegetable Kingdom.*

Yéllow-wood. *s.* In *Botany.* See extract.

Oxleya xanthoxyla, a large tree, is the *yellow-wood* of New South Wales.—*Lindley, Vegetable Kingdom.*

Yéllow-wort. *s.* In *Botany.* Native plant of the genus Chlora (species, perfoliata).

Yéllowberry. *s.* Berry of Rhamnus infectorius (a species of buckthorn), used in dyeing.

Yellow-berries are imported in large quantities from the south of Europe, and the Levant.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Yéllowboy. *s.* Gold coin. *A very low word.*

John did not starve the cause; there wanted not *yellowboys* to fee counsel.—*Arbuthnot, History of John Bull.*

Yéllowhammer. *s.* In *Ornithology.* Yellow bunting; Emberiza miliaria: (the remark of Yarrell in the extract given below is good as far as the German form goes; nevertheless the derivation is the A.S. *hama* = skin, clothing, covering. See under Hammercloth).

I have ventured to restore to this bird what I believe to have been its first English name, *yellow-ammer*; though it appears to have been printed *yellow-ham* and *yellow-hammer*, from the days of Dr. William Turner and Merrett to the present time. The word 'Ammer' is a well-known German term for bunting in very common use; thus Bechstein employs the names schnee-*ammer*, grau-*ammer*, rohr-*ammer*, garten-*ammer*, and gold-*ammer*, for our snow bunting, corn bunting, reed bunting, ortolan or garden bunting, and yellow bunting. Our mode of prefixing the letter *h* to the word appears to be unnecessary, and even erroneous.—*Yarrell, History of British Birds.*

Yéllowing. *part. adj.* Becoming yellow.

The opening valleys, and the *yellowing* plains.
Dyer, The Fleece.

Yéllowish. *adj.* Approaching to yellow.

Although amber be commonly of a *yellowish* colour, yet there is found of it also black, white, brown, green, blue, and purple. — *Woodward, Essay towards a Natural History of the Earth.*

Yéllowishness. *s.* Attribute suggested by Yellowish; quality of approaching to yellow.

Bruised madder, being drenched with the like alcalizate solution, exchanged its *yellowishness* for a redness.—*Boyle.*

Yéllowness. *s.*

1. Quality suggested by yellow.

Apples, covered in lime and ashes, were well matured, as appeared in the *yellowness* and sweetness. —*Bacon, Natural and Experimental History.*

2. Jealousy.

Ford I will possess with *yellowness*.
Shakespear, Merry Wives of Windsor, i. 3.

Yéllows. *s.* Jaundice, for which it is the English name; and, as applied to horses, the current one.

His horse sped with spavins, and raied with the *yellows*.—*Shakespear, Taming of the Shrew*, iii. 2.

But for his *yellows*,
Let me but lye with you, and let him know it,
His jealousy is gone.
Brome, Antipodes. (Nares by H. and W.)

Yelp. *v. n.* [A.S. *gyllan.*] Bark as a beagle-hound after his prey.

They like impudent dogges *yolpe* and barke against us.—*Fulke, Retentive to stay good Christians*, p. 51: 1580.

To *yaulpe* and bark like a dog and a fox.—*Barret, Alvearie*: 1580.

A little herd of England's tim'rous deer,
Mazed with a *yelping* kennel of French curs.
Shakespear, Henry VI. Part I. iv. 2.

Yeóman. *s.* [see extract from Wedgwood.]

1. Man of a small freehold estate in land; statesman (in Cumberland).

Gentlemen should use their children as the honest farmers and substantial *yeomen* do theirs.—*Locke.*

He that has a spaniel by his side is a *yeoman* of about one hundred pounds a year, an honest man: he is just qualified to kill an hare.—*Addison.*

[*Yeoman* [is] rightly explained by Spelman from Gothic *gavi*; Old High German, *gewi*, *gouwi*, German, *gau*, *gai*, *ge*; Frisian, *gao*, *gae*, district, country place, village, whence Old High German, *goulih*, *gawisc*, rural, rustic. The primary meaning of the word would thus be countryman. Frisian, *gaeman*, *gaemon*, villager, village inhabitants; *gaekerche*, village church; *gaelioed*, *gaefole*, parishioners, village people. (Rechthofen.)—*Wedgwood, Dictionary of English Etymology.*]

This is the word *gau*, so common in Germany and Switzerland (*Aargau*, &c.), though comparatively rare in A.S.

2. It seems to have been anciently a kind of ceremonious title given to soldiers; whence we have still *yeomen* of the guard.

Tall *yeomen* seemed they, and of great might,
And were enranged ready still for fight.
Spenser, Faerie Queen, ii. 9. 26.

You, good *yeomen*,
Whose limbs were made in England, shew us here
The mettle of your pasture.
Shakspear, Henry V. iii. 1.

His grandfather was Lionel duke of Clarence . . .
Spring crestless *yeomen* from so deep a root?
Id., Henry VI. Part I. ii. 4.

He instituted, for the security of his person, a band of fifty archers, under a captain, to attend him, by the name of *yeomen* of his guard.—*Bacon, History of the Reign of Henry VII.*

Th' appointment for the ensuing night he heard;
And therefore in the cavern had prepared
Two brawny *yeomen* of his trusty guard.
Dryden, Sigismonda and Guiscardo, 260.

The waiters stand in ranks, the *yeomen* cry
Make room, as if a duke were passing by. *Swift.*

3. It seems to have had likewise a more general application denoting a higher kind of service.

A jolly *yeoman*, marshal of the hall,
Whose name was Appetite, he did bestow
Both guests and meats.
Spenser, Faerie Queen, ii. 9, 28.

Yeómanly. *adj.* Of or belonging to a yeoman.

It would make him melancholy to see his *yeomanly* father cut his neighbours' throats, to make his son a gentleman!—*B. Jonson, Every Man out of his Humour.*

His [Selden's] father was a *yeomanly* man.—*Aubrey, Anecdotes*, ii. 530.

Yeómanry. *s.* Collective body of yeomen.

This did amortize a great part of the lands of the kingdom unto the hold and occupation of the *yeomanry*, or middle people, of a condition between gentlemen and cottagers.—*Bacon.*

Yerk. *v. a.* [*jerk.*]

1. Throw out or move with a spring.

Their wounded steeds
Fret fetlock deep in gore, and with wild rage
Yerk out their armed heels at their dead masters.
Shakespear, Henry V. iv. 7.

A leaping horse is said to *yerk* or strike out his hind legs, when he flings and kicks with his whole hind quarters, stretching out the two hinder legs near together, and even, to their full extent.—*Farrier's Dictionary.*

2. Lash; strike; beat.

But that same fool, who most increased her pains,
Was Scorne; who having in his hand a whip,
Her therewith *yirks*. *Spenser, Faerie Queen.*

How the freshman will skip to hear one of those lines well laughed at, that they have been so often *yerked* for!—*Echard, Grounds and Reasons of the Contempt of the Clergy inquired into*, p. 43.

Yerk. *v. n.* Move as with jerks.

How she [the ship] kicks and *yerks!*
Beaumont and Fletcher, Sea-Voyage.

Yert-point. *s.* [*? yerk-point.*] Game so called.

Yert-point, nine-pins, job-nut, or span-counter.—*Lady Alimony.* (Nares by H. and W.)

Yes. *adv.* [A.S. *gese*, *gea* + *se*, as *nese* = no is *ne* + *se.*]

1. Term of affirmation; the affirmative particle opposed to *no*.

Pray, madam, are you married?—*Yes.*—*More, Fables.*

2. Even so; not only so, but more.

This were a fit speech for a general in the head of an army, when going to battle: *yes*, and it is no less fit speech in the head of a council, upon a deliberation of entrance into a war.—*Bacon.*

Yes, you despise the man to books confined
Who from his study rails at human kind,
Though what he learns he speaks.
Pope, Moral Essays, i. 1.

Yéster. *adj.* [A.S. *gestern, gestran.*] Being next before the present day: (not often used except in composition with another word, as *day* or *night*).

Love might as well be sow'd upon our sands,
As in a breast so barren:
To love an enemy, the only one
Remaining too, whom *yester* sun beheld
Must'ring her charms. *Dryden, Don Sebastian.*

Yésterday. *s.* Day last past; day next before to-day.

We are but of *yesterday*, and know nothing, because our days upon earth are a shadow.—*Job*, viii. 9.
To-morrow, and to-morrow, and to-morrow,
Creeps in this petty pace from day to day,
To the last syllable of recorded time;
And all our *yesterdays* have lighted fools
The way to dusty death. *Shakespear, Macbeth*, v. 5.
Mrs. Simper sends complaint in your *yesterday's* Spectator.—*Addison, Spectator.*

Used *adverbially.* On the day last past.

Martius gave us *yesterday* a representation of the empire of the Turks, with no small vigour of words.—*Bacon.*

Yésternight. *adv.* Night before this night. Used *adverbially.* On the night last past.

Eleven hours I've spent to write it over;
For *yesternight* by Catesby was it sent me.
Shakespear, Richard III. iii. 6.
This distribution of this conference was made by Eupolis *yesternight*.—*Bacon.*

Yet. *conj.* [A.S. *gyt.*] Nevertheless; notwithstanding; however.

They had a king was more than him before;
But *yet* a king, where they were nought the more.
Daniel.
Let virtuoso's in five years be writ,
Yet not one thought accuse thy toil of wit.
Dryden, Macflecnoe, 149.

Yet. *adv.*

1. Beside; over and above.

This furnishes us with *yet* one more reason, why our Saviour lays such a particular stress on acts of mercy.—*Bishop Atterbury.*

2. Still; state still remaining the same.

They attest facts they had heard while they were *yet* heathens; and had they not found reason to believe them, they would still have continued heathens, and made no mention of them in their writings.—*Addison.*

3. Once again.

Yet, yet a moment, one dim ray of light,
Indulge, dread chaos and eternal night.
Pope, Dunciad, iv. 1.

4. At this time; so soon; hitherto: (with a *negative* before it).

Thales being asked when a man should marry, said, Young men, *not yet*; old men, not at all.—*Bacon.*

5. At least; at all: (noting *uncertainty* or *indetermination*).

A man that would form a comparison betwixt Quintilian's declamations, if *yet* they be Quintilian's and the orations of Tully, would be in danger of forfeiting his discretion.—*Baker.*

6. Denoting continuance and extension, greater or smaller.

Shake not his hour-glass, when his hasty sand
Is ebbing to the last:
A little longer, *yet* a little longer,
And nature drops him down without your sin,
Like mellow fruit without a winter storm.
Dryden, Spanish Friar, iii. 3.

7. Still; in a new degree.

He that takes from a thief that which the thief took from an honest man, and keeps it to himself, is the wickeder thief of the two, by how much the rapine is made *yet* blacker by the pretence of piety and justice.—*Sir R. L'Estrange.*

8. Even; after all: (used as an emphatical addition to a negative).

Men may not too rashly believe the confessions of witches, nor *yet* the evidence against them; for the witches themselves are imaginative, and people are credulous, and ready to impute accidents and natural operations to witchcraft.—*Bacon.*

9. Hitherto: (sometimes with *as* before it).

Hope beginneth here, with a trembling expectation of things far removed, and *as yet* but only heard of, endeth with real and actual fruition of that which no tongue can express.—*Hooker, Ecclesiastical Polity.*

Yew. *s.* [A.S. *iw.*] Native conifer (i.e. tree akin to the firs, pines, larches, juniper, arbor-vitæ, &c.), of the genus Taxus. Specifically the common *yew* is distinguished by having its leaves two-ranked, naked, linear, and flat; the receptacle of the barren or male flowers globular.—*Selby, History of British Forest Trees.*

Yews are separated from conifers by their fruits not being collected in cones, each ovule growing singly, not protected by hardened scales.—*Lindley.*

Yéwen. *adj.* Made of the wood of yew.

His stiff arms to stretch with *eughen* bow,
And manly legs still passing to and fro.
Spenser, Mother Hubberd's Tale.

Yex. *v. n.* Hiccup.

Yex. *s.* Hiccup.

His prayer, a rhapsody of holy hiccoughs, sanctified barkings, illuminated goggles, sighs, sobs, *yexes*, gasps and groans.—*Character of a Fanatic, Harleian Miscellany*, vol. vii. p. 637. (Nares by H. and W.)
They do stay the excessive *ye.* or hocket.—*Holland, Translation of Pliny*, b. xxvii. ch. v.
But the two earles I trust are friends now, both being since departed this world (though neither as I could have wished them), the one dying of a *yex*, the other of an axe.—*Nugæ Antiquæ.*

Yéxing. *verbal abs.* Hiccuping.

Singultus—the hickot or *yexing*.—*Abraham Fleming, Nomenclator.* (Nares by H. and W.)
The juice of the root [of skirrets] helpeth the hicket or *yexing*.—*Gerarde, Herball*, p. 1027: 1630. (Nares, by H. and W.)

Yfére. *adv.* See under Yclad.

Yield. *v. a.* [A.S. *-gildan* = pay.]

1. Give in return for cultivation or labour.

When thou tillest the ground, it shall not henceforth *yield* unto thee her strength.—*Genesis*, iv. 12.
Strabo tells us the mines at Carthagena *yielded* the Romans per diem to the value of twenty-five thousand drachms, eight hundred and seven pounds, five shillings and tenpence.—*Arbuthnot, Tables of ancient Coins, Weights, and Measures.*

2. Produce in general.

He makes milch kine *yield* blood.—*Shakespear, Merry Wives of Windsor*, iv. 4.
The wilderness *yieldeth* food for them.—*Job*, xxiv. 5.
All the substances of an animal, fed even with acescent substances, *yield* by fire nothing but alkaline salts.—*Arbuthnot, On the Nature and Choice of Aliments.*

3. Afford; exhibit.

Philoclea would needs have her glove, and not without so mighty a lour as that face could *yield*.—*Sir P. Sidney.*
The mind of man desireth evermore to know the truth, according to the most infallible certainty which the nature of things can *yield*.—*Hooker, Ecclesiastical Polity.*

4. Give as claimed of right.

I the praise
Yield thee, so well thou hast this day purvey'd.
Milton, Paradise Lost, ix. 1021.

5. Allow; concede.

I *yield* it just, said Adam, and submit.
Milton, Paradise Lost, xi. 526.
I that have not only *yielded*, but challenged the undoubted truth of the proposition, can make no question of its corollaries.—*Hammond.*

6. Permit; grant.

Life is but air,
That *yields* a passage to the whistling sword,
And closes when 'tis gone.
Dryden, Don Sebastian.

7. Emit; expire.

He gathered up his feet into the bed, and *yielded* up the ghost.—*Genesis*, xlix. 33.
Often did I strive
To *yield* the ghost; but still the envious flood
Kept in my soul, and would not let it forth
To find the empty, vast, and wand'ring air.
Shakespear, Richard III. i. 4.

8. Resign; give up; surrender: (with *up* or *over*).

He not *yielding over* to old age his country delights, especially of hawking, was at that time, following a merlin, brought to see this injury offered unto us.—*Sir P. Sidney.*
The enemies sometimes offered unto the soldiers, upon the walls, great rewards, if they would *yield up* the city, and sometimes threatened them as fast.—*Knolles, History of the Turks.*

Yield. *v. n.*

1. Give up the contest; submit.

He *yields* not in his fall;
But fighting dies, and dying kills withal. *Daniel.*
There he saw the fainting Grecians *yield*,
And here the trembling Trojans quit the field,
Pursued by fierce Achilles.
Dryden, Translation of the Æneid, i. 653.

2. Comply with any person, or motive power.

With her much fair speech she caused him to *yield*.—*Proverbs*, vii. 21.

3. Comply with things required or enforced.

There could be no secure peace, except the Lacedemonians *yielded* to those things, which being granted, it would be no longer in their power to hurt the Athenians.—*Bacon.*

4. Concede; admit; allow; not deny.

If we *yield* that there is a God, and that this God is almighty and just, it cannot be avoided but that, after this life ended, he administers justice unto men.—*Hakewill, Apology.*

5. Give place as inferior in excellence or any other quality.

Tell me in what more happy fields
The thistle springs, to which the lily *yields*?
Pope, Pastorals, Spring.

Yield. *s.* Produce.

Yéildable. *adj.*

1. Capable of being yielded. *Rare.*

2. Complying. *Rare.*

Yéildableness. *s.* Attribute suggested by Yieldable; disposition to concede or comply with. *Rare.*

The fourth disposition for peace [is] a *yieldableness* upon sight of clearer truths.—*Bishop Hall, Works*, vol. iii. p. 553.

Yéildance. *s.*

1. Act of producing. *Rare.*

How should the corn, wine, oil, be had without the *yieldance* of the earth.—*Bishop Hall, Seasonable Sermons*, p. 28.

2. Act of complying with; concession. *Rare.*

I might draw him to a willing *yieldance* of that parcel of my due maintenance.—*Bishop Hall, Specialities of his Life.*
It must not be by any considerable *yieldance* or change on both sides, but by a reformation on theirs.—*Trapp, Popery truly stated*, pt. iii.

Yéilder. *s.* One who, that which, yields.

Briars and thorns at their apparel snatch,
Some sleeves, some hats; from *yielders* all things catch.
Shakespear, Midsummer-Night's Dream, iii. 2.
Some guard these traitors to the block of death,
Treason's true bed, and *yielder* up of breath.
Id., Henry IV. Part II. iv. 2.

Yéilding. *part. adj.* Complying.

They shew the world that they are not of a *yielding* temper, which will be wronged or baffled.—*Kettlewell.*

Yéilding. *verbal abs.* Act of giving up; submission.

Immaculate and spotless is my mind;
That was not forced; that never was inclined
To accessary *yieldings*.
Shakespear, Rape of Lucrece.
I see a *yielding* in the looks of France;
Mark how they whisper. *Id., King John*, ii. 2.

Yéildingly. *adv.* In a yielding manner; with compliance.

Maids that know themselves beloved, and *yieldingly* resist. *Warner, Albion's England.*

Yéildingness. *s.* Attribute suggested by Yielding.

1. Disposition to give up any point.

That *yieldingness*, whatever foundations it might lay to the disadvantage of posterity, was a specific to preserve us in peace for his own time.—*Lord Halifax.*

2. Quality of yielding.

The shallowness of the socket at the shoulder, and the *yieldingness* of the cartilaginous substance with which its edge is set round, are excellently adapted for the allowance of a free motion and a wide range.—*Paley, Natural Theology*, ch. viii.

Yode. Archaic form from the A.S. *geod*, the preterite of *gangan, gan*, i.e. *go*; saving the difference of the spelling, and the change from *g* to *y*, it is neither more nor less than *goed*. From the extracts spelt with *e* and *ed*, it seems as if Spenser, at least, had imagined a present and infinitive form like *speak*; giving *yede* (or *yeade*), *yode*, like *speak, spoke*.

That same mighty man of God,
That bloud red billows like a walled front,
On either side disparted with his rod,
Till that his army dry-foot through them *yod*.
Spenser.
Yet for she *yode* thereat half aghast. *Id.*

With *e* and *ea*.

They wander at their will, and stay at pleasure,
And to their folds *yeade* at their own leisure.
Spenser.
Then bade the knight this lady *yede* aloof,
And to a hill herself withdraw aside. *Id.*

Yoke. *s.* [A.S. *geoc.*]

1. Bandage placed on the neck of draught oxen.

Bring a red heifer wherein is no blemish, and upon which never came *yoke*.—*Numbers*, xix. 2.

2. Mark of servitude; slavery.
Our country sinks beneath the *yoke*;
It weeps, it bleeds. *Shakespear, Macbeth*, iv. 3.

3. Chain; link; bond.
This *yoke* of marriage from us both remove,
Where two are bound to draw, though neither love.
Dryden, Tyrannick Love, iii. 1.

4. Couple; pair: (used in the *plural* with the *singular* termination).
Those that accuse him in his intent towards our wives, are a *yoke* of his discarded men.—*Shakespear, Merry Wives of Windsor*, ii. 1.
His lands a hundred *yoke* of oxen till'd.
Dryden, Translation of the Æneid.
A *yoke* of mules outgoes a *yoke* of oxen, when set to work at the same time; for mules are swifter.—*Broome.*

5. In *Navigation*. See extract.
Yoke is a piece of wood or light frame of two arms, placed over the head of a boat's rudder, instead of a tiller, and having two lines (*yoke-lines*), by pulling on which a boat is steered. It is the most convenient arrangement for a narrow boat.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Yoke. *v. a.*

1. Bind by a yoke to a carriage.
Four milk-white bulls, the Thracian use of old,
Were *yoked* to draw his car of burnish'd gold.
Dryden.

2. Join or couple with another.
My name
Be *yoked* with his that did betray the best.
Shakespear, Winter's Tale, i. 2.
Cassius, you are *yoked* with a lamb,
That carries anger as the flint bears fire.
Id., Julius Cæsar, iv. 3.

3. Enslave; subdue.
These are the arms
With which he *yoketh* your rebellious necks,
Razeth your cities.
Shakespear, Henry VI. Part I. ii. 3.

4. Restrain; confine.
Men marry not; but chuse rather a libertine single life, than to be *yoked* in marriage.—*Bacon.*
Xerxes, the liberty of Greece to *yoke*,
Came to the sea. *Milton, Paradise Lost*, x. 307.
The words and promises, that *yoke*
The conqueror, are quickly broke.
Butler, Hudibras.

Yókefellow. *s.*

1. Companion in labour.
Yokefellows in arms,
Let us to France. *Shakespear, Henry V.* ii. 3.

2. Mate; fellow; commonly partner in marriage.
You cannot think me fit
To be the *yokefellow* of your wit,
Nor take one of so mean deserts
To be the partner of your parts.
Butler, Hudibras, ii. 1, 671.
Those who have most distinguished themselves by railing at the sex, very often chose one of the most worthless for a companion and *yokefellow*.—*Addison, Spectator.*

Yokeline. *s.* See Yoke, 5.

Yókemate. *s.* Yokefellow.
Before Toulon thy *yokemate* lies,
Where all the live-long night he sighs. *Stepney.*

Yolk, Yelk. *s.* Yellow part of an egg.
The *yolk* of the egg conduceth little to the generation of the bird, but only to the nourishment of the same; for if a chicken be opened when it is new-hatched, you shall find much of the *yolk* remaining.—*Bacon, Natural and Experimental History.*

Yon, Yond, Yónder. *adj.* Within view.
Would you not laugh to meet a great counsellor of state in a flat cap, his gloves under his girdle, and *yond* haberdasher in a velvet gown furred with sables?—*B. Jonson, Discoveries.*
Yon flowery arbors, *yonder* alleys green.
Milton, Paradise Lost, iv. 626.

Yon, Yond, Yónder. *adv.* At a distance within view.
The fringed curtains of thine eyes advance,
And say what thou seest *yond*.
Shakespear, Tempest, i. 2.
Yonder are two applewomen scolding.—*Arbuthnot, Martinus Scriblerus.*

Yond. *adj.* [? Danish, *ond* = bad.] Mad; furious.
Then like a lion, which hath long-time sought
His robbed whelps, and at the last them found
Amongst the shepherd swains, then waxeth wood and *yond*;
So fierce he laid about him. *Spenser.*
Nor those three brethren, Lombards, fierce and *yond*. *Fairfax.*

Yore. *adv.* [A.S. *geare.*] Of old; long ago: (generally with *of*).
A just reward for so unjust a life,
No worse a death than I deserved *yore*.
Mirrour for Magistrates, p. 105.
Witness the burning altars, which he swore,
And, guilty, heavens! of his bold perjury;
Which though he hath polluted oft and *yore*,
Yet I to them for judgment just do fly. *Spenser.*
And seated here a see, his bishoprick *of yore*,
Upon the farthest point of this unfruitful shore.
Drayton.
Thee, bright-eyed Vesta, long *of yore*
To solitary Saturn bore. *Milton, Il Penseroso.*

Yote, Yoat. *v. a.* [A.S. *geotan.*] Pour.

a. Applied to lead.
His [Selden's] grave was nine foot deep at least, the bottom paved with bricks, and walled about two feet high with grey marble coarsely polished, each piece being *yoated* (that is fastened with lead molted in) with iron champs.—*A. Wood, Athenæ Oxonienses*, ii. 111: 1692.

b. Applied to water.
The brewer's grains must be well *yoted* for the pigs.—*Grose.*

Yóted. *part. adj.* Steeped. *Obsolete.*
My fowls which, well enough,
I, as before, found feeding at the trough
Their *yoted* grains.
Chapman, Translation of the Odyssey, xix.
(Nares by H. and W.)

You. *pron.* [A.S. *eow.*]

1. Oblique case of *ye*.
Ye have heard of the dispensation of the grace of God, which is given me to *you* ward.—*Ephesians*, iii. 2.
I thought to show *you*
How easy 'twas to die, by my example,
And hansel fate before *you*. *Dryden, Cleomenes.*

2. Ye: (*you* and *ye* interchanged).
What gain *you* by forbidding it to tease *ye?*
It now can neither trouble *ye*, nor please *ye*.
Dryden.

3. Thou.
In vain *you* tell your parting lover,
You wish fair winds may waft him over. *Prior.*
But, madam, if the fates withstand, and *you*
Are destin'd Hymen's willing victim too. *Pope.*

4. As the French *on*; anyone; whosoever.
We passed by what was one of those rivers of burning matter: this looks, at a distance, like a new-plowed land; but as *you* come near it, *you* see nothing but a long heap of heavy disjointed clods.—*Addison, Travels in Italy.*

5. In the subsequent members of a sentence, distinguished from *ye*.
Stand forth, *ye* champions, who the gauntlet wield,
Or *you* the swiftest racers of the field.
Pope, Translation of the Odyssey, viii. 233.

Young. *adj.* [A.S. *geong, gyng.*]

1. Being in the first part of life; not old.
Thou old and true Menenius,
Thy tears are salter than a *younger* man's,
And venomous to thine eyes.
Shakespear, Coriolanus, iv. 1.

2. Inexperienced; weak.
Come, elder brother, thou art too *young* in this.—*Shakespear, As you like it*, i. 1.

Used *substantivally*. Offspring of animals collectively.
So many days my ewes have been with *young*;
So many weeks ere the poor fools will yean.
Shakespear, Henry VI. Part I. ii. 5.

Yóungish. *adj.* Somewhat young.
She let her second room to a very genteel *youngish* man.—*Tatler.*
Leonard was not particularly fortunate in his proposer—a *youngish* gentleman—who, having tried various callings, with signal unsuccess, had come in for a small independence, and set up for a literary character.—*Lord Lytton, My Novel.*

Yóungling. *s.* [A.S. *geongling*, diminutive of *geong.*] Any creature in the first part of life.
More dear unto their God, than *younglings* to their dam. *Spenser, Faerie Queen.*
Encouraged thus, she brought her *younglings* nigh. *Dryden, Hind and Panther*, i. 532.

Yóungly. *adj.* Youthful. *Rare.*
Look what ladies and gentlewomen be most fruitful, and have most children, if they look not for their age most *youngly*, best coloured, and be clearest from diseases.—*Sir T. Smith, Life*, appendix, p. 42.

Yóungly. *adv.* In a young manner; as one young and inexperienced. *Rare.*
Say we read lectures to you,
How *youngly* he began to serve his country,
How long continued, and what stock he springs of.
Shakespear, Coriolanus, ii. 3.

Yóunker. *s.* Youngster: (the *latter* being the *commoner* word).
What, will you make a *younker* of me? shall I not take mine ease in mine inn, but I shall so have my pocket picked?—*Shakespear, Henry IV. Part I.* iii. 3.
See how the morning opes her golden gates,
And takes her farewell of the glorious sun:
How well resembles it the prime of youth,
Trimm'd like a *younker* prancing to his love.
Id., Henry VI. Part III. ii. 1.
While Ulysses slept there, and close by
The other *younkers*, he abroad would ly.
Chapman, Translation of the Odyssey.

Yóungster. *s.*

1. Young person. *Contemptuous.*
The *youngster*, who at nine and three
Drinks with his sisters milk and tea,
From breakfast reads till twelve o'clock,
Burnet and Heylin, Hobbes and Locke.
Prior, Alma, iii. 222.

2. Midshipman.
'Ah, you *youngsters* ought to have been in the service when I joined,' pursued Somers; '*youngsters*, I tell you, were flogged then.' 'Were you ever flogged?' asked Singleton, quietly. 'Well, upon my word! It's like your impudence to ask such a question.' 'Why? You say you were a *youngster*, and that *youngsters* were flogged.'—*Hannay, Singleton Fontenoy*, b. ii. ch. iv.

Youngth. *s.* Youth: (of which it is the *fuller* form). *Obsolete.*
The mournful muse in mirth now list ne mask,
As she was wont in *youngth* and summer days.
Spenser.

Your. *pron.*

1. Belonging to you.
Either *your* unparagoned mistress is dead, or she's outprized by a trifle.—*Shakespear, Cymbeline*, i. 1.
Impute *your* danger to our ignorance;
The bravest men are subject most to chance.
Dryden, Conquest of Granada, Part I. i. 1.

2. In an indeterminate sense.
Every true man's apparel fits *your* thief: if it be too little for *your* thief, *your* true man thinks it big enough. If it be too big for *your* thief, *your* thief thinks it little enough; so every true man's apparel fits *your* thief.—*Shakespear, Measure for Measure*, iv. 2.
There is a great affinity between coins and poetry, and *your* medallist and critic are much nearer related than the world imagine.—*Addison, Dialogues on the Usefulness of ancient Medals.*

3. *Yours* is used when the substantive goes before or is understood: (as, 'This is *your* book' = this book is *yours*).
Pray for this man and for his issue,
Whose heavy hand hath bow'd you to the grave,
And beggar'd *yours* for ever.
Shakespear, Macbeth, iii. 1.
He is forsworn if e'er those eyes of *yours*
Behold another day break in the east.
Id., King John, v. 4.
While the sword this monarchy secures,
'Tis managed by an abler hand than *yours*.
Dryden.

Yoursélf. *s.*

1. You, even you; ye, not others.
If it stand as you *yourself* still do,
Within the eye of honour; be assured,
My purse, my person, my extremest means,
Lie all unlock'd to your occasions.
Shakespear, Merchant of Venice, i. 1.
O heav'ns!
If you do love old men, if your sweet sway
Allow obedience, if *yourselves* are old,
Make it your cause. *Id., King Lear*, ii. 4.

2. In the oblique cases it has the sense of reciprocation, or reference to the same subject mentioned before: (as, 'You love only *yourself*;' 'You have betrayed *yourselves* by your rashness').
Whenever you are more intent upon adorning your persons than upon perfecting of your souls, you are much more beside *yourselves* than he that had rather have a laced coat than a healthful body.—*Law.*

3. It is sometimes reciprocal in the nominative.
Be but *yourselves*. *Pope.*

Youth. *s.* [A.S. *geogud.*]

1. Part of life succeeding to childhood and adolescence; time from fourteen to twenty-eight.
But could *youth* last, and love still breed,
Had joys no date, and age no need:
Then these delights my mind might move,
To live with thee, and be thy love.
Sir W. Raleigh.

2. Young man.

Siward's son,
And many unrough *youths* even now,
Protest their first of manhood.
Shakespear, Macbeth, v. 2.

O'er the lofty gate his art emboss'd
Androgeos' death, and off'rings to his ghost;
Sev'n *youths* from Athens yearly sent, to meet
The fate appointed by revengeful Crete.
Dryden, Translation of the Æneid, vi. 25.

3. Young generation (collectively).

As it is fit to read the best authors to *youth* first, so let them be of the openest and clearest; as Livy before Sallust, Sidney before Donne.—*B. Jonson.*

The Graces put not more exactly on
Th' attire of Venus, when the ball she won,
Than that young beauty by thy care is drest,
When all your *youth* prefers her to the rest.
Waller.

Yoúthful. *adj.*

1. Young.

Our army is dispersed already:
Like *youthful* steers unyoked they took their course,
East, west, north, south.
Shakespear, Henry IV. Part II. iv. 2.

There, in a heap of slain, among the rest
Two *youthful* knights they found beneath a load oppress
Of slaughter'd foes.
Dryden, Palamon and Arcite, i. 141.

2. Suitable to the first part of life.

Here be all the pleasures
That fancy can beget on *youthful* thoughts,
When the fresh blood grows lively, and returns
Brisk as the April buds in primrose season.
Milton, Comus, 668.

3. Vigorous as in youth.

How is a good Christian animated by a stedfast belief of an everlasting enjoyment of perfect felicity, such as, after millions of millions of ages is still *youthful* and flourishing, and inviting as at the first! no wrinkles in the face, no grey hairs on the head of eternity.—*Bentley.*

Yoúthhood. *s.* (the *h* as in Withhold.) State of youth. *Rare.*

Every wise man has a *youthood* once in his life.—*Cheyne, English Malady*, p. 22.

Youthly. *adj.* Youthful. *Rare.*

True be thy words, and worthy of thy praise,
That warlike feats dost highly glorify,
Therein have I spent all my *youthful* days,
And many battles fought, and many frays.
Spenser.

Yoúthy. *adj.* Youthful: (condemned by Johnson as a *bad* word). *Rare.*

The scribbler had not genius to turn my age, as indeed I am an old maid, into raillery, for affecting a *youthier* turn than is consistent with my time of day.—*Spectator.*

Ypight. See under Yclad.

Yttrium. *s.* In *Chemistry.* Metal so called. See extract.

Yttrium is the metallic base of an earth discovered in 1794 by Professor Gadolin, in a mineral found at Ytterby, in Sweden, from which it received the name of *yttria*. ... The salts of *yttria* have in general a sweet taste; and the sulphate and several others have an amethyst colour; but the recent researches of Mosander have shown that this is owing to the presence of one or both of the new metals, erbium and terbium, which he finds to be commonly associated with *yttrium*.—*Ure, Dictionary of Arts, Manufactures, and Mines*, p. 400.

Yule. *s.* [A.S. *geol*; see extract from Wedgwood.] Word adopted, and formerly used for the times of Christmas and Lammas; still common as a provincial term, and in the Norse languages the ordinary name for Christmas.

This is the original *yule* ... the other the *yule* of August determinately.—*Hammond, Works*, i. 660.

Dr. Jamieson agrees with Mr. Pinkerton in tracing it to one of the three great religious festivals in the year, which the ancient Goths observed; namely *Yule*, or *Jul*, celebrated at the time of the winter-solstice, in honour of the sun. Hammond refers it to the Latin *jubilum*. The Welsh *wul*, or *gwyl*, it may be added, is a holyday; and the Cymbrian *ol* signifies a feast.—*Todd.*

[The old Norse *jól* signified not merely the Christmas festival, but a feast in general.... It is doubtful, however, whether the name of the principal feast in the year has been generalized, or whether the word once signifying feast in general has been in course of time restricted to the mid-winter festival.... Bede seems to regard the name of *yule* as equivalent to German *sonnenwende* (sunturn), the winter solstice, when the sun turns from the shortening to the lengthening of the day. In the Anglo-Saxon Calendar the months of December and January, on either side of the solstice, were called *ærre-geola* and *æftera-geola*, the former and the latter *yule*.—*Wedgwood, Dictionary of English Etymology.*]

To the present Editor the connexion seems to be with A.S. *heol*; Norse, *hjul* = wheel, i.e. the turn of the year.

Used *adjectivally*, and as the *first element* in a *compound*: (as, '*yule-log*;' '*yule-cake*.'

Masks, singing, dancing, *yule-games*.—*Burton, Anatomy of Melancholy*, p. 270.

The mistletoe ceremonial of the *yule* festival continued from the time of the Druids.—*Stukeley, Palæographica Sacra*, p. 10.

Z.

ZAFFRE. *s.* [Italian, *zaffera*.] In *Mineralogy.* Residue obtained by roasting the native combinations of arsenic with nickel or cobalt, mixed with sand.

The artificers in glass tinge their glass blue with that dark mineral *zaphra*.—*Boyle, Experiments and Considerations touching Colours.*

By the addition of carbonate of potash, a fusion *zaffre*, is converted into a blue glass, which, when ground and levigated, produces the colour known as smalt blue.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Zány. *s.* [Italian in respect to its *direct* origin; as an Italian word it originates, according to some, from the Latin *sanna* = gibe; to others from *Sanese* = native of Sienna; to most, from some provincial abbreviation of *Giovanni* = John.] One employed to raise laughter by his gestures, actions, and speeches; merry Andrew; buffoon.

Some slight *zany* ...
Told our intents before.
Shakespear, Love's Labour's lost, v. 2.

What is a hypocrite but a player, the *zani* of religion?—*Bishop Hall, Works*, vol. ii. p. 292: 1661.

Preacher at once, and *zany* of thy age.
Pope, Dunciad, iii. 205.

Was it not thought much ... that Southampton allowed [Shakespear] equal patronage with the *zanies*, jugglers, and bearwards of his time?—*Carlyle, Critical and Miscellaneous Essays, State of German Literature.*

Zány. *v. a.* Mimic.

All excellence
In other madams does but *zany* hers.
Beaumont and Fletcher, Queen of Corinth.

Laughs them to scorn, as men doth busy apes
When they will *zany* them.
Marston, Antonio's Revenge.

Your part is acted; give me leave, at distance,
To *zany* it.
Massinger, The Bashful Lover, v. 3.

Zárnich. *s.* [Arabic, *zarnij*.] See extracts.

Zarnich [is] a substance in which orpiment is found; it approaches to the nature of orpiment, but without its lustre and foliated texture. The common kinds of *zarnich* are green and yellow.—*Sir J. Hill, Materia Medica.*

Yellow arsenic of sulphuretted oxide of zinc, of a beautiful bright and pure yellow colour, used as a pigment. In its native state it is used under the name of *zarnic* or *zarnich*, varying in colour from warm yellow to green yellow. Orpiment in all its varieties, as a colour, is subject to change and to be changed by all pigments containing oxygen; and if used must be employed alone.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Zeal. *s.* [Gr. ζῆλος.] Passionate ardour for any person or cause.

In this present age, wherein *zeal* hath drowned charity and skill; meekness will not now suffer any man to marvel, whatsoever he shall hear reproved by whomsoever.—*Hooker, Ecclesiastical Polity.*

Had I but served my God with half the *zeal*
I served my king, he would not in mine age
Have left me naked to mine enemies.
Shakespear, Henry VIII. iii. 2.

It [*zeal*] hath its name of ζέω, which is to burn and boil as water over the fire, and thence may be styled the fervency and boiling of our affections.—*Mede, Works*, p. 299: 1677.

Among the seraphim
Abdiel, than whom none with more *zeal* adored
The Deity, and divine commands obey'd,
Stood up, and in a flame of *zeal* severe,
The current of his fury thus opposed.
Milton, Paradise Lost, v. 804.

A scorn of wrangling, yet a *zeal* for truth.
Pope, Epitaph on Sir William Trumball.

Zeal. *v. n.* Entertain zeal.

Stiff followers, such as *zeal* marvellously for those whom they have chosen for their masters.—*Bacon, On the Controversies of the Church of England.*

Zeálless. *adj.* Wanting zeal.

Look on your indevotion, that heartless, *zealless* behaviour in this very house of God.—*Hammond, Works*, iv. 514.

Zeálot. *s.* [Gr. ζηλωτής.] One passionately ardent in any cause.

Are not those men too often the greatest *zealots* who are most notoriously ignorant? True zeal should always begin with true knowledge, and thence proceed to an unwearied passion, for what it once knows to be worthy of such passion.—*Bishop Sprat.*

Zealótical. *adj.* Passionately ardent in a cause: (used in *dispraise*).

Dr. Marshal, dean of Christ Church, a most furious and *zelotical* man.—*Strype, Life of Archbishop Cranmer*, b. iii. ch. xix.

Zeálotry. *s.* Behaviour of a zealot.

No casuist is sufficient to enumerate or resolve the many intricate niceties, and endless scruples of conscience, which some men's and women's more plebeian *zelotry* makes; as about ladies' cheeks and faces, &c.—*Jeremy Taylor, Artificial Handsomeness*, p. 63.

Zeálous. *adj.* Ardently passionate in any cause.

Our hearts are right with God, and our intentions pious, if we act our temporal affairs with a desire no greater than our necessity, and in actions of religion we be *zealous*, active, and operative, so far as prudence will permit.—*Jeremy Taylor.*

This day, at height of noon, came to my sphere,
A spirit, *zealous*, as he seem'd, to know
More of the Almighty's works.
Milton, Paradise Lost, iv. 564.

Zeálously. *adv.* In a zealous manner; with passionate ardour.

Thy care is fixt, and *zealously* attends,
To fill thy odorous lamp with deeds of light,
And hope that reaps not shame.
Milton, Sonnets, To a virtuous young Lady, 9.

Zébra. *s.* Animal akin to the horse and ass; Equus zebra.

Of the remaining hoofed animals, viz. the ass, the *zebra*, the quagga, &c., little need be said: the first has been domesticated from the earliest record.... The *zebra* shuns the haunts of man, and lives in the deserts.... We are told that the quagga is gregarious, living in troops of more than one hundred, in the vast interior deserts of Southern Africa, where also the *zebras* congregate; but that the two herds never intermix.... The mountain *zebra* is a third species, first described by Mr. Burchell.—*Swainson, Natural History and Classification of Quadrupeds*, § 199.

Zébra-wood. *s.* In *Botany.* See extract.

The beautiful *zebra-wood* of the cabinet-makers has been ascertained by Schomburgk to be produced by Omphalobium Lamberti, a large Guiana tree.—*Lindley, Vegetable Kingdom.*

Another kind of *zebra-wood* is obtained from the wood of the West Indian Eugenia fragrans.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Zed. *s.* Name of the letter *z*.

Thou whoreson *zed*, thou unnecessary letter.—*Shakespear, King Lear*, ii. 2.

Zédoary. *s.* [?] Spicy plant, somewhat like ginger in its leaves, but of a sweet scent. See extracts.

The Zingiberaceæ [plants of the Ginger group] are principally valued for the aromatic or stimulating properties of the root or rhizome, such as are found in ginger, galangale, *zedoary* (Curcuma zedoaria and zerumbet), and some other species of the latter genus.—*Lindley, Vegetable Kingdom.*

Curcuma zerumbet is the long *zedoary*, and Curcuma zedoaria, the round *zedoary* of the shops.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Zénith. *s.* [Arabic, *semt* = quarter.] In *Astronomy.* Vertical point; point over head (opposite to the nadir).

Fond men! if we believe that men do live
Under the *zenith* of both frozen poles,
Though none come thence, advertisements to give,
Why bear we not the like faith of our souls?
Sir J. Davies, Immortality of the Soul.

Under this prince [Edgar], the kingdom appears to have reached its *zenith* of prosperity.—*Hallam, View of the State of Europe during the Middle Ages*, ch. viii. pt. i.

Zéphyr. *s.* [Gr. ζέφυρος; Lat. *zephyrus.*] West wind; poetically any calm west wind.

They are as gentle
As *zephyrs* blowing below the violet.
Shakespear, Cymbeline, iv. 2.

Zéro. *s.* [Italian.] Naught; term denoting the point of the thermometer, at which the graduation commences.

The teeth of fishes . . . offer a greater and more striking series of varieties than do those of any other class of animals. As to number, they range from *zero* to countless quantities.—*Owen, Lectures on Comparative Anatomy.*

Zest. *s.* [?] Relish; taste added.

Almighty Vanity! to thee they owe
Their *zest* of pleasure, and their balm of woe.
Young, Love of Fame.

Zig-zag. *s.*

1. Line with sharp and quick turns.

Nonsense precipitate, like running lead,
That slipt through cracks and *zig-zags* of the head.
Pope, Dunciad, i. 123.

2. Approaches, in the attack of a fortress, connecting the parallels.

Zig-zag. *adj.* Having sharp and quick turns.

He, stepping down
By *zig-zag* paths, and juts of pointed rock,
Came on the shining levels of the lake.
Tennyson, Morte d'Arthur.

Zig-zag. *v. a.* Form into sharp and quick turns.

The middle aile has on each side four Norman round arches *zig-zagged*, surmounted with as many round-headed small windows.—*T. Warton, History of the Parish of Kiddington*, p. 4.

Zinc. *s.* [German, *zink.*] Metal so called.

Zinc is a metal of a bluish-white colour, of considerable lustre when broken across, but easily tarnished by the air. Its fracture is hackly, and foliated with small facets, irregularly set. It has little cohesion, and breaks in thin plates before the hammer, unless it has been previously subjected to a regulated process of lamination, at the temperature of from 220° to 300° Fahrenheit, whereby it becomes malleable, and retains its malleability and ductility afterwards.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Zinc. *v. a.* Defend iron from rust by zinc.

Zincógrapher. *s.* [Gr. γράφω = I write.] Engraver on zinc.

Zinc is extensively employed for making watercisterns, baths, spouts, pipes, plates for the *zincographer*; for voltaic batteries, filings for fire-works, covering roofs, and a great many architectural purposes.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Zincógraphy. *s.* Zinc-engraving.

Zínked. *part. adj.* Coated with, defended by, zinc.

The wires of electric telegraphs are . . . usually of *zinked* iron. . . . The *zinking* of iron is usually performed by dipping the iron into melted zinc, the surface of which is covered with sal-ammoniac.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Zínking. *verbal abs.* Process by which iron is zinked.

(See under Zinked.)

Zircon. *s.* [Arabic, *zarkon.*] In *Mineralogy.* Silicate of Zirconia.

Zircónia. *s.* See extract.

Zirconia is a rare earth, extracted from the minerals *zircon* and hyacinth: it is an oxide of *zirconium*, a substance possessing externally none of the metallic characters, but resembling rather charcoal powder, which burns briskly, and almost with explosive violence.—*Ure, Dictionary of Arts, Manufactures, and Mines.*

Zódiac. *s.* [Fr. *zodiaque*; Gr. ζῴδιον, ζῷον = animal.] Name given to that part of the heavens within which the apparent motion of the sun is confined, divided into twelve equal parts, each with an *animal* as its sign; e.g. the ram, bull, twins, &c.

The golden sun . . .
Gallops the *zodiack* in his glist'ring coach.
Shakespear, Titus Andronicus, ii. 1.

It exceeds even their absurdity to suppose the *zodiack* and planets to be efficient of, and antecedent to themselves, or to exert any influences before they were in being.—*Bentley.*

Zodíacal. *adj.* Relating to the zodiac.

The northern *zodiacal* signs.—*Sir T. Browne, Christian Morals*, iii. 26.

A philosophic explanation of the *zodiacal* system.—*T. Warton, History of English Poetry*, iii. 451.

Zone. *s.* [Gr. ζώνη; Lat. *zona.*]

1. Girdle.

The middle part
Girt like a starry *zone* his waist, and round
Skirted his loins, and thighs, with downy gold
And colours dipp'd in heav'n.
Milton, Paradise Lost, v. 280.

2. Division of the earth and heavens into spaces bounded by two parallel circles; those of the earth being, 1. the torrid *zone*; 2. the North temperate; 3. the South temperate; 4. the North frigid; 5. the South frigid.

3. Circuit; circumference.

Scarce the sun
Hath finished half his journey, and scarce begun
His other half in the great *zone* of heaven.
Milton, Paradise Lost, v. 558.

Zoo-, as a prefix in composition, from the Greek ζῷον = animal; ζάω = I live.

Zoógrapher. *s.* [Gr. γράφω = I write, describe.] One who describes the nature, properties, and forms of animals.

One kind of locust [is] called by *zoographers* the prophet and praying locust.—*Sir T. Browne, Vulgar Errours.*

Zoográphical. *adj.* Connected with, relating to, Zoography.

Zoógraphy. *s.* Description of the forms, natures, and properties of animals.

If we contemplate the end, its principal final cause being the glory of its Maker, this leads us into divinity; and for its subordinate, as it is designed for alimental sustenance to living creatures, and medicinal uses to man, we are thereby conducted into *zoography.*—*Granville, Scepsis Scientifica.*

Zóoid. *s.* [Gr. εἶδος = form, shape, resemblance; -ειδης = like.] In *Biology.* See extract.

Zooid [is] a term used to denote organic bodies, sometimes free and locomotive, e.g. spermatozoa, which resemble but are not animals.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Zoólatry. *s.* [Gr. λατρεία = worship.] Animal worship.

Zoolatry . . . was the characteristic of the ancient Egyptian religion most remarked by foreigners.—*Brande and Cox, Dictionary of Science, Literature, and Art.*

Zoológical. *adj.* Connected with, relating to, constituted by, zoology.

Zoólogist. *s.* Investigator of, one engaged in, zoology.

Nor have I seen anything that interested me as a *zoologist* except an otter.—*Johnson, Letter to Mrs. Thrale.*

Zoólogy. *s.* [Gr. λόγος = word, reason, doctrine.] Science of animals.

Mr. Mason has added a more particular account of Gray's skill in *zoology.*—*Johnson, Lives of the Poets, Gray.*

The term *zoology* is practically restricted to the science of the outward characters, habits, properties, and classification of animals.—*Owen*, in *Brande and Cox, Dictionary of Science, Literature, and Art.*

Zóophyte. *s.* [Gr. φύτον = plant.]

1. Organic being sharing, or supposed to share, the nature of both plants and animals.

They appear in grammar like *zoophytes* in nature; a kind of middle beings of amphibious character.—*Harris, Hermes*, b. ii. ch. ii.

2. Cuvier's name for his last animal subkingdom.

Zoóspore. *s.* [Gr. σπορά = seed.] In *Cryptogamic Botany.* See extract.

Zoóspore is given to the reproductive bodies of certain algals, which at a particular moment escape from the interior of a plant and disperse in the surrounding liquid, where they move with activity, aided by vibratile ciliæ. In that state they much resemble infusorial animalcules.—*Lindley, Vegetable Kingdom.*

Zoótomist. *s.*

1. One who investigates, by dissection, the lower animals as opposed to man.

2. Comparative anatomist.

The great *zootomist* [Cuvier] in his character as a zoologist, does not hesitate to define and differentiate the 'foot,' the 'hand,' the 'paw,' the 'fin,' and the 'hoof,' respectively.—*Owen, Anatomy of Vertebrates*, preface xix.

Zoótomy. *s.* [Gr. τομή = section.] Comparative anatomy of animals.

A knowledge of the nature of animals, as it implies that of their organization, and of the functions and interdependencies of their component parts, constitutes the two great branches of zoology, called *zootomy*, or comparative anatomy.—*Owen, Anatomy of Vertebrates.*

Zygóma. *s.* [Gr. ζύγωμα = junction.] In *Anatomy.* Junction formed by a process from the temporal to the malar bone; in Latin, *os jugale* (*jugum* = yoke).

Zygomátic. *adj.* In *Anatomy.* Connected with, constituted by, relating to, the Zygoma.

The *zygomatic* muscles are directed obliquely from the arch of the same name towards the angle of the mouth.—*G. V. Ellis, Demonstrations of Anatomy*, p. 29: 1856.

Zymósis. *s.* [Gr. ζύμωσις = fermentation.] In *Medicine.* Term of recent introduction, denoting a morbid action suggestive of fermentation.

The present theory, with regard to the cause of these diseases [eruptive fevers], is, that it depends upon a morbid poison, a small quantity of which, entering the blood, produces in that fluid a peculiar change, which is analogous to that of fermentation. To distinguish the change in animal from what occurs in vegetable fluids, the term *zymosis* has been introduced by Mr. Farr (from ζυμόω, to ferment).—*Dr. J. H. Bennett, Clinical Lectures on the Principles and Practice of Medicine*, p. 952: 1868.

Zymótic. *adj.* [Gr. ζυμωτικός.] Relating to, connected with, constituted by, Zymosis.

We all speak, now-a-days, of *zymotic* diseases.—*Sir T. Watson, Lectures on the Principles and Practice of Physic*, lect. lxxxiii.: 1857.
